A KATANGA cease-fire appeal was rejected Wednesday by the United Nations, indicating that the UN may be on the verge of an all-out offensive against the sessionist Congo province. The British cease-fire proposal, which stated that the UN has no right to force a political settlement on Katanga, urged the use of "negotiation and conciliation" in place of force. U Thant, acting UN Secretary General, rejected the appeal on the ground that no interest in a cease-fire has yet been shown by Katangese authorities, but promised to discuss the idea further with his 19-nation Congo Advisory Committee. Both UN and Katangese troops appear to be strengthening their forces in Elisabethville, possible prelude to an all-out UN offensive action.

FORMER PRESIDENT Dwight D. Eisenhower spoke Wednesday before delegates to Michigan's Constitutional Convention. He discussed civil rights, legislative apportionment, Federal-state relations, elected officials' length of terms, and the desirability of limiting the number of terms for governors, congressmen and the President. Eisenhower advised the 144 Michigan delegates to take the lead in a movement to restore states' rights. "The responsibilities best exercised by the people of a state can be returned to them in all 50 states. And Michigan can lead the way," the former President said, urging the return of the power and authority of the state government to its traditional place in the Federal system.

GRANDMA MOSES, one of America's foremost painters, died quietly Wednesday in Hooisick Falls, N.Y. She was 101. Over 70 when she began her artistic career, Grandma Moses painted the rural landscape of upper New York state, peopling it with figures from her childhood and young girlhood. She saw the price of her primitives rise from \$3 to \$5 apiece to over \$4,000.

A UNION PACIFIC Streamliner, traveling 81 miles per hour, slammed into a school bus at a country crossing near Greeley, Colo., Thursday. Twenty school children were killed and thirteen injured, three critically, in the worst traffic accident in Colorado history. The passenger train was two hours behind schedule when it struck the bus, hurling children across the snowy, frozen landscape and turning the rear of the bus into a nightmare tangle of flesh and metal.

After treatment for shock, the bus driver was questioned by sheriff's officers and released. The train's engineer, Herbert Sommers, 64, of Denver, told a hearing he was certain the bus did not stop, although it slowed down as it approached the crossing.

THE UNITED STATES government plans to spend 700 million dollars on a Civil Defense program, which would include Federal aid for fallout shelter construction in schools, hospitals, and other buildings across the nation. Thursday's announcement proposed that between 400 and 500 million dollars of the total be used to construct shelters providing protection for approximately 20 million persons on a community basis. The 700-million-dollar civil-defense budget, which President Kennedy will submit to Congress next month, is more than triple the present 200-million budget.

KATANGA PRESIDENT Moise Tshombe has sent a personal message to President Kennedy, appealing for United States mediation to end fighting in the sessionist Congo province. Kennedy acted Thursday.

Police Win Close Race With Stork

Woods Officers Rush St. Clair Shores Woman to Bon Secours from Municipal Building

Woods police raced the stork to Bon Secours Hospital on Friday, December 15, and beat him by a bare few minutes. Police Sgt. Roland Symons and Patrolman Robert Setechell were dispatched to the Woods City Hall, 20025 Mack avenue, when a call was received at the police station that someone was parked in front of the municipal building and was in apparent distress.

The officers found Mrs. George Mantho of 22930 Avalon, St. Clair Shores, in a station wagon of a friend, about ready to give birth. The policemen gently removed Mrs. Mantho from the station wagon to their scout car, and then with siren screaming and dome light flashing, they raced to the hospital. Within minutes after arrival, Mrs. Mantho gave birth to a seven-pound baby boy.

PAPER BOY BITTEN
Fourteen-year-old Hal Munson, son of Dr. and Mrs. Henry T. E. Munson, 468 Rivard, was helping a friend deliver newspapers on Tuesday, December 12, when he was bitten on the left thigh by a poodle owned by Mrs. Longyear Palmer, 393 Washington, at the front door to the Palmer home. The dog was impounded and the Board of Health notified. Hal received treatment at home from his father.

Santa Claus Comes Early In Person of One Joe Krul

Joe Krul has picked up and delivered some odd things during his 16 years with the J. L. Hudson Co., but last Thursday's pick-ups and deliveries were extraordinary, even for a veteran Hudson's driver.

Krul, 9549 Charest, Hamtramck, was maneuvering his truck down Lincoln road, in the middle of the first block off Kercheval, towards Ridge, he saw a library book lying open and abandoned in the center of the street.

Joe got out and picked up the book. A few feet further on he saw a bankbook. He picked that up; then he saw a check for \$17.

Following the paper trail, Joe eventually came upon a mass of cards and letters strewn all over

Would Have Pointe Schools Improve Instruction on American Ideals, Principles

Superintendent Bushong Wants Special Curriculum Committee Named to Plan and Direct Program to Meet Russian Challenge

Grosse Pointe School Superintendent Dr. James Bushong has asked that a special curriculum committee be named, to plan and direct a program for improving instruction on American ideals. The special committee would also see that Grosse Pointe boys and girls are taught the true facts about communism.

As a result of his recent trip to Russia, Dr. Bushong became convinced that American educators must teach and devotion to the basic principles upon which the American Democratic System is based.

The Grosse Pointe School Superintendent traveled extensively throughout the USSR, viewed Russian educational institutions, and concluded that the only area in which the average Russian child transcends his American counterpart is the area of devotion to the philosophic ideals upon which his system of government is based.

The Russian child fervently believes in communism as the only true way of life.

Obligation of Educators
"To meet this challenge of Russian education and devotion to their philosophic ideals," Dr. Bushong stated in his report to the Board of Education, "seems to me, to require a greater effort on the part of American educators. We need to arouse a more concerned and dedicated group of Americans to the search for truth and the adherence to the principles on which our nation has been based. Our goals must continue to stress honesty over deceit, understanding over memorization, and truth over misconception, yet this is not enough."

"We presently take too much of American principles for granted." We need a greater spirit of dedication to American ideals. The challenge of communism with its wall on the Russian mind can only be met by a people who are more devoted to the principles of freedom and Christianity.

Foresees Objections
Dr. Bushong predicted that "extremists, either well-intentioned nationalists or determined opponents" may object to the formation of a special committee to foster dedication to the American way of life and teach facts about communism.

He added, however, that nothing must be allowed to stop American educators from propagandizing in their own behalf. "I am only asking," Dr. Bushong said in conclusion, "that we intensify our efforts to promote a better understanding of American principles at this time so that our children and children's children may continue."

Food Store Paid Visit By Thieves

Steal Cash and Cigarettes with Total Loss Estimated at \$377; Broke Rear Window

Woods police, so far, are without clues in the breaking and entering of a Woods food market during the night of Wednesday, December 13, in which burglars took small change, cigarettes, and meat totaling about \$377. The robbers took time out to eat several slices of meat.

The burglary was discovered by Police Sgt. Henry Marchand and Patrolman Gaylord Golding at 4:45 a.m. Wednesday, while they were making a routine check of business places.

The officers noticed that the rear window of the market was broken. A closer inspection disclosed pry marks, made by a three-quarter inch bar on a door near the window. They entered the store to investigate further and found two cash registers in front of the building had been rifled, and also a cabinet at the rear of the store.

Stopped to Eat
Sgt. Marchand and Patrolman Golding said they also discovered the remains of several slices of bologna and boiled ham which the burglars apparently stopped to eat.

The officers notified Det. Sgt. Walter O'Dell and Det. Leroy Tobian of the crime. They also called the owner of the market, Joseph Corbett of 6128 Hessen, Anchorville.

O'Dell and Tobian said that the robbers forced the lock of the rear iron door before prying open the wooden door of the building.

Corbett took inventory of his stock, and checked the cash registers and wall cabinet. The store owner told the detectives that the burglars took a combination safe, 10x12x15 inches, which did not contain any money, only papers. The thieves took \$25 in loose change from the wall cabinet, and about \$9 in pennies in rolls from the cash registers.

The invaders also took 115 assorted cartons of cigarettes, a number of canned hams of varied sizes, 16 pounds of bacon, about three pounds of pork, and several pounds of lunch meat. Corbett estimated his loss at a total of about \$377.

County Postpones Reassessments of Pointe Properties

Director of Wayne Bureau of Taxation Says Job Can't Be Completed Effectively in Time for 1962 Rolls

Pointe residents will have to wait at least another year before finding out whether their real property assessments have gone up or down, according to information given to the Farms council on Monday, December 18.

City Assessor Dawson Nacy told the council that reassessment of real property has been postponed due to circumstances beyond control. The reassessment will not be completed in time to be incorporated in the 1962 assessment rolls.

Nacy informed the council that a meeting of the assessors of the Park, City, Farms and Shores was held in the office of Albert E. Champney, Director of Wayne County Bureau of Taxation, on Thursday, December 7.

Checking Not Done
The county official disclosed to the Pointe assessors, that although the preliminary field work has been completed in connection with the reassessment program in all of the Pointe communities, there was a considerable amount of work to be done. This includes, not only the checking of field work, but also in computing and checking the resulting assessed valuation.

Champney explained that due to additional work loads on his department, created by a great number of new buildings in the western part of the county, and an unusual amount of illness in his office, it has not been possible to complete the work as originally planned.

Couldn't Do Good Job
Any attempt to complete the project in time for the 1962 considerable burden on his office, Champney stated, and the reassessment of properties would not be as it should be.

He recommended that the reassessment be deferred until 1963, which would give his office time to do a thorough job. The program will be completed by mid-summer Champney said.

The Pointe assessors were unanimously in agreement with Champney's recommendation, and approved the reassessment be deferred until next year.

Libraries Tell Yule Schedules

The three Grosse Pointe Public Libraries will be closed all day on Saturday, December 23, according to Robert M. Orr, Director.

The Libraries will be closed on Christmas Day and New Year's Day, but will be open as usual on Saturday, December 31.

REPORTS \$57 GONE
Josephine Perrault, 28, of 34714 Forman drive, Warren, an employee of the Woods Kitchen, 19261 Mack, told Woods police on Tuesday, December 12, that \$57 was missing from her purse left in the storeroom.

The bag, with \$130, a check for \$50 and the balance in currency, was reported lost or stolen by Arnold Sauldman, owner of Arnold Drugs, 20853 Mack avenue, on Wednesday, December 13, at 5:15 p.m.

The money was in a delivery truck driven by an employee, Arlyn Carrothers, 22, of 21837 Gaukler, St. Clair Shores, who was to have banked the money Thursday morning. He had placed the bag and money on the seat of the truck.

Carrothers, who had made deliveries in the Woods and St. Clair Shores, was unable to give police an explanation as to how the loss occurred.

Thursday morning, Woods police received a call from Sister Mary Vincent of St. Lucy's Catholic School, Nine Mile and Jefferson, St. Clair Shores, who stated that the money was found intact, by one of her pupils, Kenneth Slavik, 11, of 22833 Lake Shore lane, St. Clair Shores. He had found the money about three blocks from the school on Jefferson, while on his way home from classes.

The boy found the money Wednesday, about 4 p.m., and returned to the school area and showed it to two Safety Patrolmen, Kenneth, and the other boys, (Continued on Page 2)

Council Vote Nullified By State Law

Ten-Year-Old Battle Between Woods and Clinic Will Continue to Rage Once More

After 10 years on a legal "yes-you-can; no-you-can't" merry-go-round, Grosse Pointe Clinic Corp. is apparently no further ahead in its fight to make a parking lot of its own property.

Last week at this time, the issue seemed settled—settled to no one's satisfaction, but at least settled. The Grosse Pointe Woods Council, acting as a Board of Appeals, voted 4-3 to allow the Clinic's petition for off-street parking.

The Council, by a majority decision, agreed to let Grosse Pointe Clinic Corp. use both lots 7 and 8 of Beaufort-Koch-Tessmar Subdivision for parking, such parking to be restricted to use of the Clinic's professional staff.

This decision was not satisfactory to C. S. Cirinesi, resident, who wanted no parking lot at all. It was not satisfactory to the Clinic, which wanted adequate parking for both staff and patients. But it was a decision.

Ruling Challenged
Saul Levin, attorney for Mr. Cirinesi and other property owners on Hawthorne road who had objected to the proposed parking lot on the grounds that it would undermine their property values, immediately objected to the Council's ruling.

Levin, claiming that under Michigan law a two-thirds majority vote is necessary to pass such a zoning ordinance revision, challenged the legality of the Council's action. Woods attorney Julius Berns was asked to rule on the matter.

Ruled Illegal
Berns reached a decision over the weekend. The resolution passed by the Council on Tuesday, December 12, allowing Grosse Pointe Clinic Corp. to use their lots for restricted off-street parking, is illegal.

Larry Middleton, attorney for the Clinic, has not yet discussed the situation with his clients. As of now, he sees an appeal to the Circuit Court as his only possible means of relief.

Officially, Middleton has received no notification of Berns' ruling, but he has discussed the matter with the Woods' attorney.

According to a Grosse Pointe Woods City ordinance, a majority vote is all that is needed to approve re-zoning within the city.

State Law Differs
Unfortunately, state law is at variance with this Woods ordinance. And, as a general rule, state law supersedes all local ordinances.

According to Michigan state law, a two-thirds majority vote is necessary to re-zone property from a higher level to a lower one. Grosse Pointe Clinic Corp.'s lots are presently zoned residentially; if they were to be used for parking, they would have to be re-zoned, at a necessarily lower level.

The next 10 years may bring a solution to the problem.

Police Warn Xmas Vandals

Persons who steal or maliciously destroy Christmas light bulbs or decorations, will receive the full penalty of the law if and when they are apprehended, the Pointe police chiefs stated on Monday, December 18.

At this time of year, police phones are kept busy by irate residents complaining of thefts or destruction of their decorations that they had spent hours in arranging.

The chiefs said that any person responsible for any vandalism or theft, will be taken into court and given the full penalty of the law.

HUBCAPS STOLEN

Grace Mercurio of 397 Drexel, Detroit, informed Farms police on Wednesday, December 13, that while her car was parked in the Sears parking lot, Mack and Moross, someone stole two hubcaps from the right side of the vehicle.

Medium-weight aluminum cookware gave the most consistently acceptable results in performance research tests when foods were cooked in a variety of cookware materials, say Michigan State University home economists.

Indian Guides Add Members

Many new fathers and sons have been added to the already growing list of Grosse Pointe Indian Guides, an organization dedicated to the idea of fostering a better relationship between a father and his son or strengthening a relationship that already exists.

Their slogan, "Pals Forever," is the foundation of the Indian Guide movement which involves fathers and their sons between the ages of 6 and 9 years old; a period when a boy looks upon his dad as the greatest fellow in the world.

The Grosse Pointe Indian Guides operate under the sponsorship of the Hannan YMCA and the movement has been growing steadily in all the Grosse Pointes over the last few years. Each father and his son select an Indian name and become Big and Little Braves.

All Braves are initiated into a tribe which usually has as its boundaries for selection an elementary school district. Each tribe selects a chief who presides at tribal meetings which are held bi-monthly in the homes of each Brave. The Tribal chief represents his tribe in the Longhouse presided over by a Big Chief, this year so capably handled by Big Brave Philip Dawson of the Comanche tribe of Kerby School. He is aided by Assistant Chief Robert Orr and William Ehrlich, Indian Guide Coordinator, assisting the Hannan YMCA, is Otto Leu. The whole program is under the supervision of the Executive Secretary of the Hannan YMCA, Lloyd Sanborn.

Many Longhouse activities have been planned for this year including a camp weekend last October at Camp Ohlyesa, near Holly, Michigan, and a December 9-10 overnight outing at Greenfield Village attended by 96 Big and Little Braves. Activities at Greenfield Village included a tour of the Village and Museum, movies, hayride, swimming, and overnight in one of the dormitories.

Future plans include a Winter Campout within winterized cabins at Camp Ohlyesa, in January and a Father and Son banquet later in the year. The final activity will be the annual spring campout in June.

All Indian Guide tribal meetings are informal with the emphasis placed on the imagination and creativity of Big and Little Braves. Each Big Brave follows one of the principles accepted by the American Indian; the Big Braves responsibility of "bringing up" his son.

Honest Schoolboy Finds Bag of Cash

(Continued from Page 1) Neil Murtha, 10, of 23038 Sanders; and Kenneth Best, 10, of 22802 Englehardt, both of St. Clair Shores, promptly took the bag of money to Sister Vincent.

Sister Vincent looked into the bag, which had no outside markings, and found the single check, made out to Webster B. Knight of 1383 Hollywood, and assumed the money belonged to him. She called Woods police the following morning, when she was informed that the money belonged to Saultman.

Woods police picked up the bag and money from the school and returned it to Saultman, who had given up hope that the

money would be returned. Woods Det. Sgt. Walter O'Dell and Det. Leroy Tobian lauded the honesty of the three boys. They said that what the boys did reflected good training.

In the letter, Director Bailey asked Sister Vincent to extend his compliments to the three boys for their integrity and

honesty, stating that what the boys did reflected the good teaching at St. Lucy's, and the upbringing by the boys' parents.

"At this time of year, Christmas, finding such a sum of money could very easily have caused Kenneth the finder, and Neil and Kenneth, to be tempted to keep the money," Bailey said.

**C. T. Fisher, III
Heads JA Week**

Charles T. Fisher, III, vice-president of the National Bank of Detroit has been named general chairman of the 1962 Junior Achievement Week observance in southeastern Michigan. The week runs from January 28 - February 3.

Fisher will direct the activities of some 8,000 Achievers and 348 miniature companies in such events as 16 junior industrial trade fairs to be held simultaneously throughout the area January 29 and 30. He will also play host to all JA company presidents at the annual President's Banquet to be held in Detroit January 31.

Some 75,000 teenagers and 14,000 business firms across the nation plan to take part in the "learn by doing" organization's scheduled events.

Christmas Cheer for Franklin Settlement

Pausing before they load the station wagons with gifts for the settlement house are: NICK KELLEY, president; MARY ZINN, Junior Red Cross president; FRANK BOYNTON, treasurer; PEG MULHOLLAND, sec-

retary; ROBYN RANNEY, vice president; and NANCY MACONA, eighth grader who saw her original suggestion snowball into the all-school project described below.

Hearts will be just a little warmer, smiles a little cheerier, and Christmas a lot happier because of the project carried out by Brownell Junior High School students during the past week.

As the result of a suggestion to the Student Association by Nancy Maccona last year, many Brownell students donated a large number of good used toys and games to less fortunate youngsters at the Franklin Settlement House on Detroit's East side. Because the gifts gave so much pleasure to recipients and givers alike, the student body agreed to repeat the project this year. During the week of December 11 to 15, gaily wrapped gifts began to pour in — spilling over the dozen tables set up in the counselors' waiting room and overflowing the window ledges and chairs.

On Saturday, December 16, the Student Association officers, together with faculty advisers William Prosser and Al

Schaefer, loaded two station wagons with the packages and delivered them to the Franklin Settlement.

Officials there said that the large number of gifts (over 400 estimated) will enable every

child attending one of their Christmas parties to receive a present.

And Brownell students have demonstrated once more that the true spirit of Christmas is thinking of others.

Power Squadron Class Takes Final Test

—Picture by Ray Pillsbury

GROSSE POINTE POWER SQUADRON gives final examination to fall piloting class at Grosse Pointe High School. Grosse Pointers in front row are from left to right: DICK HUVARE, 459 Belanger; JIM HUNT, 2856 Littlestone; MR. and MRS. CARL JOYNER, 48 Hawthorne.

The spring class in piloting and safe boat handling starts January 15, and meets every Monday at 7:30 p.m. at Grosse Pointe High School Annex in Grosse Pointe boulevard. This ten-week course is free and any resident is welcome, young or old, male or female.

Rockwell T. Gust Deplores Free Loading

Michigan's fiscal woes can be blamed on a "free-loading philosophy of government that threatens to wreck the economy of the state," a prominent Constitutional Convention delegate declared here Saturday.

Rockwell T. Gust, Jr. (R., Grosse Pointe Farms) warned that any new state taxes would be disastrous "unless preceded by a complete efficiency audit of existing state appropriations."

"The people of Michigan are slowly being propagandized into believing there is an urgent need for new taxes," Gust said.

"I am not at all convinced that this state needs another penny in tax revenue. I am dead certain that we need to weed out the almost incredible inefficiency in state agencies and start giving the people of Michigan more government for the same money, or even less money," Gust asserted.

The 37-year-old Detroit attorney, who has been making a whirlwind tour of the state addressing campus conservative groups, made his remarks at a statewide caucus of conservative Young Republicans from 13

colleges and universities. "The political destiny of Michigan is in your hands," Gust told his audience.

"There is afoot in this nation a vicious, free-loading philosophy of government that threatens to wreck the economy of the state. It is sapping away our economy, vitality and transforming Michigan into a has-been state."

"It is a philosophy that denies the very principles that made this nation great. It is a philosophy that defends waste and inefficiency, that tells us we're entitled to things that we have not worked for and earned, that offers us cradle-to-the-grave security while slowly eating away the concentrations of capital upon which all economic production is based."

"It is a philosophy that denies the businessman the profit that his labor and ingenuity entitle him to, that glorifies social service under the guise of a liberal humanitarianism whose logical implications play right into the hands of the Leninistic theory of U.S. economic decay." "When applied to state government, this philosophy has

resulted in absolute chaos. We have permitted the bureaucrats to take us down the road to ruin, and now we're talking about giving them more money to polish off the job."

Gust declared that appropriations for any given state agency "could be slashed by at least one-third, while at the same time significantly boosting efficiency."

"And there is little that the Constitutional Convention can do to correct the situation," Gust said. "The responsibility rests with the Legislature and the administration and ultimately the people."

"If the people of Michigan think our state can prosper and survive on a something-for-nothing concept for state financing, I say give it to them. But I am convinced in the ultimate integrity of the people and am confident that they want and will demand something better," Gust said.

"This is the key to the 1962 elections, both state and national," Gust said. "It's a simple and clear question of basic political philosophy."

Three Pointers Taken Off Road

Three Pointe motorists had their drivers' licenses revoked, and one had his restored after a three-month suspension, according to the latest weekly report submitted by the Michigan Department of State in Lansing. The report, dated December 1, disclosed that the driving privileges of Frank G. Yates, Jr., of 1000 Harvard, have been given back after his license was

suspended from September 12 through December 11 because of an unsatisfactory driving record.

Failing to appear for re-examination because of unsatisfactory driving records brought about the revocation of the operators' licenses of:

John R. Eldt, 705 University place, as of November 28; and John D. Moran, Jr., of 1460

Oxford road and John M. Schade of 1830 Stanhope, both as of November 29.

Secretary of State James M. Hare revealed that during the week of November 26, the drivers' licenses of 403 State motorists were suspended and those of 141 were revoked by the Michigan Department of State.

Christ Church Has Unique Alliance With Colleges

Every fall for the last three years the vestry of Christ Church, Grosse Pointe, has embarked on a project which is paying rich dividends. A check is sent to college chaplains all over the country amounting to \$10 for each student who is present from the church.

The project embraces 160 students this year, spread through 60 colleges and universities. A wide variety of results have occurred:

Memorial Plans Special Services

The Grosse Pointe Memorial Church will hold two Christmas Eve Services, at 5 p.m. and 10:45 p.m. The 5 o'clock service will be a family service, for children and their parents.

At this service the Junior and Girls' Choirs will sing, and an original story, "The Angels of Bethlehem," written by Mrs. Walter Pflaumer of Berkshire road, and a member of Memorial Church, will be read by the Rev. Richard W. Mitchell.

As a Choral Prelude to the 10:45 p.m. service, the first American performance of two Christmas motets by Heinz Zimmerman, a German composer, will be sung by the Chancel Choir under the direction of Malcolm Johns. The only accompaniment for the singers will be a string bass, played by Dan Plisko.

Herr Zimmerman, the composer, is instructor of composition at the Evangelical Institute for Church Music in Heidelberg, and Malcolm Johns worked with him last February when he led a school for U. S. Army conductors in Germany.

Mr. Zimmerman has given the following notes on the music: "The string bass provides a firm rhythmic foundation for the strongly syncopated rhythm of the five choral parts. The actual singing parts are derived from a natural declamation of the text from Isaiah. I believe that church music must be supplied with a new vitality, and these motets are firmly rooted in the tradition of evangelical church music."

The Choral Prelude will begin at 10:30 p.m., and the service itself will begin at 10:45 p.m. with a celebration of Holy Communion and a meditation by the Rev. Bertram DeH. Atwood on "When Hearts Are Young!"

First, the placing of \$1,600 in the regular parish operating budget has developed a sense of stewardship and missionary responsibility in the vestry.

Second, the assembling of completely accurate lists of what students are where, has brought the parish into very close contact with teenagers and their parents.

Reaction from the chaplains has been expressed in a flood of favorable letters: "This is one of the most ingenious ways of checking up on your brethren I have ever heard of" . . . "In six years as a college chaplain this is a first" . . . "We wish that other parishes would

follow your example. As you can well imagine, it is difficult to be self-supporting in a university situation, so that every bit of help that we can receive from those in whose name we minister is very much appreciated" . . .

"Your letter with its inclosure of \$10 towards the support of the Episcopal program of our Junior College is one of the most unique and amazing, and deeply appreciated gestures that we have ever received. I can only wish that more of the Episcopal parishes would emulate such a splendid interest and support in the field of college work."

Besides the chaplains' gratitude in seeing that someone else is interested in their work, other important results have occurred. At least one chaplain wrote to commend to Christ Church a family now living in the community of Grosse Pointe whom he had known earlier in another part of the country.

Another chaplain wrote to indicate that parish records were not complete and he furnished the name and address of a student from the parish from his records.

Another chaplain found that the parish letter helped him uncover some Episcopalians on campus who were unknown to

him. "Your giving us his name has been a help, because he did not choose to register himself as an Episcopalian and, hence, we had no prior knowledge of his presence here."

Moreover, Christ Church, Grosse Pointe, has found that it is kept more aware of the

campus ministry through feedback from the college chaplain. "We hope you will keep in close contact with our work, (which truly is yours also through your contribution), by means of the Canterbury Tales which you receive each month."

One final factor which the

program has developed is parental reaction. A copy of the letter which goes to the chaplain is sent to the parents of the student involved. The mother of one of them wrote back to the Rev. Erville B. Maynard, rector of Christ Church, "Please convey our

thanks to the vestry for the very fine custom of sending donations for college work to chaplains on campus. I shall be interested to hear from Mary, when she is home at Christmas, what kind of follow-up is done from the college end of the line."

**Final Tributes
Paid Mrs. Sack**

MACKINAC ISLAND, Mich., December 14—Following a service at Christ Church in Grosse Pointe, where she was born, Mrs. Marie Sanger Sack, who died in Bernie, Switzerland, December 4, was returned to her Mackinac Island home to receive final tribute from her Island friends today and from noted personalities around the world.

A message from W. Stewart Woodfill of the Grand Hotel, now in Scottsdale, Arizona, was one of many read at this morning's services in the Great Hall of the Moral Re-Armament training center on Mackinac Island. "I am so very sorry. My deepest sympathy to you and to Marie's family," wired Mr. Woodfill.

Mrs. Sack was a daughter of Henry Sanger who, as President of The Manufacturers' Trust Company of Detroit, was business associate of Henry Ford and other pioneers of the automobile industry.

"A true American" who "fought for both workers and management to accept their destiny," she is "responsible for the changing of Communists in the mining valleys of South Wales" and "she brought new life to families in New Zealand." This was how her life was evaluated by Africans, Asians, Americans, and Europeans—people from 30 nations—who gathered in her memory in Stockholm, Sweden, and wired to the Island.

Another message came from Rio de Janeiro—from representatives of 38 nations who had been attending the Moral Re-Armament Assembly for the Americas in Petropolis, Brazil. There, all stood in tribute to Marie as the international chorus she had helped to train sang, in the Quechua language of the Inca Indians, her best-known composition, "The Whole World Is My Neighbor," a song which has been sung in 22 languages and broadcast behind the Iron Curtain in Russian and Chinese.

Among those present were the revolutionary students from San Marcos University in Lima, Peru, many of whom had organized the anti-Nixon riots in 1958. Their apology to Mrs. Nixon, mother of the former vice-president, who was also at this Assembly, has made history. Cowboy star Roy Rogers and many others heard how Marie Sack, a trained concert pianist, has used her musical talents in Moral Re-Armament's ideological offensives which have won millions the world over. Father Henrique, the portworkers' priest of Rio de Janeiro, who had invited all the district to come to the service, spoke at the end.

From London, England, where the Moral Re-Armament plays, "The Hurricane" and "The Ladder," are now appearing at the Westminster Theater, came a message signed by Muriel Smith, who sang the title role of Carmen in the Royal Opera House Covent Garden, and other stars of stage and screen whom Marie Sack had accompanied or for whom she has composed.

"When the pacifists and defeatists are sitting down and protesting," said the message, "Marie stood up and fought for

DISHMASTER IMPERIAL

FASTER! Scraps, wash and rinse with one motion. Dishes are done in scraping time.

ECONOMICAL! Uses hot water and less detergent than any other method of dishwashing. (No need to fill the sink for a few dishes.)

CLEANER! Uses hottest water, your tap can provide. Never so-soes water or detergent.

TIDY! Cleans up a heavy-load of water or just a cup or two. No need to store dirty dishes on the sink.

DISHMASTER cleans up off kitchen clutter. Gets glasses sparkling clean. Floors out stubborn egg and hardened particles from silverware. Drives grease and grit from pots, pans — even ash trays. Sweeps hands out of grime (and out of water, too). Use any good liquid detergent, although Dishmaster Liquid Detergent is recommended for superior results. Half as much goes twice as far.

GPHS Debaters Capture Honors

Grosse Pointe High School captured second place in a debate tournament held at Alma College recently, with a score of five wins and one loss.

John Ditzler and Tom Leonard, the negative team, were undefeated in three rounds; while the affirmative team, composed of Frank Bowles and Wolfgang Baer, won two rounds and lost one.

Grosse Pointe High School junior Frank Bowles tied for first place in the "Best Debaters' Competition," and senior John Ditzler won third place honors.

In all, 38 schools were represented at the Alma tournament, with over 200 participating students.

Grosse Pointe High School defeated Thurston High in three out of four debates in the first round of debate in the Detroit Metropolitan League. "A" teams included Frank Bowles and John Comly, affirmative, and Tom Leonard and Wolfgang Baer, negative.

"B" teams were composed of David Rosen and Kris Anderson, affirmative, and Judy Altman and Jim Russell, negative.

Drama Workshop in Wales Attended By GPHS Student

Grosse Pointe High School student Bruce McComachie '62, president of the Pointe Players, spent "the best ten days of my life" last summer in Bangor, Wales, where he participated in a drama workshop.

Bruce toured Europe with his family for a month before flying alone from Paris to London and making his way to St. Mary's College where the workshop, sponsored by the Religious Drama Society of Great Britain, was held.

Most of the 250 participants, ranging in age from seven to seventy, came from Great Britain of the British Commonwealth. "Even I began to speak with a British accent," Bruce reports, adding that "We had tea and crumpets every day faithfully at 4 o'clock."

Days began with morning prayers, after which workshopers separated into small classes to learn fundamentals of drama, such as movement and speech. These techniques are basically the same as those used in America, Bruce noted.

Bruce first became interested in the St. Mary's program as drama co-chairman in the Tuxis Club at Grosse Pointe Memorial Church.

During the summer of 1960, he was a member of a drama caravan which traveled for two weeks presenting Stephen Vincent Benet's "A Child Is Born" at Presbyterian Churches in

Pennsylvania, Ohio, New York and New Jersey.

"Religious drama is just beginning in the United States," Bruce says. "It is another way of worshipping God."

Theme of the Wales' workshop was "Noah Builds a Space Ship." Students presented a six-act play, the story of a nuclear physicist named Noah who builds a space ship and flies into space to avoid destruction during a nuclear war.

The part of Noah's assistant, first to set foot upon the Earth at Noah's return, was played by Bruce.

Bruce maintains that the "kids themselves were the main reason I had such a wonderful time for they were one of the nicest groups of kids I've ever worked with." He and his fellow students climbed a mountain and swam in the North Sea. The water was cold and full of jellyfish, Bruce reports.

When the ten days were up, Bruce returned to London and spent a day touring the city. "The things that I did are something that I'll probably never have a chance to do again," he says, adding that "it was a new experience, being in another country, and it was kind of thrilling."

Introducing Pointe's Newest Teachers

Most of the newcomers to the High School teaching staff were able to come together recently for a brief session to check on how things were going. Principal JERRY GERICH (center, left) was able to give them encouraging reports and assurance that all were making valuable contributions to the school program. From the left are CAROL CURRIN, JAMES SENDO, LAURA JAKOBOWSKI, FRANCIS WESKEL, MR. GERICH, DONALD GRAHAM, PAUL JABLONSKI, CECIL VOGT, HELEN CLOYD and WALTER KOEPKE. Missing are John Bruce and Charles Hollosy.

Carol Currin is teaching Physical Education classes at Grosse Pointe High School this year. A graduate of Mackenzie High, she completed her degree at Wayne and has studied at the University of Michigan where she also taught. Other experience was gained at Lincoln High School in Warren. Field hockey is one of her special interests. She is a member of the Great Lakes team.

A new Driver Education teacher at Grosse Pointe High School this fall, James Sendo claims Indiana as home. Mishawaka High, Valparaiso U. and Indiana U. all played a part in his education, earning a Masters at the latter institution, as have MSU and Yale. Previous experience was had at Edwardsburg and Alpena, Michigan and Santa Ana, California. A veteran of nearly 4 years service in World War II, Mr. Sendo is married and has three children, Heather, 6, Mary Anne, 4, and Patricia, 3. Photography is his hobby.

Laura Jakobowski was born in Dearborn and graduated from Imlay City High. She earned her degree at Eastern Michigan where she was a scholarship winner and a student officer. A member of the Business Education department this is her initial teaching assignment. Hobbies include reading, bowling, skating, and vocal music.

The High School English department claimed the services of Francis Weskel this fall from the Hazel Park schools where he had served 6 years. A native Detroit, he graduated from Northeastern and earned two degrees from Wayne. Many professional educational and musical organizations claim his attention and leadership. An accomplished musician, he plays several instruments and once led his own orchestra.

He served in the Army in World War II and is now active with the American Legion and the DAV. Three children, Clarice Ann, 5, Francis, Jr., 3, and Jacqueline, 5 mos. give him a full home-life along with his interests in photography and plant propagation.

Donald Graham is a native of Pittsburgh, Penn., but graduated from Grosse Pointe High. After earning his degree at MSU, he taught in public schools in Sandusky, Webersville, and Taylor Center, a total of about 9 years. A hobby of model building (airplanes, boats, etc.) ties in nicely with his teaching assignment in the Industrial Arts department.

Bay City Central High School launched Paul Jablonski on his teaching career. He earned his bachelor degree at Eastern Michigan and his masters at the U. of M. before accepting a position with the Saginaw public schools. He taught English in the high schools there three years before joining the Grosse Pointe staff. Mrs. Jablonski also teaches, at the elementary level in a neighboring school district. They have one daughter, Jennifer Lynn, nearly a year old. Mr. Jablonski holds a commission in the Army Medical Service Corps and is in the active reserves.

Cecil Vogt is also teaching Driver Education at Grosse Pointe High School this year. He taught for 4 years in the Howell Public Schools before coming here. Fowlerville is his birthplace and where he completed high school. He earned a degree at Wayne State and a graduate degree at MSU. Both WW II and the Korean War found him on active duty in the Air Force. Currently he holds the rank of Captain in the USAF Reserve. Married, he is the parent of one child, a son 10 years of age.

Austria Hungary is listed as the birthplace of Helen Cloyd, new Business Education teacher at Grosse Pointe High School. However, she finished high school in Detroit (Southwestern) and earned degrees at Eastern Michigan and Wayne State. She is presently pursuing a doctorate at MSU. Previous teaching experience was had at Wayne State, Central Michigan, and Marine City High School. She is the mother of two children, a son and a daughter.

Walter Koepke graduated from High School and took his degree at Wayne State, majoring in English and physical education. While at Wayne he earned 5 monographs in basketball and baseball. He taught in St. Clair Shores for several years before taking a position in the English department at Grosse Pointe High School this fall. He also coaches the reserve basketball squad there. Army duty carried him to Panama during his period of enlistment.

John Bruce also teaches English at Grosse Pointe High School. A native of Nevada, he completed high school in Ypsilanti and took a degree at EMU. Additional study has been carried on at the U of M and the Detroit College of Law. He held a graduate teaching assistantship at Eastern and a Trueblood Speech Scholarship at the U of M. Married, his wife currently holds a Ford Scholarship, majoring in mathematics. Mr. Bruce served in the U.S. Army 3 years.

'What's For Me'

"Prince", pet deer friend of guide Jack Wilkison in Northern Algonquin Park, Ontario, along the trans-continental line of the Canadian National, ponders the meaning for him of the Christmas tree the guide decorated for "Prince" and his other animal friends. Could be on Christmas morning "Prince" may find some choice hay and a supply of tasty apples awaiting him at the base of the tree.

Christmas Celebrations Vary in Different Lands

By Dianne Dilloway
High School Journalism Student
Although the birth of Christ is celebrated in every Christian land, customs vary from country to country. For centuries, these customs have been passed from generation to generation.

On Christmas Eve, French children put their shoes on the doorstep, hoping that Petit Noel will fill them with gifts. Grownups exchange gifts on New Year's Day. There are few Christmas trees.

Families in Provence, in south-eastern France, help to bring in the yule log, which must be big enough to burn from Christmas to New Year's Day. A small Nativity scene is set up in many homes.

Some village children carol for pennies while carrying a little candlelighted creche through streets. A midnight mass on Christmas Eve is followed by an elaborate Christmas supper consisting of Strasbourg (tiver) pie and black pudding.

British children hang stockings by the fireplace so that Father Christmas will fill them with Christmas treats. Many families enjoy roast goose and plum pudding at Christmas time.

The day after Christmas is called Boxing Day. On this day the British give boxes of money to those people who have served them throughout the year.

In Italy, the day before Christmas is a day of fast, miniature scene of Bethlehem called the Presepio. While the mother places Bambino, a figure of the Christ Child, in the manger, the family prays.

Christmas gifts are distributed from a large crock called "The Urn of Fate." Children listen eagerly for the bell of La Befana, a kind of aged fairy queen, who, according to legend, comes down the chimney on January 6 with gifts for each of them.

In Switzerland, legend claims that the young people will find their future husband or wife waiting at the door of the church if they take three sips of water from nine fountains on their way to midnight church service. Some Swiss believe that animals kneel in honor of the Christ Child and speak at midnight on Christmas Eve.

In Germany, some people set up and decorate Christmas trees for each member of the family. Women and girls embroider handkerchiefs and sofa cushions, while the boys often carve figures of men and animals for Christmas gifts.

Where old customs still exist, a man dressed as St. Nicholas visits German homes on December 5 to ask the children how they behaved during the year. On December 6, the feast of St. Nicholas, good children receive gifts, while the bad ones get switches.

On Christmas Eve, everyone gathers for a ceremony to light the Christmas tree called Bescheerung. Afterwards, the gifts are distributed.

In Sweden, the celebration of the Christmas season begins on St. Lucia's Day, December 13. Elves, called Jul Nisse, are believed to help the Swedish children with their holiday tasks. The children leave food on the table at night to thank the elves. Fish is the main dish of the Christmas feast.

The Mexican Christmas celebration is mainly a religious feast. The celebration begins on December 16 and lasts until Christmas Eve. Posadas, or pilgrimages, are held to recall Mary and Joseph's experience of going from house to house in search of shelter. Old plays, called pastorelas or pastorals, are given in many villages.

On January 6, Mexican children receive gifts. The pinata, a large rough earthen jar, is filled with sweets, nuts, and gifts and hung from the ceiling or a tree on the patio. The children with their holiday with sticks while blindfolded. When the jar is shattered, everyone snatches off the blindfolds and rushes for the gifts. Although the Christmas customs vary in most Christian countries, one thing is commemorated in each; the birthday of Jesus Christ.

Swim Program Proves Popular

Almost 1,300 persons have registered to date for the Community Swimming Program, operated by the Grosse Pointe Public School System through the Department of Community Services.

Most of these swimmers are children, but 109 adults participate in the regular program, not counting Family Nights or Family Open Swimming activities.

In addition, St. Paul High School, Austin High School, St. Ambrose High School, Our Lady Star of the Sea High School and the Boy Scouts of Grosse Pointe, are all using the pools after day school hours.

Estimated weekly participation by these groups is: St. Paul's boys—40; St. Paul's girls—90; St. Ambrose Girls—60; Austin Boys—60; Our Lady Star of the Sea—60; Boy Scouts of Grosse Pointe—100; for a total of 410 individuals swimming in this phase of the program.

Find Stolen Car Damaged on LS

Two Farms police officers, checking a damaged automobile at Lake Shore and Kerby roads, on Wednesday, December 13, discovered that the car had been stolen from a Dearborn resident.

Patrolman William Fowler and John Farley noticed the at 2 a.m. in the east bound lane on Lake Shore, the rear end against the curb and facing north. The right side of the car was damaged.

They said there was no one in the car, nor could they tell if anyone had been in the car at the time of the accident. The officers checked the area for the driver, but without success. Fowler and Farley called the station for a larceny check, and received information that the car had been stolen in Dear-

born from Richard A. Sabatini of Orchard, Dearborn, about an hour before the damaged vehicle was found.

The patrolmen checked further and found evidence that a second car was involved and driven away in an apparently damaged condition. They said that evidence at the scene in-

dicated that the other car had a broken radiator. A water trail led from the scene east on Lake Shore to Moross road, and north on Moross to Mack avenue where the driver turned east.

Two attendants at a gas station at 19000 Mack, at Moross,

told Fowler and Farley that they had seen a man driving a damaged automobile make a turn on Mack.

Farms authorities called all local hospitals, requesting that anyone receiving treatment for accident injuries be reported to the police department.

Devil Swimmers Register Fifth Straight Victory

By Dan Hall

Grosse Pointe High's Blue Devil swimmers, under the direction of Coach Paul Wheeler, swept to their fifth straight triumph last Friday, walloping Highland Park 76-29 in their own pool. Grosse Pointe has gone undefeated in dual meets since early in last year's season.

Ten Blue Devils were named in the Detroit News first-weekly ratings of the top swimmers in the state.

SUMMARY
400-yard freestyle—1. Kinsman (HP); 2. Bauer (GP); 3. DeMeulemeester (GP). Time: 4:28.7.
100-yard freestyle—1. Brink (GP); 2. Sherwood (GP); 3. Bell (HP). Time: 18.0.
100-yard butterfly—1. Teetsart (GP); 2. Lozelle (GP); 3. Baker (HP). Time: 60.0.
100-yard backstroke—1. Cutler (GP); 2. Tompkins (GP); 3. James (HP). Time: 1:01.0.
100-yard breaststroke—1. Shellig (GP); 2. Kusman (GP); 3. Stevens (HP). Time: 1:05.6.
100-yard freestyle—1. Marsh (GP); 2. Woods (GP); 3. Bell (HP). Time: 50.8.
Diving—1. Woods (GP); 2. Engstrom (GP); 3. Lucas (GP).
160-yard individual medley—1. Smith (HP); 2. Olzmann (GP); 3. Roddis (GP). Time: 1:52.6.
200-yard freestyle—1. Kinsman (HP); 2. DeMeulemeester (GP); 3. Irvine (GP). Time: 2:01.8.
160-yard medley relay—1. Cutler, Shellig, Lozelle, Woods (GP); 2. Smith, Geshman, Yalving, Mark (HP). Time: 1:22.8.
160-yard freestyle relay—1. Bauer, Sherwood, Marsh, Brink (GP); 2. James, Baker, Stevens, Ashcroft, (HP). Time: 1:12.0.

Sherwood Lowers Mark

Bob Sherwood, who was rated best in the state in two events by the Detroit News, swam the 40-yard freestyle in a record breaking 18 seconds. Bob Shellig bettered his last week's time by almost three seconds to set a new varsity record in the breaststroke.

Blue Devil Five Defeated By Highland Park, 77-72

By Dan Hall

Grosse Pointe High School's cagers were burned 77-72 in Highland Park's matchbox gym last Friday. The loss gave them a 1-1 record in league play and 3-2 overall.

Grosse Pointe swept to a 15-7 lead in the opening three minutes, but the score was knotted at 18-18 by the end of the quarter. The second period was a see-saw battle, with Highland Park edging the half with a 34-32 lead.

The third period was the turning point. The Parkers were hitting well from outside and outscored the Devils 26-17. The Devils battled back again in the final quarter to outscore the Parkers by five, but couldn't quite overcome the earlier deficit.

Best East Detroit
The Devils had defeated a tough East Detroit team 63-57 a few days before.

Coach Chuck Hollosy thought the constant fouling by Grosse Pointe in the first half was a major factor in the defeat. The Devils outscored the Parkers by 6 points from the floor, but the Parkers' foul shooting more than made up for the difference.

"We were forced to take off our pressing defense in the third period because of the fouls," said Coach Hollosy. Grosse Pointe had 18 fouls called in the first half. This resulted in Highland Park's winning second.

With the diving over, freestylers Terese Davies and Lynn Maitland, in the 20 yard event, swam well but had the misfortune of running into Regina's two top stars who swept the event. However, St. Paul came right back in the backstroke event, as two freshmen, Chris Collins and Linda Campbell, took first and second places.

Mary Beth Dean and Carol Brisson, in the butterfly event, deadlocked for third place. Finally the combined efforts of four new team members Peggy Laurer, Betty Porter, Diane Rubino and Chris Mayer in the freestyle relay trounced Regina to wind up the first meet of the year in winning style.

Movies were taken throughout the meet and team captain Annette Wibleman was the announcer.

Summary
St. Paul 46, Regina 32
40-yd. Freestyle: O'Leary (SP), Farnam (SP), Gross (R), 40-yd. Backstroke: Brecht (SP), Vollman (SP), Slank (R), 40-yd. Breaststroke: Slank (R), Sepic (SP), Keegan (SP), 40-yd. Butterfly: Gross (R), Slank (R), Dean (SP), 20-yd. Freestyle: Gross (R), Slank (R), Davies (SP), 20-yd. Backstroke: Campbell (SP), Collins (SP), St. Almond (R), 20-yd. Butterfly: Gross (R), Slank (R), Dean (SP).

Laker Mermaids Conquer Regina

The St. Paul Mermaids opened what they hope will prove to be another sparkling season by downing Regina 46 to 32 at the Grosse Pointe High School pool last Thursday.

In the opening event, the 40 yard freestyle, veteran ace Elaine O'Leary and freshman Myke Farnam came to the starting blocks and dashed to an impressive first and second place respectively. Next, backstrokers Ann Brecht and Karen Vollman continued St. Paul's all out effort by streaking to another slam victory in the 40 yard backstroke, putting the Mermaids far out into the lead.

The breaststroke proved to be one of the hardest fought events of the evening. After the water had calmed down, the judges determined that swimmers Dorothy Sepic and Linda Keegan had battled their way to second and third places behind Regina's Slank.

Trip Planned By Ski Club

The Center's Grosse Pointe Ski Club is having a repeat trip of their highly successful New Year's Ski Vacation to Mission Hills in the Upper Peninsula. A chartered bus, complete with lavatory will leave the Grosse Pointe War Memorial at 5:30 p.m. sharp the evening of Thursday, December 28. A hot bus supper and coffee will be served aboard en route.

Twain bedded rooms with private bath at the Ojibway Hotel, the best in Sault Ste. Marie, await the group. Four complete days skiing at fabulous new Mission Hills follows with the bus heading back to Grosse Pointe the evening of January 1. Bill and Lynn Adams, (he's president of the club), will be in charge of the trip which has room for 38 skiers. The four day—four night vacation package will cost ski club members \$52, including round trip transportation, lodging, ski lift charges and transportation service to and from the slopes.

Other interested skiers are welcomed for an additional \$3 or if Grosse Pointers may become Ski Club members and qualify for the lower rate. Paid reservations must be made at the Grosse Pointe War Memorial immediately.

Pick Your Own Christmas Star

Pick out your own Christmas Star for the season. The Star of Bethlehem has eluded astronomers for ages. Perhaps the thing to do is pick out the symbol in the sky that you like best and make it your own Christmas Star, suggests Associate Prof. Hazel M. Losh of The University of Michigan Astronomy Department.

"Popularity interest in astronomy reaches its peak this month with the symbol of the Christmas Star, but astronomers are continually reminded that any satisfactory explanation or time of the Star of Bethlehem's appearance is out of the question," Professor Losh explains. She says the date of Christmas has been believed to bear a real relation to the sun and winter solstice. "It is thought that this Christian celebration was set to agree with the earlier pagan festival, attendant upon the rejoicing in the turning northward of the sun at the winter solstice." When the sun reaches the winter solstice, it comes to the most southerly point in its apparent yearly journey around the earth.

Austin Cagers Defeated By U-D High in Thriller

Bob Moore Austin High lost a close one, 60-59, to powerhouse U-D High last Friday in the closing minutes of the tense game. The game, one of the top ten in Michigan, was played before a turnaway crowd of 1,100 at the Austin gymnasium.

Not a one of the spectators left early as the two top Catholic teams in Southeastern Michigan battled to a thrill-packed finish. Both teams were plagued by cold shooting in the first quarter. Four minutes had passed before the first field goal was scored. U-D grabbed an early 7-2 lead, but the Friars came back to lead 11-10 at the end of the quarter. Austin widened the gap to 32-23 at half-time.

Final Stanza See-Saw U-D tied the score late in the final stanza, then took a six point lead. Austin managed to tie it at 58-58, then U-D scored. Bob Hitt made a free throw to make it 60-59, and the Cubs pulled it a stall. Tom Taras finally got hold of the ball, but by the time he had thrown a long pass to Hitt, the game was over. The U-D stands

The Grosse Pointe Ski Club swung into full action this week. On Monday evening members had a tour of the Stroh Brewery followed by a get together to sample the products and discuss plans for the forthcoming trips. Wednesday evening the club held the first mid-week ski trip of the season to Mt. Skrampan. The special bus left the center shortly after six with a capacity crowd.

The club is sponsoring a repeat of the long New Year's weekend trip to Iroquois Mountain—Mission Hill Lodge which was so popular last year. The group will depart from the War Memorial on Thursday, Dec. 28th about 6:15 via a chartered Greyhound and go directly to Sault Ste. Marie. They will stay at the Ojibway Hotel, the So'o's finest, and be taken back north forth to the area by bus. This arrangement will allow people to participate in local night life as well as shopping sojourns to the Canadian Soo.

Bill Adams, club president, announced that there are still a few openings available for the trip and that anyone interested should contact the Grosse Pointe War Memorial, TU 1-7511, immediately. The entire sailing world was saddened to learn of the death of Peter Bayer, Jr. on Monday, Peter, Jr. the son of Mr. and Mrs. Peter Bayer died of injuries received in a fall from the family automobile. The North Star Sail Club held its annual meeting and election of officers recently. Elected to direct the operation of the club for the coming year were: Commodore, John Listen, Jr.; Vice-Comm., Malcolm V. Otis; Rear-Comm., Andrew G. Wielkiewicz; Fleet Capt., John Prokrop; secretary, Robert C. Crouch; treasurer, Ralph Templin.

Devil Reserves Edge Parkers

By Bill Hagman Larry Kennedy scored a basket with three seconds left in the game to give the Devil reserves a come-from-behind victory 53-52 at Highland Park last Friday night.

Playing before a capacity crowd the reserves after leading most of the way fell behind at the end of the first quarter, 16-14. The Parkers stretched their margin to 28-20 at the half. The Devils were a fired up team when they started the second half and had narrowed the margin to 42-41 starting the last period.

The game went right down to the wire and the Parkers held a 52-51 lead with 10 seconds left but a wild pass gave the ball to the Devils and a perfect pass put Kennedy into the clear and he made no mistake as he put his layup through the net and thus sealed the defeat for Highland Park.

Joe Brady and Greg Martin led the Devils in their second win in five outings but both wins have come in the BCL. Shamrocks Upend Reserves The East Detroit reserves came from behind to defeat the Grosse Pointe reserves last Tuesday night at Grosse Pointe.

The Devils and the Shamrocks were deadlocked at the end of the first quarter 12-12. An interesting sidelight took place when an East Detroit player scored a basket for the Devils. After this unusual mistake the Parkers played steady ball and led at the half by a score of 30-24.

The Devils biggest problem, scoring, struck them again as the Shamrocks outscored them 27-17 in the second half to take the decision. Jeff VonSchwarz was high man on the reserves with 16 points while Bob Pryor and Joe Brady each had 7.

Schram Enjoys Fine Season at Dartmouth

HANOVER, N.H.—Ronald B. Schram of Grosse Pointe has completed a fine season as Dartmouth College's sophomore quarterback. The 6-4, 180-pound Schram has received a great deal of praise from the coaching staff.

"We feel," says coach Bob Blackman, "that Ron is a very poised and intelligent leader. He did very well as a sophomore, but it is his misfortune that he must play behind Billy King. He has improved a great deal, and has great potential. We hope that he will develop into a more consistent passer to go along with his excellent ball-handling ability and play-calling."

Ron has not yet decided on his major at Dartmouth. He is a member of the Beta Theta Pi chapter at Dartmouth, and is one of the promising scholastic athletes here. He wears both the football and basketball uniforms of the Big Green and is looking forward to giving coach Doggie Julian's hoopsters a big lift.

At Grosse Pointe High Ron played baseball and captained both the basketball and football teams. The Indians finished the season with a 6-3 record overall and a 5-2 league record. Dartmouth remains the only team to have always finished in the first division since the formal inception of the Ivy League in 1956.

THIEF STRIKES TWICE Norbert Rinke of 586 Sunningdale, informed Woods police on Friday, December 16, that someone broke into his 1962 Cadillac parked in his driveway, and his 1960 Pontiac, parked in front of his house. A horn button was taken from the first car, and gas pedal, cigaret lighter, ash trays and floor mats were taken from the other vehicle.

RAMMED FROM REAR Elma M. Anderson, 844 Whitier, was driving her '61 Corvair north on St. Clair on Saturday, December 16. She stopped at Maumee and was struck in the rear by Frank Kruse, 398 Cook, driving a '59 DeSoto. Both cars were insured. No tickets were issued, and damages were minor.

St. Paul Lakers Get 10th And 11th Straight Wins

By Roger Joseph

The two victories gained this past week by Saint Paul High's basketball team increased their winning streak to eleven in a row. Seven of these games date back to the closing of last season. The latest victims were St. David's, who fell by a 50-30 score, and St. Ambrose, the score being 39-31.

The game played December 12, at St. David's, proved to be no solid contest. The Lakers easily fought to a 25-10 half-time lead and were out in front 44-18 in the fourth quarter when a total Laker team was substituted.

With only four minutes remaining, St. David put on a rally which saw them outscore St. Paul 12-6. The game scoring honors went to St. Paul forward Tom Moxley, with 17 points. Mike Cantwell supported him with 10 points, while Stan Bobowski led the losers with seven.

Monday last, St. Paul fought off an upset-minded St. Ambrose team to gain their third league victory in as many starts. The Cavaliers who have their entire line-up back, showed themselves to be a much improved team.

The game turned out to be rough and rugged as St. Ambrose led 8-7 at the quarter and 16-15 at the half. St. Paul, however, played the better in the second half, outscoring the opposition 24-15. Gary Schick and Jack Wachter had 11 points for the victors, while Tom Beer of St. Ambrose led both teams with 13.

St. Paul's next game, January 3, keeps the Lakers idle until after the holidays. The Lakers will then take on their most formidable opponent to date, St. Ladislau. St. Lad's only setback this year came from the hands of St. Ambrose. St. Ladislau is backed by their starting five of last year. This game will also be the first home game for St. Paul this season.

Three Divisions Active In Pointe Hockey League

The Grosse Pointe Hockey League has been in operation at the Ice Flair each Saturday morning and evening now for the past few weeks.

The enthusiasm of the players, who age from 8 to 16 years, in three separate sections to accommodate each boy in his appropriate age group, has been very encouraging and gratifying to the small corps of fathers who act as managers, coaches and league executives.

Each registered player is not permitted to participate unless he has, in addition to his skates and hockey stick, the necessary protective equipment of head-guard, shinguards and gloves. Naturally any additional protection is encouraged.

The Grosse Pointe Hockey League is now comprised as follows:
PeeWee Section (12 yrs. and under) — 4 teams.
Bantam Section (14 yrs. and under) — 4 teams.
Midget Section (16 yrs. and under) — 4 teams.

In order to encourage the operation and growth of this league each year, the directors wish to point out that any boy in the Grosse Pointe area interested in playing in any one of the Sections concerned should report for tryouts at the Ice Flair.

There is still room for players. In addition if any boy wishes to learn hockey with the aim of joining this league, he should report for assessment, try-out and, possibly, further advice on a hockey school if there is enough interest. If any further information is required, please call Don Kronson at the Ice Flair, telephone VA 2-6965.

This League is a non-profit organization, the sole aim of which is to promote hockey and recreation for youngsters.

The directors of the league state that they still need more men to act in various capacities of managers and coaches.

The following are the standings of the various divisions of the Grosse Pointe Amateur Hockey League:

League	W	L	Pts.
Chiefs	5	0	10
Cardinals	3	2	6
Wolverines	2	3	4
Ravens	0	5	0

The Chiefs continued their winning ways with a hard-won victory over the Cardinals last Saturday morning. Winning with a score of 4 to 2, the game was much closer than the score would indicate. The Chiefs' goals were scored by MacArthur, Keller, Larivee, and Zink. The Cardinals' goals were scored by Stroh and O'Merca.

The Wolverines had a relatively easy victory over the under-manned Ravens by the score of 7 to 1.

Bantams	W	L	Pts.
Rebels	4	0	9
Bell Temps	2	2	4
Eagles	1	2	3
Hawks	0	3	0

The Bell Temps, the senior team in this division, drubbed the Hawks 7 to 3 last Saturday and maintained a constant lead. The three goal outpour of the Hawks was their best effort in three games.

The Eagles saw a 4 to 2 lead disappear in the final four minutes of the third period, as the power-packed Rebels came up with two goals to earn a 4 to 4 tie. Dave Poucher got 2 goals and two assists while Douglas Shrieves, the leading goal getter for the Rebels, got 2 goals. Ditch Fendler had one assist.

The Hawks have openings for some additional hockey players and an adult coach.

Midgets	W	L	Pts.
Royals	4	0	9
Woods Theatre	3	1	7
Flyers	1	4	2
Rangers	0	0	0

The Woods Theatre, smarting from the shut-out last week by Leo Fenn's Royals, vented their anger on the Rangers to the tune of 5 to 1. They dominated the play throughout and were never headed.

The Royals continued their unbeaten streak by beating the Flyers 5 to 2. The Flyers' new coach, Bob MacDonald, put his Flyers in the game for the first two periods but the team seemed to tire in the third period while the Royals came back strong to score two goals. The goal getters for the Royals were Dave Neil with 2, Tom Reid, Bob Miller, and Jack Hilbert each got one goal.

All the Pointe Communities are represented in this league and the cooperation and interest displayed is very much appreciated. Boys who wish to play with the League are urged to call Mr. Kronson at the Ice Flair, VA 2-6965.

Pointe Student Wins Architecture Prize

Two University of Michigan architecture students received awards in the Walter Anicka Prize Sketch-Problems competition. The \$150 tuition awards went to Charles A. Ahlstrom, a senior, 234 N. Waverly, Dearborn, and Charles Johnston, a junior, 466 Lakeland, Grosse Pointe.

Walter Anicka, Ann Arbor architect, gives the prizes to encourage aspiring architects who have unusual talent. "There weren't any prizes when I was a student here during the depression times and I had a pretty rough time," he said.

Pointe Headlines Of 1961 Reviewed For News Readers

Local Events of Most Interest to Residents Cover Wide Range of Activities and Accomplishments During Year

The endless turning of the Wheel of Time brings another year to an end, with the events of the past 12 months placed in memory's niche. Recollections of the most important happenings printed in each issue of the NEWS during 1961 is culled for this newspaper's readers.

January 5—The Rev. Edgar H. Yeoman, rector of St. Michael's Episcopal Church dedicated a number of gifts given to the parish by its members and friends in memory of departed loved ones. The gifts were 10 pews that were added to the back of the church; two new stained glass panels added to four small windows in the new Narthex; and a beautiful carved crucifix and candlesticks.

January 12—Mrs. Byron Winn of 1526 McLellan, Detroit, gave birth to triplets in Bon Secours Hospital. It was the first set of triplets in the hospital's history. The babies were delivered by Drs. John Nehra and William Fenner. As is frequently the case in multiple births, the babies arrived a little more than three weeks ahead of schedule.

January 19—A leak in the water mains of the City caused administrative headaches and cost the City taxpayers approximately \$40 a day or a total of \$3,500 in lost water, according to information from City Manager Lawrence Savage. The City was advised by the Farms that water readings for the past quarter were 50 to 75 percent more than normal, indicating a leak. Engineers set out to find the trouble spot and located it under Rivard boulevard, between St. Paul and Kercheval.

January 26—The Rev. Charles W. Scheid, beloved first pastor of the Grosse Pointe Congregational Church, preached both services in celebration of the 20th anniversary of the founding of the church and the 10th birthday of the beautiful Georgian Colonial building located at Chalffont and Lohrop. Mrs. Scheid came for the events with her husband. The couple live in Grand Rapids, where Mr. Scheid is pastor of the South Congregational Church.

February 2—The Grosse Pointe NEWS won top honors at the 93rd annual convention of the Michigan Press Association held in East Lansing. More than 600 editors and publishers of the state's daily and weekly newspapers attended the convention in Michigan State University's Kellogg Center. In the General Excellence Contest, THE NEWS won first place in Class E, which includes all the metropolitan area weeklies in Michigan. Competition in this class is the toughest to judge in this contest.

February 9—Wayne Circuit Judge Horace W. Gilmore dismissed million-dollar libel and slander suits against Maxon Brothers, Inc., a Maxon salesman, Alex Holt and the Grosse Pointe Brokers Association. The suit was instigated by William E. Buffalino, a Teamster Union official, who in a long list of charges claimed that a "gigantic conspiracy" existed which was designed to keep him from buying a home in Grosse Pointe under a set point system.

February 16—The Grosse Pointe Board of Education ap-

proved bids for the addition of eight rooms and other facilities to the Grosse Pointe High School. The addition, a third floor Industrial Arts Building, will house the mathematics department. This work is part of building improvements authorized by the voters in the fall of 1959. The general contract was awarded to Cooper Construction Company, which offered the lowest of three bids, \$113,583. The L. L. McConchie Company won the mechanical contract with a bid of \$24,430, and the Hamill Electric Company, won the electrical contract for its bid of \$17,750.

February 23—Thomas Wiggins, 12, son of Mr. and Mrs. Richard A. Wiggins of 75 Clairview, was named recipient of a Gold Life Saving Medal Award from the Automobile Club of Michigan Traffic Safety Committee, for saving the life of a 10-year-old schoolmate. The Safety Patrol Hero of Our Lady Star of the Sea School, received a School Safety Officers Award from Woods Patrolman Jack Mast, in a surprise ceremony held in the school. The boy is the first in the history of the Woods to receive either awards.

March 2—The 84-year-old Liggett School, only independent school in Detroit, signed an agreement to purchase 10 acres of vacant land east of Vernier road in the Woods, with an eventual building campaign in view. The school will remain at its present site on Burns avenue for several years, or until financing of the new building is assured. The new site is readily accessible by expressway from distant areas of the city.

March 9—Grosse Pointe High ended its basketball season in the Border Cities League conference, taking second place. The last league game was played in the Pointe against fourth-place Wyandotte, and the Blue Devils scored a 66-39 victory. In another phase, the powerful Blue Devil tankers beat their toughest league opponents at Wyandotte, 59-46, marking the end of the BCL season and another championship for Grosse Pointe.

March 16—The Park's hopes of obtaining a strip of submerged land in Detroit, to augment its waterfront park were shattered by Detroit authorities, who refused to give consent to permit the Park to purchase the strip which is 60 feet wide and extends 1,000 feet into the Detroit River, at the foot of Alter road. Park officials had sought a meeting with Detroit officials for weeks to seek permission, as required by the State Submerged Land Law, to buy the land from the State. Detroit contended that the land did not belong to the State because it extends into the river and not Lake St. Clair.

March 23—Three hold up men, in a daring daylight robbery, held up the Kay Anos

'Nightmare' at Woods

If it's thrills you want, it's thrills you'll get, when you see the man who brings back the dead, that "crazy mixed-up" Dr. Jekyll and his "WEIRD SHOW". Playing the stage of the Woods Theatre Wednesday, December 27 in a special show at 12 midnight.

It's a gruesome adventure into fear and dread! You'll scream as horrible creatures from beyond the grave roam the theatre and land right in your laps! Fanged and fiendish vampires will caress you in the dark.

You'll shudder! You'll shake! You'll have nightmares for a week! We warn all girls! Be sure to bring a strong he-man with you to protect you when the lights go out!

Furs, 19619 Mack avenue, and escaped with approximately \$50,000 worth of mink furs. Armen Anusbigian, 26, of 23065 Kelly, East Detroit, store manager, was bound with tape and a canvas bag was placed over his head. He was forced to lay on the floor while the bandits scooped the furs into bags and then escape in a late model car. This was the sixth holdup of the firm since October 11, 1959. Total valuation of all furs stolen was close to \$100,000.

March 30—St. Paul High School Lakers brought a State Basketball Championship home to the Pointe. They defeated Parma Western, 67-51, to win the Class C crown in the finals in Jenison Fieldhouse in East Lansing. The Lakers were brilliantly guided by Coach Ed Lauers, who made his third trip to the elusive laurels. There was an informal but enthusiastic parade in the Pointe to celebrate the victory.

April 6—FBI agents in Chicago arrested three suspects connected with the March 18 \$50,000 Kay Anos Fur Store robbery in the Woods. Arrested and held were James W. Bamford, 41 Sorecho Nalo, 29; and George Boulas, 28, all of Chicago. Armen Anusbigian, 26, of 23065 Kelly road, East Detroit, manager of the store and the holdup victim, identified Boulas, through police mug shots, and was flown to Chicago, where he pointed out Boulas in a police lineup as one of the men who robbed him.

April 13—More than 30 Woods residents with outstanding claims from the Grosse-Gratiot Drain project, appeared at a public hearing in the City County Building in Detroit. After some discussion, members

of the Wayne County Drain Commission decided that they did not have enough information to judge the individual damage claims. The Drainage attorney was directed to prepare a questionnaire to be sent to all known claimants asking for detailed statement of their claims. The claims will then be investigated by the Drainage engineer and reviewed individually by the Drain Board.

April 20—Farms City Clerk Dawson Nacy administered the oath of office to four members of the council elected to the office at the biennial spring election, April 3. According to the City Charter, the first order of business of the council is to elect a mayor and mayor-pro-tem. Mayor William Connolly was re-elected mayor, a post he has held since April 1949. Councilman William Butler was elected mayor-pro-tem. He was a councilman since 1955. Two newcomers to the council were Thomas Fisher and Ledyard Mitchell.

April 27—The Park council okayed a contract for alteration and addition improvements of the municipally owned storm water pumping station at Jefferson and Maryland. The project will cost \$186,380, with work to start in 60 days and completion date set for three months after. Improvements will be mechanical, electrical and installation of a bigger sewer from the station to a Detroit sanitary interceptor system at Jefferson and Alter road.

May 4—A building permit for the construction of the William H. Fries Auditorium was granted to the War Memorial Association by the Farms. Architects and engineers of the new construction announced that bids will be asked for without delay. The War Memorial's new auditorium is being made possible through the generosity of the late William H. Fries, long time close neighbor and friend of the Memorial. His bequest of more than half a million dollars will cover the site planning, erection of the building and most of the basic furnishings.

May 11—The Grosse Pointe Board of Education designated the National Bank of Detroit as the low bidder for \$2 million dollars in tax-anticipation notes. The loan was bid in with an offer to lend the needed funds at an average interest rate of about 1.59 percent per annum. Issuance of the notes was authorized by the Michigan Municipal Finance Commission in Lansing. Funds realized from

Building Drive Leaders Named

Three Grosse Pointe area residents have been named co-chairmen of the Major Gifts, Group II division of the Metropolitan Detroit Building Fund, it was announced today by the chairman, Wilber H. Mack.

They are Walter A. Crow, secretary and assistant to the president of J. L. Hudson Company, of Grosse Pointe Park; Chester F. Ogden, vice-president of Detroit Edison Company, of Grosse Pointe Shores; and Alexander E. LaPointe, senior vice-president of Manufacturers National Bank, of Grosse Pointe Park.

Other co-chairmen appointed by Mack are L. Irving Woolson, vice president of Chrysler Corp.; Lee A. Jacucci, vice president of Ford Motor Co.; Lester R. Downie, executive vice president of Kelsey-Hayes Company; Richard C. Gerstenberg, vice president of General Motors, and Gilbert F. Richards, vice president of The Budd Company.

The Group II division of the MDBF will solicit funds for construction of hospital facilities and buildings for other cooperating agencies from over 1,000 small and medium business concerns, beginning in January. Major corporations have already made their contributions in the Group I drive which was completed earlier this year.

Overall goal of the two drives is to raise \$14,864,453 as the MDBF's share of the approximately \$36,000,000 cost of approved hospital projects during the next five years.

Honored

Special recognition was given SCOUTMASTER JACK BEEVER on Monday night, December 18, when Boy Scout Troop 74 of Richard School held its Court of Honor.

Mr. Beever was recently presented with the Scout's Key by the National Council of the Boy Scouts of America. To earn the award Mr. Beever spent many hours in special training courses, has served for years as scoutmaster and promoted the development of hundreds of boys in the highest traditions of scouting.

The award for leaders is the equivalent of earning the rank of Eagle Scout, highest award active scouts can attain. Nick Spain, Skip Thompson and Art Waters were elevated to rank of Star Scouts at the Court of Honor. Slides of the troop's recent outing at Camp Obiyesa were shown before refreshments were served.

Waldron Opposed in Congress Race

The Republican Party, which had planned to stand solidly behind State Representative Robert Waldron in the coming election to choose a successor to the late Congressman Louis C. Rabaut, has been forced to reevaluate its campaign strategy.

Donald P. O'Keefe, 33, of 1305 Buckingham, Grosse Pointe Park, announced Wednesday, December 13, that he will compete with Waldron for the GOP congressional nomination.

Describing himself as an independent Republican, O'Keefe charged Grosse Pointe Republican leaders with exerting pressure to prevent him from entering the race, thus assuring Waldron's nomination.

O'Keefe believes that it is time for someone with new ideas to try to solve the district's problems. He maintains that professional politicians have failed to provide a satisfactory solution.

"I'm a lifetime resident of this district," O'Keefe stated, "and I'm concerned over the failure of the politicians and dissatisfied with the caliber of the announced candidates."

"Republican leaders have tried to get me to withdraw with indirect pressure on me and my associates. But I'm staying in."

The 33-year-old investment broker added further that "Waldron's political background has been like a millstone around his neck."

Waldron has served in the State Legislature for eight years, representing Grosse Pointe. About 80 percent of the 14th Congressional District voters are Detroit residents.

of Detroit, O'Keefe is married and the father of six children. He is a veteran of two years' Army service.

He will compete with Waldron for the GOP nomination to the 14th District seat left vacant last month by the death of Louis C. Rabaut.

Democrats are already embroiled in a nomination fight between State Senator Harold M. Ryan, Louis C. Rabaut, Jr., the late Congressman's son, and chairman of the Michigan chapter of the Civil Liberties Union Rolland R. O'Hare.

O'Hare, like O'Keefe, has accused professional Democratic politicians of railroading Ryan's nomination.

The primary election will be held January 23, followed three weeks later by the general election.

The 14th Congressional District includes a large part of Detroit's East Side and Harper Woods, as well as the Grosse Pointes.

Election of James J. Conway as Controller of Evans Products Company, Plymouth, Mich., was announced by Edward S. Evans, Jr., president.

Mr. Conway was formerly administrative manager and financial assistant to the president of the Automotive Division of the Budd Company at Detroit. Prior to that he had served as plant controller and budget manager at Budd and as an accountant with the Securities & Exchange Commission.

A graduate of the University of Pennsylvania Wharton School, he resides with his wife and six children at 1007 Yorkshire road, Grosse Pointe Park.

Senior Men Hear Judge

The Senior Men's Club of Grosse Pointe will meet the day after Christmas at the War Memorial to hear a report from Richard Wintrod, of the Internal Revenue Service.

On December 12 Circuit Judge Edward Piggins spoke to the club on a statement of Edmund Burke's: "Tell me what are the prevailing sentiments that occupy the minds of your young men and I will tell you what is to be the character of the next generation."

Among the new members of the Men's Club are Dr. Earl Gelhaar, Louis Clarke, Charles B. Marks, Mack Monroe, Harold Siebert, Tom A. Boyd, Archie J. Chapp, Harold L. Hudson, Roy W. Jacobs and Raymond A. Vogel.

Letters To The Editor

Dear Mr. Edgar, The members of the Grosse Pointe Clinic wish to thank you for the excellent publicity given our parking problem. I, personally, have received a great many favorable comments from people all over Grosse Pointe, who evidently read your paper. They seemed glad to have the facts. It is surprising how many people have known about the long struggle we have had to receive permission to park our own cars on our own property.

was some testimony that it might even improve the appearance of the neighborhood.

Again we want to thank you for the interest and the publicity given in this matter.

Yours very truly, Clifford B. Loranger, M.D. President Grosse Pointe Clinic Corp.

Find a man who is easy to reform — and you'll find that the job has to be done oftener.

We are still uncertain as to the outcome. At the end of the long meeting last Tuesday, December 12, and after we received a four to three affirmative vote, the opposing attorney questioned the legality, claiming a two-thirds vote would be necessary. Mr. Jules Berns, the city attorney, is now studying the matter.

If we receive a favorable decision, we will have to wait until spring to do anything, as it is now too late for landscaping.

Although the Woods' Council gave us permission to use both lots, we intend to abide by lot offer and use only the alley lot, leaving the other lot as a buffer. Since we are restricted to using the area for doctors and their assistants' cars, only one lot probably will be ample.

According to all the expert testimony the property developed in this way will do no harm to the neighboring homes, especially as to their mortgage ability or value. In fact, there

Service to the community

By FRED KOPP, R. Ph.

A colleague of ours tells this one. On Saturdays he sells dimes (10c each). Seems the neighborhood movie is next door. The kids stop in before the show for dimes—for the vending machines in the theatre. A lot of our business is like this—service to the community. Glad to do it. Because we're conveniently located and open long hours, we're a handy place to pick up change or a bottle of aspirin. But a pharmacist's true service to his community is to be a quick, reliable source of the drugs and medications your physician prescribes. That's the real reason we're here. And we are always pleased to serve you.

This is the ninth of a series of Editorial advertisements appearing in this paper each week.

For Evelyn Anthony's CHARLES THE KING Crepes Suzette are just the thing. Charles' French queen, it is no lie, Weaned him from trifle and kidney pie. Champagne to our Gracie for SING AS YOU GO.

May it bring her a happy and warm Christmas glow. Her life, which at first, was not all beer and skittles, Now affords her, we're told, the very best victuals.

For Mary McCarthy, nothing will do ON THE CONTRARY, but Irish stew. And Norah Lofts, well may she dine In her old country manor, THE HOUSE AT OLD VINE.

To Sydney Harris for LAST THINGS FIRST A favorite vodka to quench his thirst. For Gladys Schmitt's REMBRANDT we sound a gong

May she feast, Dutch fashion, on Gekookte Tong. For Irving Stone's Christmas, let there be No AGONY but ECSTASY.

A jug of chianti to brighten his day And make his holiday truly gay. William O. Douglas of MY WILDERNESS fame Will enjoy, we're sure, some good wild game. For Carson McCullers (CLOCK WITHOUT HANDS)

We've ordered corn ponies, the best southern brands. The two O'Connors, Edwin and Frank, With the scribbling hierarchy we'd rank. THE EDGE OF SADNESS and AN ONLY CHILD

Should bring them an Irish feast properly styled.

And now to our readers, our very best wishes For a year that all will find propitious. With fun and feasting, we hope you'll be gay And have the merriest Christmas day. For Robert Edgar and his staff A special wish on their behalf.

What's New on THE HILL...

By Roberta

There's no doubt about it... Santa Claus is "man of the year" by a landslide. And there is no doubt, with three shopping days left until Christmas, that a gift from the Hill is still a wonderful way to say, "Merry Christmas."

Just in time for holiday entertaining and gift giving are these new ice buckets. The big news here is that each bucket is covered in MOST unusual patterns... liquor labels, et cetera. One and two quart sizes are available at the Dants for around fifteen dollars.

For your convenience The Trail Apothecary Shop will be open longer this Sunday. Hours will be from 10 a.m. to 6 p.m.

A final fillip. Like a manhattan... the choice of a gift is a matter of personal taste... and here is one to consider. With New Year's eve in mind, why not choose a four piece bar set of stainless steel (with the look of silver)? It includes a bottle opener, stirring spoon, cheese knife and bar knife... six dollars... at The League Shop.

Just Christmas Whims? No. These little pewter pieces at Virginia Williams are gifts that last and last. Handmade... Belgian imports... these bottles, saucers, ash trays and porringers are marked from three dollars.

Is she crossing Kercheval or the Continent after Christmas? It really won't make any difference... because if you get her a Christmas Gift Certificate... boxed in lucite and gold, AND gift wrapped... she can have the gift she has dreamed about from Margaret Rice's right after Christmas. Why not pick one up tomorrow or Saturday?

Charm and delicacy are reflected in a lingerie gift from Anthony's. Delicate... frothy... white... yellows... blues... pinks... combinations... all soft... all chic. To wear one is to enjoy good taste... fine tailoring and the undeniable value of true quality. The fun begins at Anthony's when you begin to look.

Current event All of the real Christmas decorations at the League Shop are marked down now. Twenty per cent off... no less!

The following people who are participating members in the Kercheval On The Hill Association saw in a very special way, "Good wishes. May your Christmas be a wonderful one, and may the blessings of Christmas be with you in all the days ahead." Frank Adam, Anthony's, Champion Real Estate, The Dants, Denler and Co., Harold Ducharme, J. Crawford Frost and R. Smith, Gray's Sport Shop, Al Green, Kercheval McMillan Gas Station, Grosse Pointe News, James Hancock, Austin Harmon, Hamlin's, Clyde E. Hornung, Irving's, T. Raymond Jeffs, Kilgore and Hurd, G. S. WOMEN'S PAGES

From Another Pointe of View

By Patricia Talbot

Even more than Thanksgiving, Christmas is the season for the gathering of the clan, for reunions add a spice to the festive time more rewarding than gifts or parties.

Mrs. Standish Backus will be welcoming her daughter, Mrs. Backus Lunken, of Cincinnati, with sons Edmund and Eshelby. The junior Standish Backuses, of Santa Barbara, were here a few weeks ago so will not be coming from California for Christmas.

Coming in from Lapeer will be the Edward H. Jewetts II and from Metamora the Charles K. Backuses II will drive to the reunion. Mrs. Backus' other son-in-law and daughter, Mr. and Mrs. Alfred L. Marks and their four boys are just over the back garden in Sunningdale drive so they haven't far to travel.

Also at the family dinner will be Mrs. Backus' nephew, Henry Candler II who has been studying abroad as an exchange student at the University of Vienna and is now home to continue his studies after the holidays at the University of Colorado.

It's Been A Dozen Years

For the first time in a dozen years Mrs. Francis A. Goodhue will be here from Mt. Kisco, N.Y., with her husband and son, Randy, to spend the holidays with her mother, Mrs. Ernest Brier, of Neff road.

The Goodhues and Mrs. Brier will have Christmas Eve dinner with Mrs. G's brother-in-law and sister, Mr. and Mrs. Frederick S. Ford, Jr.

The Fords will take off the day after Christmas for Otsego with Susan, Ricky and Robbie, for a few days of skiing.

Every Fourth Christmas

Each year the C. Henry Buhls, the Arthur H. Buhls, the T. D. Buhls and Dr. and Mrs. J. Stewart Hudson dine together Christmas night.

This year the C. Henry Buhls will be hosts in their Vendome road home. Coming from his home in Geneva for the holidays will be Henry Buhl, Jr.

Briski-Langston Rites Solemnized

Following Ceremony Saturday in Christ Church and Reception in Bride's Berkshire Road Home Newlyweds Travel to Florida and Nassau

In Christ Church Saturday Althaea Langston, daughter of Dr. and Mrs. John Donald Langston, of Berkshire road, was married to Dr. Robert Jeremiah Briski, son of the Jacob Briskis, of Detroit.

She wore a white peau de soie gown with a coronet of peau de soie trimmed with a bow holding her illusion veil. Her bouquet was of camellias and stephanotis. Claire Langston was maid of honor for her sister and two other sisters, Penelope and Star Langston were bridesmaids. They wore opera green taffeta dresses with overskirts and carried pale yellow chrysanthemums.

Dr. Jacob E. Briski was his

brother's best man and the ushers were David Langston, the bride's cousin of Hopewell, N. J., and Dr. Richard Caleel.

For her daughter's wedding and the reception which followed in their home Mrs. Langston wore a pale green raw silk dress and orchids. Mrs. Briski was in beige embroidered chiffon with orchids.

Following a trip to Florida and Nassau the newlyweds will live in Highland Park.

Plan Symphony Just for Men

"Dad, let's go to the Symphony," will be heard in many a home as plans develop for the Detroit Symphony Orchestra's first Father and Son concert scheduled March 31 at 11 a.m. in Ford Auditorium.

Masterminds for the new project will be a committee of dads and sons headed by veteran hockey star Gordie Howe and Symphony board vice-president Alan E. Schwartz.

Basic goals were set Monday at a spirited committee meeting in the Symphony office. It was resolved:

1. That NO women will be allowed in the audience. (Female orchestra members will be permitted on-stage if absolutely necessary.)

2. The program must provide "he-man" entertainment. (It is anticipated that conductor Valter Poole and his son can serve effectively as arbiters in this sensitive area.)

3. Ticket prices must be nominal. (A father and son may attend for \$1.50 with each additional son charged 25c. Schwartz will recruit a committee of dads to underwrite the basic concert costs.)

In an expansive mood the committee decreed that grandfathers and grandsons and uncles and nephews will be warmly welcomed to the event.

One female influence will be felt in the project. Mrs. Irving Rose was appointed concert coordinator. Her job will be large but bears with it the potential of rich rewards. Mrs. Rose has four daughters.

El Cid Premier Draws Pointers

Ever so many Detroit Athletic Club members of the Grosse Pointe area will go into town this Thursday, Dec. 21, for the club's theater party which is adding a big fillip to the Yuletide season.

Grosse Pointers who are directors of the DAC and their wives will be among the early arrivals for the club's 6 o'clock dinner, to be followed by attendance at the midwest premiere of Samuel Bronston's spectacular, "El Cid," at the Music Hall. The motion picture stars Charlton Heston and Sophia Loren.

The directors and their wives include Mr. and Mrs. Franklin P. Williams, the Arnold Malows, the Walter A. Crows, the Arnold Freyds, and the W. Harold Lightbodies — the Lightbodies will be in a sixsome with Judge and Mrs. Carl Weideman and the George Jays. From Bloomfield Hills will come DAC's president, Raymond T. Perring, and Mrs. Perring.

The party promises to be a beautiful function. Six hundred members and guests will be present at the black tie fete. Dinner will have a setting of Yuletide greens and red flowers in the dining rooms, with gorgeous plants of red poinsettias on each end of the main dining room's bandstand; in corridors, reception rooms and lounge are lighted Christmas trees.

The early dinner will allow time for a bit of dinner-dancing to music by Ted Huston's band before going across the street to Music Hall for the Klieg light and red carpet treatment.

Mr. and Mrs. L. Jerome DuMahaut will have as their guests Mr. and Mrs. James E. Rather, the Jack Bedells, of Birmingham, and Mr. and Mrs. Richard Teranes, of Bloomfield Township.

Mervyn G. Gaskin, president of Music Hall, Incorporated, and Mrs. Gaskin will have a dozen friends with them; the William M. Schmidts have reservations for ten, and among others who are coming in foursomes or sixsomes are the E. Walter Albachtens, the Fidele Blancos, the J. Burns Codys, the J. J. Gormans, Jr., the Januarius A. Mullens, the Gustav E. Nyquist, the Blount Slades, Capt. and Mrs. Frederic H. White, Jr.

D. Martin, of Vernier road, celebrated Christmas together

This was in 1911 and the scene was Hawaii, during the war, when the colonel had a few hours off from his duties for Christmas dinner with Mrs. M. and his three children.

This Thursday the Martins' son-in-law and daughter, Maj. and Mrs. Robert Dingeman and their two children, will arrive from Colorado Springs for the holidays. Mrs. Robert Walker and her three children have recently moved to McKinley avenue and will join the family group. Darwin Martin, Jr., and his family have lived for several years in Lakepointe avenue so this Yule all the Martins will be together.

Party Potpourri

Add to the party calendar the dinner dance the Alger Sheldens and the Joseph S. Sherers, Jr., are giving the day after Christmas at the Grosse Pointe Yacht Club.

And the tea dance planned by the Walter F. Rockwells, of Balfour road, on December 30 for their son and daughter-in-law, the recently wed Bruce M. Rockwells, at the Country Club.

Christmas Eve will find the Curtis Mowers entertaining at their Roosevelt place home at an open house.

Christmas in the Alps

The Henry Fords will be spending the Yule season in San Moritz, skiing in the Swiss Alps.

They will collect Edsel from his Eastern prep school, Anne from her last year at Briarcliff and Charlotte from her New York interior decorating job and New York apartment.

Festive Fair Acres

The Joseph Hesters will gather their neighbors in Fair Acres drive for a cup that cheers on New Year's Day. Then they expect a larger crowd in to watch the Rose Bowl.

The Richard K. Degeners are entertaining this Thursday at the Grosse Pointe Yacht Club to introduce Frances Cousino who will marry their son, Richard, Jr.

GP Newcomers To Sing Carols

The residents on Pemberton, Lakepointe, and Middlesex road, will be in for a treat Friday evening, December 22, when the Newcomers Club of Grosse Pointe holds its traditional caroling party.

The group will sing the Christmas songs outside the homes in that area to bring holiday spirit to the occupants.

Dressed warmly for the weather and armed with flashlights, the Newcomers will meet at the Grosse Pointe Park Pavi-

lion and proceed from there.

After caroling throughout the neighborhood, they will return again to the pavilion to decorate a Christmas tree, and, if voices hold out, sing more songs. Egg nog and cookies will be served.

Mr. and Mrs. David Henes, Mr. and Mrs. David Howell, Mr. and Mrs. Jack Newcomb, and Mr. and Mrs. Fred Thompson are on the committee. Mr. and Mrs. Wally Hein are organizing the affair.

Anita Cowling Weds Donald J. McCarthy

Reception at Lochmoor Follows Friday Evening Rites in Grosse Pointe Memorial Church; Newlyweds Travel to Jamaica; Will Live in Vernier Road

In Grosse Pointe Memorial Church Friday evening, Anita Louise Cowling, daughter of the Leo Horace Cowlings, of Lakepointe avenue, became the bride of Donald John McCarthy, son of the David C. Lowes, of Merriweather road.

For the rites the bride wore a gown of ivory brocade designed on princess lines with a scooped neckline and back fullness. A matching pillbox caught her bouffant illusion veil and she carried ivory cymbidium orchids and stephanotis with ivy.

Susan Jane Cowling was her sister's maid of honor in an emerald green sheath with a matching overskirt and a veiled halo. She carried cymbidium orchids and ivy on her white muff.

Dressed like the honor maid were the attendants Sarah Evans; Sandra Lee Wilson and Mrs. James Mitchell. Honorary bridesmaid was the bridegroom's sister, Mrs. Robert Flood.

Donald Waggoner was best man and the ushers were Wayne Stavoe, of Ann Arbor; Richard Gagnon, Philip Beach, of Warren; and Robert Flood.

For her daughter's wedding and the reception at Lochmoor Mrs. Cowling wore a turquoise silk chiffon sheath with a back panel and a matching band of

feathers. Her flowers were pale pink camellias.

Mrs. Lowe was in a sea spray green brocade gown with matching accessories and white camellias.

For traveling to Jamaica the bride wore a turquoise suit with cocoa bag and shoes and an off white and cocoa pillbox.

The couple will live in Vernier road.

At the annual Christmas luncheon on December 18 the Bon Secours Hospital Assistance League honored their founders, first presiding officers and past presidents.

They include Mesdames William Imhoff, Claude Griener, Hamilton Koteher, Chilton Drysdale, Harther Keim, Thomas Murphy, Clarence Kramer, Joseph McQuillen, Michael Chargot, Blount Slade and Richard Connelly. The president now in office is Mrs. Waldemar Moesta.

Center Holding College Dance

Sunday evening, December 31, from 9:30 to 1:30 a.m., the True New Year's Eve has been set aside for the Thirteenth Annual Collegians New Year's Eve Ball and Midnight Buffet at the Grosse Pointe War Memorial Center.

Music will be furnished by Al Ross' popular band and the Center will be specially decorated with balloons, bells, streamers and serpentine. Everyone will be put in the proper frame of mind for New Year's X with a fancy hat and noise maker.

At 12 midnight the Center's lights will briefly be turned off so that all couples may welcome the New Year in the proper manner while the band plays "Auld Lang Syne".

After midnight two buffets will open, one on the main floor the other on the lake level, both of which will be used for dancing. Platters of turkey and ham will alternate with salads, relishes, sweet rolls and coffee cake and there will be coffee in addition to the punch served throughout the evening.

Dress for the occasion will be semi-formal. Tuxedos are optional for the men and corsages not at all necessary for the ladies, but it will be a dressy affair.

The party is for all Pointers of college age and their guests. It is for couples only with \$5 covering the complete cost of the evening for two. Everyone is asked to purchase his ticket in advance. They will be on sale at the door only if the 500 person limit has not been reached.

A committee of collegians on local campuses has mailed cards for whom the Center has addresses and the group is also taking care of decorations.

Working on the dance are Dale Johnston, Lois Carotta, Nancy Monaghan, Anne Cushman, Judy Reno, Mat Millenbach, Barbara Sacho, Barbara Wenzel, Dominic LaRosa, Duncan James, John Senise, Tom Scheiwish, Woody Wachter, Paul Paradynski, Julie Hamilton, Dave DeGuisino and Jackie Smith.

Mrs. Donald J. McCarthy Betrothed

ANITA LOUISE COWLING, daughter of the Leo Horace Cowlings, of Lakepointe avenue, was married Friday in Grosse Pointe Memorial Church to Mr. McCarthy, son of the David C. Lowes, of Merriweather road.

Betrothed

Miss Colby was graduated from Grosse Pointe University School and Garland Junior College in Boston, Mass. She made her debut at the Country Club in June, 1958, and is a member of Sigma Gamma and the Junior League.

Joan Kay Howe Feted at Party

Mrs. James J. Howe, of Westchester road, entertained at a December 13 luncheon at the DAC to honor her niece, Joan Kay Howe, who is to be married December 27 at Gesu Church to Robert Greene.

The party took place in a private dining room with decoration in the Yuletide motif. Centering the table was a large frosty pink bowl arrangement with floating candle wick; on either side marched foot-high Christmas trees, some frosted green, some white, all decked with miniature bright tinsel balls. The trees later were favors for the guests.

Guests included the bride-elect's mother, Mrs. Frank W. Howe; Mrs. Leo J. Howe, Sr.; Mrs. Peter Ellis and her daughter, Carol Gillow (who herself was married this past Saturday, Dec. 16, to Henry Allen Kappel); Mrs. Ralph C. Wilson, Sr.; Mrs. Reynolds Smith.

The list continues with Mesdames Leo Desimpe, Martin Brennan, Walter Wolf, Edward Bayless, Paul L. Cusick and Paul Howe.

Hunt Club Gala To Aid Hospital

Last year several Hunt Club members decided that their celebration of the New Year should aid charity.

A group, headed by Mrs. Bert Creemers, Mrs. Oscar Olson and Mrs. Alex Wrigley, decided on a ball and breakfast with tickets at \$75 per couple to benefit Children's Hospital.

Ed Peabody is treasurer for the party which is limited to 50 couples. Al Navarro's band will play for dancing from 10 o'clock.

The Oscar Olsons will give their traditional Christmas buffet on December 28 in their Renaud road home.

REPORTS LOSS OF \$185

David L. Stone of 7371 West 83rd street, Los Angeles, Calif., reported the loss of a brown leather billfold containing about \$185, personal papers and credit cards. He told Farms police he discovered the loss while at Al Green's, 123 Kercheval, on Wednesday, December 13, when he reached in his pocket for money to pay his check.

Ballet Classes Enroll Jan. 3

January 3, from 4 to 8 p.m. will be enrollment date for all adults and students interested in enrolling or re-enrolling for Mary Ellen Cooper's Center-sponsored Ballet classes at the Grosse Pointe War Memorial.

Adult ballet classes are held each Wednesday night at 8 o'clock and are especially fine for women wishing to keep trim and preserve youthful grace while learning the latest in modern ballet choreography.

Girls' ballet classes are held after school Mondays, Wednesdays, and Thursdays as well as being scheduled each hour from 9:30 to 2:30 on Saturdays.

Stephens Alumnae Hold Christmas Dance at NYC

Members of the Stephens Lakeshore Alumnae Club started off the Christmas season on Friday, December 8, with their annual Christmas party.

Cocktails were served early in the evening at the home of Mr. and Mrs. A. J. Bacon in McMillan road, after which everyone headed for the Detroit Yacht Club to continue with dinner and dancing.

The dance is an album dance with Youth Council members contributing their favorite record albums for the occasion.

Jim Schulte of Austin High School, vice-president of the Youth Council, will act as disk jockey and emcee.

The party is on the dressy side in keeping with the holidays. Girls are wearing cocktail dresses and heels. The boys are wearing dark suits maybe brightened with fancy vests or an occasional red coat.

All gifts for the children's home will be placed under the Center's huge Christmas Tree and the young people will deliver the gifts the following morning.

Youth Council Playing Santa

The Grosse Pointe War Memorial Youth Council's dance for Teens at the Center this Friday evening, December 22, from 8:30 to 11:30 p.m. will seek wrapped gifts for the children's home as part of each couple's admission.

The party known as "Mistletoe Magic" will feature the waxy, white berries everywhere. In addition, there will be the Center's traditional Christmas Tree and Christmas decorations as well as red and

Tots to Greet Santa At GPYC Dec. 23

Club's Regular New Year's Eve Party Has Been Canceled but Sunday Buffet Dinner Will Be Served; Reception and Open House January 1

Grosse Pointe Yacht Club's Yuletide festivities for the membership will start with the Children's Christmas Party December 23 from 2 to 4 p.m. and will wind up with the traditional New Year's Day reception, 4 to 6 p.m. The customary New Year's Eve Party will be skipped, due to December 31 falling on Sunday.

Jolly old Santa Claus will be on hand for the children's fete, with the Venetian Room as the locale for his sleigh and reindeer. Boys and girls of the younger set will have a chance to tell Santa of their particular wants and wishes. A huge tree in the ballroom bay window, music for Christmas songs, entertainment and refreshments, as well as a gift for each child of 12 years and under, are all on the party program.

Parents and grandparents will be in attendance, with admission complimentary to members and their families only. The club will be closed all

day Christmas, Monday, Dec. 25. Even though GPYC's regular New Year's Eve Party has been cancelled, the Sunday buffet dinner will be served Dec. 31 from 5:30 to 8:30 p.m. in the main dining room as usual.

At the reception and open house on Jan. 1, New Year's Day, Comor and Mrs. Paul I. Moreland and all the other directors will be in the receiving line to greet members and their families. Refreshments will be served during the two-hour open house.

A firmly woven suit fabric hold its shape, presses better and is more durable than a loosely woven fabric, say clothing specialists at Michigan State University.

Lester Ruwes To Go Abroad

This Thursday evening Mr. and Mrs. Lester Ruwe, of Touraine road, will give a dinner before the debut dance of Polly Kammer, daughter of the A. Frederick Kammer, Jr., of Kerby road, at the Little Club.

Also giving dinners before the Kammer dance are the W. Warren Sheldens, the Allan Sheldens III and the William Curran.

The Ruwes will sail December 28 for Europe where they will hunt partridge in Spain and then go on to San Moritz, Rome and Vienna.

They may then return to Palm Beach about March 1, or even stay on in Europe. Their plans are indefinite but they will not be home until spring.

Albert Bradleys Feted on Visit

The Albert Bradleys, of Greenwich, Conn., arrived Friday to spend the week-end with Mr. and Mrs. C. Hascall Bliss, of Cloverly road.

They attended the dance the Bliss and the Lowrey Kammer gave Saturday night at the Little Club and there were other parties in their honor.

On Saturday the David A. Wallaces feted the visitors with a luncheon at the Country Club. On Sunday the Charles Creedons were luncheon hosts in their home.

Before the Saturday dance the Bradleys were honored at a dinner given by Mrs. Henry T. Ewald in her Vendome road home.

Alpha Delta Pis Plan Yule Tea

The bride-elect is the daughter of Frank C. Schmidt, of Roseville, and the late Mrs. Schmidt and her fiancé is the son of Mr. and Mrs. Harold M. Edwards, of Belanger road.

Alpha Delta Kappas Dine at City Club

Alpha Zeta Chapter of Alpha Delta Kappa, national teachers' sorority, had their annual Christmas dinner at the Detroit Women's Club on Monday, December 11.

Anita Wrobel and Margaret Holahan, both from Harper Woods High School, acted as hostesses. A short business meeting followed the dinner.

Inside The Mothers' Club

The Neighborhood Groups and Membership were the topics discussed in detail at the last Executive Board meeting of the Grosse Pointe High School Mothers' Club on December 4. The Christmas Tea which would occur the next day, was fully organized and proved later to be a charming opening to the holiday season. Mr. John Finch and his student choir were outstanding.

Mrs. Ernest F. Lang reported that since September she has received \$801.50 from 35 Neighborhood Groups. This money is a direct contribution to the Scholarship Fund, and is given voluntarily. The monies paid as donations by members to the Neighborhood Groups should not be confused with the Mothers' Club membership dues (\$1.00) which meet necessary operating expenses. A few years ago Neighborhood Groups gave prizes to the Spring Scholarship Tea but it was later decided to give the amounts directly to the Scholarship Fund instead. The president, Mrs. Albert Law, commented, "We must always keep in mind that we are a service group and not a social one."

In the absence of the membership chairman, Mrs. Gordon Cook, Mrs. Law fully explained this year's method for the membership drive. In order to save confusion or distraction at school we have conducted the membership drive entirely by mail from the chairman's home. Many willing workers have prepared and mailed the membership material. On the whole it looks satisfactory for we have 1057 returns. There are some details to be worked out in the future. People having more than one child in the High School have sometimes been contacted twice because of the double homeroom listings. A follow-up letter has recently been sent to mothers who have not joined. This is meant only as a reminder in case the first notice has been overlooked.

Under the officers' reports,

Mrs. William Adams, first vice-president, said she had received letters from five scholarship recipients. They wrote that they felt well-prepared for college work.

The corresponding secretary, Mrs. Arthur Sherman, together with Mrs. Phillip Gould and her committee sent 2,385 invitations to the Christmas Tea. Mrs. Sherman read a letter from Mr. Robert Weber which stated appreciation for the help the Mothers' Club gives to the school and community.

Mrs. John Bockstanz reported \$1,158.60 from the sale of tickets to "Ask Any Girl." This money, after the deduction of most of the play expenses, goes directly into the Scholarship Fund. Mrs. Bockstanz said there was a disappointing number of adults at the performance. The Mothers' Club Board thanks all the parents who bought tickets for this benefit performance and only wishes that the tickets were used. An entertaining evening is always guaranteed. Perhaps another Julie Harris is performing and it would be a shame to miss it.

Dr. James Bushong, talking on Russian education, will be the speaker for Parents' Night, January 18, and Mrs. L. Carbone, program chairman discussed plans for the evening.

A flyer will be prepared and then mailed soon after the holidays.

After reporting on the Back-to-School Night when Mrs. Robert Herdegen and her committee served coffee and doughnuts to 1500 parents at a total cost of \$125.49, Mrs. Herdegen gave suggestions on how to improve the service for next year.

Board of Education representative, Mrs. W. McLaughlin, had attended the Board meeting and reported on highlights from the Superintendent's Report. Among other items were that the proposed model of the Library addition was excessive in cost and that the Board of Education was satisfied with a photographic composite. Also discussed were the rights of a police officer to come into the school to question a child in regard to a crime. The Board of Education agreed that the parents must be contacted and that some administrative officer of the school must be present. Since there had been no report regarding textbook rental as requested, Mrs. McLaughlin was asked to write Dr. Bushong to ask him when that would be brought to the Board of Education meeting.

Mrs. Law brought up the matter of the Mothers' Club sponsoring two Senior Girl Scout troops who meet in Parcels School. The girls are students at the High School and must have a sponsoring agency.

Pointe Headlines of 1961 Reviewed for News Readers

(Continued from Page 11)

these notes will permit the school district to operate the schools from the beginning of the fiscal year, July 1 until December when property taxes become collectable.

May 18—Two persons died and one person was critically injured in a traffic accident 30 feet north of 1010 Lake Shore road. Killed instantly was Donnie L. D. Duke, 23, of 2623 Fairview, Detroit. Eugene Nelson, 20, of 3575 Lycaete, Detroit, died of injuries four hours after admittance to Saratoga Hospi-

tal. In critical condition in the hospital was Marilyn Martin, 19, of 22407 St. Joan, St. Clair Shores. Shores police said the car was driven by Duke at speeds up to 65 miles an hour. He lost control and crashed into a tree.

May 25—The annual Grosse Pointe News Mutt Show drew 98 contestants to the Grosse Pointe High School football field. Pat Murphy was the Master-of-Ceremonies. Judges were Mrs. Lee Meyer, Dan Wood and John Gordon; a staff veterinarian of Humane Society; and

Jim Henderson of the Leader Dogs for the Blind. The animals were paraded around the ring prior to the judging—of which there were 10 in all.

June 1—The Woods opened its new 10-lane, 75-meter swimming pool in the waterfront park. Don Hallman, Woods director of Parks and Recreation, announced that the city will bid for staging the All Pointe City and Pointe Life Guard meets. He also disclosed that the new pool will be open to college and high school students living in the Woods. Another advantage is that swimming instructors will be able to instruct more than 600 children of Woods residents in the sport, from beginners to intermed-

iates. June 8—The sweepstakes trophy, symbol of BCL supremacy, will remain another year in its showcase in Grosse Pointe High School. The tarnished, battered old veteran of countless Border City League battles has been at the high school longer than rival schools care to remember. Blue Devil Athletes had amassed enough points in baseball and tennis to eliminate all possibility of a rival school giving the trophy a new home.

June 15—The Grosse Pointe Board of Education approved the appointment of Charles S. Hollosy as teacher of physical education and coach of the basketball team at Grosse Pointe High School, effective with the beginning of the new school year in September. Hollosy came to the Pointe after a highly successful career at Austin Catholic High School. He succeeded John Thurstby, who resigned to give more attention to counseling and teaching duties. School officials also announced that Ernie Bauer will assume the reins as head coach of the Blue Devil baseball team, replacing Ed Wernet, whom he assisted. Wernet will continue as head coach of the football team.

June 22—C. F. Ogden, president of the Grosse Pointe War Memorial Association, and Thomas E. Groehn, chairman of the Center's 1961 Family Participation Campaign, announced that the Memorial's drive had gone over the top. They disclosed that 3,756 families contributed \$51,301.59, the largest amount and the largest number of givers in such a drive. In addition, many families have pledged amounts which are yet to be received.

June 29—The Park opened its newest park at the Three Mile-Essex site, so that residents can take advantage of the new recreational facilities. Approximately five acres of the 20 acres of the new park had

been landscaped and developed. This, coupled with the waterfront park, gives the city 11½ acres of developed recreational area. Where the waterfront park is for all types of recreation, the Three Mile park is solely for passive activities. Total cost of development of the five acres was \$25,000, including the construction of a comfort station, rough and grading and finished landscaping.

July 6—Tragedy marked an outing at the Park's waterfront park when Bruce Woodrow, 7, son of the Allan Woodrows of 1150 Maryland drowned in the park pool. He was the first such victim in the waterfront park history. The boy's body was discovered by Mrs. Unice Ali of 15364 Marlowe, Detroit, who slipped and fell off the east-end dock of the racing area into the pool, where the water is five feet deep. She said that as she clambered out of the water, she touched "something with my foot that felt funny." A lifeguard brought the body to the surface.

July 13—Woods City Administrator William Lange submitted his resignation to the Woods Council, to become effective on September 1, or at the convenience of the council. Lange who has headed the Woods government since November 15, 1954, stated in his resignation that he was quitting because of "a big difference of opinion as to matters of policy and administration" between himself and the city council. Mayor Koppin said that the resignation was accepted by himself and the council with regret.

July 20—The Grosse Pointe Public Library became the re-

pository for some 73 paintings by Michigan artists. These works of art were from the Detroit and Michigan Memorial Collection, formerly housed in the second floor wing of Detroit's Old City Hall, which was awaiting imminent demolition. Robert M. Orr, director of the Pointe Library, said the library happily cooperated in housing the collection for a period of two years, or until suitable permanent quarters can be arranged. The paintings were put on display in the Exhibition Room.

July 27—Tiger baseball scouts attended the State Babe Ruth League Baseball Championship Tournament at the Grosse Pointe School. The Woods-Shores Babe Ruth League hosted the two-game events. In attendance were Chief Scout Lou DeNunzio, and James Treu and Jim Briggs, both territorial scouts. The Woods City council authorized the city maintenance department to provide the various facilities and services for the tournament. The council commended the Woods-Shores League for bringing the tournament to the Woods.

August 3—Grosse Pointe Farms Giants won their first Grosse Pointe Inter-City Little League title with a last inning tie-breaking rally that gave them a 3-2 victory over the Grosse Pointe Park Dodgers. Consecutive one-out singles by Tom Brecht and Hardy Macdona, of the Giants, coupled with some inept fielding by the Dodgers, gave the winners their first leg on the Roland H. Gray Trophy.

PARKED CAR DAMAGED
Donald H. Schrom, 17560 Mack, Apt. 18, Stacens Apts., reported to City police on Monday, December 11, that he had parked his '60 Ford next to the fence in a private parking area the previous evening. Upon returning to it the next morning, he noticed minor damage on the left side. Police believe that someone backed from a parking spot into the car, and left without reporting the accident.

Fire Damages Woods Home

Woods public safety officials are investigating the origin of a fire that destroyed the entire southwest corner of the home of the Carl H. Schulzes, 21203 River road.

All fire equipment and scout cars sped to the Schulz home Monday afternoon, after the alarm was called in, to find the corner of the house ablaze.

The firefighters brought the fire under control within 15 minutes, and a few minutes later had the fire out.

The amount of damage and the cause of the fire is not known as yet, officials said.

Woods policemen, who are also firemen in the city's integrated police-fire department, were called from the Grosse Pointe Yacht Club where they were in the process of preparing a Christmas party for that evening, for members of the Pointe Fraternal Order of Police, Lodge 102.

Police Lodge Parties Big Success

Two Christmas parties given by the Grosse Pointe Fraternal Order of Police, Lodge 102, on Sunday, December 17, and Monday, December 18, were considered great successes by members of the Lodge.

The Sunday party was held in the American Legion Hall, Mack and Hampton, where 176 children of members of the Lodge met Santa Claus, and filled up on pop, hot dogs, potato chips, candy and other goodies.

Woods Patrolman Kenneth Metcalf played the role of Old St. Nick and distributed toys to the kids.

At the Monday night party, held at the Grosse Pointe Yacht Club for the members of the Lodge and their guests, approximately 300 persons were in attendance.

Waiting at the door to greet the party goers was the famous midget clown Joe (Captain Bob Lo) Short, whose antics with the Barnum and Bailey and the Shrine Circuses, made millions of people all over the world laugh and forget their troubles.

There was plenty of refreshments before a seven-course dinner was served, after which there was dancing to the music

of Joseph Vitale's orchestra. Outgoing Lodge 102 president, Woods Patrolman Al Abend, introduced the new officers who will lead the Pointe FOP organization during 1962. They are:

Woods Patrolman Stephen Petrik, president; Park Patrolman Arthur Conlan, vice president; Harper Woods Patrolman John Rehgl, secretary; Woods Patrolman Bruce Cross, treasurer; and Harper Woods Patrolman Robert DeLorme, guard.

On the Board of Trustees, Woods Patrolman Don Sabel, chairman; and Harper Woods Patrolmen Edward R. Smita and Walter Dempsey.

One incident marred an otherwise happy occasion, and that was when Jacqueline Plumb of 2160 Hampton road, wife of Woods Patrolman Everett Plumb, slipped and fell on the dance floor and broke her right wrist. She was taken to Cottage Hospital for treatment of the injury.

Both Abend, who was chairman of the party for the adults, and Petrik, chairman of the

children's party, stated that the affairs were bigger and better than previous years.

Scriptural readings include this passage regarding the wise men (Matt. 2): "When they saw the star, they rejoiced with exceeding great joy. And when they were come into the house, they saw the young child with Mary his mother, and fell down, and worshipped him: and when they had opened their treasures, they presented unto him gifts; gold, and frankincense, and myrrh."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this citation will be read (p. 95): "Led by a solitary star amid the darkness, the Magi of old foretold the Messiahship of Truth. It is the wise man of today believed, when he beholds the light which heralds Christ's eternal dawn and describes its effulgence?"

HIS CROP'S A LEMON—Romeo Salerno proudly displays a one-pound lemon growing on a tree planted six years ago in his shoemaker's shop in Athens, O. It has produced 10 lemons and has four others growing on it. Salerno cares for it like a house plant.

Two lucky little sisters look solemn as they ponder the inscrutable ways of fate. They overslept and missed the bus.

Doctor examines Johnny Munson, 9, one of the survivors.

BLACK CHRISTMAS IN GREELEY—"Merry Christmas" is a tragic mockery in Greeley, Colo., as grieving parents mourn the 20 children killed when their school bus was struck by a Union Pacific train. Immediately in the investigation, bus driver Duane Harms, 23, suffering head cuts and shock, said when asked if he stopped for the crossing, "I think I did. Well, I'm quite sure, because I usually do." But, said engineer Herbert F. Sommers, 64, "He stepped on the gas and drove right in front of the train."

CHRISTMAS A TIME OF MOURNING

A BREAK IN THE USUAL RELATIONS—Adlai Stevenson, U.S. ambassador to the U.N., and the Soviet's Valerian Zorin look real buddy-buddy in this U.N. scene prior to the Main Political Committee meeting, at which a joint U.S.-Soviet resolution calling for renewed disarmament negotiations at Geneva was unanimously approved (they must've known something). Minutes after the vote, Zorin exploded a verbal atom bomb by saying the Soviet may resume nuclear testing to keep its "defense capacity at an adequate level."

'MISS OUTDOOR'—Nancy Jane Moudry of Park Ridge, Ill., holds a fishing rod as symbol of her new office, "Miss Outdoor America," for the Sports, Boat and Vacation show opening in Chicago after the first of the year.

NEARLY A DOUBLE TRAGEDY—Mrs. Anna Carolyn Hayes, 70, a widow of Indianapolis, Ind., was killed when her car (left) skidded off an icy bridge and through a guard rail, and plunged 65 feet. As police were investigating, another car, driven by Mrs. Yvonne Whittley, 23, skidded on the icy pavement, careened off a parked police car and nearly went over the bridge (right). Arrow points to Mrs. Hayes' car.

Police usher a rescued "palero," one of the armed civilian thugs who beat up oppositionists during the Trujillo regime, away from an enraged mob which had given him a rough time. Blood streams down his face and tears ring in his ears.

GENERAL PLAYS SANTA CLAUS—Maj. Gen. William B. Bunker, U.S.A.T.M.C. headquarters commanding general, is having a wonderful time with two tots at the St. Elizabeth Day Nursery in St. Louis. He helped the U.S. Army Transportation Material Command deliver yuletide goodies and a decorated, 7-foot Christmas tree to the nursery.

CARRYING OUT ORDERS—Sheriff's deputies of Illinois' Cook County carry Mrs. Clair Schroeder from her trailer home in evicting her and her husband Gerald, 50, from their 17-acre produce farm. The property has been condemned to make way for a new Junior high school, and a check for \$280,691 awaits Schroeder at the Cook County treasurer's office. He said he didn't care if it was million, he didn't want to move.

TALKING MARRIAGE—According to a report in Hollywood, actor Rod Taylor says he and actress Anita Ekberg may get married, but there are no definite plans. "We're talking," he said. "The friendship is warm, but nothing is decided."

STERILIZED AND THEN SOME—Testing a new surgery technique, Dr. Robert Telander (left), assisted by technician David Wallace, performs surgery on a baboon in San Antonio, Tex. The operating room is perhaps as sterilized as any so far. Note that the two stand in water, breathe through tubes. "Fog" is steam to condense dust particles.

GONE, BUT NEVER WILL BE FORGOTTEN—Grandma Moses, beloved little artist who didn't start painting her colorful rural landscapes until she was in her 70s, died peacefully in Hoosick Falls, N.Y., at the age of 101. At the left are two of her works.

OUTFOXED—That's Humane Society officer Columbus Hardville up front there, looking for you know what. Meanwhile, back at the back, the fox is about to disappear again. It was seen roaming around a multi-deck parking garage in Chicago, was later captured and taken to the anti-cruelty office. No one knows where the fox came from, or how.

SANTA CLAUS MAYOR—Bonnie Elizabeth Chandler of Laurel, Miss., has been named honorary mayor of Santa Claus, Ind. She will be 10 Christmas Eve.

DUET SOON—Singer Andy Williams and French dancer Claudine Longet cuddle in Hollywood on announcing they will wed before the end of the year. They met in Paris two years ago.

75-YEAR SENTENCE—University of Iowa Phi Beta Kappa graduate Ronald M. Stump, shown during his trial in Des Moines, is under sentence of 75 years in the slaying of former sweetheart's fiancé.

ANTI-TSHOMBE 'UNDERGROUND'—Weapons being what they are today, these Baluba tribesmen look somewhat ineffective with their bows and poisoned arrows, yet they helped Central Congolese troops win possession of Albertville in Northern Katanga Province. They don't like Katanga President Moïse Tshombe. The photo was made by George Ivan Smith, one of the two U.N. officials who were dragged from a dinner party in Elisabethville and beaten severely by Katanga troops.

LEAVE STONES UNTHROWN—Dominican youths turn tail and run as police charge in to stop rock-throwing during rioting in Santo Domingo. (Radiophoto)

INNARDS TREATED—King Saud of Saudi Arabia, who has been in Boston's Peter Bent Brigham Hospital for abdominal treatment, prepares to give his innards another treatment at the Colonial Club in Lynnfield, Mass. He was on a motor tour of the North Shore. He has several wives with him at the hospital.

Pointe's 1961 Headlines Reviewed

(Continued from Page 18)

August 10—Two persons lost their lives in a traffic accident on Lake Shore road at Newberry, when their car veered out of control and crashed into a utility pole. Dead on arrival at Bon Secours Hospital was Airman 2/c Eduardo Yglecias, Jr., 23, of 12811 East Warren, Detroit. His passenger, Mrs. Faye Chandler Byrd, 31, of 884 Dickerson, Detroit, died of injuries an hour after being admitted to the hospital. Yglecias was stationed at Selfridge Air Force Base. He was driving the car west on Lake Shore at a high rate of speed when the car wheels hit an island curb and he lost control and struck a light pole at the northwest corner of the road.

August 17—The 1961 School Census revealed that the population of the Grosse Pointe School District has increased to a total of 64,120 persons, 530 over that of the count of 1960. Included in the district are the five Pointes and a small fraction of Harper Woods. The population figures, broken down according to municipalities, were given as: Park, 15,997; City, 6,959; Farms, 12,583; Woods, 19,282; Shores, 2,477; and the Harper Woods fraction, 6,822. The census revealed the Woods leads with the number of residences, and of course, total population.

August 24—The Generalite of the Congregation of Bon Secours announced the appointment of Sister St. Theophanus as Mother Superior of Bon Secours Hospital in Cadillac road, and the appointment of the hospital administrator, Sister Mary Gertrude, as a provincial councillor, one of four in the United States. Mother St. Theophanus' appointment follows 25 years of service to the sick, 13 of which were spent in the Pointe. She succeeded Mother St. Laborius who was named Mother Superior of the St. Edmunds Home for Crippled Children in Rosemont, Pa. Mother Mary Gertrude came to the Pointe more than 40 years ago, and helped found Bon Secours Hospital.

August 31—The Grosse Pointe Metropolitan Club entertained more than 2,500 children and their parents at the Metropolitan Club Field Day held at the Neighborhood Club. Bicycles, tricycles, fishing rods and many other items were given away. The prizes were donated by Grosse Pointe merchants. Clowns were on hand to keep the children amused, courtesy of the policemen and firemen. Two fire trucks gave free rides to the kids. The "Forty and Eight" box car, a relic of World War I, was taken to the Field Day by the American Legion.

September 7—Park Patrolman Bobby McAlister shot and seriously wounded Leonard J. Watts, 28, alias Frank Sciacca, of 3496 Lemay, Detroit, an escaped criminal, who was fleeing from a home he had burglarized. Mr. and Mrs. Cecil Sorter of 1323 Somerset, surprised the burglar in their home, after returning from a visit. Watts was shot while trying to escape. He was an escapee from the Buncomb Prison, Raleigh, N. C., from where he fled on August 23.

September 14—The Rt. Rev. Russell Sturgis Hubbard, D.D., Bishop of Spokane, who was in Detroit for a General Convention of the Episcopal Church, was the special preacher at services held in St. Michael's Church. Bishop Hubbard, for several years was Suffragan Bishop of the Diocese of Michigan and well known to the people in the Pointe area.

September 21—Directors of the War Memorial Association awarded the contract for the building of the new William Hayes Fries Memorial Auditorium to Edward V. Monahan, Inc. The action was taken at a regular meeting held by the

Association at the War Memorial Center. Construction of the half-million-dollar building will begin at once and should be completed within one year. Participants in the ground breaking ceremonies included many prominent citizens of the Pointe, as well as the general public. Among those who participated in the ceremonies was Mrs. Fries, widow of the man whose gift made the auditorium possible.

September 28—The Farms Police Pistol Team won the Grosse Pointe Metropolitan Club Trophy by besting the other Pointe police pistol teams at an annual shoot held at the Mt. Clemens Police Pistol Range. The Farms team retired the trophy, donated by the NEWS, after winning it three times, and thereby retaining permanent possession of the prize. The retired trophy is the third won by the Farms team in 10 years. All three trophies were donated by the NEWS. The first was retired in 1954, and the second in 1957.

October 5—Dr. James W. Bushong, superintendent of the Grosse Pointe Public School System, was among a group of 18 American school administrators who departed from New York for a one-month field trip through the Soviet Union. Other stops include Copenhagen, Helsinki, Karsav and Berlin. They will visit schools in Leningrad, Moscow, Tbilisi and Kiev. The administrator will also attend a performance of the Bolshoi Ballet in Moscow.

October 12—An attractive new community meeting place was opened to the public when Michigan Consolidated Gas Company held open house at its "Hospitality Center" at 16906 Kercheval. Hugh C. Daly, executive vice president of the company, extended an invitation to all Pointe residents to visit the center. Manager of the center is M. C. Osborne. Ann Macaulay of the Pointe is the center's special representative.

October 19—The City of Grosse Pointe council accepted the resignation of Theodore G. Osius with deep regret. Osius, who has been a resident of the City since 1926 and served as City treasurer since 1933, was forced to resign because of change of residence. He moved to a new home in Grosse Pointe Shores. He expressed pride in being a part of a fine community, and stated that he enjoyed his relationship with the community.

October 26—The Woods council appointed a new city administrator, Chester E. Peterson, 40, as the successor to City Administrator William Lange who resigned last August. Lange's resignation was to have become effective on September 1, but he agreed to remain at the post until the council picked someone to replace him. The new administrator is from Greenville, Tex., and will take office on November 1. He was one of more than 300 who applied for the post, and one of the final 11 who were screened and interviewed.

November 2—Residents living in Vernier road were happy when the 24-hour parking on both sides of their street was restored by the State Highway Department. "No Parking" signs were removed from the area by workers of the Highway Department, but the State is keeping a close watch to determine if the parking will interfere with moving traffic or cause accidents. The parking ban was imposed last June from Sunningdale drive to Harper avenue. On several occasions, residents stormed the Woods council chambers to protest the ban, and the State rescinded the order.

November 9—The Grosse Pointe Unitarian Church, at a special congregational meeting, voted approval of the proposed exchange of property with the City of Grosse Pointe. The congregation adopted a resolution approving terms of the agreement and authorizing Mr. Creighton Lederer, church president and Mrs. Patricia Erikson, church clerk, to act in its behalf in executing the necessary papers. The City would give the church property on Maunce, including the site of the present City offices, in return for the Church's property on Jefferson.

November 16—The Neighborhood Club of Grosse Pointe, located in the heart of the heart of the five Pointes, celebrates 50 years of service to the community. Since 1911, it has quietly done a big job for all Pointe residents. It occupies the entire block bordered by Charlevoix, Waterloo, St. Clair and Neff, and is operated at the minimum of expense and manpower by an able staff headed by George Elworthy. The club had a modest beginning, but is now the most active organization in the Pointe. The late Jessie Hendrie was the guiding spirit behind the original organization.

9 Cases Heard In City Court

Grosse Pointe City Judge Joseph P. Uvick collected \$80 in fines on Tuesday, December 12, when nine persons appeared before him in Justice Court.

Kenneth James Miller, 5817 Marcellines, Detroit; Phillip Gower Robertson, 4319 Woodhall, Del., and William F. Crothers, 22304 Ten Mile, St. Clair Shores, all pled guilty to a charge of disorderly person. Miller was fined \$25; Robertson and Crothers each paid fines of \$10 apiece.

Stanley G. Trombly, Jr., 23155 Port, St. Clair Shores, charged with reckless driving, pled not guilty, and was found not guilty. The case against him was dismissed. A fine of \$5 was levied against Irene Marion Ewald, 5200 Bishop, Detroit, who was found guilty of not having her car under control, and George J. Palms, 353 Neff, was fined \$20 on the same charge.

Adjudged guilty of speeding 40 mph in a 30-mile zone, Garnet Mae Nelson, 813 Trombly, parted with \$10. Cases against Catherine L. Lambrecht, 546 Lincoln, and Michael Walter Dillenbach, 1364 Maryland, were dismissed. Mrs. Lambrecht pled not guilty to a charge of reckless driving. The case against Dillenbach, charged with violation of the drunk motor law, was dismissed, as no witness or complainant appeared to testify against him.

Obituaries

(Continued from Page 6) died Monday, December 11. He was 57.

A native of the Detroit area and an architectural draftsman, he is survived by his wife, Irma; three children, Gary, Gail and Carol; his mother, Mrs. Elaine Hinz, and a brother, Milo. Services were Thursday, December 14, at the R. G. & G. R. Harris Funeral Home. Burial was in White Chapel cemetery.

United States Ambassador to the Congo Edmund Gullion was designated the President's personal representative to both the rebel Katanga government and President Cyrille Adoula's Central Congo regime, with orders to exert every effort to achieve a settlement. Gullion's appointment was regarded as the first step in arrangements for a Tshombe-Adoula meeting, which could eventually result in a cease-fire and negotiations leading to a unified Congo.

on their arrival from Puerto Rico, and Betancourt rode with Kennedy in the bulletproof, bubble-topped limousine shipped from the United States especially for Kennedy's tour of the volatile Venezuelan capital where Vice President Nixon was attacked in 1958.

Kennedy, in a brief airport address, praised Betancourt's achievements, and urged continued cooperation "to achieve for the Americas the highest possible living conditions for all our people."

RED CHINA will not sit in the United Nations, at least for the time being. In a smashing United States' prestige victory, the General Assembly voted 48-36 to deny Peiping's bid for the seat now held by Chiang Kai-shek's Chinese Nationalist Government. The Communists, polling only 36 votes, fell over a dozen votes short of a simple majority, and 20 votes short of the two-thirds vote of approval needed to admit Red China. Twenty nations abstained from the voting.

U.S. Ambassador Adlai E. Stevenson, declaring that he was "gratified" by the result of the poll, stated that the outcome had underscored Nationalist China's right to hold its UN seat.

MOISE TSHOMBE is reported to have fled Elisabethville today. The Katanga President and his staff were forced to quit their capital as UN troops drove Katangese fighters back into the city's center, threatening the presidential palace. Tshombe is said to be headed for Kipshu, a mining town on the Rhodesian border.

Sunday, December 17 PRESIDENT KENNEDY yesterday asked all Venezuelans to support Latin American progress and help defeat communism, through adherence to the Alliance for Progress program of Latin American development. Solemnly warning against alien philosophies and dictatorships that promise economic development but deny individual freedom, the President cited Eastern Europe, China and "our own hemisphere" (an apparent reference to Cuba) as examples of how the communists keep their promises to provide a better life.

Venezuelan President Romulo Betancourt responded to Kennedy's address, declaring that his country has already decided to ally itself with Western ideology and will do its part to "impede the expansion of the Sino-Soviet bloc in Latin America." The Alliance for Progress, a ten-year, 20-billion-dollar program, links United States aid with Latin American reform and internal development.

JOHN J. (JOE) COLLINS, Michigan State Democratic Chairman, has announced that he will quit his post as vice-president and superintendent of agencies for the Jackson National Life Insurance Co. in order to devote full time to pressing party duties. His decision, partly the result of internal party pressure, will be announced at a meeting of the full Democratic State Central Committee in East Lansing tomorrow.

Tuesday, December 19 INDIAN TROOPS have captured the Portuguese colony of Goa. Land, sea and air attacks are reported to have quickly smashed Portuguese resistance in the capital city of Nova Goa. Diu and Damao, Portugal's two smaller west coast enclaves,

announced at a meeting of the full Democratic State Central Committee in East Lansing tomorrow. Many Democrats are reported to be worried about the inadequacy of the present Democratic organization in the face of next year's governorship battle, especially since the Republicans appear to have their strongest candidate in years in popular Detroit industrialist George Romney.

THREE KATANGAN STRONGHOLDS in Elisabethville have fallen to UN forces, but President Moise Tshombe, fleeing from his toppled capital, has vowed to fight to the end. Katangese troops still maintain positions in the heart of Elisabethville, near the Leopold II Hotel, but it seems now only a matter of time before the entire city capitulates under UN bombardment.

Monday, December 18 A DISASTROUS FIRE, sweeping through a circus tent in Niteroi, a suburb of Rio de Janeiro, killed at least 323 persons and injured an estimated 600 others Sunday. Most of the victims were children. Arson was suspected as cause of the blaze, which spread through the entire tent in a matter of seconds. Many spectators stampeded into the center ring and were trapped when the flaming canvas collapsed on top of them; others were trampled to death. Roberto B. Garcia, veteran policeman who witnessed the disaster, reported: "I've seen some horrible things but I never thought I would ever see anything so horrible. Everybody—women, men and children—tried to reach the exits and they fell one on top of the other. Many caught fire."

PRESIDENT KENNEDY, speaking in Bogota, Colombia, Sunday night, warned wealthy Latin American landowners and industrialists to take the initiative in eradicating mass poverty or be prepared for their own violent downfall.

Speaking on behalf of his Alliance for Progress program, the President said that the United States has promised Latin America "development assistance of a magnitude unparalleled since the Marshall Plan," but warned South American leaders that unless they not only accepted but initiated internal reforms "leadership will be taken from them and the heritage of centuries will be consumed in a few months of violence." An estimated 600,000 Colombians cheered the Kennedys on their brief visit to Bogota.

DESPITE PLEAS from the United States and the United Nations, India yesterday launched a full-scale attack on Goa and two other Portuguese possessions on India's west coast. The Indian Government declared action was necessary to "liberate" the territories, under Portuguese domination since 1504, and thus "complete India's independence."

Russia has given its full support to the invasion, while the State Department in Washington, informally expressing strong disapproval of India's offensive action, has indicated that the United States may bring the matter to the attention of the UN Security Council.

offered little or no resistance to the Indian forces. Confident of a complete military victory, ending 4 1/2 centuries of Portuguese rule on the subcontinent, Defense Minister V. K. Krishna Menon has already named Major General Kenneth Candeth, commander of the invading 17th division, as governor of Goa.

The United States and three other nations Monday night issued a resolution deploring use of force in India, and asking that the UN Security Council demand an immediate withdrawal of Indian troops from the three Portuguese enclaves.

UNLESS "DUTCH PROVOCATION" is halted immediately, Indonesia will settle its dispute with the Netherlands over West New Guinea by force, President Kennedy was reported to have been informed Monday of Indonesian President Sukarno's decision to call for national mobilization. Sukarno, in reply to Kennedy's peaceful settlement appeal, warned that Indonesia will not stand idly by while the Netherlands sets up

Over 50 years ago the Christmas social season in Detroit and the Pointe was faithfully reported in the glossy pages of the "Saturday Night", a weekly newspaper which was to the elite of our town what the late "Transcript" was to the proper Bostonian.

Reading the pages of the December 26, 1908 issue reminds us that although there was no Bomb, Berlin Crisis, or Khrushchev in those pre World War I days debutantes, the Yale Glee Club and weddings abounded as during this season and with much the same personnel.

The Yale Glee Club's appearance at the Harmonie was the high spot of that year, the boys arriving on the day of the concert and being feted at a "smoker" at the University Club following the program. The next evening the Glee Club and debutantes were honored at a "carpet dance" at the Country Club, which was of course the old frame Victorian Clubhouse at the foot of Fisher road.

Mrs. John Battice Ford gave a "very Recherche" luncheon for 35 during the 1908 holidays. The flowers were an abundance of begonias, lilies of the valley and orchids and the entertainment was "darkey impersonations" by Nannie Barbee.

Dorothy Sibley was married to Gaylord W. Gillis in the old Campau house, wearing an empire gown of white satin and rare old lace, her long veil held by a crown of orange blossoms.

Home for the holidays for all this festivity were a score of young people from Eastern Schools. Thyra Wilkins, Marjorie Strasburg, Cornelia Campbell, Marguerite Stroh and Mary Margaret Sweeney arrived from Vassar, Wesson Seyburn from Yale; Joseph Boyer from Lawrenceville and Frances Lothrop from Dobbs Ferry.

The Bal Moderne of the 1908 season was the charity ball at Strasburg's for the benefit of Women's Hospital, with Mrs. John W. Bagley, chairman.

Debutantes were introduced at the Century Building at a lavish assembly. The balconies overlooking the dance floor were garlanded with rose, the ceiling wreathed in smilax and a solid trellis of roses concealed the orchestra.

The assembly was well attended as the reporter says, "Although there have been many broken circles this winter there are not nearly so many prominent families in mourning this season."

In the receiving line for this exclusive affair were Mrs. Barbour, Mrs. Strathearn Hendrie, Mrs. Russel A. Alger, Jr., Mrs. Herman Dey and Mrs. Donald McClean.

The Christmas lights are shining on all our streets. Sunday in the rain residents full of the seasonal spirit were out with stepladders putting up their decorations... the display to see is always the George P. Johnsons in Whittier road, this year a Santa Claus at the North Pole... the Alfred R. Glancys' magnificent lights outlining their Lakeshore road home... and the James Gibsons' traditional star in Lincoln road, atop one of the Pointe's tallest pine trees, which has been glowing for at least 40 Christmases, since it was first erected by the late Murray W. Sales.

At the Convent of the Sacred Heart during Advent season there is the moving tradition of the potato novena. Each day the scholars meet in the main hall, where after a search of their consciences they dedicate a potato to the poor.

The Central Library is aglow with holiday spirit and readers are delighted to muse over the Land of Oz castle designed from Yule ribbon and tinsel and old tin cans by Susan and Michael Orr, children of Library director, Robert Orr.

Mrs. Edgar L. Fink has given a present to shoppers in a market on the hill. She has loaned her tremendous avocado tree, grown with much patience and tender loving care over two years from a lowly seed. The object, to encourage other shoppers to do likewise. Garden clubs please note Mrs. Fink's effort.

Do it yourself tree trimmers should take a hint from Miss Lillian Godwyn's second grade class at Richard. They trimmed their tree with pretzels shellacked with gold and clusters of gilded sea shells.

The holiday season left J. W. Kinnucan in a jolly mood... he laughed so hard at some Yule frivolity that he broke his rib.

Refusing to bow before the vagaries of flight schedules over the busy Yule season the Harley Earls drove off to Palm Beach Sunday morning. Here over the week-end for the glittering pink and white ball at the Little Club given by the Lowrey Kammers and the C. Hascall Bliss the Earls discovered they could not get out of Detroit the morning after the ball. No planes were flying, but not one whit disturbed they drove off gaily for the three day trek to their beloved southland.

Pointer of Interest

By Patricia Talbot

At this season when the spirit of peace on earth good will to men prevails in heart if not in action, men may look to the simple old adages and often find their truth. In spite of the Bomb, the Berlin crisis, the unrest in the Congo and the perils of automation the world has not changed so much that good will is still not the motivation of most men.

The Bible tells us "Thou shalt love thy neighbor as thyself" and in our town this is not just a verse learned as a child and rarely practised by cynical adults.

In spite of the dark image of Grosse Pointe in some quarters, the neighborly spirit is

Handbook Tells Of Scholarships

The American Legion's education and scholarship handbook, "Need a Lift?", containing information about hundreds of college and vocational school scholarships for qualified high school students of this area has been presented to Grosse Pointe High School, St. Ambrose High School, St. Paul's High School, Notre Dame High School, Harper Woods High School, and to three (3) Grosse Pointe Libraries by Grosse Pointe Post #303 of The American Legion.

This revised publication for the 1961-62 school year is recognized as one of the most complete sources of career and scholarship information in the United States. The handbook does not limit its listings to children of veterans but contains scholarships and educational aids which are available to all students.

Commander Louis R. Hyde, Grosse Pointe Post #303, stated that thousands of young people have not taken advantage of the generous educational aids which are available due to a failure to plan early for their future education.

He mentioned in particular the Junior GI Bill which provides up to \$110 per month for four years of educational help for sons and daughters of veterans who lost their lives as a result of military service. Over half of the young people eligible for this help have failed to apply, Mr. Hyde said.

Experience has proven that plans for higher education should begin during the student's sophomore year in high school. "The boy or girl who starts considering career and scholarships sources early, is the one with the best chance of going on to school," he said.

Parents and students are encouraged to make use of the copies of "Need a Lift?" provided as a service to the community. The publication, prepared by The American Legion's Education and Scholarship Program, National Americanism Division in Indianapolis is now in its 11th edition with distribution of more than a half million copies since its first issue in 1951.

much in evidence and not only at the Christmas season.

Gift of Neighborliness To the newcomer who is welcomed with a hot casserole as the vans unload, to the family suddenly visited with disaster or tragedy, to the clerk behind the counter, to the mailman or policeman on the corner neighborliness is the abundant gift of our citizens.

And not just in our small community and for each other do real charity, kindness and consideration for the less fortunate abound. Pointers, well aware they are among the larger world's more blessed, share their goods, their time, their energies, giving of themselves to the needy city, to the nation and to the land far beyond their boundaries.

On every list of community workers, from the United Foundation to the United Nations, the names of our citizens are foremost. Good neighbors give blood to the Red Cross, raise money for masterpieces for the Art Museum, open their homes to foreign exchange students, ring doorbells for the March of Dimes, Muscular Dystrophy and Cancer Research, contribute to the symphony and pack old clothes and white elephants for foreign missions and hungry children continents away.

The Spirit of Service Service to others is the guiding spirit of so many Grosse Pointe residents, most of whom would deny they are doing anything unusual. Even grade school children here are aware of their responsibilities to others, are nurtured with the golden rule, "do unto others as you would have them do unto you."

Both the Pointe's civic centers, the War Memorial and the Neighborhood Club are thriving meeting places for organizations which serve, the Red

Cross, the Junior League, Cancer bandages, Rotary, Kiwanis, Linens, Exchange, Service Guild for hospitals, these at the War Memorial. At the Neighborhood Club summer day camps, gym classes, dances for the school aged, a club for police, firemen and postal employees, are some of the activities which foster the neighborly spirit.

Few causes appeal in vain to the Pointer, the best neighbor. And in a more intimate mood our city's streets are filled with people this Christmas, who with so much to be thankful for themselves, have gratitude and bounty to share.

Concern for Others On the hill or in the Village shopping, the gay reunion, the cheery greeting, the concern for others is more apparent than ever as shoppers through the stores for their seasonal gift search.

Behind wreath-covered doors friends are gathering at the annual holiday parties which promote good fellowship, but in their busy lives, filled with so many of the good things of life, there is always a moment, many moments, for their neighbor. The family next door, the charity they support, the country they love, Grosse Pointers never forget in their own rich lives the old fashioned virtues of service, duty and love. They have much to share and they do it gracefully, constantly and thankfully.

FARMS MEETING CHANGED Because the first meeting of the Farms council is scheduled to fall on Monday, January 1, New Year's Day, the council voted to adjourn that meeting and postpone it until Monday, January 15.

DYC Invites Tots to Party

The Detroit Yacht Club will hold its annual Christmas party for children on Saturday beginning with a noon luncheon and followed by a visit from Santa Claus.

On the afternoon's program are comics, movies, and "Mel the Balloon Man". Refreshments will be served in Peacock Alley at 4:30 o'clock.

On December 28 the club will sponsor a University Night dance for the home from college crowd with Danny Baker supplying the music.

Perry Deakin is planning both parties assisted by Paula Roth, Joan Daniels, Sue Zuchlke, Michael Irvine, Peter Jacques, Robert Lount, Charles Mistle, Neil Stoneback, John Uznis, Dennis Daniels and Peter Alandt.

REPORTS LARCENY Donald Strehler of 19258 Linville, complained to Farms police on Wednesday, December 13, that someone broke into his locker in Grosse Pointe High School and took his wrist watch, valued at \$30, and a yellow gold signet onyx ring, worth \$20.

A Very Merry Christmas ... and THANKS Roland Gray George Neirinch Marie Hawkins Racquet & Sport Shop 106 KERCHEVAL on the Hill Grosse Pointe's Own Sport Shop

Pointe Counter Points By Pat Rousseau The Many Lights Of Christmas... are reflected in The Fine Jewelry Collection at Walton-Pierce. Imported gold charms, set with precious stones, combine artistry and imagination... as do the pins, necklaces and dinner rings... while the time of the year is memorably marked by exquisite watches. When A Present... is a puzzlement, drop into Irving's 82 Kercheval on-the-Hill. You'll find a delightful boutique of gifts, a gathering of spirited separates, knit pants and tops in great colors. They are newly arrived and are perfect for holiday giving now... a trip south... later! "Ring Out The Old! Ring In The New!" A new hair-do by Leon can do wonderful things for your good looks! It may interest you to know that the charming news-making ROMINA was first introduced by a New York stylist at Leon's, 17888 Mack Avenue before it swept the country. The stylists at Leon's keep up with all the newest lines and can adapt them for you. Call TUxedo 4-9393 for an appointment. A Christmas Feast... will provoke contented sighs even from the cook. She prepared it in her new Mutschler Kitchen where things always seem to go much easier. Perhaps it's because the well planned work areas have appliances ready and always within reach. Then again, it could be that the custom coordinated decor is so pleasant. Why don't you give the cook in your house the very best. Stop and see the handsome decorator kitchens at Mutschler, 30489 Mack Avenue. "Happy Holidays... happy holidays!" Happy all year through when you have the gift of good health! Be sure to guard it well and be sure you order Notre-Vite, a balanced formula that contains a complete range of vitamins and minerals. Notre-Vite was compounded for The Notre Dame Pharmacy. A Wreath... of beautiful hair... rounded and shaped by the artistic hands of Mr. Cass Krowley. He has perfected The Natural Cut which is the basis of many a lovely hair style this season. Call TUxedo 1-5920 for an appointment at Cass Krowley Hairdressers, 19517 Mack Avenue. "Help To Make The Season Bright"... is the spirit at The Fashion Door, 18546 Mack Avenue. All Christmas week their "Goodie Tree" holds treats for their customers to enjoy, while they are getting pretty! Their number is TUxedo 2-4246.
