## HEADLINES

### of the WEEK

As Compiled by the  
Grosse Pointe News

Thursday, June 22

An explosion and fire yesterday ripped the interior of the tonnage plant of the Linde Division of the Union Carbide Corp. at E. Great Lakes and W. Jefferson, in Ecorse, killing three men.

Fishermen recovered the bodies of John W. Andrews, of 2541 Lamoth; Roy Stewart, Jr., of 12 W. Josephine, Ecorse; and Arwood Bedell, of 665 Bidle, Wyandotte.

The plant makes oxygen for the nearby Great Lakes Steel Corp.

Friday, June 23

A BESERK GUNMAN shot and killed a Royal Oak Township police sergeant and wounded a patrolman Thursday afternoon as they stood outside the gunman's home.

Dead on arrival at Mt. Carmel Mercy Hospital was Sgt. James Gatewood, Jr., 38. In fair condition is his partner Patrolman Edward Watkins, 37, who had a bullet lodged in his back.

The gunman, Donald Bennyfield, 28, of 10303 Algona, Royal Oak Township, is a former mental patient.

Saturday, June 24

ALL NEGOTIATIONS of the Tractors for Freedom Committee with Cuban Premier Fidel Castro ceased Friday night and the Committee was disbanded.

In a statement issued late Friday in Detroit the committee accused Castro of reneging on his original offer to make the exchange. The committee blamed the failure directly on Castro.

Sunday, June 25

A PROPOSAL to de-emphasize the "freedom riders" is being strongly supported by powerful forces within the Negro protest movement against segregation.

A conference will be held early this week in Atlanta, Ga., or Jackson, Miss., where it is expected that sponsorship of these demonstrations will be dropped.

Sources among the movement's top leaders have indicated that this action most likely would have the backing of a majority of the groups that have been organizing and financing the rides.

Monday, June 26

THE NOW-DEFUNCT Tractors for Freedom Committee was asked Sunday to re-establish itself by ten Cuban invasion prisoners. They also urged that the Committee then proceed to revive negotiations with Cuban Premier Fidel Castro.

Members of the former committee have been contacted by Executive Secretary John Hooker and informed of the Cubans' request. However, there is no indication at this time that the committee will be revived.

STRIKING MARITIME UNIONS decided Sunday to head off a threatened Government back-to-work order by offering to remove their picket lines for food and fuel shipments.

Tuesday, June 27

THE SENATE PASSED a bill Monday which will increase Social Security benefits for 4.4 million Americans and give men the option of retiring at age 62.

The vote was 90-0 for the bill, part of President Kennedy's 16-point priority list. It now goes to a joint conference committee to iron out a compromise between the House and Senate versions.

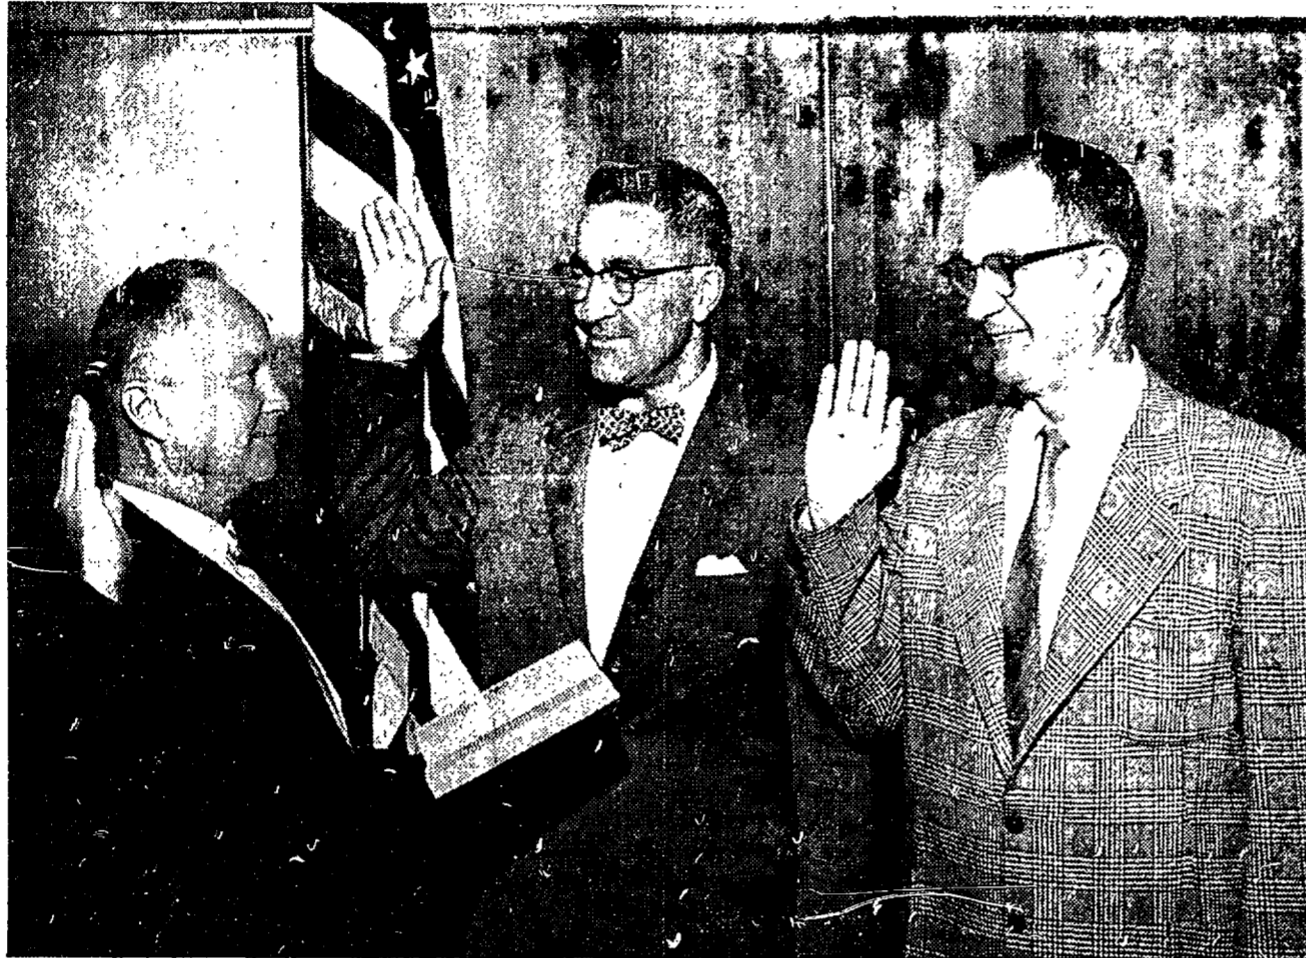

In all, about 4,420,000 people will receive an estimated 780 million dollars in additional yearly benefits.

Wednesday, June 28

PRESIDENT KENNEDY'S use of the Taft-Hartley law in the nationwide seamen's strike might lead to an even worse walkout at the end of the 80-day cooling-off period a powerful maritime union leader warned Monday.

Joseph E. Curran, president of the National Maritime Union, said a back-to-work order would "heat up and not cool off the situation."

## School Board Trustees Take Oaths of Office

ROBERT F. WEBER, center, and EDWARD W. PONGRACZ, right, were sworn into office Monday at a special meeting of the Board of Education, by RAY MACARTHUR, business administrator and head of elections of the Public School System. Mr. Weber, twice president of the board, and Mr. Pongracz, former trustee and vice-president, were the two successful candidates in the annual school election held on June 12.

## Center Sets 2nd Concert Of Festival

All-Beethoven Program To Be presented by Haas, Staples and Olefsky On Wednesday

Music of Beethoven will be played by three of Detroit's favorite concert artists in the second concert of this summer's Grosse Pointe Music Festival next Wednesday evening, July 5.

The program, which will begin at 8:15 p.m. is to be presented outdoors under the stars in the beautiful Fountain Court of the Grosse Pointe War Memorial, 32 Lakeshore road.

Artists for the evening will be Karl Haas, pianist and noted commentator, Gordon Staples, violinist and concertmaster of the summer Detroit Symphony, and Paul Olefsky, cellist and artist in residence at Iowa University and formerly the principal cellist of the Detroit Symphony.

Messrs. Staples and Haas will open the program with the Beethoven Violin Sonata in G major, opus 96 number 10. Mr. Olefsky will then join Mr. Haas to play the cello Sonata in G minor opus 5 number 2. The three artists will conclude the program together with a performance of the Trio in C minor opus 1 number 3.

## LOSES WALLET

Michael J. May, 20, of 851 Fairford, told Woods police on Thursday, June 22, that he had lost his black leather wallet containing his driver's license, car registration and personal papers.

## Park Rejects Installation Of Emergency Call System

The Park rejected a proposal for the installation of an emergency telephone reporting system throughout the city, but did not close the door entirely on the matter.

At a council meeting on Monday, June 26, City Manager Robert Slone recommended that the installation of a minimum of 30 emergency telephones be turned down for the present, but that city officials, including the chiefs of the police and fire departments, be constantly alerted for new methods and new equipment.

## Fatal Shooting in Park Home Being Investigated; Gilbert Miller Is Victim

Two of Three Blasts from Shotgun Killed Prowler, Police Report Gerald Hollerbach Found in Dazed Condition

Park police will make a recommendation for approval or denial of a warrant charging the son of a prominent Park family with murder. The request to the Wayne County Prosecutor's Office was to be recommended on Wednesday, June 28.

The NEWS went to press Tuesday afternoon, June 27, when it was not known whether the warrant was granted or denied.

At the last report, Gerald Hollerbach, 30, son of Chrysler Corporation's chief engineer, Aloysius C. Hollerbach of 1360 Whittier, was held on an open charge for investigation of murder. The open charge was requested by Asst. Pros. Angelo Pentelino, to whom Gerald made a statement. Pentelino said there were discrepancies in Gerald's statements.

Gerald fatally shot Gilbert Miller, 30, of 1343 Three Mile drive, who was said to have been surprised as a prowler in the Hollerbach residence, shortly after midnight Tuesday.

Hollerbach shot down Miller, at first unidentified, with three blasts from a 20-gauge automatic shotgun. Miller was dead on admission to Bon Secours Hospital.

Det. Lt. Stanley Enders said that Gerald, who was alone in the house when Miller entered, was placed under sedation immediately after the shooting because of shock.

Enders said that neighbors called police at 12:30 a.m. when they heard the sound of breaking glass at the Hollerbach house.

One neighbor told police that he heard a car pull into his driveway, and then speed away minutes before the shooting, which led police to believe that Miller might have had an accomplice.

Lt. Enders said that a window was found shattered in a large sunroom on the ground floor of the house. Miller lay dead on a davenport of the sunroom.

The lieutenant said that Hollerbach was asleep in a second floor bedroom, and was apparently awakened when the prowler moved around the second floor.

## Two Pointes Win Awards For Safety

Park and Woods Get Special Citations in National Pedestrian Contest of AAA

The Park and the Woods are again co-winners of safety awards, this time, special citations in the National Pedestrian Contest sponsored by the American Automobile Association.

On Wednesday, June 21, both Park Mayor Kenneth Cunningham and Woods Mayor Kenneth Koppin were notified by the Association's director of Safety and Traffic Division, Ernest P. Davis, that their communities have won citations in the 1960 AAA National Pedestrian Program Appraisal, for pedestrian program activities for cities of 10,000-25,000 population.

## Sends Congratulations

Davis' letter congratulated the Pointe officials for their communities' high achievement in keen competition with 578 participating cities in their population class throughout the country. Davis said that the winning of the awards reflected credit on both administrations, local safety organizations, service clubs and the citizenry.

It was stated that a suitable mounted, decorated plaque will be presented to the Park and Woods in the near future by the Automobile Club of Michigan.

## Won Other Awards

Recently, the Park and Woods were notified that they were among five Michigan cities in their population class who will receive special recognition for No Traffic Deaths and Progressive Accident Prevention Program Activities; and the only two of the five who will receive a Certificate of Achievement for School Traffic Safety Education.

This contest was for 1960, and was sponsored by the National Safety Council, which received reports from a total of 43 states, 1,259 U.S. cities, two metropolitan counties, Toronto, Canada and the Commonwealth of Puerto Rico, during the year's Annual Inventory of Traffic Safety Activities.

## INJURED IN FALL

Mrs. James A. Bauble of 37 Colonial road, slipped and fell on the front lawn at the side of her porch on Wednesday, June 21. Shores police aided her into her house and called the family doctor, who treated the woman for a sprained ankle.

## New Recreational Facilities Opened To Park Residents

Five of 20 Acres of Three Mile Site Now Available for Passive Activities, Plan Dedication Ceremonies Later

Park officials opened the Three Mile park site to city residents, so that the people can take full advantage of the new recreational facilities. A date for formal dedication ceremonies have not yet been set, according to City Manager Robert Slone.

On Monday, June 26, Slone disclosed that approximately five of the 20 acres of the new park, have been landscaped and developed. This coupled with the waterfront park gives the city 11½ acres of developed recreational area.

Where the waterfront park is for all types of active recreation, the Three Mile park is solely for passive activities, it was disclosed.

## Some Land Submerged

The Park owns a total of 20 acres of land at the Three Mile site, including the McMillan Estate, purchased by the city last year. The estate includes about four acres of submerged land, which the city bought from the state for \$6,800, shortly after the estate was sold to the Park for \$64,300.

The estate also included a 127-foot lot on Bedford road, which sometime in the future, will be developed to provide egress and ingress into the park.

As it stands now, the Park cannot take possession of the estate because Mrs. James McMillan has a life-time lease on the property, and will have full use of it as long as she lives. The one stipulation in the purchase contract was that as long as she resides on the land, she will continue to pay all taxes.

## Negotiating With State

Slone said that there is approximately 400 feet of submerged lake frontage, included in the 20 acres of the Three Mile park, that the city is hoping to obtain from the State. A deal is still being negotiated in this matter.

He said that the total cost of the development of the five acres of the new park, now in use, was about \$25,000, including the construction of a comfort station, rough and finished grading, landscaping and so on.

The city manager said that the use of the Three Mile park will be governed by the same rules as that of the waterfront park, that is, the park is open only to those who have park passes. The passes, issued by the city, are good for both parks, he said.

## Imported!

Because next Tuesday will be July Fourth, the NEWS must go to press on Monday. This means the moving up of all deadlines drastically. The cooperation of news and advertising sources will be most appreciated.

All copy we can get on Thursday and Friday will be very helpful. Nothing can be handled later than Monday morning.

## City Approves Important Shifts in Refuse Pick-Ups

Four recommendations made by City Manager Lawrence Savage to the City Council which would improve refuse collection in the city were unanimously approved by that body Monday evening.

City employees will no longer enter private buildings to collect refuse. Residents will be required to have their refuse ready for collection outside such buildings. In the past the City and its employees have been laid open to liability claims which may have been no fault of either the City or its employees.

The use of bag containers for refuse will be eliminated; householders will be required to furnish rigid containers that may be picked up and carried by one man. This is a particularly important change in the regulations which is necessitated by the City's use of packers. This use of packers is essential in any modernization program because it will increase carrying capacity by two or three times over similar sized open trucks.

Bags cannot be loaded into packer equipment because they must be salvaged. It is much easier for a loader to dump a rigid container than shake a bag.

## Expect Final Approval By Both Parties

Tentative Agreement on Exchange of Property Sites Reached at Council Meeting

A tentative agreement between the City of Grosse Pointe and the Grosse Pointe Unitarian Church over the proposed exchange of property between them was worked out Monday night at the City council meeting.

Final approval for the deal, which would involve the even swap of land which the Unitarian Church now occupies in East Jefferson avenue for the City-owned land where the City offices are now located in Maumee between St. Clair and Neff, is expected to be made at the Council's July meeting and at the meeting of the Unitarian Congregation in September.

What has been worked out so far has been simply a lawyers' agreement between Ethan Prewitt, representing the Church, and City Attorney Charles Wright III. The Council Monday night authorized their attorney to further negotiation with Prewitt.

## Many Details Remain

Many details of the agreement still have to be ironed out between the two parties before final approval of the plans can be made. At the Monday evening meeting a proposed agreement from Prewitt was read. The City had several suggestions to make.

Prewitt had originally proposed a one-year period between the date of final approval of the two parties and the closing date of the contract, and then four more years before the project would actually have to be completed. The City (Continued on Page 2)

## Summer School Breaks Records

All records have been smashed this month concerning enrollment in the summer school session carried on by the Grosse Pointe Public School System. Preliminary figures indicate that overall participation is up approximately 25 percent with most of the gain being registered at the secondary school level.

Available data is in terms of course enrollments and does not reflect the actual number of pupils enrolled. However, the data for prior years are on a similar basis and so a valid comparison is possible.

The enrollment in all courses offered at Grosse Pointe High School totals 1145 this year as compared to 941 in 1960. At Brownell Junior High School the picture shows 540 enrollments now as compared to 324 a year ago. Maire School has 180 this year as against 179 last year while Mason shows 182 current enrollments compared to 172 in 1960.

Emergency measures had to be employed to find sufficient teachers to man some of the classrooms. Forty-two are employed this year as compared to 32 last summer. Most of the jam occurred in the fields of history, foreign language and typing.

In typing, every available typewriter has been pressed into service. Also, every available local teacher has been called into service to teach this popular course as have several other non-local teachers.

Another junior high science course has been exceptionally well received, school officials relate. Intended as an enrichment type of experience for students interested in learning over and beyond that found in the normal science course, it was expected that only about 25 students might enroll. Instead, a number in excess of 70 has signed up and three sections are being conducted.

Enrollments in French and Latin also necessitated adding extra sections this summer. But it is in the field of history and economics that the greatest surge has been experienced. Eleven teachers in all are now conducting courses in World History, American History, American Government and Economics.

**City, Church to Swap Sites**

(Continued from Page 1)  
 would like to see quicker action.  
 Mr. William H. Hammond, minister of the Unitarian Church, said that he thought that the closing date could be moved up to June, 1962, only eight months after the congregation's supposed approval in September. And he felt that three and a half years after the closing date would be sufficient time for the church to conduct a fund raising drive, get a mortgage, and construct its new church buildings.

**Will Subdivide Site**  
 The City will not use the property which it will receive for its new offices but instead will subdivide the land for private residences. The new City offices will be located directly behind the Public Safety department.

Both groups agreed to rent-free occupancy for the City offices for not less than a year after the closing date nor more than three months prior to the time when the Church plans to start construction on their new building. The Church would retain rent-free occupancy of their present building until such time as it would be able to move into its new building in Maumee avenue. This is expected to be part of the final agreement.

The Church presently occupies the former Carter estate opposite Rivard boulevard. Recently it acquired additional land from the Zeder estate adjoining its property. As the agreement presently stands, one year after the closing date the City would get possession of only the Zeder property. Monday night the City proposed that it should also get the back 100-feet of the Church's original property which is presently used as a back yard and not for parking facilities.

This proposal seemed acceptable to Mr. Hammond.  
**Change Zoning Law**  
 To pave the way for a final acceptance of the proposal by both parties the Council approved a change in the zoning law which will make it possible for a Church, and a church-school and an off-street parking for the church and Mr. Hammond stressed that the church-school referred to is merely for religious instruction, rather than academic, and a nursery for pre-school children.

The church and church-school will only be constructed to seat 300 and to accommodate 500 children. The church feels that this is an ideal congregation and would not suggest enlarging the Maumee facilities to accommodate more but would rather build another building farther out.  
 It was also brought out at the meeting that the building

**Cadet F. E. Harris, Trains at Fort Knox**

Cadet Frederick E. Harris III, the son of Mr. and Mrs. Frederick E. Harris, Jr., of 45 Beacon Hill, Grosse Pointe Farms, Mich., has arrived at Fort Knox for six weeks of intensive field training and practical work in the subjects and theories which he has been studying in his military classes at The Citadel, Charleston, S. C.

While at summer camp, Cadet Harris will receive thorough training in all infantry weapons and will personally fire most of these weapons. He will also receive further training in map reading and patrolling and will participate in tactical problems of the platoon in which all cadets will be tested to determine their leadership capabilities.

The summer camp is a major requirement in the military career of Cadet Harris. Having successfully completed the four years college ROTC course and the summer camp, he will be eligible for a commission as a Second Lieutenant in the United States Army Reserve upon his graduation from The Citadel.

**BOAT MOTOR STOLEN**

Woods police were informed by Roger Sterzer, 44, of 2206 Anita, on Tuesday, June 10, that someone broke into his garage and stole a 40-horse power electric motor from the rear of his boat housed in the garage. He said that the electric harness cable was cut in half. The motor is valued at \$605.

**Be Sure to Vote Before Leaving**

Are you leaving soon for your vacation? Then you'll remember to notify the police, stop the milk, or even board the cat, but you're not ready to go yet if you haven't voted by absentee ballot for your Con-Con delegate before your departure.  
 It's as easy to do as this: Apply to your City Hall in person or by mail and obtain an absentee ballot. (If voting by mail see to it that your ballot is back to your City Hall Clerk by 8 p.m. the day of the election).

Primary Election, July 25—Vote by 2 p.m. Saturday, July 22.  
 Final Election, Sept. 12—Vote by 2 p.m. Saturday, September 9.  
 If you're not yet registered you have until August 14 to do so at your City Hall. Then you may vote in the September 12 election.

**Emergency Call System**

(Continued from Page 1)  
 throughout the area would have a very limited use and would not serve the purpose for emergency reporting. He felt that the number of true calls over the defunct telegraph system during the past 11 years did not justify the expenditure at this time. He approved an emergency system at a future time, when the city is in a somewhat better financial position.

Chief Louwers said that he in no way felt that by not installing the system, the efficiency of the Police Department would be impaired. He said that any calls made by members of his department could be made through public telephones or by two-way radio.

Chief deCaussin, however, felt that the installation of the reporting system, even on a 30-unit basis, would be most advantageous to his department. He said that 30 units would be the minimum he would recommend installed, but preferred an overall system of 100 units throughout the residential district.

Stone disclosed that the cost of the 30 boxes, including a switchboard, would be \$450 a month. Installation charges (non-recurring) would be \$650, with additional charges and installation costs for each new reporting station in the Valley and Tuxedo exchanges.

Along with this, he said, there would be approximately \$9,000 in non-recurring capital costs to provide for underground wiring from the easement to the boxes on the corners and for pedestals.

The city manager stated that the cost of installing 100 units would be \$1,000, with a total monthly charge of \$1,353.75, plus about \$30,000 in non-recurring capital costs.

He said that there are 10 public pay stations in the city at present, three more are about to be ordered and the city is making a survey for another.

He said that although the emergency system is worthwhile, use made of the old system in the past 11 years did not warrant the expenditure. However, he felt that more modern equipment would be developed in the future and city officials should be alert to these developments and keep posted on the development of an over-all system for the Pointe.

He pointed out that the installation of a system would make no difference in the Michigan Inspection Bureau's classification for the Park.

**PAYS MML DUES**

The Park council on Monday, June 26, approved payment of annual dues of \$490.50 to the Michigan Municipal League. Dues are computed on a sliding scale, based on the latest Federal population census, which in 1960, counted 15,457 persons in the Park. Approximately 80 percent of the State's cities, towns and villages are members of the League.

JOHN WELCH received the Eagle Award from Assistant Scoutmaster BEN KUSHNER at a recent Court of Honor held by Boy Scout Troop 19. The proud parents, MR. and MRS. AL WELCH, beamed approval as ZOLTAN DIOS, troop chairman, and JIM SCHWARTZ, scoutmaster, kept their eagle eyes on the proceedings.

**Soroptimists Seat Officers**

The Detroit Boat Club was the setting for the Sixth Installation Dinner of the Soroptimist Club of Grosse Pointe, when the following newly elected officers were installed in an impressive ceremony:

President, Carolyn M. Wicks; 1st vice-president, Kathryn L. Gannon; 2nd vice-president, Florence Cumings; recording secretary, Agnes Marshall; corresponding secretary, Myrtle Harkness; treasurer, Helen L. Fox; board member, Florence Riley.

The installation ceremony was conducted by Florence Cox, a leading member of the Detroit Soroptimist Club.

The Grosse Pointe Club has among its service projects a nursing scholarship, the Foundation for Exceptional Children, a summer camp for needy children of the area, and projects sponsored by the Soroptimist Federation and the Soroptimist Foundation.

The Soroptimist Foundation on a national basis provides for graduate study in a university to selected candidates who have demonstrated a capacity for leadership.

The Soroptimist International Association of which the Grosse Pointe Club is a member represents 45,000 business and professional women with clubs in more than 30 countries. One of the aims of the organization is the promotion of international goodwill and understanding.

**Club Launches Safety Drive**

A new state-wide traffic safety program has been launched by Automobile Club of Michigan.

The program, which adapts the familiar phrase "Bring 'Em Back Alive!," is aimed at reducing Michigan highway accidents, particularly on the Fourth of July and Labor Day week ends.

"The entire program is a positive educational one," said Frederick Rehm, Auto Club general manager. "Driving can and should be a pleasurable experience, especially when weekend outings and vacations are involved. The basis of the program is to point this out and promote more careful, alert and safer driving."

"Through this program, we plan to present the basic problems and hazards that underlie the bulk of today's accidents, together with specific suggestions on how to avoid them. We believe all drivers will benefit from it."

"Our object is not only to 'Bring 'Em Back Alive!'" but also to have everyone return from motor trips happy, relaxed and looking forward to repeating the experience," Rehm added.

The program is being carried out through newspapers, radio and television stations, utilizing news stories and public service announcements. These media are being augmented by the use of posters, easily-removable dashboard and bumper stickers and other specialized materials.

**Woods Woman Critically Burned As Clothing Ignites**

Mrs. Christine MacAskill, 72, of 2133 Ridgmont, is in critical condition in St. John Hospital, suffering from second and third degree burns over 80 percent of her body.

Mrs. MacAskill was found in her home by Woods public safety officers on Thursday, June 22, in a state of shock. The officers rushed the woman to the hospital in a police ambulance.

Mrs. Edgar Jack of 2147 Ridgmont, a neighbor, called police when she saw smoke coming through a partly opened window of Mrs. MacAskill's house.

When police arrived, they found all doors locked. They entered the house by reaching into a milk chute at the rear of the house and turning the latch of a rear door.

Authorities said that Mrs. MacAskill was able to tell them that she was preparing breakfast for herself, and was reaching into a cupboard over an electric stove, when the heat ignited her night clothing. Panic stricken, she ran into the bathroom and into two bedrooms, where burning clothing dropped and ignited scatter rugs and bedding.

The officers extinguished the fire, and removed the smoldering rugs and bedding out of the house.

Two sisters of Mrs. MacAskill, and a close friend were notified by the Woods authorities of the accident. They are Mrs. Doline Shearer of 20569 Trinity, Detroit; and Mrs. Ann MacClenen of 2080 Lincoln, Montreal, Quebec, the sisters; and Mrs. William Dunlop of 20381 Hollywood, Harper Woods, the friend.

**Cub Pack 546 Visits Capital**

To conclude their many informative and exciting events of the season, Cub Scout Pack 546 recently boarded the train to Lansing and headed for the State Capitol. There the boys shook hands with Governor and Mrs. Swainson, and also G. Mennen Williams, Assistant Secretary of State for African Affairs, and Mrs. Williams. The cubs were on hand at the formal unveiling of ex-Governor Williams' portrait which will hang in the Capitol in Lansing. A bus was chartered, and a tour of Michigan State University followed. The boys were guided to the football field, the huge indoor and outdoor swimming pools, and the building in which the experiments of food and medicine take place. They continued to Michigan State Police headquarters where the new and modern fingerprinting system was explained. Mothers accompanying the boys on the trip were Mesdames Helen Calas, Kay Drummond, Hazel Heffner, Helen Hoffman, Mary Ann Kolb, Barbara Knight, Fernie Stanfield, Margie Steyer, and Gloria Taylor. The boys in Cub Scout Pack 546 look forward to next season. Already, some plans are under-

way. Boys must be 8 years of age to be eligible to join. Dens are organized early in the fall. Please phone Mrs. Fernie Stanfield (TU 1-0140) to have a name placed on the list.

**Voters Urged to Weigh Candidates for Con-Con**

Practical intelligence, dedication to principle and objective judgment are the personal qualifications voters should weigh first in selecting delegates to the forthcoming state constitutional convention, the Coordinating Committee for Constitutional Convention has declared.

The committee is made up of the citizens' organizations that spearheaded the successful campaign to call a constitutional convention next October 3.

Since candidates are to be nominated on a partisan basis, the Coordinating Committee announced it has prepared the following yardsticks as a guide to voters in evaluating significant qualifications other than the candidate's expressed party preference:

- A. Is the candidate an informed citizen with the practical intelligence to understand the constitution and what it means for the future as well as the present?
- B. Is he (or she) dedicated to the principles of sound representative government with liberty and justice for all?
- C. Is the candidate open-minded and objective, and willing to decide controversial issues on the basis of fact and the good of the entire state, or is he (or she) committed in advance to a fixed, inflexible position?
- D. Is he prepared to do what is necessary to be a full-time, fully-participating delegate?
- E. Is the candidate seeking election to consider positive, constructive revision, or merely to oppose change?
- F. Is he alert to the major issues so far identified and willing to submit them to study, as follows:

**Plan Open House At New Building**

An open house will be held at the new Christian Education Building of St. Paul Ev. Lutheran Church, Lothrop and Chalfonte, on Thursday evening from 7 to 10 o'clock for neighbors, friends and members.

After a tour of the facilities light refreshments will be served in the new Fellowship Hall.

A Daily Vacation Bible School will be conducted in the new building from July 10 to 21, daily from 9:30 to 12. There will be periods for Bible stories, handwork, games and refreshments.

Children from the area between the ages of 4 and 12 are welcome. The school is under the direction of Mr. Davis Darrington, Vicar.

The young gentleman are right behind Lynn, ALFIE FORD, son of the Walter Buhl Fords, GEORGE and JEFF McDONNELL, sons of the James F. McDonnells, BENSON FORD, son of the Benson Fords, and REECE McDONNELL, son of the James F. McDonnells.

**Maire Scouts Given Awards**

The annual June Court of Honor of Boy Scout Troop 19 was held last week in the Maire School gym. A great number of parents and friends with representatives of Boy Scout Headquarters witnessed the annual presentation of scouting awards.

Zoltan B. Dios, Troop Chairman reviewed past and future activities of Troop 19. The highlight of past spring campouts was the joint camping with a Canadian Scout Troop on Lake Erie in Canada.

The scout year will be closed with a two day father-and-son canoe trip on the Au Sable river. The canoe journey from Grayling to the McMasters Bridge crowns the year's activities.

Scoutmaster Jim Schwartz reviewed the progress of all scouts of Troop 19 since the last Court of Honor. Mr. Schwartz introduced to the Court of Honor all 15 new scouts who came from Maire School's Cub Pack. Ben Kushner, Scouting Executive, holder of the silver Beaver, was introduced as Assistant Scoutmaster of Troop 19. Uncle Ben is an old friend of Troop 19.

Presentation of awards began with Jim Schwartz, Scoutmaster, giving recognition to Tenderfoot Scouts, Robyn McLaughlin, Frank Miller, Jeff Jaglois and Rick Schriever and to Second Class Scouts, Tim McLeod, Rusty Knowles, Van Mason and Jim Baldwin. Joe Kikel, former Scoutmaster and Commissioner, now Chairman of Troop Advancement presented scouts Chris Kurtz, Jack Gajewski, Bill McLaughlin, Jim

Schwartz, Fred Jackson, and John Welch with merit badges for their assiduous effort in scouting.

Scout, Roy Roberts, Assistant Junior Scoutmaster was remembered with a farewell gift. Roy starts college next fall. Scout, Bill McLaughlin, received the annual trophy of Honor Scout 1961 for his outstanding scout work.

The highlight of the evening was the ceremony for the new Eagle Scout John Welch. Assistant Scoutmaster and former Eagle himself, Ben Kushner,

conducted the presentation of the Eagle award. Following scout tradition the parents of the new Eagle, Mr. and Mrs. Al Welch, 1005 Cadieux road, were feted with their proudly beaming son.

**Miss von Reis Gets Doctorate**

A former Grosse Pointe Country Day student, Siri Sylvia Patricia von Reis, was granted on June 14, the degree Doctor of Philosophy in Biology from Radcliffe College, in Cambridge, Mass. She is the daughter of Mr. and Mrs. Gustav von Reis, of Bloomfield Hills, formerly of Grosse Pointe.

through the inspiration and friendship of Mrs. Vera Allen, former Country Day biology teacher. The work that Miss von Reis has done through her years of research, and her 490-page doctoral thesis, marks her as one of a few real world authorities on a group of rare trees, found only in South America and the West Indies. The seeds of these trees may be of use in

understanding the psychological basis for mental disease. Upon leaving Country Day, Miss von Reis attended the University of Michigan where, in 1953, she received a bachelor's degree with honors in botany. In 1957, she earned her master's degree in biology from Radcliffe.

### Rev. Ketchum Again Booked At Phelps Memorial Chapel

The William Lyon Phelps Foundation will mark the fifteenth year since its organization by the late Charles A. Parcells, Sr. with a full program at Huron City this summer. This will include services at the Hubbard Phelps Memorial Chapel each Sunday afternoon at 3 o'clock from July 2 to August 20 inclusive, the maintenance of three museums for the public, and the operation of the Hubbard Woods Camp by The Detroit Conference of the Methodist Church for eight weeks during July and August.

Preachers at the Hubbard Phelps Memorial Chapel, which is a non-denominational church,

will include Reverend Paul F. Ketchum of Lowell, Mass., Reverend Richard Mitchell of Grosse Pointe, Reverend William B. Sperry of Detroit, and Reverend Walter D. Wagoner of Princeton, New Jersey.

Reverend Walter D. Wagoner, Chaplain since the church was reopened to the public in 1956 is a graduate of Yale College and the Yale Divinity School with a Masters Degree in Religion from Princeton Theological Seminary. Reverend Wagoner has been successively Chaplain in the U.S. Marine Corps during the Second World War, Chaplain of Colby College, Maine, and of Northwestern University in Illinois. He is now Executive Director of the Rockefeller Brothers Religious Fellowship Program of Princeton, New Jersey.

Reverend Paul F. Ketchum is a graduate of Duke University and was for more than 10 years

### Two Cars Figure In Minor Crash

A minor accident occurred at the intersection of Kercheval and Neff on Monday evening, June 19.

Russell A. Zimmerman, 445 Neff, was driving south on Neff across the Kercheval intersection when his car was struck on the right side by a 1961 Thunderbird, driven by J. E. Bejin, of 71 Fairfield.

No tickets were issued. The case will be settled out of court.

Associate Minister of Grosse Pointe Memorial Church before going to the Eliot Presbyterian Church in Lowell, Mass., as pastor. Reverend William B. Sperry has been Rector of Christ Church in Detroit for the past 15 years.

Reverend Richard Mitchell had been Assistant Minister at Westminster Church in Detroit and of the Home Heights Presbyterian Church in St. Louis before coming to the Grosse Pointe Memorial Church the past year as Assistant Minister. All of these ministers, with the exception of Reverend Mitchell, have preached at Hubbard Woods Chapel every summer, with one or two exceptions, since it was reopened to the public in 1956. The complete schedule of services this summer is as follows:

July 2—Rev. Richard Mitchell  
 July 9—Rev. William B. Sperry  
 July 16—Rev. W. D. Wagoner  
 July 23—Rev. W. D. Wagoner  
 July 30—Rev. Paul F. Ketchum  
 Aug. 6—Rev. Paul F. Ketchum  
 Aug. 13—Rev. Paul F. Ketchum  
 Aug. 20—Rev. W. D. Wagoner

The museums at Huron City will be open this summer during July and August from 1 p.m. to 5 p.m., from Tuesday through Saturday inclusive each week. On Sundays the museums will be open after church service from 4 p.m. to 5 p.m. This year there will be added to the William Lyon Phelps Memorial Museum and the Log Cabin a new museum, The Inn. The Inn is the original boarding house provided for sawmill workers when Huron City was a lumber town.

The Inn has been fitted out with furniture of the last half of the 19th century by Mrs. Carolyn Hubbard Lucas, granddaughter of the pioneer settler, Langdon Hubbard, and curator of the Huron City museums. This summer because of the additional expense for attendants, with the new museum and the longer hours in which the three museums will be opened, an admission fee of 50 cents will be charged for adults. Children under 12 will be admitted free.

Hubbard Woods Camp, which has been extensively remodeled by the William Lyon Phelps Foundation will be operated for the fourth summer by the Detroit Conference of the Methodist Church for a period of eight weeks as against the six week term it has been open in the past three summers. The camp which accommodates 40 boys and girls from 8 to 14 in age each week will be under the supervision of James Bowen, who has been in charge of the camp for the past three summers. Enrollment is full this year. The 3 o'clock service in the Hubbard Phelps Memorial Chapel is part of the program each week for those attending the camp.

### 2 Cars Tangle; Tag Dog Owner

Neil Walker, 65, of 6270 Nottingham, St. Louis, Mo., driving on Moross road on Wednesday, June 21, stopped suddenly to avoid hitting a dog, and was struck in the rear by another car. The dog owner was issued a ticket.

Walker told Farms police that he was traveling north on Moross, when a small brown dog ran in front of his vehicle and he jammed on his brakes to avoid hitting it. He was struck from behind by a car driven by Charles E. Clinton, 42, of 949 Ballantyne.

Neither of the drivers were issued violation tickets, police said, since both drivers agreed to let their insurance companies take care of damages.

However, investigating officers established that the dog was owned by William Champagne of 235 Moross road, who was given a ticket for permitting his animal to run at large, and having no dog license.

### Two Pointers Taken Off Road

The driving privileges of one Pointe motorist were permanently revoked, and another Pointer was taken off the road for a period of six months, according to the latest report from the Michigan State Department in Lansing.

Both drivers, it was disclosed by Secretary of State James M. Hare, lost their driver's licenses because of unsatisfactory driving records.

Listed among Michigan motorists penalized by the State, were Kenneth McLellan, Jr., of 439 Manor road, whose license was revoked as of June 16; and Theodore L. Provencher of 1082 Hampton road, who had his taken away as of June 10 through December 9.

Secretary of State Hare disclosed that during the week of June 11, the driver's licenses of 358 State motorists were suspended and those of 88 were revoked.

### Rose Garden Competition Winners Receive Awards

The prizes in the Rose Garden Competition, sponsored by the Memorial Garden Committee of the Grosse Pointe War Memorial, were awarded at a tea held at the War Memorial on Thursday, June 22. Mrs. Frederick H. Curtis made the awards.

The competition, an annual event at the War Memorial, this year attracted more entries than in any past year and included gardens in all the Pointes. Scoring was by accredited judges of the Detroit Rose Society, Messrs. James May, Edward Katulski and Inspector Nuffer.

The highest award went to Mrs. Ivor D. Harris with a score of 98, a blue ribbon and a gift of three rosebushes. All gardens were judged on the merit system, which meant that gardens with a score of 95 or over won blue ribbons. The awards were as follows according to the various classes:

In Class A-1, which meant a garden of fewer than 75 plants, with gardener, the blue ribbon and rosebushes went to Mrs.

Julian Bowen with a score of 90. In the same class, Mrs. Harley Higbie won second place with a red ribbon and a score of 94. In Class A, but without a gardener, there was no first prize awarded but Mrs. M. R. Klippel won a second and the bushes with a score of 92; Mrs. Ledyard Mitchell, Jr., a second with a score of 91; Mrs. E. O. Brady, third place with a score of 90.

In the same class, with part time help from a gardener, as has been noted, the blue ribbon and gift of rosebushes went to Mrs. Ivor D. Harris with a score of 98. In the same category, Mrs. Gage Cooper won a blue ribbon with a score of 96; Mrs. S. W. Utley, a blue with a score of 95; Mrs. Wood Williams and Mrs. E. P. Hammond won second with scores of 93 and 91, respectively.

In Class B, which meant a garden of more than 75 plants, the awards were as follows:

Class B.1 with gardener — Mrs. John Mutschall, blue ribbon and rosebushes, score 97.

Mrs. Robert Herdegen, blue ribbon, score 86.  
 Mrs. Russell Alger, blue ribbon, score 5.  
 Mrs. Alvan Macauley, red ribbon, score 81.  
 William J. Moir, yellow ribbon, score 95.  
 Mrs. J. Gordon Hill, white ribbon, score 89.

In the class of more than 75 plants, without gardener, as follows:  
 Mrs. F. H. Curtis, blue ribbon, score of 96.  
 Mrs. Wilfred V. Casgrain, red ribbon, score of 92 with gift of rosebushes.  
 Mrs. Troy V. Grady, red ribbon, score 91.

### Annual Freedom Festival Packed With Top Events

A hand signal from Mayor Louis Miriani at 10 a.m. June 28, a 21 gun salute by an Army Howitzer Battalion Company and the largest American flag in the world unfurling on the J. L. Hudson Company building, marked the beginning of the 3rd Annual International Freedom Festival.

The events are compressed into seven full days and will end with the final Water Folies show at 8 p.m., July 4. Many spectacular shows and events will keep the week of the Festival humming with activity.

A new innovation will be held July 2 through 4, with the famous Sam Snyder's Water Folies, presented twice daily in Detroit's new air-conditioned Cobo Arena in the Civic Center. Tickets are still available at Arena Box Office.

For the first time, Freedom Awards will be presented and persons will be selected for the Freedom Hall of Fame will be

honored at a Freedom Award Banquet in Cobo Hall, Wednesday June 28.

Combined Armed Forces showings of military might for peace insurance will be displayed throughout the seven days in Cobo Hall "A" and civic center area. A Minute-man missile of the USAF will be displayed along with 14 tanks of the Ordnance Automotive Tank Command and the latest Navy missiles, including the Polaris. Docked in front of the Veterans Memorial Bldg. will be the Navy's Submarine, U.S.S. Cero. All exhibits and displays will be open to the public daily from 11 a.m. to 8 p.m.

Free to the public will be stage shows every day, featuring top flight talent, at the Civic Center Amphitheatre.

Girl Scouts from Detroit will join with Girl Guides from Windsor in a special get-together at Civic Center on Friday morning prior to a full days outing at Bob-Lo Island.

Many celebrities will make personal appearances including Hollywood Movie Star, John Gavin, of Universal International, currently starring in "Tammy, Tell Her True." He will be at Civic Center on July 4.

An International Folk Festival and Old World Bazaar, starting Thursday June 28 will be featured.

The Detroit Concert Band and the Detroit Parks and Recreation Boys Band will perform in Windsor during the Festival. Windsor highlights include Dominion Day Parade and "all nations" activities in Jackson Park, sports events and professional entertainment night, yacht parade, etc.

### Four Canoeists Report Victory

Four tired but excited youths pulled into Grosse Pointe at 5 o'clock in the morning a week ago last Monday. They had just conquered a dangerous stream in the western part of the Northern Peninsula, a feat which had not been accomplished in the past five years.

Dan Goodnow, of Handy road, a pre-med student at Colgate University, Pete Wells, of Cloverly road, an architecture student at the University of Michigan, Peter Jason, of Whittier road, a Notre Dame student, and Gary Near, of Hunt Club drive, also a U of M student, set out a week ago Tuesday for Marenisco where a thrilling trip awaited them.

Last year Goodnow and Jason attempted to canoe down the swift-moving stream but within 20 minutes they had tipped over and lost all of their equipment.

Wednesday morning they began with renewed vigor and perseverance. The canoes were placed in the water just below the falls near Marenisco where they had tipped the year before. The youths endured five rugged days of canoeing through a swift river filled with rapids and falls. Many portages were necessary around the high falls which often were five feet high or better.

The worst calamity of the trip came on Friday afternoon when Goodnow and Wells were trying to help Jason and Near, whose canoe had just tipped over. Wells, clinging to the other canoe, wound up shooting a rapids on the outside of the canoe.

The enthusiasts' roughest day, however, came Saturday when they had to make many portages around the falls, often

An annual highlight event of the Festival will be the spectacular Fireworks, again to be sponsored by the J. L. Hudson Co., in what is considered the largest display of fireworks on the North American continent. It is held off three barges on the Detroit River, and is scheduled for the evening of July 3 at 9:15 p.m.

The NORAD Band from Colorado Springs will perform in both Detroit and Windsor.

Two luncheons will feature the weeks events. The Ladies Celebrity Luncheon is Thursday, noon, in the Veterans Memorial Bldg. Main speaker is Tom Patterson of Stratford, Ontario Shakespearean Festival. The Civic Clubs Luncheon will be held Friday, noon, in the Veterans Memorial Bldg. Main speaker is Hon. Nathan Phillips, Q. C., Mayor of Toronto, Canada. 7 Distinguished Community Leadership Awards will be made to outstanding Detroit and Windsor civic leaders.

Additional information available from Maxwell Gurman, Managing Director, International Freedom Festival, Detroit Leland Hotel, WO. 3-8550.

through thick woods. That afternoon, they spotted native fishermen who told them that the mouth of the river was just one and a half miles ahead and smooth waters. This proved to be false as the two canoes pressed farther and farther into the wilderness through several more rapids and falls.

Finally Sunday noon they reached their destination, just south of Lake Superior in the midst of Porcupine Mountain State Park. There a park attendant told them that they were the first he knew of in five years to complete the dangerous journey. Just two days previously park attendants had to rescue two men whose canoe had tipped in one of the falls and was completely demolished.

### Warning Issued Holiday Drivers

With the extended July Fourth weekend a high point in summer traffic, the State Police will intensify patrol schedules to provide maximum coverage during the 102-hour holiday period.

Increased patrols will be operated from 1 p.m. Friday, June 30, to midnight, Tuesday, July 4. Assistance will be given by 106 National Guardsmen from 1 p.m. to 11 p.m. on each of the three days of June 30, July 1 and July 4, to serve as second men on two-man patrols and on point control.

Patrol shifts will be lengthened from eight to 10 hours and pass days cancelled June 30, July 1 and July 4. Where available, detectives will take over desk assignments to relieve uniform officers for more patrol runs.

"Heavier traffic, hurry, excitement and fatigue add significantly to holiday travel hazards and chance for accidents are multiplied," Commissioner Joseph A. Childs emphasized. "If Michigan is to hold the line on deaths and injuries, each motorist and pedestrian must faithfully obey the rules and watch out for the mistakes of others. Celebrate your holiday safely and sanely."

Last year there were 16 deaths in 16 fatal accidents during the 78-hour July 4 weekend, an average of one fatality every four hours and 53 minutes. The last previous 102-hour July 4 holiday was in 1957, when 20 were killed in 14 accidents, an average of one death every five hours and six minutes. For the seven-year period of 1953-1960 the average has been one death every three hours and 41 minutes.

### Traffic Violators Fined in Shores

George W. Bente of 36 Moross, was found guilty of speeding on Lake Shore road and paid a fine of \$25. A hearing on the charge was held before Shores Judge John Gillis, who pronounced sentence on Monday, June 12.

The judge found Paul Shepard of 1248 St. Jean, Detroit, guilty of the charge of permitting an unlicensed driver to operate his automobile. The arrest was made on Lake Shore. Shepard was fined \$20.

Frank Vermeiren of 2538 Springdale, Detroit, accused of speeding 45 miles an hour on Lake Shore, was found guilty and paid a fine of \$10.

Thomas J. Turri of 5931 McClellan, Detroit, charged with driving 40 miles an hour on Vernier road, was found guilty and assessed a fine and court costs of \$12.50.

Warrants were issued for the arrest of three other motorists who were scheduled to appear before Judge Gillis last Monday, but didn't show up.

### GPYC to Stage Holiday Gala

Grosse Pointe Yacht Club will stage its 32nd annual Fourth of July celebration next Tuesday with entertainment all day and evening for all members of the family.

The outstanding features will be the carnival-type amusements for the children in the afternoon, and the great fireworks display in the evening as soon as dark falls.

From 1 to 4 o'clock, the young fry will have pony rides, a

hurdy-gurdy man and painted, costumed clowns circulating through the club grounds, and a balloon-animal maker, Mel Snyder.

A show staged at 2 p.m. will present the Romig Animal Circus, featuring the educated donkey; also Mike Sullivan, ventriloquist and magician will perform—he has the particularly mystifying trick of a disappearing cane.

Through the day there'll be swimming at the pool for those

who want it; holiday luncheon in the Grill or main dining room will be from noon to 3 p.m., and the Independence Day buffet dinner will be from 5 to 9 p.m. in the main dining room, Grill Room or Fo'Castle.

The evening's fireworks will be a gigantic spectacle, with 200 pieces in the aerial display. Some 2,200 bursts will present

eye-dazzling showers of sparkling color in different designs and effects, plus a special grand finale.

Arrangements for the day are in the hands of entertainment committee members including Chairman Haford Kerbaw, Thomas C. Fox, John A. Grafius, Don H. McPhail, James H. Quello and Arthur M. Stringari.

### Symphony Sets Free Concerts

The Detroit Symphony Orchestra will play free concerts Tuesday, Thursday and Saturday at 8:15 p.m. next week in the Music Shell at the Michigan State Fairgrounds. Vatter Poole will conduct.

Tuesday's soloist will be Alice Engram, Detroit mezzo-soprano, in an Independence Day program of American music commemorating the Civil War Centennial.

Lare Wardrop, Detroit Symphony English horn player, will be Thursday's soloist featured in Sibelius' "The Swan of Tuonela." The program will include Mendelssohn's Symphony No. 4 in A major ("Italian").

Saturday evening's "pop" concert will include selections from Cole Porter's "Can-Can" making a first appearance in the Symphony repertoire.

This will be the fourth of nine weeks of concerts at the Fairgrounds underwritten by The Detroit Edison Company, National Bank of Detroit, and The Music Performance Trust Funds of the Recording Industries in cooperation with The Detroit Federation of Musicians.

CONVERT YOUR REGULAR BED TO CONTOUR

The above illustration shows the new fully automatic Select-A-Rest unit by Dura, on a Hollywood Style bed, which gives you instant choice of 101 contour positions by push-button control.

The Select-A-Rest unit is available in various widths, i.e., twin bed—39", three-quarter bed—48", double bed—54", King size beds—60". Extra long (80") are available in all sizes.

In just 3 minutes you can convert your twin or Hollywood bed into a relaxing contour bed without changing the decor of your bedroom. And if you have been having trouble relaxing, a new Select-A-Rest contour unit may be just the answer to relieve muscle fatigue and tension.

Ask your doctor about the benefits derived from proper positioning while relaxing. Many units have been sold to people suffering from heart disease, asthma, various veins, respiratory problems and orthopedic ailments.

The fully automatic hydraulic electric Select-A-Rest unit is easily adaptable to any existing bed as well as all types of adjustable frames.

Simply remove the mattress and box spring, place the Select-A-Rest unit where the box spring was, place the mattress back on top and the conversion is complete.

After assembly, plug the unit into any standard 110 to 125 volt AC outlet for immediate use.

The unit operates as smoothly as a convertible top. No wonder! It was developed by Dura Corporation, of Oak Park, Michigan, the exclusive supplier of hydraulically operated convertible tops to the automotive industry.

A palm-size, four-button control unit that can be held in your hand—lets you adjust your new contour bed to any of the more than 100 possible relaxing positions. If you want to sit up and watch television or catch up on your reading, just press the "head-up" button and the head of the bed will rise from a reclining position to a 70-degree sitting position. You can stop it at any comfortable place on the way up—or down. Say goodbye to "pillow-packing."

If you have been on your feet all day, lie down and touch the "foot-up" position. You can raise your feet to a 45-degree angle.

When you feel like going to sleep, the mere touch of a button on the palm size control will smoothly lower the Select-A-Rest unit to a horizontal position.

The compact contour unit can be used in almost every room in the house. Built into lounges, they can make patios, dens, living rooms and television rooms more comfortable.

Select-A-Rest units are available on a 30-day rental or trial basis. If after 30 days you decide to purchase your Select-A-Rest unit, rental fee may be applied to the purchase price.

Remember a Select-A-Rest unit needs no extra space, does not change the height of your bed or change the decor of your bedroom.

### 35 American Field Service Students to Be Entertained

An American Field Service bus will arrive at the Grosse

Pointe War Memorial Center on Monday, July 3, bringing 35 students for a long Fourth of July Holiday.

The students, 19 boys and 16 girls, are from 22 countries. They have been in school for a year in Massachusetts, Maine and New Hampshire and are anxious to see some other parts of the U.S. before their departure home the end of July.

All want to see an automobile factory, so it has been arranged for them to see the Ford Motor Car Company and Museum on Wednesday. Their three week tour of the Mid-West and South will be climaxed by a visit to Washington, D.C. where the President will meet them.

Those advanced to First Class were Frank Barrows, Terry Allen, William Hassig, Dennis Duika, John Lehman, Todd Nouse, Nick Popovici, James Wood and Robert DiLoreto.

Promoted to Second Class rank were Howie Davis, Jeff Hadden and Ben Robinson.

Those advanced to First Class were Frank Barrows, Terry Allen, William Hassig, Dennis Duika, John Lehman, Todd Nouse, Nick Popovici, James Wood and Robert DiLoreto.

Star Scout badges signifying that the holder has at least five merit badges and has demonstrated leadership and understanding of Scouting, were awarded to William Ludwig and James Wood.

Scoutmaster Gaskin and his assistant, Don Harwood, divided the honor of distributing merit badges, indicating a wide variety of achievement by Troop 156 Scouts. Those receiving these highly-prized awards leading to the advanced ranks in Scouting were:

Terry Allen: Reading; Robert DiLoreto: Personal Fitness, Journalism, Reading, Nature and Firemanship;

David Doerschuk: Swimming, Geology and First Aid; John Donaldson: Firemanship, Scholarship;

Mark Gibson: Firemanship, Lifesaving, Swimming; Ned Homfeld: Journalism, Reading;

John Lehman: Reading; William Ludwig: Swimming, Lifesaving, Citizenship in the Home and Firemanship.

Todd Nouse: Reading, Journalism, Personal Fitness and Firemanship.

Nick Popovici: Swimming and Personal Fitness; William Sutton: Firemanship;

George Sutton: Swimming and Firemanship; Dan Wood: First Aid, Swimming, Lifesaving, Firemanship, Reading and Citizenship in the Home;

James Wood: Swimming, Reading, Firemanship and Citizenship in the Home.

Recruiter badges were announced by Advancement Chairman Dan Wood for Robert DiLoreto, John Donaldson, David Munson, Todd Nouse and Dan Wood.

Following the award ceremonies and the showing of color movies and slides of the Troop's extensive camping activities during the past year by Drs. Walter Hassig and Panfilo DiLoreto, the Scouts, their parents and guests enjoyed refreshments prepared by Mrs. William Barrows and Mrs. Harry Carson.

The two chaperones who accompany the tour will stay with Mr. and Mrs. Robert Pierce, (daughter Jane went to France in 1958 as AFS student).

Some other families who will entertain the students are Dr. and Mrs. Alexander Blaine, Dr. and Mrs. David Leach, Mr. and Mrs. John D. Adair, Mr. and Mrs. E. Beeman, (Cindy went to Switzerland with AFS, Summer of 1960), Dr. and Mrs. Ivor D. Harris, Mr. and Mrs. Dan L. Johnson, Mr. and Mrs. Harris J. Gram, Mr. and Mrs. William Raven, Mr. and Mrs. J. A. Grow, Mr. and Mrs. Arthur Bartholomew (Sue went to Holland with AFS, Summer of 1960), Mr. and Mrs. John C. Cook.

Others are: Dr. and Mrs. Edward MacKenzie, Mr. and Mrs. Fred Adams, Mr. and Mrs. Wallace Cruickshank, (Jim went to New Zealand for the Spring term of 1960), Mr. and Mrs. Donn Kipka, Mr. and Mrs. Howard Shaw, Mr. and Mrs. Calvin Gauss, Mr. and Mrs. Charles Gauss, Mr. and Mrs. Edward Taube, Mr. and Mrs. George J. ### Hits Two Trees Plus Light Pole

Clarence Livingood II, 20, of 2950 Iroquois, Detroit, wrecked the car he was driving on Tuesday, June 20. He emerged from the accident with head and shoulder injuries.

Farms police said that Livingood, who had been drinking, was driving west on Grosse Pointe boulevard, well beyond the legal speed limit, when his car skidded on the pavement near Edgemere.

The vehicle spun around, shot over the curb backward, hit a tree, ricocheted and struck a Detroit Edison pole in front of 49 Edgemere, bounced off and slammed into another tree.

Police estimated damage to Livingood's car at about \$900; and to the lawn, trees and pole, an estimated \$300.

### Guide Offered By Auto Club

The 1961-62 edition of "Michigan Outdoor Guide," listing all public recreation facilities in the state, has been published by Automobile Club of Michigan.

The 54-page booklet is available free to the public at all AAA offices in Michigan according to George Measel, Auto Club Grosse Pointe Division Manager.

Listed and described are all 68 state parks and recreation areas, including seven new state parks not previously listed. They are: Fayette, Fort Custer, Muskallonge, Port Crescent, Cheboygan, Sturgeon Point and Tawas Point.

Wayne County Parks and facilities of the Huron-Clinton Metropolitan Authority also are listed and described.

In addition, the booklet lists all roadside parks, city and county parks with camping facilities, state and national forests and Isle Royale, Michigan's only national park.

Information on camping procedures, protecting homes from burglars before embarking on trips and illustrations are also included.

The current outdoor guide is the 29th published by Auto Club. According to the publishers, "Nearly 7,000,000 acres of publicly owned land (in Michigan) are open to lovers of the outdoor life."

### TELEPHONE STOLEN

City police discovered on Thursday, June 22, that the public telephone next door to the Farm's Market on Fisher avenue has been stolen from the booth. The phone box was forcibly removed from the wall of the phone booth.

## Linda Larsen Speaks Vows to Mr. Wenrich

Couple Wed Friday in the Cathedral Church of St. Paul; After Reception at DAC Leave for Motor Trip West, Where They Will Live

Mr. and Mrs. J. William Wenrich, the former Linda Larsen, are motoring West following their marriage last Friday, June 23, in the Cathedral Church of St. Paul, Woodward and Hancock Aves., and wedding reception at the Detroit Athletic Club.

The couple spoke their vows to the Very Rev. John J. Weaver, dean of St. Paul's, at 7:30 p.m. rites in a setting of ferns, white rose trees and lighted tapers.

Their parents are the Ches B. Larsens, of Park lane, and Prof. and Mrs. Ralph C. Wenrich, of Ann Arbor.

The newlyweds will have two months of motoring and camping through the West with San Anselmo, Calif., as their destination. They will make their home in this town near San Francisco while the bridegroom studies at the San Anselmo Theological Seminary.

Miss Larsen was dressed in the bridal gown worn by her sister, Mrs. Robert Marantic, at her wedding three years ago. Fashioned of silk organza over taffeta on princess lines, it featured a full skirt with chapel train, and bodice trim of Alencon lace and tiny seed pearls.

A little cap of orange blossoms held her veil and she carried stephanotis, phalaenopsis orchids, and ivy.

Mrs. Marantic, as her sister's matron of honor, was in white silk organza over taffeta, the

bell skirt inset with bands of pale pink embroidery. Her head-dress was a tiny pink pillbox hat and her flowers were miniature carnations shading from white to deep pink.

In identical costumes, and carrying similar flowers with trailing ivy, were the bridesmaids including Mrs. Stephen Truog, Roberta Hanser and Sara Kellerman, all of Ann Arbor; Mrs. Larry Hoover, of Canton, O., and Gretchen Guck, of Birmingham.

Thomas Wenrich was his brother's best man. Ushers were the bride's brother-in-law, Robert Marantic, of Grosse Pointe, and Stephen Truog, Todd Jones, John Chase, and Stanley Larnee, all of Ann Arbor.

Mrs. Larsen's dress combined an Italian raw silk bodice and chiffon skirt in pale champagne color. Mrs. Wenrich was in gray-blue lace and silk organza. They wore tiny flowered headresses and pinned cymbidium orchids to their purses.

When the new Mrs. Wenrich left for the motor trip West, she had donned a dress and jacket of navy raw silk and white accessories.

## Mrs. J. William Wenrich

## Gibney-Verbiest Wed Saturday

Bride Wears Princess Line Taffeta Faille and Alencon Lace Gown for Ceremony in Our Lady Star of the Sea Church; Couple Travel to Sea Island

A Papal blessing was bestowed on the Saturday wedding of Beth Verbiest and Eugene Thomas Gibney, Jr., in Our Lady Star of the Sea Church. Following the ceremony there was a reception and breakfast at the Grosse Pointe Yacht Club.

The daughter of the Christopher M. Verbiests, of Clairview road, wore a princess gown of taffeta faille appliqued with Alencon lace and tiny seed pearls around the square neckline and down the full skirt.

A lace and seed pearl cap caught her fingertip illusion veil and she carried a cascade of phalaenopsis orchids.

Mrs. Alan R. Devine, Jr., was her sister's matron of honor and the bridesmaids included Mrs. Richard J. Kelly, also a sister; Kathleen Horrigan, Catherine Chester, classmates at the Con-

vent of the Sacred Heart; Mary-Jule Scott, of Rochester, N. Y., and Jane Plunkett.

They wore soft yellow pique under white eyelet organdy gowns designed with bell shaped skirts. Small veiled hats of daisies on green velvet completed their costumes. They carried white daisies.

Mr. Gibney, son of the senior Gibneys, of Audubon road, asked his brother, Terrence to be best man. Ushering were Thomas Verbiest, brother of the bride; Charles Brooks, Christopher Duncan, Donald McKenzie, Thomas Faber, Roger Eger, Charles Stumb, Jr., and Patrick

Potter. The junior usher was Timothy Kelly.

For her daughter's wedding Mrs. Verbiest wore a Renoir blue re-embroidered lace sheath fashioned with a portrait neckline and draped waistline. She wore a small flowered blue hat.

Mrs. Gibney was in petal pink Alencon lace and chiffon with matching accessories.

When the newlyweds left for the Cloisters in Sea Island, Ga., the bride was wearing a coffee cream shantung suit and small hat of coffee cream and burnt orange feathers.

## Virginia Belanger Weds Dr. Molitor

Reception at Detroit Yacht Club Follows Saturday Wedding in St. Clare of Montefalco Church; Pair Will Live in Warren After Trip East

Virginia Belanger chose a gown of peau de soie for her wedding Saturday in St. Clare of Montefalco Church to Dr. Arthur H. Molitor.

The bride is the daughter of Judge and Mrs. C. Joseph Belanger, of Westchester drive, and her husband is the son of Mrs. Arthur H. Molitor, of Detroit, formerly of Grosse Pointe, and the late Mr. Molitor.

The bridal gown was designed with short sleeves and a scooped neckline accented with Swiss-Venice lace. The bouffant skirt was trimmed with seed pearls and fell into a chapel train. Her fingertip veil was caught below an embroidered seed pearl crown and she carried white roses.

Bernadette Wortman was maid of honor in a short white embroidered organza over pink frock. She carried white Fugi mums.

Dressed like the honor attendant were the bridesmaids Frances Doran, Joyce Resner and Mrs. John R. Cadarette.

Dr. John Robert Cadarette was best man and ushering were Dr. Richard Balsler, Dr. Thomas Molitor, Dr. Jerome Rochon and James Ernst.

For her daughter's wedding

and the reception at the Detroit Yacht Club Mrs. Belanger wore a bellshaped sun beige silk organza dress. Mrs. Molitor was in a teal blue sheath with a tucked chiffon bodice.

When the newlyweds left on a trip to Pennsylvania the bride was wearing a periwinkle blue linen dress with matching accessories. They will live in Warren.

## Suzie Mitchell Feted at Dance

Suzanne Mitchell, daughter of the Sherman Mitchells, of Cloverly road, who was formally introduced during the Christmas deb season, was honored last Friday by her grandmother, Mrs. Lawrence D. Buhl with a dance at the Little Club.

Before the dance the deb's uncles and aunts, the Robert M. Surdams and the Lawrence D. Buhls, Jr., gave a dinner at the Country Club. The small tables were covered with royal

blue cloths and blue and white polka dotted napkins, blue bachelor buttons and white candles.

Mrs. Buhl, Jr., wore a short floral print gown of white and purple Swiss silk; Mrs. Surdam was in a long lilac organza belted skirt gown and Mrs. Mitchell's pink organza was handpainted with deeper pink flowers.

For the dinner Suzanne chose a short yellow chiffon and her grandmother a pink taffeta and gray lace gown.

Harry Marchard's orchestra played on the club's newly enlarged dance floor. Two green and white marquee-decked with white daisies and green branched out from the pavilion. The ceilings were hung with daisy covered chandeliers and Italian lights twinkled among the green and white balloons tied with ribbons. Small green draped tables centered with daisies were arranged about the pavilions.

For the dance Suzie wore a long white peau de soie gown with a paneled bell shaped skirt and carried pink camellias. Mrs. Buhl was in a long white taffeta gown.

## Susan Remick Bows at Tea

Mrs. Jerome H. Remick, Jr., opened her Ridge road home Monday for the debut tea of her niece, Susan Remick, daughter of the James A. Remicks, of University place.

The tea table was decked with white flowers and masses of pink perianths on the porch were the decorative notes. Here for the party was Susan's sister, Mrs. Peter B. Schreier, of Buffalo, who received with the deb and her mother.

Susan wore a pale blue starched silk frock with matching shoes and carried blue delphinium. Mrs. Remick wore a pink and turquoise linen dress and her ruyrum lily corsage matched those worn by the deb's grandmother, Mrs. William R. Post, Mrs. Jerome H. Remick and Mrs. J. Dwyer Kinnean.

## From Another Point of View

By Patricia Talbot

When Nelson Diebel, Jr., returned to his Touraine road home Friday evening slightly won from his daily stint as a book salesman he was greeted with cries of "surprise!"

Nels was honored by his parents Dr. and Mrs. Nelson Diebel with a party to mark his Thursday evening graduation from Wayne State University, Nels, Jr., wants to be a teacher, preferably in Grosse Pointe next year and hopes to work for his master's degree in the evenings.

Brother John Diebel was on hand for the party because although he is an Army officer he is conveniently stationed at Selfridge Air Force Base where he is working with guided missiles. He will be released from the Army on July 10 and anticipates traveling east for Frank Mullens' wedding in August, then back to the U. of M. in the fall.

Don Diebel, Nels' and John's brother, will be returning to Notre Dame but hopes to have a brief vacation at Winter Park, Fla., with a Notre Dame classmate this summer.

### Summer Cottages Ready

This week before July 4 heralds the opening of summer cottages and local residents are packing up for the usual exodus north. The Januarius Mullens will be off to Charlevoix having just greeted Mrs. M.'s mother, Mrs. Frank Hamilton, who is back in the Pointe from a stay in Spain.

Also off to Charlevoix where they have a home are the Merlin A. Cudlipp, The George Villers who will be opening their home, "Trillium Hill" at Wallonia Lake. Mr. and Mrs. Sherman Fitzsimons left Tuesday for Roaring Brook.

Mr. and Mrs. Thomas T. Petzold will be packing up this week for a summer at their home in Rye Beach, N.W., and the Emmet Trancys will rest up from Denise's debut at Harbor Point.
