WAR MEMORIAL DRIVE STARTS

HEADLINES of the WEEK

As Compiled by the

MICHIGAN'S SECRETARY OF STATE James M. Hare charged that an investigation of election procedures outstate indicates "shocking carelessness" which could end up with tens of thousands of improper votes being cast in an election. Hare said his elections division staff had checked about 200 jurisdictions outstate, mostly in the northern part of the Lower Peninsula. Republican leaders had already complained that there were irregularities in Detroit's election procedures. Hare's staff will continue its investigation in all of the state's 83 counties.

FOREIGN CORRESPONDENTS in the Soviet Union will no longer have to file their dispatches from Moscow's central telegraph office where the censors are located but will be free to telephone or cable their articles from any point at their convenience. In making the announcement that censorship would be abandoned, the Foreign Office press director said that correspondents would be required to keep copies of their stories for examination at any time, indicating that correspondents might still be expelled if their reports are not satisfactory to Soviet authorities.

FORMER POSTMASTER GENERAL Arthur Summerfield is reported to be making a drive for the chairmanship of the Republican National Committee and political observers say his chances are very good. Key Republican figures with the possible exception of New York Governor Nelson Rockefeller are reported to be solidly behind Summerfield. No strong competitors are seen in the line-up to block Summerfield's campaign.

Friday, March 24
PRESIDENT KENNEDY told the Russians yesterday to keep their hands off Laos and to end all armed interference in that country before he calls on the Southeast Asia Treaty Organization to prevent a Communist takeover. The President said in his televised news conference that the United States wants a truly neutral Laos and will use force, if necessary, to get it. Republican leaders, including former President Eisenhower, rallied behind the President and endorsed his firm stand that this nation "is not going to be pushed around."

CONGRESS was told yesterday that President Kennedy regards the Eisenhower budget as "too optimistic." The President said the country should be prepared for two years of red ink financing for a combined deficit of \$5 billion, sending the national debt to a new record of \$290 billion.

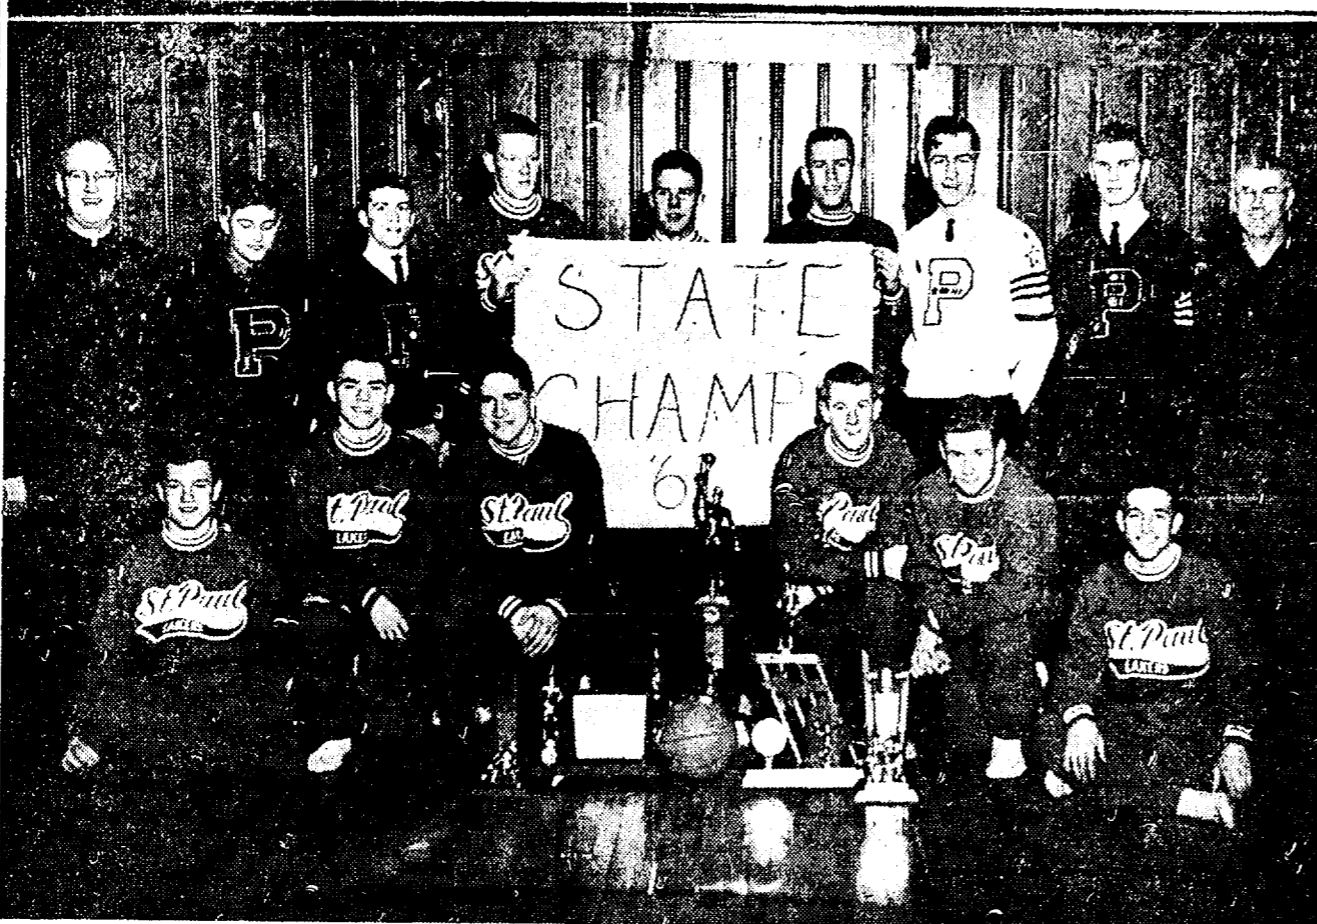

Mr. Kennedy said the Eisenhower estimates of revenue were based on a much rosier economy than at present. The President did not indicate that he would favor a tax cut as a temporary recession measure.

STATE DEPARTMENT OFFICIALS told House investigators today that Secretary of State Rusk would withdraw his order refusing to allow officials to testify about any government agency investigations of misconduct by foreign aid personnel. The order to deny the information to Congress had been bitterly received by the lawmakers and Rep. Hardy, of Virginia, called it the "most arrogant instruction" ever given to government witnesses.

Saturday, March 25
PRESIDENT KENNEDY suffered his first defeat at the hands of the nation's lawmakers when the House voted down his \$1.25 minimum wage bill by one vote. Instead the House passed and sent to the Senate an alternate proposal setting the minimum wage at \$1.15 an hour and covering 2.3 million fewer workers than the President had requested. Administration backers hope that a compromise between the Senate and the House can be achieved which will be

It will be a long time before the thrill wears off for the Lakers, who brought the Class C Basketball Championship of the State home to Grosse Pointe last Saturday. Playing what the scribes described as "near-perfect" basketball, the Lakers beat Parma Western, 67-51, to take the state title in the finals in Jenison Fieldhouse, East Lansing. Left to right, front row: JEFF GENTILE, CHICK HIENER, JACK

WACHTER, JOE AYRAULT, MIKE CANTWELL and STEVE HANDLOS. Rear row, left to right: REV. FR. ARTHUR NEFFY, ROGER JOSEPH, BUD JOHNSON, JAY FISCHER, TED TREFZER, TOM MOXLEY, KEN WUJEK, GLENN CROSS and COACH ED LAUER. GARY SCHICK, also a member of the squad, was missing when the picture was taken.

Coach Ed Lauer Rates Special Bow as Lakers Defeat Parma Western in Finals

St. Paul High School's Lakers, brilliantly guided by Coach Ed Lauer, brought a state basketball championship home to the Pointe last Saturday. They defeated Parma Western, 67-51, to win the Class C crown in the finals in Jenison Fieldhouse in East Lansing.

This was the year that Ed Lauer's phobia for precision paid off. The boys he coached, (and they have all revered him through the years), didn't let him down. It was his third trip to East Lansing in search of

Young Driver Sent to Jail

Ronald L. Solterisch, 19, of 1170 Maryland, was fined \$35, sentenced to two days in the Park jail, and placed on probation for six months, no driving, following a hearing before Park Judge C. Joseph Belanger on Wednesday, March 22.

The youth was convicted on a charge of driving while his operator's license was revoked. He was arrested while driving on Jefferson.

Two Old Park Criminal Cases Cleared by Police

Park police closed two old criminal cases, when felons arrested by Detroit authorities last month, gave full confessions.

Det. Lt. Stanley Enders stated on Monday, March 27, the cases involved passing of a bad check on January 26, 1957; and the breaking and entering of a business place on December 4, 1959.

Awaiting sentence in a Detroit court is Robert B. Doyle, 46, of 2332 Park street, Detroit, who was convicted of uttering and publishing, (passing bogus checks), and parole violation.

The lieutenant said Doyle confessed to passing approximately 60 worthless checks in the Pointe, Detroit and other suburban areas over a period of three years.

Home Protection Workshop On Education for Survival Again Offered by CD Group

Second Series of Lectures to Be Given at High School Three Monday Nights, Starting On April 10; Speakers Engaged

Mrs. Joseph G. Standart, chairman of the Women's Activities Committee of the Grosse Pointe Area Council of Defense and Disaster Control, announces that a second series of lectures on Education for Survival will be given Monday nights, April 10, 17, and 24, from 8 to 10 o'clock at the Community Service Department of the Grosse Pointe Public Schools, Grosse Pointe High School Annex, 43 Grosse Pointe boulevard.

Mrs. John W. Carson, program chairman, has scheduled the following speakers.

April 10: William Milus, medical Civil Defense Representative of the Detroit Health Department, will speak on "Facts About Disaster and Individual and Family Preparedness." Also Gerald deMontfort will display and explain his model shelter.

April 17: Mr. deMontfort will give a demonstration on radiological monitoring, and Jack Adelson of the Wayne County Health Department will speak on "Emergency Sanitation." Mrs. Darrell Stutzer will talk on Civil Motors Corporation Truck Safety Division, will cover "Firefighting for Householders"; Paul Shafer, Detroit Civil Defense Assistant Director, will give "A Brief Look at the Overall Civil Defense Plan," and Mrs. John F. Warren will speak on "Community Preparedness."

ALL ARE ABLE SPEAKERS
Every one of these speakers has outstanding ability and knowledge in his field. Mr. deMontfort became interested in Civil Defense through his interest in building a perfect

Traffic Accident Injures Three

John Lapinski, 37, of 910 Hidden lane, was ticketed by Park police on Tuesday, March 21, following an accident in which he and two other persons were injured.

Police charged Lapinski with entering an intersection without due care and caution and causing an accident.

Lapinski is accused of hitting a pickup truck driven by Joseph Buzzelli, 58, of 6300 Neff, Detroit, at Harvard and Charlevoix.

Police said that Lapinski was driving north on Harvard, when he struck Buzzelli on the left side. Buzzelli was traveling west on Charlevoix.

Buzzelli lost control of his truck and hit and knocked down a stop sign at the northwest corner of the intersection, and

Pedestrian Killed on Mack Avenue

William J. Coulter, 70, Dies After Being Struck by Car on March 23

A 70-year-old Farms man became the Pointe's first pedestrian fatality of the year, when he died of injuries received when he was hit while crossing Mack avenue on Thursday, March 23.

William J. Coulter of 481 Alard, died in St. John Hospital after he was struck by a car driven by Dan Brock, 19, of 2739 Millenbach, St. Clair Shores. The traffic victim suffered a broken left leg and head injuries.

Charles Weigle, 39, of 4967 LaFontaine, Detroit, told Farms police that he was sitting in his car in front of a dime store in westbound Mack, when he saw Coulter crossing the street. Weigle said that Coulter appeared to be staggering as he walked.

Spoke To Victim
Two 15-year-old girls, Carol Casabach of 407 Barclay, and Pam Abbott of 1877 Littlestone, said they spoke to Coulter before the accident.

Brock told police that he was traveling east on Mack, about 30 miles an hour, and took his eyes off the road for a second. When he focused back on the road, the pedestrian was in front of him. He hurriedly applied his brakes, but too late to avoid the man, the youth said.

The case was given to Farms Det. Sgt. George Van Tien, who took Brock to the Wayne County Prosecutor's Office, where the youth made a statement to Asst. Pros. Norman L. Lippitt.

Post Mortem Held
Later, the sergeant attended a post mortem that was held to determine the possibility that Coulter might have died of a heart attack. The sergeant said that this was ruled out.

Sgt. Van Tien said that a warrant charging Brock with manslaughter was denied by Asst. Pros. McLellan Manley, on the grounds that "proximate cause of the accident was not criminally evident."

Brock was released without charge.

The last Farms pedestrian fatality recorded by police, was on April 19, 1955, when John Goldenbogen, 73, of 332 McKinley, died of injuries sustained when he was hit by a car backing out of a driveway. He died a week after the accident.

34,352 Qualified To Cast Ballots in Monday's Election

Four Local Races in Addition to Contests For State and County Offices and Decision on Con-Con Proposal

Approximately 34,352 Pointe electors will have an opportunity to cast their ballots on Monday, April 3, for local, county and state officials, and the question dealing with the Constitutional Convention.

Voting precincts in all of the Pointes will be open from 7 a.m. to 8 p.m., and anyone in line before closing time will be permitted to cast a ballot.

Registered, qualified voters, who expect to be absent from their respective cities, or who are confined to home or hospital because of illness or disability, can apply for absentee ballots. The deadline for applications for these ballots is Saturday, April 1, at 2 p.m. All city offices will remain open until that time.

Where To Go—
The Park Municipal Office is located at 15115 East Jefferson; City, 17150 Maumee; Farms, 90 Kerby; Woods, 20025 Mack; and Shores, 795 Lake Shore.

Citizens who desire more information regarding the election can contact their city clerks in person, or call by phone. The Park number is, Valley 2-6200; City, TUxedo 5-5800; Farms, TUxedo 5-6600; Woods, TUxedo 4-6800.

Election of local officials will be held in the Park, Farms, Woods and Grosse Pointe Township (Shores). The City will not hold its election until November; and the Shores, which is also a Village, will have its Village election in May.

Park Candidates
In the Park, voters will elect a mayor, councilmen, and municipal judge.

Seeking re-election to the office of mayor is Kenneth Cunningham. He will be opposed by Hamilton F. Kotcher.

Incumbent councilmen Kent A. Zimmerman, Charles F. Ives and John A. Doelle will be challenged for their council seats by George J. Verdonek, Helen M. Graves and Valere Huvaere.

In the race for municipal judge, incumbent C. Joseph Belanger is hoping to beat challenger E. J. Scallen.

In the Farms, electors will pick only members for council seats and a municipal judge. There is no election for the office of mayor, since the council itself, according to the Farms City Charter, elects the mayor from its own ranks.

Seek Council Seats
In the councilmanic race are William F. Connolly, Jr., present mayor, and William G. Butler, mayor pro tem. The incumbents will be opposed by Ledyard Mitchell, John R. Dykema, Thomas K. Fisher, John J. McMahon, Erwin A. Steiner, and W. Fritz DeFries.

In this election, four councilmen will be elected. There will be at least two new faces at the council table. Two present members, Richard Maxon and J. Lawrence Buell, Jr., declined to run for re-election.

For the Farms municipal judgeship, incumbent Grant E. Armstrong will be pitted against challenger Leonard A. Baun.

Serves Everyone
The letter brochure reaching Grosse Pointers this week-end will stress the purpose served by the Center "to promote, improve and enrich the community life."

The Center is a place for Grosse Pointers of all ages and types of interest. It is a unique living and much used War Memorial dedicated 12 years ago to young Grosse Pointers who served their country in World War II and to those who sacrificed their lives. Handsome bronze plaques in the foyer attest the devotion of 3,620 citizens.

Since being donated to the community twelve years ago through the generosity of the Russell Alger family, this handsome building in its eight acre lakeshore park (representing a \$1,500,000 gift to Grosse Pointe) has been used by nearly 900,000 people.

It is a center of culture for Grosse Pointe with university

It is a beehive of community activity sponsoring and housing youth groups, men's and women's organizations; and senior citizen associations. It accommodates nearly every civic, charitable, service, educational, and fraternal assembly in the community.

Gets No Tax Money
The Center by careful management, but without any necessary charges prohibitive, earns nearly three fourths of its operating expenses. Only the balance of \$50,000.00 is needed and asked from the families of the community to meet next year's budget.

The Center does not take one cent of anyone's tax money and does not draw on United Foundation Funds. It, therefore, does need the support of all Grosse Pointers. They are asked to make their annual investment for their families and their community. The drive dates are April 1 to May 30, but all are asked to make their gifts as soon as possible after getting the appeal to eliminate the cost and effort of follow up activity.

Every gift both large and small will be greatly appreciated and all are income tax deductible. Postage free remittance envelopes have been enclosed with every solicitation letter.

Naval Air Reserves End Training Duty

Lt. Cdr. John J. Reardon, USNR, 2063 Allard, and Joseph W. Muer, Jr. of 901 Vernier road, have returned from annual training duty at the Naval Air Station in New Orleans, Louisiana, with Fleet Air Tactical Support Squadron Seven Three Three.

This Squadron is one of the units based at Grosse Ile, Mich. where local Naval Air Reservists train on week-ends once each month. While on active duty for training in the Crescent City, VR 733 transport aircraft participated in navigation training flights over the waters of the Gulf of Mexico and airlifted men and material to all parts of the Continental United States.

Woods Driver Loses License

Robert G. Turzak, of 534 Vernier road, was taken off the road as of March 9, according to a report submitted by the Michigan Department of State in Lansing.

The report, which came from Secretary of State James M. Hare, disclosed that Turzak's operator's license had been revoked because of failure to appear for re-examination and for having an unsatisfactory driving record.

During the week of March 12, according to Hare, 361 Michigan motorists had their licenses suspended, and 232 had theirs revoked.

GPHS Musicians Take Top Honors

Last Saturday, March 25, the Michigan School Band and Orchestra Association held its annual Solo and Ensemble Festival at Jackson. Musicians from senior high schools in each of the 12 districts across the state who qualified by placing first in their districts, were eligible to enter state competition.

All of the entries from Grosse Pointe High were awarded superior ratings of first division. The musicians were graded on tone, technique, intonation, interpretation and several other requirements. They were also given a grade on the general effect of the entire performance and then given a rating from one to five.

Bill Wright played a cornet solo that is used as a final exam at the University of Michigan Music School, and was ably accompanied by his pianist, Mike Finnelly. Both are Juniors.

Robert Brines, who will be graduated in June, played a Flute Concerto by Mozart.

A brass sextet entered the ensemble field and also received highest honors. Members of this group were: George Moeller, Richard Friemuth, Bob Grycan, John Backoff, Don Walker and Bill Wright.

All of these musicians are coached by the director of instrumental music at Grosse Pointe High, Richard Snook, who is also president of the Michigan School Band and Orchestra Association.

Judge Culehan Getting Better

Judge Miles N. Culehan, of 1840 St. Paul avenue, is expected to return home from Harper Hospital within the next 10 days following an unusual and difficult heart operation which was performed on March 12.

Judge Culehan is reported to be progressing "very well". Doctors performed a transplant on the aorta, inserting a plastic tube in the artery to correct a leakage condition.

The operation which takes approximately seven hours was first performed successfully in 1952. The procedure is now used with increasing frequency and is credited with being a great stride in the field of heart treatment and with the saving of many lives.

Shores Traffic Violators Pay

Shores Judge John Gillis convicted Willie L. Adams of 2504 South Pinewood drive, Mobile, Ala., of reckless driving on Lake Shore road, and ordered him to pay a fine and court costs of \$107.50. Police said Adams had been drinking.

Charles A. Kearns of 5941 Orchard avenue, Dearborn, had a good reason for not coming to court on a charge of reckless driving on Lake Shore. He is serving a 10-month jail term for stealing a car in Detroit. He was given the reckless driving ticket while using the stolen vehicle.

William T. Shilson of 5101 Bishop, Detroit, charged with driving 45 miles an hour on Lake Shore, did not appear in court and forfeited a bond of \$18. A warrant was issued for his arrest.

James E. Leon of 2513 Be- wick, Detroit, forfeited a bond of \$20 for failing to come to court to answer for driving 45 miles an hour on Lake Shore. A warrant is now outstanding against him.

A warrant was issued against Richard B. McConnell of 1322 Newport, Detroit, who is accused of speeding 45 miles an

hour on Lake Shore. His \$18 bond was forfeited.

Joseph J. Conlisk of 17213 East Jefferson, was found guilty of reckless driving on Lake Shore, and paid a fine of \$100.

Mitchell M. Massu of 12558 Longview, Detroit, paid a fine and court costs of \$13.50, after he was found guilty of disobeying a red signal light at Lake Shore and Vernier.

Lola M. Williams of 3336 Sturtevant, Detroit, failed to make an appearance in court for speeding 45 miles an hour on Lake Shore, and a warrant was issued against her. Her bond of \$18 was forfeited.

Robert E. Bohne of 630 North Renaud, paid a fine of \$15. He was found guilty of driving 45 miles an hour on Lake Shore.

Lawrence Helin of 15440 Windmill Pointe drive, paid a fine of \$10, for driving 45 miles an hour on Lake Shore.

Vacation trips always cost more than the first estimate.

Four-Car Crash Caused by Turn

Merry Carlin Goodrich, 2080 Norwood, received a ticket from City Police March 20 for reckless driving and causing a four-car smashup on Cadieux road, in which one driver was injured.

Patrolmen Duncan MacEachern and Thomas McLaughlin, said the Goodrich car was traveling southward on Cadieux when the driver attempted to make a left turn into a driveway and struck the rear of a northbound car driven by Sally E. Ecclestone, 21345 Sloan drive, Harper Woods, knocking her out of the car.

Police said the Ecclestone car continued moving, striking a fire plug and the rear of a third car which was parked in the driveway of 818 Cadieux, owned by William R. Lite, of St. Clair Shores. The Lite car was then knocked into a fourth car, parked in the same driveway, owned by Kenneth Baldwin, of 818 Cadieux road.

The Ecclestone car was towed from the scene and the driver was taken to Bon Secours Hospital suffering from bruises and abrasions on her left leg.

The man who accepts favors also accepts obligations.

(Continued from Page 1) jumped the curb damaging the lawn of 1405 Harvard.

A passenger in Lapinski's car, Adolph Rittinger, 46, of 22940 St. Jean, Detroit, suffered a lacerated right index finger. Buzzell came out of the accident with a severe gash on the back of the head and Lapinski suffered bruises and cuts on both knees. All were taken to Bon Secours Hospital by police for treatment.

Court date is scheduled for April 26.

Ask Observance Of Cancer Month

Top officials of all the Grosse Pointe communities have issued a proclamation urging residents to observe Cancer Control Month in April and to read the literature which will be distributed by the Michigan Cancer Foundation during an Educational Crusade on April 10 and 11.

The Michigan Cancer Foundation, a Torch Drive (United Foundation) agency, will send volunteers to every home in the Pointe to provide residents with all the available facts on the warning signals of cancer, the importance of early detection and prompt medical treatment, and regular physical checkups which are the best insurance against the disease.

The cancer volunteers will not be soliciting funds during these visits but will inform residents that the Detroit area has given financial support to the three-fold program of cancer research, education, and service through the Torch Drive.

Signers of the proclamation are Kenneth Cunningham, Park Mayor; Alonzo C. Allen, City Mayor; William F. Connolly, Jr., Farms Mayor; Kenneth Koppin, Woods Mayor; and Jack Williams, Village President of the Shores.

Student Artists Exhibit at War Memorial

Admiring the work of their contemporaries in the Grosse Pointe Public Schools Art Exhibit at the War Memorial are, left to right: MIKE RABAUT, MERRILEE BUCK, ANDY ZAUN, and CHRIS TODD. Standing

behind them is art teacher DON SCHROM. The exhibit features work in many media from the grammar schools, junior high schools and the high school and will be open every day until April 13.

Two Old Park Criminal Cases Cleared by Police

(Continued from Page 1) vaded, they did not hesitate to take anything that might be of value.

The felons confessed to the breaking and entering of the Miller Drug Store, 14945 Kercheval, entering the place by chopping a hole in the roof. They left the store the same way they entered.

Thompson and George took \$60 in cash from a cash register, which they damaged to the extent of \$420; took four cases of cigarettes, seven cases of whiskey and 2,000 tablets of assorted narcotics.

The convicts are serving a sentence for a nighttime break-

ing and entering of a business place in Detroit.

Doyle, who was released on parole late in 1959, started writing checks almost as soon as he was released, Lt. Enders said. He was sentenced to serve 2-14 years in Jackson for his previous offenses, and without a doubt, will be returned to prison to finish the term, the lieutenant added.

Camera Club Meets April 3

The Grosse Pointe Camera Club will meet April 3, at 8 p.m., at the Neighborhood Club, 17145 Waterloo.

A monochrome and slide competition will be held, with suggested subjects of landscapes or sunsets. Dr. C. J. Marinus, AFSA, and club members will analyze the entries.

Breaks His Arm Crossing Street

Alphonse Colombo, 33, of 16431 Vernetto, Fraser, broke his left arm on Thursday, March 23, when he made a misstep while crossing Mack avenue.
According to a Farms police report, Colombo parked his automobile at the south curb of Mack, west of Bournemouth, and walked across the avenue. As he stepped on the curb of the island, he slipped and fell breaking his arm.
He was taken to St. John Hospital by Farms police, where the arm was put in a cast.

Advocates of Con-Con Ask Yes Vote Monday, April 3

Editor's Note: This is the last in a series of articles prepared by those favoring a Constitutional Convention.

The Michigan Constitution needs revision—this is one fact that emerges from the confusion and uproar over the issue of constitutional convention. The wrangle is over how revision can best be accomplished. There are two major ways of doing it: by an amendment process and by the convention process. (A commission is sometimes used too, though it is not at issue at present.)

The purpose of the amendment procedure is to allow a single, specific section of the constitution to be changed. For instance the last election required three separate amendments to change the sales tax rate, to extend school bonds, and to change some requirements in regard to a con-con. There have been 69 amendments to the 1908 constitution,

twenty-one of them since 1950. There are two ways an amendment can get on the ballot: it can be placed there by the legislature, or by the people. The people must collect signatures of registered voters, representing at least 10 percent of those who voted for governor in the most recent election. This would mean, at present, a basic requirement of about 330,000 signatures. Past experience has shown that many signatures are incorrect or invalid, and that an additional cushion of nearly another 100,000 would be required to qualify for the ballot.

Therefore, either the legislature would have to be very much in favor of the amendment (a 2/3 vote of both houses is required to put it on the ballot), or some citizens' groups would have to undertake a massive statewide campaign to educate people on the issue and convince them to add their names to the petitions.

The recent petition campaign undertaken in Michigan to put the con-con proposal on the ballot had two things in its favor: there had been a recent vote on the issue in 1958, so an educational and publicity job had already informed many citizens, and there had been a serious fiscal crisis in 1959 which dramatized the necessity for action on Michigan's problems.

An amendment by amendment revision of the constitution would take years, and still not achieve an integrated, cohesive document.

A constitutional convention would include representatives from all sections of Michigan, elected directly by the people on the same district basis as the present senators and representatives in the state legislature and of the governor.

Con-con supporters as well as those now opposing con-con would have the opportunity to appear before convention committees and add their views and testimony to the great mass of opinion and information the delegates will consider in connection with reviewing the constitution. No one can control or dictate to a convention that has been elected by the people and responsible only to them.

There will be statewide publicity on the deliberations of a convention, which will perform the invaluable task of informing the Michigan citizen on the problems of his state.

An expert on constitutional revision, Political Science Professor Ernest R. Bartley of Florida University, says "The democratic credo of popular control of government is nowhere put to a more severe test than in the direction taken in constitutional change. At no point in the governmental process is the need for informed citizen participation greater."

A constitutional convention would review the whole constitution. Any changes made by a convention would take into consideration the whole document and its related parts.

The Michigan constitution shares its faults with many other state constitutions. It has too many details; it instructs, for instance, on the purchase of fuel and stationery. This kind of thing does not belong in the basic law of the state.

The constitution is too restrictive; our state government is often simply unable to deal with our increasingly complex problems. In 1959, the constitution obstructed our state government's attempts to solve a serious fiscal crisis. It restricts power also by breaking it up among so many boards, commissions and agencies that responsibility is hard to fix.

Dr. Bartley comments further: "Constitutional change to

insure the ability of state governments to meet these present and future challenges is not only desirable—it is imperative if the notable trend to national centralization of control over problems once deemed local is to be halted."

A con-con is not a panacea, but an important first step in equipping Michigan with a modern, efficient government, capable of meeting the complex problems of today. A stable government with a sound fiscal structure would create a better atmosphere for new business for this state.

A convention is the direct voice of the people in constitutional revision—it is democracy in theory and in practice.

Is Michigan to remain with the national reputation of bankruptcy and imbalance reflected in the recent article in the Saturday Evening Post entitled "Michigan: The Problem State." Or will her citizens take a vigorous role in her future by voting "YES" on proposal 1 on Monday, April 3rd; electing their delegates to a convention; following the debates and deliberations of a convention, and finally, voting on the new constitution or changes recommended by the delegates. Michigan can only gain through a constitutional convention. Vote "YES" on Proposal 1, Monday, April 3.

Burglar Robs Woods Store

The rear door of the K.L.A. Electronics Shop, 19755 Mack avenue was forcibly entered during the night of Sunday, March 26, and approximately \$99 in change and goods taken.

Woods detectives, Sgt. Walter O'Dell and Det. Leroy Tobias said that Donald Vandame of 1693 Brys drive, owner of the shop, discovered the burglary when he opened for business at 8:40 a.m. Monday, and found the rear door open.

The officers said that the door had been forced with some unknown object.

The thief took several rolls of nickels, dimes and quarters, and some loose change, totaling \$20.25, from the front counter; and two transistor radios in gift cartons, and several brown leather radio cases, valued at about \$79.

Vandame told the officers that the radios were from a new shipment, and the sealed containers had not yet been opened.

Con-Con Opponents State Views in Lengthy Report

Editor's Note: Claiming that the League of Women Voters, Citizens for Michigan and other groups favoring a Constitutional Convention have been getting all the space in the newspapers, opponents of Con-Con have requested an opportunity to state their arguments. The NEWS is happy to comply.

The following has been prepared by the Citizens of Michigan against a Constitutional Convention. The literature being distributed by this organization lists its address as 380 Merriweather road, Grosse Pointe Farms, and Mrs. G. S. Zilly as president. We print its report in its entirety.

According to Mrs. Zilly and Mrs. Byron J. Chambers, new

president of the Women's Republican Club of Grosse Pointe, that organization voted practically unanimously to go on record as against Con-Con, at its last meeting. One small dissenting was heard, they report.

Dear Editor:

Michigan voters all over the state are begging for arguments

against a Constitutional Convention. You will be doing the public a great favor to publish the following:

VOTE NO ON CON-CON
ISSUE APRIL 3rd!

Michigan's Constitution protects your individual rights. It is a limiting document, YOUNGER THAN 47 other States' and SHORTER than 30 other States'.

A Constitutional Convention is not necessary to make any change in our Constitution which is desired by the voters. Michigan's present Constitution is a known quantity. Michigan citizens know that they are protected now. What would happen in a new Constitution?

THE PROPOSED \$2 1/2 to \$3 1/2 million Con-Con is not necessary to correct the ills of Michigan. Michigan's ills are not in the Constitution. 2 1/2 to 3 1/2 million dollars is too high a tuition for 144 delegates to learn about Michigan's Constitution and decide how we shall be governed. Just think of the number of hospital beds or school rooms that much money from Michigan's overspent treasury would build.

The proponents claim that New Jersey saved \$1 million in its first year after getting a new Constitution. This fact has never been documented. What has been documented is that New Jersey's budget for the first year under the new Constitution was \$27 million higher than the last year under the old Constitution.

Any idea that Michigan's poor business climate is a result of Michigan's Constitution is not true. The "Greeling's" Tax Study just reported by the State Legislature shows that: "Business and industry is not seeking exemption from personal property taxation. Their complaint is that they are paying a disproportionate share of the tax burden because of lack of uniformity between the assessment of real and personal property. The greatest abuse is found in industrial centers and in mining." This means change in state statutes, not in state Constitution.

One of the subjects which the proponents have said they hope to change in the Constitution is the Tax Diversion Amendments. These Tax diversions have been added by amendment by YOU voters one by one. The Sales Tax diversion, setting aside 2 cents out of the Sales Tax for schools, was written into the Constitution in 1946. In 1948, the question of repealing it was rejected by a 4 to 1 margin. In 1954, this same diversion amendment was tightened by the people by a 3 to 1 margin. These were some of the most lopsided decisions on record for a Constitutional Amendment. They rank with all four rejections of a State Income Tax. In 1922, 1924, 1934, and 1936, the Income Tax Amendment was voted down by the people by a 4 to 1 margin.

45 of the 50 States have the Gasoline Tax diversion for road repairs and construction. The people of Michigan voted for this diversion amendment in 1938. Most Michigan legislators believe it is a good limitation imposed on expenditures for roads. They will all tell you that they appropriate more money each year for schools than the diversion amendment gives to the schools.

ONLY 6 or 7 OF THE COM-

MITTEES OR COMMISSIONS OF MICHIGAN GOVERNMENT STRUCTURE ARE FOUND IN THE CONSTITUTION. Since these many committees and commissions are not found in the Constitution, they may be changed by the Governor or the Legislature at any time. Any argument that it is necessary to have a Constitutional Convention to correct these ills is not true. Two years ago, the Legislature passed a bill to give authority to the Governor to combine these committees and commissions as he saw fit. Why hasn't he done so?

NO CON-CON IS NECESSARY TO CONSIDER REAPPORTIONMENT OF THE LEGISLATURE. As late as 1952, YOU, the voters of Michigan decided this issue. You voted on two amendments, side by side. One was promoted by the C.I.O. and provided for apportionment of both Houses of the Legislature on a population basis, with no other element considered. The voters turned down this method by a decisive vote. It carried in only 2 counties of Michigan's 83 counties. The state-wide vote was 924,242 to 1,415,355. At the same election, another proposal for reapportionment was approved by the voters by a vote of 1,269,807 to 975,519.

Right now the Senate of Michigan is apportioned by AREA PLUS SOME ELEMENT OF POPULATION. Wayne County has 7 of the 34 senators in the Michigan Legislature.

The House is apportioned by population and must be revised every 10 years. The first method is again being promoted by the proponents of a Con-Con. Those opposed to Con-Con argue that Michigan's voters indicated that they wished to keep the CHECKS AND BALANCES provided by the apportionment of the Legislature on the same basis as our FEDERAL GOVERNMENT.

BASIC GOVERNMENTAL PHILOSOPHY IS INVOLVED WHEN PROPONENTS WANT TO HAVE FEWER ELECTED OFFICIALS AND MORE APPOINTMENTS BY THE GOVERNOR. "So as to take them out of POLITICS." Most people believe that to have ELECTED OFFICERS OF OUR STATE RESPONSIBLE TO THE PEOPLE AND TO THE ELECTORATE IS THE BASIS OF GOOD REPRESENTATIVE GOVERNMENT. This includes the Justices of the Supreme Court, Judges, Boards of Educational Institutions and all Administrative officials.

MICHIGAN'S CONSTITUTION IS AS UP-TO-DATE AS THE LAST ELECTION. The amendment process is simple, orderly and systematic. Of the 125 amendments considered at the polls since the 1908 Constitution came into being, 90 have been proposed by a vote of 2/3 of the Legislature and 59 of them have been approved by the voters. Also 35 proposals have been submitted by the initiative petition of the people and 10 of them have been approved. 69 adopted and 56 rejected. This is the way Michigan's Constitution should change. The revolutionary Con-Con is not necessary. No provision which is unable to win support of a majority of the voters on its own should be "smuggled" into Michigan's Constitution as a part of a large "Package"—a new Constitution.

A PLANNED ATTACK ON OUR FREEDOM IS TAKING PLACE IN MICHIGAN NOW. Since November 8, 1960, fewer and fewer voters control change in our state Constitution. 1,048,355 Michigan voters went to the polls last November 8th to vote for President and did not vote on the Con-Con Amendment. They did not bother to vote on this vital issue, because they did not understand it. They do not understand the present Con-Con Proposal #1 and do not intend to vote on it, as was indicated by a survey made in the town of Brighton, Michigan recently. The vote by which the November 8th Con-Con Amendment was adopted was by less than 40% of those participating in the Election. 71 out of 83 counties in Michigan voted against the Amendment. But, it passed because only a majority of those voting on the issue was necessary to pass an amendment.

The Amendment greatly weakened Michigan's Constitution. THE MAJORITY NECESSARY TO CHANGE MICHIGAN'S CONSTITUTION WAS GREATLY LESSENERED IN 4 WAYS: (1) The majority necessary to call a Con-Con in Michigan was changed from a majority of those voting in the election to a majority of those voting on the issue itself. It is just as easy to call a Convention in Michigan since the November Amendment was passed as it is to pass an amendment. (2) The majority was still further lessened because the November 8th Amendment changed the time of calling the periodic vote for decision to revise Michigan's Constitution from the November election when 80% to 90% of the voters vote to the April election and every 16 years thereafter. History shows that only 33% of Michigan's voters vote in the Spring election. However, a decision for calling a Con-Con may be put on the Ballot at any time by the simple majority of the Legislature, if the Governor does not veto it, or may be put on the Ballot by a 10% petition of the Electorate. ANY ARGUMENT THAT YOU WILL HAVE TO WAIT ANOTHER 16 YEARS BEFORE THIS QUESTION IS BEFORE YOU AGAIN IS NOT TRUE. (3) The majority was still further lessened by the setting up of a special election process to select delegates to a Con-Con Election. History of Michigan shows that only 12% of Michigan voters vote in a Special Election. That means that 61% of the voters in your District will select the delegates to any future convention. (4) The majority was lessened and changed by the change of apportionment of the delegates to any Con-Con in Michigan from 3 for each Senatorial District (Senate Districts are set up in the Constitution by AREA AND POPULATION) to 1 for each Representative and 1 for each Senator. This means that 5 COUNTIES: WAYNE, OAKLAND, MACOMB, KENT AND GENESSEE who now have 57.6% of the population will have 47.3% of the Delegates to the Convention and control it. The other 78 Counties would have a vote but their vote would be lost to the majority of these 5 Counties.

Michigan does not need a CONSTITUTIONAL CONVENTION NOW. VOTE NO ON PROPOSAL No. 1 on April 3rd.

THIS YEAR'S CAMPAIGN GOAL \$50,000

Grosse Pointe War Memorial Center

32 Lake Shore Road

April 1, 1961

Dear Grosse Pointer:

Today marks the opening of the annual Grosse Pointe War Memorial Family Participation Campaign.

Our goal is \$50,000.

You may not be aware that this Center earns nearly three-fourths of its operating expenses. The balance, or \$50,000, is what we need to meet the remainder of our budget for next year.

I am sure you will agree that we have in the Grosse Pointe War Memorial Center a unique living memorial to our young men who saw service in World War II. It provides an infinite variety of desirable educational and enjoyable activities and services for you and every member of your family.

May we count on your making this annual investment for your family and community. Every gift, both large and small, is truly necessary and appreciated.

Sincerely Yours,

C. F. OGDEN
President

32 Lake Shore Drive

Our family group Symbolizes the Center...
a place for People, with all sorts of interests

... it was established 12 years ago as a living memorial to the 3,500 young Grosse Pointers who served their country in World War II and to the 120 who gave their lives to that cause.

... since its opening, nearly 900,000 people have used the facilities of the Center for meetings of all types.

... it is a center of culture for the Grosse Pointes, with university extension courses, classes in the arts, language, literature, and music; exhibits; concerts; educational film showings; and lectures on topics of current interest.

... it is a beehive of community activity sponsoring and housing youth groups; men's and women's organizations; and senior citizen associations.

... it accommodates nearly every civic, charitable, service, educational, and fraternal assembly in the community.

REMEMBER

The Center, located in an eight-acre park on the finest lakeshore property,

represents a \$1,500,000 gift to the community.

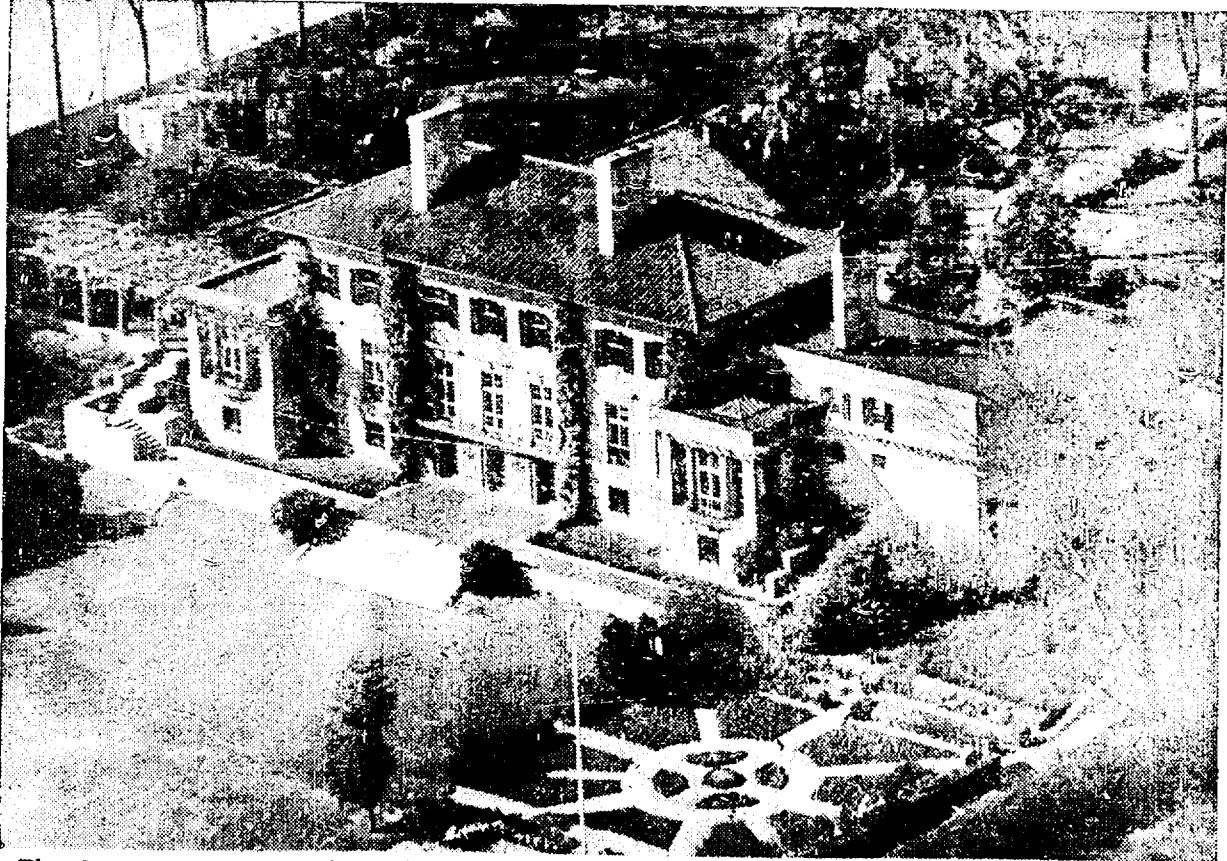

It is nearly ¾ self-sustaining

It does not draw on Torch Drive Funds

It does not take one cent of your tax money

Your contribution is tax free

LEND YOUR SUPPORT TO A GREAT COMMUNITY ACTIVITY

The Center, shown here from the Lake St. Clair side, is located in an eight-acre park on the finest lakeshore property. It represents a \$1,500,000 gift to the community. It is nearly

Shores Firemen Douse Blaze

An immediate response to an alarm by Shores firemen prevented a costly fire on Sunday, March 19, according to Chief Fred Duemling.

The chief said that his department received a telephone call of a garage fire at the home of Dr. Vincent Johnson, 589 Lake Shore road. Police-men (who also double as firemen), and volunteer firemen responded at once.

The firefighters arrived at the doctor's place to find the garage wall afire. The blaze was believed to have started when waste paper in a barrel ignited. Spontaneous combustion was blamed.

The fire was brought under control within minutes, Chief Duemling said. A minute or two delay before calling the department could easily have resulted in the destruction of the garage and three cars that were in it, the chief stated.

The rear seat of one car was charred, and smoke and heat blistered the paint on all cars. Total damage to the garage and vehicles was estimated at about \$700, according to Chief Duemling.

Charity Group Needs Glasses

A collection center for glasses for the New Eyes for the Needy, Inc., N. J., has been set up in the Park police station. Persons who have frames and lenses that they no longer want, can take them to the station, at the rear of the Municipal Building, 15115 East Jefferson.

Mrs. Grace McCracken, police matron and court clerk, has been designated chairman of the drive by Police Chief Arthur Louwers. She has already mailed 20 pairs of discarded glasses to the charity organization.

She announced that she will be on the collection job for a month or two, and as fast as she receives the glasses she will dispatch them to the New Eyes for the Needy, Inc.

Mrs. McCracken has taken a personal interest in the project because her son, William, who lives in Morristown, N. J., is training Seeing-Eye dogs for the blind.

If you have any glasses that you no longer want, or need, take them to the Park station, and Mrs. McCracken will see that they reach the New Jersey destination.

Chorus Leaders Prepare for Concert

Her Flower Arrangement Wins Trip to England

Mrs. Hansel D. Wilson, of 1311 Oxford road, won first prize in the amateur flower-arranging contest at the Builders Show in Cobo Hall recently and was presented with plane tickets to London, England, for the Chelsea Flower Show in May.

Mrs. Wilson was one of 13 competitors in the contest which was sponsored by the Michigan Horticultural Society and Allied Florists Association. They were the finalists chosen from four previous competitions.

All of the contestants were given seven yellow shaggy mums, Hawaiian ti leaves, and identical green pillow glass containers. With a time limit of two hours and a curious audience watching every move, the arrangers struggled to make their creations look just right.

This type of competition was new to Mrs. Wilson, although she has entered and won many prizes in local flower shows and is frequently asked to create invitational arrangements.

She is well known in Grosse Pointe flower circles and does many of the chancel arrangements for the Pointe Memorial Church.

She is past president of the Grosse Pointe Garden Center and a member of the Pointe Garden Club, Michigan Horticultural Society, and the Grosse Pointe Shores Branch, Woman's National Farm and Garden Association. She has been arranging flowers for about 10 years.

In addition to her trip to London, Mrs. Wilson will receive a fellowship in the Royal Horticultural Society. She will enter an invitational arrangement in the Chelsea Show.

Minister's Father Dies in Missouri

Reverend William D. Hammond, minister of Grosse Pointe Unitarian Church, was in Columbia, Missouri, last week, called home by the death of his father, Dr. Harry E. Hammond. Dr. Hammond was Professor Emeritus and a former chairman of the physics department at the University of Missouri, and a member of the Lit class of 1905 at the University of Michigan.

51 Students at Parcels Pay Visit to State Capitol

Fifty-one Parcels ninth grade civics students visited the State Capitol in Lansing earlier this week. An all day look at Michigan's government machinery in action gave them new insights into these important processes as well as a chance to meet a number of state officials.

The trip was carefully planned so that maximum benefits might be achieved. State Representative Robert Waldron visited the school the preceding week to lead a discussion as the students prepared for the occasion. He answered many questions and gave the students valuable tips as to how to best profit from the visit.

Sharon Ann Kerr Says Nuptial Vows

Becomes Bride of Robert Elton MacDonald in Saturday Afternoon Ceremony in Memorial Church; Honeymoon in Caribbean

Sharon Ann Kerr, daughter of Robert M. Kerr, Jr. of Cloverly road, was married Saturday afternoon in Grosse Pointe Memorial Church to Robert Elton MacDonald, son of the Elton F. McDonalds of Windmill Pointe drive.

The bride wore a full length ivory satin gown with a chapel train, the gown was trimmed with lace at the neck and sleeves. A satin cap held her cathedral length veil made of Brussels applique lace and she carried a bouquet of white roses and ivy.

Lois Carbone was maid of honor in a teal blue satin dress, fashioned with a scoop neckline, cap sleeves and a fitted bodice with a tulip petal bell shaped skirt and wore a matching veil. She carried a bouquet of white stephanotis and ivy.

Dressed like the honor maid were the bride's attendants, Mrs. C. Arthur Carlson, the bride's sister, Francis Kerr, Suzanna Ketchum and Alice Lynne Martin.

Lawrence Fitzpatrick was best man and seating the guests were William Weis and Peter McKee of New York, Carl J. Anderson, Mark Stevens, Robert Guenther and Robert M. Kerr III, brother of the bride.

For her granddaughter's wedding and the reception at the home of the bride's father, Mrs. Robert M. Kerr, Sr. wore a cocoa silk gown with cap sleeves and applique white linen at the neckline. Her hat was of cocoa and white silk petals and she had white orchids pinned to her purse.

The mother of the bridegroom wore a gown of imported brocade satin in gray, fashioned with a square neckline, cap sleeves and a fitted bodice, with a self fabric belt forming a bow in front of the semi full

skirt. Her hat is fashioned of green and pink petals and on her purse were pinned pink camellias.

The newlyweds left for New York City from where they will board a plane for San Juan, Puerto Rico, and later go on to Jamaica. They will live in Dayton, Ohio.

Boucher-Collins Betrothal Told

Mr. and Mrs. Wilmot F. Collins, of Shenley drive, Erie, Pa., announce the engagement of their daughter, Donna Lou, to Wayne I. Boucher, son of Mr. and Mrs. Harold O. Boucher of Country Club drive.

Miss Collins attended Allegheny College and received her Bachelor of Science Degree in Physical Therapy from the University of Michigan in 1958. For the past three years she has been employed as a Physical Therapist at St. Luke's Hospital in Cleveland, O.

Mr. Boucher received his Bachelor of Arts Degree and Master's Degree in English from the University of Michigan. At present he is a member of the faculty at the University of Missouri in Columbia, where he is currently working toward his Doctorate in Philosophy.

A June wedding is planned.

Too many people are guided by the leaps of impulse, rather than the bounds of reason.

Alpha Xi Deltas Plan Conclave

Area women will play a leading role in the first State Day for Michigan's active and alumnae members of Alpha Xi Delta Sorority to be held Saturday, April 15, in Veterans' Memorial Building.

Grosse Pointe Alumnae Chapter will be hostess group for the initial State Day, one of some 45 such events scheduled throughout the country in 1961 and planned in accordance with a triennial plan adopted by the 1959 national convention. State Days are to be held each third year when neither national nor province conventions are scheduled.

Detroit, Birmingham and Dearborn alumnae chapters are assisting with arrangements.

General chairman is Mrs. John Rini. Heading committees are Mrs. W. J. Saile, Mrs. D. Dean Marr, of Detroit; Mrs. John Opel, of Birmingham, and Mrs. Richard Hagemeyer, of Dearborn.

Mrs. Rini will give the welcome and introduce the guest speaker, Bud Guest, of Radio Star following registration at 11 a.m. and luncheon.

Other program features will include reading a proclamation from Mayor Miriani, a Founders' Day ceremony to be conducted by the Detroit Alumnae Chapter, roll call by Mrs. Robert Hile, Grosse Pointe Chapter president, and the alumnae report by Mrs. Tom C. Steele, of Flint.

Province president, Mrs. Richard C. Johnston, of Lansing, will give the college chapters' report.

Three alumnae will be honored for 50 years' membership in Alpha Xi Delta. They are Miss Eva Josephine Fisher, 1700 Balmoral Drive, Detroit, and Mrs. H. G. Terwilliger, Harbert, Mich., both pledged a half century ago by Kappa Chapter at the University of Illinois, and Mrs. Walter Pitz, 15500 Auburn, of Theta Chapter, University of Wisconsin.

Four national officers will attend. They are Mrs. Maurice L. Strong, national director of installations; Mrs. Stanley Striffler, editor, and Mrs. George C. Crane, national chapter building committee chairman, all of Grosse Pointe Chapter, and Mrs. C. E. Remy, philanthropic committee chairman and member of Detroit Chapter.

Representatives are expected from Michigan's five active chapters located at Albion College, University of Michigan, Michigan State University, Eastern Michigan University, and Central Michigan University.

Attending from the Grosse Pointe area will be Mrs. J. D. Barlow and daughter, Sharon, an active at Eastern; Mrs. David Leach and Mrs. James McNeff, Mrs. N. J. Cummings, Mrs. John A. Kirlin, Mrs. Robert R. Shannon, Mrs. William C. Potter and Mrs. Charles Kreichelt.

Also, Mrs. Eugene Groves, Mrs. John Klock and Mrs. L. M. Lelsinger, and Mrs. C. E. Carmody, Mrs. Alice May Geb Carraher, Mrs. C. J. Huysken, Miss Verna Rowerdink, Miss Ruth Keltch and Mrs. H. C. Meier, all Eastside Detroiters affiliated with the Grosse Pointe Chapter.

A national social sorority founded 68 years ago at Lombard College, Alpha Xi Delta

The former SHARON ANN KERR, daughter of Robert M. Kerr, Jr. of Cloverly road, was married to the son of Elton F. MacDonalds of Windmill Pointe drive, in a Saturday afternoon ceremony in Grosse Pointe Memorial Church.

Legion Ladies Reveal Project

Planning community service projects to be carried out during spring and summer is a major activity of American Legion Auxiliary Units throughout the country during March, according to Mrs. Hazel Allor, Chairman of the Community Service Committee of Grosse Pointe Unit 303.

With Units of the Auxiliary located in nearly 14,000 communities, a vast amount of community improvement work can be accomplished, she stated.

"Women of the Auxiliary are turning from baffling world problems about which they can do nothing to community problems about which they can do everything," said Mrs. Allor. "They can do many things to improve the communities in which they live, and thus improve the entire nation."

"Community beautification projects are widely carried out by Auxiliary Units. They sponsor spring "Clean-up" and "Paint-up" campaigns, flower and shrub planting projects, or undertake to beautify a park or other public place by their own efforts."

"Community health projects include the sponsoring of clinics providing invalid and sick room equipment for loan, of various kinds and the support of the educational and fund-raising campaigns of national health organizations."

"Community education projects aim at improvement of libraries and increasing the circulation of their books; helping provide teachers and facilities for teaching the retarded, and

now has 37,000 college and alumnae members.

Its philanthropic efforts are focused on combating juvenile delinquency by working at the local level with juvenile courts and social agencies.

CAR RADIO STOLEN

Gerard VanLandeghem, 46, of 1364 Brys drive, complained to Woods police on Saturday, March 25, that sometime during the night someone broke into his garage and stole the radio from his car. The radio is valued at \$99.

Easter Party At Boat Club

Easter Sunday, April 2, will be a day for the entire family at the Detroit Boat Club. Instead of the usual Sunday brunch, there will be an Easter buffet dinner which will be continuous between the hours of 1 and 8 p.m.

From 3 until 4 o'clock, Mrs. Robert J. Barrett and Mrs. Charles F. Rodgers as co-chairmen, assisted by Mrs. John B. Gray, Mrs. L. M.

Wheeler, Mrs. Edwin J. O'Connell, Mrs. Paul L. Nagel and Mrs. Frederic H. Lamb have arranged a Children's Easter Party which will feature Anthony Hosang and his trained dogs. Lester J. Sholly, a Boat Club member, will perform feats of magic to mystify the children. The Easter Bunny will greet the children and present them with Easter baskets.

Among the family groups from Grosse Pointe who have made reservations are Mr. and Mrs. John Feikens with Barbara, Julie and Robert, Mr. and Mrs. Thomas C. Stirling, Jr., Mary Ann and Bill, Mr. and Mrs. William J. Kirby, Julie, Mary and Tom.

On Feb. 25, 1933, the USS Ranger, first aircraft carrier wholly designed and built as such, was commissioned at Norfolk, Va.

We Pledge Our Support

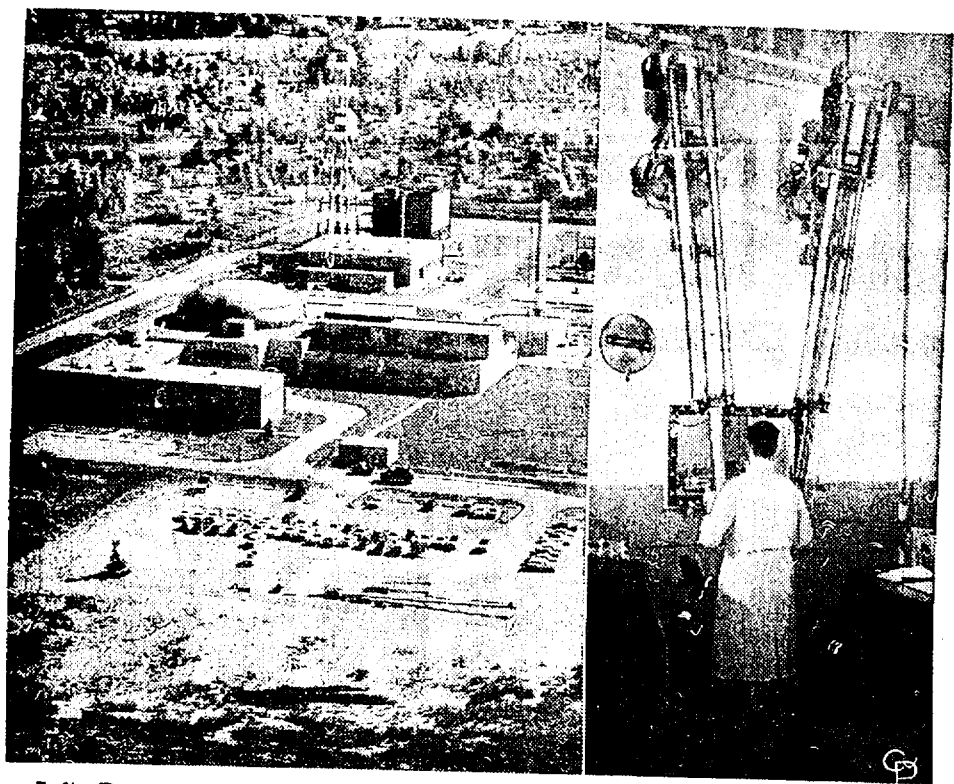

We, the above, want all Grosse Pointe Farms Voters to know that "we pledge our support" to the following present Council members, and feel they have done a commendable job on the Council. We plan to co-operate with them. If you agree that these Councilmen have done an outstanding job, cast a vote for the above men. So there is no misunderstanding, we are listing the names of the present Councilmen that we support:

Henry E. Bodman II • William G. Kirby • Edward E. Roney, Jr.

Left: Technicians wear anti-contamination clothing to manipulate radioactive materials in water canal of the hot lab. Water 25 feet deep provides a radiation shield. Right: Interior of the reactor containment vessel—100 feet in diameter—as seen through "truck" door. Technicians in foreground inspect a "thimble," or container, to house experiments.

NASA GROWS APACE—Here are four views from the National Aeronautics and Space Administration's new Plum Brook Reservation three miles from Sandusky, O. Plum Brook is an operation of the Lewis Research Center in the Cleveland area. It will be used for scientific experiments relative to spacecraft and nuclear power flight. (Central Press)

Left: Dome structure is reactor proper, with office and laboratory in front and hot laboratory, for experiments, at right. At rear are pump house and service buildings. At extreme right, beside stack, are fan house and waste water retention tank areas. Right: A physicist handles radioactive materials in a hot cell with mechanical manipulators.

STEWARDESS CAUGHT—Simone Christmann, air stewardess from Paris, seems a bit agitated at the U.S. Customs enforcement office in New York, and well she might be—four pounds of pure heroin worth about half a million dollars was found in her unmentionables.

SANDS DOIN'S—Actor Steve Cochran, 38, and the former Heddy Jensen, 19, Copenhagen, Denmark, look pleased after their marriage at The Sands Hotel in Las Vegas, Nev. They met three months before, just two months after her arrival in the U.S.

FUN IN THE SUN—VERY PRETTY and 21, Sylvia Ludwig portrays her role as St. Petersburg's "Sun Goddess" to the fullest degree. The reigning Florida queen of the "Sunshine Festival of States" has been having a year full of activities. She spent two months in Europe, and was a "celebrity" during St. Paul's "Winter Carnival," where she spread the message, there's "fun in the sun" at St. Petersburg. The above photos, taken by Central Press Frank Kuchirchuk, show that she practices what she preaches.

THREE TROPHIES—Missouri's "Jr. Miss," Mary Fran Luecke, holds three trophies at the 52-entrant national competition in Mobile, Ala. Mary Fran, 18, won in talent, evening dress, sportswear.

THE COMPLEXITIES OF BEING A PRIVATE CITIZEN—Former Vice President Richard Nixon applies for a California driver's license at Whittier, and gives a tire of his new car a kick as he takes delivery. Nixon also was house hunting in the Los Angeles area.

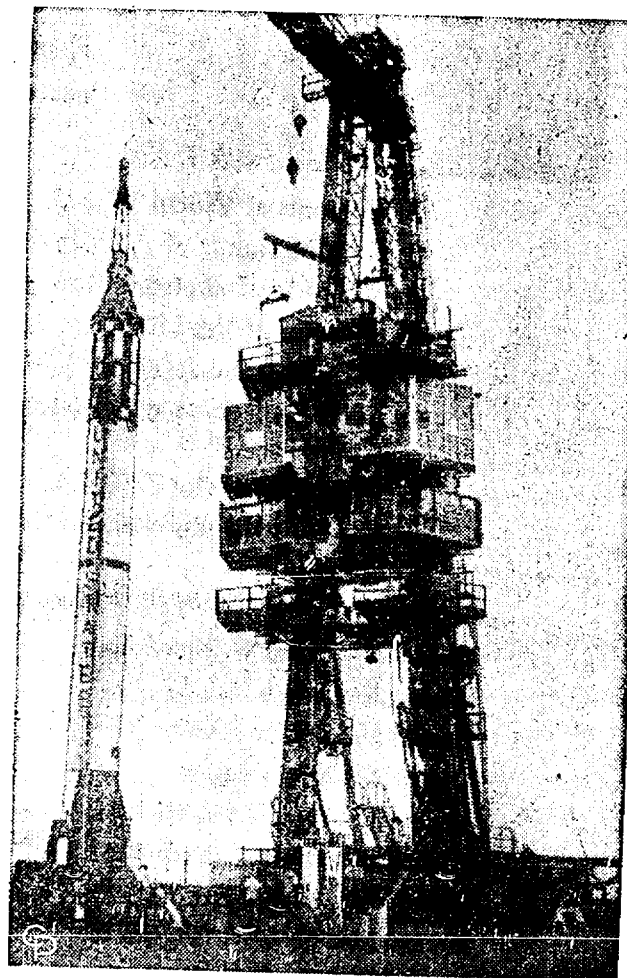

... SHE WAS DEAD, JUST LIKE THAT—Mack Herring, 17, who confessed killing Elizabeth Jean Williams, also 17, his melancholy sweetheart, because she asked him to, points to the spot where he dumped her body in a stock tank 30 miles from their homes in Odessa, Tex. The high school boy told police, "She gave me a kiss to remember her by... I pulled the trigger... and she was dead, just like that."

BOY TIED TO TREE DIES OF EXPOSURE—Belleville, Ont., police are seeking to determine whether the victim's scoutmaster kidnaped 10-year-old Tommy McNevin (inset) and left him tied to a tree to die of exposure. A searcher is pointing to the tree where the body was found. The scoutmaster, Warren Williams, 41, committed suicide after being questioned about the kidnap-slaying by police. The boy's father received a \$25,000 ransom demand before the body was found.

THEIR ANTI-CASTRO HERO—Cuban exile Manuel Antonio De Varona, head of the Democratic Revolutionary Front, is carried on shoulders of supporters in New York on arrival from Miami, Fla. He helped form a "Revolutionary Council" at a meeting in Miami, and he predicts an armed invasion of Cuba in "a very short time."

SPACECRAFT ON TOP—A Redstone rocket with a full-scale spacecraft on top is shown ready for flight at Cape Canaveral, Fla. The flight was set to learn if faults had been corrected in rocket which will boost an astronaut into space.

GREER GARSON in a scene from "Sunrise at Campobello."

HE RETURNED TO THE SCENE OF HIS CRIME—Returning to the scene of his crime (top photo), bank robber Charles Osborne Peterson, 46, was photographed by two alert news photographers as he sauntered past the Eureka, Calif., Bank of America Building after robbing a teller of \$700. The newsmen followed him to a department store, where he was arrested by FBI agent Richard Miller (left, lower photo) and Sgt. Gordon Bussey (right). He confessed.

PUTTING IN HIS TWO SCENTS WORTH—Holmes, a bloodhound at the Joseph A. Peel first degree murder trial at Fort Pierce, Fla., rests a paw on the Bible to make like a witness as his master, Emory C. Pickren, testifies about tracking the killers of Judge and Mrs. C. E. Chillingworth. Peel, 37, former West Palm Beach, Fla., judge, is accused of plotting the double murder to prevent Chillingworth from exposing his moonshine and numbers racket.

INCORRECT—It was way back in 1954 that Marilyn Monroe and Joe DiMaggio were married, and now they're back together again, here at Redington Beach, Fla., near St. Petersburg. Joe is down there to do some coaching for the New York Yankees. Marilyn is visiting.

APRIL IN PARIS—Pretty Maxene Wirtz, 18, University of North Dakota freshman, is getting a three-week trip to Europe with her mother, thanks to a serviceman she never met. Army Sp/4c Curvin G. O'Reilly, 19, Sioux Falls, S.D., entered her photo in a USO-sponsored "Sweet-heart of Europe" contest, and the photo won, thus the trip. She's from Mandan, N.D.

PARKED CAR LOOTED - Hans Von Bernthal, of 480 Colonial Court, told Farms police on Monday, March 20, that a thief broke into his car, parked in the St. Paul-on-the-Lake Shore church lot, and stole an electric razor, valued at \$30, and a Japanese transistor radio, worth \$15.

Veterans Busy Making Poppies

Making of memorial poppies to be worn on Poppy Day, May 25 in tribute to the nation's war dead has begun in veterans hospitals and convalescent workrooms in many parts of the country. Mrs. Helene Brazell, Poppy Chairman of Grosse Pointe Unit 303 of the American Legion Auxiliary, has been informed. "The poppies are made from crepe paper and wire in replica of the wild poppies of France and Belgium which bloomed in such profusion 'between the crosses, row on row,' in the battle cemeteries of World War I," explained Mrs. Brazell. "The poppy-making is valuable as occupational therapy and also gives the disabled veterans the encouragement of being able to earn money again. "Last year more than 5,000 disabled veterans were employed, making more than 16,000,000 of the little red flowers of remembrance. We expect these numbers to be equaled this year. The flowers will be distributed on Poppy Day by volunteers from the Auxiliary and cooperating groups.

Traffic Deaths Up 123 in 1960

Final Michigan traffic figures for 1960 show 1,596 persons killed and 91,028 injured in 209,724 accidents, the State Police report.

The death toll was 123, or eight percent, more than the 1,473 fatalities of 1959 and the death rate of 5.0 per 100 million vehicle miles was 0.2, or four percent, higher. There were 26,153 more injuries, an increase of 40 percent, and 10,953 more accidents, a gain of six percent, new all-time highs for Michigan.

Business Notes

(Continued from Page 13) provisions of the General Motors Retirement Program. A resident of 1256 Audubon road, Grosse Pointe Park, Mr. McCarran plans to do some world travel before settling down to retirement.

He was born in Cincinnati, Ohio, March 5, 1896 and began his career as supervisor of job standards for Dodge Brothers in 1916.

After joining Fisher Body 41 years ago he held various positions in the accounting section, including resident comptroller at the Janesville plant and assistant divisional comptroller of Fisher Body. In 1947, Mr. McCarran was appointed general director of customer relations and product service and in 1954 he assumed the responsibilities of general director of quality standards and service section, the position from which he is retiring.

Thomas J. Marsnall, of 407 Lexington road, has been appointed to a new staff position, director of market research and planning, at Federal-Mogul-Bower Bearings, Inc.

Marshall has been associated with the firm for 30 years, beginning his career as an advertiser.

The first salute to the Stars and Stripes by a foreign power was rendered on Feb. 14, 1778, by the French Fleet when the USS Ranger commanded by John Paul Jones anchored at Brest, France. The Marines under Captain Matthew Parke rendered honors during the ceremony.

CITY OF Grosse Pointe Farms SUMMARY OF MINUTES March 20, 1961 Meeting was called to order at 8:00 P.M. Present on roll call: Mayor William F. Connolly, Jr., Councilmen Henry E. Bodman II, J. Lawrence Buehl, Jr., William G. Butler, William G. Kirby, Richard L. Maxon and Edward C. Honeys, Jr. Absent: None. Mayor William F. Connolly, Jr., presided. Minutes of the regular meeting of March 6, 1961, were approved with minor changes, and minutes of the special meeting of March 15, 1961 were approved as submitted. An Amendment to the Zoning Ordinance amending Paragraph 1.12 of Section 1 having to do with front lot lines of properties lying between Lake Shore Road and Lake St. Clair was enacted. A tentative plan for subdividing a parcel of property located north of Provençal Road between Lake Shore Road and Kercheval Avenue, submitted by Warner & Warner, was referred to the Advisory Planning Committee for study and recommendation. A tentative plan submitted by Mr. R. Palombit and Mr. C. Greiner for subdividing their properties located between Lake Shore Road and Grosse Pointe Blvd., was referred to the Mayor's Advisory Planning Committee with the request that the Committee consider the matter at its meeting on March 27, 1961, and submit their recommendation to the Council at the earliest possible moment. Reports of the Police, Fire and Building Departments for the month of February, 1961, were received and ordered filed. The City Manager was authorized to prepare specifications and to take bids for replacing the heating radiators at the Sewage Pumping Plant. The City Manager was authorized to contact with Floris DeMeulenaere for making repairs to the Pier Park boathouse. After consideration of a communication from Mr. N. K. Akers of 429 Moross Road stating that the parking lot in the rear of the business property at the southeast corner of Mack Avenue and Moross Road is not in compliance with requirements of the Zoning Ordinance; and hearing from the owners of property on Moross Road adjoining the parking lot regarding the accumulation of water at the rear of their properties, the matter was referred to the City Manager for study and a report as to how to provide proper drainage of the properties, and the City Attorney was requested to submit his recommendation as to the feasibility of amending the Zoning Ordinance so that a "green belt" would be required on the sides of parking districts contiguous to the rear lot lines of premises, within residence districts. Due to the General Election falling on April 3, 1961, the date of the regular meeting of the City Council, the meeting was postponed to April 17, 1961. The bids of Fischer and Porter in the amount of \$1,341.25, and Wallace and Tieman, Inc., in the amount of \$914.00, being the low bids for furnishing chlorination equipment for installation at the Water Filtration Plant, were accepted. The City Manager was authorized to recondition an existing chlorinator at the Water Filtration Plant at a cost of approximately \$485.00, and to purchase a platform scale used for weighing chlorine, at a cost of approximately \$250.00. On Proper motion made, supported and carried, the meeting adjourned at 9:05 P.M. WILLIAM F. CONNOLLY, JR. Mayor DAWSON F. NACY City Clerk Published in the Grosse Pointe News, issue of March 30, 1961.

Son of a Scotchman, who thought that Wyandotte had a greater future as a great city than Detroit, James T. Whitehead was a Pointe family founder who made his mark as an iron manufacturer.

He was born in the downriver town and came to Detroit at 15 in 1879 to begin his career in a stove company. Detroit was then among the biggest centers for stove manufacturing.

For ten years he gained experience in the stove company and then joined forces with John B. Dyar, of "Beaurivage" on the lakeshore. Mr. Dyar was organizing the Michigan Radiator Company. In 1905 Whitehead and William R. Kales formed an iron works and later the company acquired a bridge and steel works. He helped organize the Kales Stamping company.

With Henry Ford and James Couzens, Whitehead organized the Highland Park State Bank. His son and Ford's son were intimate friends. Thomas C. Whitehead was Edsel Ford's best man when he married Eleanor Clay in the Boston boulevard home of her uncle, J. L. Hudson.

The founding Whitehead married Ida Marie Frazer in 1885. His wife was a descendant of the French Moross family, for which the Pointe road is named. The couple lived in a large home in Seminole avenue and were the parents of John Frazer Whitehead, Thomas Whitehead, and Elizabeth, (now Mrs. Harry Lynn Pierson, of Vincennes place.)

John Frazer Whitehead married Margaret Booth and they are the parents of three daughters, all married and living in different parts of the country, and one son, James F. Whitehead, Jr. who has married Amy Pittman.

All the local Whiteheads make their home in the Pointe and have for two generations.

William Robert Kales, Mr. Whitehead's partner, lived in the Indian Village when he married Alice Gray but his descendants also now live in the Pointe. Mr. and Mrs. Robert G. Kales have a home in Cloverly road.

Both Whitehead and Kales were active in the Detroit public lighting commission during the time in Edwardian days when the old gas lamps were being replaced with electricity. Whitehead must have decided that Detroit had a bigger future than Wyandotte by the early 1900's for he was one of the organizers of the present Board of Commerce. The family business is still a thriving concern on the outer reaches of town.

who, where and whatnot

by whoozit

The week's most tactful hostess was Mrs. Stanley A. MacKenzie, of Lochmoor boulevard, who opened her home for the Smith College Club tea for prospective students on Friday. Mrs. MacKenzie pinned her name tag on the back of her shoulder so that guests could unobtrusively learn her name without groping or squinting at the tag when meeting face to face.

First sign of spring is the sprouting of flowers, on milady's bonnet... Mrs. John Benfield wears a high pouf of folded turquoise organdy with her brown print spring frock... Mrs. John Denler's cap is a cover of blooming daisies... Mrs. David P. Jansen will join the Easter parade in a bright magenta silk suit and a tiny silk pillbox waving one splendid rose... her daughters, Sarah in a snap brim white straw, and Melinda, in a navy cartwheel with ribbons will be junior editions of their chic mama... Mrs. Sterling Dockson's giant cloche is abloom with massive white flowers.

Among other signs of the season are the kite flyers... Sunday John Prescott tucked two huge midwinters under his arm and with two children hanging on to either hand was strolling down Washington road searching for a likely spot to let the kites soar.

Petite matrons should take a leaf from Mrs. William Porter's notebook. Mrs. P., who wears a size 5, has always had trouble finding clothes so she has begun designing them herself. She takes her sketches to the family dressmaker and the creations are couturier-styled.

One of the most attractive dining rooms can be found in the colonial home of Dr. and Mrs. Edgar Martner. The carved Victorian chairs are tufted in a bright shade of bittersweet which carries out the scene on the beige silk wallpaper, a single scroll of a Chinese flower branch with bittersweet buds. A lovely low hanging crystal chandelier and a gleaming mahogany sideboard and large table lend dignity to the room.

PILFERINGS

At a cabinet meeting one day Franklin D. Roosevelt gleefully told his story: An American Marine, ordered home from Guadalcanal, was disconsolate because he hadn't killed even one of the enemy. He stated his case to his superior officer, who said, "Go up on the hill over there and shout: 'To hell with Emperor Hiroito! That will bring the Japs out of hiding!'"

The Marine did as he was bidden. Immediately a Jap soldier came out of the jungle, shouting, "To hell with Roosevelt." And, of course," said the Marine, "I could not kill a Republican!"

Our admirals and generals seem to take the position that we've never been stronger, and that if we had some more, it probably wouldn't be enough anyway... Fletcher Knebel.

Pointer of Interest

MRS. EDWARD F. LAMBRECHT, JR., OF VERNIER ROAD

Tau Beta Association believes there is a real need for a "Guide to Detroit for the Handicapped" and have appointed efficient Mrs. Edward F. Lambrecht, Jr., who specializes in short term projects, to do the job.

Mrs. Lambrecht, a bride of over a year, has the time to organize the information needed for the booklet. She insists the work will be done by June, though, as a devoted housewife, she wants time to fox hunt at Metamora and play championship tennis this summer.

Information listed in the guide will enable the handicapped to know in advance what facilities are available in stores, parks, museums, libraries, churches, restaurants, concert halls, hotels and theaters. Tau Beta members will check the various sources to see if building entrances will take wheel chairs, if there are hearing aids, elevators, accessible stairways and parking lots.

A long list of questions about these facilities have been mailed to Detroit institutions. Tau Beta is assuming the financial obligation for printing the guide. Distribution of the 15,000 copies will be a problem which Tau Beta will solve after the publication date.

Hunting in Tryon

With her committees organized and the questionnaires in the mail, Mrs. L. is off for a few weeks at her father's new country home in Tryon, N.C., the mecca of hunters. Her own horse, Top 80, a great grandson of Man o' War, is waiting for her. During the summer and fall she commutes between her Vernier road apartment and Metamora in her red station wagon piled with hunting gear. She has been riding and hunting since she was a girl and her only complaint about Grosse Pointe is that "it's not country."

Her father, Clifford J. McDonald, owns Top 80 Farm in

Bloomfield, where she grew up, and where her father raises horses. An accomplished rider, the slight, blond Mrs. L. is also an avid sportswoman.

Taught Sports

After graduation from Kingswood she studied at Penn Hall, was invited back to direct the physical education program, which included field hockey, tennis, swimming and badminton. One year she took 30 college girls to Lake Placid for a ski week-end. The club officers were so impressed they invited her to be assistant camp director during the summer. Then she toured for the Lake Placid Club, telling college students about the sports at the resort.

Back home in Bloomfield she looked for another job and found one as a gym teacher in Kingsbury School in Oxford, right in the country. Square dancing was among the talents she showed at Kingsbury. She drove into the Pointe with her brother frequently to attend deb parties and here met her future husband. After their marriage she taught gym again, at the convent here for a few weeks.

This past winter she has kept in shape for the fall hunting season by judging shows at the Hunt Club and playing paddle tennis at the Country Club. She did very well in the Country Club women's tennis championship matches last summer.

In the Hunting Field

Much of her heart is still in Bloomfield, which she claims is the best hunting country and she gets around to hunts in the Carolinas, Connecticut and Virginia. Someday she hopes to live again in a more rural area "where you aren't living in a gold fish bowl."

She keeps an eye on Bloomfield's Tau Beta junior members, too, has assigned them to investigate parks and beaches for the handicapped guide. Other members of her committee include Mrs. Arthur L. Bruce, Mrs. Peter A. Dow, Mrs. Horace C. Ford, Mrs. W. Murray Fowler, Mrs. Allen E. Holmes, Mrs. John E. Park, Mrs. Clayton C. Purdy, Jr. and Mrs. Richard A. Speer. They are dividing up the investigations for the guide.

When Mrs. Lambrecht is not working for Tau Beta, hunting, skiing or playing tennis, she keeps her apartment spotless and burnishes the copper which she began collecting in Connecticut. She loves mountain climbing, will be able to do this in July in Lake Placid where the Lambrechts plan to go for the mid-summer ski week-end on a specially frozen slope.

LOBSTER SUPREME

Contributed by Mrs. Carl J. Fischer, Jr.
6 frozen lobster tails
1/2 cup coarse bread crumbs
2 Tb. onion, chopped
2 Tb. parsley, chopped
2 Tb. butter
2 Tb. flour
1 cup milk
3 Tb. sherry
salt and pepper

Boil lobsters in salted water until done. Cool and remove meat, slice in generous pieces. Reserve meat and shells. Make white sauce by combining butter, flour and milk. Add lobster meat to shells. Top with combination of bread crumbs, parsley and onion, salt and pepper. Be sure bread crumbs are coarsely made from day old bread. Place lobsters under broiler or in hot oven, until topping is brown.

GPYC to Open French Cafe

Grosse Pointe Yacht Club's "Thrifty Cafe-Rive Gauche" this coming Friday, March 31, will be an innovation at the club with the combined purposes of a thriving evening and one of fun.

The thrift stems from a menu offering a choice of two main dishes (but delicious—one is breast of chicken a la Kiev, a piquant delicacy originated centuries ago in the palace of a Czar of Imperial Russia, the other is fillet of whitefish, Grenobloise).

The Thrifty French Cafe of the evening will take over the main dining room, and there'll be dinner-dancing. Preliminary to dinner, special cocktails will be served in the Terrace Lounge from 6:30 to 7:30 p.m. Easter Sunday will be a family day with brunch served in the Terrace Lounge from 11:30 a.m. to 2:30 p.m. and family dinner in the main dining room from noon to 8:30 p.m.

Hints are being dropped to the distaff side in regard to GPYC's first 1961 fashion show. It's to be a "Spring Fling" on April 26. It will have a change of pace—instead of luncheon as in other years, it's to be a fashion show, salad buffet and bridge. All the details are to be announced shortly, says Mrs. Claude A. Grenier, chairman of women's activities.

Sodality Plans Fashion Show

The annual Cherry Blossom Luncheon and Fashion Show, sponsored by the Christian Mothers' Sodality of St. Lucy's Church, will be held at the Grosse Pointe Yacht Club at 12:30 p.m. on April 5.

Miss Emogene Wiel, of St. Isaac Jogues Theater Club, will sing some of the tunes from the musical "The Man From Broadway," which will be presented May 19 to 21 at the Ford Auditorium. She will be accompanied by Lou Fortunato, who wrote the score for the show.

Mrs. Mathew Kroth, well-known pianist, will play for the fashion show, to be presented by Furs by Robert. There are a few tickets left for the luncheon. They may be purchased from Mrs. William Bickel, chairman of the party, at PR 6-4315.

Happy Birthday... to Marie Bird! It's the tenth anniversary of her salon in its present location. It seems like only yesterday that we received a card showing three birds on the move saying... "We've outgrown our nest a-top the Hill and are now at home in our new location on the main floor. "We're sure you will remember the inviting canopied entrance from the parking lot area at the rear of the building that became a landmark in the early development of the Hill. Since that day in March 1951, the salon has continued to grow without losing the friendliness and charm of the original "little shop." So today, we extend our very best wishes.

Orchids To You... via the scattering of these delicate blossoms on a white batiste gown and bed jacket from The Lingerie Department of Walton Pierce. Be sure to see this ensemble and all the beautifully made "lovelies" Miss Rice has collected for you.

With You In Mind... Leon designed his unique Beauty Salon. The service starts at the door, where you are met by an attendant, who will park and have your car washed if you so choose. Once inside, you have the very best facilities. You can have a facial and massage by an expert in the business... a scalp treatment to insure healthier hair... a pedicure via The Whirlpool Method... all in a relaxing atmosphere. Lunch is served. Make-up lessons are free. The fashionably styled hairdos that emerge from Leon's are their own best recommendation. Perhaps you would like some idea of the tariff... well, a shampoo and set in The Vogue Room is three dollars. Investigate this beautiful salon dedicated to a more beautiful you and call TUxedo 4-9393 for an appointment.

Stardust... will rub off on you when you wear the delightful clothes designed by Hollywood Premier that are found at Healy's. You can play the ingenue in the beguiling blue check patio and poolside outfits that are frosted with white eyelet. For the sophisticated leading lady there are ensembles that help establish the part.

The Easter Bunny... is just a hop away. Be one jump ahead of him with a delightful greeting card from The Dants Card Room. They are renowned for their great selection of original, traditional, contemporary or smile provoking missives.

Spring Is In The Air... thanks to the early blooming scents at The Notre Dame Pharmacy. Try Coty's light and airy Muget des Bois in the spray-mist... or collect a fresh Nosegay. There's also the piquant bouquet of Friendship Garden and each fragrance is very apropos for Easter gifting.

Ask The Man Who Knows... when you're planning a new kitchen ask Mr. Mozena, President of Mutschler Kitchens Inc., 20480 Mack Avenue. He is a kitchen specialist and can help you with your plans. This is the best way to start, whether the area is large or small... demands remodeling or new construction. Be sure to see the Paul McCobb contemporary... The Early American and the beautiful French Provincial.

Spring Sixty-One... see ladies with a new shorter, smoother hairline that sweeps gracefully. Accent the line with color highlights but subtly... please! This Barton of the Pointe does to perfection, so call TUxedo 5-9181 for an appointment.

Nights and Day... Healy's has the purse for you. We all know the shining qualities of patent as a costume accent, but did you know that Healy's have a fabulous range of sizes in patent. They also have traveling totes in go-with-everything fabrics. What really caught our fancy was the charming little French tapestry evening bags... they also have great appeal for our idea of value, because they were just six dollars.

Tried and True... the many dependable services of The Notre Dame Pharmacy. Everyone from the four skilled pharmacists to the charming ladies at the cosmetic counter are so helpful that it's really a pleasure to drop off a prescription or pick up a new lipstick.
