

ANOTHER HIGH SCHOOL PLANNED

HEADLINES of the WEEK As Compiled by the Grosse Pointe News

Thursday, March 12
A DETROIT FLYER and his two crewmates who were shot down over East Germany are alive. They were in an unarmed American Air Force jet reconnaissance bomber. The Soviet Union officially admitted one of its fighters shot the American plane down, near Frankfurt. Air Force spokesmen said the Communists may have used false radio signals to lure the American plane off course. The report that the men are alive came from the mayor of the town of Stendal.

MELVIN BELLI, defense attorney for Jack Ruby, rested his case Wednesday. Immediately after, Dallas District Attorney Henry Wade called five medical witnesses into the courtroom, two of whom testified that Ruby knew right from wrong when he shot and killed Lee Harvey Oswald. Three others said they had seen no concrete evidence that Ruby suffers from psychomotor epilepsy or from organic brain damage, as claimed by the defense.

Friday, March 13
HOUSE MEMBERS defeated a bill to raise their own salaries \$10,000 a year, probably because this is an election year. The bill that was defeated would have spread \$545 million of annual pay raises among 1.7 million Federal employees. The vote was 222 to 184, with 149 Democrats and 35 Republicans for the bill, and 138 Republicans and 86 Democrats against it.

Saturday, March 14
SECRETARY GENERAL of the UNITED NATIONS U Thant announced that a UN peace force was being assembled to ease the Cyprus crisis. His announcement was the climax of a meeting of the Security Council, called at the request of Cyprus. Earlier Friday, war between Greece and Turkey appeared imminent.

Sunday, March 15
JACK RUBY was found guilty of the murder of Lee Harvey Oswald Saturday by a Dallas jury and sentenced to death in the electric chair. The four women and eight men jurors reached their decision after deliberating two hours and 20 minutes. Ruby's lawyers called the verdict "a triumph for bigotry," and stated they will appeal the case. The appeal process may take about two years so even if the verdict stands, it could be that long before Ruby is executed.

Monday, March 16
PRESIDENT JOHNSON said that Ambassador Henry Cabot Lodge will stay in South Viet Nam to continue his fight against Communism there. The President made the announcement in a nationally televised interview and stated further that he did not expect that Lodge's status would be changed because of his victory in the New Hampshire primary.

Tuesday, March 17
BRUSH FIRES in the suburban foothills of Los Angeles broke out Monday, spurred on by high winds off the Mojave Desert. Winds up to 90 miles an hour swept through the area resulting in two major blazes that authorities said there was no hope of containing. Thousands of trees blew down, houses were unroofed, and scores of windows broken in the hurricane-like desert wind. One man was fatally crushed by a toppling tree. Sparks from broken power lines were blamed for the fires. Many fine homes have been destroyed by the blazes, which have covered thousands of acres.

PRESIDENT CHARLES DE GAULLE arrived in Mexico City yesterday amid cheering throngs who lined his route from the airport into the center of the city, showering him with confetti. De Gaulle rode beside President Adolfo Lopez Mateos. The President of the French Republic was accorded the honor of being the first foreign chief ever to speak from the presidential balcony overlooking Constitution Plaza.

Winter Puts Frosting on Tennis House Setting

The snowstorm many hope will be the last of the season, produced much fairland scenery. This is the Tennis House, in Moselle place, where members pursue their favorite sport during the dreary months. Tobey Hansen, club pro, has announced the annual closing tournament will get underway in about two weeks. The season ends on April 15, when the players move to outdoor courts at the various clubs and schools and on private properties.

City's Plea For Federal Funds Denied

Area Removed from Eligible List For Receiving Grants; Will Build New Garage
The City Manager of the City of Grosse Pointe, Lawrence Savage, was notified by the Housing and Home Finance Agency March 16 that the City's application for matching funds under the Accelerated Works Program has been suspended from consideration for approval.

The federal agency pointed out that the City area was recently removed from the list of areas that were eligible to receive grant funds under this program. It was further pointed out that if Wayne County should again be listed as an area eligible to participate in the Accelerated Public Works Program, the City may reactivate the application upon specific request. The cost of the garage is expected to be \$95,268 and the City requested 50 per cent of that amount.

Mr. Savage stated that approval of this application had been in doubt for some time and for that reason the City has been planning to construct the new Department of Public Works garage building on a pay-as-you-go basis, completing the project over a two year period. Present plans call for completion.

The Panel, which is open to the public at no charge, will be held at 8 o'clock in the Fries Auditorium of the Grosse Pointe War Memorial, 32 Lake Shore road.

Police-Fire Radio Battle Flares Anew, 'Bad Faith' Charged by HW Official

Scopas Claims Cost Study Committee Overstepped its Authority in Investigation and Sending of Letter To FCC
The Grosse Pointe Inter-City Municipal Radio System controversy flared anew when a Harper Woods councilman charged that a cost study committee acted in "bad faith" by sending a letter to the Federal Communication Commission in Washington, protesting Harper Woods' application for a base station for its own police-fire emergency radio system.

Freak Accident Injures Driver

A freak accident occurred March 16 when John Veech of 532 Lakeland avenue was backing his car out of the garage. He got out of the car to close the garage door and apparently left the car in gear. It started to move and he jumped partially into the car in order to apply the brake, but accidentally put his foot on the accelerator and the car shot forward. Veech was pinned, half in the car and half out, with his foot on the accelerator as the car lunged into the brick wall at the rear of the garage. The wall was moved several feet, but stopped the car, with the rear wheels spinning on the cement floor.

Smoke from the burning tires was seen pouring from the garage and the fire department was called. They found the trapped Veech and released him. He was not seriously injured.

Three United States Congressmen will visit Grosse Pointe on Monday evening, March 30, to conduct a GOP "Paul Revere" Panel, according to an announcement by David Dethmers, chairman of the Young Republicans of the 14th District, who are hosting the Congressmen.

Neighborhood Parking Tilt All Settled

Moross Road Residents End Squabble Amicably; Alleged Nuisance Eliminated
A Farms resident accused by his neighbors of creating a nuisance caused by the operation of a business at his home, was vindicated by the Farms council Monday night, March 16. Everything was resolved to the satisfaction of the neighbors.

The nuisance complaint was brought against Arthur Socia of 233 Moross road, who has been engaged in the business of trucking, bulldozing, and landscaping since 1940. The attorneys for both sides, James McNally, former Wayne County prosecutor, representing John Scherer of 223 Moross and the neighbors; and Gerald Fitzgerald, Jr., representing Socia, agreed to a solution of the only possible violation of city ordinance, parking of heavy equipment on the street. Fitzgerald said that his client has three pieces of equipment. One heavy piece is placed in a rented garage in Mack avenue, and another was parked on his client's property, along with a panel truck. However, the attorneys agreed that the assessment has the right to assess property, and that this right is governed by Michigan laws.

Farms Submits Building Report
The Farms' building construction from January 1 through February 29, disclosed a decided drop in applications for building permits, as compared to the same period last year. During the month of February, only two permits were applied for, valued at \$15,000, making a total number of permits issued since the beginning of the year, only seven, valued at a total of \$41,000. These permits were for miscellaneous construction.

There were no applications received for permits for residential, commercial or non-assessable building. During the first two months of 1963, the Building Department approved four residential construction permits valued at \$143,000; and 10 miscellaneous permits, valued at \$102,500, a total of \$245,500.

Taxpayers Battle Over Assessments At Farms Meeting

James Allor of Mapleton Road Named President Of Property Owners Association; Councilmen Attempt to Explain Situation
A group of taxpayers attended the Farms council meeting held Monday night, March 16, to protest and to demand an explanation of an increased assessment on their properties. They claimed the increase would cost them more in taxes which they cannot afford.

Next Move In Civil Suit Up to City

Attorney to Be Named By Council to Represent Municipality in Hospital Action
The next move in the civil suit filed by Bon Secours Hospital against the City of Grosse Pointe will be Monday, March 22, at the City Council Meeting, when an attorney or attorneys will be selected to represent the City and councilmen.

Association Formed
James S. Allor of 81 Mapleton, who informed the council that he was elected president of the newly organized Grosse Pointe Farms Property Owners Association, charged that the taxpayers were given only four days notice regarding the reassessment on their properties, which is not ample time to give them the opportunity to look into the matter. Allor charged that the tax assessment rolls, that are supposed to be open for public inspection, were closed when he sought to check his own assessment. City Clerk Dawson Nacy, who is also city assessor, denied Allor's accusation, stating that the rolls are still open to anyone desiring to look them over.

Powers Questioned
Russell Parker, a realtor and taxpayer, with offices at 18580 Mack, demanded to know what powers are in the hands of the assessor; what authority does he have to assess property, or if he (the assessor) was just a "rubber stamp" of the State. He was informed that the assessor has the right to assess property, and that this right is governed by Michigan laws.

Woods Council Honors Students
Two Barnes School students were presented awards at the regular meeting of the City of Grosse Pointe Woods Council meeting March 16, for their alertness in effecting the rescue and saving the life of Steven DuShane, age 4, of 1692 Littlestone last July 1 at the Woods swimming pool. The two girls who accepted plaques from Mayor Kenneth McLeod were Valerie Atkin of 499 Sunningdale drive and Cynthia Green of 1230 North Oxford road.

Lake Level Up as Pointe Dredging Work Continues

Lake St. Clair has started its spring rise. The level of the water is already up six inches over the low recorded in January, and by the end of the summer, is expected to rise another foot. In the fall, it will start to ebb again. The United States Army Corps of Engineers has a gauge at the Grosse Pointe Yacht Club which records the lake level and it is then averaged out over a seven-day period to give a weekly average. The depth of the water may change within a variation of several inches due to the direction of the wind, so that the seven-day average gives a more accurate picture of the actual level of the water. Dredging is planned in all of the Grosse Pointe communities. In the City, plans are un-

Board Moves To Condemn Needed Land

Structure to Solve Many Congestion Problems Would Be Erected on Vanderbusch Farm In Woods
At a special meeting held late Tuesday afternoon, the seven members of the Grosse Pointe Board of Education unanimously passed a resolution to designate a building site and to direct attorneys to institute legal proceedings to obtain the land needed for the construction of a second senior high school.

Legal action is necessary because negotiations between the attorney for the Board and attorneys for the owners of the site have not resulted in a sale agreement. Dr. Robert K. Whiteley, president of the board, indicated that the major decision was reached after almost a year of intensive study and discussion of all possible future building needs. He said that the Board had eliminated as impractical all other alternatives to solving the schools' housing problem in the foreseeable future.

Only Possible Action
"In the best judgment of the Board and the administration, the only possible action is to purchase a site and construct a second public high school in the community," Dr. Whiteley stated. The proposed high school site, located in the vicinity of Verrier road and Morningside drive in Grosse Pointe Woods, totals 31.7 acres. Of this area, 29.53 acres are owned by Edward and Frank Vanderbusch, 2.17 acres by Mr. and Mrs. John Baker.

Figures Are Conservative
Local educators feel that these figures are conservative. Examination of local, regional, and national population projections reveal that anticipated growth may be greater. Many factors influence school enrollments in Grosse Pointe. Despite a slight decline in the national figures, the birthrate continues at unprecedentedly high levels. The first waves of the great baby boom starting in 1942 are just now coming into the marriageable age. Within the next five to ten years, the largest numbers of marriages ever recorded in history may be expected. This means that within 10 to 15 years increases in school enrollment may be equal to or exceed those of the decade from 1950 to 1960, a decade that saw Grosse Pointe Public School enrollments increase by 75 per cent.

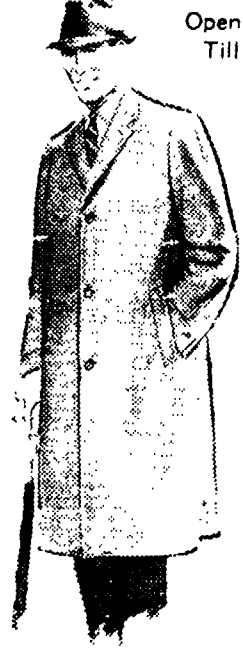

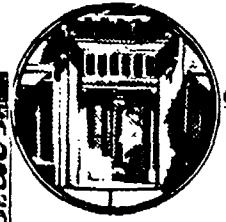

Ownership Changes
A third factor affecting school enrollments is the change-over in home ownership. As older residents die or move away, their homes are regularly purchased by families with school-age children. Dr. Charles H. Wilson, Superintendent of Schools indicated that with an already overcrowded high school and two junior highs at maximum enrollments, an immediate problem exists throughout the school district. Assessments

(Continued from Page 1) does not necessarily mean that there will be an increase in the tax rate, or that more taxes will be paid.

Only So Much Required
It takes only so much to run the city government, Mitchell pointed out. Barring wage increases to city employees, and other circumstances involving the cost of government, the tax rate might remain the same, or it might go up or even down.

The councilman pointed out also, when asked by the people, that what the tax rate for the fiscal year 1964-65 will be is not yet known. This will be decided when the council studies and adopts its budget at the first council meeting in May.

He stressed again that it takes so much money to run a city government, that whether assessments are up or down, or if the tax rate is up or down, just so much can be collected in taxes, and no more. Even though the county equalized assessment has been applied, the same amount of money will be collected that is approved in the budget, Mitchell said.

Councilman William Butler attempted to illustrate on a small blackboard, how the tax rates apply under the old local assessment and under the county equalized level.

He pointed out that if property is assessed, for example, at one million dollars at the local level, and \$100,000 is needed to operate the city government, the tax rate would be \$10 per \$1,000 assessed valuation.

Under the county equalized program, say properties have been reassessed at two million dollars, and \$100,000 is still needed to run the city. Then, Butler pointed out, the tax rate would be \$5 per \$1,000, which would still raise the amount needed.

Also demanded that the Board of Review be made available to persons unable to appear before it during the day time. Many people work during the day, and were unable to appear at the first Board of Review hearing held on Tuesday, March 10, he said.

The council, by resolution, decreed that the Board of Review meet at its regular time on Tuesday, March 24, and reconvene again from 7 p.m. to 9 p.m. the same evening, to permit those unable to come during the day, a chance to seek a possible adjustment.

He began his political career as a member of the Rochester, N.Y. City Council where he served from 1955 through December 1961. He was elected to Congress from New York's 36th District which is adjacent to the Canadian border on the banks of Lake Ontario.

Representative McC. Mathias now serves on the Judiciary and District of Columbia Committees in the House of Representatives. Much of his judiciary work has been concerned with civil rights matters. Mr. Mathias is a Law graduate of the University of Maryland and also attended Yale and Haverford. He has had a wealth of experience in community affairs in Maryland, serving as Delegate to the General Assembly, Assistant Attorney General of Maryland, and city attorney of his home town in Frederick.

The three Congressmen will hold a press conference Monday morning (March 20) on their arrival in Detroit and Mr. Curtis will receive a special award at the noon meeting of the Detroit Economic Club. Congressmen Horton and McC. Mathias will be guest speakers that Monday at a special luncheon of the Women's Economic Club.

REPORTS MISSING RING
A delayed loss report was received by City Police March 9 from Mrs. Joseph Reed of 448 Lincoln road. She has been missing a diamond ring since November, 1963. It was described as a three-quarter carat diamond with three small diamond chips surrounding it in a platinum setting. The value was set at \$600.

Park Hires Two New Policemen

Two new police officers were employed by the Park Police Department, one who began his duties on Monday, March 16, and the other to assume his duties on Monday, March 23, according to Police Chief Arthur Louwers.

The two new recruits were hired to replace two policemen who resigned. They are George McDowell, an eight-year veteran on the force, who quit February 28, to work with the Detroit Automobile Insurance Exchange, and John Trombley, who had been with the force since July, 1955.

Trombley resigned to take up employment with a large excavating firm in Detroit, Chief Louwers disclosed. His resignation became effective on Saturday, March 14.

The immediate replacement, the chief said, is Robert D. Cory, 28, of 22438 Boulder, East Detroit, who left a job as assistant branch manager of a loan firm in Warren, to become a policeman.

The recruit is a veteran of the United States Army, serving two enlistments, the last one in Korea. He was honorably discharged with the rating of airman second class.

He is a graduate of East Detroit High School. He is married and the father of one child.

The second recruit is Charles A. Petrie, 24, of 2942 Philip, Detroit, who left a shop foreman's post with a Detroit electrical firm to work in the Park.

He is a graduate of Denby High School, and is presently attending night sessions at the Detroit Institute of Technology to further his college education. He is married and the father of two children.

Kiwanis Club Given Awards

Key Club International, high school boys' service organization sponsored by Kiwanis International, has won a top award in the annual Freedoms Foundation Americanism competition, according to Frank D. Galda, president of the Kiwanis Club of Grosse Pointe. The Kiwanis Club of Grosse Pointe sponsors the Key Club of Grosse Pointe High School.

The award which was presented to Kenneth Cohen, 17, of Ewing Township High School, Trenton, N. J., on Feb. 22, at Valley Forge, came for Key Club's 1963 theme, "Fulfill Freedom's Challenge." Dr. Kenneth D. Wells, president of the Freedoms Foundation, made the presentation.

Key Club International, which comprises approximately 67,000 high school boys in 2,700 U. S. and Canadian high schools, was cited as follows: "Sixty-seven thousand high school young men adopted an eight-point program which stressed strengthening spiritual growth, preserving our common heritage and ideals, putting democracy on the offensive, inspiring intelligent leadership, stressing higher moral standards by promoting mental and physical fitness."

Kiwanis International, too, was honored. The organization received a Distinguished Service Award for its 1963-64 theme, "Responsibility - The Key to Freedom." Kiwanis has won a top award each year since Freedoms Foundation began.

Circle K International, a college men's service organization also sponsored by Kiwanis, received a George Washington Honor Medal.

Woods Police Head Asks Help to Cut Traffic Toll

With the death toll on the State highways continuing at a pace that may make it the worst in Michigan's history, the Traffic and Safety Committee of the Michigan Association of Chiefs of Police has urged all heads of law enforcement agencies to join in an emergency "Emphasis Traffic Safety Program," in an effort to reduce accidents to a minimum.

Woods Director of Public Safety Vern C. Bailey, chairman of the MACP's Traffic and Safety Committee, received a letter from Niles Police Chief Arthur Pears, association president, asking for wholehearted co-operation in a statewide traffic law enforcement and education campaign.

"We are eager to take part in the program," Director Bailey said, "and in addition to our officers exerting every effort possible in the enforcement of traffic laws to prevent the violations that are causing the accidents, we are calling upon the public to be alert to the situation confronting us, and to be more alert than ever in driving safely."

Spring Arrives Friday Morning

Spring will come early this year. Its arrival at 9:10 a.m. Friday, (March 20) will be 18 hours earlier than last year, thanks to the extra day in February. Without the leap day, the start would be nearly six hours later than last year, according to University of Michigan astronomer Hazel M. Losh.

Normally spring begins six hours later each year because of the difference between the 365-day calendar and the time actually used by the earth to swing around the sun, 365.2422 days.

But this year the extra day in February puts the beginning of the season three fourths of a day earlier than the date of last year. Next year the date will be six hours later, and so on until the next leap year of 1968.

The spring season is said to begin when the sun reaches the vernal equinox, the instant when the sun crosses the equator on its way north in its apparent yearly journey around the earth, Professor Losh explains.

"On the day of the equinox the sun will rise and set almost exactly at the east and west points of the horizon, and the day and night are said to be of equal lengths," she points out.

"This is not strictly true, however, due to atmospheric refraction, which lifts the sun into view before it actually comes over the horizon. The equal day and night really come about three days before the date of the equinox."

Shores Police Accuse Driver

Robert E. Werner, 67, of 824 Whittier, was arrested on Lake Shore drive by Shores police Thursday evening, March 12, when he was observed driving in an erratic manner at high speed.

Patrolman Harry Hamilton, the arresting officer, said that he saw Werner at 5:50 p.m. traveling north on the road, weaving from lane to lane and down the center of the roadway. The officer said his radar placed Werner's speed at 58 miles an hour.

The policeman said that he chased the motorist, and pulled up alongside of him at Clareview and blew the police car horn to stop the driver. Werner went over the curb and back onto the road before coming to a stop, Hamilton said.

The officer said that when he questioned Werner, the man admitted to having two drinks at a club where he had been playing bridge. Werner staggered when he got out of the car, Hamilton said.

Patrolman Chester Painter was dispatched to the scene to assist Hamilton in bringing Werner and his automobile to the station. At the station, Werner was given a violation ticket for reckless driving (drinking), and another ticket for driving in violation of restrictions (without glasses).

Werner was released after posting bond of \$100. He has a scheduled court date set for April 29.

Sport Fans: I Bet You Didn't Know . . .

One of the most unusual nicknames for a team in sports is the "Dodgers." Do you have any idea how that nickname came into being? When trolleys were first introduced in Brooklyn, people in New York referred to Brooklynites as trolley dodgers. The Brooklyn baseball team then was given that name . . . After a few years, they shortened it to simply "Dodgers."

One of the most famous terms in sports is the "dally double" in racing. But, did you know that the dally double was invented just a little more than 20 years ago? And did you know that it was started, not in the U.S., but in Canada? The man who invented the dally double was named Leo Pandurand, Canadian . . . And, the first track to use the dally double was Comnaught Park in Ottawa in 1930. They really started something, didn't they?

Did you ever wonder where the word "kolf" came from? Although golf was developed in Scotland, it was the Dutch who gave the sport its name. The word "kolf" is a Dutch word meaning a club with which to hit a ball.

Parking Tilt
 (Continued from Page 1)

torney said, his client is more than willing, to keep peace in the neighborhood, to park both heavy pieces in the Mack garage.

Had Two Complaints
 At a recent meeting, Scherer brought the original complaint before the council, charging Socia was parking heavy vehicles in the street in violation of a city ordinance, and carrying on a business in a residential area, which is also against the law.

Scherer also charged that rats were seen on Socia's property, and also that Socia had an underground gasoline storage tank on his land.

The matter was referred to City Manager Sidney DeBoer for investigation and report to the council.

The city manager, in his report to the council at Monday night's meeting, stated that Socia does use Ridge road to park his vehicles, since parking is prohibited on both sides of Moross. However, according to police, in no case are the vehicles parked for a 24-hour period, therefore, there is no violation of the city law.

DeBoer informed the council that Police Chief James Furton had discussed the parking situation with Socia several months ago, and there has been less parking of the vehicles by Socia.

No Violation Found
 In checking the rat problem, DeBoer said, a representative of the Building Department inspected Socia's garage and found there is a rat wall and concrete flooring, as required by ordinance.

Socia told DeBoer that during the war years, he was engaged in the plovling of "victory gardens" and that at that time, he installed a 250-gallon underground gasoline storage, with permission from the city.

The tank is still in service, the city manager said, and to the best of his knowledge, there is no ordinance prohibiting such a tank in a residential area. The premises were inspected by the Fire Department and everything was satisfactory, DeBoer said.

The inspecting fireman reported that he made the inspection on Feb. 20, and that he found that there are two motor oil storage tanks with hand pumps, an acetylene welding outfit and a 10-pound CO 2 fire extinguisher in the garage.

Attached to the garage, the inspector said, is a small building which houses a hand operated pump attached to the gasoline tank, which is six feet below the surface.

DeBoer pointed out that the underground tank was installed during the war, when storage space was at a premium.

Socia did in fact garage a one and a half-ton truck on his property, which is a violation of the present zoning ordinance, the city manager said.

However, since Socia agreed to park the vehicle in the Mack avenue garage, the entire matter was dismissed by the council.

Parking Meter Is Total Loss

Harold Lingemann of 17009 Kercheval avenue reported to City police March 15 that a parking meter in front of his store was smashed. Upon investigation, police officers found a meter broken off at the pole at ground level and the meter was a total loss. The money in the meter was still intact. The damaged meter was taken to the police station.

THIEF TAKES TOOLS
 Allan McBryer, 46, of 28250 Rosemont, Roseville, lost approximately \$100 worth of carpenter's tools to a thief on Thursday, March 12. He told Woods police that he had parked his panel truck near a Mack avenue bar, where he was going to work after closing hours, and when he returned, he discovered someone had broken into the vehicle and had taken the tools.

Crusade Head
 LEONARD WOODCOCK, vice-president of the International Union, UAW, will be the 1964 General Crusade chairman for the Michigan Cancer Foundation, it was announced by Dr. Oscar D. Stryker, Foundation President.

"When I consider the tragic loss in man-years of productivity as well as the millions of dollars in earnings and tax revenues lost to the nation because of cancer and its annual death toll of more than 280,000 Americans," Mr. Woodcock said, "I am only too pleased to accept this appointment as General Crusade Chairman for this year's educational campaign."

In accepting the chairmanship, Mr. Woodcock will be responsible for a four-county crusade involving a stepped-up program of film showings featuring the Foundation's latest educational film, "Time Out for Living," a production designed to motivate men to get annual physical checkups.

"We hope to get every men's club, organization, labor union, industrial, civic and church group as an audience for "Time Out for Living," Mr. Woodcock said, "and we'll reach others—the unemployed and the self-employed at special showings to be held in community, civic and school buildings."

Besides the special film showings directed toward the male population of Southeastern Michigan, the Foundation will devote the month of April to an intensified educational program for the public at large. A Torch Drive agency, the Michigan Cancer Foundation conducts a house-to-house, not for solicitation of funds, but for distribution of life-saving information. It also obtains maximum visibility through the cooperation of business, industry and all forms of publicity media with billboards, posters, newspaper space and radio and television promotion.

Mr. Woodcock is an active member of the Board of Trustees of the Capital Fund Trust Division of United Foundation as well as of a number of other civic and health organizations on local, national and international levels.

Mrs. Alfred R. Giancy Jr., Foundation Chairman of Volunteer Activities, will serve for the seventh consecutive year as Chairman of the Women's Crusade Committee assisting Mr. Woodcock. The Michigan Cancer Foundation is a Torch Drive agency servicing Wayne, Oakland, Macomb and Monroe counties with a year-round cancer control program.

Good Literature Council to Meet

An informal dessert coffee will be held Thursday, March 19, from 1 to 3 p.m. in the Hospitality House in Grosse Pointe Village, by the Grosse Pointe Council of Better Literature for Youth.

The Council's annual spring meeting is traditionally open to the public, and its purpose is to acquaint Grosse Pointers with the Council's aim to prevent the sale of obscene magazines to the youth of the community.

Members of the Board of Directors will all be present to answer questions, and to suggest ways that parents can support the efforts of the Council in maintaining the present excellent cooperation of the merchants displaying and selling magazines in Grosse Pointe.

An appeal is made to all organizations in Grosse Pointe, whether they be social, civic or religious, to send a representative to this informal gathering.

There will be magazine displays and visual examples which will show graphically the need for continued vigilance by all who are interested in safeguarding morals.

The Council's founders, Mrs. Jacob Wenzel and Mrs. Riford Johnston, who is also its current president, will be hostesses at the coffee.

O'Leary Named To Drive Post

Torch Drive Chairman Thomas F. Morrow today named Edwin D. O'Leary as campaign co-chairman for Chapter Fair Share Promotion.

O'Leary, a native Detroit, is vice president-personnel and organization for the Ford Motor Company and a member of the United Foundation Advisory Board. Morrow is group vice president, Defense, Space and Diversified Products for Chrysler Corporation.

O'Leary served in the 1963 Torch Drive as co-chairman for Corporate Leadership. As co-chairman for Chapter Fair Share Promotion, he is responsible for promoting better interpretation and acceptance of the Fair Share concept, or proportionate giving, within United Foundation Chapters.

A committee of 10 or more top industrial relations and personnel executives from major commercial and industrial firms will be set up to work with O'Leary in carrying out the assignment.

Programs which O'Leary and his committee will direct will include the third annual Honor Award Luncheon, to recognize winners of gold, silver, and basic awards for their performance in the 1963 Torch Drive; calls upon executives of firms with a high potential for improvement in their campaigns; Labor-Management cooperation; and selling the fair share plan.

O'Leary has been in his present position at Ford for the past two years. Before that, he served as director of the Organization of Executive Personnel Planning Office for three years. He is currently in charge of the Salaried Personnel office, the Personnel Services office, the Compensation Planning Office and the Organization Planning office.

Before joining Ford in 1946 as manager of the Government Contracts Department, O'Leary was employed by the United States Treasury, Price, Waterhouse and Company and General Motors.

A Notre Dame graduate and member of the Michigan State Bar, O'Leary lives with his wife and five children at 22 Oxford road.

Pointe Players Troupe Honoring Bard

A Pointe Players troupe will present "Shakespeare Tonight!" on the evenings of March 19, 20 and 21 at the Grosse Pointe High School's old Auditorium.

The scenes, taken from "Romeo and Juliet," "Macbeth," "The Taming of the Shrew," "A Midsummer Night's Dream," plus English madrigal singing, will be performed in a replica of the Globe Theater and are under the direction of Frederick B. Nelson, who drew up the final design for the theater.

The audience will be seated in what should be a roofless enclosure called the Pit, and the set design is curved, giving the illusion of the theater-in-the-round that Shakespeare started. The railing across the front of the stage will heighten this illusion.

Since the only portion of the theater that was roofed in Elizabethan times was the stage, this effect will be created by the use of 16-foot posts to "hold up the roof."

Mr. Nelson found that the famous balcony scene from "Romeo and Juliet" was probably done from a casement window rather than a balcony, so this effect will be recreated.

Tickets may be purchased for 25 cents with a Student Activities ticket or 75 cents without through Friday, March 20, across from the attendance office of the High School.

MICHIGAN BELL

Telephone lines

IT DOESN'T HAPPEN OFTEN, but occasionally one of our customers will accidentally dial the wrong number when making a Long Distance phone call direct. If this should ever happen to you, be sure to ask the person who answers for the city and the number you have reached. Hang up for a moment, then dial your Long Distance Operator and report the city and the wrong number to her. This will keep the charge from appearing on your next telephone bill.

CAN'T FIND A BABY-SITTER FOR THE DAY?
 Never mind. You can stay home with the children and still get your day's shopping done . . . by telephone, of course! Amazing how many errands your phone can run for you. Try it next time you are busy at home, or the weather's bad.

"NO CHARGE, MA'AM!"
 Here's a repairman who never sends a bill. He's your Michigan Bell telephone man and his repairs are included in your service at no extra charge. But chances are you rarely need to call him. Today's telephones are that trouble-free! And they're improving all the time. Our goal is to bring you dependable service that remains low in cost while becoming ever more valuable and pleasant to use.

Parcells School Presenting Plays

Early in the morning and late in the afternoon, on school days and on Saturdays, students at Parcells Junior High School with an interest in dramatics have been rehearsing plays for presentation at the Annual Dramatics Night.

The results of their efforts will be performed for the public on Friday evening, March 20, at 8 o'clock in the school auditorium. As the first feature on the program when the curtain opens a group of seventh grade students will perform "Say Uncle!" in this play the problems of parents with teenage children provide many comic plot complications. Mrs. Frances Roach has directed the cast, which includes: Paul Czubay, Christopher Snyder, Christine Corcoran, Sandra Schmoke, Beth Seder, Dennis Wickline and Frances Platz. Helping backstage are Lindsay Dick and Becky Jo Bentzen as prompters and Jim Brines, Linda Anderson and Leslie Queenan as property guardians.

An original documentary, "Profile of a Junior High School," will be presented by various members of English classes. The skit will be prepared and directed by Miss Susan Keim and Mr. Willis Brown.

As the final feature on the evening's program eighth and ninth grade students will present "The Laundry Mark." This cast has been directed by Miss Shirley Lewis. The problems encountered when a teenager enters many contests harass the characters in this comedy. The student performers include: Paul Wolf, Greg Thom, Jeff Graybiel, Barbara Broman, Edwin Engelhart, Sandra Rosander, Steve Sasser, Barbara Brown, Alice Sessions, John Oester, Charles Long, Jackie Hawks, Lynn Henry, Rita Maeck, Jan Duster, Steve Pepper, Linda Otto, Shelley Beck and Jeff Rood.

To enhance the evening's festivities, the Parcells Orchestra, under the direction of Mr. Donald McNew, will perform several numbers.

MMFOA Honors Mrs. Helen Fox

Mrs. Helen Fox, Woods city treasurer, was elected a member of the Executive Committee of the Michigan Municipal Finance Officers Association, at an annual meeting held in the Rackham Memorial Building, University of Michigan, Ann Arbor, on Friday, March 13.

She is the first woman to be so honored in the history of the Association, and the only city treasurer on the committee. The other committee members are city comptrollers. She will serve for two years.

Mrs. Fox, who lives with her husband, Kenneth, at 2073 Fleetwood, has been with the Woods Administrative staff since May 7, 1940. She became city treasurer in 1951, shortly after the Woods incorporated from the Village of Lochmoor to the City of Grosse Pointe Woods.

Other Pointe officials who attended the MMFOA meeting, held bi-annually, were Woods City comptroller Russell Manney, and Park City Comptroller Nunzio Ortisi.

Colorado College Choir to Sing Here

The 55-voice Colorado College Choir, under the direction of Professor Donald P. Jenkins, will present a concert of choral music at Christ Church, 61 Grosse Pointe boulevard, Monday evening, April 6, at 8 o'clock.

Major works of the program will be the Motet No. 1, "Sing Ye To The Lord," by J. S. Bach, and Opus 13: Friede Auf Erden by Arnold Schonberg.

The Choir, representing the Colorado College, Colorado Springs, Col., is currently on its fourth annual tour, a 5,000-mile trip to the East Coast. More than a dozen concerts have been scheduled by the group.

Conductor Donald Jenkins holds two undergraduate degrees from Oberlin College and a Master of Science Degree in Choral Conducting from the Juilliard School of Music in New York City. He is Assistant Professor of Music and conductor of the choir and Opera Workshop at The Colo-

rado College. His choral experience ranges from work in summer theaters to church and professional choir directing.

Monday's concert, to which the public is invited, consists of the following works: the Bach and Schonberg numbers, Jerusalem by Bardi, Crucifixus by Lotti, Psalm 116 by Schein, Pater Noster by Verdi, plus a series of short Easter anthems and Negro spirituals.

The concert, including intermission, will last approximately one hour and fifteen minutes.

The funeral was held March 16 from the A. H. Peters Funeral Home with burial in Roseland Cemetery.

Parcells PTA Meets Mar. 25

In order to give parents of students at Parcells Junior High School an opportunity to ask questions about any or all phases of the educational program, facilities, or policies, an annual P.T.A. meeting has been planned for the evening of Wednesday, March 25.

At 8 o'clock parents will gather in the homerooms of their children to have small group discussions. It is hoped that from these group conferences, for which parents will serve as chairmen, will come questions of significance for all parents to consider.

After the small forums in homerooms have explored problems together, all the groups will gather in the school auditorium. There will then be a panel discussion based on questions submitted from the homeroom discussion groups.

Serving on the panel to answer questions, or to interpret policies, will be Dr. Charles Wilson, Superintendent of Schools; Vincent Peterson, Principal; Joseph Spagnoli, Curriculum Consultant; Roger McCaig, English teacher; and Edwin Holmburg, visiting teacher. Whichever members of the panel are most qualified to discuss the particular question raised will give an answer or explanation to the parent query.

Following this session, in which it is hoped that parents will gain a better understanding of the problems which concern other parents and of the educators' views, there will be refreshments in the gymnasium.

Directing the arrangements for the Social Hour is Mrs. Owen Murray, Mother vice-president of the P.T.A. She will be assisted by the Homeroom parents of Grade Eight: Mr. and Mrs. Robert Tallberg, Mr. and Mrs. David Teague, Mr. and Mrs. George Rinaldi, Mr. and Mrs. Walter Griffith, Mr. and Mrs. Thomas Mahoney, Mr. and Mrs. Kenneth Campbell, Mr. and Mrs. Leland Symons, Mr. and Mrs. Samuel Galante, Mr. and Mrs. Richard Johns, Mr. and Mrs. Elmo Seibert, Mr. and Mrs. Henry Lapeza, Mr. and Mrs. Malcolm Fenton, Dr. and Mrs. Kenneth Stekette, Mr. and Mrs. Sigfried Franz, Mr. and Mrs. Samuel Godfrey, Mr. and Mrs. Donald Oochell, Mr. and Mrs. Arthur Scott, Mr. and Mrs. John Oster and Mr. and Mrs. John Ellis.

Parents who will be leading the homeroom discussions include: Robert Bokram, Dr. Robert Ambrose, James Ziegenfuss, John Corcoran, Michael Shirilla, Dr. Darrell Slatzer, Donald Mandich, Lloyd Stauffer, Walter Griffith, Edward Sipe, Dr. Robert Everett, Cecil Sessions, Robert Brown, John Ellis, Mrs. Robert Snow, Robert Keegen, David Teague, William Hahn, Bruce Bockstanz and Samuel Harlan.

Easter Concert At High School

The Grosse Pointe High School Choir and Symphony Orchestra will present their annual Easter Program on March 25 at 8:15 p.m. The concert will be under the direction of John E. Finch, Choral director, and Richard H. Snook, Instrumental director.

As the first selection on the program, the Symphony Orchestra will play "Symphony in C Major"—1st movement by Ignaz Joseph Pleyel. Following its selection, the orchestra will accompany Mr. Donald Bliss as he sings Verdi's beautiful "Requiem."

The choir will also present two of its own selections. It will sing "Beautiful Savior" by F. Melius Christensen and "Were You There?", a moving Negro Spiritual arranged by H. T. Burleigh.

In concluding the concert, the Choir, accompanied by the Symphony Orchestra, will sing Franz Schubert's "Mass in G." Three outstanding soloists will be featured in this number. They are: Mrs. Jean Zech, soprano; Jack Moldovan, tenor; and Donald Bliss, baritone.

Everyone is invited to hear this excellent Easter performance given at the Grosse Pointe High School Auditorium-Gymnasium. Tickets may be purchased at the door at 50 cents per adult.

Errant Drivers Hear Sentences

Two motorists who appeared before Park Judge C. Joseph Belanger on Wednesday, March 11, entered pleas of not guilty to charges of traffic violations and were found guilty and sentenced.

Clarence E. Borwick, 54, of 1353 Lakewood, Detroit, was found guilty of driving while under the influence of alcohol. The offense occurred on Cadillac and Charlevoix. He was fined \$100 and \$5 court costs, and his operator's license was taken from him for four months and sent to the Secretary of State's office in Lansing.

Peter Van Pelt, 21, of 559 Sunningdale, was found guilty of driving 45 miles an hour on St. Paul, a 25-mile zone, and fined \$25.

Judge Belanger warned Van Pelt that he will recommend that he (Van Pelt) be called to the Secretary of State's Examining Board for possible revocation of his operator's license. The judge pointed out that Van Pelt has had eight traffic violation tickets since September 1960, six for speeding and two for accidents in which persons were injured.

Pointe Theater Paging Actors

The call is out for actors, dancers and singers to audition for the Grosse Pointe Community Theater June production of "Guys and Dolls."

Castings are scheduled for Thursday, March 26, at 7:30 p.m. and Saturday, March 28, at 1 p.m. at the Grosse Pointe War Memorial. The tryouts are open to the public and previous experience, while desirable, is not necessary, according to the director, Arthur Brownell of Washington road.

"Guys and Dolls" is the famed musical comedy with book by Jo Swerling and Abe Burrows and with music and lyrics by Frank Loesser. Described as a musical fable of Broadway, it is based on a story and characters by Damon Runyon and features non-musical roles as well as parts for singers and dancers.

The current GPCT production, "Come Blow Your Horn," will continue to play at the Fries Auditorium tomorrow and Saturday evenings at 8:30. Ticket information is available at TU 4-2710.

Woods-Shores Expands League
 By MEL SNYDER
 Don Leamy, president of the Woods Shores Little League Baseball, announced that the board of governors at the last meeting voted to increase both the International League and American Association of the minor leagues to 10 teams, in order to handle the larger expected registration of boys playing baseball. This expansion now makes the number of teams in the five leagues total 46.
 Vice-president Werner Lueckhoff is making arrangements so that the teams will have the use of 10 diamonds. Permission has already been obtained to use Ghesquiere Park, Parcels and he is working on three other fields for locations to handle this years record number of teams.
 The board of governors also voted to purchase two remote control pitching machines to be used in batting instruction. One special person will be placed in charge of the machines, he will be responsible for their upkeep and for instructing managers in their operation and especially their safety features. No manager can use the machine unless he has been instructed. The managers will be gathered for an instruction session with the manufacturer's representative, who will demonstrate the machine.
 This year's tryouts will be held April 11 through April 18 and the final draft of all teams taking place on the afternoon of April 18.
 Opening date has been set for Saturday, May 9th, at 1 p.m. with city officials participating in the opening day ceremonies which will be preceded by a parade down Mack Avenue.

REPORTS THEFT
 Herbert Gremel of 957 Blairmoor, informed Woods police on Tuesday, March 3, that an unknown person broke into his garage during the night and stole a case of beer.

Rotary Cagers Capture Title
 Rotary became the 1964 Neighborhood Club Midget League champions by capping an undefeated season with a sudden death 17-16 victory over last year's champion Metro.
 Curtis Mumaw, Rotary's leading player throughout the season, sank a free throw in the sudden death overtime period to give Rotary the championship. Metro, led by Mike Boruta, showed the courage, desire and sportsmanship that had won the championship in previous years.
 Coach Dom Ricci was justly proud of the way his team fought back to tie Rotary and send the game into overtime. Neither team scored in the first overtime period which forced the game into a sudden death overtime period. Coach Phil Wennoff is to be congratulated on the fine coaching job that helped to form the championship Rotary team. Both coaches are to be lauded for the fine sportsmanship and the gracious acceptance by their players of victory as well as of defeat.
 The game was an appropriate finish to an exciting season and congratulations are due to all the players, coaches, officials and fans who helped to make the league its usual success.

Babe Ruth Loop Signs Sponsors
 The Babe Ruth Baseball League announced completion of its sponsor list of eight teams for the 1964 season with the receipt of a check for \$250 from the Riverside Kiwanis Club.
 The check was presented by C. Dwayne Shoemaker who is chairman of the Boys and Girls Work Committee of the Club. He said the club wishes to participate in order to insure continuation of Babe Ruth League in this area. Other sponsors of teams were announced by T. M. Marantette.
 Without the wholehearted support of such organizations to sponsor teams, organized baseball for teenagers would be impossible. The annual expenditures for a league such as this vary from \$2,500 to \$3,500 a season and includes everything from quite a few yards of top soil to refurbish diamonds, to umpire fees, to dozens of baseballs and bats, not to mention uniforms and all other necessary equipment.
 The diamond at the Neighborhood Club is maintained to a large degree by the Babe Ruth League. The High School and Kerby road diamonds are maintained by the Board of Education and the City of Grosse Pointe Farms.

St. Paul Lakers Win Three Tilts
 St. Paul High School's basketball team neatly disposed of Detroit's St. Thomas March 10 by a score of 74-54, in a state tournament district battle. Jim Bigham was high scorer with 24 points. Other high scorers were Bob Martin and Don Ameb with 14 points each.
 Thursday, March 12 found the Lakers pitted against highly rated Detroit's St. Charles. Coach Ed Lauer, who is in his 25th year of coaching, used every trick in the books to pull out a victory for St. Paul. The high scorers in this game were Bob Martin with 26 points and Jim Bigham with 16 points. The final score was 53-51 in St. Paul's favor.
 St. Paul defeated New Haven Saturday, March 14, by a score of 50-42. Seniors Bob Martin and Jim Bigham were high scorers.
 St. Paul was scheduled to travel to Clarkston Wednesday, March 18, to meet Montrose. The winner of this game will proceed to Lansing. There, after two elimination games, the State Class "C" Champion will be crowned.

Catholic Girls In Swim Meet
 Kathy Cross, with victories in the 50-yard backstroke and 25-yard butterfly, led Our Lady Star of the Sea to a runaway victory in the Catholic High School girls swimming championship, Sunday, March 15, at Patton Pool.
 The school took first place in five of the nine events, piling up 68 points.
 Another winner from Our Lady Star of the Sea was Ann Holdreth, a 16-year-old junior, who won the 25-yard backstroke. Other winners were Jackie Raven who won the 50-yard freestyle and Mary Rutan who won the fancy diving.
 Grosse Pointe St. Paul took the 100-yard medley relay in which Linda Campbell, Dorothy Sepic, Ann Farnam and Kathy Wahlstrom teamed for the win.

Sts. James, Paul Win in Playoffs
 St. James and St. Paul both enjoyed easy victories in the Church Basketball League playoffs last Saturday at Grosse Pointe High School.
 St. James rolled over Congregational by a score of 61-36. This was St. James' ninth straight win and it completed an undefeated season for them. Popvich, Thompson and Schriever led the way with 17, 13 and 12 points, respectively. Swanson, Bellows and Pike led Congregational.
 In the C Division St. Paul No. 1 won their eighth straight as they defeated G. P. Memorial 30-15. St. Paul set up an airtight zone defense and Memorial just couldn't move the ball. Allard and Rem paced St. Paul's attack by getting 10 points each. McMillin led Memorial with 8.

Barnes School Having Pageant

Caribbean rhythms, French songs, Indian dances, and seasonal music and poetry from September to June will highlight "Calendar Capers," a pageant to be presented by Barnes school children at 7:30 p.m. tomorrow (March 20), in the school gymnasium.

Students in grades one through six will participate, demonstrating through recitations, music, dancing and gym activities, the important monthly dates in the year at Barnes.

The choir will provide background music throughout the program, which is sponsored by the Barnes PTA and directed by Dr. Winnifred Fenton.

Following a greeting to parents, the program will open with poems about the months of the year. Then the school year will begin with third graders singing "School Days" and other September songs, and reciting the Pledge to the Flag. Second graders will follow with October, their presentations including "Autumn Leaves" and "Halloween."

Fifth and sixth graders will depict November, with "Fall Days" and "We Gather Together." Then comes December, with such songs as "Up on the House Top" and "Silent Night," by the first grade.

January follows, with "Auld Lang Syne," done by third graders, then February with "Battle Hymn of the Republic."

In March there will be "Easter Parade" and "McNamara's Band," by second and fourth graders; in April, "The Year's at the Spring" and "Singin' in the Rain," first and fourth graders; in May, "April Showers" and "May Mornings," fifth graders; and June, "Vacation Time" and "This is My Country," by the sixth grade.

The finale will be a presentation of "America the Beautiful" by the choir and the entire company.

The printed program cover will be a drawing chosen from among those submitted by fourth, fifth and sixth graders to depict "Calendar Capers."

SMOKING FAN REMOVED

Joseph Lenahan of 687 Neff road called the City Fire Department March 12 at 8:19 p.m. to report that an exhaust fan in his kitchen was smoking. Firemen removed the fan from the home.

Yoga Classes Start April 1

Beginning Wednesday, April 1, a new series of Yoga classes will be offered at the Grosse Pointe War Memorial. The instructor is George Johnston, Jr., who received his training from the Self-Realization Fellowship, and has been teaching Yoga in the Detroit area for several years.

Exercises and techniques will be taught which can be practiced by anyone for greater health and well-being. Yoga exercises are performed by assuming certain bodily postures very slowly, with deep concentration. Each posture is held for a short time, and is followed by a period of complete relaxation.

At first, only simple postures are presented, more advanced ones being taken up only after the student has had time to become more limber. Anyone may join the classes, which are designed for men, women and children of all ages.

Those who regularly practice the Yoga exercises and techniques find that they feel better, and are able to perform their everyday tasks more cheerfully with less strain and tension. The explanation is that Yoga relaxes the tensions of body and mind, so that all of one's potentials—physical, mental and spiritual—can develop more freely.

There will be 10 weekly sessions in the series offered at the War Memorial. Loose casual clothing should be worn, and an old blanket or exercise mat brought to class. Those wishing to enroll should call the War Memorial, TU 1-7511.

Plan Symphony To Aid Refugees

Spyros P. Skouras and his wife will be among the guests at the Detroit Symphony Benefit Concert for refugees throughout the world on Monday, March 30, at Ford Auditorium.

John B. Ford, Jr., co-chairman of the benefit, said that Mr. Skouras, chairman of the board, 20th Century Fox, and Mrs. Skouras will be guests of honor at a dinner prior to the concert.

Mr. Skouras is a founder member of the U. S. Committee for Refugees which is sponsoring the concert in support of the United Nations High Commissioner for Refugees which serves refugees all over the world, and the United Nations Relief and Works Agency which provides health, education and welfare services to Palestine refugees in the Middle East.

Other distinguished leaders in the refugee aid program plan to attend the benefit.

Walker L. Giesler and Mrs. John Lord Booth are co-chairmen of the benefit.

The concert, under the direction of Sixten Ehrling, conductor, will feature bass-baritone William Warfield.

The program will include the music of Beethoven, Brahms and Gershwin.

Mr. Ford said that numerous industry and business executives are purchasing tickets for women employes as part of the "Salute To Women Who Work Week" program which begins March 29.

Tickets for the benefit are available at the auditorium box office and are priced at \$2.50, \$5, \$10 and \$25. For further information, please call 963-2688.

Camera Club Meets Mar. 24

If you're not getting the best results in your travel picture-taking, the March 24 meeting of the Grosse Pointe Camera Club is a must for your calendar of important dates.

"Colorful Capitol" will be presented at the Grosse Pointe War Memorial's Fries Auditorium beginning at 8 p.m. The Eastman Kodak slide presentation of our nation's Capitol was photographed, edited and recorded under the supervision of John I. Fish, FPSA.

The primary theme of the narration is to give basic tips and techniques for the amateur to use in improving his own travel photography. John Fish is a leading photographer and lecturer on the subject.

A get-acquainted social hour will be held following the showing. Visitors are always welcome.

I wish to say BIG thanks to all friends and customers whose loyalty and patronage through the years spelled success for this long established restaurant. I wish particularly to thank the "clean plate" children whose patronage brought the greatest amount of pleasure to Fran and me.

My husband's untimely death last winter made the sale of the restaurant a necessity. He was founder and host of Francois for nearly twenty-six years, serving three locations, Jefferson at Nottingham, Fisher Road opposite the High School and Mack at Somerset.

When Election Time Comes

Let it be noted that Congressman Harold Ryan, our representative from the 14th District, was among those sterling characters in the Halls of Government who attempted to vote themselves a \$10,000 pay raise.

It is more than a little frightening to have such a proposition presented by our lawmakers at a time like this. With government business being carried on under a system that calls for spending billions more than is being rung up on the till, something approaching the peak of gall is achieved when our elected representatives try to pad the bill another half billion to line their own pockets.

We hope the voters will remember when election time comes around, and do their part in pinning the tag of defeat on those who stuck their noses in the trough in this latest bit of outrageous insult to the taxpayers.

League to See Helin's Movie

The Grosse Pointe Cinema League will present Charles Helin and his latest film, "Europe-1963," at 8 p.m. Thursday, March 26. This will be shown in the Fries Auditorium at the Grosse Pointe War Memorial.

Mr. Helin is a world traveler and photographer. His films are always colorful and varied. "Europe-1963," at 8 p.m. Thursday, March 26, this will be shown in the Fries Auditorium at the Grosse Pointe War Memorial.

This year the film covers over 2,000 miles of English highlights by car. The tour starts in London and proceeds around the perimeter, touching all the shores. Mr. Helin was there during the double holiday Whitsunday and had good weather for photography.

The film takes the viewer to the beaches, the gardens, the high points of London, Southampton, Liverpool, Bath, Brighton, and the White Cliffs of Dover.

What Goes On at Your Library

By Virginia Leonard

I would guess that by now you have read Mary McCarthy's best seller, THE GROUP—or at least dipped into the book, tasted it—and either rejected or enjoyed it. It is difficult indeed to take a middle course with this type novel. The tone is sardonic; the humor, mordant.

And, if you are a Vassar graduate (especially circa 1933), the smoke may well be curling from your ears. I have read the book—I have digested many reviews, both oral and written, caustic and otherwise. I liked the story, because I like Mary McCarthy; I rather enjoy the pen-dipped-in-acid approach, and I found her portrayal of the eight girls delightful, wildly amusing at times, yet strangely touching.

And all this led me to wonder about the author herself, Mary McCarthy. What else had she written, what had her life been—in short, what makes her tick? Many articles have been written, especially after the hue and cry over her current best seller, but really, one only needs to go to her earlier works for a picture of her formative years.

MEMORIES OF A CATHOLIC GIRLHOOD, published in 1957, is a moving but very candid description of the author's hectic childhood. Orphaned at six, when her parents died during the flu epidemic of 1918, she was raised by a sadistic uncle and unresponsive aunt—leading a strict and unimaginative life in contrast to the rich, warm atmosphere created by her loving and lavish parents.

THE COMPANY SHE KEEPS, published in 1942, was the author's first novel—and here we use the term loosely, as it really consists of a number of episodes, told variously, but always with Miss Sargent (a thinly disguised Mary McCarthy) as protagonist. Each chapter can stand alone. Once again we have a portrayal of a social group in the 1930's done in a clever, witty and polished manner. And here appears the now-well-known "The Man in the Brooks Brothers Shirt".

7:30 p.m.—Oil Painting Class. * 8:00 p.m.—First Church of Christ, Scientist, Grosse Pointe Farms—Service. * 8:00 and 9:00 p.m.—Folk Guitar Classes—Alex Sucek, Instructor. * 8:00 p.m.—Adult Ballet Class—Mary Ellen Cooper, Instructor.

Grosse Pointe's "Younger Than Springtime" set will have their very own theater benefit party this Easter, a special showing of cartoons, a Three Stooges short and Captain Jolly, (in person), at the Woods Theater Tuesday, March 31, from 10 to 12 o'clock.

Among those planning to attend is Lisa Kelly, daughter of the Lawrence Kellys, of Grayton road, celebrating her seventh birthday two days early with a group of 15 friends.

Another "birthday girl" scheduled to make her appearance in the audience is Marcy McBrien, daughter of the Richard McBriens, of Colonial court. Joe and Molly Muer, offspring of the Joseph Muers, of Harvard road, have already bought their tickets, and the three little Fishers, Drew, Stephen and Brian, sons of Mr. and Mrs. William A. Fisher, II, of Elm court, will be there with (Easter) bells on!

Heading the festivities is Mrs. James Sylvain, responsible for selling 2,500 tickets to the Easter Party benefit, sponsored by the Alumnae Association, Grosse Pointe Academy of the Sacred Heart.

Local ladies assisting Mrs. Sylvain on the ticket and planning committees include Mrs. Hans Gehrke, Jr., of North Deeplands road, president of the Alumnae Association; Mrs. Robert Mason, of Touraine road, Mrs. Herbert Buhler, Jr., of Mt. Vernon road, and Mrs. Willis Carpenter, of Tonnancou place.

Some Talk Of Alexander . . . but the State Society, Daughters of the British Empire in Michigan, still casts its Number-One-Hero vote for the incomparable British Grenadier.

Mrs. Arthur B. Hillegas, of Washington road, Daughters of the British Empire state president, will preside at the venerable organization's 44th annual meeting and luncheon in the ballroom of the Dearborn Inn this Saturday.

Regents from three Grosse Pointe Chapters will attend: Mrs. A. French Lippitt, Princess Beatrice Chapter; Mrs. C. W. Todd, Vincent Massey Chapter; and Mrs. Russell Skitch, St. Lawrence Seaway Chapter.

Among the honored guests will be British Consul-General Sir James Easton, and Lady Easton, honorary president of the State Society; the Honorable S. V. Allen, (Continued on Page 14)

Austin To Sponsor Big Spring Fiesta

Good Old Summertime in the Gay 90's Theme of Annual Event Planned by Mothers Club; Party Scheduled Saturday, April 18

Turn-of-the-century gaiety will be re-lived through huge paper sculptures of Gay 90's heads with old-fashioned handle bar mustaches, bicycles built for two and ascension balloons hanging from the ceiling at the annual Austin Spring Fiesta.

Planned for Saturday, April 18, the Fiesta will be held in the gymnasium of the Austin Catholic Preparatory School in East Warren avenue.

Chairman for this year's fabulous party is Mrs. Robert J. Whitty, assisted by Mrs. Leo Marx and Mrs. Gregg Bader, co-chairmen.

The Good Old Summertime theme of the 90's will be emphasized by small Victorian round tables, ice cream chairs and garlands of fresh spring flowers, gathered and arranged by Mrs. Raymond Krause and Mrs. Russell Lewis, in charge of decorations.

Complementing the happy, carefree theme of the Gay 90's will be men dressed in straw boaters and red-and-white candy striped shirts, as well as children with balloon clusters.

A brand new idea, the "Sun Fish," especially designed for summertime sailors, is the brainchild of Mrs. Joseph Price.

Arranging for attractive food baskets is Mrs. Thomas Feldman, while Mrs. Ervin Binge, Mrs. James Shields and Mrs. Vincent Vehar will be in charge of the kitchen on Fiesta day. Hugo Schiavi, East side restaurateur, has planned a delicious spaghetti dinner to highlight the evening.

All booths prepared for this year's Fiesta will be exciting, and many will be unusual. Mrs. Joseph Karle is in charge of a

duck pond booth for children; Mrs. Lloyd Martz, Mrs. David Turner and Mrs. Godfrey Hammel will run the hand knit articles booth; Mrs. Joseph Kramer heads the new article booth.

The white elephant booth is under the management of Mrs. Carmene De Fusco. Mrs. Francis Ryan will supervise the baked goods booth, and a soda bar, featuring intriguing and eye-appealing concoctions, will be directed by Mrs. Arthur Bodeau.

Experts, sharpshooters and just plain marksmen will have a chance to practice in a shooting gallery, still in the planning stage, and there will be a toy booth to delight the small fry.

Publicity and finance chairmen are, respectively, Mrs. Thomas K. Fisher, assisted by Mrs. John A. Schaible, and Mrs. Eugene Ellison.

Others working for a successful Fiesta are Mrs. Anthony Bagnasco, Mrs. Eugene Freitas, president of the Austin Mothers Club, and Father Richard Preston, O.S.A., Mothers Club moderator.

Northern Women

Northern Women's Club will meet at 1:30 o'clock Monday, March 23, in St. Philip and St. Stephen Church parlors. Speaker will be the Reverend Thomas D. Heming, retired minister from Maine.

Let's Get Away From It All . . .

. . . said Mrs. Robert Sumner, of Roosevelt place, to her daughter, Mary, a few months ago, and the pair leave for England in April this spring.

The trip is planned to coincide with Mary's vacation from Grosse Pointe High School, where she is in her senior year. Mrs. Sumner and her daughter are taking an apartment in London; they have no set schedule in the British Isles—simply plan to roam the city and countryside at will, stopping for lunch at quaint inns, strolling down Piccadilly on sunny afternoons.

This will be Mary's first trip abroad, and her mother, who has made three previous Atlantic crossings, wants to show her young companion "Everything!"

Besides London, they plan short visits to Edinburgh, Paris and Amsterdam before returning to the Pointe in time for a Michigan May.

Those Far-Away Places . . .

. . . are calling Mrs. John B. McGrath, of St. Clair avenue, who leaves soon after Easter for several months' vacation in Europe and the British Isles.

Mrs. McGrath will fly to New York April 3, where she will be joined by Mrs. Reginald T. Murphy, of Chappaqua, N.Y., formerly of the Pointe. The two will jet to Lisbon and Madrid en route to Paris, where they plan to hire a car for a leisurely tour of the French chateau country, Spanish Mediterranean coastal region, Majorca, French Riviera, Italy, Austria, Germany, Belgium, Holland and Denmark.

Other plans include a flight from Brussels to London, and visits to Edinburgh, Dublin and Shannon before returning home in late July.

Both Mrs. McGrath and Mrs. Murphy have traveled in Europe before, so customs and languages are not completely strange to them, but this trip they have promised themselves a "new experience": an overnight stop at one of the beautiful old castles recently modernized and used as hotels.

Church Groups Slate Sessions

The Friday Book Review Group of the Grosse Pointe Memorial Church will meet on March 20 in Fellowship Hall at 1 o'clock for tea.

Speaker of the afternoon will be Mrs. John P. Carriette, of Pleasant Ridge, who will discuss the fiction book, "And Walk in Love" by Henrietta Buckmaster. This deals with the life of St. Paul.

Devotions will be given by Mrs. James A. Lafer and Mrs. Raymond Eddy is chairman of the tea hostesses.

Her committee is comprised of Mrs. Fred Adams, Mrs. A. A. Beardslee, Mrs. Lee M. Corless, Mrs. Harold A. Davis, Mrs. William Eaton, Mrs. Edward F. Gehrig, Mrs. Hubert G. Goebel, Mrs. G. J. Kastenber, Mrs. David T. Sicklesteel and Mrs. Irving T. Winkler.

All interested women are welcome to attend.

The Evening Group of the Women's Association, Grosse Pointe Memorial Church, plans a Pancake Supper to be given in Fellowship Hall the evening of March 24 at 6:30 o'clock.

The devotions will be given by Mrs. Gerrit Kastenber, Mrs. W. Curt Patterson will serve as chairman for the supper, with co-hostesses Miss Pearl Hooper, Mrs. Arthur Lee, Mrs. J. Lamar Newberry and Mrs. John Smith.

Don G. Kipka, staff assistant, Speakers' Bureau, Sales Department of the Detroit Edison Company, will bring pictures of the New York World's Fair, 1964-65, and give commentary.

Cancel Garden Group Meeting

The Garden Group of the Grosse Pointe Woman's Club wishes to announce that the meeting scheduled for March 25 at the Grosse Pointe War Memorial, has been cancelled due to Holy Week and will be held at a later date.

Mrs. Robert M. Kerr, III

At a double ring ceremony in Grosse Pointe Memorial Church Saturday, PENELOPE LOU DISTIN spoke her marriage vows to Mr. Kerr. The bride is the daughter of Mr. and Mrs. Clifton Spear Distin, of Grayton road. Her husband's parents are Mrs. Mary Huntington Kerr, of Beaconsfield avenue, and Robert McNab Kerr, Jr., of Cloverly road.

Church Women Prepare 'Meal'

The Women's Association of the Grosse Pointe Woods Presbyterian Church is planning a meeting of inspiration and dedication on March 24 with the serving of the "Meal of the Upper Room" in which the minister and two assistant ministers will participate.

Mrs. George Couillard will lead a preparatory service entitled "Concerning the Feast," which will be held in the church sanctuary at 12:30 o'clock. Following a processional to the dining room, Mrs.

Andrew Rauth will serve in the lighting of the Passover candles.

The Reverend Andrew F. Rauth will conduct the service of the Passover thanksgiving.

The "Meal of the Upper Room" will duplicate as nearly as possible the food which was served at the Last Supper.

It will be eaten in silence except for music chants and the reading of excerpts from the Bible by the Reverend Paul Winchester and the Reverend Robert Lucero. Following the meal, Mr. Rauth will preside over a communion service.

The Hannah Circle, chairman, Mrs. Melville Osborne and the Priscilla Circle, chairman, Mrs. James Fournier, will be in charge of the preparation of the meal.

Mrs. Fred Tew, Mrs. Robert Ebersole, Mrs. Arthur Drummond and Mrs. James Fournier will usher in the sanctuary. Mrs. Allan Bradbury is general chairman for the meeting. There will be no business session. A nursery is available.

Plan Musical Family Dinner

A "Symphony Family Dinner" is being planned by members of the Scandinavian Symphony Women's Organization, to be held Friday, March 20, at 6:45 o'clock, at St. Olaf Lutheran Church.

Participating as the "Symphony Family" will be the Scandinavian Symphony Orchestra, the Scandinavian Symphony Society and the Scandinavian Symphony Women's Organization.

Sixteen Ehrling, conductor of the Detroit Symphony Orchestra, will be the honored guest. Appearing on the program as guest soloist will be Rodney Stenborg, young Detroit baritone, son of Mr. and Mrs. Dan Stenborg.

Mrs. R. Christiansen is in charge of the dinner. Mrs. Axel Anderson is general chairman with Mrs. William Henry Caswell as co-chairman.

They will be assisted by the following chairmen: Mrs. Kenneth Strang, decorations; Mrs. John Soderberg, hospitality; Mrs. Oliver Allen, program; and Mrs. Ralph MacMullan, tickets.

The dinner is by reservation only.

Brunch Fetes Gail Phillips

Mr. and Mrs. Diamond T. Phillips, of Lakeshore road, entertained Sunday, March 15, at a brunch in honor of their daughter Gail's 21st birthday. Friends and family gathered for the first time in the Phillips' new home on the Lake. They moved last week into the former home of Mrs. Carl A. Zimmer from their home in Radner circle.

Among the guests were Mrs. Phillips' parents, Mr. and Mrs. Matthew M. Goebel, Gail, Mr. Goebel's first grandchild, was born on her grandfather's birthday.

Sharing a mutual birthday has brought about a tradition between the two. Mr. Goebels sends roses denoting her age in the number of flowers—this year, 21 sweetheart roses, and she sends him a carnation boutonniere.

Gail is a member of Sigma Sigma Sigma sorority, and a Junior at Eastern Michigan University, where she is majoring in education of the emotionally disturbed child. Her birthday cake was appropriately decorated with a panorama of school symbols—a teacher at the blackboard, children at their desks, ink bottles and pencils.

A song will outlive all sermons in the memory.

Penelope Distin Marries Mr. Kerr

Reception at Lochmoor Club Follows Rites Saturday in Grosse Pointe Memorial Church; Pair Travel to Virginia

In Grosse Pointe Memorial Church Saturday afternoon, Penelope Lou Distin, daughter of Mr. and Mrs. Clifton Spear Distin, of Grayton road, became the bride of Robert McNab Kerr, III.

The Reverend Lyman Stookey officiated at the double ring ceremony.

The bride chose a gown of white peau de soie, its bodice lavishly embroidered in Alencon lace, its soft bell skirt sweeping into a full train.

She wore a lace and seed-pearl embroidered cape and a fingertip-length veil of illusion. A single strand of heirloom pearls was clasped around her neck, and she carried white orchids, stephanotis and ivy.

Joan Wilbur, of Burnt Hills, N.Y., the bride's cousin, was maid of honor, and bridesmaids were Barbara Gauss, Frances Kerr, sister of the bridegroom; Barbara Sachs, and Eleanor Stricker, of West Branch, Ia.

Their long gowns were fashioned of aqua silk organza with a silk embroidered motif on their cummerbunds and floating back panels, and their flowers were pale pink carnations, roses and ivy.

The bridegroom, son of Mrs. Mary Huntington Kerr, of Beaconsfield avenue, and Robert McNab Kerr, Jr., of Cloverly road, asked W. Michael Bremer to serve as his best man.

Ushering were Robert MacDonald, of Dayton, O., Charles Riley, Craig Rose, of Muskegon, and Kenneth Wurn, of Utica, Mrs. Distin greeted guests at

the reception in Lochmoor Country Club following her daughter's wedding, wearing a Mocha crepe dress with an embroidered lace bodice and matching accessories. She pinned a single bronze orchid to her purse.

The mother of the bridegroom chose a deep aqua crepe suit dress with matelasse reverses and overblouse, matching accessories and a white orchid corsage.

For traveling to Virginia, the bride wore a navy blue suit and coat, with matching accessories. When they return from their wedding trip, the couple will make their home in Harvard road, Detroit.

College Women's Club

Members of the College Women's Club will gather at the Detroit Golf Club on March 21 for a Spring business meeting and luncheon. A talk on Project Hope will be given by Dr. Robert Nixon, of Henry Ford Hospital, who has recently returned from Ecuador where he was connected with the Project.

Mrs. J. Paul Leonard is the hostess for the occasion, and Mrs. Albert Raich is arranging the program.

Small children learn words very quickly, but concepts and relationships, (nationality, marriage, etc.), are a bit beyond them.

The well-traveled William S. Turners, of Newberry place, celebrated St. Patrick's Day in spectacular fashion this year.

Symphony lovers Mr. and Mrs. Charles Cummiskey, of Lincoln road, have occupied the same seats in Ford Auditorium for several years.

Pointe ladies, beautifully coiffed and beautifully dressed, turned out en masse for Art Buchwald's lecture—last in this season's Celebrity Series.

PILFERINGS

The sure way of knowing nothing about life is to try to make oneself useful.

When a garden club sponsored a flower-arrangement contest for husbands on the theme, "The Woman I Love," one display captured particular attention.

Arranged tastefully on a tray were piles of works from seed houses, fertilizer dealers, nurserymen. Billed in were the canceled checks which paid the bills.

Although historians have sometimes portrayed George Washington as a man without humor, he seems to have been able to hold his own in repartee.

Once, as The Father of our Country sat at table after dinner, he complained that the blaze in the fireplace behind him was too large and too hot.

The pastor was reading a long list of announcements from the pulpit. Included in the parish agenda were meetings, sometimes two or three a night, at least one every night, for the week ahead.

Concluding the list, the pastor raised his eyes skyward. "Well," he observed dryly, "it looks like this week is all shot to heaven!"

Canteen Conversation

By Rick Mills

Most adults look back longingly at their teenage years. They remember how much fun and excitement they had with their old friends.

Chris Rayo: "I appreciate the responsibilities that come to a teenager and the trust that is placed in him by his family. A teen may act silly sometimes without fear of being out of place.

Bill Coombe: "I enjoy being given more privileges to enjoy. Teenage life is also a stepping stone which leads to a mature adult life."

Pat Crow: "I enjoy being able to drive and going to more events than I could when I was younger.

younger. I also like the added responsibility and trust given to me by my parents."

Linda Neuman: "I just like being a teen! I enjoy all the opportunities and the many privileges teens are given. I like to be able to get out of the city.

Linda Brink: "I like teenage boys, and dating!" Nancy Chase: "I enjoy being somewhat dependent on my parents, yet also being free to make most of my own decisions. I like being old enough to do things, yet not so old that I must do them."

These interviews have been slightly one sided. Next week the opposite side of this story will be considered. "What are the problems and troubles of the modern teenager?"

REPORTS THEFT

Chris J. Cotozof of 281 Chalonte, informed Farms police that someone broke into his garage during the night of Saturday, March 14, and stole the spare tire and wheel from the trunk of his car.

HARVEY G. FOUCHEY, LETTER CARRIER IN THE POINTE FOR 30 YEARS

By Janet Mueller

There's something missing in Grosse Pointe City. Housewives and children, doctors, lawyers and businessmen, have been asking each other, "Where's Harvey?"

The sad but unavoidable fact is that Harvey G. Fouchey, Post Office employe for 39 1/2 years, letter carrier in the Pointe for 30 years, on the same route since the early 1930's.

Grosse Pointe's longest continual-service letter carrier is retired, officially, as of last Friday.

Spontaneous Decision

Actually, Harvey stopped work several weeks ago. He had accumulated a considerable amount of leave time, and his decision to retire "in order to take life a bit easier" was spontaneous.

Harvey Fouchey started his Post Office career in 1924, in downtown Detroit. For a little more than a year he worked in night collection, then transferred, in January, 1926, to day work out of the Fox Creek Station.

Washington, Lincoln, Roosevelt and Jefferson roads, from Kercheval to Jefferson, formed the nucleus of his Pointe route, and through the years, as the Pointe became more and more built-up, he added adjoining streets.

When he started carrying letters in the Pointe, the atmosphere on his route was "small town" rather than suburban; everyone knew everyone else, and houses were fewer and farther apart.

On Fisher road, for instance, between Jefferson and Maumee, in Harvey's first Pointe letter-carrying days, he made only three stops: at Bill Winkler's house, the only private residence in the block, on the Jefferson-Fisher corner; at the boarding house (now Grosse Pointe Convalescent Home); and at the variety store on the Fisher-Maumee corner.

Everyone knew "Everybody knew Harvey." He carried the first issues of the Grosse Pointe News; he carried wedding invitations, birth announcements; letters from children he remembered as toddlers, who had married and moved away.

He knew the history of the Pointe "by houses" — who lived where, when; where they were living now.

Rising at 5:10 every morning, he grabbed a cup of coffee and reported to work at 6; the next few hours were spent in the station, "setting up" mail for delivery, (each letter carrier is responsible for his own bag; magazines, letters and papers mixed together — these must be sorted and packeted according to street addresses).

Now, with hours available, Harvey plans more traveling. He would like to camp out along America's highways, stopping and going as the spirit moves, fishing, if he feels like it, or just enjoying life.

In mid-April, Harvey's fellow employes at the Post Office have planned a retirement party in honor of the Pointe's oldest postman.

Harvey, who considers every home on his route "a port" is looking forward to this party, fitting finale to four decades of service. Anxious to explore the possibilities of retirement living, he admits he will miss his friends in the Pointe.

He watched many of them grow up, was an honored guest at their weddings, and cannot simply turn his back on 30 years of life. One of the few definite promises he has made himself is to go back this summer and walk through the streets on his old route.

The residents hope he will come soon. With Harvey gone, there's something missing in Grosse Pointe City.

The Newest... Kitchens by Mutschler in Detroit... Mr. Mozena, President of Mutschler, told us... have been designed for a top advertising agency, a well known general contractor and a manufacturer.

Shelf-made... by Famous Old House and so convenient to keep in the cupboard... Remoulade, Bearnaise, Tartare and Hollandaise. All these delicious sauces are found at The Village Wine Shop, 15338 East Jefferson.

Bring The Children... to see the cute rabbits (in a holiday hut)... little chicks and ducklings... at This 'n That for Pets, 19433 Mack Avenue. Better still... to make bright eyes really sparkle... order an Easter pet now and it will be held for you as a timely surprise. TUxedo 1-9007.

After A Long Winter... our hands look smooth... the wonder of it all! We have been using Notre Dame Pharmacy's own Hand Cream and we think it has made the difference for two years now.

Fashions In Faces... change! So don't be satisfied with last year's look. This Spring it's the "My Fair Lady" influence and it gives a lady a young, rosy complexion with deft and delicate accents for the lips and eyes.

They never pardon who commit the wrong. —Dryden
