

SCHOOL CENSUS DATA RELEASED

HEADLINES of the WEEK As Compiled by the Grosse Pointe News

Thursday, August 6

EDGAR A. GUEST, famed poet, newspaperman and Detroit resident, is dead at the age of 77. Born in Birmingham, England, on August 20, 1881, he came to Detroit with his father, mother, three brothers and a sister in 1891. In 1895 he began a summer job at the Detroit Free Press. He remained with the Free Press from that day until the day of his death.

His first verse appeared in the December 11, 1898 issue. By 1909 he had written enough poems to be published in book form. The first book of his verses was called "Home Rhymes." For the last few years, a heart condition had kept him, at various times, in the hospital, but he still managed to keep up with his deadline and produce his verses.

IN A NATIONWIDE BROADCAST on radio and television tonight, President Eisenhower is expected to carry his battle for stricter control on unions to the nation. The House has also been given free rein to work out a labor bill from the floor, starting next Tuesday. The House Rules Committee, that decides how legislation is to be handled, has agreed to allow unlimited amendments to a bill written by the House Labor Committee but shunned by most of its members.

RETURNING YESTERDAY from his trip to Russia and Poland, Vice President Nixon urged that "in the interest of peace," Americans treat Soviet Premier Nikita Khrushchev courteously when he arrives for his visit in September. Nixon urged Americans to show "the same courtesy that the people of the Soviet Union showed me."

Friday, August 7
TAX NEGOTIATIONS collapsed yesterday when the State Senate Republican caucus stood firm against a business profits tax. Senate majority leader Frank D. Beadle of St. Clair reported "We don't want any part of any kind of business or corporate income tax." Two profits tax suggestions were turned down when proposed as companions for the increase in use (sales) tax.

It was predicted a few days ago that Michigan's seven month tax battle was nearing an end. House Republicans and Democrats alike were "shocked" by the Senate stand. "We're back where we were in January, only worse," said House Republican floor leader, Allison Green of Kingston.

PRESIDENT EISENHOWER asked for public support of his effort to persuade the House to pass a labor bill to his specifications, during a 15 minute nationwide radio and television broadcast, Thursday night. "Corruption, racketeering and abuse of power which have been brought to light constitute a national disgrace," he said. Republicans hoped that the broadcast would swing victory their way while the Democrats hoped that the President's entry into the controversy would serve to consolidate their own divided ranks.

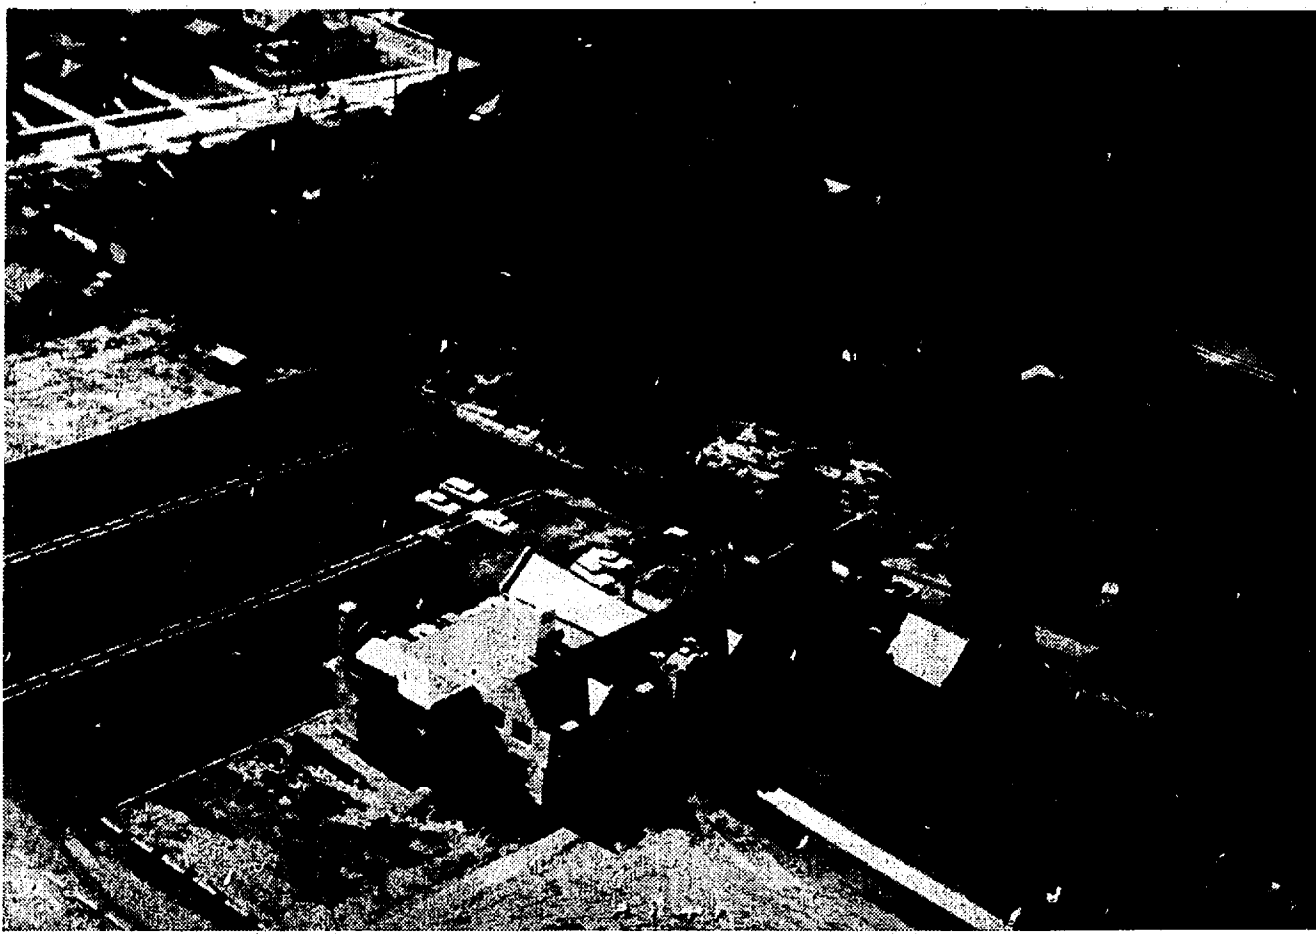

"It is my earnest hope that Congress will be fully responsive to an overwhelming national demand," said the President. "As the Congress prepares to vote on labor reform, the question before the people is whether they shall continue to govern themselves. If they do not, crooks and racketeers could prevail."

Saturday, August 8
POLICE CAPTURED two bank robbers following the robbery of a Dearborn bank and a shooting chase through the streets near the bank, Friday. Captured were William J. Verette, 36, of 3018 Hillier and Robert Switz, 35, of 15117 Chatham, believed to be the "three minute" bank robbers who have been operating in Dearborn.

An alert troller, Ann Taylor, signaled through the window, during the robbery, to another troller, Duncan MacAulay, who

Church Completes Drive for \$100,000

The Grosse Pointe Methodist Church has recently completed a campaign to raise \$100,000 to reduce the debt and purchase additional equipment. The aerial picture above shows the two existing units of the building. A third unit to house the san-

ctuary and other additions to the plant is planned for the future at a cost of about \$500,000. This would bring the total value of the property to over the million mark.

Park Holding Fish Rodeo On Saturday

All Boys and Girls in City Invited to Compete; Everyone to Get Prizes

Grosse Pointe Park will hold its annual fishing rodeo this Saturday, August 15. All contestants must report at the pier for registration by 7:45 a. m. All Park boys and girls are eligible to compete.

There will be prizes for all contestants and grand prizes will be awarded the boy and girl catching the largest fish.

Henry Feys is general chairman of the event. Forrest L. Geary will be master of ceremonies. George Hoffman and Frank Sandley are in charge of prizes.

Other committee heads include: Charles R. Johnston, Jr., food; Mrs. George Hoffman and Mrs. Charles R. Johnston, Jr., registrations; Mrs. W. L. Pattyn, the life guards and police and fire departments, safety and dock supervision; George Measel, public address system; Mrs. Charles Todd, ribbons (registration); Tommy Cusumano, bait.

INJURED IN FALL

John Dehler, 9, of 41 Pine court, was taken to Bon Secours Hospital by Farms firemen on Thursday, August 6, when he fell from the observation tower of the Grosse Pointe High School. He suffered cuts about the face, which took 15 stitches, and two breaks in his right arm.

Farms and City Firemen Battle Handy Place Blaze

A fire originating in the kitchen caused extensive damage to the R. F. Bersback residence at 101 Handy, Saturday, August 8.

Smoke and heat caused damage throughout the house, while damage from the fire itself was limited to the area around the kitchen.

Farms firemen called in their off duty men and called for help from the City fire department before the blaze was extinguished.

One Farms fireman was injured and three were partially overcome by smoke while fighting the blaze.

Injured was George Green, who stepped on a nail and was taken to Cottage Hospital for a tetanus shot.

Farms Fire Chief William Capt. Raymond Snay, and

Annual Pointe Lifeguard Swimming Meet Featured By Unusual Color Scheme

Prankster Dumps War-Surplus Chartreuse Dye into Park Pool Before Contest Starts; Farms Bronzed Brethren Take Top Honors

In a swimming meet marked by keen competition, the Farms lifeguards barely squeaked passed their bronzed brethren from the City to win the Grosse Pointe Lifeguard swimming title last Saturday morning.

The annual event was held at the Park Waterfront pier's new 25-meter race course. It was the first time that the Park had been host for the event.

The Farms scored 47 points to the City's 44. In third place was the Shores with 17 points, while the Park played perfect hosts by bringing up the rear with 7 points.

The Woods guards, the defending champs, did not defend their title.

Prankster Adds Color
An unfortunate incident almost caused the event to be postponed. During the night or early morning a prankster had dumped a large quantity of war surplus chartreuse dye into the Park's pool. The event got under way after a half hour's delay.

Camera bug Kurt Reinstein, a Shores guard, interjected a note of humor after the dye was proved harmless. He offered to withdraw from the Shores team and become the event's photographer. "I've got colored film in my camera," he said.

John Hammond Stars
Leading the Farms team was head lifeguard John Hammond, who scored first in both the 50-meter butterfly and 100-meter freestyle.

In addition to the two individual wins he swam the butterfly leg on the Farms' winning medley relay which included Jim and Tom Ketzler and Jerry Radloff.

Leading the City's counter attack was double winner Jerry Mehl who scored his wins in the grueling 200-meter freestyle and the 100-meter individual medley. Mehl also anchored the City's second-place freestyle relay.

Bob Hill of the City, Jim Ketzler of the Farms, and Stu Smith of the Shores were the meet's other first place winners.

Smith captured the 50-meter freestyle in 28.5 seconds; Hill zipped through 50 meters of backstroke in 33.0 seconds, while Ketzler's win in the breast stroke took him 38.2 seconds.

Shores Wins Relay
The Shores won the final event of the morning, the 200-meter freestyle relay, when Shores anchorman Stu Smith (Continued on Page 2)

Tree Schedule Progresses In GP City

Trimming, Feeding, Removal Project Involves 95,000 Lineal Feet of Streetfront

The program of trimming and care of trees, begun by the City of Grosse Pointe in 1956, has reached the midway point towards completion, it was announced by Norbert Neff, City Clerk.

There are approximately 95,000 lineal feet of sidewalk lined with trees in the City. So far, 46,500 feet have been trimmed and there are something like 45,000 left to do. It is hoped that the job can be completed within the next three years.

The program was begun concurrently with the installation of the new street lights. The tree branches are being trimmed to form an archway meeting at the level of the lights.

Also included in the program is the removal of dead or diseased trees, cabling of split or forked branches, along with feeding and trimming.

Lakeland avenue and Washington, Lincoln and Washington roads have been completed, as well as parts of Rivard boulevard and Loraine avenue. Most of Chalfont, Goethe, Charles, Cranford, Fisher and Cadieux have also been done.

Fifty-two trees in the City park have been trimmed and three have been removed.

Missing Purse Found Empty
Mrs. F. L. Congdon, 436 Barclay road, reported to Farms police at 2 p. m. on Friday, August 7, that she had lost her purse in the vicinity of Brownell Junior High School.

Farms maintenance men Don Reno and Norm Meldrum found the purse at Kerby and Chalfont at 4 p. m.

A lighter, sun glasses, and \$35 were missing.

Detroit Tells Park Water Rate Hike Due on November 1

New Cost of \$1.48 per 1,000 Cubic Feet Will Mean Only Slight Boost to Resident Boosters; First Raise in 13 Years

The City of Detroit has informed the City of Grosse Pointe Park that its water rates will increase, effective November 1, Park City Manager Robert A. Slone told the Park Council, Monday, August 10.

The Park buys its water from Detroit and sells it to resident consumers.

The new rate to Park users will be \$1.48 for the first 1,000 cubic feet of water. The old rate was \$1.35 per 1,000 cubic feet.

City Manager Slone prepared a sample three month billing for a family using 3,000 cubic feet. It showed an increased cost of 39c from \$7.18 to \$7.57 total cost.

It will be the first water rate increase by Detroit in 13 years. The sewage rates, which rose last year, and the water storage rates were not changed.

The increase will first appear on the December 15 billing.

The Shores and the Woods who also buy water from Detroit will be affected. The City which buys its water from the Farms, and the Farms will not.

The council requested that the city attorney draft the new rates into a proper resolution for action at the next meeting.

Jefferson Has Most Accidents

Jefferson avenue was the scene of more traffic accidents than any other street in the Park according to accident statistics released by Park Police Chief Arthur E. Louers.

The figures covering the 1959 period to and including July showed that 21.1 percent of Park accidents occurred on Jefferson.

Mack avenue accidents accounted for 15.5 percent of the total of 180 accidents to date.

Charlevoix and Kercheval were the scene of 9.4 and 8.9 percent of the accidents respectively.

Twenty-six percent of the city's accidents occurred on residential streets, the analysis showed.

No fatal accidents have occurred in the Park this year. Forty-eight persons have been injured.

Sixteen traffic injuries occurred during the month of July, when Mack was the scene of seven, or 22.6 percent of the city's accidents compared to Jefferson's 19.4 percent.

Boy Recovers Stolen Bicycle

On Saturday, August 8, Woods police recovered a bicycle belonging to Douglas Brown of 22603 Carolina, St. Clair Shores. The bicycle had been stolen earlier in the day while young Brown was playing near the new pumping station on the Milk River.

Population Of District Now 63,211

Shores Shows Largest Numerical and Percentage-Wise Increase During Past Year

The population of the Grosse Pointe School District continues to increase. The May census figures have just been released by school officials and show that 63,211 persons now reside in the communities making up the district.

The 1959 total represents an increase of about 350 over 1958 figures and is a somewhat smaller increase than tabulated in prior years. However, in the last decade the growth has been very substantial. More than 23,000 additional residents have come to dwell here, a 60 per cent increase over the 1949 total of approximately 40,000. Since the federal census of 1930 the population roughly tripled the report shows.

Park Loses Over 100
All of the communities in the school district (the five Grosse Pointes and a portion of Harper Woods) except Grosse Pointe Park showed an increased number of residents over last year. The Park total is down a little over 100 persons from its nearly 16,000 recorded in 1958. (See chart below).

The Shores enjoyed the largest numerical and percentage-wise increase. A gain of 151 puts this community's total to just about 12,000 persons.

The largest of the Pointes in terms of population continues to be Grosse Pointe Woods. An increase of nearly 150 brings its 1959 total to nearly 18,900.

Grosse Pointe Farms' population increased slightly to something over 12,700 and the City of Grosse Pointe inched up close to the 6,850 figure. The Harper Woods fraction of the district increased about 100 and now has just over 6,700 residents.

435 More Students
The number of school children (ages 5-19 years) increased even more than the total population. They now total 17,718, an increase of 435 over last year's figures. This is a vital statistic to school officials. With certain school buildings already overcrowded and sub-standard facilities being used in others, they recognize the increase in this age group as having very important implications for the school system.

Within a brief time temporary measures now being used, such as shifting pupils to other schools and displacing important parts of the curriculum to unsatisfactory locations in the building, will no longer suffice and additional space must be provided.

Having anticipated this development, the school board and school administrators, joined by P.T.A. leaders, have followed the matter closely and are making a thorough study of what the needs of the district will be for the next five years. It appears to them, according to a statement from Board President Robert F. Weber last week, that a fall election may have to be called in which the voters will be asked to authorize certain expansions and alterations to existing buildings. Allied matters, such as increased operating costs and the need to improve staff salaries, will need to be considered.

Storm Damage Cost Park \$1578

At their Monday, August 10, meeting the Park Council approved the payment of a bill in the amount of \$1578.50 to Shock Brothers tree company for their part in cleaning up after the storm which swept the Pointe on July 1.

According to City Manager Robert A. Slone, two tree crews from the city, one from the Greater Detroit Landscaping Company, and the Shock Brothers crew were pressed into service when six city streets were blocked by fallen trees.

Nine trees were felled in the Waterfront Park he said.

Census Figures Comparisons Of Pointe School District

	1955	1958	1959
Grosse Pointe Park	15,804	15,970	15,860
Grosse Pointe City	6,776	6,798	6,843
Grosse Pointe Farms	12,289	12,702	12,728
Grosse Pointe Woods	16,768	18,734	18,873
Grosse Pointe Shores	1,295	2,046	2,197
Harper Woods	5,194	6,607	6,710
Total	57,926	62,857	63,211
School-Age Census (5-19)	14,455	17,283	17,718

Colorful Swimming Meet

(Continued from Page 1)
churned by Mehl of the City's second place team.
Smith's speedy anchor leg proved a blessing to the Farms, for a City victory in the final event would have meant a one-point victory for the City in the over all standings.
The Farms guards will have the privilege of displaying the perpetual trophy for the event in their lifeguard room at the foot of Moross until next year's encounter.

Roland Gray of Gray's Sports

Shop is the donor of the trophy.
Summary
200-meter medley relay: 1. Farms (Tom Ketzler, Jim Ketzler, John Hammond, Jerry Radloff); 2. City (George Swindiehurst, Doug Searles, Dave Kothe, Bill Hoffa). Park disqualified. Time: 2:14.9.
50-meter freestyle: 1. Stu Smith, Shores; 2. Dick Clark, Farms; 3. Mike Kroyer, Shores; 4. Tom Teetart, City. Time: 28.5.
50-meter butterfly: 1. John Hammond, Farms; 2. Jerry Radloff, Farms; 3. Bill Hoffa, City; 4. Dave Kothe, City. Time: 30.3.
200-meter freestyle: 1. Jerry Mehl, City; 2. Mike Collins, Farms; 3. George Swindiehurst, City; 4. Mike Keenan, Park. Time: 2:33.2.
50-meter backstroke: 1. Bob Hill, City; 2. Tom Ketzler, Farms; 3. Steve Vandervort, City; 4. Dick Clarke, Farms. Time: 33.0.
100-meter freestyle: 1. John Hammond, Farms; 2. Steve Kinsley, Farms; 3. Tom Teetart, City; 4. Tom McCracken, Park. Time: 1:10.5.
50-meter breast stroke: 1. Jim Ketzler, Farms; 2. Doug Searles, City; 3. Pete VanHull, Park; 4. Bill Hoffa, City. Time: 38.2.
100-meter individual medley: 1. Jerry Mehl, City; 2. Dave Kothe, City; 3. Jerry Radloff, Farms; 4. Winnie Likert, Park. Time: 1:18.3.
200-meter freestyle: 1. Shores (Stu Smith, Mike Kroyer, Bob Hackathorn, Kurt Reinstein); 2. City (Jerry Mehl, Tom Teetart, Bob Hill, Steve Vandervort); 3. Farms (Tim Hutton, Steve Kinsley, Dick Clarke, Mike Collins); 4. Park (Winnie Likert, Tom McCracken, Bob Patton, Pete VanHull). Time: 2:07.6.
Team scores: Farms, 47; City 44; Shores, 17; Park, 7; Woods, 0.

Census Data

(Continued from Page 1)
school age population are to be found in the secondary school age groups. The 12 year old group now totals 1,358, up 221 from last year. Sixteen year olds are up 197 to a total of 1,297. Seventeen year olds total 1,091, a rise of 203 from the 1958 total. The significance of these statistics is readily seen when one notes that last year's enrollment at Grosse Pointe High School was just over 2,000 students. This fall it is expected that about 2,300 will be enrolled there.

The census is broken down into several categories or age groups for the pre-school and school age portion of the population. The pre-school group, ages 0-4 years, now totals 5,248 children, down 285 from last year's figure. In the elementary school group, ages 5-11 years, there are 9,050 listed. The junior high bracket, ages 12-14 years, totals 3,580 while 3,509 are to be found whose age is between 15 and 17 years. Finally, there are 1,378 19 and 19 year olds in the district.

A tabulation of the number of residences in the school district shows that there are 18,795 dwellings. These house a total of 40,245 adults. This averages out to 2.14 adults per residence while the total of 22,966 juveniles, aged 19 or younger, average out to 1.22 children per dwelling. In all then, the average home in Grosse Pointe has a total of 3.36 persons residing therein.

Study Distribution

School officials also analyzed the census figures to see how the pupils were distributed throughout the district. All elementary school districts, except Richard, have an increased number of school age children in them when compared to 1958 figures. The Richard district now has 9 fewer boys and girls between the age of 5 and 19 than it did a year ago. The Poupard district shows an increase of 118 pupils to a total of 1910 now residing there while the Barnes district is close behind. It is up 102 pupils to a total of 1608. The Monteith district continues to be the leader in total school-age children, totaling 2,305 school age youth within its boundaries.

The number of vacant residences in the school district was also recorded by the census takers. This year's total shows a healthy decline of 45 from last year's peak of 353 vacancies. Another auspicious note for the continued well-being and growth of the community is to be found in the tabulation of residences under construction. Whereas the number found in May 1958 was only 55, the May 1959 check found 132 new residences being erected.

TIRE, WHEEL STOLEN

Earl W. Doidge of 861 Beaconsfield, complained to Park police on Friday, July 31, that while his car was parked in front of his home during the night, someone took the spare tire and wheel from the trunk.

Farms Team Wins Pointe Swim Title

Battle Blaze

(Continued from Page 1)
Mason said that smoke and heat, the main cause of damage to the building, hampered the department's efforts in fighting the fire. He said that structural damage to the building was slight.
The Farms fire department returned to their quarters at 6:56 p.m.
At 7:03 p.m. Farms patrolman Earl Field caught a nine year old boy looting the home and took him to his parents.
The home was boarded up by the Bershback's insurance company that evening. The Bershbacks returned to the Pointe early Monday morning.

Chiseler

(Continued from Page 1)
arrived at the station and learned there was no car. Gilbertson returned the money, and fled when the woman called police.
Detroit officers picked Gilbertson up a few blocks from the station, and charged him with obtaining money under false pretenses.
Chief Louwers said that Gilbertson has been pulling this trick for quite some time, and has a long police record.
The chief said that Gilbertson made a practice of viewing obituary columns in the papers, and then would prey on bereaved families and friends, asking for small sums, claiming he was late for funerals and he needed money for gas to return home.
Chief Louwers said that a warrant against the man has been outstanding since the August date, when he bilked Mary B. Moesta, formerly of Somerset road, and now of Grayton road, of a small sum of cash.
Park police will pick up Gilbertson when he is released from DeLoCo, the chief said.

Its Wonderful Efficiency... will say "Yes" to your heart!

When a man steps up to a Cadillac, it usually becomes his last move in motor cars. For he soon learns that the "car of cars" stretches a gallon of gasoline over an amazing number of miles—and its superb quality assures the maximum in dependability and freedom from repairs. And, as time passes, he gains still another substantial saving from its traditionally high resale value. Visit your Cadillac dealer at your first opportunity and let these wonderful facts say "yes" to your heart!

Pointe Police Urge Safety Law Compliance by Cyclists

Young cyclists swooping carelessly around the streets and highways are highly irritating to motorists and a danger to themselves, and last year, accounted for 1,471 reported traffic injuries in Michigan, according to Gerald W. Shipman, executive secretary of the Michigan State Safety Commission, Lansing.

In view of the seasonal increase in bicycle riding and its dividend of injuries and death, the Pointe police departments have been asked to publicize these extracts of State Laws governing the operation of bicycles and motorcycles and motor scooters, etc. They are enforceable anywhere in Michigan. Clip and save:

Act 300 P. A. 1949 as Amended —

Sec. 4. "Bicycle" means every device propelled by human power upon which any person may ride, having two tandem wheels either of which is over 20 inches in diameter."

Sect. 606 "The provisions of this chapter shall not be deemed to prevent local authorities with respect to streets and highways under their jurisdiction and with the reasonable exercise of the police power from:"

8. "Regulating the operation of bicycles and requiring the registration and licensing of same, including the requirement of a registration fee."

Sec. 646. "The State Highway Commissioner may, by proper control order filed with the county clerk, and local authorities may, by ordinance, with respect to any limited-access roadway under their respective jurisdictions, prohibit the use of any such roadway by pedestrians, bicycles, or other non-motorized traffic."

Sec. 648. "(a) The driver of any vehicle upon a highway before starting or turning from a direct line shall first see that such movement can be made in safety and shall give a signal as required in this section.

"(b) The signal herein required be given either by means of the hand and arm in the manner herein specified, or by a mechanical or electrical signal device, which conveys an intelligible signal or warning to another driver approaching from the rear.

"Whenever the signal is given by means of hand and arm, the driver shall indicate his intention to start, stop or turn by extending the hand or arm horizontally from and beyond the left side of the vehicle."

Sec. 656. "(a) It is a misdemeanor for any person to do any act forbidden or fail to perform any act required in sections 566 to 662 inclusive.

"(b) The parent of any child and the guardian of any ward shall not authorize or knowingly permit any such child or ward to violate any of the provisions of this chapter.

"(c) These regulations applicable to bicycles shall apply whenever a bicycle is operated upon any highway or upon any path set aside for the exclusive use of bicycles, subject to those exceptions stated herein.

"(d) These regulations applicable to motorcycles shall be considered supplementary to other provisions of this chapter governing the operation of such vehicles.

Sec. 657. "Every person riding a bicycle upon a roadway shall be granted all the rights and shall be subject to all of the duties applicable to the driver of a vehicle by this chapter, except as to special regulations in this article and except as to those provisions of this chapter which by their nature have no application."

Sec. 658. "(a) a person propelling a bicycle or operating a motorcycle shall not ride other than upon astride a permanent and regular seat attached thereto.

"(b) No bicycle or motorcycle shall be used to carry more persons at one time than the number for which it is designed and equipped."

Sec. 659. "No person riding upon a bicycle, coaster, roller skates, sled, or toy vehicle, shall attach the same or himself to

any street car or vehicle upon a roadway."

Sec. 660. "(a) every person operating a bicycle or motorcycle upon a roadway shall ride as near to the right of the roadway as practicable, exercising due care when passing a standing vehicle or one proceeding in the same direction.

"(b) Persons riding bicycles or motorcycles upon a roadway shall not ride more than two abreast except on paths or parts of roadways set aside for the exclusive use of such vehicle.

"(c) Wherever usable paths for bicycles are provided adjacent to a roadway, bicycle riders shall use such path and shall not use the roadway."

Sec. 661. "No persons operating a bicycle or motorcycle shall carry any package, bundle, or article which prevents the driver from keeping both hands upon the handle bars of said vehicle."

Sec. 662. "(a) Every bicycle when in use at night time, shall be equipped with a lamp on the front which shall emit a white

light visible from a distance of at least 500 feet to the front and with a red reflector on the rear which shall be visible from all distances from 50 feet to 300 feet to the rear when directly in front of lawful upper beams of head lamps on a motor vehicle. A lamp emitting a red light visible from a distance of 500 feet to the rear may be used in addition to the red reflector.

"(b) No person shall operate a bicycle unless it is equipped with a bell or device capable

of giving a signal audible for a distance of at least 100 feet, except that such vehicle shall not be equipped with nor shall any person use upon such vehicles any siren or whistle.

"(c) Every bicycle shall be equipped with a brake which will enable the operator to make the brakes wheels skid on dry, level, clean pavement."

Sec. 419. "Any person who shall operate or ride a bicycle, motorcycle or other motor vehicle upon that part of the street or highway, where sidewalks have been regularly laid out or constructed for the use of pedestrians, not including

crosswalks, in any unincorporated village or city, shall be guilty of a misdemeanor."

City Also Set For Fish Rodeo

Applications are presently being issued and received at the Grosse Pointe City Park check room, according to Councilman Kenneth F. Bergmann, chairman of park activities, for the always interesting and exciting Fishing Rodeo.

As the name implies this, a rodeo, is the northern version of the Western "roundup" at the summer's end, the difference being fish instead of cattle, as children "roundup" the fish which escape their parents' lures throughout the summer.

The Grosse Pointe City Rodeo will run from August 15 through August 28. During this time, a two week interval, anyone previously registered may fish at any time. When a fish is caught it should be taken to the check room for authorized measurement and recorded on the person's Rodeo application blank.

The big Rodeo sponsored jointly by Grosse Pointe City and Grosse Pointe Farms will be August 29 at the Farm's Pier for one hour of fishing from 9 to 10 a.m., followed by entertainment, refreshments, and prizes for the lucky fishermen.

Deaconess

The induction of DEACONESS SYLVIA MILLER as the new parish worker at St. James Lutheran Church of Grosse Pointe, McMillan road at Kercheval, will be held at the regular 9:30 a.m. service on Sunday, August 16.

The Reverend George E. Kurz, pastor of the congregation, will conduct the rite of induction, assisted by Deaconess Kathleen Blaine, representing the Lutheran Deaconess Association, and the elders of the church, Kenneth Michel, Gerald M. Van Riper, Dr. Walter Neeb, Donald Remter.

Miss Miller was consecrated June 21 at Our Saviour Lutheran Church, Pipestone, Minnesota. She will replace Deaconess Rhoda Gilmer, who recently married the Reverend Harold Schroeder of Calvary Lutheran Church, Detroit. Assisting the spiritual work of the congregation, Miss Miller will make contacts for the pastor by supplementing the visitation activity, being a "shepherdess" in the building of the Sunday School, and assisting in the educational program of Christian growth.

Looking forward to full time parish work, Miss Miller wrote Pastor Kurz, "I had previously heard of your beautiful church and was overjoyed to find that I was to serve the Lord at St. James. Of course, it is the people that I am interested in and whom I am looking forward to meeting. With His help I shall serve them to the best of my ability."

Miss Miller was born in Dell Rapids, South Dakota. Her family moved to Pipestone, Minnesota, where she has lived most of her life. After graduating from Pipestone High School she attended St. Olaf College for two years before entering the Deaconess Program at Valparaiso University. Miss Miller received her Bachelor of Arts in June 58 also attended a summer session at Colorado University, Boulder, Colorado. She has a dual sociology and religion major and an English minor.

In 1958, under the student deaconess field-work program, she spent three summer months doing parish work at Zion Lutheran Church in Fort Wayne, Indiana. During her senior year she served as president of Pi Delta Chi sorority.

St. James members will welcome Miss Miller at an informal reception for her during the "coffee hour" following her induction service, Sunday, August 16.

As a representative of the Lutheran Deaconess Association, Miss Miller will be available for speaking engagements at other churches in this area.

Registration of New Pupils Begins Monday, August 31

The registration of pupils who are newcomers to the Grosse Pointe Public School System will begin Monday, August 31. All school offices will be open for this purpose during the afternoon hours through Friday, September 4.

The parents of children who are enrolling for the first time in the local school system are advised that they will need a copy of the pupil's birth record at the time of registration. A copy of the most recent report card received by the student is also desired if it is available.

Pupils who were enrolled in the Pointe schools last year are already registered for the coming year. A post card will be mailed late in August to each of these students advising them of their room and teacher assignments for the fall term.

Teachers will report for duty Tuesday, September 8, for two days of meetings, orientation and final preparation for the beginning of classes. Students will begin attending classes at the usual hour Thursday, September 10.

Wrong Person Taken Off Road

Mrs. Helen Werback, formerly of 1242 Beaconsfield, and now of 586 Notre Dame, was listed last week by the Michigan Secretary of State Office as having had her driver's license suspended on July 15.

The suspension was for unsatisfied judgment under the Financial Responsibility Law, according to the list.

Mrs. Werback, who has driven for 30 years without receiving any kind of traffic violation ticket, denied the allegation made by the Office in Lansing.

She still has her operator's license and will probe the reason for having her name listed.

Infant Tumbles Out of Window

A ten-month-old Park infant fell from a second floor window of his home and was rushed to Bon Secours hospital by Park police early Monday morning, August 10.

Richard Robbins, Jr., son of Richard Robbins of 1243 Maryland showed no external injuries from the fall. Doctors were unable to tell immediately whether or not young Richard suffered internal injuries.

The child was conscious immediately after the fall, his parents reported.

The infant's bed was next to the window which was covered by a storm window with a screen insert. Richard apparently opened it and crawled out.

Michigan State had an All-American in football, basketball, hockey, swimming, gymnastics and soccer during the 1958-59 school year.

Many Arthritis-Rheumatism patients say: "I had no idea it could be my Kidneys!"

Welcome relief through better kidney action for many arthritis & rheumatism sufferers who discovered delicious Mountain Valley Water.

Many arthritis and rheumatism sufferers have discovered that better kidney action seems to bring a wonderful new relief from pains and discomforts. Many doctors, today, point up that kidneys must eliminate wastes and acids which, if not removed, may cause irritation, pain and discomfort to many parts of the body. Many of these doctors recommend use of Mountain Valley Water for 6 to 8 weeks to increase excretion of irritating wastes. Some talk of relief from pain, others of "better mobility" after drinking Mountain Valley.

Many of these doctors discovered this by drinking 6 to 8 glasses a day of Mountain Valley as an aid for their own symptoms. They found it a delightful, crystal clear health water that stimulates kidney action gently without after upsets. Mountain Valley tastes so refreshing, so pure and light that you'll tell your friends to drink it just to enjoy its wonderful taste. More important, you'll see how Mountain Valley can aid kidney action and help your kidneys discharge wastes in a natural way. If symptoms persist, ask your doctor.

Try A Case of Delightful Mountain Valley Water. It Tastes So Good!

MR. and MRS. FRANK CRUM and their children, LARRY and Susan, moved last February from Dean lane to Hawaii, when Mr. Crum was transferred by his business firm. They were Pointers for 14 years. Here they are with their guest, TOBY VAN ZILE of Cloverly road, son of the Philip Van Ziles, who has been spending a month with them. The picture was taken in the garden of the Crums' home in Honolulu.

Police Warn Of Check Artist

Pointe merchants and businessmen are warned by local police to be on the lookout for a man who has passed at least two checks, each in excess of \$100, in the Pointe.

The checks were reported stolen from the payroll department of the U.S. Rubber Company's Detroit office.

Detroit police have been plagued with 10 of the checks, made out to, and signed by a Fred Hicks, with the address given as 622 Berns.

Woods police are holding a check in the amount of \$118.10, passed at the Arnold Drug Store, 20853 Mack; and the City is holding one passed at Joe's Speedway Gas Station, 18084 Mack.

The phony check passer is described as being white, five feet, 10 inches tall, between 140 and 145 pounds, dark, black, wiry hair, dark complexion, and when last seen was wearing a plaid shirt and brown khaki pants.

Merchants and businessmen are asked to notify their local police of anyone answering this description who tries to pass a check in their establishment.

BURNS ITSELF OUT

Richard Weaver of 2101 Country Club drive, called Woods firemen August 7 to help extinguish a fire in the oil heater of his house trailer. The fire was due to overheating. The firemen stood by with extinguishers while the fire burned itself out.

There was no damage to the heater or trailer.

Park Studies Pension Hike

At the request from the Michigan Municipal Employees Retirement System, the Park Council discussed a proposed hike in the pensions to police and firemen at their Monday, August 10, meeting.

The system is asking the Park as one of the 70 Michigan communities who participate in the plan to give its opinion on a bill which it may propose to the State Legislature.

Police and firemen are not eligible to take U.S. social security.

The proposed bill is aimed at bringing the level of their pensions nearer to the level of retirees receiving social security.

According to Councilman William Oddy the policemen and firemen led by the New York City Departments had lobbied against going on social security in Washington.

The vote requested by the retirement system was strictly an advisory vote, but the Park Council tabled action until data could be presented concerning what the increase would mean to Park employees.

The city has 25 firemen and 33 policemen, who currently contribute 5 percent of their earnings to the pension fund.

Speeder Spends Night in Jail

Shore's Patrolman Jack Lietke arrested Raymond C. Thompson of 5885 Van Dyke, Detroit, on Saturday, August 8 at 5:56 p.m.

Patrolman Lietke said he saw Thompson cutting in and out of traffic at a high rate of speed, gave chase, and finally stopped him near Moross Road.

Thompson, who admitted drinking earlier in the day, was charged with reckless driving.

He spent the night in the Shores jail and was released the next morning on \$125 bond.

Michigan State's first no-hit, no-run baseball pitcher was Ed Pinnace, who allowed Alma College only one base runner in 1903 when he beat them 5-0.

Thieves Visit Home in City

City police are investigating a breaking and entering at the William Nixon home, 560 Lakeland avenue. Several suspects have been questioned.

were: five watches, a gold and opal ring, a platinum bracelet with 24 diamonds (value \$300) and approximately \$10 change from a piggy bank.

Neighbors told police that on the morning of July 26, about 2 o'clock they heard someone yell "Hurry, get in" and saw a red and white car drive off.

COKE THIEVES AT WORK Charles Campbell, the Farms attendant on duty at Kerby field, reported to Farms police on Friday, August 7, that someone had pulled the hinges from the city shanty on the field and stolen two cases of coke.

Thesis on Safety Part of Sentence

A young man found guilty of reckless driving in the Park, Farms and City, has been given a chance by City Judge Douglas L. Paterson to help himself out of possible further run-ins with the law on traffic offenses, by doing some research.

David C. Gillis, 18, of 806 Lincoln road, on the night of June 21, was ticketed by City and Park police for reckless driving and by the Farms police for not having his car under control and causing an accident. Starting in the Park, young Gillis drove at an excessive rate of speed through the three municipalities, running a red light and finally wrecking his car in Lewiston road.

The case went before Judge C. Joseph Belanger in the Park, first, where young Gillis was found guilty, fined \$100 and had his driver's license suspended for six months. He was then taken before the Farms Judge, Grant E. Armstrong, who found him guilty, but suspended his sentence in view of the ruling in the Park.

When the case was brought to the City, there was a motion put before the court to dismiss the case on the basis of the offense being one continuous one. Judge Paterson, feeling that the offense was actually three separate offenses against three sovereign municipalities, denied the motion to dismiss.

In the trial that took place August 4, Judge Paterson found young Gillis guilty. However, rather than fining the boy further, in view of his age and the fact that this was his first offense, the Judge gave him a different kind of sentence.

The boy, a freshman at Yale University, was put on probation to the City police department for six months, during which time he must report three times, once September 17, once in November during Thanksgiving vacation and once during Christmas vacation.

But in addition to this, he is to submit to the court's approval, a thesis on traffic safety, with particular regard to speeding. This thesis is to be prepared after considerable research through the State Police and other traffic safety organizations, to be turned in by September 17.

"I don't feel that I am being easy on the boy," said Judge Paterson, "but rather that from this educational therapy, more good may result in the end than from any other method."

Submerged Land Titles Requested

The Park Council tabled two requests for title to submerged lands at the meeting Monday, August 10.

According to law the parties applying for title to filled-in land must obtain the approval of the U.S. Corps of Engineers and have the approval of their city council before making application to the Michigan Department of Conservation.

The two requests came from William C. McMillan and Thomas LoCicero representing John L. Grieger and Carl Sickenberger.

The latter group owns part of the property formerly occupied by the Army Anti-Aircraft unit. The park has been eyeing the property for possible purchase for some time, since it adjoins city owned property, at the foot of Three Mile Drive.

LoCicero told the council that the parties be represented wanted to sell the property at its fair market price, possibly for residential development.

He said that the owners are out of town at present, but he was sure that the price would be in excess of \$78,000.

The owners want to clear title so they can begin negotiations with interested parties, including the city, he said.

The property has 200 feet frontage on the and is 757 feet deep.

The council tabled the request for two weeks in order to provide time to get a price on the land. They also want to get the Planning Commission's opinion on the use of the land.

The McMillan property is at the end of Three Mile drive and has been used as a home site since it was filled in in 1926. Mrs. James T. McMillan lives on the property. The filled in lake bottom totals a little over two acres.

The council has invited both parties and the Planning Commission to appear at the scheduled August 24 public hearing which will be held at 7:30 p.m.

WATER SKI SHOW

For the seventh consecutive year water ski champions from the midwest will present a Water Ski Show at Metropolitan Beach on Saturday, August 15, at 3 p.m. and 8:30 p.m. It is free except for the usual 50-cent parking charge to the park. An innovation this year is the addition of a spectacular evening performance at 8:30 p.m. in one of the few water ski acts ever presented "under the lights" in Michigan.

OBITUARIES

HOWARD BENNETT Mr. Bennett, 71, of 530 Washington road, died on Wednesday, August 5 at Jennings Hospital.

Born in Port Huron on June 24, 1888, he had lived in the Grosse Pointe area for 40 years. He was a stockbroker with Hornblower and Weeks.

He was a graduate of the Detroit University School and of Cornell University. He held membership in the University Club, Country Club of Detroit, Yonotega Club and was a member of Christ Church.

He is survived by his wife Marguerite Kinze, two daughters, Mrs. William M. Warner of London, Ontario, and Miss Dorothy B., two sons, Julian N. and Henry B. Kinze, and 11 grandchildren.

Services were Friday, August 7 at Christ Church and burial was in Lakeside cemetery, Port Huron.

REINHART A. RUSSELL Mr. Russell, 50, of 1691 Manchester avenue died Tuesday, August 4 at his home. Death was attributed to a stroke.

Mr. Russell was a prominent builder in the Pointe, Harper Woods and St. Clair Shores area over the last 25 years, along with his partner, Paul G. Thoen.

He had lived in Grosse Pointe for 11 years and was a member of the Grosse Pointe Baptist Church, the Builder's Association and Midforest Lodge.

He is survived by his wife, Mary; son, John; daughter, Janet; three brothers, Edward J., Fred and Otto; and four sisters, Mrs. Anna Herbstreit, Mrs. Amanda Schieman, Mrs. Martha Rosner and Mrs. Olga Kohsten.

Services were held Thursday, August 6, at Grosse Pointe Baptist Church and burial was in Forest Lawn cemetery.

Mrs. Jurczyk, 78, of 1416 N. Renaud road, died Sunday, August 9, in Bon Secours hospital.

Mrs. Jurczyk, born in Germany, is survived by her children, Mrs. Joseph Carniak, Al, Jerry, Stanley and Joseph; five grandchildren and four great grandchildren. She was the widow of the late Joseph Jurczyk.

Services were yesterday, August 12, at Our Lady Star of the Sea Church. Burial was in Mt. Olivet cemetery.

MAE P. ZENS Mrs. Zens, 87, of 787 Notre Dame avenue, died Tuesday, August 4 in Cottage Hospital. She was the widow of the late Harvey Zens.

Mrs. Zens is survived by her two sons Harvey Jr., and Jack, and six grandchildren. Services were held Thursday, August 6 and burial was in Forest Lawn cemetery. It is requested that donations be sent to the Cancer Society in lieu of flowers.

GM Institute Grants Degrees

Four Pointers were among those to receive a degree or diploma from the General Motors Institute at the August 7 commencement exercises.

Thomas E. Dlesing of 2009 Lennon avenue received his degree in Industrial Engineering. Michael Dennis Sheehan of 309 McMillan road received his degree in Mechanical Engineering.

Recipients of four year engineering diplomas were Arthur Thomas Watson of 7 Radnor circle and George Edward Codd of 1242 Devonshire road.

This was the 32nd commencement of the General Motors Institute, an engineering college which provides GM with 25 per cent of its engineers. More than 1,000 graduates received recognition at the Friday night exercises.

Jacobi Heads Edison's CDD

New director of Detroit Edison's Civil Defense Department is Rear Admiral Leon J. Jacobi, USNR. He is responsible for coordinating intra-company war emergency plans both with governmental and community defense programs and with the company's own extensive emergency service restoration program.

Admiral Jacobi, former supervising engineer, inspection and standards division, succeeds H. B. Tyree, retired. The new defense director has been with Edison 33 years and was a 1952 winner of the company's Alex Dow Award for outstanding achievement.

He was born in Mount Clemens, and on completion of high school was appointed to the United States Naval Academy at Annapolis. He was graduated from the Academy in 1920 as an ensign with a degree of bachelor of science in mechanical engineering.

After five years as a Navy officer, he joined Detroit Edison in 1926. In 1940 he was recalled to active duty encompassing the entire period of World War II. During the war he served in the Atlantic Fleet, first as executive and commanding officer of the USS Duquesne, and later for three years as staff engineer, service force. He was awarded the Bronze Star medal for meritorious service.

In 1948, after returning to Detroit Edison, he served on the Hoover Commission for reorganization of the executive branch of the U.S. government. In 1953 he was selected Rear Admiral, United States Naval Reserve.

Admiral Jacobi is the author of a number of technical articles and studies on wood preservation, a field in which he is a national authority. His professional affiliations include the Edison Electric Institute, the American Society for Testing Materials, the American Standards Association, and the Engineering Society of Detroit.

In 1958-59 he was national president of the Reserve Officers Association of the United States, an organization of 68,000 Army, Navy, Air Force, Marine Corps and Coast Guard officers.

Admiral and Mrs. Jacobi live at 729 Fisher Road, Grosse Pointe, and are members of the Grosse Pointe Presbyterian Church. They have two sons — Leon John, Jr., and George Kenan Jacobi — both Navy veterans and residents of the Detroit area.

Organize Boat Club in Woods

Approximately 100 boat owners attended a meeting at Parcels Junior High Monday, August 10. The result was the organization of the Grosse Pointe Woods Boat Club.

The elected officers are: commodore, Walter R. Dushane; vice-commodore, William Bauer; secretary treasurer, John Martin; assistant secretary treasurer, Norman Summers; program and attendance, M. H. Braun; membership, Donald Soulliere.

All Grosse Pointe Woods resident boat owners are eligible to apply for membership.

Regatta Story Omits Names

A regrettable error in last week's story on the Canadian Henley boat races was the omission of the names of two of the Pointers who aided in the Detroit Boat Club's sweep of the event.

Bob Nash and Bill Thorpe were both participants. Nash was in the 145 pound eight and four events and Thorpe was in the Senior 155 pound and the quarter mile dash.

The Boat Club crews won their second straight Canadian Henley title in this the 77th running of North America's unofficial rowing championships held July 29 through August 1. Their 428 points out-did St. Catherine's (Ontario) 289 points. The 428 was a new point record.

Burglar Invades Park Apartment

A strong box containing cash and personal papers was taken from the apartment of Helen Martin, 15008 Mack avenue, by a daring daylight burglar.

The woman told Park police that she had left her apartment at 11 a.m. on Wednesday, August 5, and returned at 4:30 p.m. to find her place had been ransacked.

Park Police Chief Arthur Louwers said that the apartment was entered through the second floor window, on the alley side, after the burglar removed the window screen. The window was unlocked, the chief said.

The thief took a total of \$170.50 from three locations in the apartment, including the cash in the strong box.

Former Pointer Loses Jewelry

Mrs. Dorothy Helm of 410 S. Cranbrook Cross, Birmingham, formerly of 855 Harcourt, informed Park police on Thursday, August 6, that she is missing two valuable pieces of jewelry.

Mrs. Helm said that she last saw the pieces on June 20, before she moved to Birmingham.

One piece, she said, is a platinum, multi-diamond bracelet, valued at \$1,500; and the other, a platinum, multi-diamond-sapphire bracelet, with chipped diamonds, worth \$1,000.

The woman said the jewelry was last in her possession at her former home.

Lt. H. G. Golla Gets PMC Post

Lt. Harold George Golla, a native of Grosse Pointe, Mich., has been appointed aide to the commandant at Pennsylvania Military College, Chester, Pa. PMC is the nation's second oldest military college.

Lt. Golla is a Marine Corps officer who graduated from Virginia Military Institute in 1954 with a bachelor of arts degree in history. He won his letter in three sports at VMI — track, cross country and wrestling.

After serving as a platoon leader with the 2nd Marine Division at Camp Lejeune, N.C., Lt. Golla was injured while on maneuvers in Puerto Rico. He was discharged Dec. 1, 1956.

He has held two posts since his discharge—director of personnel and public relations at Borgess Hospital, Kalamazoo, Mich., and assistant in remedial education at Roosevelt Military Academy, Aledo, Ill.

Lt. Golla, who is 29, is married to the former Mary Clare McGlynn of Grosse Pointe. They have two boys and a girl, Daniel Jamison, 4; Matthew Cronan, 3, and Marybeth, 1.

Beer Discovered In Teeners' Car

While checking store doors near Charlevoix and Wayburn at 3:46 a.m. on Sunday, August 9, Park Patrolman Rodney Wedding observed two boys run to a car parked in a nearby lot and leave at a high rate of speed.

Wedding gave chase and after stopping the car, occupied by a 17 and a 16 year old boy, discovered beer under the front seat.

The juveniles were taken to the Park police station where both were charged with being a minor unlawfully in possession of an alcoholic beverage in an auto.

The younger boy was referred to the Wayne County juvenile division and the elder will be tried in the Park courtroom. A ticket was issued to the owner of the automobile for excessive muffler noise.

A complaint will be filed against the Detroit establishment which sold the beer.

Exchange Club Meets Tuesday

After a summer recess, the Exchange Club of Grosse Pointe, will resume its meetings on Tuesday, August 18, at 6:30 p.m. at the Grosse Pointe War Memorial center.

The speaker for this meeting will be David C. Lowe, of 71

Merriweather road. Mr. Lowe is president of Detroit Marine Terminals, Inc. His subject will be, "Private Enterprise — No More Retreat." All through his talk, he will touch on the St. Lawrence Seaway and its impact on our economics.

HEALTHY

way to get rid of trash and garbage—a modern gas incinerator

Away with all the mess of trash and garbage—it's so easy to rid yourself of that old-fashioned fuss with a gas incinerator. Your home and yard are healthier, pleasant places to work and play when you prevent rubbish pile-ups. Just turn the dial—everything but bottles and cans is consumed.

Consumes a bushel of trash and garbage daily at a cost of pennies. No smoke or odor, no unsightly trash pick-ups at the curb, no trips outside in bad weather. And in summer, it makes the best of sense to discourage pests by keeping things pin-neat this sanitary way. So see gas incinerators now at Gas Company or dealer showrooms.

SPORTS POINTERS

by FRED RUMNELLS SPORTS EDITOR

Park Little League Team Beaten in District Finals

The Grosse Pointe Park Little League, entering the national tournament for the first time, was the surprise team of the District 6 playoffs as the underrated American League All-Stars battled their way into the final round before being eliminated.

A series of heartbreaking throwing errors by the Park Americans allowed the Harper Woods American League All-Stars to put over the big run in the 1 to 0 contest that decided the district championship and sent the winners into the state tournament.

The Grosse Pointe Park entry gained the final round by taking a pair of hard-fought shutout victories from the Harper Woods National League All-Stars and the Selfridge Air Force Base team.

See Fine Pitching
Superior pitching performances were the deciding factor in both of these contests as Danny Engel restricted the Harper Woods Nationals to one hit in a 2 to 0 game that went eight innings and Tommy Scallen and Mike Renaud collaborated in the 1 to 0 win over Selfridge Field.

The Grosse Pointe Park National League All-Stars were less fortunate than their American League counterparts.

They drew a bye in the first round of the tourney, but the luck of the draw pitted them against the Harper Woods Americans in the second round and the championship-bound Harper Woods team eliminated them by a 4 to 0 score.

The caliber of the pitching in the entire tournament is evidenced by the fact that in each of the four games played the winning team shut out the losers and the grand total of runs scored amounted to only eight.

Pitchers' Duel
In the championship game, Engel and Ken Straskie, the Harper Woods Americans pitcher, dueled on even terms for 4 1/2 innings with each team having only two hits to its credit.

But, in the bottom of the fifth, Vince Colletti, the champions' hard-hitting left fielder, reached first base on a throwing error.

Bill Johnson, the second baseman, hunted to sacrifice his teammate along to second, but when Paul Schwikert, third baseman for the Park Americans threw hurriedly and wildly to first base, Colletti continued on his way.
A delay in recovering the wild throw permitted him to cross the plate just ahead of the tag by Scallen, who was catching. This unearned run ended a string of 26 scoreless innings chalked up by Engel.

The Park Americans made a determined bid to pull out a victory in their half of the sixth when Schwikert reached first base on Straskie's error and boldly stole second base, but they were not able to produce the hit that would have brought him home.

Grosse Pointe Park's two hits were made by Engel in the first inning and Scallen in the fifth inning.

Strikes Out 14
Straskie struck out 14 batters, while Engel whiffed seven, and neither pitcher issued a base on balls in a demonstration of control pitching seldom seen in a Little League game.

One of only two home runs in the entire district tournament accounted for the Park Americans' second round victory over Selfridge as Renaud hit a two-strike, one-ball pitch far over the left field fence in the sixth inning.
Renaud, who started the game at first base, also pitched the last 2 1/2 innings, limiting the Selfridge hitters to one single, after the starter Scallen tired.

Besides Renaud's game-winning blow, Scallen singled in the second, Mike Murray singled in the third and Nino Cimini doubled in the fifth.

Two Extra Innings
The Park Americans had to go two extra innings to elim-

Grosse Ile Regatta Sets New Pattern

Grosse Ile Yacht Club offered local yachtsmen something different in the way of regattas last Saturday, August 8, when they sent the fleet over a river course from the foot of Belle Isle to a finish line in front of the host club on the edge of Lake Erie.

Getting away shortly before noon nearly 40 boats hit the starting line in a bunch and in varying degrees of wind velocity and shifts slanting off downtown Detroit buildings and down river factories, the fleet was paced by Henry Burkard's "Meteor III", which was first to finish. This gave the Put in Bay sound skipper first place in Cruising B class by twelve minutes and seven seconds over Ed Charles' "See Wolf" on corrected time.

In all 14 classes were represented and in a couple of cases there was only one starter in a class. But this didn't spoil the sport because with all classes starting together it was a race amongst the classes.

The race served two purposes, one good and one not so good. First it gave those skippers who were going to Put in Bay for the ILYA race week, which started Tuesday, August 11, another chance to tune up their boats in competition on the way down. That was good. Second, which wasn't so good, it set a precedent for river racing which is something the Detroit River Yachting Association has frowned upon for years and has turned thumbs down on. Luckily the one boat weren't running and few freighters were encountered by the racers.

Inasmuch as most of the boats were only 28 feet long and under, the race could have been perilous had river traffic been at its peak as it usually is at this time of year.

Before another Grosse Ile regatta rolls around the DRYA should make a ruling on races of this type.

It is hoped Grosse Ile Y.C. officials will see the possible danger of collisions and return to its regular practice of staging its regatta on Lake Erie as it has in the past.

It is true sailors will sail a race no matter where it is held, just for the sake of racing and never give a thought to the possible hazards that lie ahead until they are smacked in the face with them on the course.
A sailboat, today, has no right of way over freighters in the river or the channel in Lake St. Clair. There was a time, before World War II, that sailboats had all the rights and the freighters were required to look out for them. But at the start of the War that rule was changed and has never been rescinded.

Two CC Golfers Win in Tourney
Two Country Club of Detroit golfers shared laurels in the Detroit District tournament held at the Country Club of Detroit over the weekend of August 8-9.

Bill Albright won the First Flight title by beating Earl Burt of Washtenaw, 4-3. Jim Pilz captured the Fourth Flight laurels when he turned back Walt Kutchins of Lansing, 6-5. Bud Stevens won the Championship Flight and retained his District title when he beat 21-year-old Steve Miller of Jackson Arbor Hills, 7-6. The powerful 190-pounder from Western Golf Club has won 16 straight matches in the state's two top amateur tournaments.

STOLEN CAR RECOVERED
August Tataroff of 2118 Manchester, Detroit, reported to Farms police that his 1954 Plymouth was stolen from the Mack-Moross shopping area on Saturday, August 8. The car was recovered later in the day at the rear of Harry Sufferin's on Mack.

Boat Banter

When Grosse Pointer Wilfred "Toot" Gmeiner captured the "overall" prize in the 38th annual Bayview-Mackinac race, he proved a point he has always sincerely believed in that "good old boats are just as good as the fancy new designs that have been coming off the naval architects boards in the past couple of years.

And to prove the point a bit further his buddy Clarence "Moon" Baker pushed him all the way up the 235 mile course on Lake Huron and across the finish line in the Straits of Mackinac with another old boat. Gmeiner's New York 32 will admit to 23 years and Baker's Fisher Islander "Last Straw" can't be appreciably younger.

Prior to leaving Black River for the race Toot shouted to his old shipmate Norbert Taylor, who is the proud owner of the New York 32 "Vitesse II"—"Let's show 'em these old gals can still go."
By winning Gmeiner gave the Mackinac classic a shot in the arm. And it needed it after the way Clayton Ewing's all aluminum "Dyna" had swept everything for the past two years in both the Bayview and Chicago races. It broke a chain of big boat victories that had held since 1956.
Gmeiner's win did for the Mackinac race what Jimmy Carlin did with his little 33-foot pilot sloop "Gloria Bee II" when she slashed through the storm tossed waters of Lake Huron in the 1955 race to become the first "little" boat to ever win overall honors.

Another point Gmeiner proved was that a straight line is not the shortest distance between two points. Both "Apache" and "Last Straw" hugged the Michigan shore all the way and found wind that some real smart sailors didn't think would be on the shore. Those guys went out in the lake looking for heavier air, but never found it.

It has been a standing joke about the Bayview-Mackinac race is that all you need is a road map instead of a lake chart and keep Michigan on your left all the way. From the way the leaders in all five classes fared maybe it isn't a joke after all. However, the winners of the 1958 race didn't hug the shore—so who knows.

We had our first experience in checking into a U. S. Immigration and Customs dock in Michigan since the United States began getting tough on that old Immigration law a couple years ago.
We returned from our cruise in Canadian waters and checked in at the Customs dock at St. Clair, Michigan. To say the least it was shameful. The dock was an old ramshackled structure that wasn't fit to tie a raft to. Planks were rotten, bolts from missing whalers protruded and in general it was a mess.

Mr. Walter Sahli, Director of the Immigration and Customs department locally, certainly could not have been aware of this particular port or he would have never selected it as an inspection point.

If all the other inspection points have docks such as the one at St. Clair then I wouldn't blame yachtsmen if they disregarded the demand that all boats returning from Canadian waters stop at an inspection port.

One other inspection point I am familiar with is located at Gregory's gas dock in the Detroit River. The dock itself is a good one—all concrete and steel—but it is nearly impossible to keep a boat from smashing to bits against it as the inspector goes through his routine chore as the heavy river traffic turns the river into a seething turmoil—especially on a Sunday afternoon. That is when most yachtsmen are returning from a weekend cruise.

It appears to us that the United States government can certainly afford better facilities along the Michigan shore line if it is going to demand that all boats check in upon returning from foreign waters. Unless something is done Mr. Sahli is inviting boatmen to violate the law.

On August 11, 1869, the USS Falos became the first U.S. ship to transit the Suez Canal.

Sailors Face Busy Week In Lake St. Clair Contests

Probably nothing will ever equal the week of August 15 through 22 on Lake St. Clair. That is the week when the Mallory Cup semifinals, the Lightning Internationals and the President's Cup races will be sailed.

The Mallory Cup semifinals will bring together the champion crews from Lake Michigan, Inland Lakes, Inter Lakes, Ohio Inter Club and Detroit River Yachting Associations to determine the crew to represent Region Eight in the finals in Galveston, Texas, early in September. This will be for the Men's National Sailing Championship of North America.

Cawthra To Be Busy
The DRYA will be represented by Henry Cawthra, who won the DRYA Mallory quarterfinals early in July on Lake St. Clair. Cawthra will probably be the busiest sailorman on the lake that week. He will jump right out of Mallory competition to defend his Lightning International title which he won last year.

The Lightning Internationals will commence on August 18 and run for three days. This event is expected to draw about 50 of the best crews in the Lightning Association.

Jim Schudel and Wes Wedrick, both of Bayview Y.C., are the other two local representatives.

In conjunction with the Internationals the President's Cup series will be held and because it is an open event in

Divers to Meet At Farms Pier

This Saturday, August 15, will find the Grosse Pointe Farms Pier host to the first annual inter-city diving meet.

In anticipation of this gala event several residents of Grosse Pointe City have been practicing diligently.

These masters of the spring board include Linda Walker, Jack Parent, Shari Strachan, Mark Gillman, and Marshall Johnson. Thanks to the coaching of aquatic director John Carik, and much practice, these and other young divers have been able to make substantial

Improvement in their form. Steve Vandervoort will supervise the City divers at this event.

More Drivers Lose Licenses

During the past week the licenses of 388 Michigan drivers were suspended and 33 revoked.

According to James M. Hare, Secretary of State, this was a decrease of 339 suspensions and 101 revocations below last week's total.

"We are publishing lists of names of drivers who have lost their driving privilege in hopes that it will remind others that violation-prone motorists are taken off the road for various periods of time," Hare said.

Included on the latest list was Frank J. Saille, Jr., of 185 Vendome road, whose license was revoked.

MISSING RADIO FOUND
Mrs. John Cushman, 352 Ridgmont, reported to Farms Police that her transistor radio was missing on Friday, August 7. She said it was lost or stolen at the Farms Pier. Pier attendants found the radio on the next day.

City Holding Distance Swim

Contestants and spectators are requested to give attention to the 4th Annual City of Grosse Pointe Long Distance Swimming Race from the City Pier to the Park's Pier on Saturday, August 15, at 2:30 p.m.

In case of inclement weather, race director George Swindlehurst will schedule this event the following day at the same time.

In the Senior Division, Chuck Babcock and Ed Pongracz are expected to make it a thrilling finish. In the Junior Division, 17 and under, Chris Kimball, an outstanding Grosse Pointe High School swimmer is expected to win with ease.

The first three winners in each division will receive a trophy, and all contestants finishing the race will receive a ribbon. Each swimmer must be followed by a boat.

The course, which is a distance of about two miles, will be patrolled by F. G. Hyne, and Dr. V. W. Jensen in their speed boats.

On August 25, 1843, the USS Missouri put into Gibraltar, the first steam-driven Navy ship to cross the Atlantic.

Now in the New Branch Office

Roland R. Bieber, manager of Homer Warren & Company Grosse Pointe branch, opens the door of the firm's new offices located at 18118 Mack avenue at Lincoln road. With fifty percent more space than the firm's former Grosse Pointe quarters on Kercheval, these fully air-conditioned offices will provide residential sales and mortgage loan facilities for a total of eleven salespeople.

Senior Loop Diggings

By Jack Ramsdell

The Mavericks who now own a 5-2 record, managed to take over first place last week solely behind the pitching heroics of Lou Ewald and Brian Molloy.

The first victory of the week was administered to the cellar-dwelling Brewmasters on August 5, by the score of 3-2.

The game was highlighted by the brilliant pitching of right-hander Lou Ewald, who fanned 10 Brewmaster batsmen and allowed two scratch hits.

Karl VonSchwartz paced the winners in battling with two all important singles in three times at bat.

The Brewmaster's chucker Chip Byrne allowed the Mavericks only five hits but was plagued by several fielding lapses by his mates in the sixth inning which permitted the Mavericks to score what was to be the deciding run.

On Sunday, August 9, the Mavericks, behind Brian Molloy's shutout hurling, pushed John Orlando's Whiz Kids out of first place.

The Maverick's great fielding shortstop Den Rexin led his squad to its 2-0 win by banging out two hits in three times at bat. The losers were paced in hitting by third baseman Dick Chouinard, who had two singles.

Molloy allowed his Whiz Kids only three singles and struck out 15 in posting his second win of the year. Ron Kathrien, the losing hurler, allowed the Mavericks only three hits and set nine men down on strikes.

The three stars of the week in Senior League action were Brian Molloy, Den Rexin and Lou Ewald all of the Mavericks.

TEAM STANDINGS

Team	W	L
Mavericks	5	2
Whiz Kids	4	2
Brewmasters	1	6

The Senior League Mid-season All-Star team is as follows. Key—(M) Mavericks, (W) Whiz Kids, (B) Brewmasters.

Pitchers—Lou Ewald (M.)
Brian Molloy (M.)

Teenagers Help March of Dimes

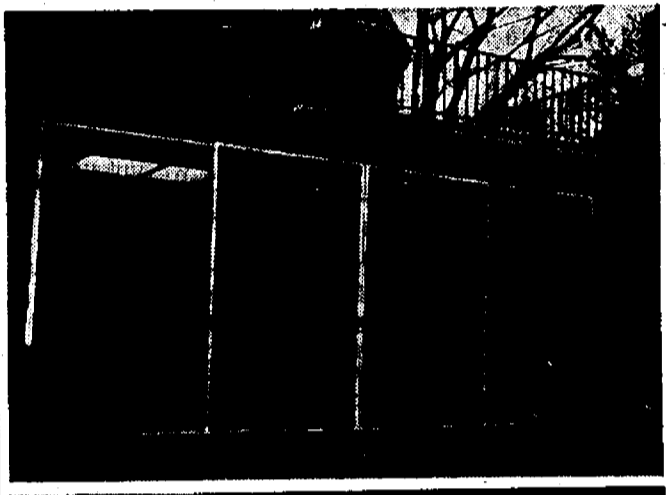

The Emergency March of Dimes TAP (Teen Age Program) will go into high gear beginning this week and continuing throughout August according to Chairman Peggy Carpenter.

Residents of the Grosse Pointe communities are asked to gather up all the castanets they would like to dispose of and get them ready for the teens who will be ringing door bells.

Some of the girls who are helping Peggy and her twin sister, Betty, are Renee Bowdy, Ginny Barnes, Lynn Lett-hauer, Connie Baum, Cathy Bicknell, Sally Leisen, Fay Greiner, and Eleanor Grow.

Chairman Carpenter says that city officials and the various police departments have sanctioned the collection. Two girls will work together in their assigned sections. Arrangements have been made with three cleaning establishments which will buy the hangers. All the money will be given to the Emergency March of Dimes for the benefit of polio patients.

HUBCAPS STOLEN
Robert Corbett of 17133 Westbrook, Detroit, complained to Woods police on Monday, August 3, that while his car was parked in the Howard Johnson's parking lot, someone stole four hubcaps.

Heglin-Shenefield Vows Exchanged

Couple Married in Grosse Pointe Memorial Church By Rev. Paul Ketchum; Honeymooning on Cape Cod and Nantucket

Mary Catherine Shenefield, daughter of the Samuel Lantz Shenefields, of Grand Marais boulevard, became the bride of Richard Theodore Heglin at Grosse Pointe Memorial Church Saturday, Aug. 8, with the Rev. Paul F. Ketchum, of Lowell, Mass., officiating.

The bride wore Chantilly lace fashioned on princess lines with a portrait neckline outlined in seed pearls, the skirt deepening into a chapel train. Carrickmacross lace was applied on the full veil which was secured by a shell cap of pearls and she carried stephanotis and ivy centered with an orchid.

Mrs. Ralph Leonard Bleich was her sister's matron of honor. She wore fern green silk organza with a portrait collar and bouffant skirt. Closets of ivy muffed her headpiece and she carried a cascade bouquet of daisies and ivy. Gowned in primrose yellow silk organza were the attendants, Mary Elizabeth Meeker, of Birmingham; Nancy Ann

Crumrine, of Cleveland, O., and Mrs. John C. Thistlewaite.

Ann and Laurie Reilly, sister of the bridegroom, were flower girls. They wore frocks of yellow organza sashed in fern green and carried baskets of daisies.

Mr. Heglin, son of the Edward Kyle Heglins, of Rivard boulevard asked Donald Chamberlin to be his best man.

Ralph Leonard Bleich, Robert Bernard Sellers and John Joseph Schwarz, of Battle Creek, seated the guests.

Mrs. Shenefield greeted the wedding guests at a reception held at the Detroit Boat Club wearing a cafe-au-lait chiffon gown with beige accessories.

Mrs. Heglin wore mist green chiffon with matching accessories. Both mothers wore or-

Gold Star Mothers Plan Annual Services

The Department of Michigan of the American Gold Star Mothers, Inc. have plans well under way for the Annual Victory Day Services to be held at Four Freedoms Memorial on Sunday, August 16, at 3 p.m. in the White Chapel Cemetery, East Long Lake and Crooks Road in the City of Troy.

This ceremony is not a memorial service, but rather a Service of Thanksgiving for victory made possible by the thousands who paid the supreme sacrifice. There are more than 340 World War II heroes who now lie together in the shadow of the Four Freedoms Memorial.

The guest speaker will be Brig. Gen. USAR, Louis Chabonneau, whose home is in Grosse Pointe. He is a veteran of World War I and II, with decorations including: Bronze Star Medal, French Croix de Guerre and Belgian Fourragere and three Campaign Stars.

Children plinned to their purses. For traveling to Cape Cod and Nantucket, the bride chose a muted brown and beige ensemble with completing accessories.

The young couple will make their home in Grosse Pointe.

Anything will give up its secrets if you love it enough. — George Washington Carter.

Mrs Richard T. Heglin

Mary Catherine Shenefield, daughter of the Samuel Lantz Shenefields, of Grand Marais boulevard, became the bride of the Edward Kyle Heglins' son at Grosse Pointe Memorial Church on August 8.

Garden Party To Aid Concert

A Garden Party for the Sisters of the Dominican Sick Poor will be held on August 19 at 12:30 p.m. at St. Ann's Convent, 700 W. Boston boulevard, Detroit.

Final plans were made at a luncheon meeting at Mrs. C. Joseph Belanger's home in Westchester road, on Monday, August 10.

Mrs. William Lavigne, auxiliary president, and Mrs. C. Joseph Belanger, together with her committee are accepting reservations for this benefit luncheon party. Please make reservations now by telephone: Walter Tomica, Mrs. Donald Cherry, Mrs. Clayton Alandi, Mrs. George Jaglovicz, Mrs. Forest Wainwright, Mrs. Charles Dunn, Mrs. Joseph Riley, Mrs. Herbert Sullivan, Mrs. Harry Oliver, Mrs. Carl Haberman, Mrs. Gerald Jordan, Mrs. Rachel Ryan, Mrs. Raymond Shuman, Mrs. George Cassidy, Mrs. Walter Hayes, Mrs. Benjamin Cooper, Mrs. Jerry Shanigan, Mrs. Marguerite Willis, Mrs. Karl Weber, Mrs. Joseph Mink, Mrs. William Lavigne or Mrs. M. C. Joseph Belanger.

In the 1890's Michigan State awarded monograms to each and every athlete who turned out for sports, regardless of his playing time.

Back from a two-week cruise on their Caprell III and in their residence in Lake Shore road are MR. and MRS. ROBERT P. SCHERRER.

With them is Mrs. Scherrer's sister, MRS. HENRI C. MORRIS, of Tucson, Ariz.

FAVE LEBARON JACKSON was born to MR. and MRS. DANIEL D. JACKSON, of Eye, N.Y., August 2.

Mrs. Jackson is the former BETTINA STROCK, daughter of the JOHN WILLIAM STROCK, of Lewiston road.

Boat Club to Hold Aqua Follies Ball

Outstanding Event of Summer Season Scheduled for Saturday Night, August 15; Sammy Kaye to Provide Music

The Aqua Follies Ball, outstanding event of the Detroit Boat Club's summer season, will be held the evening of August 15.

Things will get underway with cocktails and special hors d'oeuvres served at tropical poolside bars to the New Orleans style Dixieland music as served up by Paul Temple and the Tailgate Ramblers.

The musicians will play from an especially-constructed platform centered over the pool.

Hobie Billingsley will present his all-star water carnival in the new Boat Club swimming pool with exhibitions of fancy and comedy diving from

the high boards. This will be followed by a demonstration of synchronized swimming while dinner is being served at tables surrounding the pool.

Sammy Kaye will play for dancing under the stars.

This party, which will coincide with the August full moon, has as its general chairman Mr. and Mrs. Lewis Leisinger who are being assisted by Mr. and Mrs. David R. Crandall plus committee members Mr. and Mrs. John B. Gray, Mr. and Mrs. Robert J. Barrett, Mr. and Mrs. Henry A. Houston, Mr.

Benefit Party To Aid Sisters

The Friends of the Cloistered Dominican Sisters cordially invite the public to attend their city wide benefit card party Thursday, August 13, at the Veterans Memorial Bldg., W. Jefferson, Detroit, at 8 p.m.

Tickets may be obtained by calling door ticket chairman, Mrs. Marie Wolf, PR 6-0468, or Marcella Johnson, DR 1-4672. Donation is \$2.00.

Other committee chairmen working on this large affair are: Mrs. Albert Lantzy and Mrs. George Smith, prizes; Mrs. Melvin Kotowicz, cards; Mrs. Arthur Valliere, refreshments; and Mrs. Kenneth Berne, hostesses.

and Mrs. Neil A. Patterson, Mr. and Mrs. C.L.T. Gabler and the Earl G. Meyers.

Mr. and Mrs. Daniel C. Carne will be entertaining aboard their boat for Mr. and Mrs. A. J. Cutting, Mr. and Mrs. Donald T. Smith and the Arthur Schmidts.

Additional party guests include Mr. and Mrs. W. B. Bundeson, Mr. and Mrs. Richard O. Burr, Jr., the Russell Chadwicks, Mr. and Mrs. Theodore L. Sedwick, Mr. and Mrs. J. Burns Cody, Mr. and Mrs. Paul Hamman, Dr. and Mrs. Ralph Burke, Mr. and Mrs. Charles Eldridge, Dr. and Mrs. Wilfred Hawkins and the E. W. Langbauers.

Mr. and Mrs. Frederick Honhart will be on hand, too, as will Mr. and Mrs. Edward Nevergold, Mr. and Mrs. William Queen, Mr. and Mrs. George Rehaud, Dr. and Mrs. J. G. Reid, Mr. and Mrs. Charles Rodgers, Mr. and Mrs. Robert Sholty, Mr. and Mrs. Edwin Taylor and Mr. and Mrs. Clarence Treadwell.

Dr. and Mrs. Edward A. Wishropp will attend as will Mr. and Mrs. Henry Gildner, Mr. and Mrs. Roger Vander Kar and the Allen A. Zauns.

Engaged

Mr. and Mrs. Stephen Bardy, of McKinley avenue, have announced the engagement of their daughter, CHRISTINE, to Wendell Stewart Swords, son of Mr. and Mrs. Wheeler Swords, of Springfield, O. They will have an Oct. 31 wedding.

To Wed Soon

Mr. and Mrs. Edward A. Louwers, of Three Mile drive, have announced the engagement of their daughter, MARY LOU LOUWERS, and Paul Moran Geist, son of the Philip Geists, of Hunt Club drive. They'll be married Oct. 28 in St. Clare of Montefalco Church.

She's Engaged

The engagement of MARY JANE EDWARDS and R. Michael Ward was announced at a cocktail party, Sunday, by her parents, Mr. and Mrs. Edwin G. Edwards, of Kensington road.

The bride-elect attended the Academy of the Sacred Heart, Grosse Pointe, and was graduated from Barat College.

Her fiance, son of the William E. Wards, also of Kensington road, was graduated from Eastern Michigan University. A summer wedding is planned.

It is a beautiful necessity of our nature to love something. — Douglas Jerrold.

To Observe 50th Wedding Anniversary at Reception

A reception in honor of their 50th wedding anniversary will be held for Mr. and Mrs. William Henry Pennington, of Montclair avenue, at the home of their daughter and son-in-law, Mr. and Mrs. Malcolm R. Stirton, of Lothrop rd., on Sunday, August 16, from 4 to 7 p. m.

Betrothal Told

Mr. and Mrs. Clarence G. Fricke, of Balfree court, have announced the engagement of their daughter, NANCY CLAIRE, to Gerald Erwin Scheetz, son of Mr. and Mrs. Erwin H. Scheetz, of Rivard boulevard. An April wedding is planned.

Garden Group Holding Annual Party Today

The third annual Scholarship Tea, Fashion Show and Country Fair, sponsored by the Washington Branch of the Women's National Farm and Garden Association is to be held 1-5 p. m. on August 13 at the Jack Frost Fruit Farm, 6741 Campground road, Washington, Mich.

On the spacious grounds will be many booths set up offering for sale such items as farm-fresh corn, combs of honey, home baked goods, antiques, costume jewelry, unusual house plants, gifts, Swedish glass, hand loomed bags, and miscellaneous items.

The proceeds will go to the Rosina Hawes scholarship fund, which provides tuition at Michigan State University for Monica Butkovich and another worthy student.

HOUSEHOLD HINT

Hydro-cooled peaches are peaches that will keep longer in the market and in your home, report home economists at Michigan State University. These peaches have been cooled after picking to remove field heat and to slow down the ripening process. They are usually sprayed with ice water, and the spray also removes any undesirable residue that might be on the peach.

HOUSEHOLD HINT

Bulky furniture is not a sure sign of sturdy furniture, assure home economists at Michigan State University. Materials and construction determine strength and wearing qualities. Some furniture with slim lines can give years of service.

Society News Gathered from All of the Pointes

Nuptial Vows Said By Deanna Dunn

Weds Allen R. Wilson Jr., in Bay City Ceremony; Take Honeymoon Trip to Northern Michigan

Deanna Jeanne Dunn, daughter of the James C. Dunns of Bay City, spoke her marriage vows Saturday, August 8, to Allen Rea Wilson, son of the senior Wilsons of Vernier road.

The candlelight ceremony took place in Madison Avenue Methodist Church, Bay City, with the Rev. Glenn Kjellberg officiating.

The bride wore a floor length gown, fashioned of satin peau de soie with elbow length sleeves and a scoop neckline. The fitted bodice was traced with Venice lace motifs and tiered veil was fastened to her disk-shaped headpiece and she carried a crescent arrangement of stephanotis.

The maid of honor, Sally Sharp, and the bridesmaids, Iileen Kennedy, Karen Fox, Mrs. Robert Grace, Jr. and

Mrs. Arnold Dreher, were in green silk chiffon with scoop necklines and full skirts. They wore green velvet leaf bandeaus and their flowers were purple asters with larkspur.

A William Wentz Jr. was Mr. Wilson's best man and seating the guests were Wayne Pyke, Donald Rentschler, of Grosse Pointe, Gary and James C. Dunn, Jr., brothers of the bride.

For her daughter's wedding, Mrs. Dunn wore a blue silk chiffon sheath and fastened a purple orchid to her clutch bag. Mrs. Wilson was in navy blue silk chiffon and wore a white orchid.

After a wedding trip to Northern Michigan, the couple

Two Families Off for Europe

"Bon Voyage" parties have kept two Radnor circle families, Mr. and Mrs. Diamond T. Phillips and Mr. and Mrs. Albert Bertheel, in a glamorous whirl during the past week.

They have been making final preparations for their three months' tour of Europe. They will depart tomorrow, Friday, on the SS United States.

The two couples have been spending their summer and winter vacations together for the past five years. They will visit their ancestral homes and many principal cities in England, France, Italy, Austria, Greece and Germany before returning home in early November.

will reside in Dearborn.

Pointers attending the ceremony were: the Glenn Gessels, the Robert Beveridges, Mr. and Mrs. Bruce Hines, and daughter Christine, Mr. and Mrs. Mitchell Louis, the Robert Connors, the Buss Smiths, the David Helms and the Albert Wilkes and daughter Catherine. Mr. Wilson's grandparents, Dr. and Mrs. Robert Wilson of Rochester and Mr. and Mrs. H. E. Hoadley of Joplin, Mo., as well as his aunt, Mrs. Jack Kirkland and her children, Donna, Gelsey and Marshal, of New York city, were also there.

Other out of town guests were the Douglas Kings of Ann Arbor, the Peter Cokeys of Lansing, the Myron Steinbergs of Detroit, Clark Bavin of South Bend, Ind., and the Francis Howes of Breeze Hill, Ohio.

Will Celebrate Golden Wedding

Mr. and Mrs. Axel P. Traversen of Silver Lake road, Traverse City, Mich., will celebrate their 50th wedding anniversary at an open house, Saturday, August 15, from 3 to 5 p.m., at the home of their daughter, Mrs. Dorothy Knudsen, 1754 Bourne-mouth road, Grosse Pointe.

The Nielsens moved to Traverse City in 1951, when he retired as a tool and die man. They have three sons, Henry of Detroit, George of Grand Dale, Calif., and Willard of Traverse City; and three other daughters, Mrs. Helen Barnett of Shreveport, La., Mrs. Pauline Anderson, Grosse Pointe, and Mrs. Mary Babcock of St. Clair Shores; and 17 grandchildren.

Birthday Girls Have a Circus

The circus came to town Sunday, and gave its three ring performance for two delighted birthday girls, Judy Bracken and Lorian Jackson.

Some 18 children dressed as all sorts of circus animals and performers, plus some adult clowns, (no pun intended), paraded down Rivard boulevard to Jefferson avenue and back again, to the interest and delight of the neighbors along the way.

Judy, 7, and Lorian, 6, saw their family backyards at 335 and 337 Rivard, gaily decorated with crepe paper plus every child's favorite, a concession stand chocked full of hot dogs potato chips, cake, lemonade and ice cream. The only thing missing was cotton candy.

Everyone was put on an act and movie cameras ground away, recording the entire shindig. A set of very young twins voiced a unison complaint in the face of one of the clowns.

There was an unusual twist to this party, however. The Bracken family, rather than being long time neighbors of the Jacksons as one would expect with such a joint undertaking, moved into their new Rivard boulevard home on Friday, August 7, only two days before the party.

It was agreed that everyone had a good time. It was really a "three ring circus".

HOUSEHOLD HINT

To make cleaning day as easy as possible, have your cleaning supplies organized and ready to go. Home economists at Michigan State University say it helps to save a special closet—or section of closet—for cleaning equipment.

College Panel at Jacobson's

Jacobson's Store in "The Village" will be featuring showings of college fashions at special events on August 25 and September 9 at 4 p. m. each day, in the St. Clair Room. There will be informal modelings both days from 12 to 4 p. m. Among the models who will be showing the proper clothes for college wear, are, left to right, standing: Marge Reins of Michigan in a James Kenrob sportswear outfit in camel color; Susan Scott of St. Mary's in a green and yellow plaid skirt and

vest and yellow sweater; Glenna Yott of Marymount in a blanket plaid outfit for football games. Seated, left to right, are: Joan Lovelless of Michigan State in a subtle green tweed dress for casual dates; Joan Linden of Western in a bulky knit outfit by Susan Thomas, green tweed skirt, green jersey over-sweater, bulky knit sweater; Elaine Wronski of Michigan State in a Susan Thomas outfit in brown tweed with cream-colored leather trim.

Daughter Gives Party For Mrs. George Hunter

Mrs. George Hunter, of Berkshire road, greeted some 40 friends at Grosse Pointe Yacht Club, Wednesday, when she was the honored guest at a luncheon and bridge party given by her daughter, Mrs. Matthew A. Houghton, also of Berkshire.

The fete is an annual summer party Mrs. Houghton hostesses for the enjoyment of her mother.

For luncheon the group was seated in the Commodore's Room at a U-shaped table decorated with three exquisite arrangements combining pink gladioli and large blue daisies.

Parties Precede Wedding

(Continued from Page 11) Franz Jr., Carole Williams, Carol Laird, Mrs. Edmund Brady and Mrs. Stanley Smith. Others were Mesdames Paul I. Moreland, Joseph E. Burke, Paul Marco, Boniface Maile, T. Jack Henry, Elmer Benzin and John H. Mueller.

HOUSEHOLD HINT

Keep fresh corn sweet by keeping it cold, advise home economists at Michigan State University. High temperatures turn the sugar content to starch in a matter of minutes. Buy corn that is cool, and take it to your refrigerator. Plan to cook and serve fresh corn soon after purchase.

Short and to the Pointe

(Continued from Page 11) weeks trip to the Hawaiian Islands. Highlight of the trip, rather than the usual Honolulu and Waikiki beach, was a visit to the outer islands.

MR. and MRS. JEROME C. DuCHARME, of Westwind lane, are home from a two-week cruise along the north shore of Lake Superior aboard the "Naloya", owned by her uncle, HAROLD DuCHARME.

On the trip were, also, the ERNEST M. BAKERS and CHARLES A. DuCHARMES II. MR. and MRS. CHARLES V. HICKS, of Muir road, have returned to the Pointe following a week of fishing in Canada and a visit in New York City.

LAWRENCE PETER FISHER II, son of MR. and MRS.

CHARLES T. FISHER III, was christened Sunday at St. Clare of Montefalco Church.

MRS. RICHARD KERRIGAN, of Riverside, Conn., was the baby's godmother and ROBERT HANNON was godfather. Following the ceremony, the Fishers entertained the family at a celebration of the event in their home on Harvard road.

The DONALD MacFARLANES and MRS. ARBURY SKINNER, of Country Club drive, have returned from a stay in Westbury, N.Y., where they viewed the International Race at Roosevelt Raceway.

On August 3, 1942, Mildred Helen MacFee was commissioned a lieutenant in the Navy to become the first woman officer of that service, later heading the WAVES.

Need Discards At Goodwill

Because many people take their vacations in August, it is a time when discards for physically handicapped men and women at Goodwill Industries...

household articles is seasonal," said Harold H. McKinnon, executive secretary. "In an effort to overcome this and keep Goodwill's workers off relief rolls, the Goodwill Industries attempts to keep a backlog of materials to work on during slack periods. This has been difficult. Today the backlog is depleted. The thoughtfulness of the people in the area has enabled us to keep a good record of employment and service for the handicapped in spite of some lean months during the early part of the year. Goodwill now faces another trying period until the fall season. On behalf of these employees, would rather work than accept charity. I am asking housewives in the area who are not on vacation to make an added effort to send in their discards now." McKinnon said. Clothes received now can be cleaned and repaired by Goodwill before the fall season to give those in low income brackets a chance to buy fall clothes at cost prices. This is especially important to families with school children, families who are not on relief rolls but who do not have large enough incomes to purchase new quality clothing. The children must have clothing before school starts and Goodwill stores offer them a real opportunity.

directing the sale of jewelry and rugs as created by the Hopi and Cherokee).

Wedding Belle

Mrs. Joseph Alexander Henderson, of Washington road, has announced the engagement of her daughter, Elizabeth Anne, and Thomas Frank Engle, son of the Frank Elwin Engles, of Pontiac Trail, Ann Arbor. "Liz" was graduated from Grosse Pointe High School and in June received her B. S. in Nursing from the University of Michigan. While on campus, she was a member of Zeta Tau Alpha, Phi Kappa Phi Honorary and Sigma Theta Tau, Nursing Honorary. Tom also was graduated in June from the University of Michigan. College of Engineering with a B. S. in Mechanical Engineering. He was a Phi Gamma Delta man. Plans for a November wedding hinge on the date of the young man's graduation from Naval Officer Candidate School at Newport, R. I., which he's presently attending.

Autumn Nuptial News

Sheila Burke, daughter of the Francis Bourkes, of Rivard boulevard, has set September 12 as the date of her marriage to John Millis Hamilton, son of the William Robertson Hamiltons II, of Lake Shore Road. The ceremony will take place at St. Paul Church on the lake shore at 11 o'clock with a reception to follow in the residence of Mrs. Conrad E. Smith, of Lake Shore road. Miss Bourke has asked her sister, Mary Sharon, to be maid of honor and Mrs. David Mitchell Hamilton, Mrs. William R. Hamilton III of Columbus, O., Brigit Bourke (a cousin), Julia Diggs, of Jacksonville, Fla., Sally Snowday, of the Pointe and Jacksonville, and Jacqueline Jenks, of the Pointe and New York, to be bridesmaids.

For Your Files

David Mitchell Hamilton will be best man and the guests will be seated by William R. Hamilton III, Michael Bourke, Jerry Bourke, of the Pointe and Grand Rapids; Edmund Richie Sutherland, Hazen Pingree, Peter Fink, Henry Hubbard and John Standish. Numerous parties have been lined up for the happy pair and among the many hosts are Mr. and Mrs. Louis A. Fisher, Mrs. Frederic A. Bourke and Mrs. Thomas N. Bourke; Mrs. Harold B. Tyree, the David M. Hamiltons, the Gordon Johnstones (theirs will be a cocktail party and dimestone shower), Mrs. Paul Sutherland and Edmond R. Sutherland. Also (and honoring the Henry Hubbards as well), the Harry Frosts, Jr., the Hal-Smiths, Jr., the H. Terry Snowdays and Miss Sally Snowday.

Horns to Host Couples' Club

Mr. and Mrs. Walter W. Horn, of Sunningdale drive, with daughter Marilyn, are back home after a week in Chicago, and a trip through Wisconsin and the Upper Peninsula to spend a week with Mr. Horn's mother at her home in the Les Cheneaux Islands. This Saturday evening their home will be the gathering place for the Couples' Club of the St. Paul Ev. Lutheran Church. Approximately 100 people are expected to enjoy the annual steak and corn roast. Shortly before their Chicago and Les Cheneaux trip the Horns traveled to Cape Elizabeth, Maine, where they were guests of the Roy C. Nortons, Jr. The Nortons were Grosse Pointers until Mr. Norton's business took them to Maine last winter. More love is the great need of mankind. — Mary Baker Eddy.

Golden Wedding For Schroeders

Mr. and Mrs. Fred J. Schroeder, who will be married 50 years on Tuesday August 18, will celebrate their anniversary on Sunday, August 15. One hundred friends will be attending an open house in their Clairview court home. The Schroeders have three sons, Raymond F. of Park Forest, Ill., Donald G. and Harold L., both of Grosse Pointe, and six grandchildren. Before retirement a year ago, Mr. Schroeder was employed by Harry Sufferin. Mrs. Schroeder is a past president of the Women's Auxiliary of the American Legion post 406.

Party Honors Engaged Pair

All white flowers formed the decor in the Commodore Room of Grosse Pointe Yacht Club when Mr. and Mrs. George A. Bigley, of Merriweather road, gave a dinner party there Saturday, August 8, in honor of Virginia Neffner and Michael Misch, a bridal pair of this coming Saturday. Twenty guests were seated at two tables in the beautiful room where picture windows look out on Lake St. Clair and the club's colorful harbor scene. Dancing took place in the nearby main dining room. In the group were the couple's respective parents, Mr. and Mrs. George Neffner Jr., of Grandville road, and Mr. and Mrs. F. W. Misch of Bretton drive.

Austin Plans Friars' Fiesta

IT'S WISE

To buy in a neighborhood where pride reflects in the well kept homes around. The double door entrance of this 3 bedroom Colonial Tri-level creates a breath taking effect as it leads into a beautiful large foyer. A formal living room, with fireplace, and a separate dining room are on the first level. On the second level, a 31x14 ft. family room will be a favorite spot for family fun and entertaining. Adjacent to the family room is the sparkling Westinghouse kitchen with built-ins, including a dishwasher and freezer. An imposing wrought iron staircase leads from the family room to the third level bedroom area. 2 1/2 baths. 2 1/2 car, plastered garage. Priced at \$40,900.00. Take the first step to better living — call us now.

TO OWN This contemporary brick ranch home with exposed basement, nestled in the hills 1 mile north of Rochester, would be a wonderful investment in country living. On three and one half acres, this 78x28 ft. home has a center entrance, 3 large bedrooms, and a beautiful Swedish open fireplace serving the living and dining areas. Kitchen with built-ins, 2 1/2 baths, recreation room with fireplace, large screened porch. This beautiful modern home can be yours for \$32,500.00 with \$7,000.00 down.

FIDEL CASTRO, rumored to have smashed an air-sea invasion of Cuba and arrested 1,000 uprising soldiers, appeared abruptly in Havana Sunday night for a Cabinet meeting. He had been directing troops against an invasion of "mercenaries bent on smashing his seven-month old regime," sources said.

THIRTEEN TOLL TAKERS on the Centennial Bridge over the Mississippi River at Rock Island, Ill., and Davenport, Ia., were suspended after a shortage was discovered in the toll funds, Sunday. The amount missing may total \$750,000. The "wholesale looting" probably started soon after the bridge was opened in 1940," said Illinois State's Attorney Bernard J. Morgan.

Temporary toll takers have been placed on the bridge and automatic machines have been ordered. The scheme was revealed to Morgan back in April when one of the toll takers refused to participate in the scheme. The FBI has assisted in the investigation since then.

Monday, August 10 STATE POLICE are investigating the death of a 21 year old Lansing factory worker who was crushed by a car as he lay on a major highway near Ionia. The victim, Bethel R. Allen, had talked with some of the troopers just three hours before his death. It is thought that he might have been the victim of a robbery attempt. He was alive until struck by the automobile, according to the autopsy report.

The death occurred at 3:10 a.m. Sunday. A car driven by Glenna Felzke rolled over the body after she slammed on the brakes in an attempt to avoid hitting him. Her car dragged the body 40 feet before stopping.

Temporary toll takers have been placed on the bridge and automatic machines have been ordered. The scheme was revealed to Morgan back in April when one of the toll takers refused to participate in the scheme. The FBI has assisted in the investigation since then.

ARMED WITH A RIFLE and shotgun, Simon Loveless, 39, barricaded himself in his West Side home bedroom and

was returning from lunch. MacAuley flagged Police Cpl. Stanley Silver in a scout car. Cpl. Silver was waiting when the robbers came out of the bank. He called to them to halt; they ran and he fired after them! The chase through the streets that followed was over in less than ten minutes and the robbers captured.

AN EIGHT BLOCK SECTION of Roseburg, Ore., was heavily damaged Friday when a truck loaded with dynamite and an explosive chemical blew up near the heart of the city. The damage may be more than 8 million dollars. The death toll, according to coroner C. H. Babbitt, could reach 25.

More than 50 people were hospitalized and dozens more were given first aid for injuries from flying glass and debris. The truck was parked outside a warehouse when it exploded. Acting Gov. Walter Pearson asked that President Eisenhower declare Roseburg a disaster area.

QUEEN ELIZABETH II of Great Britain is expecting her third child early next year, it was announced by court officials at Buckingham Palace in London yesterday. This will be the first child born to a reigning monarch since Princess Beatrice was born to Queen Victoria in 1857.

Sunday, August 9 IN CASE SOVIET PREMIER Nikita Khrushchev makes some definite move to ease East-West tension, President Eisenhower is keeping his fall schedule uncluttered enough for a quick Summit Conference. A major "break through" is not necessary on the part of the Russians concerning the cold war; rather, any small concessions that would indicate their willingness to cooperate would be sufficient reason as far as Ike is concerned.

EIGHT DAYS OF FREEDOM ended Saturday for escaped killer Mike Gisoni, 43 miles west of Marquette Prison in the Upper Peninsula. Captured in a hunter's cabin, Gisoni was "in surprisingly good condition" according to police, after hiding in the woods since his escape from the prison via a garbage truck.

Gisoni was sentenced in 1952 for the slaying of a Hazel Park bar owner and his son. "I wouldn't have got caught if I hadn't started moving around," said Gisoni to Marquette Sheriff Tom Jernstad. "If he had stayed in the woods, we could have stepped on him without seeing him," said Jernstad.

AFTER A 100 MILES PER HOUR chase Saturday on the Ford Expressway, Robert D. Burston, 22, of 630 Rosedale, was a police prisoner in Wayne County General Hospital. Spotted weaving through traffic at 80 miles per hour, police attempted to stop him. After a lengthy chase, he crashed into a fire hydrant at Ecorse and Roosevelt in Allen Park. Deputies fired three warning shots as Burston tried to flee on foot. One bullet struck him in his side.

Tommy Wilson In Net Finals

Old Grosse Pointe Blue Devil tennis players don't dry up and blow away—that is not in the case of Tommy Wilson. Tom surprised everyone, including himself, last weekend when he reached the finals of the Chicago District Open tennis championship. Tom battled Seymour Greenberg right down to the wire before losing, 6-2; 6-1; 4-6; 6-0, and the \$3,000 Simpson Trophy which had been in Greenberg's possession for the previous eight years.

Blue Devil grads of 1947 will remember Wilson as a member of the doubles team that gave Grosse Pointe the Class A All State doubles title. His partner was Paul Grubbs, now a Grosse Pointe resident.

Tom's tennis talent won for him a scholarship to Kalamazoo College where he earned his BA degree before attending the University of Michigan Law School. He now is a practicing lawyer in Chicago.

CHRIST EPISCOPAL 61 Grosse Pointe Boulevard Rev. Erville B. Maynard, Rector Sunday: 9:30 and 11 a.m., Family Worship. Tuesday: 10 a.m., Holy Communion and prayers for the sick. Friday, August 21, Men of Christ Church luncheon at 12 noon in Mariner's Church.

ST. MICHAEL'S EPISCOPAL 20475 Sunningdale Park (Near Mack and Vernier) The Rev. Edgar H. Yeoman The Rev. George H. Hann Sunday, August 16: 8 a.m., Eucharist. 9:30 a.m., Charol Eucharist and Sermon.

WELCOME CLUB Meets Aug. 20 The Welcome Wagon Club of Grosse Pointe will meet at the Grosse Pointe Yacht Club, Thursday, August 20 at 12 noon for the monthly luncheon and bridge.

Reservations for members and their guests should be made by Monday, August 17. Call Mrs. W. F. Casey at TU 2-4903.

POSTMEN HELP DRIVE More than 800,000 envelopes simply addressed to "Postal Patron" were processed through the Detroit Postoffice and delivered by postmen in two days' time. "Because of the urgency of the cause, our men were anxious to assist the Emergency March of Dimes being held by the Wayne County Chapter," Edward L. Baker, postmaster, said. Charley Geringer, former Tiger great, who is campaign director for the March of Dimes, urged all the citizens of Wayne County to return the envelopes as promptly as possible.

HUB CAPS STOLEN Mrs. Benedict Ataman of 25710 Teela, St. Clair Shores, reported to Woods police that two Dodge spinner type hub caps were stolen from her car while it was in the Woods parking lot Friday, August 7.

Scout Car Tire Slashed by Kids Woods and Farms police were called in by Shore Police to help disperse a wild party at 20 Lochmoor at 9 p.m. on Sunday, August 9.

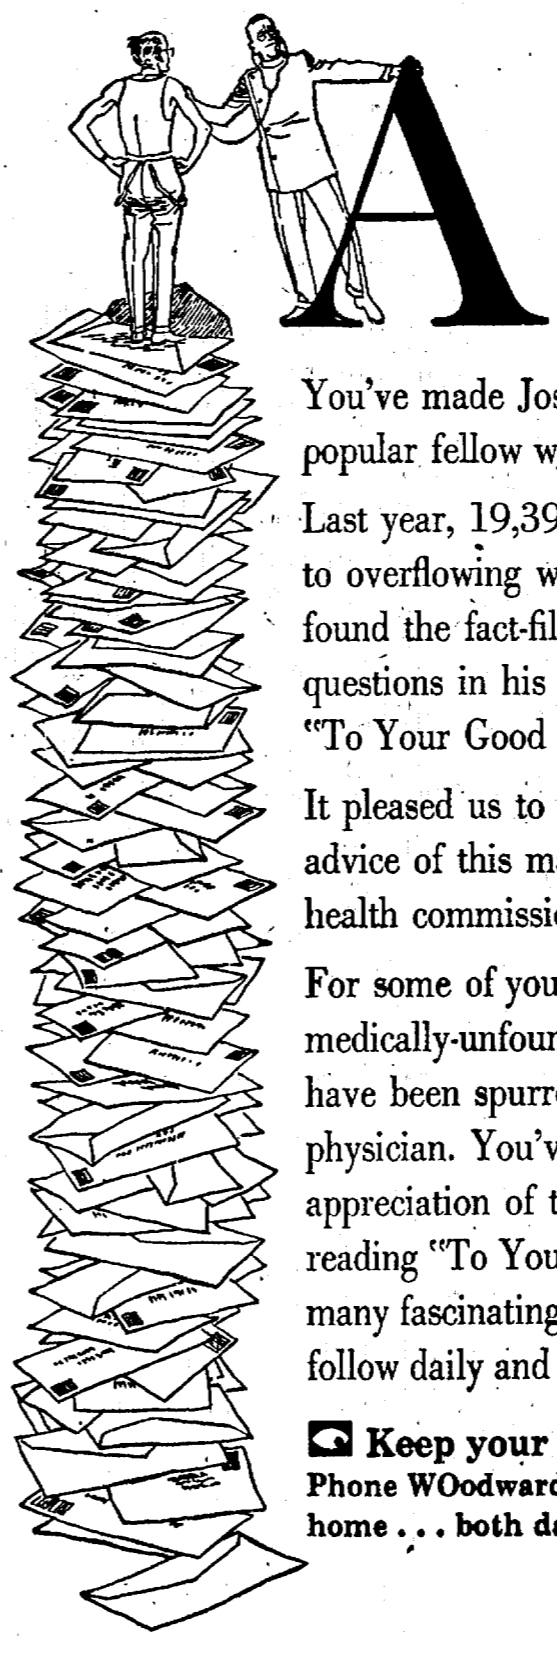

The Shores Police report stated that there were about 40 cars parked on each side of Lochmoor and kids roaming about screaming and shouting. While police were dispersing the crowd one of the group slashed the front tire of a Shores police car.

The crowd was chased away by 9:30 p.m.

Stolen Car Returned To Owner in Detroit A stolen car was recovered from the Ice Flair parking lot by Park Patrolmen Rodney Wedding and Bobby McAllister while they were on routine patrol at 2:44 a.m. Sunday, August 9.

The car had been stolen from Mrs. Shirley Coy, 18955 Westphalia, Detroit, and was on the stolen car list.

It was impounded by Park police and turned over to the Detroit police department.

mailbag full of patients

You've made Joseph G. Molner, M.D., a most popular fellow with the Detroit Times' mailroom. Last year, 19,396 of you filled Dr. Molner's mailbox to overflowing with medical inquiries. And you found the fact-filled answers to many of these questions in his daily Detroit Times column, "To Your Good Health". It pleased us to bring you the knowledgeable advice of this man who has served as Detroit's health commissioner for many years. For some of you, he has dispelled old, medically-unfounded fears. Others of you have been spurred to visiting your family physician. You've acquired a layman's appreciation of today's medical miracles by reading "To Your Good Health"—just one of the many fascinating columns and features you follow daily and Sunday in the Detroit Times. Keep your eye on the TIMES! Phone Woodward 3-8800 for delivery to your home... both daily and Sunday.

Young Englishman Sees U.S. On Station Wagon Cavalcade

Peter Newman is a 21-year-old Englishman who is driving one of the station wagons on a current cavalcade to the west coast and back. These tours, originated by Chet Sampson, have been popular for years with young Pointers. Newman applied for a driving position as an ideal way to see more of America. His impressions are contained in a series of articles, of which this is the fourth and last.

It seems a pity that pleasures which we may enjoy at the present are so often clouded by regrets about the future. Regrets for members of Chet Sampson's Tour 1959 centered of course round the fact that slowly but surely we were heading eastwards and homewards after the Hollywood "ball."

Glum faces and wry smiles proclaimed that the girls had seen the tide turning; and all their emotions were fighting against the current. Fortunately however, the current wasn't flowing particularly fast and we were destined to see many wonderful sights before the sad moment of parting came. And what seemed like an impending tragedy was largely obscured by the excitement and hustle of being on the road again.

On Top Half Dome
After four days of riotous living in a big city, it seemed right that we should return to silence and peace of the mountains with their forests and clear running streams. Yosemite National Park was just such a retreat. We camped in a small clearing amongst the trees and once again climbed into sleeping bags for the night.

Next day after an unaccustomed and doubtfully efficient breakfast KP we drove through the park to the base of Half Dome, a mountain which, as its name suggests, stands poised like an unfinished sentence at the head of a long valley.

Only a few of us were destined to reach the summit which involved a hike of 16 miles. But everyone made it to the waterfalls which tumble majestically down the lower gorges. Muscles were aching again that evening when we came home to dinner; but everyone seemed happy to be in the open air again.

Fifteen minutes walk down the road took us to a magnificent lodge equipped with shops, post office, dance hall and, most important of all, showers. Here we could relax in pleasant surroundings and at night were able to watch a local ceremony where quantities of smouldering bark from a special wood are pushed over the edge of the cliff towering above the camp.

This always takes place at 9:30 and as the time drew near everyone instinctively became quiet and expectant. From time to time a visitor from outer space, could be seen silhouetted against the fire which he had prepared. On an order from below he began to push the

glowing embers towards the edge of the cliff.

And as he did so, a cascade of molten fire floated down only to be lost in the darkness many hundreds of feet above our heads. The mystic and awe-inspiring effect which was achieved, reminded one somehow of a pagan ritual where the priests called down fire and brimstone from wrathful gods in the mountains.

Hanging on Golden Gate
From Yosemite to cool and enchanting San Francisco, where all the traditions of a cosmopolitan seaport combine to make it one of the most attractive cities in America. It is a bewildering contrast: one moment you may be standing on the pavement in front of an ordinary looking shop, but just move twenty yards to your left and you may quite suddenly feel that it would be unethical to ask for a hamburger.

You have been transplanted to the land of chop suey and chicken chow mein. You are in Chinatown, where crazy ornate buildings painted in outlandish colours jostle one another down narrow switchback streets, where weird hieroglyphs glare accusingly at a visitor, forcing him to a feeling of humble ignorance, where evil-smelling grocery stores (Chinese bacon is largely responsible I'm told) and cheap tailors complete alongside the tourist-trap emporiums whose shelves are laden with mass-produced but nevertheless "hand-carved" merchandise.

The girls spent many hours walking up and down the streets utterly confused as to what they ought to buy when there was such a vast amount to choose from.

San Francisco is also becoming famous as being a haven for those of us who don't know where we are going in life, but are in a tearing hurry to get there, and those of us who find it a moral duty to dress, look and think carefully.

"I'm sorry perhaps I'd better 'groove you in' with their proper title: 'The Beat Generation.'"

There is one field of endeavor where the beatniks are genuinely creative and that lies in their ability to create interesting coffee bars. In the evening various groups of us spent a fascinating few hours exploring each smoky den and drinking Danish, Dutch, double-Dutch, French, Tahitian, Arabian, Icelandic (feed) and Lower Transylvanian coffee. One suspects however that Pol-

ders and A & P still do a healthy trade, and that these probably remote names signify "variations on a theme" by imaginative operators rather than a basic difference in the coffee grounds.

Surprisingly enough none of us were shut away in Alcatraz and we made good time to Lake Tahoe for a refreshing swim before the long haul into Salt Lake City. Crossing the salt desert was a fascinating experience. A succession of impossible mirages pursued and anticipated us all the way: much to the amazement of the girls who weren't used to seeing mountains suspended on a base of thin air—for that matter, neither was I.

To add insult to injury, we went for a swim in the Great Salt Lake and found that however hard we tried, we could not sink. Those ambitious souls who tried too hard were led ashore, groping like blind beggars until they could remove the salt from their eyes. One or two agonized yelps indicated that a "Half-Dome special" (a blister) was also receiving some antiseptic treatment.

The city itself and its inhabitants impressed the girls enormously, as did the Mormon Temple and tabernacle where the acoustics are so perfect that you can literally hear a pin drop. A number of us had an opportunity to hear an organ recital exquisitely played by a church organist.

"To ride or not to ride"—that was the question which faced most of us on the way to the Tetons after leaving the western township of Jackson Hole. But on arrival it was clear that courage or self-respect wasn't lacking. Some girls jumped into the saddle as if they had been doing it all their lives, others did some involuntary acrobatics in mid-air and you hoped sincerely that the left leg which was twisted under the right armpit would eventually sort itself out, while others appeared even to forget which was the bow and which was the stern of their bewildered steeds. Anyway they all set out on a three-hour trip round to my mind, the most beautiful natural park we ever visited. In addition to horseback riding, the landlubbers could take hikes around the numerous lakes in the area, whose water incidentally is so pure that you can safely fill the battery of your car with it.

"The Three Bears"
From the Tetons it was only a stone's throw to Yellowstone. One of the unofficial attractions here are the mountain bears who seemed very friendly towards us in the small hours of the morning; so friendly in fact that one of them tried to sleep with us. This we would not allow but we extended instead a cordial invitation to luncheon, which was accepted by three of the bears who dined royally on our garbage.

The Return of the Natives
After Yellowstone we began the serious driving for the long trip back to Detroit, crossing the forests and mountains of Wyoming and the farmlands of South Dakota. It was lucky that the drivers at this stage exerted some strong will power; for had they yielded to the incen-

Broker

THOMAS J. OFFER has joined the Grosse Pointe office of Smith, Hague & Co., as a registered representative. The announcement was made by Hale H. Smith, Jr., managing partner of the brokerage firm with head offices in the Penobscot Building, Detroit. Mr. Offer is well known in Grosse Pointe and was formerly the principal of the Grosse Pointe Delivery Company.

Surprisingly enough none of us were shut away in Alcatraz and we made good time to Lake Tahoe for a refreshing swim before the long haul into Salt Lake City. Crossing the salt desert was a fascinating experience. A succession of impossible mirages pursued and anticipated us all the way: much to the amazement of the girls who weren't used to seeing mountains suspended on a base of thin air—for that matter, neither was I.

Manufacturers Bank Branches Shift Hours

New banking hours, designed to provide better service for customers were announced by the Manufacturers National Bank for all of its suburban branches, according to Arthur J. Fushman, president.

The new hours will become effective Monday, August 17, when, instead of opening at 10 a.m. and closing at 3 p.m., the suburban offices will open their doors at 9:30 a.m. and remain open until 4 p.m. These hours will apply Monday through Thursday.

On Fridays the suburban offices will open at 9:30 a.m. instead of 10 a.m., and will remain open until 7:30 p.m. instead of 6 p.m.

On every Chet Sampson's Tour various awards have always been presented to girls on the trip following a vote from the drivers. These awards date back to the time when the group used to visit Bing Crosby's ranch in Elko, Nevada, with Bing as a guest for dinner. Announcement of the awards followed the performance of some skits by members of each wagon.

Perhaps it is even more appropriate that all this should happen on the last day at the final banquet. The skits this year were some of the most amusing and original that have yet been produced on any tour. Awards went to the following girls: Miss Sleeping Bag, the outstanding girl who contributed most and appeared to benefit most from the trip went to Judy Helgeson; Miss Zipper, runner-up to Miss Sleeping Bag, was Judy Reilly; Miss Mail Bag, for the girl who received most letters, was Susan Schroeder; Miss Feed Bag, the gastronomical giant of the trip, went to Barbara Beier from Birmingham; and Miss Sad Sack, the girl who presents the greatest contrast between her appearance in the early morning and her normal appearance, went to Peggy Jeffis.

This year, ironically for the first time in living memory, there was a Mr. Sad Sack. The award was given to a certain Englishman who drove on the trip (I won't mention any names, it might be embarrassing). Though some of my more astute friends in England did warn me not to wear a long European haircut in America—perhaps I should have paid more attention to their advice.

"If You Have Tears..."
Back to Grosse Pointe and back home! The sadness of the girls was only matched by the sadness of the drivers. We had spent five weeks together under the leadership of Bill Winkler, driving over seven thousand miles, seeing and doing things which we will remember for the rest of our lives. What a fantastic experience and opportunity for young people to explore such a huge tract of this great continent whose scenic and cultural opportunities are so limitless.

For my part, I shall never forget one of the most fruitful, exciting and enjoyable periods of my life. And I consider it a great privilege to have played a part in Chet Sampson's Tour 1959.

INJURED AT PARK
Carla Stettin, 16, of 279 Moran, was taken to Bon Secours Hospital by Farms police on Tuesday, August 4, when she cut her toe at the Farms Municipal Pier-Park. Seven stitches were required to close the wound.

Off to School

WALTER R. CAVANAUGH, C.L.U., president of W. R. Cavanaugh Agency, Inc., Grosse Pointe insurance agency, leaves on today for a ten-day program of graduate studies in business and family financial planning at the Chartered Life Underwriter Institute at the University of Colorado.

The schools are not concerned with sales training, but are designed to teach the life underwriter to understand the problems of his clients and to make individual recommendations as a financial counselor. Mr. Cavanaugh is chairman of Little League Tennis in Grosse Pointe, and is executive vice-president of the Grosse Pointe Hunt Club. He is a life member of the Million Dollar Round Table, national organization of top life insurance men, and recently addressed their annual meeting in Miami.

Family security planning, pensions and profit-sharing, trusts, taxation, corporate problems, deferred compensation, and business fluctuations are among the subjects covered at the C.L.U. Institutes. Students pursue their advanced studies under a faculty of prominent attorneys, pension consultants, professors, life underwriters, and trust men.

The C.L.U. designation is granted by the American College of Life Underwriters to life insurance men and women who have passed a series of five professional examinations in such subjects as law, estates and trusts, taxation, economics, personal and business finance as well as property, health and

Pointers Help Club Win Title

Five Grosse Pointers helped the Detroit Boat Club win its second straight National Championship last week end, August 8-9, on the Detroit River.

In winning, the Boat Club set a new team point record with 233½ points which broke its own record of 196 points set last year when the Boat Club also won the National title. It marked the fourth straight year the Boat Club has won the point championship and the sixth time in the history of the club. This tied the now defunct Duluth Tieding Club.

The National Regatta was the highlight of the 130th DBC anniversary celebration.

The big individual winner was Bob Walker, of Bessemerfield, but currently stationed at Fort Wayne where he is a Private First Class in the Army. Walker captured four gold medals when he won as a member of the 150-pound senior 8; 150-pound squad; 150-pound doubles and the heavy quad which beat Jack Kelley's Vesper Boat Club crew.

John Weichli, 29-year-old stock consultant who lives in Provençal road, took second place honors as a member of the four with cox and four without cox crews.

Warren Winstanley, Jr., 15-year-old high school student of McKinley, was the coxswain of the DBC's number two 150-pound 8 and 150-pound 4 crews which placed second to the host club's number one crew in each race. Warren's daddy stroked the Boat Club lightweight four crew to victory in 1947, which

Pointers Help Club Win Title

was the last time the Nationals were held here.

Earl Walke, 12-year-old former Austin High student, was a member of the number two 150-pound 8 crew which took second to the Boat Club's number one crew.

Dave Smith, of Merriweather road, rowed in the intermediate 8 which took second place.

Strange as it may seem, the winning team didn't fare too well in the races which were Pan American games trials. Only Tim McIntosh, Allen Pierrot and coxswain Bob Kroll earned the trip to Chicago where the games will be held September 2, 3 and 4. They will compete in the pair with cox event.

Warren Winstanley, Jr., 15-year-old high school student of McKinley, was the coxswain of the DBC's number two 150-pound 8 and 150-pound 4 crews which placed second to the host club's number one crew in each race. Warren's daddy stroked the Boat Club lightweight four crew to victory in 1947, which

Earl Walke, 12-year-old former Austin High student, was a member of the number two 150-pound 8 crew which took second to the Boat Club's number one crew.

Dave Smith, of Merriweather road, rowed in the intermediate 8 which took second place.

Strange as it may seem, the winning team didn't fare too well in the races which were Pan American games trials. Only Tim McIntosh, Allen Pierrot and coxswain Bob Kroll earned the trip to Chicago where the games will be held September 2, 3 and 4. They will compete in the pair with cox event.

Warren Winstanley, Jr., 15-year-old high school student of McKinley, was the coxswain of the DBC's number two 150-pound 8 and 150-pound 4 crews which placed second to the host club's number one crew in each race. Warren's daddy stroked the Boat Club lightweight four crew to victory in 1947, which

The Grosse Pointer has been chairman of the commission since 1953. His current appointment runs for two years.

Meehan's commission sets the day-to-day public relations policy for the Michigan department of the Legion, and oversees the editing of "The Michigan Legionnaire," a monthly newspaper that goes to 75,000 Legionnaires in the state.

He has been a Legionnaire since 1919, holding top offices at post, district, state and national levels.

The former Naval officer (1909-1928) is also a member of The American Legion's national Merchant Marine committee and National Security commission.

He is a member of the Fred M. Alger American Legion post 86 in Detroit.

ACCEPTS INSURANCE BID
At the meeting Monday, August 10 the Park Council accepted the bid of the Michigan Mutual Insurance Company for the city's workmen's compensation insurance. The insurance will cost the city \$4,803.19 a year. Three companies submitted bids.

CITY OF Grosse Pointe Farms

SUMMARY OF MINUTES

AUGUST 3, 1959

Meeting was called to order at 8:00 P.M.

Present on roll call: Mayor William F. Connolly, Jr., Councilmen Henry E. Bodman, Jr., J. Lawrence Buell, Jr., Richard L. Mazon and Edward C. Roney, Jr.

Absent: Councilmen William G. Butler and William G. Kirby.

Mayor William F. Connolly, Jr. presided.

Councilman Butler, being out-of-town was excused from attending the meeting.

Minutes of the regular meeting of July 20, 1959 were approved as submitted.

The Council meeting was adjourned to permit the Council to sit as a Board of Appeals to approve the minutes of the Zoning Board of Appeals meeting of July 20, 1959, after which the Council meeting was reconvened.

Permission was granted to Mr. Arthur D. Krentler of 140 Tonnancour Place to erect a five foot brick fence along the Kercheval Avenue side of his property from the rear lot line to the building line and a four foot brick fence from the building line to the front of his property, with the understanding that the fence will set back a distance from the front lot line so that it will in no way be a traffic hazard.

Approval was given to pay Floris DeMeulenaers, the sum of \$5,000.00 as part payment of the contract for widening Kerby Road.

The Grosse Pointe Farms Boat Club was given approval to sponsor a dance at the Pier Park on Labor Day, provided that a formal request to sponsor the dance be submitted by the Grosse Pointe Farms Boat Club and that the City Manager be furnished the names of at least two representatives who will officially chaperone the dance.

The Mayor and Clerk were authorized to execute proxy statements requested by the Michigan Municipal League to be used in voting on an extension of the corporate existence of the League.

The City Manager and City Clerk were designated by the Council as the official representative and the alternate representative to represent the City at the 1959 Michigan Municipal League meeting.

Approval was given to increase the amount of curb repair work under the contract with the L. & L. Construction Company from 6,800 lineal feet to approximately 8,100 lineal feet.

A resolution was adopted waiving for the year 1959 only, the requirements under the Dutch Elm Disease Ordinance, which makes it mandatory that every person, firm or corporation which owns or has under its control any elm tree located within the City, apply a summer foliage spray referred to in the Ordinance as the second spray.

Approval was given to a contract between Shock Brothers Tree Service Company and the City providing for the rescinding of the 1959 summer foliage DDT spray contract, and for the application of the 1960 spring dormant DDT spray for City trees and further providing for the elimination of the application of the 1959 summer foliage DDT spray to the private residents trees, under the contract with the residents, unless instructed to do so, and for the application of the 1960 spring dormant DDT spray to residents trees for all not requesting the 1959 summer foliage DDT spray.

The City Attorney was requested to make a study of the Dutch Elm Ordinance with the thought in mind of amending the Ordinance, especially in regard to the requirements of the foliage spray.

A communication from M. Harold B. Tyree of 28 Provençal Road commending the Police Department for their efficient manner in handling a call to his home was received.

A communication was received from the Grosse Pointe Property Owners Association relative to the parking situation on Elm Court and the matter was referred to the Chief of the Police Department for study and recommendation.

The City Manager was requested to ascertain from the Grosse Pointe Public School System, to what extent the plan for the Gabriel Richard School Improvement Program, had been completed.

On proper motion made, supported and carried, the meeting adjourned at 9:20 P.M.

William F. Connolly, Jr. Mayor
Dawson F. Nacy City Clerk

Important Public Notice

Re: Parking

Extract of Resolution

At a regular public meeting of the City Council of the City of Grosse Pointe, held on Monday, July 20, 1959, and there being a quorum of Council members present, the matter of general open public parking of automobiles being under consideration, item 7, of the resolution published herewith was adopted as herewith:

7. On motion of Councilman Allen and supported by Councilman Kenower, it was resolved that pursuant to Ordinance No. 45 entitled Parking Meter Ordinance of the City of Grosse Pointe adopted March 17, 1952, as amended, the amount to be deposited in any parking meter located on Kercheval Place by the person or persons using the space for parking adjacent thereto shall be at the rate of parking time up to, but not in excess of, one (1) hour, and that this resolution shall be effective upon publication thereof in the Grosse Pointe News and upon the posting thereof in at least five (5) public places within the City Limits and upon the installation and placing in operation of parking meters on Kercheval Place designated.

ROLL CALL:
AYES: Councilmen Allen, Kenower and Luss
NAYES: Councilman Bergmann
MOTION CARRIED

CERTIFICATE OF CITY CLERK
I, Norbert P. Neff, City Clerk of the City of Grosse Pointe, Wayne County, Michigan, do hereby certify that the foregoing is a true and correct copy of an extract from a resolution adopted by the City Council, at a regular council meeting, held Monday, July 20, 1959.

who, where and whatnot

by uboozii

Dr. and Mrs. Charles E. Monroe, of Bedford road, have a garden that is For The Birds . . . almost exclusively:

Planned to bloom among the roses are wild carrots, wild radishes and at least 10 varieties of grasses the seeds of which (especially when lightly roasted by Mrs. Monroe . . . and how kind can you get, birdwise?) are spread in quantity for their fluffy friends.

The seeds are sometimes dropped by their over-indulgent little guests. The other day, the Monroes found a small sunflower growing in their garage.

Among the E. Llywd Ecclestons' choice bibelots: A tiny, perfectly-scaled sedan chair.

A guest, arriving early, found the lady of the house otherwise occupied but was ushered into the drawing room by a smartly-uniformed little maid.

Said she, "I'd bring you in a drink but SHE keeps the booze locked up."

Dazzling decor: The mirrored ceiling of Mrs. Alvan Macauley's Mirabeau place dining room.

PILFERINGS

Classified Candor: SECRETARY, experience (not necessarily legal) for law office.

Beach Resort

Where you find the guests audibly staring, As they lounge around schooner and yacht; Where a man is judged by what he's wearing And a woman by what she is not.

The closest most women get to the perfect husband is next door.

No enterprise is more complicated than modern government. No enterprise is more in need of skilled and devoted service and a large measure of continuity in that service. That can only come if men of high talents and character and disinterestedness are attracted by government.

In the Bag

As hosts we never feel Our luck has been too rotten, If guests and their possessions Are gone but not forgotten.

Dossin Gift to Preserve Lore of The Great Lakes

A donation of \$125,000 by the Dossin family, prominent in the Pointe, along with an equal amount given by the City of Detroit, has made possible the Dossin Great Lakes Museum, which will preserve the lore of the Great Lakes.

The marine museum is named in honor of Ernest J. Dossin and his sons Walter, Russell and Roy L., in recognition of their affection for their native Detroit and their great interest in speedboat racing on the lakes. It is reported to be completed early next year.

The late Walter J. Dossin was an Honorary Commodore of the Detroit Yacht Club. The family's champion racer, Miss Pepsi will be an eventual display in the museum.

The Dossins, in 1947, were winners of such trophies as the Imperial Gold Cup, the Gold Cup, the Judge Auerbach trophy, the Redbank Sweepstakes trophy, the National Sweepstakes trophy, the Aaron DeRoy Plaque, the President's Gold Cup and the Ford Memorial trophy.

The Museum will be located on the south side of Belle Isle, on the main river channel. There, the shipping of the Great Lakes will pass directly before it.

The building will have, in addition to exhibit space, a curator's office, a reference library, model shop and drafting room for the maintenance

and expansion of the exhibits, as well as maintenance space. The building will measure 154 by 64.

On display will be the largest collection of Great Lakes ship models, builders' half models, and marine objects, existing in any Great Lakes museum. Such things as navigation aids, lights, markers, ropes, knots, block and tackle and seamanship of the sailing era will be featured. This is the collection that was assembled when the museum was located on the schooner J. T. Wing and under the direction of Captain Joseph E. Johnston, who retired recently.

Overlooking the river will be replicas of a navigation bridge of an historic ship and of a present day lakes ship. Also under construction for future expansion is a River Room, overlooking the river, which will provide space for trophies, a special collection of Great Lakes ship paintings and other special exhibits. Great Lakes Naval history, pleasure boat history and the seaway will be represented in exhibitions eventually.

More than 400,000 visited the museum on the J. T. Wing between 1949 and 1956 when it was operating part time. This interest, plus the fact that Detroit is a city with great interest in the lakes, both commercial shipping and pleasure boating, all indicate a great future for the Dossin Museum.

Pointer of Interest

HENRY BOETTINGER OF TROMBLEY ROAD

By Jack Oliver

—Picture by Eddie McGrath, Jr.

Draw up your own welcome wagon to the Trombley road home of the Henry Boettingers and you'll find two charmers and, if she's awake a third. (Ellen Christine, 17 mo., may be about.)

Assigned to Detroit, (the 35-year-old vice-president of Michigan Bell Telephone), as recently as June, the invincible Mrs. Boettinger had their flat settled and as lived-in-looking as though they'd been around for months when we stopped by.

You enter via a small foyer in which is the pride and also the joy of the couple: a beautifully carved piece of furniture which we can only describe as a "bench" and which the Boettingers feel is probably Venetian.

Relic of Executive

The living room is spacious and contains, among other fascinating agenda, a huge terrestrial globe that shows the transoceanic cable crossing, relic of a Bell exec.

Not on view but on his mind become the medium whereby is the Landolfi cello that has the affable "Hank" has expressed his musical thoughts to this turbulent world.

Born in Baltimore, both, the Boettingers meet until 1946, became engaged in '47 and were married in '48. Since then, they've had a program which has caused them to pull up stakes 11 times in as many years.

With that make-or-break experience, Mrs. Boettinger has established what they both speak of as being a "Policy of Total Involvement" which she's whittled down to 1) furniture and fixings that can stand banging about; 2) a fondness for city statistics; 3) Being resigned to—er—mobility.

Mr. Boettinger's impressive background, which includes Johns Hopkins, New York University, the University of Pennsylvania and the University of Michigan's department of meteorology, is a most interesting foil for his abundant sense of humor . . . a pixie turn that delights.

Life in The Village

The couple's most recent locale in Greenwich Village where they occupied an apart-

ment next door to three beauties from hereabouts: Judith Wilson and the "Deedee" Nixdorf, of Grosse Ile, and Vickie Whemeier of the Pointe, (extolled in story and song by Kathie Norman), and are extravagant in praise of the girls' al fresco artistry.

Perhaps it was that stay that inspired Mrs. Boettinger to take to her painting. At any rate, she's an accomplished brush-wielder and once things simmer down, will doubtless become a member of the town's pals of the palette.

Mello Cello

To touch once more on the veep's pet pastime; when he secured the Landolfi cello (Landolfi a pupil of Stradivarius), the instrument was in a jamen-

table state of disrepair but the man-in-question surfaced with an unexpected talent for wood-carving and mended it beautifully.

Having developed a "Home Is Where The Hat Is" philosophy, the Boettingers are not easily thrown by instructions to pack BUT with each move they chose to accept the current assignment as the permanent one and regard, with such complacency as possible, same to be the last.

It is with that thought (but, shall we say, with reservations) that they buy furniture which is "beautiful but rugged".

Reconnaissance

Almost immediately upon landing in a new site, the slim and darkly beautiful "Dottie" embarks upon one of her pet exercises: visits to the library to determine from whence the city gets its street names and a thorough briefing of the maps.

(We know a charming dowager who asked us, after 20 years' residence in town, if this city "had a bridge", we LOVE her, though, just the same.)

May we hope that this charming pair and their diminutive offspring are a permanent part of the local scene . . . and we're certain you'll express the same sentiment when you meet them.

Party to Fete Lawrie Pratt

Mrs. Walter W. Wood, of N. Renaud road, will be hostess at a luncheon and miscellaneous shower this Thursday to honor bride-elect Lawrie Pratt, Grosse Pointe Yacht Club's beautiful Commodore's Room will be the party scene.

Miss Pratt will speak her marriage vows to Mrs. Wood's nephew, Richard Champion, on Sept. 5. Guests at this Thursday's luncheon-shower include the couple's respective mothers, Mrs. Lawrence Pratt, of Windmill Pointe drive, and Mrs. William Champion, of Moross road; the prospective bridegroom's grandmother, Mrs. Logan Wood; and Lawrie's sister, Jane Pratt.

Others are Mesdames Robert Wood, John Wood, Donald Wood, Chester Myers, John Renchard, Alan T. McHenry, Otis U. Walker, Milton Volken, Stuart Hanger, Thomas Morrow, William J. Young, George Dickey, Thomas Sage and John K. Roney.

Club Work Boat Goes to Rescue

Farms patrolmen Earl Field Marvin Krebs and John Farley responded to a call that a boat was in distress off Lakeshore drive near Warner lane at 8:30 p. m. Saturday, August 8.

They spotted a 15 foot fiberglass outboard boat with three occupants adrift off 70 Lakeshore.

The Crescent Sail Yacht Club work boat was dispatched to the scene and towed the boat to the Crescent dock.

The owner of the boat, William H. Ardis, 44, of 492 Wakefield, Berkeley, stated that the boat was out of gas and had a broken shear pin.

Ardis' two passengers were Thomas E. Gibbons, 37, of 31554 Summers, Livonia, and James S. Tribble, Jr., 29, 20930 Watson Ave., St. Clair Shores. They went home in a cab.

LOBSTER SALAD

Contributed by Mrs. George E. Lackey

- 1 can tomato soup
- 1 C. or small can lobster
- 3 oz. Phil. cream cheese
- 1 C. finely cut celery
- 1 C. mayonnaise
- 1 tp. onion juice
- 1 tp. lemon juice
- 1 envelope Knox gelatin
- 1/2 C. cold water
- salt and pepper to taste

Heat tomato soup and juice of onion and lemon. When boiling, stir in cream cheese until dissolved. Add gelatin that has been dissolved in 1/2 C. cold water. Remove from stove. Just before it begins to jell, add lobster, mayonnaise, celery, salt and pepper. Place in ring molds and refrigerate for several hours.

"A meal in itself."

Has Hero's Role In Lake Rescue

When we ran the story in last week's NEWS about the sinking of an outboard motor boat off the Grosse Pointe Club, with the loss of one life, we failed to give proper credit to a City youth who played a heroic role in the rescue.

The incident took place Saturday, August 1.

Jon Hartz, 18, (we spelled it John Hardy and our face is red!) of 852 University was on the City pier when the boat, a 14-foot aluminum outboard carrying six persons, came by.

Hartz foresaw danger due to the overloaded condition of the boat and the way it was riding and was so concerned that he tried unsuccessfully to start a friend's boat and set out into the lake.

He watched the boat for awhile and when it came to his attention that the boat was in trouble he set out with Robert Jose, 19, of 12191 E. Outer drive, and Wayne Waleryck, of 867 Washington.

Two others, Charles Jackson, 7754 Heyden, Detroit, and Joseph Miller, 221 South Williamsbury, Birmingham, who were fishing just west of the Little Club, heard the calls for help, and had rescued one adult and three children when Hartz and his companions arrived.

The earlier arrivals were having difficulty saving Claude Whitman, 42, of 3452 Hart, Detroit, who was growing panicky.

Hartz jumped into the water and assisted Whitman to his boat. Jose and Waleryck pulled him into their boat and took him to the Little Club.

Later, the threesome towed the swamped boat back to the City pier, and returned to dive for the missing man, Dewey Phelps, 62, of 3452 Hart, Detroit.

Phelps' body was discovered Monday by a citizen, floating near the Dodge yacht the "Delphine." Two of the Wayne County Sheriff's Office skin divers who were preparing to dive for the body at the time, swam to the area and recovered the body.

Pointe Counter Points

By Pat Rousseau

Those for whom the school bell tolls . . . listen! Bright new back to school fashions are found in abundance in the newly decorated Sports Department at Jacobsons. They are informally modeled each day from twelve to four by their College Panel . . . Joan Loveless, Marge Reins, Glenna Yatt, Susan Scott, Elaine Wronski, and Joan Linden.

The "eyes" have it . . . with a positive assist from Estee Lauder! Her eye liner pencil draws an extra fine line and her easy to apply liquid eye liner is available in six beautiful shades . . . iridescent green, aqua, turquoise, iridescent white, black and brown . . . at Trail Pharmacy.

The velvet touch . . . is found on the smartest trans-season fashions at D. J. Healy. One chic example is taupe on tan. Taupe velvet collars a tan trans-seasonal suit.

Going . . . going . . . gone . . . many of the beautiful decorator pieces at Wanamaker's Studio . . . Mack Avenue. However, you can still find handsome tables, lamps, accessories and upholstered sofas and chairs . . . all specially priced for summer clearance.

Appointment with Beauty . . . make yours now with Barton of The Pointe. Look Fall-ward to a new flattering hair style based on the right kind of permanent for your hair. Barton specializes in permanent waving. This is the time to recondition and restyle your sun-kissed tresses. Call TUxedo 5-9181.

Every woman loves a sale . . . Eric a Brae on Mack Avenue have tagged many, many items with tempting tariffs. You save from twenty to fifty per cent on lamps, pictures and summer jewelry.

At you finger tips . . . all kinds of help! As a matter of fact, just use the index finger to dial VALley 2-2630 . . . the number of Hourly Aid . . . for a dependable cook, laundress, cleaning lady, nurse for the children. They have been pleasing Pointers for years . . . they are sure they can satisfy you.

Fit for a Queen . . . the elegant single jewel pill boxes from D. J. Healy. Choose either a ruby, emerald, or a sapphire . . . it will open to bold tablets . . . and is three dollars.

The captain and crew . . . really appreciate the all weather Macintosh jacket . . . for it combines fair weather lightness . . . with reliable water-repellency. The English tailoring and expert cut provides ease of motion and this makes the Macintosh a popular golfing companion also . . . found exclusively at Proper's in Grosse Pointe.

Two Juveniles Caught Looting

Alert work by Park patrolmen Tom Fraser and George McDowell on the early morning patrol, Saturday, August 8, resulted in the arrest of two juvenile thieves.

They observed an auto parked on the south side of St. Paul, between Somerset and Balfour near the home of James Stewart, 1064 Somerset.

Investigation by the officers resulted in the arrest of a 16-

year-old boy who had already removed a tire from the Stewart car and was in the act of siphoning gas.

When he saw the officers approaching the youth hid under the car, where he was apprehended.

Subsequent investigation by Lt. Arnold Hough resulted in the arrest of another 16-year-old who had fled from the scene after seeing the police car approach.
