THE TIGERS, after spending the first five weeks of the 1959 baseball season in the cellar of the American league, climbed out Wednesday by beating the world champion New York Yankees. Replacing the Tigers at the bottom of the barrel are none other than the Yankees themselves.

Frank Lary, who has beaten the Yankees 18 times in his career, against only five defeats, was the winning pitcher in the 13 to 6 game. The Tigers had 19 hits, including two homers by Eddie Yost (one with the bases loaded) and one by Gail Harris.

AN UNIDENTIFIED woman died Thursday night from a stab wound after staggering 75 feet from a car, leaving a trail of blood. Screaming for help, the woman collapsed on the lawn of Mrs. Marie Natolitan of 116 Taylor street near Woodward avenue.

People from neighboring houses believed, at first, that the screams had come from a television show. But those who were curious looked outside and saw the woman stagger and fall. The trail of blood indicated that she either was thrown from or got out of an automobile.

POLICE ARE still searching for clues to the murder of Mrs. Patricia Cioffi. She was stabbed by an unknown assailant Thursday night while walking near her apartment on Blaine and Second avenue. It was first believed that Mrs. Cioffi jumped from or was pushed from a car, but police said that apparently she was the victim of an attacker who intended to rob or assault her.

TWO MORE CHILDREN in the Detroit area have died as a result of suffocation by plastic cleaning bags. Miriam T. Burch, three months, of Riopelle street, Detroit, was found by Robert Lee Phillips while the child's mother was shopping. Police said that the child had been sleeping on the bag and had apparently pulled it over her face while she was sleeping.

JOHN FOSTER DULLES, Secretary of State for the Eisenhower administration until his resignation last month, died Sunday morning in his sleep. Dulles, who was 71, died of cancer and pneumonia in Walter Reed Hospital in Washington, D. C. He served as a major attached to the Army's general staff in World War I. President Eisenhower called Dulles "A lifetime laborer for world peace, a foe only to tyranny, one of the truly great men of our time."

THREE GIRLS were still alive Monday, after spending the night in the cold waters of Lake St. Clair. Their five companions, who were not so fortunate, drowned during the night. The survivors, Marilyn Cily, 17, Mary Lou Gonyea, 17, and Nancy Benedetti, 20, were found at 5:55 a.m. by Macomb County Deputy Sheriff Lloyd Rivard. The eight (five girls and three boys) had been picnicking on Strawberry Island Sunday. When it began to get dark, they all got into the 16-foot outboard boat, contrary to earlier warnings of overloading, and started home. About a half mile off shore, the boat swamped.

DETROIT LOST OUT to Tokyo in its bid for the 1964 Olympic Games. Frederick G. Mattheel, head of the Detroit Olympic committee, was turned down yesterday by the International Olympic body meeting in Munich, Germany. According to committee sources, Avery Brundage, Detroit-born chairman of the International Olympics committee, was in favor of Tokyo and very much opposed Detroit.

Imbeciles Etch Their Cowardly Signature

A paint spray gun was used to deface the beautiful auditorium-gymnasium on the Grosse Pointe High School campus. Supposedly the work of seniors of the graduating class, the exhibit more resembles that of an elementary school student who hadn't yet learned the difference between harmless fun and idiotic desecration of property.

Incumbents Win Shores Election

Jerome, Huettefman and Flintermann Returned as Trustees; 253 Go to Polls

The lone challenger for the post of trustee on the Shores Village council, was defeated at an election held on Tuesday, May 19.

The defeat permitted three incumbents to retain their seats for another two-year term.

In the largest turn out of voters since 1950, Frederick B. Youngblood emerged the loser, polling 117 votes, trailing close behind. Incumbent Gilbert T. Jerome, who received 124.

John Huettefman, Jr., led with 216 votes and Donald R. Flintermann was given 183.

Two write-in votes favored Frank Jenny.

When the number of ballots were tallied, it was found that 253 persons voted, the largest number to do so since 1950, it was said.

Still having another year in office are Village President Jack Williams, Trustees Charles A. McFeely, Jr., Gerald Schroeder and Alfred T. Wilson, and Village Clerk Dr. Clifford B. Loranger.

The next regular village election will be in May 1960.

TIRE, WHEEL STOLEN

John Kennedy of 1039 Conner, Detroit, complained to Park police on Friday, May 22, that while his car was parked at Jefferson and Beconsfield, someone broke into the trunk and stole the spare tire and wheel.

Five more Pointe burglaries and a theft from an automobile, were cleared by Park police on Wednesday, May 20, when the fourteenth member of a teenage gang, who is in prison, confessed after questioning by Park police.

George D. Flatter, 20, of 2552 Philip, Detroit, an inmate of Cassidy Lake Prison Camp, a subsidiary of Jackson Prison, where young criminals are sent, confessed to a number of burglaries committed in the latter part of 1957 and early 1958. He also admitted to two auto thefts in the Woods and Detroit.

Flatter was questioned at the camp by Park Det. Lis. Stanley Enders and Arnold Hough, and Park Police Cpl. Charles French, on information supplied them by George W. Bell, Jr., 17, 1069 Marlborough, Detroit, gang member.

13 on Small Sailboat Find Number Unlucky As Craft Gets Hung Up on Sand Bar

Youngsters Rescued After Long Vigil and Search by Coast Guard; Spotted by Plans After Morning Fog Lifts

A sail-less sailboat aground on a Lake St. Clair sandbar with 13 Grosse Pointe boys and girls aboard, plus a night of squalls and fog, set off a search by the Coast Guard that lasted from 10 p.m. Wednesday night, May 20, until 8 o'clock the next morning.

The "Hobo," 26-footer, owned by W. C. Flaherty, of Neff road, and manned by his son, Paul, left its winter dock at Mears Marina on the Clinton river between 3:30 and 4 o'clock, Wednesday with a crew of 12. They planned to take about a two-hour ride.

Near Strawberry Island the "Hobo" scraped the bottom. Flaherty headed the boat back towards port, but it was too late, the boat ran aground. The boys tried to free the boat but while they were in the process, the motor died, and they were stranded.

Fortunately for all aboard, the boat was facing the wind and the three foot high waves. If the "Hobo" had been grounded across wind, it would have been pounded all night by the water and might have broken apart.

It rained heavily most of the night and once, one of the boys thought he saw a tornado funnel. It passed on over, however.

The 13 were without food and water and by 4 a.m. they were out of cigarettes. A pocket radio helped keep up their spirits and also gave them some word of the outside world. They huddled in the cabin, built for two people, and sang songs to keep warm. Ten Coast Guard boats, five

small private boats and the 124-foot Coast Guard cutter the "Maple" began the search after they were notified of the missing boat Wednesday night at 10 o'clock.

Wayne Long, father of one of the missing girls, called a friend, William Lomasney, the chief pilot for Mogul Bower Bearings Inc. Lomasney and another pilot, Don McLott, were ready to take off at 5 a.m. but were held up because of the dense fog. The plane left the ground at 7 o'clock and, thanks to a report from a small boat owner who said a sailboat had hailed him late Wednesday afternoon asking directions to Strawberry Island, they flew almost directly to the boat.

Finding everyone on board to be safe, Lomasney radioed the Coast Guard. A private cruiser transferred the 13 to the "Maple," which had to wait a mile away because of the shallow water.

Those on board the "Hobo" were: Paul Flaherty, 19 of Neff road; Barbara Farrell, 18, of Anita road; Diane Long, 16, of Lothrop road; Anne McDonald, 16, of Hampton road; Sandy Read, 17, of McKinley avenue; Margaret McGro, 17, of S. Oxford road; Gwendolyn Thimm, 18, of Kerby road; William Vermeulen, 19, of Lothrop boulevard; Thomas Fredal, 19, of Fisher road; Harry Echlin, 19, of Moran road; Joseph S. Hayosh, 20, of Shoreham road; Dan Consentino, 17, of Manchester road; and Jerome Addy, Jr., 20, of Cook street.

Life Preservers Missing
When the Coast Guard boarded the sailboat "Hobo" life preservers were conspicuous by their absence. "Failure to have one approved type life preserver aboard for every passenger makes the owner liable for a \$50 fine per person not having a life jacket," said the Commander of the Belle Isle Coast Guard station.

An investigation is planned to seek out information concerning the grounding of the boat and the lack of preservers. This information will be sent to the District Commander at Coast Guard headquarters in Cleveland, Ohio.

Babe Ruthers Open Season On Saturday

Parade Before Ceremonies Will be Participated in by 225 Uniformed Players

The 1959 Babe Ruth baseball season in Grosse Pointe Woods and Grosse Pointe Shores will open next Saturday morning, May 30, at the Grosse Pointe University School diamonds amid all the pomp and ceremonies traditionally associated with an opening game.

Starting off the morning will be a parade down Mack avenue by the 225 uniformed players, boys 13, 14 and 15, along with the usual assortment of convertibles, pretty girls and music.

Pick Opening Battery

City officials chosen by Babe Ruth chairman Mel Neumann to comprise the battery for the first pitch are Vern Bailey, Director of Public Safety of Grosse Pointe Woods and Shores Police Chief Duemling. Umpiring this pitch will be Vern Dumas, veteran secretary of the Detroit Umpires Association.

Guest speaker for the opening will be Judge Donald Goodrow, well known for his work with youth. In charge of the flag raising ceremonies will be Boy Scout Troop 546.

Carey to Be MC

Master of ceremonies will be Paul Carey, assistant sports director of WJR. He will introduce such distinguished guests as John Chandler, Headmaster of Grosse Pointe University School; Dr. Otis Dickey, assistant superintendent of Grosse Pointe Public Schools; and William C. Staman, state director of Babe Ruth baseball, from Bay City.

At the conclusion of the formalities there will be baseball games on all three GPUS diamonds starting at approximately 11:30.

The feature game will be between George Foster's St. Louis Cardinals, defending champions, and Ken Marone's improving Cincinnati Redlegs. Games will continue throughout the afternoon and the public is cordially invited to come out and watch the fun. There is no admission charge.

RAINCOAT STOLEN

George Vandepulte of 22200 Winshall, St. Clair Shores, told City police on Thursday, May 21, that while his car was parked in the Bon Secours Hospital lot, someone stole his raincoat, valued at \$30.

Summer Sessions Again Being Held By Public Schools

Classes to Be Conducted in Mason and Maire Buildings and at High School Starting Monday, June 15

The Grosse Pointe Public School System will operate a summer school session for interested students again this year. It will run from Monday, June 15, through Thursday, July 23 for all except Driver Education students. The latter courses will run through the entire summer.

Elementary school students in grades 3 through 6 will be able to attend at either Mason School in Vernier road or Maire School in Cadieux road. Instruction in the common skills of arithmetic, reading and spelling will be scheduled. Registration will be possible at both schools on Friday, June 12, between 1:30 and 4 p.m. and again on Monday, June 15, from 8:30 a.m. to 11:30 a.m.

Registration Dates

Grosse Pointe High School will house students enrolled in grades 7 through 12 for summer studies. Students living in the school district may register in the High School Auditorium Wednesday through Friday, May 27-29, between 3:30 and 5 p.m. Another opportunity will be presented these same students on Friday, June 12 between 10 a.m. and 3 p.m. except from 11:30 a.m. to 1 p.m. Non-resident students may register Saturday, June 13, between 9 a.m. and 12 noon if openings are still available.

A full schedule of courses will be offered secondary students. Courses in English, mathematics, social studies, typing and three foreign languages are planned if enrollments warrant. A course in Directed Writing Experiences will be offered for the first time for those who wish to improve their skills, techniques, etc. It will be non-credit, as will be Reading Improvement, a course to improve comprehension and speed.

All Morning Classes

As in the past, the summer classes will meet only in the morning hours. They will begin at 8 a.m. for both levels. In the elementary school sessions, four 35-minute periods will be held with dismissal time being 12:20 noon. The secondary students will have two 2-hour periods each morning with the last one ending at 12:15 p.m.

Loses Finger In Lawn Mower

James N. Zinn of 245 Dean Lane, suffered the loss of a finger on Saturday, May 16, when his hand was caught in the blades of his lawn mower. It was disclosed by a Farms police report.

According to the report, Zinn was mowing his lawn, and reached to move grass clippings away from the cutting blades, when his right hand got too close to the rotor.

His right thumb was lacerated, and the forefinger was severed, police said. Zinn was taken to Bon Secours Hospital by police ambulance for treatment of the wounds.

Pair Who Dunked Two Cars In Lake Must Face Trial

Two Macomb County residents, who pushed two cars into Lake St. Clair, stood mute in Farms Court on Friday, May 22, before visiting Shores Judge Victor DeBaekke.

The two, David C. Brown, 22, of 22879 Lake Shore, St. Clair Shores; and Gary E. Spencer, of 22825 Brittany, East Detroit, were charged by Farms police with larceny from a car and unlawfully driving away automobiles.

Judge DeBaekke entered a plea of innocent for Brown and Spencer and set a bond of \$1,000 against each. The two men were bound over to the Wayne County Circuit Court for trial. They were released after posting the bond, pending trial date.

Services Set For Saturday At Memorial

Annual Ceremony to be Held in Center Gardens; All Urged to Attend

Special effort is being made this year to encourage as many Grosse Pointers as possible to attend the brief but reverently impressive Memorial Day Service in the Grosse Pointe War Memorial's garden on Saturday morning, May 30, at 10:45 o'clock.

Special invitations have been sent to the families of all Grosse Pointe men who gave their lives during World War II and Korea. Each year, however, changes cause fewer of these survivors to be present at the service.

The Grosse Pointe War Memorial Center is a "living memorial" to the men from the Grosse Pointe communities who made the supreme sacrifice fighting for our way of life. The Memorial's board of directors feels that it is important once a year to pay homage to these men in a ceremony in one of the community's most beautiful settings.

To Be Held In Garden

The service takes place in the formal Memorial Gardens unless rain necessitates a move indoors. The program, in charge of Howard Wood, the Center's chairman, is traditionally simple and dignified. After Sea Explorer Scouts raise and half mast the flag on the front flag pole, colors will be advanced and placed by the local veterans and Rev. Father Patrick Lewis, Chaplain of Coast Guard Auxiliary Flotilla 12-12, will lead all present in prayer.

Charles A. Parcels, Jr. president of the Grosse Pointe War Memorial Association, will introduce the dignitaries and guests, among whom Mrs. Russell Alger, donor of the Center, is always present.

Will Read Names

William F. Connolly, Jr., Mayor of the City of Grosse Pointe Farms, will read the Gold Star lists whose names are commemorated on the handsome plaque in the Center's foyer under the inscription, "On these tablets and in the hearts of our people are inscribed forever the names of the men who gave their lives in the service of their country. Theirs is a monument more lasting than bronze."

The Rev. Hugh White of the Grosse Pointe Methodist Church will give a brief sermon appropriate to the occasion.

Wreaths will be placed under the Memorial plaques by the ladies of the Veterans Auxiliaries followed by volley, taps and echoes over the lake by the firing squad of Alger Post 995 V.F.W. and bugler John Brockman.

Father Lewis will end the service with a benediction after the retiring of the colors.

Center Drive Short \$3,000

As Memorial Day, the official end of its active 1959 Family Participation Campaign nears, the Grosse Pointe War Memorial Center is still \$3,000 short of the \$40,000 it needs to balance its budget for the coming fiscal year beginning August 1.

Gifts this year have exceeded results obtained up to this time last year but the goal is \$2,500 larger. To date \$37,047.48 has been received from 2,800 givers. This compares with \$35,242.84 received from 2,706 givers by the same date in 1958.

Charles A. Parcels, Jr., President of the Memorial Center's Board of Directors, wishes to emphasize that though active solicitation will come to an end this month, gifts will be most gratefully received after Memorial Day and any time through the year.

The Center is still hoping to add to its roll call more new givers. The campaign committee wishes to stress that no gift is too small and that a broad (Continued on Page 2)

All Beach Parks Open On Saturday

Season to Open Officially At Lakefront Recreation Sites of Five Pointes

The waterfront parks of the five Grosse Pointes will have their official openings on Memorial Day, Saturday, May 30.

The Park has spent \$44,000 improving the facilities for its Windmill Pointe park. The swimming pool has been doubled in size and has a new concrete floor. Instructional and racing areas are now available.

Construction on an extension of the waterfront pier is scheduled to begin any day. When it is completed, there will be 490 feet added to the present pier. Eleven lifeguards will be employed to enhance the safety of swimmers. Tennis courts, a playground and picnic area are also available.

Has Three Pools

The City offers three pools for the aquatically inclined. A wading pool is available for small children, a pool for the average swimmers and a deeper pool for the divers and experts. At least six lifeguards will be employed.

Four dozen picnic tables, plus iron picnic grills, are available. There are swings and slides for the children. In addition to this, there is one of the greatest marine panoramas in the world, according to Mr. Norbert Neff, City Clerk of Grosse Pointe City. Ships pass by the lake-shore every nine or ten minutes, including some of the largest bulk freighters. Now that the St. Lawrence Seaway is open, ships from all over the world will be passing by.

All Kinds of Fun

The Farms offers many kinds of recreation. Along with swimming, also available are shuffleboard, ping pong, badminton, basketball and volleyball, and of course picnicking.

Until approximately June 10, with the exception of Memorial Day weekend, the swimming pool will be open only part time. No definite time has yet been established. One or two lifeguards will be on duty whenever the pool is open.

The Woods park will open in spite of the fact that the work on the Milk River Drain, which runs through the area, has disrupted preparations.

Beaches Open Saturday

(Continued from Page 1) be open during the day, but since the lights are not working, night tennis will not be available at the present.

Eight or nine lifeguards will work split shifts after June 12. Before then, there will be no swimming except for Memorial Day weekend. A gate guard will be on duty, however.

The Shores will offer swimming, a picnic area and playground facilities for the children. The tennis courts will

Center Drive Still Short

(Continued from Page 1) base of donors is what the Memorial is seeking.

The Center asks the 15,000 families of Grosse Pointe for only about 1/4 of the \$144,500 necessary to operate the Center and carry on its program for the year. The rest is made up from receipts from program activities and services supplied, from dividends and interests from investments and from special maintenance contributions.

Charges for all activities and services at the Center are kept low so that as many groups and individuals as possible in the community may enjoy them. Many of the services such as the hospital equipment loaning, blood in case of emergencies, cancer pads, films, lectures, certain concerts, shows, exhibits, etc. are entirely free to the Grosse Pointe public. The Center's use by community groups ranges from no charge to a very small panitorial fee.

White the Memorial is slated to receive a large sum of money from the estate of the late William H. Fries, this is for the erection of a much needed auditorium and does not assist the operating budget which continues to grow with the increased usage and activity offered a growing community.

The Center issues a final plea to everyone who has not yet contributed this year and feels he, his group or the community has benefited through the Memorial to make a donation now in whatever amount he considers proper.

Following are a list of additional recent givers:

Mr. and Mrs. Wilford A. Lindberg, Mr. and Mrs. Arnold W. Lungershausen, Dr. J. Donald Mabley, Mr. and Mrs.

Solve Six Home Burglaries

(Continued from Page 1)
 He also admitted larceny from an auto at 1275 Cook road in April 1958.
 The youth was also involved in the breaking and entering of five Detroit homes and stealing two cars in Detroit in 1957 and 1958.

Breaks Under Quizzing
 Cpl. French and City Capt. Andrew Teetaert broke the case after arresting Bell on Friday, May 15, and questioning him until he confessed to stealing the gun. Bell then told of taking part in a number of other breaking and enterings and other crimes. He named other members of the gang.

French and Teetaert called in the following officers to assist in the investigation:—Lts. Enders and Hough; Farms Det. Sgts. Jack Paisley and George Van Tiem, and Detroit detectives.

All the police officers worked around the clock, almost without rest, and on Monday, May 18, the roundup started. The arrests and events happened so fast, Wayne County Asst. Pros. Robert Sage was sent to the Park station to take statements and issue warrants against each of the youths brought in.

Roundup Conducted
 The start of the roundup was begun by Lt. Hough and Park Patrolman Henry Counce, who acting on a tip, arrested Albert Porcelli, 18, of Brooklyn, N. Y., and Thomas Shanks, 18, of Tennessee, at Jefferson and Ashland, in Detroit.
 The other Pointe officers then arrested the following:—

Douglas Lindsay, 18, of 20440 Coleman, Mt. Clemens; James Neil, 19, of 18940 McCormick, Richland Landgraf, 18, of 2217 Lakewood, Nicholas Moloci, 18, of 1123 Marborough, Verle Mack, 20, of 2872 Manistique, all of Detroit; and Marcel Greenia, 18, of 25340 Dunbar, Southfield.

Detroit police arrested the other members of the gang. Flatter, according to Chief Louwers, had been returned to Cassidy Lake Prison Camp earlier in 1958 for violation of parole.

Solves 17 Burglaries
 The arrest of the gang cleared a total of 17 burglaries in the Park, City, Farms and Detroit, besides car thefts in Detroit and St. Clair Shores, and other crimes committed in the area.

Since all of the youths were directly, or indirectly connected with crimes in the Pointe and Detroit, Bell and Shanks were specifically charged with breaking and entering and larceny from a building at 855 Balfour, filed by Park police; Lindsay, and Neil, same charge, for 433 Lincoln, filed by City police; and Landgraf, same charge, for 411 Lexington, filed by Farms police.

On Monday, May 18, at evening court, Bell and Shanks pled guilty as charged at an arraignment before Park Judge C. Joseph, Belanger, who set \$10,000 bond against each.

Lower Bonds in City
 Lindsay and Neil appeared before City Judge Douglas Paterson. They stood mute, and a bond of \$2,500 was set for each, and examination was set for yesterday, May 27.
 Landgraf pled guilty before Farms Judge Grant E. Armstrong, who set a bond of \$10,000.

Bell, Shanks and Landgraf were bound over to Wayne County Circuit Court for sentencing.
 All were remanded to the custody of the Wayne County Sheriff's Office when they failed to meet their bonds. A hold has been placed on them by Detroit authorities, who filed charges against the other youths involved.

Defer School Offering Show

The Defer School will hold a Variety Show, directed by Martha Ream, at the school on Friday, June 5, at 2:15 p.m.

The Defer Orchestra will play and individual groups of instruments will also perform. The third graders will sing.

Brownies Give Roses to School

The Mason School Brownie Troop No. 249, under the leadership of Grace Jordan and Muriel Tannahill, presented two potted Climbing Blaze rose plants to John W. Brubaker, principal.

The girls watched the Mason School Custodian James (Jim) Claycomb as he planted the roses in the school grounds and explained the proper method of planting potted plants.

Every year as a service to their community the Brownies donate their skills and funds by presenting some organization with a gift.

Young Publishers at Work at Defer School

Mrs. McLean's fifth grade group at Defer decided to make their class project this year the publication of a book! The children chose to make their book a collection of original stories about Pat, Tim, and their dog, Skip. Every child contributed one chapter, in which he described an experience that interested him. The stories ranged from sunken treasure to skin diving. As each episode was written and corrected, it was typed up by the children, or their parents, and mimeographed. When the mimeo-

graph was completed, Mrs. McLean arranged to have the books bound and covered. Later, each child put his own finishing touches and lettering on the cover. The resulting edition of "Pat, Tim, and Skip" has become a treasure to be cherished always. In the picture, working industriously on their books are (from left to right) MARK HETMANSKI, brushing paste on his cover; SUSAN BEEBY, performing another operation with a sponge; and PAUL DESMET, lettering his book.

Fire Aid Pact Signed by H.W.

After five years of on-again, off-again negotiations, the Mutual Fire Aid Pact between the Pointes and Harper Woods came into being on Monday, May 18, when Harper Woods agreed to sign.

Harper Wood's approval of the agreement was disclosed by Park City Manager Robert Slone, who informed the Park Council on Monday, May 25, that the last obstacle has been removed and Harper Woods has consented to join with the five Pointes for mutual aid.

All that needs to be done, now, he said, is for the fire chiefs of the six communities to meet and iron out the "kinks" for a smooth operation.

Park Fire Chief George deCausin said that the chiefs were scheduled to meet in the City on Tuesday afternoon, May 26. Details of the meetings were not available in time for publication.

The Mutual Aid Pact had its latest revival following the \$250,000 fire of the palatial home of Dr. John H. Buell, 188 Provencal road, last December 22, one of the worst fires in Pointe history.

Farms Fire Chief M. William Mason was forced to call for assistance from the Park, City and Harper Woods.

After several weeks of negotiations, all of the Pointes approved the pact, but Harper Woods began to hedge, postponing its approval since February. It was debating whether to sign a Mutual Aid Agreement with South Macomb County communities, or with the Pointes.

At Monday night's meeting, Mr. Slone said that Harper Woods decided to sign the agreement with the Pointes, and will also sign a similar agreement with Warren, East Detroit, Roseville, Mt. Clemens, St. Clair Shores, and Clinton and Harrison Townships.

This agreement has nothing to do with the Pointe, Chief deCausin said.

Mutual fire aid was first discussed in 1954, the chief said, but it was not pushed too hard. However, in 1956, the matter was gone into more thoroughly, with all the communities on the verge of signing, but this, too, died.

The advantages of mutual fire assistance were brought forcibly home after the devastating Buell fire, and all the fire chiefs and city officials agreed to get together for a discussion.

The first meeting was held about the middle of January of this year, and following their respective council meetings, the Pointes approved the pact.

Harper Woods' approval climaxed the move, which became effective immediately.

Previous to the official agreement, the Pointe and Harper Woods had a "gentlemen's agreement" to come to each other's aid in the event of big fires.

THE REV. DR. ALFRED S. NICKLESS, Interim Pastor, Westminster Presbyterian Church, Akron, Ohio, will be guest minister at the Grosse Pointe Memorial Church on Sunday, May 31. His sermon topic at 9:30 and 11 o'clock services will be "The Importance of Playing Second Fiddle."

A native of Shropshire, England, Dr. Nickless came to the United States in 1908, and was educated at Lenox College, Iowa, and McCormick Theological Seminary. The honorary degree of Doctor of Divinity was conferred upon him by Coe College, Iowa.

Court Rankin's educational background includes Boston Public Schools, Yale, Oxford and Harvard Universities. He has two children now attending Kerby School. For fifteen years he has processed Yale college admission and scholarship candidates from secondary schools in the Detroit metropolitan area, concentrating in the last three years on students from Grosse Pointe High School.

McCormick Quits Park Council

Park Councilman Thomas McCormick announced his resignation at a regular council meeting held on Monday, May 25, which became effective immediately.

McCormick gave as his reason for leaving, that he and his family were moving from the Park to take up residence in the Shores.

He said that he plans to move from 1128 Audubon, to 80 Deeplands court, on Friday, June 5.

McCormick was appointed to the city body on January 14, 1957, succeeding Robert McKean, who resigned when he moved to the Farms.

At a regular biennial spring election held last April 6, McCormick was elected in his own right, to a four-year term on the council.

His resignation came as a surprise to his colleagues. No replacement has been named to fill the post.

Center Offers Bridge Classes

The complete Goren system of contract bridge will be taught again at the Center during the early part of the summer by Mrs. Carie Kiley whose teaching has met with such enthusiastic praise at the Memorial for the past three seasons.

Classes will begin on June 8, (Monday nights for beginners), and on June 9, Tuesday nights for those seeking a refresher course. Both classes will be two and one half hour sessions which will extend for eight weeks until July 27, and July 28, respectively.

Classes are limited to 10 tables each so immediate enrollment is advised. The fee for both beginning and refresher students is 10.00 for the eight lessons and married couples may take for a total of \$15.

The course will be given in the Center's high ceiling library with doors open to the cool breezes of Lake St. Clair.

Mrs. Kiley is a very well established teacher. Not only does she conduct classes at Grosse Pointe High School through the winter but in addition to her classes at the Grosse Pointe War Memorial she has taught at the Downtown Y.W.C.A., the International Institute and Denby High School.

Beginners will learn proper bidding, lead signals and general and defensive play. The refresher course will furnish

a review of bidding and responses, and play of the hand will be stressed including dummy reversal squeeze and end plays, cue bids, echoes and signals.

Pointers to Graduate From Stephens College

Tom Dixon Wins Radio-TV Award

This year's annual University of Detroit Gold Mike award for outstanding service in the field of student broadcasting goes to a Grosse Pointe resident, senior, Tom Dixon, 1301 Brys.

The U. of D. Broadcasting Guild presentation was awarded this year for the first time to a student engaged in television work as well as radio. "Dixon organized and developed the photographic arts department of the U. of D. TV operation," said Larry Foy, Guild executive producer, in making the award. "His creativeness and ingenuity contributed in a marked fashion to the effectiveness of the programming."

Foy also announced the expansion of the Guild's organization to include television as well as radio programming.

The deterrent to progress in the world is that 95 per cent of the thinking is done by 5 per cent of the people.

Society Plans Press Project

Grosse Pointe High, Parcells Junior High, Pierce Brownell, St. Paul High, and Academy of the Sacred Heart newspaper journalism and English classes have been invited by the Tuberculosis and Health Society to join the annual TB Press Project, a unique program which combines top-quality journalism with health education.

Student editors and reporters will write about the problems of health workers in their community and the fight against tuberculosis. The "team effort" of each school as revealed in its student newspaper—will be judged on a state and national basis for accuracy and general excellence.

The Columbia Scholastic Press Association, world's largest high school press group, and the National Tuberculosis Association, as well as the local TB Society, sponsor the project.

To be launched by a special press conference next November, the project will provide

Betsy Hammond Tops as Editor

Betsy Hammond, a student at Grosse Pointe High School, won first place in the editorial division of the 1959 Michigan Award journalistic enterprise award program sponsored by the Michigan State University School of Journalism.

The awards were made for feature stories and editorials by high school students dealing with what an area or its people has done or is doing to develop Michigan. A special faculty committee from the School of Journalism acted as judges.

Betsy, along with six other young journalists, received her award certificate at a luncheon, Friday, May 22, in the Kellogg Center at the East Lansing campus.

Pointers Help College Newspaper Win Honors

"Outer Echoes," student newspaper published by students of Mercy College, has been awarded an All-American Honor Rating by the Associated Collegiate Press Association. The publication was judged along with newspapers produced by colleges of similar enrollment, method of publication and with the same frequency of issue per semester. The award is for excellent coverage, writing and physical make-up.

In making the award to "Outer Echoes," judge Joe McQuaid, copy desk editor for the Minneapolis Tribune and former rewrite man for the Boston American said, "Outer Echoes" is a compact, well-written and well made-up newspaper . . . a fine tribute to all who have a hand in it."

Local area girls who have helped make this paper a success are: Miss Catherine LaGrasso, photography editor, daughter of Mr. and Mrs. Joseph LaGrasso, 1230 North Renaud, Grosse Pointe Woods; and Miss Mary Anne Demeke, staff writer, daughter of Mr. and Mrs. Gerald Demeke, 1414 Bishop, Grosse Pointe Park.

Maxwell will be there to pick up his new Chevrolet. Also, he will pass out autographed 8 by 10 photographs of himself to all Shalla visitors.

Music Festival at Center To Present Five Concerts

The second annual Grosse Pointe Summer Musical will present five concerts this summer with increased variety in both the program offerings and instrumental combinations. As last summer, the performances will be given out of doors in the Fountain court of the Grosse Pointe War Memorial on Wednesday evenings.

Opening the series on Wednesday, June 24, will be

the American Arts String Trio consisting of Gordon Staples, violin, Nathan Gordon, viola, and Paul Olefsky, cello. They will be joined by Charles Strard, bassoon, and Alexander Suszek, who will offer a group of his troubadour songs.

Other artists who will be featured in varying combinations in the succeeding programs will include the prominent Detroit pianists Mischa Kottler, Karl Hass and Ruth Meckler, recent Grinnell award winner and one of Detroit's most promising young artists. Marilyn Cotlow, soprano, will offer a group of rarely heard Mozart songs and William Sabatini, French horn will be heard in a trio of piano, violin and French horn by Brahms.

A particularly unusual musical offering will be the final program on July 22. A vocal quartet, of the Concert Chorale will perform the entertaining secular Coffee Cantata by Bach and one of the Brahms Liebeslieder Waltzes scored for four voices and string quartet. Herpsichordist for the baroque work on this program will be Richard Roeckelein, musical director at Christ Church.

The Grosse Pointe Friends of Music, under the general chairmanship of Mrs. Dorothy Coolidge, will again co-sponsor the series with the Grosse Pointe War Memorial. Tickets are now available from committee members or at the Memorial and any persons interested in helping the Festival are invited to contact the Memorial or Mrs. Coolidge.

Thieves Visit Woods Clinics

Two Woods clinics, one dental at 19557 Mack avenue, and the other a medical at 19515 Mack, were broken into during the night of Thursday, May 21. Both break-ins were believed to have been committed by the same persons.

The first burglary was reported by Dr. Robert Everett of 899 S. Brys drive, whose office is in number 19557. He told police that he entered the building at 8 a.m. and when he got to his office, he found the door leading from the corridor shut, but discovered it had been forced.

Woods officers, Det. Sgt. Walter O'Dell and Det. Leroy Tobian said that other offices leading from the waiting room had also been forcibly entered and ransacked, and everything was in general disorder. Two dollars were missing from an envelope in Dr. Everett's desk; it was said.

Also broken into were the offices of Drs. Theodore S. Fandrich of 1378 Lochmoor boulevard; and E. Rae Hudspeth of 1492 Hollywood. Nothing was reported missing from these offices, the detectives said.

Entry into the building was gained by forcing a window at the rear of the building with a small crowbar or large screw driver, O'Dell and Tobian said.

At 8:35 a.m., a call came from Dr. Allen R. Beach of 1060 Fairholm, from the 19515 number, who reported his office had been broken into.

The classes which are designed especially for those who are not Catholics will be conducted every Monday and Thursday evening in Room 7 of the parish school, Mack avenue and Overlake in St. Clair Shores.

Some of the topics discussed in the 25 classes are: The Catholic Church and the Bible, The History of the Catholic Church, Confessing Your Sins to a Priest, The Mass, Christian Marriage, Catholic Devotions and Practices.

The classes are informative in nature and no pressure is put on anyone to continue in the course or to enter the Catholic Church. Open discussion is allowed at any time. There are no obligations nor fees of any kind.

This summer's series will be conducted by Fathers James A. Moloney and Leonard J. Partensky, two of the parish priests of St. Joan of Arc Church.

The trouble with the world is that it is filled with people who speak twice before they think.

Memorial Day Opportunity

Pointe residents have a unique opportunity to do something tangible about the observance of Memorial Day, which will be this Saturday. What could be more fitting than helping make a whopping success of the drive now in progress to raise funds for the maintenance and development of the beautiful lakeshore property that has been created to honor those who served and died in two wars?

While the magnificent Grosse Pointe War Memorial Center was presented to the community by the Russell Alger family, its conversion into a fitting memorial was made possible through money raised in a campaign aimed at honoring our local heroes. The Center has become one of the Pointe's most valuable assets. Each year its program of activities has been expanded and more and more residents and visitors have benefited in myriad ways from its existence.

This year, as in all the other annual family participations drives to raise money to balance the budget, an amazingly small proportion of Pointers have seen fit to make any contribution. Only about five per cent of the population has donated. The bulk of the burden of maintaining and developing the Center has devolved once again on a few.

During this past year the War Memorial Association was left a million dollars by the late William H. Fries. This fund is designated for the erection of a much-needed auditorium on the property, plans for which are now being formulated. The gift will make the Center even more attractive and useful as a living memorial, but it will not lessen the necessity for raising operating funds each year.

The quota of \$40,000 is a small amount to be sought for such a worthy cause in such a favored community as this. The drive is something that should be participated in by every family and every individual in the Pointe. If all shared the responsibility, the amount needed from each person would be insignificant.

We cannot urge too strongly that everyone who has not yet made a contribution, send one in immediately to the Grosse Pointe War Memorial Association, 32 Lake Shore Road, Grosse Pointe 36. No matter how small, your gift will be appreciated, and it will be tax deductible. In honoring the men whom the Center was created to honor, you will also be doing yourself and the entire community a favor by assuring the continuing development and expansion of this beautiful living memorial.

If you can't attend the annual Memorial Day ceremonies at the Center at 10:45 o'clock Saturday morning, you can at least help make it possible for the association to announce at that time that this year's drive has been outstandingly successful.

Letters to the Editor

Tuesday, May 19, 1959

To The Editor: Last week there was a letter printed in this column drawing attention to the unsightly appearance of an "Island" vacant lot at Touraine and Beaupre Road and asking if it could not be cleaned as part of the "Clean Up" project?

The Garden Club Council welcomes suggestions and criticism as it is impossible to try to check all vacant property in the Five Grosse Pointes. Many sore spot lots were cleaned by Hi-Yis and Girl Scouts and the Municipalities cooperated in collecting rubbish where placed in the proper place.

Garden Council Members have checked the lot in question and although there were some grass clippings, the lot was not unsightly. Neighbors did not feel it was a detriment and enjoyed the birds and wild life there. Landscape companies usually take all debris with them. Residents in the Farms know that all debris from their property should be left at the curb for collection and not left in lots. Vacant lots are cut three or four times a year but there is no collection from them.

The Grosse Pointe Garden Club Council feels that the community made a real cooperative effort in the recent "Clean-Up" it thanks the residents for their response and hopes it will be a stimulus toward your round perfection.

Signed: Mrs. David C. Lowe Ch. Publicity Grosse Pte. Garden Club Council

WORD OF CAUTION

Slate Police have reported that up through May 14 this year, there have been 29 drownings, 12 persons injured and 36 boating accidents, and utter a word of caution to water enthusiasts to accentuate safety as they head into the summer season of increased activity.

To the Editor:

This is in regard to your editorial "Advice to the Bleacherites," with which I am heartily in accord as one who daily carries on case-work with children and their parents. There is indeed an increasing tendency for children's play to become too highly organized and competitive, leaving the children too little latitude to plan, experience, and work out their own activities and inter-relationships.

However, I was amazed at the statement that "this kind of nonsensical ranting comes from the mentally lower class, professional social worker who is twice as anxious to perpetuate a soft job for himself as he is to succor the soul of a kid." This seems to me a most irresponsible comment. It reflects an ignorance of the quality of intelligence necessary to acquire training to become a social worker. It reflects also an ignorance of the intensive and extensive work carried on by the group you so categorize.

Professional social workers are one of our front lines of defense against child-rearing practices which "grant every wish of the small fry." Children mature and develop best under affectionate parental management, which sets well defined, reasonable limits and controls. So-called permissive child-rearing practices, which you rightfully eschew, are damaging and certainly not advocated or supported by social workers.

Inasmuch as the minimal academic training for professional social workers requires two full years of graduate training beyond the bachelor degree to earn the degree of Master of Social Work, it is patent this could not be accomplished by those whom you characterize as "mentally lower class." Professional social work is one of the human behavior disciplines whose

Small Fry

The mother of a small boy called to tell us the following about her enterprising son. It seems the local drugstore had a "penny" sale . . . one of those deals whereby you buy a tube of toothpaste for 49 and get TWO tubes for fifty cents . . . etc. Well, it seems sonny boy heard his family talking about the sale . . . so the next day junior took 20 cents from his piggy bank and got a penny from his father . . . then hid himself up to the drugstore and ordered TWO sodas . . . one chocolate and one pineapple. (A lovely combination we've always thought.)

He told the soda clerk he wanted them both at the same time. After he had finished them down to the last straw-full, he paid the man twenty one cents and started to leave. That worthy called to him . . . "Say, you had TWO sodas, that's 40 cents!" The child called back, "Oh no it isn't. My mother said anything you bought here today, you get an extra one for a penny. So there." The druggist scratched his head and allowed as how he guessed the kid had something here since sodas were not exactly ruled out in print.

Road Map, Anyone?

We think this true story is pretty cute. A group of octogenarians who have a little club and meet twice a week for cards and chats, are blessed with a number of members much younger, who make it a point each session to pick up the older members in their cars and drive them to the meeting place.

Last week, a new-to-the-club member asked one of the others if it would be possible to pick HER up for the next meeting. The latter replied that she would be glad to have "HER" driver call for the woman also.

When dear driver got to the first woman's house and was asked if she would pick the other member up, she agreed and asked: "Where does she live?" Our elderly heroine, who thought she had the address down pat, thought and thought and finally replied: "You know, I'd know the house if I saw it, but I forget the street! Anyway, I think it was the name of a BIG college." This did not throw driver-lady . . . they got in her car and she immediately swept off to Harvard Road. Pretty smart! As they drove up and down Harvard, the old gal allowed as how this didn't look familiar at ALL and there must be some mistake. Finally she said: "I Remember now . . . I think it was a Catholic College!" SWOOSH went the car right to Notre Dame and sure enough there was the new member waiting on the stoop of her house!

Puppy Love

We print the following letter for all lovers of dogs in the hope it will bring a smile to the face and also the heart. . . .

"Dear Mrs. 'Pryor': 'Always enjoy your delightful dog stories, especially those about poodles, as the little queen in our house is 'Mimi,' a gentle black miniature.

'Two years ago, Mimi had a litter of six puppies, and they, like the puppies you mentioned this week, all had to be fed with doll bottles. Mimi became critically ill with a calcium deficiency after one week of nursing six ravenous little puppies, and the job of feeding fell to me. I'd been up with 2 o'clock and 6 a.m. feedings for babies, but this was really an experience. My light burned for hours during the night as I warmed milk, mixed Pablum, and fed these eager eaters. Mother instinct made Mimi unhappy, unless she could be with her puppies, so I devised an upside-down coat-like garment for her, so the dogs couldn't nurse and thereafter, she and I worked together in feeding and cleaning the puppies. She cleaned cereal off tiny faces after each was fed.

'Wonderful homes were found for all six, and on their first birthday, each received a photograph of their mother.

'This year, on Mother's Day, as befitting a good mother, Mimi received a lovely Mother's Day card from one of her offspring. It said 'For You on Mother's Day,' and pictured a beautifully feminine black poodle with pink bows and a bouquet. The sender is 'Nicci', owned by the Jack Reihises of Parker Ave.

One more bit of information: Mimi became a dog grandmother yesterday when 'Souffle', owned by the Jack Gehlerts of Shoreham road, had five poodle puppies.

'Thanks for many enjoyable stories and columns. And may I say that your poodle is a well behaved shopper—as seen in stores on the Hill.

Sincerely, Marguerite G. Phillips

practice entails anything but a "soft job."

So possibly you are not aware that many social workers who reside in Grosse Pointe practice their profession in our most important social agencies, such as, child guidance clinics, hospitals, United Community Services, charitable and service organizations, schools, and mental hospitals. There are pediatricians, psychiatrists, and psychologists residing here also who will attest to the effective work being accomplished by social caseworkers in the treatment of troubled children.

As one of four school social workers employed by the Grosse Pointe Board of Education, a charter member of the National Association of Social Workers, and a resident of Grosse Pointe, I feel it is appropriate to inform you that you have made an unfair statement about professional social workers.

Very truly yours, Doris L. Appel (Mrs.), B.A., M.A., M.S.W. School Social Worker

Editor's Note:—There was no intent to blast all social workers. To us, all who make their living working for charitable or social organizations can be generally

classified as professional social workers. We have spent many years in this broad field throughout the years who have been little imbued with the high ideals of this special echelon to which Mrs. Appel and many others belong. Certainly there are many with this special training, and all through the ranks, who do wonderful work and are highly dedicated to their profession. That is why we used the appellation of "mentally lower class" to designate those who ride along selfishly in the pursuit of their occupation.

Gentlemen: I am so pleased that some action is being taken. I feel very strongly about the birds and it does not seem right to be killing them off or driving them away. We used to have cardinals and many robins. This year we only have sparrows. I do hope your action will have some effect.

Very truly yours, DOREEN W. TAYLOR (Mrs. Burt E. Taylor, Jr.) 51 Kenwood road

What Goes On at Your Library

By Jean Taylor

As this column goes to press, "Michigan Week" is almost over. Here we are on the caboose again.

Driving through the Pointe recently, we thought there had never been a more beautiful Michigan spring, and we felt a great pity for our friends in parts of the world where there is little change of season. However, it is not blossom time that the world citizen connects with the state of Michigan—although the apple blossom is the state flower—nor is it the water wonderland, despite our license plates. To the world at large, Michigan is synonymous with automobiles.

On our library shelves there are some hundred and fifty books on some phase of the automobile industry. At date of writing, about two-thirds of these are in circulation.

The acquisition of a first driving license is one of life's proudest moments. When we recall the heavy and intricate piece of machinery on which we practiced driving, dodging milk carts and wrestling with blowouts, today's cars seem relatively easy to master. The mechanism of driving grows simpler each year, but with more cars on the road, and the high speed of expressways, traffic hazards are correspondingly greater for the novice.

There are many books for beginning drivers. "Youth at the Wheel" by Harold T. Glenn, "How to Drive Better and Avoid Accidents" by P. W. Kearney, "How to Drive and Stay Alive" by Frank Williams, all offer sound advice.

For the mechanically-minded who are interested in what goes on under the hood, there are any number of books to guide him. We are reminded of the young man who raced into the library one day, quickly checked out Dyke's "Automobile and Gasoline Engine Encyclopedia," and hurried off. An hour or so later he was back with the book. "My car broke down," he explained, "and I was able to get it fixed up again by referring to Dyke. That book was a godsend!"

Dyke's "Encyclopedia" continues to be popular through many revisions. There are manuals too for various car owners, "Manual for Plymouth Owners," "Manual for Ford Owners," "Manual for Chevrolet Owners," et al.

Charles N. Barnard's Official Automobile Handbook" also gives interesting and useful information for the car owner rather than for the technician or the mechanic.

If you belong to the "old car" fraternity there are a number of books through

which you will enjoy browsing: "Those Wonderful Old Automobiles," by Floyd Clymer, "Famous Old Cars," by H. W. Bowman, "The Old Car Book" and "Old Time Steam Cars" by John Bentley.

Perhaps you are intrigued by foreign cars. "Treasury of Foreign Cars, Old and New" by Floyd Clymer, pictures and describes 300 pleasure, racing and sports cars produced by sixty-eight manufacturers in ten countries. The author's doctor-father bought and operated the first automobile in Colorado north of Denver and author Floyd, aged seven, rode in it.

Interest in automobile racing is accelerated at this time of year with the Memorial Day races at Indianapolis always front page news. B. W. Yates' "The Indianapolis 500," J. F. Clymer's "Indianapolis Race History," and "Omnibus of Speed" edited by Charles Beaumont, introduce the reader to the world of motor sport.

Last, but not least, there are books about the men who have made the motor industry. "Ford: Expansion and Challenge," by Allan Nevins and Frank Hill, an excellent account of the most vital years in the life of Henry Ford, and "My Forty Years with Ford," by Charles E. Sorensen are both extremely readable.

One of the most popular books of 1958 is Harry Barnard's graphically told "Independent Man," the life of Senator James Couzens, who helped build the Ford Empire.

The library has also several magazines dealing with the automobile industry. Smooth wheeling to you!

Kill or Cure?

By Fred Kopp, R. Ph.

Some folks used to eat tobacco for medicinal purposes. They thought the ingredients of tobacco would kill any poison in the system. We know better now—thanks to medical research. We've learned, too, that it's best to ask your physician's advice before taking any medicines. Be wise in matters of health. When you're ill, let your doctor do the diagnosing and prescribing. Then, if he orders medication, come to us for prescription service.

Mrs. Paul Meilink of 283 Moran road, suffered a serious back injury on Saturday, May 23, when she fell from a second story window of her home.

From Another Pointe of View

By Patricia Talbot

This week-end will be the official opening of summer with families hoping for good weather so that the first swim of the season will not be too chilly an affair.

At the City park there will be a great gathering for an annual picnic and game session. Several couples get together at every summer holiday for this fun fest.

The Arthur Cerres, the Walter Auchs, the Edward Hickeys, the Dave Livingstons, the Owen Keelers, the Lou Hummels and the John Bockstanzes all report at the Park about 3 o'clock, hampers of food in hand.

Then there are sack races, peanut races, a tug of war and a fabled raw egg throwing contest, a father and son rivalry, with everyone cooking supper after the tests of skill.

Last July 4 this group made it a breakfast. Not one whit dismayed by a dismal downpour, they fried eggs and bacon under umbrellas.

Hunt Club Additions

Over at the Hunt Club on Memorial Day there will be a special celebration because the club has installed a new shuffleboard court, new swings and a new pool for the tots.

Following all the activities there will be a chicken buffet dinner. Mr. and Mrs. Alfred R. Glancy, Jr., the Don Martins, the George Cavanaghs, the David Marentettes, the Edwin Peabodys, the Hugh Dalys and the Henry Kleins will all be at the Hunt Club.

Bonnie and Gretchen Klein will be talking about their great summer vacation. These nine and ten year olds will be flying to California to spend the summer with their grandparents, the Joseph R. Johnsons, of Los Angeles, with several weeks at Lake Tahoe and a jaunt to Montana on the itinerary.

European Log

From the Continent comes news that the Benjamin S. Warrens will be home shortly in Provencal road. They have been on a European vacation, especially enjoying Rome this spring.

Mrs. Richard P. Joy stopped by to talk about her sailing date, July 16. She is going over on the "United States," coming home on the "Queen Elizabeth."

Her sons and daughters-in-law, the William Moore Joys and the Richard P. Joys, Jr., will also be Europe bound this summer.

Mrs. Joy, senior, recently entertained Herman Sartorius, of New York, for a brief visit.

Navy Duty

Mr. and Mrs. Gilbert Whelden, not long back from a cruise, will be bidding goodbye to their nephew and niece, Dr. and Mrs. Edward Isbey, Jr., early in July.

Dr. Isbey has received his orders from the Navy and the pair will be moving with Edward III, Roxane and Ford Douglas, to Portsmouth, Va., for about two years' duty.

Before they report the Isbeys will travel to Norwich, (Continued on Page 16)

Ten years ago, May 26, 1949 to be exact, was the beginning of this Branch of Woman's National Farm and Garden Association. At that time, a meeting was held in the home of Mrs. Clarence Maguire for the purpose of organizing a garden group, and was attended by Mrs. James Cope, Mrs. Catherine Evans, Mrs. Kenneth McColl, Mrs. Paul Sutherland, Mrs. Hansel Dwight Wilson and Mrs. Alfred Wilson.

Mrs. Walter Fenton of Mt. Clemens, then Michigan Divisional President and International Chairman of the National Cooperation Committee, and Mrs. Cash Talbot, Treasurer of the Michigan Division, were invited to attend the meeting to explain the purpose and work carried on by the Woman's National Farm and Garden Association.

Mrs. Maguire was elected president and has served the group in many and varied capacities since that time. She is still a charter member, as are the others, with the exception of Mrs. Catherine Evans who found it necessary to resign in May of 1952, and Mrs. James Cope, who only recently moved to New York.

had served as president from September 1956 to May 1957.

As members of the national organization, the club has consistently supported sending teachers to Higgins Lake for the conservation course offered there, as well as making a scholarship contribution as its educational endeavor. It actively supports and participates in all Civic Garden Club projects such as the Spring Clean-up Program, Trial Gardens at the Center, as well as local and State Fair flower shows, with members entering arrangements and doing "Invitationals," many of which have resulted in blue ribbon awards.

At the annual meeting in May this year, the following officers were installed: president, Mrs. Kenneth Reichle; first vice-president, Mrs. Kenneth Strang; second vice-president, Mrs. Robert Patterson; secretary, Mrs. Carson Wallace; treasurer, Mrs. Charles Wainman.

A board meeting was held in the president's home in Hampton road May 18 for the purpose of discussing procedure and arranging programs for the coming year. The club looks forward to another 10 years of interesting associations.

The rich man and his daughter are soon parted. —Kin Hubbard

SELF-RELIANCE

At this time of the year many a college grad gets a hard bump when thrown on his own resources.

Things men have made with wakened hands, and put soft life into are awake through years with transferred touch, and go on glowing for long years. And for this reason, some old things are lovely warm still with the life of forgotten men who made them.

Trial Gardens Win National Award

Special Achievement Certificate Presented for Outstanding Group Project Carried On Memorial Center Grounds

The Grosse Pointe Garden Center's 1958 Trial Gardens were awarded the White Ribbon Special National Achievement Certificate for outstanding accomplishment in the field of horticulture at the annual meeting of the Federated Garden Clubs of Michigan being held at the Whitcomb Hotel in St. Joseph, Michigan, May 26 through 28.

The award was accepted for the Garden Center by Mrs. Hansel Dwight Wilson, chairman of the 1958 Trial Gardens. The White Ribbon Award is the highest national award for which the Trial Gardens is eligible to compete, being a group project rather than an individual one.

The list of winners of national awards was announced at the annual meeting of the National Council of State Garden Clubs Inc. held in St.

Louis, Mo. May 13 through 15.

The Grosse Pointe Garden Center entered the Trial Gardens in the national competition last September. A scrapbook with colored photographs of the gardens in all seasonal stages—blue print showing the design and planting plan and a report giving a list of plants used, color effect achieved and growth history was prepared by Mrs. Wilson and submitted to the National Council's committee on awards as a requirement for the competition. The photographs were taken by Mrs. Charles R. Pollard.

The theme for the 1958 Trial Gardens was "Accent on Color" and was developed in shades and tints of prismatic colors. Only exceptional or new varieties of plants were used and many were 1957 All American prize varieties.

Garden clubs and their representatives participating in the award winning 1958 Gardens were: Grosse Pointe Farm and Garden Club, Mrs. David Gillis; Grosse Pointe Garden Club, Mrs. Mark C. Stevens, Mrs. Sherman Fitzsimons and Mrs. Valentine Guenther; Garden Club of Michigan, Mrs. Julius Peters, Mrs. Seabourn Livingstone and Mrs. Ralph Stoepler; Grosse Pointe Woods Garden Club, Mrs. Burton D. Jones, Mrs. William J. Goodson, Mrs. Faunte Gibson and Mrs. Edward Groth; Grand Marais Garden Club, Mrs. Alfred Crabb and Mrs. Cecil Shuert.

The Pointe Garden Club, Mrs. Herbert Schmitz, Mrs. Remington Purdy and Mrs. Watson Beach; Suburbia Garden Club, Mrs. Herbert Epstein and Mrs. William Beckenhauer Jr.; the Village Garden Club, Mrs. Abram Vanderzee and Mrs. Henry Meyers; the Windmill Pointe Garden Club, Mrs. Ralph Dewey, Mrs. Melvin Huffaker; Junior League Gardeners, Mrs. Ford Ballantyne, Mrs. William O. Seelbach Jr. and Mrs. Charles Fletcher; the Grosse Pointe Park Garden Club, Mrs. James T. Huette and Mrs. Howard Poppen; the Grosse Pointe Shores Garden Club, Mrs. Harold Walton, Mrs. Henry Walker and Mrs. Ben W. Beyer, who did the herb garden.

The hillside was done by Mrs. Charles Crouse and Mrs. Howard Smith. Mrs. Wood Williams was in charge of permanent planting and Mrs. Herbert Schmitz acted as secretary of the committee and assisted the chairman with the planning.

GPYC Names Swim Coach

Grosse Pointe Yacht Club's opening of the outdoor swimming pool, now become traditional to Memorial Day, is on the agenda this Saturday, May 30, for members and their guests.

William J. "Bill" Reaume, named by the board of directors as swimming coach of the GPYC team, will be on hand, along with members of the sports committee chairmaned by Hans Gehrke Jr., to greet the holiday's aquatic-minded.

Mr. Reaume, present athletic director of Denby High School, has a long experience in athletics, and excellent standing among local athletic and educational organizations.

He has served as swimming director of Detroit Boat Club and Grosse Ile Golf and Country Club; president of the Michigan Amateur Athletic

Union and the Interscholastic Swimming Coaches Association; board member of Detroit Health Education Club and M.A.A.U.

Memorial Day is the signal for dressing up GPYC's grounds facing Lake St. Clair with the sunning season's chairs, chaises, tables and gay lawn umbrellas—all will be in place.

Luncheon from 12 to 3 p.m., and dinner and dancing in the main dining room will be features of the holiday. The club does not stage a special event due to the Old Club's traditional Memorial Day opening and attendant parties, and the fact that many members belong to both clubs.

Conclave Honors League of Voters

Mrs. Harcourt Caverly, Mrs. Verne Sidnam and Mrs. Frank Rosecrance All Cited at State Convention Last Week

Grosse Pointe delegates participated in the State convention of the Michigan League of Women Voters, held May 19-21 at the Hotel Sheraton-Cadillac, at which time items for statewide study were selected.

Grosse Pointe representatives concurred in the decision to adopt the following items:

I. Continued support for Constitutional Convention; work for an amendment changing the requirement for calling a constitutional convention to a "majority voting on the question;" and evaluate with a view to supporting proposals relating to constitutional revision.

II. A study of metropolitan area problems. New emphasis upon the League's support for reapportionment was laid by the strengthening of the statement of policy. The Convention declared for a clearly enforceable constitutionally-based system of reapportionment of both houses on the basis of population and other factors.

The delegates of the Grosse Pointe League supported the sending of a letter to all legislators urging their prompt action toward solving the state's

fiscal difficulties and presenting the League's position favoring a long range, comprehensive and equitable tax program.

The Grosse Pointe delegation was headed by Mrs. George Brown, president, League of Women Voters of Grosse Pointe.

Mrs. Harcourt Caverly and Mrs. Verne Sidnam, members of the Grosse Pointe League, were honored as retiring members of the State Board of Directors.

Special honor was also given Mrs. Frank Rosecrance of the Grosse Pointe League by the retiring president, Mrs. Berrien C. Ketchum. Mrs. Rosecrance, who resigned during the year because of ill health, was State Executive Secretary of the League of Women Voters of Michigan.

Club at Center Holding Dance

All young single business and professional people in the Grosse Pointe area are cordially invited to attend a final evening of ballroom dancing at the Grosse Pointe War Memorial Center, 32 Lake Shore road, Friday evening, June 5, from 9 to 12 o'clock.

While in no way a formal affair, the young ladies are encouraged to wear their new summer frocks and the young men their summer suits. The reason for this request is that the formal gardens will be open and lighted for strolling. Also, weather permitting tables will be set on the lakeside terrace and refreshments served there as well in the main dining room. The bowling green stretching from the terrace to the lake will also be softly lighted to make a very beautiful setting.

For the last time this year Bill Knucely's orchestra will play and perhaps again Max Cornell will teach the crowd one or two new dance steps.

Everyone is encouraged to bring a guest, but plates are not mandatory. The officers and hosts and hostesses of the Center Club will make every effort to get people acquainted and special mixer dances will take place to make sure that the crowd circulates.

People can be on the level and still have an uphill fight to get ahead in the world.

Blue Devil Tennis Team Wins League Crown Again

Grosse Pointe High School's Border Cities League champion tennis team closed out their 1959 season on a winning note by beating Royal Oak 7-0, Thursday, May 21. The victory gave the Pointers an 11-1 overall record for the season and a 10-0 league record.

Only Cranbrook tripped the Devils, 4-3, in the first meet of the season. That loss snapped a 35 match winning streak the Devils had compiled over the three previous years. The Royal Oak match was Coach Bud Kurvink's swansong as the Devils' coach. Why this popular and capable coach, who has given Grosse Pointe five straight BCL championships, is giving up the reins is no mystery. A full teaching load plus extra duties during the school day and many hours after school on the tennis courts with his team is just too much for any one

man to handle. There are rumors other Blue Devil coaches are asking to be relieved and one already has lined up a teaching-coaching job in another state for more money. SUMMARY Doubles No. 1—Ron Linciau (GP) beat Karl Brandt (RO) 6-1, 6-4; No. 2—Roger Wilner (GP) beat Dave Smith (RO) 6-1, 6-0; No. 3—Charles Dyer (GP) beat Douglas Johnson (RO) 6-1, 6-1; No. 4—Tim McCormick (GP) beat Bill Bliseath (RO) 6-3, 6-0. Singles No. 1—Ness Macpherson (GP) beat Goddard-Allen (RO) 6-0, 6-3; No. 2—Allison Vanderbrug (GP) beat Blight-Richey (RO) 6-0, 6-1; No. 3—Blair-Heiden (GP) beat McNeil-Schwab (RO) 6-0, 6-0.

Devil Diamondmen Difference in BCL Sports Trophy Race

Grosse Pointe's baseball team literally "pulled the chestnuts out of the fire" in the Border Cities League All Sports trophy race with its second place finish. This coupled with the tennis team's first place and the track team's second place gave the Pointers the coveted trophy by a narrow margin. Grosse Pointe has won this trophy more times than any other school in the league. Shown left to right, front row: COACH ED WERNET, JIM HOWARD, GEORGE OLIVER, LARRY BRUZZESE, BILL HOOTH, JON RICE,

DICK DOWDELL, DAVE WORK and KARL VON SWARZ. Second row: Student manager ED KERNEDY, AL LANG, AL FORAKER, BILL KOURY, AL ANDREWS, PAUL BOESON, MIKE MAC DONALD, DAVE VEENENDAAL, TOM SWANEY, and Assistant Coach ERNIE BAUER. Back row: LARRY ENGLEHARDT, DAVE LOWRY, MIKE MCGILL, LOU EWALD, RON SCHRAM, GARY BROWN, KEN McDONALD, LARS ANDERSON and DICK HAYOSH.

Little League News

WOODS - SHORES Major-Minor League The Chicago White Sox won over the St. Louis Browns on May 18, 8-6. The winning pitcher was John Chasteen, Ron Radius did a fine job behind the plate. Hitting stars were Dick Letevette, Fritz Shipper each hitting the fence for doubles. On May 20 the White Sox beat the Senators eight to one. Tom Moreau pitched a fine four-hit game. There was heads-up catching by Ron Radius. Star hitters were John Chasteen with a home run and Roger Bonahoom with a three for three, who also was the fielding star of the day on third. Minor League In the American Association on May 18, the Omaha Cardinals opened the season against the Louisville Colonels at Barnes. Two of the highlights of the game were the pitching of Mike Monahan and a home run by Joe Cecchini for the Colonels as Omaha came out on the short end of thirteen to one score. On May 21 Omaha tried again, this time meeting Denver. Trailing seven to zero until the fifth inning, Denver rallied in the last two innings to win nine to seven. Spike O'Brien, Omaha's starting pitcher, pitched three scoreless innings before leaving the game. Art Connolly was the winning pitcher for Denver.

FARMS The weatherman wouldn't cooperate and the elaborate opening day plans of the Grosse Pointe Farms Little League, Saturday, May 23, had to be cancelled. However, the teams swung into action, minus the fanfare the following day, Sunday, May 24, and provided some spirited action, especially in the National Division. The Pirates walloped the Phillies, 15-2, in the opening game played on the National League diamond on Grosse Pointe High's athletic field. The Giants followed with a 13-7 pasting of the Reds. On the American League diamond at Kerby Field, Wally Latner broke up the opener when he slammed the home run in the ninth inning to break a 5-5 deadlock and give the Tigers a 6-5 win over the Red Sox. The Yankees and Indians tangled in the second game with the Yanks winning 6-2. PARK The National League stole the limelight in the first full week of Little League baseball in the Park with a series of upsets which eliminated every team from the undefeated class and left a four-way tie for the lead. While the Giants, Braves, Redlegs and Dodgers were in a deadlock at the top of their loop with 2 and 1 records, the Orioles were staking themselves to an early lead in the American League race with a 3 and 0 record. Both the Braves and the Redlegs might have been in undisputed first place in the National League, but the opportunity was spoiled in both cases by the Dodgers. The Redlegs scored a mild upset victory over the Pirates, 6 to 5, but then took a 13-8 shellacking from the Dodgers. The Braves scored an impressive 6-3 win against the 1958 champion Giants, but they, too, were later beaten by the Dodgers, 8-3. Two other games in this circuit resulted in a 10-2 win for the Cardinals, the cellar dwellers of the Dodgers, over the Pirates and a 5-1 victory for the Giants over the Pirates. In the latter game, Tom Conway, Giant pitcher, hom-

American League play produced two one-run victories in which the Senators downed the Athletics, 4 to 3, and the Indians upset the White Sox, 1-0. A last inning rally, in which the Athletics played the winning-run on base, failed to overcome the early lead which the Senators obtained by virtue of over-the-fence blows by Paul Prentiss and Arnold Lungershausen. The Indians, held to a lone hit by the White Sox' Danny Engel, made that hit, a double by Jack Healy, count for the only run of a game which was abbreviated by darkness and rain. There were two additional shutout pitching performances in the American League with White Sox pitcher Mike Renaud blanking the Senators, 6-0, and the Orioles and Peter Martz whitewashing the Athletics, 7-0. The only other game played in this circuit resulted in an 8-1 victory for the Orioles over the Yankees. Rain forced postponement of two of the five games carded in the collegiate leagues with the result that there is a tie for leadership in each conference. Great Lakes and Illinois share the Northern Conference lead and Alabama and Carolina share the Southern Conference lead. Fordham played two games, winning from Evansville, 18-7, and losing to Illinois, 19-8. The only Southern Conference game produced an 18-16 victory for Carolina over Duke.

The second game of the double bill was highlighted by the brilliant pitching and hitting of Dodger John Stempfle, who allowed four hits in six innings and blasted three hits in three times at bat, including a second-inning home run with a man on base. He drove in the third Dodger run in the sixth with a single, scoring David Donaldson from third. In spite of Stempfle, however, the Dodgers lost the game to the Braves in the seventh when Neal Westmacott scored from third on a single by Greg Hykes. The other three Brave runs came in the fifth inning by Bruce Harper who doubled to score Barry Holtz and Nick Kofe ahead of him. The third successive extra-inning game saw the Braves win another close one, this time 3-2 over the Cardinals, Monday, May 25. The Braves took a first-inning 1-0 lead when pitcher Bruce Harper scored on a single by Neal Westmacott. The Cards came back in the second to tie the score when Mike McDonald scored on a single by Roger Bohn. McDonald scored the Cards' second run in the fourth inning. The Braves pushed a run across in the third inning and again in the seventh when Mike Yaehl crossed the plate on Harper's single with the winning run. Blue Devils Runner-Up In Border Cities League

By Jack Ramsdell—12A The Grosse Pointe Blue Devils closed out their 1959 season Thursday, May 21, with a second place (6-4) finish in the Border Cities League race. The Devils edged Fordson 4-2, Monday, May 18, and then were defeated 7-2 by the BCL champion Royal Oak, Thursday, May 21, on Grosse Pointe's diamond. Larry Joyce, an outfielder-turned pitcher, hurled Royal Oak to its thirteenth straight victory and fourth consecutive championship when he tripped the Blue Devils in the final game. It was Joyce's eighth victory of the year in as many starts. Joyce roamed the outfield during his sophomore and junior years and did no pitching. "Larry always was a pretty good pitcher," explained Donoro's Coach Jack McLean. "But until this year we had too good a staff for him to make it."

MacDonald Relieves Against Royal Oak, Devil starter Dick Hayosh lasted only 1 2/3 innings before being relieved on the mound by right hander Mike MacDonald. When MacDonald took over, in the second inning, the score was 5-0 in Royal Oak's favor with two men on and two out. MacDonald whistled a fast-ball in on the wrists of first baseman Jim Wilkes and forced him to pop out to end the inning. In the fourth inning Grosse Pointe drew within striking distance of their west side opponents by scoring two runs. Men were on second and third with two outs when Coach Wernet sent Dave Lowry in to pitch hit for Dave Work. Lowry responded by driving a single to left field scoring Al Lang and Lars Anderson. Dick Dowdell struck out to end the inning. Joyce mowed the Devil batters down one-two-three in the remaining three innings. Three Double Plays Grosse Pointe executed three double plays in this game. This is a rarity in high school ball. Bill Koury played a fine game at shortstop. He scooped up several balls marked "sure hit" and turned them into outs. He also teamed up with the sensational fielding Dick Dowdell in executing a couple of double plays.

Fordson's fireballer Marv Fodor was touched for only two hits by the Pointe batsmen Monday, May 18. The two hits, coupled with four Fordson errors, were bunched together to account for four runs; three were unearned. Fordson, on the other hand, had eight hits but only two runs. Dick Dowdell opened up the third inning with a single to left. He was forced out at second by Grosse Pointe's pitcher Al Foraker. Bill Hooth struck out but the ball was dropped by Fordson's catcher Mike Antonucci. Hooth went to first and Foraker to second. They both advanced a base when rightfielder Dave Veenendaal fanned for the second out. Lars Anderson then tapped a soft grounder in front of the plate which was scooped up by Antonucci and thrown over the first baseman's outstretched glove allowing two unearned runs to score. Outfielder Al Lang struck out to kill the rally. Foraker Triples Foraker upped Grosse Pointe's lead in the fourth inning by smacking a triple between left and center, scoring Dick Lowry and Karl Schwartz. Fodor didn't allow a Grosse Pointe man to reach base in the final three innings, and it looked as if his Fordson squad might overtake Grosse Pointe in the sixth. With two runs in, two men on, and two out in the sixth inning Dave Lowry came to Foraker's rescue. He rifled three strikes by Adolph Pinto and went on to hold Fordson scoreless in the seventh to preserve Foraker's third win of the year.

Boat Banter

By Fred Runnells A foolish fly once was mesmerized by a clever spider and accepted the invitation to "come into my parlor." The fly never got out of the spot. It is easy to liken usually placid Lake St. Clair to that spider. Its smooth sunlight waters beckon to landlubbers and for the most part those whom are mesmerized by the lake get back to shore by one means or another. Just last week within a 72 hour period 21 young people sought to enjoy the lake. Five didn't return. The rest were fortunate that there is a Coast Guard.

In both instances the harrowing experiences could have been prevented by the skipper of the two boats involved. The boat-load of Grosse Pointe youngsters that ran a ground near Strawberry Island in Anchor Bay were very fortunate, as the water was only about three feet deep. They could have walked ashore anytime they wished. Had the water been deeper and the boat grounded on a reef all thirteen could have been lost. There were no life preservers aboard according to the Coast Guard. The second disaster could have been prevented also but the skipper elected to take a chance and load eight persons into a 16-foot outboard. The boat filled up with water. It too was in only about four feet of water. Here again no life preservers were in evidence. That was the second mistake.

Had either skipper taken the trouble to avail himself of the free instruction in safe boat handling courses provided by the various Power Squadrons and Coast Guard Auxiliaries neither mishap would have occurred. It's just such foolishness that causes so many boating accidents each year. Lake St. Clair isn't the only place where stupidity runs rampant. It happens all over and although there are rules to live by when on the water, smart aleck landlubbers choose to take chances. Real sailors have a healthy respect for the dangers of lakes, rivers, streams and oceans. Seldom do they get into trouble. They take precautions and use common sense. Strange as it may seem, boating rules or laws do not have the teeth in them that would enable the authorities to punish violators. It is true, reckless boating acts are being caught and the violators punished. But the penalty is not nearly severe enough. The Bonner Act, the Federal laws governing boating in the United States, was passed just

Grosse Pointe High Track Team 14th in Regionals

Grosse Pointe High's terrific dual meet track team took it on the chin in the annual Class A State Track meet held at East Lansing, Saturday, May 23.

The Devils, who qualified 13 boys in 11 events while making a shambles of the Fitzgerald Regionals a week ago, were figured to make a good showing. Coach Howard MacAdam felt the Devils could have placed at least fourth in the 41 team meet. However, things didn't turn out as expected and the Pointers were forced to settle for 7 1/4 points which was good for fourteenth place. Purdy Tries Too Hard Probably the biggest blow to the Devils was Rem Purdy's failure to retain his title in the mile run. Coach MacAdam explained "Rem was so intent on winning this year again that he went out too fast. I clocked him in 57.5 for the first quarter and 2:07 for the half. It was too fast a start and consequently Rem just ran out of gas." Purdy finished seventh and the "thin man" was defeated over his failure. One thing for sure, Grosse Pointe classmates still can point with pride to Purdy's accomplishment in the 1958 meet and his state record for the distance which the winning Jerry Bashaw didn't come close to cracking with his 4:29.2. Purdy's record is 4:21. The best showing by any of the Devils was Rolf Lagerfeldt, who finished in a six-way first place tie in the high jump event which ended at six feet one inch. Jerry Gerich, who had been figured to be a strong contender in the three events he qualified in, unfortunately turned his ankle early in the day and never threatened. Holmes Brown scored five points with a second place in the 400 dash and he also ran on the Devils' 880 relay quarter which finished sixth for a point. Terry Donovan, Neil Delfs and Ron Harper rounded out the team. Trying too hard spelled defeat for Ronnie Harper in the 400 dash. Harper was given the second lane next to Taylor of Ann Arbor and because he was determined to gain the inside lane he tried to outrun Taylor for the first 220 to gain the spot. Taylor wouldn't let him get ahead and consequently both boys ran themselves right into the ground and faded in the final 220 yards to finish out of the money. Harper and Taylor were clocked at 22.8 for the first 220. This all goes to prove that a strong dual meet team is not the answer for the State team title. Flint Central took the team title with 35 points, followed in order by Flint Northern 28, Farmington 24, Birmingham 20, Saginaw Arthur Hill 18, Muskegon Heights 17, defending champion Pontiac Central

Cosmos Take Net Regionals Coach Jean Hoxie's Hamtramck tennis team captured the Grosse Pointe Class A tennis Regionals for the umpteenth time Monday, May 25. St. Stephens of Port Huron captured the Class B Regional honors the same day. The tournament was under the direction of Blue Devil Coach Bud Kurvink who had the capable assistance of George Neirnick of Gray's Sports Shop, Ed Carroll, Austin High tennis coach and Frank Banach, Grosse Pointe High athletic director. The weatherman forced the postponement of the finals, which were to be played Saturday, May 23, to Monday, May 25. Going into the semi-final round the Grosse Pointe Blue Devils held a 13-9 1/2 lead over Hamtramck. This lead melted away before the Hamtramck surge in the semi-finals and finals in which the Cosmos qualified five boys for the State meet to be held at Kalamazoo on June 5 and 6. In the "A" doubles, defending doubles champion Ray Senkowski, playing with a new partner, Dave Podesk, swept past teammates John Geremich and Pete Oblin 6-1; 6-2. Oblin was Senkowski's partner last year when the pair won the state crown. Both teams qualified. Both of Grosse Pointe's doubles teams dropped by the wayside in the semi-finals. Dave Allison and Gordon Vanderbrug fell before Geremich and Oblin 6-0; 6-0. Pete Ness and Karl Macpherson lost to Senkowski and Podeski, 6-0; 6-2. Ron Linciau, Grosse Pointe's number one singles player, gained the State meet when he was runner-up to defending State Class A champion Francisco Castillio, of Hamtramck, 6-2; 6-3, in the finals. Castillio reached the finals by beating Tony Fisher of Austin 6-2; 6-0, and Linciau gained the finals by beating Roger Chatterton, of Lakeview High, 6-0; 6-3. Hamtramck finished with 18 1/2 points as compared to Grosse Pointe's 14. Third place went to Austin with 4 1/2 points, followed by East Detroit and Port Huron who tied for fourth with three points. Fifth was taken by Hazel Park with 2 1/2 followed by Lakeview 2 and Mount Clemens 1 1/2. St. Stephens of Port Huron finished with 9 1/2 points, and followed by Servite and St. Clair who tied for second with 7 1/2. River Rouge was third with 6 1/2, followed by Ecorse 4 1/2, Algona 3 1/2 and Marysville 3 1/2. PAT ON THE BACK Men make more progress from a little encouragement than from a whole book of advice. Babe Ruth League

FARMS - CITY - PARK

Chicago vaulted to the top of the standings in the Farms-City-Park Babe Ruth League when it captured its third game in as many starts since the opening of the season. Chicago won the opener and then followed by beating the Yankees 3-1 behind its strikeout artist Schlorff who struck back 12 batters in five innings. In the third game Chicago edged Boston 4-2 with Del Pledge striking out nine.

The St. Louis Cardinals and Los Angeles Dodgers locked horns and were tied 3-3 going into the eighth inning when the Cards broke up the game as Thompson singled and was driven home by Garber's booming triple to win 4-3. Broom was the winning pitcher with Lonesk the loser despite his fine pitching performance. He dropped 14 Cardinals via the strikeout route.

De Cavite hurled Philadelphia to a 5-4 win over Milwaukee in the other game. Rain and wet grounds forced the postponement of the rest of the games scheduled for last week.

more money in the coffers the senators and representatives, like soap, ninety-nine and forty-four hundredths percent pure — pure politicians, can come up with legislation at the drop of a hat to squeeze out taxes from the boat owners. First, it was the Boat License tax on boats over 16 feet long. This money was supposed to go to the Michigan Waterways Commission. For the most part it has found its way to this agency.

Just last year the "wheels" in Lansing discovered how many people own boats under sixteen feet long. They passed a bill that dumped bundles of cash into the coffers. Each of these boat owners pays a state registration fee.

At the time of the passage of the bill we were told by Keith Wilson, director of the Waterways Commission, that it was done for the boat owners' protection. In the case of a stolen boat it could be traced much in the same manner stolen cars are tracked down through license plates. Recently Mr. Wilson stated "a bill is now pending in Lansing that if passed will force ALL boat owners to register their boats, for a fee, with the State and that no longer would they be able to register their craft with the U. S. Coast Guard for free. We point this out to show the State is more interested in the tax money than it is in passing the necessary bills to restrict boat operators to only those who can prove they have the knowledge and ability to handle a boat.

Automobiles are classed as a luxury and not a necessity, but one must have a license to drive on Michigan's highways. Boats also are classed as a luxury, but no operator's license is required to use the waterways in and around the state.

Now is the time, before the situation gets out of hand, to pass a law requiring the licensing of ALL who wish to pilot a boat, big or small. Kids could be eligible IF THEY COULD PASS THE TEST.

Palmentiers Return Home From Florida Vacation

Mr. and Mrs. Pierre E. Palmentier, of Fair court have returned from a three week vacation trip to Florida. Their downward route included stops at Washington, D. C. and Sea Island, Georgia. In Washington, they were guests of Mrs. George V. Milligan and Colonel Mary Louise Milligan, Director of the Women's Army Corps.

Among the friends who entertained for them in Florida were former Grosse Pointers, Mr. and Mrs. Fred Kuehl, now of Terra Mar Island, Pompano Beach.

Devil Diggings

By Jack Ramsdell

The Grosse Pointe High baseball squad was led by Junior rightfielder Al Lang in all batting departments. He led the team with a batting average of .400, scored the most runs (12) and had the most extra base hits (7).

Of the regular players Dave Lowry was second in batting with a .318 average (7 for 22). Lars Anderson was third among the regulars with an average of .280 (7 for 25). Among the utility players Jim

Howard was tops with .555 (4 for 7). He was followed by Bill Koury .333 (2 for 6) and Dave Work .300 (3 for 10).

Southpaw Al Foraker was the workhorse of the pitching staff with a total of 33 innings. He also led the team in wins (3) and strikeouts (24).

Dave Lowry appeared in four games on the mound and allowed no earned runs in the 13½ innings. He leads the staff with an unbeatable earned run average of 0.00.

In my opinion the All-Star BCL baseball squad should include: First base, John Guerrieri (Fordson); second base,

Jim Robertson (Fordson); shortstop, Don Colomina (Royal Oak); third base, Ben Hornyak (Wyandotte); right-

field, Ben Lezotte (Royal Oak); centerfield, Al Lang (Grosse Pointe); leftfield, Dick (Continued on Page 23)

Devil Diggings

(Continued from Page 18)

Krivak (Highland Park); catcher, Dave Lowry (Grosse Pointe); pitchers, Marv Fodor

(Fordson) righthander, and Larry Joyce (Royal Oak) lefthander.
Grosse Pointe wound up the 1959 season with an overall 7-5 season record. This is an improvement over last season's 4-9 mark. The Devils moved up from last place 12-8, to second place, 6-4, in the BCL standings.
Many people have asked, "What is a slider pitch?" According to Blue Devil assistant coach Ernie Bauer, "a slider pitch is one that slides away from a hitter." Coach Bauer played on the same Wisconsin baseball squad with Harvey Kuenn, of the Detroit Tigers, in 1949 and 1950. Red Wilson of the same team was Bauer's roommate. That year their team went to the NCAA tournament and lost to Rutgers.
Several Devil varsity players are playing together on the same Class D Long Electric team in the Detroit Baseball Federation this summer. They are Dave Lowery, Al Forker, Al Lang, Mike MacDonald and Lars Anderson.

tion for varsity baseball at Grosse Pointe High next spring is to play organized summer baseball in leagues comparable to Firemans, American Legion, Class D or E. According to Devil Head Coach Ed Wernet this will give the player a true test of his ability against varsity caliber.

Feeling was bitter against Governor William Hull, the American general, a respected Revolutionary War hero, who lost Detroit to the British during the War of 1812 almost without firing a shot.

The militia of Detroit under Hull's command suffered some of the country's odium, too. Major James Witherell and Major Elijah Brush were the country's commanders and were paroled by conquering General Isaac Brock.

The Brush name has always been an important one in both Detroit and Pointe history. The Edmund A. Brushes built one of the first summer homes here.

A letter written on February 17, 1815 by Governor Woodbridge to Lewis Cass tells of his meeting with the widow of Major Brush, who had died in 1813. Woodbridges, Casses and Brushes all were to become Pointe residents in future generations. Major Brush's widow was the great grandmother of Mrs. Frederick C. Ford, of Bishop road.

Her impression of the Detroit outpost and Mrs. Elijah Brush:

"I received a few days ago a letter from Mr. H. Brush, enclosing one for his late cousin's widow, Mrs. Adelaide Brush, of this place. I had heard much of this lady's steadiness of deportment and general good sense. She is, by birth, an English subject, and an inhabitant of Canada. Her father now has of children and grandchildren in the British service, seventeen.

Her connections and other circumstances have given rise to imputations against the good faith of her late husband. Whether they be well founded I do not know. I called upon her soon after coming here. She lives in an old one story house just without the town, pleasantly enough situated, near the banks of the Detroit river. The farm is one of the best in the country, and has on it some of the best fruit.

All the farms in this country are strangely laid out, having in general the width of from two to six square acres in front and running two or three miles back. Mrs. Brush lives snugly and her house looks neat. She has some of the handsomest little children I have ever seen.

She is simple and unostentatious in her manners, and very cordially pressed me to return. I have since called upon her, took a ride of some eight or ten miles in her carriage with her, on the ice and returned to tea. She gave me a good cup of tea and I was pleased with her conversation. She seems to possess a substantially good mind. She is perhaps 28 or 30 years old."

Ticket holders for the Cottage Hospital Kitchen Tours last Friday were entranced with the Richard P. Joy, Jr. cooking center, in Tonnancour place complete with old fashioned hearth, marble topped cutting table, and the most modern of equipment. The kitchen was neat as a pin but visitors enjoyed the small market list tacked to the bulletin board reminding Mrs. Joy she needed lettuce, butter etc.

Guests stopped to view the lovely entrance hall, the walls papered in a gold and white marbled effect, beige carpets and impressive walnut chest. A glimpse could be had of the bright white and green loggia facing the lakeshore.

Dr. and Mrs. K. M. McColl's home in Grosse Pointe boulevard blends their fine antiques with the most modern architecture and equipment. From their porch here is a lovely sweeping view down green lawns of the old Charles B. Warren estate now owned by the Claude A. Greiners. . . . The McColls sitting room off the kitchen, beamed with a red brick hearth is the real center of their home, completely old fashioned with a cozy hooked rug and grandmother's knitted comforter, rocking chairs near the fireplace and a Williamsburg print on the walls.

Twice a day the house man scrubs the white marble entrance steps at the Henry Ford mansion on Lakeshore road, so that guests and family are always stepping onto a gleaming surface free from dusty footmarks and leaves.

Tom Auch, chairman of the Grosse Pointe High School Class of 1949 reunion June 13 at the Village Manor reports 180 have sent acceptances for the giant get-together.

St. Joseph's Home for Aged, 4800 Cadieux, will benefit from the tea at Mrs. Rankin Peck's on June 4. The home, built to accommodate 82 people, now is filled to capacity with 15 oldsters completely bed-ridden. The home is operated by 12 Carmelite Sisters of the Divine Heart of Jesus, who always have an open door for the needy.

Judith Van Hamm, who will be graduating this June from the Convent of the Sacred Heart, has garnered enough scholastic honors for three misses. She was runner-up for the state of Michigan in an essay contest for the Young Republicans of the United States; won a four year General Motors Scholarship; was national winner in a writing contest conducted by the National Council of Teachers of English, and has accepted a regent's scholarship to the University of Michigan where she will study architecture. She is the daughter of Mrs. Gilmore S. Van Hamm, of Bishop road.

PILFERINGS

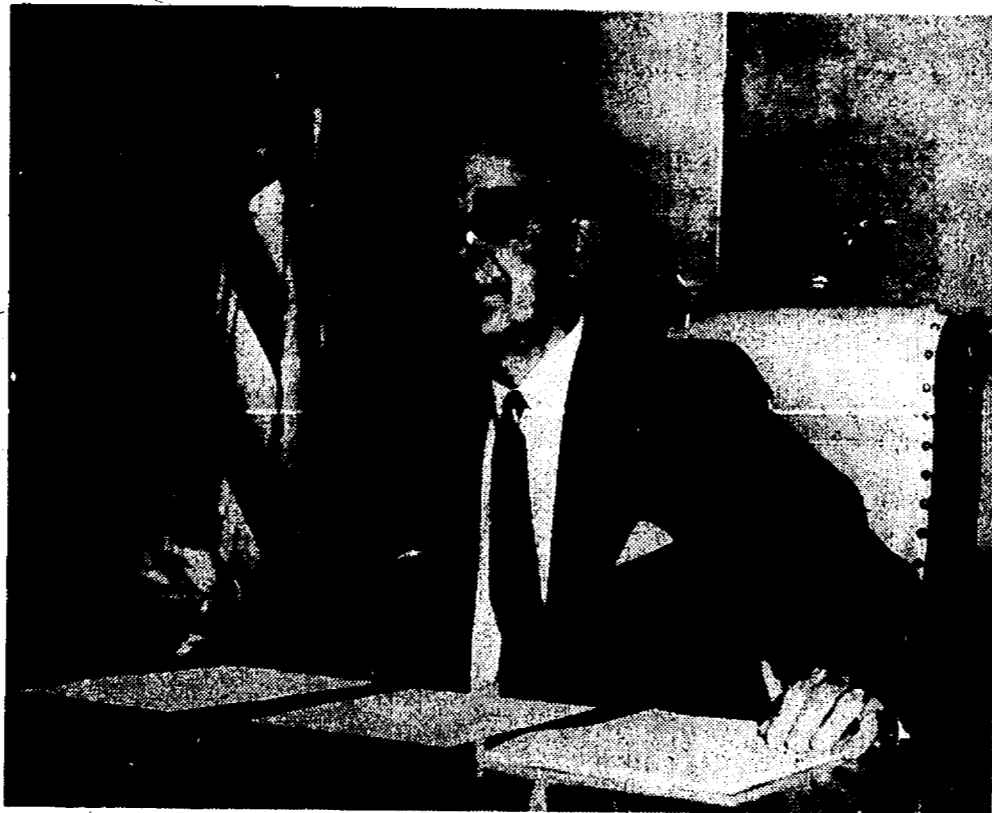

A real cool trumpet player was ambling down 42nd street in New York City when he came upon an organ grinder with a little monkey that danced about on the sidewalk and tipped his hat for coins.

"Man," the hep one told the organ grinder, after watching for a moment. "I don't dig your music, but that kid of yours sure has talent."

A talkative friend was under discussion by The Girls. It seems her honesty was being questioned.

"Well, after all," one of the young matrons defended her. "Milly can't tell the truth all the time. There just isn't that much truth."

Pointer of Interest

Judge Joseph J. Belanger, of Westchester road

Upon meeting Grosse Pointe Park Municipal Court Judge Joseph J. Belanger at the Curling Club one evening a former defendant in his court reproached him for dismissing his traffic case.

Judge Belanger had been lenient with this first offender putting him on his honor to observe traffic rules more carefully in the future. The defendant told him he was so conscious of the judge's trust he found it impossible to ignore a stop sign. He was always on his guard.

Honesty and integrity are Judge Belanger's watchwords. An automotive official, who has visited many courtrooms, told him his was one of the finest examples of American justice he had ever seen. The Judge is proud of the impression visitors as well as defendants, plaintiffs and attorneys take away from his court.

21 Years On The Bench

For 21 years Judge Belanger has been presiding over the Park court, from 1939 to 1950 as a township justice of the peace and from 1950 until the present time as a municipal judge.

This public service is the judge's hobby. His job as an attorney, specializing in corporate, tax and probate law, keeps him busy every day in his Penobscot building offices. On Wednesday morning he holds court in the Municipal Building of the Park.

There he is respected for the dignity and decisiveness of his courtroom manner. Off the bench the judge is an affable, cordial man; in the courtroom he is justice personified. He is neither a lenient nor a strict judge, he

feels. He is apt to be easy with first offenders, putting them on their honor, trusting them. This method seems to work. With repeaters and those who scoff at the law enforcement agencies he can be tough.

From Upper Peninsula

Judge Belanger was born and brought up in Menominee, Mich., then came to Detroit to take his law studies. Since his marriage he has lived in Bedford road, but this week the Belangers have moved to a new home in Westchester. Mrs. Belanger is active in political and civic work, particularly interested in Bon Secours Hospital. They have a daughter, Virginia, who teaches kindergarten in Montclair School.

Over 75 percent of the cases heard by Judge Belanger are traffic cases. As a result he is tremendously interested in safe driving rules, believes in corrective measures before punitive measures in meeting out justice, although he realizes punishment is a necessary preventive of crime.

Traffic Court Award

Every year, on his own time, he travels to Northwestern University where he attends traffic court conferences. He received the American Bar Association Traffic Court Award in 1957 and is very proud of the plaque.

Judge Belanger is a tournament bowler, a fair golfer and a Rear Commodore at the Detroit Yacht Club. He claims to be an indifferent sailor but as a boy was skipper of ice boats, sailing in Green Bay.

The judge is proud of his courtroom with its black and white tile floor, gray seats and impressive podium. The court will soon be paneled and the windows draped to add to the room's majestic appearance.

Judge Belanger feels that most of the offenders who appear before him will have

their only experience of justice and a courtroom in his court so he wants them to take away an impression of dignity and integrity.

Three Kinds of Violators

He maintains there are three types of offenders. The Can'ts, the Don'ts and the Won'ts. The Can'ts are physically or emotionally unable to obey the law; the Don'ts are in the great majority, usually too careless, and the Won'ts are those who will not be regimented by their country's laws and must be dealt with firmly.

Justice, the American brand, is not an abstract principle to Judge Belanger. He believes in it and expresses his beliefs sincerely from the bench. He runs for re-election every two years on a non-partisan ticket, always opposed, he points out wryly. His ideals allow him no compromise. He always carries with him his receipt for two parking tickets paid in the past year, so violators will be in no doubt that the same law applies to citizen and to judge.

His job is to carry out the law and Park residents as well as transient violators can be sure that in his court this will be done with impartiality, honesty and dedication to justice.

Guild to Honor Past Presidents

The Women's Missionary Guild of the First English Evangelical Church will honor its past presidents at the monthly meeting, June 3.

Following luncheon there will be a talk by Mrs. Dwight Struthers on the wives of the last three United States presidents. Mrs. Struthers will come from the United Church Women of Detroit, Speaker's Bureau.

The Rev. Paul F. Keppler of the church will conduct a Bible study class on Paul's Letter to the Ephesians.

Voters League Wins Ribbons

Honored three times for superior publications, the Grosse Pointe League of Women Voters proudly carried home three ribbons from the State Convention of the League of Women Voters of Michigan, held May 19-21 at the Hotel Sheraton-Cadillac.

Distinguished as a superior publication in a community service, the Grosse Pointe League's bulletin, "This Is Your Grosse Pointe," was awarded a first-place ribbon. The bulletin is one which is known to many new and old residents of the Pointe as a recent but comprehensive review of Grosse Pointe history, government, and community life. This widely read and useful publication of the League of Women Voters of Grosse Pointe is scheduled for complete revision and updating in the coming year.

Highly pleased by the recognition given "This Is Your Grosse Pointe," local League members are eagerly awaiting the reissuing of their popular bulletin.

Chosen for first-place honors among many similar productions from local leagues throughout the state of Michigan, was the series of study materials on Foreign Policy prepared by the Grosse Pointe League of Women Voters Foreign Policy Study Group, headed by Mrs. James Graves.

Among annual reports of Michigan Leagues, the 1957 report of the League of Women Voters of Grosse Pointe was judged third in the competition.

This is the first time a League publication contest has been held in conjunction with the convention. Publications were judged for (1) format, (2) copy, (3) art work, and (4) layout.
