A LUMUMBI REBELLION
in the Congo against both the United Nations and the Central Congolese Government has been ordered crushed with "every measure possible". U Thant, acting UN Secretary General, Wednesday ordered United Nations forces in the Congo to move against the rebel troops. Antoine Gizenga, now nominal vice premier of the Central Congo Government and political successor to the late, murdered pro-communist Premier Patrice Lumumba, leads the rebellion.

SPEAKER OF THE HOUSE
Sam Rayburn, 79, died yesterday in his home town of Bonham, Tex. "Mr. Democrat," who served as House Speaker longer than any other man in history, lost his battle against cancer early Thursday morning. "The capital is a lonely place without him and the good people of the world have lost a companion and an ally," mourned Vice President Lyndon B. Johnson, Rayburn's protege.

President Kennedy joined the nation's major political leaders in paying tribute to the great American statesman and will, with ex-President Harry Truman, head the mourners at Rayburn's funeral this Saturday.

SHERWOOD COLBURN
was today appointed state insurance commissioner. Governor Swainson named the 33-year-old Oak Park agent as successor to Frank Blackford, who resigns to take a federal post in Washington November 30. A native Detroit, Colburn has, since 1957, been a partner with his brother, Leslie, in a general agency in Detroit.

Sunday, November 19
PRESIDENT KENNEDY and former Presidents Harry S. Truman and Dwight D. Eisenhower were among the thousands of mourners at the funeral of House Speaker Sam Rayburn yesterday in Bonham, Tex. Rites at Bonham's First Baptist Church and the Rayburn family burial plot were simple. National leaders mingled with members of the family and the Texas friends and constituents of "Mr. Democrat." Representatives of the Cabinet, the Supreme Court, the military high command and Rayburn's fellow congressmen were among those present.

MICHAEL ROCKEFELLER, youngest son of New York Governor Nelson A. Rockefeller, was last night reported missing somewhere off Dutch New Guinea. The 23-year-old Harvard graduate disappeared with two Dutch companions while on a canoe trip along the primitive coastline, where he had been collecting examples of native art for the Museum of Primitive Art, New York. His boat is reported to have drifted out to sea. The Governor made immediate arrangements to fly to the scene in order to take an active part in the search for his son.

THOUSANDS OF ANGRY West Berliners yesterday attempted to storm the despised communist wall at several points, as an officially approved West Berlin protest march turned into a riot. West Berlin police, assisted by British machine guns, fought off the attackers, while more than 1,000 East German troops and construction workers extended anti-tank barriers behind the border.

Wednesday, November 22
GOVERNOR NELSON ROCKEFELLER'S 23-year-old son, Michael, stands a good chance of being found alive, according to Dutch officials. Dr. R. Wassing, one of young Rockefeller's Dutch companions, has already been found and is reported in good condition after being picked up off the coast of New Guinea by a Dutch warship. Wassing reported that he last saw the New York governor's son Saturday, when Rockefeller made a makeshift raft and started swimming to shore for help.

Bell Ringers To Be Heard With Chorus

Salem Lutheran Choir Will
Play at December 3
Concert in Parcels
School

One of the novel features of the December 3 concert of the Grosse Pointe Community Chorus will be the inclusion of numbers by the Salem Memorial Lutheran Bell Choir under the direction of Olive Walker.

This Bell Choir, a member of the American Guild of English Handbell Ringers, has appeared in many places and scores of presentations, including concerts in Michigan, Ohio, Massachusetts and, last summer, before an audience of 14,000 at the International Luther League in Miami Beach.

In the coming concert they will present a number of carols and will also accompany the entire 100-voice chorus in two lovely numbers.

This ninth annual Christmas Concert of the Grosse Pointe Community Chorus will be presented at 3:30 p.m., Sunday, December 3rd, in the auditorium of Parcels Junior High School, Mack at Eight Mile.

Tickets, (\$1 adult, 50c student), are available from The Book Shelf, Kercheval on the Hill, from any member of the chorus, or by phoning TU 4-5964.

Excavation Completed On City Swimming Pool

Grosse Pointe City Manager Lawrence C. Savage reports that the new swimming pool in Neff Memorial Park is now under construction and excavation has been completed. Construction on the walls and floor is scheduled to begin soon.

The new pool, built by Pad-dock Pools of Eastern Michigan, will be 100 feet long and 42 feet wide, with a diving bay 42 by 33 feet. The diving bay will contain three diving boards: a one and a three meter board and a small training board. Although designed primarily as a recreation pool, an accredited swimming course of 25 yards will be provided. The shallow portion of the pool will range from two and one-half to five feet, and the entire pool is so designed that it can be

Visit to Russian Schools Leaves Our Superintendent 15 Lbs. Thinner, Worried

Differences in Educational Systems of Two Countries
Outlined by Dr. James Bushong; Believes Ours Is Best
By Janet Mueller

Dr. James W. Bushong is worried. The Grosse Pointe School Superintendent recently returned from a month-long tour, in company with other American educators, of the Soviet Union.

He visited major Soviet cities, including Moscow and Leningrad; he sat through interminable party-line briefings; and, whenever possible, he went off on his own to see conditions in Russia and the Russian schools. Dr. Bushong returned to Grosse Pointe tired, with tapes and pictures and impressions of life in Khrushchev's Russia. The tapes and pictures and impressions are not pretty.

Prefers Jail To \$105 Fine

Harry R. Anderson of 1112 Hibbard, Detroit, was arrested by Park Patrolman Henry Wilson on Thursday, November 16, for failing to heed a red light at Vernor and Audubon.

Anderson was arraigned before Park Judge C. Joseph Belanger the following day and was found guilty of driving without a license, having bad car brakes, and using license plates belonging to another person.

He was ordered to pay \$105, or serve 12 days in the Wayne County Jail. He elected the 12 days.

Thug Terrorizes Matron and Maid In Shores Home

Domestic Struck on Head with Revolver in Scuffle with
Nervous, Nattily Dressed Intruder Posing
as Bank Messenger

A nervous gunman, armed with a gun and blackjack, invaded the home of Mrs. Standish Backus, 725 Lake Shore road, Thursday evening, November 16, terrorizing Mrs. Backus and her maid.

The maid, Vera Stepzynski, 29, was struck on the head with what she believed was a revolver. Police took her to Bon Secours Hospital where three stitches were needed to close a head cut.

The gunman forced Mrs. Backus, 77, widow of the former president of Burroughs Corporation, into an upstairs sitting room at gunpoint. Mrs. Backus was struck a glancing blow on the side of the head with a blackjack, but was not injured.

The bandit made Mrs. Backus lie down on a couch and ordered her not to move or leave the room.

Posed as Messenger
Shores Police Chief Fred Duemling said the man posed as a bank messenger to gain entrance into the house. The intruder was neatly dressed and carried a brown leather briefcase, which apparently led the maid to believe the man, the chief said.

Miss Stepzynski said she let the man into the house and told him to wait in the vestibule, while she called Mrs. Backus, who was in the upstairs sitting room. Mrs. Backus told the maid that she was not expecting anyone from the bank.

While the maid was talking to Mrs. Backus, the intruder picked up the house phone in the vestibule and talked to the society matron.

"I asked him what he wanted," Mrs. Backus said, "and he told me he had some papers the bank wanted me to have and he wanted to bring them up to me. I told him to leave them downstairs."

Miss Stepzynski said she returned to the hallway and the intruder pulled a gun and jabbed the gun into her side. She struggled with the man and he struck her on the head and she fell to the floor.

Seen Maid Struck
Mrs. Backus heard the commotion downstairs and went to the bannister, and leaned over just in time to see the man strike the maid, and screamed at him, "What are you doing to my maid?" Mrs. Backus then ran back to the sitting room just as the man darted up the stairs.

The man went into the room, threatened the society matron, and then left, closing the door behind him.

In the meantime, Miss Stepzynski, dazed by the blow, got up off the floor and ran for help while the gunman was still upstairs. She ran to the nearby home of Mrs. Backus' daughter, Mrs. Alfred Marks, 40 Sunningdale, and called police.

Patrolman Don Jacobs was at the station desk when the maid's call came in. In the excitement, Miss Stepzynski forgot to give the officer her name and gave an incorrect address.

Second Call Received
Before the message could be relayed to a squad car, Mrs. Backus called.

Official sources in the Farms stated that merchants in Mack avenue, have not petitioned for free parking for shoppers, but if they requested such a move, it is more than likely that the city council would grant it.

10-Year-Old Battle Drags On in Woods

Spend Four Hours Hearing
Arguments; Postpone
Action Until Dec. 12

For four hours on the night of Monday, November 20, the Grosse Pointe Woods City Council listened to substantially the same arguments it has been hearing for ten years, arguments on the pros and cons of allowing the Grosse Pointe Clinic Corp. to construct a parking lot on Lots 7 and 8 of Beaufait-Koch-Tessmar Subdivision. Council eventually reached the same decision it has been reaching for the past ten years: to settle the case at a later date.

The Woods Council heard testimony from two disinterested appraisers, Milton Henkel, whose offices are in the Dime Building, and Bruce Tappan, whose offices are at 93 Kercheval, Grosse Pointe. They had been chosen by Councilmen David H. Fairless and Martin W. Chamberlain to make an investigation on the effect a parking lot would have on the surrounding neighborhood, which is already riddled with parking lots.

Realtors Testify
Henkel, who has been in the real estate mortgage loan and appraisal business for 10 years and is a registered appraiser, stated: "It is my opinion that if a parking lot were put on Lot 7, there would be no detriment to the surrounding properties." He added that a parking lot on Lot 8 might have some effect on the value of the abutting property, but not a great deal.

Mr. Tappan, who has been in the real estate business since 1924, testified: "On Lot 7, I think the effect would be nil. If Lot 8 were combined with Lot 7, I think there would be some effect on the abutting residence on Lot 9... it would be small." He added that he does not believe the contemplated parking lot would affect the property across the street.

Mr. Henkel stated that his company was not opposed to making loans on a property next to a well-maintained parking lot. In his opinion, property values depend on the type of parking lot, and the right type of parking lot "may even be an asset to the property."

Cites Long Experience
Mr. Tappan gave as reasons for his decision his own experience in real estate over many years and the fact that the Woods has a large number of reasonably comparable situations.

Saul Levin, attorney for C. S. Cirinesi and a group of property owners in Hawthorne road who seek to prevent the Grosse Pointe Clinic Corp. from building the parking lot, questioned both Henkel and Tappan on whether they, themselves, would like to live next to a parking lot. Both replied that they would not, but Mr. Tappan added that the longer he was in the real estate business, the more he realized that location desirability was a relative matter.

Police Witness Vandals at Work

City police officers George Brackx and Duncan MacEachern observed two boys in the phone booth at Kercheval and St. Clair a little after midnight on the morning of Saturday, November 18. The boys proceeded to tear the receiver off the phone and throw it to the sidewalk, breaking the porcelain. They then kicked the booth.

Officers arrested Alan Martin Kaufman, 18, 605 Lakewood, Detroit, and his 17-year-old companion, Michael John Starlingstead, of 1088 Burns, Detroit. Both had been driving in Kaufman's '57 Jaguar roadster. They were charged with vandalism and jailed in lieu of a \$25 cash bond.

The telephone company was notified, investigated, and stated that they wished to prosecute. Both boys were released on the morning of Saturday, November 18.

Bandits Get \$700 Cash in Store Holdup

Rand Drugs in Mack Ave.
Scene of Robbery; Be-
lieved Same Pair Who
Did Detroit Job

Two men, one armed with an automatic pistol, held up the Rand Drug Store, 18404 Mack avenue, Saturday evening, November 18, and escaped with \$700 and other items.

Victims of the holdup were Michael Randazzo of 22501 Raymond court, store owner; and Thomas Rosello, 21, of 3700 Somerset, Detroit, a clerk employe. The crime took place at about 10 p.m.

Randazzo and Rosello were forced into a back room by the man with the gun, before the bandits took the day's receipts from the cash register.

Saw Car Speed Away
The hold-up victims left the back room after the robbers left, and went to the front of the store in time to see a car speeding away across Mack to Canyon on the Detroit side. Randazzo and Rosello called Farms police, and within minutes Patrolmen Donald Pilon, John Farley, Eugene Fowler and Earl Field were at the scene.

Randazzo and Rosello stated that the holdup men not only took the money, but also a portable 19-inch television set, Rosello's sweater and Randazzo's rain coat, values not given.

The store owner and clerk told the officers that the man with the gun entered the store through the front door and the other man came in through the rear door.

The gunman entered first and drew a large automatic pistol from his belt and put it to Rosello's head and ordered him and Randazzo to the rear room.

Double Trouble For Fast Driver

Ed Cross, 55, of 34201 Jefferson, Mt. Clemens, paid a fine and court costs totaling \$95, after he was found guilty by Shores Judge Victor DeBacke of driving while his operator's license was revoked, and for speeding 45 miles an hour on Lake Shore.

The first offense drew a fine and costs of \$77.50. Cross was put on probation for six months, no driving, and was ordered to pay the penalties during this period.

Free Parking Christmas Present in Woods, Farms

Shoppers who drive their cars to the shopping areas in the Woods and Farms for pre-Christmas buying, will receive approximately \$1,325 worth of free parking. That is the total sum that could be realized during the allotted grace period.

On October 16, the Woods council agreed to permit free on-street and off-street parking to those shopping in the Woods; and on November 6, the Farms council, okayed free parking in the municipal lot at the rear of Kercheval-on-the-Hill District.

Where the Woods approved cancelling of all meter charges, on the street and municipally-owned lots along Mack avenue, the Farms granted this privilege only insofar as the Kercheval lot is concerned.

Official sources in the Farms stated that merchants in Mack avenue, have not petitioned for free parking for shoppers, but if they requested such a move, it is more than likely that the city council would grant it.

During December 11 through 23, the meters in the Woods will be covered with special bags, wishing the parkers a Merry Christmas, with a possible suggestion that they shop locally. During this two week period, the meter revenue will be minus about \$700.

In the Farms, shoppers will be able to park their cars in the big lot for free from December 1 through 24. This was at the request of the district businessmen, who hope that free parking will stimulate business.

tallest building in Europe, (if one discounts the Eiffel Tower, which is, after all, not precisely a "building"). Unlike most American universities, with their houses and halls and laboratories and libraries scattered around a campus complex, Moscow U's campus is the Moscow

U building. Inside this tremendous edifice the University functions as a unit, teaching the Truth.
The actual construction of Moscow U, contrary to much modern Soviet construction, is good. Dr. Bushong and his fellow educators have one comment to make on Soviet build-

ing in general: "By the time they get the fifth story up, they have to repair the first." The good buildings in the Soviet Union are the old buildings, the ones that pre-date the Revolution.

Live in Nearby Hostels
Russian University students live in hostels connected to their University. They must spend two years working before they are allowed to take university entrance exams, and are paid between 35 and 50 rubles a month to attend school.

One Leningrad co-ed told Dr. Bushong she spends a ruble and a half (about \$1.65) per month for housing and provides her own food, which she cooks herself in the community kitchen of her hostel. There are no cafeterias.

The Russian university student, like the American, passes for his own books. He does not cut classes. Every year he is in school, he is required to take a course in the "History of the Communist Party."

State Places Graduates
In general, Dr. Bushong states, university teaching in Russia is on a less mature level than in America. Once graduated, the Russian is put where the state can best use his particular talents.

Dr. Bushong lost 15 pounds on his tour and didn't sleep well all the while he was away. He was in Moscow at the same time the Communist Party Congress was in session, and was one of the last to see Stalin's body in the Red Square Tomb. How did the average Russian react to the removal of Stalin's body? As far as Dr. Bushong could see, there was almost no reaction at all.

Dr. Bushong, who went to Russia with the usual American concepts, convinced that freedom is a prerequisite for happiness and that, given half a chance, the oppressed masses will inevitably rise up and throw off their despised masters, has no such illusions now. He has come to the conclusion that words like "oppressed" and "freedom" have very different meanings in Russia and America.

Has One Advantage
The Russian school system operates under one advantage Americans can hardly comprehend, let alone combat. The Russian student, from first grade through the university, is taught The Truth.

Our entire American educational system is, on the other hand, based on The Search for the Truth.
Through its schools, Russia has created an entire generation which believes implicitly in the inevitable triumph of

Thug Terrorizes Matron

(Continued from Page 1)
Backus phoned police to report the incident.

Four Shores police cars were dispatched to the Backus residence, but the intruder, who discovered the maid gone, fled from the house on foot.

Chief Duemling said that several minutes had lapsed between the time the maid and Mrs. Backus were able to call and police arrival which gave the thug time to escape.

The chief said the Woods and Farms Police Departments were asked for assistance, and scout cars from these stations scoured the area without success. It is possible that the gunman had enough time to get away on foot, or perhaps hitched a ride from an unsuspecting passing motorist, or was lucky enough to get a bus.

On the chance that the intruder was hiding in the house, Chief Duemling, Sgt. Charles Wenrich and Patrolmen James Jurcak and Stanley Otulakowski, guns drawn, made a thorough search of the mansion. The search took more than 20 minutes.

Chief Duemling said that the thug did not take anything from the residence, nor did he make known what he was seeking, although Mrs. Backus had asked

him what he wanted.
A cab driver for the Veterans Cab company, was found, at a cab stand, who had driven the intruder to the Shores home.
The driver, Robert Pierpont of 1164 Lakeview, Detroit, told police that the man engaged his cab at the Park-Detroit city limits, and directed him to the Lake Shore address.

Chief Duemling said that Pierpont stated that his fare appeared to know what he was doing, showed extreme nervousness, clutching a brown leather briefcase.
The gunman also seemed very nervous while talking to Miss Stepzynski, opening and closing the briefcase and peering in constantly, the chief said.
The thug was described as being between 45 and 50 years old, about six feet tall, fairly light blue eyes, narrow complexion, slim build and neatly dressed. He was wearing a brown Fedora hat and a brown gabardine coat.

The man told Miss Stepzynski that his name was "Joe Gordon," Chief Duemling said.

(Continued from Page 1)
The other man entered the store at this time, the victims said.

Locked Front Door
After forcing Randazzo and Rosello to the rear, both bandits went to the front of the store, locked the door and turned off the main light. They then took the money and fled.

When the robbers left the store, Randazzo and Rosello came out of the back room and went to the front of the store to see the thieves escape in a 1955 or 1956 model car.

The owner and clerk told police that one of the men had been in the store earlier, about 8 p.m., to purchase a package of cigarettes. Both bandits had a week's growth of beard, and looked as though they had been hunting. The man with the gun was called Paul by his companion, the holdup victims said.

Give Full Description
The gunman was described as being about six feet tall, about 200 pounds, black hair, between 24 and 25 years old, wearing a dark jacket, and gray sweat shirt with a hood, worn under the jacket.

The second man is about five feet nine inches tall, about 155 pounds, black hair, between 24 and 25 years old, wearing a light jacket and light straw hat.

WINDOWS SMASHED
Leo Tobin, of 639 Westchester, complained to Park police on Friday, November 17, that an unknown person shot glass

agates through two thermopane windows of his house, apparently with a sling shot. The windows will cost \$90 each to replace, Tobin said.

A matter of minutes confirmed its fame!

He had heard a great deal about this 1962 Cadillac over the past several months.

And he wondered if any motor car could live up to the compliments that have come the way of this new "car of cars".

Well, he has just spent thirty minutes at the wheel—and the evidence is unmistakable.

Exhibit A: the way it looks. Inside and out, Cadillac styling has an undeniable sense of "rightness" about it. And its colors and fabrics and appointments are all master

touches of elegance and luxury and majesty.

Exhibit B: the way it rides and handles. Boulevard or back trail, this one takes the road with incredible ease. Steering is little more than a gesture . . . and the car's ride is so level and smooth and quiet that it seems almost to float over the highway.

Exhibit C: the way it's built. The car is crafted to the most meticulous standards that can be placed over the manufacture of an automobile—and more than 1400 inspec-

tions now guard the production of every model. Here is quality that can be seen, and felt and sensed.

The verdict, of course, is indisputable. This is the zenith of sixty years of fine-car design and engineering. This is a Cadillac among Cadillacs.

We suggest, however, that you visit your dealer's showroom soon and act as your own jury. He'll be happy to present the case for Cadillac at any time.

Why Chrysler hasn't fooled around with "in-betweens" and "baby brothers"

Delray Beach

If all the baby brothers, junior editions, and in-between sizes of cars you've known and liked for years have you slightly confused and faintly unhappy, we hope you'll take a long, hard look at the cars from Chrysler Corporation.

Although our 1962 models are probably the most truly modern cars on the road, they are designed and engineered with the old-fashioned notion that a Chrysler is a Chrysler, a Dodge is a Dodge, and a Plymouth is a Plymouth.

You'll know where you're at with a 1962 car from Chrysler Corporation, and we think you'll find it a good place to be.

To begin with, there are some things our cars do have in common.

There's no fat or dead weight. Each car has a trim, racy look. They're nimble in traffic, far easier to handle and park. And they do what a lot of automotive engineers thought was impossible. They give you a lot more action on a lot less gas. Acceleration is up as much as 10%; gas mileage, which was already outstanding, is up as much as 7%.

These are the cars that we have to offer:

IMPERIAL

This is the most luxurious car we make, and nobody in the country makes one plusher. Leather hides, for example, are finished by hand. Upholstery is shrink-fitted to seats with live steam. It is truly America's most carefully built car. Prices start at \$4,920*.

CHRYSLER

This is the big car that first made Chrysler engineering famous. This year the Chrysler 300, the car our engineers use to show how much performance can be put into an automobile, is available in a new series priced just above the Chrysler Newport. Previously there was only an expensive limited edition. Chrysler Newport prices start at \$2,964*.

DODGE

Now priced with Ford and Chevrolet, Dodge has always been known for dependability. This year we've added a dash of daring to give you quality without bulk. There's still plenty of head and legroom, but reducing the car to road-hugging live weight gives you more zip in a car that gets more miles out of every gallon. Prices start at \$2,241*.

PLYMOUTH

Priced for the average income, sized for the average garage. Full size in both front and back seats. Powered for performance that almost reconciles a sports car driver to a car big enough for the wife, the kids, and a St. Bernard. Goes farther on a gallon of gas than ever. Prices start at \$2,206*.

LANCER

This is the compact that can cruise along at turnpike speeds without pressing, but it uses regular gasoline sparingly, as a compact car should. Exclusive Torsion-Aire Ride, used in our most expensive cars, gives the Lancer an unusually comfortable ride. Prices start at \$1,951*.

VALIANT

This is the compact frequently mistaken for an expensive foreign make, although it's priced like a compact. With its advanced Slant-Six Engine, it combines the economy of a compact with passing power you expect to find only in larger engines. Prices start at \$1,930*.

Six cars, no confusion. Each designed to offer you something extra in its price class. Before you decide on your next new car, drive one of these.

*Manufacturer's Suggested Retail Price, exclusive of destination charge.

Police Tag Two In Farms Crash

A cab driver and a woman motorist were ticketed by Farms police on Monday, November 13, when their vehicles collided at Mack and Moross. Charged with not having their cars under control and causing an accident were Bernard R. Smith, 33, of 21750 Roslyn, Harper Woods, and Iona Rose Baisch, 40, of 5090 Buckingham, Detroit. Farms Favors Exemption From Taxes on Shelters

The Farms council approved a resolution on Monday, November 20, asking the Wayne County Board of Supervisors to petition the State Legislature to exempt from real property taxes, civil defense "fallout" shelters.

The resolution was prepared and presented to the council by City Attorney George McKean, and was patterned after that adopted by Livonia city officials who have been spearheading the tax exemption drive in the county.

It was pointed out that the resolution was needed to make recommendations of City Engineer Murray M. Smith, pertaining to the construction of "fallout" shelters, the policy of the city.

On November 6, the council met in the Municipal Building as a Committee-of-the-Whole, and approved the following recommendations from the city engineer:

1. Permits should be required for the building of all "fallout" shelters in the city, and the permits will be issued, based on the fact that the shelters will be built in accordance with the design of shelters shown in Civil Defense Manual MP-15.
 2. Permits may be issued either to home owners, residents, or contractors. In cases where shelters are to be built by contractors, they shall be required to show a builder's license issued by the Securities Commission.
 3. Permits will be issued on all "fallout" shelters shown in the Civil Defense Manual MP-15, and all shelters shall be required to conform exactly to the plans and dimensions shown in the manual, without any variations.
 4. Plans will be required for all shelters which are different from the ones shown in the manual, and will be approved, provided they are equal to, or better than those in the manual.
- William T. Krieghoff of 264 Kenwood court, building contractor, who attended the council meeting, was asked for an opinion regarding the shelters

St. Ambrose Cavaliers Win City Championship

St. Ambrose Cavaliers, the Catholic League Champions, whipped the Pershing Doughboys, 20-0, Friday night, November 17 in the City Championship Goodfellow game at Tiger Stadium before a crowd of 37,157 football enthusiasts.

The fans saw the Cavaliers turn opportunists for three first-half touchdowns, in one of the quickest games in the 24-year history of the Goodfellow classics.

They watched Tom Beer, 196-pound defensive specialist, rip through the Pershing defense with two big plays that broke the Doughboys' back in the second quarter.

Kuess Grabs Fumble
Pershing's Dick Smith fumbled a pitchout on the second play from scrimmage and St. Ambrose end Charles Kuess recovered on the Doughboy 25-yard line. Six plays later, full-back Ray Malcoun slammed over center from the Doughboy six-yard line for a Cavalier score.

St. Ambrose fumbled on an attempted run for the extra point—one of the few mistakes it made all night.

At the outset of the second quarter, Pershing made its bid, but it was here Beer made the clincher.

The Doughboys' Dale Apple had recovered a fumble on the St. Ambrose 22, but on the Doughboys' second play, Beer grabbed off a jump pass by George Richardson to kill the threat.

St. Ambrose yielded the ball again, but Beer was there to harass Richardson again.

Steals Ball for Score
Richardson took the ball from center, and was looking for running room, when the ball was ripped from his grasp by Beer at the line of scrimmage. Beer sprinted 46 yards for the touchdown.

Ron Alber passed to Mike Goff for the extra point to make it 13-0.

On the second play after the kickoff, Richardson fumbled again. The ball was recovered by Kuess on the Pershing 32. It took St. Ambrose four plays to score.

Pete Genord rambled 16 yards to the four, from where Albers barreled into the end zone on a quarterback sneak. Mike Goethem ran the extra point to end the scoring.

Show Stout Defense
Thereafter, Tom Boisture's Cavaliers, completing their first perfect season in history, thwart their stout defense to ward Pershing at every turn, giving the Doughboys an evening of complete frustration.

The Doughboys saw two other scoring chances stymied by fumbles.

Bob Engel's 29-yard run gave Pershing a first down on the St. Ambrose eight early in the third quarter, but Richardson fumbled on fourth down and Jack Cairo recovered for the Cavaliers.

Again at the start of the quarter, Pershing moved to the St. Ambrose 25 where Beer hopped on Duane Smith's bobble.

Pass interceptions halted St. Ambrose's three drives in the second quarter.

The Cavaliers had the ball on Pershing's seven with time running out, when Ted Sizemore intercepted Alber's pass in the end zone.

Pershing's defeat left the City League with a 12-10 edge in Goodfellow play.

The Cruising Club of Detroit will hold its annual fall meeting on Wednesday, November 29, at 8 p.m., at Bayview Yacht Club. An invitation is extended to the ladies again this year to accompany the men to the meeting.

Season standings will be announced, trophies and awards presented. In several of the classes the finishes were so close that the committee had to carry the results out to the fourth decimal place to determine the winners.

Following the presentations there will be a full color movie of the seventh and final 18-month cruise of Irving Johnson's famous sailing ship "Yankee." It will be by Victor Nelson a 1956 graduate of the University of Michigan who hails from Royal Oak. He served as cook on this voyage.

The Grosse Pointe Ski Club has announced plans to sponsor two of the country's outstanding ski cinematographers during the season. On Monday, December 11, Hans Gmosher will give two showings, at 7 and 8:45, of his latest ski movie, "Deep Powder and Sleep Rock." These will be the only showings of this movie in the Detroit area.

In January Jim Farnsworth will present his latest ski movie.

Gmosher has long been a favorite of many local skiers who knew him as an instructor at Otsego Ski Club and also as an Alpine Guide who took groups including several Grosse Pointers on his famous trips to the Canadian Rockies to ski in the spring.

Tickets may be purchased in advance at the War Memorial office or from members of the Ski Club. Tickets purchased at the door if available will be slightly higher.

TWO WINDOWS SMASHED

Radio Personalities Win Golf Trophies

Two of radio's early-morning personalities recently won golf awards at Lakepointe Country Club for winding up the season in first and second place.

Newsman John Schubeck and "Music Hall" host, J. P. McCarthy, were the recipients of these honors. Schubeck is now club champion while McCarthy is second flight champion. They received their trophies at a special "Trophy Night" dinner. Both were former Lakepointe caddies.

John resides at 1064 Somerset road, Grosse Pointe Park, and Joe lives in St. Clair Shores.

Takes 3 Years To Catch Him

Lawrence Sefton, 34, of 10950 Longview, Detroit, discovered on Tuesday, November 14, that the law can patiently wait to catch up with disappearing wrong-doers.

Back in November 1958, Sefton was sticketed by Park police for ignoring a red signal light. He failed to pay a fine, or to make an appearance in court. A warrant was issued for his arrest.

On March 4, 1959, Park authorities received a complaint from a local businessman of a no account check, in the amount of \$10, cashed in his store. It was signed by Sefton. A warrant was signed for Sefton's arrest on a charge of uttering and publishing.

Sefton disappeared, and police could not find him, that is, until he went to a Detroit police precinct station to renew his driver's license, on Thursday, November 9. His application was sent to Lansing.

The Secretary of State's Office teletyped Detroit police that Sefton cannot get another license until he pays his debt for the light violation. Detroit police arrested Sefton and notified Park authorities that they were holding the man on the basis of the Park warrant.

Park Det. Lt. Stanley Enders thought the name sounded familiar, and checked the files and found that the warrant for uttering and publishing was still out standing against Sefton.

Sefton was picked up and taken to the Park station where he paid \$7.50 for the traffic violation, and reimbursed the local merchant who promised to drop the phony check charge if Sefton made good the check for \$10.

Damage Heavy In Garage Fire

Fire damaged boating and fishing equipment and a station wagon in a garage owned by John Landino of 1013 Nottingham. The blaze occurred on Tuesday, November 7. Park Fire Chief George de-Caussin said that the fire was started by a shorted wire in a heat regulating thermostat in the garage. A heating unit was installed to keep Landino's pet Beagle hound warm during cold weather. The fire destroyed the garage, dog kennel, boating and fishing gear stored in the garage loft, and caused considerable damage to Landino's 1959 Mercury station wagon, the chief said. The chief said that shortly before the fire the Beagle became nervous and Landino took the animal into the house so that its whining and barking would not disturb the neighborhood. At 5:28 a.m., an alarm was turned in by a woman living in Beaconsfield avenue, who stated that her garage appeared to be ablaze. Park firefighters went to the Beaconsfield address, but discovered the fire was across the alley, and ran fire hoses through the woman's property to save time. The fire was extinguished within 10 minutes, Chief de-Caussin said.

Zoar Society To Hold Sale

Members of the Zoar Society have been busily at work preparing for the Annual Christmas Sale and Supper to be held on Saturday, December 2, from 5 to 7 p.m. at the Evangelical Home for Children and Aged, 6700 West Outer drive. The Christmas Booth section will feature many lovely gift items made and collected by the members. All proceeds from the sale and the traditional Supper to be served, are for the aid and support of the Home. Assisting the chairman, Mrs. Herbert C. Path, on various committees for this event are the following members from this area: Mrs. William F. Ludwig, Mrs. Franz Georai, Mrs. W. Martin and Mrs. J. Ross Bush.

To Demonstrate Rapid Reading

Residents of Grosse Pointe will have the opportunity of enjoying a free demonstration of reading dynamics developed by Evelyn Wood at the Grosse Pointe War Memorial Center the evening of Wednesday, December 6, at 8 o'clock. This revolutionary system of rapid reading permits people to increase their reading rate four to ten times. The program will consist of an explanation of the reading method couched in layman's

terms. A film strip used on the Huntley-Brinkley TV show illustrating an actual classroom situation in Washington, D.C. will be shown.

The highlight of the evening will be a live demonstration in which students who have completed the course will read for three minutes from sealed new books provided by the Grosse Pointe Public Library and will review for the audience what they have read at the rate of approximately two to four thousand words per minute to indicate their comprehension.

Following the demonstration, the audience will have ample time to ask questions about the method. This is the system which has helped many of our Congressmen and Senators in Washington read and digest the volumes of material which daily cross their desks.

The reading dynamics system has been introduced with great success in educational institutions across the country and will be presented in course form

at the War Memorial beginning the first of the year.

Detroit likes action... and Buick's got it!

Lion with a kitten's appetite... Here is one lion that never calls for "seconds"—the Buick Special with Fireball Aluminum V8 engine. It subsists on the daintiest helping of regular gas. (Topped its class in the 1961 Mobilgas Economy Run.) But the performance is another story altogether. Call for action and you'll get it—and fast! How can this V8 that's so stingy on gas shoot the works on performance? The answer: lightweight aluminum that cuts down on gas consumption by cutting down on weight—not performance. Why not investigate?

More Than Thanks Needed

It would not be overly stupid to wager that there are more Americans counting calories than blessings at this time of our annual observance of one of the nation's chief holidays. It is a far cry from the first Thanksgiving celebrated by the Pilgrims in 1621.

That courageous band of 340 years ago offered up thanks to the Almighty for having survived the rigors of their first New England winter, and of having been able, in the warm months following, to produce a harvest that gave promise of getting them through another. Those valiant souls who came to these shores seeking freedom to worship as they chose, were chiefly concerned with the three basic requirements for survival... food, raiment and shelter.

The food to carry on life had to come from the seeds they had brought with them; what they could find springing from the wild land of their new home, and what they could kill to supply meat, fish and fowl. Their raiment, the clothing they had taken on the "Mayflower", was augmented by the skins and furs of the animals they could trap or shoot. Their shelters were the crude cabins they raised with their hands and their simple tools, the barest protection from the elements.

The word shelter has gained a new connotation today. Now we use it mainly to describe a shield from radio-active fallout, or deadly bombs; something into which we could crawl like moles to preserve our existence and postpone contact with eternity.

The more than three centuries which have passed since that first Thanksgiving have wrought myriad changes. They have produced an abundance un-dreamed of in the history of man. The meaning of the basic necessities has been largely lost in the welter of luxuries and conveniences which we have come to accept as necessities.

Let us not forget that these changes are the products of all the strength and characteristics which marked the leaders of the Pilgrim Fathers. Their initiative, courage, religious faith, perseverance and determination to preserve a free enterprise system have been the attributes which have made this country the greatest in the world.

Today there is too much of a tendency to drift away from these tenets which should be ever nurtured and cherished. The lean Puritan who lived in fear that his family might starve, has been replaced in too many instances by those whose chief worry is obesity. Upon fat-fearers has now been heaped the added dread of radiation. A current cartoonist depicts two rotund dowagers standing before a buffet table groaning under an immense assortment of food. One says: "Dieting is now twice as hard. In addition to counting calories we have to count radiation."

On this Thanksgiving let's resolve to banish a lot of the practices that have made us soft and plump and lazy, and prime targets to be knocked off the pedestals erected by our much stronger forebears. Let us seriously count our blessings, then follow up by charting and sticking to a course that will guarantee our arrival at the destination upon which they so nobly set their sights.

Tour California With Humorist

"Touring California," a laugh-packed color film, will be shown by Stan Midgley for the Grosse Pointe Branch of the World Adventure Series at 7:45 o'clock Wednesday evening, November 29, at Parcels Junior High School, 8 Mile and Mack.

The hilarious bicycling humorist films such tourist highlights as Los Angeles, Hollywood, San Francisco, La Jolla, Monterey, Palm Springs, Carmel, and Lake Tahoe. Shown too are the Redwood and other highways, Yosemite, Death Valley, the desert in bloom, Mis-

sions, trout fishing, ghost towns and date groves. Midgley's laugh-a-minute color film is one of a series of travel films personally narrated by the world's top speakers. The series is being sponsored by the Department of Community Services in cooperation with the Grosse Pointe Public School System. For reserved seats for this performance call the World Adventure Series office, TEmple 2-7676. The office is open Tuesdays through Fridays, 1 to 5; Saturdays, 9 to 5; Sundays, 10 to 6.

Thanksgiving, in the year of our Lord 1961, is at hand. In the midst of turkey, cranberry sauce, mince pie, football games, parades and other festivities, we are apt to lose sight of the essential significance of this holiday. Or, on the other hand, we may take a jaundiced view of the idea of giving thanks for anything, in view of world affairs. We seem to have been reduced finally to an elementary point of being thankful just for being alive, what with the atomic age on the verge of reducing us all to nothingness. In this basic sentiment, we are closer to emulating the emotions of our pioneer fathers, who, at this time of year, were thankful for such essential things as a good harvest, a scalp still fastened on the head—in short, for having survived the rigors of life in the new land of America. Neither the Pilgrim Father nor the nuclear age man takes continued calm living for granted. And so the idea of being grateful for existence takes on a new dimension. We find ourselves comparing our lot with that of another powerful nation

To be able to read what we want, and to have the chance, thus, to form independent judgements. And to gain New Knowledge, So that we may Guard our heritage to Increase Vigorous, Inquiring minds, Neither coerced nor pressured. For this we Give thanks.

To Show Travel Pics at Center

The Hubert Goebels will present a new slant on world travel this Wednesday night, November 29, at 8 o'clock, when they show their pictures and relate their experiences traveling from New Zealand to Italy with a Russian family.

It is a presentation of the Center's "Meet the Travellers" Series to which the Grosse Pointe public is cordially invited without charge.

The Goebels left Wellington, New Zealand, as table companions of the Russian Consul and his family and during the long shipboard trip to Genoa effected a mutual insight into the lives and beliefs of each other. The Goebels found their friends terrific competitors in deck games and not boastful of their achievements in space. They learned, however, that in spite of five years residing in New Zealand the children had not been permitted to master English.

The Goebels were able to dispel some of their companions' conceptions of Henry Ford as a capitalistic ogre and assure them that Coca-Cola was not a poisonous drink of decadence. They were glad to enlighten the Russians too on the facts of unemployment compensation.

Besides recounting this interesting experience the Goebels will show beautiful pictures of all they saw... some especially fine shots of native Tahiti, the thermal area of New

About that boulder in your eye

By FRED KOPP, R. Ph.

"Got something in my eye," the customer said. "Feels like a boulder. How about taking it out?" He was hurting and wanted help then and there. The pharmacist remembered hearing about another man whose "something" turned out to be a steel splinter embedded in his eyeball. He advised him to see his physician. Prompt surgery saved his sight. So, we're careful. And if we seem overly cautious sometimes, remember—we're pharmacists, not physicians. We work with doctors, dispensing the drugs and medications they prescribe. But we don't practice medicine.

November 23 reminds us that there are twenty-seven shopping days until Christmas... and that many of the stores on the Hill will be open Monday evenings from now until Christmas. oOo

The elegant trimming... the twinkling lights and decorations that lights up the League Shop means that the pre-Christmas season should be a bang-up affair. oOo

Christmas has its personal gifts that last and last... like these... Foreign Currency guide... travel talks in leather, includes maps, itineraries, etc... electric shavers for him and her... Elizabeth Arden's travel bags... drip dry hangers... all designed for your friend or relative who travels. Find them at Trail Apothecary Shop. oOo

Cinderella Ball Set for Saturday

Glamorous Evening at the Statler-Hilton Will Benefit TB and Health Society; Mrs. James H. Quello Is Ball Chairman

There probably isn't a home in any of the Grosse Pointes that hasn't had its sights set on the Thanksgiving holiday most of the past week.

In most of them visions of turkey and all the trimmings, mince or pumpkin pies, have been dancing in party-minded heads.

But in others there have been visions, too, of "Le Filet de Boeuf Roti, Pommes Duchesse— and maybe a Bombe Glace," all of which could be on the menu come Saturday evening when the tenth Cinderella Ball is staged at the Statler-Hilton Hotel by the Women's Committee of the TB and Health Society.

There will be all the trimmings there, too. For in addition to cocktails which will precede the dinner, there will be a parade of designer fashions, dancing—and Cinderella.

This year's Cinderella is 17-year-old, blond and blue-eyed Beverly Galbraith, daughter of Mr. and Mrs. Clarence Galbraith, 8862 Grandville avenue. She'll make her midnight entrance on the arm of Prince Charming who is Jay Hart, son of Mrs. Herbert W. Hart, president of the Women's Committee, and Mr. Hart.

By now, you can be sure that the question, "what to wear to the ball?" has been answered. And you can be sure, too, that no other plumage will outshine that of the Grosse Pointe recently elected the president of the class of '65 on Lake Forest College campus. Ford was also previously elected president of his freshman dorm, East House. Ford, a 1961 graduate of Grosse Pointe University School, is the son of MR. and MRS. FORD BALLANTYNE, JR., of Touraine road. He is majoring in biology at LFC.

JOHN COOK, junior, and LAWRENCE HUSH, sophomore, attended the Carleton College Conference on Campus Affairs on Saturday, November 18. The conference was organized by the Carleton Student Association for the benefit of Carleton student leaders, and was held at Shattuck Military Academy in Faribault.

Cook, a graduate of Grosse Pointe High School, is the son of MR. and MRS. JOHN COOK, of E. Jefferson avenue. Hush, the son of MR. and MRS. HOWARD H. HUSH, of Allard avenue, was graduated from Col-

lege on Saturday, November 18. The conference was organized by the Carleton Student Association for the benefit of Carleton student leaders, and was held at Shattuck Military Academy in Faribault.

FORD BALLANTYNE was

contingent on Saturday night. Mrs. Hart who is a former Grosse Pointer will be gowned in brocade bittersweet satin.

Ball Chairman Mrs. James H. Quello of Berkshire Road has chosen a Harvey Barron gown, fashioned with a long black satin skirt, heavily beaded and embroidered white chiffon bodice accented with a crimson cummerbund.

Mrs. Clarence K. Johnson, of Lochmoor boulevard, has selected a stunning sheath of gold and black Persian print. Sheathed in sheer black wool, edged around the neckline with rhinestones will be Mrs. Carl Weideman of Windmill Pointe Drive.

Another resident of Windmill Pointe drive, Mrs. Arthur Wrock, will be gowned in pure silk moss green, bouffant of skirt, topped with a bodice of glittering sequins and beads.

Among others from the Grosse Pointes planning to attend the ball are: Mrs. Edmund M. Brady, Mrs. Fred Cody, Mrs. Bert Cremers, Mrs. Fred Hillger, Mrs. Henry de S. Lauve, Mrs. Troy Maschmeyer, Mrs. Clement Penell, Mrs. Arthur R. Pfenningschmidt, Mrs. Carl A. Zimmer, Mrs. Russell Van Houten, Mrs. Edward C. Quinn, Mrs. William Schmidt, Mrs. John A. Tompkins.

To Hold Party For Collegians

Committees from the Grosse Pointe Car Pools of the University of Detroit and Wayne State Universities are organizing and staging a party for all the Grosse Pointe college set and their friends who will be in town for the Thanksgiving Holiday. The party will take place on the night following Thanksgiving, Friday, November 24 from nine to twelve o'clock.

Known as the "Turkey Twist" the dance will feature Al Navarro and his orchestra in person.

At intermission time a local collegiate trio will take over and there will be a Twist contest with entrants competing for the welcome prize of a \$10 Christmas Gift certificate.

Invitation cards have been mailed to recent high, parochial and prep school graduates in Grosse Pointe. The lists, however, were unavoidably incomplete and the committee composed of John Bruce, Joe Bri-

gullo, Pat Currier, Marilyn Klucens, Dick Karpen, Anne Cushman, Bill Broderick, Judy Reno, Lois Carotta, Jackie Smith, Elaine Dogarin and Julie Hamilton wish all collegians in the area to know they are welcome whether they have received a card or not.

The dance is informal and will take place in the main floor of Alger House at 32 Lake Shore. Candlelit tables will provide intimate gathering places and refreshments will be served in the Josephine Gregory room recently restored to its original paneled elegance by Mrs. Russell Alger who gave the mansion to the community as a War Memorial.

Bride-elect Anita Cowling is in the midst of the gay round of parties that precedes her December 15 marriage to Donald McCarty in Grosse Pointe Memorial Church.

And on December 2, bridesmaid Sarah Byrn Evans, her escort Richard J. Rickman, and her parents, the E. J. Evanses, will host a cocktail party and gadget shower in the Evans' home in Trembley road.

And on the day of the wedding Mrs. Lowe's sister, Mrs. L. Gaylord Hulbert, will open her Clairview road home for a brunch for out of town guests and the wedding party.

Yale-Harvard Grads to Meet

Yale and Harvard alumni have completed arrangements for their annual radio broadcast of the Yale-Harvard football game—the country's oldest continuous football contest.

According to Charles Wright III, president of the Yale Alumni Association of Michigan, alumni, wives and guests will meet at the University Club of Detroit at noon on Saturday (November 25) for a pre-game lunch. The broadcast itself will begin at 1:30 p.m.

"We had a highly successful football game broadcast with the Princeton Club last week," Mr. Wright said, "and we look forward to having the same kind of turnout and spirit in the game with Harvard."

He noted that chrysanthemum corsages for the ladies, pennants and official programs would be handed out to lend color to the luncheon.

bride's only attendant in a gown of emerald velvet banded in matching satin at the cummerbund waist and a hat of matching velvet. She carried coral roses and carnations.

Donald Cournoyer, of Arlington, Va., was best man. For her daughter's wedding Mrs. Allard chose a brown brocade suit dress with champagne accessories and a feathered hat. Her flowers were champagne cymbidium orchids.

Following a wedding breakfast the newlyweds left for Chicago. They will make their home in Toledo.

Georgetown U. Grads to Dance

The combined Detroit Chapters of the alumni and alumnae groups of Georgetown University and Georgetown Visitation have set December 2 for a dance at the University Club.

Also on the arrangements committee are Miles M. O'Brien, Jr., Daniel T. King, William Verhelle and Mrs. Francis X. Hillbrand.

The problem today is how to keep up with the Joneses and keep the expenses down.

Experience may be a thorough teacher, but it is a mighty slow way to acquire an education.

Better Literature Board Entertained

Mrs. Achiel Amez entertained the executive board of the Grosse Pointe Council on Better Literature for Youth in her home in Kerby road on Nov. 10.

Mrs. William Bailey, representing the United Church Women of Highland Park, was an honored guest.

The Council, which works toward the promotion of better reading material for youth, as well as discouraging the trend towards unwholesome and objectionable literature, noted that a recent court case resulted in the conviction of Fred Kortryk who was fined heavily and put on two years' probation.

The case which was tried before Judge Paul E. Krause is the first Court test under Michigan's recently amended anti-obscenity statute.

Kortryk who operates a grocery-confectionery store within 1,000 feet of four schools and three churches was found guilty of offering for sale 400 copies of salacious reading material which Judge Krause ruled clearly obscene under Michigan law. A similar case which was tried in Judge John D. Watt's court recently also resulted in a conviction for John Tsoulis.

Mrs. John D. Hoben, a member of the executive board has invited the group to her new home in Grosse Pointe boulevard on December 8 for a Christmas luncheon at which gifts will be exchanged after the business meeting.

Alice Hammond On Race Board

Mrs. John Hammond, formerly of Grosse Pointe, has been elected to the Board of Directors of the All-Woman Transcontinental Air Race, popularly known as the "Powder Puff Derby." Her duties as secretary of the board, including planning and general administration, are backed up by long participation in all phases of aviation. She brings to the board 30 years of experience as a pilot and more than 2600 hours of flying time.

Alice served as Chief of Staff for the Great Lakes Region, Civil Air Patrol, in the rank of Lt. Col. and during World War II, was an instrument flight instructor. She has been president of the Niney-Nines, International Organization of Licensed Women Pilots, and is now a trustee of the Amelia Earhart Memorial Fund.

The Hammonds have been married since 1936 and have three children. In addition to duties as mother and homemaker, Mrs. Hammond has been active in civic affairs. Her work with the Girl Scouts in Grosse Pointe and as a director of the Women's City Club of Detroit, contributed to her being named in 1952 as one of the "Ten Outstanding Women" of Detroit. The Hammond family moved to Meadowbrook, Pa. in March of this year when John Hammond, also a pilot and director of Gen. Aircraft Supply Corp., took over as general agent for his company at Philadelphia Northeast Airport.

The fact that Mrs. Hammond has participated in 8 Powder Puff Derbies, as well as other competitions, will be of great aid in planning the 1962 event. The annual race will take off from Oakland, Calif., on July 7 and will finish in Wilmington, Del. on July 11. It is expected that a large number of entries will be from the state of Michigan.

Trisigmas Raise Funds For Carolina College

Mrs. John W. Nelson of Washington road entertained alumnae of Sigma Sigma Sigma at a luncheon Saturday in her home.

The occasion was the birthday of Miss Suzanne Stinson, patroness, and during the business meeting plans were made to continue raising funds to meet the \$25,000 pledge to the Robbie Page Memorial for the University of Carolina Memorial Hospital at Chapel Hill, North Carolina.

Trisigmas support a children's room, therapy and play programs, and are raising money for an isolation area and remodeling of the present pediatric floor.

Among those present were Mrs. T. E. Eger, Mrs. Harold W. Mohr, Mrs. W. Charles Sauer, Mrs. Jean Steele, Mrs. M. Rumlser, Mrs. Raymond Williams, Mrs. H. C. Kenny and Mrs. Art Pearson.

Austin Mothers Plan Program

Reisman Band Plays at DAC

Variety being the spice of life, as the saying goes, the Detroit Athletic Club gives its members variety in dance and listening music from time to time through a change of orchestras.

So, last Monday, November 20, Leo Reisman, popular band leader who has been at the DAC several times, and his group took over the bandstand.

This past Saturday, November 11, brought the club's floor show to an end with a capacity crowd who danced to the popular Seymour Hoffman music, and enjoyed singer Jan McArt and comedian Rip Taylor.

Among the dinner hosts was Harry R. Fruehauf who entertained at a pre-holiday party for his son and daughter-in-law, the H. Richard Fruehaufs, Jr., and a group of their friends including Dr. and Mrs. Robert Black, the Edward Henkels, Jr., the Richard H. Campbells, the Theodore K. Friedts, and the John Hankinsons of Toledo.

Mr. and Mrs. E. Richard Holtz had as their guests Mr. and Mrs. C. H. Osborne and the Anger Armstrongs; the Lee R. J. Scotts were guests of the Arnold Hartlig of Dearborn, and the William J. Athansons were among the guests of Mr. and Mrs. William E. Biggers.

Nicol-Woita Rites Read at St. James

Reception at Whittier Follows Saturday Ceremony; Bride Wears Sister's Gown of Ivory Italian Silk Appliqued with Alencon Lace and Seed Pearls

In St. James Lutheran Church Saturday Janet Carol Woita, daughter of Mrs. Edwin Woita, of McKinley avenue, and the late Mr. Woita, spoke her marriage vows to Donald Francis Nicol, Jr.

For the rites the bride wore her sister's wedding gown of ivory Italian silk appliqued with Alencon lace and seed pearls. The full belled skirt deepened into a cathedral train.

A pillbox of silk, lace and seed pearls caught her bouffant veil and she carried white Fuji mums and ivy.

Mrs. Ralph Erickson was her sister's matron of honor and the bridesmaids were Mrs. Lawrence Daniel, Ilene Bryant and Beverly Nicol.

They wore palmetto green peau de soie frocks with matching veiled pill boxes and carried pale green Fuji mums.

Ronald Stedman was best man for the bridegroom, who is the son of the senior Nicols, of Beaconsfield road. Ushering were Gerald Lorens, George Jaglovicz and Lawrence Daniel.

For her daughter's wedding and the reception at the Whittier Mrs. Woita wore a green peau de soie sheath. Mrs. Nicol was in a taupe silk twill tunic dress.

Christ Church Holds Seminar

The Rev. Schuyler Clapp, Rector, Trinity Episcopal Church, will explore the subject "The Church and the Community" at the weekly seminar of the Episcopal Churchwomen of Christ Church.

The meeting will be held at 10:45 a.m. Tuesday, November 28, in the Undercroft, following Communion.

Mr. Clapp is particularly well qualified to present the challenging role of the inner city church. Trinity Church is located on Myrtle Street in Detroit and is identified with the poor, the oppressed and the outcasts of the city.

The Rev. George R. Whitney will introduce Mr. Clapp, and will correlate Mr. Clapp's remarks with the material now being covered in Stephen F. Bayne's book on "Christian Living."

The keynote of the 1960-61 Camp Fire Girls program is "She Cares—Do You?" In keeping with this theme, members are learning about the wise use of natural resources.

Center Holding Hawaiian Party

An unusual pre-holiday party is planned at the Grosse Pointe War Memorial for the young single adult Grosse Pointe set the evening of Friday, December 1 at 9 o'clock.

It will be known as "Christmas In Hawaii" and will feature Princess Kawahilani and her native Hawaiian group presenting the graceful and fascinating island dances and lovely beyond-the-reef songs.

Also beautiful color films of Waikiki and the other charms of Hawaii will be shown to bring the islands close to Grosse Pointers not fortunate enough to be able to spend the winter there.

The music of Bill Knicy's state-side orchestra will alternate San Francisco and New York beats with the Hawaiian rhythms for dancing. Special Hawaiian Christmas punch will be served with the refreshments.

Christmas lights will twinkle from palm leaves and under the fringe of grass skirts, and Santa Claus will probably arrive in an outrigger canoe.

It's Aloha Christmas and Happy mink "bikini" to all the young Grosse Pointe bachelors and post-debs who are cordially invited to come and have a ball.

Hunt Club Plans Schooling Show

The first schooling show of the 1961-62 season at the Grosse Pointe Hunt Club is scheduled to start promptly at 10 o'clock this Saturday morning. Fifteen classes are programmed before the last class ends at 4:30 in the afternoon.

New in the competition this year will be a jumping class conducted in accordance with the Olympic competition requirements, (F. E. I. Rules) with time elapsed to count in the scoring. Likewise, a working hunter class for competent juniors and adults will be run over three-foot fences and obstacles.

Entries in the latter class will undoubtedly attract such riders as Carl M. Piltz, Dr. Arthur G. Seski, Mrs. Sterling H. Dockson, and Mrs. Peter B. Spender.

In almost all the classes, points awarded are credited toward challenge trophies presented at the club's annual outdoor show in June. Last June but a point or two separated the blue ribbon winners from those pinned with the second place red streamer, indicating the keenest of competition.

The prospects of repeat close races are far from remote for

CHRISTMAS STREET in THE Village!

Opens Friday at 4 p.m.—Santa will be on hand

Once again Christmas creates an aura of enchantment and joy, as we see the Village's KERCHEVAL AVENUE transformed, as if by magic, into a winter wonderland scene... highlighted by those very special symbols of the Yuletide season.

Christmas Street (Kercheval Avenue in The Village) officially opens at four o'clock Friday afternoon, November 24 with an assist from Santa who will arrive at the same hour.

Above is the fantasy drawing of Christmas Street which the Grosse Pointe News first published early in December of 1957. It was drawn by Detroit's artist Rachel. It shows the Pointe's great shopping area.

It is said that there's more hand-picked merchandise to be found here than anywhere west of New York. The Merchants know their Pointers and select only the textures and colors which are certain to please them, without materially adding to the cost.

From Neff to Cadieux, Kercheval becomes the Street of Joyous Yuletide!

Wins Award

For the eighth consecutive year, the Charles Verheyden Funeral Home has been awarded first place by the Grosse Pointe and Eastern Michigan Horticulture Society for having the most beautiful grounds. The Automobile Club won second position.

Ben Nankerris, the society's president, made the presentation to Mr. Verheyden at Amaranth Hall on Saturday evening before an attendance of 500 members.

Duck Decision

(Continued from Page 1) ter, property that one man would not consider, another would be anxious to buy.

Boutin Challenged
Mr. Levin also questioned Councilman Marvin R. Boutin's eligibility to sit in judgment on the matter at hand, as he rents offices from the Grosse Pointe Clinic Corp.

Boutin answered that he had prepared a statement for the members of the Council, and would be happy to let Levin read it. Levin replied that he did not care to read it, but desired to call Boutin as a witness to answer his (Levin's) charges.

City Attorney Julius Berns ruled that no member of the Council may be called as a witness, stating that he recognized Levin's strategy: if Boutin, or any member of the Council testifies as a witness, he is legally disqualified from voting on the matter on which he testifies.

Mr. Cirinesi produced evidence from FHA that the lot adjacent to the proposed parking lot would not receive approval for an FHA loan and that the property opposite to the parking lot would also be affected.

Wants List Read
Mr. Levin called Mrs. Cirinesi to testify, asking her to read a list of all the children living in the area of the proposed parking lot. Mrs. Cirinesi was asked to give the list to the Council members and let them read it for themselves, thus saving time. Mr. Levin objected, saying that Mrs. Cirinesi had written the list in longhand, that it was only scratch marks, which the Council would probably not be able to read.

"We haven't even seen the scratch marks," Mr. Berns stated, adding that he thought the Council could read.

After due deliberation, Mrs. Cirinesi was allowed to read the scratch marks, which were then turned over to the Council.

Close Public Hearing
Since it was now well past 11 p.m., the Council voted, because of the lateness of the hour, to close the public hearing on the petition as far as proofs were concerned, subject to a written statement on reasons why Boutin should be disqualified to act as a member of the Board of Appeals in this case, such a statement to be provided by Levin, and also subject to the closing arguments of the attorneys for the respective sides, which arguments would be heard and a decision arrived at on Tuesday, December 12, at 7:30 p.m.

The closing arguments are expected to take several hours.

Two Church Youth Clubs Conduct Joint Retreat

By Allen Crow
Last week-end the Tuxis Club and its Birmingham counterpart, the Focus Club, met at conference camp near Lapeer, Michigan.

There were about 90 students and eight advisors from the two church clubs.
Don Owens, president of Tuxis, felt that there were several advantages in having a joint retreat. "For one thing, students can better understand their problems by comparing them with those of other students, especially students of another community."

Discussion groups of eight or nine students and an advisor tried to apply the twelfth chapter of Romans to everyday problems — dating and family life, studies and time, money and vocations.

One group brought up the possibility that parents hand out a lot of unnecessary money to appease their sons and daughters. Other groups considered the Christian applications of various occupations, a jingle writer for Dial soap, for example. It was generally agreed that the main factor in choosing a job should not be the money it pays but rather the opportunity to use one's abilities to advance God's work, directly or indirectly.

In connection with the theme of the retreat, "The Christian Style of Life," the dominant question was, according to Mr. Lyman Stookey, minister at Grosse Pointe Memorial Church, "What does it mean to believe in a God who loves and forgives, rather than one who stands outside and judges?" One conclusion was that, by being forgiven, we ourselves can love and forgive.

Right after dinner Friday night, the life of the World War II German martyr, Dietrich Bonhoeffer, was presented as an example of one who lived according to Romans 12:2. He was not only not conformed to the world, but was transformed by

the renewing of his mind against Nazi oppression.

In a Communion service which followed this, the members of Tuxis and Focus offered their lives to God.

On Saturday night, Grosse Pointe introduced Birmingham to its traditional retreat recreation, Capture the Flag. Birmingham returned the favor by putting on a dance in the main lodge. When this type of fellowship is placed in its proper perspective, Don Owens feels, it is a great asset to a retreat.

The Sunday worship service was led by students from the two clubs.

This was the second joint retreat in which Tuxis has participated. The first was held last December at the Memorial Church. Students from Birmingham and Ann Arbor stayed at Grosse Pointe homes during that week-end conference.

Richard P.T.A. Meets Nov. 30

The next meeting of the Richard P.T.A. is scheduled for Thursday evening, November 30, at 8 o'clock. Three speakers will discuss "The Nature of Testing in the Grosse Pointe Public School System and Its Uses."

The speakers are Dr. Leroy Selmer, Assistant Superintendent of Instruction, for the Grosse Pointe Schools, Miss Doris Forsythe, Psychologist, and Raymond Kosiba, the Assistant Psychologist, for the Grosse Pointe Public School system.

Following their talks a film strip entitled, "Your Child's Intelligence," will be shown. There will be a question and answer time after the film.

Grosse Pointe residents are cordially invited to attend along with parents of Richard students. Richard School is located in McKinley avenue between Kercheval and Ridge road.

To Honor Hedke At Rotary Party

One thousand Rotarians from Michigan and Ontario will attend a special program and banquet honoring Richard C. Hedke in Cobo Hall Sunday, November 26, at 4:30 p.m.

Mr. Hedke who retired six years ago as executive vice-president of Eaton Chemical Co., lives in Trenton. He joined the Detroit Rotary Club in 1920, was president in 1926 and became president of far-flung Rotary International in 1946.

Among his many other activities are years of service with the Salvation Army, Tuberculosis Society, Civic Light Opera Association, Boy Scouts and 24 years a member of the Trenton Board of Education.

During his term as president of RI, Mr. Hedke traveled around the world in seeking the "advancement of international understanding, good will and peace through a world fellowship of business and professional men united in the ideal of service." That is the fourth object of Rotary.

Joseph A. Abey of Reading, Pa., president of Rotary International, will be the principal speaker at the 6:30 dinner. Leo C. Beebe of Dearborn, governor of District 640, which includes Detroit and its suburbs, will be toastmaster.

Among the guests listed are Nitish Lahary of Calcutta, India, slated to be 1962-63 RI president, members of the Detroit Consular Corps, and foreign students representing nations visited by Mr. Hedke during his presidency.

Several surprise features have been planned for the pre-dinner program by a committee headed by Edwin O. George of the host Detroit Rotary Club, and Chet Matheson of Garden City. John N. Bockstanz is president of the host club. Scores of Rotary clubs will be represented at the Hedke party.

The fellow who recognizes an opportunity when he sees it is well along on the road to success.

Farms Officials Discuss Remodeling of City Hall

At a recent Committee-of-the-Whole meeting of the Farms council, plans for a proposed remodeling of the present Municipal Building were discussed and approved. One councilman voiced an objection to the plans.

The committee decided that additional building facilities were deemed necessary; that additional facilities be provided on the present site of the city hall, and that the cost be held as closely as possible to \$150,000.

The vote was 4-1 favoring the addition. Favoring the remodeling were Mayor William Connolly, and Councilmen William Butler, Ledyard Mitchell and Edward Roney. Opposed was Councilman William Kirby. Absent were Councilmen Henry Bodman II and Thomas Bishop.

Kirby, in a written statement that was made a part of the official records, stated among other things that to enlarge the city hall on its present site and expand into the old Kerby School front yard (adjacent to the municipal hall) was highly impractical and undesirable.

If the city acquired the school property, he said he would not oppose because then

the Farms can relocate and build a suitable structure. Otherwise an addition to the city hall in the school front yard would place the city in a position where it would be "forever tied to a 50-year-old structure" with no architectural value, promulgating a 'hodge-podge' of structures whose only function would be to provide the necessary square feet.

He favors abandoning the present city hall and constructing a new building on city-owned property at Kerby and Chalfonte, "one that the citizens can be proud of, that can be built for practically the same cost as remodeling and adding to the present building."

Camera Club Meets Nov. 28

The Grosse Pointe Camera Club will hold a meeting on November 28 at 8 p.m. at the Neighborhood Club, 17145 Waterloo, which is open to the public.

The speaker, Maurice Michaud of Columbiana, O., will present a program "The Mountains of Switzerland."

Mr. Michaud has been a member of the Photographic Society of America for the past eight years, but he has been a photographer for many years before that.

He and his wife have traveled extensively and have a photographic record of their travels, both in monochrome and color slides. He was on the fateful trip of the Andrea Doria several years ago, and can tell vivid stories of that experience.

His current slide show is one that he prepared at the request of the PSA and the Grosse Pointe Camera Club is privileged to be among the first clubs where he has presented his show.

In addition to showing his pictures, he will discuss some of the techniques of putting together such a travelog.

A social hour will follow the program.

Pointer New Owner Of Bahama Hotel

A favorite rendezvous of Detroit winter vacationists, the Bahama Hotel, located on the ocean at Fort Lauderdale, Fla. (in the middle of the famous "Gold Coast") has recently been acquired by Grosse Pointer Paul F. Ternes, who is in the process of completing the refurbishing of the hotel for the coming season.

The Bahama Hotel, famous for its weekly get-togethers, cocktail parties, champagne shuffleboard tournaments, fishing and golfing outings, splash parties, and nightclub tours and other facilities will continue to set a tempo for guests as busy or as leisurely as desired.

It is a mecca for Grosse Pointers who gather in Fort Lauderdale for their winter vacations.

Catholic Study Club To Have Yule Program

The Catholic Study Club of Detroit will hold an open meeting, its fifth meeting of the season, at 120 Parsons street, Detroit, on Monday, December 4, to celebrate the Club's "Membership Day."

Chairman of the Fine Arts Department Mrs. Frederick Cooper will present Eleanor Di Giulio, who opens the program at 10:30 a.m. with a number of recitations. Following a Christmas program, there will be a tea and social hour at 3:30 in the English Lounge.

Thanksgiving Service At Scientist Church

A special service on Thanksgiving Day has been announced by First Church of Christ, Scientist, Grosse Pointe Farms.

Local members have invited the public to attend this Thanksgiving service which will be held in Kerby School, 285 Kerby road on Thursday, November 23, at 10:30 a.m. No collection of any kind is taken at this service.

Keynoting the Lesson-Sermon for the day on the subject of "Thanksgiving" is the Golden Text from Psalm 107: "Oh that men would praise the Lord for his goodness, and for his wonderful works to the children of men! And let them sacrifice the sacrifices of thanksgiving, and declare his works with rejoicing."

A correlative citation from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (p. 571): "At all times and under all circumstances, overcome evil with good."

When the POINTE was growing up...

By Pat Talbot

European titles were greatly prized by American heiresses at the turn of the century and Pointe girls were leaders in the parade to the continent.

The first Detroit wedding involving a nobleman happened in 1858 when Gen. and Mrs. Lewis Cass' daughter, Isabelle, became the bride of Baron van Limbourg, of the Netherlands.

On August 23, the couple spoke their vows and the Detroit Free Press records: "The bride was attired in an ashes of roses silk traveling dress with mantilla to match and a Mazarin blue French hat of the latest style."

When Anne Lothrop, daughter of George Van Ness Lothrop, minister to Russia, was married in St. Paul's Cathedral downtown the ceremony was surrounded by the glamour of the Czar's court.

While Mary Trowbridge Wilkins, daughter of Col. and Mrs. William D. Wilkins was traveling in Italy she met the young German Count Conrad von Zeppelin.

Martha Palms had a more difficult time when she fell in love with a French nobleman. Her father, Francis F. Palms, sent frantic telegrams from Detroit forbidding the unions because he had a horror of foreign marriages.

A magnificent reception in the East Jefferson avenue home of the Franklin H. Walkers in the early 90's marked the wedding of their daughter, Ella, to Count Manfred Matuschka, of Silesia, Germany.

who, where and whatnot by whoozit

When Lillian Goodwyn asked her second grade class at Richard School to write a short paragraph on the origins of Thanksgiving she didn't expect quite what David Loveland wrote: "No Buddy Knows" was his statement about the beginning of today's holiday.

"I get channel 56 with it," Mrs. Hamilton F. Kotcher claims about the small fabric covered wire spiral atop her honey colored wool pillow hat.

Mrs. Joseph Perry is feeling very guilty although very grateful for the brocaded silver bag, the silver earrings and bracelet the Watson I. Fords brought her from their recent trip to the Near East.

On a rush trip to the market last week was Mrs. Robert Swanson. She was buying five TV dinners for her daughter, Ann, and a quartet of her junior high friends.

Mrs. Charles Killins was a smash hit in "The Pleasure of His Company" which Fine Arts produced last weekend. She played the Cornelia Otis Skinner role and looked very dashing in the first act in an orange brocaded Chinese overbloused cocktail frock.

PILFERINGS

A cab driver taking a customer to the airport grew heated as he talked about unions and the pressures to join. When his rider tried to shift the conversation to another subject, the Berlin crisis, he exclaimed, "Just who does that Khrushchev think he is anyway? Hoffa?"

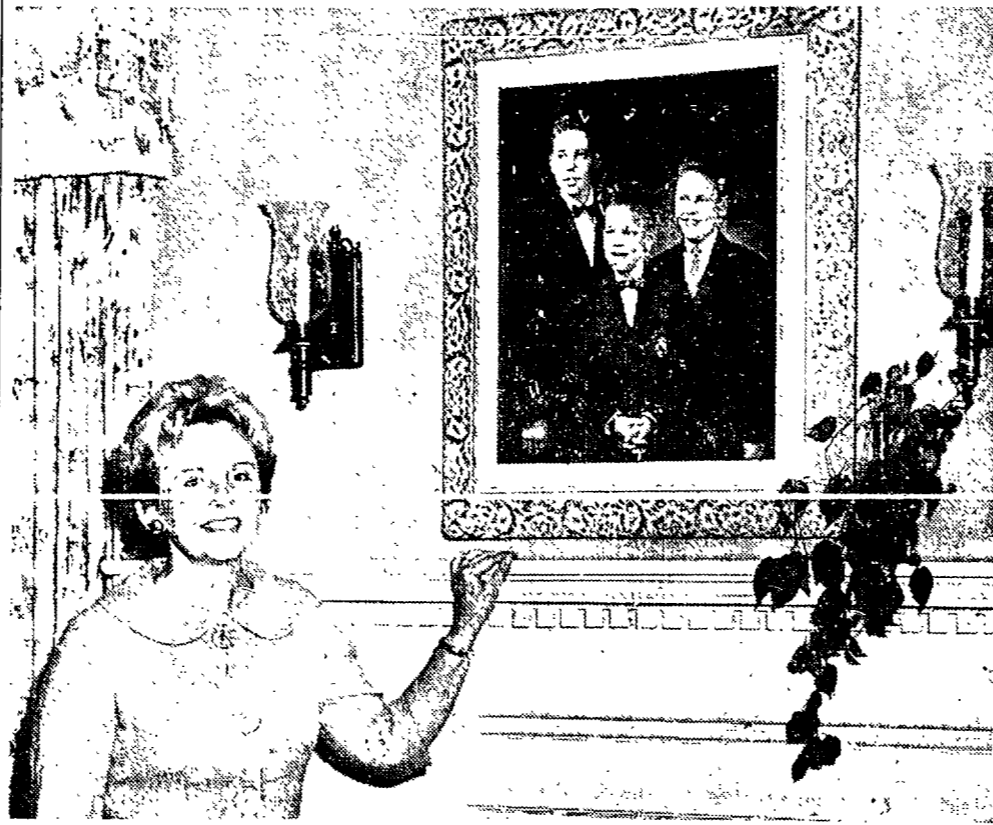

The Golden Rule is of no use whatever unless you realize it's your move.

A closed mind is an enigma indeed. Nothing ever goes in, but odd things are forever coming out.

MRS. WARREN L. TRAFTON, OF WESTCHESTER ROAD

By Patricia Talbot

When Mrs. Warren L. Trafton was growing up in a small Illinois town as the eldest in a family of 10 children she quickly learned to be resourceful.

Several winters ago the Traftons failed to take their usual sun seeking vacation and Mrs. T. decided she must be tan at all costs. So she invented Tin Tan, a six foot folding metal-plastic box in which the summer may keep toasted and brown even though the weather is chilly.

Built A Tree House

Blond, energetic Mrs. Trafton, who claims "time is my biggest enemy" has always had an inventive turn of mind, probably dating from her days as the oldest of the clan.

After the tree house she decided she had the experience to tackle a swimming pool. She found rubberized canvas at an Army surplus store.

St. Paul Juniors Plan Hag Dance

The Junior Class of St. Paul's school will hold its annual event, the hag dance, on Friday, November 24.

The dance itself will be a complete surprise! Decorations are being kept secret so that no one will know what they are until they attend the dance that night.

Margaret Dwaithy heads the decoration committee, assisted by Pat Kelly, Anita Bendel, Rita Gapsky and Carole Mason.

posts to stretch around the canvas for the pool which held 900 gallons of water and was a huge success.

Always Working

Mrs. Trafton, who has an unusual first name, Parolee, which she believes her parents made up, remembers her own childhood with pleasure.

Pointer to Conduct Mexican Yule Tour

Mrs. Harry (Jo) Short of 1139 Harvard road, is developing a new horizon in travel and will direct an exciting tour to Mexico for the holidays.

Her program includes group participation in all the exotic customs of Christmas and New Year's in this foreign land.

Mrs. Short, who has successfully conducted tours to Hawaii in the past, is actively affiliated with Hiland Tours, Inc., 14131 Woodward (TO 6-3000), as tour director for many programs this coming year.

Remember...!

For highest quality workmanship plus color schemes. PR 1-1148

After high school Mrs. Trafton traveled to Boston to enroll in the Boston Conservatory of Music, but for the summer months she took a job in a business office.

Extremely talented at decorations, she can sew curtains and slipcovers, donated her services to the recent Memorial Church Fair as Christmas Decorations chairman.

She is practical too. She repaired her washing machine one day because she was angry at the service man and handled a greasy wrench when she helped the boys make a motorized car.

Mrs. Trafton will not be content with her one successful business venture. Her inventive mind, which for many years, was busy devising schemes for Boy Scouts, is always on the alert for a new idea or product.
