Lady Drivers

(Continued from Page 1) The sum total of \$1.53 cents was in her pocketbook, the other \$2 having paid for number two's renewal. No blank checks there either.

Off to the bank went the undaunted two, only to find that the bank was closed. Great! Home they went, picked up a blank check, cashed it at the drug store. Now they were ready. Back to the station house.

The license finally paid for and in her possession, number one was ready to go. But — number two, just by chance, happened to remember something about her license. "I'm sure it doesn't make any difference, but I don't think my license expires until this time in 1960."

Almost Too Much

The two policemen, (same ones of course) went white. It is illegal to renew a license before something like 90 days prior to the expiration date. This one didn't expire for approximately 390 days.

To make a long story not too much longer, number one's old license was returned to her and the forms on the new one destroyed. But, also returned to her, and subsequently to number one, was the sum of \$2.

Park Council Boosts Fees

(Continued from Page 1) must be paid in the community in which work is contracted.

The Park council also set a standard cost of fees and permits, for the installation of incinerators, in conjunction with a recently adopted garbage disposal and incinerator ordinance.

Expect 600 More

City Manager Robert Slone informed the council that it is anticipated that in two years, there will be approximately 600 additional incinerator installations in the city, plus an undetermined number of replacements.

He said that he and Heger felt that individuals, other than heating contractors, will want to go into the business of putting in incinerators, and both recommended that the licensing and installation permit fees be made similar to those being charged in Detroit.

The city body approved making the annual license fee of contracting installers from no fee, to \$10 a year; and permits for installing such a unit in

Oh well, it's all in a day's work for a suburban housewife, said the two.

The two policemen groaned as the ladies went out the door. It was 12 o'clock.

homes, be raised from \$3 to \$7; and for commercial buildings, from \$5 to \$8.

The city manager said that the anticipated additional revenue would be approximately \$1,000 in each of the coming two years.

To Give Examinations

The examination of a person desiring to become a contractor will be given by Heger, the city manager said, based on an examination similar to that given to incinerator contractors by the Detroit Building Department.

Park home owners and commercial property owners have two years in which to comply with the garbage disposal and incinerator ordinance, after which the city will cease to collect garbage, and will suspend paying for this service with tax monies.

It was pointed out that installation of either of the units is not compulsory, but when the two-year grace period has terminated, home owners and commercial building owners will have to dig into their own pockets to pay private contractors for garbage removal.

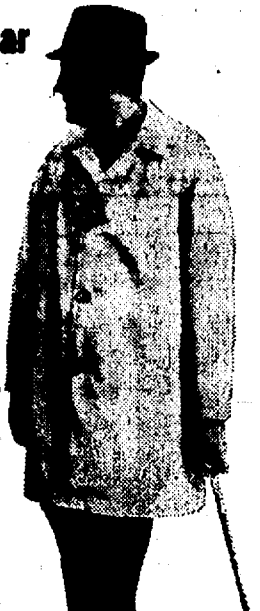

One reason for unhappiness is the fact that some people think the spice of life comes in bottles.

Wonderful Way to Launch a Decade!

An exciting new decade is about to begin for America—a decade filled with promise and hope and great expectations.

And wouldn't it be thrilling to ride into the sixties with a new Cadillac car of your own!

For here is a motor car created with an eye to the years ahead—and for the man who hopes to make the most of them.

Cadillac's new styling will set the pace in automotive design for years to come. Majestic and elegant, it has already won the fullest measure of acclaim from motorists everywhere.

Inside, a new era of elegance is evident on every hand—with unusually rich fabrics and leathers . . . and appointments executed with the care of a jeweler.

Its performance represents a rewarding departure from the past . . . so smooth, so quiet, so effortless and level in ride that it must be experienced to be understood and appreciated.

And here, to be sure, is a motor car with a future all its own. Careful design, quality materials and painstaking craftsmanship give it unduplicated dependability and endurance.

So if you're looking forward to the wonderful decade that's just around the corner—think how much more exciting it could be in the company of a 1960 Cadillac.

See and drive it today—and we believe you'll want to make it your own.

Accepts Call

The Session of the Grosse Pointe Memorial Church has announced the appointment of the Reverend Lyman B. Stookey as assistant minister.

Mr. and Mrs. Stookey will arrive this week and move into the manse at 621 Fisher road. Mr. Stookey's main responsibilities will be for youth and young adult work and pastoral calling.

Mr. Stookey is a graduate of Phillips-Andover Academy, Hamilton College and graduated from Union Theological Seminary with honors. While at Union Seminary he was student assistant at the First Presbyterian Church in Englewood, New Jersey, where Mr. Atwood, Senior Minister of the Grosse Pointe Memorial Church, was then minister.

The Stookeys have recently returned from Great Britain where they have worked and studied in some of the important free church parishes in England and Scotland.

Mr. Stookey was also assistant minister at the First Presbyterian Church in Auburn, New York. He will assist in the Service of Installation for Mr. Atwood on Sunday evening.

Cub Scouts Hear Fire Safety Talk

Do you know what to do the first four minutes after a fire breaks out in your home? Do you know how to watch out for the REAL danger in a fire? Do you really know how quickly a fire spreads—that it multiplies 1,100 percent in the first three minutes?

These and many other questions were answered in a fire safety demonstration last Monday night before Cub Scouts and their parents of Kerby School Pack 481. Allan Clink, of a local fire detection concern, presented startling facts using a colored slide film.

In an impressive ceremony earlier in the program 14 new Cubs received their Bobcat pins from Cubmaster Don Bliss. Two new dens of eight year old boys joined the Pack as a group before some 100 Cubs and parents.

Den 4 includes, Price Albertson, Mark Boerner, Mark Boyd, Bill Bryan, Bill Craumer, John Fountain, George Merritt and Curtis Mumaw.

The Den Mother for the first semester will be Mrs. W. E. Craumer. Under the tutelage of Mrs. Russell Allen, six more eight year olds were formally inducted into Den 7 by Indian Chief Akela (Paul Duika) assisted by Cub Terry Allen. There were Bill Allen, Bob Baker, Brad Barker, Todd Beveridge, Rodney Moxley and Greg Perlin.

Five boys received awards for progress in the Cubbing program. Each boy, accompanied by his parents, was presented with his specific award before the assembled Pack members by Cubmaster Bliss.

In Den 3 Charles Parcels received his Lion Badge, Nicky Popovich, his Lion Badge, a Gold Arrow and a Silver Arrow, and Eric Sauer, his Lion Badge, and a Gold Arrow and Silver Arrow to his Bear Badge. In Den 10, Kenny Christian received his Lion Badge. Terry Allen of Den 6 received a Gold Arrow to his Lion Badge.

The next meeting of Pack 481 will be held on Monday, November 23 at 7:15 p.m. in the Kerby gym. Den 3, led by Mrs. Charles Parcels, which won the uniform inspection, will present the flag ceremony. A Christmas party for the entire Pack on December 14 was announced by the Den Mother coordinator, Mrs. Robert J. Sutton.

Airman Tom Eaton Stationed in Vermont

Airman Basic Thomas B. Eaton, son of Mr. and Mrs. William F. Eaton, of 128 Meadow lane, was recently assigned to the 14th Fighter Group (Air Defense), Ethan Allen AFB, Wisconsin, in northwestern Vermont.

A 1958 graduate of Grosse Pointe High School, Airman Eaton enlisted in the USAF on October 10 of that year and received basic training at Lackland AFB, San Antonio, Texas. Following basic, the young airman attended the Aircraft Electrician Navigational Equipment Repairman School, at Keesler AFB, Biloxi, Miss., and was then assigned his present duties at Ethan Allen.

His base, a unit of the Air Defense Command, is located between Lake Champlain and the Green Mountains, giving him an opportunity to enjoy a variety of recreational activities.

It's true that all the world's a stage—and most people are looking for backers.

Passer of Bad Checks Caught

William T. Smith, 45, of 12014 Foley, Detroit, was arraigned before Park Judge C. Joseph Belanger on Friday, October 23, in evening court, and found guilty of uttering and publishing a bad check.

Smith is accused of writing a check for \$20, which he recently cashed at the Baby Grand Bar, 15222 Charlevoix, without having the funds needed to back it up.

Park Det. Lt. Stanley Enders and Cpl. Charles French arrested Smith in Mt. Clemens, following his trial in Macomb County Circuit Court for passing \$215 worth of bad checks in Macomb.

Smith was found guilty by a Macomb judge who placed him

on two years probation, and ordered him to make restitution on all the checks he had passed, whether in Macomb County or elsewhere. In addition, the convicted man was assessed \$150 court costs.

The two Park officers were waiting for Smith as he left the Macomb court room, and placed him under arrest.

Following the examination before Judge Belanger, Smith was placed under \$500 personal bond, and released to his lawyer until trial date in Wayne County Circuit Court.

It was disclosed that if Smith made restitution for the check passed in the Park bar, the charge against him in this matter could be dropped.

A man may have plenty of faith and ambition, but it still requires a lot of outside help to carry out his plans.

His Drinking Pal Was Also Hungry

Six chickens and six steaks were taken from the refrigerator of a Park home on Wednesday, October 21, by the owner's

drinking partner, who did not remember any details. Rudy F. Kropaczek, 50, of 3573 Nottingham, Detroit, was arrested by Park Police Cpl. Charles French and charged with breaking and entering into the home of David Carroll, 1235 Maryland, and taking the chicken and meat.

According to Cpl. French, Kropaczek and Carroll had been drinking in a bar, when Carroll mentioned the edibles in his refrigerator.

After leaving the bar, the two men went their respective ways. Carroll went home, and Kropaczek went in another direction, winding up in front of Carroll's house sometime later.

Kropaczek, who, according to the corporal, was very intoxicated, waited patiently in his car, and in time, Carroll left his house, after which Kropaczek mounted the steps of the front porch and smashed the door glass with his bare fist, and turned the latch.

Cpl. French said that Kropaczek did not touch anything in the house, but went straight to the refrigerator and took the chicken and meat, leaving a trail of blood from his hand.

The officer said that Kropaczek's name was teletyped to Lansing and the man's name and address was obtained from his driver's license record. French went to the man's home and placed him under arrest.

The corporal said that Kropaczek's hand showed cuts and scratches he made by broken glass, but he did not recall breaking into the home.

Kropaczek said, however, that the evidence was against him and submitted to arrest.

At the station, Kropaczek and Carroll got together to talk the matter over, after which Carroll agreed to drop charges and accept restitution of \$20 for everything, including a new glass for the door.

2d Lt. Kent M. Barlow In Army in Germany

U. S. FORCES, GERMANY (AHTNC)—Army 2d Lt. Kent M. Barlow, son of Mr. and Mrs. J. D. Barlow, 1256 Beaconsfield, Grosse Pointe, Mich., recently participated with the 619th Ordnance Company in "Exercise Side Step," a NATO command post exercise in Germany.

The ten-day exercise was designed to determine unit effectiveness under simulated combat conditions.

Lieutenant Barlow arrived overseas last July.

The 24-year-old officer is a 1953 graduate of Grosse Pointe High School and a 1957 graduate of Michigan College of Mining and Technology in Houghton. He also attended the University of Wisconsin.

Pointe Symphony to Play First Concert on Nov. 15

Grosse Pointe Symphony Society members will gather at Parcels school on Sunday, November 15 to hear the first of four concerts of the coming season.

Artists for the afternoon will be the young and talented pianist Ted Tedesco.

He received all his training in Detroit, and will mark his debut with a symphony orchestra. The 15-year-old performer will be featured in the well known and ever popular Tchaikovsky Concerto II.

The officers and board of directors have been engrossed all summer with formulating plans for the forthcoming season of outstanding symphonic music. Felix Resnick continues as the conductor of the Pointe Symphony Orchestra.

In addition to the November 15 date, the remaining concerts will be held the Sunday afternoons of February 28, April 24 and June 5, 1960.

Some 30 members of the membership committee will gather at the home of Mrs. Gerald L. Stoetzer, 1949 Littlestone road for a progress report tomorrow, October 30.

Among those present will be Mesdames Robert P. Armstrong, Bogdan Baynert, Raymond B. Baer, J. Leslie Berry, Walter Burczyk, Miss Mary Alice Case and Miss Camilla J. Ayers.

Also present will be Mesdames Jay L. Hauss, Winfield S. Jewell, Jr., Kenneth L. Kimmel, John P. Kinville, Edwin W. Layne, Thomas V. LoCicero, Arnold W. Lungerhausen, J. Edward Mack, John B. McGrath, George F. Mehling, Alfred D. Moran, Reginald T. Murphy, John Wilbert Nelson and Thomas Nester.

And, Mesdames Don J. Nigro, James M. Odell, Sam Olejniczak, Thaddeus Ojniczak, A. Gordon Patterson, John C. Purcell, David M. Sutter, Clifford Veltch, Neil J. Whalen and Bernard Whitley.

Dyed Hair Fails To Protect Him

A lot of women who sport dark hair and are desirous of golden tresses, have been known to take the problem to their hairdresser and emerge "a new woman."

This tendency, however, does not often repeat itself in the male of the species, unless, of course, the male happens to have an extra good reason. David Proctor Jr., 23, had good reason. He was a fugitive from justice and wished to remain so.

However, the officers of the law caught up with him, blond head and all, and Monday, October 26, he was brought before City Judge Douglas Paterson, on the charge of drunk driving.

The Judge gave him 30 days in jail, a \$50 fine and also revoked his driver's license.

The City jail won't be his place of residence for some time, however, for he is wanted in Detroit, also. And since they found him, in spite of his new hairdo, they have priority.

The Navy's Military Sea Transportation Service was activated on Oct. 1, 1949, thereby combining the services of both Army and Navy transports ferrying troops and supplies throughout the world.

Judge Belanger Submits Traffic Conference Report

Park Judge C. Joseph Belanger submitted a report to the Park Council and City Manager Robert Stone on Monday, October 26, regarding the Traffic Court Conference he attended, which was sponsored by the American Bar Association in conjunction with the Traffic Institute of Northwestern University, Chicago, Ill.

The conference was held from Monday, October 12, through Friday, October 16.

Judge Belanger pointed out in his report that traffic cases exceed the combined total of all civil and other criminal cases filed in all state and federal courts, and that such courts are gravely concerned with this traffic problem which is created primarily by congestion and collisions.

He stated that the three elements in the traffic problem consist of the highway, the vehicle and the driver-pedestrian, and outlined them as follows:

The highway—5,885,000 miles of highway in all 48 states comprise the nation's vital road network in peace and war; and 600 billion miles of travel in 1958.

The vehicles—65,275,000 vehicles of all classes registered in the 48 states and Washington, D.C. in 1956.

The driver-pedestrian—75,500,000 licensed operators in 48 states and Washington, D.C., 170,000,000 potential pedestrians.

The report disclosed that this combination of factors produced accidents for 1955 as follows: 33,100 accidents resulted in 38,426 fatalities; 880,000 accidents resulted in 1,350,000 non-fatal injuries; 3,600,000 accidents involved property damage over \$25; and 5,400,000 accidents involved property damage of less than \$25.

One way to achieve substantial cuts in the number of traffic accidents is to improve the performance of drivers and the habits of pedestrians. Through educational means and adequate enforcement there ap-

pears to be an opportunity to secure a material reduction in traffic accidents, and it is in this latter respect that the traffic court can make its contribution. The traffic court should be used as a classroom and adequate corrective penalties should be assessed to achieve voluntary observance of traffic laws, the judge stated.

"In order for traffic judges to educate while adjudicating, they must have ample opportunity to physically see the violators who are apprehended through traffic law enforcement," he said. "In order to determine the type, character and kind of corrective influence that the traffic judge should exercise they must appear before them and ascertain the primary cause of violation," he added.

Elsewhere in his report, Judge Belanger revealed that a number of citizens are cited to one of the many unenlightened traffic courts, through an invitation in the form of a traffic ticket, this contact with the law may be extremely disappointing.

Traffic violators—in great numbers—have first hand knowledge of the operation of the traffic courts, and to them this is the judicial system because they rarely see any other court, and what they see and hear in these courts should tend to create respect for law, or for the judges and lawyers administering law.

People are coming to these traffic courts by millions each year, the judge stated, as defendants or as witnesses in traffic matters—20 million as defendants in 1951—in comparison with the relatively small number who experience justice from the courts of last resort. This is extremely important, inasmuch as thoughtful judges and lawyers do not need to be told that our kind of government cannot long exist once respect for law is destroyed.

"This Traffic Institute is extremely important in aiding our local traffic court," Judge Belanger said, "with all problems involving traffic and actively aids the local traffic court judges in the sincere efforts of the American Bar Association and the President's Highway Safety Conference to improve in every way the handling of traffic cases. I have found the conference to be invaluable."

Composers Set To Honor Benny

Jack Benny, appearing as violin soloist with the Detroit Symphony Orchestra Friday, November 13, in a spectacular benefit concert for the orchestra, will receive the Laurel Leaf Award of the American Composers Alliance for his outstanding contributions to such organizations eight days later in Washington, D.C.

The Laurel Leaf presentation will be made at the Third Annual President's Ball of the National Press Club in Washington by Ben Weber, ACA president, who will be introduced by William Schuman, Juilliard School of Music president.

Benny has raised more than 1 1/2 millions for the leading American symphony orchestras by appearing with them as soloist. His Detroit performance under Paul Paray will find him playing Sarasate's "Gypsy Airs" and the first movement of Mendelssohn's Violin Concerto in E minor.

Tickets for the Friday the thirteenth benefit concert are priced at \$5, \$10, \$25, \$50 and \$100 and are available at the Detroit Symphony office Ford Auditorium.

Among previous recipients of the Laurel Leaf Award presented for distinguished service to music in America, are Leopold Stokowski, George Szell, Martha Graham, Howard Hanson and Howard Mitchell.

Driver Wrecks Car, Property

Richard P. Clarke of 190 Muir road, lost control of his car while driving on Lake Shore road on Saturday, October 24, and caused considerable damage to his vehicle and to public property.

A Farms police report disclosed that Clarke was driving east on Lake Shore, and somehow lost control of his vehicle, which leaped the curb in front of number 255, near Moran road, skidded sideways, and struck a tree with the right rear fender.

The vehicle continued out of

control, spinning and hitting two other trees with the left side, then knocked down a city-owned "no parking" sign.

Clarke was taken to Cottage Hospital, where he was treated for a laceration on the left side of his head, the only injury he sustained.

Authorities estimated damage to Clarke's car at about \$500; and to property owned by Wayne County, at about \$300.

Clarke was given a ticket for not having his car under control and causing property damage.

Richard School Gardeners Win Prizes for Projects

A number of Richard School pupils have received prizes for their work on summer gardens, sponsored by the Men's Garden Club of Grosse Pointe in conjunction with the Richard P.T.A.

The Garden Club has sponsored this project for two years now, with the aid of Dr. Clarence J. Messner, principal, and past and current P.T.A. presidents, Jack Stevenson and B. Dale Davis.

Sunflower and zinnia seeds, donated by Ferry-Morse Seed Co., were given to 57 pupils of grades one through six, last spring. All of the contestants were required to grow sunflowers with a prize promised for the tallest one. They planted other flowers and vegetables, also, including bush beans, cosmos, marigolds, portulaca, sweet alyssum, zinnias, beans, beets, carrots and tomatoes.

Garden inspections were made during July, August and September by a group of eight members of the Men's Garden Club. Each garden was judged on general appearance, freedom from weeds, condition of plants and the contestant's knowledge of plants. Parents were allowed to help only in an advisory capacity.

Group A, (grades 1 and 2) grew a sunflower and one other item; Group B, (grades 3 and 4) a sunflower and two items; and Group C, (grades 5 and 6) three items in addition to the sunflower.

Ribbon awards were presented in group assemblies at Richard School, last week, by Arthur Shimmin, garden contest chairman. Some 40 boys and girls were the recipients of the coveted ribbons.

The tallest sunflower, 12 feet 2 inches, was grown by Vonessa Vincel of Meadow lane, Group A.

The garden awards went to: Class A: Vonessa Vincel, first place; Timothy Hoag, Kenwood court, second; Ann Wilcoxon, Radnor circle, third. Class B: Tom Welch, Mapleton road, first; Douglas Frey, Washington road, second; John and Charles Miller, Newberry place, tie for third. Class C: Steven Enzer, Washington road, first; Catherine Mertens, Muir road, second; Nicky Spain, Washington road, third.

Honorable mention ribbons for the tallest sunflower went to the following: Class A: Ruth Gibson, McKinley avenue, second tallest (11 feet 9 inches); James Schukenecht, Washington road, (11 feet); John Hamann, Rivard boulevard, (10 feet 11 inches); and Ricky Crawford, Meadow lane, (10 feet 6 inches). Class B, Elizabeth Sue Johnson, Lincoln road, (11 feet); and Class C,

Students to See Gasarama Show

Michigan Consolidate Gas Company's award winning contribution to the education field, "Gasarama," will be presented locally at John D. Pierce Junior High School on November 5, at 8:45 a.m.

The dramatic science show designed to encourage students to take a deeper interest in scientific subjects, won the top public relations award presented annually by the American Gas Association.

The production is headed by Miss Pat Yank, credit department; David Fyffe, an instructor in the company's training school, and Jack Secord, a technical assistant in the meter shop department. Behind the scenes, Roy Bishop, an engineering technician, manipulates "Gasarama's" unusual lighting, stage and sound effects.

Originated by Noble D. Travis, director of public relations of Michigan Consolidated, "Gasarama" took a year to design and produce.

As a high gesture of good will to civic schools within its service area, Michigan Consolidated has provided a special truck to transport equipment to fill the demand for school presentation.

"More than 137,000 college and high school students have now seen "Gasarama," according to Travis, "and another 50,000 will see it this fall."

Through a series of demonstrations, "Gasarama" points out the role scientists play in the discovery of natural gas through the use of seismograph sound waves to detect gas deposits buried for centuries beneath the earth's crust.

It dramatically tells the story of how natural gas is transported 1,200 miles to Michigan through three giant pipelines from Texas and Louisiana to serve homes and industry in some 120 communities.

As the show develops, the audience discovers that there are some 25,000 industrial uses for natural gas—and that the gas industry is the fifth largest in the nation.

During the 40-minute stage production, the audience learns how natural gas is used by Chrysler Corporation as motor testing fuel instead of gasoline on the Plymouth assembly line.

It also explains how a hot flame can produce cold—how natural gas can be made to burn under water, and how it can generate electricity.

Unknown Driver Runs Into Tree

Farms police, called to investigate a traffic accident in front of 378 Fisher on Thursday, October 22, found the lone car involved gone from the scene.

Apparently the driver of the accident vehicle did not want to give the authorities his version of what happened, but investigating officers pieced the evidence together.

It was revealed that the driver had made a left turn onto Fisher from Chalfonte at a high rate of speed. Tire marks showed that the car jumped the west curb, missed a stop sign, crossed Fisher, jumped the east curb, and slammed into a tree in front of number 378.

The driver then backed off and left the area, going south on Fisher.

Group Battling Filth Peddlers

In the September issue of the National P.T.A. magazine Karla V. Parker, president of the National Congress of Parents and Teachers, asks high priority for an Action Program to wipe out "Pornography," "The New Black Plague."

Mrs. Parker warns "We dare not be indifferent to the degrading, demoralizing material that depraved persons are spreading among boys and girls."

The National Council of Juvenile Judges has labeled evil publications a major cause of juvenile delinquency and crime.

Postmaster General Arthur E. Summerfield is appealing to parents to help beat the filth peddlers.

To learn more about this national problem the Grosse Pointe Council of Better Literature for Youth invites all interested parents to attend a meeting Thursday, November 5, at 8 p.m. at the Grosse Pointe Library, Kercheval and Fisher.

Mr. Emilia Asa, administrative assistant to the Detroit Postmaster, will speak about Mail-order Obscenity.

Tower Replica Wins for Senior Class

A replica of the Grosse Pointe High School tower, constructed of 200 boxes of facial tissues, captured top honors for the senior class in the Homecoming Day float parade, Saturday, October 24. Second place went to the

Junior class which built a giant character displaying a sign stating "I'm gonna be a wheel—someday". Third place was won by the Future Teachers Club.

New Minister To Be Installed

Dr. George A. Buttrick, Preacher to Harvard University and Plummer Professor of Christian Morals, will preach at the Service of Installation for the Reverend Bertram deHeus Alwood next Sunday night, November 1, at 8 o'clock at the Grosse Pointe Memorial Church.

Dr. Buttrick has been president of the National Council of Churches and was for 28 years minister of the Madison Avenue Church in New York City. He is editor of the "Interpreter's Bible" which is one of the great scholarly works published within the last few years.

Mr. Atwood is tenth in the line of regularly installed ministers of the Grosse Pointe Memorial Church which began in 1890. (The Church was served by stated supplies up to 1890) and succeeds Dr. Frank Pitt who was made minister emeritus upon his retirement. Other ministers participating in the service will be:

Dr. Harold F. Fredsell, Stated Clerk of the Presbytery of Detroit and interim Moderator of the Grosse Pointe Memorial Church.

The Reverend Erville B. Maynard, Rector of Christ Church, Grosse Pointe.

Welcome Club Meets Nov. 5

The Welcome Wagon Club of Grosse Pointe will be holding its November coffee on Thursday the fifth at 11 o'clock in the War Memorial Center. The regular monthly luncheon is scheduled for Thursday, November 19, at 12 o'clock. Bridge will follow both the coffee and the luncheon. For reservations, for both members and their guests, call Mrs. Margaret D'Arcy at TU 4-5864.

Introducing Pointe's Newest Teachers

Newcomers to the Pierce Junior High School teaching staff gather around PRINCIPAL CHARLES LEAVITT (center, seated) for an informal discussion of school affairs. A talented group of replacements for departed staff members, all have rapidly adjusted to their new situation and are rated by Principal Leavitt as exceptionally able members of his teaching corps. Standing left to right

are British Exchange teacher HARRY HUTTON, social studies; EUGENE MATECUN, social studies; DONALD DRAGOO, Latin and English; and RAYMOND KOSIBA, reading. Seated (l to r) are: WILLIAM JONES, social studies; CHRISTINE WELLS, physical education; MR. LEAVITT; SOPHIA BOAN, homemaking; and JULIA MEIGHAN, art.

Harry Hutton, a native of Liverpool, England, has been previously introduced to NEWS readers. As noted then he is in this country as an exchange teacher in place of Charles Jorgensen, Pierce Art Teacher. Mrs. Hutton is teaching 6th grade at Defer.

Eugene D. Matecun is a first-year teacher of social studies at Pierce. A native of Muskegon he attended high school and the Community College there. He is a graduate of the University of Michigan and is presently pursuing an advanced degree from that institution. Mr. Matecun's fiancée is also a public school teacher—in Flint, Michigan.

Born and raised in Battle Creek, Donald Dragoo, Pierce Latin and English teacher, arrived in Grosse Pointe via Eastern Michigan University, the U. S. Army Military Police Corps, and two years teaching experience each at the Mesick and Croswell-Lexington high schools. In college he was a member of the Stok Society and pledged Phi Mu Alpha Sinfonia. Other affiliations and activi-

ties include membership in the Michigan School Band Orchestra Association; the Sanilac County Bandmasters; director of music for his church; chairman of the Sanilac County Vocal Teachers Association; and a performer in the Port Huron-Sarnia International Symphony Orchestra. Mr. Dragoo is married and has a son, 15 months old.

Raymond J. Kosiba is a native of Youngstown, Ohio where he graduated from Chaney High. He holds two degrees from Miami University (Ohio) and has continued his study for his doctorate at Indiana University.

A teacher of reading at Pierce, he has majors in Latin and English. Previous experience includes a graduate assistantship at Miami, a research assignment at Indiana University and junior high school teaching in San Diego, California. Two years active duty with the U. S. Navy interrupted his career in 1953. The Kosibas have a four-year-old son and reside in Gary Lane, St. Clair Shores.

A product of the Grosse Pointe Public School System, William H. Jones has returned to teach where he once studied. Born in Norwalk, Connecticut he attended Trombly and Pierce before graduation from GPHS. He holds degrees from Denison University and Eastern Michigan.

At Denison Mr. Jones played varsity basketball and baseball and was active in student government affairs. He pledged Sigma Chi. Previous to his Pierce social studies assignment Mr. Jones served the Wayne County Circuit Court as a probation officer. He married an Ohioan and they are the proud parents of an eight-month-old daughter, Karen Lee.

A sailor (Lightning Class) from Buffalo, Miss Christine Wells, physical education instructor at Pierce, feels thoroughly at home here on the shores of Lake St. Clair. She came to us from the University of Michigan where she studied music and physical education. She has found use for both talents the past three summers as she has served as the waterfront director for the Intermediate Girls Division of the National Music Camp at Interlochen, Michigan.

Miss Wells participated in student government activities while at the university and was elected First Vice-President of the Assembly Association for Independent Women. She also did considerable sailing. Teaming with her father she has won numerous championships in various sailing competitions. She reports that she is very enthusiastic about her teaching assignment at Pierce.

Mrs. Sophia Sofian Boan was born in Canada but received all

of her formal education in the United States. A graduate of Hamtramck High School, she

prepared for a business career at the Detroit Business University. However, as she engaged in secretarial work she continued to pursue the goal of becoming a member of the teaching profession and is now a graduate of Wayne State and certified to teach homemaking subjects. She is an active member of Phi Upsilon Omicron, a national home economics society and Pi Lambda Theta, a national educational society. She also claims membership in the American Home Economics Association.

Mrs. Boan is the proud mother of Jerry, 16 and Sandra, 15. Her hobbies are many and include bowling, golf, and skating (ice and roller) as well as fishing and hunting.

A product of the Ann Arbor schools and the University of Michigan, Mrs. Julia LaRue Meighan, First Art teacher, related, "My first real teaching position was at Hillsdale College, where I was the whole art department." She taught all of the art courses offered, from Art History to Art Education.

Besides this valuable experience she also was a Teaching Fellow in Art at University High School, Ann Arbor after her graduation from the college of Architecture and Design with two degrees in Design. Mrs. Meighan has also taught in other places including St. Clair, where she headed classes in ceramics in the adult education program.

The mother of two daughters, she is active in choral and Little Theatre work.

To Show Film Of Florida Keys

What promises to be a most interesting illustrated account of 'Underwater Adventure in the Florida Keys' will be presented free of charge to the Grosse Pointe public at the Grosse Pointe War Memorial Wednesday evening, November 11, at 8 o'clock.

The adventurer is 21-year-old Grosse Pointer, Robert Bloink, who through his diving has managed to accumulate quite a number of fascinating and unusual experiences. A graduate

of the University of New Mexico, he is currently studying to become a marine biologist at the Detroit Institute of Technology. Over the past five years as a diver, he has been called upon to make underwater surveys for docks, recover submerged automobiles and even recover bodies from the depths. The pictures Bob will show were taken on an expedition with a commercial diving boat which put out from Windy Key to collect coral and conch shells.

City of Grosse Pointe

TO ALL **Qualified Voters**
CITY OF GROSSE POINTE

The present City Council and officers of the City of Grosse Pointe unanimously endorse and urgently recommend your favorable support for the proposed Charter amendments to be voted on in the General Election scheduled for November 3, 1959. These amendments, if adopted, will greatly facilitate the City in achieving an effective City Manager form of government.

ON NOVEMBER 3, 1959 . . VOTE YES

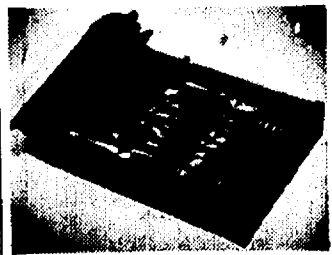

on both Charter Amendments

The Park and the Farms have both achieved success through professional City administration responsible directly to their elected Councils. In our opinion, the impending retirement of Norbert P. Neff makes it essential for the City to reorganize its administration at this time. We urge that the City's electors and taxpayers are entitled to the most experienced and competent administration available at compensation the City can afford. We believe this goal can best be accomplished only if the City's officers are, like those of the Farms and the Park, appointed by and directly responsible to the City Council.

The proposed Charter amendments make the offices of Clerk, Treasurer, Assessor and Constable appointive rather than elective. This follows the lead of the Farms and the Park and will place the City in a position to achieve a more efficient municipal administration.

We're taking a tour of National Bank's New Main Office

Any time between 10 a.m. and 3 p.m. Monday through Thursday (till 5 p.m. on Fridays), we'll be happy to show you around. The tours take approximately 45 minutes.

Just walk right in and join the group following Miss Oliver or one of our other special tour guides. That way you'll be sure not to miss anything. The ultra-modern employee dining room and lounge, for example. The giant master control panels that keep tabs on the weather, wiring, plumbing and even set the clocks throughout the entire building. The mile of pneumatic tubing that rushes communications to any place in the bank by merely twirling a telephone-type dial.

By all means, bring along a friend if you like.

Mission Board Honors Rev. Beck

Rev. Robert P. Beck, minister of Grace Evangelical and Reformed Church, Grosse Pointe, was elected to a four year term on the Prudential (governing) Committee of the American Board of Commissioners for Foreign Missions, overseas missionary agency of the Congregational Christian Churches.

president of Wellesley College from 1936 to 1949.

The Board, in its 150th annual meeting in First Congregational Church in Akron, O., also elected Mrs. Douglas Horton, Randolph, New Hampshire, as its first woman president. Mrs. Horton, the former Mildred McAfee, was commander of the WAVES in World War II and

The American Board is America's oldest Christian foreign missionary society. It was founded in 1810 by Massachusetts Congregationalists, who commissioned the first missionaries to leave these shores. Though closely related to Congregationalism, the Board also once represented the Presbyterian Church and several smaller denominations. The Board has always been an independent body, not subject to the control of any of the denominations it has served.

The American Board founded the first Christian colleges in Asia and Africa, the first social service work in the Orient and thousands of primary and secondary schools throughout the world.

The American Board now conducts missions in 14 countries in Asia, Africa, the Pacific Islands, Latin America and Europe. Its 1959 budget is \$2,278,000.

Halloween Party At Boat Club Friday

Club to Be Turned into Haunted House with Chamber of Horrors for Fall Festival; Walker Gramms and Henry A. Houstons III, Co-chairmen

It will be a screechy, scary Charles Addams type of evening this Friday when the Detroit Boat Club opens its Haunted House for a Halloween party.

The Fenby-Carr orchestra will provide haunting music for dancing in the big candle-lit ballroom after hors d'oeuvres and dinner amidst flights of bats, screams and decadent decor.

Mr. and Mrs. Walker Graham and Mr. and Mrs. Henry A. Houston, III are co-chairmen

Parties for the pre-school child should be small, simple and short, recommend home economists at Michigan State University.

for the party. Members of their committee are Mr. and Mrs. James Hughes, Mr. and Mrs. James Vernor Davis, and the Wallace Heidleins.

Some of the guests with early reservations are Mr. and Mrs. Wallace Ehrlich, Mr. and Mrs. Arthur Engstrom, Mr. and Mrs. Paul Nagel, Mr. and Mrs. Ellsworth Allison, Mr. and Mrs. Arthur O. A. Schmidt, Mr. and Mrs. Edwin Taylor, Mr. and Mrs. Henry Gildner, Dr. and Mrs. Thomas Amos, Mr. and Mrs. Kleath A. Kemel, Mr. and Mrs. Jack Sinclair, the J. H. Askrens and Dr. and Mrs. J. C. Montgomery.

AAUW Slates Week's Events

Dr. George D. Barahal, Professor of Educational and Clinical psychology at Wayne State University, will speak on the topic "Mental Health of the Child Under 12 Years of Age" to the combined meetings of two groups of American Association of University Women, Recent Graduates and Social and Economic Issues, on Tuesday, November 3, at 8 o'clock.

Mrs. Edgar Hahn, of Three Mile drive, is to be hostess to the groups, assisted by Miss Emily Harding, and Mesdames Frank Thompson, Robert Bridge and Roy Erickson.

Dr. Barahal will treat his subject with special reference to juvenile problems which, if not helped early, lead to greater trouble later.

His background of experience includes four years of psychological testing, screening, and assigning of thousands of navy personnel during World War II and work with the Detroit Board of Education as a counselor and teacher of "behavior problem" boys.

Studio Arts Group will meet Wednesday, November 4, at 8

o'clock, at the home of Mrs. Ralph Kimble, of Fisher road, to continue the class in charcoal drawing.

The meeting of the Creative Writing members will be on Wednesday, November 4, at 12:45 o'clock, the hostess being Mrs. Edgar Hahn, of Three Mile drive. Further work on short stories and articles will comprise the afternoon.

Mrs. H. W. Merrill, of Stanton lane, will receive the International Relations Group on Thursday, November 5, at 1 o'clock. Her co-hostess will be Miss Louise Rau. After luncheon, Mrs. C. G. Turrell will lead the members in a discussion entitled "The United Nations Issues Before the 14th General Assembly."

SCENIC IMPROVEMENTS

It will cost the Farms \$1,673 for plantings at Kerby Field, the Water Filtration Plant and the Carillon on the plant grounds. The sum to be expended was approved by the city council on Monday, October 19.

Married 50 Years

An open house November 1, will honor the 50th wedding anniversary of MR. and MRS. GUSTAF DEVULDER, of Mack avenue at Calvin. They were married October 26, 1909 at Our Lady of Sorrows Church. Before his retirement, Mr. Devulder was a builder in the Grosse Pointe area for over 40 years. They moved to Grosse Pointe Farms 37 years ago on acreage that was known as swamp-land to the old settlers. Mrs. Devulder was Emma Allemon, daughter of Henry Allemon, who pioneered one of the first creameries in the area. They have three daughters, Mrs. Leo DeVriendt, Mrs. Howard Miller, and Mrs. Walter Allen. In addition, there are 17 grandchildren and 17 great-grandchildren.

Charity Masque Ball On New Year's Eve

Post Debs Again Plan Festive Holiday Climax in Aid of Charity; Susan Earl President of Gala at Hunt Club

Last year's climax to a gay holiday season was a Masque Ball sponsored by a group of post debs and so successful was this great charity gala that it will be given again this year.

The scene will be the Grosse Pointe Hunt Club and the date, New Year's Eve. Susan Earl is in charge of the committee planning the party.

The group is sponsoring the masquerade ball to aid the Michigan Cancer Foundation, the Michigan Heart Foundation and the National Multiple Sclerosis Society.

Joan LeGro is vice president of the committee; Mrs. David Wigton (Paula Walker), secre-

tary; Julie Bush, treasurer, and Elizabeth Pearce, patron donations.

Melinda Bates, who is in charge of decorations is considering a Victorian theme for the ball.

Patrons donations are \$25.00 for two tickets, and the contribution is tax deductible.

The original idea for the masqued ball was Mrs. Daniel N. King's (Suzanne Wiggins), who organized last season's successful ball.

Christ Child Society Carnival Date Set

Eighth Annual Event to Support Home for Children Being Held on Friday, November 6, at Latin Quarter

The Christ Child Society will hold its 8th annual carnival at the Latin Quarter on Friday, November 6. The afternoon party begins at 1 p.m.

Guests are served tea (all sandwiches and dessert pieces homemade by the members). There will be a fashion show, in which members and their children will model.

The members have worked all year long purchasing and making exquisite articles, which will be displayed and

sold at the various booths (doll booth, family corner booth, handicraft booth, continental booth, white elephant booth, baked goods and candy booth).

The evening party begins at 9 p.m., featured by the music of Fred Netting and his vocalists, Janie Palmer.

General chairman for the event is Mrs. Donald F. Currier,

of Stanton lane. Co-chairman is Mrs. John G. Schaefer, of Beacon Hill. Candy chairmen are Mrs. Joseph B. Sullivan of Merriweather and Mrs. Joseph Eichenlaub of Three Mile drive.

Tea chairman, Mrs. George Simon of Lothrop, has a freezer full of sandwiches.

Fashion show chairman, Mrs. Elmer O'Berski of Chalfonte has chosen lovely models.

Mrs. Stanley Evely of Lexington road is program chairman.

Mrs. Victor Breidinbach of Grand Marais is art director.

Mrs. James Barker, financial chairman, lives on Broadstone. Miss Mary Ann Staudt, of Somerset is secretary.

Mrs. Clayton P. Alandt of Mack, and Mrs. Robert Whitty of Whittier, have been in charge of the advertising.

Proceeds from the carnival will help support the new Christ Child Home for children. It is a temporary shelter for children regardless of race, color or creed.

Henrys to Give Post-Game Gala

It will be off to Ann Arbor and the Michigan - Wisconsin football game Saturday for the T. Jack Henrys, of Sunningdale Drive, and their 20 guests. The day is to wind up with a cocktail and dinner party the Henrys will host at the DAC.

Mr. and Mrs. Henry have chartered a bus which will pick up the group at the DAC where they're all to meet - also ready for the trip will be delectable box lunches, prepared at the club.

Mr. and Mrs. Henry's guests will include the Edmund M. Bradys of Grosse Pointe; Mr. and Mrs. Frederick Overesch of Grosse Ile; Mr. and Mrs. Richard T. Jennings of Huntington Woods; and from Birmingham, the W. Calvin, Pattersons, the Richard C. Woodhouses, Robert L. Ganters, Ralph A. Moores, B. W. Crandells, Paul Foleys, and Mr. and Mrs. Richard Isaacs.

Bride-Elect

The engagement of BARBARA ELLEN SUTTON to John Joseph Horn has been announced by Miss Sutton's parents, the C. J. Suttons of Brys drive. Mr. Horn is the son of Mr. and Mrs. Harold C. Horn of Marlborough avenue, Detroit.

Miss Sutton is a graduate of Michigan State University and is presently teaching in St. Clair Shores.

A December 26 wedding is planned in St. Joan of Arc Church.

Methodist Women Ready for Festival

A Harvest Festival Dinner is the next important undertaking of the Woman's Society of Christian Service of Grosse Pointe Methodist Church. The Harvest Dinner will be held Tuesday, November 10 at the church in Moross road. A delicious family-style chicken dinner will be served at both 6 o'clock and 7:30.

Mrs. Donald Yerkes and Mrs. Leo Luke are co-chairmen of the Harvest Festival Dinner and their committee includes: - Mrs. Otis Dickey, Mrs. J. L. Thompson, Mrs. Raymond Clave, Mrs. John Scales, Mrs. William Grace, Mrs. James Lockwood, Mrs. Robert Black, Mrs. Alan Schaefer, Mrs. Carl Mangus, Mrs. Joseph Connors and Mrs. Fred Steiner, publicity, Mrs. William Montgomery and Mrs. Anthony Colett, decorations, and Mrs. Walter Griffith, tickets.

Tickets may be purchased from Mrs. Griffith by calling TU 1-8919, at \$1.75 for adults and 90 cents for children, up to 12 years of age.

Also included in the Harvest Festival will be a Christmas booth of many hand-made articles, ornaments, candies and goodies of all kinds. This booth is in the charge of Mrs. Walter Kann and Mrs. I. J. Quinn.

Members of the church are planning to bring the whole family to this Harvest Dinner and enjoy the food and social time together. Everyone is cordially invited.

THIEVES TAKE TRESTLES

Sam Comito, 38, of 5500 Huribut, Detroit, a contractor for the Woods new municipal building, informed Woods police on Saturday, October 24, that the building was broken into and three pairs of construction trestles, valued at a total of \$90, were taken.

Woods Garden Club to Meet

The Grosse Pointe Woods Garden Club will meet at 11 o'clock on Tuesday, November 3, at the home of Mrs. Edward Groth, 1541 Hawthorne road for a Christmas workshop.

Co-hostesses for the 12:30 luncheon will be Mrs. Fred Rising and Mrs. Arthur Hollinger. A business meeting will follow.

MOVE OUT

If you can't get behind a movement for the good of the community, the least you can do is keep from in front of it.

Church Society Plans Luncheon

The November luncheon of the Woman's Society of Christian Service of Grosse Pointe Methodist Church will be held Tuesday, November 3, at 12:30 p.m., at the church in Moross road.

The program for the afternoon will be a presentation on Africa, which is the field being stressed in Methodist Churches throughout the world at the present time. Preparation of the study of Africa began at the October Circle meeting of the Woman's Society and will continue through November. The Sunday School of the church is also studying about Boloji, Africa.

A pledging service of money to the mission field will be done at this luncheon meeting, and all proceeds from the luncheon will go to a self-denial contribution.

Devotions will be given by Mrs. J. L. Thompson. The luncheon hostess committee includes Mrs. John Wright, Mrs. Thompson and Mrs. Norman Mooney, as well as all Circle Spiritual Life Chairmen.

For reservations, please call Mrs. John Wright at TU, 5-3061. There will be a nursery provided for pre-school children of luncheon guests.

St. Joan Lancers Holding Dance

The Lancers of St. Joan of Arc Church (they're the young adults club) are presenting The Drag, a dance with a beantik beat, Saturday night, October 31, from 8:30 to 1 o'clock.

The place is the Church auditorium and the donation is \$1.50. Music will be the Mel Tones orchestra, refreshments free, and prizes awarded for the best beat costumes.

Slaubaugh-Nieder Rites Solemnized

Nancy Lynn Nieder, daughter of Mrs. Helen Nieder, of McMillan road, and Herbert Nieder, of Farmington, became the bride of Dale M. Slaubaugh on October 10, at St. James Lutheran Church of Grosse Pointe.

Mr. Slaubaugh is the son of Mr. and Mrs. Melvin Slaubaugh of Kingwood, West Virginia.

For her marriage, the bride wore a gown of Chantilly lace and tulle over taffeta with a fitted bodice, pointed sleeves and sabrina neckline. Her elbow length veil fell from a tiara set with iridescent sequins. She carried a spiral arrangement of white pom mums.

Mrs. William K. Fry was matron of honor, Diane Nieder, sister of the bride was bridesmaid. They wore ballerina length gowns of coral velvet and chiffon, with matching

headpieces. The flowers were mums in a tea rose shade.

Mr. Slaubaugh asked his brother, Terry, to be best man and the ushers were Robert Ramsey and Dwight Knapp.

For her daughters wedding, Mrs. Nieder chose a sheath of honey beige Chantilly lace with matching accessories. Mrs. Slaubaugh chose a sheath of taupe wool. Both mothers wore cymbidium orchids.

Following the reception in the church greenroom, the couple left for a honeymoon in New York City. They will make their home on Cadieux road.

Grosse Pointe's Queen for a Day

GPHS Homecoming Queen, PAT MORAN, is shown receiving her crown from halfback and co-captain DAVID WARK (the other co-captain is Ron Schram) during the halftime ceremonies, Saturday, October 24. Waiting to present Miss Moran, a senior, with her scepter of office, is GPHS principal, JERRY

GERICH. Looking on are members of her court and their escorts. Miss Moran was chosen by the football team to reign over the weekend festivities. In her court were seniors, Nina Henderson and Barbara Linden; juniors, Sue Keech and Diane Padley; and sophomores, Jessica Markley and Ingrid Langerfeldt.

Monroe Cheats Blue Devils Of Chance to Clinch Title

The Grosse Pointe Blue Devils blew a golden opportunity to clinch at least a share of the Border Cities League football title last Saturday, October 24, when the Monroe Trojans pushed across the winning touchdown with 41 seconds remaining, to win 7-0 on the local field.

It was an unflattering climax to the gala Homecoming celebration and put the Devils right on the spot in the final league game next Friday, October 30. If the Pointers hope to retain the BCL crown, which they are defending, they MUST win the final game against Wyandotte on the Bears home field.

Coach Ed Wernet had hoped the Blue Devils could have wrapped up the title in the Homecoming game. It would have eased the pressure in the final game. As it now stands the Pointers have an uphill battle to the throne room and to reach it will have to win on the "jinx" Wyandotte field under the lights and against a hungry Bear team.

Tied for First

Currently, the Pointers are locked in a two-way tie for first place with Monroe, who will tackle an up and down Fordson team in the final game. A Grosse Pointe victory and a Monroe defeat would give the Pointers sole possession of the crown. A Devil defeat and a Monroe tie or win would strip the Devils of the champions robes. If both win they would share the crown.

There can be no alibi for the defeat. Both teams ran over the same rain soaked gridiron and under bleak playing conditions.

The difference was in the blocking and tackling. Monroe had everything to win and nothing to lose. It was at least a two touchdown underdog on past performances against common opponents this season.

Grosse Pointe's favorite role went right out the window early in the first quarter when Monroe took the opening kickoff on its own 34 and drove to the Pointer's 20 where a fourth down gamble failed.

Pass Intercepted

The Devils charged back down the field on a well directed sustained drive by quarterback Ron Schram who paced the attack with a nice 30 yard run to the Monroe 29 after Ron Harper had reeled off a 19 yard scamper. Halfback Al Bolden and Schram pushed to the Trojan 4. Halfback Bill Bowling intercepted Schram's pass on the goal line to halt the threat.

The Devils threatened early in the second quarter but once again Bill Bowling intercepted quarterback Ron Linclau's pass on the Trojan 5, where he was dropped.

Monroe got the first break of the game when halfback Chuck Kaminski's punt was dropped by halfback Gary Brown, who had signaled for a free catch, and the Trojan's recovered on their own 34.

Staying on the ground with power plays, the Trojans moved to the Grosse Pointe 45 where the attack spluttered and Monroe took to the air. Fullback Tom Maul's third down pass was tipped by linebacker Dennis Rannels and linebacker Russ Kogel came within an eyelash of intercepting. This forced a punting situation and Phil Thompson's kick was downed by Chuck Kaminski on the Devil 3 yard line.

Defense Works Well

Linclau punted on third down, and Bob Meyers grabbed the pigskin on the Pointer 37 and raced back to the 27. The Devil defensive unit drove the Trojans back on each play and on third down Monroe got its second break of the game when Meyer's pass was tipped by halfback George Oliver into the eager hands of fullback Tom Doty on the Devil 11 where he fell flat on his back while in the clear.

The huge homecoming crowd arose enmass and screamed "hold that line" and the Devils did. A recovered fumble lost a yard and on the second play linebacker Dennis Rannels sliced through to nail Bob Meyers for a 10 yard loss as he attempted to get away a pass. This put the Trojans back to the 20. A short pass with 44 seconds to half time failed and on fourth down ends Jon Rice and Al Lang smothered Meyers for another loss, this time 17 yards, and the Devils took over with the clock running out.

Linclau hit halfback Ron Harper with a bullet-like pass on the 36 and Harper slipped and

slid to the Pointer's 46. Linclau's screen pass to Harper was wide as the half ended with the scoreboard displaying two big "goose eggs" as the result of 24 minutes of effort.

Devils Fumble

A Devil fumble early in the third quarter gave Monroe its third break of the game when it recovered on the midfield stripe. A pass from Meyers to Kaminski sailed 15 yards and Kaminski raced to the Devil 5 where he was pulled down by Harper. This appeared to be the big break but the Devils refused to budge an inch and after three plays Phil Thompson fumbled and center Steve Gerow recovered on the Devil 3 to halt the threat.

Grosse Pointe never quite recovered from this scare. Linclau was forced to punt after the Devil ground forces were unable to move. The kick went to Thompson on the Devil 45 and was brought back to the 37. Three line plays put the ball on the Devil 25 from where quarterback Dick Robinson flipped a 10-yard pass to Kaminski who was brought down on the 11 by George Oliver as the third period ended.

The Pointe defensive unit once again dug in and took over on downs on the 11 yard line. A Linclau pass was good to Al Bolden on the 21. Two plays later Linclau hit end Jon Rice at midfield. Flushed with his aerial success Linclau took to the air again but Bill Bowling intercepted on his own 45 and stepped back to the 48.

Another Attack Stopped

The Trojans moved to the Devil 22 where the Pointers stymied the attack again.

With the turf getting slippery from the constant drizzle that fell throughout the second half the Devils' attack stalled on their own 35 where Linclau got off a short wobbly punt to Thompson on the Trojan 41 with four minutes left to play.

Four line plays netted a first down on the Devil 47 before Kaminski raced around his own right end and down the sideline to the Pointer's 6 yard line where he was hauled down from behind by Gary Brown. Two successive line plunges by Phil Thompson covered the remaining distance for the winning touchdown. Thompson also smashed over for the extra point with 41 seconds remaining in the game.

Despite the short time left the Devils fought back. Linclau hit Harper with a beautiful 30-yard pass on the Monroe 33 where Harper almost wiggled free but was finally dropped by a short tackle by Kaminski with seven seconds left. The Devils requested time out but were denied because they had had the limit for the second half. Linclau whipped another pass to Harper which was almost intercepted on the Trojan 25 as the game ended.

Farms Packers Defeat Woods

The Grosse Pointe Farms Packers defeated the Grosse Pointe Woods Woodsmen 27-7 in a Little Footballers game at Parcels Field last Saturday.

Chris Terry sparked the Packers attack with two touchdowns. The first was sixty-three yards for the Packers first touchdown. The Woodsmen scored first, but the Packers attack got rolling to make it two victories having defeated the Grosse Pointe Rams and Tying Roseville. The Packers only loss to date was to the St. Clair Shores Black Knights.

The Packers freshman team defeated the Woodsmen 7-0. The Farms Packers meet Riverview at Kerby Field next Sunday, November 1. Freshman game at 1:30. Varsity at 2:30.

There Was No Joy as Devils Blew Title Clincher

A moment of utter despair is experienced by the Grosse Pointe bench as the Monroe Trojans pushed across the winning touchdown with 41 seconds remaining in the game that could have given the Blue Devils at least a share of the Border Cities League title on Saturday, October 24.

Boat Banter

The Class A division of the Detroit River Yachting Association will be expanded for the 1960 season with the addition of the 49-foot yawl "Tomahawk" currently enroute here from the East. Her new owners, Clarence "Moon" Baker and Jerry Clements went east a week ago to complete negotiations and went back last weekend to start the trip which will bring the former Great Lakes yacht back to fresh water.

The vessel was built at Spring Lake, Michigan in 1938 and twice won her class in the Chicago-MacInnac race.

The Grosse Pointe Power Squadron will be host at the District Nine Fall Conference which will be held at the Pick-Fort Shelby hotel in Detroit, November 6-7.

District Nine includes 18 United States Power Squadrons from all over Michigan and Ohio.

In addition to the important conference topics on safe boating will be the gala social activities which will be climaxed with a dinner-dance the final evening.

Honored guest will include: National Commander Lester C. Lowe, JN; PCC William C. Wolfmuller, N, and RC Frederick Whitford, N.

Grosse Pointe will be represented in the Southern Ocean Racing this winter by John Warnke's all steel cutter "Great Lakes" which is enroute to the southland now. Aaron Evans completed the first part of the trip to City Island, New York and other Pointers will join skipper Warnke at various points along the way to lend a helping hand.

This is the realization of a dream John envisioned three years ago when he began building the controversial yacht which up to this year has proven a disappointment in local racing. Warnke will spend the winter in the south and has made plans for extensive cruising in the Caribbean between races.

St. Ambrose Winner Over St. Catherine

St. Ambrose defeated St. Catherine Friday, Oct. 23, at Mack Park, 22-7, on a wet, muddy field. Both teams were handicapped, especially in the second half, by a driving rainstorm.

After receiving a St. Catherine punt in the first quarter, St. Ambrose drove 49 yards for a touchdown, with Joe D'Angelo going the last three.

In the second period another St. Catherine punt went out of bounds at the St. Ambrose five yard line. The Cavaliers drove back 95 yards, Vince Taormino going over from two yards out. Bill Fournier got the extra point making the score 13-0.

St. Catherine's came back when Joe Gentile went nine yards for T.D. to climax a 57 yard drive. Jim MacDougall made the P.A.T. The half-time score was 13-0.

Soon after receiving a Warrior punt in the third quarter, Larry Lantz raced 67 yards around end to pay-dirt. He also made good the extra point. The score now 20-7.

In the last period an odd play gave St. Ambrose its last two points. When St. Catherine tried to punt from their own 12 yard line, the snap from center sailed over the kicker's head, and out of the end zone for an automatic safety. This ended the scoring at 22-7.

The victory left St. Ambrose with a 5-0-1 record.

GPUS Knights Slish to Win

In a pouring rain storm the GPUS Knights swam to a 25-6 victory over Detroit Country Day School on the Knights' home quad, Friday, October 23.

This was the first time in five starts the Knights had emerged victorious and it was most satisfying as it came over the GPUS arch rival.

The Knights counted first when halfback Bruce Gillis slipped and skidded forty yards around right end for the first touchdown. The extra point on a line plunge failed.

GPUS recovered a Country Day fumble on the latter's 12 yard line and the Knights drove to the four where red head Sandy Coe plunged for the second touchdown and then added the extra point with an off tackle slant to give GPUS a 13-0 lead at halftime.

Early in the third period

quarterback Dick Baron and end Bruce Birgbauer collaborated on a fifty-five yard pass play for the third GPUS score of the day. The extra point was unsuccessful.

Fullback Sandy Coe electrified the rain-soaked crowd with a beautiful 64-yard ramble to put the game on ice. The extra point was not good.

Country Day averted a shut-out in the final seconds with its lone touchdown of the game.

Coach Dick Trim's Knights will be seeking their second win of the season when they entertain Lakeview on the GPUS gridiron, Friday, October 30, at 3:30 p.m.

A great many more people would be egotistical if they didn't run into positive proof of their unimportance occasionally.

St. Ambrose Must Defeat St. Anthony to Win Title

Match makers couldn't have planned it any better than the way the final game shapes up for the title in the East Side First Division Parochial League. It will be once tied St. Ambrose against undefeated St. Anthony, Saturday evening, October 31, at Mack Park.

Both these gridiron giants have rolled through common opponents throughout the season and have come down to the wire in a game where all the "blue chips" will be on the table.

Beat St. Catherine

St. Ambrose stayed in contention by defeating third place St. Catherine 22-7 on Friday, October 23. St. Anthony eliminated Servite, who was tied for second place with St. Ambrose, on Sunday, October 25, 27-5.

St. Anthony will be a slight favorite because of the manner in which it disposed of Servite who held St. Ambrose to a tie the week before. The Teutons also have a greater depth on the bench than do the Cavaliers who have done a remarkable job this season with limited personnel.

However, St. Anthony will

have to go some to stop the Cavaliers' stars Joe D'Angelo, Mike Currie, Manuel Lamprides, Larry Lantz, Bill Fournier and Mike Taormino. All have been outstanding both offensively and defensively in bringing their team into the championship game.

Has Own Stars

St. Anthony can counter with a few stars of its own in the persons of Leon Noel, Ed Jagoda, Dennis Anderson and Pete Farael.

Nothing but a victory can benefit St. Ambrose who holds a league mark of 4 wins, one tie and one loss as compared to St. Anthony's 5 wins and no losses. A tie game will give the Teutons the title which St. Ambrose is defending.

Austin Edged by De LaSalle

De LaSalle slipped past the Austin Friars, 8-0, and captured the Central Catholic League championship, October 23, on its own gridiron turned swamp by Friday's steady downpour.

The Friars held the Pilots scoreless in the first period but the champions utilized sweeping end runs to good advantage in the second stanza to score the only touchdown of the game. The lone tally came on Mike Gentile's ten yard scamper which climaxed a 58 yard sustained march.

De LaSalle drove the Friars deep in their own territory in the third and fourth quarters but failed to negotiate the final yard each time.

In the third quarter when the Friars took over on downs on their one yard line they found the Pilots defensive unit extremely tough and could only manage a two yard gain in three plays. On fourth down the Pilots charged through to block Paul Zoell's punt which he recovered in the Friar end zone for a touchback and the final two points of the game.

The Friars were extremely weak offensively and the only bright spot was Jerry Fennazzo's 20 yard end run which went for naught as the attack stalled.

Austin will complete its schedule when it meets Catholic

Patrick Scanlon Top Patrol Boy

Patrick Scanlon, 14, of 1870 Roslyn Road, named the Woods' Patrol Boy of the Year, appeared on the Sagebrush Shorty morning show, Sunday, October 17.

The boy, who is patrol captain and an honor student at Parcels Junior High School, was picked by and received his Patrol Boy of the Year award from Woods Patrolman Jack Mast, school safety officer.

Mast presented the boy with a certificate of achievement on the Sagebrush Shorty program. Both were guests of the cowboy celebrity.

Young Scanlon also received a brand new, fully equipped Schwinn Jaguar, presented by the cowboy, a gift of the Schwinn Bicycle company. The bike was obtained through the efforts of the Woods Bicycle Shop.

Daniel to Talk At Town Hall

E. Clifton Daniel, assistant managing editor of the New York Times, will discuss world news when he appears before Detroit Town Hall on Wednesday, November 4.

His lecture, to be held at 11 a.m. in Ford Auditorium, will be followed by a luncheon at the Pick-Fort Shelby Hotel.

Daniel lives with his wife, the former Margaret Truman, and their two sons in the East. After working on papers in Dunn and Raleigh, N. C., Daniel joined the Associated Press. He wrote for the AP in Washington, Bern and London and during World War II was assigned to Supreme Headquarters in Britain and France.

In 1943 Daniel joined the New York Times staff and reported from London and Paris, the Middle East, West Germany and the Soviet Union. In 1956 he received an Overseas Press Club award for his reporting from Moscow.

Tickets for the lecture are available through Grinnell's, WO 2-1124, or at Ford Auditorium Wednesday morning.

Call Meeting of Garden Club

The Windmill Pointe Garden Club will meet Wednesday morning, November 4 at the home of Mrs. Ralph Dewey in Lakeland avenue, at 10 o'clock.

At that time, Mrs. Stanley Smith will tell of the progress of the Christmas wreath workshop. Luncheon will follow at 12:30 with a business meeting afterwards.

The Women's Auxiliary to Cottage Hospital is sponsoring a get acquainted tea for new residents this Thursday.

Tea will be served in the Nurses Residence on Ridge road at 2 o'clock. Transportation will be provided for those interested if they call TU 5-4500.

This will provide new residents an opportunity to meet each other and learn about the hospital.

Women Real Estate Counsellors to Meet

The Grosse Pointe Women Real Estate Counsellors will hold their regular meeting Friday, October 30, at the War Memorial, at 12 o'clock.

Speaker for the day will be Kenneth Hoffman, a well known east side mortgage broker.

The meeting is open to any woman working in the Grosse Pointe area real estate offices, and all are urged to come. For reservations call Mrs. Brown at TU 2-2100 or Miss Dunnaway at TU 1-3760.

Nursing Society Meets At Center November 4

The regular meeting of the District Nursing Society will be held Wednesday morning, November 4, at 11 o'clock at the Grosse Pointe War Memorial.

Beaufaits, Pioneer Citizens, Observe 50th Anniversary

Mr. and Mrs. Joseph E. Beaufait of 1127 Devonshire road, Grosse Pointe Park, celebrated their 50th wedding anniversary on the 27th of October.

A Mass of Thanksgiving was offered at St. Clare of Montefalco Church that morning. A dinner party was held in their honor at the Detroit Yacht Club. The cake was topped by the original bride and bridegroom ornament which graced their wedding cake in 1909.

Mrs. Beaufait, nee Matilda Couchez, was born at the corner of what is now Thirteen Mile road and Harper. The Couchez family owned over 400 acres of land. When Harper avenue was built, it cut through the farm.

Joseph Beaufait played a colorful role in the early history of Grosse Pointe, both as a politician and a real estate broker. At the tender age of 21, when his two opponents claimed he was not even old enough to vote, much less hold office, he was elected Clerk of Grosse Pointe Township.

The Township included the present five Grosse Pointes, plus an area north of Mack avenue. He later served as supervisor for two terms. He was also president of Lochmoor Village, now Grosse Pointe Woods.

Headlines of the Week

(Continued from Page 1) Supreme Soviet (Parliament) meets. It is thought that the reason deGaulle wanted to wait until spring for the summit meeting is that he wished to have a meeting with Premier Khrushchev beforehand. This, it is said, would put him on even footing with the other two Western leaders.

CHRYSLER CORPORATION'S entry in the small car field, the Valiant, will appear in showrooms on Thursday, October 29. Prices will be announced later, but it is thought that the car will sell for slightly more than its two competitors, the Ford Falcon and the Chevrolet Corvair. The Valiant is the biggest of the three with more total length, weight and horsepower. Only the four door sedan will be featured now, but six and nine passenger station wagons are scheduled to appear later.

CONTRACT TALKS in the 101 day old strike were resumed today in Pittsburgh by the United Steel Workers and the steel industry's four man negotiating team. The United States Third Circuit Court of Appeals has issued a directive to both parties to resume bargaining quickly. No comment was made on the part of either side as to new proposals submitted today.

Sunday, October 25 A 17-YEAR-OLD Ann Arbor boy was captured by police, Saturday night, after he had shot his 14-year-old sister to death and wounded another girl and an Ann Arbor policeman. James Vogel shot his sister, Gwendolyn, with a shotgun after an argument over who would use a TV chair. He ran from his home after the shooting. Policemen and deputies trailed him to West Park where he was captured after something like 30 shots were fired. Mary Elaine Root, 22, a friend of the Vogel family was wounded by the shot that killed Gwendolyn. Patrolman Charles Anderson was wounded while trying to capture young Vogel in West Park.

THE BIG THREE of automobile manufacturing in this country agree with UAW President Walter P. Reuther on one point, they hope that the Taft-Hartley Act, as it presently stands, will never be used for contract negotiations in the auto industry. What is needed to make the law more effective, however, produced a variety of opinions. Last week, Secretary of Labor James P. Mitchell said that he intends to recommend changes in the 12-year-old act.

A TRIP TO PEIPING, CHINA, is on the agenda for newly re-elected Prime Minister of Britain, Harold Macmillan. The Prime Minister's plan would keep him in the limelight of his sensational bid for world peace. He, it is believed in London, is responsible for President Eisenhower and Premier Khrushchev getting together, in spite of cynical critics' contention that the tactics were merely vote getters.

Monday, October 26 THE UNITED FRONT of the steel industry was broken. Sunday when Kaiser Steel Corp. broke away from the others and prepared to sign a separate strike settlement with the United Steelworkers Union. The other major steel producers said that they would not follow Kaiser's steps. They called the terms agreed to by Kaiser, "inflationary," if accepted by the entire industry.

This first break in the 103 day old strike came after a long period of secret talks between Kaiser officials and the union. Though it is the ninth largest producer in the industry, it is not expected that Kaiser can do much about the acute shortage of steel, since they produce only 2 percent of the total national production. IN SPITE OF THE LURE of the newly organized American Professional Football League, U of M athletic director Fritz Crisler will remain at his present post. Crisler has been solely the athletic director since retiring from coaching after Michigan's 1948 undefeated season and Rose Bowl victory. Prior to that he held both positions.

Some of the officials of the new pro league said that Crisler had already agreed to a five year contract at \$50,000 or \$60,000 a year. Crisler has not said why he turned down the pro offer.

THE LIONS after four straight defeats at the hands of National Football League opponents this fall, suddenly recovered some of their lost prestige by pouncing out a 17 to 7 win over the Los Angeles Rams. With quite a few first liners injured, some of the hitherto unknown players became stars. Quarterback Earl Morrall and halfback Ken Webb passed and rushed the Lions to victory in spite of the brilliant efforts of Rams quarterback Bill Wade and halfback Joe Arnett.

Tuesday, October 27 THE RUSSIANS have released the photographs of the other side of the Moon, taken by the Soviet Moon rocket Lunik III on its first trip around the Earth satellite. The far side of the Moon does not have the number of landmarks that the side towards the earth has, according to Russian scientists. Eight of the marks have been given Russian names, however, including the Sea of Moscow.

Most of the far side consists of drab plains. Soviet Prof. Alexander Mikhailov made the following statement, "The unseen part of the Moon is considerably more monotonous than the side turned toward the earth. It contains fewer seas and fewer contrasts." A TRAFFIC EXPERIMENT called the Great Grand River Funnel Experiment flunked its first test when used during the rush hour on Monday. Motorists who were driving at the time of the test seem dubious that the experiment can be made to work, even when they are used to it. However, traffic officials say that it is too soon to tell. Major changes in Grand River from Linwood to Cass are involved. The four inbound lanes normally used in the rush hour funnel into three at Linwood and the signal at "Linwood has been changed from the "block system" to the "progressive system."

Wednesday, October 28 CONFLICTING VERSIONS of a fight at Fraser High School were given when a 16 year old boy was expelled by three teachers in a hassle in front of 100 students, Monday. Michael Willis of 16155 Thirteenth Mile said that he had been pummeled about the body and face, knocked down and then jumped on by the teachers. His mother, Mrs. Mary Willis, says that she may have an attorney press charges against the three teachers. However, when the police arrived on the scene, no one would agree to sign a complaint. Teachers and the principal Stanley L. Schook Jr. said that the boy was a troublemaker. He had been asked to leave school last year when he came back yesterday to visit some friends during lunch hour, the boy said.

A \$100,000 jewel robbery is still unsolved in the police records. The victim was the late Edsel Ford, the scene his Lakeshore road home, the time 1924.

The Fords lived in an atmosphere of threats and anxiety. Their four children (Mrs. Walter B. Ford, William Clay Ford, Benson Ford and Henry Ford II) were surrounded by body guards because of threatening letters.

The family was besieged with extortion letters, promised kidnappings. There was a demand for \$10,000 given by the Sicilian Anarchists' Association; an outlaw was apprehended with a plan of the Ford house in its possession. When Edsel played golf two private policemen with shoulder bolsters followed him down the fairway.

One evening after the Fords had bid goodby to some dinner guests he reported that jewels were missing from a dressing table in a second floor bathroom. He had seen the jewels at 10:30, at 12:30 they were missing.

Because of a \$1,000,000 blackmail letter there had been four guards in the shrubbery surrounding the house but police felt the thieves could have come in from the lake or slipped into the grounds when the gates were opened to admit the dinner guests. The Ford house was tapped for weeks. The insurance company offered a settlement of \$39,000 but Mr. Ford preferred to give the police more time and refused the settlement.

The Detroit police department tried to keep the story from the papers but it leaked out. After a week or two there were no new leads. The jewels never reappeared and the case is still open.

It was during the twenties that Edsel Ford gave so munificently to the Art Institute. By the mid twenties his reputed \$7,500,000 house on Gaulker Pointe was built as was a lodge and several thousand acres purchased in a nearby county. There was also a \$3,000,000 stone "cottage" on an island off the coast of Main.

In his own home Mr. Ford had collected many rare art treasures. His gifts to the Detroit Institute totaled \$600,000. Mr. and Mrs. Ford attended class twice a week at the Institute to learn about art. He was appointed chairman of Detroit's art commission and sailed with Mrs. Ford and Dr. William H. Valentiner, institute director, for Europe to do the browsing which brought a Titian, two Fra Angelicos, a Renoir, Dutch masters, Flemish tapestries and Persian rugs to the Institute.

Today Mrs. Henry Ford follows in her late father-in-law's artistic footsteps. The current growth and interest in the museum parallels the era in which Mr. Ford worked so diligently to enrich Detroit's artistic life.

(Editorial note: The above information was gathered by a former Detroit newspaperman, William C. Richards for his book, "The Last Billionaire: Henry Ford")

who, where and whatnot

by whoozit

The legion of Civil War buffs grows and such is their ardor that they consume every word printed on the classic struggle as soon as it comes from the presses... John Keogh has read at least one book on the 1861-65 period every week for the past five years, is still anticipating new finds.

Gentlemen are the best cooks department... when they do don the chef's apron they come up with some tasty viands. Ben Beyer composes a luscious salad dressing with honey and five types of vinegars. His wife would love to have him mass produce it for sale at the Grosse Pointe Memorial Church fair coming up November 12 but so far he bottles it just for their own household and a few fortunate friends.

The Rev. Bertram deHeus Atwood is a little upset. No sooner does he settle down to his new pastoral chores here at Memorial Church than he hears sad news from parishioners in his former church at Englewood, N. J. The sanctuary roof caved in a few days after he preached his last sermon there. "It seems like a judgment," he ponders.

The satin evening coat is gaining in the fashion parade... Mrs. Raymond J. Duffy, Jr., wears an emerald green ensemble, the coat billowing over a straight sheath sprigged with tiny yellow flowers.

Have you heard of the stapling gun? Mrs. Jack Stephenson swears that you can whip together a new slipcover with an assist from this handy tool just moments before the dinner guests arrive.

Food faddists, and those with a yen to diet with some excitement have been trying yogurt for many moons. But Mrs. William R. Witherell, Jr., has a new twist. She serves canned fruit whipped with yogurt for dessert. Mrs. W. is that energetic lady who has radically changed her family's eating habits. They have broiled chicken, fried fish, or roast beef for breakfast, are apt to eat cheese and crackers at the dinner hour.

PILGERINGS

A six year old youngster in Sherman Oaks, Calif., has obviously been listening to his parents' conversation concerning the welcoming of new neighbors. He came in from play one day and announced, "Some new kids have moved into a house down the street. Can I have them for cocktails?"

Back in 1863, a Boston etiquette pamphlet warned book collectors that, "The perfect hostess will see to it that the works of male and female authors be properly separated on her book shelves. Their proximity unless they happen to be married should not be tolerated." Cleveland Amory.

The Grosse Pointe Garden Center committee was thrilled at the huge turnout for the House Tours last week-end... guests saw the Hale Sattleys' fine collection of antique snuff boxes... a framed bill of the Lake Huron paddleboat line dated 1867, G. N. Carleton, proprietor, at the Carletons' Tonnacour place home... traveled about the pink and white bedrooms for the Lowrey Kammer's daughters.

Pointer of Interest

MRS. JOHN LEWIS KENOWER, OF VILLAGE LANE

By Patricia Talbot

—Picture by Fred Runnella

At this season of the year Christmas bazaars are constantly with us, but Mrs. John Kenower believes that the Mart to be given on November 4 and 5 in the Veterans Memorial Building downtown is the first of its kind.

Luxury shops from all over the country will be selling their wares those two days for the first all-out fund raising effort of The Planned Parenthood League under the chairmanship of Mrs. Kenower.

The League which was organized in Detroit in the twenties, inspired by pioneer Margaret Sanger, has never received funds from the United Foundation. The budget must be met by contributors devoted to the cause, such as Mrs. Joseph Schlotman, long time supporter of the League, and honorary chairman of the Mart.

The League supports clinics in Grace, Women's, Harper, and Mt. Sinai Hospitals and would like to start another in the downriver area. All this is done on a modest budget of \$40,000 a year.

What is Planned Parenthood? Mrs. Kenower believes some confusion clouds the efforts of the League. The League believes in limiting families in order that food, shelter, and loving care will be available to each child. Over 50 percent of the League patients at the clinics receiving charitable help, are the taxpayers responsibility.

March of Dimes Honors Pointer

Pat Fannon, 18, has been honored by being chosen from among all America's teen age girls to be co-chairman of the National Foundation's Teen Age Program (TAP) for 1960.

Pat, daughter of Mr. and Mrs. Robert J. Fannon, 766 Lakepointe, was graduated from St. Ambrose High School in June. She chalked up a B average and won the school's activities medal.

In January, 1959, Wayne County Teens raised more than \$14,800 for the March of Dimes. Pat served as secretary for the Detroit Teens for the March of Dimes and also was chosen as Michigan's top teen.

Her co-chairman will be Andy Anderson, 18, of Artesia, New Mexico. Their job as they travel about the nation will be bring facts to the teens and other volunteers the facts on the new program and plan for the 1960 March of Dimes.

"We're going to produce good news about our crowd," Pat said. "We know from our own experience that TAP work is a wonderful way to have fun and join in doing a big service to the community at the same time. We're going to show teens all over the country how to do it."

Pat's interest in the March of Dimes goes back to the summer of 1950 when three members of her immediate family were stricken with paralytic polio — her brother Brian, now 19; her sister Pam, now 14; and her cousin, Diane Beaupe, now 12.

About 18 percent live on less than 50 dollars a week.

POPULATION EXPLOSION "Don't misunderstand. We love babies," asserts Mrs. Kenower strongly. "But with many world figures at top levels we are concerned with the 'population explosion'."

Planned Parenthood League not only provides clinics but aids in pre-marital counseling. All this takes money, and following the example of the Cleveland group and those organizations in other cities, the Detroit League has decided on this major fund raising effort.

Mrs. Ross Wilkins, Mrs. Theodore R. Buttrick, Jr., and Mrs. William C. Tost have visited groups in other cities. Mrs. Wilkins was responsible for arranging for the shops to come here. Mrs. Robert Kanzler has gathered 150 volunteers to serve as salesladies. They will wear red and white striped aprons for their chores.

THE NATION'S WARES Among the unusual wares will be rarities from the Society of Arts and Crafts in Boston, jewels from New York, hostess gowns from the nation's capital, gourmet fare from Palm Beach, English porcelains, Italian imports and the original gifts from Mrs. Frederick S. Ford's Santa Claus Shop in Gaylord. Mrs. Herbert Lord is in charge of the dinner which will be served opening night after a gay cocktail party.

Mrs. Kenower, who is coordinating all this activity, comes by her interest in health agencies naturally. She is a doctor's daughter. Her father, the late Dr. Frank A. Kelly, was chief of staff at Grace Hospital.

OTHER CIVIC JOBS She has served on the boards of the United Foundation, the Sigma Gamma Association and Cottage Hospital. For ten years Planned Parenthood has been her chief interest for she believes it is the only positive approach to the problem of the charity and welfare rolls increased load. In the last ten years the population of the metropolitan area has increased one million, and the charity cases lengthened in proportion.

Her husband is a councilman for the City of Grosse Pointe and the couple's daughter, Mimi, a recent Smith graduate is taking courses at Wayne. Since the beginning of the Mart plan Mrs. Kenower, a cheerful confident woman, with a deep sense of social responsibility, hasn't had much time to play golf, her favorite sport.

VICTORIAN DECOR The Kenowers live in that quaint lane off Notre Dame,

near the property which has been in her family for years. Their home has a delightful Victorian air, with horse hair sofas, heart shaped chairs and pie crust tables. Mrs. Kenower likes to love and does quite a bit of sewing and work for Christ Church. During the year she volunteers many hours at the Planned Parenthood clinics, taking patients' case histories.

If this Mart is successful, and so many dedicated Pointers are working with Mrs. Kenower to see that it will be, the League for Planned Parenthood will make it an annual affair. This will help the budget, enlarge the services of the League and provide the community with a partial answer to its increasing welfare burden.

Young Adults To Have Party

The Center Club of the Grosse Pointe War Memorial is cordially inviting all young single adult Grosse Pointers in their twenties and thirties to attend a Fireside Party and Dance at 32 Lake Shore Road the night of Friday, November 6, from 9 to 12 o'clock.

The huge walk-in fireplaces of the old Alger mansion will be ablaze and a pre-Thanksgiving air will surround the refreshment table in the dining room. Candlelit tables will be placed about for small friendly grouping.

Just as at the last party, there will be singing around the beautiful new Steinway. Bill Kancely's orchestra will be playing throughout the evening.

The Harvest theme will prevail in the decorations and along with the warmth of the fires an equally warm reception will be given to everyone. Each Grosse Pointer has one guest privilege. Dates are not necessary.
