PRESIDENT KENNEDY'S BRAND of personal diplomacy earned him a warm ovation in Canada's Parliament yesterday, but the legislators sat on their hands when the President told them bluntly that it was time Canada joined the Organization of American States to secure the Western Hemisphere against "the encroachment of international Communism." Mr. Kennedy urged all NATO nations to build up their conventional forces in Europe, as the United States will do. The President lauded the alliance of Canada and the United States as "a partnership, not an empire."

GOVERNING BOARD members at the University of Michigan and Michigan State University took strong action denouncing the state Legislature for its tight fist on appropriations policy then announced that they would restrict enrollments in an attempt to hold the line on costs. At the University of Michigan, Regents also said they will delay equipment and other purchases and will grant no general pay increases to staff members during 1961-62. The school's appropriations are \$353,078 higher than last year, but officials said it isn't enough.

EMERGENCY MEASURES which call for a curfew in state mental health programs and a virtual ban in accepting new patients were adopted by the State Mental Health Commission which faces a budget deficit of more than \$2,000,000. Charles F. Wagg, mental health Department director, told the Commission that further cuts may be necessary but asked for time for his staff to survey the hospital to see what can be done to reduce overhead expenses without lowering the patient care level. New recommendations will be presented at the next commission meeting June 8.

A RACIAL EXPLOSION in Montgomery, Alabama, resulted from the arrival of 18 integrationist Freedom Riders who were traveling about the South by bus. Despite the intervention of Federal marshals and the National Guard, an angry mob rioted in front of a Negro church where crowds had gathered for a rally scheduled by the Rev. Martin Luther King, Jr. Declaring that an "ugly situation had arisen," state officials who had previously been critical of Federal forces, asked for additional Federal aid. Police finally used tear gas to stop the mob.

Popular Cellist Paul Olefsky Will Return for Fourth Festival Season

This summer's Grosse Pointe Festival series will be presented in the beautiful fountain court of the War Memorial Center, 32 Lake Shore road, all on Wednesday evenings at 8:15 p.m. In case of inclement weather, performances will be held inside.

The first program on June 28 will feature a string quartet and soprano recital with string accompaniment. The second concert on July 5 will be an All-Beethoven with string accompaniment, and the series will close on July 12, with chamber trips and troubadour lore.

The roster of artists to perform at this summer's festival will again include the well-known and popular cellist, Paul Olefsky, who left the Detroit Symphony last year to become resident artist and conductor at the State University of Iowa.

Mrs. William Katzenmeyer of 794 Notre Dame, Festival chairman, disclosed that Mr. Olefsky has agreed to return for his fourth season with this festival.

The cellist will be joined by an eminent group of artists from the Detroit Symphony, Detroit Opera Theatre and New York State College.

Fifth News Mutt Show Draws 98 Contestants To High School Field

Pat Murphy Master of Ceremonies Before Big Gallery Saturday Morning; Winners Awarded Trophies in Ten Classes

The annual GROSSE POINTE NEWS Mutt Show was blessed with the best day in its five-year history on Saturday, May 20. Bright skies but warm weather prevailed throughout the morning program held on the football field at the Grosse Pointe High School.

The 98 contestants, with their dogs, accompanying adults and spectators formed a colorful picture, seated in a huge circle with the judges stand as the focal point. The animals were paraded around the ring prior to the judging of each event—of which there were ten in all.

Master-of-ceremonies "Pat" Murphy began the program with an introduction of the show officials; judges Mrs. Lee Meyer, Dan Wood and John Gordon; the staff veterinarian of the Humane Society, Dr. William Bailey; and Jim Henderson of the Leader Dogs for the Blind.

He also expressed appreciation to the Grosse Pointe Board of Education for use of the field and its facilities; to the "In That for Pets Shop" for donating beautifully-engraved trophies to all first-place winners; to all the show ribbons, and to Lang's and Hill's dog food companies who contributed a can of food for each entry.

The "Dog Most Resembling His Master" was a fun-class, with 15 "look-alikes" entering. Robbie Boon-cr was an obvious first, with a golden tail and ears matching those of his Golden Retriever, Ricky Trafton and "Corky" took second with matching Iowa sweatshirts and caps, and Ronald Jansen was the third-place winner.

Elaire Quinn won the "Funniest-looking-dog" class, with Bobby Everett's English Pug.

Five Injured In Collision

A 32-year-old Detroit woman and her four children were described by City Police as being in a "semi-serious" condition following an accident on May 19 on Jefferson avenue at Lakeland avenue.

Police said Mrs. Theresa Asmar, of 2590 Lenox, was driving on Jefferson when a car driven by Robert E. Baker, 21, of 8 Fair Lake lane, drove into her path from Lakeland avenue.

Baker received a ticket for reckless driving. He told police he had stopped for Jefferson intending to make a left turn onto that street and had started up not seeing the Asmar car. He said a tree may have blocked his view.

Mrs. Asmar and the children were taken by police ambulance to Bon Secours where they were treated for bleeding cuts. One of the children, police said, required 32 stitches.

The children were Denise, 4; Gary, 5; Geraldyn, 7; and James, 9.

Woods Beer Store Robbed By Burglars

Loot Establishment After an Unsuccessful Attempt to Enter Another Place

Burglars made a successful entry into a Woods beer store early Friday morning, May 19, after failing to break into another beer store, according to Woods police.

Woods Det. Sgt. Walter O'Dell and Det. Leroy Tobian said that the unsuccessful attempt was made at the Newcastle Party Store, 19341 Mack avenue.

John Tocco of 5607 Nottingham, Detroit, owner of the store, told the officers that he had closed his place about 10 p.m. the previous evening, and when he opened Friday morning, discovered the rear door of his store damaged by a crowbar that snapped one of the locks on the door. The screen door was cut before the attempted forced entry, the owner said.

The Woods detectives said that it is believed that the burglars are the same ones who broke into the Three Ds Beer Store, Mack and Brys drive, owned by Robert Davis of 20715 Moross road, Detroit.

Police Sgt. Roland Symons and Patrolman Russell Allard, were dispatched to the Three Ds at about 3:50 a.m., when eye witnesses to the burglary called police.

The officers found the side door screen torn off, and the building door unlocked, and the front door lock broken, and the door closed.

Three Suspects

The witnesses, names withheld, told Symons and Allard that they saw three men carrying a large sack, coming out of the beer store, load the sack into a 1955 or 1956 light green

GP Symphony To Play June 4 On Center Steps

Felix Resnick Will Conduct Final Concert of Season; In Case of Rain Program Will Be Held at Parcels

On Sunday, June 4, at 4:30 p.m., the Grosse Pointe Symphony Orchestra under the direction of Felix Resnick will present an all orchestral program of works by Bernhard Heiden, Kodaly, Handel, Rassiini, and Tchaikovsky.

The concert will be played on the steps of the Grosse Pointe War Memorial overlooking Lake St. Clair. In case of rain it will take place in the auditorium at Parcels School Auditorium, Mack at Eight Mile road.

A community orchestra where one may listen or participate in, along with fine schools, churches, libraries, and lovely homes, an asset to a community. A distinguished music critic wrote recently "one of the more heartening aspects of America's 'growing up' in the arts is the prevalence and quality of the community orchestra."

Not everyone who has studied music aspires to play in a major symphony orchestra. Many articles have been written about the plight of musicians who have studied and practiced for years, and not wishing a concert career, have no medium for their talent. According to the American Music Conference one out of six people in the United States plays an instrument. Where can they turn? One answer, is the community orchestra.

The community orchestra gives all musically trained individuals an opportunity to enjoy ensemble playing. From its ranks come replacements for the professional orchestra as well as the intelligent and informed supporters of all forms of musical endeavor.

The Grosse Pointe Symphony is the brainchild of a local business man, Thomas Nester, whose vision and enthusiasm enabled him to carry through the idea of a community orchestra. The initial concert was held March 7, 1954, and the orchestra has enjoyed continuous growth since that time.

Many of the charter members: bankers, business men, lawyers, teachers, students, and housewives are still active. They discipline themselves to a strict routine of practice, plus attendance at rehearsals every Wednesday evening, for six weeks prior to each concert. Their devotion and enthusiasm is particularly significant to the amateur musician.

The orchestra has afforded the opportunity for young local talent to appear as soloists with a symphony orchestra. This experience is invaluable to a young artist. Soloists of recognized ability have also been presented.

In its eight years of existence the orchestra has had several different conductors, each bringing (Continued on Page 2)

Check Forger Goes to Prison

Sam Johnson, 31, of 9261 Navarre, Detroit, was sentenced to 3-14 years in Jackson Prison for forging a check he passed in a Park bar, according to information released by Park Chief Arthur Louwers on Monday, May 22.

Johnson, who has an extensive criminal record, was sentenced by Wayne County Circuit Judge Chester P. O'Hara, who recommended that the convicted man not be considered for parole.

Chief Louwers said that Johnson was arrested and charged with passing a check in the amount of \$50 at Shumway's Cafe, 14948 East Jefferson, on January 13.

Burglars Loot Farms Home of Furs, Jewelry

Burglars took advantage of a four-hour absence of a Farms home to thoroughly ransack her home and escape with approximately \$4,400 in furs and jewelry.

Entered was the home of Mr. and Mrs. Bert Emanuele, 325 Pigts, which, according to Det. Sgts. George Van Tien and Jack Paisley, was sometime between 3:25 p.m. and 7:30 p.m. on Thursday, May 18.

The detectives said that the thieves took a Chinchilla fur stole, valued at \$3,500; a lady's white gold, diamond-hood pendant bracelet, worth \$400; another white gold diamond-clip bracelet, valued at \$300; a white gold lady's ring, valued at \$100; and a man's white gold wrist watch, valued at \$100. The lat-

ter item had Mr. Emanuele's initials "BE" engraved on the back, with the date, Dec. 25, 1954.

Mrs. Emanuele told police that she had left her house about 3:25 p.m., to pick up her husband, and when both entered the house, they discovered the front door open.

The Farms detective team said that at present they have no clues, but they are following several leads.

They said that it appeared that the burglar, or burglars, were waiting for Mrs. Emanuele to leave, after which the robbers went through every closet and dresser and bureau drawer.

An investigation is still underway, Van Tien and Paisley said.

Farms, City Officials Set Water Rate

Increase to City Made Retroactive to April 1

A renegotiation of the Farms' proposed increase in its water rate to the City, resulted in a slight decrease in the cost of water in favor of the City, it was brought out at a recent meeting of the Farms council.

Farms and City officials met to discuss a re-determination of the Farms' proposal to the City, its only customer, from 75.6 cents per 1,000 cubic feet of treated water, to a new computed rate of 88.1 cents per 1,000 cubic feet.

The meeting was suggested by Grosse Pointe City Manager Lawrence Savage, on behalf of the Grosse Pointe City Council. Savage, at the time, stated that the rate was not objecting to the rate increase, but only to the projected cost which figured in the new computation.

Included in the projected cost was the salary of \$7,200 a year for a chemist at the Water Filtration Plant, hired by the Farms late last year. Also included was a fourth of the salary of Farms City Manager Sidney DeBoer, who prior to the hiring of the chemist, had the job at the plant, along with his duties as city manager.

Since the chemist was hired to relieve DeBoer of the extra work at the filtration plant, the City officials argued, DeBoer no longer supervised the treatment of the water, therefore, this portion of his salary should not be included, and they won.

On May 15, the Farms council was informed that the new water rate had been revised, to the satisfaction of officials of both communities. The new rate arrived at 85.6 cents per 1,000 cubic feet of treated water.

The hike was made retroactive to April 1, when the 88.1 cents was to have taken effect.

Each of the candidates will give a short speech and a question and answer period will follow. Mrs. Miles McKee, of the League of Women Voters, will moderate.

The board of education election on June 12 will be held in the 10 elementary schools with voters balloting in their own districts. Persons who are not registered to vote may register in their local city offices until June 2. All registered voters are eligible to vote in this election.

GAS EXPLOSION

William DeBacke of 1090 N. Renaud, moved a kitchen stove to clean behind it on Friday, May 19, when the gas pipe broke, causing an explosion and fire. Damage to the stove and walls was slight, according to Woods firemen who were called to the scene. Firemen disconnected the electricity and shut off the gas.

Services Set For Tuesday At Memorial

Ceremonies to Begin at 11 O'clock in Center Gardens

On Tuesday morning, May 30, at 11 o'clock, the formal Memorial Garden of the Grosse Pointe War Memorial Center will be the setting for a service honoring Grosse Pointe men and women who gave their lives in World War II and Korea.

In case of rain the ceremony will be conducted indoors. All Grosse Pointers are urged to take a half hour from their holiday to pay respect to those who made the supreme sacrifice.

The Memorial Garden at 32 Lake Shore is especially lovely at this time of year with its white wisteria trees and flowering almonds in bloom and the boxwood and yew sprouting fresh new green. The colonaded view of Lake St. Clair and the serenity of the spot lend an unusual dignity to the Memorial Services.

Order of Service

The service will begin with the raising and half masting of the Colors, by Sea Explorer Ship No. 690, and Advancing and Placing of Colors, by Lawrence W. Ligat, Alger Post No. 995, V.F.W.

The opening prayer will be given by the Rev. Father Ralph V. Barton, of Our Lady Star of the Sea Church. Commander Richard Brazell, of the American Legion, Grosse Pointe Post No. 303, will introduce officiating dignitaries. Jack Williams, Village President of Grosse Pointe Shores, will read the Gold Star Honor Roll.

The Rev. Bertrand de H. Atwood, minister of Grosse Pointe Memorial Church, will present the Memorial Day Sermon.

The ceremony will conclude with the placing of wreaths by the Auxiliary for American Legion Post No. 303, the Auxiliary for Alger Post No. 995 V.F.W., and local Girl Scout Troops.

Volley, taps and echo will be presented by Alger Post, Mr. Light will retire the colors, and Rev. Father Barton will give the Benediction.

The Gold Star Honor Roll includes 128 men for World War II and 15 for the Korean War.

BREAKS ARM

Henley Cunningham, 12, of 1496 Brys drive, fell and broke his right arm on Tuesday, May 16, while attending a gym class at Ferry School. He was transported to the family doctor for treatment of the injury by Woods police.

Mutt Show

Leader Dog Performs

Midway in the judging Jim Henderson, of the Leader Dogs for the Blind, with Dick Borinsky assisting, presented a stirring demonstration with "Cindy," part-collie, part-German Shepherd. They showed the high points of the obedience-training program offered at the School in Rochester, Mich. in a four-week period for the blind. Mr. Henderson commended the show entrants and entries on their excellent behavior and said that their control was better than in many adult shows he had witnessed.

"The Dog with the Most Doubtful Ancestry" class was next with Libby Herz winning first prize, Lisa Kelly second, and Bill Monroe's "Butch," third. Butch Monroe, incidentally, was mentioned as being the oldest dog in the show, at 19, and, as far as is known, the only dog to have been in every Mutt Show since the first was held in 1947.

Bill Kennedy's Dane took another obvious first in the "Largest dog" class, with Mike Murphy's English Sheep Dog "Dusty" placing second and John Duncan, third.

Toy Poodle Winner

"Prince Antoine," toy poodle puppy belonging to Mikkee Marten, was without a doubt the show's "Smallest Dog," with Earlene Zeisler's Mexican Chihuahua taking second and Claire Ann Bernacki's dog third.

The Poodle class was another stiff one from the judges' standpoint with 15 entries. Sally Semmler took the first-place trophy, with Kathy Love placing second and Molly Drake third. Interesting enough, all the poodles but one were shown by girls.

The final class was the "Best-Groomed" and, as always, the largest with 45 entries. Lynn Duffield's magnificent collie won the trophy, with Jan DuCharme's Great Pyrenees taking second and little Jay Scott's Bedlington Terrier "Belinda" winning third place.

At the conclusion of the show there was a drawing for six dog collar certificates, donated by Roland Gray of Gray's Sport Shop. Winners were Lisa Sheldon, Leigh Osborn, Tom Wiggins, Tom Duffy, Tim Weller and Allen Bowman.

The Show was over by 11:30 and, until next spring, Grosse Pointe dog owners and lovers must rest on the current laurels in anticipation of the sixth GROSSE POINTE NEWS Mutt Show.

(Continued from Page 1) ing his talents to the orchestra. The group is fortunate in having as its present conductor, Felix Resnick.

Mr. Resnick is a graduate of Wayne State University with a Master of Arts degree in Music. He also studied violin and conducting at the Julliard School of Music in New York.

What are the qualities necessary for the conductor of a community orchestra? He must have a thorough music education, unusual aural sensitivity to musical sound and tone colors, a working knowledge of most instruments of the orchestra, an interpretative talent, as well as a gift of leadership which will insure cooperation from the players.

The composer writes down only the notes and a few indications of tempo and dynamics; the right balance by the different instruments must be decided by the conductor. He must choose program material that challenges but does not overtax the capabilities of his group, yet he should seek to enrich the musical lives of his players and his audiences by bringing them into close contact with the finest music from the various periods. He is truly the mainstay of the orchestra.

The community should be aware of some of the "behind the scenes" work that takes place before the conductor raises his baton and the concert is underway.

J. Leslie Berry, president of the Grosse Pointe Symphony Orchestra Society, deserves special mention. When it appeared that the orchestra would have to disband because of lack of funds, Mr. and Mrs. Berry came up with the idea of a fashion show to raise money.

The affair was so successful that it was repeated a second

year putting the society in the black. Mr. Berry works indefatigably at making arrangements and coordinating the work of his various board members, officers, and standing committee chairmen.

The conductor is faced with many problems unique to an amateur orchestra. What happens when the bassoon player is called out of town the day before a concert? Where does he find a replacement?

Who attends to printing the program, sending out announcements of concerts, paying bills, supervising the receptions following the concerts and the social hour at the rehearsals? Who mans the lights the day of the concert? Secures new members? Sends out notices of dues, handles tickets, arranges for

advertising for the program, and solicits gifts?

All of this background work is done by Mr. Berry's group. Special mention should be made of Mrs. Wade Fuller, librarian for the orchestra. She is one of those indispensable and dedicated people who would be difficult to replace. At each rehearsal she sees that each player has a stand, a place to hang his coat, keeps an accurate record of attendance, and in addition handles all of the music.

The volunteer workers, the orchestral personnel, and the conductor make the community orchestra a reality. But it is well known that musicians play better when they have an audience. It is hoped that Grosse Pointers will come out on June 4 to hear their orchestra and

thus insure its continuance for years to come. Tickets may be purchased the day of the concert: adults \$2; students \$1.

Rob Beer Store

(Continued from Page 1) Lincoln, and drive off. One of the witnesses called police, but the robbers were gone before the officers arrived.

O'Dell and Tobias said that the thieves left no clues, indicating that the burglars knew what they were doing.

Davis told the detectives that the invaders took \$35 in cash from the register, six dollars in assorted Canadian coins, and a folder of Indian head nickels.

Also taken were an adding machine, typewriter, clock radio, 20 cartons of cigars, a box of cigars, a box of assorted tools, an electric soldering iron, an electric frying pan, and an electric hand saw. The costs or values of the items were not given.

The detectives said that it is possible that the burglars were the same men who appeared at the Newcastle party store about two weeks previous. One man went into the store, while two men remained in the car.

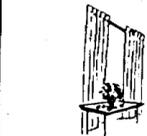

The man in the store asked the price of a bottle of pop, but did not make a purchase. However, he did walk around the store looking it over, then went outside and got into a car in which his companions were waiting. The men remained for about a half an hour, then drove away, O'Dell and Tobias said.

ROBBIE BOOMER was a little tired of his tail and ears by 11:30 on Saturday morning. The three-year-old son of the ROBERT BOOMERS, of Lincoln road, wore them to take first place in the "Dog Most Resembling His Master" class with his Golden Retriever, at the GROSSE POINTE NEWS MUTT SHOW, held on the high school football field.

Woods Pistol Team Tops

The Grosse Pointe Fraternal Order of Police, Lodge 102, listed the names of winners of its third annual pistol shoot match recently held in the Neighborhood Club.

The match was open to police officers of the Pointe and Harper Woods and associate members of the Lodge, with four classifications for officers and one for civilians. Police classes were: master, expert, sharpshooter and marksman, with a special match for police chiefs.

The winners were, Civilian: Albert Klick, first place; Donald Collins, second; and Dr. Cyril Defever, third; Chief: Woods Director of Public Safety Vern C. Bailey; Master: Patrolman Thomas Kane, first; Park Patrolman Charles Slusser, second; and Farms Patrolman Joseph Belanger, third.

In the Expert Class: Woods Patrolmen Bernard Kelly and Robert Sass, first and second, respectively; and Shores Patrolman Harry Hamilton, third; Sharpshooter: Shores Patrolman James Jurcak, first; Woods Patrolmen Jack Eberst and Russell Allard, second and third, respectively; Farms Patrolman Otto Glanert, fourth.

In the Marksman Class, five officers qualified. They are: Park Patrolman James LaPratt, first; Woods Patrolman Bruce Cross, second; Park Patrolman Henry Wilson, third; Woods Patrolman Stephen Petrick, fourth; and Shores Patrolman Frank Mustazza, fifth.

All were awarded trophies according to class and rating, according to Woods Patrolman Gaylord Golding, chairman of publicity.

The Woods Police Department was awarded the Rotating Team Trophy for the second consecutive year.

The winning team for the Woods was: Patrolmen Kane, Kelly, Sass and Everett Plumb.

It was disclosed that a total of 44 contestants participated in the match, all of whom were

served refreshments at the American Legion Hall in Mack avenue, at the close of the shoot.

Discontinue Free City Telephones

A franchise which has granted city offices in four Grosse Pointe communities a limited number of free telephone lines since 1909 will be discontinued on July 1, Michigan Bell Telephone Company informed the municipalities recently.

The franchise concerned only a minor part of the total telephone service to City offices in the Park, Farms, City, and Shores, but saved the municipalities and others in Michigan thousands of dollars because of its long duration.

Michigan Bell officials said they did not know exactly how or why the grants to municipalities began. They were started more than 50 years ago by the Home Telephone Company which later became the Michigan State Telephone Company.

When Michigan Bell Telephone Company became responsible for all the service in Michigan, it assumed the continuation of the franchise grants which were renewable annually.

Michigan Bell has been eliminating these franchise grants throughout the state during the past two years. Grosse Pointe's non-paid lines will end on July 1.

The amount of money which the four Grosse Pointe municipalities will now have to add to their telephone budgets represents only a small portion of total telephone bills which have run as low as \$2,000 a year in the Shores to as high as \$8,000 a year in some of the other Pointes.

The Shores is planning on spending an additional \$1,000 a year beginning with the end of the telephone franchise grant; the City \$600; and the Farms \$700. The Park has budgeted \$200 for this increased expense.

Michigan leads all other states except two in the value of its manufactured products per worker!

Center Drive Enters Final Days \$6,736.81 Short of Goal

With just a week remaining in its active Campaign for operational funds for the next fiscal year beginning August 1st, the Grosse Pointe War Memorial's 1961 Annual Family Participation Campaign is \$6,736.81 short of the necessary goal of \$50,000. To date \$43,263.19 has been received from 3,322 families.

This compares closely with \$43,493.52 donated by 3,360 families by the same date last year. The goal this year due to careful budgeting has not been increased one penny.

Volunteer solicitors and telephone follow-up workers are making every effort to bring in the necessary amount by Memorial Day. However, continued effort by the Center's staff will go on following that date should this be necessary.

Annual investment in the Grosse Pointe War Memorial Center is income tax deductible and truly supports an activity important to the community and all its residents.

It was established 12 years ago as a living memorial to the 3,500 young Grosse Pointers who served their country in World War II and to the 120 who gave their lives to that cause.

Since its opening, nearly 900,000 people have used the facilities of the Center for meetings of all types.

It is a center of culture for the Grosse Pointes, with university extension courses, classes in the arts, language, literature, and music; exhibits; concerts; educational film showings and lectures on topics of current interest.

It is a beehive of community activity sponsoring and housing youth groups; men's and women's organizations; and senior citizen associations.

It accommodates nearly every civic, charitable, service, educational, and fraternal assembly in the community.

The Center, located in an eight acre park on the finest lakeshore property, represents a \$1,500,000 gift to the community.

It is nearly 3/4 self-sustaining. It does not draw on Torch Drive Funds.

It does not take one cent of your tax money.

If you have not already done so, you are urged to give to the Center's Campaign at this time. Every gift both large and small is truly necessary and appreciated.

The Center Board of Directors who volunteer their time wish to express their grateful appreciation to the following donors whose contributions have been received in the past few weeks:

Mr. and Mrs. Roland H. Gray, Mr. and Mrs. Clifford C. Greenburg, Harold L. Groff, Mr. and Mrs. Harold D. Gumpfer, Mrs. J. A. Gwatkin, Mrs. Margaret Haass, Dr. and Mrs. Edwin L. Harmon, Mrs. L. C. ANNOUNCEMENT

to the people of Grosse Pointe and Neighboring Communities.

On June 5, 1961, the Manufacturers Bank will open an attractive new office at 20200 Mack Avenue and Lochmoor in the Village of Grosse Pointe Woods, to replace the office now located across Mack Avenue.

In keeping with the prevailing styling in the immediate area, this new Manufacturers office is a faithful reproduction of Early American architecture. To achieve authenticity of design, the architects visited historical Williamsburg, capital of Virginia in the time of George Washington, Thomas Jefferson, Patrick Henry and other great Americans.

In this new bank building, you will find a happy blending of modern facilities with a charming Early American atmosphere.

To commemorate the opening of its new office, Manufacturers Bank will hold a community Open House celebration during the week of June 5. Special activities have been scheduled and you are cordially invited to come in, tour the building, and see the interesting display of Early American antiques during that week. In addition, there will be a special attraction for the youngsters—so bring the whole family! More details of this, as well as the many other activities planned, will appear in this paper next week.

Until June 3rd at 7:30 P.M., the present Manufacturers National Bank office located at 20273 Mack Avenue will remain open to serve all your bank and trust needs.

To add to the festivities a special 9th grade program of entertainment will be given in the gym beginning at 8:00. The play, based on "Alice in Wonderland" and "Through the Looking Glass," is an adaptation written by the 9th grade dramatics group, entitled "Alice in Blunderland."

Cowles (pawnee), and Sandy Schopback (pawnee).

Other members of the cast include Ann Blenman, Sally Giesner (pawnee), Leslie Schwartz, Carol Rieth (castles), Pete Frame, Wayne Wegner (knights), Molly Hughes and Connie Wood (bishops).

Some of the acts the students will participate in include the string ensemble from Mr. Kalmber's orchestra, Dance of the Flowers (an original ballet by 9th grade boys), Little Hop Riding Hood (a band parody), Exodus (a piano and flute duet) by Peg Oyass and Mary Lou Pearsall, "I Am Sixteen Going On Seventeen" sung by Judy

Nottz and Mike Scoville, and a tap dance by Sharon Wybo.

Also included will be numbers featuring the Boys' vocal quartet, a song and dance by Pat MacDonald and Shirley Trentacosta, an interpretive dance by Penny Bedwell and Judy Altman, and a fashion show by the 9th grade clothing classes. The program will be introduced

G. P. Woman's Club Elects Officers

New officers for the Grosse Pointe Woman's Club admire winning flower arrangements from the group's flower show held May 17 in conjunction with the annual meeting. The officers will be installed at the annual luncheon and card party on June 7 at the Lochmoor Club. Shown, left to right, are MRS. MARVIN PRICE, president;

MRS. CLIFFORD CARDWELL, treasurer; MRS. EDWARD PISULA, corresponding secretary; MRS. ROBERT WHITELEY, first vice president; and MRS. PIERRE PALMENTIER, recording secretary. MRS. FRED W. ADAMS, second vice president, is absent from the picture.

School Band Concert at Center

The old home town band concert will be revived at 7 o'clock on Monday night, June 5 at the Grosse Pointe War Memorial when the 85 member Grosse Pointe High School Concert Band performs on the lake-side terrace of the Center under the baton of Richard Snook.

In case of rain the event will be postponed until Friday evening June 9 at the same time and place.

This will be a combination band concert and ice cream and strawberry social presented jointly by the War Memorial Association and the Grosse Pointe High School Band and Orchestra Parents' club.

It is planned as a community affair to draw Pointers together and get them to know one another and their children better. It is hoped that several hundred will be in attendance. Many former band members are expected to return for this occasion and the alumni will be invited to play with the band in its closing numbers.

The Grosse Pointe High School Band has consistently won the highest honors in District and the State competition. Their rating is always First Division Superior.

There is no admission to the concert but there will be a small charge for the ice cream and strawberries.

Bank Opens New Branch

Manufacturers National Bank announces it will open a new Grosse Pointe Office, June 5 at 20200 Mack Avenue near Lochmoor.

All bank employees and their families have been invited to attend a special Family Day program June 4 to preview the new facilities. A week long community Open House is scheduled from June 5-9, said Norman A. Kopperschmidt, manager.

The opening week program will feature an authentic Early American antique display, entertainment and refreshments. Visitors will be invited to tour the new office which features modern enlarged banking and

trust facilities in a building incorporating Early American design and furnishings to blend with the surrounding neighborhood.

The new Manufacturers office replaces a smaller office across the street which was opened in August, 1952.

Tower Wins State Award

Grosse Pointe High School's weekly newspaper, The Tower will receive a second-place citation at the annual convention luncheon of the Michigan Inter-scholastic Press Association's 34th annual convention on May 19.

The citation will be awarded for the excellence of two articles reporting the Civil Rights Conference for Michigan High School and College Editors Awards held in Detroit in March. The project was sponsored by the Michigan Fair Employment Practices Commission.

The articles submitted by The Tower were "Meeting Stresses Equality," by Tom Leonard, a junior at GPHS, and "Civil Rights and Editors," by Bob Wells, a sophomore.

Shores Warns Dog Owners

Dog owners in the Shores have until about the middle of June to obtain licenses for their pets, if they have not yet done so, according to Police Chief Fred Duemling.

The chief said that dog licenses were due as of May 1, but the extra grace period is being given to permit the owners to purchase the tags for their animals without penalty.

Until the expiration of the grace period, Chief Duemling said, pet owners who have not yet bought licenses, will be given a warning. After that, the owners will be cited for court, he added.

To obtain licenses for their pets, owners must present a two-year, or one-year certificate, certifying that their dogs have been vaccinated.

New! A way to get more roses, bigger blooms
The simple (and surprising) secret of more roses is—more leaves!

To keep insects and disease from taking their heavy toll, Scotts has developed a remarkable single control for all common rose enemies. It is called HAZE.

To achieve complete HAZE protection on the tops and undersides of every leaf, Scotts has developed a revolutionary new applicator, called the ZEPHYR. It wafts an enveloping dry mist of HAZE upward, depositing an invisible film on the leaves.

OBITUARIES

ROSE A. PAYE

Mrs. Paye, a member of a pioneer Grosse Pointe family, died Thursday, May 18, at the Grosse Pointe Nursing Home. Born here 92 years ago, she lived in Grosse Pointe her entire life.

Mrs. Paye was the daughter of Mr. and Mrs. George Martin. The Martins had farmed land on Buckingham and Jefferson since 1770, when they came from Holland and Scotland. Later, as a widow, Mrs. Martin bought farmland on Harvard road. When that land was taken over for subdivisions and the new Bishop road, the farmhouse was moved, about 45 years ago, to Rivard near Jefferson. It was covered with stucco and is still standing as a three-family dwelling.

After an early widowhood, Mrs. Paye was married to the late Charles Paye, a neighbor of her mother on Harvard road. The Payes were important landowners in the early days of the Pointe and were a large and prominent family.

Mrs. Paye was a member of the League of Catholic Women, Bon Secours Hospital Guild, and the St. Paul Altar Society.

Services were held Monday, May 22, at Verheyden Funeral Home and St. Pauls on the Lake. Burial was in St. Paul Cemetery.

Surviving are five daughters, Grace Monaghan, Mrs. Edmond G. West, Mrs. Pauline Wade, Mrs. Earl A. Peters, and Mrs. John Schable; a son, Martin; 28 grandchildren and 60 great-grandchildren.

HENRY R. KRUEGER

Mr. Krueger, of 51 Clairview road, died Tuesday, May 16, in Henry Ford Hospital. A native of Cincinnati, Ohio, he lived in the Detroit area for 52 years. He was 73.

Mr. Krueger retired last year from his position as president of the Krueger-Barnes Corporation. For his contributions during World War II as an inventor, machine tool genius, and a master of mass production, he was cited by both the United States and Canada.

The citations were awarded in recognition of Mr. Krueger's work in perfecting a machine to increase rifle production from five to 50 an hour. He also developed a machine which produced parts for the first atomic bomb.

Mr. Krueger's formal education ended with the fourth grade. He quickly overcame this lack and went on to invent some of the original machine tools and transfer machines for the early auto industry.

Around World War I, he founded his own production machinery firm, the Krueger-Wayne Company which was sold

in 1929 to the Ex-Cell-O Corporation. In 1933 he founded H. R. Krueger Company which became the Krueger-Barnes Corporation in 1943.

Mr. Krueger was a member of the Detroit Athletic Club and the City of Straits Lodge, F&AM.

Services were Saturday, May 20, at the A. H. Peters Funeral Home. Interment was in Rose-land Park Cemetery.

Survivors include his wife, Elsie, and a sister, Mrs. Ann Middleton, of Springfield, Ohio.

JESSIE OBETZ ROSE

Mrs. Rose, widow of the late William Hayes Rose, died Sunday, May 21, at Bon Secours Hospital. She had been living at the home of her daughter, Mrs. Fred T. Moran, 20665 Vernier circle, Mrs. Rose was 77 and a native of Ann Arbor.

Services were held Wednesday, May 24, at the chapel of William R. Hamilton Company, with the Rev. Bertram de H. Atwood officiating. Interment was in Woodlawn Cemetery.

Besides Mrs. Moran, survivors include three other daughters, Mrs. Edward A. Schumann, Jr., Mrs. Harold W. Bailey, and Mrs. M. Rose Neale; a brother, Henry; and six grandchildren.

THOMAS H. UREN

Services for Mr. U'ren, of 274 Merriweather road, were held Wednesday, May 24, at

Verheyden Funeral Home. Interment was in White Chapel Cemetery.

Mr. U'ren died Sunday, May 21, at Saratoga Hospital. A native of Ishpeming, Michigan, he had lived in Grosse Pointe for 20 years. His wife, the late Alberta, died three years ago.

Surviving are a daughter, Carol Virginia Pruett; two sisters, Mrs. James Roberts and Mrs. Stanley Pellow; and two grandchildren, Curtis and Christine Pruett.

Farms to Close Bike Inspection

The Farms Police Department will conduct a final bicycle inspection for the children of Farms schools who were unable, for some reason, to have their bikes inspected during the Pointe Bicycle Safety Program campaign, it was disclosed by Patrolman Joseph Miller, safety officer.

Students of Kerby, Richard, St. Paul Schools and Sacred Heart Convent, who have not had their bikes looked over, can take part in the program by taking their two-wheelers to the Farms police station, 90 Kerby, between the hours of 9 a.m. and 12 noon, on Saturday, May 27, Patrolman Miller said.

The names of the winners of the contest will be drawn on Monday, May 29, the safety officer said.

Two Film Fans Locked In

Two frightened women, locked in a darkened Woods Theater Tuesday night, May 16, banged on the glass door for more than an hour before the noise attracted two Woods police officers cruising by in a scout car.

Patrolmen Thomas Kane and Edward Geatches were patrolling south on Mack avenue, when they heard a banging noise, and stopped to investigate. They saw the women, both of whom appeared frightened, gesturing wildly.

Taking command of the situation, Kane and Geatches instructed the women to release

the overhead latch on the door, and the women were freed.

The women, Mrs. Virginia Westfall, 38, of 24718 Bierman, Warren; and Mrs. William Hilla, 38, of 25240 Buick, Roseville, told the officers that they had gone to the powder room just before the show ended, and when they got out, they found the theater lights out and the doors locked.

They said they were too frightened to think of using a public telephone in the lobby.

The women said they were locked in the building for about an hour and a half. They tried to attract the attention of passersby, but without success, until the officers arrived.

Five Pointers Taken Off Road

The operator's licenses of four Pointe motorists were revoked, and another's was taken away temporarily, according to information released by the Michigan State Department in Lansing.

The report, from Secretary of State James M. Hare, dated May 12, disclosed that during that week, the driver's licenses of 369 State motorists were suspended and those of 166 were revoked.

The following had their licenses revoked: Lionel E. Dewulf of 1096 Bedford road; George J. Erhardt, Jr., of 587 Fisher road; Milton Handrinos of 719 St. Clair avenue; and Thomas J. Leonard of 1666 Prestwick, all for having unsatisfactory driving records and failing to appear for reexamination.

The driving privileges of Dwight W. Leonard of 1340 Hawthorne, was suspended from May 8 to June 7, because of an unsatisfactory driving record, according to Hare's report.

Teacher Wins AAA Safety Award

Twenty-two years of school safety work by James Anderson, a teacher at John D. Pierce school in Grosse Pointe, will be recognized this Thursday by Automobile Club of Michigan.

Anderson is one of 21 Michigan teachers who have supervised their schools' safety patrols for 20 or more years in a row. Anderson has acted as a patrol teacher-sponsor continuously since 1939 at Pierce school.

Patrol sponsors' duties include supervising operation of patrols, enrollment and training of new patrolers and, in many cases, coordinating the school's safety program.

Joseph Zabelski, Auto Club safety education consultant, will present the engraved plaque to Anderson at special ceremonies at the school Thursday morning.

The principal's long tenure as a patrol supervisor was re-

vealed after a state-wide search by Auto Club in every school in the state having a AAA-sponsored safety patrol. The teacher actively engaged in patrol work for the longest continuous period of time was found to be Sr. Mary Ewaldine, a teacher and patrol supervisor at St. Isidore school in Grand Rapids for 38 consecutive years.

The safety patrol movement was launched 41 years ago by

the late H. O. Rounds, former safety and traffic director for Auto Club.

Michigan State athletic director Biggie Munn recently was named to the Michigan Sports Hall of Fame.

Michigan is first in the production of pie cherries, growing more than half the entire U.S. crop. Michigan is also number one in production of field beans, cucumbers, strawberries, late celery, cantaloupes and tomatoes.

New! A way to get more roses, bigger blooms

The simple (and surprising) secret of more roses is—more leaves! To keep insects and disease from taking their heavy toll, Scotts has developed a remarkable single control for all common rose enemies. It is called HAZE.

To achieve complete HAZE protection on the tops and undersides of every leaf, Scotts has developed a revolutionary new applicator, called the ZEPHYR. It wafts an enveloping dry mist of HAZE upward, depositing an invisible film on the leaves.

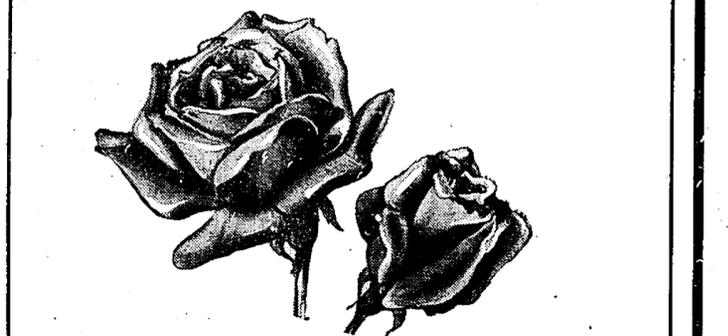

See the new Scotts Rose Program products at our SUCCESS WITH ROSES display today.

New Loan Office Has Open House

Things will be happening double during the first week in June at the new Standard Federal Savings and Loan Association office at 16530 East Warren, near Outer Drive. The occasion is an open house celebrating two important events:

The tenth anniversary of a Standard Federal Savings branch office at the East Warren-Outer Drive location and the completion of a new building, more than twice the size of the original Standard Federal branch office.

Standard Federal Savings moved into its new quarters on May 1, but the open house celebration was delayed for a month to permit razing of the old building and construction of a new, larger parking lot on the site of the former office.

John Tesca, branch manager, called attention to another important fact, "Everyone who opens or adds to an account during the open house," he said, "will be able to share in Standard Federal's 135th semi-annual dividend, which will be paid on June 30."

Visitors to the new building will be greeted by a new time and temperature sign outside the building. Flashing 17,320 messages daily, the sign will relay accurate time and temperature information every five seconds of the day and night.

Rising thirty feet high, the sign, with 286 40-watt bulbs, will be visible for blocks in either direction. Four motors, almost two miles of copper wire and a complicated thermometer and relay arrangement are required to keep the sign operating.

The interior of the building, formerly occupied by another business, was completely re-designed by George D. Mason Company, one of the nation's leading architects. Extensive use of glass in the front of the building lends a feeling of spaciousness to the interior. Warm woods and muted colors impart a feeling of comfort and quiet.

The 5,700 feet of floor space provide privacy for all transactions of savings or mortgage business. For the convenience of those who wish to conduct business from their cars, an auto teller window is located at the rear of the building and will be reached by driving through the new parking lot. During the open house, which

The Boys Gym Class gave a humorous pantomime to "Don't Go in the Lion's Cage Tonight", and Girls Gym entertained with a Jump Rope and Balloon Drill.

The tiny PlayMates were tumbling clowns and the Funsters went Western Style with a square dance. The Tap Dancers were at their best as Harem Scaram Dancers.

Also highlighting the evening was the presentation of trophies to the King and Queen of the Guys and Dolls, Chris Worrell and Elaine Haddad, and trophies for Physical Fitness in Boys Gym and Girls Gym Classes. Winners in Boys Gym were Carl Graham, Jim Bayes and Paul Price.

All three boys were tied for first place with perfect scores. Girls Gym Class winners were Kathy Marcereau, Debbie Ball and Laurie Emery.

Let me show you how to get better roses, more continuous bloom

With roses, the surprising secret of more blooms is—*more leaves!* Now—with the new Scotts Rose Program—it's so easy to keep foliage strong and healthy, even a beginner enjoys success.

This amazing applicator is the key. It's called the Scotts Zephyr, and it's designed to apply new HAZE—Scotts all-in-one protection against insects and disease.

The HAZE container fits snugly in the Zephyr. Nothing to mix, measure, fill or spill. To apply, just point the deflector at the base of the rose bushes, turn the crank gently, and walk along the bed. An atomized dry mist envelops the plant—depositing a nearly invisible HAZE film on both tops and undersides of the leaves.

Come see and save. You'll find these new Scotts Rose Program products at our big SUCCESS WITH ROSES display.

A Special Salute

For the seventh year we are honoring our state with a "Michigan Week" and appropriate ceremonies in schools, civic councils, libraries and similar institutions are marking this special event. While applauding the accomplishments of Michigan let us also give a special remembrance to our own community, which has shared in the glories of the state. Since the first Frenchman set foot on Detroit shores in the early 18th century Grosse Pointe has been growing, changing and bringing its own contribution to the development of Michigan...

Letters To The Editor

Dear Mr. Edgar, I appreciate the opportunity of using the Grosse Pointe News to officially announce my retirement from the Grosse Pointe Board of Education, at the end of my term in June. I wish to thank the voters of Grosse Pointe for having given me the privilege of representing them on the Board for three terms. It was a great honor to have been so elected, and a rare privilege to serve a community in this position.

community that desires a fine educational program, and will make any sacrifice needed to secure it, and administrative and teaching staff that is qualified and dedicated to produce that program. We have had that combination in Grosse Pointe for several decades. Nothing must ever change this goal, and so it is most important that the community continue to support the schools in every way possible, and to elect representatives to the Board of Education who are dedicated to this goal.

What Goes On at Your Library

by Jean Taylor

Guest Columnist: Evaline Schunk

Africa—the very word conjures up a variety of images to the average person. I can remember being both fascinated and frightened by Africa as described in Vachel Lindsay's well-known poem of the Congo:

"Then I saw the Congo Creeping through the black Cutting through the forest with a golden track"

So it was with a great deal of curiosity and interest that I recently began a "refresher" reading course on Africa. Almost immediately I sensed the difference in the presentation—the change in emphasis from the old to the new. As I read further, the complexity of the whole African problem swept over me, and I realized what a tremendous area of ideology is involved in even one of the smallest questions that arise in connection with the newly emerged and separate territories.

And, incidentally, one of the big problems with book selection on this subject is that time plays havoc with the material. Literary efforts seem to be overtaken by events, even before they are printed. However, Anthony Sampson's COMMON SENSE ABOUT AFRICA is a practical, factual guide that is both timely and readable. It offers the reader the viewpoint of a man whose experience as editor of the African magazine DRUM makes him a well-qualified person to discuss the current scene.

He gives a general picture of the continent as it is today, without dwelling too much on the past. The book is divided into two parts—the first devoted to Africa as a whole, and the second to the perplexing questions that confront each of the new countries. I like the title, COMMON SENSE ABOUT AFRICA, for I think we must approach this whole subject as objectively as possible, and not allow our emotions or wishful thinking to sway our sound judgment.

In the book DARK PILGRIM by Frans Venter, the tragic story is told of a tribesman who leaves the farm he loves, to go to Johannesburg. In the end, he returns to his home broken in health and spirit by the greed and open hostility of the whites, and the urbanized natives with whom he comes in contact. This novel was first written in Afrikaans, and later translated by Gerald and Walter Gordon, who have done an extremely good job in keeping the simple, unaffected style of the original writing, while still forcefully presenting one of the big problems in South Africa — apartheid.

Alan Morehead's NO ROOM IN THE ARK tells of his experiences on various expeditions to Africa. He seems to have the faculty for producing, through his words, a genuine feeling of love for the African scene. One feels its immensity, and even the uneasiness that seems to hang over the most commonplace act. I am reminded of an incident he describes in an African National Park camp. He tells of looking out at a quiet, peaceful scene. Suddenly, he spots a wild elephant among the rubbish cans. As he watches, Mr. Morehead injects a thought which made a lot of sense to me. On the surface all looks right—the wild animal among the rubbish cans; the native in a city suit. But in an instant, the link can snap—the facade of understanding proves too flimsy and the animal strikes; the Mau Mau warrior runs amuck. It is the too sudden conjunction of civilization with savagery. Such stimulating ideas as this will provide many hours of interesting reading for young and old alike.

"Who takes all those pills?" BY FRED KOPP, R.P.H. This is often the question when a customer sees the shelves in our pharmacy. Row on row on row of bottles, boxes, containers, tubes, vials, jars... about 2,000 items in all. Good question. Who are they for? The answer, of course, is you. Say you go to a physician and he writes a prescription which you bring to us to be filled. We can't tell what the ailment will be — there are thousands, and we don't know what medication the doctor will prescribe. To provide prompt pharmaceutical service we have to be ready for just about anything, which we are. This is the 960th of a series of Editorial advertisements appearing in this paper each week.

From Another Pointe of View

By Patricia Talbot

Every other year The Grosse Pointe Garden Center stages a magnificent flower show in the War Memorial and this June 8 and 9 The Grosse Pointe Garden Club is arranging the big exhibit.

To help with the expenses of the show the board of the Garden Center, headed by Mrs. Donald C. Stevenson, wanted to produce something different. Mrs. Harold Bailey and Mrs. Harley Higbie dreamed up the sure fire hit, ivy trees in pots.

In the Seabourn Livingstone green house in Lakeshore road the gardeners have worked tirelessly for many weeks to "build" over a 100 of the trees. Mrs. G. Bethune Duffield was christened "nursemaid" by the gardeners for she tended the trees when Mrs. Higbie took a short southern vacation. Mrs. James Ogden, Mrs. John A. Dodds and Mrs. Howard Poppen have completed the trees which were in such great demand that most of them are sold but it is hoped a few will be available the day of the show.

Mrs. Valentine Guenther is chairman of the show with Mrs. William P. Black, co-chairman. Mrs. Lester Moll is president of the sponsoring Grosse Pointe Garden Club.

Of special interest to youngsters, aged 8 through 12, is the class of arrangements Mrs. William H. Ledyard is handling. The young green thumb contestants are asked to make an arrangement in a small cart or wheelbarrow, a small pitcher, with an animal figurine or in an egg cup.

GOP Women Busy

The Women's Republican Club of Grosse Pointe has planned a tea at the Little Club for June 8 with a three-fold purpose, to honor members of the advisory board of directors, meet announced GOP candidates to the Constitutional Convention and greet all candidates for the Grosse Pointe Board of Education.

Among the honored board members will be Mrs. Standish Backus, Mrs. Stuart G. Baits, Mrs. A. Gray Boylston (now of Ft. Lauderdale), Mrs. Wilber N. Brucker, Mrs. Merlin Cudlip, Mrs. Mark Edgar, Mrs. Frederick S. Ford, Mrs. John C. Garlinghouse, Mrs. James S. Holden, Mrs. B. E. Hutchinson, Mrs. Lynn McNaughton, Mrs. S. Clifford Merrill, Mrs. Joseph Schlotman, Mrs. J. Milton Stezer, Mrs. Benjamin S. Warren and Mrs. Cameron B. Waterman.

The meeting will begin at 1 o'clock followed by tea at 3 on the club lawn.

Fashion Show Dates

Junior Leaguers before they wind up the year's activities have announced the fall dates of the annual Fashion Show, which raises funds for the Senior Center, the League sponsored recreation center for alders.

September 12 and 13 are the days, and J. L. Hudson Co., again the site with Mrs. John W. Coe chairman of the show. On her committee are Mrs. Kenneth L. Gould, Mrs. Henry E. Bodman II, Mrs. James D. Standish III, Mrs. Thomas J. Hammond, Mrs. Gordon R. Maitland, Jr., Mrs. John L. King, Mrs. Gordon R. McMullen and Mrs. William C. Beardslee.

The Center, which also receives aid from the UCS, has a membership of 300 returned citizens and requires 100 League and community volunteers a year.

This Thursday members of the League Glee Club will entertain a score of the Glee Club from the Birmingham area.

O. D. Herron Honored at DAC

Mrs. O. D. Herron of Webber Place, Grosse Pointe, honored her husband with a surprise birthday party at the DAC last Saturday, May 20, which doubtless will be a happy memory for a long time.

The fete marked his fiftieth birthday anniversary. Due to the fact that Tuesday the 23rd was the actual milestone day, he had no suspicion of a party when he and Mrs. Herron went to the DAC that night, ostensibly to see the floor show.

Mrs. Herron, reviewing her husband's achievements and interests of the past 10 years, chose "Life Began at Forty" as the party theme and asked their friends, the Arthur Ceres, to help her with plans.

So the party decor was built around these accomplishments: Mr. Herron started flying at age 42—took lessons, soloed and got his pilot's license in a matter of five months or so (and now continues flying).

He took up skiing when 45 years old, now is an avid, enthusiastic skier; in golf, he made his first hole-in-one at Detroit Golf Club when 46; on April 13, 1961, only weeks ago, he landed his first try at deep sea fishing.

Also to make life more exciting came two granddaughters, Linda Sue Milock, now 4 years old, and Donna Marie Wright, seven months.

Mr. Cero made stunning big place cards, or mats, illustrating all his activities and interests with clippings from sports magazines and superimposing cutout photos of the birthday man. Too, there was a big character picture, which was signed at the party by all present as a special memento.

The birthday fete took place in the DAC's main dining room where the group of 32 dined, danced to Georges Trudeau's band music, and saw the floor show—singer Patricia Marand and comedian Guy Marks winding up DAC's final show of the season.

Guests were the O. Donald Herrons, Jr., the senior Herrons' daughters and sons-in-law, the Donald W. Millocks and Robert A. Wrights, Jr. and another daughter, Gail Herron; Peter McGrath, the Arthur Ceres, W. R. Dillenbecks, George James Fishers, Phillip Marlons, James W. Sullivans, William P. Conollys, Jey Ashleys, Dr. and Mrs. Harold E. Cross, and the Joseph T. Sinclairs of Ann Arbor.

City Club Fetes Mrs. Henry Ford

Mrs. Henry Ford II, general chairman of the Metropolitan Opera Committee for Detroit, was given the first Celebrity Award ever presented by the Program Committee of the Women's City Club of Detroit this Wednesday (May 24) at a luncheon honoring her.

The award, a silver figurine on a white marble base, was engraved as follows: "To Mrs. Henry Ford II for Opera Leadership in Detroit, Women's City Club, 5-24-61."

This token, symbolic of victory, was selected as an appropriate tribute to one of the 6000 members of the City Club who do so much in fulfilling the purposes of the Club, now in its forty-second year—support of civic, cultural and educational ideals.

Mrs. Aaron E. Wilcox, chairman of the Club's Program Committee members have respect for the tremendous organizational acumen of Mrs. Ford, particularly in seeing that so many tickets are sold for the Opera in the Metropolitan area.

Concerned with sale of tickets for many City Club events (usually resulting in a complete sell-out), these busy women appreciate the work involved in what Mrs. Ford has accomplished, and they found a way to express it.

Mrs. Keuben Ryding is chairman of the Opera Luncheon this Wednesday at which Mrs. Ford, Mrs. George W. Romney, her co-chairman, Opera officials and stars will be guests of honor. Fifty-two members of the City Club's Program Committee will assist.

Jinx Falkenburg, glamorous star of sports, movies, radio, television and foreign correspondence engagement to open the

City Club's Celebrity Series on Friday morning, October 6. This series of seven lectures at 11:30 a.m. in the Auditorium, sponsored by the Program Committee, will be followed by Celebrity Luncheons in the main dining room.

Abigail Van Buren, famous for her "Dear Abby" syndicated column, will make her first mid-western appearance October 27. She will be followed November 3 by Dr. Robert Kazmayer, national and international news analyst.

Scott Morrison, American-educated pianist and harpist, will appear December 8, and on January 12 members will hear Dr. K. C. Wu, former Governor of Formosa and former Mayor of Hankow, Chungking, and Shanghai—an effective fighter for democracy in the Far East.

Maxine Berlitz Vollmer, born in Paris and granddaughter of Maimillian D. Berlitz, will appear on February 9. She is an alumna of Vasar. Her subject will be "Why We Talk The Way We Do." Judith, Countess of Listowel, prominent British political writer and speaker who is a Catholic and is anti-communist in her beliefs, will conclude the series on March 9.

Eleven new directors elected to join twenty-two others already serving to complete the Board of Directors include: Miss Mermine A. Clippert, Miss Florence E. Cox, Mrs. Edmund W. Darling, Mrs. Ward A. Art Exhibit At Center June 3

The sixty students of Emil Weddige, University of Michigan Art Professor who instructs weekly at the Grosse Pointe War Memorial Center will display their completed work at the Memorial beginning Saturday, June 3.

The art will remain on view through Sunday, June 18. Concurrently in Room D the interesting work of Mrs. Stirling Loud's childrens classes will be shown.

The oil paintings on exhibit will present all points of view within the framework of contemporary painting; they will represent every approach from the figurative to the abstract or non-objective. Mr. Weddige emphasizes the building of sound composition and design with proper color harmony then he encourages the artist to select his own special interest area.

The adults exhibiting in this show at the Center will range in age from college students to great grandmothers. For some it will be their first exhibit; others already have fine professional standing and have even had their own one-man

shows here and in New York and Paris.

Emil Weddige, the artist instructor of this group, is recognized as one of the top artists, teachers and art lecturers both in this country and abroad. The Memorial is looking forward to presenting him in the fall in an illustrated lecture explaining modern art.

In addition to the adult classes studying in the Center's studio and on its lakeside terrace in nice weather, there are three packed classes of youngsters ages 7-12 studying with Mrs. Stirling Loud.

As an added interest note to this exhibition a room will be set aside for their highly imaginative works in many media.

This exhibit will open with an invitational tea from 3 to 5 p.m. Saturday, June 3, after which the Grosse Pointe public is encouraged to visit whenever they can.

The arrangements for the tea are under the chairmanship of Mrs. Douglas Smart assisted by Mesdames Daley, DuBois, Pankhurst, Weaver and Vossler. Chris Groschner is in charge of hanging the exhibit.

AAUW Hears President's Report at Annual Session

"Are we doing enough? Are we doing it right? Are we meeting our responsibilities — in keeping with our purpose? These are the questions we constantly ask ourselves," said Mrs. Frank Thompson in her president's annual report to Grosse Pointe branch, American Association of University Women.

Fifty members and honor guests were at the luncheon meeting held at the Grosse Pointe War Memorial Center last Thursday.

Referring to the Branch's theme for the year, Mrs. Thompson quoted the national AAUW by-laws. "In keeping with our purpose the association shall develop a program to enable college women to continue their intellectual growth, to further the advancement of women and to discharge the special responsibilities to society of those who have enjoyed the advantages of higher education."

"The president expressed indignation over the statement made by the chancellor of the University of Kansas in addressing the 1960 national AAUW convention when he said, 'The greatest wasted asset in our nation today is the educated woman. The states, at great expense and effort, educate each year great numbers of American women. They grab their diplomas and rush home to wash the dishes and diapers.'"

President Thompson refuted this statement as not being applicable to AAUW members. "We are not a wasted asset," she said. "Even as we wash the diapers we are teaching the next generation a sense of values, real values, not based on materialism or emotionalism, but on the lasting ideals of freedom and individuality."

Commenting on the confusion about the role of women in today's world, the speaker stated, "We cannot be held responsible for the mess in the world today, because only recently have we even been able to vote in many countries."

"But from here on out we're in it, like it or not. We have the vote in almost all nations now, and we have a majority." "The responsibility can no longer be shrugged off—it rests squarely on our shoulders. We can meet it thoughtfully only if we are well informed."

Pointing out the importance of AAUW study groups, she said, "We have not hesitated to study controversial issues and as a result of our own studies we can evaluate them and develop opinions based on knowledge."

"This informed opinion has influence and reaches which are unfathomable." Mrs. Thompson paid individual tribute to the more than 30 board members who served the organization in the past year. She added, "We are especially pleased with the leadership material we have found in our young members."

A highlight of the meeting was the award of a "Donor's Scroll" to Mrs. Taylor Seeber, first president of Grosse Pointe AAUW, from the national organization for her significant contribution to the fund for the new \$2,000,000 headquarters building to be dedicated in Washington in June. In accepting the recognition scroll Mrs. Seeber said she had wished her gift to remain anonymous, and that she felt membership in AAUW had been richly rewarding to her. "Working together has brought inspiration and character to our branch," she said.

Mrs. Seeber paid tribute to Mrs. Edward F. Suits for her two years of diligent effort as Building Fund Chairman, which resulted in the branch reaching 117 per cent of its goal quota.

topping that of any branch in the state.

Honor guest, Mrs. Vickie Dickinson, state chairman of the Social and Economics Issues study group, paid tribute to Mrs. Edward J. Gehrig for her "inspiration and wisdom" in serving in a high level capacity on the state board. Mrs. Gehrig was last year's recipient of a named Fellowship award, recognized as the highest honor a branch can bestow on an individual member.

Mrs. Allan A. Neef, chairman of the branch's Social and Economic Issues study group, presented Prof. Charles Quick, distinguished jurist, of Wayne State University Law School, for his talk on "Segregation in Suburbia."

In a penetrating analysis of the larger aspects of racial discrimination, Dr. Quick stated, "By and large the segregated patterns in the northern states are consonant with those in the south." He pointed out that one important difference, which politicians and people in the north tend to forget, is that in the northern states, Negroes can and do vote. He quoted former Vice President Nixon's recent Detroit statement that Republicans might have won the election in Michigan if they had paid just a little attention to the Negro vote.

Not only is it politically expedient to vote for desegregation, the speaker emphasized, "but we must do it for moral reasons, because it is the Christian ideal." He quoted Carl

Sandburg in a church dedication speech, as having said, "The dream that holds us will never come true to its perfect ideal," but we must hold to it.

Another American ideal, bringing the message to those behind the Iron Curtain, will be studied by AAUW Mass Media group, in presenting movies on Radio Free Europe at its May meeting. This will be held on Friday, May 26, at the Balfour road home of Mrs. Oswald Robbins, chairman. Following luncheon, Mrs. W. Fritz DeVries will report on Radio Free Europe, along with showing two films narrated by Walter Cronkite and John Daly. All branch members are invited, but should notify Mrs. Robbins in advance at VA 2-6304.

Village Garden Club To Meet in Bloomfield

The Village Garden Club is meeting at the home of Mrs. Carl H. Zuber in Bloomfield Hills.

Assisting hostesses will be Mrs. Gayard F. Lafer, Mrs. Karl F. Meyer and Mrs. Francis H. Phelps.

Mrs. Arnold L. Barrette will show kodachrome slides of "Winterthur."

Suit Selection

Heavy, textured fabrics, horizontal stripes, and two-tone outfits add apparent weight to an individual and cut his height. Vertical stripes and smooth-surfaced fabrics help to slenderize. Bernetta Kahabka, clothing specialist at Michigan State University, says both men and women can keep these principles in mind when they shop for suits.

GPYC Features Men's Fashions

Grosse Pointe Yacht Club members are still rocking with the hilarious fun of this past Saturday night's "Vice Versa" dinner dance which took place in the main dining room after a cocktail hour in the Terrace Lounge.

It took a little while for the distaff side to remember all the social amenities at the turn-out fete; the onus was on the feminine party-goers to ask the men to dance, to light their cigarettes, to rise when men approached the table or left it. (One woman was heard to remark, "I never realized how many things men have to do—these attentions are hard work!")

The fashion show for men provided a riot of laughter. It featured d'Arturo, handsome as could be in a dark business suit with accent of a white carnation boutonniere. He was master of the mike and special commentator appointed by entertainment chairman Haford Kerbawy and party chairman John A. Graffius. Chairman Kerbawy chose a suit of black silk shantung featuring the new continental pocket lines, while chairman Graffius wore a wool and Dacron suit in navy blue.

There was a small round platform set up on the dance floor and here GPYC's 10 "best-dressed" men modeled the stunning men's wear presented by E. J. Hickey Company. (It's possible the distaff side, always clothes- and -value-conscious, paid more attention to the fashions than men would do at a women's style show.)

Only at a "Vice Versa" party could models ham it up so completely—Commentator d'Arturo (Art Stringari) laughing as heartily as anyone.

GPYC Come. John R. Wilt modeled a golfing outfit (blue Bermuda shorts, lighter blue shirt, roller-brimmed straw hat banded in coral) and insisted on a few practice shots with his iron (but no golf ball).

A real hit were "Daddy" Brooks and young sons Garry, Craig, Mark and Trent, as they introduced themselves over the mike (unfortunately, fifth brother Todd was ill). George M. Brooks proudly headed his lads, in blue blazers and gray flannels—the boys' brief appearance (they had come just to model and were returned home by special escort) was a complete surprise to their grandparents, the Alexander Black-

woods, who were at a ringside table with Mrs. Brooks.

Besides Como. Wilt and George Brooks, the 10 "best-dressed" were Earl Fraser, Louis Palombit, Paul I. Moreland, Ed Schoenherr, Fred Hillger and Dr. Edward G. Freimuth. Notable were the coral red sports slacks, matching shoes and striped shirt Fred Hillger modeled.

Everyone gave an accolade to the dance music of Mack Pitt and his five-piece orchestra (Bandleader Pitt was amazed to discover that Como Wilt and Winston Churchill were look-alikes). The shrill siren announcing prize-drawing time was a high spot—Ed Schoenherr and Howard Shaw were winners and James Mutschall was a two-time winner.

There were candle-lighted birthday cakes for Paul Moreland, and at a near table for Dr. Walter Bernard, who was in a group with Mrs. Bernard, the Marshall W. Ackers, the Gene Gordon Engels and Mrs. James E. Atkinson.

Mr. and Mrs. Moreland were at a table with the E. D. Barretts, Ed Schoenherr, Earl Frasers, Jack Craigs, Glenn Walkers, Joseph Kaisers, Jack Hoopers, and Howard Shaw who came on from St. John Hospital and a visit with Mrs. Shaw, who is recuperating from surgery.

Como. and Mrs. Wilt's party included the Frank Colkers, Dr. and Mrs. Dwight Dutcher, the C. J. Wellings, M. A. Clawsons and Joseph Spitzleys. The James Gagnes' guests were the Frank Carlins, Ed Gregorjys Jr., Don Hugheses, Bernard Browns. With the Peter Gallettes were daughter, Arlene, home for week-end from Northwestern University; her roommate, Carol Latham of Elmhurst, Ill.; Dennis DeBalsio and Bart Famularo.

The state is rated second in production of early celery, asparagus for processing and plums; third in production of cauliflower, spear mint, apples, market cabbage, market cucumbers, onions, sweet corn, sweet cherries; and fourth in sugar beets, peaches, pears, grapes, market asparagus, canning beets, head lettuce and buckwheat.

Defer Students Exhibit Art Work

"Boo," says JULIE TAPERT of Defer School as she pops around a corner to surprise several kindergarten pupils viewing the Defer Art Exhibit. Julie is holding a clever papier mache mask she made for the show. The kindergarten children (from the left) are

ERIC O'KEEFE, STEPHEN LINNE, DEBBY KANAAR, and TRACEY PRITTE. Featuring some 200 drawings, paintings, murals, and 3-dimensional exhibits, the art show was held in conjunction with Defer's PTA Meeting Monday evening.

U. of D. Women's Guild Elects New Officers

The University of Detroit Women's Guild held its annual meeting at 1:30 p.m., Tuesday, May 16 in the auditorium of the Student Union Building.

The Very Rev. Laurence J. Britt, S.J., Ph.D., delivered

"The President's Annual Message."

The following members have been elected for the respective offices: President, Mrs. James J. O'Donnell; First Vice President, Mrs. Hellmuth Hickey; Second Vice President, Mrs.

George J. Dandy; Third Vice President, Mrs. Arthur Grix; Financial Secretary, Mrs. John Cooley; Treasurer, Mrs. James P. Caraner; Recording Secretary, Mrs. A. G. Leigh LaChapelle; Corresponding Secretary, Mrs. Edward Rutkowski, and Director, Mrs. Joseph DuMouchele.

Center Singles To Hold Dance

Al Navarro's combo will play on the five-side terrace of the Grosse Pointe War Memorial when the Grosse Pointe single set and their guests gather on June 2, at 7:30 p.m. for buffet supper and dancing at 32 Lake Shore. The Terrace will be lit by lanterns and the Gardens floodlighted for the occasion. Reservations for the supper and dance at \$3 a person are requested at the Center (TU 1-7511) as soon as possible. Dates are not necessary for the party, but every effort will be made to keep the party balanced between young men and women. For this reason it is important to reserve in advance. Tickets will be sold at the door, but only so long as food is available and only to the extent necessary to balance the crowd.

Supper will be served from 7:30 to 8:30 p.m. at candlelit tables along the walks on either side of the Terrace. From the tables, the sailboats on Lake St. Clair and the huge freighters form a continual marine pattern which is fascinating to watch. Some of the guests themselves may possibly arrive at "The Moorings" by boat.

This is bound to be a festive occasion with good food and good music. Even if rain should force the party into the great hall it will still be a fine party. One word of warning to the young ladies is to come prepared with evening sweaters or jackets.

Parade Opens Little League Season in Farms Saturday

By Erv. Steiner

The largest opening day parade in the history of the Farms Little League was held on Saturday, with 300 Little Leaguers and 100 officials participating. Starting at Fisher road and Grosse Pointe boulevard, the parade was headed by the Marine Color Guard, John Lehman, League President, and George Brooks, chairman of Opening Day ceremonies, followed in the lead car.

In the next car, the Mayor of Grosse Pointe Farms, William Connolly, was accompanied by Mrs. Bruce Carty, the only lady to be elected to the Farms Little League Board of Directors.

The last car included Councilmen Henry Bodman, II, Leonard Mitchell and William Kirby, William Hyde, director of Class C Little League baseball was driver.

Following behind the cars, were 300 Grosse Pointe Farms Little Leaguers, 90 managers and coaches.

The weatherman co-operated and Fisher road was lined with viewers. On reaching Grosse Pointe High's baseball diamond, the 20 teams circled the infield and the spectators filled the bleachers. During the singing of the Star Spangled Banner, the Marine Color Guard raised the American flag and directly under it, flew the Grosse Pointe Farms Little League pennant.

George Brooks, the Opening Day chairman, introduced the president of the Grosse Pointe Farms Little League, John Lehman. Mr. Lehman took this opportunity to welcome the over 800 people who were there for the ceremonies. He introduced Mayor Connolly, who congratulated Little League on their past 8 years and wished them continual success.

At this point, we would like to insert the reason Councilman V.M. Butler was not riding in the car with our other councilmen. We found out Mr. Butler is a movie fan and was along Fisher and in the bleachers taking colored movies of the ceremonies. All the councilmen were introduced to the audience and the sponsors certificates were awarded. Trophies were pre-

ented to last seasons champions.

Grosse Pointe Farms Little League was officially opened when Mayor Connolly threw the first ball to the catcher, Councilman Henry Bodman, II, and your reporter at this time, would like to say that the Mayor threw in a real good strike and it was caught by councilman Bodman in a very professional manner.

Many games were scheduled and the results follow:

American League	
Red Sox	4
Tigers	1
Indians	2
Yankees	1
National League	
Giants	9
Reds	5
WP—Hardy Macdona	
Pirates	9
Phillies	1
WP—Dan Wright	

We might add, that Dan Wright pitched an excellent game and it was a one hitter.

The Major Minor, which is Triple A ball, was loaded with excitement. Hollywood met Seattle, with Hollywood winning 9-3. The winning pitcher was Jeff Hadden. The highlights were two men were on board and Bill Alexander stepped up to the plate for Hollywood and slammed a home run right over the center field fence. Seattle scored three runs and they were all by Chip Steiner, who got walked and hit by two pitched balls, thereby getting on first base three times and he then stole second, third and home in each case, to score Seattle's 3 runs and to establish 9 stolen bases in one game as a record.

Sacramento met Denver—the score Sacramento 6, Denver 4, with Gary Thompson the winning pitcher. The margin of the win has to go to John Fralick, who hit two home runs for Sacramento, accounting for 4 of the runs.

Class C is the foundation of all Little League; because the players of Class C are the stars of tomorrow in the majors. Columbus played Rochester and it was a thrilling game with the score Columbus 16 and Rochester 14.

Crucial Meet for Devils On This Thursday's Schedule

By Bill Bullard, '61

Victory over Highland Park on the home track this Thursday afternoon will clinch Coach Howard MacAdam's second straight Border Cities League crown and will climax his first undefeated season. In nine years at Grosse Pointe, Coach MacAdam's teams have won six BCL titles although none has remained unbeaten throughout both league and non-league action.

In recent competition the Blue Devils outscored Pontiac Central and Cranbrook in a triangular meet at Pontiac last Tuesday and tied for tenth place at the state class A meet in East Lansing Saturday.

After the team's latest performances Coach MacAdam said, "I've got nothing but commendation for this team. At the start of the year I didn't know what we had. But it's turned into the best balanced team I've had. These kids have really worked."

The Devil mile relay team was second to Grand Rapids Ottawa Hills by 7 of a second at the state meet. Bill Penz, Brian Mumaw, George Thomas, and Charlie Clark set a new varsity record of 3:26.8, breaking the mark they set at the regional meet by two seconds.

Milt Secor placed third in the finals of the 120-yard high hurdle race to score four more points. Ross Kogel qualified for the finals but didn't score any points when he placed out of the top six in the nine-man race.

Two Devils placed high in their heats but missed scoring points. Steve Schriefer was

Sails & Skis

by Frank McBride

The sailing season will get underway officially this weekend. The first event will be the D.R.Y.A. invitational regatta held Saturday and Sunday off of the Grosse Pointe Yacht Club. There will be two races on Saturday, 10:30 and 2:00, one on Sunday, 10:30, to decide the champions.

The entire sailing fleet from the big Cruising "A" boats to the Juniors will be eligible for the Detroit Yacht Club Memorial Day regatta on Tuesday. This regatta which has been the official opener of the sailing season for years will honor veteran sailor and boating writer George E. Van this year.

The Cruising Club of Detroit is holding a meeting on Thursday, 8:00 p.m. Bayview Yacht Club to take up several items of importance to cruising class skippers. One of the most controversial items will be the proposed new Cruising Club of America ruling which will be reported on by the Rules and Measurement Committee. Instead of weighing boats as is done now, the new rule if adopted, would bring into consideration an entirely new factor of inclination. This would mean that a boat would be heeled to 1 degree and the amount of weight required to do this would be a factor used in calculating ratings.

It appears from the limited amount of knowledge and experience available on the subject that the ruling would tend to favor the more tender boats and penalize the broader more seaworthy boats.

One can not help but wonder why this astute body of sailors keeps changing the rules constantly. Could it be that the parent organization in the east is controlled by yacht designers who are interested in perpetuating new business amongst the few yachtmen left who can afford to keep building new boats to have a winner. It is my opinion that this ruling has the potential of dividing the already numerous classes still farther.

Also on the agenda is a proposal to adopt a Cruising "X" class for yachts rating 22.0 and under. There will be no minimum rating required in this class. The regattas which count toward season standings will be determined at this meeting.

It has been estimated conservatively that 200 boats will compete in the Belle Isle Outboard Club, Detroit News, 50 mile marathon around Belle

Blue Devils Lose To Fordson 3-2

By Dan Hall

Grosse Pointe High's baseball team lost another heartbreaker last Tuesday, this time 3-2 to Fordson.

The Devils now have a won 1- lost 4 league record. The Devils will have to win both Highland Park games, plus their remaining single games against Monroe, Wyandotte, and Royal Oak in order to finish the season with a winning B.C.L. record.

In Tuesday's contest, Devil hurler Lou Ewald held the Tractors to two hits, but in the third inning he gave up a walk to Kachaturoff, Fordson's lead off man, and whiffed a called third strike past the next batter. The third batter hit what looked like the second out, but sophomore Tom Thomson committed a fielding error and the batter followed Kachaturoff across the plate.

The Tractors had also scored in the first, when Ewald walked the first man, struck out the next, walked the third man, gave up a single to Kachaturoff, loading the bases, and walked the next man on a 3-2 count.

Grosse Pointe got one run back in the third with two outs. Jack Chown walked and stole second, Veenendaal walked and Stanley knocked a clean single to right.

Chown, a junior, scored the Devils' other run in the fifth. He led off with a walk, and again stole second. Veenendaal was out, but Stanley sacrificed, moving Chown to third. Jim Kulp sent him home with a long double.

The Devils played Wyandotte yesterday and will play Highland Park Thursday.

Six Tennis Stars Qualify For Regional Meet

Warren Fitzgerald, 1/2.

"There is no reason why we can't make an excellent showing in the state tournament," said Coach Zysk.

The Devils played Fordson on the Tuesday before the tournament and won 7-0. The Tractors offered little competition for the powerful Blue Devils, who shut them out in 9 out of 14 sets. No match went three sets.

Ron Burns won 6-2 and 6-0. D'Hooge took his match 6-2 and 6-0. Mike Lynch and Greg Bielawski both swept their matches 6-0 and 6-0, without giving up a single point.

The doubles team of Russell and Allison clicked for a 6-0, 6-0 match. Brydges and Caceres won 6-2 and 6-0. Smith and Lang won sets of 6-2 and 6-3. This was the only match without a shutout.

This meet was to be followed by another on Thursday at Monroe. Rain washed this meet off of the schedule until a later date. It couldn't be made up the next day because of the tournament.

Friday and Saturday, June 2 and 3, will see the six Grosse Pointe netmen battle Michigan's best at Kalamazoo College. Hamtramck will again offer the toughest opposition to the Devils.

The Devils are scheduled to meet three league teams in the meantime. They will go to Highland Park on Thursday, Fordson next Monday, and Royal Oak a week from Wednesday.

Wyandotte was scheduled to meet Grosse Pointe yesterday. The state meet is what everyone looks to now, however, at Grosse Pointe High.

Little League Results

By John Montgomery

CITY

The Grosse Pointe City Little League was into its tenth season this week, following an opening day double header last Saturday at the Neighborhood Club field that saw four home runs hit—one by each major league team.

Although it was one of the best starts for hitters since the league was started in 1951, the pitchers performed superbly, striking out a total of 30 in both games.

In the first game, the Cardinals edged the Cubs in the final two innings, to win 5 to 2, following a home run with two on base by Todd Pike in the 5th inning. The Cubs took a third inning lead when Brian Hickey homered with one on base. The Cards came back in the fourth, however, and scored one run after two were out when Pike smashed a long double, later scoring on a passed ball.

Although the Cubs threatened in the fifth, they failed to score and the Cards' big fifth inning clinched the game. Winning pitcher was Pike, who struck out 12 Cub batters in the five innings he pitched.

In the second game, the Dodgers, behind excellent pitching by Marl Dowdy, defeated the Braves, 7 to 1. The Braves' only run was a long home run by Russ Knowles in the fifth inning, and although the Braves threatened frequently and played errorless ball, they couldn't overcome the early lead established by the Dodgers' powerful bats.

Dowdy led a second inning attack with a double to right field. A walk to John O'Brien and a single by Ernie Kelly loaded the bases for Bill Doyle who singled in two runs before the inning ended. The Dodgers picked up five more runs in the third inning, climaxed by a bases-loaded home run by Dennis Kelley. Winning pitcher was Mark Downy, who pitched five innings, allowing three walks and striking out four.

The Grosse Pointe City Minor League season gets underway Friday at 6:15 p.m. when the Giants meet the Phillies. Second of the opening minor league games pits the Senators against the Grosse Pointers on Saturday morning at 9:30 a.m.

Major League games play Monday through Friday at 6:15 p.m. All games are at the Neighborhood Club field, Charlevoix at Neff.

Woods-Shores Babe Ruth League

WOODS-SHORES

One of the most outstanding parades ever seen in the Grosse Pointe area heralded the opening of the baseball season for Babe Ruthers in the Grosse Pointe Woods-Shores area. The parade and traditional opening day ceremonies were observed by one of the largest crowds ever to turn out for such an event.

While the parade was loaded with many exciting paraders such as Captain Chicago on his fine horse, the Detroit Pipe Band, the Grosse Ile Honor Guard, Miss Babe Ruth and her Court, the real stars of the parade were the 185 boys who composed the twelve major and two minor league teams in the Woods-Shores Babe Ruth League.

Following the ceremonies in a ball game which pitted the St. Louis Cardinals against the San Francisco Giants, the Babe Ruthers showed that he and his Cardinal teammates would be a team to reckon with during this coming season. Paul pitched a one-hitter, struck out thirteen San Francisco Giants, as his team went on to an 11-0 victory. The heavy hitter for the Cardinals was Jack Bantle with three hits for the afternoon.

On Sunday, May 21st, Houston and Dallas opened the Minor League season at Grosse Pointe University School field. In a seesaw battle Dallas finally succeeded in downing Houston 16-9. Doug Shrieves was the winning pitcher for Dallas.

In the hitting department Schultz' timely hit in the fourth inning pulled Dallas back into the game when they were down by a score of 7-2, and furnished the fire for the team enabling them to go on to victory. The heavy hitter for the Houston team was Moorman whose mighty three base hit in the seventh inning started a Houston rally which, however, fell short of victory.

PARK, CITY, FARMS

A full schedule of ten games was completed this past week with the almost perfect cooperation of Mother Nature. As a result all teams have now played three games and the nature of the race in each division is now becoming more apparent.

In the American League a red-hot race is on. Four of the five teams are tied for first place with identical 2-1 records. Cleveland, Detroit, Boston and New York are thus knotted while Chicago is having a hard time, so far, posting a win.

The National League race has developed two groupings. The Phillies lead with an unblemished 3-0 record but find the Dodgers and the Cards in hot pursuit, each with two wins and one defeat. The Braves and Giants have not jelled as yet

and both are winless.

The Phillies pulled out a squeaky victory over the Giants by a 5-4 score last Thursday. Hagman scored the winning run on a close play at the plate in the final inning. Cimini threw a no-hitter at the Giants but was kept in hot water by lack of control and loose fielding. He whacked out 2 important hits to aid his cause as did Kennedy.

A postponed game with the Braves was won by the Phillies Saturday. The game was featured by a wild 4th inning when the Braves' several hurlers couldn't find the plate. They, collectively, walked 10 batsmen and forced in 8 runs to dissipate a 3-0 lead the Braves had acquired. Big blows in the contest were home runs by LaRue of the Braves and Cimini of the Phillies. Brammer was the winning pitcher although he got exceptional help from Hart who fanned 5 of the 6 batters he faced. The final score was 9-3.

The St. Louis Cardinals bounced back from an opening day defeat to pick up 2 wins. On May 16 they defeated the Dodgers in a tight contest 4-2. Greg Miller was the winning pitcher. He also hit a very important home run.

Later in the week Danny Engel pitched the Cards to a 10-3 victory over the Giants. Miller again provided the big punch as he hit a triple with the bases loaded.

The Dodgers pulled into a second place tie with the Cards by defeating the Braves 8-3. Scott MacKenzie's single with the bases loaded and Trombley's triple were the most significant hits. Bielawski was the winning pitcher.

American League action was intense during the week. Cleveland picked up a pair of victories, both over other contenders. On May 16 the Indians downed the Red Sox 5-3. Pisula pitched the win while Laitner provided the fireworks with his bat. He hit a triple, double, and single in 4 trips to the plate.

Last Friday's action at Kerby Field found the Indians taking the measure of the Tigers by a 11-5 score. Firth got credit for the victory. Swink doubled with the bases loaded to drive in 3 runs.

To Honor Lakers At Banquet

The athletes of St. Paul High School will be honored at a banquet which is to be held on Sunday, May 28, at 6:30 in the K. of C. Hall on East Warren Avenue.

A special tribute will be given to the basketball team for their Class C, State Championship Title which was the first to be Toastmaster and Robert Reynolds will be the guest speaker.

Among the honored guests will be Mayor and Mrs. William Connolly, State Senator Harold M. Ryan, Congressman Robert E. Waldron and Sam Madden, Director of the Michigan Catholic High School League.

Milt Secor placed third in the finals of the 120-yard high hurdle race to score four more points. Ross Kogel qualified for the finals but didn't score any points when he placed out of the top six in the nine-man race.

When the POINTE was growing up...

By Pat Talbot

When Alvin Gouin was approached at the hardware store in Kercheval avenue opposite the entrance to the Country Club and asked about his family's history in this area he replied, "I don't know too much, but they've been here about 250 years."

The Gouin family undoubtedly arrived in old Fort Ponchartrain in Cadillac's footsteps. Not too many years later they were farming in the Pointe. Land around Cadieux road was their farm holding well into the 19th century, after the Pointe had become a summer resort. Gouins today live in St. Clair avenue, Harper Woods and in the Farms.

Mathurin Gouin was the American founder who came to Canada in the 1650's and settled near Three Rivers (the home of the Godfroys, another old Detroit family). His son, Louis, journeyed to Detroit in 1708 to do some trading but it was brother Joseph's third child, Claude, who became the first permanent Detroit resident in 1742.

Claude was a surveyor along the shore outside the Fort walls. Hand in glove with the Indians, he was among the Frenchmen who watched Pontiac's massacre of the British Regiment at Bloody Run that hot July in 1763. He married Mary Beaubien and was the father of 13 children who in their turn married Rivards, Ripelles, Chapotons, and Kerbys to ally Gouin land to the holdings of the best French families. In future generations the Gouin name has been joined to the Labadie and Beupre clan. The present hardware proprietor is the husband of a Beupre.

A Gouin married into the Meldrum family which is still doing business in Grosse Pointe. Another Gouin fought with the Second Essex Militia against the Americans in the Revolution and subsequently a large branch of the Gouins moved to Sandwich, Ont., where many Loyalists settled after the American victory at Yorktown.

Alvin Beupre's grandfather was Maglory Gouin, a prominent fisherman, who lived in Windmill Pointe and then in Mack on the old Staelen farm. Alvin's brother, Hazen, was a high school star of some fame, played at the old Neighborhood Club. He still makes his home here. The boys attended the old Cadieux school on St. Clair where they made their home and Alvin remembers that classes only went through the eleventh grade. He also remembers when the Kercheval-on-the-hill shopping center was a vast farm pasture and not a store to be seen although there was a brisk trading center on the very site where today he serves hardware customers.

Gouins were Pointers when Indians still paddled their canoes on Pointe Shores, helped govern the first tiny hamlet. They were city officers, and assessors, policemen and merchants as well as farmers. Their Pointe history goes back well before there was any lakeshore or residents who made the area the suburb it is today.

who, where and whatnot

by whoozit

The rain held off Saturday to insure that the good crowd which turned out for the Mutt Show on the high school grounds could judge, chat and run the dogs under warmish if threatening skies. In the grandstands glimpsed Mrs. George N. Monro III, looking cheerful in a bright red topcoat over plaid shorts and tights; Bayard Wilson watching his brother-in-law, Pat Murphy, M. C., and escorting tiny daughter, Lisa, and huge sheep dog, Clancy; C. A. Dean and Mrs. Riley O'Brien sipping coffee in paper cups from the thermos they had brought for the early morning show; Mrs. Gordon Weller in pale beige slacks and sweater, Mrs. Charles Potter, Mrs. Roy Tolleson, Mrs. Ken Drake in royal blue slacks and a checked over-b blouse commiserating with her husband who refereed a fight between two dogs, Mrs. Al Navarro in red Bermudas, Mrs. Frederick Parker, Jr.

Awaiting their owners' collection in the News office is one small gray parka, and one navy blue cap with initials, L. A., abandoned on the Mutt Show field.

Richard School, which last season housed swarming bees for a nature project, this season has chickens hatching in Mrs. Geis' first grade room (one of the chicks got stuck, needed an assist from fascinated scholars). Mrs. Dombrowski's third graders have white rats, Snow White, and Chubs, who last week forgot his manners and bit the teacher.

Joe Black turned up at school last week on his birthday well prepared for the usual vigorous paddling to toast his eleventh year. In his trousers he had cannily placed a large square of foam rubber!

Mrs. Lem W. Bowen is an unsung authoress, wrote a series of wartime letters published under the title of "Yes, Ma'am."

One father of seven, in checking his club bills last month, was appalled to discover how much the offspring total of cokes and hamburgers totaled but was mollified somewhat by the appealing note on one of the chits, "Don't be mad, Dad, at this bill. Needed a little reinforcement before buying your Christmas present." And this is May!

On the cocktail circuit over the week-end spied Mrs. William Porter looking very tan and soignée with bouffant hair do and pale pink frock beaded at bodice and showing off her Southern tan to perfection... Mrs. Milton Volkens in harem skirted yellow and white polka dots... Mrs. Don Davis, also in yellow, hers with chiffon skirt and sequin trimmed jacket... Mrs. Leander McCormick-Goodhart in a flowered red and green on white, bell shaped confection and Mrs. Hudson Mead in crimson red chiffon, definitely her color.

Pilferings

An oldster who doesn't follow the news too closely was horrified to learn that her grandson was hoping one day to be on astronaut. "There have never," she explained indignantly, "been any circus folks in our family."

Sympathy is two hearts tugging at one load.

Pointer of Interest

MRS. WILLIAM CLAY FORD, OF PROVENCAL ROAD

By Patricia Talbot

Diminutive Mrs. William Clay Ford, who doesn't look much older than her seventh grade daughter, is frank to admit that children, her own and other people's, are her chief interest.

As a member of the Ford clan she is in demand throughout the city to head civic and charitable boards but she believes in doing thoroughly and well the job she can do. As president of the Protestant Children's Home board of trustees she feels she hasn't much time for other volunteer jobs.

It is not just the Ford name she is lending to the board but her very active interest and concern. She visits the Home three or four times a week, sometimes accompanied by daughters, Muffy and Sheila, and confers with Herbert Shanks, the director, and listens to committee reports on recreation, education, case history, health and budget.

This Thursday the Protestant Children's Home will mark its 125 birthday with appropriate ceremonies, a program by the 72 children, and a tea. President of the board, Mrs. Ford, will not be on hand for the gathering for she is taking her first vacation since the birth of two and a half-month-old Elizabeth. With Mr. Ford she will attend a house party given by the junior Wendell W. Andersons in Bermuda (incidentally missing all the festivities of opera week).

Founders Day At Home
But until she left last week-end Mrs. Ford took a daily interest in the Founder's Day plans. Her deputy this afternoon will be vice president of the board Mrs. Edgar A. Guest, Jr. Mrs. Lansing Pittman and Mrs. Joseph Mason are in charge of Founder's Day.

The Home has come a long way since the days when the orphans rescued from the Detroit cholera epidemic were shepherded into an austere asylum, dressed in blue calico and subjected to Victorian discipline. Today in cottages on Cook road the children, most of whom are victims of disturbed homes, attend Grosse Pointe public schools, spend their out-of-class hours relaxing in much the same way as children with more fortunate family situations. There are trained social workers, teachers, psychiatrists and house mothers to give them the help that they need.

"We are giving them a chance for the future," says concerned Mrs. Ford.

Co-Operative Nursery Too
Her other activities are children-oriented too. She is also interested in Merrill Palmer School, which has received the support of her mother-in-law, Mrs. Edsel Ford. And she accompanies three-year-old son, Billie, to the Christ Church Co-Operative Nursery, working her full share of hours with the other mothers, cleaning up finger

Home expires this year she will not give up her weekly visits. She will continue to serve on the board and see to it that the children in the home, at the formative years of from 6 to 13, receive all the help they need.

Mrs. Ford is well aware of her community responsibilities and finds she can fulfill them most successfully doing what she knows best, working with and for children.

Bridal Bluebirds... alight on white nylon with hand-run Alencon lace. The peignoir, gown and slip are trousseau treasures and you will find them at Walton-Pierce. Miss Rice also showed us a charming shift... the square neckline is a triple ruffle of val lace and is run through with ribbon... a lovely shower gift, indeed!

Fashion Honors... for the graduate! The charming young dresses at Healy's go through graduation exercises and then on to summer parties. She may choose traditional white or soft pastels... both are in the collection.

Travel Far And Wide... but you won't find better kitchen planning engineers than right here in Grosse Pointe at Mutschler Kitchens, 20489 Mack Avenue. From forest to finish the finest materials, craftsmanship and designing are used. They will completely re-do a kitchen in either Contemporary, Early American, or French.

Caught A Glimpse... of the fittings at Leon's Boutique for The Boat Club Show. Terrific coordinated shorts and shirts... well fitting beachwear and casual dresses... along with all the fun accessories. If you didn't see the show; stop by 17888 Mack Avenue. Perhaps you'd like to book an appointment for one of those youthful... piquant hairstyles two of the models were wearing... by calling TUXedo 4-9393.

Discover... another new subdivision by Cox and Baker! You may have overlooked Woodland Shores Estates in Grosse Pointe. It is not surprising because the fifteen available lots are in a rather secluded area off Lakeshore. It's an ideal location for blending Colonial and Contemporary design. Call TUXedo 5-7000 or TUXedo 4-4067 and find out for yourself.

Keep Your Sunnyside Up... but be sure these days your skin is protected from sunburn... via the variety of lotions, sprays and jellies at The Notre Dame Pharmacy. Take your pick... but may we suggest SUNTAN by Dorothy Gray for the fair lady. It promotes a good tan and moisturizes at the same time.

Together... can be fun! Bric A Brac, 20439 Mack Avenue has a group of cocktail sets that prove this point with Mine on one glass... Yours on the other and Ours on the pitcher. These start at three ninety-five and make delightful bar shower gifts.

A Penny Saved... might be the beginning of "Baby's First Million"... which is the inscription on the clever bank at Bric A Brac. It also holds baby's picture in view.

A Way With A Wave... the staff at Barton of the Pointe examines your hair for type and texture. You are given a suitable amount of wave... therefore... it looks natural from the very first day. You'll love how it holds your styleline in control. The salon is conveniently located at 17008 Kercheval Avenue and the number to call for an appointment is TUXedo 5-9181.

Always Be Prepared... familiar words that can be applied to your family's well being. Be sure to have the proper home medical supplies... such as a thermometer (in working order)... a First Aid Kit. Take stock and then drop by The Notre Dame Pharmacy, Kercheval in The Village to replenish your medicine cabinet. They will fill your prescriptions, promptly or will deliver your order.

There She Goes... out of The Fashion Door! Why it's Mrs. Joseph Grady in the very flattering Audace! Did you know that this hair style was recently brought to Detroit by champion French hair stylists and is being quickly adopted by Grosse Pointe fashionables? Just look around and then call TUXedo 2-2446 for an appointment.
