THE BERLIN border erupted last night in the first known exchange of shots since the building of the Berlin wall. East and West Berlin police traded over 40 shots as two refugees attempted an escape from the Eastern zone. Vopos chased both across rooftops as West Berlin police watched under the glare of searchlights which they had trained on the roofs in a vain effort to blind the pursuers. One refugee plunged to his death shouting "freedom"; East Germans captured the other. The incident is expected to result in increased tension and a new surge of Communist propaganda attacks against the West.

FORD MOTOR COMPANY and UAW negotiators are turning their full attention to local disputes in a concerted effort to end the union's strike against the auto company by the weekend. The strike began at 10 a.m. Tuesday, when agreement on non-economic issues had still not been reached. A tentative agreement between Ford and the United Auto Workers which, according to spokesmen, parallels the UAW-General Motors contract with improvements in some areas, has already been concluded. The strike affects some 120,000 UAW members who work at Ford Motor Company.

PRESIDENT KENNEDY announced Wednesday that he will meet with Soviet Foreign Minister Andrei Gromyko on Friday afternoon. Talk will center on discussion of a possible solution to the East-West Berlin deadlock. Western diplomats saw a further sign of easing East-West tension in reports from London that Communist diplomats have dropped hints that the Kremlin may put off signing its promised peace treaty with East Germany if East-West talks on the Berlin crisis begin in the near future.

A PRIVATE plane suffered a power failure and crashed in an East Side street early Thursday evening. It was attempting a landing at City Airport. The twin engine Piper Apache brushed the roof of a house at 8408 Elgin before it caught fire and skidded into two parked cars, destroying one and inflicting heavy damage on the other. Both cars were empty. The pilot, James Randle, 29, and his passenger, Henry Dahlgren, 59, were reported in serious condition, with third-degree burns on face, arms and hands.

SAM RAYBURN, 79, Speaker of the House and a Washington fixture for 40 years, is dying of cancer. Tests at Baylor University Medical Center in Texas showed no hope. Rayburn, first elected to Congress in 1912 and re-elected continuously ever since, has held the position of Speaker of the House twice as long as any other man in history. Dr. Robert F. Short, Jr., Rayburn's physician, refused to estimate the amount of time left to the grand old man of Washington politics. Asked how long the speaker would live, the doctor replied, "There is no way of telling."

THE UNITED STATES State Department accused East Berlin communists of placing a satisfactory Berlin peace settlement in serious jeopardy. In a statement by spokesman Joseph Reap, the U.S. referred to Wednesday's East-West border gunfight and the firing of two shots by East Berlin police on Thursday, as well as the fact that the Communists had hurled tear-gas grenades across the wall into West Berlin. These incidents, coming on the eve of a crucial Washington session between President Kennedy and Soviet Foreign Minister Andrei Gromyko, have increased tension in the divided city and made more remote than ever the possibility of the conclusion of a satisfactory solution to the Berlin problem.

Lovely Visitor Inspects Hospitality Center

The charming JINX FALKENBURG of TV fame visited Grosse Pointe last week to see Michigan Consolidated Gas Company's new Hospitality Center which will open next week at 16906 Kercheval.

Hospitality Center Opens October 18

Michigan Consolidated Gas Company Provides Gathering Place for Pointe Groups

An attractive new community meeting place will be opened to the public next Wednesday, October 18, when Michigan Consolidated Gas Company holds open house at its "Hospitality Center" at 16906 Kercheval.

Hugh C. Daly, of Edgemont, executive vice-president of Michigan Consolidated, extended an invitation to residents of all the Pointes to visit the center beginning at 9 a.m. Refreshments will be served. Daly said the Hospitality Center will be made available for groups of 25 to 75 persons for meeting of all kinds following the open house.

Manager of the Center will be M. C. Osborne. Ann Macauley, of Grosse Pointe, has been engaged by Michigan Consolidated as special representative at the Center. Miss Macauley will schedule and make arrangements for special events such as meetings for church and garden clubs, businessmen's groups, veterans' organizations, art and cultural shows, culinary art and fashion exhibits and other community groups.

Designed by Detroit's famous W. B. Ford Design Associates, the "Hospitality Center" offers a setting of unusual charm. An open fireplace and contemporary furnishings lend an atmosphere of graciousness to the meeting room. A series of color-

Superintendent of Schools Lists Many Developments In His Report to Board

Phenomenal Results Obtained in Special Courses Given During Summer Sessions; Parent Group Presidents Announced

The Grosse Pointe Board of Education met in regular session at 7:30 p.m. on Monday, October 9, in the Board of Education Room at 389 St. Clair, to receive the report of the Superintendent of Schools.

Richard Földen and Bruce Westling, teachers directing the summer session's course for better than average junior high school students, to study some aspects of general science which were not in the usual junior or senior high school science program, reported on their summer's activities.

Although no "course credit" was involved, the attendance and enthusiasm of their pupils was phenomenal, and eventually three sections with a total of 60 boys and girls were enrolled.

Enrollments Vary
Kindergarten enrollment has dropped 6 per cent as compared to last year, but junior high school enrollment has risen

Forfeits \$100 For Speeding

Joseph Meehan of 888 Park avenue, New York, was arrested on Tuesday, October 3, at 2:36 a. m., by Park police for speeding 70 miles an hour on Jefferson.

He was stopped at Lake Shore and Moross roads. Meehan was taken to the station where he posted a bond of \$100 pending a 9 a. m. appearance before Judge C. Joseph Belanger.

Meehan failed to show up and the bond was forfeited.

more than 3 per cent and senior high school enrollment shows almost a 3 per cent gain. Despite a very slight loss in the total elementary enrollment, the over-all figures indicate a gain of little more than 1 per cent for the entire system over the past year.

Comparison with the figures often years ago shows nearly a 40 per cent kindergarten gain, more than 40 per cent at the elementary level, more than 90 per cent at junior high and about 110 per cent at the high school level, indicating a gain of nearly 65 per cent for the entire school system.

Barnes school has lost 68 children in the past year (including 51 protestant Children Home boys and girls transferred to Montclair) and Poupard has lost 38.

Six Schools Larger
But Ferry reports a gain of 34 pupils and Maire and Trombly each gained 18. All three junior high schools as well as the high school report a rise in enrollment.

Total elementary enrollment now stands at 5,747; total junior high at 2,521; total senior high at 2,308; and the total system (Continued on Page 2)

Other Pointers Win Honors Too

Principal Sister Mary deLellis, O.P. of Saint Paul High School announced that one of the school's students, Pamela Morris, has been given recognition for her high achievement in the initial stage of the seventh annual National Merit Scholarship competition.

She said Pamela was named Semifinalist in the 1961-62 Merit Program as a result of her outstanding performance on the National Merit Scholarship Qualifying Test. Pamela Morris is the daughter of Mr. and Mrs. Richard T. Morris.

A Grosse Pointe Park student attending the University of Detroit high school was also announced by the principal, Rev. Robert J. McAuley, S. J., as one of the nine seniors at the school gaining the semifinals in the 1961-62 National Merit Scholarship Qualifying Test. He is Roger J. Waindle, son of Mr. and Mrs. Roger Waindle, 1336 Berkshire road.

Methodists Plan Blood Drive Oct. 20

Donors May Contribute to Any Bank They Choose; Mobile Unit Here from 2 to 8 p. m.

A blood drive will be held Friday, October 20, at the Grosse Pointe Methodist Church, 211 Moross road, from 2 until 8 p.m.

The goal of this program is to help provide blood and blood derivatives for medical use without charge for the products, to all of the people and organizations that belong to the Grosse Pointe Community Council. Anyone may come in and donate blood to other blood banks, however.

Through this program, blood is more readily available to meet the daily needs of the communities the blood bank serves as well as to help communities crippled by disaster or other emergencies.

Mr. and Mrs. David L. Claybrook are co-chairmen of the drive. They will be assisted by Mrs. Walter Griffith, chairman of the hostesses; Mrs. John Gould and Mrs. Henry J. Quinn, co-chairmen of the hospitality committee; and Mrs. M. H. Kennedy in charge of transportation.

Bob Butts from the Grosse Pointe American Legion Post, president of the Grosse Pointe Blood Council, has announced that this will be an all-out drive as many of the Blood Banks in this area are in need of blood. He has asked the member organizations to contact every possible donor.

Appointments to donate blood may be made by calling either PR 2-1604 or TU 1-7888. Walk-ins are also welcome.

Convertible Top Found Slashed

Thomas Bisklonis, 5026 Somersset, parked his convertible on Mack near Rivard at 8:30 a. m. on Wednesday, October 4. When he returned at 11 a. m., he noticed a one-foot slash on the left side of the top. The cover for his spare tire had also been slashed.

City police believe someone attempted to get the spare tire. Bisklonis reported he has lost a spare in the same way before, and has since kept the tire out of the car.

THIEF TAKES RADIO
Robert Kurvink of 9645 Evers, Detroit, complained to Park police on Friday, September 29, that while his car was parked near St. Ambrose Church, on Wayburn at Hampton, someone stole the car radio, valued at \$60.

Park's \$186,380 Pumping Station Job on Schedule

City Manager Informed Council Project 65 Percent Completed and Should be Finished in February

The Park's \$186,380 pumping station alteration-improvement is about 65 percent completed, and the entire project should be finished by February, City Manager Robert Stone informed the Park council on Monday, October 9. The station is at Jefferson and Maryland, adjacent to the municipal building.

The city manager reported that the new 48-inch storm relief sewer from the pumping station to the seven-foot Jefferson avenue Detroit interceptor sewer at Alter road, was completed about two weeks ago, along with the measuring chamber and some masonry cuts and alterations to the pumping station.

He said that the balance of the contract consists of installation of the pumps, electrical and hydraulic accessories in the station along with adjustments of sewer weirs.

Lists Major Alterations

The major alterations to the storm pumping station, now under contract, Stone stated, consists of the following:

Replace the existing four small dry weather sanitary sewer pumps with three modern non-clogging sanitary sewage pumps of similar capacity. These will be used for sanitary sewer pumpage only.

Install two new storm water pumps, each having a capacity of 42 cubic feet per second. These will pump combined sewage.

Construct a 48-inch storm relief sewer from the pumping station site to the seven-foot Jefferson avenue high-level sewer connected to the sanitary sewer system on the Detroit side of the existing backwater gate. (Completed but not in use as yet).

The construction also consists of plumbing, changing of weirs, hydraulic and electrical accessories, and controls.

Blamed for Pollution

The Park was blamed by Detroit for the pollution of Fox Creek, and is under a directive from the Michigan Water Resources Commission, the Michigan Board of Health and the Wayne County Board of Health (Continued on Page 2)

Park Police To Use Radar

The Park council approved the purchase of five police cars and a radar speed timer, and awarded the purchase orders to two low bidders during a regular council meeting held on Monday, October 9.

The council accepted the bid of Alfred Steiner Company for three two-door sedans and two station wagons, to cost a net of \$7,613, after trade-ins.

The radar timer will be purchased from the American Radar Corporation for \$1,030, and will replace the electric speed timer which the Police Department has been using for the past five years.

The lone dissenting vote on the buying of the radar timer was Councilman Matthew Patterson, who charged that speed timers were not needed to apprehend fast driving motorists.

GPHS Having Homecoming Festivities on Saturday

Homecoming festivities will begin at Grosse Pointe High School on Saturday, October 14, with a parade followed by a football game against Highland Park. In the evening, a dance will be held in the gymnasium-auditorium.

Mike Simson '62 is Homecoming Day chairman. He has announced that all floats are to meet at the Grosse Pointe City Park by 12 o'clock on Saturday, and proceed at 12:30 along Jefferson to Cadillac. They will then move up Cadillac to Kercheval, down Kercheval to Fisher, and from Fisher to the school.

Wednesday, October 4, was the deadline for clubs wishing to be represented in the parade to submit their reports to Mike, who reports that all three

School Board Asks to Have Model Made

Determined to Preserve Beauty of High School Building in Providing Needed Addition

The Grosse Pointe Board of Education moved a step closer to finalizing plans for improving the High School library situation in its regular meeting Monday evening. A two story addition to be constructed on the front of the present building was approved as the most feasible means of enlarging the badly overcrowded facility.

Instructions were given to the school staff to obtain more detailed drawings and cost estimates. A three dimensional model of the proposed addition was also ordered so that a more exact grasp of the appearance of the structure could be gained prior to authorizing the start of the actual construction work.

Want To Be Certain

"We want to be very certain that the changes being considered will in no way mar the beauty of Grosse Pointe High School," President Robert F. Weber of the Board said. "All of us recognize that the building is an outstanding landmark in this community and we are moving with great deliberation to avoid hasty or ill-conceived decisions."

"However," he went on, "parent-group representatives, trustees, and school staff have been studying this situation for about two years and we are convinced the best solution to our problem of critically needed library space lies in adding 6,000 square feet of floor space on the southwest wall of the present high school library. This will enable us to accommodate about 230 students at one time as compared to our present capacity of about 120."

Other Projects

The library addition is one of the projects planned for completion during the four year building improvement program authorized by the voters of the district two years ago.

Other projects nearing completion are the Ferry School addition of six classrooms and the Mathematics Center, also a six-room addition on the newly constructed third floor of the Industrial Arts building.

Renovations and upgrading of facilities in many of the older schools have also been carried on in this program and are to continue. Additions to other buildings as needed to carry on a full program in a normal fashion are to be part of the general improvements by the end of the period.

A guidance and counseling center located in several rooms adjacent to the high school office area will also be constructed in conjunction with the library expansion. Widely scattered counselors will then be able to work in a better coordinated situation and have essential records and materials close at hand to make their work more efficient.

Other Plans Explored

Several other solutions to the lack of space in the present high school library have been explored and found wanting. Among them were the possible conversion of the boys' gym, the building of a new structure between the annex and the main building, the combining of two adjacent study halls with the present library, and the construction of a second floor within the present library which has a 22 foot ceiling. All of these proved unsatisfactory in one or more respects when compared to the plan to push out the present front of the building.

The proposed addition will be approximately 30 feet wide by 100 feet long. The pillars and portico which are the most significant features of the building's exterior will be displaced forward intact and attached to the new structure. This plus the fact that brick of the same type is available and that great care is to be exercised in duplicating all architectural features possible will go far, school officials state, in producing an appearance very similar to that which now exists.

Woods Sets Hearing on Clinic Plea

Council to Sit as Board of Appeals to Hear Arguments About Parking Proposal

The Woods council will convene as a Board of Appeals on Monday, October 16, at 7:30 p.m. to hear pro and con arguments on the development of two lots, at the rear of the Grosse Pointe Clinic, 20825 Mack avenue, at Hawthorne road for off-street parking.

Dr. Clifford B. Loranger, MD, of 888 Lake Shore road, owner and office occupant of the clinic building, said that Monday's appearance before the Board of Appeals, will mark the fourth time that he has asked that body for favorable legislation to permit him to develop the lots for parking.

On three separate occasions, the Woods Planning Commission favored the rezoning of the lots from residential to commercial for the off-street parking, and gave its recommendations to the Woods council. However, the council denied the clinic's petitions because of opposition by residents living in Hawthorne, who claimed creation of a parking lot would depreciate the value of their properties.

Dr. Loranger stated that he had purchased the lots 10 years ago, for the sole purpose of having it developed for parking of vehicles of clinic physicians and dentists and their office personnel. He said that cities all over the country permit off-street parking in lots behind alleys and buildings.

Park Project Progresses

(Continued from Page 1)
to eliminate this hazard to health and recreation. The Park accepted the blame and agreed to do its part in eliminating the contamination.

Stone explained to the council that the purpose of the alteration is to reduce the number of times that the Park must pump storm water into the Fox Creek Canal, and also to improve the quality of the effluent that will prevent the pollution of the canal.

Agreement With Detroit

He said that the Park has an agreement with Detroit, whereby the Park will be permitted to discharge up to 84 cubic feet per second of combined sewage into the Detroit sanitary system. All pumpage in excess of this, will be permitted to be discharged into the creek canal through the storm pumping station.

When the alterations and improvements are completed, Stone said, during dry weather flow, the new sanitary sewage pumps will pump all sewage from the Park to the Detroit interceptor.

In case of rain, he said, in addition to the three sanitary pumps used for dry weather, the first new 42 cubic feet per second pump will go into operation. If the storm increases, the three sanitary pumps will cease operation, and the second 42 cubic feet per second pump will be used.

This, the city manager stated, will give a total of 84 cubic feet per second into the Detroit sewer, which is the maximum allowed under the present agreement.

Other Pumps in Reserve
If the flow increases, he said, an existing storm water pump, Number Four, will be put into operation. This has a pumping capacity of 150 cubic feet per second. This would start the pumping into Fox Creek Canal.

If the flow increases further, Stone said, then pumps Number One, Number Two and Number Three, each with a capacity of 300 cubic feet per second, would start working, giving a total capacity of 1,050 cubic feet per second, being pumped into the canal, and 84

cubic feet per second being pumped into the Detroit sewer. Stone said that the last time the pumping station was operated at full capacity, in the manner he described in his report, was for six minutes on June 17, 1960; and three of the four pumps were in operation for eight minutes on August 23, 1959.

Will Reduce Canal Use

He said that under the present operation, the Park pumped effluent into the canal an average of 30 times a year. He predicted that under the new procedures, pumpage into the canal will be about 10 times a year.

Because of the first 84 cubic feet per second going into the Detroit sanitary system, he said, the effluent that will be spilled into Fox Creek will be cleaner than in the past.

Stone said that the State Health Department, the Water Resources Commission and Detroit, approved this plan.

The School Board joined the staff in offering congratulations to the eight Grosse Pointe High students who were among the 10,000 chosen this year as National Merit Scholarship Semi-Finalists.

They are Andrew Balas, Allen Crow, Synthia Gilliat, Allen Hyer, Donald Owens, Grant Piggett and Michael Simson. The eighth winner, Ellen Rollins, has moved from Grosse Pointe since taking last May's examination.

Final Examination in December

An examination to determine the finalists will be given on December 2, when all semi-finalists will take the three-hour Scholastic Aptitude Test of the College Entrance Examination Board.

All junior high school newcomers participated in a testing program to determine their proper grade levels and class schedules. Staff members from the Pupil Personnel Department were assigned to Brownell, Parcels and Pierce to test each newcomer in mathematics, reading and intelligence, to score all tests overnight if possible, and to return the results to the schools immediately thereafter.

A total of 218 new pupils were tested and scored. This objective was made possible by the assistance and cooperation of the school staffs with department members.

Phenomenal Results

About 100 pupils enrolled in the summer session course in self-improvement of reading and study skills. Inaugurated in 1950, this course has proven very popular and results in the non-credit course were little short of phenomenal.

The average student increased his reading speed by 313 words per minute and 75 out of 98 at least doubled their speed, 18 of the 75 tripled their speed, and one student ended the course reading at over 2,000 words per minute.

An average of 72 minutes a day spent reading was maintained by the group and 5.8 books was the average number read during the six-week period.

Parents Group Announced

Parent Group presidents for 1961-62 were announced. They are: Frank Kaufman, Barnes; Gerry Stoolzer, Brownell; Dr. James Graves, Defery; Dr. Robert Everett, Ferry; George Cartmill, Kerby; Richard Green, Maire; James Ziegenfuss, Mason; Elton A. Turner, Monteth; David Teague, Parcels; and Richard Hinks, Pierce.

Others include Ray Broman, Poupard; H. Hudson Mead, Richard; and Theodore Angott, Trombly.

over-long lunch lines and slow service have been surmounted and the staff is now seeking ways to improve the post-lunch situation.

The report also mentioned the visit of Seisharo Ono of the Japanese Ministry of Education. Mr. Ono will be spending today and tomorrow observing classes in grades 9 through 12. Mr. Ono, who is working on a new curriculum in mathematics for the specially gifted in Japan, is

visiting Grosse Pointe as a part of an International Teacher Development Program administered by the United States Office of Education.

School will recess October 19 and 20 for the annual teacher conferences.

Introducing Pointe's Newest Teachers

PRINCIPAL VINCENT PETERSON of Parcels Junior High School got together with the five newcomers to his teaching staff recently to check on how they were adjusting to their assignments, pupils, colleagues, and Grosse Pointe in general. Pictured reviewing the situation are (from the left): JOHN WARGELIN, art teacher; CHARLOTTE BECK, mathematics

and science instructor; HELEN LLOYD, Latin and English specialist; SALLIE WILSON, French and English teacher; Mr. Peterson; and HARLAN MINOR, boys physical education teacher. The report was that the newcomers were making excellent progress in becoming acclimatized and were finding Grosse Pointe a fine place to teach.

John Wargelin claims Ironwood as his birthplace, but much of his life has been spent in the Pontiac area. He was graduated from Central High School there and enrolled in the School of Architecture and Design at the University of Michigan. Graduating with a degree in design, he later attended Cranbrook Academy of Art and the Horace Rackham School of Graduate Studies of the University of Michigan.

While in Ann Arbor he served as an officer of his fraternity, Theta Chi, and as vice-president of his class. He was also tapped by Tau Sigma Delta and Phi Kappa Phi, honorary societies in the university. Active in the National Guard, Mr. Wargelin is married and resides in St. Clair Shores. Hobbies include sports cars, classical music, skin diving, painting and sculpture.

Miss Charlotte Beck also claims Northern Michigan as her birthplace, Traverse City being the locale. The family home moved to Dearborn and she completed her high school studies at Fordson before enrolling at Albion College. She received her A.B. from the University of Michigan and did her practice teaching in 7th and 11th grade mathematics classes at University High. Tennis, swimming, and knitting claims her attention when not involved with her school responsibilities.

Cleveland, Ohio, is the birthplace and family home of Miss Helen Lloyd, new Latin and English teacher at Parcels this fall. She was graduated from Villa Angela Academy, where she returned to teach for one year in 1959-60, and Ursuline College for Women. She also attended the University of

Pittsburgh and the American Academy in Rome, the former on a tuition fellowship awarded for scholarly achievements as an undergraduate and the latter on a grant from the Lawrence Fund for study in Rome. Kappa Gamma Phi, an honorary society, claimed her as a member and the Loyola Medal for Oratorical Excellence was

also awarded as an undergraduate.

Miss Sara (Sallie) Wilson was born in Rochester, Minn., and was graduated from high school there. Her B.A. was earned at Michigan State University. She prepared herself further as a teacher of French through participation in a program known as "Experiment in International Living", residing for a period of time in France. Her student teaching was accomplished in South High School in Grand Rapids. Hobbies include foreign films, reading, and foreign languages in general.

Visits Hospitality Center

(Continued from Page 1) ful model kitchens, unlike anything in this area, will capture the interest of guests.

As an added convenience, a company business office will be open in the "Hospitality Center" from 9 a.m. to 5:30 p.m., Monday through Friday.

Mr. Daly pointed out that his company will make the facilities of "Hospitality Center"

available upon request to the residents of all five Pointes as a community public service.

Written requests for club and meeting reservations should be addressed to Mel C. Osborne, Manager, Hospitality Center, 16906 Kercheval, Grosse Pointe 30, Michigan.

Schools

(Continued from Page 2) ship. William Hoover, Richard 5th grade teacher, will serve as co-chairman of a sectional meeting of the American Overseas Educators organization

The initial general session of the Michigan Education Association will meet in Cobo Hall, where they will be addressed by General Carlos P. Romulo of the Philippines who will speak on "The Asia America Does Not Know."

Coming to Grosse Pointe as a physical education instructor after four years on the Belleville High School staff has brought Harlan Minor closer to home. He was born in St. Clair and graduated from high school there. Both his bachelors and masters degrees were earned at Eastern Michigan University. He is a reserve officer in the United States Army Reserve and married. Two young sons, 2½ years and 5 months, respectively, vie for his attention when duties at Parcels end for the day.

OBITUARIES

PAUL HARVEY DEMING
A member of one of Grosse Pointe's oldest families, Paul Harvey Deming, of 111 Lakeshore road, died suddenly at his home on Friday, October 6. Born in Cleveland in 1876, Mr. Deming first came to Grosse Pointe in 1905. He was the first president of the vil-

lage of Grosse Pointe Farms, and responsible for building and locating the Farms' first fire and police departments and rebuilding the present offices. A past president of the Country Club of Detroit, Mr. Deming was one of the few who remembered and played on the old golf course there.

He was an organizer of the Grosse Pointe Hunt Club and of the Little Club, a member of the League of Lower Lakes Golf, and for 20 years president of the St. Clair Shooting and Fishing Club.

Mr. Deming was often a competitor in and sponsor of garden shows at the Neighborhood Club.

He is survived by his wife, the former Helen Smith; a son, Paul Harvey, Jr.; two daughters, Mrs. Edward Parker and Mrs. Charles Munson, Jr.; seven grandchildren and two great-grandchildren.

Funeral services were private.

PAULINE KAUDERER

Mrs. Kauderer, 70, of 340 Stephens road, died Tuesday, October 3, in Henry Ford Hospital.

She was president of King Daughters and Son Fellowship Circle.

Survivors include her husband, Charles; three daughters, Mrs. Max C. Jones, Mrs. William Hancock and Mrs. K. G. Harris; a sister, Mrs. John Eberl; two brothers, Charles and Leon Eckel; five grandchildren and one great-grandchild.

Services were Saturday, October 7, at the Verheyden Funeral Home. Burial was in Elmwood Cemetery.

TERESA B. MORAN

A native of Indiana, Teresa B. Moran, 80, of 1613 Bourne-mouth, died Saturday, October 7, at her home.

Survivors include a nephew, Clyde, and two nieces, Mrs. Marguerite Hughes and Mrs. Saranel Zello.

Services were Tuesday, October 10, at J. A. DeSantis Funeral Home and Our Lady Queen of Peace Church. Burial was in Mt. Olivet cemetery.

MARJORIE LEIBINGER

Mrs. Leibinger, 72, of 511 Barrington road, died Friday, October 6, at Cottage Hospital.

She is survived by her brother, William Glasgow.

Services were Tuesday, October 10, at the Verheyden Funeral Home and burial was in Woodlawn cemetery.

GERTRUDE E. KETTERER

Gertrude E. Ketterer, 73, died Saturday, October 7, at her residence, 980 Lincoln road.

Among the survivors are her husband, Edward A.; three daughters, Mrs. Edgar Segerlund, Mrs. William D. Mounro, Jr., and Mrs. Donald Bangs; and a son, Edward F. Ketterer.

Services were Tuesday, October 10, at the Verheyden Funeral Home and St. Columba Episcopal Church, Manistique at Jefferson. Burial was in Forest Lawn cemetery.

WILLIAM GLEASON

A native Detroit, William Gleason, of 323 Beaupre lane, died Sunday, October 8, at Bon Secours Hospital. He was 75.

He said that he appeared before the Woods Planning Commission three times with plans to develop the lots, and received that body's unanimous approval. However, when the recommendations were presented to the city council, the council turned down the plans without giving a satisfactory reason for doing so, the doctor claimed.

Cites City Ordinance
Dr. Lorange stated that a Woods ordinance permits such developments, and cited two locations where off-street parking has been permitted on property rezoned from residential to commercial. One, he said, is behind the Woods police station, Mack and Anita, and the other, behind business stores on Mack and Hampton.

The doctor said that the Planning Commission had declared the area as critical, in as far as the need for parking is concerned, and he had tried to alleviate the situation by purchasing the lots for off-street parking.

He said that if he cannot receive any satisfaction from Woods officials, he will take the matter to court.

The doctor has been assured by city officials that the matter will be given every consideration for a fair hearing.

Survivors include a son, William, Jr., and a daughter, Agnes.

Services were yesterday at the Verheyden Funeral Home and St. Paul's Church. Burial was in St. Paul's cemetery.

ALICE MCINTYRE

Mrs. McIntyre, 82, of 866 Cadieux road, died Sunday, October 8, at her home.

The wife of the late Stephen McIntyre, she is survived by a daughter, Mrs. Alfred Jeffery, and one grandchild, Jeanne Jeffery.

Services were Wednesday, October 11, at the Verheyden Funeral Home and St. Clare Church. Burial was in Woodlawn cemetery.

FRANK PALMS BOOK
A descendant of two of Grosse Pointe's oldest families, Frank Palms Book, of 354 University, died Wednesday, October 4, in Henry Ford Hospital. He was 68.

Mr. Book was the son of Dr. James Burgess Book, wealthy Detroit landowner for whom the Book Building is named, and of Clothilde Palms, daughter of Francis Palms, reputedly the largest landholder in the Northwest Territory.

A leading Detroit real estate developer, Mr. Book helped direct the Book Estate, which built and operated the former Book-Cadillac Hotel and the Book Building. He was owner and president of the North Range Mining Co. and associated with the Developments Corp. of Detroit. He held the office of president of the Detroit Water Board during the 1920's.

Educated at Detroit University School, the University of Michigan and the University of Munich, Mr. Book was a member of the Grosse Pointe Country Club, the Yondotega Club and the Fontinalis Club.

He is survived by a son, William J.; two daughters, Mrs. John L. Butts, Jr. and Mrs. Kenneth W. Huber; two brothers, Herbert V. and J. B. Book, Jr.; and eight grandchildren.

Services were at the William R. Hamilton Co. chapel and

Scout Leaders Receive Honors

Two Lake Shore District Scouters received the highest honor bestowed by the Detroit Area Council on adult volunteer leaders in the Boy Scout movement, Silver Beaver Awards, at last week's annual meeting and recognition dinner. Herb Herrmann, 12225 State Fair, and Edwin D. Wolff, 12008 Rossiter, were presented with the distinguished Silver Beaver Awards for their outstanding contributions to the Boy Scouts of America and in the interest of boys within their communities. Both men have long and significant records of service in the council.

Scout leaders and their wives from the 147 Scout units in the new Lake Shore District witnessed the ceremony conducted by Lee R. J. Scott, Detroit Area Council Commissioner. Featured speaker for the dinner meeting held at the Chrysler Training Center, was David N. Buell, 2616 Woodland, Royal Oak, Manager of Operations, Research and Advanced Projects Organization for Chrysler Corporation.

Complimenting the Scouters and their wives for an outstanding record during the past year, Mr. Buell called upon them to continually renew and maintain their fine record and devotion to youth through "Building, Serving, and Achieving," the theme of the annual meeting this year.

This was the first district annual meeting of the newly organized Lake Shore District, following a realignment of districts within the Detroit Area Council this past summer. Composed of four communities—Onondaga, Mohawk, Seneca and Cayuga—the district presently serves over 6,000 Scouts and leaders in 51 Cub Scout Packs, 70 Boy Scout Troops, and 26 Explorer Posts.

B. Courtney Rankin, 345 Ridge road, nominating committee chairman, announced the newly elected and appointed officers for the 1961-62 year: Rene Linden, 761 Fisher road, will serve as district chairman. William Nank, 5636 Hillcrest, William E. Landis, 275 Fisher road, and Rex Regan, 1047 Whittier, are district vice-

chairmen. Operating committee chairmen are: Advancement, Fred Spaeth, 4750 Garland; Camping, Charles Kreichelt, 1160 South Oxford; Leadership Training, Donald Stowell, 16430 Bringard drive; and Organization and Extension, Lester Scherrer, 19302 Moross road.

He said he purchased the lots when the Woods widened Mack avenue years ago, forcing clinic patients off the avenue and causing them to seek parking spaces elsewhere. He said the clinic occupants had no place to park, and he did not want them to park in front of residences in the area.
He said that he appeared before the Woods Planning Commission three times with plans to develop the lots, and received that body's unanimous approval. However, when the recommendations were presented to the city council, the council turned down the plans without giving a satisfactory reason for doing so, the doctor claimed.

QUESTION
IS YOUR HOME ONLY HALF CLEANED?

ANSWER It is, unless you've had all 6 of the vital dust and soot collecting areas in your heating system cleaned!

ONLY KLEEN AIR CLEANS ALL 6!

They are: 1. The insides of ALL cold and hot air pipes, 2. Registers, 3. Furnace casing and firepot, 4. Smoke pipes, 5. Chimney, and, 6. The outside of your furnace.

HOW LONG HAS IT BEEN since you've had these areas thoroughly cleaned? As the hot and cold air circulates, dust from these hidden areas is carried through your home, and settles on your furniture, floors, walls, and even on the ceilings. It stands to reason that your home will be easier to keep clean, and that you will not have to decorate as often if your registers and pipes are really cleaned. ONLY THE KLEEN AIR Power Suction Vacuum Cleaner can do this work so thoroughly, and economically. Prove it to yourself, call your Kleen Air dealer TODAY!

Two Pointers Taken Off Road

Two Pointe motorists ran afoul of the State's traffic violation point system, resulting in the revocation of the operator's license of one and a temporary suspension of the other, according to James M. Hare, Secretary of State. A report from Hare, dated September 22, disclosed that the license of Michael D. MacMechan of 745 Lincoln road, was revoked on September 14, for failing to appear for reex-

amination because of an unsatisfactory driving record. The temporary suspension was directed at Frank G. Yates, Jr., of 1000 Harvard road, who was deprived of his driving privileges from September 12 through December 11, for having an unsatisfactory driving record.

Library Friends Elect Snyder

W. Howard T. Snyder was elected president of the Friends of the Grosse Pointe Public Library by the directors of the organization at the first directors' meeting of the 1961-62 season. Snyder, who had been first vice-president, was chosen to fill the vacancy created when the board accepted the resignation of President Herbert I. Lord, with regret. Lord said he was forced to resign because a business change will keep him out of the city a great deal of the time.

Nearly 100 members and interested guests attended the first meeting of the Friends last week, to hear Rosalie Packard give a short, delightful talk about the pleasures and perils of becoming the author of two published books.

The author, Mrs. Rosalie Packard Digby-Seymour, is a former Grosse Pointe who lives in London with her husband. Her first novel, "Love in a Mist," received critical praise when it was published two years ago and her second book, "Love in Question," has just appeared at the Grosse Pointe Library and in bookstores.

"Writing is a satisfying occupation while you're at it," Miss Packard said, "and it's lovely when you've finished the book."

She said she is still so new at writing that she is not bored by any of it — "not even by the people asking for autographs."

Publication of her first book, Miss Packard said, "made me a lot of new friends, and we heard from many distant cousins whom we usually see only at funerals."

"I try to make my writing just as true as I can," she said, "but above all I think the worst thing is to take yourself too seriously."

Miss Packard says she likes living in England and added: "Nobody over there is jealous of the U.S. any more—they love us."

"And not many people in England are worried about the Berlin situation."

Woman Injured As Cars Tangle

An accident in front of 355 Fisher road on Wednesday, October 4, sent Mrs. Catherine Lambrecht, 546 Lincoln, to Cottage Hospital for treatment of minor injuries.

Mrs. Lambrecht was in the process of pulling her car out from the curb when it was hit in the left side by an Oldsmobile convertible driven by George Palms, 353 Neff.

Palms stated he was about to pull into a parking lot. He said he had started his turn and had not noticed the other car in motion. Mrs. Lambrecht was driving a blue Cadillac, which may have blended with the front of the building before which she was parked.

Both Palms and Mrs. Lambrecht received tickets for reckless driving.

YOUR UF AT WORK...FOR YOU

Could you tell him he'd never play again?

All kids have the right to play. Sick ones included. They have the right to get back in the game just as quickly as it is in anyone's power to make them able to play.

That's one of the great things our Torch Drive dollars accomplish—making sick kids well again. But this is merely one of the many important

ways our United Foundation works for all of us.

Through medical research, paid for by your UF dollars, are coming preventives and cures on which your life may hinge someday . . . or that of someone dear to you.

Always bear this in mind and give willingly, give generously—once for all!

Adult Education Courses Listed

Several adult classes being offered by the Department of Community Services of the Grosse Pointe Public School System are still available for enrollment in the fall semester. A new offering, FUR STYLING AND DESIGNING, will be starting shortly. Mrs. Peggy Wyatt will instruct students in the revamping of furs, to be restyled for collars, hats, stoles, and trims for cashmere sweaters. Students may also restyle coats and jackets in this course, which will be a three-hour Friday afternoon class to continue for a 12 week period. Enrollments will be limited.

MATHEMATICS, all levels, is a Wednesday evening course with Gerald Riggelman as instructor. Mr. Riggelman works individually with all students to help them with their chosen math area.

BUSINESS LAW FOR THE LAYMAN will be taught by Robert Hallbrook, a practicing attorney. Mr. Hallbrook will concentrate on the problems in law which are most likely to enter the layman's personal life. These are Monday evening classes for an eight week period.

GRAMMAR IMPROVEMENT is offered with John Gardiner as instructor. This class is a ten-week workshop in the skills of grammar, written and spoken, and a discussion of grammar rules. The group will meet on Thursday evenings.

PHOTOGRAPHY is scheduled as an eight-week Tuesday evening class, with Frank Guza as instructor. Mr. Guza will guide students in the use of their own cameras and instruct them in the technique of proper "picture taking."

FOOD DECORATING is offered with Geraldine Coleman as instructor. To meet on Monday evenings for an eight-week period, students will learn the art of decorating canapes, sandwiches, and cakes. This will be class participation as well as demonstration.

To reserve a place in any of the above classes, call the Department of Community Services, 43 Grosse Pointe Boulevard, at TUxedo 5-3808 or TUXedo 5-0271. Pre-registration is required.

MSU and GPHS Try Experiment

Grosse Pointe High seniors are participating with Michigan State University in a novel experiment to expedite college applications. Under the new plan, seniors applying early to MSU will know by Christmas whether or not they are accepted.

Grosse Pointe High is the only high school in Michigan where this plan is being previewed.

MSU representatives will conduct early November interviews with those who apply before October 16. Final deadline for applications will be November 27.

Dr. Robert J. Hanson, guidance coordinator, urged borderline cases to submit their applications early in order to receive the benefits of a personal interview.

Ferris Institute and Western Michigan at Kalamazoo have also requested early applications. Students interested in the University of Michigan may apply any time after October 1, no final U of M deadline has yet been announced.

Counselors are now in the process of interviewing college-bound seniors. Students may obtain college application information at Dr. Hanson's office.

Borge Launches CARE Drive

Danish pianist-comedian Victor Borge launched CARE's 1961 Food Crusade in Michigan September 29 at a conference in Detroit. The well-known entertainer is National Public Service Chairman for the overseas agency.

"CARE is fixed in the public mind as a symbol of help for the needy," Borge said. "This didn't happen by accident. It began in 1946, when CARE delivered its first food package in France. Now, 15 years later, something like 35,000,000 packages of all kinds valued at over \$400,000,000 have been delivered in over 50 countries of the world. It makes me proud and happy to be associated with CARE and to urge Americans to join the biggest CARE Food Crusade in history."

Five million packages will be distributed to hungry people in 17 countries as personal "food-for-peace" gifts in the 1961 campaign. That is an increase of 775,000 packages over 1960. This is made possible by greater grants of United States farm foods under our government's Food for Peace program.

Each parcel will bear the name and address of donors who give \$1 per package to CARE. Deliveries are planned to help feed nearly 3,500,000 people for 6 to 12 months, while an additional 3,100,000 persons will share in emergency package distributions.

Although the contents of the Food Crusade packages are mainly from U. S. agricultural stocks, CARE buys other items to match country needs. Typical packages contain 25 pounds of food. The gifts reach refugees, orphans, underfed school children, destitute families, disaster victims, and similar groups. Delivery is supervised on the scene by CARE's own overseas staffs of American personnel.

Delivery areas include: Afghanistan, West Berlin, Columbia, Ecuador, Greece, Haiti, Hong Kong, Iran, Israel, Italy, Jordan, Korea, Pakistan, Poland, Turkey, Vietnam, Yugoslavia.

The CARE Food Crusade is the largest of the agency's voluntary relief and Self-Help programs in 28 countries. Its food programs in the other areas are covered by "partnership" contracts with the host governments.

CARE's headquarters in Michigan are located at 1206 Woodward Avenue, Detroit 26.

Emil Weddige To Talk on Art

In an illustrated lecture open free of charge to the Grosse Pointe public and its guests, Emil Weddige, America's foremost color lithographer and professor of art at the University of Michigan and the War Memorial Center, will trace the influence of 19th century art on contemporary work, at 8 p.m. on October 23, at the War Memorial Center.

Professor Weddige insists that the great strides and innovations in literature, music, and science of the 19th century had profound influence on the artists of the period leading to the impressionist and post-impressionist schools and that the thinking and principles established by David, Monet, Cezanne, Renoir, Matisse, etc., directly shaped the painting of the Twentieth Century painters: Gauguin and Van Gogh.

Professor Weddige by means of color slides and commentary based on much research plans to show that what the layman refers to as abstract art today is merely the logical outgrowth and expression of the structural point of view as revealed by nature and first glimpsed in the 19th Century. Professor Weddige by means of the tape recorder will show that a similar development has taken place in the related arts-music and literature.

Forum to Hear Talk by Graves

The Sunday Evening Forum at the Grosse Pointe Unitarian Church will present a talk by John Graves on the evening of October 15, at 8 o'clock. Mr. Graves, who recently returned from Morocco, will speak on "The Underdeveloped Country Myth."

A graduate of Western Michigan College (A.B. 1950) and the University of Michigan (M.A. 1951), Mr. Graves has received further instruction at the University of Laval in Quebec and the American University in Washington, D. C.

During 1957-1958, he was a writer and research consultant for the Institute of Higher Education at Columbia University in New York City. He is the author of an article published in the magazine of the French Ministry of Education and has prepared manuals and textbooks now in general use by students of English at the University of Rabat in Morocco.

Mr. Graves returned from a two-year stay in Europe several weeks ago. During his visit in Europe, he lectured on American literature and civilization at the University of Rabat in Morocco and the University of Besancon in France. He was accompanied in Europe by Mrs. Graves and their six children. He presently serves as counselor to the Detroit Public School System and teaches at Wayne State University.

The general public is invited to the talk, which is without charge. It will be held at the Unitarian Chapel Hall, East Jefferson at Rivard.

Camera Club Lists Winners

The Grosse Pointe Camera Club will meet on Tuesday, October 17, at 8 p.m. at the Neighborhood Club, 17145 Waterloo, for a monochrome and color slide competition.

At the last competition A. Wieland and A. Belleau had honors in prints. Honors in color slides went to G. Bek-Gran, H. Beaumont, M. Case, A. Grow, J. and R. Hamilton, B. LaRoche, L. and M. Magar, E. Markley, D. and L. McDowell, H. Packer, G. Peterson, K. Petzoldt, J. Rancilio, H. and M. Riley, W. Steiner, H. Tenbusch, A. Vogel, J. Yaxley and B. York.

Guests and new members from the east side communities are cordially invited to attend.

Park Employs New Policeman

Robert P. Arman, 23, of 14717 East Vernor Highway, Detroit, was employed as a patrolman by the Park Police Department on Wednesday, October 4, it was disclosed by Police Chief Arthur Louwers.

Arman, who was given the oath of office by the chief, replaces Patrolman John Brosnan who resigned, effective as of October 1 after five years on the force. Brosnan gave his reason for leaving as that he was entering a private business.

The new recruit was on the eligible list, having passed a written examination on July 11, and an oral examination on July 19.

He is a graduate of Detroit's Southeastern High School and a two-year veteran of the United States Army, serving in the United States from 1956 to 1958. He was honorably discharged with the rating of specialist-fourth class.

He is a native of Detroit and is married and the father of one child.

Blinded Driver Strikes Cyclist

City police charged John William Ditzler, 581 Rivard boulevard, with reckless driving on Saturday, October 7.

Ditzler was traveling west on Waterloo and was in the process of making a left turn at St. Clair when he struck and hit a 12-year-old bicyclist, Mark Ehrig, 686 Washington road.

Mark told police he was going east on Waterloo and was biking when he came to the light at St. Clair and Waterloo. He remembered seeing a green car turn right onto St. Clair going west but did not see anything behind it and therefore went ahead on his bike.

He was hit by Ditzler's '61 Ford convertible and the next thing he remembers is lying by the side of the road on the grass. Ditzler claimed he was blinded by the brilliant sunlight and only saw the boy when the bike was a mere foot or two in front of his hood.

He immediately slammed on his brakes, but could not avoid hitting the boy, who fell to the street, then got up and jumped onto the lawn.

Ditzler got out of his car and appeared to him to be frightened but not seriously injured. City police took Mark to Bon Secours Hospital, where he was treated for minor injuries. His bike was taken to the station.

Ditzler, whose story of blindness was corroborated by the passengers in his car, is to appear in court on October 24.

Park Policemen To Attend School

Four Park recruit policemen will undertake a 60-hour course in Law Enforcement, beginning Wednesday, October 18, according to information received from Park Police Chief Arthur Louwers.

The chief said that the course is sponsored by Wayne State University and will be held at the Detroit Police Academy, St. Antoine and Beaubien, each Wednesday, for two hours, and will continue until the 60-hour course is completed.

The chief instructor will be Nathaniel Goldstick, corporation counsel of Detroit. Other instructors will include judges, attorneys and qualified experts in various fields of law enforcement.

Chief Louwers said that attendance at this type of course is required of all recruits of his department.

Attending the class from the Park Police Department will be Patrolmen Paul Roek, Ralph Moore, Robert Arman and Walter Paton.

SOVIET FOREIGN Minister Andrei Gromyko met for two hours with President Kennedy Friday but neither East nor West gave an inch on the question of a settlement in divided Berlin. Although there is hope that a peaceful solution will be found official Washington sources still consider the Berlin crisis extremely dangerous.

"You have offered us an apple from an orchard," Mr. Kennedy told Gromyko. "We don't do business that way in this country." Kennedy reiterated the West's determination to defend its rights in and access to Berlin. Gromyko restated Khrushchev's demand that formal negotiations on Berlin be based on the terms of the USSR's proposed peace treaty with Communist East Germany, terms which would severely jeopardize the access rights of the Allies to Berlin.

JOSEPH L. WILLIAMS, JR., 22-year-old former Farmington Township student, yesterday won \$125,000 dollars in damages from the United States government. A grizzly bear severely clawed, beat and mauled Williams in Glacier National Park two years ago, while his friend Robert M. Winter, 600 Lakeland, ran for help. Winter alerted a park ranger who shot the bear to death. Federal Judge Ralph M. Freeman ruled that the National Park Service was remiss in not providing adequate warnings to tourists on the potential dangers of unprovoked bear attacks.

Monday, October 9 PRINCE SOUVANNA Phouma was picked Sunday by the big three Laotian princes as premier of a proposed Laotian coalition government. Souvanna, top candidate all along, is a neutralist who has the backing of the Communist bloc. Although formation of a cabinet may not be easy, Souvanna's choice as premier is seen as a major attempt to end the Laotian Civil War and may help remove at least one of the obstacles to East-West agreement on Laos in Geneva, the fact that in five months of negotiations the three Laotian factions have not been able to agree among themselves on what is best for Laos.

ANOTHER BERLIN SHOOTING episode Sunday night led to the capture by Communist troops of two West Berliners. The Communist police fired on four West Berliners after staging a mock escape attempt. The West Berliners believed they were helping the East Berlin police in their escape to freedom. Two of the men who attempted to aid the Communists in their supposed flight from the Eastern zone after conversing with them across the Berlin wall escaped. It was not known if the two who were captured escaped injury.

THE CONSTITUTIONAL CONVENTION will open its second week of sessions in Lansing today by considering its operating rules. The Committee on Permanent Organization and Rules, headed by Birmingham Republican Richard Van Dusen, has scheduled a report on its recommendations. In a nine-

hour session last week, the committee adopted over 70 recommended rules, but failed to adopt a Republican-sponsored rule allowing executive sessions. As the convention as a whole has the power to determine the adoption of all permanent rules, a showdown vote in the matter of executive sessions may occur on the floor.

Sunday, October 8 DETROIT WILL SEEK the State Legislature's approval for a tri-county metropolitan transit authority. Mayor Miriani said Saturday that the new DSR would extend throughout Wayne and into Macomb and Oakland counties. The federal government is being asked to supply two-thirds of the funds for the project, while the Department of Streets and Traffic is asking Congress for \$345,000 to finance a transportation study. Detroit's decision to provide wider service was spurred by the Intertown Suburban Lines' announcement of its intended abandonment of service to thirteen downriver and western Wayne communities.

MRS. REGINA E. STACH, a 37-year-old Clackson mother of five, was struck and killed by a New York Central train Saturday only a few seconds after she threw her six-year-old son, Martin, to safety. Martin was trapped on a 123-foot trestle spanning the Clinton river at the edge of the Rochester-Utica State Recreation Area. As her family watched, Mrs. Stach ran in front of the oncoming train, picked Martin up and threw him to the gravel bed of the river. She herself was struck by the train and hurled 25 feet into the river, dying instantly. Martin escaped with only minor cuts and bruises.

SECRETARY OF STATE DEAN RUSK predicted Saturday that the Berlin crisis would be placed before the United Nations if the situation "deepens." Following informal talks between the Secretary of State and Russian Foreign Minister Andrei Gromyko, and just 24 hours after Rusk and President Kennedy had met for two hours

in Washington with Gromyko in a concerted effort to find an acceptable solution to the Berlin problem, Rusk stated that the UN might play a "decisive role" in the crisis. He added that the United Nations would not be consulted until Russia and the United States had exhausted their joint efforts to find a basis for a peaceful settlement.

Tuesday, October 10 THE UAW HAS SET a 1 p.m. Thursday goal for settlement of its week-old strike against Ford Motor Company. The national Ford Council is to meet at that time in the Veterans Memorial Building to "review the status of negotiations and take appropriate action in the national contract." UAW President Walter P. Reuther and Ken Bannon, director of the union's national Ford department, have already announced UAW-Ford Motor Company agreement on the second of the four national non-economic issues primarily responsible for the Ford strike, the issue of Ford Motor Company's right to give tool and die maintenance work to outside contractors.

THE YANKEES won the World Series again yesterday, beating the Cincinnati Reds in the fifth game of the 1961 World Series by a score of 13-5. It was the New York team's 19th World Series victory. After scoring five runs in the first inning, the Yanks went on to score five more in the fourth. Acknowledged hero of yesterday's game was Hector Lopez, who tripped to right and drove a three-run homer to left, winning it up with five RBI.

Wednesday, October 11 OTIS M. SMITH, present state auditor general, was named Monday to serve on the Michigan Supreme Court. He will be the first Negro to serve in such a capacity. Smith took his law degree at Catholic University, was appointed Genesee County assistant prosecutor in 1954 and served as county public administrator from 1955 to 1957. Appointed by Governor Swainson to replace Justice Talbot Smith of Ann Arbor who becomes a Federal Judge Tuesday, Smith probably will be sworn in next week.

Hockey League Tryouts Oct. 21

The Grosse Pointe Hockey Association announced on Friday, October 6, that tryouts for new members of the Pee Wee Hockey League will be held on Saturday morning, October 21, from 10 a.m. to noon at the Ice Flair, 15001 Charlevoix.

All youngsters living in the Grosse Pointe communities who were 12 years of age or under on August 1st are eligible to play in the Pee Wee League.

Mr. Ray MacArthur, President of the Grosse Pointe Hockey Association, said that tryouts for players in the Bantam League will be held on Saturday morning, October 28, from 10 a.m. to noon. The members of this League consists of boys 13 and 14 years of age, with the maximum age being 14 years on or after August 1.

The Association also has openings for fathers who are

willing to serve as coaches for both the Pee Wee and Bantam Leagues. Coaches are urgently needed to assure the success of the improved program which is being offered this winter to the boys of the Grosse Pointe Communities.

Mr. MacArthur stated that all boys in the Pointe who are interested in playing organized hockey are cordially invited to attend these try-outs.

All youngsters who played in these leagues last year, and who are eligible for this season, are not required to attend the try-outs. However, they are requested to appear at the Ice Flair on the proper day for registration.

Anyone interested or desiring additional information, is requested to telephone Mr. Donald Kronson at the Ice Flair, VA 2-6965.

Both Spartan Elevens Win

Kerby Field was the scene of battle last Saturday as the Spartans football team of Grosse Pointe Woods took on the challenge of the North Redford Rangers.

The Junior Varsity started the action and won 21-7.

Redford kicked off to Grosse Pointe, and Kent Davy received and he returned the ball to his own 42-yd. line. A pass from Gordy Seibert to Jim Montmorency gained 20-yds., down to the Redford 38-yd. line. On an end around Rhodney Moxley, following beautiful blocking by Pat McEvoy, carried the ball into the end zone for the first touchdown of the game. Seibert on a quarterback sneak added the extra point and in less than one minute of play the score was Grosse Pointe 7, Redford 0.

Grosse Pointe kicked off to Redford and on their second play from scrimmage they fumbled and it was Ray Herman recovering for the Spartans. Then Redford intercepted a Grosse Pointe pass and ran it back to their own 40-yd. line. Good defensive play by Ron DeCoopman, Louis Palombit and particularly Mike Shaw kept Redford bottled up. Shaw redogged several times, throwing the ball carrier back for long losses.

Taking over on their own 45-yd. line the Spartans moved down the field. A pass Seibert to McEvoy was complete for 23 yds., another pass Seibert to Moxley gained 17 yds. A double reverse with Chuck Newell carrying, took the ball to the 4-yd. line. A quarterback sneak to the 1-yd. line gave Pat McEvoy a chance to bust off right tackle for the touchdown. Richard Burns plowed for the extra point and it was 14 to 0 in favor of Grosse Pointe.

Redford moved right back to score and add the extra point. The Spartans substituted freely giving a number of boys a chance to play. Andy Colasanti, Lee O'berie, Robert Phelps and Dave Vandreische joined to plug up the forward wall just as the third quarter ended.

Grosse Pointe moved right back with the twisting runs of Montmorency, the plunging of Richard Burns and Pat McEvoy, the end-arounds of Moxley and Newell and Montmorency carried the ball on a cut back through left tackle for the third Spartan touchdown. Seibert added the extra point. After an exchange of punts the

vaunted "Pony Backfield" of the Spartans ended the game. Dan Padilla, Alan Tunis and Gary "Speedy" Gonzales all nine years old, showed the fans that they could grind it out too.

The Spartans ran out the clock and the final score was Grosse Pointe Spartans 21 North Redford Rangers 7.

In the Varsity game North Redford received and the ball carrier was stopped in his tracks with a jarring tackle by Steve Snyder. The Rangers were forced to punt and Tom Jennings received for Grosse Pointe and ran it back to his own 46-yd. line. Halfback Jon Staryk ran left end for 24 yds. to the Redford 30-yd. line. Fullback Rick Gonzales ran around right end for 5 more yards. A fake to Jennings and a handoff to Staryk took the ball down to the 20-yd. line and a first down. It was Staryk again around left end, following his blockers Gonzales, and Bill Wooley, who sprinted 20-yds. into the end zone for the touchdown. Gonzales plowed for the extra point and it was Grosse Pointe Spartans off to an early lead 7 to 0.

The Spartans kicked off to the Redford Rangers and the ball carrier was tackled by Kim Langlois on the Redford 15-yd. line. Two Redford passes were broken up by Jim Dinoto and Jim Trandell and Redford was forced to punt. Jennings took the kick and ran it back 18 yards to the Redford 30-yd. line. On the first play Staryk raced

D. J. Hallmann, Recreation Director

around left end for 30 yds. to score standing up. The try for extra point failed and it was Spartans 13 Redford 0.

In the second quarter the Rangers worked their way down to the Grosse Pointe 5-yd. line. A penalty moved the ball back to the 11-yd. line. However, on the next play the Rangers' right end worked into the clear and took a pass for the touchdown. The extra point failed and it was Grosse Pointe Spartans 13, Redford 6.

Grosse Pointe moved down the field again but fumbled and Redford recovered on their own 31-yd. line. Redford moved the ball to the 43-yd. line but lost it on downs. Spartan Quarterback Dennis McEvoy took up the task at hand and the Spartans began another drive. It was Staryk picking up 11 yds. to the 32-yd. line, Staryk again to the 9-yd. line. Working the ball down to the 2-yd. line the Spartans failed at two line plunges and it was "Tank" Gonzales who got the call and drove in for the touchdown. The extra point try failed and at half time Grosse Pointe led 19 to 6.

The Rangers came back strong in the third quarter with a passing attack that had the Spartans on the run. Using a wide spread formation, they were able to grind out the yardage when they needed it. Hard ground play by Kelvin

Else, Jere Hodges, Chick Porter and Dennis Joy filed in by the inside line backers Jim Seibert and Gary Parmentier, slowed the Rangers down but a pass finally succeeded and the Rangers were in for a touchdown. The extra point failed and it was Grosse Pointe Spartans 19 and Redford 12.

The fourth quarter started with a rush as Grosse Pointe took the ball from their own 34-yd. line all the way down to the Redford 15-yd. line. The Rangers, playing inspired football, held and took over on their own 18-yd. line. With their passing attack clicking the Rangers moved down field again to score their third touchdown. The Spartans put in their heavy forward wall and they stopped the try for extra point and it was Grosse Pointe still clinging to the lead 19 to 18.

For the Spartans the two offensive ends, Tom Buerger and Tim Conn and the offensive tackles Alan Nyquist and Richard VanTiem did yeoman service in keeping the offensive rolling. For defense Steve Snyder, Roger Giza and Kevin Elsey must be commended for outstanding play.

The final score was Grosse Pointe Spartans, 19; North Redford Raiders 18.

Little Leaguers Win and Lose

By Pete Robbins

The Grosse Pointe Little League teams, the Freshmen, Junior Varsity, and Varsity Lions, played the Lincoln Park Bobcats Saturday, October 7, at the Grosse Pointe High School field.

The Freshmen Lions won their second straight game of the season as they blanked the Bobcats 6-0. The game's only touchdown came in the last two minutes of the second quarter when Kevin Bolton of the Lions intercepted a pass on Lincoln Park's 38 yard line and ran in to score.

Late in the fourth quarter Lincoln Park missed a score when quarterback Ben Estelzy ran 36 yards around his left end to the 2-yard line. However on the next play, the Bobcats fumbled and Chuck Crandall recovered for the Lions. The Lions showed a good defense and greatly improved blocking.

Coach Don Mackenzie's Junior Varsity Lions lost their third game of the season as they were defeated by the Lincoln Park Junior Varsity 13-6. The Bobcats scored the only touchdown in the first half when Gordon Schwartz ran 34 yards around his left end. The try for extra point was good making the half-time score 7-0 in favor of Lincoln Park.

Early in the third quarter, Grosse Pointe missed a scoring opportunity when Bill Stedman ran a 15 yard end sweep into the end zone. Unfortunately, a backfield in-motion penalty nullified the sprint. The Lions did however score their first TD of the season later in the third quarter when Steve Parcells ran 13 yards on a right end sweep. They missed the try for extra point.

The Bobcats scored the last touchdown in the fourth quarter when halfback Brian Falban ran off-tackle for 53 yards. The Lions' defeat was caused by poor blocking and that the Bobcats were running the ends. These faults have plagued the team all year.

In the Varsity game, the G.P. Lions lost their first game of the season as they were defeated by Lincoln Park 14-7. It was also the first time that the Lions have been scored upon this year. The game did not see much action until late in the second quarter when Jim Sotsek of the Bobcats ran 24 yards around his right end to score. Their try for an extra point was good, making the score at half-time 7-0 in favor of Lincoln Park.

Grosse Pointe came back to tie the score in the fourth quarter when quarterback Mike Connolly threw a pass to Dan Tindale who ran 15 yards around his left end into the end zone. The try for extra point was good.

However, the Lions' hopes for victory were shattered on the next kickoff, when Jim Sotsek scored his second TD on a 58 yard run, with great blocking. The try for extra point was good making the final score Lincoln Park Bobcats 14 and the Grosse Pointe Lions 7.

GPUS News Notes

The faculty of Grosse Pointe University School has received from audio-visual director Cyril Simmons the preliminary list of films which will be used during the academic year 1961-62. Last spring, as they do each year, the teachers submitted the names of films they wanted for this year and three dates for possible use of each one.

The films are available on a rental basis through the University of Michigan and Michigan State University. It is Mr. Simmons' trying task to transcribe these faculty requests onto master sheets which then go to Ann Arbor where, on a first-come first-served basis the films are scheduled and routed through all the participating schools in the state. Present indications are that G.P.U.S. will be showing some 1500 such teaching films this year. That number, Mr. Simmons remarks, represents approximately twice as many as were used two years ago, and the number has been increasing substantially over the last decade, too.

A random sampling of some of the film titles that will be used during September and October are "Safe Tools to Use," "Ancient Egypt," "Molecular Theory of Matter," "Avee Andre Gide," "Shakespeare's Theatre: The Globe," "Hearing the Orchestra," and "A is for Atom."

On the audio-visual committee with Mr. Simmons are Mr. Shreeman, Mr. Beeler, Mr. Hirdle, Mr. Long, Mrs. Peiter, and Mr. Harris. In Upper School film activities Mr. Shreeman is important as the man who receives the films as they come in, sorts and routes them, and then sees that they get mailed back on schedule. Mr. Beeler aids in minor repairs on equipment and advises on necessary steps when the various machines must be sent away for major repairs.

Each September Mr. Simmons meets the faculty, old and new, to demonstrate and explain all the audio-visual equipment with which the school is fortunately so well provided. He also directs and teaches a group of student projectionists, who become qualified and receive a card permitting them to operate the a-v equipment only when they have been certified as capable of running the movie projectors, the tape recorders, record players, film strip projectors, and opaque projectors.

Another kind of visual aid is now being provided in the glass show cases outside of Mrs. Trim's library by Robert Vaillancourt, who is exhibiting various artistic souvenirs of his summer spent in study and painting in Mexico.

Last week's chapel assembly was a most interesting one. There were many reasons contributing to the Lions' defeat, the greater being the poor blocking, which had been fairly good in the beginning of the season. Another reason was that the Bobcats were running their ends on just about every play, which faked the defense.

Next Saturday, October 14, the Grosse Pointe teams will play the Royal Oak Rangers at Royal Oak.

DRIVER POSTS BOND William D. Cusack of 22332 Trombley, St. Clair Shores, was arrested by Park police on Friday, September 29, and charged with driving while under the influence of alcohol. The motorist was observed by Patrolmen Henry Wilson and Walter Paton as he was driving east on Mack avenue at a high rate of speed. When the officers stopped Cusack, they found he was drunk. Cusack posted a bond of \$100 pending a court appearance on October 25.

Seven gracious homes will be opened October 28 and 29 to the public at the annual House Tours sponsored by the Grosse Pointe Garden Center to raise funds for the Center's activities headquartered in the War Memorial.

Driving east from downtown patrons will stop first at the Windmill Pointe drive home of the Edward F. Lees, a spacious contemporary duplex with details copied from Marie Antoinette's "Petit Trianon" and filled with French and Regency antiques with a special collection of Opaline.

Nearby on the same winding boulevard House Tour ticket holders will visit the Arthur R. Hoffman's home prized for its paintings and fine old family French and Venetian furniture. The hanging staircase is eye catching as is the exquisite old chandelier.

Chinese ivories, Italian statuary and a 17th century Boule writing table are some of the unusual features of the Georgian home owned by the John Andersons, of East Jefferson avenue, which will be open for the Tour. Mr. and Mrs. Ferdinand Cinelli, of Voltaire place, have many distinguished art objects and fine paintings in their Colonial home which is also on the list.

The handsome Tudor home of the Herbert I. Lords has a delightful view of the Country Club golf course. Next door is the Roy D. Chapin Jr. home which features an interesting library with a display of silver trophies and throughout the rambling colonial are fine pieces of Staffordshire. Both these homes to be opened for the Tour are on Country Club lane.

For the past year the John D. Benfields have been remodeling an old farmhouse in Lakeshore road and recently celebrated their move into the new home with two giant house warmings. In tune with the period are the furnishings, Early American and French antiques. Visitors should be sure to see the carved mantel that was in the Charleston, S.C. flood and an antique brass chandelier from Denmark.

Mrs. Valentine Guenther, president of the Garden Center, has named Mrs. James B. Ogden and Mrs. Otis V. Walker chairmen of the House Tours.

On their committee are Mrs. Hansel Dwight Wilson, Mrs. Ailes Henry, Mrs. Longyear Palmer, Mrs. Wood Williams, Miss Marie Louise Anderson, Miss Christine Edwards, Mrs. Abram vanderZee, Mrs. Howard R. Poppen, Mrs. Ben Beyer, Mrs. George Eversman and Mrs. Merlin Cudlip.

Rivard-Cavanaugh Vows Exchanged

Bride Wears Candlelight Peau de Soie and Alencon Lace for Rites Saturday in Our Lady Star of the Sea; After Trip North Pair Will Live in Royal Oak

A reception in the Provencal road home of the Walter Robert Cavanaugh's followed the Saturday wedding of their daughter, Virginia Mary, to Hendrick Willem Rivard, in Our Lady Star of the Sea Church.

For the rites the bride chose a gown of candlelight peau de soie fashioned with a dropped waist and yoke and sleeves of Alencon lace. More of the lace was applied on the skirt which fell into a cathedral train.

A butterfly cap of lace caught her illusion veil and she carried white orchids with stephanotis.

Mrs. Frederick J. LaFontaine, Jr., was her sister's matron of honor in a champagne satin bell skirted frock with a small matching hat. She carried pale bronze mums and ivy.

Gowned like the honor attendant were the bridesmaids Judith Johnson, and Eleanore and Maureen Cavanaugh.

Gilbert Stuve was best man for Mr. Rivard, who is the son of the George Rivards, of Bloomfield Hills. Ushering were Vincent Lipovsky, Richard Bennett, Gerald Plec, and the bride's brothers, Michael and Thomas Cavanaugh.

For her daughter's wedding

Mrs. Cavanaugh wore a pale green chiffon and satin gown with a hat of green velvet leaves and strawberries. Mrs. Rivard was in champagne lace and matching accessories.

After a wedding trip to Northern Michigan the newlyweds will live in Royal Oak.

Garden Club To Hear Talk

Mrs. Sherman J. FitzSimons, Jr., of Stephens road, will open her home October 17 for the meeting of the Grosse Pointe Garden Club.

Mrs. Alice Burlingame will speak on "Therapy Through Horticulture". Mrs. Harold B. Tyree is chairman.

The University of Michigan Bureau of School Services made 150 accreditation visits to Michigan schools last year.

Church Circles To Meet Tuesday

The Women's Society of Christian Service of the Grosse Pointe Methodist Church will hold its Circle meetings on Tuesday, October 17.

The Alpha, Martha-Mary, Naomi, and Ruth Circles will meet at the church at 12:45 for a combined luncheon.

Hostesses will be Mrs. Robert Hawkins, Mrs. Alfred Moran, Mrs. Robert Slone, Mrs. John D. Schmaltz, Mrs. John Gould, Mrs. W. J. Symons, Mrs. Dan Trimmer and Mrs. Charles Zeigler.

The Esther Circle will meet at the Parsonage for lunch then join the other group at the church for the program. Mrs. James D. Nixon is the hostess for the Esther Circle and her co-hostesses are Mrs. George Triplett and Mrs. Fred Winfield.

The Doris White, Rebecca, and Susannah Wesley Circles will meet at the church at 8 p.m. for a combined dessert. Hostesses are Mrs. L. F. Kennedy, Mrs. O. B. Middleton, Mrs. William Watson, Mrs. James Mason, Mrs. Robert Wayland, and Mrs. Robert Shover.

The program, which is the same for both the afternoon and evening groups, will be given by Mr. Tom Sherman, senior student at the Lakeview High School, St. Clair Shores. Mr. Sherman spent the summer with a Methodist family in the Philippine Islands.

Detroit Opera Group Meets

The first meeting of the women's committee for the Detroit Opera Theatre, Inc., was held Wednesday, October 4, at the home of the group's chairman, Mrs. Russell E. Bauer, of Lakeshore road.

Mrs. Arvin Wheaton, a member of the board and secretary of the organization, presided. Grant Williams, tenor, and a member of the opera company, presented a program of songs.

Plans were discussed for the first performance, which will be "Die Fledermaus", to be given January 26 and 27 at the Institute of Art. The opera will be a world premiere of the work, set to the new book, "Masquerade", by James Limbacher, of Dearborn, and will be sung in English. It is one of three operas to be scheduled for the 1961-62 season.

Among those who attended the tea were Mrs. Gilbert Meyer, Mrs. Donald Davis and Mrs. Francis Wregglesworth, all of Grosse Pointe, Mrs. Leon V. Jones and Mrs. J. Benton Lackey, Jr., both of Dearborn, Mrs. Elwood P. Engel, of Bloomfield Hills, and Mmes. Donald J. Fallor, Jack E. Gould, Charles F. Colman, and Mitchell R. Mandenberg, all of Detroit.

Mrs. Nathan Gordon, also of Detroit, general director of the Opera Theatre, and John Lake, director of the Grosse Pointe War Memorial, were also present.

Plan Bal Moderne Dec. 2 at Museum

Friends of Modern Art to Sponsor Second Lavish Dinner Dance at Institute; Mrs. E. Llywd Ecclestone and Mrs. Semon Knudsen co-chairmen

A highlight of Detroit's winter social season will be the second Bal Moderne, sponsored by the Friends of Modern Art, a sub committee of the Detroit Museum of Art Founders Society, December 2 at the museum.

Announcement of the Bal date was made Tuesday by co-chairmen, Mrs. E. Llywd Ecclestone and Mrs. Semon E. Knudsen. Two hundred tickets at \$150 each will be sold to enable the Friends to bring the Futurist Exhibition, which recently was shown at the Museum of Modern Art in New York, to Detroit. Additional proceeds will be used to buy works for the museum's modern art collection.

The 1959 Bal was an elegant affair in the Great Hall and Rivera court of the museum. Gold and green satin covered tables, eight-foot magnolia trees and boxwood hedges transformed the rooms for dinner and dancing. The menu featured Chateaubriand, framboise sherbet, vintage wines and champagne. Tony Martha and his wife, Cyd Charisse, entertained for the guests.

The advisory committee for this season's Bal is headed by Ralph T. McElvenny, president of the Founder's Society, and includes Mrs. Roy D. Chapin, Jr., Mrs. Francis E. Brossy, Mrs. Isadore Levin, Alfred R. Glancey, Jr., and Miles M. O'Brien.

Mrs. A. H. Gershenson and Mrs. Joseph A. Vance, Jr., are in charge of the dinner and Ernest A. Jones and Mrs. Mark B. Beltaire are heading the arrangement committee. Tickets are the responsibility

of Mrs. Hugh C. Daly and Mrs. J. Crawford Frost, with Mrs. John S. Mahony and Mrs. Gerald Schneider doing decorations.

Mr. Muirhead To Be Married

From Burlingame, Calif., comes the announcement of the engagement of Mercedes Wisler to Ezra Rust (Rusty) Muirhead, son of Mrs. Stanley N. Muirhead, of Kenwood road, and the late Mr. Muirhead.

The bride-elect is the daughter of the Russell I. Wislers, of Burlingame and is an alumna of the University of California. She shares an apartment in San Francisco with her fiancé's sister, Mary Muirhead.

Mr. Muirhead attended the Detroit University School and was graduated from Lawrenceville School in New Jersey and Trinity College.

The couple plan a December 2 wedding in Burlingame.

Church to Hold Rummage Sale

Thursday, October 19 is the date selected by Grosse Pointe Congregational Church for its fall rummage sale. Chairman Mrs. John Chandler reported that the basement of the church at 240 Chalfonte, Grosse Pointe Farms, will be filled with worthwhile items of all kinds.

Mrs. Chandler and her co-chairman, Mrs. H. W. Buckland, have lined up the following assistants for the sale: linens, Mrs. Alfred Tapert; household articles, Mrs. Neil Lossing; women's clothing, Mrs. Stanley Smith; men's clothing, Mrs. H. R. Buckland; and children's clothing, Mrs. Carle Cubberly.

The sale will be open to the public from 10:00 a.m. to 4:00 p.m. on October 19.

A special feature will be the Corner Shoppe, a booth devoted to new and almost-new gift items, of interest to the foresighted Christmas shopper.

Other sale items include household appliances, jewelry, books, records and toys. The rummage sale is a project of the Women's Association.

Zeta Tau Alphas Hold Fall Planning Weekend

A "fall planning session" called members and pledges of the Michigan State University chapter of Zeta Tau Alpha sorority to Grosse Pointe.

Chapter President Christine Galant was hostess to 17 sisters the weekend of September 15-17. The girls gathered at 123 Grosse Pointe Blvd. from Michigan and Ohio to discuss the scholarship, leadership and activities of their chapter.

Meetings were conducted informally, but the Zetas did dress up for a candlelight supper Saturday evening.

The girls planned all meals, did their own cooking, and generally took over the house throughout the weekend.

But the three-day period wasn't all work. Leisure time was spent in furious bridge sessions or just relaxing and getting re-acquainted before the college year ahead.

This was the second annual planning session conducted by the Zetas.

Pair Speak Vows Saturday in St. Clare of Montefalco Church; After Reception at Detroit Yacht Club Newlyweds Leave for New England

In St. Clare de Montefalco Church on Saturday, Kathleen Marie Slevin, daughter of Dr. and Mrs. John George Slevin, of Whittier road, spoke her marriage vows to Maurice George Failer, son of Mrs. Maurice Failer, of Flanders avenue, and the late Mr. Failer.

For the rites, the bride wore a Bianchi creation of bouquet taffeta designed with a scooped neckline and pearl crystal beaded motifs. Her bell shape skirt, with court train, had pannier pleating at the sides.

A cluster of imported blossoms held a ballerina veil of French silk illusion. She carried phalaenopsis orchids and stephanotis.

Mary Zimmerman, cousin of the bride, was maid of honor in a russet, bell skirted, scoop necked satin serge frock. She carried baby mums, and her matching pillbox hat was veiled.

Dressed like the honor maid were the attendants Sandra Neal and Mrs. James Meier. Albert Failer, brother of the bridegroom was best man. Ushers were James Pryor, Joseph Picone and Thomas Palmer.

For her daughter's wedding and reception at the Detroit Yacht Club, Mrs. Slevin chose a satin serge gown of peacock blue with matching feathered hat.

Mrs. Failer was in a beige and brown satin gown and a hat of shaded tones of brown.

When the newlyweds left for New England, the bride was wearing a sapphire blue costume and matching hat. The newlyweds will reside in Detroit.

10th Grade Parents To Visit High School

Refreshment Hour in School Cafeteria Will Follow Open House October 17 at 8 O'clock; Parents to Discuss Sophomore Activities with Counselors

A meeting for the parents of tenth grade students has been planned by the High School administration for Tuesday, October 17, at 8 o'clock.

Parents will meet in small discussion groups with the counseling staff to discuss such subjects as curriculum, honors courses, college selection and preparation, non-college courses, extra-curricular opportunities, social activities, report cards and other questions pertaining to high school.

Counselors are nearest to your child and will have many of the answers to the questions which come up in this phase of schooling.

Parents have been asked to report directly to the conference room assigned to their individual student's counselor promptly at 8. The tenth grade counselors are Miss Casteel, Mr. Christenson, Mrs. Leslie, Mrs. McClure, Miss Mutton, Mrs. Pholabel, Mr. Schultz, Mr. Thursty, Mrs. Westerville and Mr. Westerville.

Following the group discussions there will be refreshments in the cafeteria from 9:30 to 10. This will provide an opportunity for parents to become better acquainted. In charge of refreshments will be the Mothers' Club Social Chairman, Mrs. Robert Herdegen. Assisting her will be Mrs. George Hagan, Mrs. Richard Mertz, Mrs. William Nims, Mrs. Ross Stenhouse, Mrs. E. W. Taube, Mrs. Herbert Trombly.

Children's League To Hear Book Review

The regular meeting of the Michigan League for Crippled Children will be held October 13 at the Women's City Club with the board session slated for 11 o'clock, the luncheon at noon and meeting at 2 o'clock.

Mrs. Jack Leithauser will give a book review, "Dough Ray Me."

Just try to live a simple life today—you will find that it is very complicated.

Bridget Rizzo Weds in East

Bridget Rita Rizzo became the bride of Umberto Paolucci on Saturday, October 7. Miss Rizzo, formerly of Grosse Pointe Park, is the daughter of Mrs. Frank Rizzo and the late Dr. Rizzo. Mr. Paolucci is the son of Mrs. Joseph Dollan of Ardsley, N. Y., and the late Umberto Paolucci.

The wedding took place at Saint Vincent Ferrer's Church in New York. The bride was given in marriage by her brother, Lieutenant Frank Rizzo, M.D. Dr. Rizzo came from Puerto Rico (where he is stationed with the U.S. Navy) for the wedding. The Papa! Blessing was read at the Nuptial Mass. Immediately following the ceremony, the reception took place at the Gramercy Park Hotel.

Miss Rizzo chose a floor-length gown in pale ivory. The bodice of Alencon lace was fashioned with a portrait neckline. The waistline was accented by tiny pleats of silk taffeta which opened into a voluminous skirt, ending in a chapel train. She wore a crown of pearls which was completed by a veil of bouffant tulle. Her jewelry was a pearl necklace, the groom's wedding gift to her. She carried a cascade bouquet of phalaenopsis orchids and stephanotis.

Matron of honor was Mrs. William Neumann (the former Ann Fitzgerald of Detroit), Joan Caplan and Barbara Yanowski, of New York, were bridesmaids. Their dresses were peacock blue and they carried cascade bouquets of yellow lilies.

Mr. Paolucci's best man was Hugh Hackett of Long Island. Seating the guests were William Richter of Long Island and Anthony Spada of Providence, R. I.

Miss Rizzo is an alumna of Manhattanville College (B.A.) and the University of Michigan. Mr. Paolucci is an alumnus of Columbia College and the Harvard Graduate School of Business Administration.

After a wedding trip to Canada, the couple will reside in New York.

Fontbonne Auxiliary to Hold Card Party

The Fontbonne Auxiliary of St. John Hospital will hold a harvest card party in the hospital coffee shop on October 18 at 8 o'clock.

Mrs. Floyd W. Walker, TU 1-5385 and Mrs. Franklin G. Quinkert, TU 1-8200 are handling reservations.

Married for 60 Years

MR. and MRS. FREDERICK J. HOLTZ, of Harcourt road, celebrated their sixtieth wedding anniversary this past Sunday, October 8, and in their honor, their sons and daughters-in-law entertained at a family dinner at the Detroit Athletic Club.

The hosts were Mr. and Mrs. E. Richard Holtz, of Briarcliffe place, and Mr. and Mrs. Frederick J. Holtz, Jr., of Audubon road.

The party of 30 was seated at a long table in the DAC's big private dining room, where arrangements of fragrant flowers accented the festive occasion.

A bell-shaped anniversary cake in the mood of the couple's wedding cake of October 8, 1901, was a highlight. Present were the honored couple's five grandchildren and two of their three great-grandchildren — only absentee was Charles O. Hertel, the six-months-old son of the Frederick C. Hertels, of Torrey road.

A new approach to scene construction this year with the start of a Stagecraft Class at the scene shop located in the garage at the War Memorial. Tools are available and all interested in learning how to build and paint a theatrical set can attend between one and five every Saturday afternoon. There is no charge and all are welcome.

The October membership meeting will be held at the Grosse Pointe War Memorial the second Monday, October 9, at 8:15, in the Library. New members are always accepted, and Mrs. Don White, membership chairman, will be on hand to see to introductions and make you feel right at home.

Seeking Cancer Pad Material

Community Service chairman, Mrs. Raymond (Hazel) Allor, of the Grosse Pointe Legion Auxiliary 303 needs white material, sheets, pillow slips, shirts, etc. for use in making cancer pads.

She has the filler, but needs the material so unit members can finish the pads. You need not be a member to donate as this is a Community Service. Mrs. Allor can be reached at 153 Muir road, Grosse Pointe, TU 5-4872.

Hags to Host Center Dance

The Youth Council of the Grosse Pointe War Memorial representing all the public, private and parochial high schools and preparatory schools of Grosse Pointe is scheduling a Girls' Invitational (Hag) Dance at the Grosse Pointe War Memorial Center the evening of Saturday, October 21 from 8:30 to 11:30 o'clock.

Girls will not only be privileged to ask the boys of their choice but they will have the opportunity of returning past favors by taking care of the admission charge which is \$2 per couple including refreshments.

Fred Weiss of Radio Station WXYZ will be the emcee and disk jockey for the party and will bring some of the recording stars with him to present as "live" entertainment.

Judy Koning is decorations chairman for this dance and Hans Bogner is inviting parents of the Youth Council to act as a corps of chaperones. The dance is being publicized at the High School by Nancy Norton; by Greg Hykes at Pierce; by Kit DeFever at Austin; by Nick Kelley at Brownell; and, by Sue Peabody at the University School.

Alpha Xi Deltas to Hear National Editor Oct. 16

Grosse Pointe Alumnae Chapter of Alpha Xi Delta Sorority will meet at 8 p.m. Monday, October 16, in Grosse Pointe War Memorial, 32 Lake Shore road.

Mrs. S. A. Striffler, a member of the Grosse Pointe group and national editor for the sorority, will speak on "Fraternity Education." Affiliation of members will complete the evening's program.

Hostesses will be Mrs. C. J. Huysken, Mrs. M. L. Strong, Mrs. J. D. Barlow and Mrs. Robert Hile.

Whose Hands? See Page 15

Noted Author At Town Hall

Sloan Wilson, author of "The Man in the Grey Flannel Suit," will discuss "The Cult of Success" when he appears at Detroit Town Hall Wednesday, October 18, in the Fisher Theater.

Some of the questions Wilson will answer during his discussion of the competitive pressures of our time: How true is the old cliché that American men are knocking themselves out with work? How many wives drive their husbands to early graves by seeking more and more status and personal wealth?

The 11 a.m. lecture will be followed by a celebrity luncheon at the Rathskeller.

Sloan Wilson is the author of two other best-sellers — "A Summer Place" and "A Sense of Values." The first two were made into successful motion pictures.

Long interested in modern education, Wilson served from 1949-52 as assistant director of the National Citizens Commission for Public Schools. In 1956 he was assistant director of the White House Conference on Education.

Tickets may be purchased at Grinnell's or at the Fisher Box Office. Student tickets (\$1) may be obtained by calling Detroit Town Hall, WO 3-5617.

Symphony Sets Wagner Concert

George London, noted bass-baritone of the Metropolitan Opera, will be the Detroit Symphony Orchestra's soloist Thursday and Saturday, October 12-14, at 8:30 p.m. in Ford Auditorium. Paul Paray will conduct.

The all Wagner program will include the Overture to "Die Meistersinger," the Prelude to Act I of "Lohengrin," the Prelude and Liebestod from "Tristan and Isolde," Die Frist is from "The Flying Dutchman," Wotan's Farewell, the Magic Fire Music, and the Ride of the Valkyries from "Die Walkure."

Friday, October 13, at 8:30 p.m., the orchestra will be taken over, literally, by the great comedian Danny Kaye who has volunteered his services to conduct a concert to benefit the Symphony's pension and maintenance funds.

As this is written only a few choice seats remain in the \$25 category for the event which promises as many surprises for the orchestra members as the audience. Paul Paray will conduct the Wagner Prelude to "Die Meistersinger" and then relinquish his baton to the zany red-headed star. No other plans for the program have been made available—to anyone, including Alan E. Schwartz and Mrs. V. Everett Kinsey, concert chairman and co-chairman.

Cyrenius Adelbert Newcomb began his wage earning as a boy of eight when he was paid 25c a day for plodding after the farmer with a hoe and gathering potatoes. He became one of Detroit's most successful merchants.

The potato gathering was done in New York state where he toiled in order to find funds to attend school in the winter. He entered the mercantile field as a clerk in a general store in Hannibal Center, N.Y., where he was paid \$50 a year and boarded in the home of his employer sleeping over the store. He managed to further his education at the Massachusetts State Normal School and for a brief time taught school.

But money was in the business world so Mr. Newcomb returned to the general store. He became a partner in a store in Taunton, Mass., but realized Detroit offered better opportunities. He arrived here in 1868, a year after his marriage to Mary Haskell, a descendant of one of the passengers on the Mayflower, and a resident of Hartford, Conn.

In Detroit he bought a dry goods store owned by James W. Farrell and formed a partnership with Charles Endicott, the Newcomb-Endicott store soon became a thriving concern in Woodward avenue in the Detroit Opera House block.

Mr. Newcomb was ahead of his time in labor relations. He was the first to introduce the 6 o'clock closing hour and to oppose keeping the store open on Saturday evening. As his business prospered he became interested in other projects such as the Anderson Electric Car Company and the Detroit Museum of Art, being one of the original founders to contribute \$1,000. One of his sons, William, became a prominent city doctor and two others, C. A. Newcomb, Jr., and Howard Newcomb entered the business.

The Endicott partnership ended with his partner's death in 1896 and in 1903 the business was incorporated with the junior Newcomb an officer and then president after his father's death in 1915. The great store was finally sold in 1927, having grown to triple its size.

C. A. Newcomb, Jr., married Brownie J. Kellie and among their children was John Jenness Newcomb who married Katherine Mabley, daughter of another great Detroit mercantile family, and the pair now live in Notre Dame avenue. John's sister, Alice, became the wife of newspaper publisher, Warren S. Booth, and they make their home in Bloomfield.

Many of the clerks who began their careers in Newcomb's and Mabley's department stores later went on to work in executive capacity in modern day emporiums.

The German government was no match for the U.S. Army where love's young dream was involved. Pfc. Keith D. Miller, son of the Charles Millers, of Hunt Club Drive, was all set to marry Betty E. Heathcock in Landstuhl, Germany two weeks ago.

He had the ring, the chapel, the bridesmaid, the best man and the flowers, all standing by. But 29 hours before the wedding the German government told the private they could not accept the bride's birth certificate because some name were misspelled and it was a poorly done copy. A chaplain is unable to marry an Army couple in Germany unless they have gone through the German civil ceremony first so this looked like the wedding was postponed.

But the MPs came to the rescue, cabled the Red Cross to look into the records in the bride's home town, Vina, Ala., where they discovered the courthouse had burned down and no records were available. Betty might have been a spinster yet if the Army's legal department hadn't softened the German officials' hearts and explained that red tape prevented them from securing another copy. The civil ceremony was performed, the chaplain did his part and the newlyweds went to Garmisch on their honeymoon with just a few hours delay. Pfc. Miller's comment, "we never thought we'd get it done."

Mrs. John Bockstanz is wracking her brains for a party idea to send off the Walter E. Auch when they move to their new home in New York. On Mrs. B's birthday the Auches were a moving spirit behind a "This Is Your Life" party complete with commemorative scrapbook which marked this most important anniversary.

Roy Watson, sexton at Grosse Pointe Memorial Church, has for many years been an expert fly tier trout fisherman. Several weeks ago he sent four dozen of his best specimens to General Dwight D. Eisenhower. Very promptly he received a personal thank you from Ike who was delighted with the gift.

Mrs. W. T. S. Digby-Seymour, nee Rosalie Packard, was back in the Pointe from her home in London last week. Unlike many returning natives the gifted authoress, who spoke about her new book, "Love In Question" to the Friends of the Library, believes the Pointe has changed little since her girlhood days. "It's just the same except there are more people and the stores and restaurants are so warm, now that I'm accustomed to the British climate," were the comments of this transplanted suburbanite.

PILFERINGS

Downer to friend at women's club lecture: "Where was the net off, lecturing on marriage? She never had but one husband in her life!"

Vacations are a little like love: anticipated with relish, experienced with inconvenience—and remembered with nostalgia.

When paying a visit to George Bernard Shaw a caller expressed surprise that the author had no flowers in his home.

"I thought," he said, "you were fond of flowers." "I am," Shaw retorted, "I'm very fond of children, too but I don't cut off their heads and stick them in pots around the house."

Pointer of Interest

MRS. IVOR DAVID HARRIS, OF PROVENCAL ROAD

By Patricia Talbot

Phi Beta Kappa scholars do not easily abandon the discipline of study and Mrs. Ivor David Harris is no exception. The research she is doing now, on plants as medicine, is quite far afield from her work at Duke University where she won her honored key, and at the University of Virginia, where she worked for a master's degree in English literature.

A Georgia girl, whose ancestors date back to Revolutionary times in the town of Port Valley, she met her doctor husband at the University of Virginia. In the hall of their gracious Greek Revival home in Provencal road, gold silk wallpaper is encribed with etchings commemorating their life together. There are scenes of their Georgia and Ohio homes, the university where they met, Dr. Harris' first car, and a musical trio of the doctor and his two daughters.

Mrs. Harris is not a club woman type, but she is a devoted member of the Farm and Garden Club. Last year when programs were being discussed for the coming season she suggested presenting some feature on flowers and medicine. Last Monday she gave her talk, after months of research. Her discoveries were fascinating.

Daughter Robin, a junior at the U. of M., where she studies architecture, drew several posters explaining the flowers, including such popular varieties as foxglove, henbane, meadow saffron and monkshood.

Flowers in Medicine
There are 1600 flowers useful for medical purposes, some of which can be grown in your garden. Mrs. Harris in her indefatigable research among her husband's medical books and countless libraries discovered that foxglove cured dropsy in the 16th century, that meadow saffron aided gout sufferers and that mandrake is useful to victims of headaches and insomnia. "Little known legends about the flowers as well as their past and present medical

Pointers Boost U-D, Navy Game

The Little Club was the setting last Friday, October 6, for an organizational gathering of officials and committee personnel connected with the attention getting University of Detroit-Navy football game to be played at Tiger Stadium on Friday, October 20.

This will be the occasion of the Navel Academy's first appearance in the City of Detroit. It will also provide an opportunity for 55,000 people to see three highly regarded U. of D. players, quarterback Jerry Gross, a potential All-American, and two ends who have already been drafted by the Pros, one by the Lions.

Attending the meeting called by the general co-chairmen Lansing Pittman and Thomas Emmett were: Mrs. John Quirk, Mrs. J. A. Mullen and Roland Gray, who are co-chairmen for publicity; Mrs. Thomas K. Fisher, Mrs. William B. O'Donnell and Mrs. Blanch Parent Wise, who are co-chairmen for ticket sales.

Also: Mrs. Frank Nair, Mrs. John Lavrakos, F. C. Ford, Jr., Mrs. Howard Ballantyne, John Quirk, the Rt. Reverend Frank J. McPhillips, and Mrs. George Christensen, all of whom will serve as co-chairmen of other committees.

John Mulroy and Frank Metzger represented the University of Detroit.

The Northeastern Woman's Club will hold a luncheon and card party, October 16 at 12:30 p.m. in the St. Philip and St. Stephen Episcopal Church parlor, 14225 Frankfort.

uses entranced Mrs. Harris' audience. Some of these flowers Mrs. Harris grows in her own garden, which changes with the seasons and is now aglow with dahlias and cysanthemums. An enthusiastic supporter of the Grosse Pointe Garden Center, she opened her own home for the Center sponsored House Tours a few seasons back, is anticipating this season's tours on October 28 and 29.

Assist From Jefferson
Her home is her hobby as well as flowers. The Greek revival style owes a great deal to Thomas Jefferson and Mrs. Harris' own Southern background. The architect responsible for the house was Milton Gregg, of Charlottesville, among those who restored the colonial capital at Williamsburg, Va.

In the Harris living room are silver and crystal wall sconces which were once in the capital as well as a two hundred year old silver dipped chandelier which drips trimmings taken from the fixture which hung in the Lincoln room of the White House. The classic home, with its pure pillars and paneled walls, is decorated to bring out its full charm. Family antiques including a breakfast desk which came to Georgia by coach across the Alleghenies and a chopping block which is now a coffee table and began its life in an Ohio kitchen are just a few of the 'treasures.'

Dance to Help Build Church

Friends of Father William J. McGoldrick, former assistant pastor at St. Paul's Church, are joining with the members of his new parish, St. Edmund's, Warren, Mich., in promoting a dinner dance at Hillcrest Country Club on Saturday, October 21, at 7 p.m.

The tickets are available at \$20 per couple, with \$12 earmarked for the Building Fund. The price of admission includes dinner and dancing.

Father's friends, from whom tickets may be obtained, locally, include: Mr. and Mrs. John P. Cushman, Mr. and Mrs. Chauncey DeLaura, Mr. and Mrs. Gerald Kane, Dr. and Mrs. John Koerber, Dr. and Mrs. John Murphy, Mr. and Mrs. John Nienstedt, Mr. and Mrs. Kenneth Oxley and Mr. and Mrs. Robert Curtis.

If you cannot attend the dinner dance and would like to help Father McGoldrick build his church, you can be a patron by calling Mrs. John P. Cushman, TUxedo 1-6552.

DAR Children

The Cadillac Society, Children of the American Revolution, met a Saturday, September 30 for swimming and luncheon at the Detroit Yacht Club.

The party was given by Mrs. Floyd Smith, the Grandmother Children of the American Revolution, sponsored by Fort Ponchartrain Chapter, Daughters of the American Revolution.

Following the festivities a short business meeting was conducted by Mrs. L. L. Jensen, senior president of the Society. Mrs. Richard Lang, of Fort Ponchartrain Chapter, Chapter, Highland Park, was the honor guest.

CURRIED BROILED TOMATOES

Contributed by Mrs. L. C. Collinson
6 small tomatoes, or 3 halved large ones
6 Tb. butter
1 tsp. curry powder
a little grated onion
dash of sugar, salt and pepper

Cream butter with curry and a little grated onion (may omit onion). If small tomatoes are used, cut off tops. Season tomatoes with salt, pepper and sugar. Put one teaspoon of curry butter on each tomato and broil or bake until tender, but not soft. Suggestion: scoop out a little of the tomato to make a pocket for the butter.

Tuxis Slates Fall Events

The Tuxis Club at Grosse Pointe Memorial Church has a fun-packed fall activities schedule.

Last Sunday, October 8, Don Owens gave a talk on his trip as an A.F.S. student to Japan this summer. There's a hayride planned for Friday, October 20, and a retreat coming up on the weekend of October 27 to 29.

Two Sundays ago, the Tuxis Cabinet gave the program "Tuxis Presents." It was a skit explaining what Tuxis is and what it does. President Don Owens, sitting on George Lewis' shoulders, gave an hilarious imitation of Minister Lyman B. Stookey.

Slides of last year's retreats at camp were shown, along with pictures of discussion groups, snowball fights and speakers.

Membership in Tuxis is open to all senior high students. The club meets on Sundays, from 7:30 to 9 p.m., at Grosse Pointe Memorial Church.

Symphony Goes On Short Tour

The Detroit Symphony Orchestra will depart the city Tuesday for a short tour of the east and to fulfill its engagement as official orchestra for the 102nd annual music festival of Worcester, Mass. This will be the fourth year the orchestra has played for his distinguished week-long event, the oldest music festival in the United States.

The soloists appearing under Paul Paray's direction in Worcester will be Joan Sutherland, soprano, Oct. 23; Lorin Hollander, pianist, Oct. 24; Cornell MacNeil, baritone, Oct. 26; Van Oliburn, pianist, Oct. 27; and Jean Madeira, contralto, Oct. 28. Valter Poole will conduct a concert for young people the morning of Oct. 28. The great Worcester Festival Chorus under the direction of T. Charles Lee will be featured at each evening performance.

Highlights of the eastern tour will be appearances in Boston, Mass., on the important Bushnell Memorial Series of Hartford, Conn., and on the campus series of Elma College, Chicopee, Mass., and Queens College, Flushing, L.I. The next Detroit concerts will be November 9-11 with Sixteen Ehrling as guest conductor and Van Oliburn as soloist. Paul Paray will once again appear as guest conductor of the New York Philharmonic Orchestra in this period with concerts scheduled November 9-10-11-12, and November 16-17-18-19, in Carnegie Hall. Paray's program in the first week will be orchestral and in the second week feature the noted pianist Fou Ts'ong.
