

# SCHOOL CENSUS STARTS FRIDAY

## HEADLINES of the WEEK As Compiled by the Grosse Pointe News

Thursday, May 4

A MICHIGAN BOY was one of 13 survivors yesterday when a sailing ship used as a sea-going school sank in the Gulf of Mexico during a sudden storm, with six persons trapped aboard. Thomas Laile, 16, of White Lake Township was a student aboard the floating prep school which had been operating under the name of the Ocean Academy, Ltd. since 1959. Casualties included the captain's wife, a 30-year-old physician, the ship's cook, and four students.

Friday, May 5

A SCIENTIFIC pinnacle for the free world was established today when America's first astronaut traveled 302 miles through space aboard a Redstone rocket. After a harrowing 72-hour delay the Project Mercury team sent up Alan B. Shepard at 9:34 a.m. to reach a height of 115 miles at a top speed of 5,100 miles an hour during his 15-minute voyage. Before a "perfect landing" off the Grand Bahamas, Shepard manually put his spaceship through several maneuvers, then ended his flight with no apparent ill-effects.

Saturday, May 6

IN VATICAN CITY, Pope John smilingly termed his visit with Queen Elizabeth a happy occasion of friendship and recalled that today's meeting was the first in 38 years between the British Sovereign and a Pope in private audience. The Queen and Prince Philip talked with the Pope for nearly a half hour before exchanging gifts and joining the other members of the Court.

Sunday, May 7

MORE THAN 64,000 of Michigan's jobless filed for extra unemployment benefits within three weeks after the new law extending payments took effect, giving Michigan the second largest number of claimants from a single state. Nearly half of the 750,000 claims nationally came from six states, with California at the top with 80,200. Other high unemployment areas included Pennsylvania, Ohio, New York and Illinois. New claims for regular unemployment benefits dropped by 16,600 during the last week in April.

Monday, May 8

THE NATION'S astronaut-hero Alan B. Shepard, Jr., had a busy day in Washington where he, his wife, and the other six astronauts for the Mercury man-in-space program were feted informally at the White House. Gracefully, the man-of-the-hour accepted a beribboned NASA Distinguished Service Medal from the President, later met with Congress and the press. Shepard declined to take any personal credit for the space feat, commended all who worked on the program and stressed that very few secrets were withheld from the public.

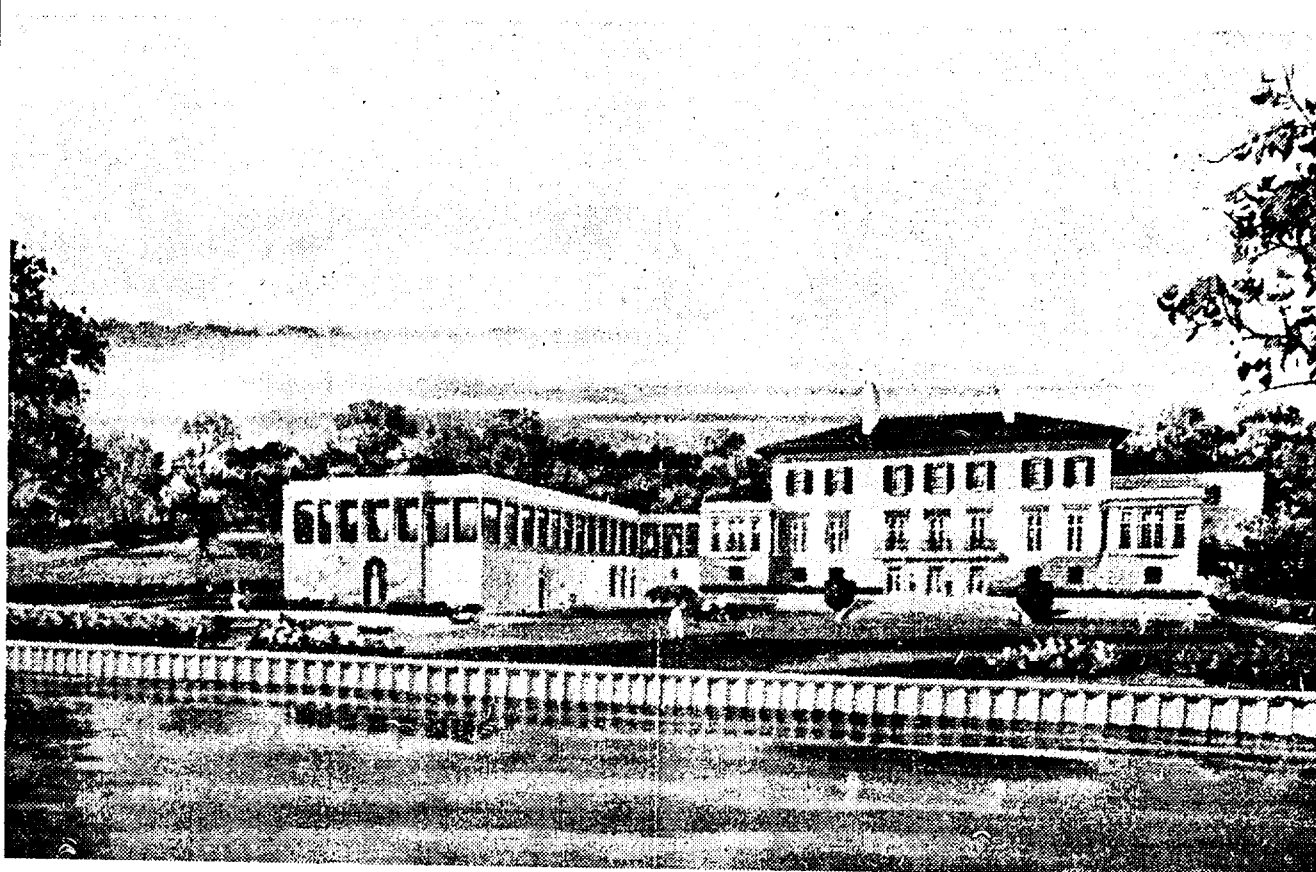

Tuesday, May 9

IN HIS FIRST DETROIT APPEARANCE since winding up his losing campaign for the Presidency, former Vice President Richard M. Nixon denounced President Kennedy's recent plea to newspapers to impose self-censorship on national security news. Nixon charged that the President's remarks demonstrated "a profound misunderstanding" of the role of the free press. He charged that the suggestions could become a cloak for errors and other failings of governmental officials.

Wednesday, May 10

GOVERNOR SWAINSON succumbed to pressure by mental health and educational lobbyist groups today and announced that he would agree to "improvement" of his suggested budget even at the cost of extending telephone and cigarette taxes for a two-year period. Republican legislators, after a "caucus of all factions" said they would reject the Governor's appeal because of the public's feeling about the taxes and would continue to support their "hold the line" fiscal program.

## Architect's Drawing of Enlarged Memorial Center

The new auditorium made possible by the bequest of more than \$600,000 from the estate of the late William H. Fries, is shown on the left of the drawing. The second floor, with pillars tying in with the existing pergola, is almost completely glassed in, allowing extensive views of the lake. This will be a social, all-purpose room, with the auditorium below with seats for 450. Contracts are now being solicited and it is hoped construction will start very shortly.

## Blood Drive To Be Held On May 9

Red Cross Mobile Unit Coming to Our Lady Star of the Sea Church from 2:15 to 8:15

A Red Cross Bloodmobile Unit will be at Our Lady Star of the Sea Church on May 19, sponsored by the Rosary Altar Society in conjunction with the Grosse Pointe Community Blood Council.

Donors may give blood between the hours of 2:15 p.m. and 8:15 p.m. As usual, persons giving blood have the option of stipulating that their donation be credited to a particular organization or individual.

Appointments may be made by calling Mrs. Arnold P. Saviano, TU 1-1164, chairman of the Blood Bank; or Mrs. John Kennedy, TU 1-9133, co-chairman. Mrs. Edmund Major, of Hampton road, is president of the Rosary Altar Society.

Local registered nurses who have offered their services are Mrs. Edward Prozaki, of Pear Tree lane, Mrs. R. G. Jordan, of Blairmoor court, Miss Nancy Lemhagen, of North Oxford, and Mrs. Kenneth May, Fairford road.

Additional workers include Mrs. James Stone, of Thorn Tree road, Mrs. Anthony Quasano, of West Williams court, and Mrs. T. Mass, of Pear Tree lane.

## School Board Approves Two Million Bank Loan

The Grosse Pointe Board of Education designated the National Bank of Detroit as the low bidder for \$2 million dollars in tax-anticipation notes at its regular monthly meeting last Monday evening. The loan was bid in with an offer to lend the needed funds at an average interest rate of about 1.59 percent per annum.

The issuance of the tax-anticipation notes was authorized recently by the Michigan Municipal Finance Commission. Funds realized from these notes will allow the school district to operate the schools from the beginning of its fiscal year, July 1, until December when property taxes become collectable.

Approximately 75 percent of the district's revenue comes from local tax sources. State

## New Intensive Care Unit At Bon Secours Stressed In National Hospital Week

Open House Being Held on Friday, May 12; Public Invited to See First Such Facility in Metropolitan Detroit Area

Bon Secours Hospital is joining other hospitals throughout the country in observing National Hospital Week, May 7-13. This year's theme, "Your Hospital—A Community Partnership," emphasizes the need for a reciprocal relationship between hospital and community. Bon Secours invites the community to their open house May 12, 1 to 4 p.m.

Bon Secours Hospital answered a particular community need in 1960, when an Intensive Care Unit was established. The purpose of the unit is to provide immediate and intensive

## Thieves Strip 15 New Cars

Thieves invaded the Fisher-Record Motor Sales new-car storage lot, Kercheval and Wayburn, and stripped the tires and wheels of three automobiles.

Park Police Chief Arthur Louwers said that on Monday evening, May 1, or during the early hours of Tuesday morning, May 2, thieves jacked up three new cars, stealing four wheels from one, and two wheels from each of the other vehicles. Those responsible, the chief said, left the cars standing on milk crates after removing the jacks.

On May 2, Chief Louwers said, a car dealer at Mack and University, Detroit, reported to Detroit authorities, that 12 new cars were stripped of all tires and wheels during the night.

The chief said that it is possible that these strippers were the same persons who committed the crime in the Park.

## Advantages For Both

Definite advantages for the patient and the hospital can be cited by the functioning of an Intensive Care Unit. In addition to other facilities, a bed is always available for the critical. Constant, expert nursing care is supplied to give comfort to the patient. Equipment and medications are on hand for use at all times. The particular procedure followed prevents a time lag, which might inevitably mean life or death in some cases. There is an alleviation of the stress and strain on other hospital floors

aid funds which are due during the first half of the school year are neither sufficient in quantity or certain enough of being paid on time to permit the district to operate and meet its expenses, school authorities state. Therefore, for a number of years it has been necessary for Grosse Pointe, as well as many other school districts, to borrow against their anticipated incomes. The interest rate given the school district was very well received. It compares most favorably with rates charged other institutions and is significantly lower than the rate paid last year which was 2.4 percent. School officials report that all loans of this nature have always been repaid in full and generally ahead of schedule.

## Big Budget Approved By Park Council

Tax Rate to Remain Same Despite Decision to Adopt \$1,418,604 as Sum Required

After a wordy and time-consuming discussion at a public hearing on the 1961-62 fiscal budget, the Park Council on Monday, May 8, approved \$1,418,604.87 as the sum to carry the city through the year.

The budget, a record, includes a four percent wage increase for all full-time municipal employees, and the cost of the alteration and improvement of the storm water pumping station, Jefferson and Maryland.

City Manager Robert Stone disclosed recently that the wage hike will offset the cost-of-living increase of the past two years and will also bring the wage schedule a little closer to other communities in the surrounding area.

Taxes Stay Same He pointed out at Monday's hearing, that in spite of this year's record budget, the city's tax rate will still remain the same, \$16.95 per \$1,000 assessed valuation.

A breakdown of the budget requirements was read to the council by the city manager, and is as follows: Administration and General, \$116,030.80; Public Safety, \$394,617.69; Parks and Recreation, \$66,725.40; Water Department, \$170,667.94; Public Works, \$289,320.29; Health and Welfare, \$2,200; Employees Benefits, \$79,089; Contingency, \$20,000; Improvement Reserve, \$250,000; and Debt Service, \$29,953.75.

Revenue for the budget will be derived from Property Tax, \$754,000; Water Department, \$196,850; Miscellaneous, \$327,750.

## Two Girls Attain All A's at MSU

Two Grosse Pointe students at Michigan State University were among 185 who achieved all-A records during the winter term.

The group were honored guests of University President John A. Hannah at a special dinner on campus May 3 and their names will be placed on the honor roll citing their "highest achievement in scholarship."

Local students honored were Jeanne Giroux, daughter of Mr. and Mrs. J. P. Giroux, 219 Lothrop, and Janet E. Littell, daughter of Mr. and Mrs. Howard Littell, 2139 Allard.

## Committee Calls Pointe's Clean-Up Campaign Success

Playground Contest Brings Drive to Close; Convent Gets Honorary Award; Ferry, Mason and St. Clare Schools Win Prizes

The annual Clean-Up week in Grosse Pointe was climaxed last Saturday with the judging, by the Men's Garden Club, of the Cleanest Playground Contest.

A special honorary award was given to the Convent of the Sacred Heart. The committee felt that the grounds were so nearly perfect it could not be classified with the other schools.

Of the 22 public, parochial and private schools which competed, the first prize was awarded to Dexter M. Ferry, Jr., the second to Stevens T. Mason, and the third prize to St. Clare of Montefalco school. Honorable mention was given to John R. Barnes and Kerby schools.

Included on the judges' committee this year were Harry A. Schorr, club president; A. Bodycome, T. A. DeMaire, Gilbert Douglas, Ernest C. Graham, Ralph Lombard, J. Arthur Schimmin, John W. Shorter, and George Vincent.

Cleaner Than Ever Mr. Schorr, who has been on the judging committee for four years, reported that the playgrounds had never been in such beautiful condition and showed the interest and work done by the students. In many cases it was difficult to make a decision.

The men worked first in three groups, each group picking the top three playgrounds, then the whole group inspected the top nine selections from the initial trip and from that made the final choice. The committee felt that the children deserved great commendation for the results of their endeavors.

John Carter, chairman of the contest, will again present the winning schools with flowering crabapple trees to be planted on the grounds. The first award is three shrubs, the second, two shrubs, and the third, one tree. A congratulatory citation accompanies each tree.

Coupons Bring Results Many replies were received on the Sore-Spot coupons. In spite of the cold, rainy weather, the Girl Scouts, Blue and Gold Hi-Y's and Key Club members, tackled as many of the vacant lot complaints as possible.

As the majority of the complaints received concerned "Litter" the Council would like to make a few suggestions for a "Year round" endeavor to decrease this problem. There are three general categories.

1.—Vacant Lots. (A) Local vacant lot owners should take responsibility for periodic Clean-Up. (B) If vacant property is used by a neighborhood for dumping—it is their responsibility to keep it clean.

2.—Litter on streets in shopping areas—on bus corners—and near schools. (A) Shoppers make use of rubbish containers. (Shop owners could sweep several times daily and still have litter through no fault of their own.) (B) Bus stops and school areas—more containers could be placed on some strategic corners. If none available—remember to—STOW IT—DON'T THROW IT.

3.—Parking lots and rear of (Continued on Page 2)

## Follow-Up Letters Sent To Bolster Center Drive

The Grosse Pointe War Memorial Center's latest effort in behalf of the 1961 Family Participation Campaign is a special follow-up letter being sent to givers of record asking them to repeat at this time their previous annual gift to the Center.

Daily through May a number of these letters will be mailed. If all givers of previous years repeat their gifts this May, the Center's drive will achieve its goal of \$50,000 by Memorial Day at the end of the month.

Telephone follow-up will also be conducted from the Center to bolster the campaign. The 1961 drive now stands at \$36,331.91 received from 2,808 givers. This compares with \$37,445.02 received from 2,938 donors by the same point in 1960.

While urging all the Center's supporters to get their gifts in as soon as possible the Center wishes to thank the following many recent contributors whose checks have already been received. Additional donors to the drive include: Mrs. Gerald Queen, Dr. Ralph N. Schorn, Hugh J. Sheehan, Harold A. Siegel, Mr. and Mrs. J. Stewart Swift, Mr. and Mrs. Millard H. Toneray, Mr. and Mrs. Ray E. Wadleigh, Mr. and Mrs. Arthur L. Watts, Jr., Dr. and Mrs. R. E. Wunsch, Charles E. Wurst, Mrs. Donald M. Woodruff, Dr. Margaret Zolliker.

## Cooperation Of Residents Requested

Crew of 20 Veteran Enumerators Will Cover Entire District Before End of Month

The annual census of the Grosse Pointe School District will commence Friday, May 12. Twenty enumerators will visit all homes in the area before the end of May.

Last year's count revealed that 63,590 persons resided in the school district. This included 23,254 individuals less than 20 years of age, the portion of the population having the greatest impact for school officials. Public school enrollment in May 1960 was 10,329.

Current enrollment figures show a slight increase over this figure to 10,481 which may indicate the district's population has also gained, school spokesmen indicate. The pattern in recent years has shown a steady though declining rate of growth for the Grosse Pointe area which has been reflected in larger and larger numbers of pupils in the schools. The growth should continue until all building sites are exhausted.

Has 18,970 Homes The school district comprises the five Grosse Pointe communities and a fraction of the city of Harper Woods. A total of 18,970 residences were listed a year ago.

The enumeration of residents in the school district will be headed by Dr. Paul Mawhinney, Director of Pupil Personnel for the Grosse Pointe Public School System. He emphasizes the importance of giving the census workers, all of whom have performed this function in prior years, the fullest cooperation. All information sought is required by law and will be handled with proper discretion, he stated.

"The most important feature of a school census naturally is the number and ages of the school-age children found residing in the district," Mawhinney said. "Tabulations by age group and by elementary school district are needed by summer if our planning for the opening of school next fall is to be accomplished properly. Also, we need the census information so that Grosse Pointe may participate in the various state programs and services to its legal extent."

Census Has Other Uses A school census is important for more than determining gains or losses in population. It has been found that considerable mobility within a school district can have serious implications for the different schools therein.

Nationally, it was estimated that more than six million elementary school children move annually, or about one in every five. Translated to Grosse Pointe figures this suggests that as many as one thousand local children may have changed residence since May, 1960.

The census takers will all carry identification cards signed by Director Mawhinney. Residents are advised to ask to see these cards if they have any doubt about admitting the enumerators.

Taking the school census is an old story to a number of the census workers. Dean of the group in terms of service is Mrs. Warren Piche who will be taking the count for the eighth time. Mrs. Ralph Clark ranks right behind her and will be out counting noses for the seventeenth consecutive year.

## Business Group's Dinner Saturday

Grosse Pointe Business Men's Association will hold a dinner-dance on Saturday, May 13, at Lochmoor Country Club to mark the installation of new officers. Tickets may be purchased by calling Clayton Alandt, TU 1-8500.

## HOUSE ROOF BLAZE

Mrs. Thomas Hammond of 677 Sunningdale, called Woods Firemen on Monday, May 1, when sparks ignited the roof of her house. Firemen doused the blaze with water from a booster line. Damage was very minor. It was said.

**Monteith School Has Anniversary**

Monteith Elementary School will celebrate its 10th anniversary on Monday night, May 15. This 10th anniversary observance, under the direction of the Monteith PTA, will be the final PTA meeting of the current school year.

An interesting program has been arranged by Mr. and Mrs. Bruce A. Stewart, who are serving as 10th anniversary program chairman.

The principal speaker of the evening will be Robert Weber, president of the Grosse Pointe Board of Education. Dr. Marshall C. Jameson, who has served Monteith as principal for all of its 10 years, will also be on the program.

Special recognition will be given to the 49 families, who have had children at Monteith for all of its ten years, the ten year staff members and all past presidents of Monteith PTA.

A choral group, made up of children from each room in Monteith, will present a selection. Also, an instrumental number and a ballet number will be given by alumni of Monteith.

Troop 85, Boy Scouts of America, who are sponsored by the Monteith PTA, will receive their annual charter at this meeting.

Following the program, interesting refreshments will be served by the committee under the direction of Mrs. Herbert R. Dobb.

**Four in Woods Burglary Hear Sentences in Court**

Four men charged with breaking and entering a Woods television store last December 5, were sentenced in Wayne Circuit Court on Wednesday, April 26. All pled guilty to breaking and entering a building in the day time.

Two of the men were given straight prison sentences and two were placed on probation, by Judge Chester P. O'Hara.

Ernest S. Hogan, 21, of 1714 Washington, Algonac, was sentenced to three years and five months to five years in State Prison of Southern Michigan (Jackson Prison); and William C. Leggett, 20, of 1133 Dickerson, Detroit, was given three years and nine months to five years.

Philbert E. Duran, 22, of 1677 Washington, Algonac, was sentenced to two years probation and ordered to pay court costs of \$50, and to make restitution in the amount of \$135 to burglary victim; and Peter J. Thomas, 20, of 951 Dickerson, was sentenced to three years probation, to pay \$100 court costs, and make restitution in the amount of \$135.

Judge O'Hara ruled that Hogan and Leggett must serve their sentences concurrently with 4-5-year sentences imposed on two counts by a Detroit Recorder's judge who found the pair guilty of charges of unarmed robbery and breaking and entering. Both crimes were committed in Detroit. The four were arrested by

Detroit police a few hours after they broke into the K. L. A. Electronics Shop, 19775 Mack avenue, owned by Donald C. VanDame of 1693 Brys drive, from where they stole more than \$800 worth of television sets and radios; most of which have since been recovered.

Hogan and Leggett were also accused by Farms authorities of passing a bad check in the amount of \$67.50, at the Village Market, 18380 Mack avenue, last December. Both men admitted passing the check when questioned by Farms police.

The check was one of many stolen by Leggett. Hogan cashed the check after purchasing liquor at the market, using identification of a person who died more than five years ago.

The Farms complaint was compiled with the charges filed against the pair by Detroit, for which they were convicted.

**Camera Club Meets May 16**

The Grosse Pointe Camera Club will meet on May 16 at the Neighborhood Club, 17145 Waterloo, at 8 p.m.

Suggested subjects for the monochrome and color slide competition are patterns and glassware.

Dr. C. J. Marinus, APSA, chief analyst, will be assisted by club members. Guests are invited.

Besides these, the patient also benefits from the unit, monetarily. He ordinarily pays \$60 for a 24-hour period of special duty nursing care; whereas in the unit it merely amounts to \$15 for three shifts of specially trained nurses, who not only provide for his physical condition, but, offer the patient the comfort of knowing someone is always there. The immediate treatment in the unit could possibly mean a minimum use of blood transfusions.

**Fight Highway Litter**  
 In the matter of highway littering, enforcement of "litter" laws and continued education of the public seem to be the solution. Each year more states are emphasizing the "Keep America Beautiful" campaign and taking measures to penalize the careless motorist or picnicker.

The Council feels that each year shows more wide-spread interest and greater feeling of community responsibility and pride in Clean-Up. It wishes to express its appreciation to the hundreds who participated in various ways; through clubs, civic organizations, schools, municipalities, business groups, or as individuals in their own homes.

**Peaceful Invasion of Nation's Capital**

The sixth grade at Lewis E. Maire school returned Sunday, April 30 from its eighth annual spring trip to Washington, D.C. Started in 1954 by Mrs. William Adams of University place, the trip has become a tradition at Maire School. The Maire group of 62 students and 23 adults departed Thursday, April 27, on the Baltimore and Ohio railroad anxious to enjoy two full days of sightseeing in the nation's most beautiful city.

With the colorful azalea bushes and dogwood as a background the group toured Alexandria, Va., Mt. Vernon and Arlington as well as much of the city's tree-lined Embassy Row and many important buildings. After having its picture taken on the steps before the capitol at 9 a.m. Friday morning the group started its tour of buildings with the Capitol, White House, Federal Bureau of Investigation, Bureau of Printing and Engraving, stopping at noon for lunch at the Annapolis Hotel, where it would spend the night.

The remainder of the time in Washington was spent watching the changing of the guard at Arlington, snapping pictures of the memorial of the Battle of Iwo Jima, the Jefferson and Lincoln Memorials; looking out over the city from the Washington Monument; musing through the Smithsonian Institute, Lincoln museum, Natural History, and two embassies; culminating the touring with a conducted trip through the three-quarter completed sixth largest world cathedral, the Washington Cathedral.

When Saturday night arrived all regretfully climbed aboard

**Navy Council Ball Date, Site Changed to June 27**

The Navy League Ball originally scheduled for June 9 at the Grosse Pointe Hunt Club has been changed to June 27 and will be held at the Little Club.

The regular meeting of the Detroit Women's Council of the Navy League will be held May 25 at 1:30 o'clock at the Broadhead Naval Armory. Final plans for the ball will be discussed.

The luncheon originally planned for May 18 has been cancelled because it conflicts with the Armed Forces Week Luncheon to be held at the Sheraton-Cadillac Hotel on that date.

the train feeling that social studies for children had been brought to life, and that pride in the nation would ever fill the hearts of everyone. The success of the journey can be ascribed to the co-chairmen, Mrs. Harold McGregor and Mrs. Paul Long, who spent much time during the months preceding the trip organizing and directing, to the many chaperones who kept their assigned children under control at all times, and to the division passenger agent of the B & O, who not only arranged the entire trip but accompanied the group.

Adults who accompanied the group as well as the co-chairmen were: Robert Adams, Mr. and Mrs. William Ellis, Mrs. James Humphreys, Mrs. Stewart Kerr, Mrs. Karl Klokke, Mrs. Robert Marshall, Mrs. Lou Maxon, Wilfred McLaughlin, Mrs. Fred Mueller, Mrs. Allan Persall, Mrs. Arthur Schroeder, Russell Vance, Mrs. Louis VanDike, Miss Joyce Whitaker, Herbert Winkler, Mrs. Richard Woelfel, two teachers, Mrs. Leone Bennett and James Cooper; nurse, Mrs. Herbert Wallhausen. J. D. Walker was the representative from the railroad.

The Farms issued a supplementary construction permit to the National Bank of Detroit, to allow the bank to pour the foundation for its new branch office at Moross and Mack, according to an April Building report submitted by Farms Engineer Murray M. Smith. It is the first building permit for business in 1961.

There were no residential, or nonassessable permits issued during April, but miscellaneous permits since the beginning of the year numbered 15, worth a total of \$41,500, including one granted last month to repair fire damages at 111 Cloverly road, at a cost of \$8,000.

Since January 1, 34 permits were issued for miscellaneous projects, worth \$108,200; and two were for non-assessable building construction, valued at \$818,000. The latter two were for the Grosse Pointe Memorial

Church, \$705,000, and the Industrial Arts Building, \$113,000.

According to Smith's report, the 37 permits granted last month are valued at a total of \$942,200.

### Good Literature Laws Requested

A large delegation from Grosse Pointe attended the 44th annual convention of the Michigan Federation of Parents and Teachers in Detroit last week at which a resolution was formally adopted to appeal for better legislation to control the distribution and sale of obscene literature.

There were 3000 representatives from all over the State at this meeting and it was strongly recommended that all local Parent-Teachers Societies take positive action by supporting community groups organized for this purpose.

Mrs. Richard E. Jones, president of the Grosse Pointe Council for Better Literature for Youth, was a delegate.

### Reckless Drivers Receive Tickets

City police issued a ticket for reckless driving May 2 to Albert D. Mitchell, 14020 Edmore, Detroit, for causing an accident at St. Clair and Waterloo.

Police said Mitchell attempted to pass a J. L. Hudson Company truck which was stopped, with its signal on, for a turn. When Mitchell cut back into the traffic lane, his rear fender caught the bumper of the truck, police said.

Truck driver F. Pepples, 16780 Veronica, Detroit, was issued a witness notice.

The driver of a truck for Goodwill Industries received a ticket May 2 for reckless driving and causing an accident at Mack avenue and Washington road. City police said George Appling, 11317 Billaterre, Detroit, made a faulty turn off Washington and struck a car driven by Gary Austin, of St. Clair Shores.

Caroline Ann Smith, 85 Stephens road, was issued a ticket for reckless driving causing an accident when she failed to heed a stop sign on Notre Dame at St. Paul and struck a car driven by George Lepley Stable, of St. Clair Shores. City police said Stable's car was damaged on the right side from the encounter.

### Ordained

RICHARD O. SCHROEDER was ordained on April 29 at the Forest Park Baptist Church, Forest Park, Ill., where he is the pastor.

Dr. Dale Ihrie, pastor of the Grosse Pointe Baptist Church, Rev. Schroeder's home church, preached the ordination sermon. After the ordination service, the church had a welcoming service for Rev. Schroeder, his wife, and small son and daughter.

Rev. Schroeder is a graduate of the Grosse Pointe High School, Wayne State University, and the Northern Baptist Seminary of Chicago. He is the son of Mr. and Mrs. Otto Schroeder, of 1829 Severn road.

### Teener Tourists to Help Churches on June Trip

Senior high young people and young-in-heart adults from two churches are planning a tour to the mid-South in June. They are from the Grosse Pointe Woods Presbyterian Church and the First Presbyterian Church of Royal Oak.

High school groups tour the nation's capital and other sight-seeing spots. Some may even turn up where the boys are on Florida beaches. But these young people are planning a tour and something more. They will include church stations in the South on the list of parks and points of interest they will visit on the trip, which is scheduled from June 16 to 25.

The Grosse Pointe Woods Presbyterian Church representatives met Sunday, April 2 at 7:30 p.m. in the church lounge to carry out responsibilities assigned to them in the over-all committee, which includes

youth and adults from the Royal Oak church.

The Grosse Pointe Woods young people planning on the vacation are Miss Judy Moore, 16717 Stricker Ave., East Detroit; James Drummond, 2025 Norwood Ave., Grosse Pointe Woods; and Miss Sue Thoma, 545 Peartree Lane, Grosse Pointe Woods. The Rev. Mr. Robert L. Lucero, Assistant Minister, Grosse Pointe Woods Presbyterian Church will accompany them.

Church stations such as Maryville College, Maryville, Tenn., and Ows-Lee Rural Larger Parish, Booneville, Ky., will be visited, along with such places as the Smoky Mountains National Park in North Carolina and the Wilderness Road Park in Kentucky.

The tour will take the young people and their adult sponsors through Ohio, West Virginia,

Virginia, North Carolina, Tennessee, and Kentucky. They plan to stop longer at one church station than at any of the others. The place that needs a building painted, or a playground built, or structures repaired will be the site of a two- or three-day work camp. Thus, to an otherwise ordinary tour, something more has been added.

### Men's Garden Club to Meet

Dr. Hugh Stalker of Lake Shore road, will discuss the "Selection and Cultivation of Clematis" when Men's Garden Club of Grosse Pointe holds its regular meeting Thursday, May 18, at 8 p.m., at Grosse Pointe War Memorial Center.

A doctor of medicine, who retired five years ago, Stalker has always placed gardening high on his list of hobbies. His garden at his former residence in Radnor circle received a citation from the Michigan Horticultural Society as a "garden of interest."

He refers to it as an "old man's garden," since all lawn had been replaced by flower beds with curved walks between. Myrtle or similar ground covering was used between plantings in the flower beds, thus practically eliminating the need for cultivation.

He became interested in clematis some 25 years ago, and has grown about 60 of its vine-like and shrub-type varieties. A somewhat neglected plant, it may be used in many ways. Some varieties have a long blooming season which may run from late April until nearly Thanksgiving.

Dr. Stalker will be introduced by Alfred R. Tapert, a club director, who is in charge of the evening's program. All male gardeners in the area are invited to attend.

Summer School Sessions Start June 19; End July 28

Registration for the summer school session held annually by the Grosse Pointe Public Schools will open Wednesday, May 24 for secondary pupils. The sessions will begin Monday, June 19, and end Friday, July 28.

As in previous years, specially designed programs are planned for senior high, junior high, and elementary school pupils. Each group will meet separately with faculties chosen for their skills and competencies in working with the different age groups.

Senior high school students who are residents of the Grosse Pointe School district may register at Grosse Pointe High School—in the auditorium (Room 137)—Wednesday through Friday, May 24-26 from 3:30 to 5 p.m. Another opportunity to register will be given Saturday, June 17, at which time non-resident students may also enroll if there is room for them.

Brownell Junior High School will house the junior high school session. The same dates as above will prevail for registration but from 3:50 to 4:30 p.m. only. Also, the place of registration will vary. On Wednesday, May 24, it will be at Pierce. The next day, Thursday, May 25, registrants should enroll at Brownell, and on Friday, May 26, the opportunity will be had at Parcels. Non-resident applicants may seek enrollments at Brownell on Saturday, June 17, if there are still openings.

Elementary school sessions will be held at Maire and Mason schools. Pupils residing in the

Trombly, Defer, Maire, Richard and Kerby districts should enroll at Maire School. All others should attend Mason. Registrations will be accepted the afternoon of June 16 and the morning of June 19.

The secondary school offerings will include most academic subjects, typing and driver training. Sections will be formed in English, first year Latin and French, senior high school social studies, and mathematics. General reading and reading improvement courses will also be offered.

A six-week program in junior high science is being initiated this year. It is designed for pupils who have special abilities and interests in science and will include class work and laboratory activities beyond those regularly offered in the normal school year. Topics planned include the structure of matter, chemical change, physical change, and nuclear energy.

The elementary school program is designed for boys and girls who need strengthening in the common skills in arithmetic, reading, and spelling. Pupils in grades 3-6 needing this kind of work may be enrolled. Special instrumental music instruction will also be given in each building for beginning and advanced players who have completed the fourth grade.

A fee will be charged for each course taken. Payment will be due at the time of registration. Further information may be obtained by telephone from the building in which enrollment is planned.

Young Drivers' Parents Warned

The arrests of two juveniles in Grosse Pointe City for driving without licenses on May 5 and 6 brought a warning to parents from Thomas V. Trombly, superintendent of Public Safety.

The policy of the City Police Department and all of the other departments in the Grosse Pointe communities is to transport juveniles who are driving without licenses to the Wayne County Juvenile Court Youth Home where they are held until their guardians appear in person to get them.

The policy conforms to a request made in January by James H. Lincoln, Judge of Probate, Juvenile Division, in an effort to bring about a substantial decrease in the number of juveniles who are driving without operators' licenses.

Chief Trombly said that the personnel in his department have been instructed to comply with the request and the policy has been affirmed by the other Pointe police chiefs.

Chief Trombly cautioned parents to take their car keys with them when they leave home for the day or evening to remove temptation from children who may be anxious to drive but who do not have licenses. Both of the youngsters who were involved in last week's City arrests were automatically taken downtown to the Youth Home and their parents notified to appear in person to arrange for release. One of the teenagers was too young to have acquired a license, the other had had her license revoked. Both were driving without permission.

Police chiefs who have endorsed the policy besides Chief Trombly include James Furlong, Farms; Vern Bailey, Woods; Fred Duemling, Shores; and Arthur Louwers, Park. All youthful drivers in their communities who have not acquired operators' licenses may expect an automatic trip to the Youth Home when apprehended.

### Severs Fingers On Power Saw

A 15-year-old Woods boy, operating a power saw in the basement of his home, on Tuesday, May 2, severed parts of two fingers of his left hand when he accidentally touched the moving blade of the saw.

Glen Rennie of 1955 West Clairview court, ran to a neighbor's house at 1961 Clairview court, after the accident, and was picked up from there by Woods police officers and rushed to St. John Hospital. The boy's father, Donald, met him at the hospital.

A police report disclosed that the revolving blade severed the index finger above the first joint, and a tip of the middle finger and nicked the ring finger.

Police officers returned to the Dennie residence with the boy's father, where the finger digit was found and taken to the hospital.

### Park Residents Oppose Hospital

Park Mayor Kenneth Cunningham, at the request of the Park council, will dispatch a letter to the City council of Grosse Pointe, requesting that body to consider the concern of property owners of the Park who oppose the rezoning of land for a proposed expansion of Bon Secours Hospital.

The decision to send the letter was made on Monday, May 8, when two Park residents appealed to the council to take some action in the matter.

A letter to the council from J. K. Abbs of 1019 Cadieux, whose home is in the Park, opposite the hospital, was read to the city body by City Clerk Charles Heise, and triggered a debate among the council, Abbs, who was present at the meeting, and William H. Kessler of 1013 Cadieux, also at the meeting.

Both Abbs and Kessler oppose the rezoning of the hospital property and the expansion of Bon Secours on the grounds that a bigger hospital would tend to increase vehicular traffic in the area, and depreciate the value of their properties and other properties there.

The two Park residents maintained that the 137-bed hospital is adequate for the community, and that if the hospital is permitted to increase its capacity to 300 beds, it will no longer be a community hospital and will assume the status of a general hospital.

Abbs stated that if Bon Secours assumes the latter status, then it will begin training of interns from all over the country and the world, and erect a nurses home, and have all the aspects of a general hospital. This would increase vehicular traffic, which would endanger the children of the area, and create a depreciation of property values, he said.

Kessler, an architect, said that there is no need to expand facilities at Bon Secours, as there are sufficient beds in area hospitals to care for area residents.

He listed the hospitals, including Bon Secours with its 137 beds, as, St. John Hospital, 292 beds, with possible funds to be received from the Greater Detroit Area Hospital Council for an additional 132 beds; Cottage Hospital, 101 beds, no assistance from the Council for further expansion; and Holy Cross Hospital, 140 beds, with planned assistance from the council for another 74 beds. Bon Secours will receive no aid from the council, Kessler said.

Mayor Cunningham advised Abbs and Kessler that the Park does not have any legal status in the matter, and therefore could not impose its wishes on its sister community, but because of the close proximity of Park property, just over the city limits, the Park will do its best to look after the interests of its citizens.

### Center Offering Tour of Africa

Pictures and a most interesting travel account of the troubled Congolese area will be featured at the Grosse Pointe War Memorial Center when Mr. and Mrs. Walter Stewart of Westchester road share their films, colored slides and African experiences with all interested Grosse Pointers on Monday evening, May 22, at 8 o'clock.

The Stewarts' pictures and account will cover a five week trip to Africa covering Cairo to Johannesburg but concentrating on the Congo and Africa's famous game preserve.

Two of the outstanding game preserves visited will be the one in Kenya just out of Nairobi where lions, giraffes, wildebeest, warthogs, zebra and baboons abound and live fearlessly since hunters are prohibited; the other in Kruger National Park in the Union of South Africa, the home of exotic birds, gazelle and antelope.

Africa's chief natural wonder, the Victoria Falls, will of course be seen on the screen as well as the handsome Zulus in their native villages and the resorts of the white man along the Durban Coast.

The main part of the program, however, will be concerned with the Congo. Elizabethville to Stanleyville was covered by the Stewarts in a pastures of several villages DC-3 which put down in the where the atrocities against the missionaries have since taken place. After the plane was waved on from the grass hut control towers, the Stewarts began on an overland

### Cancer Workers Need Material

The volunteer workers at the Grosse Pointe Cancer Center of the Grosse Pointe War Memorial are in great need of clean ironed white material from which they not only make cancer pads to service the patients in the area, but which they cut to size for many other sewing groups throughout the community which use the Memorial as a depot for raw materials.

The cancer volunteers at the Center donate Monday of every week to their good work which is urgently needed. Both they and the patients they supply with pads will be most grateful for your gift of white goods.

### DRIVER SENTENCED FOR SPEEDING

Morris E. Sheldon, 19, of 1023 Sydney street, Boyne City, Mich., was found guilty of speeding 75 miles an hour on Jefferson, following a hearing before Park Judge C. Joseph Belanger on Saturday, May 6. He was given the alternative of a \$100 fine of 10 days in the Wayne County Jail, and elected the jail term. Sheldon will not be able to drive for four months and his operator's license was sent to Lansing with a recommendation that he be re-examined before it is restored.

safari from Bukavu on Lake Kiva, taking them to the land of the Pigmies and the borders of Uganda where they saw the statuesque Watutsi dance in colorful costumes. The Stewarts will treat their audience to records of both Watutsi and Pigmy music.

One of the biggest thrills encountered by the Stewarts was a trip in a dugout through the rapids of the Congo. It was a sort of Nubian gondola experience with their oarsmen standing up in the extremely narrow dugout and singing through the entire journey.

The destination reached was the fishing area of the Wagaya where they sing in unison as they manipulated the huge cone-shaped fish traps. Needless to say, the Stewarts have this on record too.

All this and many other thrills and wonders will be shown and described Monday evening, May 22, at the Center.

### Jack Gajewski Wins Prize For Project

The Michigan Heart Association presented a Grosse Pointe student, Jack Gajewski, with a prize and Special Award certificate at a luncheon on April 28 at the Wayne State Medical Society Headquarters in the David Whitney House.

Jack, who lives at 1320 Grayton and is a student at John D. Pierce Jr. High School, received his prize for a presentation entitled, "Investigation With A Kymograph." His science teacher, Bruce Westling, was his luncheon guest.

Chrysler Corporation extends congratulations to all the people who cooperated in the first U. S. manned space flight, particularly astronaut Navy Commander Alan B. Shepard, Jr.

This flight was boosted by the reliable Redstone—a member of the first team of missiles in America's conquest of space.

This team has established an unequalled record fulfilling missions with reliability and accuracy.

The record is the product of a philosophy of building on proven principles and hardware. The carry-over of experience from the phenomenally reliable Redstone is largely responsible for the equally impressive performance of Jupiter. This inherent integrity is transferred to the succeeding generations of missiles.

There is something else behind this record. Teamwork—a government-military-industry team working unselfishly in the best

interests of the country

Redstone is operational with U. S. Army forces. Jupiter is deployed by the Air Force. Redstone, Jupiter, Jupiter "C" and Juno II have served the missions of the department of Defense and the National Aeronautics and Space Administration.

Chrysler Corporation is proud to have been a member of this most successful team since 1952. As prime contractor for the Redstone and Jupiter systems, we have worked closely with military and government scientists in

taking these missiles from initial concept to the launching pad . . . and beyond. Broad Chrysler Corporation capability and experience in research, development, engineering, production and logistic support is supplemented by Chrysler operation of the Michigan Ordnance Missile Plant.

Today these missiles mean military strength to keep the peace. They are also the key to the door of a vastly expanded new world of knowledge which will contribute much to peace and a better way of life.

# Regional Crown Sought By Blue Devil Trackmen

By Bill Bullard

A fourth straight regional track championship will be sought by the Blue Devils this Saturday. For the past three years the Devils have captured the regional championship at Warren Fitzgerald. This year the Grosse Pointe squad has been assigned to the regional meet at the University of Detroit.

Other teams in the meet will be Austin, DeLaSalle, Notre Dame, Salesian, University of Detroit High, Ferndale, Hamtramck, Highland Park, Royal Oak, Dundero, and Royal Oak Kimball.

Coch Howard MacAdam said, "I think it's a better regional than the one we were in." Asked if the Devils had a good chance to win the meet, he said, "Definitely."

**Qualifying Event**  
The purpose of regional meets is to qualify athletes for the class A, B, C, and D state meets on May 20. There are nine Class A regional centers in the state. The best two or three boys in each event at each regional meet will compete at the Class A state meet at East Lansing.

In every event, except the 440-yard dash and the 880-yard run, the first three place winners qualify for the state meet. In the 440 and the 880, two heats are run and the top two in each heat qualify for the state meet. The preliminaries at the U. of D. will start at 10 o'clock and the finals at 1:30 o'clock.

**Three Fast Sprinters**  
Because there are three fast

sprinters (Ferndale's Reid, DeLaSalle's Cichocki, and Dundero's Suffer) in the meet, coach MacAdam said he wouldn't enter Steve Schreifer in the 100 and 200-yard dashes. Instead, Schreifer will run the 440-yard dash. Tom Raven will also probably run the 440 with Charlie Clark as an alternate. Dave Matthews is the only sure Grosse Pointe entry in the 100 and 200-yard dashes.

Bill Penz and Bill Wernet are set to start in the half-mile run. George Thomas and Bill Ramsay will be the two Devils in the mile race. In the high and low hurdles, it will be Ross Kogel and Milt Secor continuing their rivalry.

Three high jumpers that Coach MacAdam hopes can score points at the regional meet and even qualify for state are Jim Carney, Charlie Clark and Barry Brink. Pole vaulters Jerry Brennan, Garry Spade, and Rick Stocking will be entered as will Tom Spiewak, Len Kilby, and Bill Damon in the shot put. The broad jump participants will be Rick Maylock, Gary Johnston, and either Skip Beltz or Barry Brink.

# Devil Thinclads Conquer Two More League Teams

Grosse Pointe trackmen won their second and third Border Cities League meets last week. Dearborn Fordson was downed 92.5/12-16.7/12 on Tuesday and Royal Oak Dundero fell 87-22 last Thursday.

If the Devils defeat the Teddy Bears at Wyandotte this afternoon, they can capture their second straight BCL crown by beating Highland Park at home on May 23.

Both meets were complete routs. Fordson took only a first in the shot put, a 3/4 tie for first place in the high jump and pole vault, a second in the low hurdles, and five thirds. Royal Oak won three firsts, one second, and four third places.

In the Royal Oak meet at home, two track records were set. Jim Carney cleared the high jump bar at 6'1". The mile relay team of Bill Penz, Chuck Kuechenmeister, Brian Mumaw, and George Thomas was tied at 3:34.1. This was an automatic record because the mile relay is a new event and this was the first time it was run on the Grosse Pointe track.

George Thomas and Bill Ramsay placed 1-2 in the mile run in both meets, as did Bill Penz

and Bill Wernet in the half mile race. Penz's come-from-behind victory against Royal Oak resulted in his best time, 2:03.6. Charlie Clark led Brian Mumaw and Chuck Kuechenmeister in slugging the 440-yard run against Fordson. Sophomore Tom Raven won the 440 against Royal Oak in 52.1 seconds, beating Clark by less than a second.

Steve Schreifer, Dave Matthews, and Terry Goll slammed the 100-yard dash and Schreifer, Matthews, and Dick Huegill slammed the 220-yard dash against Fordson. Schreifer and Matthews took second and third place against Royal Oak in both the 100 and 220.

Milt Secor won both low hurdle races and the high hurdle race against Royal Oak. Ross Kogel won the high hurdle event against Fordson. Rick Maylock took two firsts in the broad jump. Jerry Brennan, Rick Stocking, Garry Spade, and a Fordson thinclad tied for first place in the pole vault. Brennan vaulted 11 feet against Royal Oak to take first. Stocking and Spade tied for second. Tom Spiewak captured two seconds in the shot put.

# Park Little League Ready To Open Season Saturday

All six American League teams and two American division Collegiate League teams will take to Defer Field's four baseball diamonds at 11 a.m. Saturday, May 13, to inaugurate the 180-game schedule of the Grosse Pointe Park Little League's eighth season.

The customary opening day ceremonies, including the flag-raising, throwing out of the ceremonial ball and introduction of the honored guests, will be held at approximately 1 p.m., following completion of the first four games.

The six National League teams and two National division Collegiate League teams will play the openers in their competition at approximately 1:30 p.m.

The opening day pairings in the American League match last year's champion Orioles against the White Sox, the Indians against the Senators and the Athletics against the Yankees.

The National League opens pair the Dodgers, defending their 1960 title, and the Pirates, the Cardinals and the Giants and the Red Legs.

The two Collegiate League games pit Michigan against Michigan State in the American division and Illinois against Northwestern in the National division.

The 10 Collegiate League teams have dropped the Northern and Southern Conference names they have had for the last six seasons in favor of

Western Conference university names.

Rain and wet grounds through most of April and early May have wrecked the practice schedule with the result that all of the teams have been handicapped somewhat.

Major League managers have had only limited opportunity to size up the 76 youngsters they drafted to fill vacancies on their rosters after the abbreviated tryout schedule.

An innovation this year will be new permanent-type cyclone fence score houses and electrically-powered score boards.

Grandstands have been erected at each of the diamonds in anticipation of an opening day crowd which is expected to include city and school officials, sponsors of the 12 Major League teams, past presidents of the Grosse Pointe Park Little League and parents and friends.

From Monday, May 16, through July 14, there will be four games at 6 p.m. on each week day with postponed games to be played on Saturdays.

**REPORTS LARCENY**  
F. J. Ryan of 19949 E. Williams court, complained to Woods police on Saturday, May 6, that while his car was parked in the driveway alongside his house during the night, someone stole all four hubcaps, valued at a total of \$60.

The Detroit River Yachting Association has completed plans for a new Standard Regatta Program to be used by all clubs using the standard DRYA course. Under the direction of Comm. William P. Connolly GPSC, and Comm. Edward Zerbe DYC, they have succeeded in working out plans with all member clubs whereby they will use a standard form of program. This will effect a savings to the clubs of from 100 per cent to 600 per cent in printing costs alone.

The new program will contain the chart of the course along with the schedule of starting times for the various classes. All of the regattas will start at 10:30 a.m. The order of starts has been rearranged somewhat in that the Ravens and Universal "A" will follow Cruising "C" and then they will be followed by Cruising "D" and "X" classes.

This new order of starts has been under consideration for some time. It has been the contention of the Raven Fleet that since they are generally a faster boat that they should start ahead of the large Cruising "D" and "X" fleet and not have to battle their way through all of the boats.

Several new flags and pennants have been incorporated into the instructions. The Post-nominal flag formerly Code Flag "P" has been changed to Code Pennant "AP" (Red-white-red-white-red) which is the international Answering Pennant. Numeral Code Pennant No. 1 has been added. This pennant will give the committee the mechanics to call off or postpone any one particular class at a time without having to cancel all of the classes not already started. At the committee's discretion they may deny conditions to severe for a particular class and yet this may not be the case for other classes. Code flag "G" (go home) will mean that all races except those in progress are called off for the day. Code flag "N" will call off all races including those in progress.

The Detroit Yacht Club has just completed plans for its Memorial Day Regatta which is the kick off of the season for most sailors. Race Chairman Comm. Edward Zerbe has announced that the Man of the Day Award will go to the dean of the sailing writers, George E. Van.

Each year the DYC singles out an individual who has contributed much to sailing and makes this award. The winner cannot be an elected official of the club. They couldn't have picked a more deserving person than George Van, who has been sailing more years than even he cares to admit. He has worked endlessly to bring the news of sailing to the reading public.

U. S. Coast Guard Auxiliary Flotilla 12-12 will sponsor its annual dinner dance, Saturday, May 20, at St. Clair Yacht Club. Chairman Paul Benko promises that the event which is looked forward to with such enthusiasm by auxiliary members will live up to its reputation for gaiety. The evening will include cock tails, dinner, dancing, prizes. Guests may come by boat as arrangements have been made for mooring in the harbor. For reservations contact either Car. Bob Miller, VA 2-7051 or Paul Benko, TR 5-8018.

Local yachtmen were saddened Monday to learn that John Nicol, owner and skipper of the famous racing sloop "Last Straw" passed away. He had long been a familiar and colorful figure in yachting. In 1950 he formed a syndicate with Comm. Wm. J. A. Nagel and Edward Desmond to buy "Balquidder," a Pilot class sloop which they campaigned until 1955. During the succeeding years he chartered Comm. J. Alfred Grow's "Spartan" and Comm. John W. Detwiler's first "Vashti." Early in 1960 he bought "Last Straw" with Fred Runnells. John Nicol will be long remembered and sadly missed by the yachtsmen who knew him as the man with the big smile and a heart as big as he was.

Jerry Jenkins and Warren Trafton of Crescent Sail Yacht Club competed in the Annual Penguin Regatta held on Wolfe Lake, Calumet, Ill., where they won overall honors for the third consecutive time. This regatta is the season opener for the Penguin fleet in the Chicago area.

**Rain Postpones Water Relays**  
The Dick Waters Relays at Monroe High School's Navarre Field was postponed last Saturday because the track was under water.

Meet officials are trying to find a later date when the meet can be held, sometime after the state meet on May 20.

# Babe Ruth Loop Opens Saturday

Ten teams in the Babe Ruth League of Grosse Pointe are poised, awaiting opening day and the beginning of the 1961 season of play in the Park, City and Farms. A ceremony scheduled for 11 a.m. this Saturday at Grosse Pointe High School field will mark the official start. The Milwaukee Braves take on Boston Red Sox in the inaugural game.

Municipal officials representing each of the three cities are expected to take part in the program. Mayor William Connolly of the Farms will make the initial pitch. Sports-caster Ty Tyson, former Babe Ruth director, will be on hand to announce a few innings of the action. A flag raising ceremony will be conducted by Trombly School Troop 86 of the Boy Scouts of America.

Other teams in the league will begin play the same day. At Kerby Field the Philadelphia Phillies will get into action against the Cleveland Indians at 11:30 a.m. This game will be followed by another at 2:30 p.m. between the Los Angeles Dodgers and the Chicago White Sox.

Meanwhile, at Neighborhood Club, the Detroit Tigers and the San Francisco Giants will play at 11:30 a.m. The second game, also at 2:30 p.m. will see the St. Louis Cardinals pitted against the New York Yankees.

The six minor league teams will begin their schedules on Monday, May 22. All games will be played at Grosse Pointe High School by these teams.

# Babe Ruthers To Pick Queen

On Friday, May 12, in the Council Chambers of Grosse Pointe Woods a group of the fairest young ladies in the Grosse Pointe area will compete for the title of Miss Babe Ruth for 1961. The young ladies represent the various teams in the Grosse Pointe Woods - Shore Babe Ruth League, with the New York Yankees having as their entry a set of twins.

It was announced by George Foster, president of the League, that there will be various interesting guests from the world of sports. An invitation has been extended to the mayor of Grosse Pointe Woods and Grosse Pointe Shores, as well as all other residents of the area who are interested in the Babe Ruth program.

The meeting will be held in the Council Chambers of the City of Grosse Pointe Woods at 7 p.m. and it is hoped that a large turnout will be on hand to see the crowning of Miss Babe Ruth of 1961.

# Rain Postpones Water Relays

The Dick Waters Relays at Monroe High School's Navarre Field was postponed last Saturday because the track was under water.

Meet officials are trying to find a later date when the meet can be held, sometime after the state meet on May 20.

# Blue Devil Baseballers Defeated by Wyandotte

By DAN HALL

The Blue Devil baseballers received a hard blow where it hurts most—in their championship hopes—at Wyandotte last Thursday when the Teddy Bears dealt them a 7-1 shellacking.

The Devils have a 3 won, 2 lost record, but both losses have been to BCL teams, Fordson and Wyandotte. Their lone victory was a 3-2 thriller against Monroe last Tuesday.

In Thursday's game, Wyandotte exploded for five runs in the third inning, taking advantage of Devil fielding errors and walks.

Gordje Kerner knocked in

Grosse Pointe's lone run with a single to right in the sixth inning. He had substituted for Catcher Paul Boesen the inning before.

Last Tuesday, Monroe's Trojans duled Grosse Pointe into the eleventh inning before Larry Link sent Jim Koep, who had walked, home with a long triple. Link, who had started at third base for the first time, got five of the Devils' eight hits.

It is still very possible for the Devils to take another baseball title, but they will probably have to win all their remaining games to do it.

The Devils played Port Huron here this week, but the game was played too late for this week's issue. They will try to even up their BCL record against Royal Oak Thursday. Next Monday they will take on Fordson in a crucial rematch.

# Power Squadron Holding Panels

Officers of the Grosse Pointe Power Squadron will conduct a free one night panel discussion concerning small boat operation and safety afloat. This discussion will be held three times as follows:

1. 7:30 p.m. Monday, May 15, in the Water Front Recreation Building at the foot of Alter road. (This meeting is especially for residents of Grosse Pointe Park and Grosse Pointe City.)

2. 7:30 p.m. Wednesday, May 17, at the Pier — foot of Morris.

(This to serve residents of Grosse Pointe Shores and Grosse Pointe Farms.)

3. 7:30 p.m. Monday, May 22, a final meeting will be co-sponsored by St. Clair Shores and will take place in the Auditorium of the St. Clair Shores Recreation Center, 24800 Jefferson. (Residents of Grosse Pointe Woods are invited.)

Political leaders are sometimes swept off their feet by events — current events, no doubt.

After Sunday's games the league standings are as follows:

Team	W	L	T	Pts.
Schummer's	7	1	0	14
Demons	3	3	2	8
Soccertees	2	5	1	5
Unbeatables	2	5	1	5

Action in the Grosse Pointe Soccer League returns to the Lakefront Park tomorrow, May 12, at 1:30 o'clock when the Soccertees and the Unbeatables attempt to break their tie for third and fourth place. At 3:00 o'clock Schummer's will be out to make the Demons their sixth straight victim.

# Grosse Pointe High Netters Beat Monroe, Wyandotte

By Ed Chielens

Blue Devil netmen continued to mow down all opposition last week by beating Monroe on Monday here and Wyandotte on Thursday there. Only Monroe took a match from the Devils. Wyandotte lost 7-0 and the Trojans lost 6-1 to undefeated Grosse Pointe.

Against Monroe Tim McCormick took his match 6-2 and 6-3 against Bill Jones. Ron Burns had to fight hard to win his first set 7-5, but came back strong to finish his Trojan opponent 6-1.

**Rick Brydges Wins**  
Rick Brydges won decisively 6-0 and 6-1. Mike Lynch lost his match 0-6 and 4-6 to John Koeh of Monroe.

The doubles teams sent the Trojan teams home without winning a set. Swanson and Russell blanked their Trojan rivals 6-0 and 6-0. D'Hooge and Caceres took their match 6-1 and 6-1, and Smith and Marsden blanked their opponents 6-0 and 6-0.

"We beat them, but Monroe has a young and promising team", commented Grosse Pointe coach Don Zysk. The Wyandotte meet was not

easy as the score would indicate. The Devils only had two 6-0 sets, while they had five against Monroe.

**Win All Singles**  
McCormick won 6-2 and 6-2. Burns beat Larry Hooks 6-2 and 6-3. Brydges shut his opponent out 6-0 and won the second set 6:2. Lynch beat Ron Pippard 6-3 and 6-3.

Swanson and Russell won again, but not on shutouts. They won 6-2 and 6-4 at Wyandotte. D'Hooge and Caceres won 6-3 and 6-1.

Smith and Marsden won 6-1 and 6-0, to have a point scored against them only once in four sets.

The Devils will try to stretch their season victory string to seven meets Thursday against Royal Oak. Also, the Devils will meet Fordson next Monday.

# Neighborhood Club News

**Girls' Volleyball**  
The Senior Girls' Volleyball games are rapidly drawing to a close. The final games will be played at the Neighborhood Club tonight, the first game scheduled for 7:30 p.m. This has been an exciting season for the six teams entered in the league, and as they go into their final games the 8-Ballers lead the standings with 22 points. Tied for third place position with 11 points each are the Beavers and the Volleyettes, and tonight will decide which team will have the third place spot. Spectators are invited to see some exciting and excellent volleyball competition.

**Guys and Dolls Dance**  
The Guys and Dolls Dance Club will have an exciting and important dance Friday, May 12. Highlighting the evening will be the selection of the "King and Queen of the Year."

The boys and girls who have been Kings and Queens from October through April will compete for the honor. The winning couple will be chosen on the basis of their dancing ability, poise and personality. The King and Queen selected will be presented with trophies at the Spring Finales which will be held at the Neighborhood Club Friday, May 19.

Other surprise events are also being planned for this fine dance club and all junior members of the Neighborhood Club ages 7 through 12 are eligible to attend. The dance will start at 7:30 and end promptly at 9 p.m.

**Spring Finales**  
There is a circus atmosphere in the classes at the Neighborhood Club as the youngsters prepare for the Spring Finales which will be held Friday, May 19, starting at 7:30 p.m. The program has been named "Carnival Capers" and there will be many capers to be sure.

All the wonders of a circus carnival will unfold as you behold the strong man, the Great Swami with his mind-reading act, a daring tight rope act, the wild animals and, of course, the clowns.

Classes taking part in this major event of the year include Boys Gym, Girls Gym, Playmates, Funsters, Tap Dance

**DRIVER TICKETED**  
A ticket for reckless driving was issued to Anna M. Slatery, 916 Grand Marais, by City Police on April 10 following an accident on Notre Dame. Police said the driver was traveling northward on Notre Dame and struck a car parked at the curb owned by Frank Coyle, 1205 Bedford road.

Other games in the League ended with the following results: Redlegs 4, Cubs 3; Cardinals 4, Phillies 3; Red Sox 5, Yankees 2; Orioles 7, White Sox 4; Denver 8, Charleston 5; Rochester 18, Montreal 8.

These statistics are available because every three months each police chief in the country is required to send a report on crime to J. Edgar Hoover.

Officer Marks said that while parents are reluctant to take the police into their confidence where children are involved, the police can do nothing about obscene literature without a complaint.

In any case, he cautioned, parents must keep the evidence to help the police take action although the complainant himself need not be further involved.

Jameson Writes Television Show

Kay Charles Jameson, 1953 graduate of Grosse Pointe High School, has written and produced a half-hour television program at the University of Michigan television studios.

Jameson entitled his play "Kokusai Kekkon" or "International Marriages." The story revolves around the marriage of an American boy and a Japanese girl.

The author is the son of the Marshall Jamesons of Lancaster avenue. He has completed his undergraduate work at the University of Michigan and is now enrolled in the graduate school.

Recently as more serious to youth than narcotics, for which there is cure and none for deterioration of the mind, Officer Marks declared the problem must be met "head on" before becoming worse.

Grunyons Plan Center Concert

The Grunyons, Grosse Pointe's own Whiffenpoofs will give their annual concert of popular songs and harmonies generously sprinkled with fun at the Grosse Pointe War Memorial Center...

High; and Doug Krieger, popular pianist as well as singer. The new Grunyons replace some faces that will definitely be missed.

Regulars appearing with the Grunyons will be Murray Dodge for whom they will be singing their version of "Tea for Two" in honor of his recent engagement to "Pixie" Goodenough.

Songs new on the Grunyons agenda will include everything from Jerome Kern's "Yesterday" to the sophisticated barbershop "If You Want to See

a Girl That's Pretty." Of course, there will be many of the Grunyons old favorites on the program such as "Lucky Lindberg" and "Little Innocent Lamb."

Special entertainment of the evening will include Doug Krieger soloing on the Steinway and Murray Dodge outdoing Burl Ives with his guitar accompaniments of folk songs.

Everyone hopes they will join the fun in the audience.

Day With Dog Warden Can Be Exciting

This is Earl Trombley, among whose duties is keeping the canine population of Grosse Pointe Farms under control. For a detailed account

of his varied activities, we recommend the following story. The picture was taken by Peggy during the day she spent with him.

It's a far cry from round up time in the Old West to a day with Earl Trombley, Grosse Pointe Farms dog warden, but in suburbia we learn to make substitutes.

Earl rang my door bell at 8:30 a.m. We mounted his canine black maria and set off on our mission of protecting the people from the dogs and the dogs from the people. As we wheeled down Lothrop road,

Earl reported to police headquarters by radio phone, "Number 36, back on duty." Earl's radio keeps him in contact with the police station at all times, troubles from puppies to possum are relayed to him.

I was surprised with the multitude of equipment housed in the back, caged area, shovels, sledge hammers, burlap bags, boxes, chains and tools of all description. I was relieved not to find any harpooning equipment, but puzzled about where the four legged clients would find room to ride. Later in the day, as I came to know Earl, his job and his methods, I learned.

Our first quarry was sighted at 8:45 a.m. whuffing suspiciously at a choice evergreen at the corner of Kercheval and Moran. Earl swung into action, braked the car and poked his head through the window. One look, and the pup was off like a thief, for home. We followed slowly, watched him gallop to the side door of his house where, safe and brave again, he barked defiance.

This same flush - and - run technique worked like a circus trick on a black cocker in Touraine, the Richard Kimbrough's sheep dog in Kerby and a Dalmation in Kenwood Court. I began to suspect Earl of having placed some trained performers along our route but the truth is simply that Earl has learned, from his affection for dogs and from his eight years as Dog Warden, that force is seldom necessary.

A dog feels safest in his own domain. When the unfamiliar threatens, he heads for security and his bark upon arrival is his way of saying, "I'm on the king's land you can't touch me." Has 1100 Friends

Most of the 1100 Grosse Pointe Farms dogs have a barking acquaintance with Earl and his wagon and many have enjoyed a front seat ride. When a dog is far from home or doesn't respond to the Trombley Look, Earl "captures" him and fastens him to a strap in the front area. That grim looking caged area is strictly for the vicious and the dead.

was a brown and white spaniel, feathery and fleet of foot. Two legs against four is never an even match so Earl headed her into a fenced area and the jig was up. She was a stray, without collar or license. Because she was gentle and submissive, Earl gently led her by the scuff of the neck to the wagon. I moved over a bit and provided a few reassuring pats on our way to the veterinary. The police have an arrangement with a local pet hospital to provide temporary shelter for strays.

Our morning capture is in the picture. Earl and I are happy to report that she has since been claimed by the R. F. Kolowicks, of Kenwood road. Her chocolate colored friend is currently at the Humane Society. Sometimes, Earl takes a stray home for the night and a good meal. The Trombleys have no dog because their collie didn't believe in ordinances and he is now living in an environment that doesn't either.

All dogs are not as cooperative as the spaniel. When a cornered dog becomes vicious, Earl uses the burlap bag technique. If he is merely skittish, the dog lasso goes into action, a long pole looped with a rope which is slipped over the head and tightened. It is a tribute to Earl's gentle ways that in his eight years as warden he has been bitten only six times.

Find Many Troubles Dogs get into other troubles besides wandering. A few years ago, a brace of airfales dove for a cooling swim off the breakwater on Lake Shore. Unable to climb out, they swam unnoticed,

bloodying their paws with gradually weakened attempts to climb back onto the stone ledge. It was Earl who fished them out. We visited another of Earl's friends who owes his heart beat to our Dog Warden. Last December, George Van's poodle, Andy, was hit by a car near his home in Moran road. The dog was lifted and placed in a box in the rear of the wagon. The Vans and their children gathered for a last, sad look then, a faint flicker of life caught Earl's prac.

### Day With Dog Warden Can Be Exciting

(Continued from Page 10)

He sped Andy to the pet hospital where skilled hands mended his broken jaw with a steel pin and shaft. Tracy Van told us that Andy eats as well as ever, and, of course, he is never seen running at large.

Other members of the animal kingdom claim Earl's time and memory. His longest chase involved a pig owned by the Henry Caulkins. The pig took off one day on a marathon run, around, over, up and down Lewiston road.

Earl often arrests squirrels for breaking and entering. Specially for breaking, because when one of these fellows starts bruning from living room curtain to lamp to mantle you can indeed cry havoc.

#### Catches Birds, Too

Lost parakeets and canaries have occasionally spent a few days in the Trombley cage. There is no ordinance covering cats but often they can't get down from different places. Recently, Earl shook one out of a tree near Kerby field and caught it in a net, fireman style.

I was hoping for a "possum call that morning but we had no luck. Every once in a while someone discovers a "possum, usually in a wood pile. According to Earl, the technique for catching one is simple. You sneak up behind him because possums don't run, they bite; grab him by the tail and pop him into a bag. Then, if you don't want to test why the folks in Dixie "keep eatin' possum 'til they can't eat no more," there are some members of the highway department who will be happy to take him off your hands.

Besides finding dogs for owners, Earl finds puppies for people. While we were on the Hill, Elgy Mitchell, maintenance man at the Village Store, reported that his little daughter was thoroughly happy with the terrier pup Earl had found for her.

Later in the morning we call

ed on a dog accused of biting. When a dog bite is reported, Earl makes a daily check for ten days, the incubation period for rabies. The Farms has not had a case of dog rabies in the past eight years. The list of licensed dogs is checked each spring to be sure all owners have complied with the vaccination law. With Earl's conscientious patrolling for strays, you may be assured that all Farms dogs are licensed.

#### Luncheon Invitation

An invitation to luncheon with Mrs. Trombley added more enjoyment to the day. Over coffee, I admired several sculpture pieces in the Trombley living room and discovered that my host is the artist. Oil painting is another of Earl's talents. He has portraits of his wife, Anne, daughter, Annette and sons, Thomas and Marvin. Some of his work has been exhibited.

I learned too, that in his school years, Earl was a guitarist and had his own band. Pointers with memories over 30 years long will recall Hays' beef berger headquarters in Mack avenue. Many may remember a certain evening when the guitarist played in a tree in the front yard of the restaurant to encourage prospective patrons. The idea caught on. Earl hired more musicians and the management provided burger-in-a-bag service to cars. Earl suspects that may have been the birth of the first drive-in.

Mrs. Trombley met Earl during those music-making years. Later she was vocalist with the band but now, she proudly reports, she is very happy with her current audience, six month old grandson, Michael.

After luncheon we turned our attention from mutts to meters. When Earl began his current job, dog watching was a full time occupation but because he is a talented teacher and Farms dogs and owners are clever learners Earl was soon searching for other tasks to fill his time.

#### Has Many Jobs

First he took over maintenance checking of the police fleet, then sign planting and painting and now, for the past few years, he has been collecting coins and violation envelopes from the meters as well as repairing defective machines. Painting the yellow street and parking lines is another of Earl's jobs and he also collects abandoned bicycles. At the moment he has quite an assortment of bikes at the police station.

There are sometimes grim aspects to Earl's job. Because he carries such a variety of equipment, the police and fire department often call number 36 for assistance. Last week he helped prevent a suicide by using his sledge hammer to batter down the garage door.

We had one minor adventure in the afternoon, a woman locked out of a house in Moran road. We discovered the lady on the doorstep wringing her hands and shrugging her shoulders in a very French manner which

was as it should be because she is here on a visit from Paris. Between my French and her English we understood very little of each other but Earl saved the day. He opened a fenestra (window) with one of his secret tricks. I crawled through and opened the porte (door). The lady from Paris said, "Merci, merci," we said, "Il n'y a pas de quoi," and that was that.

Meanwhile, back at the ranch, my own poodle, Sambo was waiting where we had left him that morning. He greeted me with misplaced sympathy because from his point of view a day with Earl Trombley in the dog wagon could not possibly be a gay and interesting adventure.

### Voters' League Slates Studies

Two important areas are scheduled for study and discussion at the May Unit meetings of the League of Women Voters of Grosse Pointe. Revision of the League's publication, "This Is Your Grosse Pointe" and orientation into League program and procedures will be the points of concentration.

The League has been anxious to update and revise its publication of 1954 in order that its members and citizens of the community may learn more about their local government and may be better able to take intelligent action on local governmental issues.

Mrs. Harlan L. Hagman, chairman of Local Item II, will present plans for the revision of This Is Your Grosse Pointe. In addition, specific areas in which updating is in progress will be described and discussed.

Members and guests will be asked for suggestions and given an opportunity to contribute services in any area of interest. A special call is out for League members who are interested in writing.

Mrs. Joseph P. Thompson, chairman of the League's three study groups, will explain how the League of Women Voters functions, how study items are determined, and how the organization takes part in elections while still maintaining strict nonpartisanship.

Mrs. Leonard Slowin, president, will present the Study Items for the coming year and introduce the resource chairman who will direct the research into these subjects.

This May program may be heard upon three occasions and interested residents are urged to choose a convenient time to attend:

### Scholarships Given Pointers

Thirteen local students have been awarded Regents-Alumni Scholarships to the University of Michigan. The stipends, which vary according to financial need, are renewable each year based on the students' academic record in college. A record 686 Regents-Alumni Scholarships were awarded last week to seniors from 392 state high schools.

From Grosse Pointe High School, winners include Marilyn S. Chasteen, 1348 Roslyn road, literature, science, and the arts; Gary A. Chernay, 19636 Lancaster, L.S. and A.; Burke R. Fossee, 41 Shoreham road, L.S. and A.; Joyce Hancock, 469 Colonial court, engineering; Paul S. Papich, 1501 Dorthen, L.S. and A.; Donald M. Vroom, 1441 Wayburn, architecture and design; William R. Weber, 707 St. Clair, L.S. and A.; and Wayne T. Wilner, 1374 Nottingham, engineering.

Charles F. Loehner, 1745 Aline drive, a senior at St. Paul High School, won a scholarship to enter engineering. From Grosse Pointe University School, winners are John E. Siegmund, 19250 Linville avenue, L.S. and A.; Renee M. Bowdy, 21919 Shady lane, L.S. and A.; and Lynn E. Leithayser, 22427 Edgewood, L.S. and A.

### John H. French, III At Fort Belvoir, Va.

FORT BELVOIR, VA. (AHTNC)—Airman Third Class John French III, whose parents live at 130 Merrivether road, Grosse Pointe Farms, Mich., completed the engineer equipment maintenance course at The Army Engineer School, Fort Belvoir, Va., March 31.

During the nine-week course French was trained to repair and perform field and depot maintenance on such construction equipment as tractors, crane-shovels, graders and ditching machines.

French entered the Air Force last November and received basic training at Lackland Air Force Base, Tex.

The 22-year-old airman is a 1956 graduate of Hotchkiss High School, Lakeville, Conn., and a 1960 graduate of Yale University, New Haven, Conn.

Tuesday, May 16, 8 p.m., Hostess: Mrs. Delmar Robertson, 25 Radnor circle.

Monday, May 22, 9:30 a.m., Hostess: Mrs. Walter Jensen, 852 Whittier road.

Monday, May 22, 1 p.m., Hostess: Mrs. J. Robert Jessup, 945 Lakepointe avenue.

### Cub Pack 34 Holds Meeting

Cub Scout Pack 34 held its last meeting of the season on Monday evening, May 1, at Ferry School. The invocation was given by David Elias, Cubmaster Albert H. Lieder, and inducted Dennis Mauk and David Clark into the Pack.

"Indian Lore" was the theme of this month's activities. Den 6, under the direction of Den Mother Nora Schleicher, gave demonstrations of Indian sign language, war dances, and drum rhythms.

Piano and drum accompaniment were performed by Bill Schleicher and Paul Czubay respectively. Others taking part were Carl Rosenbusch, Joseph Hochheim, Dennis Lynch, Dennis Mauk, Mike Wolzko, and Fred Van Asshe. Mr. Lieder showed Walt Disney's movie "Bear Country."

Awards chairman, Dr. H. Miles Snyder, presented a Bear Badge to Donald Wilkie, and Silver Arrows to Bill Schleicher and Fred Van Asshe. A Pack Cook-Out is planned for Saturday, May 20, at Lower Huron State Park. Cubs and drivers are to meet at the Ferry School parking lot at 12:45 p.m. for transportation. Signed permission slips should be turned in to the den mothers.

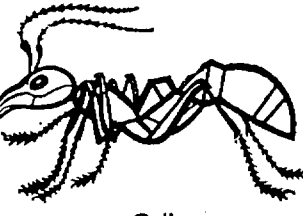

Special events chairman, William Schleicher, announced the Pack Family Picnic for Sunday, June 11. The following committee will meet May 16 at 8 p.m. at the Schleicher residence, 1461 Brys, to complete plans: Floyd Charley, William Healy, Mr. and Mrs. James Elias, Mr. and Mrs. Albert Lieder, Mr. and Mrs. Kurt Hampel and Mr. and Mrs. John Wolzko.

Den 6 was awarded the Gold "Goodie" Cup for the best appearance and also the Den Ribbon for the best parent attendance.

The benediction was given by Raymond Tatu.

The world is filled with closeted people who will keep everything except their promises.

### Takes Spotlights Off Parked Car

James Ryan, 24, of 4525 Hereford, Detroit, was charged with larceny by City police on April 23, after removing two spotlights from a car parked in the rear of 17624 Mack avenue.

Captain Andrew Teetaert said Ryan and a companion, Curtis Folts, III, 17, of 4575 Hereford, were apprehended by Officers George Brackx and Duncan MacEachern at 1 a.m.

Ryan later admitted that he had taken the lights from the car owned by Eugene John Ingrio, 11270 Wayburn, Detroit, had left them near the scene and was returning to pick them up. Folts apparently was not involved, the Captain said.

### Valparaiso P. Guild Plans Center Party

Thanks For The Buggy Ride

Commander Alan B. Shepard's slither through space last Friday, and the recent accomplishment of Air Force Maj. Robert White in hurtling the X-15 rocket plane to a record 3,140 miles per hour over the Mojave Desert, are feats that have a tendency to build up an immunity to awe over the great strides being made in rapid transportation.

We ordinary people lack the scientific knowledge which would enable us to completely evaluate the achievements. We can admire the courage, the patience, the dedication and confidence of those involved.

The things we have actually experienced are those we can best understand. At the same time they lead us a step nearer comprehension of related developments in man's progress.

As a child we spent a part of each summer on grandfather's farm. The nearest small town was 10 miles away and the country was hilly.

Last week we were invited to take a ride on one of American Airlines' new Astrojets, leaving Metropolitan Airport at 10:45 a.m. We left our home at 10 minutes of 10, were on the Expressway five minutes later and drove the 31 miles to Metro by 10:30.

We were given demonstrations of how maneuverable the ship is, how effortlessly she can cruise at 635 miles an hour. We were told we were over the Mackinac Straits when we made the turn and headed home.

This was a pretty fascinating experience. Sheer pleasure and complete comfort all the way. No two years of precision team drilling and physical and mental conditioning. No wondering whether the scientists had guessed right or wrong.

Someone said the other day that our Country is now five and a half hours wide and two and a half hours deep. How tall it is we haven't found out, but the Astronaut's will be telling us one of these days.

Pointers to Get Honors at U-M Many Grosse Pointe students at the University of Michigan will be among the 863 academically distinguished undergraduates to be cited at the 38th annual Honors Convocation tomorrow, May 12, in Hill Auditorium at the University.

"A Second Thought On First Aid" By Fred Kopp, R. Ph. We're constantly amazed at the number of children who cut, scrape and bruise themselves within sight (and sound) of our pharmacy. We do a big business in antiseptics, bandages, and other first-aid items. Same everywhere, probably. But sometimes we wonder if people don't depend too much on first aid -- neglect proper medical attention. If there's the slightest question in your mind following what appears to be minor injuries, see your physician. First aid has definite limitations. You can only be sure of proper medical care by seeing your doctor. A prompt visit can save a half dozen later.

What Goes On at Your Library

by Jean Taylor

Below are a few books which have been received recently at your library, and which we picked up at random.

There are some historical personages who, however many books have been written about them, provided continuous provender for the biographer or dramatist. Mary Queen of Scots is one of these.

The story of the ill-fated woman who became queen before she was a week old, is told again, this time by N. Bryson Morrison in his recent book, "Mary Queen of Scots." Here we encountered for the first time the royal house of Stewart, rather than Stuart, as we have always seen it spelled. A relatively short biography, it is smoothly and interestingly told with the romantic and emotional side of her story given full rein. Your library has also Stefan Zweig's "Mary, Queen of Scotland and the Isles," Herbert Gorman's "Scottish Queen" and Maxwell Anderson's "Mary of Scotland."

If you have read and enjoyed Frank O'Connor's short stories, you'll be delighted with his autobiography, "An Only Child," or if you meet him in this for the first time, we predict you'll seek out some of his earlier books.

He is a superlative story teller, and is at his best when he writes about childhood. His was an unhappy one with his mother's gayety disguising her sadness and insecurity, and his drunken father's bravado attempting to cover up his failures.

In retrospect Michael O'Donovan (Frank O'Connor, pseud.) writes of his parents and their colorful and extraordinary neighbors with appreciation, some affection and not a little humor.

This master of the short story is also a poet and critic. Among his earlier books are "Kings, Lords and Commons," translation of Gaelic poems; "The Mirror in the Roadway," a perceptively and stimulating study of the modern novel, and "Domestic Relations," a book of short stories.

Perhaps no two writers ever had more dissimilar back-

grounds than Frank O'Connor and Somerset Maugham; the one struggling every inch of the way to lift himself out of squalor, insecurity and ignorance; the other to the manor born, but equally unhappy as a child.

Maugham has stated that he wants no biographies written about him, and Richard Cordell, in his recent book "Somerset Maugham" - "a biographical and critical study," limits his account of Maugham's life to a fifty-page biographical sketch. He manages, however, to intertwine cleverly the writer's literary aspects and his personal experiences. According to Cordell, Somerset Maugham has not been so much attacked by the critics as ignored by them. It was Oscar Wilde who quipped "There is one thing worse than being talked about; not being talked about."

Maugham himself depreciates his ability. "My writing is a harmless habit that happens to be profitable." "I know just where I stand; in the very front row of the second-raters."

He has been a professional writer for over sixty years. Nearly forty million of his books have been sold in every part of the world, yet he has never pandered to popular taste.

This is an interesting presentation of this notable literary figure which may well cause you to reread some of his earlier books.

On the lighter side, mystery buffs interested in nautical know-how will enjoy "Down Among the Dead Men" by Patricia Moyes. A group of boating enthusiasts vacationing off the Suffolk coast uncover a murder, never detected as such, until Henry Tibbett, with his sleuth's instinct, appears on the scene.

Chief Inspector Tibbett was introduced in Miss Moyes' first book, "Dead Men Don't Ski," published a year ago. The author's two enthusiasms are skiing and sailing. Her knowledge of both are put to good use in these suspense novels, and her depiction of local settings is colorful and accurate.

## From Another Pointe of View

By Patricia Talbot

Forty years ago, under the sponsorship of the Junior League, the Detroit League for the Handicapped, Inc., was organized to give employment to the homebound and handicapped.

This Wednesday from 10 until 4 o'clock in the Lakeshore road home of Mrs. Standish Backus, the annual spring sale of the League will be held. Now the League is a community-supported activity that occupies a four story building in Detroit and employs several hundred people.

Lovely tablecloths, towels, bedspreads, blanket covers, play clothes and toys for children, aprons, boudoir cases and travel items are just some of the handmade articles which will be offered for sale. Sales will be held in several Detroit homes as well as in Mrs. Backus' home and later in the season there will be sales at the Michigan resorts.

Co-chairmen for the Pointe sale are Mrs. William B. Canfield, Jr. and Mrs. Jack Fraser. Among the board members who will serve as sales clerks are Mrs. John Pringel, Mrs. Ross Wilkins, Mrs. Truman Barbier, Mrs. Lloyd R. Marentette, Mrs. Wendell C. Goddard and Mrs. John R. Decker.

Others who will serve include Mrs. James S. Harland, Mrs. F. W. Schoew, Jr., Mrs. Ernest M. Kelley, Jr., Mrs. William H. Race, Mrs. Bryce W. Russell, Mrs. James Bulkley, Mrs. Frederick L. Colby, Jr., Miss Wendy Colby, Mrs. Gordon H. Wood, Mrs. Edward A. Skae and Mrs. John R. Odell, Jr.

### Tennis At Little Club

The Little Club has sent bids to the Birmingham Athletic Club, the Indian Village Tennis Club, the Orchard Lake Country Club and the Country Club of Detroit for the annual exhibition tennis match May 21.

Donald MacKay and Paul T. Peterson, last year's winners will play against Alvin Bunis, of Cincinnati, and Frank A. Thompson, of St. Louis.

## Party in Reverse Planned at GPYC

Ladies to Give Orders at Club's Dinner Dance May 20; Also on Calendar is Mother-Daughter Luncheon, May 20 and Bridge-Luncheon May 18

It's a sure guess that any party evening where everything works in reverse will be "A Night to Remember". That, in a nutshell, is what entertainment chairman Haford Kerbawy has in mind for Grosse Pointe Yacht Club's "Vice Versa" dinner-dance May 20.

Plans are nearing completion, says John A. Graffius, party chairman. There are gags still to be mapped, and unusual prizes to be determined. But the women will keep the party moving!

The cocktail hour is to start at 7 p. m. (and there's to be a fine "early bird prize" for the couple arriving first); dinner will be served at 8 o'clock in the ballroom, with dance music beginning at 8:30.

As party-goers arrive for cocktails in the Terrace Lounge, the women will place the beverage orders. The women will rise in polite courtesy when a man of their party leaves the table, or some masculine friend stops to chat. The women will give the dinner orders. Also, there'll be souvenir favors for the men.

The entire GPYC staff has been instructed to take orders that evening from the ladies only.

Every half hour a siren will blow. That means some couple or group is about to receive a prize (mystifying, but all "vice versa" from usual party procedure).

The evening will be climaxed by "June is Bustin' Out"—in other words, a fashion show for men. It will feature "d'Arturo" as commentator (Arthur Stringari), and GPYC's 10 best dressed men.

For all this, the chairmen

are asking that reservations be made early.

GPYC's annual Mother and Daughter Luncheon, slated for this coming Saturday, the day before Mother's Day, is in the charge of Mrs. Claude A. Greiner, chairman of women's activities.

Her co-chairman for the party which will be in the ballroom in a setting of yellow and white, are Mesdames Louis Palombi, John A. Graffius and Hamilton Kotcher.

Mrs. John R. Witt, wife of GPYC's commodore, will extend a welcome to the mothers and daughters of all ages. There'll be entertainment, then the feature of bestowing prizes in different categories, including the oldest mother, youngest daughter, the mother with most daughters present, the grandmother present who has the most grandchildren, and a four-generation group.

GPYC's springtime bridge luncheon and fashion show May 18 will be in the ballroom at 12:30 p. m., with Mrs. Karl Weber and Mrs. Henry J. Oldenkamp as co-chairmen. The fashion show will be staged by the D. J. Healy Company.

A few of those with early reservations are Mesdames Robert Patterson, Troy Maschmeyer, John McNamara, John L. Meier, Harry Chapman, Leo C. Huetter, Leo J. Schulte and R. Bliss Wolfe.

121 students to enter medical training in September as the Class of 1965, with four more to be selected to bring the class to 125. Selections were made from more than 500 applications.

Included among those picked were: ROLAND B. CLARK of Bedford road; and JOSEPH HENKE of Radnor circle.

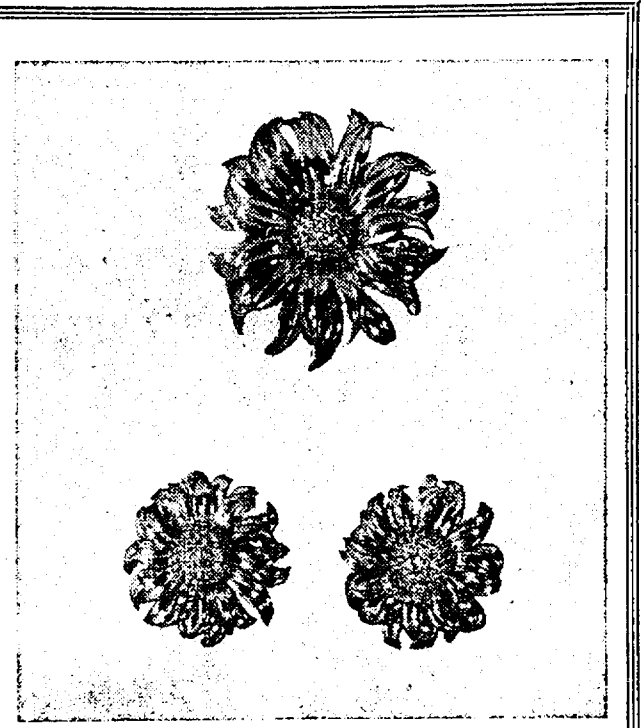

MISS LYNN MATHIVET, daughter of MR. and MRS. EUGENE C. MATHIVET of Lakeland avenue, recently pledged Chi chapter of Alpha Gamma Delta at Michigan State University.

MR. and MRS. NICHOLAS A. SHOCK, of Three Mile drive, announce the birth of their twelfth child, a daughter, GER-

ALYN MARIE, on April 9. Mrs. Shock is the former MARGARET FRESARD.

MRS. IVAN M. KIRLIN, of Renaud road, has been installed as second vice-president of the Society of Engineers Wives, which met yesterday at the Rackham Memorial Building.

Penny Thewalt, daughter of the FRANK THEWALTS, of Littlestone road, a junior at the University of Michigan, was among the 18 co-eds recently tapped for Scroll, an honorary society recognizing outstanding scholarship. Miss Thewalt was chairman of the Junior Girls play, is student governor, vice president of the Women's League and a member of Kappa Delta.

## Psychiatrist to Talk For Eastern Colleges

Dr. William C. Menninger, president of The Menninger Foundation a non-profit professional organization devoted to research, education, treatment and prevention in psychiatry, will speak Monday, June 5, at 8:30 p.m. in Ford Auditorium, Detroit, on behalf of the Detroit Committee for Seven Eastern Women's Colleges, Inc.

The committee is comprised of alumnae of Barnard, Byrn Mawr, Mount Holyoke, Radcliffe, Smith Vassar and Wellesley. Mrs. Leonard J. Grabow of Birmingham is the General Chairman. The organization, formed in 1936, now represents over 1,800 alumnae in Michigan.

Its aim is to promote the ideals and purposes of liberal arts colleges and to provide information about the seven eastern women's colleges. The group raises funds for general educational purposes and to secure scholarships for Michigan girls

attending these colleges in New England, New York and Pennsylvania.

The committee has brought to Detroit such nationally known persons as: Henry Cabot Lodge, Jr., Edward R. Murrow, Werner Von Braun, and Richard M. Nixon.

A 1925 graduate of Cornell University Medical College, Dr. Menninger has served as president of the American Psychiatric Association, the American Psychoanalytic Association, and the Group for the Advancement of Psychiatry. He is a member of the Board of Regents of the American College of Physicians.

He has served on the National Executive Board of the Boy Scout organization and participates in a number of groups concerned with health and social welfare. During World War II as the Consultant in psychiatry to the Surgeon General of the Army, he held the rank of Brigadier General.

His published works include: "Psychiatry in a Troubled World," "You and Psychiatry," and "Psychiatry: Its Evolution and Present Status"; plus leaflets: "Understanding Yourself," "Growing Up Emotionally," and "Enjoying Leisure Time."

In Detroit June 5, Dr. Menninger will talk on "You and Your Emotions," a presentation on the criteria of emotional maturity.

Tickets at \$2.50 each may be obtained from members of the committee or by writing: Mrs. John Guba, 627 Lincoln road, Grosse Pointe 30, Mich.

Among the Pointers on the Seven Eastern Colleges committee are Mrs. Wilber M. Brucker, Jr., Mrs. Walter A. Crow, Mrs. John Guba, Mrs. Kenneth McCoy, Mrs. Ford Ballantyne, Jr., Mrs. George J. Wilson, Mrs. Paul A. Duker, Mrs. E. Osborne Coates, and Mrs. Wilfred C. McLaughlin.

Ticket chairmen include Mrs. James F. Graves, Mrs. Harry Jewett, II, Mrs. Bryce Russell, Mrs. Paul J. Witzel, Mrs. John Richardson, Mrs. Charles Endicott, Mrs. Theodore H. Fuger, Jr., Mrs. George Detwiler and Mrs. Claudius Gage.

## Mothers' Club Bids All to Benefit Tea

This Friday Club Sponsors Card Party and Tea for Scholarship Aid at Grosse Pointe High School; May 25 Date of Annual Club Luncheon

Everything is in readiness for the big social event, the Mothers' Club Annual Scholarship Tea and Card Party, at the Grosse Pointe High School this Friday, at 1:30 p.m.

Mrs. John Herrmann and her chairmen have dubbed the party "Dollars for Scholars" report an excellent advance ticket sale.

But for any late comers Mrs. Charles Huber, ticket chairman, says that there will be tickets available at the door. Tickets are \$1.25 and it is a big bargain for a delicious tea but the money goes to a good cause, scholarships for our worthy Grosse Pointe High School students who need help.

Mrs. George Baer announces that the following will be pouring at the tea tables: Mesdames Arthur Bartholomew, LaMar Creeger, Eric Daniels, Hugo Horny, Erwin Koning, Ralph Lagerfeldt, Eldon Langbauer, Arnold Lungershausen, James Millies, Perry Penz, Axson Russell, Clarace Slocum, Wilfred Steiner, Richard Stoner, Homer Strale, William Taliaferro, C. F. Waggoner, Edward Wallace, Robert Weber, and O. R. Wilcoxson.

Elinor Rose, writer of a nationally syndicated light verse feature, will be the star attraction at the Mothers' Club spring luncheon and annual meeting. The event will be at the Lochmoor Club on Thursday, May 25, at 12:30 o'clock.

Mrs. Rose, whose column appears in the Detroit News, will

give the Mothers' Club humor and sparkling wit at its best as she whimsically describes "Sisters Under the Lipstick."

The president's message by Mrs. Fred Adams will be followed by the presentation of nominees for officers.

Reservations may be made by calling Mrs. Walter Gross, TU 5-7534 or Mrs. Donald Walker, TU 2-6191 or Mrs. Louis Carbone, TU 5-2298.

## From Another Pointe of View

(Continued from Page 13)

Mrs. Henry B. Joy, whose estate the property was, bid four guests to view their kitchen, a sparkling combination of mustard yellow, brown and black, which complements the walnut finished wood. An antique ivy filled lavabo is in the breakfast area which overlooks the lake and is furnished with black Hitchcock chairs and a table. A Dutch chest painted yellow is another focal point.

French provincial is the theme of the Anthony Mutschall kitchen in Webber place with wrought iron furniture finished in apple green setting the cheery note. Matching wall paper and drapes with a variety of greenery carry out the color scheme.

The other kitchens starred for the tour include the Harry Smiths, of University place, a tomorrow kitchen today; the streamlined early American kitchen of Mr. and Mrs. Henry S. Reynolds, of Kenwood court; the pink and pretty kitchen of Dr. and Mrs. John Fennessey, of Rivard boulevard; the compact and clever kitchen of Mr. and Mrs. J. E. Bowers, of Moran road, and the rhapsody in turquoise kitchen of the E. H. Heaton, of Handy road.

## Kerby School Plans Roundup

In order to achieve an easy transition for the children who will be coming to Kerby next fall, a Kindergarten Roundup will be held for mothers and fathers on Monday, May 15, at 8 p.m.

Parents are invited to attend this meeting so that they can become acquainted with one another and be able to consider ways by which the school staff and parents can help in orienting the September kindergarten children to their first school experience.

An opportunity will be given parents at this time to enroll their children in kindergarten instead of enrolling them during the week preceding the opening of school in September. Parents planning to enroll children at the Kindergarten

Roundup must bring the child's birth certificate or baptismal record. This meeting is for parents only.

On Monday, May 22, the September kindergarten children are invited to visit the kindergarten rooms sometime between 3:30 p.m. and 4:15 p.m. This will give them an opportunity to see a kindergarten room and become acquainted with the entire school. The children should, of course, be accompanied by a parent.

## Staunton-Moffett Vows Solemnized

Bride Wears Gardenia Silk Taffeta and Rose Pointe Lace for Rites in Memorial Church; Pair Motor to Virginia after Reception at the DAC

Joanne Louise Moffett, daughter of the George D. Moffetts, Jr., of Cranford lane, was married Saturday in Grosse Pointe Memorial Church to Richard Turner Staunton, son of the Gardner S. Stauntons, of Bloomfield hills.

A Mary Queen of Scots cap of rose pointe lace caught her two tiered veil of gardenia silk illusion and she carried lilies of the valley with phalaenopsis orchids.

Joy Staunton, the bridegroom's sister, was maid of honor and the bridesmaids were Martha Doss, of Flint; Linda Theis and Betsy Thomas. Jane Joki and Kingsley Ryerson were junior attendants.

They were gowned in leaf green silk organza fashioned with fitted bodices and bell shaped skirts. Their hats were Dior bows on miniature crowns of leaf silk organza with circular veils. They carried yellow roses with ivy.

Mr. Staunton was his son's best man and the ushers were James C. Pennypacker, of Quincy, Mass.; George D. Moffett, III, the bride's brother; Gary Brown, of Washington, D. C.; Brent Nettle, of Birmingham, and William Selmeier.

John Gilbert Davis, of Chevy Chase, Md., a cousin of the bride, was ring bearer.

For her daughter's wedding and the reception at the DAC Mrs. Moffett wore a champagne silk alpaca gown embroidered with scallops of Alencon lace around the neckline. Her hat was of silk champagne and green petals and her flowers were cymbidium orchids.

## Vassar Club Meets May 18

The annual meeting of the Vassar Club of Detroit will take place at 2:30 o'clock on Thursday, May 18 at the Aspen road home of Mrs. Harry Winston.

The meeting will be called to order by the President, Mrs. John J. Bradley and plans for Vassar's part in the forthcoming project of The Seven Women's Colleges will be discussed.

Following the election of new officers, tea will be served and Vassar Alumna will have an opportunity to enjoy Mrs. Winston's particularly fine collection of modern art.

stead in Hot Springs, Va., and the Greenbrier in White Sulphur, West Va., the bride wore a Dior blue imported silk suit with a matching blouse and a semi cape in gold wool, with a matching gold flowered hat and navy accessories.

The newlyweds will make their home in Birmingham.

## Preston-Hillner Betrothal Told

The engagement of Judith Ann Hillner, of Moross road, to David Michael Preston, of Maume avenue, has been announced by her parents, Mr. and Mrs. Charles Hillner, Jr., of Haverhill, Mass.

Mr. Preston is the son of Mr. and Mrs. David H. Preston, of the Whittier, formerly of Grosse Pointe Farms.

The bride-elect was graduated from the Burbank School of Nursing in Massachusetts. Mr. Preston was graduated from the University of Michigan where he was affiliated with Beta Theta Pi, and the University Law School where he was associated with Phi Delta Phi legal fraternity.

A late summer wedding is planned.

Among the 600 fathers attending the annual week-end at Northampton, Mass., at Smith College last week-end were JOHN G. GARLINGHOUSE, of Merriweather road, whose daughter, SUSAN, is a sophomore; ROBERT T. B. PIERCE, of Lincoln road, whose daughter, JANE is a sophomore; EDWARD A. SKAE, of Lakeshore road, whose daughter, ANNE, is a junior, and M. G. WHITTINGHAM, of Kenwood court, whose daughter, SARAH, is a junior.

In Grosse Pointe Memorial Church Saturday, evening JOANNE LOUISE MOFFETT, daughter of the George D. Moffetts, Jr., of Cranford lane, spoke her wedding vows to Mr. Staunton, son of the Gardner S. Stauntons, of Bloomfield hills.

## To Pay Honor To Mrs. Mills

Mrs. Wilson W. Mills, 7 Woodland place, daughter of Hazen S. Pingree, four-term Mayor of Detroit, and Governor of the State of Michigan, will receive the Patriotic Award of the Detroit Historical Society Guild, Monday, May 15, at 8 p.m. This is the occasion of the 39th Annual Meeting of the Detroit Historical Society, scheduled for Cobo Hall, Room 3037.

Mrs. Mills has been a Trustee of the Detroit Historical Society since 1939—its first and only woman president, at present an Honorary Trustee, and by appointment of Louis C. Miriani, Mayor of Detroit, a member of the Detroit Historical Commission.

A bronze medalion and testimonial resolution will be presented to Mrs. Mills by Mrs. Leland W. Foster, Guild President. The medalion was designed especially for the Guild and is a disc the size of a silver dollar, with pictures of the Museum surrounded by the French, British and American flags that have flown over Detroit. The medal's inscription is — "In Recognition of Patriotism" . . .

Program Chairman for the 39th Annual Meeting of the Detroit Historical Society is The Honorable Edward S. Piggins, Judge of Circuit Court. He has engaged guest speaker Louis A. Komjathy, prominent Detroit attorney who will speak on "The Iron Curtain As I Saw It." Mr. Komjathy was born in Czechoslovakia and came to the United States at the age of 12. During 1958 he traveled extensively in Europe and again during the summer of 1960, at which time he spent several weeks in the Iron Curtain Country of Czechoslovakia.

Ben R. Marsh, president of the Detroit Historical Society, will preside at a brief business meeting and election of Trustees, preceding the evening's program.

Special arrangements have been made at Cobo Hall for a tour of the new facility at 7 p.m. Reservations must be made by calling TE 1-0168.

Members of the Society Social Affairs Committee will serve as hostesses. Included are: Mrs. Edward S. Piggins, Mrs. Gordon O. Rice, Mrs. C. E. Frazer Clark, Mrs. Walker L. Cislak and Mrs. Thomas D. Leadbetter and Mrs. Gustave A. Wellensick.

## HIDE THE STITCHING

Skip the top stitching when sewing on easy-care fabrics. Home economists at Michigan State University note that wrinkle-resistant finishes often tend to pucker along the stitching line and top stitching simply calls attention to it.

## Mrs. Bainter Celebrates 80th Birthday on May 4

A dinner party was held in the State Room of Botsford Inn on Sunday honoring Mrs. Samuel Bainter of Clairview court. Mrs. Bainter was 80 years old on May 4.

Those celebrating with her were her daughters, Mrs. George E. Miles of Roslyn road and Mr. Miles, Mrs. Robert C. Boyd of Clairview court and Mr. Boyd, Mrs. Jerald E. Foley of Farmington. Her grand children Mr. and Mrs. Ronald Beatty, Jane and George Edward Miles, Michael and Patrick Foley, great grandchildren Ronald and Laurie Beatty; her brother Mr. John K. Farris, niece Dolores Farris, and Mrs. C. A. Althoff.

Mrs. Bainter was presented with a beautifully decorated birthday cake and a money tree.

## Blossom Time Tea To Aid Domicans

Sisters of the Sick Poor Will Receive Funds from Party in the Lakeshore Road Home of the Harry B. Howensteins on May 17

The Harry B. Howensteins will celebrate Mr. Howenstein's birthday on Wednesday, May 17, in a most unique way. Their beautiful new home in Lake Shore road will be opened to the Dominican Sisters of the Sick Poor Auxiliary. The Georgian mansion with its formal gardens is located on the former Newberry estate overlooking Lake St. Clair.

The work of the Dominican Sisters of the Sick Poor is very close to the heart of Mrs. Howenstein, the former Grace Briggs Robinson, since 1956 when the Sister-nurses moved into the home of her late parents, the Walter O. Briggs, 700 West Boston boulevard, now known as St. Ann's Convent.

The community established their first foundation in Detroit 33 years ago. They are registered nurses doing missionary social service and home nursing in metropolitan Detroit. The service is non-denominational and is supported entirely by voluntary donations.

Auxiliary President Mrs. L. Verne Ansel has invited Mrs. J. Addison Bartush and Grosse Pointers Mesdames Charles T. Fisher Jr., Mrs. George L. Cassidy and Mrs. Walter E. Tomiele to chairmen the "Blossom Time" Tea.

They will be assisted by many area women, on the various committees, among whom are Mesdames George L. VanAntwerp, Harry Dunn, George Jaglowicz, Harvin Keller, Brian Malloy, Joseph Dettloff, Henry Murrya, Walter Bayer, Robert Goffredson, G. Jordan, Clarence Totte, John Mitchell and Harold Frear.

Invitations to pour tea have been extended to Mesdames Lawrence Goffredson, Hans

## Fred Steyers Wed 50 Years

Mr. and Mrs. Fred A. Steyer will celebrate their Golden Wedding Anniversary on Sunday, May 14, with relatives and friends at a reception in their home in South Renaud road, preceded by an anniversary dinner.

Married in Detroit, they have two children, a son Wilbur and a daughter Mrs. Mildred Fox. Mr. Steyer is still active in the business which was started by his father 56 years ago. They plan a trip to Hawaii this year.

## Styles Party At Boat Club

The Detroit Boat Club's "Summer Spectacular for the Ladies" on Wednesday, May 17, will feature 1961 hot weather hair styles, glamorous hot weather make up and pool fashions.

The Women's Committee has arranged for Leon of Grosse Pointe, assisted by Mr. Edward and Miss Maxine Cort, members of his staff, to preview 1961 summer hair dos and reveal the secrets of glamorous hot weather make up.

In addition, there will be a showing of a beautiful new 1961 collection of pool and boating fashions which will be modeled by Boat Club members, Mrs. Owen R. Baker, II, Mrs. A. John Cutting, Mrs. Post Fordon, Mrs. George H. Jury, Mrs. William T. LaRue, Mrs. Allen A. Neef, Mrs. Edwin J. O'Connell and Mrs. Robert E. Sholty.

Chairman of the committee planning the "Summer Spectacular" is Mrs. John B. Gray. Assisting her are co-chairmen Mrs. Robert M. Palmer, Mrs. Robert J. Barrett, Mrs. Burton R. Durkee, Mrs. Charles P. Noonan, Mrs. Ivan B. Taylor, and Mrs. John M. Fitzgerald.

Cocktails start at noon. Luncheon will be served at 1, and will be featured by the "Beauty Show" and bridge.

SANDRA BONO, above, who are enrolled in the co-operative nursery at First English Lutheran Church, Vernier road at Wedgewood. Volunteer workers from Delta Gamma include, left to right, MRS. DAVID TEAGUE, MRS. F. D. FOUNTAIN, and MRS. CARL WEIDEMAN, Jr.

## Church Women Install Officers

At a service of evening prayer Monday, conducted by the Rev. Edgar H. Yeoman, the newly elected officers of the Episcopal Churchwomen of St. Michael's were installed.

The new president is Mrs. Robert J. Gaskill; first vice-president, Mrs. George Kalb; second vice-president, Mrs. William Hahn; treasurer, Mrs. George Bashara; assistant treasurer, Mrs. Arthur Walker, recording secretary, Mrs. Robert Waters, and corresponding secretary, Mrs. John Ludwig.

Guidance chairs include Mrs. Ira Reindel, Mrs. Harold Harden, Mrs. Edward Winslow, Mrs. James Chamberlain, Mrs. Sidney Gilliat, Mrs. George Fraser, Mrs. Wayland Weaver, Mrs. Walter Seyffert and Mrs. Jack Manko.

Appointed as chairmen of standing committees were Mrs. Allen Schildhammer, program; Mrs. Edward Knoll, Christian social relations; Mrs. Robert White, supply; Mrs. Harry Black, ways and means; Mrs. Harry Altman, membership; Mrs. Charles Kern, housekeeping; Mrs. Bruce Regan, Altar Guild; Mrs. Ben Hubbard, church periodical; and Mrs. Clarence Gunn, cancer pad supplies.

Mrs. Brown McGregor will continue as chairman of the Thrift Shop. Mrs. Darrell Stutzer will be in charge of the Blood Bank.

Acting as representative to the United Church Women of Detroit will be Mrs. George Brown; to the Women's Guild of the City Mission Society, Mrs. Nelson Fisher, and to the Motion Picture and TV Council, Mrs. Stanley Loeffler and Mrs. Donald Ford.

Serving on the Grosse Pointe Council for Better Literature for Youth will be Mrs. James Taylor and on the junior board of Williams' House Mrs. Joseph G. Rhein.

During the business meeting following the installation service annual reports were heard and drawing; for guild membership. Refreshments were served by members of St. Hilda Guild and a bake sale was held by St. Martha Guild and the Episcopal Churchwomen of St. Edward's Mission, Fraser.

## Learn to Ride at Oak Knoll Farm

### Equitation, Dressage and Show Riding Taught by Instructors of Champions

Oak Knoll Farm, adjacent to Kensington Park near Milford, is one of Michigan's most modern and best equipped horse farms dedicated to breeding, training and boarding show horses and teaching riders, young and old alike, the fundamentals of riding and horsemanship.

Instruction in equitation and show riding is under the direction of Miss Dawn Atlas, formerly of Fantasy Farm Stables, Michigan City, Ind. Her students have won many championships in various age groups. Frank Nuccio, Oak Knoll Farm manager, has trained and presented champion horses in many Eastern and Midwestern Shows.

Oak Knoll Farm is a 44-acre training ground. School horses are three-gaited, five-gaited and fine harness. For further information, write or telephone . . .

## Tea to Launch Exhibit of Art

Something new in the line of teas will introduce the exhibition of "unfinished" paintings by the Students of Steve Davis at the Grosse Pointe War Memorial Center. It will be a "studio tea" on Monday, May 15, from 4 to 6 p.m. with the artists receiving in their smocks and jeans while busily at work on their canvases.

After observing the artists at work guests will be invited to have punch on the terrace and then take the elevator to the second floor exhibit rooms where nearly finished canvases will be on display.

Mr. Davis will explain to the guests what each student is doing and has accomplished. He believes in the rhythm method. He will explain that every human being has a specific rhythm which is apparent in his works, speech, walk and also in his painting. Some, of course, lack rhythm completely and never become artists.

Mr. Davis actually starts his students with bodily rhythmic movements. After practice they take drawing instruments in hand and draw in rhythm on prepared large canvases. He attempts to prevent students from getting out of step and breaking the smooth rhythm of their design.

From the series of rhythmic lines Mr. Davis asks his students to make associations and produce a concrete subject within their frame work. Then he asks that they choose simple color combinations to properly depict the mood of the subject.

Visitors to the exhibit will see a wide variety of subjects ranging from "Mother and Child" to "Birds in Flight." The exhibit will be open to the public through June 1.

## Lochmoor to Mark Maytime with Party

Ladies Fashion Show Luncheon with a Flowery Scene is on Calendar for May 17; Hostesses Mrs. Henry C. Weidler, Mrs. Edward L. Weber

"Romance of Maytime" is the theme of the ladies bridge luncheon at Lochmoor Club on Wednesday, May 17.

Hostesses Mrs. Henry C. Weidler and Mrs. Edward L. Weber admit the influence of the beauty and light-hearted gaiety of Sigmund Romberg's operetta "Maytime" in planning the party decor.

To set the mood feminine guests will be greeted by the strains of "Maytime" playing in the background as they step inside the club house.

Two handsome mannequins will be posed beneath an arbor of apple blossoms amid a picturesque garden setting. Dogwood and apple blossoms will be banked on the fireplace mantels and used to center the cocktail tables in the lounge and individual tables in the dining rooms.

A parade of fashions will go on following the 12:30 luncheon. Country club clothes will be shown ranging from practical play to glamorous evening ensembles.

The table prizes for the bridge session which follows are a deep dark secret. The hostesses will only reveal that they were obtained from the gift shop at Cottage Hospital where both Mrs. Weidler and Mrs. Weber are devoted volunteer workers.

## Circle to Have Flower Party

With the fragrance of spring in the air, Our Lady of Fatima Circle presents an evening of "Living With Flowers."

This flower designing demonstration will be held in the Clubroom of Our Lady Star of the Sea on Wednesday, May 17, at 8 o'clock. Dessert and coffee will be served. The donation is \$1.25 and tickets may be obtained at the door.

Among the members who will attend are Mrs. Sidney Harvey, Mrs. W. Tom ZurSchmiede, Sr., Mrs. John A. Demorest, Sr., David Lowe, Mrs. Edward F. Glanz, Mrs. Harry Rife, Mrs. Garnet R. Cramer, Mrs. Robert C. Becker, Mrs. James Cunningham, Mrs. John Kendall, Mrs. John Dumsler, Mrs. Alex J. Szmigiel, Mrs. F. William Scilheim, and Mrs. Ben F. Bregi.

With the advent of warm weather and outdoor activities on the preferred list of the distaff members, the May 17 party concludes the monthly bridge luncheons until September.

The Welcome Wagon Club of Grosse Pointe will hold a luncheon at noon on Thursday, May 18, at the Detroit Yacht Club, Belle Isle.

Following the luncheon the installation of new officers will begin with Mrs. Henry O. Evgen handing over the gavel to Mrs. Burt E. Ballard, the new president.

The new officers include Mrs. L. B. Curtis, first vice-president; Mrs. Arthur Mapes, second vice-president; Mrs. Richard Carr, secretary; and Mrs. F. Eugene Eads, treasurer. The names of the new committee chairwomen will be announced by Mrs. Ballard at the luncheon.

The outgoing officers are Mrs. H. O. Evgen, president; Mrs. R. E. Pickup, first vice-president; Mrs. Allen Schwartz, second vice-president; Mrs. Burt E. Ballard, secretary; and Mrs. William J. Hermann, treasurer. Reservations for the luncheon must be made by Tuesday, May 16 at noon, to Mrs. John N. Spain at TU 2-9133 or to Mrs. E. W. George at TU 5-8923.

The Detroit branch of AAUW has invited members of the Grosse Pointe branch and 18 others to a May 13 luncheon meeting at the Detroit Yacht Club. ## Exchange Vows At Duns Scotus

St. Anthony Shrine of Duns Scotus College was the setting Saturday noon for the Nuptial Mass uniting Mary Jane O'Rourke, daughter of Mr. and Mrs. Harry J. O'Rourke of Detroit, to Michael R. O'Connor, son of the Alonzo J. O'Connors, of Ridgemoor road.

Miss O'Rourke wore a gown which she designed and made, of white peau de soie with re-embroidered Alencon lace on the bodice and bracelet length sleeves. The bell-shaped skirt accented with tiny bows, fell into a chapel train. Her illusion veil was held in place with a lace trimmed pill box crown. She carried a prayer book with white orchids and stephanotis.

Sharon Persia was maid of honor. Bridesmaids were Mrs. Richard O'Connor, Diane Pakula, and Jane Livingston. They were gowned in pink silk shantung sheaths with circle necklines and bell shaped overskirts accented with tiny bows. All wore matching ribbon bow hats. They carried bouquets of multi-staged pink sweetheart roses.

The bridegroom's brother, Richard O'Connor, was best man. Seating the guests were Charles Campbell, Charles Pischea and Bernard Taylor. For the reception at the Maplewood Club House, the bride's mother wore a Dior blue Italian silk dress with matching accessories. Mrs. O'Connor wore a gown of turquoise silk shantung. Both mothers pinned white orchids to their dresses.

The bride chose a green linen costume for the wedding trip to Florida.

## Convent to Present Graduates at Ball

In this 75th Anniversary Year the Convent of the Sacred Heart Alumnae Will Give June 9 Dance at Country Club for Graduating Class

The Convent of the Sacred Heart Alumnae have planned to mark this 75th anniversary year with a ball, which they hope will become a tradition, for the June graduating class.

"The Petit Bal" will be held on June 9 at the Country Club with each of the white gowned graduates being presented by her father.

The club will be decorated as a French garden with topiary rose trees and quantities of summer flowers. Pink tapers will light the tables in the dining room for breakfast.

The graduates include Carol Gargaro, Sally Fitzgerald, Jean Elizabeth Frank, Sue Gehrke, Elizabeth Jane Hennecke, Linda L'Heureux, Carol Ann Macksood, Mary Carol Minnick, Catherine Morgan, Carol Ann

Pucci, Lucy Ann Schaible, Lorre Shea, June Sine, Cathy Thompson, Elizabeth Ann VanAntwerp, Mary Boecacio, Grace Church, Kathleen Disser, Mary Dossin and Stephanie Farley.

Mrs. Hans Gehrke, Jr., is general chairman of a committee which includes Mrs. John Drummy, Mrs. Charles Kotcher, Mrs. Hamilton Kotcher, Mrs. Eugene Gargaro, Mrs. Hugh Daly, Mrs. John K. Roney, Mrs. Fred Cody, Mrs. Thomas K. Fisher, Mrs. John Griffin and Mrs. Ralph Disser.

Nothing is so blind as an investigating committee that doesn't want to investigate.

## Betrothed

Picture by Colonna Studios.

At a family dinner party at the Detroit Yacht Club Mr. and Mrs. Marvin Ortwein, of Moran road, announced the engagement of their daughter, JOANNE, to William O. Grierson, son of Mr. and Mrs. Joseph Grierson, of Ashley avenue.

Miss Ortwein is an alumna of the University of Michigan, where she was affiliated with Pi Beta Phi sorority.

Mr. Grierson is also an alumnus of the University and was affiliated with Sigma Alpha Epsilon.

A late August wedding is planned.

## Mrs. Ford Bids Club to Farm

Mrs. Emory M. Ford, of Woodland place, will open her Wingford farm on May 18 to members of the Garden Club of Michigan.

A bus will leave the Country Club at 10 o'clock for the farm where luncheon will be served.

## Church Circles Adopt Project

Circle meetings of St. Paul Lutheran Church, Chalfonte and Lothrop, women will feature a "shower" of material for Sunshine Bags. The ladies are asked to bring three-quarter of a yard of 36 inch material, such as colorful percale, to their May Circle meetings. This yardage is enough for two Sunshine Bags.

Sunshine Bags are given to patients in hospitals to hold toilet articles and personal belongings. This is an annual project of the American Lutheran Churchwomen, working through Lutheran Social Services of Michigan.

Last year Detroit area ladies made 8,832 Sunshine Bags; 5,067 went to patients at Wayne County General Hospital (Eloise). Mrs. Elsie Cloutier is in charge of the sewing for St. Paul.

Devotions at the May circle meetings will center around the topic, "How Shall I Pray for My Family?" Ladies will be asked to consider what three positions for their family they would ask, if they could be granted. After Devotions there will be a business meeting, then refreshments and fellowship. Some circles have their refreshments before the meeting.

The meetings are as follows: Lydia Circle, Tuesday, May 16, 12:45 p.m. at the church.

Mariam Circle, Tuesday, May 16, 7:45 p.m., at the parsonage.

Ruth Circle, Tuesday, May 16, 7:45 p.m., at the parsonage.

Rachel Circle, Tuesday, May 16, 8 p.m., at the home of Mrs. Alton Myers, 24850 Warrington, East Detroit.

Sarah Circle, Tuesday, May 16, 7:30 p.m., at the home of Lennox.

Elizabeth Circle, Wednesday, May 17, 8 p.m., at the home of

## Junior Volunteers Honored

Picture by Barbara Marx

Sixteen teenagers will be honored today at a tea by the Women's Auxiliary of Detroit Memorial Hospital. The girls will receive bracelets commemorating their Saturday volunteer service to the hospital. The juniors, all tenth graders at Grosse Pointe University School, decided to do the work as a class project. Some of the girls including STARR LANGSTON, left, will receive candy-striped uniforms in addition to the bracelets for their many hours of service. KIT HOEY, right, is another of the GPUS volunteers, who will receive tea from MRS. ROBERT F. RENTENBACH, Auxiliary member.

Mrs. Clifton Myll, 28916 E. Jefferson, St. Clair Shores.

Dorcas Circle, Thursday, May 18, 12:45 p.m., at the church.

Esther Circle, Wednesday, May 24, 12:45 p.m., at the church.

On June 6 at 1 p.m. the very popular fashion show "Fads 'n' Fancies", of the Goodwill Industries will be at St. Paul. Fashions dating from back a century on up through the flapper era are featured in this show. St. Paul Senior Women Citizens and ladies from Luther Haven, home for the aged, will be guests for the occasion. Dessert and coffee will be served after the show. Friends and neighbors are welcome to attend this affair.

The ladies will be bringing their Penny-a-Meal banks once again, to be emptied. The proceeds from these banks are to be used to purchase new china and flatware for the new kitchen in the new Parish Education Building, which will soon be completed.

Because equipment in the old kitchen has been removed, and the new kitchen not yet ready to use, it was decided to cancel the annual Mother and Child banquet, scheduled for May 12. Adeline George, chairman of the Work Day Group, which sews cancer pads for the Michigan Cancer Foundation, has issued a request for cancer pad material. Old, clean, sheets—colored as well as white—make ideal material for this purpose. Donations may be brought to Fellowship Hall at the church.

The Cause of the Month for May, in accordance with the national ALCW, is Lutheran Cooperation. By this is meant the number of activities the ALC enters into in cooperation with other Lutheran bodies, such as the American Bible Society, Lutheran World Federation, World Council of Churches, Lutheran World Action, The Book and Tract Mission of the ALC, the Evangelism Conference, Radio and Television sponsored by the National Lutheran Council, Christian Approach to the Jews, and the Jubilee Fund. A sum of money from the general treasury has been set aside by St. Paul Churchwomen for this purpose.

## Woman's Club Party May 17

"Music and Flowers!" This is the theme of the annual meeting of the Grosse Pointe Woman's Club on Wednesday, May 17 at the Grosse Pointe War Memorial Center.

Mrs. Joseph Chojnowski, social chairman and her assistant, Mrs. L. J. Cardwell, will present another enjoyable tea to be served at 1 o'clock. The tea hostess will be Mrs. Clifford Cardwell. She has asked Mrs. Henry Grewe, Mrs. J. W. Harrison, Mrs. T. W. Huebenthal and Mrs. Leonard H. Rochte to alternate at the tea table which will be arranged by Mrs. J. E. McCaughey who will use spring flowers to portray "Rhythm."

The tea committee will include: Mrs. Ben Bailey, Mrs. R. E. Baum, Mrs. George L. Cassidy, Mrs. Bernard Chick, Mrs. Fred C. Cousins, Mrs. Robert Dice, Mrs. Lee W. Garrett, Mrs. Harry Gee, Mrs. H. R. Groening, Mrs. Harry J. Ibler, Mrs. John A. Knob and Mrs. Frank Lister.

Also assisting will be Miss Carolyn S. McGraw, Mrs. John P. K. Miller, Jr., Mrs. Alfred Mitschke, Mrs. Frank T. Nelson, Mrs. Robert F. Nelson, Mrs.

Wayne Osborn, Mrs. H. J. Quinn, Mrs. Richard Reins, Mrs. Joseph S. Sherrard, Mrs. Harold E. Siebert, and Mrs. Arthur L. Watts, Jr.

The annual meeting and election of officers will begin at 1:45 o'clock. Mrs. J. W. Harrison, president, will review the activities of the club for the past year. New members will be introduced to the group by the membership committee chairman, Mrs. M. L. Van Dagens.

The program chairman of the day, Mrs. Wallace Brownson will present a musical ensemble consisting of two violinists, a pianist, and a vocalist—all Grosse Pointers.

Mrs. Kenneth Kimmel and Mrs. Ambrosini, both violinists, are members of the Grosse Pointe Symphony. Mrs. Hagedorn is one of the soloists in the Grosse Pointe Methodist Church and is director of the junior choir. She also sang over radio and in light opera in San Francisco. Mrs. Kiefus is the pianist for the group and for the junior choir of the church. She is also pianist once a month for church service at the Marine Hospital.

**LOBSTER A LA KRAMER**—Blaise New Yorkers, not startled by very many things, takes a second look as Greenwich Village offbeat jewelry designer Sam Kramer carries a live, 15-pound lobster to his office in a special carrier. He keeps the shellfish alive on a vitamin diet and salt water baths, and uses the creature as inspiration for new jewelry designs.

**KEPT SECRET**—Laura Shepard, 13, a student at Principia College, St. Louis, Mo., said the fact that her father, Comdr. Alan B. Shepard, 37, was going to be the first astronaut was a secret she found hard to keep.

**FBI AIDS BAFLED MOTHER OF TWINS**—Last Jan. 6, Mrs. Louise Keller of Washington gave birth to her second set of twins, this time identical boys. Recently she lost their identification tags and was unable to tell which was which. She sought the aid of the FBI, which sent special agent Beverly Ponder. He compared the boys' fingerprints with the hospital's prints, proving Steven (left) is Steven, and Robert is Robert. They were re-tagged.

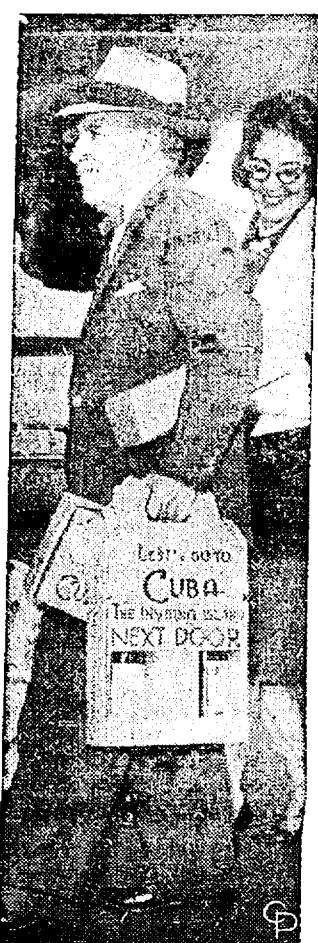

# Jill of All Trades Risks Pretty Neck Testing Auto Tires!

Gorgeous Betty Morgan, sporting her usual leopard-skin slacks, poses in her "working clothes" as a tire test driver.

**TORNADO KILLS 9, INJURES 54**—A swift-striking tornado that caught residents off-guard killed nine persons and injured 54 others in Howe, a small Oklahoma town in eastern Oklahoma. This church, due to have been dedicated two days later, was destroyed.

**CUBA SI, SPELLING NO**—Now that plans service from Cuba is back in working order, this gent lands in New York with a misspelled message on that carton he carries, "Lest's Go to Cuba, the Inviting Island Next Door."

**STAMPS OF APPROVAL**—Here are reproductions of the food stamps for eight depressed areas of the nation. Use of them replaces free distribution of federal surplus food.

**GISELE'S FIRST BORN**—Gisele MacKenzie Shuttleworth and her husband, Bob, pose with her first born child, MacKenzie Duffy Shuttleworth, in Las Vegas, where Miss MacKenzie is appearing in a show. "McDuff" was born March 19.

**NO REMORSE**—No remorse was apparent as Donald Jay Moon, 19, of rural Bangor, Michigan, held high the fist with which, he told police, he beat 15-year-old Geraldine Williams (inset) into unconsciousness before criminally assaulting and killing her. Geraldine, who was abducted in South Haven, Mich., while waiting for a junior high school bus, was found beaten to death in an abandoned farmhouse.

**WHAT A SPOT FOR AN ASTRONAUT**—Mrs. Grissom watches as Virgil Grissom, one of the three "prime" U.S. astronauts, gets ready to change a flat tire on their car at the Holiday Inn Motel in Cocoa Beach, Fla., just as you and I.

**BLACK MARBLE**—Italian sculptor Antonello Rizza chiseled this remarkable likeness of Britain's Queen Elizabeth in black marble.

**'PRETTY DAMN DUMB'**—Robert Faxton, former president of General Electric, tells the Senate Antitrust Subcommittee in Washington that he "must have been pretty damn dumb" not to know what was going on lower down on the corporate ladder. He said that during the depression years, when he was a salesman for GE, the company had agreed with competing firms not to bid low for business.

**HEY, YOU FORGOT TO TURN OUT YOUR LIGHTS!**—A ripping, splashing sound woke Ira Yates from his slumber at his home in Menlo Park, Calif. Mrs. Eleanor Hoffman, his neighbor, explained she stopped her car in her driveway and was opening her garage door when the car's brakes slipped. The car rolled 105 feet.

**TRAINING CONTINUES**—Awaiting a break in the weather, U.S. astronaut Alan Shepard is helped into his Mercury space capsule for another simulated test at Cape Canaveral.

**SAYS FATAL SHOTS WERE ACCIDENTAL**—State police Det. Sgt. Charles Meyers inspects the 22-caliber rifle used in the fatal shooting of two Holland, Mich., girls, Margaret Chambers, 12, and Carol Gee, 11, while they were picking flowers in a woods. Arrested in Kadoka, S.D., James Scott Stephens (inset), 16, of Holland, admitted he fired the shots, but told authorities there, "It was an accident."

**IN CASTRO CLUTCHES**—Capt. Manuel Artimo (above) top civilian leader of the ill-fated Cuban invasion, is reported a prisoner of the Castro regime.

**HEADS C. OF C.**—New president of the U.S. Chamber of Commerce is Richard Wagner, shown at the 49th annual convention in Washington. He is chairman of the executive committee of the Champion Oil Company.

**102,823 MILES**—J. N. Marshall, 91, polishes hood of his 1930 car in Niles, O. The heap has gone 102,823 miles and still looks real good at age 31.

Park Adopts Big Budget

(Continued from Page 1) 300; and Appropriation of Surplus, \$100,454.87.

Disease Hospital Gift The wordy and time-consuming aspect of the hearing pertained to presenting \$700 to Bon Secours Hospital for emergency services on behalf of the Park; and two items unrelated to the budget, but placed on the agenda to be discussed during the budget hearing.

Since 1945, the Park has presented the hospital an annual check in the amount of \$700, without "quibbling," to help defray the hospital's expense in taking care of accident, and other emergency cases, occurring in the Park. This sum has been included in the budget each year.

At Monday night's hearing, the council questioned appropriation of this sum, for the hospital, since the Park is the only community that is doing so, whereas other communities in the area that avail themselves of Bon Secours' service, contribute nothing.

Appreciates Service The council pointed out that it appreciated the wonderful services rendered by the hospital, but looked askance at the fact that other cities are receiving the same excellent emergency service without paying a cent.

The council did not vote to cut off the \$700, since it was in the budget, but did agree to withhold this sum from the hospital until the matter can be discussed further.

Deviating from its usual business-like action, the council then discussed the unrelated budget items, a telephone emergency reporting system for police and fire; and the installation of a golf putting green on the Three Mile Drive Park property.

Neither of the items have been talked about previously, and no funds to pay for them were included in the 1961-62 budget.

Phone Cost Cited The emergency system would be installed by the Michigan Bell Telephone company, at strategic locations in the city, and would cost the Park \$450 a month, or \$5,400 a year, according to Thomas Peet, the company's sales representative, who outlined the system to the council.

He said that the cost of installation, and maintenance and repair will be handled by his company. He explained the advantages of the system, which would include a central switchboard.

Peet stated that in emergencies, when the receiver from any of the boxes is lifted, a light goes on at the switchboard, pinpointing the location of the call. If something should happen, wherein the caller cannot complete the call, the switchboard remains lighted, and police and fire equipment can be dispatched to the scene. Wyandotte and Warren are using the system and are satisfied, he said.

Requires 30 Phones Stone disclosed that the Park could use about 18 of the emergency phones, but Michigan Bell requires a minimum of 30 phones put in before it will

undertake the installation. The City and Farms appear interested in such a system, the city manager said, and might consider sharing the minimum number of phones with the Park. However, Stone said, it need be, the Park can go it alone. When asked by the council about the number of calls received on the old Gamewell Alarm system, torn down months ago, the city manager read a report disclosing that over a period of 11 years, only 64 true alarms were made from the boxes, and about 2,900 alarms received from private phones over the same period.

This set off a lengthy discussion by the members of the council, on the feasibility of such a system.

Police Chief Arthur Louwers and Fire Chief George deCaussin spoke in favor of the system, when called on by the council to voice an opinion.

After much talking back and forth on the subject, Mayor Kenneth Cunningham appointed Councilmen William Oddy and Kent Zimmerman and City Manager Stone as a committee of three to study the matter and make a report to the council at a later date. Stone said that he will invite the police and fire chiefs to participate in the discussion.

Stone told the council that even if the system is installed, it would not make much difference in the city's fire rating, in that it will not raise the Park from a fifth to a fourth class city, thereby paying a lower premium on fire insurance.

Would Defeat Purpose The putting green in the new park was bantered around, and after some discussion, it was pointed out that if this recreational facility is put in the park, it would tend to create a demand for more facilities, such as tennis, baseball, etc., thereby defeating the reason for which the park is being developed, passive recreation.

Mrs. Helen Graves of 1304 Buckingham, who has been advocating more recreational facilities in the Park, was asked by Mayor Cunningham, for an opinion.

Mrs. Graves stated that putting in the green was a fine idea, but before the council should take steps to add active recreational facilities, the council should canvass the community for opinions from citizens.

At this point, the council decided to table the matter until the end of the summer season.

Trucks Create New Horizons

Michigan Week's theme—"Michigan New Horizons"—lies in beautifully with truck transport and the service it renders the people of this State. For trucks do create new horizons through their ability to serve the most remote areas. They go wherever there are roads (and even where there aren't roads, for that matter), carrying new products, new conveniences, new services to people all over Michigan... Yes, trucks stand ready to play a most important role as Michigan goes marching forward to new horizons!

When Solomon Sibley shook the dust of Boston courtrooms from his feet in 1795 and traveled to the frontier town of Marietta, O., he had no idea he was becoming a founding father of one of Detroit's and Grosse Pointe's first families.

Descended from a New England Sibley who had come to America in 1629 he was interested in the newly formed Northwest Territory which Gen. Arthur S. Clair was governing from the Ohio town. Sibley was a contemporary of such giants as Cass, Woodward, Hull and Macomb and came to Detroit soon after it was released by the British.

In January 1799 he was elected as a member from Wayne County to the general assembly of the Northwest Territory. He became the second mayor of Detroit, the US district attorney, a delegate from the territory to the US Congress and was famed as a judge of the Supreme Court of the territory until Michigan became a state in 1837. One of his fellow judges was Ross Wilkins whose son, Col. William D. Wilkins married Judge Sibley's granddaughter, Elizabeth Cass Trowbridge.

Judge Sibley had found a bride in Marietta in 1802 when he married Sarah Sproat. The couple had eight children who in their turn married into the best Detroit families and made their own contribution to history.

There was Col. Ebenezer S. Sibley of the US Army, a West Point alumnus, hero of the Mexican, Seminole and Civil Wars. There was Katherine Sibley, who married Charles C. Trowbridge, whose descendants still live in the Pointe and were instrumental in the developing of the school system and the subdivision of residential lots.

Son Henry Sibley distinguished himself as a great Indian fighter in Wisconsin and Minnesota during the Civil War when the Sioux tribes rebelled. He became governor of Minnesota, as well as a colonel in the Army.

Daughters Augusta and Mary wed local men, James J. Armstrong and Charles S. Adams and another daughter, Sarah, who never married, lived to over 90 years of age in the family homestead and was revered as a grande dame of society.

Son Alexander was a pioneer in the development of mines in the Lake Superior district and was in California for the gold rush. His son became a respected lawyer in the firm of Russel and Campbell, one of Detroit's oldest.

The youngest son, Frederic, never married, and he too studied law but legal work was not for him. He became a fur trader and later made money as an Army supplier during the Civil War. Solomon had left parcels of real estate and Frederic developed the limestone quarries which were part of the inheritance.

The Sibley name and reputation handed down by old Solomon endures today, and his legacy of law and statesmanship compels this generation's gratitude.

Mrs. Francis Moran is never one to look a gift askance but what will she do with two growing crocodiles sent her from Florida? She hopes to take them up north to their summer home in the next few days and perhaps the cold will finish them off.

Famed as a gourmet, Ed Picard is currently despoiling prepared mayonnaise for the home made brand which he makes painstakingly with a fork, none of this modern method. For luncheon one day recently he prepared chicken salad, with this dressing and capers and strawberries Chantilly (brown sugar, sour cream and fresh fruit).

After a year and a half in Italy, Aueliano Ugolini has come to Detroit, where he will be presented at his first concert May 15 at the Detroit Institute of Arts. Mrs. Ugolini is the former Elizabeth Ann Hollinger, and she met the talented basso abroad. They are currently living in Anita road.

Mrs. Clifford Lorange, a fourth generation Pointer, has been very generous in lending the Indian stones she found on her family's Lakeshore road property, to the Pointe schools where students may study history on the scene.

This Wednesday James Holden, longtime promoter of the Detroit Zoo, presided again at the annual preview of the zoo with a tour of exhibits, special chimpanzee and elephant shows and a picnic lunch on the zoo grounds.

### PILFERINGS

Man at desk to himself: "I wish I had a dentist appointment to cancel... that always brightens my day."

Sir Walter Scott, one day in spring, was walking around Abbotsford with Lady Scott. Passing a field where there were a number of ewes and frolicking lambs, Sir Walter said, "Ah, 'tis no wonder that poets, from the earliest ages, have made the lamb the emblem of peace and innocence."

"Delightful animals, indeed," rejoined Lady Scott, "especially with mint sauce."

Middle age is when you have a choice of two temptations and choose the one which will get you home earlier... Saturday Evening Post.

Landing on the moon, one spaceman to another as they study paper handed them by little men: "As nearly as I can make out, it appears to be some sort of non-resident tax form."

A maid called an Atlanta housewife: "This is the girl who was suppose to come last Friday and the Friday before, and I just wondered if you were going to need me this Friday."

A Detroit builder thought fallout shelters would increase the value of a house and he put them in some new homes he built. But they didn't go over. Not until he renamed them "wine cellars" did customers show any interest.

MRS. PETER LUZI, OF ESSEX BOULEVARD

By Patricia Talbot

Photo by Edie McGrath, Jr.

When Mrs. Peter Luzi had to abandon her piano practice because her children were napping or studying, she turned her creative talents to a wild musical mural for their playroom.

This week she has returned to the grand piano in the converted dining room, for on May 21 she will star as soloist for the Pierce Junior High concert sponsored by the P-TA. The program will raise funds for musical instruments for the students.

Mrs. Luzi could play Bach by ear before she ever took a lesson. Although her family owned no piano she would haunt her aunt's house as a tot and pick out tunes on her piano. Her mother had her tested by the New York University staff when she was 12 and without another word rushed out and bought her a piano. "Imagine such a thing. It still impresses me," reminisces volatile red

## Youth Council Having Dance

The Grosse Pointe War Memorial's Youth Council is scheduling a gala semi-formal spring dance at the Center on Saturday evening, May 20, from 8:30 to 11:30 o'clock. The orchestra music for the evening will be supplied by the Pointe's own music man—so popular with the deb set—Al Navarro.

Don Owens, president of the Youth Council, is especially happy with the May 20 date for it will brighten a month in which no student association dances are scheduled and not interfere with studying for final examinations.

Art Schneider of St. Paul's School is chairman of the dance and looks for a large contingent to be present from the parochial and private schools as well as the public high schools. All students in grades 9-12 enrolled in any of the schools in the Grosse Pointes are cordially invited.

If the weather is sufficiently warm the gardens and lake-side terrace of Alger House will be open and lighted for strolling and refreshments during the early part of the evening.

This is a couples only affair with no advance in the admission price of \$1 per person including refreshments. In order to lend variety to the evening, discs of some of the young peoples' favorite recording artists will be played at intermission time.

It is emphasized that semi-formal means dressy with heels for the girls. However, white coats or dinner jackets for the boys are not necessary. Any good dress-up suit will be quite in order.

tendencies), likes abstract paintings and the ballet while Michael likes what Allegra likes.

After her marriage Mrs. Luzi turned to painting, has done some striking abstract walls which give a piquant air to her purple-gray living room walls. The mural in the basement playroom took five weeks and features her cats, a guitar playing elephant and a piano playing lion who resembles Van Cliburn.

Mrs. Luzi says ruefully that "I'm a lousy cook. On Sunday I tried a turkey and it wasn't done." With her husband in the restaurant business this poses a problem, although he does come to the rescue at holidays with prepared turkeys and hams. She is an immaculate housekeeper and gardener, although she does the last to keep the yard tidy not because she's an outdoor girl. She is a real New Yorker and feels in her element in that city. A great reader, (the living room is lined with books), she loves the opera and theater. On Sundays she teaches second grade at Christ Church.

Rehearsing Rhapsody  
Next fall Allegra and perhaps Michael will be in school half a day and this will give her time to practice her music. Now she is rehearsing a modern rhapsody for the Pierce concert which will also star other talented parents of Pierce students, including the Albert Tiptons, Maria Roumell, Mrs. Roy A. Wiel and James J. Tamburini.

Mrs. Luzi is arranging her own music as she has always done professionally and has already been to school to try out the piano. After this concert she will return to her household chores, stimulated by the applause which was her due as a professional entertainer. With Allegra and Michael about to enter Trombly she anticipates many years of P-TA duties before she can return consistently to her piano.

### FISH HOUSE KEY LIME PIE

Contributed by Mrs. Harold J. Waples  
4 eggs separated  
1 1/2 cups of sugar  
1/2 cup lime juice  
1 baked pastry shell

Beat whites until stiff and gradually add 1/2 cup sugar. Set aside. In top of a double boiler make a custard of egg yolks, lime juice and remaining 1 cup of sugar. Cook until it is of custard consistency, (when it coats a spoon) but do not allow to boil. Allow to cool and then fold in, very slowly, the beaten egg whites. The success of this filling depends on how carefully the stiff egg whites are folded in. Spread on pie shell, which should have been generously pricked with a fork before baking, and top with whipped cream if desired.
