THE ROTC INSTRUCTOR who won \$108,000 on the TV quiz show *The Tac Dough*, Capt. Michael O'Rourke, has resigned his commission in the U.S. Army. His resignation came a few hours after it was reported by the House subcommittee probers that his part on the show had been rigged.

THE 1959 TORCH DRIVE in the Detroit area went over the top, yesterday, with contributions in cash or pledges totaling \$17,879,239. With yesterday, November 5, the official end of the three and a half week campaign, the amount exceeded the \$17,650,000 goal by 1.3 percent.

It was the largest amount ever collected through voluntary contributions in one community, for the purpose of financing worthy causes. The United Foundation finances 195 local agencies and services throughout the year. The results of the drive were announced yesterday to a thousand persons who attended the victory dinner at the Sheraton-Cadillac hotel.

A JET TRAINER from Selfridge Air Force base exploded in flight yesterday, the wreckage scattering over a five-mile area. The two pilots, Lt. Col. Robert D. Wallace of Kennelworth Beach, Md., and First Lt. David W. Smith of Frederick, Md., both escaped uninjured.

The plane crashed 14 miles northwest of Selfridge in a field across from the farm house belonging to Alex Zebelman, Sr., of Armada Township in Macomb County. The cause of the explosion has not been determined. The plane plowed a 15-foot furrow through an open field.

Sunday, November 8

THE SUPREME COURT of the United States Saturday upheld the back to work injunction in the 116 day old steel strike, by an eight to one vote. Under the provisions of the Taft-Hartley Act, 500,000 steelworkers now return to the mills for an 80 day period. The workers have been idle since July 15.

Following the announcement of the high court decision, United Steel Worker president, David J. MacDonald said, "The Supreme Court has spoken. As law abiding citizens, the Steelworkers Union, of course, will comply with the court's judgment." President Eisenhower said that he hoped the mills would begin operation as soon as possible.

THE OIL and gasoline tanker, Amaco Virginia, docked near Houston, Texas, caught fire Sunday and imperiled the city for 19 hours before the blaze was brought under control. A number of explosions followed the initial one before firefighters could lessen the blaze with streams of water and foamite. It was feared that the whole ship might explode. There were numerous tanks on shore that could have been set off by such an explosion. It is feared that at least seven persons are dead as a result of the disaster.

GOVERNOR WILLIAMS is planning a three day flying tour to ten of the state's key cities this week, in order to take the tax battle between him and the Republicans in Lansing to the people. With him will be Superintendent of Public Instruction, Lynn M. Bartlett. The Governor hopes to gain support from educators over how much new revenue is needed by the State.

Wednesday, November 11

A RECOMMENDATION to the State Senate tax committee for a five cent sales tax may be forthcoming from the Wayne County Board of Supervisors. In discussing the proposal yesterday, some of the supervisors were of the opinion that the state, county and municipal tax problems all could be solved by a five cent sales tax.

The Golden Days Have Turned to Smoke and Ashes

Gone are the leaves from the Pointe's thousands of lovely trees. There are local laws against burning them on the streets, but the municipal officials are so

glad to be rid of them without the nuisance and of having to haul them away at taxpayers' expense, that they look the other way.

City to Seat New Council Next Monday

Mayor-elect Kenneth Bergmann will also be installed after special meeting

The present council of the City of Grosse Pointe will convene for the last time Monday evening, November 16, at which time the new council will be installed.

A new mayor, two new councilmen and one incumbent councilman will take office at that time. Elected to the post of Mayor in the November 3 election was Kenneth F. Bergmann. He will succeed Fredrick W. Parker, Jr.

The new councilmen are Mr. Parker and Lloyd R. Marentette. They will succeed Mr. Bergmann and John Kenower in the council positions. David E. Burgess was re-elected to his seat on the council.

Three Holdovers
With these men, forming the new council, will be present members Alonzo Allen, Edward Luss and E. L. Ecclestone.

The Thursday night following the election, the present council held a special meeting, as required by the city charter, to officially determine and certify the results of the election.

The two amendments to the city charter that were approved by the voters in the election were also approved at that time. The minutes of that meeting must be approved at the regular meeting Monday night. Then, the election results will be sent to the Wayne County Clerk and to the Governor's office in Lansing, to notify

E. A. Batchelor, Jr., Winner Of Top Reporting Prize

Mr. Batchelor, a veteran newspaper man, won first prize in the straight news category for his reporting in the December 2, 1958 issue of the Detroit Times of the holocaust at Our Lady of the Angels School, when 87 children lost their lives.

A newspaperman since 1934 when he was graduated from Grosse Pointe High School, he has worked for all three daily papers in Detroit. During the six week newspaper strike in the winter of 1955-56 he was

False Information Charge Hangs Over Youth After One Is Accidentally Shot

Story changed after telling police four teenagers in car inflicted wound; say gun went off during target practice

A warrant charging a 17-year-old Woods boy with giving police false information regarding the accidental shooting of a friend, was held in obedience by the Wayne County Prosecutor's Office on Monday, November 9, pending the victim's release from the hospital.

The shooting took place at 10:30 p.m., Friday, November 6, when a .22 caliber rifle discharged in the hands of Kenneth Kozowicz of 2110 Vernier road, wounding Jerry Gaeremink, 16, of 2038 Brys drive, in the right shoulder.

The boys were shooting at bottle cap targets on the wall of the basement of Kozowicz's home.

In Fair Condition
Gaeremink, at the last report, is in fair condition in St. John Hospital, where he was taken by police. Doctors said it was too early yet to decide

Army Bus Hits Car in Rear

Gerald Lee Cox, of 47700 Woodhall in Utica, driving a US Army bus west of East Jefferson avenue, November 4, failed to stop in time and smashed into the rear of another car stopped for the red light at University place.

The driver of the other car was Carl R. Habermas of 759 Harcourt road. A passenger in the bus, Ronald Larson, also of Utica, was taken to Bon Secours hospital for treatment for a cut mouth. Cox was ticketed by City police for not having his car under control and causing an accident.

Police Not Convinced

O'Dell and Tobian questioned Gaeremink at the hospital, but were not convinced by his story, so they went to Kozowicz's house to talk to him. The latter youth at first denied knowing anything about the shooting, but finally told the officers what had taken place. Kozowicz said that he had taken four or five shots at the targets and Gaeremink had taken a couple, after which the younger boy went over to check the hits. While in a squatting position, the older boy said, he was "messing around with the safety" and somehow his finger squeezed the trigger. "Jerry just straightened up and staggered forward saying, 'Don't worry, I'm okay,'" Kozowicz said. "I gave him a drink of water, then he made up the story and asked me to drive him to Hollywood and Helen," the youth added. He said that they were both scared because his father told him not to "monkey" with the rifle, and that after he dropped Gaeremink off, he was still afraid and went home and tried to watch television, but was unable to do so. Then, he said, he telephoned friends to occupy his mind. The Woods detectives said all indications point to an accidental shooting, but there are certain discrepancies in the story told by Kozowicz. The policemen said they spoke to Gaeremink's father, Oscar, who told them that the boys had an argument about two days before the shooting.

The five Pointes will receive a total of \$59,951 as their share of the Motor Vehicle Fund collection for the third quarter of 1959, according to a report released by the State Highway Department.

The Department has already begun the distribution of the fund collections to the counties, incorporated cities and villages of Michigan, the report disclosed.

Net receipts of the third quarter fund amounted to \$41,460,903.83, an increase of \$3,166,228.78 from the \$38,294,675.05 for the same period in 1958.

Browsers Rob Store in Woods

A man and woman, who were browsing around inside a Woods radio and TV shop on Friday, October 30, took advantage of a telephone call, and "tapped" the cash register for a small sum and escaped.

Mrs. L. L. Daeken of 1740 Hawthorne, wife of the owner of L. L. Daeken Electronic Laboratories, 20431 Mack avenue, told police that a man and woman, both Negroes, each about 30 years old, came into the store and began to look around and inquire about various electrical appliances.

She said she was interrupted by a telephone ringing in the back room and went to answer it, and when she returned to the front of the store, she saw the couple leaving.

Mrs. Daeken said she then discovered the cash register had been opened and \$40 in bills, missing.

She gave police the following description of the two suspects:

The man was about six feet one inch, had a mustache, and was wearing a black hat, and a dark, short jacket; the woman, five feet seven inches, heavy build, hair pulled back in a pony-tail, wearing a dark brown loose fitting coat, no hat, and wearing very high-heeled shoes.

A general broadcast of the robbery and the descriptions was sent out to all points over the police communication system.

New Season Opens Sun., Nov. 15 for Pointe's Symphony

Community's Musical Organization Has Gained Great Stature in Six Years; Reception To Follow Program at Parcels

With six successful seasons behind it, the Grosse Pointe Symphony Orchestra is about to embark on its seventh season of fine symphonic music featuring also as soloists artists of local, national, and international note.

The Grosse Pointe Symphony Orchestra first saw the light of day in the fall of 1953 with a handful of members. At that time enthusiasm and a keen desire to express themselves through music were just about its only assets.

Now, some 24 performances later, it can boast of an orchestra personnel of 65, a symphony society with several hundred people in its membership, and a growing reputation for good symphonic music. And most important, it still has its original enthusiasm!

Pointers Listed

Although a number of people from the metropolitan area of Detroit are members of the orchestra personnel, the majority are from Grosse Pointe and include: Patricia Birch, Wendell Birdsall, Jr., Henry Boettinger, Hamilton Brown, Al Chronowski, Helen Harmonson, Richard Heim, Max Hornfeld, Violet Jensen, Kay Johnson, Phyllis Kimmel, Thomas Lo Cicero, James Mayus, Thomas Nester, Don Nigro, Robert Pelletier, John Percin, Mary Purcell, Eugenia Scoville, Joyce Simon, Gerald Stoezler, and Bernard Whitley.

The conductor will again be Felix Resnick, who is a graduate of Wayne State University with a Master of Arts degree in music. He has also studied violin and conducting at the Julliard School of Music in New York City. He has con-

Postpone Date Of Dedication

The date set for the dedication of the new Grosse Pointe Woods Municipal building, Sunday, December 6, has been postponed. At present, no other dedication date has been set by the Council.

The decision to postpone came at the regular Council meeting of November 2, when an architect's report was read stating that the building would not have reached sufficient completion by Dec. 6 to present a favorable impression to the public.

At such time as the administration department of the Woods can vacate the present building and move into the new one, the Department of Public Safety will take over all of the old building. The police and fire departments occupy half of the present municipal building.

The Council has allowed the sum of \$1,000 to be used for alterations in the old building, to make it more suitable for use by the Public Safety Department.

Delayed Reports Expected To Send Pointe Over Top

The 11th annual Torch Drive ended Thursday night, November 5, with \$17,879,239, the greatest amount of money ever raised in a community-wide fund-raising campaign for health and community services, with Grosse Pointe still short of its goal by nearly \$17,000.

Reports submitted by Grosse Pointe co-chairmen Mrs. Hugh Daly and Mrs. David Whitley Jr., showed that a total of \$322,727 had been pledged or contributed by Grosse Pointers, whose quota was \$339,987.

Grosse Pointe is one of five regions in Eastern Wayne County. Its quota, however, is considerably more than half of the Eastern Wayne County quota. All of Eastern Wayne County was short of its goal, with \$540,437 reported against a quota of \$568,444.

The Grosse Pointe chairmen were confident, however, that

Committee To Be Named For Surveys

Needs of All Schools to be Studied and Remedies Submitted to Board

At its regular November meeting last Monday, the Grosse Pointe Board of Education took an important step to implement the construction program authorized in the recent school election.

The Board approved a recommendation of Superintendent James W. Bushong to form Advisory Committees for all school buildings. Each committee is to be composed of several citizens representing the lay groups using the school, the building principal and a teacher, a representative of the Central offices and two members of the Board of Education.

Face Several Tasks

The Committees will be charged with several tasks. After a survey of the existing physical facilities they will set about determining the immediate and future needs of their buildings. When these are defined as well as it is possible to do so, the committees will then report their recommendations to the Board of Education. All final decisions will be made by the full board in an official meeting.

President Robert F. Weber of the Board pointed out the importance of these tasks. He emphasized that every effort would be made to schedule the construction and rehabilitation so that the most urgent needs would be met first. Consideration will be given all buildings he said to insure that additions and improvements are scheduled in the most equitable way possible.

Transfers Assigned

Mr. Weber appointed Vice President Chet Sampson and Trustee C. Henry Haberkorn, 3rd, to represent the Board on the High School committee. It was indicated that considerable study would be necessary at this building to bring out the many alterations and improvements known to be needed to update this facility.

Trustees Franklin D. Dougherty and Robert K. Whiteley were appointed to meet with the three junior high school advisory groups. Secretary Ruth H. Goebel and Treasurer Bert H. Wick are to serve on the 10 elementary school committees.

All committees will meet for a general briefing by school officials on November 30. The place is to be announced.

Park 'Cheated' At Bike Auction

The Park police bicycle auction netted the city a total of \$227 on Saturday, November 7, and one bike was recognized and recovered by a Park resident.

Mrs. Eric Stroh 1097 Grayton, was present at the auction, with the intention of bidding on a bicycle for her son, whose brand new Jaguar bicycle was stolen last March.

Park Police Chief Arthur Louwers, the auctioneer, was doing a brisk business; Police Lt. Gerard Kesteloo, took in the money; and Patrolman Don DelPace trundled out the bikes and miscellaneous items offered for sale.

DelPace brought out a boy's bicycle, but the chief did not have a chance to ask for any bids, since Mrs. Stroh laid claim to the two-wheeler. She stated that it was the bike stolen from her son.

Chief Louwers set the bike on the side, and after the auction, asked Mrs. Stroh for details and for a description of the wheeler, which had since been stripped of its brand name.

The woman stated that the bike was purchased new, and that she had not purchased a license for it. She could not recall the serial number, but gave the chief various descriptions of parts of the bike, which only the owner could know about.

Chief Louwers said the bike, which was recovered by Park police last May, was given back to Mrs. Stroh, who immediately registered the serial number and purchased a license plate, attached it, and blithely pedaled back to her home.

Shores Home Fire Damage Extensive

Flames Destroy Library of Home of A. D. Wilkinson; Cigaret Blamed

A fire in the home of A. D. Wilkinson, 515 Lake Shore road, on Friday, November 6, caused extensive damage to the house and furnishings.

The fire which started in the library, was confined to that room. Shores firemen brought the blaze under control within 10 minutes, but before the flames inflicted about \$10,000 damage to the floors, walls and windows.

Painting Damaged

Chief Fred Duemling, head of the integrated police and fire department, said that the extent of damage done to books and room furnishings, including oil paintings of Wilkinson's mother and father, has not been determined, but the figure is believed to be high.

It is not known if the two paintings can be restored, the chief said. He said the fire is believed to have been started by a cigarette. The fire was discovered by Wilkinson, who was awakened by shattering window glass in the library, apparently caused by the heat, shortly after 2 a.m. He turned in the alarm to the Woods police, who in turn called the Shores.

Patrolmen Get Credit

Shores Patrolmen Frank Mustazza, William Marshall and Stanley Olutakowski, first on the scene, were given credit for putting out the flames before help arrived, Chief Duemling said.

Also at the scene, besides the chief, were Lt. Harold Zeeb, Sgt. Earl Wakely and Volunteer Firemen Michael Gates and Stanley Vernier.

Smoke from smoldering rugs and furnishings caused other damages throughout the house, Chief Duemling said.

VISITOR REPORTS LOSS

Paul Lumsden of 1743 College lane, Calgary, Alberta, Canada, who was visiting relatives at 2024 Vernier road, told Woods police on Friday, November 6, that he lost his wallet when he went to Mason school to pick up his nephew. He said the wallet contained \$32 in Canadian money, \$6 in American, and identification papers.

Robert Fulton, inventor of the steamboat, was an avid submarine enthusiast. He built several submersible warships, one of which was known as the Nautilus.

deducted the Secretary of State's collection costs amounting to \$1,391,928.50, and the half of one percent of the gasoline tax amounting to \$208,369.12 transferred to the Waterways Commission as provided in Act 237, Public Acts of 1959. The Park, Woods and Farms will receive the lion's share of the funds as far as the Pointes are concerned. The City will get four times that allocated to the Shores.

The Park will receive \$17,994.40; the Woods, \$16,414.26; Farms, \$14,544.23; City, \$8,976.87; and the Shores, \$2,021.17.

All state gasoline, weight and diesel fuel taxes and a small amount of the miscellaneous fees collected under the Acts are deposited in the Motor Vehicle Highway Fund.

How It's Divided
After deductions for non-highway uses and collection costs, the rest of the money is divided as follows:

Forty-seven percent to the State Highway Department for expenditures on state trunkline highways in both rural and urban areas; 35 percent to the counties for expenditure on county roads; and 18 percent to the incorporated cities and villages for expenditures on their roads and streets.

Under this formula, the Highway Department will get \$19,486,624.80; the counties, \$14,511,316.34; and the incorporated cities and villages, \$7,462,962.69.

Wayne County's share of the collection will be \$3,007,369.98. The collections during the third quarter came from the following sources:

State Gasoline Tax, \$39,328,831.72; Diesel Fuel Tax, \$610,558.42; Liquefied Petroleum Gas Tax, \$16,211.02; Weight Tax (resident), \$2,396,315.97; Weight Tax (non-resident), \$21,056.54; and Miscellaneous, \$688,225.78.

Thief Invades Farms Home

Mrs. L. M. Scoville of 283 McMillan, left her home for just about one hour Thursday afternoon, November 5, and returned to discover a burglar had paid a visit.

Mrs. Scoville told Farms Det. Sgts. Jack Paisley and George Van Tiem that she left home about 12:45 p.m. and returned at 1:40 p.m., and found the rear door open and glass broken.

She said that the rooms on the main and the second floors had been thoroughly gone over by the invader. Large pieces of glass from the door were inside of the house on the floor.

Mrs. Scoville took stock of what was missing and told the detectives that the thief took two guns, one nickel-plated, pearl-handled .44 caliber revolver, and a .380 caliber automatic, and a multi-charm bracelet, which included an attached diamond-centered sorority pin and a small lavalier with a diamond and pearl drop. The value of the latter is not known.

Also taken, Mrs. Scoville told Paisley and Van Tiem, were three bottles of liquor.

The two detectives said they have no clues, but the investigation is still underway.

Panel to Discuss Weighty Problems

Sharpening their wits for the public discussion on "U. S. Economic and Foreign Policy" to be held Monday night, November 16, at 8 o'clock at the Grosse Pointe War Memorial are panel members MRS. JOHN REMIL-

LET, member of the League of Women Voters; D. A. TEACHOUT, moderator-member of the Senior Men's Club of the Center, and JAN CONWAY and BILL SHAW, honor students of Grosse Pointe High School.

Water Resources To Be Discussed

The growing problem of America's water resources will be discussed at the November Unit Meetings of the League of Women Voters of Grosse Pointe. Meetings will be held at the following times and places:

Tuesday, November 17, at 8 p.m., at the home of Mrs. William G. Erlich, 1353 Harvard road. Discussion leaders will be Mrs. Thomas R. Mason and Mrs. Harold E. Jinks.

Thursday, November 19, 9:30 a.m., at the home of Mrs. James Surbrook, 1059 Berkshire. Mrs. A. C. Fortunski and Mrs. F. M. Towlesley will lead the discussion.

Monday, November 23, 1 p.m., at the home of Mrs. J. Robert Jessup, 945 Lakepointe. Discussion leaders will be Mrs. Clarence Koebbe and Mrs. William T. Krebs who is chairman of the local Water Resources Study Group.

The meeting usually held on Monday, November 16, has been canceled to enable members to attend the panel discussion on Foreign Policy which will be held at the Grosse Pointe War Memorial Center that same night at 8 p.m. It is hoped that members of this Monday night unit will attend the Tuesday evening unit the following night.

During these unit meetings efforts will be made to arrive at consensus for the purpose of guiding the League in its action toward securing legislation for the conservation and control of water resources.

Students Gain In Merit Tests

The results of the National Merit Scholarship tests, taken last spring by 371 Grosse Pointe High School students, show an increase of 12 percent in composite scores, over the 1958 group.

Of the 371 who took the series of five tests, 11 qualified as semifinalists. The tests, which were taken by some 550,000 eleventh grade students throughout the country last spring, consist of English, Math and Word Usage and Social Studies and Natural Science Reading. These results were given to the Board of Education at their regular meeting Nov. 9.

Though only 11 gained semifinalist status, another 37 students also scored in the upper two percent bracket, nationally.

A gain by GPHS students was indicated in all five areas, but the area with the most significant gain was the Social Studies reading area. All the tests, according to the test maker, "emphasize solid intellectual content, but do not require specific items of information." The students must interpret and critically evaluate materials on the order of those that he will meet in collegiate study and in a career afterwards.

Proposed Fence Ordinance Being Redrafted in Park

The Park council spent considerable time discussing the legality of a proposed fence ordinance on Monday, November 9, after which City Attorney Pierre Heftler was instructed to redraft the measure with two amendments.

The amended proposed ordinance will be presented at a public hearing scheduled for Monday, December 14, at 5 p.m. because the adoption of the law will require an amendment to the Zoning Ordinance. A need for a fence ordinance was disclosed by the Park Planning Commission as far back as last May 19, and the commission recommended the adoption of such a measure.

At Monday night's meeting, which was moved from the regular 5 p.m. time to 7 p.m., the council spent about an hour and a half discussing whether the ordinance would be constitutional or not.

Councilman Charles Ives, an attorney, stated that if the ordinance is challenged, the city would probably come out the victor.

He cited State Supreme Court decisions, which in almost all cases favored communities, when their ordinances were challenged by citizens.

The high court, Ives said, has in recent years, taken a more liberal attitude toward the communities, and if the fence ordinance is adopted by the Park, it will be final and conclusive, and the court will not oppose it.

He said the State Supreme Court will not act as a Supreme Zoning Commission, but there is a good chance that the proposed ordinance will be upheld. The cities are given much greater leeway in supporting opinions, he added.

A "don't fence me in" attitude was taken by Councilman Kent Zimmerman, who opposed a provision in the proposed law, which would require a neighboring home owner to pay half the cost of erecting a fence, whether he wants a fence or not, if his neighbor wanted to erect such a barrier.

He said that Detroit has such a law, but he felt that the Park should not make it mandatory, and proposed that the ordinance be revamped, and this section be stricken out as part of the measure.

Another section of the ordinance, which would give City

Manager Robert Stone authority to appoint a three-man impartial Fence Viewers Committee in fence disputes, was opposed by Councilman Victor Wehmeier, who proposed that complaints be given to the city manager, who in turn will make a report to Mayor Kenneth Cunningham.

The mayor will then appoint the committee, after which he will have nothing further to do with the matter. The committee will investigate, and bring its findings to the council.

The amendments as requested by Zimmerman and Wehmeier, were approved and accepted by the council, and the city attorney was instructed to incorporate these in the revamped law.

Wehmeier also made a motion that the section in the new ordinance, requiring the erection of fences to a maximum of four feet, be deleted and the six feet maximum in the present ordinance be retained. The motion died for want of support.

If adopted, the proposed ordinance will prohibit the construction or maintenance of fences on any part of the lot in front of the front building line.

The law will also limit the height of hedges in front of the front building line, and will make it mandatory that they be trimmed and maintained so as not to exceed a height of 36 inches, except those within 15 feet of a public sidewalk, which must be kept to 24 inches in height.

However, nothing in the ordinance will prevent adjoining neighbors from amicably agreeing upon the size (to four feet), character and height of their backyard partition fences, and what costs each will bear.

Early last month the Planning Commission asked for the passage of a fence ordinance because different subdivision deed restrictions will expire at various times, and nothing after the expiration time will prevent property owner from doing many things that were not permitted in the past, nor were planned for the community.

The following is a verbatim report, in part, given to the Mayor and council by the Park Planning Commission on October 9, on the legality of the new ordinance:

When the Commission began its discussions on the control of fence, it was advised by the City Attorney that there was doubt that changes were constitutional.

There has been a distinct change in the attitude of the higher courts toward the efforts of planning commissions, city councils, etc., to control various aspects of city planning. The old rule that such bodies might concern themselves only with health, welfare, safety, etc., has been modified to permit them to also consider the aesthetic development of their communities.

Verheyden Again Wins Landscaping Award

For the sixth straight year Charles Verheyden, Inc., funeral directors, at 16300 Mack avenue at Whittier, have carried off top honors in the contest between business and professional properties in the Pointe for the best kept gardens and grounds. During the past year this establishment has created sunken additional parking grounds up to the Charlevoix side of its property and has landscaped the area beauti-

fully. This helped win the Merit Plaque presented by the Grosse Pointe and Eastern Michigan Horticultural Society. Second prize went to the Pointe branch of Automobile Club of Michigan, E. Jefferson at Somerset, and third place honors were won by Walton-Pierce for the beautiful flower beds alongside its store at Kercheval and St. Clair.

Youngster Hit By Passing Car

A woman motorist, driving south on St. Clair avenue Friday, November 6, hit a six year old boy who ran from between two parked cars into the street.

The boy, David Chouinard of 496 Notre Dame avenue, was taken to Bon Secours hospital by the driver, Mrs. Marilyn Bejin of 23200 Middlesex, St. Clair Shores. It was found that his lower leg was broken in two places.

Witnesses told City police officers that the driver was not at fault, that the boy darted in front of her and she couldn't avoid hitting him. The accident occurred in front of 503 St. Clair.

The boy's mother, Mrs. James Chouinard, said that other than the broken leg, her son was not seriously injured.

An interesting sidelight, two days after the accident, Mrs. Bejin gave birth to a child, in Bon Secours.

By 1970, U.S. colleges and 50 per cent more law students universities should graduate than they now do.

Cubs to Assist Cancer Patients

The Michigan Cancer Foundation has again requested local Cub Scouts to assist in the collection of white cloth materials which can be processed into bandages and dressing pads for thousands of needy cancer patients.

Known as the Cub Scout "Christmas Good Turn," the project—started 12 years ago—has become a "must," according to local Cancer Chapter officials. Without this annual collection by the Cub Scouts, Cancer Foundation volunteers would run short of materials needed to produce hundreds of thousands of pads and dressings required to treat this dread disease. Usual collections of white cloth salvage materials tend to fall off during the winter months.

Ordinances in some municipalities prohibit boys under 12 from making area-wide, house-to-house visits at any time for any purpose. Thus Cub Scouts are asked to cover only their own homes, and the homes of their relatives and friends.

White cotton goods such as towels, pillow slips, sheets, curtains, napkins, shirts, and other personal or household materials

are needed. Silk, dacron, and rayon items are not practical. The materials need not be starched or ironed, but should be laundered clean.

Individual Cub collections are taken by the Den Mother to the monthly Pack Meeting. Pack leaders will then deliver the various Den bundles to any of the authorized collection depots.

Most of the Detroit Edison branch business offices are again serving as authorized centers. In certain municipalities some collections are delivered direct to community Chapter Centers for immediate use by their volunteers. Such a community Cancer Center is the War Memorial Building in Grosse Pointe.

Cub leaders may also make delivery direct to the Michigan Cancer Foundation Headquarters at John R. and Hancock.

This Annual White Cloth Drive is the only Scout Council-approved project in which local Cub Scouts participate independently of Boy Scouts or Explorers. While known as a "Christmas Good Turn," it is hoped that all collections will be completed during the first week of December.

GOVERNOR CANDIDATE

One of the two high school students nominated for state governor in a mock election held Saturday, October 24, at the University of Michigan, is Will Halbert, son of Mr. and Mrs. C. W. Halbert of Clairview court.

Some 80 high school students from southeastern Michigan attended the election, which was held as part of a Pre-Legislative Training Conference sponsored by the State YMCA and the U. of M. Institute of Public Administration.

Young Halbert will compete with nominees from three other areas of Michigan in a statewide election December 3 to 5 in Lansing. At that time, a governor, lieutenant governor and speaker of the House will be elected from the various candidates.

SPEEDER ARRESTED

Ronald Moore, 24, of 14630 Riverside, Detroit, was arrested by Park police on Sunday, November 8, for speeding on Jefferson, a 30 mile an hour zone. It was charged he varied his speeds between 50 and 80 miles an hour. Moore posted a \$100 bond until a court appearance on December 2.

At a hearing before Park Judge C. Joseph Belanger on Wednesday, October 28, Ronald R. Rose of 15900 Faircrest, Detroit, entered a plea of not guilty to driving while his operator's license was revoked.

Rose was found guilty and ordered to pay a fine of \$50.

Henry Williams of 4938 McKinley, Detroit, failed to appear in court for speeding and forfeited his bond of \$20.

Franklin D. Sims of 2181 Coplin, Detroit, pled guilty to driving without having his operator's license on his person. He paid \$5.

James C. Bennett of 992 E. Vernor, Detroit, was not in court to answer for ignoring a traffic light and forfeited \$7.

George Merritt of 4665 Seebald, Detroit, accused of speeding on Charlevoix, did not come to court and the \$17 he posted was forfeited.

Men Gardeners Meet Nov. 19

"Preparing the Garden for Winter" will be the subject of a talk by Ray A. Henstock, director of Detroit Garden Center, at a meeting of Men's Garden Club of Grosse Pointe to be held Thursday, November 19, at 8 p.m., at Grosse Pointe War Memorial Center.

A native of West Virginia, Henstock received his bachelor of science degree in soils and horticulture from Michigan State Normal College in Ypsilanti. After teaching natural science in high schools, and engaging in private landscape work, he served for 25 years as Superintendent of Parks in the City of Dearborn.

Harry G. Schorr, recording secretary of the Grosse Pointe Club, is in charge of the evening's program.

Park Purchases Salt, Fire Hose

Two companies which submitted identical bids, will supply the Park with rock salt needed for slippery streets during the winter months, the Park council ruled on Monday, November 9.

The companies, Morton and International, will split a 300-ton order, since each agreed to \$8.80 a ton if city trucks pick up the salt, and \$10.40 a ton, if delivered.

City Manager Robert Stone and Public Service Director Herbert Heger told the council that it is better to have two suppliers because in emergencies, if one cannot deliver, the other will.

They pointed out that last winter the two companies also split an order for 200 tons of salt. But because of the severity of the weather, the city was forced to purchase an additional 400 tons, which both firms supplied at the bid prices.

The council also accepted the second lowest of five bids in the purchase of 700 feet of two and a half-inch, and 300 feet of one and half-inch fire hoses.

The city will purchase the hose from the Municipal Purchasing company at a cost of \$1,011.50 for the two and half-inch; and \$285 for the other.

The lowest bidder did not meet specifications.

You might call it determination when you object to a certain policy, but it's obstinacy if the other fellow objects. It may be true that there is nothing new under the sun, but any salesman can offer you something just as good.

Parking Poacher Finds It Costly

An automobile belonging to Dan Findlay, a Grosse Pointe High School student, was impounded by the City police, Nov. 3, when the car was reported parked illegally for the second straight day.

The car had been parked the previous day in a private lot at 17850 Maumee avenue, owned by R. M. Kimbrough. The boy had been warned not to park there again, but the car appeared again, November 3.

Police officers had the car towed to the back of the station and issued a ticket to the owner for illegal parking on private property.

In order to regain possession of the automobile, young Findlay had to not only pay the \$2.00 parking ticket fine, but he also had to fork over \$4.75 to a local collision shop for the towing charge.

The fee for towing is usually \$5.00, it seems, but the boy, not prepared for such expensive parking fees, only had \$4.75 with him. The collision shop owner let it go at that.

The USS Nautilus made history by cruising submerged from the Pacific to the Atlantic Ocean, passing under the North Pole at 11:15 p.m. EDST on the 3rd of August, 1958.

Quality

TYPESETTERS
TO THE TRADE

There's a "point" of quality in the newspaper case that Abbe uses for its customers. If it's well-fitted and set to fit the form then you know that craftsmen have been a-working. The tempo of printing is not always judged by ink, presses and paper, but by that *extra* something that the artisan puts into his work. Newsprint

needs quality craftsmen to dress it up and put extra life into your sales message. After all, almost all builders use bricks, lumber and stone, but it is unusual when two builders put that same "oomph" into the building. Abbe will put that "flare" into your newspaper, Mr. Publisher. So, why not call Abbe Press immediately?

HS Journalists Receive Honors

Three former Grosse Pointe High School journalists have had their best work from the 1957-58 Tower re-published in "Examples", a new publication for high school journalism classes.

These articles won regional awards in the Southeastern Michigan 1958 Scholastic Writing Award competition. Since then, the material has been put into booklet form in order to provide other students examples of outstanding work in high school papers.

The three articles in Examples are: an editorial on racial understanding by Sue Cumberland; a sports story by Dave Jurey; and a sports column by Dave Cook. All three were June 1958 graduates.

To Give Plays At Parcels

By Terri Atkin, 8B Journalism Student

Friday the thirteenth is the date set for the dramatics students of Parcels Junior High School to present their Evening of Plays, at 8 o'clock in the school auditorium.

To prove that they are not superstitious they have planned an evening of one act plays and short pantomimes with an emphasis on spine-tingling suspense. As a special added attraction Mr. Donald McNew will conduct the members of the school orchestra in four selections.

These will include: March All Turca, E. Schmidt; March from "Iphigenia in Aulis", by Gluck Jurey; the Concertmeister's Serenade, and the Woodshed Conga, both composed by J. Muller.

The first dramatic presentation of the evening will be the one act comedy "Elmer," given by the seventh grade students under the direction of Mrs. Frances Roach. When Elmer, the only boy in the family, tries to protect his younger sister from the older twins, the results are effective, but amusing. The cast includes John Kendall, Martha May, Linda Shaffer, Cheryl Thomas, Eileen Biddlingmeier, Sharon Jacobs, Mary Jennings, David Begeman, and Alex Miller. Working backstage are Jan Goodman, Linda Cirinsei, Jill Goodman, Phyllis Keating, Gail Kerin, Jane McCallum, Judy Warner, and Margaret Wiedebuch.

The second play, presented by eighth and ninth grade students of dramatics, is very appropriate for the mysterious and unlucky date. "The Case for Two Detectives" is a mystery farce about the solution of a murder by two different detectives. Quentin Van Quentin, the typical armchair detective, is played by Lynn Freeland. The second

Young Bartlett Sets Precedent

A precedent was established in the Student Government Council elections November 4, at the University of Michigan. Lynn M. Bartlett, Jr., of East Lansing, son of the State Superintendent of Public Instruction and a former resident of Grosse Pointe, is the first freshman to be elected to the Council during his first term at the University. Results of the election were announced Thursday, November 5.

Bartlett, who graduated from East Lansing High School last June is following in the political footsteps of his father, Dr. Bartlett is only the second Democratic State Superintendent ever to have been elected to office, and he is the first Democratic State Superintendent ever to be re-elected to office.

While in Grosse Pointe, Lynn Bartlett, Jr. was a student at the Grosse Pointe High School.

PTA at Defer Meets Nov. 16

The Defer PTA will meet on Monday, November 16, at 8 p.m., for its second program of the season.

At the September meeting, approximately 250 persons attended, and another full house is expected at Monday's session.

Mrs. Virginia Quarnstrom has been fortunate in obtaining a noted personality as guest speaker. Members will enjoy the informal refreshments of Mrs. Jean Stedman.

Defer expects this to be its most successful year. It recently joined the National Parent-Teacher Association.

Over one half the assets of the University of Michigan have been obtained from sources other than state appropriations.

Baptists Install New Minister

Devils Edge Allen Park To End Successful Season

The Grosse Pointe Blue Devils closed out the 1959 campaign with an exciting 21-12 victory over non-league Allen Park on the later field under the lights on Friday, November 6. The victory gave the Devils an overall record of 6 wins and 2 losses which includes the 5-2 record which earned the Border Cities League title for the third year in succession.

Blue Devil followers equaled the home team turnout and sat through intermittent snow squalls and bone chilling weather to watch the Pointers build up an early margin and then hang on to avert defeat in the closing seconds.

The Devils played like champions for the first five minutes and thirty-seven seconds, during which time they chalked up two touchdowns. For the balance of the game the Pointers were just another average team that was hard pressed to keep under-rated Allen Park from pulling an upset.

Regulars Bog Down

It appeared at the outset the Devils would enjoy a field day and afford coach Ed Wernet the opportunity to use his substitutes freely. That was his plan as it would have given many of the Devils a chance to get in the necessary time towards their coveted letters. But the regulars bogged down the Wernet was forced to use his regulars all the way to avert an upset. Consequently many of the Devils probably will be forced to remember their bumps and bruises instead of receiving letters for their season-long efforts.

The Devils' first touchdown came on the second play after the opening kickoff and those who were one minute and eleven seconds late in getting to their seats missed seeing Ronnie Harper race the final 11 yards for the score. Al Bolden set up the score when he streaked 41 yards on the first play of the game. Dave Veenendaal booted the extra point.

The Pointers allowed Allen Park to play with the ball for just four plays, the last one being a punt which was downed on the Dev 32.

Harper Runs Well

After George Kurtz ran into a stonewall for no gain, Ronnie Harper led the Allen Park warriors a merry chase as he ran back 12 yards to his own 20, reversed his field and rambled to the Dev 40 for an 8 yard gain. Linclau then sailed a 30 yard pass into the outstretched arms of end Al Lang who skipped to the Packers' 9 where he was pulled down from behind.

Linclau then rifled a bullet-like pass to Harper in the end zone, but the play was nullified due to a Dev penalty which put he ball back on the 13. A Linclau pass went astray before Al Bolden raced around his own right end for the second score of the game. Veenendaal again booted the extra point to give the Pointers a comfortable 14-0 lead.

Early in the second quarter Allen Park got a break when halfback George Oliver fumbled the Parker punt which was recovered by the Packers on the Dev 26.

D. Parks cracked the line for 17 yards before he was racked up by linebacker Pat Freydl with such force that the ball squirted out of his hands and bounced to the Dev one yard line where it was recovered by J. Firek. M. Stanczyk tried the line twice and was successful on the second try for the first Allen Park touchdown. A hand pass from center nullified the

try for the extra point.

Called Back Again

The Devils came right back on the third play after the kickoff Linclau hit Harper with a 3 yard pass and he outdistanced the Allen Park secondary with his 60 yard touchdown ramble. But the play was called back because of a Grosse Pointe clipping penalty. Still determined, the Devils continued the drive until halfback Mike Townsend fumbled on the Parker 25. Allen Park didn't have the ball long, as on the first play Les Hudson recovered a fumble on the 25.

With time running out Linclau took to the air and on fourth down Matakas intercepted to half the drive with 16 seconds left to half-time. Late in the third quarter Ken Squires intercepted L. Nickles' pass on the Dev 32 without breaking stride and flew past the Allen Park secondary so fast that it appeared to be glued to the turf. Squires covers the 100 yard dash in less than 10 seconds and his 64 yard run took considerably less. Veenendaal split the uprights with the clincher.

Parkers Score Again

Allen Park's second touchdown came on a 69 yard sustained drive that was highlighted by Matakas' 9 yard pass to T. Grandy who ripped 25 yards to the Dev 35 and another Matakas pass to Nickles good on the Dev 21. Parks clinaxed the drive with a plunge from that point. Ong's conversion boot was blocked by tackle Phil Greco with two minutes and forty-seven seconds remaining.

Allen Park tried an onside kick which was recovered by Tony Lott on the Dev 48. Substitute quarterback Veenendaal lost 18 yards in two plays and then fumbled giving Allen Park the ball on the Dev 32 with 1:21 left in the game.

The Parkers moved to the Dev 13 before the Pointers dug in and drove them back to the Dev 36 where the Pointers took over on downs when Ken Squires nailed Nickles who was trying to get off a pass with 17 seconds remaining.

Kurtz ended the game with a time consuming four yard smash at the line.

Insignia of the Navy's submarine service is a submarine flanked by two dolphins. Dolphins, or porpoises, traditional attendants to Poseidon, Greek God of the Sea and patron deity of sailors, are symbolic of a calm sea, and are sometimes called the "sailor's friend." In addition to the Dolphins, those World War II submariners who participated in successful combat patrols may wear the coveted Submarine Combat Insignia.

G. P. U. S. News Notes

Marion Pollzi, of the 11th grade, is a student of the ballet as well as a student at Grosse Pointe University School. Along with her regular homework Marion is busy at the end of each afternoon attending classes in Detroit. This past Saturday evening Miss Pollzi was among the very talented performers at the Detroit Institute of Arts. She participated in Swan Lake, Poulenc's Concerto, and Ibert's Parade. A number of students and teachers from G.P.U.S. were in the audience.

Recent chapel services have been conducted by both faculty and students, as is the G.P.U.S. custom. Last week's Monday chapel was led by Mrs. Hortense Robinson, of the Music Department, and Friday's was conducted by Charlotte Flintermann, Carol Johnson, and Rosaline Morrison. Last week Miss Helen Callbeck, a teacher and lecturer, showed slides and described her experience in Viet-Nam. Other assembly programs dealt with aspects of driver training on one occasion and with the presentation of a Newsweek film on another.

Some of the 10th grade English students listened in for a half-hour on Friday, October 30, to the CBE morning program Coffee Break, on which Alex Pavlini is the announcer. Mr. Pavlini recently appeared with the Canadian Broadcasting Company's well-known Rawhide in an evening performance at the Detroit Institute of Arts. Pavlini's program last Friday was designed especially for high school students and included, among other material, Basil Rathbone's reading of Poe's 'The Raven', a Theodore Bikes folk song, a reading of a Halloween story as a kind of spoof of the Scrooge-and-Marley manner, and the kind of ironic commentary for which Pavlini seems to be building a substantial reputation. The G.P.U.S. listeners were pleased to hear their school mentioned, along with such Detroit schools as Mumford, Cody, Mackenzie, and Denby, as among Coffee Break's audience that morning.

Parents of all Upper School students have now had their "night" to visit G.P.U.S. and their children's teachers, and first academic reports have been mailed home. G.P.U.S. has had practice recently in both fire drills and tornado drills. The sessions went off smoothly. Darcy Chandler and Irving Smokler are this year's delegates to the Detroit Round Table of the National Conference of Christians and Jews. Last week a large number of G.P.U.S. faculty chose to receive the flu shots made available by the school. School physician Dr. James M. Fisher administered the shots.

Donald Roberts and Miss Mary Joanna Perkins, of the G.P.U.S. faculty, were among the educators who attended the conference, October 22-24, at Atlantic City, N.J., on Religious Education in the Independent School. Miss Ann French, the G.P.U.S. French Department, has established a French table for 3rd and 4th year students of the language. Students meet on a voluntary basis once a week for lunch in the special conference room separate from the regular lunch room and agree to speak only French. John W. Beyer, teacher of senior American History at G.P.U.S., likewise conducts a weekly luncheon session for his students in which they discuss major topics of current events. Wellington V. Grimes, principal of the Upper School boys, is a member of the executive board of the Secondary Education Board, a national association of independent schools, and last week-end attended a meeting of the association in Colorado Springs, Colo.

Band, Glee Club, and Double Quartet rehearsals are among the busy fall activities at G.P.U.S. The recent Student Council dance to aid the United Foundation drive was pronounced a great success by those who attended. G.P.U.S.

students played a part in helping with as well as attending the community Halloween celebrations in the various Grosse Pointe schools.

The following is the list of students who have won places on the honor rolls at Grosse Pointe University School for the fall term. Those on the first headmaster's list have received grades approximating magna or summa cum laude standards; those on the second headmaster's list would correspond to a cum laude level. The Student Council Honor Roll is for consistent achievement in citizenship, effort, and school spirit.

St. Ambrose to Meet Shrine In Soup Bowl Game Nov. 15

The unbeaten but once tied St. Ambrose Cavaliers and champions of the East Side First Division Parochial League, had a weekend off last week, but football was uppermost in the minds of every member of the squad.

The team spent its weekend off watching the Shrine-DeLaSalle game at U. of D. Stadium on Sunday, November 8. The reason—they would be meeting the winner in the annual Soup Bowl game on Sunday, November 15, at U. of D. for the right to meet the Metropolitan League champion in the annual Goodfellow game at Briggs Stadium later that week.

Shrine, unbeaten in seven games but tied twice, made shambles of De LaSalle, 34-0, and proved themselves to be a worthy contender for the Cavaliers next Sunday. This will be another game in which all the "blue chips" will be on the table and that is when St. Ambrose seems to be at its very best—when the pressure is on.

Coach Tom Boisture's squad will be at full strength and although the popular coach isn't

making any predictions, there that the Cavaliers are going to go all the way to greater honors.

Center Offers Travel Movies

With winter winds beginning to howl, it should be a real treat to go to the Grosse Pointe War Memorial Center Wednesday night, November 18, at 8 o'clock and see some wonderful photography of warm and sunny Mexico and Guatemala. There is a charge for the program.

Mildred Briggs, who is giving this program, is noted as an excellent camera woman and is also a very pleasant raconteur with a world of interesting material to relive for her audience.

In addition to Yucatan with its Mayan ruins and Guatemala with its beautiful lakes, Mrs. Briggs will take her viewers to many interesting places in the more travelled sections of Mexico. She has excellent pictures of Lake Patzcuaro where the Tarascan Indians wield their huge butterfly nets to catch their daily supply of fish. The famous Institute of Art at San Miguel de Allende will be visited. There will also be a special side trip to Guanajuato where there is the largest art colony this side of the left bank of Paris.

For those who recall the beautiful Cathedral in Mexico City, the first christian church in the new world, Mrs. Briggs' pictures will bring back pleasant memories as well as her scenes of the divers in the quebrada at Acapulco.

Have New Club For Retired Men

More and more clubs are springing up catering to retired men. Many men in the Grosse Pointe area have already joined the Grosse Pointe Retired Men's Club, which meets at the War Memorial, and many more senior citizens belong to the Detroit East Side Retired Men's Club, which meets at the Hannan Branch of the Y.M.C.A., corner of Jefferson and Garland Aves, Detroit.

The Detroit East Side Retired Men's Club puts emphasis on games and recreation. They have approximately 150 members and meet every Thursday morning at 10 o'clock. After a short business meeting, they have travel pictures, lunch together in the "Y" cafeteria, and after lunch they play games until around four o'clock. They play almost all card games, chess, checkers, etc. As they tell new members "You name it and we will play it."

In addition to the games at the "Y", they have a bowling league consisting of eight teams and they bowl together every Tuesday afternoon. During the summer a group of the oldtimers play golf almost every morning during the week, and in addition they have a shuffleboard group who meet several evenings during the week.

The aim of the Detroit East Side Retired Men's Club is to provide fun and recreation. The Club is non-sectarian and there are no dues. Any retired man in Grosse Pointe is welcome to join.

Juvenile Delinquency

We who cover the news sources have noted a disturbing increase in the flaunting of the law by members of the younger generations. The same observation has been made by a number of residents, some of whom have come to see us personally to discuss the problem. Among these have been parents of youngsters who have gotten into trouble. Their attitudes have been varied. Some merely seek immunity from publicity for their offspring, and of course, themselves. Others are genuinely concerned and anxious to take whatever steps are indicated to curb these frightening tendencies in the children who are going astray.

So far, the Pointe has been free of the terrifying presence of mugging gangs and hordes of cowardly juvenile delinquents who beat up, maim and even murder their real or imagined enemies. But there has been a rise in the number of cases of drunken speeding by the young, house breakings and store robberies, petty thievery and malicious vandalism.

It is true that a very small minority of the young are responsible for these outbreaks, but the tendency should be quashed before the fire spreads. It is a problem which must be faced by all.

In this connection we were very interested in the statement which has been issued by J. Edgar Hoover, who undoubtedly knows more about crime than any other individual in the country. This is what he has to say on the subject:

"A valuable ally in the fight against crime, the news media of the nation can afford further public service in focusing the spotlight of public opinion on those members of the judiciary who, in the face of the present crisis, persist in endangering the public by unleashing young terrorists apprehended at great risk by law enforcement officers."

"Parents who, through bad example, indifference, or lust for worldly gain, inflict upon their fellow men the scourge of vicious offspring deserve to feel the sting of public indignation and to face legal and financial responsibility for the criminal acts of their children."

"At this time, when the increase in youthful crimes constitutes the bulk of the shameful rise in our national crime, serious consideration should be given to lowering the age distinction between a juvenile and an adult violator. We are dealing with vicious young criminals, and they should be treated as such."

"The prevention of juvenile destruction lies in the establishment of juvenile discipline. Assuredly, this is the responsibility of every individual interested in his own safety and the welfare of his country."

Letters to the Editor

TO THE EDITOR:

In order to reply to the letter signed "Anonymous," it is necessary to give some background material. First, I am neither quiet nor prone to keep my opinions to myself. Second, I believe we have a fine, but not perfect, public school system. Third, I have been a room mother in 3 of our schools and an officer of the PTA boards in 2 schools.

As it was pointed out, teachers are human, so are the members of the Administrative Staff, (incidentally, so are parents). Where human beings are involved, you will find human error; so there may be some children who have suffered at the expense of parents' actions—but, "three children for their entire school careers?"

Yes, parents who have "criticized" have been asked to be room parents or room mothers. I am not the only example of this, although I prefer the word "discussed." By "discussing" I do not mean always agreeing, but these two words (to me, at least) suggest a different approach to a problem. Just the day before I received The G.P. News, I had spent a rewarding hour with one of our principals "discussing" a course at his school.

As far as PTA officers are concerned, most of those I have known voice their personal opinions when they feel it is necessary. However, that is beside the point because PTA officers are found by nominating committees composed of PTA members. My husband and I have served on separate nominating committees. Neither time was any representative of the school present, (nor were the officers always easily filled).

I would also question whether the 3,000 voters mentioned would all have children in our schools to "stand beside in the firing line."

In connection with PTA funds—even the sponsoring of such generally acceptable activities as Girl Scouts and Boy Scouts, are put before the general membership for approval.

It seems to me that lack of information in such attacks only adds to the friction between parents and the small percentage of school personnel who take a defensive attitude. Very much more important is the fact that uninformed attacks do immeasurable damage to all parents who are actively interested in the education of their own children and all children in the system. Public educational standards are so vitally important to the future of our country, that it is certainly worth our time and effort to be sure of the facts, and approach any problem in a logical manner.

The writer of the G.P. News editorial referred to a "cowardly attack," which it was—if planned. However, I only hope it was a hastily contrived, last-minute effort, inasmuch as the name of our own community was misspelled!

Sincerely,

children who have suffered at the expense of parents' actions—but, "three children for their entire school careers?"

Yes, parents who have "criticized" have been asked to be room parents or room mothers. I am not the only example of this, although I prefer the word "discussed." By "discussing" I do not mean always agreeing, but these two words (to me, at least) suggest a different approach to a problem. Just the day before I received The G.P. News, I had spent a rewarding hour with one of our principals "discussing" a course at his school.

As far as PTA officers are concerned, most of those I have known voice their personal opinions when they feel it is necessary. However, that is beside the point because PTA officers are found by nominating committees composed of PTA members. My husband and I have served on separate nominating committees. Neither time was any representative of the school present, (nor were the officers always easily filled).

I would also question whether the 3,000 voters mentioned would all have children in our schools to "stand beside in the firing line."

In connection with PTA funds—even the sponsoring of such generally acceptable activities as Girl Scouts and Boy Scouts, are put before the general membership for approval.

It seems to me that lack of information in such attacks only adds to the friction between parents and the small percentage of school personnel who take a defensive attitude. Very much more important is the fact that uninformed attacks do immeasurable damage to all parents who are actively interested in the education of their own children and all children in the system. What Goes On at Your Library

by Jean Taylor

Do librarians, bounded by the printed page, north, south, east and west, during their eight hour work day, ever become bored about books?

The answer is "no." Judging by the ecstatic comments of staff members about the recently received handsome editions which will be on display this week and next.

The purchase of these books

was made possible by a special gift of money from the Friends of the Library. This enables the library to buy some unusually fine and expensive books which could not justifiably be bought with the regular budget.

Mrs. Helen Finster, Chief of Processing, has given much thought to the selection of these books and has prepared a list of those on exhibit which you may take with you for later reference.

There are so many items about which we are enthusiastic, it is difficult to select just a few for brief mention.

Family Service Helps Pointers

The various family services made possible by the Torch Drive helped 111 Grosse Pointe families during the past year.

The purpose of the Family Service agency is to strengthen family life. Persons whose families are running into trouble of one kind or another are encouraged to talk things over with a trained worker at one of these agencies. Often employers, doctors, lawyers, previous clients or workers in other Torch Drive agencies, such as the Visiting Nurse Association, urge the family to talk over their problems with a family service worker.

Members of the troubled family usually find that, after talking over their difficulties with the agency worker, they have a clearer idea of their problem. They often find that they are able to discuss with other members of their family matters which they had previously found it difficult to approach.

Once tranquility is restored in the home, problems which had beset the breadwinner at his job often diminish or disappear.

"The greatest problem in most families is inability to communicate with one another," Arne Erickson, administrative assistant for the Family Service Society of Metropolitan Detroit, explained. "People nowadays are less content to live with family problems. They insist on clearing up their difficulties, and that is where we help them."

The Family Service agencies offer their help to all who need them, regardless of religion, race, or economic status. A fee is charged by some of the agencies in cases where the client is able to pay. As in many other types of Torch Drive agency, these fees are based on ability to pay. A maximum of \$10 per week may be charged. People who do not have the means are served free. The Catholic family service organizations charge no set fee, but will accept contributions if the client wishes to make one.

Allocations from the Torch Drive make services of these agencies available to everyone who needs them.

Family Services whose purpose is to strengthen family life, are offered by several agencies which benefit from the Torch Drive. These include the Home Services of the American Red Cross, the Catholic Social Service of Macomb County, the Catholic Social Service of Oakland County, the Catholic Social Service of Wayne County, the Downriver Family Service, the Family Service of Metropolitan Detroit, International Institute, the Jewish Family and Children's Service, the Macomb County Family Service and Children's Aid, St. Elizabeth Community House, St. Anne's Community House, and the Salvation Army Family Service.

The largest of the Torch Drive family service agencies is the Family Service Society of Metropolitan Detroit, which helps more than 5,000 families each year in order to make its services more accessible to residents of the entire Detroit area, it maintains offices at 51 West Warren in Detroit, 25407 Van Dyke in Centerline, 3744 Michigan in Dearborn, 11063 Gratiot on the East Side, 2901 Holbrook in Hamtramck, and 15700 Schaeffer in Northwest Detroit.

Here's an old-time remedy for a sore throat—take a feather... dip it in kerosene... rub over the infected area. This is a case of the cure being worse than the illness. It's nice to know we don't have to rely on such ineffective and unpleasant "relief." So, don't take chances when your health is involved. When you're ill, your physician is the only person qualified to prescribe for your needs. Then, for prompt, professional service, bring his prescriptions to us.

Our day doesn't end when the market closes

Many of our clients drop in quite often at our offices at 1100 Buhl Building. They like to enjoy the pleasant, relaxed atmosphere and watch our electronic quotation board, or discuss investment needs with one of our staff of investment specialists. We hope that you will find time to visit us, too.

But if it isn't convenient for you to come downtown, one of our staff members will be happy to drop in at your home—in the evening if you wish—and discuss your investment requirements. Many of our men live in the Grosse Pointe area, undoubtedly one of them is a near neighbor. Why not visit us soon at the Buhl Building, or call about an evening appointment.

From Another Pointe of View

By Patricia Talbot

When Charles LeB. Homer was visiting steel mills in Germany last May he invited his hosts to pay a return visit to this country.

Last week Theodore and Herbert Weppermann arrived to be the guests of the Homers, and in spite of the recent steel troubles hope to see how steel is manufactured in America.

On Wednesday evening the Homers entertained at dinner for their visitors and on Thursday Mrs. Charles B. Warren, Jr., had a group in for cocktails before going on to dinner at the Little Club to meet the Weppermanns.

This Wednesday the Homers left for Philadelphia to join forces with old friends from their home town and go on this week-end to Princeton for the Princeton-Yale game.

The John Potters were also entertaining over the week-end. His brother and sister-in-law, the Holland Potters, were here from Centerville, Md.

Sunday was a full day for the visitors and their hosts. The Herbert Lords gave a luncheon for them, the C. Henry Buhls entertained at cocktails and Mrs. Standish Backus gave a dinner.

Sunday was also welcome home day for the newlywed Edward F. Lambrechts, Jr., who are settling in their Vernier road apartment, (where so many young couples start married life), after their Bermuda honeymoon.

Sunday evening the J. Crawford Frosts had ten for supper to greet the Lambrechts.

Ducks Come First

Several society hostesses despair of having a dinner party before the Christmas season since so many of their friends are off every week-end to the duck blinds.

A comfortable clubhouse with adjoining cottages serves one group of hunters near Chatham, Ont. Among the duck hunters who use this marsh are John Stroh, Joseph S. Sherer, Alvan Macauley, Carsten Tiedeman, Alger Sheldon, Frederick S. Ford and T. D. Buhl.

Right next door to their marsh the Robert Evanses, the Roy Chapins, Jr., and the Henry Fords do their duck hunting.

Riding Club on Campus

Equestrienne Julie Schneck, daughter of the Robert J. Schnecks, of Voltaire place, has formed a riding club for her college classmates.

Julie, by popular request, has organized the riding school at Northwestern University, where she is a student and within three months after announcing she would give a few lessons, the physical education department of the university asked her to form the club.

Last week elections were held and Julie was named president. Her present plans for club members center around a trip to the stock show held at the Chicago Amphitheater.

Republican Club To Hear Dykes

E. William Dykes, author and lecturer, will be the guest speaker at the November meeting of the Women's Republican Club of Grosse Pointe on Thursday, November 12, at the Grosse Pointe War Memorial. His subject will be, "Profit—Or Loss of Individual Liberty." He will be introduced by Mrs. John Hutchinson.

Mr. Dykes is a native of Oklahoma and was graduated by Oklahoma State University in 1940 with a Bachelor of Architecture degree. Following graduation, Mr. Dykes was an officer in the Corps of Engineers in the United States and on Okinawa. Following service he joined an architectural firm in Canton, Ohio. He is a frequent contributor to "The Freeman" magazine and is an instructor at the Freedom School, Colorado Springs, Colorado.

Mr. Dykes sums up his viewpoint by saying, "I am convinced that truly free society would have relatively few problems aside from those nature regularly sets up for us. I am also convinced that the most likely way we can improve the world is for each of us to set about improving ourselves. Slow as such a process appears to be it is unlikely any other course will succeed. If we fail, another dark ages will set in. If we succeed, it will be due to our recognition of our responsibility for our own welfare and for attention to the moral values which should guide us. I am not optimistic about our chances but not pessimistic enough to give in."

Luncheon will be served at 12:20 in the main reception room followed by the meeting at 1:30. Luncheon reservations must be made by Tuesday, November 10, by telephoning Mrs. Richard P. Joy at TU 4-6502 or Mrs. Lee W. Garrett at TU 4-6573.

The acquiring of culture is the developing of an avid hunger for knowledge and beauty.

Unitarians Sponsor 'Taming of Shrew'

Grosse Pointe Unitarians To Help Church Building Fund by Benefit of Canadian Players December 6 at Ford Auditorium in Shakespearean Comedy

Members of the Players Project Committee of the Grosse Pointe Unitarian Church are hard at work these days preparing for the first visit of the Canadian Players to Detroit.

The church is sponsoring a presentation of Shakespeare's uproarious farce comedy "The Taming of the Shrew" at Ford Auditorium, on the evening of Sunday, December 6.

Co-chairmen of the committee are Mrs. John S. Foley and Mrs. John S. Hammond. Mrs. Stanley W. Smith is acting as treasurer, and Mrs. John W. Carson as secretary of the committee. Mrs. John A. Hermann and Mrs. Charles Feldman are handling contact with the Players.

Mrs. Thomas H. Miller is in charge of ticket sales. Mrs. Henry C. Kohring is developing

a list of patrons. Mr. Wallace Clayton is supervising the preparation of the program, and Mr. Alfred E. Taylor is in charge of publicity.

The play selected by the committee for presentation shows the brilliant genius of Shakespeare at its very best. In "The Taming of the Shrew," Shakespeare wrote a boisterous slapstick comedy that is a timeless masterpiece of wit and humor.

Miss Kate Reid, who has just completed a highly successful season with the Stratford Shakespearean Festival, will appear as Kate. Her co-star is Max Helpman, who will play

Woman's Club To Hear Florist

The garden group of the Grosse Pointe Woman's Club will meet at the Central Library on Friday, Nov. 20 at 1 o'clock.

Guest speaker will be Mabel Kling, whose topic will be "Holiday Table Settings."

Mrs. Robert O'Neill will be hospitably chairman assisted by Mrs. Arthur Baylis, Mrs. Leonard Klaasen, and Mrs. Herman Ruete.

Members are requested to bring materials for a Christmas idea exchange.

Petruchio. Mr. Helpman has just finished his third season with the Stratford Shakespearean Festival. Prior to that engagement, he was a member of the Old Vic Company of London, England. Dennis Carey will direct the production.

The Canadian Players is a traveling company organized some five years ago by Tom Patterson, founder of Canada's Stratford Shakespearean Festival, and the well known actor-director Douglas Campbell.

The Players are particularly noted for their presentations of the plays of Shakespeare in a manner which regains much of the charm and simplicity of the original Elizabethan productions. During last season's tour, some 200,000 people saw the Canadian Players.

The company was honored as the first recipient of a grant from the fifty million dollar endowment fund of the Canada Council, a philanthropic body formed to aid the most deserving of its country's cultural endeavors.

This first appearance of the Canadian Players in Detroit has been undertaken by the Grosse Pointe Unitarian Church with the two-fold objective of bringing an outstanding cultural event to Detroit, and at the same time, raising funds for their projected new church building.

Girls to Invite Boys to Dance

Introducing the Thanksgiving season, the Grosse Pointe War Memorial's Youth Council is giving all Pointe girls of high school age a chance to show their appreciation to the boys who have been escorting them by scheduling a "girls invitation" dance on Saturday evening, November 14, from 8:30 to 11:30 p.m.

This party is for couples only for students in grades 9-12 of the Pointes' public, private and parochial schools. Zev Clay's orchestra will furnish the music and there will be entertainment at intermission time. Refreshments will be served without extra charge in the auxiliary dining room.

Couples have been asked to wear casual attire for this occasion. Sports coats or sweaters and slacks will be appropriate for the boys and wool dresses or sweaters and skirts for the girls.

Players Revive 1933 Drama for Benefit

Pointe Players to Give "Icebound" on November 19 to Aid the Grosse Pointe High School Mothers Club Scholarship Fund

In contrast to the title of their fall production "Icebound," the Pulitzer Prize winning drama by Owen Davis, there is a warm and benevolent atmosphere to the Pointe Players' rehearsals in preparation for their opening performance Thursday, November 19.

Proceeds from this night will be given to the Mothers' Club Scholarship Fund which is available to students in need of financial assistance to continue their studies after graduation.

The fund is administered in the form of financial grants and is at present giving aid to 14 graduates of Grosse Pointe High School in various accredited Michigan colleges and universities.

For more than fifteen years the Pointe Players, now in its thirty-first year, has followed this tradition, donating the proceeds from the opening performance of each of its two yearly productions to this fund.

The organization numbers 60 members who constitute the cast, production staff and stage crew under the direction of Mr. Fred Nelson.

Of special interest to this group has been the fact that in 1933 a Little Theater group composed of Grosse Pointe High School teachers, many of whom are still in the area, also produced "Icebound."

Appearing in the 1933 production were Mr. John Barnes, then principal of the High School, and Mrs. Barnes; Mr. Sterling Shoemaker; Mr. Axel Gruenberg, now the producer of "This Is Your Life" in Hollywood; Mrs. Lucille Muller; Mrs. Bernice Stollenberg; Mr.

Lawrence Westerville; Mrs. Lou Ives, now teaching at Parcels; Mr. Arthur Trippensee, assistant principal, now a professor of education at Bridgeport, Conn., and Miss Frances Huff, now Mrs. Roach of the Parcels faculty.

This year's cast includes Bill Clement, Bob Ament, Gail Lungershausen, Ann Huck, Barbara Marx, Bruce McCosha, Darcy Pulliam, Pat Groehn, Don MacFarlane, Paul Boulanger, Judy Bashara and Larry Vandermark.

To assist with ticket sales for the benefit performance, a committee of 154 room mothers and 20 grade sponsors are under the chairmanship of Mrs. Howard Gandelot.

Tickets are available through the school office, admission 75c, or may be procured through Mrs. Gandelot, TU 1-8484.

The Mothers' Club will take the cast and production staff after this performance with Mrs. Donald Nell in charge of arrangements.

Performances will also be held on November 20 and November 21. All performances are in the High School auditorium—curtain time 8:15 p.m.

She has studied with Pietra Cimara of the Metropolitan Opera Company, Ernesto Barbin of the Toronto Conservatory of Music and the late Fred Paton of Detroit. She is presently studying with Claude Bossenbury of the Detroit Institute of Musical Art and Sturat Piggens, teacher of singing and opera coach.

Her extensive repertoire includes songs in Italian, German, French, Greek, Spanish, and English. Among others her operatic repertoire includes Puccini, Verdi, and Mascagni.

Jonathan Swift, tenor, was born in Glasgow, Scotland, in 1932. He attended High School in Scotland and Cass Technical High School in Detroit. He received A. B., M. A., Wayne State University; a Diplome de Conservatoire, National de Musique Paris; Ecole Normale Supérieure de St. Claude (University of Paris); studied voice with Georges Jouatte of the Paris Opera; at present with Aurelia Peralta, Detroit.

Mr. Swift teaches English and French at the Mumford High School and French at Wayne State University. He has had four years of Educational Broadcasting on Channel 56; he first appeared in Concert in Paris in 1955.

His operatic debut was as a baritone in the singing role of Alfio in "Cavalleria Rusticana," later changing to a tenor as Turridu in the same opera. He has appeared widely in the United States as well as abroad with symphony orchestras and concert bands.

Anniversary Reflections

Flying high on Pan-Am's Jet flight from Paris to Boston and our thoughts turn toward you . . . to that day ten years ago when we opened the first beauty salon on the Hill . . . a salon that was dedicated to give you the finest in beauty service at down to earth prices. The rapid growth of our clientele through your enthusiastic acceptance of this new concept in cosmetology soon made expansion imperative.

On March 14, 1951 we abandoned our delightful nest atop the hill and opened our large ground floor salon . . . proud of our canopied entrance from the parking area at the rear of the building . . . and grateful that in expanding we could remain in the heart of Grosse Pointe's quality street . . . Kercheval-On-The-Hill.

One year later we brought internationally renowned Madam Marguerite Buck to our salon. Her return visits for client consultation, staff training and participation in civic events were eagerly anticipated. Through the years we have searched the far away corners of the world for new ideas, techniques and equipment . . . so that our top-flight stylists can offer you the ultimate in beauty and fashion.

By careful management we have been able to absorb the rising costs of operation without increasing (with very few exceptions) the prices we established in 1949 . . . passing on the savings to you, our clients, to whom we are most grateful. To Mrs. Wright for her capable management and to our loyal staff goes our heartfelt thanks for their excellent team-work during our absence.

Sincerely,

Pink and Orange to Deck Club for November 19 Fashion Show and Bridge Luncheon; Thanksgiving Ball Will Feature Lutheran Chorales

Grosse Pointe Yacht Club has two glamorous events coming up. The first, a fête specifically for the distaff side, is the bridge luncheon and fashion show next Thursday, November 19; the other is the annual formal Thanksgiving Ball and it's to take place two days later, on November 21.

Mrs. Arthur M. Stringari and Mrs. Fred A. Hood Jr., co-chairmen of the bridge-luncheon - fashion "do" (GPYC's last one of 1959), have planned a decor in pink and autumn orange hues around "Le Mode D'Autunno," a theme anticipating the holiday season's luxury and sparkle.

The style show will run the gamut of mink elegance, resort previews, contemporary casuals and the high style costumes and fabrics of this era of elegance.

Two large figures of cherubs carrying horns of plenty filled with bright autumn leaves will grace the sides of the stage in the ballroom, scene of the party. Bridge gift wrappings will be in pink and orange hues; color-sprayed and sparkled driftwood and red-gold leaves will deck the rotunda.

Among those who have made reservations for groups or foursomes are Mesdames James Quello, Charles W. Gauss II, George Vandermark, D. K. Wicke, Robert Reichold, Alphonse DePaese, Fay Ouellette, Ernest L. Nicolay, T. O. Nielson, William O'Neill Kronner, William R. DeBaeke, Pierre Font, Roland Postel, Robert B. Wood, John A. Bott, W. F. A warning light in the cockpit told him there was a fire. The landing wrenched the cockpit loose from the rest of the fuselage. "We've got to take the plane apart to find out what happened," Crossfield said.

JAILED INDEFINITELY — Mrs. Martha Ann DeBorger (above) says she'll stay in jail "till hell freezes over" in San Francisco before she'll un-hide the \$20,000 insurance policy on the husband who divorced her, US-AF Maj. Arthur DeBorger, 38. County Superior Judge Thomas F. Keating ruled that the policy belonged to him and ordered Mrs. DeBorger, 35, to return it. She wouldn't, and was jailed for contempt on Sept. 14.

'MISS WORLD' — Penny Coelen, this year's "Miss World," pokes her head through a porthole of the French liner Liberte in New York as she arrives en route to Hollywood from London. She is a native of South Africa.

MUDDER'S DAY IN ITALY—Salvaged from one of the inundated homes in the Alpine village of Zambana, Italy, a kitchen stove is carried through sticky mud by six men. Four days of torrential rain in northern Italy touched off a huge landslide of mud, which cascaded into the city. No one was killed, but some 400 persons were left homeless.

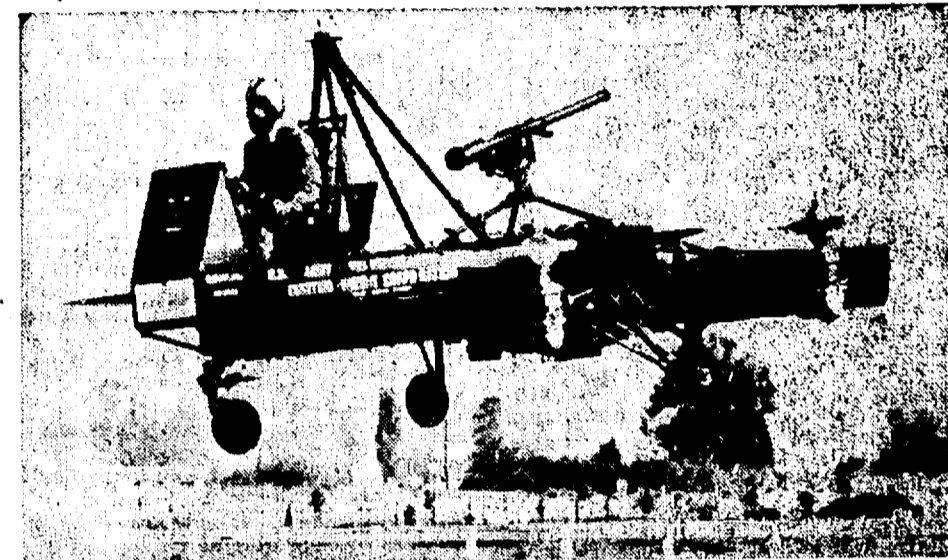

HEAVEN FREEZES OVER? — Farmer Claude LeCroy displays broken pieces of a 40-pound chunk of ice which fell out of the sky onto his farm near Toccoa, Ga. It dug a crater about two feet in diameter when it struck. On Sept. 28 a similar incident was reported at Acala, Italy. That chunk was 66 pounds.

UNUSUAL, TO SAY THE LEAST—Last spring, Ralph Harmon, manager of a supermarket in Cincinnati, started a banana tree from a plant. Cold weather forced him to find a warmer location for the tree, now 10 feet tall, so he set it among the bananas inside his store.

SOVIET SPACE DOGS—These two dogs are being trained for the first manned rocket trips, says the Soviet information with this photo. Gypsy (right), completely encased in a space suit, looks like maybe a model for a Martian clothing store. Mishka (left) is less formally attired. The Soviet says 20 youths and many dogs are being trained for the first manned rocket flight. (Radiophoto)

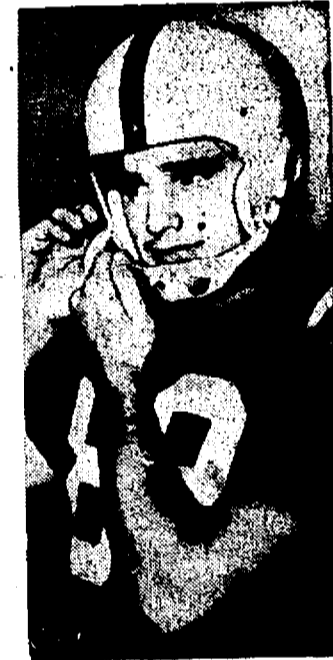

FLYING PLATFORM—The new Curtis-Wright "flying platform," a kind of gap-filler between the U. S. Army Jeep and the reconnaissance helicopter, is shown in test at Santa Barbara, Calif. Note the gun mounted on it. It is known as the VZ-7AP, and is a four-propeller vertical takeoff and landing craft.

WAITING FOR A DECISION—Turkey's Seyfullah Esin (left) and Poland's Foreign Minister Adam Rapacki listen in the UN in New York as votes are taken over which will be in the Security Council in 1960. Neither nation could get the required 54 votes in the first day's 13 ballots.

TYRONE'S WIDOW IN A RE-RUN—Arthur Loew, Jr., 33, scion of the Loew's, Inc. people, and Deborah Jean Power, 27, widow of Tyrone Power, look fondly at each other after their marriage in Las Vegas, Nev. It's his first, her third.

STAR DEAF, DUMB—Sammy Oates, the deaf and dumb star end of the Hardin-Simmons university Cowboys, adjusts his helmet in Abilene, Tex., for another go. Oates is having a big season, has two more ahead, and boosters are talking in All-America terms.

VIOLENT ANTI-U. S. demonstrations in Cuba make this man and these places big news again. Premier Fidel Castro revived military tribunals in an angry move against anti-Castro planes he charges are flying from Florida to foment a revolution against his revolution.

KETCHIKAN KITTEE

Carol Caverly personifies glamour on ice. This stunning brunette from California is the star of "Alaska, USA." Shipstads and Johnson salute to the new 49th state. There are 20 giant productions with the 1960 edition, now shattering box office records everywhere. Ice Follies, with entourage of 167 personalities, at the Olympia Stadium, Detroit, November 10th-22nd.

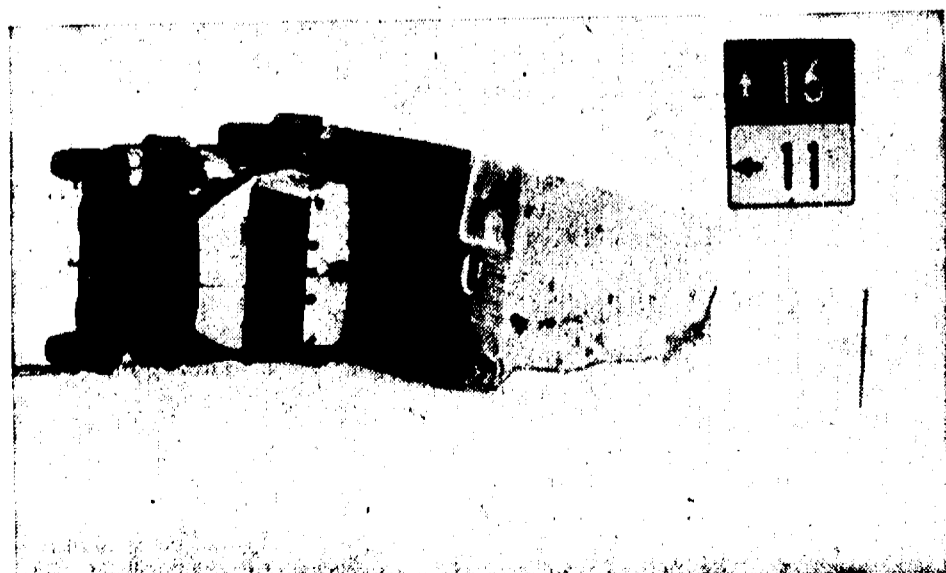

MET FELLOWS WELL MAILED—Here is the resplendent dress circle for the gala opening of the Metropolitan Opera's 75th and longest season in New York. Conductor Fausto Cleva (lower foreground) is about to raise his baton for "Il Trovatore," to begin 25 weeks of opera.

BALL BAT FATAL—Mrs. Catherine Hummel, 57, suddenly smokes a cigaret in Ardmore Park, Pa., after being taken in custody in the baseball bat death of her husband Robert, 58. He was killed by one blow as he relaxed in an easy chair. "I gave him a sock, but I didn't hit him," she insisted.

72—Nationalist China's President and Madame Chiang Kai-shek stand on grounds of their residence on the outskirts of Taipei, Formosa capital, for his Oct. 24 birthday photo. He is 74.

WINTER'S COME—The season's first big one blanketed South Dakota with as much as 36 inches of snow, and this trailer truck overturned in it near Sioux Falls. The useless, snow Minnesota, was not injured, and neither was the load of hogs.

GANG RETRIBUTION—William Febo, 17, shows the mark on his hand where he placed a hot knife to burn away an "S" tattoo, which identified him as a member of the Sinners gang in New York. But the code of the gang is, you can't quit. Members caught up with him, beat him unconscious. Police picked up more than a dozen members of the Sinners.

ARMY'S TALLEST—Pfc. William B. Riggins, at 6-feet-10½ be-Heved to be the tallest man in the U. S. Army, looks down on MP Pvt. Joe Crawford at Fort Benning, Ga. A special long bed was issued to accommodate the Riggins fuselage.

A tragic train crash brought sorrow to the Pointe's close knit summer colony in 1893 and an end to the founding of another merchant fortune.

Henry A. Newland began his rise to fame, as did so many young men whose names later became well known, in the men's furnishings establishment of Frederick Buhl and Co.

He was born in New York state in 1835 and came to Detroit to seek his fortune, which he found after beginning humbly as a clerk at Buhl's. He was working in the office when the Civil War broke out and quickly furthered his friendships with the many quartermasters detailed to Detroit. He brought in orders for 5,000 infantry caps, always knew when swords, silk sashes, epaulettes, chevrons and gauntlets were needed for Michigan regiments.

He was admitted as a partner by Mr. Buhl and after the war he traveled extensively for the firm, for scores of years attending the fur sales in London and Leipzig. He married Emily Burns, in 1862, daughter of another Detroit merchant and the couple had one daughter, Lizzie Helen.

By 1884 he was senior partner in the wholesale fur house of H. A. Newland and Co., and purchased the Thomas Pitts house next door to St. Paul's church and the home of Henry Russe.

Mr. Pitts had landscaped the grounds of the home in English designs and the Newlands improved upon them. The quality of the strawberries and other small fruits on the place were famed. The grounds comprised about 25 acres with an orchard in the rear. A drive wound up to the front double door and guests could look out onto the lake from a broad veranda.

The chatelaine of this cottage was the second Mrs. Newland, nee Martha Alger Joy, daughter of James Joy, (he was the father of the late Henry B. Joy), Their son, James Burns Joy, died when he was three years old but the couple had a daughter, Mary Joy.

She grew up to marry a German nobleman, Count Meno von Limburg-Sturm, and went to Germany to live. The couple had three daughters and kept in close touch with their Detroit relatives until World War I. Mrs. Richard P. Joy remembers that when war was declared the Countess took her American estate to Germany and from the years of the Kaiser little was known of this daughter of the Newlands.

An account of the day reports that Mr. Newland knew "how to be courteous and affable, and is esteemed accordingly." The couple were popular in the colony which was so close. In 1893 they boarded a train to visit the World's Fair in Chicago and were killed in a frightful collision of the Grand Trunk railroad in Battle Creek.

Just a reminder if you are out shopping today to stop in at the Grosse Pointe Memorial Church Fair... very unusual holiday decorations of the sale including ribboned and aglitter styrofoam balls... gumdrop trees... Santa Claus door knob covers for the whimsical.

In the winter resort issue of "Town and Country" out this month there's a striking picture of Mrs. John Holley at Lake Placid... resting, after skiing, in a flowered blue parka.

.....An speaking of winter sports, many are the admirers of Mrs. Charles Markley, who is trying to persuade her friends to take up indoor ice skating... a real expert at this exacting feat is the charming Mrs. M... who is also a talented actress, artist and golfer.

The old fashioned store keeper who was willing to spend half an hour with a patron over a nickel purchase has not disappeared, and there's a moral here, too. The proprietor of the Farms Drug was not going to open early Sunday morning when a lady knocked on his door, but his conscience smote him. The lady bought a five cent package of gum... but she discovered in chatting the drug store owner had a house for sale... the deal isn't sealed yet but he may have a customer for his house from that pack of gum.

The revival of the old fashioned breakfast to show off the family china collection... is a decorators' newest idea... and in the priceless Henry Ford Home on lakeshore a hallway niche is a perfect foil for some of their fabulous collector's items.

One of the Pointe's nicest sights... James Holden who takes a sprightly walk every day and has become a tradition to his many city neighbors... another tradition concerns Mrs. C. Henry Haberkorn, Jr., who serves graham crackers and milk to her grandchildren every Sunday after early service, at Grosse Pointe Memorial Church.

Margaret Truman, whose husband, Clifton Daniel, was in town last week to lecture, was here Monday morning to star on Channel 2 in the morning "Woman" show... guest star was the Pointe's own Dr. Harrison Sadler, psychiatrist, who talked on "The Marriage That Failed."

PILFERINGS

A lady once entertained Lord Tennyson at her house on the Isle of Wight. After tea, the great man became lost in thought, while his admiring hostess watched the expression on those noble features and waited breathlessly for some majestic phrase to be treasured ever afterwards. At last the poet broke the silence by declaring, "Madam, your stays creak."

Pointer of Interest

MRS. DONALD E. BROWN OF HIDDEN LANE

By Patricia Talbot

The Junior Women's Association for the Detroit Symphony Orchestra is not just an organization where 200 young married women can play bridge, put on fashion shows, and dance at balls. Mrs. Donald S. Brown, first vice president, justly points with pride to the \$5,000 the group gave last year to support the orchestra.

Mrs. Brown is a vital redhead, whose friends call her Marney. She likes to cook flaming pancakes, play bridge and claims Boston as her favorite city. A talented pianist herself, she has an abiding interest in the symphony which she and her husband attend faithfully with five other couples.

Not Just for Fun The Junior Association is not a social organization, although the members have teas, bridge parties, dances and splash parties. It is primarily organized to assist the symphony and if the members have fun in the process so much the better.

The fund raising project on the docket right now is the "telephone marathon bridge," which will be held November 17 in about 15 homes on the East side. Mrs. Brown, who is bending all her efforts to this benefit, hopes there will be \$2,000 in the juniors' till when the bridge parties are over.

She will have several tables in the modern brown and gold living room of the Browns' delightful home, dominated by a huge hi-fi and a console piano. The piano was last year's Christmas gift and a welcome one to Mrs. Brown, who studied music in her home town near Chatham, Ont., and then came to Detroit to study under Mischa Kottler. Marriage to rising young attorney, Donald Brown, interrupted her career, but now she has Shelley, 4, and Margo, 6, to carry on their mother's musical hopes.

Plays Jazz By Ear Mrs. Brown hopes to return to rigorous practice sessions but currently plays jazz by ear.

Twentieth Birthday Last month the Juniors sponsored a theater benefit for the Lunts' performance of "The Visit," and will have another when "Music Man" opens here after the holidays. The annual Junior Symphony ball is scheduled for February 5 at the Detroit Boat Club, another glamorous fund raising event. The Junior organization celebrated its 20th anniversary on October 11, has recorded an annual 6,000 volunteer hours of work.

For the future there are plans to expand the membership, sponsor more varied projects and increase their civic role. Mrs. Brown has been a member of the Junior Association for the symphony for about six years and with her active social life, her home duties, finds this one interest is enough. Like many of the Pointe's young matrons she would rather devote her leisure time to one activity and do it well than

on the prized piano. Both the Browns are hi-fi addicts, have it piped throughout the house and into the garden, which becomes a huge ice skating rink in the winter. Rink parties are a favorite with the Browns' friends throughout the season.

The first vice-president of the Junior Women's Association takes her duties seriously and will expand her efforts in May when she becomes president. She enjoys the contacts with members from all over the city, Birmingham, Ferndale, Royal Oak, the Northwest section of Detroit.

She hopes that her organization will require members to devote a specified number of volunteer hours to the group by next season. Now the symphony needs clerical help and Mrs. Brown, along with many others, has been giving time to the Symphony office in the Ford Auditorium.

Each year Suburbia Garden Club has a tea at which time every member is allowed to bring a guest and also a child's dress to be given to the Ruth Alden Christmas dress project, well known now for several years.

This year the tea will be held November 17. Mrs. Bruce Grubby will be the hostess in her home in Audubon road.

divide her hours among many charities.

Gardening a Hobby On her calendar for the future is a new home, with a bigger lot, for that ice skating rink. She would like to join a garden club, too, for she has a green thumb. Last summer she planted the two beds leading to her front door with 60 geraniums, accented with sweet alyssum. Talented in the kitchen, too, guests delight in her amazing baked alaskas, served in flower pots, the menus she has borrowed from Luchow's in New York.

On November 17 Marney Brown will welcome bridge players, both in the afternoon and evening, enthusiastically opening her home to aid the symphony. After the final score is tallied and the \$2.00 donations recorded, she can congratulate herself that her organization has taken another important step in furthering one of the country's most important symphony orchestras.
