

CENTER PARKING PLEA REBUFFED

HEADLINES of the WEEK As Compiled by the Grosse Pointe News

Thursday, August 13
AN ANTI-INTEGRATION demonstration at Little Rock Central High School was broken up Wednesday by policemen and firemen with high pressure hoses. Three Negroes entered Hall High School and two entered Central High School in Little Rock's 1959 attempt at integration.

Twenty-four people, four of them women and girls, were jailed as a result of the demonstration. Two men received blows on the head from police night sticks. The crowd that gathered at Central was about 1,000 strong. Concerning the police action, Arkansas Gov. Faubus said, "This enforcement of an illegal duty will become burdensome. Let us act so posterity will be justly proud. Let us continue and never weaken."

THE PRESIDENT, according to sources, is expected to invoke the Taft-Hartley act to bring steel workers back to work about the middle of September. This will give the country an 80 day respite until early in December. The sources however, added that the strike will very likely be resumed then and continue until the first of 1960.

"The demand for steel in the defense industries as inventories begin to peter out next month and the need for moving as much iron ore as possible from Lake Superior before navigation is closed off by winter" are the reasons given for the use of the Taft Hartley law.

A "SOFT BILL," which according to the AFL-CIO would get crooks out of unions and not harm legitimate labor organizations, was rejected in the House, Wednesday. The vote was 245 to 132. A stormy debate preceded the vote. The House now has two other alternatives, the anti-corruption proposal backed by the President or a bill proposed by Democrats that is said to be a middle of the road bill.

Friday, August 14
PRESIDENT EISENHOWER won a Legislative victory, Thursday, when the House voted in favor of the tough union reform bill that he endorsed. The vote was 229 to 201 approving the bill as an effective weapon to help drive racketeers and corruption out of labor unions.

The bill, sponsored by Rep. Phil M. Landrum (D. Ga) and Rep. Robert P. Griffin (R. Mich.) was supported by 134 Republicans and 95 Democrats. It was opposed by 184 Democrats and 17 Republicans. The bill is intended to "crack down on organizational blackmail picketing, enforce democratic procedures within labor unions and extend the Taft-Hartley law's curb on secondary boycotts."

A DETROIT "PRIVATE SCHOOL," operated by Negroes that preaches hatred for all white men may be shut down. State and local authorities moved Thursday to close the 102 student school. Public officials inspected the crumbling building, formerly a theatre at 5403 John C. Lodge, has said they would recommend that the cult of Muhammad's Temple of Islam No. 1 no longer be allowed to hold classes there.

The qualifications of the five instructors of the school are being investigated in Lansing, and Deputy Sup. of Public Instruction Eugene Grimm is trying to find out what subjects are taught in the school.

AIR FORCE CREWS planned to attempt the recovery of a 300 pound instrument capsule of the two stage Discoverer Satellite rocket as it parachutes down, this afternoon. The satellite was put into orbit last night. Scientists will attempt to eject the capsule from the rocket after the rocket has made 17 of the 94 minute trips around the globe. The rescue will be attempted by eight C-119 flying boxcars, that are based in Hawaii. They will try to "snare" the capsule with
(Continued on Page 19)

Blaze Knocks London East Galley West

Fire raged through one of the Pointe's most famous dining spots early Monday morning. After part of the debris was cleared away, this is what the

popular inner room looked like. Les Gruber, owner, says it will be rebuilt, bigger and better than ever, as quickly as possible. For full details see story.

London East Will Reopen After Fire

Estimate Loss at \$150,000; Hoping to Have Place Redone in Two Months

A three alarm fire caused extensive damage to London East, plush restaurant at 123 Kercheval, on the morning of Monday, August 17. Damage was in the neighborhood of \$150,000. Farms Fire Chief William Mason called for help from the City and Park fire departments to help battle the blaze which took an hour and a half to extinguish.

All Farms and City off duty men were called in. Nearly 40 firemen were at the scene. Police from the Farms, Woods, City, and Park rerouted traffic on Kercheval as a crowd of 400 persons looked on.

Aerial Trucks Used
The Farms and Park aerial ladders trucks were used to pour a heavy stream of water onto the roof of the building. Water and burnt chips of wood poured out the front door of the restaurant.

"It was the first time in many

Ecclestone New City Councilman

E. Llywd Ecclestone of 300 Lincoln road was appointed by the City Council at the August 17 meeting to fill the vacancy existing on the Council due to the resignation of Councilman Otto Pongrace.

Pointe Polio Record Good; Three Cases, No Paralysis

Polio cases in the Grosse Pointe-Harper Woods area stand at three, as of August 12, the same number that had been reported by this same time last year, according to Dr. Thomas S. Davies, director of public health in the district.

Registration of Students New to Public Schools Set For August 31-September 4

All School Offices To Be Open During Afternoon Hours Those Days; Orientation Program Planned at Junior Highs

The registration of pupils new to the Grosse Pointe Public School System will be possible at all school offices during the afternoon hours of the week August 31-September 4.

Newcomers to the school district may obtain information concerning which elementary or secondary school serves their neighborhood by contacting the central administrative offices of the school system, (Telephone TU 5-2000, Extension 33), 389 St. Clair.

Parents of students are advised that a copy of the pupil's birth record is required to make a complete registration. In addition, a record of previous school experiences, such as the most recent report card, is desirable as an aid to the school staff in making a proper grade placement. In the case of a senior high school student, parents should also ask officials of the last school attended to send an official transcript of the student's record to Grosse Pointe High School.

Others Already Enrolled
Students in attendance in the Grosse Pointe Schools last spring are already enrolled. They will be advised later in the month by mail of their room and teacher assignment for the fall term if not already known. Thus, they will be able to report directly to the proper place when school classes begin, Thursday morning, September 10.

Four Injured As Car Crash

Four persons were injured, none seriously, in an accident at Moross and Lakeshore on Sunday, August 16 during an afternoon rain shower.

Registration of Students New to Public Schools Set For August 31-September 4

A Sarnia family found themselves stranded in the Pointe after their car was towed from the scene of the accident.

Gas Thefts Get Teeners In Trouble

Tipoff Enables Police to Nab Trio with Siphoning Equipment

A phone call from a citizen reporting to Woods police that boys were prowling in the area near Charlevoix and Hollywood resulted in the solution of five Warren, Michigan gasoline thefts Thursday, August 13.

Ernest Brosch reported the prowlers at 1:45 a.m. When police investigated they found a 1952 Ford occupied by two 15-year old juveniles, a boy and a girl.

After further search they discovered Stephen Maczynski, 19, of 20560 Barlow, Detroit, hiding in the bushes at 1492 Hollywood.

Maczynski asked the officers the time and claimed that his car had broken down at Eight Mile and Harper. He said that he was walking to his aunt's house to spend the night, but was unable to give her address.

Police returned to the car and asked the occupants if there was anyone else with them. Maczynski was in the car and he now was taking a walk, was the response.

Maczynski denied knowing the pair until the boy in the car admitted knowing him.

The threesome was taken to the Woods police station. When police searched the car they discovered a siphoning tube, a large can which smelled of gasoline, several tools, and a suitcase containing clothes.

Brosch stated that he had last seen the boys carrying a large can and flashlight.

Admits Five Thefts
After spending some time at the station Maczynski admitted siphoning gas from five vehicles in Warren. He was turned over to Warren police after the confession.

Maczynski had been involved in destruction of property and siphoning gas in Warren in 1958, and had paid \$100 restitution.

The fifteen year old had stolen a car two years ago and was on two years probation.

Park Road Repairs Program Costing \$72,928 Nears End

Seven Streets Improved by Resurfacing; Police Warn Drivers Speed Watch Has Been Established on St. Paul

The Park's \$72,928 road resurfacing program will be completed sometime this week according to City Manager Robert Slone.

The resurfacing, which started in July includes work on parts of St. Paul, Barrington, Maumee, Kensington, Beaconsfield, Wayburn, and Bedford.

The job consisted of putting a 1 1/2 inch base coat of bituminous asphaltic concrete on the streets and capping this with a one inch coat of a finer grade of the same material.

Slone said that the added coating had been feathered towards the curbs to retain as much curb as possible.

Largest in Years
The amount spent on roads this year was the largest amount spent in recent years. The city usually spends about \$30,000 on curb replacements, and \$30,000 on street repairs in contract work each year, he said.

"This winter was so hard on the roads that it was necessary to spend all the money on roads this time," Slone mentioned.

The decision on which roads to resurface was based on their state of disrepair and the amount of traffic which traveled them.

According to Slone, some of the Park's streets will receive a resurfacing treatment later this year, similar to work which has been done in the Farms.

The Louis Garavaglia Contractors Inc. is doing the resurfacing. They won the job in competitive bidding in June.

Speeders Warned
Park Police Chief Arthur E. Louwers warned that a speed watch will be in effect on St. Paul this month.

"Since St. Paul has recently been resurfaced between Wayburn and Cadieux we anticipate an increase in the street's traffic. We want to give citizens a fair warning to drive within the speed limit, which is 25 m.p.h.," he said.

Baby Survives Snort of Polish

Little Susie Cehula, 15 months, daughter of the Joseph Cehulas of 1422 Maryland avenue, was taken to Bon Secours hospital Tuesday, August 11, after she swallowed some furniture polish.

A baby sitter, Linda Anderson, the Cehula's niece, also of Maryland avenue, called the Park police for help. They took the child to Bon Secours where she had her stomach pumped.

Suzie was released from the hospital that night, but the following morning, after examination by her family physicians, the child was taken to Cottage hospital for an inflammation of the lungs. There, she was put on anti-biotics and was under observation until Saturday, August 15, when she was sent home.

Recover Stolen Bike
Woods police recovered a stolen bicycle on Wednesday, August 12, which Edwin Gay of 1554 Hawthorne had reported stolen, on August 10.

Boat Mooring Facilities Discussed by Park Council

The Park Council Monday night approved payment of a \$37,239 bill to the A. J. DuPuis Company for the Waterfront Park pier extension.

The bill, which was approved at the meeting on Monday, August 10, represents 85 percent of the city's remaining debt to the construction company.

The total contract was for \$120,500. An additional \$475 was added when City Manager Robert Slone asked the construction crews to remain an extra day and install ladders, which will be used to facilitate rescuing persons, if they fall from the seawall.

Bandits Get \$340 in Park Bar Holdup

Pair Take Away Cash in Paper Bag and Leave in Car Driven by Third Person

Two armed men held up the Baby Grand Bar at 15222 Charlevoix at 10:30 p.m. on Tuesday, August 11. They escaped with \$340.

Both bandits were wearing dark glasses and were in their middle thirties, Joe Dinardo, owner and bartender of the establishment, told Park police.

One of the bandits walked behind the bar and ordered Dinardo to put the money from the cash register into a paper bag, while the second man stood in front of the bar and held a gun on the customers.

Both men ran out of the bar, east on Charlevoix and south on Beaconsfield and entered a car occupied by a third person. The car drove away at a normal rate of speed.

The Park police detective department is investigating the hold up.

Riding Is Rough In Rumble Seat

There's a bounce or two left in the old bus yet! Two young men were injured on Sunday, August 16, while they were riding in the rumble seat of a 31 Ford coupe. And these are the days when today's youth thinks of rumble seats in terms of gang warfare! At least we thought so!

Bruce Balas, 19, of 19756 Ida lane, and Errol Foss 18, of 834 S. Brys walked into the Woods police station Sunday and asked to be taken to the hospital.

They were riding in the rumble seat of the Ford driven by John Thorne, 19, of 477 Fisher, when the car hit a bump in the road and the two boys went forward. Bruce put his hand through the car's window. Errol hit his knees against the rear deck lid.

The boys were treated by Dr. Clarence Candler.

Two Farms Councilmen Oppose Plan

Kirby and Bodman Vote Against Other Five Members on Proposed Zoning Amendment

The Farms Council dealt a crushing blow to the Grosse Pointe War Memorial Association's hopes for additional parking facilities at the meeting Monday night, August 17.

After an hour and half discussion between interested citizens and the council, a proposed amendment to the city's zoning ordinance was lost.

Any amendment to the zoning ordinance which covers an area in which 20% of the property owners object to the proposed amendment must be passed by the affirmative vote of 75% of the members of the Council.

Two Oppose Request
The amendment was lost when only five of the seven member council voted yes. Councilmen Henry E. Bodman II and William G. Kirby were the dissenters.

It would have redefined the front and back yards of the homes which border the lake between Fisher road and the start of Lakeshore drive.

Construction of an addition to the War Memorial's parking facilities was halted when it was found that the parking facilities did not conform to the Zoning ordinance which prohibits parking in the front yard.

In addition, Mrs. Julian Bowen, who lives in the home next to the parking lot had obtained a court restraining order on the work on the ground that the parking lot is a nuisance.

It was the second time the War Memorial Assn. had asked for assistance. Last October the Council, meeting as a zoning board of appeals, unanimously refused an exception to the ordinance when the city attorney ruled that it did not have the power to grant the exception.

The second attempt was made because of the million dollar bequest of William Fries, which will possibly be used to build an auditorium addition to the property.

Reviews Events
Thomas Munson, representing the War Memorial Assn., reviewed the happenings since the Association had been refused the first time.

"We thought that we had done everything we could to protect our neighbor, Mrs. Bowen, but not everything had been done in exploring a joint arrangement with the Memorial Church and the Grosse Pointe Club," he said. "We have since engineered an agreement which puts on paper the cooperation which we have enjoyed in the past."

"But when Mr. Fries' bequest became known the War Memorial began to reevaluate the situation. We had two mountains to climb; the zoning ordinance and the nuisance case which is still in the courts."

Plans drawn by a noted landscape architect and traffic engineer Lloyd Reade were all refused by Mrs. Bowen, according to Munson.

Parcells Cites Needs

Charles Parcells, Jr., president of the War Memorial Association, spoke about the parking needs. "There were 120 to 125 occasions last year when we had over 200 people attending functions at the War Memorial and we have only 65 spaces in our lot," he said.

"Our need is so great that we must ask for reconsideration," he continued. "The War Memorial is a very important part of our community."

In answer to a question by Councilman Bodman, Mr. Parcells said that he anticipated no significant change in the War Memorial's total use, but that the additional parking would make possible the better accommodating of the present users.

"We're talking about a potential of 200 spaces," he said. "Last fall we asked for 50 or 60 additional spaces."

London East Swept by Fire With Damage Heavy

(Continued from Page 1) years that I have seen water pouring out the front of a burning building in the Pointe," Chief Mason commented after the fire.

Heat and smoke hampered the fire department's efforts. The fire which started in electrical wiring in the ceiling in the dish

washing area was confined to the roof area.

Water, Smoke Take Toll

It raged in the three foot thick area between the roof and the false ceiling. No damage was caused by the flames below the ceiling but water and smoke damage to the building's arti-

facts, interior, food and liquors was extensive.

Harold Warner, President of National Fire Loss Adjustors, who are handling the loss estimated the loss to interior values in excess of \$100,000 and damage to the building in the vicinity of \$50,000.

"Just to give you an idea of the size of our loss, the chairs in the dining room alone are worth \$150 each," he said.

Field Discovered Blaze

Farms Patrolman Earl Field discovered the fire when he was making his rounds through the "Hill" shopping area at 8:14 a.m.

"I noticed smoke seeping through the bricks and coming from the roof in the area between the building and Pointe Tire," he said.

"I ran around to Pointe Tire and asked its owner, Mike Romanchuk, to check his building for fire. In the meantime I forced the door at London East and found it filled with smoke. There was a crackling noise in the false ceiling."

"I had called the fire department before entering the building," he said. Field searched the restaurant and discovered Josef Billo, 49, and his wife Anna, 55, 6344 Gladys Ave., Detroit, who were cleaning the building.

Forcibly Removed

The pair refused to leave the building and had to be removed by force. Brillo and his wife, who immigrated from Germany in 1956, were very confused by all the proceedings.

They had been working since 7:30 a.m. and were unaware that the building was on fire. "We smelled smoke but saw no burning," Brillo said.

"The building had been unattended from 2 a.m. Sunday morning until the Brillios came to work.

Lester Gruber, owner of the restaurant, said that he was very pleased with the performance of the police and fire departments in fighting the fire.

"Police called me at my home to tell me that the building was burning," said Gruber, who lives at 8120 E. Jefferson in Detroit. "I was shocked."

"When I arrived at the scene and saw the heavy streams of water being poured on to the roof I knew what kind of trouble we were in."

To Rush Reopening

"We are hoping to be able to reopen in two months," he said. About 80 per cent of the 45 employees will be laid off and the rest will be absorbed at the Caucus Club and the London Chop House which Gruber, his brother Sam, and brother-in-law Sam Woolf also own.

Gruber said that when the place is renovated, extensive remodeling would take place. "We will try to benefit from what we've learned in the last three years," he mentioned. "It will be a new glamorous place with a very warm atmosphere."

London East was opened in February, 1956, after Gruber and his associates had spent \$225,000 remodeling the Punch and Judy lounge which formerly occupied the site.

Importing Liquor

All of the liquors are being inspected by the Michigan Liquor Commission and placed in a bonded warehouse until the spot can be reopened. Food in the locker freezers was not affected by the blaze. The Grosse Pointe Woods

fire department stood by at the Farms station during the fire. The Shores department covered the Woods and the Park had equipment on call for the Park and City.

The Pointe Tire Company and Trall Pharmacy, the buildings on either side of London East were undamaged.

Four paintings loaned to Gruber by Mrs. Paul Paray were not destroyed. Neither was a very valuable statue of St. Vincent, patron of wine bibbers.

Traffic Cases Heard in City

Five traffic cases were tried before City Judge Joseph P. Uvick, on Wednesday, August 12.

They were: Francis Pranter of 15092 Camden, Detroit, charged with reckless driving. He was found guilty and paid a \$25 fine.

Mary K. Williams of 231 McKinley avenue pled guilty to not having her car under control. She paid a \$5 fine.

Charles H. Bowman of 4630 Lemay, Detroit, pled guilty to not having his car under control and paid the fine of \$10.

Buster Starnes of 301 N. Wilson, Detroit, pled guilty to not having his car under control. He was found guilty and paid a fine of \$25.

Alice Paulette Neil of 2156 Philip, Detroit, pled guilty to not having her car under control. Her sentence was suspended.

INJURED IN FALL

Norman C. Linnewerth called City police to take his wife to Bon Secours after she fell and hurt her ankle in their home at 821 Neff road. The officers returned her to her home later that evening.

Registration of Students

(Continued from Page 1) tem in September than departed in June.

The total expected in the 10 elementary schools and four secondary schools is 10,500 pupils. In some instances these added numbers will aggravate an already serious condition of overcrowdedness. Several elementary schools are being forced to take emergency measures this fall, such as transferring pupils out of their district or curtailing parts of their program.

Increased numbers of pupils beyond those planned for now will soon make even these meas-

ures inadequate. School officials say that undoubtedly a program of expansion will soon be necessary if the quality of the school program is to be maintained equitably throughout the school district.

BIKE WHEELS SWITCHED

Yokie Moy of 2265 Allard complained to Woods police on Wednesday, August 10, that her bicycle had been stolen from Yokie's Tearoom, 19443 Mack. Police recovered it later in the day on Brancaster between Allard and Stanhope. The rear wheel had been exchanged

Its Enduring Worth ... will say "Yes" to your heart!

There can be no more eloquent testimony to a Cadillac's enduring value than the personal experiences of Cadillac owners. Time after time owners have expressed delight and amazement at the car's resale value. Even second and third and fourth owners find—as they pass the car along—that an unusually high percentage of their investment is returned. There's a great deal more to the Cadillac economy story—why not let your dealer acquaint you with all the facts? They'll say "yes" to the dream in your heart!

Burglar Breaks Into Park Home

A burglar broke into the home of Dr. Warren G. Hardy at 1021 Buckingham sometime between the hours of 6:50 a.m. and 7:25 p.m. on Monday, August 10, while the Hardys were out of the house.

Entrance was gained through an unlocked basement window after a screen had been removed. The burglar used a tool to force the basement door and enter the main part of the house.

Stolen were six pieces of jewelry valued at at least \$1,300 and a camera valued at \$120.

Park Police Chief Arthur Louwers commented: "We again urge everyone to report suspicious persons around homes when people are known to be away, or at hours when it would not be likely that people would be up. We are willing to answer any call at any time."

Victims of Freak Accidents Able to Laugh at Each Other

By John Hammond

"John, I'm thinking of buying a new car in the fall; I'll sell you mine if you're interested. Believe me it's in wonderful shape," Farms Pier Director Ed Lauer told his friend John M. Chase, Jr. three weeks ago.

It was the day after, a 17-year-old car thief, fleeing from Detroit police, had hurtled into the Farms Pier parking lot at 70 m.p.h. and had hit the left rear side of Chase's parked 1954 Ford. Damage to his car was over \$350.

When Lauer, who is St. Paul High School's director of athletics, walked out of church at 8:30 a.m. on Wednesday, August 14, his above mentioned car was not parked on the south side of Lakeshore drive where he had left it.

Instead three police cars met his eye.

"Oh no! It's not in the lake!" he thought.

But luck wasn't with Ed Lauer. His car WAS in the lake.

It had just been hit by a moving van owned by the Wolverine Storage Company, knocked up over the curb and into the lake. The car was a total loss.

Police were issuing a ticket to William C. Atwip, 1149 Dickerson, Detroit, for not having the truck under control. Atwip said the moving van, which was fully loaded at the time, had faulty steering.

A boom-type wrecker removed the car from the lake and took it to be put in storage until Lauer can decide what to do with it.

It's a cinch that John Chase doesn't want it.

His first words to Lauer were "Welcome to the club, Ed. It's nice to have you aboard!"

In his usual good natured manner he began to tease Lauer about his bad luck. The genial Lauer had been among the most vocal of those who razzed Chase about his misfortune, and now the shoe was on the other foot.

"Do you like driving your car side ways?" Lauer had chuckled. "Or did you get a ticket for reckless parking?"

"Your car's got the lines the likes of which I've never seen before. Where'd you have the work done? Etc. Etc."

"Are you going to enter your jalopy in the high or low board diving this weekend?" Chase teased, referring to the diving meet which was held at the Farms pier on Saturday.

"Send it out for the swimming team this year and I promise that I'll look it over very carefully," said Chase who coaches St. Paul's swimming team. "Which stroke can it do best, the back, breast, or free-style?"

"I'm going to warn the kids about what they might catch, when I announce the Fishing Rodeo," he chuckled.

Lauer had plenty to moan about, but he took it all very well. He had driven the car, a 1954 Plymouth, very little and it had less than 25,000 miles on it when it was wrecked.

He is hoping to retrieve its value from the trucker's insurance company. Chase will be lucky if he ever gets paid.

Since the car which hit his was stolen, its owner was not liable. This leaves the unemployed youth as Chase's only chance to be re-imbursed.

"You're a lot more selective about who hits you than I am," he conceded.

And Chase who is an Assistant U.S. District Attorney and lives with his wife, Barbara, at 28 Beverly, had the last word.

"Ed, I've got a slightly dented '54 Ford that I'll sell you cheap. Are you interested?"

To Hold Hearing On Church Plea

The matter of the Grosse Pointe Unitarian Church versus the residents of Rathbone place came before the City Council again at the Monday, August 17 meeting.

Petitions have now been drawn up and signed in objection to the church's plans for expansion and building, and to the exception to the zoning ordinance that was allowed by the Council because of a hardship case on the part of the church.

"In order to work out the problem in the best interests of everyone, the Council set the night of September 8 as the date for a meeting of all interested parties. The meeting is to be held in the Neighborhood Club

"It tastes too good to be true!"

A delightful, natural way to help relieve **KIDNEY-BLADDER DISCOMFORT!**

You see, Mountain Valley Water has been "enjoyed" by thousands of kidney-bladder sufferers for over 76 years... enjoyed for its light, refreshing taste, for the relief from pain and irritation it helps bring. It is truly nature's perfect water "produced" by the famous spring at Hot Springs, Ark. Non-filling and non-laxative, Mountain Valley never causes after-effects or stomach upset. And users say it tastes so good it's a pleasure drinking the 6 to 8 glasses-a-day recommended! Many, many physicians testify to the value of MOUNTAIN VALLEY WATER as adjunctive therapy for the improved kidney action that so often results in relief from kidney-bladder discomforts. They say, in effect, "Mountain Valley tends to regulate kidney action" . . . and equally important, patients ENJOY drinking it!

As one doctor put it, "Mountain Valley Water would not do anybody any harm. It would do an awful lot of good." Still other doctors attest to its beneficial diuretic effect, the way it flushes kidneys and regulates their action in both sluggish and over-active conditions. Why not ask your own doctor! Also, why not ask your neighbor right here in Grosse Pointe? Someone very near to you, you may be sure, drinks only Mountain Valley water . . . delicious Mountain Valley water!

Try a Case of Delightful Mountain Valley Water. It Tastes So Good!

Boys Are Not a Sideline Here!

Some men's stores "also carry" boys' clothing. But that hardly describes Harry Suffrin. Each of our three Boys' Centers is a complete store in itself, with special sections devoted exclusively to Juniors, Cadets, Students and Husky boys. We can fit every boy from first grade to high school senior in everything from hats to shoes. Does that sound like a "sideline"?

Add personnel who know boys' clothing. Experts, not novices. Add fitting and alterations by the same experienced people who service our men's clothing. It all adds up to this: here at Harry Suffrin, your boy is the main event.

Youth Center — Second Floor

—Photo by Fred Runnells
 LITTLE SANDRA FRISBIE, 22 months, her parents, MR. and MRS. IVAN FRISBIE and "A FRIEND," pose a few days after Sandy underwent a successful heart operation at Bon Secours hospital. Sandy's tearful expression is because of the photographer's white shirt. She thought he was another doctor coming to look at her.

Delicate Heart Operation Assures Child Normal Life

Two of the happiest and most thankful people in the world right now are Mr. and Mrs. Ivan Frisbie of Warren.

And the happiness is not without good cause for their 22 month old daughter, Sandra, the victim of a congenital heart defect, has a chance now to live a normal life.

A cardiac team of five doctors at Bon Secours hospital, after much preliminary study, performed an operation on the little girl on August 5. None of the doctors wanted his name used.

Sick for most of her short life, Sandy had been in the hospital four times from various causes. The Frisbies' family physician diagnosed the case as a congenital heart ailment. There was abnormal communication between the right and left sides of the heart. Sandy's chances of living without corrective surgery were almost completely negative.

To perform the operation, special equipment, not available in many hospitals, was required. Luckily, Bon Secours is among those that are properly equipped. The operation was completely successful. Led by the family physician and the surgeon, the team of five doctors deserves much praise.

"We are so grateful; if we had a million dollars, we would give it to Bon Secours," said Mrs. Frisbie. "Thanks to them and to all the wonderful people who prayed for Sandy, she will be all right. We couldn't be happier."

Mr. Frisbie, 26, known as Butch to his friends, is a native of Detroit. He works for the Detroit Free Press. Mrs. Frisbie, also 26, is originally from Toledo. They live at 27440 Santa Anna drive in Warren. And when Sandy comes home from the hospital, she will have her older sister, Patty Jo, to play with. Patty Jo will be 3 in September, Sandy, 2, in October.

the association accepted the property.

"When the same people who use the War Memorial go to the ball park, movies or to church they often have to walk several blocks after parking and often must pay for the parking besides. I see no reason why the Association must furnish parking on its front doorstep," he said.

Mayor William F. Connolly wanted to know where they would park in this case. "In the High School parking lot," Watkins replied. "This is a possible solution."

Lot Already Used

Ruth Flom, dean of girls at the High School, stated that the High School parking lot is always filled on school days, and at night due to adult education classes, basketball games, dances and other activities.

"The council has received all sorts of letters from citizens favoring the parking lot," Watkins said. "But not one of them came from within gunshot of the War Memorial. It doesn't hurt them a bit."

"We are not fighting the Association itself," he continued.

Rebuff Center Parking

(Continued from Page 1)

a village, told the council that he could see no significant change in the War Memorial's situation, which would warrant reconsideration of the amendment.

"The present proposal states no new facts except the matter of the Fries bequest. Formerly they wanted to use the east side of the lawn for parking; now they want to use the whole front yard," he said.

"It is therefore unreasonable of them to take the council's time again and to put the neighbors to the trouble and expense of protecting their property rights from unwarranted invasion."

He felt that the future plans given to council by the War Memorial were too nebulous for consideration. He gave what he called the "seven realities" of the situation.

Most Residents Opposed

These included the fact that all of the private property owners along the lakeshore with the exception of one were opposed to the change in the ordinance and that a parking lot would be an eyesore compared to the beautiful front lawn.

He added that the Association gets tax-free benefits while the surrounding taxpayers help foot the Farms tax bill.

He stated that Mrs. Bowen had acquired her property by purchase in 1945 and had built in 1948 and 49. The War Memorial acquired its property by gift in 1945 and the zoning law was passed in 1948. Therefore it was previously in effect when

"We want them to use what they have within reason."

Jack Short, who lives across the street, stated that he was among the few neighbors who favored the parking lot. He said that he preferred the automobile traffic to the foot traffic pass his home.

Parcels offered to guarantee the removal of the present parking lot and the planting of a tree shield 30 feet thick for Mrs. Bowen if the ordinance was amended.

Called Special Issue

In discussion among the council before the matter came to a vote Bodman said that he felt that this was special interest legislation and that it was bad to make exceptions except in the case of municipal or public use. This a social organization, he felt.

"Everyone I have spoken to thought a parking lot at the War Memorial was fine until I asked them if they wanted a parking lot next door to their home," he said. "Then you should have heard them!"

Police in Woods Halt Solicitors

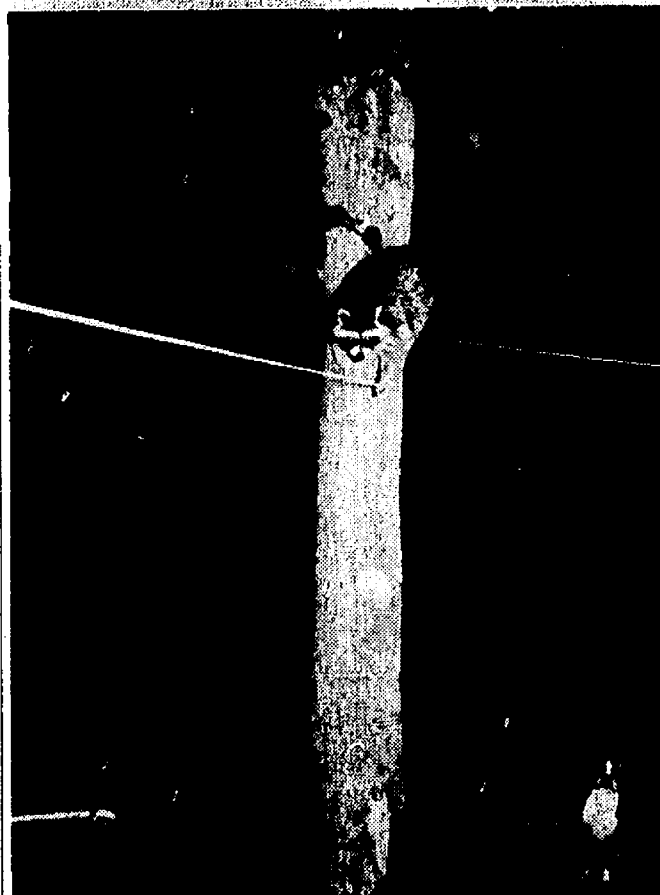

After a complaint by W. Durand of 1723 Aline, Woods police picked up two men who were soliciting in the area near Mack and Roslyn and brought them to the Woods police station.

Edward Burdick of 5121 Dudley, Dearborn Twp., and Edward Barber of 18400 Winston, Detroit, were released after police read them the ordinance concerning solicitors.

CAR FIRE DOWSED

Woods police extinguished a fire in a car driven by Mrs. Audrey Dawson of 21200 Norwood while it was parked in the rear of the Food Fair market on Mack Ave. The fire was under the dash board and was caused by defective wiring.

Prowlers Cause Excitement

The backyard of the William Sellheim home at 944 Hidden lane was the scene of much activity one night recently when a mother raccoon and her two youngsters came to call. "Candy," a neighbor's miniature Boston bulldog, was among the more interested spectators as Mother did a high wire act to protect her offspring. They took refuge in the crotch of the tree above. After Mr. Sellheim took the pictures, all retired to let the nocturnal visitors scamper to freedom. The property adjoins the Vanderbush farm and the raccoon family is probably finding the pickings fine at this time of year.

Drainage Odor Gripe Studied

Following a complaint about drainage odor in the Milk river drain, and about the measures taken against rats, Woods City Administrator William H. Lange provided the Woods council with a schedule pertaining to both, at the August 17 meeting.

Mark Lousch of 19952 Emary Court, complained at the Woods council meeting of August 3 that there was a jack of rat control and a displeasing odor coming from a drain next to his home. Mr. Lange promised to provide the schedule dealing with both, at the next council meeting, which was Monday, August 17.

For the past few years, the department of public works has investigated the area each Tuesday or Wednesday, after tree branches and other debris were cleared from the drains. Then if necessary they have recommended the application of a blanketing agent (deodorant) in the area, and also the distribution of "warfren," a rat poison in open rat dens.

It appears that August is the month in which the most complaints about the odor are lodged.

Mr. Lousch had asked that the drain near his home be filled in, or that some measure

be taken to get rid of the bottom is presently so soft and odor. Mr. Lange explained to the council that at present, such a thing would be impossible. The condition of the river matter.

Posts \$125 Bond For Bad Driving

Matthew A. Siecnski, 24, of 314 Jewel street, Ferndale, told Shores Patrolman Harry Hamilton that he was speeding 70 m.p.h. on Lakeshore because he was mad at a driver who was doing 25 m.p.h. in front of him.

Patrolman Hamilton took a dim view of Siecnski's excuse and issued him a ticket for reckless driving.

Hamilton said that he was cruising south on Willison road at 7:30 p.m. on Friday, August 14, when Siecnski's '56 Ford passed him at a high rate of speed. He pursued the car at 70 m.p.h. as it cut in and out of heavy traffic.

Siecnski claimed that he had left work at 5:30 p.m. at 12 Mile and Jefferson and had had two beers on the way. Officers said

that he smelled of intoxicating liquor and his talk was slurred.

He was taken to Shores police station where he was released on a \$125 bond posted by his wife.

Boat Moorings

(Continued from Page 1) Slone reported that he is in the process of making a study on the subject.

Councilman Kent Zimmerman said that the main dock structure had been erected at the expense of taxpayers and that they should not be asked to pay for the additions necessary for boat mooring.

Slone reported that the new sea wall would be painted in 1960.

Cottage Hospital Making Changes

Work on extensive interior alterations of Cottage Hospital of Grosse Pointe was begun this week.

When completed early next year, the changes will provide new elevator service from the basement to the third floor and major redistribution of space on the third floor. Present elevator service ends at the second floor.

Three rooms on the first and second floors will be made available for patient care through the installation of sleeping accommodations and a lounge for resident physicians and anesthetists on the third floor.

A new conference room will be created on the third floor, so constructed as to be convertible into two rooms for classroom instruction and meetings.

An office for the director of the volunteer group of the hospital will be built into the third floor, as well as a small locker room for volunteer workers. The employees' locker room also will be moved to the third floor from the first level, with the vacated space on the ground floor to be made into a medical staff library.

OBITUARIES

MRS. LOUISE H. FLETCHER
Mrs. Louise Hecker Fletcher passed away at her home at 512 Rivard boulevard Thursday, August 13, after a six weeks illness. Born in Kingston, New York, July 6, 1874, Mrs. Fletcher lived in Detroit for 50 years.

She was a member of Christ Church, the Grosse Pointe Club, and the SanKaty Head Club in Sionsconset, Mass.

She was the wife of the late Theodore G. Fletcher and is survived by one daughter, Mrs. Ardale V. Golding of Paris, France, one son, Charles H. Fletcher, and one brother, Christian H. Hecker. She had eight grand children and nine great grand children.

Her funeral was held at Christ Church Saturday with burial in Woodlawn Cemetery. Memorial gifts may be donated to any charity.

JOHN A. LADINO
Mr. Ladino, 79, of 1013 Nottingham road, died Wednesday August 12 at the Mary L. nursing home.

He is survived by his children John E. and Marcia, and three brothers, Benjamin, Emil and Harry.

Services were held Friday, August 14 at St. Ambrose Church and burial was in Mt. Olivet cemetery.

JAMES M. MULLANEY
Mr. Mullaney, 67, of 385 Hillcrest road, died Wednesday, August 12, in Woman's hospital. He was active in the building and loan field, and in the Veterans Administration.

He is survived by his wife, Inez, his children Lt. James M., U.S. Navy and Katherine, and one grandchild.

Services were Monday, August 17 and burial was in Mt. Olivet cemetery.

FRED W. PEARCE
Mr. Pearce, 74, died Thursday, August 13, at Cottage hospital. He lived at 15990 East Jefferson.

Born in Pennsylvania, he entered the amusement park business in 1902. He was the owner of the Walled Lake Amusement Co. and built Jefferson Beach Park. He was "dean of the roller coaster business." He built them throughout the United States and Canada. The one at old Riverview Park at the approach to Belle Isle is believed to be the largest ever built.

He is survived by his wife, Marian, and five children, Mrs. Charles H. MacMahon, Jr., Misses Elizabeth, Julie, Kathryn and Martha, and Fred W. Jr.

Services were Monday, August 17 and burial was in White Chapel cemetery.

CAROLYN M. HALLENBECK
Miss Hallenbeck, 21, of 85 Handy place, died Sunday, August 16, in Ocean Hospital in Hart, after a long illness. She was the daughter of Mr. and Mrs. Walter Hallenbeck.

Miss Hallenbeck had completed her junior year at Albion College where she was an outstanding student in mathematics.

She is survived by her parents and a sister, Judy.

Services were yesterday, August 19 in the Lutheran Church in Hart. Burial was in Hart cemetery.

BASIL D. CRIST
Mr. Crist, 59, of 1610 Torrey road, died Saturday, August 15 in Deaconess hospital.

He was a native of Muskegon.

He is survived by his wife, Helen F., daughter Mrs. Robert Marray, his mother, Mrs.

Mable Crist and two grandchildren.

Services were Tuesday, August 18 and burial was in White Chapel cemetery. In lieu of flowers, memorials to the Heart Fund are suggested.

ERNEST SCANES
Mr. Scanes, 77, of 281 McKinley avenue, died Saturday, August 15, at his home.

Born in London, England, he was the widower of the late Elizabeth Scanes.

He is survived by a son, Ernest W.

Services were held Monday, August 17 and burial was in White Chapel cemetery. In lieu of flowers, memorials to the American Cancer Society are suggested.

DR. ADOLPH G. STUDER
Dr. Studer, 91, of 715 Trombley road, died Sunday, August 16, in Bon Secours hospital.

Born in Montreal, Dr. Studer came to Detroit at 19 and worked in a hardware store. He joined the YMCA and became the assistant physical director. In 1893, he received his MD from the old Detroit College of Medicine.

For 43 years, he served as the general secretary of the YMCA and in that time saw the youth program grow both facilities and membership. He also helped to found the Detroit College of Law, Detroit Institute of Technology, and

Prowler Visits Home in Park

A prowler broke into the home of Robert Peebles at 715 Lakepointe avenue, on the evening of Wednesday, August 12, and thoroughly searched the home.

Peebles told Park police that he left his home at 7:30 p.m. and returned at 10:25 p.m. to find that it had been ransacked. Drawers had been pulled out all over the home.

Entrance was gained through an unlocked bathroom window at the rear of the house. A list of the missing items was not available.

Michigan Assisting Auto Accident Injury Research

Michigan is a huge, state-wide laboratory helping to study how best to reduce injuries in highway traffic accidents.

The research is being conducted by the Automotive Crash Injury group of Cornell University and was described by John O. Moore, its director, in a special interview as part of a series of reports currently being issued by Michigan State University's Highway Traffic Safety Center.

"Michigan is one of 17 states contributing data from actual accidents," Moore explained. "In Michigan, physicians throughout the state, the State Police and the Department of Public Health are all cooperating by reporting on highway traffic accidents and injuries. They're helping us make the highway itself a vast laboratory so that we can study this 'disease' of automobile crash injuries in massive quantities."

Moore continued by explaining the importance of a large volume of data upon which to base the studies.

"In studying death and injuries resulting from actual accidents, there are a large number of factors and variations to take into account—ages, heights, weights, types of automobiles, kind of highways, times of day, conditions of road surfaces, and many others."

"Unless we can get massive information, we don't know whether we're examining the exceptional case or the commonplace."

Moore compared crash injury research with medicine or law. It must identify common events and treat or remedy the most common events for the good of the largest number of persons before it gets emotionally concerned with exceptional events that happen to only a few.

Moore cited areas covered by the Cornell study based on presently available data—safety factors of the small vs. the large car, the risk of ejection from the vehicle, and the dangers of striking objects within the car when thrown about by the impact of a collision.

Small automobiles seem to be rolling over about twice as often as heavier, American size cars.

Based on physician's reports, less injuries result when a small car overturns than when a heavy car rolls over.

Heavier cars, however, become involved more often in non-overturn accidents such as collisions—80 per cent of the time as compared with 40 per cent for the light cars.

In non-overturn accidents, heavier cars produce less injuries than the small cars.

It is not known at present whether the small car's tendency to roll over is a function

of engineering stability of the vehicle or the behavior of the driver. More data is necessary to establish this point.

Researchers, however, have reason to suspect that the person who buys and drives a small foreign sports model is a different behavioral person than the one who owns a 4-door sedan.

Moore emphasized that the researchers are not concerned whether the vehicle is of American or foreign make. Injuries resulting from an accident are studied on the basis of the gross weight of the vehicle involved. Gross weight determines the amount of energy that must be dissipated when an accident does occur.

This is the energy that tosses occupants around inside the car or throws them out of the vehicle.

Comparing vehicles on the basis of gross weight is a more accurate research approach and leads to a less emotional viewpoint than do the terms "foreign" and "American," Moore maintains.

Moore pointed out the following conclusions that can be drawn from the Cornell research:

The most significant event in an accident as far as injuries are concerned is what happens to the occupants. Are they thrown about inside the car? Are they tossed out of the vehicle?

New type door locks, installed by American automobile manufacturers since the 1956 model year, are helping reduce injuries caused by being thrown from the vehicle.

Today, almost one quarter of those owning automobiles have some protective devices on their vehicles—new steering wheel design, dashboards padded with energy absorbing

foam plastics, and seat belts. Seat belts, if properly installed and used at the time of the accident will reduce risk of being hurt or badly injured by 60 per cent.

Moore stated that injury in an accident depends pretty much in most cases on what the human hits inside the vehicle and how that item he hits is designed.

In looking forward to even greater reductions in automobile injuries in the future, Moore said:

"If we build automobiles that package people as we package goods in the rest of our transportation system, I am quite certain we can look forward to the day when we have an increased mobile system with less toll in human suffering and loss of life."

"We will be able to move more people more places faster than we have ever done before. At the same time we will be able to avoid the death dealing, injury producing results of this mobility—mobility we must have to live in today's and tomorrow's society."

Landlord Finds Roomer Dead

A roomer at 1422 Nottingham was found dead by his bed Thursday, August 13, by his landlord Corrado Urli.

Park police said that the dead man, George J. Barrailer, 1, had lung cancer and was possibly tubercular.

The body was turned over to Wayne County Medical Examiners office whose investigation ruled out foul play.

LONG CHANCE Place all the cars in the world end to end, and some wise guy would try to pass them.

'Buddy' Melges Captures Mallory Sail Race Series

Good looking Harry "Buddy" Melges, of the Inland Lakes Yachting Association in Wisconsin, captured the Region 6 Mallory semifinals sailed on Lake St. Clair, Saturday and Sunday, August 15-16, when he beat Henry Cawthra, of the Detroit River Yachting Association, in the two boat match race sailoff to crack the tie that existed at the end of the four race round robin series.

Melges and his crew of Jack Sheather and "strongman" Dick Reynolds will now travel to Kemah, Texas, to represent Region 6 in the finals for the Men's North American championship. This will be Melges' third trip to the finals.

It was an uphill battle for the Badger skipper. In the first race Cawthra and his crew of Arno Neumeier and Otto Scherer, Jr., took a one and a quarter point lead over the six mile modified Gold Cup course. Some beautiful spinnaker work in the 10 to 12 mile an hour south-southwest breeze gave him a two hundred yard victory.

The heavy downpour had flattened the sea and the wind had dropped to a mere six miles an hour. This, on the past performances in the series appeared to be a break for Cawthra, who had won both the races which were sailed in the lighter breeze.

As the two boats jockeyed for position at the starting line the judges flew code flag "U" indicating a triangular course which could be shortened if the second storm, seen in the west, materialized.

With four minutes to go to the start, suddenly Melges dropped his mainsail. Technically the judges could have continued running out the clock to the starting gun, but didn't when it was learned the halyard fitting had come loose. A fifteen minute postponement was given and "strongman" Dick Reynolds climbed hand over hand up the spar to retrieve the errant halyard. It was a remarkable feat because the Crescent sloop mast is aluminum and was wet and slippery from the rain.

On the restart Melges, just as he had done in the previous two races he had won, jumped on Cawthra and held him in his lee until he was able to work out a narrow margin at the weather mark on the triangular course. Actually the race was over there, but the DRYA crew tried every trick in the bag to close the gap and were still trying vainly until Melges got the winning gun. Cawthra's crew finished thirty seconds later.

Melges' winning total was 18 3/4 points as compared to Cawthra's 17 1/2. He was followed by the Ohio Inter-Club Yachting Association with 7 and Inter-Lake Yachting Association with 5 points.

The committee boats were provided by Commodore William Ward, of Bayview Yacht Club, Frank Miller, of Grosse Pointe Sail Club and Stanley Puddiford, of Crescent Sail Yacht Club.

The judges and timers committee was made up of chairman Dave Davenport, Phil Philip, Arnold Fuchs, George Cossaboom, Wilbur Smale, Don Fairchild, William Noah, Arthur Rautenberg and Robert Benkert, DRYA vice and rear commodore respectively. Commodore Benkert also was in charge of all the cup races conducted by the DRYA this season.

A big vote of thanks should go to the owners of the Crescent sloops used in the series and to Dick Hill, the builder of the yachts, who made the arrangements for the use of the boats.

Builder Reports Tools Stolen

Booker T. Goins, 3935 McDougall, Detroit, complained to Farms police on Monday, August 17, that a number of tools were taken from a construction job at 404 Fisher.

He said that sometime after 4:30 p.m. Saturday a wheelbarrow, a trowel, a broom, a claw hammer, a level, and three shovels were taken from the rear of the garage.

Goins is a cement contractor doing work at the address.

FIND ABANDONED BIKE

Farms police picked up a boy's bicycle, which had been abandoned on the lawn of the Rae residence, 252 Kenwood on August 12.

Picture, no cut lines, by Fred Runnels

Crown Pointe's Diving Champs

Grosse Pointe has its first local fancy diving champions. Six individuals were crowned as champs at the First Annual Grosse Pointe Intercity Diving Meet held last Saturday, August 15, at the Farms pier.

Nineteen hopefuls competed and the point totals at the end of the afternoon showed that Shari Strachan, Marcia O'Connor, Cindy Shaw, Jack McMillan, Neil Kocsis, and Jim Elter had each one a title.

Judges Walt Collins, Jim Ketzler, and Dick Clarke rated each dive on a point scale from one to ten. In the 12 years and under and the 13 to 15 year age groups the divers each did three dives of their own choice. The 16 years and over group did four.

Twelve year old Shari won her title in the girls 12 years and under division on an 87.2 point total, after she scored consistently on her forward 1 1/2 somersault, forward somersault, and forward dive.

Graceful Marcia O'Connor beat out Barb Heels and Sally Fitzgerald for the 13 to 15 year title for girls.

Cindy Shaw of the Woods was the only entrant in the 16 years and over competition for girls. She did especially well on her jackknife and cutaway dives.

The only entrant in the competition for boys 12 years and under was Jack McMillan of the Farms.

Neil Kocsis won the title for boys 13 to 15 years of age by 19.1 points. He got increasingly higher awards from the judges on each dive. On his final dive, a cutaway, he got 7's from all three judges.

Jim Elter and Ken McAdams were more erratic in their neck and neck battle for the senior title. Elter chose four dives with degrees of difficulty, (the number which is multiplied by the judges' score to give the total award for the dive) over two, but only did his 2 1/2 somersault well.

McAdams was matching Elter's scores by getting higher awards from the judges on less difficult dives. Both did poorly on their final dive and Elter got the nod by a scant 2.8 points.

Farms youngsters won ten ribbons in the competition. The City's entrants won three and the Woods won one.

A crowd of approximately 200 persons was on hand for the occasion.

GIRLS

12 years and under

1. Shari Strachan, City, 87.2 points.
2. Mimi Kolojeski, Farms, 59.4 points.
3. Linda Campbell, Farms, 57.6 points.

13 to 15 years

1. Marcia O'Connor, Farms, 77.1 points.
2. Barb Heels, Farms, 67.9 points.
3. Sally Fitzgerald, Farms, 66.4 points.

16 years and over

1. Cindy Shaw, Woods, 85.0 points.

Boys

12 years and under

1. Jack McMillan, Farms, 87.1 points.

13 to 15 years

1. Neil Kocsis, Farms, 78.1 points.
2. Don Damsbury, Farms, 59.0 points.
3. Greg Tisdale, City, 53.0 points.

16 years and over

1. Jim Elter, Farms, 121.2 points.
2. Ken McAdams, Farms, 118.4 points.
3. Mark Stillman, City, 106.4 points.

ATTENDS TREE PARLEY

Vern Wool, Superintendent of Parks for the City of Grosse Pointe, is currently attending a convention and series of meetings at Detroit's Staller-Hilton Hotel, concerning the care and growing of shade trees. This has definite bearing on the problem of tree spraying.

Boat Banter

Clean sweeps were the rule instead of the exception in the sixty-sixth annual Inter-Lake Yachting Association regatta which reached its climax Wednesday, August 12 at Put in Bay.

Fourteen of the classes saw the winning skippers hoist brooms to the top of their masts and Henry Burkard, of Bayview Yacht Club, was one of them. Henry carried off top honors for the second year in succession in the Cruising A class.

Dick Hill, of Crescent Sail Yacht Club, was the other Lake St. Clair sailor to turn the trick in the Cruising class.

In all 195 yachts competed in the 20 classes and enjoyed perfect sailing conditions on each of the three days. Many of the skippers took off in search of competition in the South Shore and Port Clinton regattas over the weekend of August 15.

We remember when 195 boats would have been just a drop in the bucket during an ILYA regatta. That was back in the days when the Detroit yachts sailed the Deep Water race from the Detroit River light to the Bay, and then stayed to mop up most of the prizes.

For some reason or another the Detroiters don't participate at the Bay any more. Some say it is because the ILYA regatta comes too close on the heels of the Mackinac races and the crews can't take off work so soon after the July classics. It has been suggested to ILYA officials the Bay regatta be moved to a later date in the month of August and entries would be more abundant.

Then there is another school of thought. Some feel ILYA officials must be direct descendants from farm parents. They get the idea from the fact the sailors must get up at the crack of dawn to make the race start and usually the race is over before noon. This makes time hang heavy for the rest of the day. It has been suggested the races start later in the day. But ILYA officials say the wind goes down after noon and racing is impossible.

We have seen the Junior sailors sail all day and seldom have they been caught in a drifting match.

There are many Detroit skippers who would welcome another long distance race and would like to see the Deep Water race revived.

Motor boating's oldest and most distinguished event—the 57-year-old Harmsworth Trophy Race—will be run on the Detroit River August 25 and 26, and if a third heat is necessary, August 27.

Canada will be represented by a new "Miss Superfest" who will challenge the U.S. defender which is yet to be named.

Following the Harmsworth will be the annual Silver Cup race on Saturday, August 29.

INHOSPITABLE

James Crowe, a visitor to the Pointe from Illinois, reported to Parks police that approximately \$3 worth of gas had been siphoned from his car while it was parked in front of 18619 Maumee on Friday, August 14.

SPORTSMEN

Rifle ranges, snipe trap, and pistol shooting within 25 minutes drive of Gr. Pointe. Gun shop carries complete line hunting equipment and clothing. Telescope and iron sights sold and installed. Experts on hand at all times to "right in your rifle" or to help you decide on your hunting equipment.

St. Paul Grid Call Issued

St. Paul's Head Football Coach Ed Lauer has announced that football practice for the Laker team will begin at 9:45 a.m. on Monday, August 31.

He will be on hand at the school beginning Monday, August 24, to pass out equipment. Freshmen will receive their equipment on Monday, sophomores on Tuesday, juniors on Wednesday, and seniors on Thursday. All those who are able to pick up their equipment earlier in the week may do so Friday.

Head Backfield Coach Mel Perrone, Line Coach Frank Brayton, and Charlie Campbell, reserve coach, are eagerly awaiting the opening sessions. The afternoon sessions will be held at 3:15 p.m. Kerby Field will be the scene of the practice.

Huffaker Wins Distance Swim

Three University of Michigan swimmers led the way during the annual City of Grosse Pointe long distance swim of approximately two miles on a choppy, wind swept course extending from the City of Grosse Pointe pier to the City of Grosse Pointe Park swimming area last Saturday, August 15.

This event is sponsored by the committee on park activities with Councilman Kenneth F. Bergmann as chairman.

The new champion is Harry Huffaker who was officially timed at 44 minutes and 26 seconds. The record for this distance was set last year by Ed Pongraz with a time of 39 minutes.

In the Junior Division, Chris Kimball, an outstanding Grosse Pointe High School swimmer, won with a time of 51 minutes flat. The order of finish in the Senior Division was as follows:—Harry Huffaker, Chuck Babcock, Ed Pongraz, Jerry Mehl, John Hammond, Jerry Spencer, and Kurt Reinstein.

In the Junior Division, it was Chris Kimball, Rick Schoenherr, Harold Riegle, John Carik, Bob Sherwood, Jack Koerber, Jack Teelaert, Angus McCarvah and Roger LaRose.

During this event, race director George Sindlehurst was materially and physically assisted by the following to make this project a success: City of Grosse Pointe Police Chief Tom Trombly, City Clerk Norbert P. Neff, Aquatic Director John Carik, Grosse Pointe High Athletic Director Frank Bannick, Dr. V. Jensen, Fred Hynes, Wayne Wallick, Bob Jose, Ed Kothe, Alec Adams, Jack Pike and the many boatmen who accompanied the swimmers.

Watch Stolen At City Beach

John Kretzschmer, 13, of 440 Lakeland avenue reported to City police that his wrist watch had been stolen from the check room at the City park, August 12.

Later that day City police arrested a 15 year old boy for the theft. He was turned over to the custody of his parents. The watch was returned to its owner.

SUFFERS ATTACK

Mary Cole, 71, a maid at the A. J. Fisher residence at 681 Lakeshore was administered oxygen until doctors arrived by Shores Police after she suffered a heart attack on Friday, August 14.

Senior Loop Diggings

By Jack Ramsdell

Laurel Burroughs' Brewmasters were the big winners in the Senior League last week, by winning two against no defeats.

The Whiz Kid's Dick Chouinard hurled a one hitter against the Brewmasters on August 11 but was poorly backed in the field by his teammates and thus lost a close wing-ding thriller 3-2.

Chip Byrne was on the mound for the Brewmasters and held the Whiz Kids to only four scattered hits in posting his first victory of the season.

A six run fourth inning rally was all the Brewmasters needed to win 6-2 on August 13, against the Mavericks. The winners had five hits in the game and all five came in the fourth inning.

Keith Grueling mixed up his pitches and kept the Maverick hitters off balance. He hurled a four hitter and struck out seven in his first win of the year.

Karl VonSchwartz tagged a fast ball hurled by Grueling in the sixth and blasted it well over rightfielder Pete Luzi's head for a homerun.

An umpire got tough, and I mean mighty tough, on August 14 when the Whiz Kids were awarded a victory over the Mavericks by forfeit, 7-0. It started when the umpire, name unknown, called a balk on the Maverick's Brian Molloy. Because of this, several Mavericks (players as well as coaches) yelled and shoved the umpire.

Even a non player, non coach participated in the shenanigans. And after 15 minutes of absorbing rude remarks and insults the umpire decided that he was fed up with the whole Maverick team, excluding a few, and he thus forfeited the game to the Whiz Kids.

The three stars of the week in Senior League action were Chip Byrne, Keith Grueling and John Adamski, all of the Brewmasters.

TEAM STANDINGS

WHIZ KIDS	5	3
MAVERICKS	5	4
BREWMASTERS	3	6

Honest Angler Given Reward

Honestly paid off for thirteen year old Henry Kuntzler of 1235 Roslyn who found a lady's ring while he was fishing at the Shores Pier on Tuesday August 4.

Young Kuntzler said he had at first thought that the ring was worthless. Later he turned it over to Shores Police after he had it appraised and found that it was worth \$50 to \$80.

Janet Rollison of 755 Lakeshore road, the ring's owner, learned that the ring had been found when she read a sign at the Shores Pier Park and picked it up from the police on August 12.

She rewarded Henry for his honesty.

REPORTS LOSING RING

Albert E. Klem, 285 Lothrop, reported the loss of a 2-carat diamond ring with white gold setting recently. He thinks that it was lost somewhere in the Mack-Seven shopping area, he told Farms police.

Ford Yacht Club Regatta Diminutive but Successful

Ford Yacht Club officials made big plans for a full blown regatta, but only 33 skippers and their crews showed up. This is small in comparison to the regular weekly regattas on Lake St. Clair that regularly draw 150 or more boats.

But even though the entry wasn't as large as expected the regatta was a huge success and the party afterwards was a dandy, according to reports from DRYA judges Fred Knippenberg, Brad Pyle, William Patrick Connolly, Dick Brand and Paul Adam, who worked with Ford race chairman Bob Houston.

Joe Dowdell, Free Press sports writer, was pressed into service and had a ball firing the cannon for the various starts and finishes. This is the first year for Joe in covering yachting and in the beginning he said "I want to learn all about sail boat races and I'd like to get on the judges boat." Ever since Joe made that statement he's been aboard in every regatta.

The DRYA regattas will swing into the second half of the season on Saturday, August 22, when Edison Boat Club holds its annual regatta. First gun will be fired at 11:30 with the big Class A yachts getting away at 11:40. Twenty two classes will follow a five minute intervals over the three DRYA triangular courses on Lake St.

Fishing Rodeo in Park Proves Great Success

The Fishing Rodeo, held at the Grosse Pointe Park pier on Saturday, August 15, was declared a complete success by park-pier superintendent Dave Beauvais.

A total of 48 fish were caught by the 155 youngsters who participated. Winners of the Grand Prize Awards were: for the boys, Chuck Stone with a 5-oz. Bass and for the girls, Paula Hockel with a 2 lbs. Sheepshead.

Second prize in the fellows division went to Dan Telep with a 4-oz. Chubb and third was Bob Garney with a 3 1/2-oz. Perch. Other girls on the winners' list were second place, Wendy Brown with a 7-oz. Perch and third place, Nancy Desmit with a 5-oz. Rock Bass. The trophies for the three winners in each division were donated by the Metropolitan Club.

Charles Todd, commodore of the Grosse Pointe Sail Club, said, "It was one of the best events held at the pier and was so well organized that everyone could not help but have a good time."

In the Pre-Rodeo contest, that lasted from June until the day of the rodeo, there were four winners. In the boys' division, Steven Lumley was first with a 4 lbs. 8-oz. Bass and Dan Telep was second with the biggest catch of 13 lbs. 3/4 oz. Among the girls, Jennifer Lobarto was first with a Walleye, 2 lbs. and Patty Patyn was second with a Sheepshead of 3 1/2 lbs.

Free hot dogs and pop were enjoyed by all.

"We were a little surprised that out of the 48 fish caught during the rodeo, 47 of them had to be measured in ounces. One fish weighed in at 2 pounds," Mr. Beauvais commented.

"The committee chairman deserve a lot of credit," Mr. Beauvais added. They were Henry Feys, general chairman; Forest L. Geary, master of ceremonies; prizes, George Hoffman and

Woods Spartans To Open Season

The Grosse Pointe Woods Spartans, members of the Jack Lowther Little Football League, are starting their sixth year of football for boys 9 to 12 years old.

All boys who are interested in playing football and want to learn to play with proper equipment and supervision are welcome to attend the first practice, which will take place MONDAY AUGUST 24 at 4:30 p.m. at Mason Field, Mack and Vernier road.

No football equipment is necessary for the first week of practice. Entry fee for the 1959 season has been reduced to \$3.00 per boy.

The schedule calls for six league games, one exhibition game and a possible Briggs Stadium game.

A very interesting program has been arranged by the coaching staff, headed by Chuck Hanneman former All-American and Detroit Lions star. Anyone wishing to join the organization is coach or in any other capacity is welcome. For further information please call TU 2-5519 or TU 1-9462.

Deanne Noll Weds Thomas Saunders

Vows Exchanged in First English Evangelical Lutheran Church; to Live in Chicago Following Honeymoon

An early August wedding was that of Deanne Rochelle Noll, daughter of Mr. and Mrs. Norris W. Noll of Anita avenue, and Thomas W. Saunders, son of Mrs. Murray Saunders, of Bedford road, and the late Mr. Saunders.

For her marriage in First English Evangelical Lutheran Church, the bride wore white taffeta with lace appliques with a fingertip veil and carried stephanotis, white carnations and ivy centered with a white orchid.

In green taffeta of ballerina length and with small circular veils and matching shoes, the attendant's carried cascades of daisy chrysanthemums. The matron of honor was Mrs. Quinn Bell, of Chicago, Ill., and the bridesmaids were Judy Chapman, De Ette Kissane and Margo Clingelhofer.

Junior bridesmaids were Cynthia Noll, sister of the bride, and Sandra Noll, a cousin.

Richard M. Sanders was his prospective brother-in-law's best man and Elmer Schmidt, Tom Campau and James Wyse.

Mrs. Noll chose for her daughter's wedding a gown of beige chiffon over taffeta with a green hat and shoes and

wore pink sweetheart roses. Mrs. Saunders wore blue lace and taffeta with a matching hat, cream accessories and pink chiffon sweetheart roses.

After a reception at The Beachcomber, the couple left on a wedding trip which will terminate in Chicago where they will make their home.

Cocktail Party Honors The John Chandlers

A cocktail party in the honor of Mr. and Mrs. John Chandler of Lakeland avenue was held at the home of the Walter H. Wakemans of Trombley road, last week.

Twenty-six friends, mostly Pointers, came to bid farewell to the Chandlers who are moving to Chicago.

It is the triumph of hope over experience that induces many people to try to beat another man at his own game.

Table Setting Display Planned

A triple beauty appointment for Grosse Pointe women at the moment seem far ahead. But it's not a bit too soon to jot these dates down on their calendars: October 20, 21 and 22.

Those are also dates for the men to remember. For they mean another annual exhibition of table-setting and flower arrangements staged by members of the Federated Garden Clubs of Michigan, District One, and sponsored by Charles W. Warren and Company at their Washington boulevard store in Detroit. (And last year, it will be recalled, scores of men flocked to the show).

Recently a 15-women committee met at Warren's on one of the hottest mornings of this excruciatingly hot summer—and they stuck it out until late afternoon when the interesting schedule for entrants had been completed. The only break was time out for enjoying the box luncheons sent over from the Women's City Club. Mrs. John F. Hering, of Grosse Pointe, was hostess.

GOLF CLUBS VANISH

Peter Gallette, 1052 Audobon, complained to Woods police on August 15 that his golf bag and clubs, valued at \$275, had been stolen from his locker at the Lochmoor Club sometime between October 15, 1958 and July 10.

Mrs. Thomas W. Saunders

The former DEANNE ROCHELLE NOLL, daughter of the Norris W. Nolls, of Anita avenue, became the bride of Mr. Saunders at a ceremony held Aug. 1 in First English Evangelical Lutheran Church. The young couple will live in Chicago.

Platt-Bland Betrothal Told

Mr. and Mrs. Arthur Stanley Bland, Jr., of Huntleigh Village, (St. Louis), Mo., have announced the engagement of their daughter, Gertrude Grove Bland, and Peter G. Platt, son of Mr. and Mrs. F. Kenneth Platt, of Grayton road.

The young couple will be married Sept. 1 at the Church of St. Michael and St. George, St. Louis.

Miss Bland, a special maid of honor at last October's Velled Prophet Ball, is a Mary Institute graduate and attended Connecticut College, New London, for two years. She made her debut at a ball at Old Warsaw Country Club during the last Christmas holidays.

Mr. Platt met his fiancée at Yale University where he was graduated in June. In the fall, he will matriculate at Yale Law School. His fraternity is Chi Psi.

He is a grandson of Mrs. Howard James Godfrey, of Kalamazoo, and the late Mr. Godfrey and of Frank D. Platt, of White Plains, N.Y., and the late Mrs. Platt.

METER READER

Raymond D. Cichowski of 24704 Cushing, Detroit, a gas meter reader, was bitten by a Afghan dog belonging to Frank S. Hegge, 77 Hawthorne on Friday, August 14. The dog has been confined for ten days for observation.

From Another Pointe of View

(Continued from Page 11)

after-dinner potions that in no time at all had us in a Walter Mitty mood, all dash and fire and debonaire.

Promptly at midnight, though, we turned back into a bumpkin . . . as usual.

More Rains Came

Settled for about two years in their Mapleton road home, a breath of France, Mr. and Mrs. Omar Field Rains have that It's About Time Feeling.

For about 18 years, their furniture-and-fixings have been in storage while Mr. and Mrs. Rains have lived in Washington, in Chevy Chase, in Silver Springs, Md., during the war years and then-some.

One of the first things they tried out when the moving vans disgorged their possessions was their Victrola. Rudee Vallee's tenor came through just fine.

Mrs. Rains has brought plants and flowers from their travels and is cultivating a Living Fence with cuttings from San Bruno, Calif., and other beloved blooms from Iowa and Kentucky and Oregon.

(They've named their libation section "London West." We trust it's fireproof.)

Only Yesterday

We remember:

When the late Mrs. Louis Mendelssohn used to send orchids to EACH debutante as she came out.

The soirees given by the late Mrs. John S. Newberry, one in particular, when the great conductor Ossip Gabrilowitsch was lion of the evening.

Mrs. Carter Sales when, as Virginia Woods and a very springtime 12, she was "December" in an early Annie Ward Foster May Party.

And a hoity-toity gal reporter on assignment, who, when offered pre-party refreshment by a kindly dowager, refused by saying, "I don't eat in my own kitchen; why should I eat in yours?"

Nursing School To Graduate 194

More than 194 young women will receive their diplomas from the Mercy School of Nursing of Detroit during graduation exercises at 2:30 p.m. Saturday, August 22 at the Ford Auditorium in Detroit.

Members of this class are from the state-wide Mercy School of Nursing with units in Lansing, Jackson, Ann Arbor, St. Joseph Mercy Hospital, Detroit and Mt. Carmel Mercy Hospital, Detroit.

Four of the "Angels of Mercy" graduating are from the Grosse Pointe communities. Two who plan to work at St. John Hospital upon graduation are Marilyn Palmer, daughter of Mr. and Mrs. Gregory Palmer, 424 Roland road and Mary A. Schwartz, daughter of Herbert J. Schwartz, 15205 Essex.

Planning to work at Bon Secours Hospital are Nancy Lemhagen, daughter of Mr. and Mrs. James Lemhagen, 1200 N.

Oxford road, and Mrs. Carol Van Den Branden, wife of Dennis Van Den Branden, 1147 Maryland.

Each woman will be a graduate nurse on receipt of her diploma, and eligible for the State Board Examinations to become a registered nurse.

Honors and diplomas will be conferred by The Most Reverend John J. Deardon, archbishop of Detroit, following presentation of candidates by Sister Mary Janice, RSM, Executive Director of the Mercy School of Nursing of Detroit.

"Christian Womanliness" will be the topic of the commencement address given by the Very Reverend Edmond Fournier, Dean of Studies at Sacred Heart Seminary. The Reverend Clement Esper, spiritual adviser of Sacred Heart Seminary will preside over the afternoon's activities.

Judith Ann Stanley Weds Ronald Launs

Exchange Vows at Ceremony in All Saints Episcopal Church; to Live in Ohio Following Trip to Mackinac

Judith Ann Stanley, became the bride of Ronald Edgar Launs, son of Mr. and Mrs. Arnold DeWitt Launs, of Kerby road, Saturday, at All Saints Episcopal Church.

The bride, daughter of Mrs. Ruth Crandall Stanley, of Highland Park, was given in marriage by the Rev. Dr. Burton S. Levering, former rector of All Saints.

She wore a princess style gown of Chantilly lace and tulle fashioned with a portrait neckline and a full, floor-length skirt. A shell of pleated taffeta held in place her fingertip veil of French silk illusion and she carried a cluster of stephanotis and Amazon lilies with ivy.

Mrs. Robert Crump, of Omaha, Neb., was matron of honor and the bridesmaids were Edith Nantau, of All-n Park, and Janet Launs, of Grosse Pointe Farms.

John McEndy was best man

Children's Fair Aids Foundation

The Foundation for Exceptional Children is \$25 richer thanks to the work of eight young ladies and the Neighborhood Fair that was the end product of their endeavors.

The fair was held on Wednesday afternoon, August 5, at 542 Lakepointe avenue, the home of one of the participants Cathy Chase. Working with her were Suzy Cowling, Linda Chase, Leslie Deeb, Kathy Kurtz, Barbie Beyster, Helen Young and Linda Long.

A fish pond chock full of prizes, a ball shoot, (through a croquet wicket), a marble throw and a spook house par excellence, were enjoyed for prices ranging from 5 to 15 cents.

"Aladdin and the Lamp" was presented with four puppets (all made by Cathy Chase) dancing across the stage. Aladdin, with the help of the Genie, won the hand of the fair Princess after successfully foiling the paper-mache villain, amid appropriate jeers and cheers.

Refreshments of chocolate bars and Pick-a-Pops were in great abundance. One mother commented that "kids came in droves from all over the Park and cars were lined up and down Lakepointe."

After it was all over, Mrs. John C. Bockstanz of Radnor circle, the president of the board of trustees for the Foundation for Exceptional Children, accepted the profits, \$25, for the Foundation.

It seems that this is getting to be an annual affair for these young lasses. Last summer, they also presented a fair for the neighborhood. Soon they will be making plans for one next summer.

Betrothal Told

Mrs. Joseph Alexander Henderson, of Washington road, announces the engagement of her daughter, ELIZABETH ANNE, to Thomas Frank Engle, son of Mr. and Mrs. Frank Elwin Engle, of Pontiac trail, Ann Arbor.

Liz was graduated from Grosse Pointe High School and in June received her B.S. in Nursing from the University of Michigan, School of Nursing. While on campus she was a member of Zeta Tau Alpha fraternity, Phi Kappa Phi honorary and Sigma Theta Tau, nursing honors.

Tom was also graduated in June from the University of Michigan, College of Engineering with a B.S. in Mechanical Engineering and was a member of Phi Gamma Delta fraternity.

Plans for a November wedding hinge on the date of Tom's graduation from Naval Officer Candidate School at Newport, R.I., which he is presently attending.

Sarah Alexander's Engagement Announced

The engagement of Sarah Newland Alexander to Benjamin Hedgepath Dickson has been announced by the bride-elect's mother, Mrs. Clark Conrade Alexander, of Lakewood, O. Her father was the late Rev. Alexander, of Clinton, N. C.

Mr. Dickson, also of Lakewood, is the son of Mr. and Mrs. Cecil Palmer Dickson, of Tampa, Fla., and Phoenix, Ariz.

Miss Alexander is with the Grosse Pointe Public School System as Curriculum Assistant in charge of the Instructional Materials Center. She is a graduate of Greensboro College, Greensboro, N. C., and did graduate study at the University of North Carolina and New York University where she received her master's degree.

Mr. Dickson is a graduate of Duke University, Durham, N. C., and did graduate study at Duke University and the University of Chicago where he was a research assistant for the Committee on Human Development. For the past 10 years he has been with Ernest and Ernest, Cleveland, and is Assistant Manager, Management Services Division. He is also national coordinator of Personnel and Organization Services for Ernest and Ernest.

Mr. Dickson is a certified psychologist and a member of the Cleveland Athletic Club.

Roger Dujardin to Wed Nancy Breese Sept. 26

Mr. and Mrs. Orville D. Breese of Roseville, announce the engagement of their daughter Nancy Joyce to Roger R. Dujardin, son of Mr. and Mrs. Armand R. Dujardin of 927 Washington road.

A September 26 wedding is planned at St. Germaine Church in St. Clair Shores.

Both Miss Breese and Mr. Dujardin are employed by the Automobile Club of Michigan.

Benny to Play With Symphony

Jack Benny, "star of stage, screen, radio and concert stage" will appear as guest soloist with the Detroit Symphony at a special Musical Surprise concert, Friday, November 13, at 8:30 p.m., in Ford Auditorium.

Paul Paray will conduct and act as master of ceremonies.

Benny's latest enthusiasm, performing as violin soloist with the top symphony orchestras of the United States with all proceeds going to their support, has brought him invitations to solo with every major orchestra in the country. The beloved comedian from Waukegan, Ill., hopes eventually to appear with each.

Born in 1892, the "39-year-old" star has so far appeared with hilarious and devastating effect with the New York Philharmonic, the Philadelphia Orchestra and the orchestras of Toronto, Oklahoma City and Washington, D.C.

Allen G. Barry, Detroit Symphony board president, has appointed Robert L. Biggers to head the ticket committee for the single performance. Price information will be revealed at a later date but neither official expressed much hope for advanced concert details from the famed blue eyed artist.

Bride-Elect

Announced at a family dinner was the engagement of MARGARET ANN MEASEL, daughter of the George E. Measels, of Pemberton road, and Ronald Paul Kirchner, son of the E. Ronald Kirchners of Dearborn.

The bride attended Valparaiso University and was graduated from the University of Michigan.

Her fiance, also was graduate from the U. of M. where he was affiliated with Theta Chi fraternity. They will be married Nov. 14.

Request for Proposals for Additions and Alterations to Municipal Garage
Sealed proposals for the construction of additions and alterations to the Grosse Pointe Shores Municipal Garage will be received at the Village Hall, 795 Lake Shore Road, Grosse Pointe Shores 36, Michigan, until 12 o'clock Noon, Friday, August 28, 1959, at which time all bids will be publicly opened and read aloud.
Proposals shall be addressed to Mr. Thomas K. Jeffers, Village Manager, Grosse Pointe Shores, 795 Lake Shore Road, Grosse Pointe Shores, Michigan—Telephone TUxedo 1-6565, and delivered in an opaque sealed envelope marked "Proposal" and bearing the name of the bidder.
Before submitting a proposal, bidders should carefully examine the drawings and specifications, visit the site of the new project and fully inform themselves as to all existing conditions and limitations and shall include in the proposal a sum to cover the cost of all items included in the contract.
All bids must be accompanied by a certified check or a United States Government Standard form of bid bond by a recognized surety company for 5% of the amount of the bid submitted. All checks shall be made payable to the Village of Grosse Pointe Shores, which sum shall be forfeited to the Village of Grosse Pointe Shores if the Contractor awarded the contract refuses to sign a contract for the performance of the work.
No proposal once submitted may be withdrawn for at least 30 days after the actual opening of the bids. The Village of Grosse Pointe Shores reserves the right to waive any irregularity in any bid or to reject any or all bids and to accept the bid deemed to be to the best interest of the Village.
C. B. Loranger
Village Clerk

Headlines of the Week
(Continued from Page 1)
trapeze sky hooks. If they miss, ships will search the ocean for it.
Saturday, August 15
TWO MISSILES were successful in yesterday's rocket tests. The Navy Polaris submarine missile made its first flight from an underground ship motion simulator. Also, a Thor missile successfully sent a movie camera up to photograph the earth from space. However, earlier in the day an intercontinental range Titan had exploded on its pad. Also, a 76-foot Juno II rocket carrying a compressed 12 foot balloon satellite, failed to complete its mission.
The balloon was supposed to measure the density of the atmosphere out to about 1,400 miles. It is presumed that the satellite burned up in the earth's atmosphere.
THE CENTRAL BUSINESS District Association yesterday proposed a landscape memorial to Edgar A. Guest and an underground parking lot to replace the Old City Hall. The plan appeared to have a good chance of winning the approval of the Common Council. Mayor Miriani amended the plan, also to include Father Gabriel Richard, pioneer Detroit priest.
The memorial would be, according to architect Minoru Yamasaki, a colonnade of eight arches, each 22 feet tall, beside a fountain playing into a pool 130 feet square. Below it, the underground parking lot would have space for 470 cars.
THE COLLEGE ALL STARS met their match Friday night in the pro football champions of 1958, the Baltimore Colts. The Colts, scoring all their points in the first half, defeated the Collegians 29 to 0. After that, they coasted to victory. In the game played in Chicago, the college stars and all-Americans of last year had their first taste of pro-football.
Sunday, August 16
SPEAKING AS A CITIZEN, Saturday, George Romney, president of American Motors, expressed support for a temporary increase in the State use (sales) tax and also an increase in the business-activities or profits tax. He was very much opposed to the partisanism which brought about the legislative deadlock.
His views on the subject of the tax were received, via letter, by Rep. Joseph J. Kowalski (D. Detroit). He asked that both business and labor "rise above their special interests for the benefit of mutual interests." His letter was in answer to one from Rep. Kowalski (sent to all the presidents of the state's 30 largest corporations) explaining that the Legislature has boiled down the tax issue to an argument over taxing business profits.
A TWO WEEK ISOLATION test by a family of five, as an experiment to simulate conditions after a nuclear attack, was carried out successfully. Friday, Mr. and Mrs. Thomas A. Powner and their three children, of Cranbury, N.J., came out of a bathroom sized underground fallout shelter beneath Eno Hall on the campus of Princeton University.
The Princeton research team that carried on the experiment for the United States Office of Defense and Mobilization stated that "They have demonstrated that people can be isolated for two weeks with no hazard to their health and well being." Powner, a manual training teacher at Hightstown High School and his family underwent medical and scientific examinations following the experiment.
THE FIRST UNITED STATES jetliner disaster occurred Saturday on a training flight when a \$5,000,000 American Airlines Boeing 707 jetliner crashed with five crewmen aboard. The plane exploded into "a million pieces" in a potato field. All five of the crew were reported killed. It was the first crash of the Nation's most tested commercial airliner since it went into passenger service nearly a year ago.
Monday, August 17
A WORLD WAR II NAVAL hero, Admiral William F. Halsey, Jr., died Sunday morning at Fishers Island, N. Y., at the age of 76. Decorated many times for his successful attacks on the Japanese in the Pacific, he made the first U. S. strike in the early days of the war while Pearl Harbor was still recovering. Early in 1942, he took a tiny force into the enemy waters surrounding the Gilbert and Marshall Islands, sank 16 ships and downed 38 Jap planes, while losing only 13 U. S. planes.
"His great personal contribution to the successful campaigns in the Pacific and the exploits of the forces under his command are a brilliant part of American military history," said President Eisenhower.
"No one is more appreciative than I of his staunch support in those trying days of early 1942 when our enemy seemed unbeatable," said Fleet Admiral Chester W. Nimitz, Halsey's superior officer in World War II.
A LITTLE ROCK FATHER, John A. McLeod, Jr., an attorney, has invoked a law saying no student can be forced to sit in the same classroom with a person of another race, in behalf of his daughter, Ann. The law was passed in August, 1958, when a special legislative session was called by Gov. Orville Faubus to enact some segregationist measures. Some of those laws have already been declared unconstitutional. McLeod asked other parents to take advantage of the law.
PRESIDENT EISENHOWER is facing one of the toughest schedules of his presidential career, this fall, said Presidential Press Secretary James C. Hagerly, Sunday. He will go to Europe and then return to this country for Soviet Premier Khrushchev's visit, in September. Doctors have cleared his program for the rest of the year, saying that the president is in perfect health.
Tuesday, August 18
A HEAT WAVE in New York City and the use of air conditioners and fans caused the worst power failure in the city's history yesterday. Hospitals went on emergency power to complete operations and nurses used hand operators to keep iron lung patients alive. Traffic jams occurred when the traffic lights went out. Subways and elevators stopped in "mid-trip." An emergency was declared by police in the black-out zone, a 500 square block area where 500,000 persons live, on both sides of Central Park.
SOVIET PREMIER Nikita Khrushchev will not be visiting Detroit when he makes his September tour of the United States, it was announced yesterday. Along with Detroit, Cleveland, Chicago and Miami have been scratched from the list. Washington, San Francisco, New York and Coon Rapids, Ia., are presently on the agenda.
It was mentioned that the hostility of the big Eastern European groups in Detroit, Cleveland and Chicago were partial causes for those cities to be left off of the Russian's tour. Both of Khrushchev's deputies, Anastas Mikoyan and Froj Kozlov were met with insults stones and rotten eggs in all three cities.
PRESIDENT EISENHOWER plans to meet with Labor Secretary James P. Mitchell, today, concerning the six-week old steel strike. Mitchell is presently serving as a one-man fact finder for the President, in the steel controversy.
Wednesday, August 19
SOUTHERN MONTANA near Yellowstone National Park was hit Monday night and Tuesday morning by a series of mighty earthquakes. Sixteen persons are reported killed, so far. The earthquakes, felt in five states and British Columbia, cracked

Early in 1942, he took a tiny force into the enemy waters surrounding the Gilbert and Marshall Islands, sank 16 ships and downed 38 Jap planes, while losing only 13 U. S. planes.
"His great personal contribution to the successful campaigns in the Pacific and the exploits of the forces under his command are a brilliant part of American military history," said President Eisenhower.
"No one is more appreciative than I of his staunch support in those trying days of early 1942 when our enemy seemed unbeatable," said Fleet Admiral Chester W. Nimitz, Halsey's superior officer in World War II.
A LITTLE ROCK FATHER, John A. McLeod, Jr., an attorney, has invoked a law saying no student can be forced to sit in the same classroom with a person of another race, in behalf of his daughter, Ann. The law was passed in August, 1958, when a special legislative session was called by Gov. Orville Faubus to enact some segregationist measures. Some of those laws have already been declared unconstitutional. McLeod asked other parents to take advantage of the law.
PRESIDENT EISENHOWER is facing one of the toughest schedules of his presidential career, this fall, said Presidential Press Secretary James C. Hagerly, Sunday. He will go to Europe and then return to this country for Soviet Premier Khrushchev's visit, in September. Doctors have cleared his program for the rest of the year, saying that the president is in perfect health.
Tuesday, August 18
A HEAT WAVE in New York City and the use of air conditioners and fans caused the worst power failure in the city's history yesterday. Hospitals went on emergency power to complete operations and nurses used hand operators to keep iron lung patients alive. Traffic jams occurred when the traffic lights went out. Subways and elevators stopped in "mid-trip." An emergency was declared by police in the black-out zone, a 500 square block area where 500,000 persons live, on both sides of Central Park.
SOVIET PREMIER Nikita Khrushchev will not be visiting Detroit when he makes his September tour of the United States, it was announced yesterday. Along with Detroit, Cleveland, Chicago and Miami have been scratched from the list. Washington, San Francisco, New York and Coon Rapids, Ia., are presently on the agenda.
It was mentioned that the hostility of the big Eastern European groups in Detroit, Cleveland and Chicago were partial causes for those cities to be left off of the Russian's tour. Both of Khrushchev's deputies, Anastas Mikoyan and Froj Kozlov were met with insults stones and rotten eggs in all three cities.
PRESIDENT EISENHOWER plans to meet with Labor Secretary James P. Mitchell, today, concerning the six-week old steel strike. Mitchell is presently serving as a one-man fact finder for the President, in the steel controversy.
Wednesday, August 19
SOUTHERN MONTANA near Yellowstone National Park was hit Monday night and Tuesday morning by a series of mighty earthquakes. Sixteen persons are reported killed, so far. The earthquakes, felt in five states and British Columbia, cracked

Cavanaugh to Talk On Insurance on TV
The "Panorama" series on Detroit's TV Channel No. 56 will feature insurance on its Monday, August 24, program when Walter Cavanaugh, president of W. R. Cavanaugh Agency, Inc., Grosse Pointe Insurance agency, will discuss family uses of life insurance and how life insurance fits into today's economy. The time is 6 p. m.
Cavanaugh, who is a Chartered Life Underwriter and member of the Million Dollar Round Table, is a part-time instructor in insurance at the University of Detroit and has instructed in Advanced Life Underwriting at Wayne University. He has also participated in European Insurance Conferences at London, Paris, and Rome, and recently addressed the Miami meeting of the 1959 Million Dollar Round Table of top life insurance men.

REPORTS STOLEN BIKE
Dale Miller of 404 Cloverly complained to Farms police that his bicycle had been stolen from the garage at his home sometime last week.

open foothills at the Western entrance to Yellowstone, crumbled an entire mountain and endangered the Hebgen dam on the Madison river in the southern-most tip of Montana. It is reported that 100 to 150 travelers are caught between the crumbled mountain and the weakened dam. Civil defense officers in Montana and Idaho are trying to save the stranded people by helicopter. There are about 500 Detroiters in the Yellowstone area, presently. Highways in the area are said to have fissures in them, preventing travel and, in some cases, escape to safer ground. When Montana Civil Defense Director Hugh Potter sent his rescue forces out he told them to "move fast."

Village of Grosse Pointe Shores

Wayne County, Michigan
795 Lake Shore Road
Grosse Pointe Shores 36, Michigan

Request for Proposals for Additions and Alterations to Municipal Garage

Sealed proposals for the construction of additions and alterations to the Grosse Pointe Shores Municipal Garage will be received at the Village Hall, 795 Lake Shore Road, Grosse Pointe Shores 36, Michigan, until 12 o'clock Noon, Friday, August 28, 1959, at which time all bids will be publicly opened and read aloud.

Proposals shall be addressed to Mr. Thomas K. Jeffers, Village Manager, Grosse Pointe Shores, 795 Lake Shore Road, Grosse Pointe Shores, Michigan—Telephone TUxedo 1-6565, and delivered in an opaque sealed envelope marked "Proposal" and bearing the name of the bidder.

Before submitting a proposal, bidders should carefully examine the drawings and specifications, visit the site of the new project and fully inform themselves as to all existing conditions and limitations and shall include in the proposal a sum to cover the cost of all items included in the contract.

All bids must be accompanied by a certified check or a United States Government Standard form of bid bond by a recognized surety company for 5% of the amount of the bid submitted. All checks shall be made payable to the Village of Grosse Pointe Shores, which sum shall be forfeited to the Village of Grosse Pointe Shores if the Contractor awarded the contract refuses to sign a contract for the performance of the work.

No proposal once submitted may be withdrawn for at least 30 days after the actual opening of the bids. The Village of Grosse Pointe Shores reserves the right to waive any irregularity in any bid or to reject any or all bids and to accept the bid deemed to be to the best interest of the Village.

who, where and whatnot

by whozit

The V. Everett Kinseys' Sunday musicales are high-points for their many enchanted friends who've become "regulars" in attendance.

The J. A. Mullens have most unusual names: Januarius and Exilona.

Mrs. Omar Field Rains is famous for real, authentic shuff Mint Juleps made the way she learned as a young lady in Kentucky.

Exclaimed a Pointe bride seconds after the ceremony, "I'm as happy as a clam!!!"

Mrs. Joseph B. Schlotman's drawing rooms are handsome, adorned with many, many exquisite pieces of needlepoint . . . all done by Mrs. Schlotman, herself.

PILFERINGS

When Archie Moore was invited to a White House luncheon on juvenile delinquency, he took some kidding from his friends.

"Have you ever done anything about juvenile delinquency yourself?" he was asked.

Archie, who in his youth put in time in a reformatory, turned serious.

"Sure," he said, "I grew up."

You're on the road to success when you realize that failure is merely a detour.

One of her married daughters brought her a gift, a dress which she considered much too gay and far too young for a grandmother.

Doubtful, she called her husband for appraisal . . . and was sold.

"Boy, that's a wonderful dress!" he said admiringly. "It takes 10 years off both of us."

How's That Again Dept.:

"It was rather pleasant to hear their voices and realize that they were 3000 miles away."

Sending for a federal government publication, "Handbook for Emergencies," Dr. John Ziegler, of Cincinnati, carefully jotted down the number of the pamphlet—15,700.

Two weeks later 15,700 copies of the booklet arrived at his residence.

Y-Teens Plan Camp Parley

Senior high Y-Teens from schools throughout metropolitan Detroit and Mt. Clemens will leave this weekend for the annual Y-Teen Leadership Conference at the YWCA's Camp Cavell on Lake Huron, August 26-28.

The 125 Y-Teen delegates will hear Mrs. Philip Gentile, 16871 Birwood, speak at their morning assemblies on such topics as: what it takes to be mature; teen-age morals; inclusiveness and responsibilities of citizenship.

Primary objectives of the conference will be the increase in leadership skills among officers of Y-Teen clubs; new friendships among Y-Teens from all over the city; the opportunity to discuss with adults and among themselves some of their primary concerns.

Fun, of course, is included on the agenda, with swimming, tennis, badminton, and other sports on the schedule.

Rose Mary Guajardo, 574 S. Green (17), President of the Metropolitan Y-Teen Council, is Conference chairman.

Among those attending the Y-Teen Leadership Conference from Grosse Pointe are: Alix Adams, 412 St. Clair; Mary Annus Beaupre; Linda Born, 1524 Cook road; Susan Carl,

428 Manor; Pat Chapman, 851 S. Renaud; Vicki Elmer, 110 Berkshire; Linda Firth, 262 Hillcrest; Janet George, 175 McKinley; Mary Elizabeth Hartz, 552 University; Susan Hykes, 459 Rivard Blvd.

Pegi Jeffs, 344 McKinley Rd.; Pat Kendall, 734 Berkshire; Barbara Knudson, 96 Hall Place; Marjorie Jean Lehr, 280 Merriweather Rd.; Sue Long, 1829 Broadstone; Judith Mitchell, 1466 Lochmoor; Nancy Ellen Pastor, 1150 S. Oxford; Virginia Pierce, 561 Peach Tree; Judy Pottle, 370 Country Club lane; Sharon Prietz, 1974 Hampton; Sharon Qualls, 561 Ballantyne road;

Elaine Resmer, 19671 W. Kings Court; Gloria Schmidt, 29 Lakecrest; Catherine Smith, 283 Merriweather; Sandy Stelle, 940 Trombley; Joan Vermeulen, 716 Balfour; Mary Lee Wilcoxson, 14 Radnor Circle; Bonnie Sue Williamson, 20129 Fairway; Stephanie Summer, 422 University place; and Ann Marie Yeats, 1000 Harvard road.

Pvt. James A. Casey Trains in Germany

GRAFENWOHR, Germany (AHTNC)—Army Pvt. James A. Casey, 23, son of Mr. and Mrs. James O. Casey, 758 University, Grosse Pointe, Mich., is participating in a lengthy large-scale field training exercise with the 4th Armored Division in Grafenwohr, Germany. The exercise is scheduled to be concluded August 17.

The training is designed to test the combat readiness of the 4th Armored Division, a part of the NATO shield of defense in Europe. Casey, a member of Headquarters Battery of the division's 14th Artillery in Furth, Germany.

MRS. EDWARD A. WISHROPP OF KENWOOD COURT

—Photo by Fred Runnels

When you ring the bell home in Kenwood court you are greeted with a volley of mad barks from a very special little black cocker.

This is all an act: Cindy is the gentlest pooch in the Pointe but it's HER house, you see, and Dr. and Mrs. Wishropp HER family . . . not to forget Rose, their faithful housekeeper.

(Cindy, whose father was a cover boy on LIFE, has survived a heart attack and cancer and also the fact that she is often fed tidbits she's not supposed to eat. Because she's pined for her master and mistress while they were in Europe, the aforementioned Rose gave up her vacation, retrieved the dog from the kennels and resumed residence until the Wishropps returned from their globe-trotting.)

This, however, isn't entirely Cindy's story. The Wishropp home, which they've occupied for some 15 years, is arranged so that the kitchen, (currently being rejuvenated via all the most modern equipment and a cheery, sunny yellow), and utility rooms are at the front, the dining and living rooms getting the full benefit of the charming walled garden.

Far Eastern Touch

Susan Wishropp has chosen cool, pale green shades for the living room, which are echoed in the enclosed terrace they added five years back, and on which, especially during the

Constance Elaine Mohr To Be December Bride

Mr. and Mrs. Harold William Mohr, of South Silvery lane, Dearborn, former residents of Grosse Pointe Park, have announced the engagement of their daughter, Constance Elaine Mohr, to Donald Lee Sperry, son of the C. Donald Sperry, of Peoria, Ill.

The bride-elect is an alumnae of Kappa Alpha Theta Sorority and her prospective bridegroom was a member of Sigma Alpha Epsilon Fraternity.

Both attended Michigan State University. They plan a December wedding.

Lt. Philbrook Cushing Takes Bride in Maine

BELGRADE LAKES, Me.—The marriage of Miriam Gregory Curtin to Lt. Philbrook Sanger Cushing took place Saturday in the summer home of her grandmother, Mrs. William Prime Wattles.

The bride is the daughter of Rear Admiral USN-Rot.) and Mrs. Neale Roland Curtin, of Bryn Mawr, Pa.

Lt. Cushing, son of Mrs. Sanger Cushing, of La Jolla, Calif., and Philbrook Cushing, of San Diego, is the grandson of Mrs. Henry H. Sanger, of Grosse Pointe and Mackinac Island.

Harley James Flagler To Wed Sandra Berg

Mr. and Mrs. Henry P. Berg, of East Detroit, have announced the engagement of their daughter, Sandra, to Harley James Flagler, son of Mr. and Mrs. Roy G. Flagler, of Manor avenue.

of the Edward A. Wishropp had it transformed to its present and proudest state via some simple but skillfully worked-out operations.)

We first knew this charmer when, as Sue Breuckman, she was society editor of The Detroit News and a supervisor and reporter of great competence and good fun. In her role of chataleine in their beautiful home, these qualities are highly in evidence.

The Wishropps entertain often and delightfully, travel when time permits and enjoy life to a beautifully-balanced tempo that is enviable . . . especially to an old worry wart like this scribbler.

Right now, the movement is to Get That Kitchen Completed so that buffets and dinners and luncheons can be resumed though things are such that Cooling and Reviving Potions can, and are, produced as of always.

(We were cooled and revived real fine on that nice, flower-filled breeze-swept terrace . . .)

Circus to Help Home for Aged

St. Joseph Home for the Aged is a beehive of activity these days as the members of the St. Joseph Carmelite Guild prepare for their annual "Circus Day" to be held Sunday, September 13th.

The spacious grounds of St. Joseph Home, 4800 Cadieux, will be transformed into a colorful midway with many beautiful booths, exciting games and fun rides for the small fry.

The main attraction of the day will be the famous \$150 complete roast beef dinner served in the dining room from noon until 6 p.m. (children 75 cents.) The St. Matthew's Square Dancers will again perform during the afternoon.

Mrs. A. Hess and Mrs. G. Klein, chairmen promise that this year's "Circus" will be one of the very best ever presented.

BLANQUETTE DE VEAU

Contributed by Mrs. Harold B. Tyree

cooked rice, hot and flaky
2 lb. veal steak
3 egg yolks
4 Tb. lemon juice
3 Tb. flour
3 Tb. butter
1 1/2 C. broth
1/2 to 3/4 C. coffee cream

Cube veal and blanch with boiling water. Pour off immediately. Then simmer veal in 2 C. seasoned water until tender. Save stock and keep hot. Mix the egg yolks with the lemon juice. Then make a sauce with the butter, flour and 1 1/4 C. veal stock. When blended, add cream. When hot and smooth, combine sauce, a little at a time, with egg mixture. Stir just until hot. Do not boil. Pour over veal. Serve with rice.

Note: I always add sliced or small cooked onions to veal during cooking time. Other vegetables or seasoning could be substituted.

Pointe Theater Ready to Cast

CASTING for the first show of the 1959-60 season of the Grosse Pointe Community Theater will be held at Grosse Pointe War Memorial, Room "E", at 7:30 p. m., August 25 and August 27 and at 2:30 on August 30.

Scheduled is George Axelrod's "Seven Year Itch" which starred Tom Ewell and Vanessa Brown on Broadway in one of the author's most successful plays.

Included in the cast are three men, five women and one child, with one man and two women speaking offstage. The director, Dean Erskine (who won the group's Best Director Award for his directing of "Cain Mutiny Court Martial", last season), will require "a man who is able to give the impression of resisting temptation" a Marilyn Monroe-type woman, a come-hither gal with a French accent, a party girl and the psychiatrist who wrote the book.

The GPCT announces that this show will be presented for the benefit of the Michigan Chapter of the National Nephrosis Foundation, Inc., proceeds from all four performances going to help support this organization.

The play is scheduled for the last two weekends of October at Grosse Pointe High School. definite dates to be announced later.

The public is invited to attend these casting calls. Announcement was also made that the Grosse Pointe Community Theater is opening its membership for a limited number of persons interested.

Pointe Counter Points

By PAT ROUSSEAU

As new as fall . . . as exclusive as a Dior creation are the very new and convenient interior changes at Margaret Rice's. A charming room has been added . . . and it's especially delightful to those who want to see their stunning cocktail clothes to the best advantage. MORE . . . the entire skirt, sweater, and blouse departments are now conveniently located in the Sport Shop. Dresses, couturier fashions, gloves, enchanting millinery, sparkling jewelry . . . fine bags . . . and the glamorous little furs are in their own special niches. The better to serve you, Madam! Gold and white motifs add a special charm to the elegant entrance hall . . . the powder room . . . and special fitting rooms. And, because the fun of the new season means clothes . . . here is complete costume and color co-ordination . . . with the perfect accessories as the final fillip. Margaret Rice, 76 Kercheval on the Hill . . . Grosse Pointe Farms, TU 1-7020-1.

News-worthy Alliance . . . in the Fashion World . . . it's sweet and fur! This year stronger than ever! It's expressed in many ways at D. J. Healy . . . for example . . . there's a beaver green walking suit with a natural raccoon collar . . . this one is for Juniors . . . fifty-nine ninety-five . . . but there are many others in all sizes.

"The Lass with the Delicate Air" . . . loves Elizabeth Arden's Blue Grass and June Geranium Bath Soap. She is delighted to know they are now specially priced at Trail Pharmacy. Three bath size cakes for two-fifty . . . regularly three-fifty . . . the hand size . . . three for a dollar-fifty.

Head Start . . . on beauty . . . begins with the right permanent for your type of hair and choice of style. Now is the time to book an appointment at Barton of the Pointe for two reasons . . . first . . . they have a very good idea of the advanced fall fashions in coifs and second . . . they specialize in permanent waving. Call TUxedo 5-9191.

Tried and True . . . the dependable services of Hourly Aid. Call VAlley 2-2630 for a fine cook, laundress, cleaning lady . . . nurse for the children or dressmaker. Hourly Aid has been pleasing Pointers for many, many years . . . so they feel they can find the right household help for you.

Summer romances come to an end . . . if you are out of love with some of the furniture in your house . . . replace it at a savings by taking advantage of Wanamaker's Summer Sale . . . of handsome decorator items . . . including . . . tables, lamps, accessories and upholstered pieces.

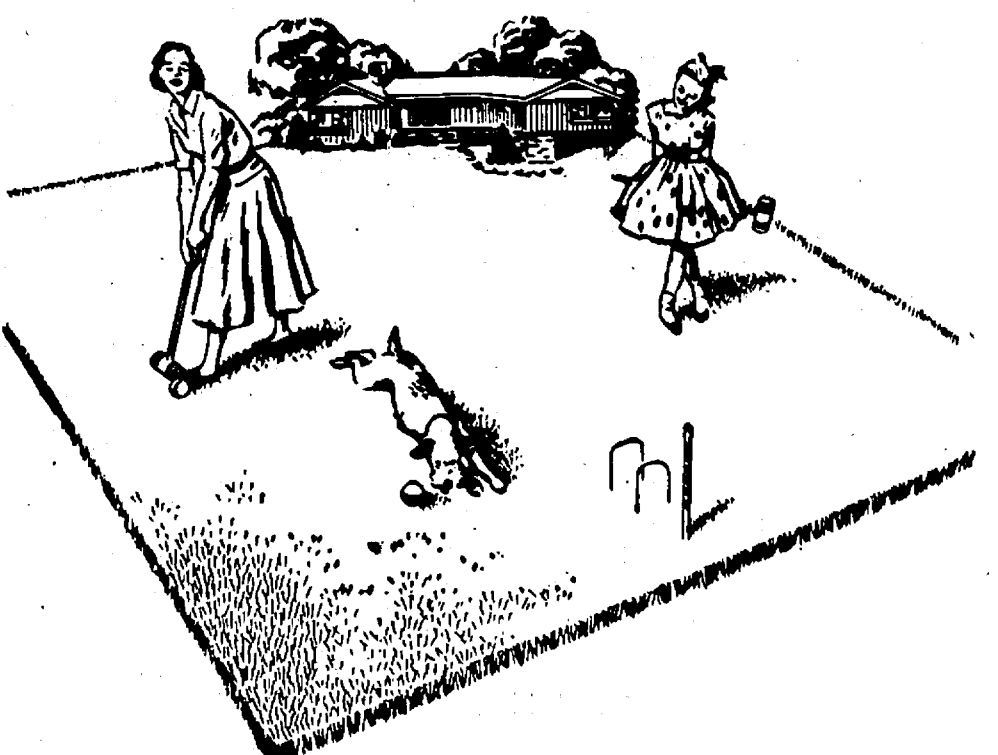

Time out . . . for a leisurely look at The Dant's collection of Yuletide greetings. In the cool, comfortable Card Room . . . you'll find everything from formal cards to "Christmas Imps"! Please note the ten per cent discount through September!

Nordic Know-How . . . the well designed Kula Jugs from Sweden. These glass pitchers come in three sizes . . . one pint . . . two dollars . . . the three pint size is three-fifty at The League Shop.

Table Talk . . . did you know that The League Shop has a wonderful collection of china? Versatility in design and flexibility in price . . . key-notes the collection. For example, a five-piece place setting of Ironstone China in a gingham pattern by William Adams and Sons is three ninety-five. For more formal use . . . the Italian Perugia design is a delight and runs twenty-two-fifty.

Retired Men Forming Club

A group of retired business men of the Pointe are meeting today, August 20, at the War Memorial with the purpose of forming a club. During the 2 o'clock meeting this afternoon, club officers will be elected and a name for the club decided upon, it was announced by Walter H. Wake-man.

SEED YOUR LAWN NOW for a carefree carpet of green!

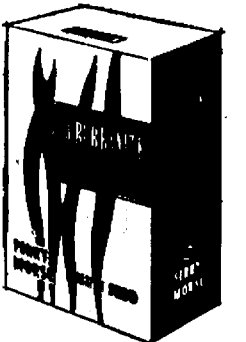

Only FERRY-MORSE lawn seeds are formula-blended for Michigan soil and climate!
