

Outdoor Art Class at Center

Professor Emil Weddige of the University of Michigan will begin his final series of art classes at the Grosse Pointe War Memorial this Friday.

As soon as this course is over, June 19, he will be leaving to establish residence in Paris for more than a year. In order to take advantage of Mr. Weddige's teaching at the Center it is necessary to enroll immediately (TU, 1-7511). All classes are on Fridays—

the advanced at 9:30 a.m. and the intermediate at 12:30 and 3:00 p.m.

Instruction will take place in the Center's Terrace Room on the lower floor and just as soon as the weather permits classes will move out on the large side terrace overlooking the Trial Gardens.

Professor Weddige will be teaching oil painting and is especially noted for instilling in his students the basic elements of good design.

Fond Wish Comes True For Fatally Ill Child

By JAMES NJAIM

Easter Sunday was an extra special day for six-year-old Josephine Ann Lucido of 21005 Erben, St. Clair Shores, as her fondest wish was realized when she made her First Holy Communion in the Chapel of Bon Secours Hospital, the first time this has happened in the hospital's history.

JOSEPHINE ANN LUCIDO
—Picture by Eddie McGrath, Jr.

Josephine, daughter of Mr. and Mrs. James Lucido, has a blood disease, and the doctors at the hospital do not give her much more time to live.

For more than two years, the little girl has been making weekly trips to Bon Secours and given three blood transfusions each time.

Continuation of the transfusions was made possible through the response of a generous public, when an appeal for blood was made six weeks ago by Josephine's parents. Scores of persons donated blood for the girl.

Through the months, the little girl has grown to love the Sisters of Bon Secours, the doctors and nurses—especially Drs. Charles G. Jennings, Lyle Heavner, Robert Clifford, nurse Stella Rymanski, and every one connected with the Hospital, and this love was returned. Each week, the hospital staff eagerly looks forward to seeing little Josephine.

For many months, the little girl expressed a wish to make her First Holy Communion in the Bon Secours Chapel, where she could be near the Sisters and the hospital staff.

When the parents were notified that Josephine might not have too long to live, wheels were set into motion, to grant the little girl's wish. Mr. and Mrs. Lucido went to St. Germaine Catholic Church, St. Clair Shores, and spoke to their pastor, the Rev. Fr. LaSalle M. Lenk, and pre-

sented their problem to him, since the child must be at least seven years old, before she is permitted to make her First Communion. She will be seven September 30. The priest obtained a dispensation from Archdiocesan authorities.

Following this, Mother Liborius, superior of Bon Secours Hospital offered the use of the hospital chapel. The Sisters' Choir promised to sing at High Mass, to be celebrated by the Rev. Fr. Ugo Sordor, hospital chaplain for the past three years. He is a missionary of the St. Peter and Paul Order.

Jean Verhoye, a nurse at Bon Secours, made contacts, and four seven-year-old girls, who recently made their First Communion at St. John Berchman, Detroit, were chosen as guards of honor.

The girls, all of Detroit, were: Juliann Thompson, daughter of Mr. and Mrs. Thomas Thompson of 4220 Maryland; Patricia Arioli, daughter of the Tullie Ariolis of 3605 Lakepointe; Jeanne Gaudaen, daughter of the George Gaudaens of 5233 Maryland; and Diane Rouleau, daughter of Mr. and Mrs. Philip Rouleau of 4151 Maryland.

The Women's Assistance League of Bon Secours Hospital presented Josephine with a beautiful white dress and veil. Four women employed in the sewing department of the hospital, Mrs. Irene McDonald, Mrs. Josephine Asseline, and Mrs. Celestine Janson, remodeled the dress to fit for the occasion.

Mrs. Louis Spencer, made the pink floral pieces to be worn on the heads of the honor guards, and the pink floral design placed around the tiny taffeta-covered chair, on which Josephine was to sit.

The little girl's mother, Frances, said that her daughter has been sick with the blood disease, Mediterranean Anemia, a form of leukemia, since birth, but it was not discovered until Josephine was four years old.

On Easter Sunday, before the 8:30 mass in the Chapel, the sisters, doctors, nurses,

patients, family and friends filed into the pews.

Promptly at 8:30, as the organ music swelled softly, Josephine, flanked by her honor guards, two in front and two in back, walked down the aisle, to their places in front of the Communion Rail. The guards were dressed in their First Communion dresses, and wore their floral head pieces, with gardenias strapped to their wrists, the palms of their hands joined on their breasts.

Josephine, in a floor length dress and long veil, carrying a bouquet of white flowers, walked with solemn dignity to her little chair in front of the rail, in the middle of the aisle.

The voices of the sisters' choir rose in chant, as the Mass began.

Little Josephine sat riveted to her chair, her eyes following every movement of Father Sordor.

"This is not just an ordinary First Holy Communion," Father Sordor said, "because the soul of the little girl wanted to be with Our Lord. She had asked so many times to receive Our Lord, and because she is sick, it was arranged to permit the child to receive Communion at her early age."

Then came the time, during the Mass, for Josephine to kneel at the rail. Father Sordor placed the Holy Eucharist on her tongue, as the choir sang "Jesus Thou Art Coming."

After the Mass, Josephine and her honor guards walked toward the back of the church, as people, here and there, wept unashamedly.

After receiving the congratulations of her family, friends, the sisters and the other members of the hospital staff, Josephine asked to be permitted to place her bouquet of flowers before the statue of the Blessed Mother in the Chapel.

A special guest of Josephine's was Anthony Serra, four, son of Mr. and Mrs. Gasper Serra of 4893 Chatsworth, Detroit, who has the same disease as Josephine, and who has been receiving transfusions at Bon Secours for three years of his young life.

Unable to attend the occasion was the maternal grandmother, and only living grandparent, Mrs. Josephine Taormina of 3035 Cadillac boulevard, Detroit, who is returning from a visit to Italy. She will be home on April 11.

Center Drive

(Continued from Page 1) maintenance contributions from a few well-to-do families.

The Center is a strictly non-profit organization with Board members and Committee workers serving without pay. Because of its structure and because its programs and aims are cultural, educational, and in the interest of community service the Center is tax-free and all donations to it are income tax exempt.

The Center provides the Pointes with much that is essential and worthwhile in community life. There are many reasons to give to the Memorial. It is a meeting place for all Pointe organizations with food service as an added accommodation. It loans hospital equipment free-of-charge and arranges for free blood in case of emergency. Cancer pads are given out to those in need.

The Memorial is an active Art Center and the home of the Grosse Pointe Garden Center with its Trial Gardens. Fine exhibits and displays are featured regularly as are also distinctive and high calibre concerts both instrumental and vocal. Outstanding speakers on a wide variety of topics are scheduled throughout the year. There is activity for youth of all ages. The young people love the Center because it has no institutional look or feel.

The Center's activities, however, are in no sense confined to young people. There is a most popular Senior Club. There are all sorts of special interest groups for the Pointe's adult population and classes are held in many fields on an adult and advanced level. Always the Center remains a beautiful Living Memorial to those who served and sacrificed in World War II and Korea. As such its doors are open for use by all military and service organizations.

Charles A. Parcels, Jr., the President of the Center's Board of Directors is confident that now more than ever Grosse Pointes will express their confidence in the Memorial by donating to it. It is an investment that will be most appreciated and will be rewarding both to the donor and the community.

Half the fun of traveling is eating out, says Roy H. Park, head of the Duncan Hines Institute, publisher of Duncan Hines "Adventures in Good Eating." He adds, "take time to enjoy your meals. Dine leisurely. There are so many fine eating places along the highways of this country that offer fine fare at reasonable prices, it would be a shame to 'bolt it and beat it.'"

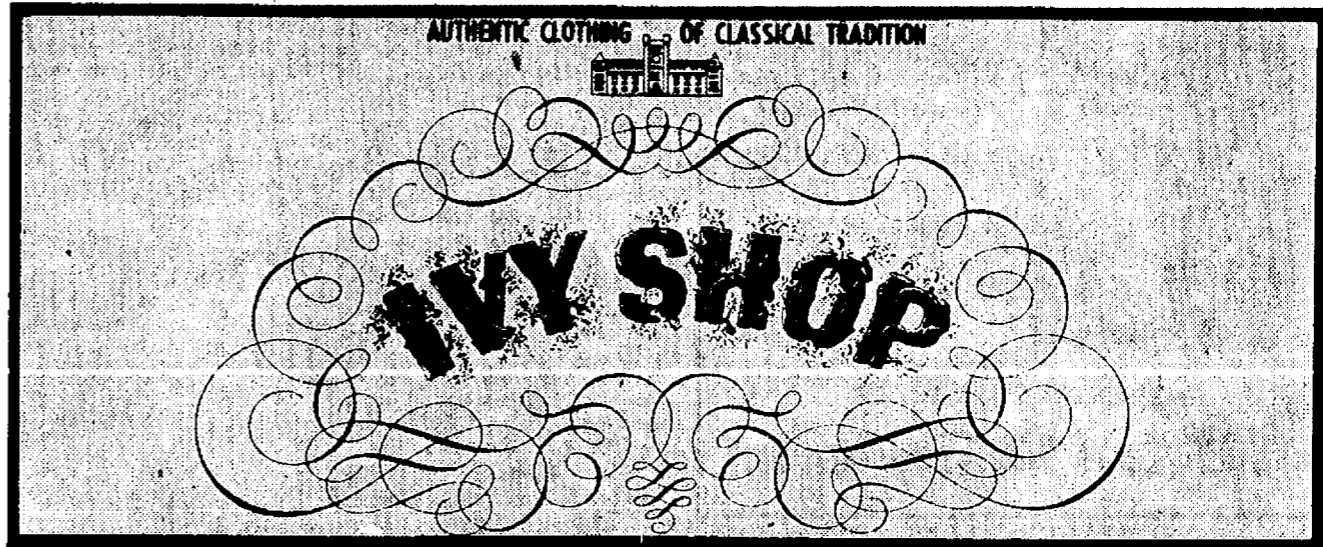

Lutherans Bring Choir Here

Under the direction of Miss Eleanor Geffert, the chorus will render four anthems appropriate for the Easter season. These renditions will include "Adoramus Te" by Palestrina, "My Shepherd Will Supply My Need" by Thomson, "Go Not Far From Me, O Lord," by Zingarelli, and "Alleluia" by Thompson.

Woods Theft

(Continued from Page 1) The man, apparently Solomon, asked to try on a suit, O'Dell and Tobian said Partan told them, and proceeded to fitting room to try one on. Solomon then asked Partan for a cigar, but when informed there was none in the store, Solomon said he would get one from his suit, but did not.

In the meantime, while the conversation was going on, one of the women asked for a bag, and after being given one, shuffled several items she was carrying into it, and then went outside. The second woman remained seated throughout this operation.

The woman who went outside, re-entered the store, and was asked by Solomon to get a cigar from his suit hanging in the fitting room. The woman spent a long time in the room, leaving the door open, thereby hiding a number of suits hanging next to the room. She kept up a steady stream of conversation.

Coming out of the room, without the cigar, the woman stated that she was going to the car for a minute. She left and returned a few minutes later, and again went to the fitting room. Solomon offered to purchase the suit he was trying on, and was informed by Partan that a \$5 deposit was required, which was produced, according to the Woods detective team.

After the three left the store, O'Dell and Tobian said, Partan discovered four suits missing from the rack near the fitting room.

Thursday evening, March 26, Solomon, Stevenson and Virginia came to the store, where they were arrested by police, and held for investigation of larceny from a building.

The three were arraigned before Judge Goodrow on Friday, and the Walker woman, on Saturday.

Burglaries Plaguing All Pointe Police

(Continued from Page 1) had been put on a special watch list by City police.

Front Door Ajar
 The burglary was discovered by police making a routine check of the residence, and found the front door ajar. A further investigation disclosed that the house had been thoroughly ransacked, and that entry had been gained by breaking the glass of a storm door and rear door leading into the back porch.

Police placed a call to the McLeans in Florida, and were informed that the doctor and his family had taken the precaution of removing all valuables from the house prior to their departure. It did appear, however, that an undetermined amount of money had been taken.

A complete investigation is pending the return of the McLeans on April 7.

Two In Farms
 In the Farms, the home of Otto H. Steffens, 435 Manor, was entered on Thursday, March 27; and on Monday, March 30, a forced entry was made into the home of the C. D. Blessed, 114 Moran road.

At the Steffens' residence, entry was gained through the side door, after breaking through the milk chute. Only think taken was a half a quarter of whiskey, it was said.

It is not known what has been taken, if anything, from the Blessed's home, until the family returns from out of town.

A maid, Mrs. Maria Alesi of 13068 Philbert, told police that she was last in the house on March 26, and that she left after finishing her house work.

Neighbor Sees Breakage
 T. B. McCarthy of 1208 Audubon, who was watching the house for the Blessed family, discovered that the thief had entered the home by breaking a section of glass out of the side kitchen door window. He notified police.

Woods police took reports on Saturday, March 28, on the breaking and entering of the homes of John Major, 1051 S. Oxford; and the home of Wayne Sharpe, 1131 S. Oxford.

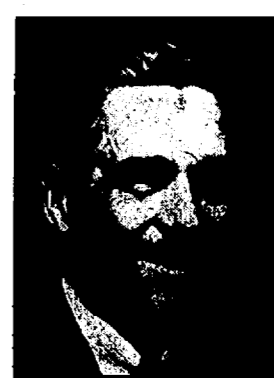

Police said that the Major house was entered through the side door, which they said was unlocked. The thief took \$10 from Mrs. Major's purse in the

kitchen, and then went into the first floor den, and removed \$135 from Major's wallet in a desk. Nothing else was disturbed, it was said.

The Sharpe burglary was reported by D. W. Jennings of 1130 S. Oxford, who told police that he was keeping an eye on the Sharpe home while the family was out of town.

Jennings discovered that entrance was gained by the thief who broke the glass of the rear porch door, and completely ransacked the house. A report on what is missing will have to wait until the family returns.

One hundred thousand today will have tuberculosis Americans who are healthy one year from now.

LARCENY REPORTED
William J. Scott, Jr., of 81 Handy place, complained to Farms police on Monday, March 23, that someone stole his top coat from the clothes rack in the Sunday School section of the Pointe Memorial Church. He said his car keys

Festival Choir To Give Concert

The festive cantata "Rejoice in the Lamb," by Benjamin Britten and the "Missa Brevis in Tempore Belli," by Zoltan Kodaly will be performed by the Festival Choir of Christ Church, Grosse Pointe on Sunday, April 5 at 4 o'clock in the afternoon.

The choir is under the direction of Richard Roecklein, music director of Christ Church and organist and harpsichordist for the Detroit Symphony Orchestra.

Soloists include Roma Riddell, soprano; Barbara Phillips, contralto; John Moldowan, tenor; and Richard Webb, bass. Sopranos of the boy choir of Christ Church will be heard as soloists in the Kodaly work. Mr. Philip Steinhaus, organist and choirmaster of All Saints' Church, Pontiac and recording artist for Boston Records, will accompany the choir on the recently installed three-manual Holtkamp organ.

"Rejoice in the Lamb" was written by Benjamin Britten for the rector and choir of St. Matthew's Church, Northampton, England on the commemoration of the 50th anniversary of the consecration of their church, Sept. 21, 1943.

The poem deals with the worship of God by all created beings and things, each in its own way.

The "Missa Brevis in Tempore Belli," by Zoltan Kodaly (Short Mass in Time of War) derived its title from the time it was written in 1945 when the Russians were "freeing" Budapest from the Germans at the end of World War II. The first performance was given in a cellar of a bombed-out church in Budapest.

The Festival Choir, which numbers sixty voices, is an organization made up of people in the community who enjoy singing the great masterpieces of religious music and performing them in their authentic manner. The choir is sponsored by Christ Church. In the past, it has been heard in the Berlioz "Requiem," the Schubert "Mass in E Flat," the Schutz "Christmas Story," the Bach "St. John Passion," the Bach "Christmas Oratorio" (Part II), and the Charpentier "Midnight Mass."

The public is most cordially invited to attend. After the program there will be an opportunity to meet the soloists and choir in the Undercroft of the church.

Driver Ticketed After Collision

Laurence E. Schmidt, of 408 Neff road, was judged by City police to be at fault when his car collided with that of Dolores G. Donahue on Friday, March 27.

Schmidt was headed north on Neff and Miss Donahue, of 22217 Barton, St. Clair Shores, south on that street, when the accident occurred.

A witness notice was served Miss Donahue and Schmidt was ticketed for not having his car under control.

The man who spends all his time hating his enemies misses a chance to do many more useful things.

City Seeks Little League Tryouts

Tryouts for the 1959 Grosse Pointe City Little League competition will get under way Saturday morning, April 4 at the Neighborhood Club field, according to Bill Bradley, league president.

All boys, ages 8 through 12 inclusive, who were not members of a major Little League team last year, are required to try out for this year's competition.

The Saturday, April 4, try-out schedule is as follows: Eight and 9-year olds 8:30 to 10:00 a.m.; 10-year olds 10:00 to 11:30 a.m. and 11 and 12-year olds 1:00 to 2:30 p.m. The following Saturday, April 11, tryouts will be held at the same times.

All boys interested in playing Little League baseball should attend both days to give the coaches ample opportunity to look over the candidates.

Elm Blight

(Continued from Page 1) private property. Farms residents are entitled to deal with their own trees as they see fit.

Shock Bros. has also been contracted, at a total cost of \$3,340, to cover the dormant and foliage sprays of some 2,000 public-owned trees and 1,400 privately owned Elms. The dormant spray is nearly half-finished in the Farms, the rest to be completed as soon as clement weather persists.

The City of Grosse Pointe Park, which owns most of its own equipment, bid only on the DDT which low \$93.4-a-gallon bid from Standard Oil Co. they have accepted. They were able to get in only one day of spraying in that community last week, prior to the bad weather, but hope to continue as soon as possible. In the Park, too, that City provides only the dormant spray, which it does to public and private trees alike.

The City of Grosse Pointe Woods also owns its own Elm-spraying equipment. They are fortunate in having enough of the DDT left over from last year's supply, so have not bid for more—although it may be necessary to do so before they are through.

In that community there is an ordinance, adopted three years ago, which gives residents a 10-day period in which to remove Elm trees that have been pronounced diseased, at their own expense. After the expiration of that deadline, the City removes them—and charges the tardy owner.

No information was available from Shores.

Park Plan

(Continued from Page 1) plan; they favored subdividing the land for homes.

During the winter the arceage has been cleaned up and some trees planted. Two ice rinks on the site were also used during the past season.

The meeting at 1:30 o'clock and the tea which will follow at Mrs. Johnson's is sponsored by the Park Garden Club and members of the Civic Beautification Committee including Mrs. Schumann, Mrs. Edger B. Cooper, Mrs. Frederick E. Gould, Mrs. Pierre and Mrs. Emil Leidich.

THOSE WE PREFER!!
"Good Judges, and Bad" *Detroit News*
"Candidates for Circuit Court" *Detroit Free Press*
Above are the headings used by the Detroit News and the Detroit Free Press, respectively, in evaluating candidates for the Wayne County Circuit Court. The list included the following incumbents who definitely should be retained:
VICTOR J. BAUM
THEODORE R. BOHN
MILES N. CULEHAN
FRANK FITZGERALD
NEAL FITZGERALD
HORACE W. GILMORE
WADE H. MCCREE, JR.
THOMAS J. MURPHY
CHESTER P. O'HARA
JOSEPH G. RASHID
We feel strongly too, that there are three non-incumbent candidates who, if elected, would help the Court maintain its present fine standards. These men are:
EDWARD S. PIGGINS
JOHN M. WISE
JOSEPH A. MOYNIHAN, JR.
The dignity of the bench and the courts outstanding record for efficiency and humane handling of its cases will best be assured with the election of the men whose names appear above. We kindly urge you to retain this list.
This message in the interest of good, clean, dependable government within our Circuit Court system, is paid for by a civic minded Grosse Pointer.

... Maintaining our present low tax rate. These men are pledged to continue their efforts to retain thrift and economy in all departments while providing for capital improvements on a pay-as-you-go basis. Grosse Pointe Park's present bonded indebtedness is down to \$144,000—lowest in our city's history.
... Police and Fire departments of the highest caliber. Both these departments are rated highly by other municipal authorities, and should be supported in every way possible. A new pumper has been purchased for the Fire Department and this is just one example of your government's continuing efforts to maintain the finest equipment and most modern facilities for these departments.
... Continued expansion and improvement of recreational facilities. The swimming pool and harbor breakwater at our lakeside park are being improved and modernized under the present administration. Continued use of school buildings over the weekends for supervised recreational programs for school-age children is also strongly advocated.
... Maintaining the beauty of Grosse Pointe Park. Trees, shrubbery and plant life have been serviced and protected without driving away birds and other wild life.

League of Women Voters Offers Guide to Candidates

Editor's Note: This non-partisan information has been compiled by The League of Women Voters of Grosse Pointe and is printed by The Grosse Pointe News as a public service.

GROSSE POINTE WOODS COUNCIL

Term: 2 years. Three to be elected. Salary is \$15 per each regular or special meeting, not to exceed \$400 a year.

MARVIN R. BOUTIN, 1678 Newcastle, age 46, is a licensed real estate broker in the State of Michigan, and a business man in Grosse Pointe since 1943. He has had two years in college, in Business Administration. He is a Grosse Pointe Woods Planning Commissioner, and was Chairman in 1958. Is now in third successive three-year term as Plan Commissioner. Is member of Citizens' Advisory Committee which studied the need and ways and means to finance construction of the new City Hall.

He is a member of Country Club, Woods Progressive Association, a Grosse Pointe Businessmen's Association, Associate Member of Fraternal Order of Police, Grosse Pointe Lodge 102, Grosse Pointe Optimists Club — youth activity chairman for 4 years. Founder and first President of the Grosse Pointe Woods-Shores Little League Baseball Program (also founded and organized nucleus of Grosse Pointe Park's Little League).

He says, "I have become very familiar with the many facets of our City Government and feel that my lengthy record of public service merits consideration for promotion to the Council. The Plan Commission records will indicate that I have always taken the necessary time to personally survey, study and weigh prudently each issue, never subordinating the people's rights to that of special interest groups and have always voted the courage of my convictions. If elected, I will work diligently to effect the best possible methods to service our City's needs as expeditiously as possible. I will strive to upgrade all branches of City Government and will effectuate economies whenever it proves reasonable to do so. I will never be a single purpose Councilman and will thwart any possible attempts to burden the community with unnecessary spending. My only interest is to continue serving

my community to the best of my ability."

J. HENRY CANFIELD, 1763 Severn road, age 54, was educated at University of Michigan, A.B.; Detroit College of Law, J.D. He was Assistant Chief Field Deputy in the Office of Collector of Internal Revenue, Detroit 1933-1944. He is active in Country Club Woods Progressive Association and Citizens Association of Grosse Pointe Woods.

He says, "I consider honest, efficient, economical government as the first need of any community. In my opinion, we in Grosse Pointe Woods have a government which measures high by those standards, except as its efficient and economical operation is limited by the inadequate quarters in which it is housed. A new City Hall, at present partially provided for, is our most pressing physical need."

"Our City is maturing; the remainder of its development

should be controlled so that the existing character of our residential and commercial districts is preserved. We need especially to watch the further "commercial strip" development of Mack Avenue. We should continue the steady improvement of Ghesquire and Lake Front Parks out of tax revenues. The acquisition of additional lands for park sites should be secondary."

GEORGE D. FOSTER, 1971 Broadstone, age 42, was educated in Lawrence Tech., Wayne University, and has had various other administrative courses in sales and Business Administration. He was a former Precinct Delegate, State Delegate, and member of Future Detroit Committee for Sewers and Sanitation. He is active in Babe Ruth League and in Pointe Senior Baseball League. He considers the greatest needs in his community to be: (1) lower taxes; (2) better street maintenance; (3)

adequate recreational program properly administered; (4) better understanding by the citizens of our local government and its functions.

RODGER A. GRAEF, 1154 Roslyn road, age 37, has had 1 year at University of Southern California, and insurance, public speaking, bookkeeping and other courses at University of Detroit. He served in the U.S. Naval Air Corps, and later was 2nd Lt. Pilot in the U.S. Army Air Corps. He was appointed as a member of Citizens Committee for the Filter improvement bond issue (1956), and was appointed by council as chairman of local neighborhood improvement committee in 1957.

He is an active member of the Kiwanis Club. He considers that the greatest needs in his community are: (1) to strive for early and efficient completion of important, beneficial projects such as the current flood control program,

paving projects, and recreation facilities; (2) the orderly fulfillment on a sound economic basis of all necessary city programs and affairs; (3)

What's in store for stocks?

That's never easy to answer, we admit.

But with the cooperation of Eastland Center and the help of our Research Department in New York, we have just put together a four session answer (each approximately 1-1/2 hours long) entitled "How To Invest" that should make a lot of sense to any seasoned investor.

If you'd like to hear it—a thorough-going discussion of basic trends in our economy, a series of specific suggestions to meet various situations and objectives during the months ahead—then don't miss our "How To Invest" forum.

It will be held on four consecutive Tuesday evenings—April 7, 14, 21 and 28—in the Eastland Center Auditorium located at Eastland Center and will start at 7:30 sharp.

Bullish or bearish, we think you'll find this time well spent, think it should prove extremely helpful to even the most experienced investor.

There's no charge connected with this Program, of course, but admission will be by ticket only.

If you'd like to come, simply call and tell us you'll be there or just mail us the coupon below.

Voters Guide

(Continued from Page 6)

To give strongest effort to those items deemed most necessary to the majority of residents; (4) A consistent effort to maintain a low tax rate.

BREX M. JOHNSTON, 2025 Hunt Club Dr., age 48, was educated in Highland Park Junior College. He was Village Planning Commissioner in 1946-47; Village Commissioner in 1947-50; City Councilman in 1950-59, and Wayne County Supervisor 1950-55. He is active in Kiwanis Club—secretary and Past-President.

He considers the greatest needs in his community are: (1) Careful supervision of the tax monies to eliminate unnecessary expenditures; (2) Improved public relations to stimulate more interest in local government; (3) Strengthening of the fire-fighting side of our integrated Public Safety Department; (4) Speeding up the re-surfacing and replacement program for better city streets; (5) Opposition to unwarranted rate increases for water and sewage disposal.

Councilman to fill vacancy—1 yr.

BENJAMIN W. PINKOS, 1924 Broadstone, age 42. Educated in metallurgical engineering at Wayne University, Lawrence Institute of Technology, and Chrysler Institute of Engineering. He has been plan commissioner, Chairman of Plan Commission, Grosse Pointe Woods, and Chairman of Citizen's Committee. He is active in Kiwanis Club and is a past president.

He thinks the greatest need in his community is, "Effective communications promoting participation and better understanding of problems in municipal governments. City officials can then promote creative community service programs of vital concern to the residents. The progress, development, and well-balanced growth of a community can be attained with the taxpayer's cooperation, and their cooperation can be obtained only if they can be reached through successful communications."

PROPOSALS FOR AMENDMENTS TO THE CONSTITUTION OF THE STATE OF MICHIGAN

The Legislature of the State of Michigan proposes the following amendments to our Constitution: (listed in the order in which they will appear on the ballot, and presented in their short "title" form, not the full wording of the Article).

1. "Shall the Constitution of the State of Michigan be amended to EMPOWER THE LEGISLATURE TO PROVIDE FOR CONTINUITY OF STATE AND LOCAL GOVERNMENT IN PERIODS OF EMERGENCY?"

This amendment would permit the Legislature to adopt plans to assure the continuity of government in case of enemy attack.

PROponents of this amendment feel that it would assign definite responsibility to the Legislature to assure operation of the government and fill all state positions in case of disaster. It also meets the recommendations for state preparedness set forth by the Civil Defense Authority.

OPponents of this amendment believe that it is unnecessary, as it is unlikely that an enemy attack would incapacitate all top officials; and that Martial Law could and/or would operate after an enemy attack.

2. "Shall the Constitution of the State of Michigan be amended to CHANGE THE NAME OF THE GOVERNING BODY OF MICHIGAN STATE UNIVERSITY (OF AGRICULTURE AND APPLIED SCIENCE) FROM THE STATE BOARD OF AGRICULTURE TO THE BOARD OF TRUSTEES OF MICHIGAN STATE UNIVERSITY?"

PROponents of this amendment believe that it would make the differentiation clear between the governing boards of Michigan State University and the Michigan Department of Agriculture. The sole function of the Board of Agriculture is the governing of Michigan State University.

OPponents of this amendment feel that since Michigan State University is Michigan's only agricultural college, the use of "Agriculture" in the

title of its Board of Governors is appropriate.

3. "Shall the Constitution of the State of Michigan be amended PROVIDING FOR A BOARD OF GOVERNORS OF WAYNE STATE UNIVERSITY AND PRESCRIBING ITS POWERS AND DUTIES?"

This amendment would give Wayne State University Constitutional status, with the powers of its Board of Governors set by statute. It further sets the Board of Governors at six in number, and it requires that a detailed annual account of all income and expenditures be given to the Legislature.

PROponents of this amendment feel that this would give Wayne State University the same constitutional standing long enjoyed by the University of Michigan and Michigan State University.

They also feel that setting the Board of Governors at a definite number removes the question of size from political pressure; and that a detailed annual accounting assures the Legislature of complete knowledge of the University's income and expenditure, and gives the Legislature control over how the University spends its appropriations.

OPponents of this amendment feel that since the University of Michigan and Michigan State University's boards of governors retain the general supervision of expenditures, while Wayne State University's Board of Governors' powers would be subject to legislative statute, Wayne State's constitutional status would be more restricted than the other two State universities; and that it could give the Legislature too much control over how to spend the money available to the University.

They also feel that specifying that the University give a detailed annual accounting to the Legislature is unnecessary since the Universities are all in the habit of doing this anyway.

Driver Careens Into Utility Pole

Myrle Wilson, of 6111 Engleman, in Warren, suffered facial lacerations and was ticketed for reckless driving Thursday, March 26, when he lost control of his car and careened into a utility pole.

Wilson was driving south on Cadieux, and was in the process of making a turn, east onto Waterloo, when the accident occurred. He was taken to Bon Secours Hospital by City police for treatment of his injuries.

To cut down highway fatalities, it pays to remember the four "Cs" when driving for business or pleasure, says the Duncan Hines Institute, publisher of the Duncan Hines travel guide books. The four "Cs" are: courtesy, caution, common sense, and compliance with traffic signs.

700 Party Goers Saw Aquatic Exhibition, Lunched and Watched Stage Show; Lessee Received Dainty Necklaces at Annual Frolic

Fathers and daughters gave the Eastertide a wonderful welcome at the Detroit Athletic Club last Saturday. Event was the dads' and daughters' own special festivity staged by the club each Easter Eve. Prettiest bonnets topped pretty heads; flowering plants formed a beautiful background.

Quite a few youngest missies were attending for the first time—six-year-old Marjorie Reindel, for instance, who came with her dad, John D. Reindel, and four-year-old Katherine Chamberlin who was with her grandfather, Norman F. Chamberlin, and her sisters, Karin and Christine. On the other hand, there were grown daughters, too, like Mrs. C. Hugh Fletcher who came with her father, E. Richard Holtz, and Mrs. Robert J. Maranté—she was with her dad, Ches B. Larsen. The fête was an assemblage of all ages, really.

The party-goers saw an aquatic exhibition in the club auditorium; lunched at 1 o'clock in gymnasium and Pontchartrain Room; daughters received souvenir gifts of dainty gold and pearl necklaces. Members of the DAC Beavers ushered. Dick Barlo's orchestra played. Finally came the stage show, when Trude Adams sang, and Bob Lewis sparked his comedy act with magic and banjo-playing. Many, many Grosse Pointe fathers and daughters were in the 700 present: James C. Stewart with Diane, Barbara and Lindsey; Frank Kuhn and Arielle; James H. Dodge and Ann; Pierre V. Heftler and Patricia; John B. Miller and Pat; Homer Pharis and Donna; Dr. Robert J. Schneck, Virginia and Julie; Marshall Noecker and Ann; Edwin Kriehoff, Jr. and Katherine.

OSU Choir To Sing Here

In a major stop on its annual spring tour, the 82-member Ohio State University Symphonic Choir will present a concert April 9 at the Rackham Educational Memorial. It will be the first Detroit appearance in the 22-year history of the organization.

The concert is sponsored by the Ohio State University Alumni Club of Detroit.

Considered one of the outstanding all-student choral groups in the country, the choir was founded by its present conductor, Prof. Louis H. Diercks, with 20 members in 1937. Two years later, having grown to 32 voices, it took top honors among 30 amateur choruses in the national "Choral Quest" competition sponsored by the Columbia Broadcasting System.

In recent years the choir has appeared in all sections of the country. In 1955 it climaxed a

tour of England, France, Germany and Belgium with an appearance at the International Musical Eisteddfod at Llangollen, Wales, and drew high praise from European critics.

On last year's spring tour, the choir sang at Town Hall, New York, and at Lisner Auditorium in Washington. It also recorded a number of selections for broadcasting on "Voice of America" radio stations throughout Europe.

Tickets for the concert will be available at the Wayne State University Student Center and at Grinnell's.

Dr. Alfred H. Whittaker is co-chairman of the event and John W. Paynter, in charge of tickets. Among the Pointe patrons are Mr. and Mrs. William Adams, Mr. and Mrs. Samuel Shenefield and Miskel Schaeffer and Lillian Hogue.

Musicale Sets Concert Date

Tuesday Musicale will present its annual Spring Concert to which guests are invited next Tuesday, April 7, in the Detroit Institute of Arts at 10:30 o'clock.

The Choral Ensemble will sing several selections under the direction of Ida K. Cordes. Bertha Hagarty, organist, will play two Bach compositions, and the Wayne State University Dance Workshop, under the direction of Julia Sanford and Harriet Berg will perform.

The dancers will have the assistance of Kathryn Ellis and Connie Keyse, choreographers.

Tuesday Musicale members are also preparing "Hansel and Gretel," an opera to be presented April 17 at the Detroit Institute of Arts.

Guild to Serve Slovak Dinner

Several years ago, the members of the Valparaiso University Guild were invited to hold their meeting at Our Redeemer Slovak Church. The ladies of that church were hostesses of a most delightful menu of old Slovak delicacies. Apparently their variety of food is well liked because there was an overwhelming attendance at that meeting, and through the years, mouth-watering recollections have often been nostalgically discussed.

And so—on Thursday evening, April 9, the Detroit Chapter of the Valpo Guild is sponsoring a Czechoslovakian dinner for the benefit of the Valparaiso University at Valparaiso, Ind.

Mrs. Andrew Daniel, a member of the ways and means committee of the Guild, and the wife of a former pastor of the Slovak Church has acquired the cooperation and the assistance of the women of that church in preparing a most tempting Slovakian dish, and an assortment of their special desserts.

The dinner will be held at Our Saviour Lutheran Church Educational Building on Elm-dale and Dickerson Avenues. It will be served "family style" at 6:30 p.m. and the price is \$2.00 per person.

To facilitate making adequate preparations, the sale of tickets will be limited to 400, and it is advisable to purchase them as soon as possible. Call the chairman of tickets, Mrs. Oscar Sattelmeier, 171 Ridgemoor road, at TU. 1-3006.

Mrs. Paul Deidrich of Trombley road, and Mrs. Wilbur Rieck, 1650 Ford court, are co-chairmen of the ways and means committee planning this affair.

Mrs. Hugh Stone, 19967 Doyle place, East, and Mrs. Carl Thrun are in charge of the dining room. Mrs. Arthur Arduin, 330 Moross road, is chairman of the reception committee.

After the dinner, the newest film-strip from the campus of this Christian University entitled "There is a Difference" will be shown.

The next regular meeting of the Detroit Chapter of the Valparaiso University Guild will be on Monday, April 6, at

Mt. Calvary Lutheran Church Luncheon preceding the meeting will be served at 11:30 a.m.

Rev. E. A. Westcott, Jr., of Redford Church will be the speaker. Pastor Westcott has some very fine pictures to show as he relates in his interesting manner some personal experiences as an African missionary.

Bride Wears Alencon Lace and Silk Organza for Tuesday Rites; After Wedding Trip South, Couple Will Make Their Home in Mt. Clemens

At a candlelight ceremony Tuesday evening in Grosse Pointe Louise Salisbury Hutchins, daughter of Mr. and Mrs. V. Foster Hutchins, of Washington road, was married to John Frederick Held.

For the rites the bride wore a princess gown of Alencon lace and silk organza designed with a chapel train. A wreath of pearls and orange blossoms held her illusion veil and she carried white roses, stephanotis and ivy.

Carol Anne Hutchins was her sister's maid of honor. She wore a champagne chiffon over taffeta sheath and an ivy wreath. Her bouquet was of apricot roses.

Dressed like the honor maid were the attendants, Barbara G. Rowe, of Mt. Lebanon, Pa.; Barbara Anne Baro, and Sally Ann Henry, of Darien, Conn.

Mr. Held, son of the Wilbur F. Helds, of Mt. Clemens, asked his brother, James, to be best man. Ushering were Carl Pingel, of Mt. Clemens; John Le Gue, of Mt. Clemens, and Frank Hayes, of Lathrup Village.

For her daughter's wedding and the reception at the Whittier, Mrs. Hutchins wore a cocoa lace gown with matching accessories and cymbidium

orchids. Mrs. Held was in willow green silk with a corsage of peach roses.

For traveling south, the bride changed into a gray flannel suit with gray accessories and a red coat. The pair will live in Mt. Clemens.

Among the out-of-town guests attending the wedding were the bride's great uncle, Abram S. Dutcher of Arlington, of New Jersey; the bride's aunt, Mrs. Stewart P. Stearns, of Boston, Mass.; Mrs. Chloe Carpenter, of Grandville, O., and Mrs. Donald Bennington, of Bacyrus, O.

Park Little League Begins Tryouts; First Game May 16

More than 320 boys already have registered—with perhaps 50 more still to come—for the sixth season of the Grosse Pointe Park Little League, which will swing into its 180-game schedule with a double-header on Saturday, May 16.

The deadline for registrations will be at the conclusion of the tryouts, which have been scheduled for Saturday, April 11, Saturday, April 18, and Saturday, April 25 at Defer Field.

Boys who have already registered for the season (and were not members of one of the 12 major league teams last year) will be notified when to report for their tryout session next week.

Upon the completion of the tryouts under the watchful eyes of the managers and coaches of the 12 major league teams, Little Leaguers not already assigned to a major league team will be put into a player pool from which they will be drafted.

Paul Short, league president, explained that last year's sixth place teams in each league will make the first selections from the pool, the fifth place teams will make the second selections, and so on, until each team has had a choice.

On subsequent rounds of choices, the teams again will choose in the reverse order from which they finished last season.

The player draft, at which the managers and coaches will select a sufficient number of Little Leaguers to fill out their 15-man rosters, is scheduled for Monday, April 27.

The balance of that week will be devoted to dividing those boys remaining in the player pool among the 10 collegiate league teams—as evenly as possible.

The week of May 4 has been reserved for workouts of each of the major and collegiate league teams.

Boys who will be at last nine years old but not yet 13 years old by next Aug. 1 and who have not yet registered still may obtain the proper forms from Short, whose residence is at 808 Barrington (VA 1-9050), or E. J. Scallen, of 1341 Bishop (TU 5-3509).

Driver Injured In Accident

Farms police ticketed two women motorists on Wednesday, March 25, following a collision at Chalfonte and Kerby, in which one driver was injured.

Taken to St. John Hospital by police ambulance for treatment of a cut on the nose and on the left knee, and for chest x-rays, was Miss Ruth G. Curtis of 21401 Kingsville, Harper Woods, who was northbound on Kerby.

An accident report revealed that she was struck by a car driven by Betty Lou Willoughby of 24637 Panama, Warren, who was headed east on Chalfonte. The impact caused Miss Curtis to lose control of her vehicle and she rammed a tree at the intersection.

Miss Curtis stated that she was not sure whether the light was green or red when she arrived at the intersection. Mrs. Willoughby claimed the green light was in her favor.

Both were issued tickets for not having their cars under control and causing an accident.

Damage to Mrs. Willoughby's car was estimated at about \$50; to Miss Curtis', about \$300.
