AN IMPERIAL AIRLINES PLANE crashed and burned in a ravine south of Richmond, Va., last night. Only two of the 83 aboard survived the disaster: the plane's captain, Richard Conway, 29, of West Hollywood, Fla., who sustained burns; and flight engineer W. F. Poythress, 30, of Miami, who suffered from smoke inhalation. The four-engine installation, part of the non-scheduled operations of Miami-headquartered Imperial Airlines, was carrying 73 army recruits from cities on the eastern seaboard to Ft. Jackson, S. C.

THE SOVIET UNION has offered the Western powers a new compromise plan to end the Berlin dispute. This informal proposal seems to imply a refusal from Moscow's previous attempt to negotiate unless the Western nations agreed in advance to the conclusion of a German peace treaty recognizing the permanent division of Germany and terminating Allied occupation of West Germany.

The Soviets now are prepared to negotiate on the basis of three points: agreement among the three Allied occupying powers and the USSR on a new status for West Berlin which would guarantee the freedom of the city's inhabitants and freedom of access to the free city of West Berlin; East Germany's recognition of this new status; and agreement on the part of the Western powers, including West Germany, to respect East German sovereignty.

ELWOOD P. ENGEL, former chief of advanced and international styling at Ford Motor Co., today assumed the office of director of styling for Chrysler Corp. Engel will be formally elected a Chrysler vice president by the corporation's directors at their next meeting December 7. He will succeed Virgil M. Exner, the man responsible for the "forward look" and the placing of fins on Chrysler cars, who plans to establish his own creative design firm but will continue to serve as styling consultant to Chrysler's international operations.

THE INTERNAL SECURITY Subcommittee of the United States Senate yesterday night published a charge that US foreign aid is being used by Yugoslavia's Marshal Tito to finance an anti-Western campaign among neutral nations. "We have no assurance that the 130 Sabrejet airplanes sold by the United States to Yugoslavia will not be passed on to some nonaligned nation to the advantage of international communism," stated Senator Eastland, the subcommittee's chairman.

TWO UAW LOCALS voted to reject the new Chrysler contract Sunday, while eight accepted it and one voted to defer action for a week. Local 869 at the Chrysler Nine Mile Press Plant in Warren and Local 122 in the Corporation's Twinsburg, O., stamping plant were the two which turned down the proposed contract.

INTERTOWN SUBURBAN LINES' drivers and mechanics voted Monday to terminate their 105-day-old strike, but company officials refused comment on it and when actual resumption of bus service to downtown communities will take place. The Michigan Public Service Commission ruled on October 6 that Intertown has an obligation to remain in business, although the company had announced on October 4 that it was firing its striking employees and planned to cancel all operations.

MAYOR-ELECT Jerome P. Cavanagh Monday named former Wayne County budget director Alfred M. Pelham as his liaison representative on fiscal matters with the outgoing Mitchell administration. Pelham is Cavanagh's first official appointment.

How School Will Look After Library Is Enlarged

The architects for the addition to the Grosse Pointe High School Library have engaged in some fancy photographic acrobatics to picture how the completed job will appear. The focal portico of the present structure will be removed and replaced on the front of the 100 by 30 feet addition to the present library.

Drowning Tragedy Averted At Pointe Yacht Club Dock

Richard Jabalec, 8, son of the Fred Jabalecs of 63 Vernier road, was saved from possible drowning in Lake St. Clair off the Grosse Pointe Yacht Club on Sunday, November 12, by the assistant manager of the club.

The assistant manager, Michel Pierret, heard a cry for help from the lake and saw a boy's head above the dock. The man thought at first that it was a joke and that the boy was standing on a boat.

A second look, and Pierret noticed that the boy was clinging to the dock. Young Richard could not hang on any longer and fell into the water. Pierret jumped in after him.

In the meantime, Shores police received a call from the switchboard operator of the Yacht Club, and Patrolmen

Neighborhood Club Rounds Out 50 Years of Service For All Pointe Residents

True Community Center Had Its Modest Beginnings in Meetings in Rivard Boulevard Followed by Small Headquarters in Oak Street

Located in the heart of the five Pointes at St. Clair and Waterloo, the Neighborhood Club of Grosse Pointe has been serving the community since 1911, quietly doing a big job for all Grosse Pointe residents.

It occupies the entire block bordered by Charlevoix, Waterloo, St. Clair and Neff. This huge area is operated at the minimum of expense and manpower, guided by a dedicated group of women whose first desire is to be helpful in their

Boy's Joyride Ends in Crash

A 15-year-old boy who took his father's car without permission was ticketed by City police on the evening of Monday, November 6, for driving without a license and reckless driving.

The juvenile was going south on Fisher when he took his eyes off the road, looked the shore, and continued driving, failing to see the Chrysler parked in front of 447 Fisher.

The boy's car hit the Chrysler, owned by Basil Considine, 15427 Seymour, Detroit, damaging its left rear. His own car, a '59 Oldsmobile convertible, sustained right front damages.

City police took the 15-year-old to the Juvenile Home. His parents were notified and the Oldsmobile towed to the rear of the station.

Health Service Started
The first public health and school nursing in the township of Grosse Pointe was begun by the Neighborhood Club in November, 1911. It resulted in greatly improved conditions in all the schools within a few months, and proved so essential to the public welfare that it was later taken over by the Grosse Pointe Health Board and financed out of tax funds.

In 1926, the Neighborhood Club's visiting housekeeper and social worker gave service or material aid to 566 families and individuals. By this time the Neighborhood Club occupied a large building between Oak Street and Lewiston road, with an equipped playground, a tennis court and a gymnasium, a far cry from its first Oak Street quarters, a small frame house with no gymnasium.

Ferry Donated Site
With the expansion of Kercheval avenue the Club was forced to find new quarters. The trustees set about raising \$80,000 for a new community building, and the Club moved into its present location in 1928. The late Dexter M. Ferry, Jr., donated the large site.

Since its inception, the Club has been catering not just to adults, but primarily to youth. Long before Little League and other organized sports, the Neighborhood Club was the recreational department for all the Pointes and the center of Pointe activities. During 1925, 46 athletic events were conducted in the old building. The present building has housed the first meeting of Little League, as well as the first meetings of Babe Ruth, Little Football and

Chorus Plans Yule Concert December 3

Program to Include Variety of Compositions for Holiday Season

The 100-plus voice Grosse Pointe Community Chorus will present its Ninth Annual Christmas Concert Sunday, December 3, at 3:30 p.m., in the auditorium of Parcels Junior High School, Mack at Vernier road.

Many weeks of rehearsals under Director Donald Simmons have prepared the Chorus for what it expects to be its finest effort to date. The program will include a wide variety of compositions suitable to the holiday season, classical, traditional, contemporary and popular, with some novelty features to be announced later.

The Chorus, now completing its ninth year of consecutive Christmas and Spring concerts (this will be the 18th presentation), is a strictly non-profit organization co-sponsored by the Grosse Pointe Board of Education, Department of Com-

Driver Seriously Injured in Crash

Gilbert C. VanderMarliere, 21, of 4075 Hereford, Detroit, was seriously injured when he lost control of his car while driving on Lake Shore road early Tuesday morning, November 14, and struck a fire hydrant and tree.

Shores police said that VanderMarliere, who was alone, was traveling south on Lake Shore at 2:35 a.m. when his car skidded on wet leaves. The car spun around out of control, striking a hydrant between 500 Lake Shore and 515 Lake Shore, shearing it from its base, and then slammed into a tree with its rear end.

Patrolmen Harry Hamilton and Gordon Swartz, who were dispatched to the scene, said they found VanderMarliere lying unconscious on the pavement. He had been thrown 30 feet from the car by the force of the impact with the tree, the officers said.

VanderMarliere suffered a broken pelvis and possible internal injuries. He was rushed to Bon Secours Hospital by Swartz.

Three witnesses, in cars behind VanderMarliere, verified that the youth's vehicle skidded because of the wet leaves on the pavement.

New Library Plans Preserve Beauty Of GPHS Building

Architects Submit Photographic Rendering of Enlarged Structure Which Pleases All Factions; Detailed Plans Ordered

The Board of Education moved a step closer to the solution of Grosse Pointe High School's library problem at its regular monthly meeting last Monday evening. Instructions were given to the architect and school officials to proceed with the preparation of more detailed plans of the proposed addition to the library which will relieve the overcrowdedness now prevailing there.

Action was taken by the board after members had viewed a three dimensional rendering of the front of the High School, altered to include the 30'x100' bay being added. Viewers in the audience, concerned, as are school authorities, with preserving the beauty of the building, agreed that the photographic reproduction of the modified building satisfied them completely on this point.

Will Double Capacity

The two-story bay to be constructed at the center of the main wing of the High School where the graceful pediment and pillars now stand will add more than 6,000 square feet of badly needed floor space to the facility. A present seating capacity of about 115 pupils will be more than doubled so that approximately 235 may be accommodated in the library simultaneously. This will put the capacity more nearly in line with standards set by various accrediting agencies and library associations.

Construction plans envisioned by the school board and its architect, Earl Meyers, revolve around their intention to preserve the architectural features of the present structure. The aforementioned pediment and pillars are to be moved forward intact and attached to the new front in a position similar to that which they now occupy. Masonry details and other items will be reproduced or duplicated as faithfully as circumstances permit, board spokesmen state.

To Cost \$200,000

As soon as the detailed plans and specifications are ready the project will be let for bids. The target date for completion and occupancy of the new space is the opening of school next September. Estimated costs of the construction are in the neighborhood of \$200,000.

The Board also acted to authorize the remodeling of existing rooms to create what is called a guidance and counseling center in the High School. Several study halls near the present general offices are to be converted into offices and other facilities needed by the school's counselors. They are now scattered rather widely throughout the three buildings and are not able to operate as efficiently as will be the case when they are centralized with student records, files, and other facilities convenient to their use.

A third action of the Board of Education saw a contract let to remodel several rooms at Ferry School so that they may serve as a library and a music room. The L & R Custom Construction Co. was the low bidder of eight firms, winning the contract with a bid of \$11,900.

Accuse Woods Teenager Of Drug Store Robbery

Woods police filed a charge of larceny, with Juvenile authorities, against a 16-year-old Woods boy accused of robbing the Woods Drug Centre, 19291 Mack avenue, on Tuesday, November 7.

The charge, larceny from a building, was filed on a complaint of Irving Haffner, of 18294 Archdale, Detroit, owner of the store, whose description of the boy and the station wagon he was driving, led to the boy's arrest.

Haffner told police that he and a woman clerk chased the boy down Bournmouth, and they lost him when he ran between houses. As the lad was running, he passed the station wagon and shouted to two other boys in the vehicle to drive away, the druggist said.

Woods Clinic Continues to Seek Relief

Prolonged Argument to be Aired Again at Council Meeting on Nov. 20

The Grosse Pointe Clinic would like to expand its parking facilities. In order to do this, the Clinic, located at 20825 Mack avenue, has, on separate occasions over a period of ten years, petitioned the Grosse Pointe Woods City Council to allow off-street parking on lots 7 and 8 of Beaufait-Koch-Tessmer Subdivision.

These lots are presently zoned residentially. They are the property of the Grosse Pointe Clinic. If the Grosse Pointe Clinic is to use the lots for other than residential purposes, it must first obtain permission from the Woods City Council, sitting as the board of appeals. As board of appeals, the City Council has the power to change present zoning restrictions, allowing the property in question to be used for other than residential purposes.

May Be Decided

This, in essence, is the question to be decided at the Grosse Pointe Woods regular council meeting on Monday, November 20, at 7:30 p.m.: shall the Council change the existing zoning restrictions?

Ten years is a long time to argue any point. It is particularly long, the Grosse Pointe Clinic feels, in view of the fact that on three separate occasions, May of 1950, May of 1959, and June of 1960, the Planning Commission recommended to the Woods Council that the Clinic's parking lot petition be approved. It is extraordinarily long, the Grosse Pointe Clinic believes, when one considers that the majority of the offices in the immediate vicinity of the Clinic have parking lots similar to the one the Clinic contemplates constructing, already in operation.

Three facts are necessary in order to understand the present situation. Fact No. 1: the Grosse Pointe Clinic needs additional parking. Fact No. 2: nobody wants to live next to a parking lot. Fact No. 3: legally, nobody can do anything with the property in question except build a house on it unless the present zoning restrictions are changed.

Patient's Aren't Happy
Sick people, and it assumes that the majority of those who visit a doctor's office are sick, cannot be expected to enjoy having to cross a busy highway in order to get to a doctor's office. Mothers carrying sick children do not want to walk two blocks before reaching the Clinic's door.

Adequate parking facilities are a necessity, as far as a Clinic is concerned. Ten years is too long a time to fight for a luxury.

Parking lots are not exactly an asset to any neighborhood. No matter how beautifully screened and well maintained, a parking lot is still a parking lot; traffic goes in and out all day; the sound of starting

(Continued on Page 2)

Parking Lot Kick Seems Justified

Mr. and Mrs. Frank Tucker, 17133 Denver, Detroit, went to the City police station on Friday, November 10, to report that Mrs. Tucker tripped and fell over a ridge in the parking lot at the rear of Kroger's in The Village, scraping her forehead and nose and wrenching her right arm.

The accident occurred in the early evening. Both Mr. and Mrs. Tucker were very angry; they stated that the parking lot was inadequately lighted, and that the tar surface onto which Mrs. Tucker fell was very uneven and rough.

Police officers took Mrs. Tucker to Bon Secours hospital, where X-rays were taken. The X-rays showed no broken bones. Mrs. Tucker was treated for minor injuries and released.

According to City police, who immediately investigated the "Tucker's" complaint, the parking lot is very poorly lit, and where the tar meets the cement there is a ridge approximately one-quarter inch deep. Both situations will be remedied as soon as possible.

Death Takes Congressman Louis Rabaut

Fatally Stricken While Attending Testimonial Dinner for Judge Thaddeus Machrowicz

Louis C. Rabaut, United States Representative in Congress from the 14th District, died Sunday night, November 12, while attending a testimonial dinner in the Knights of Columbus Hall, 9632 Conant, Hamtramck, in honor of Federal Judge Thaddeus M. Machrowicz.

The 74-year-old politician had just been introduced by Recorder's Judge Arthur J. Kosciński when he collapsed. Dr. Raymond Suwinski, one of more than 1,000 persons attending the dinner, attempted to revive the congressman until the fire rescue squad and police arrived.

Doctors at St. Francis Hospital, Hamtramck, worked for an hour and 15 minutes, administering oxygen and massaging the heart, before Rabaut was finally pronounced dead at 10:40 p.m.

Ignored Advice

Judge Machrowicz, who with several other friends rushed from the dinner to the hospital, stated that Rabaut knew he was not feeling well. "I told him last week that he need not attend the banquet," Judge Machrowicz stated, "but he insisted on coming."

Rabaut entered Detroit's Public Service Hospital for a rest following exhaustive campaigning in the 1960 election. Since 1955, he has suffered minor recurrences of a heart ailment.

The Reverend Peter P. Walkowiak, pastor of St. Florian's Church, administered the last rites of the Roman Catholic Church to the man who was first elected in 1934 to the 74th Congress, and served on every Congress thereafter with the exception of the 90th until his death last Sunday.

As the "Choir boy who came to Congress," he earned a reputation for integrity and having a mind of his own. Constantly re-elected in the face of strong Republican opposition, he campaigned throughout the 14th District, stretching from Field and the river up Van Dyke to Eight Mile and east to the City limits, and including the Grosse Pointes and Harper Woods.

MICHIGAN BELL

telephone lines

WHEN STORMS, fires or floods strike, people depend on the telephone to carry urgent—often lifesaving—messages. At most Michigan Bell central offices we keep "stand-by" generators or storage batteries that can be used at a moment's notice to supply power needed to maintain phone service until the emergency is over. This extra "dependability insurance" is a good example of the way your telephone company plans ahead so you'll always have phone service when you need it.

NOT ALL our customers get their telephone bills at the same time of the month. Some of them have asked us why. Here's the answer: issuing bills throughout the month spreads the work load, keeping our employees who prepare bills busy during the whole month. This makes most efficient use of billing equipment and also spreads the work load more evenly at bill payment offices. You're served more promptly than you'd be if every bill came due on the same day.

ONE OF THE ways the Telephone Company keeps the cost of your phone service low is by figuring how many calls will be made at any given time. The volume of calls varies with the time of day, the day of the week, the weather and the season. Our studies tell us how many people we need to meet each day's expected work load. Thus there's no wasted manpower that would add to the cost of your service. When emergencies such as storms increase calls, we can quickly bring in extra people. That's why your telephone is always ready to serve you, 24 hours a day.

The residents of Hawthorne road believe that the proposed parking lot would reduce the value of surrounding residential properties. They believe that their homes would depreciate in value, and that their children might be endangered as a result of the increased traffic.

It is up to the Grosse Pointe Woods City Council to decide the issue. Only they have the legal right to determine the uses to which the property in question shall be restricted.

At a meeting of the Woods Council, convening as a Board of Appeals on Monday, October 16, Larry Middleton, attorney for the Grosse Pointe Clinic, stated that the Council had on other occasions permitted the use of property which was restricted for residential purposes for off-street parking.

Police Have Lot

He referred to the Grosse Pointe Woods Police and Fire Department parking lot, located in the same Beautifit-Kock-Tessmer Subdivision as is the Grosse Pointe Clinic, and to other parking lots in the immediate vicinity.

Mayor Kenneth H. Koppin, addressing the same meeting, stated that it "is customary and regular procedure in our City to have such areas granted permissive use for open parking."

"We have it in many areas throughout the City," the Mayor continued, "on Renaud, Oxford, etc. I think we would be inconsistent and the Council would be acting capriciously to deny the use of this area for parking when you have parking areas on both sides in practically the same subdivision."

Ten Years of Refusal

The fact remains that for the past 10 years the Council has denied the Clinic permission to use the area in question for parking.

Is this because they believe the homes on Hawthorne road will be adversely affected, as the residents of Hawthorne road loudly protest? What about the homes of other Woods residents whose property abuts a parking lot?

Cyril Verbrugge, 898 St. Clair, speaking as a representative of the Grosse Pointe Business Men's Association, told the Woods Council at their October 16 meeting that Grosse Pointe City residents who own property adjoining two parking lots, one at University and Mack and the other at Rivard and Mack, are "very well satisfied today."

It would be interesting to know precisely how "inconsistent" and "capricious" the Grosse Pointe Woods City Council has been during the past 10 years.

Dig up the facts—that way there's no room for doubt.

Neighborhood Club Serves for 50 Years

(Continued from Page 1) The Church Basketball League. Offers Many Activities

Activities offered by the Club are many and varied. Little Leaguers and local schools use the athletic field, and the playgrounds are filled with smaller children. The playground is divided into two areas, one for the Tiny Tots, with a sandbox, colorful spring animals and Hobby Horse swings, and one for older boys and girls, with swings, a merry-go-round, slide, swinging gate and jungle gym. Six tennis courts, on the opposite side of the building provide recreation for both children and adults.

The Fall and Winter Schedule is crowded with classes and clubs and planned activities under the supervision of Mr. Elworthy, director of Club activities for the past 42 years. Mr. Elworthy, who was named "Citizen of the Year" in 1961, is known for his work in civic affairs. He is also Director of Civil Defense for the Grosse Pointe area, the headquarters for which are located in the Neighborhood Club.

Classes for Youngsters

Most classes at the Neighborhood Club are for the seven through 12 age group. They include Boys Gym, Girls Gym, Girls Handcraft, Tap Dancing, Funsters Club and the Guys and Dolls Dance Club, which meets the first Friday of each month. Four to six-year-olds may join the Playmates Club, and membership in the Dramatics class is open to children from nine to 14 years of age. Junior members may also attend "Open

House," an evening of varied activities and events held the second and fourth Friday of each month.

Teen-agers participate in the Teen Badminton Club, the Junior Girls Sports Club and the Junior Teens Dance Club, as well as open gym periods for teen-age boys. Adults who use the facilities of the Neighborhood Club include Camera Club members, the Senior Badminton Club and Senior Girls Sports, the Knitting Ladies, the Oldtimers Club and members of Enameling on Copper classes.

Many Groups Meet There

Aside from the regular classes, many groups use the Club meeting rooms for their monthly planning sessions. The Club sponsors three basketball leagues and has a completely equipped Games Room. High-

light of the Winter Schedule is the Annual Christmas program, when parents and friends fill the gym to see their children's Holiday presentation.

After Spring Festival, at which trophies are presented to the champions in the Boys and Girls Gym classes and the King and Queen of the Guys and Dolls, activities move outside again. Tennis activities, Summer Day Camp, and the Summer Play School for boys and girls ages three through five, highlight the summer program.

Miss Pauline Masak is the women's and children's director and William Carlson is the boys director and also plans for the senior men's softball league. All these activities prove that the Neighborhood Club, now 50 years old, has grown and will continue to grow with Grosse

Halloween Haul Shared by Children

Kerby teacher WARREN ANDREWS pours another basketful of Halloween candy onto the large pile already on the table. Looking on are HUGH HALLER, LYNN ALTMAN, ANN McCUBBIN and CHRISTINE BROWN who, together with many other Kerby boys and girls contributed their Trick or Treat hauls to others who might seldom have such

sweets. Some 220 pounds of candy in all were donated by Kerby School to worthy institutions such as Casa Maria Settlement House, old folks homes, and children's hospitals. The children were acting under the direction and auspices of The Junior Red Cross in making this disposition of their candy.

Park Awarded Safety Citations

The Park was honored with two safety plaques during a brief ceremony in the municipal council chambers on Monday, November 13, presented by the National Safety Council.

Representing and making the awards on behalf of the Safety Council was Cpl. F. E. Simoneau of the Michigan State Police, who cited statistics and lauded the Park for its achievements.

The plaques were received for the city and its Police Department, by Mayor Pro Tem William Oddy, who acted in the absence of Mayor Kenneth Cunningham.

Oddy thanked Cpl. Simoneau for his high compliments and had words of praise for Police Chief Arthur Louwers and the personnel of his department, for their work in the interest of public safety, which made the awards possible. Chief Louwers was present during the ceremony.

Cpl. Simoneau stated that 483 cities in the Park's population group, 10,000 to 25,000, participated in the National Safety Council during 1960, of which 21 cities were in Michigan. Of the number of State communities, only six received a Certificate of Achievement for a 100 per cent reported performance in death and injury records.

The plaques received by the Park were in Special Recognition for No Traffic Deaths and Progressive Accident Prevention Program Activities, 100 per cent, and for School Traffic Safety Education, 93 per cent.

An analysis report for 1960 by the Safety Council disclosed that there were no traffic accident deaths in the Park during the year. But traffic deaths in and out of the city substantially exceeded this number. During 1957, 1958 and 1959 (latest figures available) there was an average of one resident death a

year, according to the National Office of Vital Statistics.

On the basis of national urban experience, the Safety Council estimated that traffic accidents involving Park residents, in and out of the city, cost the Park about \$250,000 annually. This total includes estimates of loss of earning power, medical and hospital expenses, cost of motor vehicle repair or replacement and the cost of providing automobile insurance.

The report revealed that public schools in the Park has an enrollment of 60 per cent of the total school population, receiving a rating of 92.5 per cent. The non-public schools, with an enrollment of 40 per cent, received a rating of 91.5 per cent.

The combined rating of all schools, taking enrollment percentage into account, is 93 per cent out of a possible 100 per cent.

The Park was commended by the National Safety Council for its school safety education program in the public and non-public schools.

Death Takes Congressman Louis Rabaut

(Continued from Page 1) strongly among the nationality groups within Detroit, having once stated that not enough Pointers voted to make tough campaigning there pay.

Rabaut, elected as a New Dealer, was responsible for the amendment inserting the phrase "Under God" in the Pledge of Allegiance to the Flag, and for the "Pray for Peace" postage cancellation mark.

Last month he blocked the Health Department's plan to spend \$5,000 on a Washington birth control project. He is credited with being responsible for the passage of a bill which eventually brought the surplus-food stamp program to Detroit.

Named to the House Appropriations Committee in his first

term, Rabaut was an isolationist until World War II was actually underway, but later voted for all war appropriations presented.

Had Law Degree

Born in Detroit of Belgian and Irish stock, Rabaut attended parochial schools, graduated from the University of Detroit and received a law degree from the Detroit College of Law. He was admitted to the bar in 1912, and worked in real estate for many years before turning to politics.

He was tenor soloist at St. Peter and Paul's Jesuit Church, the Church from which he will be buried today, for 25 years. Survivors include his wife, Stella, with whom he celebrated his 50th wedding anniversary last June, receiving per-

sonal congratulations from President Kennedy and Speaker Sam Rayburn, and nine children.

They are the Rev. Father Francis Dermott Rabaut, S. J.; Sister Mary Palmyre, I.H.M.; Sister Stella Marie, I.H.M.; Sister Martha Marie, I.H.M.; Louis III; Vincent, who was with his father when he died; Mrs. Mary Jane Amato; Mrs. Joan Marie Barrett; and Mrs. Jules DePorre.

Congressman Rabaut lived at 1015 Three Mile drive, Grosse Pointe Park.

Driver Accused Of Drunk Driving

Kevin M. Haines, 34, of 20849 Woodmont, Harper Woods, was arrested by Farms police on Tuesday, November 7, and charged with driving while under the influence of alcohol.

Patrolmen Frank Kerbrat and William Elworthy, while cruising west on Lake Shore road, were stopped by a citizen who complained of a motorist driving in an erratic manner on the road.

The officers pulled over to the curb to wait for the driver, who passed them. The policemen followed the man to Fisher road, then watched him make a right turn and nearly hit a car stopped on Fisher waiting for a traffic light change.

Haines was forced to the curb and taken into custody and driven to the police station. The officers said that he had been drinking.

The man was issued a ticket for violating the State Drunk Motor Law, and then sent home in a cab. Haines returned for his car the following day.

Trouble Piles Up For Truck Driver

Alex Barr, Jr., 41, of 2961 Third avenue, Detroit, gave a woman motorist a phony address, telephone number and license plate number, when the truck he was driving, hit the woman's car. He ended up in trouble.

According to Farms police, Barr was driving north on Lake Shore road, in a dump truck, and pulled into the left lane, hitting a car driven by Clara J. Lofberg of 1409 Drexel, Detroit. This happened on Thursday, November 11, near Provenal road.

Barr gave the woman his name, and phony address, phone number, and license plate number, claiming that he was the owner of the truck and that he will take care of the damages.

On Saturday, Mrs. Lofberg called police and stated that she called the phone number Barr had given her to find out when Barr was going to take care of the damage to her vehicle. The woman said that the person who answered the phone stated Barr was not known to him.

Patrolman Otto Glanert went

to the O'Brien Estate, Kercheval and Provenal, where Barr was working, and arrested the man and took him to the station.

A teletype was sent to Lansing and to Detroit authorities, and it turned out that Barr was wanted by Detroit police for failing to answer a traffic violation summons. Detroit placed a hold on Barr.

It also turned out that the truck Barr had driven is owned by his employer, James J. Giacchine of 869 Hawthorne.

Mrs. Lofberg signed a complaint against Barr, who was issued two violation tickets, one for not having his car under control and causing an accident, and the other, for never acquiring a chauffeur's license.

Barr was turned over to Detroit authorities for prosecution on their case, but posted a \$25 bond with Farms police. When Detroit is through with him, the Farms will take steps to punish him on its two charges.

New Cage Coach at GPHS Discusses His Problems

By Dan Hall

The man talking was Mr. Chuck Hollosy. This would not be newsworthy were it not for the fact that his subject was basketball, a sport which he knows so much that he is the new coach of Grosse Pointe's team.

The fact that he was also offered the job of coaching at Highland Park, a school which takes only the best when basketball is concerned, attests further to his knowledge of the sport.

Mr. Hollosy, it seems, is worried about four problems which beset this year's team.

The first problem is new to Grosse Pointe coaches. The intramural program, which is being emphasized more this year than any time in the past, will be using one of the gyms. The reserve and varsity teams will have to share the other gym. This will cramp things a bit.

Only One Letterman
Second is lack of experienced players, Jerry Brennan will be the only returning letterman. Rick Brydges, who saw only limited action last year, will be the only other returning senior. Juniors Tom Thompson and Vic Dhooge, who were moved from the reserves to the varsity near the end of the season are the only other returnees.

Third, Coach Hollosy himself is unfamiliar with BCL teams. He explained that after a coach has been in the same league for a number of years, he begins to know other coaches and their

strategy. Coach Hollosy has not yet gained that knowledge.

On the other hand, rival coaches know no more about Hollosy than he does about them.

Boys Are Short
The fourth problem is lack of height. "I am disappointed that there aren't more tall boys in school," he said.

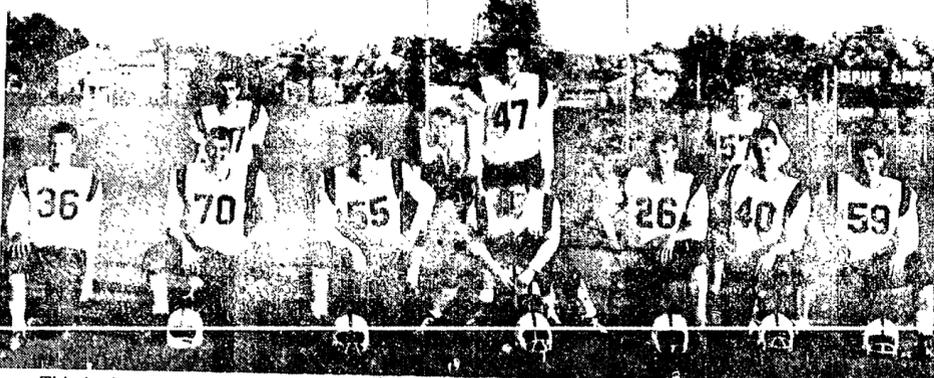

Coach Hollosy expects the greatest asset of the team to be its speed. "I'm really impressed with the hustle and speed of these boys," he said. "This is a group of boys who really like to run."

He plans to use this speed by emphasizing defense more than Devil teams have done in the past.

"The ball doesn't always go in the basket on offense," he explained. "We might win a few more games if we can take the ball away a few times. Although it is still too early to really tell, this team seems to have the speed and mobility to play a fine defensive game."

"I believe we will play a real interesting brand of basketball," he said. Could be.

Grosse Pointe University School Grid Team

This is the offensive football team at GPUS, whose gridiron schedule for 1961 was terminated on Thursday, November 9, with a 58-7 victory over Detroit Country Day School. This gave the local school a three wins and five losses record for the year. In the line from left are: NELS OLSEN, BOB THORPE, JOHN GOLANTY, AL BLIXT, HARROPP MILLER, BRUCE WALKER and STAN BRYANT. In the backfield are: SANDY BLAIN, CURT SLOTKIN, GEORGE PENIN and JOHN VAN de GRAAB.

GPUS Eleven Ends Season By Swamping Country Day

By Alan Hartwick, GPUS Sports Editor

Grosse Pointe University School closed out its grid season in fine fashion, routing arch-rival Detroit Country Day School 58-7 on Friday November 9. Co-captain Sandy Blain and fullback Curt Slotkin led the way by scoring three touchdowns each.

Blain scored from 29, 45 and 14 yards out on speedy end sweeps. Slotkin matched him with brute power through the center of the Country Day line. He rambled 63, 51 and 22 yards for touchdowns. Seniors Dick Klynn, John Van de Graaf and Bob Davis also notched touchdowns on runs of 9, 30 and 27 yards respectively.

The real credit for the victory belongs to the Knights' hard-charging line which many times opened huge holes for the backs. The defensive line stopped almost everything Country Day ran and did not let up until late in the fourth quarter, with GPUS leading 58-0. Country

Day scored its lone touchdown on a pass by quarterback Steve Solomon.

GPUS finished with a 3-5 record against strong opposition. Seniors playing their last game were: Dave Wood, Harrop Miller, Paul Sheridan, Jim Page, John Van de Graaf, Bob Davis, Rick Littler, Brooke Harington and co-captains Dick Klynn and Sandy Blain.

Blain carried the Knights' offense this year, picking up 692 yards in 72 carries for a 9.8 yard average, and also scoring 11 touchdowns and two extra points for a total of 68 points in eight games.

Midget Cage Tryouts Set

The League is open to all boys, ages nine through 12, who live in Grosse Pointe or attend a Grosse Pointe School. Applications may be obtained at the Neighborhood Club or Gray's Sport Shop.

All 11 and 12-year-olds should report on Monday, November 27 and all nine and 10-year-olds should report Tuesday, November 28. Bring gym shoes, shorts and a towel.

GPUS News Notes

Six ninth-grade girls presented a short play at the city-wide meeting of Latin students at Mercy College on November 9. They were Elizabeth Goodenough, Lisa Sheldon, Georgia Shreve, Sally Duff, Stacey Coates, and Samantha Rosner. The play, given in Latin, was "Pyramus and Thisbe," based on the Ovid story and Shakespeare's farce, with the addition of a talking mulberry tree.

The Helicon Society is an extra-curricular cultural club at Grosse Pointe University School. It meets three or four times each school year for discussion

and dinner at someone's home, usually with a guest who speaks and is then questioned on the field of his special interest.

This year's first meeting was Sunday, October 29, at the home of Dr. Hugh Stalker, who, with Miss Katherine Welchenbach and Miss Elizabeth Ferguson, is one of the group's advisers. The topic was Yugoslavia, the speaker Mr. France Cokan, a former resident of that country. Mr. Cokan showed color slides. Helicon members are Elizabeth Leach, Carol Johnson, Anne Wood, Marcia Macdonald, Brooke Janis, Meredith Riemann, Leslie Rein, Meg VanDeGraaf, Star Langston, Vickie Coelho, Harrop Miller, Philip Angell, John VanDeGraaf, Steve Parks, David Hughes, John Buell, John Golanty, Robert Kerr, Al Blixt, and Jan Sodersten.

The first Parents' Bulletin of the year has been issued. The Bulletin is edited and published several times during the school year by a committee of parents. This year's chairman is Mrs. Earl I. Heenan, Jr., and the members are Mrs. Edward I. Book, Mrs. Robert J. Duff, Mrs. Ann C. Eaton, Mrs. William P. Harris, III, Mrs. Carleton M. Higbie, Mrs. Charles B. Loftis, Mrs. William C. McKay, Mrs. John S. Pingel, Mrs. Richmond W. Smith, Jr., and Mrs. H. Gordon Wood.

The Bulletin's cover reproduces the school's crest, with its Latin motto, "Per Diligentiam ad Perfectionem." The translation is, in the words of the Bulletin, "Through diligence to perfection," a phrase which stands as an exhortation to students to strive daily toward perfection.

Sails & Skis

by

Frank McBride

The Grosse Pointe Ski Club got the season underway Monday night with a capacity crowd. The Grunions opened the evening with their renditions of many favorite songs. Norm Archer had a display of the latest in skiing fashions and equipment for inspection. Three representatives of the ski areas in New Mexico were on hand to describe the areas and accommodations available. They showed movies of the areas.

Club president Bill Adams announced plans for the coming season which included a Ski School for beginners. The first meeting of the school was held on Wednesday, Nov. 15. It featured a panel discussion of such subjects as equipment, areas, costs. Panelists included Harvey Dixon, moderator, Bill and Lynn Adams, June Nieman, Frank and Peggy McBride, Jim Daoust, Margaret Otto, Rex Ciavola, Howard Ciavola.

The ski school will not meet on the Wednesday prior to Thanksgiving due to the Warren Miller ski movie at the Ford Auditorium sponsored by the American Youth Hostels. It will meet each Wednesday after Thanksgiving at the War Memorial.

The club is sponsoring a repeat of the successful long New Year's weekend trip to Ironquits Mountain—Mission Hill on the shore of Lake Superior in the Upper Peninsula.

Franny Simmons has announced that the popular sale of used ski equipment originally scheduled for the Thanksgiving weekend is being postponed one week due to the large amounts of clothing still arriving. Some of the articles have come from as far away as Aspen and were sent by Stein Eriksen. Anyone wishing to consign articles to the sale may do so by calling TU 1-0301.

Bayview Yacht Club will hold the Annual Mackinac Race Awards Dinner at the club on Friday, November 17. Escaped Convict Shot Here Being Returned to Prison

Leonard J. Watts, 28, an escaped North Carolina convict, pled guilty to larceny from a dwelling at his trial in Wayne County Circuit Court on Friday, November 10. The case was heard by Judge Miles Culehan. Culehan accepted the plea of larceny, reduced from breaking and entering in the night time, and referred the matter to the Wayne County Probation Department for final disposition. It will be recommended that Watts be returned to Buncombe Prison, Raleigh, N. C. from where he fled last August 21, to complete a 10-year sentence for burglary, plus additional time for escaping.

Watts, alias Jerome Frank Sciacca, whose Detroit address was 3496 Lemay, was convicted for the burglary of the home of Mr. and Mrs. Cecil Sorter, 1323 Somerset, last August 23. Watts was shot by Park Patrolman Bobby McAlister as he ran from the Sorter residence in an effort to escape.

Park Police Chief Arthur Louwers said that if Watts had pled guilty to breaking and entering in the night time, he could have received a maximum of 15 years in Jackson Prison; the lesser plea carries a maximum of five years. The former offense might have involved a long trial, the chief said.

The chief said that it would better serve the interest of justice if Watts was returned to North Carolina to serve the 10 years, plus time for escaping.

Watts, the chief said, was sentenced to 7-10 years in the Raleigh prison last May 2, for burglary and malicious destruction of property. He will also have to serve a 3-4 year sentence there, imposed last February 18, for attempted rape, the chief added.

The convict has a criminal record dating back to December 1949, Chief Louwers said.

On August 23, Watts was surprised in a bedroom by the Sorters who returned after a visit with neighbors. The burglar was taking jewelry.

Watts broke for the side door, in the path of Mr. Sorter who tried to tackle the thief, but was knocked to the floor by him.

All scout car units were alerted and went to the 1300 block on Somerset. Patrolman McAlister and Walter Paton saw Watts on a front porch, where he tried to avoid detection by asking the house occupant for the use of his phone.

McAlister left his car and approached Watts and ordered him to stand still, but Watts fled between the houses, the officer in pursuit. The policeman called to Watts to halt, and fired a warning shot into the air, and when the robber failed to stop, McAlister shot again, this time hitting Watts in the right leg.

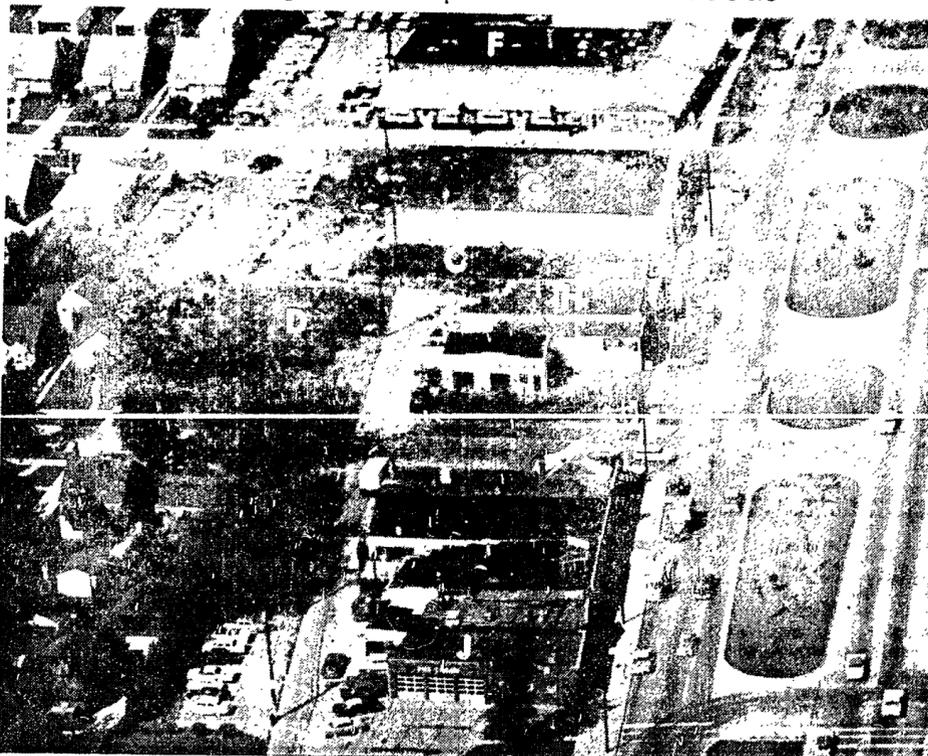

Watts was found in a Maryland alley by McAlister, moaning and holding his leg in apparent pain. The officer found the stolen jewelry on Watts' person.

Watts was taken to Bon Secours Hospital where the bullet was removed from his leg and emergency aid given. He was later transferred to Detroit's Receiving Hospital as a police prisoner.

Doctors at Bon Secours said that the bullet had torn a large artery in Watts' leg, and that he will be crippled for life.

Watts has served time in state prisons on three separate occasions. His criminal record shows that he has been charged with larceny, burglary, car theft, felonious assault and attempted rape, and other crimes, police said.

Parking in Disrupted Area in Woods

The Grosse Pointe Clinic has spent 10 years trying to get permission from Grosse Pointe Woods council to use property it owns in the rear of its building, for parking purposes. The clinic is (H) in this aerial photo. (D) marks its property which is banned to parking now and (I) is the tiny parking space the clinic is

allowed to use. In the same area the Hollywood Clinic, (F) is allowed to have a good-sized parking lot, (A), Arnold Drugs, (G), also has its own parking lot, (B). The Woods Fire and Police Departments, (J), also have their own parking across the alley, (E).

Brownell Offers Talent Night

Musical and dramatic talents will be displayed by Brownell Junior High School students on Friday evening, November 17, in the auditorium-gym, beginning at 8:30. The first part of the program will consist of a one-act comedy, "The Laundry Mark," presented by eighth graders.

Dick Stillwell plays Win Donovan, a boy who is constantly entering contests and being mistaken for a girl because of his name. Dana Malchie and John Chosy play his parents, while Sue Theuerkorn, Marcia Cook and Carolyn Hines are his sisters.

Terry Allen plays a character part, that of Win's uncle, and the rest of the cast include Brian Fossee, Carol Chartier, Carroll Goodheart, Patsy Foster, Linda Foster, Sue Hatie, Sue Lane, Joann Kirchner, Jim Batten, Debbie Priestman, Stacey Lundgren and . . . a French poodle!

The play is directed by Miss Sue Tokemitt, assisted by student director Sue Axsom. Other helpers are Jackie Delaney and Thalia Saraf. Scenery has been prepared by a group of after-school volunteers under the direction of Miss Marilyn Krueger.

Following the play, Brownell's 50-voice Girls' Ensemble will present a concert of varied music. Selections include Dona Nobis, Envoi, The Painter, Down in the Valley, and Love Is a Many-Splendored Thing. The ensemble is directed by John Tousley and accompanied by ninth grade student Alex Davlantes.

Tickets are on sale in the school, and will also be available at the door.

160 Participate In Turkey Shoot

Thanksgiving Day dinner will be no problem for 32 families, winners in the big Turkey Shoot held at the Neighborhood Club on Wednesday, November 8.

A general invitation was issued to all Grosse Pointe police and fire department personnel and their wives, to all members of the Grosse Pointe Pistol and Rifle Club, to participate in the Turkey Shoot from 1 until 8 p.m. The response was overwhelming.

The committee had originally anticipated 60 shooters, and had ordered 12 turkeys two weeks prior to the big event, one turkey for every five participants.

One hundred and sixty people showed up, all eager to try their luck. The committee hurriedly purchased 12 more turkeys, and then went back to the store for eight additional birds. One winner for every five shooters had been promised, and one winner for every five shooters was supplied.

Chairmen of the Turkey Shoot in each police department were: Sgt. Gordon Duncan, Grosse Pointe Park; Duncan MacEachern, Grosse Pointe City; President Joe Belanger, Grosse Pointe Farms; Harry (Ace) Hamilton, Grosse Pointe Shores; and Tom (Dead Eye) Kane, Grosse Pointe Woods.

Trombly Cubs To Hold Party

Pack #6, Trombly School Cub Scouts, will hold its annual show on Saturday, November 25 at 12:45 p.m. at the Esquire Theater, 15311 E. Jefferson.

The party will consist of a science-fiction feature movie, "Masters of the World," plus cartoons.

Tickets are only 25c and may be purchased by calling Mrs. William E. Hinton, VA 1-4798

To Give Plays At Parcels

A group of enthusiastic young actors and actresses at Parcels Junior High School will present an Evening of Plays on Friday, November 17, at 8 o'clock, in the school auditorium.

Their weeks of late afternoon and Saturday morning rehearsals will culminate in a varied program of lighthearted family entertainment.

To open the show a group of seventh graders under the direction of Mrs. Frances Roach will present "The Ghost Wore White". In this comic mystery a fun-loving fourteen-year-old girl sets out to trap the ghost who is haunting her family's new home. The cast includes: Bruce Kefgen, Barbara Atkinson, Sandra Rosander, Lynda "Doctor" Steve Sasser, Merrill Kalb, Marcia Stokely and Linda Mitchell. Gaining valuable experience backstage will be the prompters, Sue Hackman, and Sheryl Lane, and the sound effects and property "men",

Steve Pepper and Joan Malcolm.

Some ninth grade volunteers will present a wondrously assorted variety program featuring student-created scripts and choreography. This between-acts feature will be coached by Mr. Willis Brown.

The eighth and ninth graders joined together to prepare the play entitled "The Pampered Darling". Dennis Worzniak takes the part of the lively and pesky teenager who makes family life turbulent for his sisters. A pleasant house party and budding romance are almost spoiled by his acute attack of swollen tonsils. A special, instantaneous cure saves the day.

Others who participate in the performance are Kathy Henderson, Sheridan Trevaskis, Maureen Polkinghorne, Rob Koebe, Elaine Ottevaere, Barbara McBrien, Wendy Glanz, Mike Rice, Bob Lynch, and Bill Heyd.

Presenting Pointe's Newest Teachers
New faces at Mason School are numerous this fall. Some serve only part time, teaching in other buildings as well as Mason, but were caught by the photographer along with the new full-time teachers familiarizing themselves with some of the equipment available for the staff's use. Seated, from the left, are: ILLEEN WENTZ, audio-visual coordinator and Grade 1 teacher; SUZANNE Anderson and JOAN KUBISTA, both fourth grade teachers; MARY HOOD, kindergarten; and MARY ROGERS, Grade 5. Standing, from the left are: A. LAWRENCE GAGON, acting principal; CAROL McGEE, kindergarten; MARYLYN KELLY, Elementary French; and ELMFR LEPP, JR., Grade 6.

Mrs. Suzanne Anderson has taken on a fourth grade teaching assignment at Mason School this fall. She comes to Grosse Pointe from the Skokie, Illinois schools where she has taught the past four years. Born in Chicago, she grew up in Skokie, graduated from Niles Township High School, and took an AB degree from Florida Southern College. Later, she completed her MA at Northwestern University. Sports, cooking, and sewing are her chief hobbies.

Three schools claim the attention of Elementary French teacher Marilyn Kelly, Barnes, Ferry, and Mason. Her prior experience was gained at Cleary College in Ypsilanti. Born in Detroit, she graduated from MacKenzie and earned her BA at Eastern Michigan. Work on her masters degree has been done at Middlebury College, Vermont and the Sorbonne in Paris. College honors are evidenced by membership in Stoics and Lambda Iota Tau.

Driverless Car Cause of Crash
A Woods woman suffered minor injuries when she attempted to avoid a rolling, driverless car on Lake Shore road, and crashed into a truck on Tuesday, November 7.
According to Shores police, Mrs. Elaine Adams, 39, of 665 Peach Tree lane, was driving south in a left hand lane on Lake Shore, when a car rolled out into the road from Lake Shore lane. In trying to escape hitting the car, Mrs. Adams swerved her station wagon and crashed into a service truck driven by William G. Forscheider, 36, of 18310 Holland, East Detroit, also going south, in a right hand lane.
Mrs. Adams was transported to Bon Secours Hospital where she was treated for shock and a cut lip.
Police said that the driverless car belonged to Mary B. Yarborough of 1703 Raeford, Fayetteville, N. C., who had parked in front of a house in Lake Shore lane, to attend a party. She apparently forgot to set her brakes, it was said.
It was disclosed by police, that the car rolled back about 98 feet, and into the path of Mrs. Adams' automobile. The out-state woman's car was parked on an incline in the lane, police said.
No tickets were issued. The matter will be handled by the insurance companies.

Another new fourth grade teacher at Mason this fall is Mrs. Joan Kubista. Erie, Pennsylvania is her birthplace and she graduated from high school in Boncova, Ohio. Her degree was accomplished at Siena Heights College and work on an advanced degree is being continued at the U. of D. Teaching experiences were had at several Toledo, Ohio schools as well as in the Roseville Public Schools where she also had extra responsibilities as a Helping Teacher. Husband, John, is in advertising.

Elmer Lepp, Jr. is a new sixth grade teacher at Mason. Eight years of experience was gained in a number of Michigan communities before coming to Grosse Pointe. He was born in Detroit and completed high school in Dearborn. Two bachelor of arts degrees have been earned, one in business from Bowling Green State University and the other in education from Eastern Michigan. He also earned his masters degree at Eastern and has continued graduate study at Columbia. Active in professional organizations he has also served as a guidance counselor for The Michigan Corrections Department's Honor Camp Program. While in the U.S. Marines he served in Guam, Iwo Jima, and China. The Lepps have a year and a half old son.

Two others pictured above are not newcomers. Mrs. Wentz has served on The Mason Staff for several years and Mr. Gagnon is a former Richard teacher who has returned to Grosse Pointe this fall to head the Mason faculty.

Fifth grade pupils at Mason are enjoying the leadership of Mary Katherine Rogers this fall. A native of Lansing, she graduated from Sexton High and took her bachelors degree from Michigan State. Additional study was accomplished at The University of Maryland and in London while abroad for a year. She also traveled throughout Europe and the Middle East at this time.

Mrs. Carol McGee divides her time between Barnes and Mason, teaching a kindergarten class in each building. She comes here after having taught in California and in Holt, Michigan. Lansing is her home also and where she graduated from Eastern High School. MSU granted her a BA in 1958 after naming her one of fifty outstanding senior women. Zeta Tau Alpha tapped her white

Accuse Woods Teenager Of Drug Store Robbery

(Continued from Page 1) their 16-year-old friend went into the drug store to buy cigarets.

The younger boys stated that they were waiting in the car, smoking, when they saw their companion running down Bournmouth, the druggist and clerk in pursuit. As he passed the vehicle, the older boy shouted to them to "take off," the two boys said. They said they were not aware of what was taking place.

Meanwhile, police went to the place of rendezvous set by the 16-year-old's father, and while waiting, a blue and yellow panel truck drove by. Seconds later, the father showed up and was asked if he owned such a truck and he answered in the affirmative, stating that it must be his son in the truck and to stop him.

A general broadcast was sent over the police radio, and the boy was apprehended in the truck by Shores Patrolman Donald Jacob at Lake Shore and Vernier roads. The boy was held until Woods police arrived and took the lad in custody.

The boy was taken to the Woods police station, where he surrendered \$36.65, stating that he spent 35 cents for cigarets. The youth also stated that his two companions did not know that he had intended to steal from the drugstore. The younger boys were later released.

Questioned by Det. Sgt. Walter O'Dell and Det. Leroy Tobian, the 16-year-old stated that he took the money, all single bills, from a desk drawer in a back room of the drug store. He said he left the build-

ing by the rear door, then ran west on Bournmouth to Leslie, north to Newcastle, then west on Newcastle where he counted the money and found he had nearly \$40.

The teenager also told the detectives that about a month ago he removed a ring with five keys that were left in the rear door. On Saturday, November 4, he tried a key in the door and found that it fit and would unlock the door.

O'Dell and Tobian said that the boy stated that he had planned to enter the drug store that same evening, but "got cold feet."

The keys were found in the boy's dresser drawer at home by his father, who took them to the police station and gave them to the authorities. The keys and the money were returned to Hafner.

The accused teenager told the detectives that another 16-year-old boy, a former employe of the drug store, supplied him with the information on where the money was kept, and was to receive 10 percent of the loot as his share.

Let's Settle the Argument

It will be interesting to see what action the Woods City Council takes next Monday night when once again the case of the Grosse Pointe Clinic comes up for an airing. Ten years have passed since the argument started and it is a sad commentary on municipal government that it takes so long to resolve an issue.

As we understand the case, this group of reputable doctors purchased land in the rear of their property when they constructed their clinic, for the purpose of providing their own off-street parking facilities, something that is required in all present-day commercial buildings. The Woods council took the stand that a parking lot there was in violation of its zoning laws, although the property was used for some time by patrons of a bar nearby, even after the doctors purchased it. The clinic owners have received police tickets for using their own property and the city finally insisted that chains be erected and the area closed off completely.

If the Woods officials had been consistent in their decisions there would be some reasons to attempt to comprehend their stand in this case. But other establishments have been allowed to create their own parking lots in the immediate neighborhood and the Woods' own police and fire departments have their own parking lot in the rear of their building close by.

Three times the Woods Planning Commission has recommended to the council that the clinic be allowed to use its own property for parking, but each time the council has chosen to ignore the recommendation. The reasons for the refusals have seemed flimsy and not consistent with decisions made to allow other parking areas to be developed.

Ten years is a long time and the council should be expected to settle this argument now, once and for all. The lawmakers should either make it much clearer why they have continued to ignore the pleas of the doctors and the recommendations of their Planning Commission, or reverse their decision and lift this atmosphere that seems to reek of persecution.

Letters To The Editor

Gentlemen: Thank you for printing my article re the recent meeting of The Grosse Pointe Farms Little League's officers and board of directors. In error several of the men's names were erroneously omitted and I would appreciate a reprint or a small article re the omission of several of the board of directors names. The complete list of new officers and board are as follows: President, William Hyde; vice-president, Ted Hodges; secretary, Mrs. Bruce Carty; treasurer, Ed Staman. Board of directors: George Brooks, John Lehman, Minard Mumaw, William Boyd, Ben Hubbard, Erv Steiner, Jr., Jerome DuCharme, Tom Zurschmiede, Mark Oldani, Bob Maddox, Mrs. Kay Sepic. Thank you, William Hyde, President.

Well how would any of us like it if they said this about us? It's easy to say we are going about it the wrong way and should keep quiet and it might be forgotten, but does Mr. McCray realize that this TV program was viewed nationwide, hurting our community's good name. And in so many words stating that the police department was a failure? Why should we be silent and let people like Mr. McCray think we are so bad?

We in America have freedom of speech and American rights, but if this is far as our rights can go, we sure are in bad shape.

One of the men they mentioned, who lived in Middlesex is certainly too young to be involved in the things they said he was. I am also an ex-neighbor of his and know for a fact he is only 30 years old. All I can say is they have hurt this poor young man and his rights as a citizen.

I have much regard for your paper and still go out of my way to get one weekly. I would like to see parts of my letter published.

Sincerely, An ex-neighbor and proud of it. C. A. Franze

Find the weak spot in your character—then start work on the levee.

Dear Sir: When I read your Letters to the Editor column in the November 9 issue I was just furious with Mr. Gerald McCray's views on David Brinkley's "Crime Does Pay." Especially since he said he was an ex-Grosse Pointe like myself. He sure had no regards for this fine and wonderful community. I too have gone to school with some of their kids and played with them, and they are just as good as you or I Mr. Brinkley called them animals and said they belong in cages.

What Goes On at Your Library

by Jean Taylor

Stories which blend history and romance, long popular with adult library users, are now finding favor with younger readers. There are several to be recommended among our recent additions.

The Civil War centennial has promoted interest in this era among all ages, and many older boys and girls have joined the fraternity of the "blue and grey" buffs. BRADY, by Jean Fritz, is a moving tale with good characterization, centering about a young boy in the troubled years before the Civil War. An incident in the war itself is the backdrop for JED, by Peter Burehard. In this well told story, a sixteen-year-old boy, who enlists as a Union soldier, risks his life to rescue a southern child. This would be a good forerunner of THE RED BADGE OF COURAGE.

Leonard Wibberley has written a series of books about the Revolutionary War which are enjoyed by older boys. JOHN TREGGATE'S WAR and SEA CAPTAIN FROM SALEM. These are exciting tales with good historical background.

Rosemary Sutcliff and Cynthia Harnett have given us several excellent historical stories for twelve years and up. Both authors have the ability to re-create a period and bring its people to life.

KNIGHT'S FEE by Rosemary Sutcliff is a tale of feudal England during the years following the Norman conquest. An orphan lad is won by a minstrel in a chess game and given into the care of a young English noble, who initiates him into the ways of knighthood.

Cynthia Harnett's recent book, CANTON'S CHALLENGE, tells of the first English printer, William Caxton, as seen through the eyes of a young apprentice, Bandy. This tale of fifteenth century London is one of the author's best. It has suspense, excitement, lively characters and a good plot.

Stories of queens have an appeal for older girls, and there are three in the recent crop. SO YOUNG A QUEEN by

Lois Mills is a romantic biography of the fourteenth century which vividly portrays the period. It tells the story of the young Hungarian Princess, Jadwiga, who became Queen of Poland.

The captivity and escape of Mary Queen of Scots is told again for young readers, in QUEEN MOST FAIR by Jane Oliver. This account discloses the part played by two children determined to set their Queen free.

PIRATE QUEEN by Edith P. Meyer is on order, but is not yet received. It is laid in sixteenth century Ireland, when an eighteen-year-old girl succeeds her father as Chieftain of the O'Malley Clan.

Two stories of Ancient Egypt are among the recent additions. THE GOLDEN GOBLET by Eloise McGraw is a rewarding story at the time of the Pharaohs. An Egyptian boy, cruelly treated by his half-brother Gebu, finally tracks down and reveals Gebu's theft of treasure from a Pharaoh's tomb. The characters come alive, and the plot is skillfully handled.

THE EGYPTIAN NECKLACE by Myron Palmer also concerns the robbery of a tomb. It is a fine piece of bookmaking, illustrated by drawings in the Egyptian style, some of which are full page in color, but the plot and style fall somewhat short of those in THE GOLDEN GOBLET.

Two first-rate tales of the French Revolution are also recommended: ESCAPE FROM FRANCE, by Ronald Welch, and VICTORY AT VALMY by Geoffrey Trease. The latter is set in the early days of the Revolution, and the events are seen through the eyes of 17-year-old Pierre, a peasant boy befriended by an aristocrat.

ESCAPE FROM FRANCE concerns the challenging mission undertaken by young Richard Carey which plunges him into dangers in sharp contrast to the sheltered life he had known in Cambridge and London.

Both these tales of intrigue in revolutionary France have suspense and credibility.

Library Offers Guinness Film

"Our Man in Havana," a British motion picture that is both sparkling comedy and biting satire, starring Alec Guinness, will be shown in the main reading room of the Grosse Pointe Central Library at 9:15 p.m., Friday, November 17.

The picture is the November offering of the Film Forum, co-sponsored by the Friends of the Grosse Pointe Public Library and the Library. Residents of all the Pointes are urged to attend the free showing of this outstanding film.

The movie, which received critical praise when it first was presented in New York a little over a year and a half ago, has a headline cast supporting Guinness, including four who are stars in their own right: Noel Coward, Burl Ives, Ernie Kovacs and Ralph Richardson.

Graham Greene adapted into film form "Our Man in Havana" from his own best-selling, mystery-thriller novel. The picture was produced and directed by Carol Reed, who has scored with such successes as "The Third Man" and "The Key."

Guinness plays Mr. Wormold, an Englishman who owns a vacuum-cleaner shop in pre-Castro Cuba and who is worried by the financial necessity of sending his attractive daughter (Jo Morrow) to school in Switzerland.

Along comes a stone-faced, Homburg-hatted British espionage chief (Noel Coward) who

offers Wormold \$150 a month if he will organize and operate a spy ring in the Caribbean area, using the vacuum cleaner shop as a "front."

WORRY FREE Mortgages in this day and age are almost a necessity, but a man's conscience should always be kept unencumbered.

"How about one of those wonder drugs?"

By FRED KOPP, R. Ph.

"I've got a cold," the man said, and he went on to ask for a "wonder drug." The pharmacist sold him some aspirin and advised him to see his physician. As it happened the aspirin fixed him up fine, but the point is this: Pharmacists are not physicians. We work with doctors, providing the drugs and medicines they prescribe. We have a professional knowledge of the powerful new "wonder drugs," so we know how important it is to use them correctly. Please do not feel offended when your pharmacist refuses to sell you a certain drug. It is for your protection and in the best interest of your good health. Always see your doctor when potent medication is required.

The date for this annual holiday benefit is December 9 and the Grosse Pointe Yacht Club will be appropriately decked with white trees and gold angels for the party.

The Auxiliary is well named, since the French word, Fontbonne, means Fountain of Good and this White Christmas ball is just one of the many benefits which the auxiliary has instigated to aid the hospital. This year the proceeds of the ball are earmarked for beds for the two new floors of the hospital.

This eighth annual ball is headed by Mrs. Raymond M. Whyte with Mrs. Victor W. Wertz and Mrs. Eugene Gargaro co-chairmen. Mrs. John Madison is president of the Auxiliary which is sponsoring the benefit.

Yale Alumni Plan Big Social Season

Annual Football Game Broadcasts to be Held Again at University Club; Glee Club to Appear with Symphony in December

Yale alumni will highlight their winter season with a pair of football game broadcasts, two appearances of the Yale Glee Club with the Detroit Symphony Orchestra and a traditional Christmas Dance.

Charles Wright III, president of the Yale Alumni Association of Michigan, announced these plans at a luncheon meeting held at the University Club of Detroit.

He reported that arrangements had been completed for the annual Yale-Princeton and Yale-Harvard football game broadcasts, traditionally held in the main dining room of the University Club.

The Yale-Princeton broadcast, he said, will be aired on Saturday, November 18, from Palmer Stadium in Princeton, N. J., and the Yale-Harvard game will be broadcast on Saturday, November 25, from the Yale Bowl in New Haven, Conn.

For each game, alumni groups will gather at the University Club at noon for a pre-game luncheon. Mr. Wright pointed out that this year wives of alumni were being invited as special guests.

"This is the first time we have invited ladies to join us at a radio broadcast," he said, "and we want them to know that they are especially welcome. We have arranged a special luncheon for them this year complete with pennants, corsages and football programs."

Mr. Wright added that Mrs. John B. Ford, III, had agreed to serve as a special advisor to the arrangements committee. He also made clear that guests from other schools would be welcome.

Serving on the arrangements committee are: for Yale, J. Donald MacLeod, Alexander L. Wiener, Charles A. Parcells, Jr., John Hastings and Benjamin G. Chapman, III. Also serving are Frederick K. Plumb, Richard D. Rohr, Henry M. Campbell, III, and Donald L. Hovevar representing the Harvard Club of Eastern Michigan, and John E. Farley, Charles W. Williams and Robert Wardrop representing the Princeton Club of Michigan.

Highest point of the Yale group's winter season will be the appearance in Detroit of the Yale Glee Club in late December. The club will appear twice—Thursday, December 21 and Saturday, December 23—making a joint appearance with the Detroit Symphony Orches-

tra under the direction of Paul Paray.

Mr. Paray will lead both the glee club and the orchestra in excerpts from "Damnation of Faust" by Berlioz, "A Fantasy on American Folk Music" by Yale professor Richard Donovan, and "Finlandia" by Jean Sibelius.

Fenno Heath, Director of the Glee Club, will lead the all-male chorus in two a capella renditions of traditional renaissance selections.

William Y. Gard, alumni coordinator for the club's visit, pointed out that the glee club's two performances will mark the end of a century of Yale choral singing.

"This is the Glee Club's 100th anniversary," he said. "I think we can look forward to hearing one of the finest college choruses ever to appear in Detroit."

When the Glee Club is not appearing with the symphony, it will be touring the Rouge Plant at Ford Motor Company, singing at Veterans' Hospital and attending a number of Christmas season social functions.

In Grosse Pointe, the club will be entertained by Mr. and Mrs. John B. Ford, Jr., on Friday, December 22.

The Yale Whiffenpoofs—all members of the Glee Club—will not appear as a group at the concert, but will perform at a number of smaller functions.

Following the Glee Club concert on December 23, the Yale association will hold its 15th Annual Christmas Dance. The dance, whose proceeds support four Michigan scholarship students at Yale, will be held at the Country Club of Detroit from 10 p.m. to 2 a.m.

Serving on the dance committee are Murray Dodge, Robert H. Kanzler, Donald H. Parsons, Charles W. Day and Benjamin G. Chapman, III.

Miss Zaun Married In Father's Church

Repeats Vows to David Robert Wallace in Jefferson Avenue Presbyterian Church Saturday; after Trip to New York Pair Will Live in Birmingham

With her father officiating in his church, the Jefferson Avenue Presbyterian, Patricia Southworth Zaun, spoke her marriage vows Saturday to David Robert Wallace.

She is the daughter of Dr. and Mrs. Allan A. Zaun, of Westchester road, and her husband is the son of the Harold Wallaces, of Erie Pa.

The bride wore an antique taffeta gown designed with a dropped waistline, a scooped neckline appliqued with Alencon lace and seed pearls and a bouffant skirt. More of the lace applique accented the waist and neckline of the skirt which fell into a chapel train.

A Swedish crown of pearls and crystals caught her shoulder length veil of illusion and she carried cymbidium orchids, stephanotis and ivy.

Victoria Zaun was her sister's maid of honor and the bridesmaids were Mary Etta Pilbeam, Rosalie Riegle, Mrs. Herman Scholer, of McKeesport, Pa., and Andrea Zaun, the bride's sister.

They wore gold brocaded bell skirted gowns and carried rhododendron leaves and wood

roses. Their headdresses were of bronze satin ribbon.

Richard H. Wallace was best man for his brother. Ushering were Dean Amos, of East Detroit; Richard Keim, of Haddenfield, N. J.; George Metcalf, of Erie, and Thomas Paton.

Dr. Zaun's congregation was invited to the reception which followed the ceremony in the church parlors. Mrs. Zaun greeted the guests in a forest green Chantilly lace over pale green satin sheath. Her hat was of small gold and green flowers and she chose green cymbidium orchids.

Mrs. Wallace chose a dusty rose lace gown with matching feathered hat and pale rose cymbidium orchids.

When the couple return from a trip to New York they will live in Birmingham.

Barretts Hosts To Hungarians

Mr. and Mrs. J. Lee Barrett, of Newberry place, were November 7 luncheon hosts at the Detroit Athletic Club to Count Michael Andressy and Countess Andressy who were visiting James Brady, of Windsor, en route to their home in Montreal after two years in Brazil where Count Andressy's firm had sent him.

Mr. Brady, retired manager of the Bank of Ontario, also was a luncheon guest of the Barretts.

It was a real reunion for Mr. Barrett and the Andressys who, before World War II, had met in Brussels each year at the world meeting of representatives of different countries' power boat associations. Mr. Barrett was head of the Yachtsmen's Association of America, and Count Andressy represented his native Hungary.

During the Nazi occupation, the Andressys with their four children were forced to flee from their ancestral estate near Budapest when it was discovered they hid Allied aviators and helped them escape. They then lived temporarily in Brussels, but after the war Mr. Barrett was among those who helped get the Count and Countess and their children into Canada.

The Andressys left on November 8 to return to Montreal, stopping in Toronto for several days with a married daughter and her family.

PATRICIA SOUTHWORTH ZAUN, daughter of Dr. and Mrs. Allan A. Zaun, of Westchester road, was married Saturday in the Jefferson Avenue Presbyterian Church to Mr. Wallace, son of the Harold Wallaces, of Erie, Pa.

Holiday Dance For Collegians

All homecoming collegians returning for the Thanksgiving holiday and all college students on local campuses are cordially invited to a Thanksgiving dance with Al Navarro's orchestra at the Grosse Pointe War Memorial, 32 Lake Shore road on Friday evening, November 24, from 9 to 12 o'clock.

The dance will be informal, regular suits for the young men and afternoon dresses for the young ladies. A feeling of friendliness and intimacy will prevail at candlelit tables around the great hall and in the dining room where a blazing fire in the huge walk-in renaissance fireplace will cast its glow on the occasion.

Joe Brigulio and Marilyn Klucens and their respective dates will receive guests and Elaine Dogarin and Lois Carotta are adding decorations in the Pilgrim theme.

John Bruce and Bill Broderick are publicizing the affair at the University of Detroit and Dick Harpen at Wayne State University. Julie Hamilton is placing posters in The Village and On-the-Hill. Pat Currier is in charge of intermission entertainment and promises an unusually talented collegiate trio.

Ann Cushman, Judy Reno and Jackie Smith with able assistance have addressed invitations to all the young people of college age in Grosse Pointe for whom the Center has addresses.

Because the list cannot be kept absolutely up to date they emphasize that all Grosse Pointe collegians and their guests are most welcome and that this article should serve as an invitation to any who do not receive a card.

Future Nurses Club Finds Many Ways to Be Helpful

Who says no one is doing anything about the nursing shortage? Seventy-five girls from Grosse Pointe High School can honestly say they are working on this problem.

The girls, members of the High School's Future Nurses Club, work as "pink ladies," (the color of their uniforms), every Saturday and holidays during the school year, and every day during the summer.

As volunteers at Cottage Hospital, they are on duty from 8:30 to 12:30, delivering fresh water, taking patients down to X-ray, and in general doing all the myriad small things that have to be done in a busy hospital so that the registered nurses can be free to attend to the patients' larger needs.

In addition to hospital volunteer work, the Future Nurses have "adopted" two children at Lapeer State Hospital, sending them cards on holidays and presents on birthdays and Christmas. The Club is the only contact these two children have with the outside world.

Club members visit Brooks Convalescent Home on East Grand Boulevard during the holiday season, bringing gifts and novelties to make the patients' lives more enjoyable. They give food and toys to needy families on holidays, last year providing three families with baskets on Easter, Thanksgiving and Christmas.

New members and officers are installed at a traditional Candlelight Ceremony. This year the installation took place at Christ Church on Wednesday, November 15, at 4 p.m., when 45 new girls repeated their vows and became active members of the Future Nurses Club.

As the mothers and friends of

new and old members watched, the girls marched in and took their seats in the front. An opening prayer was given by the club's secretary, Judy Mihalik.

Merrie Harsch, vice-president, gave the welcoming speech and introduced the guest speakers. President Marilyn Major talked on the club itself and conducted the induction of the new members.

Each girl was called by name to receive a gold FNC pin, a scroll and a candle. This is the first year the girls have been given pins, generously donated by the Woman's Auxiliary to Cottage Hospital.

Mrs. Earl R. Stiefel of Williams court, volunteer chairman for the hospital, pinned the FNC pins on the members, and treasurer Bev Robinson presented the scrolls. A special verse was printed on the scrolls. It reads simply: "... and the light shall shine upon thy ways."

With candles lit, the girls stood in a half circle and repeated their vows, after which officers were inducted by the club's sponsor, Miss V. Elson, school nurse.

35th Birthday For Pro Musica

Pro Musica is celebrating its 35th anniversary this year. The opening concert of this organization, devoted to contemporary music with occasional works of the very early period, will feature Seymour Lipkin, pianist, on the evening of Friday, December 1.

On Tuesday evening, January 30, the second concert will feature the Detroit debut of the Netherlands Chamber Choir of eighteen voices.

The final program will be given Friday evening, February 23, by the "Beaux Arts Trio."

The concerts will be held as usual in the lecture Hall of the Detroit Institute of Arts at 8:30 p.m. and will be followed by a social hour in the Romanesque Hall.

Pro Musica officers for the current season are: Mrs. Frank W. Coolidge of McKinley avenue, president; Dr. Hugh Stalker of Lake Shore road, first vice-president; Miss Margaret Mannebach of Detroit, second vice-president; Miss Marie Martini of Detroit, secretary; and Edward P. Frohlich of Detroit, treasurer.

St. Paul Lutheran Ladies Keep Busy

Installation of New Officers Set for December Meeting; Circle Meetings Slated and Special Projects Get Attention

The women of St. Paul Lutheran Church, Chalfonte and Lothrop, have elected their executive board for 1962. These ladies will be formally installed at the December general meeting on December 5.

President is Mrs. Ernest W. Deiss; vice-president, Mrs. James Herschner; secretary, Mrs. Howard Laverberg; treasurer, Mrs. Clarence Dahl; stewardship secretary, Mrs. Prosper DeCoster; and education secretary, Mrs. Clifton Myll.

Some of the circle meetings have been changed this month to allow for the Thanksgiving holiday. The circle meetings are as follows:

Dorcas—Thursday, November 16, 12:45 p.m., at the church.

Lydia — Tuesday, November 21, 12:30 p.m., at the church.

Rachel—Tuesday, November 21, 8 p.m., at the home of Mrs. Arthur Berns, Jr., 2025 Beaufait.

Ruth — Tuesday, November 21, 8 p.m., at the home of Mrs. Robert King, 374 Aline.

Sarah — Tuesday, November 21, 7:30 p.m., at the church.

Esther — Wednesday, November 29, 1 p.m., at the church.

Miriam circle met on November 14, at the home of Mrs. William Osborn, 476 Fisher; Elizabeth circle met on November 15, at the home of Mrs. Donald Lueck, 18778 Woodland.

For their part of Christian Service this month Ruth circle will help in the church nursery. Esther circle will visit the Convalescent Home; Miriam will visit the sick and shut-ins of the church, and Dorcas circle is responsible for soldier remembrance. Mrs. Chester Mercer and Mrs. Frank Rintz, Jr., will assume the duties of the Altar Guild.

The topic for discussion at the November circle meeting, the last planned circle meetings

this year—others are optional with the individual circles—will be the very vital and timely "How Shall I Pray for My Nation?" The ladies will prepare for it by reading from the book of Ezra in the Bible, and the Devotions chairmen will lead the discussions. This will be followed by a brief business meeting, and fellowship along with light refreshments in most circles. Some circles have luncheon or dessert before their meetings.

The American Lutheran Churchwomen Cause of the Month for November is Stewardship. There is no budget project for this cause, but the ladies are urged to take an accounting of the investment God has made in them, and which they hold in trust for Him. They are urged to consider how they are using their time, personalities, minds, health, talents, capacities, abilities, opportunities, money, vocations, occupations, and the Word of God and Prayer.

The Fall Clothing Drive for Lutheran World Relief is rapidly heading to its conclusion. Clean, usable clothing is being brought into Fellowship Hall for this purpose, before November 19. It is to be shipped on November 21, and will be distributed throughout the world. Warm clothing is particularly desired at this time of the year, for many people live in great poverty, without heat, in makeshift shacks—in Hong Kong, for instance.

Ladies are being asked to help with the distribution of 5,000 Sunshine Bags, some of which they themselves have made, or to which they have contributed, at Wayne County General Hospital on December 11, at 1 p.m. Those interested should call Mrs. Arthur Goetsch (LO 8-0333, Ext. 1 before 12:30 p.m.—thereafter ED 1-0013), by December 1, to make arrangements.

A workshop for officers and officers-elect, and any others interested, is being held at Bethel Lutheran Church, Little Mack and Frazho, on Thursday, November 16. Ladies have a choice of two sessions; one at 12:45 p.m., and one at 7:45 p.m. The social committee, headed by Mrs. Guy Ropp and Mrs. Willard Hosking, has been very busy these days. The members have planned and served dinner for the first of two Sunday School Teachers' Conferences, on Sunday, November 12, and are planning for the second, on Sunday, November 19. Next will be the Sunday Coffee Hour, on November 26, after services. Mrs. Russell Stewart and Mrs. Bernard Schenk are in charge

Engaged

Mr. and Mrs. G. M. Himmelsbaugh, of Brys drive, announce the engagement of their daughter, JUDITH ANN, to Raymond Lawrence Diehr, son of the C. K. Diehrs, of Hazel Park.

The bride-elect attended Michigan State University where she was affiliated with Alpha Gamma Delta.

Her fiancé was graduated from the University of Detroit.

DRIVER POSTS BOND
William Jordan, 56, 3967 Commonwealth, Detroit, was arrested by Park police on Sunday, November 12, while driving on Barrington road, and charged with drunk driving. He posted a bond of \$100 pending a future court appearance before Park Judge C. Joseph Belanger. Jordan said he did not stop immediately because "there was another car that was too close behind me." unaware it was a police cruiser.

of the dining room. Mrs. William Osborn does the recruiting of helpers, and Mrs. Rudolph Scheibner is in charge of the "clean-up" squad.

The final event of the year for the women of St. Paul as an organization will be the December general meeting and Christmas party. This event will take place on Tuesday, December 5, at 7:45 p.m., and will find the ladies assigned to new circles on their arrival at the church. They will meet in assigned places with their new groups in the nave of the church for the more formal part of the evening's program.

This program will consist of Christmas carols, devotions and installation of officers and chairmen. Then the ladies will be dismissed to continue their evening in Fellowship Hall, where the Charles W. Warren Co., jewelers, will have a large display of table settings, with the Christmas motif.

The ladies will supply the refreshments that evening by bringing in some of their favorite Christmas cookies, which will be served on the tea table. A committee consisting of Mrs. Clarence Becklein, Mrs. Leonard Ruthenberg, Mrs. Donald Lueck, Mrs. Wilbur Flick, and Mrs. Ernest Deiss are planning the decorations for Fellowship Hall. Mrs. Russell Stewart and Mrs. Eleanor Schenk are in charge of the tea table and serving.

Garden Club Celebrates 50th Year at Little Club

Elegant women clad in the flowing, wasp-wasted gowns of the early 1900's confronted equally elegant women dressed in 1961's latest Paris and New York fashions at the 50th birthday celebration of the Garden Club of Michigan, held last night at the Little Club.

Out of towners included Mrs. Daniel B. Ford, of Cleveland, O., and Mrs. Kenyon Bolton, also of Cleveland, house guests of the Arthur H. Buhls, Jr., of Pruvencal road, Mrs. Erastus Corning, of Albany, N.Y., vice-president of the Garden Clubs of America, is staying with Mrs. Lynn McNaughton, of Kenwood road.

Following the ladies-only dinner, skits on the club's history from its 1911 founding in the Old Country Club, (site of Mrs. Horace Dodge's present home), to the present day were enacted by costumed club members.

The skits, written by current vice-president Mrs. John M.S. Hutchinson and historian Mrs. Cameron B. Waterman, (who authored vignettes for the club's Silver Anniversary party in 1936), told the story of the growth of the Garden Club of Michigan, first such group in the state.

The Garden Club of Michigan became a charter member of the Garden Clubs of America two years after Mrs. Francis King of Alma told a group of friends attending a bridge-whist party at the home of Mrs. Truman Newberry about a garden club friends in Philadelphia had formed. Mrs. King became the club's first president. Other original members included Mrs. Benjamin S. Warren, Mrs. Truman Newberry, Mrs. John S. Newberry, Mrs. Edward H. Parker, Mrs. John T. Nichols, Mrs. A. Ingersoll Lewis, Mrs. William Howie Muir, Mrs. Andrew Green, Mrs. Cyrus Lothrop, Mrs. John M. Dwyer, Miss Laura Donnelly, Mrs. Strathearn Hendrie, Mrs. Alexis Angel, Baroness von Ketteler, Mrs. Russell A. Alger and Miss Sarah Hendrie.

Still members of the Club are Mrs. Warren, Mrs. Alger and Miss Hendrie. Mrs. Green now resides in North Carolina. The Garden Club started as a social organization, dedicated to improving members' own gardens, with tulip and daffodil shows among the first projects. In the beginning, members gave their own papers, such as Mrs. King's first one on "Necessities and Luxuries in Garden Books."

Today, experts in horticulture, conservation and flower arranging come from across the nation to address the group. The first tulip show at Hudson's was given by Mrs. Richard H. Webber; succeeding shows

were held at the Hotel Statler. Garden Club members soon turned from private to public beautification. In 1917 they planted trees along the new Seven Mile Road; during World War I they planted civic vegetable gardens, canning the harvest, until the Great War ended and they could return to their primary delight, conservation and beautification efforts.

Tissue paper replicas of Michigan wild flowers were made by the late Mrs. Dexter M. Ferry, Jr., mother-in-law of the present club president, Mrs. Dexter Ferry; she and Mrs. Edward H. Parker toured schools

throughout the state with "do not destroy" warnings.

The Garden Club of Michigan was one of the first groups to campaign for the abolition of roadside advertising. A "before and after" landscape painted by Mrs. Charles Warren for a Roadside Improvement booth at the Michigan State Fair was borrowed by the Garden Clubs of America for exhibition at the national convention.

Club members throughout the years have lived up to their motto: — "To Garden Finely."

Mrs. Longyear Palmer is such an expert that she no longer competes in the club's exhibitions, and members always take several blue ribbons at such shows as the Federated Garden Clubs' fall exhibition at Charles W. Warren & Co.

The club, which has a trial garden at the Grosse Pointe War Memorial, last summer planted and furnished a roof garden at the Detroit Rehabilitation Institute, under the direction of Mrs. William K. Muir,

College Women Name Officers

The College Women's Club named Mrs. Bogdan Bayoert its new president at a recent meeting. Other new officers include Miss Delma Loyer, Mrs. Clarence J. Totte, Mrs. Kenneth S. Patton and Mrs. William W. Innes.

The group is planning a Christmas party December 15 in the Lakeland avenue home of Mrs. Emil O. Dauch. On January 5 there will be a Twelfth Night Party in the Bloomfield Hills home of Mrs. Elton Awrey.

Other newly-elected officers include Mrs. Ludwig Hellborn, Mrs. Albert Raich, Miss Margaret Neudeck, Mrs. William C. Klenk, Miss Jane Shoemaker, Miss Margaret Angus, Mrs. Windsor S. Davies, Miss Muriel Ford and Miss Bertha Shaw.

Unitarians Hear Social Worker

Bernard M. Segner, District Supervisor of the East District of Family Service of Metropolitan Detroit, spoke Tuesday, November 14, at a luncheon meeting of the Women's Alliance of the Grosse Pointe Unitarian Church.

Mr. Segner explained the many family services available through the society, which is a United Foundation agency.

A graduate of Assumption University, Mr. Segner received his Masters degree in social work at Catholic University in Washington, D. C. He has spent over 20 years working in this field, principally in the Detroit area. He was with the Veterans Administration prior to his military service during World War II and has been employed by Family Service for the past ten years.

Mrs. Stanley Smith was chair-

man of the luncheon committee and was assisted by Mrs. Max Sebba, Mrs. Harriet Ortiz and Mrs. Daniel Moak. The meeting was held at the Unitarian Church House, 17440 East Jefferson avenue.

Memorial Evening Group To Hear Mrs. Gentile

The Evening Group of the Women's Association of Grosse Pointe Memorial Church will hear Mrs. Phillip Gentile, official delegate to the US Commission of UNESCO on November 21 at 8 o'clock.

She will speak on "Women in the Space Age" to the group in the Women's Parlor of the church. Mrs. Gentile has been an observer at every United Nations General Assembly in New York as well as serving in vital Detroit community affairs.

FIRST CHURCH OF CHRIST, SCIENTIST

Kerby School—Kerby Road Sunday, 10:30 a.m. — The availability here and now of the healing power of the Christ, Truth, will be stressed at Christian Science church services this Sunday. Luke's account of the healing by Christ Jesus of the "woman which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself" is included in the Scriptural readings. "Soul and Body" is the subject of the Lesson-Sermon. From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this passage will be read: "God will heal the sick through man, whenever man is governed by God. Truth casts out error now as surely as it did nineteen centuries ago. All of Truth is not understood; hence its healing power is not fully demonstrated." (p. 495). The Golden Text is from Psalm 90: "Lord, thou hast been

When the POINTE was growing up...

By Pat Talbot

In the attic of the former Fred G. Moran house, a white frame cottage of Victorian vintage off Kercheval, several weeks ago cleaners unearthed a turn-of-the-century poster.

The handbill advertised Kennebecbek, a black racing stallion, renowned in trotting circles. Under the picture of the horse was this announcement: Will make the season at Fred G. Moran's Grosse Pointe farm at \$2000 to insure a foal. Horse breeders flocked to take advantage of the stallion's Pointe visit.

These were the days, around the 1890's, when Hamilton Park raceway was the scene of great trotting races which attracted thoroughbreds from all over the Detroit area. The race track was on James McMillan's property and the outlines of the track may be traced today by the line of trees around Voltaire place.

Fred G. Moran was descended from the Louis Moran branch of the family. Louis was an Indian agent who married Catherine Campau and lived in the Pointe early in the 18th century. His son, George Moran, who married a Trombley, bought the homestead from heirs of Commodore Alexander Grant.

In turn his son, George, developed the property into a fine farm which Fred inherited. Horses were his big interest and he would exercise his thoroughbreds daily at the nearby track. Fred was a member of the Farms board of trustees in 1893 and the village's first highway commissioner. To Fred Moran must go most of the credit for developing the old Indian trails around the Pointe into lanes and streets.

For many years he used his farm horses to drag wagons to the foot of Moran and the lake where he cut ice in the depth of winter. The ice was then hauled around to the lakeshore mansions and sold to store in ice houses which the Newberrys, Halls, McMillans, Hendries and Ledyards had built on their estates.

Like his father, grandfather and great grandfather Fred G. Moran married into a prominent Pointe pioneer French family. His wife was Pauline Kerby. The couple had no children but adopted young Arch Vernier to whom the family homestead was left at Fred's death.

The former highway commissioner's nephew, Jack Moran, remembers visiting his uncle just before the latter's death about 15 years ago in Cottage Hospital. Fred G. Moran worked on the highways until just two weeks before he was taken ill. He died at the age of 84.

The homestead was eventually left to Arch Vernier's widow who then sold it to an FBI man who was recently transferred from Detroit. In cleaning the attic after his departure Farms City Engineer Murray Smith discovered the handbill advertising the trotting stallion and has presented this historical relic of the days when the Pointe was the scene of country races to the Grosse Pointe Historical Society.

Tiger baseball announcer Ernie Harwell reports that he read this provocative story in a San Francisco column. Ben Alexander, formerly TV's Dragnet star with Jack Webb and now a Ford dealer on the coast, spent Halloween in Grosse Pointe as a guest of the Benson Fords. As the trick and treat hour approached the Fords' butler emerged from the pantry with two bags, one filled with candy, the other with pennies. He placed them on the front stoop and invited the holiday beggars to dip into either bag. At the end of the evening the candy bag was completely empty, the penny bag still quite full. The columnist's comment: "In Grosse Pointe who needs money?"

Our editor received in the mail a postcard urging him to vote for a political candidate to "Retain Experience, Ability, Efficiency and Integrity." Obviously the sender himself had little faith in any of these sterling qualities of character. The postcard arrived the day after the election and the candidate was running for a Detroit city office, for which no Grosse Pointer, including our editor, is eligible to vote!

Patricia Zaun, who was married Saturday in Jefferson Avenue Presbyterian Church, to David R. Wallace, participated in a ceremony rife with tradition. In her bridal bouquet was ivy transplanted from the grave of poet Robert Browning in Italy. She was escorted down the aisle by her father and then he officiated at the ceremony. Dr. Allan A. Zaun's daughter was the first minister's daughter in 100 years to be married in this church. The new Mrs. Wallace is a direct descendant of Alice Southworth who married the first governor of Plymouth, Mass., William Bradford, in 1621.

Suburbia Garden Club members enveigled their husbands into costume for a party last week. John Zimmerman took the prize as the most unrecognizable character. He came as Aunt Jemima. Mrs. Donald Hughes, the hostess, died her blond hair black for her role as an exotic Polynesian princess and Robert Vanderpyl climaxed the costume parade by arriving as a Chinese coolie and then disappearing to change into a black flowing cloak and new make-up as an eerie Charles Addams figure.

MRS. WALTER KOSTE, OF KERBY ROAD, MRS. HOWARD K. FACE, OF MORAN ROAD, AND MRS. SPENCER JAMES, OF ALINE DRIVE WITH ROBERT ROUNSEVILLE.

by Pat Talbot

The discussion over morning coffee and cakes for Mrs. Howard K. Face, Mrs. Walter Koste and Mrs. Spencer James might be the normal household problems of menus and children but with this trio it is much more apt to be about Henry VIII.

These three talented Pointe housewives are professional actresses, members of Detroit's only resident professional theater, Vanguard. They are cast as three of Henry VIII's six wives in "Royal Gambit" starring singer-actor Robert Rounseville at the Vanguard Theater opening November 17.

A Wellesley alumna, graduate of the Pasadena Playhouse and Dean 4, and Sally 3, Mrs. Face bears a strong resemblance to gentle Jane Seymour, the wife Henry neither beheaded nor divorced. A slender blond with wistful features, Mrs. Face began her acting career in summer stock in East Hampton and reached the pinnacle of an off Broadway production at the Phoenix Theater in New York before coming to Detroit a year and a half ago with her husband who is a market research executive.

A member of Actors Equity, as are all three of Henry's wives, Alice Rolph Face joined Vanguard when she first came to Detroit, has starred in "Peer Gynt," "Asa," "Ring Around the Moon" and was a spectacular hit in the children's classic, "Cinderella."

Radio Thrillers
A star in Detroit radio twenty years ago, Jan Koste worked her way through Wayne State University by acting on WMBC. She was a featured player in that thriller with its signature of the chilling laugh, "Hermil's Cave" and in "Old Opey House," during the days when 15 network radio shows were beamed from Detroit. The vibrant red head will play Henry's first wife, Katherine of Aragon, in "Royal Gambit."

She returned to professional life a few years ago at Vanguard playing the Laurette Taylor role in "The Glass Menagerie." Jan is the mother of four children, Peter 11, Michael 10, Kitty 6 and Maggie, 4 months, but she is very career-minded, would even abandon her much loved family temporarily for a chance in New York.

Acted with Chaplin
Mrs. James, known to Grosse Pointe Community Theater fans, who saw her in "Bell Book and Candle" and "Anastasia" two seasons ago, has acted with Charlie Chaplin and in Hollywood westerns. "I was one of the few gals who could stay on a horse," she remembers whimsically. In Detroit, where her husband, like Jan Koste's, is a film director, she starred in television's "Policewoman" and acted for two seasons at Bloomfield's Will-o-Way Theater. A titian haired gamine type she will play Kate Parr, the only wife who survived the lusty Tudor monarch.

All three actresses are professionals to their fingertips, arrange the weekly marketing, laundering and dusting to allow

St. Clair Yacht Club Names New Commodore

At the annual meeting of St. Clair Yacht Club on November 8, Robert J. Snowden, of Harcourt road, was elected Commodore for the coming year. Commodore Snowden has been house chairman for five years and has served on the board of directors, occupying each of the club offices.

Other officers are Ross Horlocker, vice commodore; P. S. Shower, rear commodore; Donald Pughin, of Yorkshire road, secretary; and J. D. Berkeley, of Westchester road, treasurer.

A complimentary dinner for the members and their ladies was served before the meeting and election of officers.

four to six hours daily for lines and rehearsing at Vanguard. Devoted to the local theater which is having a difficult time surviving, they have often failed to collect their salaries so that the theater's stars and apprentices salaries as well as the rent, light and heat be paid for the theater off Woodward on East Columbia which formerly was a foreign film house.

They're Determined
Professional theater away from New York has a grim time of it but these dedicated members of Vanguard, now over a year old, are determined to see its success. The star of "Royal Gambit" is acting for a small salary, too and every day the director of Vanguard Dr. William A. Gregory receives letters from New York and Hollywood featured players begging for an opportunity to act in Detroit's theater.

Although all three Pointe actresses are veterans in their craft they are often discouraged by their audiences. "Of course we'll continue to act at Van-

guard, but we would like to see the theater at least half-filled," they say hopefully.

The theater has offered a wide range of drama from "Heidi" to "Gaslight." Every other month the resident company rehearses a new play and will continue to act until the footlights are permanently dimmed. As they repeat, the fate of Vanguard as well as their careers rest with their audiences.

TREE TRIMMING TIME

On Monday, November 13, the Park council awarded the job of trimming the city's public trees to Shock Brothers. The project will cost \$6,999.75, the lowest of several bids offered.

Kappa Kappa Gammas To Meet November 21

The next meeting of the East Side Group of Kappa Kappa Gamma will be held on Tuesday, November 21, at the home of Mrs. Clarence Campbell, 1031 Harvard road.

Cancer pad sewing will begin at 11 a.m., and luncheon will be served at 12:30.

Those serving on the committee for this meeting are: Mrs. William P. Thorpe, Jr., Mrs. Herbert Mandel, Mrs. Herbert Schmitz, Mrs. Robert Wood, and Miss Louise Rau. Reservations may be made with Mrs. Thorpe, TU 5-3137 or Mrs. Mandel, TU 5-0712.
