A CUT IN RATES that will save telephone users \$97 million was announced by Michigan Bell Telephone Co. Wednesday. About 500,000 monthly subscribers will benefit from monthly rate changes — mostly from 15 to 30 cents each. However, the change did not affect one million one-party residences. The result of negotiations with State utility company regulators, most of the 10 revisions will go into effect September 1. William L. Day, Bell's Detroit president, speculated that increased usage will set off higher costs.

A BILL AUTHORIZING \$1.9 billion for the fiscal year just begun, aimed to expand the war on poverty, was passed in the House Thursday by a vote of 245 to 158. This raises the administration's request by one-fourth. The bill extends the anti-poverty work for two years, though it allows for no funds for the second year. The matter will this have to be reviewed at the end of the year by the Education and Labor Committee. If passed by the Senate as is, the bill will also reduce the veto power of governors over some programs.

A DRAGNET was set up by U. S. and South Vietnamese police for an American police advisor suspected of shooting to death his boss, former Michigan State University professor Jack E. Ryan, and a Vietnamese woman. Police indicated that the shooting was probably motivated by personal revenge, but did not elaborate. Ryan, 44, was chief of the U. S. and mission's public safety division, which is responsible for advising the Vietnamese police force. The woman, Mrs. Nguyen Thi Hai, about 25, was an employee of Ryan's department as was the man sought for the double slaying.

SECRETARY OF STATE Dean Rusk was backed up by the Johnson Administration Saturday after a former White House aide, Arthur M. Schlesinger, said President Kennedy had decided in 1963 to replace him. Schlesinger, a Harvard historian and adviser to the late president, said Kennedy considered the State Department as weak as "a bowl of jelly" and was annoyed by Rusk's "reluctance to decide" on vital policy matters. The report appeared in Life magazine and was taken from Schlesinger's book on his years as a confidante of President Kennedy. White House press secretary Bill D. Moyers said Saturday that President Johnson held the same opinion of Rusk now as indicated at a conference two weeks ago when he called Rusk "one of the most able and most competent and most dedicated men I have ever known. He ranks first in the cabinet and he ranks first with me."

A UNITED STATES spokesman reported yesterday that an American jet fighter plane that exploded near Hanoi Saturday with two men aboard may have been the victim of a ground-to-air missile. If so, the missile was presumably fired from one of the five sites built by the Soviet Union in recent weeks around Hanoi. The jet was flying at 20,000 to 25,000 feet as one of four support fighters for a bombing mission. Other pilots said they did not see parachutes open from the stricken plane and the two crewmen are presumed dead.

MAYOR JEROME P. CAVANAGH organized a City task force Monday to seek millions of dollars in new Federal programs under the 1965 Housing Act. Six new provisions, explained Cavanagh, including two thirds Federal aid for spot removal of dangerous buildings, can change the face of Detroit. The task force was formed from 10 City department heads under the chairmanship of Special Assistant Robert E. Toohy as the housing act awaits approval by the House. The Senate passed the bill yesterday.

Part of a group of teenagers who aided in the preparation of more than 6,200 membership drive letters for the Northeastern Wayne County Child Guidance Clinic are shown above at work. The clinic, which has completed its first year of operation, is soliciting

memberships from the area residents to assure continuation of its work. Seated (l. to r.) are BERRY MITCHELL, SUE DI SANTO, MARY COMLY and GREG COULTER, while standing (l. to r.) are CAL WORRELL and BRUCE NICHOLS.

Incomplete Survey Reveals 207 Elms Killed This Year

Dutch Blight Taking Frightening Toll; Park Takes Bids on Removing 18 Trees Lost on City-Owned Property

At the Park Council meeting Monday evening, July 26, the item of most concern on the agenda involved the approval of a bid on the removal of 18 elm trees from Park city property.

Awarded the contract was the Cal Fleming Landscaping and Tree Service Co., lowest of three bidders for the job. Also bidding were Shock Brothers Tree Service Co. and the Peninsula Tree Corp. The bid accepted set the total cost at \$1530, or \$85 per tree.

The 18 diseased trees are all on city property. It was noted that 20 others are suspected to be diseased on city property and will have to be removed as soon as final results of tests are made known, due within the next week. Bids will be received and one will be immediately accepted for the removal of the additional 20 trees, provided the cost is not higher than the \$85 per tree accepted at Monday night's meeting.

These trees include a few old, dead trees being removed, but the majority are those which succumbed to the Dutch Elm disease.

83 Private One's Lost
Park City Manager Robert Stone also reported that 83 elms privately owned have also been struck by the blight. Twenty-three of these are located on one Park estate. These trees are being removed by the residents, but the exact number removed thus far is not known.

The Park is not the only one of the Grosse Pointes to report an increase in the number of diseased trees. Officials of Grosse Pointe City revealed that 19 condemnation orders have been sent out to private elm tree owners. Twenty other city-owned trees have also been

Lightning Strikes Four Residences

Several Pointe area homes were struck by lightning during the storm Saturday, July 24, though there were, fortunately, few fires.

Both Shores and Woods equipment was summoned to the home of R. A. Fellows, 960 S. Oxford road. Lightning had struck the vent pipe on the roof, bolted down the pipe and into the bathroom, knocking two pieces of plaster off the wall.

The home of Martin Daher, 1100 Fairholme road, was hit. Woods firemen arrived and found smoke emitting from the roof vents. The fire, contained in the attic area of the home, was soon extinguished. The plaster in a rear bedroom, through which the lightning had come, was damaged, and the ceiling rafters in the attic were burned.

Police assistance was requested by Mrs. D. King, of 599 Lake Shore road, who reported that her TV set had either blown a tube or been struck by lightning.

Woods officers sent apparatus to the home of Mrs. Kathleen Beaufait, 1546 Anita, and found lightning damage limited to the front door.

Beer Party Trial Begins In City Court

Judge Finds Four Youths Guilty; Eight Others To Be Tried August 10

Judge Douglas L. Patterson heard testimony for over three hours in a crowded City courtroom Tuesday night in the cases of 13 youths involved in a drinking party on Fisher road June 25.

Three of the defendants pleaded guilty to charges of being disorderly persons and were found guilty.

Of the other 10 youths, one stood mute on the same charge, and was found guilty of possession of alcoholic beverages by a minor, and the other eight will appear again August 10, to face charges of being disorderly persons.

The judge heard stinging testimony from neighbors about the party of June 25 and several that had preceded it.

The parties took place in the home of Dr. Frederick Aumann, 699 Fisher road.

Testimony revealed that on the night of June 25, with both Mr. and Mrs. Aumann out of town, their daughter Susan, 17, held a party attended by approximately 40 persons.

Police, summoned by a neighbor's complaint, were admitted and found beer and wine bottles strewn throughout the home.

They arrested 22 on the scene, and an estimated 20 others were said to have fled the scene.

Susan Aumann stated under questioning that she had held beer and wine drinking parties on at least one other occasion. Her parents told Judge Patterson they had never been present for any such parties, nor learned of them.

The judge asked Susan if she had willfully admitted guests bringing beer and wine.

"There was no way to stop them," she replied.

Five of the youths at the party were to be tried at another time, and another four, aged 15 and 14, were referred to juvenile court.

Only one of the 13 in the trial Tuesday was freed. She was Kathleen J. Nowakowski, 18, of 2262 Allard Avenue, charged with possession of alcoholic beverages, who was dismissed on insufficient evidence.

Though the City police tickets issued originally to the youths had cited them for possession

Bon Secours Must Make Next Move

Long Delay Since Rendering of Opinion Not Unusual, According to Mayor Burgess

Silence has reigned supreme during the last two months in the legal battle between the City of Grosse Pointe and Bon Secours Hospital, over whether or not the hospital will be allowed to build an addition that would double its capacity.

Circuit Court Judge Joseph A. Moynihan, Jr. handed down an opinion on May 24 stating that a section of the City Zoning Ordinance which the City sought to enforce to prevent the expansion by the hospital, was unconstitutional.

Since then, City officials have pointed out, the municipality can make no move until the hospital presents it with a judgment which can be considered by the City Council. Following the study of such judgment based on the court opinion, the City would have to decide whether to accept the proposals of the hospital, or to appeal the case to a higher court.

Delay Not Unusual
Mayor David Burgess said that it is not unusual for such a long lapse of time to occur between the rendering of an opinion and a presentation of a judgment in such cases.

In April, 1963, the hospital petitioned the City Council for a re-zoning of an 83x785 foot strip of land lying between Caroline and Jefferson to permit its use for off-street parking purposes and to permit a variance for the construction of an addition to the hospital structure to about 45 feet above the grade level. The request was denied.

Hospital officials had previously petitioned the city council for rezoning of the 84-foot wide strip between Caroline and Jefferson, but withdrew the petition, in order to obtain information to present at a public hearing to support their petition that the expansion is needed. This was about September 22, 1961.

Expanded Parking Lot
About April 16, 1962, the hospital was permitted to expand its parking lot to accommodate 240 cars.

On January 21, 1963, the City Council enacted an amendment to its Zoning Ordinance, which would in effect block any expansion of Bon Secours.

In rendering his opinion, Judge Moynihan stated that at the time of the passage of the amendment evidence showed that the City officials knew of the hospital's plans for expansion.

In May 1963, a public hearing was held in the City council chambers, on the hospital's petition for a permit for expanding its present facilities, and in November 1963, the matter was submitted to the voters for an advisory vote.

A majority of the ballots cast were not in favor of the expansion, and the council denied the hospital's petition on November 18, 1963.

Bon Secours Hospital officials decided to take the matter to court, and asked the court to declare the zoning law amendment unconstitutional.

Young Cyclist Assault Victim

J. H. Munchausen, of 323 Moross road, reported that his son, Baron, 13, was assaulted by a teen-ager at Moross road and Country Club drive on Saturday, July 24.

The assailant was riding in a car with another boy and two girls. Baron was riding his bike on Moross and had stopped at Country Club to allow traffic to clear before crossing.

A green Chevrolet convertible stopped in front of him, a boy got out and beat him severely about the face.

RUNS RED LIGHT
Shores police issued a violation to Irene Muir, 22818 St. Joan, St. Clair Shores, for running a red light on Lake Shore road.

38 Windows Smashed at Mason School

Four Juveniles Found With Slingshots and BB Pellets Deny Part in Vandalism

Four juveniles were taken into custody and questioned by Woods police on Monday, July 19, in connection with the destruction of 38 windows of the Mason School, 1840 Vernier road.

J. A. Claycomb, engineer at the school, called police at 7:30 a.m. Monday, and reported the window damage, estimated at more than \$100. The windows are 12x16 inches each, the police were told, and were damaged by BB pellets.

Claycomb told investigating officers that the damage to the windows occurred between 8 a.m. on Sunday, July 18, and 7:30 a.m. on Monday, when he opened the school.

Police officers dispatched to the scene on Monday, said they found three 12-year-old boys and one 11-year-old boy, in the school yard, on the side opposite the windows. Two of the boys carried sling shots, and three, including one of the boys with a sling shot, had BB pellets in their possession, the policemen said.

The four youngsters were taken to the station, where they were questioned about the damaged windows, but all four denied being responsible. The sling shots and pellets were confiscated.

The youngsters were released to their parents pending further investigation, police said.

Disposal Authority Studies Bids on Incinerator Plant

The Grosse Pointe-Clinton Refuse Disposal Authority committee met at the Farms Municipal Building on Tuesday, July 20, for the sole purpose of opening bids for the construction of an incinerator building. Five bids were received, according to Murray M. Smith, Authority manager.

Smith said that the bids will be studied, and recommendations for the awarding of the construction contract to the lowest bidder will be made on Tuesday, August 10, when the committee, again, meets in the Farms city hall.

The Authority is reviewing raising funds under two methods, financing through private enterprise, and financing by revenue bonds issued under the Authority. The bids offered

Teeners Have Many Ways To Flaunt Laws Prohibiting Liquor Sales to Minors

Library and School Photostat Machines Used to Obtain False Proofs of Age; Parents and Sympathetic Adults Contribute to Problem

By Anne Boynton
(Editor's note: Last in a series of three articles.)

Ever heard of "The Rev"? Likely not if you're over 20. However, many of the Pointe's teen set could set you straight on this bit of local lore.

You see, "The Rev" is actually a clergyman who lives in Indian Village. He likes kids. So much in fact, that he happily does them favors. Like going to a store and buying beer for them if they're under age. All they do is ask. No questions from this religious disciple.

And you also know what the Grosse Pointe Public Library is noted for these days, among a percentage of the young clientele? Its fine collection of current books? Its program of movies and lectures? No, strangely enough, it's the photostat machine. Why? Because it will reproduce fake proof of age, for a mere pit-

Woman Reports Theft in Market

Mrs. Eleanor Clark, of 1969 Van Antwerp, called Woods police from the Food Fair market on Mack avenue Saturday, July 24.

When police arrived, she stated that while she was standing at the meat counter, someone removed a small envelope purse from her basket containing her credentials and \$20.

Police took the woman to her home so that she could get another set of car keys, and returned her to the market.

ance—25c. And on the chance that some impoverished Pointe youngsters can't afford the quarter, secret informants tell us that the same job can be done at the High School library for only a dime.

Less Smart Pay More
Then, of course, there are a few unfortunates outside of this fair city who are not as quick to catch on to such devious means. They are prey to the efforts of one enterprising young man we know from the area. He sells proof already prepared. Made \$30 in two days, he did. Suppose he's saying it for college? It would be nice to think so, but he's probably saving it for more beer. He's only 17, but then he's got a full set of proof. In fact, he's about to augment his set with a phony draft card. Penalty of five years in the clink or \$10,000, (you can take your pick), if caught.

He won't get caught though, probably, and if he does it may not matter 'cause the police rarely dish out punishments. They're more apt to say, (testifies one boy), "Keep the beer, we know you can get more where that came from anyway." They don't take away proof many times either, for the same reason. The kids are

Correction

After subsequent investigation of a report on an automobile-motorcycle accident which occurred Tuesday morning, July 6, it was found that Charles Oscar Thompson, of 790 Washington road, did not fail to stop at a stop sign on Washington road at Waterloo avenue, as reported by the NEWS in the issue of July 8.

The News reported that Thompson had not stopped at the stop sign and had proceeded on to strike a motorcycle driven by Richard Mathews, 16, of 8110 St. Paul, Detroit.

It has been found, however, that Thompson did stop at the intersection, and that another larger vehicle obstructed his view of the boy on the cycle.

Thompson was charged by police with entering an intersection without due care and caution.

Unconscious For 5 Days After Crash

Patrick E. Hurley, 10, Shows Improvement Following Accident on Bicycle July 20

A 10-year-old Grosse Pointe boy was reported in fair condition and improving as well as could be expected Monday, July 26, after sustaining multiple injuries in an accident Tuesday, July 20.

Patrick E. Hurley, of 576 Lakeland avenue, was riding a bicycle east on Waterloo avenue, just before 8 a.m., on the wrong side of the street when struck by a car driven by Oren Scott Emmons, 17, of 8 Radnor circle.

Emmons, who was heading west, told police he saw the boy momentarily, glanced at the road to determine how far away he was, and the next thing he knew, the boy was on top of the hood of his car, and then lying in the street.

Emmons stopped the car and ran to the boy, finding him unconscious. He then ran to the nearest house to summon help but received no answer to the doorbell. Upon returning to his car, a crowd had gathered and he asked a resident who lived nearby to summon police.

Patrick was taken to Bon Secours Hospital by City patrolmen Plumb and Clarke where he was listed as temporarily critical. He suffered a fractured skull, a concussion, scrapes, scratches and bruises covering both legs, and a horseshoe-shaped gash around his left eyebrow, which required several stitches. Both eyes were also badly swollen.

He was in an unconscious state for five days but was reported talking and eating on Monday. No bones were broken in the collision.

No violation was issued to Emmons by police pending further investigation of the accident.

LOSES SIAMESE CAT

H. Donald Bliss, of 157 Merriweather road, called Farms police Monday, July 26, to report a male Siamese cat missing. Mr. Bliss and family were moving out of the state as of that date. The cat has been identified and can be identified only by its cut toe nails.

YOUNG SAILOR INJURED

Farms police were summoned to the pier to take Jeff Haddin, of 57 Meadow lane, to Cottage Hospital on Sunday, July 25, for treatment of a sliver in his right foot. The boy suffered the injury while out on a boat.

Other Ways To Get It
Oh yes, in case you hate scenes and dislike the embarrassment of being asked for proof, just go to one of a number of restaurants if you're under age and you'll get served. Don't forget the airports and hotels either. They're often likely to oblige.

One of the most favored techniques in obtaining the blessed booze is to simply order it from a delivery store. Only when the unsuspecting deliveryman comes to the door does the fun begin. All you do is turn on the shower and have a girl go upstairs. Another teen answers the door and replies that his mother is busy at the moment. Then he yells up the stairs and says, "Mom, the man is here from the liquor store." The girl says, "I can't come down. The money's in my purse on the stove." That's all there is to it.

Once you have your bottle, there's always a slight chance that your parents might be home and that they might disapprove. Many don't though, we're told. But if yours are in the minority and they don't like having their house torn up or a bunch of sick kids running around half crazy, then you can usually rent a room at a motel and have a party. Those in the know maintain a "Best for a blast" list.

Mrs. Victor Radcliffe, of 1136 Three Mile drive, was courteously allowing three pedestrians to cross in front of her car before turning right onto Notre Dame from Kercheval avenue when her car was struck from behind by an automobile driven by Carl William Thomas, 20, of 2475 Pine Lake, Keego Harbor, Michigan.

The mishap took place Tuesday, July 20. Mrs. Radcliffe had been heading east on Kercheval avenue when hit by Thomas' car. Minor damage occurred to both vehicles.

Officer Petz, of the Grosse Pointe City Police Department, witnessed the accident. He reported that Mrs. Radcliffe did have the right turn signal of her car flashing at the time of the collision.

Thomas was charged by police with following too closely.

WALLET LOST ON BEACH
Richard Shammass, of 60 Moorland drive, contacted Shores police Saturday, July 24, to report his wallet stolen at the waterfront park. It contained \$3, a driver's license, and various papers.

Teeners Caught Possessing Beer

Three 18-year-old Detroit youths were arrested Saturday, July 24 by City police officer Erkstine and charged as minors in possession of beer.

Those brought into the station were Donald M. Henry, 10436 Duprey, James E. Rappert, 12705 Kelly, and James Hertel, 16420 Manning.

Officer Erkstine reported that while on patrol, he noticed a car parked at the foot of Lakeland avenue. He proceeded to the car and Duprey, driver of the automobile, got out to show his driver's license.

Officer Erkstine then noticed that there were bottles in both the front and back seats of the car. One of the passengers was attempting to hide a bottle under the car. The bottles turned out to be beer bottles, some empty and some only partially empty.

The police officer then took the boys into the police station. Henry and Rappert were released to their fathers. No bond was posted. Hertel could not produce his father and was released to Mr. Rappert under \$25 bond.

The three received court notices to appear August 24.

Eric L. Tant Takes Training as Marine

Marine Private Eric L. Tant, son of the Rev. and Mrs. John P. Tant of 610 Blairmoor court, completed four weeks of individual combat training July 10 with the 2nd Infantry Training Regiment, Marine Corps Base, Camp Pendleton, Calif.

The 20-day course included over 200 hours of rigorous instruction in small unit tactics, night combat, firing weapons under simulated combat conditions and other subjects related to the Marine infantryman.

Facts can't be refuted, but can be distorted into odd shapes.

Two Shoplifting Incidents Probed

Approximately \$1,200 worth of stolen merchandise was recovered by Grosse Pointe City Police officers Wednesday, July 14, as they investigated an attempted larceny at Peter Pan Inc., 17105 Kercheval avenue.

Police officers were summoned by a sales clerk at Peter Pan's when she suspected a 19-year-old girl was about to leave the store with unpurchased items, identified as two little shirts and a little pair of pants, valued at under \$8. The suspect had taken the items from one counter to another.

However, the merchandise never left the store. As patrolmen William Plumb and Gerald Petz and Cpl. Donald Fritz investigated, they arrested two other people under suspicion of being involved in the attempted larceny.

Three women's suits and 12 men's suits, valued at about \$1,200, taken from Young's Men's Wear, 16930 Kercheval avenue, and Peck and Peck, 16910 Kercheval avenue, were recovered in a car belonging to a 25-year-old man linked to the girl arrested at Peter Pan's. However, a warrant against the man was refused by the court Thursday, July 15, as he was not in his car at the time of the discovery by police, thus making it an illegal search.

The clothes were returned to the two stores.

A second girl, also 19, was arrested, suspected by police as working with the first girl. A warrant against her was dismissed by the court due to lack of sufficient evidence.

The three were held overnight Wednesday in the county jail until their arraignment. The girl arrested at Peter Pan's was charged with attempted larceny from a store and released on \$100 bond. Her examination date was tentatively set for Tuesday, July 19, and later postponed to Wednesday, August 4 as she had not retained an attorney and neither a prosecutor nor judge was available.

All have previous records in Detroit for the same type of larceny, the girls, two arrests each, and the man, "not too bad a record," as described by City police Lt. Robert Van Tiem.

Two other people, a man and a woman, are also believed to be involved in the crime as two persons were seen with the three earlier Tuesday morning.

Cpl. Fritz stated he believed the five were a professional ring of shoplifters although there is no concrete evidence to verify his suspicions.

Names of the suspects and witness were withheld by the police pending disposition of the case.

Six Juveniles Facing Charges

Six Grosse Pointe juveniles, all boys, were arrested Saturday, July 24, at 9:45 p.m., by Park police and charged with being in possession of beer.

The boys were discovered by police in a car and had in their possession three of four cans of beer. They were taken into the Park police station and parents were called. The boys were released to their parents.

The case will be referred to the Wayne County juvenile division for action.

The boys claimed that a Negro bought the beer for them for a small remuneration but police officials were inclined to disregard their story. It is number one in popularity among minors caught in possession of illegal alcohol.

Makes Complaint On Peat Vendors

Mrs. John York, of 1269 Aline, complained of an unlicensed vendor to Woods police on Sunday, July 25.

She stated that her husband was approached by three white men and asked if he wanted peat sprinkled on the front lawn at a cost of \$12.

After the workmen finished a section approximately 25x30 feet they told Mr. York that they had figured wrong and the price would be \$18. They were paid and then left quickly in a red and yellow truck going north on Marter road.

Mrs. York attempted to locate the truck, which had no company name printed on it, but was unsuccessful. The truck was loaded.

TWO CARS TANGLE

While driving south on Rivard boulevard Thursday, July 15, Priscilla Webb, of Rivard, was struck by a '65 Dodge convertible driven by Daniel Callahan III, of Berkshire road. Miss Webb's car, a '62 Pontiac, had no lights. Both vehicles suffered minor damage though no violations were issued.

WALLET VANISHES

Sharon Del Place, of 324 Kerby road, reported to Farms police that her blue leather wallet containing a \$20 bill and miscellaneous papers was stolen Saturday, July 24, from her car parked in front of the Kerby address.

The DRC Story

MONDAY IS OPENING DAY AT DETROIT RACE COURSE

Things will be a lot different Monday than they were back in 1949, when I first came to the Detroit sporting scene and to Michigan racing. Then, the site of our race meeting was the old State Fairgrounds track.

Looking back, I confess the facilities were crude and limited. In a way, I have spent 16 seasons trying to make up for those initial shortcomings.

Monday, when the Detroit Race Course opens its 84-day meeting, I believe we will pay a handsome dividend to you fans for your loyalty and support.

We have planned a big Opening Day program of nine races with post-parade at 3:20 p.m. There are surprises galore in store for you, for the DRC has a New Look.

Within 24 hours after we closed our meeting last October, work was started on a building and modernization program which makes the Detroit Race Course one of the finest sports facilities in the United States.

We are putting the finishing touches on our new \$3,000,000 Clubhouse. It was designed with YOU in mind . . . designed for YOUR maximum convenience, comfort and pleasure.

We will have it ready to open shortly. Meanwhile, there are many additions and changes which will add to your racing pleasure. Opening Day Monday and every day thereafter.

There's a bright and sparkling New Look everywhere at the DRC. You will begin to notice the changes, and be affected by them, from the moment you enter the track.

The Mile Terrace, where you can obtain the finest in food and beverages, is open. Your reservation is invited. Just telephone GA 1-7170.

The new Walking Ring, which will give all our fans a front-and-center-view of the thoroughbreds, adds to the color and excitement.

The Turf-O-Gram Board in our infield, the first at a Michigan Track, will keep you posted on every racing development.

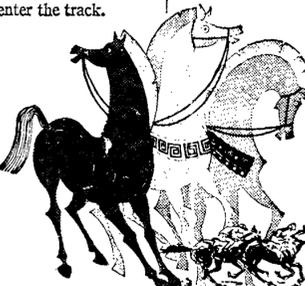

The entire grandstand area has been refurbished to make it more attractive and pleasant to you. There is an excellent restaurant, The Silk Room, beef buffets and refreshment stands.

To speed your arrival to and departure from the track, our entrances off Middlebelt and Schoolcraft roads were redesigned and we have added an entirely new entrance off Inkster Road. The flow of traffic will be smoother and faster.

Our entire Parking area was restyled to make it quicker and more convenient to get from your car to the grandstand or clubhouse. We have parking for 12,000 cars. Valet parking is available at the Clubhouse door for those who desire it.

You will find racing is finer and more fun than ever at The Detroit Race Course. YOUR PLEASURE IS OUR BUSINESS. Visit us soon.

ALL ENDS WELL
Firemen responded with all apparatus to the report of a fire at the Sumner G. Whittier house in Lakeland avenue on Saturday, July 17. The fire originated in a pot on the stove, the fire was believed to have started from an over-heated popcorn pan. When the fire equipment arrived, the fire was out, so firemen ventilated the room, checked the stove and returned to quarters.

Parents Warned By Police Chiefs

Several reports of vandalism made by building contractors who demanded something be done to prevent damage to new homes under construction, brought a warning from Shores Police Chief Thomas Cochill on Monday, July 19.

The warning was primarily aimed at parents, who are urged to instruct their children about the consequences, if the children are apprehended for damaging property.

"I urge parents to inform their children not to destroy property," the chief said. "Parents have a moral responsibility, if their children are involved in malicious destruction of private, or public property, and in many instances, a financial responsibility, if it is proved that damage is done by their children."

Chief Cochill pointed out that under the law, parents are made responsible, and must pay for any damage done by their children.

The other four Pointe Police Departments have also recorded complaints from contractors and private citizens, of damages done to property by children.

The chiefs, Arthur Louwers, Park; Andrew Teelaert, City; Allen Andrews, Jr., Woods; and James Furton, Farms, issued warnings similar to that of Chief Cochill.

Two Cars Tangle On Vernier Road

An anonymous caller notified Shores police of an accident which occurred Saturday, July 24.

Virginia Strongman, of 63 Vernier road, told officers that while she was headed east on Vernier, she put her left arm straight out in order to signal a right turn. In making the turn, she hit the left side of a car driven by Milos Djurovic, of 889 Clairpointe, Detroit.

Mr. Djurovic stated that he thought Mrs. Strongman was attempting to make a left turn, and thus tried to pass her on the right.

Both vehicles were damaged as the result of the accident, and a speeding sign was broken off.

Nab Juvenile Trespassers

Dr. Roger DeBush, of Cloverly road, called Farms police Wednesday, July 14, to report trespassers in the backyard of a neighbor's property at 111 Cloverly. Dr. DeBush, who is checking the property while the owners are away, observed a group of boys enter the driveway in a convertible car with the lights out. They then proceeded to go sit in the backyard.

Upon arrival, Officers John Farley, Ronald Wooten, John Kruskowski, and Joe Belanger, saw two boys running around the north side of the house and then across to the yard next door. They jumped a fence onto property at 109 Touraine where they were apprehended and brought back to 111 Cloverly.

At this time, another boy was seen running south on Cloverly towards G.P. Boulevard, but police were unable to apprehend him.

The other two boys, both minors, were taken to the station. After questioning, they identified the other boy involved, also a minor. He was taken to the station by his father.

Meanwhile, police had checked the Cloverly residence and picked up three full cans of Pabst beer, seven cans of Colt 45, and four empty beer cans.

The boys admitted to having obtained the beer from a colored man on Kercheval avenue.

All three boys were released to their parents pending further investigation.

Boating Violator To Hear Verdict

James F. Blake, Jr., 17, of 1009 Audubon, is the first Pointe boater to be arrested by the Wayne County Sheriff's Water Patrol, based at the Farms Municipal Pier-Park. He was arrested on July 8.

Deputy Sheriffs Thomas Hargis and Gerald Byne of the Water Patrol, who testified at a hearing held before Park Judge C. Joseph Belanger on Wednesday, July 21, told the court that Blake was crossing from Peche Island, and heading west toward Alter road, when he cut across the bow of their patrol craft and three large cruisers in the vicinity, forcing all boats to heave about to prevent a collision.

Hargis and Byne said that they forced Blake to heave to, and issued him a violation ticket, charging him with failing to yield the right of way, and cutting across the bow of other crafts.

Blake entered a plea of guilty to both charges, and Judge Belanger ordered the youth to appear before him again this week, with his parents, at which time he will pass sentence.

The charge against the young boater was filed under a State law, and as municipal judge, Judge Belanger was asked to try the case for the State, since the violations were committed on the Detroit River, opposite the Park waterfront park.

CARBURETOR FIRE

The Grosse Pointe City fire department was summoned Monday, July 12, to put out a fire in the carburetor of an automobile driven by Doug Lott, 601 Washington. Lott said he had run out of gas in front of his home and had taken the air filter off and was pouring gas into the carburetor in order to start the car when the fire started. Firemen put the fire out. Damage to the car was slight.

Pointe Health Budget \$11,263

The Park council, at its regular meeting held on Monday, July 12, approved payment of the city's share toward the salaries and maintenance of the Wayne County Health Department Branch (Grosse Pointe-Harper Woods), housed in the Park Municipal Building, 15115 Jefferson.

Nunzio J. Ortisi, Park city comptroller, and secretary-treasurer of the Grosse Pointe-Harper Woods Health Council, informed the Park council that the city's share toward the total 1965-66 Health council budget, was \$2,064.62.

The County Health Department Branch serves all the Pointes and Harper Woods, and is under the supervision of Dr. Thomas Davies, unofficially known as the Pointe Health Commissioner. The Park is the managing municipality of the Health District, and collects and disburses funds necessary to the operation of the county branch.

Nunzio disclosed that the total 1965-66 budget, approved by the GP-HW Health Council, comprised of representatives from each of the six communities, is \$11,263.53.

The pro-rated share from each of the communities is based on the 1964 county equalized valuation of real property, and is as follows: Park, \$2,064.62; City, \$1,051.91; Farms, \$2,272.98; Shores, \$918.60; Woods, \$2,717.72; and Harper Woods, \$2,176.64.

Gray's Outfits Lion Gridders

When football was in its infancy, a pair of clattering shoulder pads, an ill-fitting sweatshirt, and a battered helmet were considered to be all that was needed. But today, when the game of football "professional style" is more of a science, the individual requirements for providing protective equipment for the participants have developed into an art.

For the Detroit Lions, this furnishing of equipment is the responsibility of Grosse Pointe's own Gray's Sport Shop, located in Kercheval on the Hill.

Daily personal calls at the Lions' office and training camp at Cranbrook are necessary to prepare the team for the coming season. Roland Gray meets

L'Anse Creuse International played host to Grosse Pointe Park National All-Stars in the first game of All-Star play — to see Grosse Pointe win 6-5 in a hard-played thrill-packed game. Mike Getz of the Grosse Pointe Cardinals was the winning pitcher and earned his title of All-Star.

L'Anse Creuse came to bat first with Tom Miller hitting a single and then Greg Chauvin belted a home run. Grosse Pointe's John Knight hit a single and Mike Getz got to first on an error which brought Knight in. Mike stole third and then home. The inning ended with a beautiful catch at left field fence by Tom Inman of the bat of Tom Stack.

The second inning Mike faced three batters and struck them out. In the second for Grosse Pointe, Chuck Crandall and Don Hammond hit but died on base. The third for L'Anse Creuse put them ahead 5-2. With Greg Chauvin and Russ Snow on base, Drew Helzer hit a homer. Grosse Pointe picked up a third run by a repeat performance by Mike Getz who errored to first and on an error and passed ball made third and then stole home again.

The fourth inning Mike struck out the first two batters and the third grounded out, to end the inning. In the fourth for Grosse Pointe, John Bell singled, Chuck Crandall walked and John Knight singled to load the bases. Mike Getz came to bat, hit a hard single and he was put out going to second, a cross fire between the second baseman and catcher allowed all three baserunners to come in.

Mike struck out two batters in the fifth and George Saad, at first, ended the inning with a shoe-string catch. Grosse Pointe's fifth was uneventful and Mike Getz again faced but three batters in the sixth, striking out two. This was Mike Getz's game — he was credited with the win, with all six RBIs and struck out 12 batters, allowing only three hits.

Saturday, the Nationals met the Hamtramck team for the second game. Hamtramck led off with a home run by Greg Skladanowski and Grosse Pointe came up with Chuck Crandall, John Knight and Mike Getz hitting and scoring, plus two more runs, making the score 5-1 at the end of the first. Tom Bruno and Skladanowski hit and scored in the second and third to make the score 5-3 as the game was called for rain.

Sunday, Hamtramck returned with a fired up team and a new pitcher who had been on the injured list for a week. Grosse Pointe scored only one run by Fred Rohm, who was on second when Mike Garbacz started for Hamtramck, and he struck out five batters and allowed no hits for the remaining innings.

In the fifth, Hamtramck got four runs off five hits and in the sixth, eight runs off eight hits, making the final score 15-6. Bill Nahornodny, and Greg Skladanowski hit homers for Ham-

tramck, Tom Bruno hit four for the second time, Mike Getz, Pietraszkiewicz, and Walt Palamarchuk hit, accumulating 17 hits for this hard hitting ball club.

The American League All-Stars met their defeat at the hands of the Americans from Hamtramck Wednesday night, 15-2. Eugene Kerpaul was on the mound striking out 12 batters and allowing only four hits. Rick Mahon, Dick McLaughlin, Gary Verkeyn, and Mark Hafer got hits for Grosse Pointe. Three hits by Bennie Thomas, two for Maynard Golden and Robert Golembiecki, a hard hit homer by Richard Trezinski, and hits by Don Perish, Eugene Kerpaul and Dennis Carer accounted for Hamtramck's winning score. A stop at third by Mark Hafer, one by Rick McLaughlin at short and a spectacular catch behind second base by Jack Gardner sparked Grosse Pointe's fielding play.

As the 1965 season came to an end this week, Mr. Arthur Getz announced his retirement as president of the Grosse Pointe Park Little League, a position he has held for three years. He previously managed and coached the National League Cardinals and has been in the program for many years. In addition, he has contributed three sons to the program. Arthur, now in the Babe Ruth League, Mike—the hard hitting pitcher of the Cards, and Chuck Getz — a real little ball player in his first year with the Cards.

Mr. Getz will be greatly missed by all his friends in Little League, but will be found watching son Chuck from the bench next year. He has asked the writer to thank his board of directors, the managers, coaches, parents and friends who helped make the 1965 season so successful by their contributions and participation in the program.

WOODS — SHORES

By Cindy Tew

The National League Woods-Shores All Stars lost a close game to Clintondale Wednesday night. The Pointe National League team took a quick lead in the first inning. Dennis Menzo scored the first run on a fielder's choice by Dan Clem.

Bennett scored the second run in a Clintondale error. Up until the bottom of the sixth inning, the Woods-Shores National League kept this 2-0 lead. In the Clintondale sixth, Gregg Kovacheff, the Clintondale pitcher, led off with a home run. Sam Smith also came in to tie up the score. The score remained tied until the bottom of the eighth when Gregg Kovacheff came in on an error to win the game.

The American League All Stars were defeated by Hamtramck 9-5. Tommy Keller pitched a good game for the All Stars until the fifth inning, when Hamtramck scored six runs to win.

This officially ends the 1965 Woods-Shores Little League Season.

Lochmoor Leads In Club League

By Mike Granger

Lochmoor's red-hot pace setting swimmers gained undisputed possession of first place by mastering previously undefeated Western, 165-151.

Both coaches, Roy Pouliot of Lochmoor and Western's Mike Heick, anticipated a close struggle. And this it was—for the first half. At this point, Lochmoor found themselves on the short side of a 79-78 score.

Successive relay victories by Lochmoor's 9-10 medley (boys and girls) plus Cheryl Gardner's second solo victory of the afternoon provided Lochmoor with a margin which they never lost.

Miss Gardner, captain of the squad, had quite a day for herself. She took home blue ribbons in both the freestyle and butterfly freestyle relay. It should be an interesting race at next month's finals when she clashes with such girls as Sue Stuckey and Phoebe Bedford.

Kitty Wilkins, probably the most under-rated swimmer on Lochmoor, enjoyed another successful outing. Kitty captured both of her races, the freestyle and the backstroke. She also collected blue ribbons for her relay efforts; swimming a leg in the freestyle relay and anchoring a medley relay.

Another double winner was Jim Godin, hero of Lochmoor's victory over the Grosse Pointe Yacht Club. His younger brother, D. J. Godin, was victorious in the backstroke race, while Ken Godin, 11, swam well in his event.

Lisa Beckenhauer, 11, swam backstroke in two winning relays, freestyle in a third, and won her freestyle race with a fantastic time of 29.9. Her previous best time was 30.2. Lisa is only the fourth Inter-Club female swimmer to break the half-minute barrier. And she's only eleven!

Susy Heholt, 7, claimed her fifth blue ribbon in as many meets by grabbing the 25 free. Her time was 18.9, and Pouliot is optimistic about her chances for a first in next month's finals.

In the 15-16 age-group, Pinky Sinclair and John Hoffman were solo winners. Pinky won the backstroke, while Hoffman took the free race.

Backstroke Laurie Simon won her specialty plus she swam in two relays.

Lochmoor's first relay, the Girls 11-12 Medley Relay, broke Grosse Isle's record by 7 of a second. The foursome of Simon, Beckenhauer, Mary Ambrose, and Mary Klein were clocked at 1:09.2.

Western had two double winners, Jack Curtis and Nancy Trusdale. Both swimmers collected freestyle and backstroke wins.

Lochmoor is virtually assured of a first place finish in the "A" division. In 1961, they were "B" champs, but in four short years, Pouliot has developed the team into a major power. They should have little trouble in defeating Oakland Hills this evening. Oakland's last victory was way back in 1962.

Boat Club Beats GPYC Tankers

By Mike Granger

The Detroit Boat Club handed the Grosse Pointe Yacht Club its fourth setback in five outings, 154-141, in a meet marred by many foolish disqualifications.

It appeared as though Grosse Pointe spent most of the evening on their backs; of the nine solo events which they captured, six were backstroke victories.

They did manage to produce two double-winners, Kathy Padon and Bruce Black. The leading swimmer of the evening was Charles Russel, 16, of the D.B.C. Russel grabbed his three age-group races.

Miss Padon and Black won their respective freestyle and backstroke events. In addition to his individual conquests, Bruce swam backstroke in the Boys 56 year Medley Relay, and anchored the Boys Freestyle Relay.

Bruce's 12 year old brother Jeff won his fourth straight backstroke race of the season, with a time of 37.4. Jim Black, 13, anchored the Medley Relay.

Ten-year-old Kathy Baek turned in her usual fine performance for the G.P.Y.C. by winning her specialty, the backstroke — what else? She also swam this stroke in a winning 9-10 Medley Relay.

Maurice Burke, 14, won her third backstroke race, while Gail Hilliger, making her '65 debut for the Yacht Club, outdistanced the Boat Club swimmers for a blue ribbon in the — you guessed it—the 50 back.

—And here's one for Mr. Ripley. Joey Metes, 12, collected Grosse Pointe's last age-group win in—believe-it-or-not—the 50 free. Metes also swam in a free relay.

Of the three relays the Pointer's won, two seem destined to qualify at next month's finals. The quartet of Kathy Baek, Marianne Metes, Nita Storms, and Lucy Freidt compose a 9-10 relay. Bruce Black, Larry Ray, Steve Mason, and Jim Black are the members of a strong

Babe Ruth League

FARMS — CITY — PARK

By Bill Stuck

The season is over. The American Division INDIANS waited a long year for this and won. As in 1964 it was a two out of three series and it was settled in the first two games. The DODGERS of the National Division were the losers.

The first game was a real "cliff-hanger" with the issue not being settled until the very end of the seventh, via a real good hit by Jimmy Lipski, 14. The game saw-sawed back and forth after the INDIANS got a solid 3-0 lead in the third under excellent control by league-leading pitcher Byron Stuck. Then came a bases-loaded situation, a hit to second, an error, a misplay and the score became 4-3 favor of the DODGERS.

Rick Scavarda, DODGER pitcher, was going great. Finally in the very end of the seventh, score still 4-3, INDIAN Rem Hubbard popped out on being hit by a pitch. "Kip" Oldani singled and "Speedy" Hubbard scored, tying it up. Dougie Dzuiba got on via an error. Jeff Hadden advanced him via a bunt, Mark Brecht got to first by a fielder's choice, and as we mentioned Jimmy Lipski came up with a solid single and that was it. Mrs. Lipski "came down to earth" one day later.

Game statistics for Tuesdays first game were: losing pitcher, Scavarda, 5 runs on 3 hits and 1 error for the team; for the winners, winning pitcher, Byron Stuck ended the season 10-1, allowing 8 hits and 4 runs with the team having also 1 error.

Thursday we thought it would rain. It didn't but was it hot! DODGER Garry Richardson started the game and was relieved by George Lauth, 13 and then Garry returned but to no avail. It just was not Ed Devine's

DODGERS night. INDIAN pitcher Dougie Dzuiba in his last appearance went the entire distance. The game was a good spectator game — 14 hits for EACH team. Final score 16 INDIANS and 9 DODGERS.

George Lauth's backhand catch of a tremendous center field hit by Kip Oldani was probably the most spectacular play of the night. Fifteen-year-old Ben Hubbard had a perfect evening of 5 hits for 5 times at bat and "stole" every base in sight... until the last hit when he got caught off second.

In Dzuiba, Manager Campbell put complete trust by replacing the entire outfield with 13-year-olds. Other 15-year-olds for the INDIANS were Jeff Hadden who had a 3 for 4 evening and first baseman Mark Brecht. For the DODGERS in their last appearance in Babe Ruth were Walt Cytacki with 3 for 4, Bill Pankhurst with 3 or 4, Mike Reno, 14, had a beautiful triple only to be called out for not tagging first as he went by.

Season statistics for the league-winning INDIANS: Pitcher Byron Stuck, 10 wins, 1 loss; Dougie Dzuiba, 5 and 2, and Keith Cunningham, 5 and 2, in the batting; Doug Dzuiba .486 with 34 hits out of 70 times at bat; Ben Hubbard 32 hits for 69 AB (and incidentally scoring 46 runs or over 25 per cent of the team total); Jeff Hadden 23 hits out of 50 AB and "Kip" Oldani 33 out of 88. For the losing DODGERS: Rick Scavarda 7 wins and 2 losses; Garry Richardson 7 and 3 and Walt Cytacki 2 and 0. In batting it was Cytacki 15 hits out of 38 AB; Garry Richardson 22 out of 61 AB, and Garry Richardson 25 out of 71 times at bat.

While this was all going on, the "13 Year Old" Grosse Pointe Inc. All-Stars won the District 2 Babe Ruth Championship hands-down. In their first game against Grosse Pointe Woods, Bill Bailey pitched a NO-HITTER as the boys won 6 to 0. Bill struck out 8 and walked 5 in his first test. In the second game it was Grosse Pointe Inc. 6 and Harper Woods 2 as Keith Cunningham came through striking out 8 and walking only 2.

In this game Bill Bailey again played out with 2 hits out of 3. Players on the champs included YANKEES, Baron Munchausen and Al Wilke; RED SOX, Bill Roberts and Mike Corbett; TIGERS, Tim Wittstock; INDIANS, Dick Hudson, Keith Cunningham; WHITE SOX, Jack Critchfield; CARDINALS, Mike McShane; GIANTS, Bill Shirer; DODGERS, "Skip" Lauth; PHILLIES, Rich Anderman. Bill "Beetle" Bailey; BRAVES, Ralph DiDomenico and Steve Maun; and PHILLIES, Kevin Bolton. Winning Manager was Jack Ramsdell aided by Coach John McShane.

As the formal season draws to a close again may I on behalf of the Board thank all the parents for their participation in the many ways, and also thank the Grosse Pointe News for its generous use of space in the coverage of our games. After six years of this yours truly is not too happy about looking forward to next year... it will be the last. Mayhap as the "BW" says "We'll have to adopt some one in Little League and start all over again" ... just won't seem normal to me means on schedule, etc." In any event, parents, thanks for your cooperation and participation, it was a successful season and incidentally the Treasurer, Don Walker tells me we are at least solvent.

City Swimmers Beat Park Team

The Grosse Pointe City Swim Team managed to squeak by the Grosse Pointe Park Swim Team 143-133 Monday, July 19, at the City pool. This marked the first in a series of dual meet competition between the two Pointes.

The purpose behind this series of meets, as expressed by the Park and the City is to provide competition and a learning experience for those swimmers who haven't the opportunity to compete elsewhere. In the City vs. Park meet, over 80 children were entered in the competition under the supervision of Park Coach Pat Richardson and City Coach Bob Kimball.

Grosse Pointe Park and the City of Grosse Pointe are hopeful that the other three Pointe communities will join in this new series of meets. If the other three communities join, it will provide the opportunity for a greater number of children to compete with others of their own ability.

The City vs. Park meet proved the practicality of using swimmers developed by the various park coaches. Only 10 points separated the two teams and the final wasn't decided until the final three relays. This meet provided for an interesting and exciting time for both the swimmers and the spectators.

Report Attempt To Enter Home

Mrs. Kenneth Fernholz, of 14151st road, went to the Grosse Pointe station, Tuesday, July 27, to report that on July 26, about 4 p.m., a group of boys about 17 years old attempted to get in the house by removing a screen. Her 15-year-old daughter was in the house with some friends.

No one seemed to know who the boys were. They were driving an orange car, perhaps a Plymouth or Dodge, with fins.

Wave Lengths

By Anne Boynton

It was THE week-end of THE race, and THE boat to watch was Gypsy, manned by Charley Kotivie, a Milwaukee automobile dealer. Gypsy clinched Class A in the 41st annual Bayview Yacht Club sponsored Mackinac Race and was the first boat ever to win the overall championship three times.

Fighting its way up the 235-mile Lake Huron course, Winsome, a new Cal 40 sloop co-skippered by Carter Sales and Skip Grow, was the nearest contender, finishing two hours and 27 minutes behind the champion. However, corrected time put the sloop a mere seven minutes short of the 54-foot double ender Gypsy's record time, which was an excellent showing, especially considering that Winsome suffered a broken boom fitting and freed mainsail four miles from the finish. The mishap was estimated to have cost the Winsome about 10 minutes.

It was a close battle most of the way. And rough. Winds chased and lashed from four to 25 miles an hour, and sailor at times had to wrestle with eight-foot waves. The problem was a storm front moving across Lake Huron and it WAS a problem. It lengthened the 235 mile trek into a 400 mile contest as sailors heading almost due north had to tack again and again, some reportedly more than 100 times. And the weather was not only hard on the skippers, who in typical Michigan fashion, were constantly shifting from shorts to foul weather gear to wools, but it was hard on the boats. Much gear was damaged, and 12 craft weren't able to reach the end.

"We had to sail almost every inch of the way," said the winner. "The only spell we had was a couple of hours Sunday afternoon when the wind shifted to our backs, but the rest of the race was a beat into the wind and into the waves."

Gypsy was one of the oldest boats in the race, 26 years afloat. But her skipper had stripped down the hull and covered it with a shiny coat of fiber glass. Age is relative though as this vessel was obviously in good shape. Fortunately Gypsy's losses were not too severe - a torn sail, ripped by the wind.

Further downstream, five miles behind Winsome, was a 42-foot catamaran named Helani, from Saginaw. Then came a Chicago sloop, Namis, and then Norbert Taylor's, Vitesse II, which took a third in class A with a 43:55:02 corrected time. Three miles back was DYC's Toot Gmeiner in Apache.

Seventh in line was the Class B winner, Guy McNaron in his Bounly sloop, Vashti. Vashti outdistanced 22 of the large, Class A cruisers. Lywd Ecclestone's yawl Bikini, which pulled out

Then there are the finals, official this time, of last week's little sister, the Chicago to Mackinac bout.

Blitzen, a 56-foot cutter noted for its windward ability, sailed in at 3:04 last Tuesday morning to capture the prize.

She was followed by the 70-foot, 12-meter sloop, Mitena, a hour and a half later. Two hours aft was Kotivie's Gypsy, and fourth place contender was Helani, a 42-foot catamaran owned by Charles Kretschmer, Jr.

Theft Reported By Tour Driver

Charles Boldenow, of 444 Crescent Valley drive, Corvallis, Oregon, informed Farms police that he placed a suitcase, camera, blanket, and denim laundry bag next to a wall across from 35 Fisher road early in the morning on July 24.

Boldenow, who is a driver for the Chet Sampson tours, then went to have his car washed, and when he returned, the items were missing.

Gone are one leather overnight type suitcase, light brown, containing men's clothing; a Kodak 700 camera, valued at \$80; a pair of Japanese Hihini binoculars, worth \$20; a 357 magnum derringer; a Wards XP500 35mm camera, valued at \$50.

Farms Regatta Attracts 10,000

And the rains came down. Right as the 13th annual Grosse Pointe Farms Regatta was getting under way. Guess it didn't matter though. Over 10,000 residents turned out for the two days of festivities anyway. And that's quite a few any way you look at it.

The program for the week-end included boat races, a fleet review, a huge parade, a beauty contest, bicycle competition, children's special events, the drawing of prizes, and the presentation of trophies.

Featured first were the boat races. Winners of the various classes were Vic Verhaeghe—Inboard, Doug Schultz and Fred Renaud—Outboard, and Glen Bowler—Sailfish.

Later Saturday night was the pageant for Queen Carol Reardon and her court consisting of Sue Boyd, Pat Crea, Pat Foster, Beth Truba, and Sue Savage. Judging the beauties were Leon Sheoyan, Charles Verheyden, Alfred Steiner, John Mazur, James Causley, and Richard Hudson.

Then there was dancing, and more dancing, and more dancing, to the sounds of the Underdogs.

Sunday's activities began with an impressive parade which started at Mack, and proceeded down Moross road to the Pier. The bagpiping Masonic Scotch Band from the Shriners Moslem Temple performed. Grand Marshalls were Mayor William F. Connolly and Charles Verheyden.

The fleet review was highlighted by these inboards: Delinquent Juvenile, Joe Meyer; Man on the Moon, George Simon; and Hot and Sunny, Robert German. Outboards: Jolly Green Giant, Yvonne Wentens; Little Safari, Robert Marings; Pussy Galore, Bill Allen. Sailboats: Capt. Crunch, Bill Delsener; The Good Ship Lollipop, Joe Crea. And a lone sailfish, Father Goose, manned by Les Roddis.

Regatta Committees were headed by Tony Delsener—Boat Decorations, Carl Lieneman—Boat Races, Robert German—Children's Events, Jack Klick—Parade, Lorraine Famularo—Prizes, Maida Meldrum—Program Sales, and Tony Delsener—Beauty Contest.

Also, Duke DiLaura—Refreshments, Margaret Holmes—Entertainment, Jack Klick—Tickets, Bill Degalen—Queen's Boat, Ed Lauer—Decorations, Jim Meldrum—Hospitality, Paul Collins—Cover, and Dr. Larry Farnam—First Aid.

Regatta Chairman was the Grosse Pointe Farms Boat Club Commodore, Vincent Famularo.

Police Arrest Young Imbibers

Four teenagers, one a juvenile, were arrested by Park police on Sunday, July 18, and charged with illegal possession of alcohol.

Park Police Chief Arthur Louwers disclosed that a complaint was received by his department of a beer party by teenage boys, being held at 1083 Maryland. There were no adults present, the complainant said.

Sgt. Charles French and Patrolmen Robert Saifry and William Furtaw, were dispatched by radio to the Maryland address. They said as they went to the door of the house, one of the youths shouted, "Cops", and the boys tried to flee out the back door, but all were captured and taken to the station.

At the station, charges of minors in possession of alcoholic beverages were made, Chief Louwers said.

All were released after posting a bond of \$50 each, pending a court appearance on July 28. The 16-year-old was released to his parents until the next session of Juvenile Court.

Watches, Radio Stolen in Park

A daylight burglar stole three watches and a radio Thursday, July 22, from the home of Myer Rubin, 15501 East Jefferson avenue.

Mr. Rubin reported to Park police that between 1:15 and 5:20 p.m. Thursday, someone had stole a woman's wristwatch of unknown value, a woman's gold fingerwatch, valued at \$75, and an RCA transistor radio, valued at \$25, and a man's alarm type wristwatch, of unknown value.

The two women's watches and radio were taken from one bedroom and the man's watch from another.

An investigation by Det. James LaPratt disclosed that during the absence of the Rubin family, the unknown thief entered the sunporch of the home through an unlocked door. He then broke a window of the door leading to the interior of the house.

The subject left the house through the front door leaving it unlocked and slightly ajar. An area check of adjacent homes revealed no clues to the thief's identity.

Hungry Holler For Help

Believe it or not. The Hill is not complete. Something's lacking. It has to do with hunger pangs. Around lunchtime.

What we need is an attractive, moderately priced, and QUICK spot to sneak a sandwich. No leisurely atmosphere or plush surroundings required. Just a normal, even counter-type restaurant. The kind that would have tomato juice and iced tea drunk by the clientele, not Bloody Marys and Whiskey Sours. Not that we have anything against the latter, but there are days when there simply isn't enough time to enjoy oneself to that degree.

For the most part, those who frequent and work on The Hill are busy people. If they are shopping, they are usually too bushed or perhaps underdressed to fully appreciate The Bronze Door. Likewise if they are working, (though it's more often) because a working person can't afford the hour and a half it's nice to spend in such a place.

And then there's the expense, but it's not so much that we're worried about as time. Not that The Village is that far away, (what would our forefathers have said?), but it can be an inconvenience when there's a time factor, especially if transportation is also a problem. The buses run, yes, every half hour. Of course, no one ever seems to know when that half hour falls each day.

The vacant lot next to Paskel's, presently being used for parking for Punch and Judy, would be an ideal spot for a small restaurant. We're sure it would draw business from us hungry folk on the Hill.

Farms to Host State Fire Chiefs

The Farms Fire Department will be host to the Southeastern Michigan Fire Chiefs Association, at the sixth annual get-together, to be held this year at the Farms Municipal Pier-Park on Thursday, August 12. It was disclosed by Farms Fire Chief M. William Mason.

The gathering is expected to be the biggest since the Association began such an affair in 1960, with fire chiefs and wives and guests coming from practically every community in the southeastern part of Michigan, Chief Mason said.

A big attraction, he said, is a demonstration of a new fireboat in Lake St. Clair by an Illinois firm. The craft, flat-bottomed, can skim over water only six inches to eight inches in depth.

The boat, the smallest made

by General Marine, is 21 feet long, has a single, 280 horsepower engine, and is jet propelled. It can discharge 3,500 gallons of water a minute, has a top speed of 49 miles an hour, and can come to a complete stop from 40 miles an hour to zero speed in less than 50 feet.

Another feature of the fireboat, Chief Mason pointed out, is that it can feed three 1,000-gallon land pumps, simultaneously, directly from a river or lake.

GOLF CLUBS STOLEN
 Richard Morris, 47, of 742 Sunningdale, called Woods police on Tuesday, July 20, and complained that someone broke into the trunk of his car, parked in front of his house, and stole a complete set of golf clubs and a golf club bag, valued at a total of \$150.

What Goes On at Your Library

By Virginia Leonard

"Nel mezzo del cammin di nostra vita"

And so, supposedly, in the year 1300, at the age of 35 (in the middle of the road of his life), Dante Alighieri started Canto I of what was to become INFERNO (followed by the PURGATORIO and PARADISO) of his great DIVINA COMMEDIA. This year, Dante's spectentennial, the world pays homage to this famous man and his accomplishments. T. S. Eliot felt he was the most universal poet in the modern languages, and added: "Shakespeare gives the greatest width of human passion; Dante the greatest altitude and greatest depth. They divide the modern world between them; there is no third."

Many many moons ago, I studied some Italian in college, and had Professor Thomas G. Bergin (now Master of Timothy Dwight College at Yale) as my teacher. The impact of his intellect and personality has remained a driving force and strong memory after some thirty odd years, even though I played renegade to the groves of academic and became a librarian. (Sorry, T.G.B, but none of us is getting any younger!)

Over the years, I know Dr. Bergin has been authoring and co-authoring books, primarily, I suspect, for the academic taste. Also, he appears frequently as book reviewer of contemporary Italian novels in the SATURDAY REVIEW. (As a matter of fact, he is currently reviewing the new THE GARDEN OF TIE FINZI CONTINIS in the July 24th issue). Thus it was no surprise to me to find Professor Bergin publishing a new biography on Dante this spring. His new book, entitled, simply, DANTE, is a slim, white volume, lucidly understandable to the layman, and (I now quote TIME) is "the best general introduction to Dante ever written in English." It has been very well reviewed in every periodical and newspaper I have seen, and TIME (July 9, 1965) gave it a four-page spread with pictures of both subject and author. The author begins his book with a background of Dante's century, his Italy, his life. It was a turbulent period of transition between the medieval and modern spirit, and Dante, by impounding the complete experience of medieval man, but also demanding experience as well as faith, became the first modern man. From a literary point of view, it is his complete symmetry, simplicity of language, imagery, composition, mysticism; of religious experience—in short, his sheer genius, which make him loom as a titan over literature of all ages. I know I oversimplify— but how else can one cover such a subject in two columns?

It is interesting to check our holdings on Dante. First of all, the books which we have, written by the poet himself, include THE DIVINE COMEDY, both in English and Italian, and THE PORTABLE DANTE, which also includes his VITA NUOVA and excerpts from his Latin prose works.

One work of criticism on THE DIVINE COMEDY is by Irma Brandeis, entitled THE LADDER OF VISION, and subtitled: "A study of Dante's com-

edy". This is a series of textual studies designed to show the ways in which his meanings are found in his images. It is for the general reader as well as the student. An older biography by Giovanni Papini— DANTE VIVO—with picturesque eloquence, deduces, from Dante's writings, his character, life, history and his weaknesses.

Another new title, appearing to celebrate the 700th anniversary, is John Freccero's DANTE. This includes critical material on Dante's poetry, his philosophy, certain of his individual works and his characters. An interesting facet is Albert Roe's BLAKE'S ILLUSTRATIONS TO THE DIVINE COMEDY, treating William Blake's last and perhaps greatest work, 125 years after their execution. It is also an extensive analysis of the culmination of Blake's creative life.

At the risk of sounding like a bluestocking, I would urge any and all of you who have never read any of THE DIVINE COMEDY to try it sometime. In the INFERNO you will find scenes as exciting as any horror movie, filled with giants, monsters, demons, spirits—you name it! Agonies and tortures are described with macabre relish. PURGATORIO is rich with psychology, characterizations, and becomes progressively more reflective. PARADISO is the most beautiful and profound, progressing to great religious majesty and mysticism. Rereading only whets the enthusiasm, leads to a better understanding and appreciation, and brings into sharper focus the genius of this great Italian writer.

Blair Moody, Jr. Seeks Judgeship

Blair Moody, Jr., a well known trial attorney for over 13 years, has announced his candidacy for Judge of the Wayne County Circuit Court. Four positions for this post are to be filled by a county-wide vote this fall.

Moody, active in local, state, and national bar associations, determined to make the race stating: "Our courts hold our society together. I hope to have an opportunity to make a significant contribution during this period of great stress."

Moody was a member of the Governor's Planning Commission for Wayne State University. He is a former newspaper reporter for Detroit and Washington, D. C. newspapers. In 1960 he was Wayne County Chairman of Citizens for Kennedy.

A 1952 graduate of the U. of Michigan Law School, he is admitted to practice before the Interstate Commerce Commission on Federal Immigration Service, and is a member of the American Judicature Society and American Trial Lawyers Association. He is the son of the late U. S. Senator Blair Moody, who died unexpectedly in 1954.

Moody is married and has four children. He is a veteran of the Korean War and lives at 69 Willow Tree place, Grosse Pointe Shores.

207 Elms Die This Year

(Continued from Page 1) condemned, and removed. The streets hardest hit by the blight in the City were Lakeland avenue, Notre Dame road and Lincoln road, although the trees range from close to Jefferson avenue all the way up to Mack avenue.

This is an increase of a total of 19 trees, both publicly and privately owned, lost to the disease since last week.

Five Die in Lakeshore
 Shores Village Superintendent Thomas K. Jefferis noted that while no further casualties were discovered in the Village itself, the Wayne County Road Commission removed five trees along Lakeshore road during the past week.

Last week's report from the Farms indicated a total of eight trees lost to the city, four due to disease, and four because of natural causes, such as lack of

water, roots cut during construction, etc. No further report was available this week due to the illness of John DeFoe, head of the Public Service Department.

No further information was available from sources in Grosse Pointe Woods. The total number of trees removed will not be known for approximately a month. As of last week, 30 public trees had been removed.

207 Lost So Far
 Thus, according to all information available to date, 207 elm trees have been lost to the Pointe this summer, with many others still to be examined. One of the Park Councilmen reported that he had read that sources at Michigan State University, whose laboratories are investigating the disease, predict that eventually all elms in the state of Michigan will succumb to the blight.

Letters to the Editor

To the Editor:

Two identical bills, the Resnick Pepper bills H.R. 9743 and H.R. 9750 have been introduced in the House of Representatives in Washington to end cruelty to dog and cat dealers selling to laboratories.

"These animals which are sacrificing their lives, need not suffer needlessly in handling and transportation by unscrupulous dealers if people will write their U.S. Representative and U.S. Senators urging them to support these bills.

Thousands of pet owners are suffering every year, too, because dog and cat theft has become a big business in this country and will continue unless Federal legislation is enacted against it.

BOY CUTS KNEE

Mark Mackstaller, 10, of 1799 Manchester, knelt on the grass of the lawn in front of 20056 Holiday, to read a paper with a friend, and suffered a two-inch gash on his right knee, from a piece of glass embedded in the grass. He was transported to St. John Hospital by Woods police for treatment and released.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

Most organizations tend to "let things slide" during the summer months, but Christ Child Society just gets busier than ever.

Last Thursday, Christ Child sponsored an Opportunity Sale, and this Saturday, Society members and friends will gather at the Grosse Pointe Hunt Club for a Patio A Go-Go party.

In charge of the festivities are social chairman Mrs. Stanley Evatz and Patio A Go-Go chairman Mrs. John P. McGough and her co-chairman Mrs. James Kennary. Decorations chairman Mrs. John T. Lynch's assistants are Mrs. Louis J. DePirro, Mrs. Thomas Petz, Mrs. Samuel F. Solomon and Mrs. Raymond Valle.

Serving on ticket and reservation chairman Mary Ann Staudt's committee are Mrs. John O'Brien and Mrs. Fred Harris.

The imaginative party-planners promise an evening of fun and relaxation, beginning with cocktails at 6:30 o'clock, and continuing through a cook, dancing and (weather permitting) swimming.

Proceeds from the party will be used for the maintenance of the Christ Child House for Homeless Children and the School for Retarded Children.

Among those who made early reservations for Patio A Go-Go are Dr. and Mrs. James O'Berski, Mr. and Mrs. James Barker, Dr. and Mrs. Robert Frear, Dr. and Mrs. Ralph Woodbury and Mr. and Mrs. William Sheahan.

More are Dr. and Mrs. Stanley Plopa, Mr. and Mrs. George Higgins and Mr. and Mrs. James Lemhagen.

Chuck Chrisman . . . who is devoting this summer to his favorite project. The College Players, dropped into the NEWS office last week to report on The Players' 1965 production, "Bell, Book and Candle," opening this evening, at 8:30 o'clock, in Fries Auditorium. In the course of a half hour's conversation, we learned that . . .

(1) "Bell, Book and Candle" will be The College Players only major production this year. The College Players, although they sponsor several workshop productions, limit themselves to one show annually for the general public. Because of this self-limitation, they can concentrate on maintaining high professional standards in performances, settings and direction, (if you only give one show, it's GOT to be good) . . .

(2) This is the College Players first season under War Memorial sponsorship, although The Players, as a group, are four years old. They replace The Simians, who held fourth in the summer on the Center's Terrace before Fries Auditorium was built. There are about 40 members of College Players; membership is more or less evenly divided between High School and College students . . .

(3) "Bell, Book and Candle" director Robert Smawley is a free-lance assistant motion picture director, well known locally for his work with the Grosse Pointe Theater. Set designer is Grosse Pointe Theater's Mike Mikas, who produced the very professional backgrounds for the Pointe Theater's musical production of "Guys and Dolls." Cast members include chief sorcerers Elise Phebus as Gillian and Candy Mason as Aunt Guenee; warlock Christopher Norris; William Hope as Redditch, author of books on witchcraft; and Tom Christ, who takes the part of publisher Shepard Henderson . . .

(4) "Special Effects" will be smoky and bewitching. The play was cast in late June, and The Players went into rehearsal June 28, practicing six nights a week at the War Memorial. Their biggest problem so far has been keeping their clothes free of cat hair; Gillian's "familiar," a cat named Pyewacket, is an important character in the play, and the feline stand-ins used at rehearsals have proved extremely fuzzy. ("I guess cats shed this time of year!" Chuck exclaims ruefully) . . .

(5) Money raised via The College Players' production of "Bell, Book and Candle" is donated to the War Memorial Association. If enough tickets are sold, The Players will use some of the funds for an end-of-season banquet; they are already working on the banquet entertainment . . .

(6) This entertainment will be a full-length, 8mm. color and sound motion picture, written and directed by Chuck, current College Players organization. In it, The Players spoof themselves, their organization and the War Memorial, leaving "nothing sacred," not even the person of War Memorial director John Lake. The film should be completed the third week in August . . .

(7) About young Mr. Chrisman himself: He is 21, a student at Wayne State University, majoring in Theater, the son of Mr. and Mrs. J. Wayne Chrisman, of Anita avenue. He has been interested in the theater for about eight years, is one of the founders of College Players, and intends to "try New York" when he graduates from college; "I think anyone who is interested in the theater and who doesn't try New York is foolish. If it doesn't work out, I'll still have my Education degree . . ."

(8) Tickets for "Bell, Book and Candle" are \$1 each and are available at the War Memorial Center office. Performances are scheduled tomorrow and Saturday evenings, all at 8:30 o'clock. Fries Auditorium is air-conditioned.

Pointer of Interest

KENNETH KURTZ, OF BISHOP ROAD

By Janet Mueller

In Copenhagen this spring, Aileen Kurtz asked her husband to take her to the Royal Danish Ballet. Mr. Kurtz agreed—until he spotted a poster advertising the Circus Shumann, famous for its horse acts. The Kurtzes went to the circus.

"After all," Mr. Kurtz says, "you can see the Royal Danish Ballet on tour, right here in Detroit."

Actually, a choice between a circus and a ballet is no choice at all, as far as members of the Kurtz family are concerned. They'll take the circus, (providing it's a good one), every time.

They even have their own circus, in miniature, in their basement. "When you have boys," Kenneth Kurtz, father of three sons, explains, "you get into the model train business. You grow tired of just watching a train run around a track."

The Kurtz Brothers Circus, a fascinating collection of handmade, perfectly detailed wagons and figures and animals set up on tables in its own basement room, began when Mr. Kurtz brought his oldest son, Kenneth Nord Kurtz, a circus wagon kit.

Kit Not Good Enough

Ken didn't particularly like the kit, so he built his own wagon. Then he built more wagons. The whole family became fascinated with the project; they neglected their model train, (its tracks still run through the Kurtz Brothers' Circus Town, but "it probably wouldn't work if we tried it," Mr. Kurtz laughs), to make their own contributions to the Circus collection.

Young Kenneth Kurtz, married now, is working on a grant at the Guthrie Theater in Minneapolis, concentrating on Set Design. His brother, Jeff, is a Kellogg Community College student, and the youngest Kurtz, Chris, is at Grosse Pointe High School.

Show business seems to be a family avocation. Mr. Kurtz met his wife at the Penthouse Players, an amateur theatrical group in St. Paul, Minn. Jeff was instrumental in starting the local College Players, and is active in that organization today.

Chris Kurtz and his Electric Guitar may become 1965's newest rock 'n' roll sensation, (and then again, they may not; Chris' family is tolerant of, but slightly amused by, his musical efforts).

Also Collects Stamps

But Show Business is by no means Mr. Kurtz's only interest. He has been collecting stamps "since I was about 12," enjoys sailing out of Crescent Sail Yacht Club—he refuses to commit himself on the subject of power versus sail boaters, saying only, "I think anyone who has a boat should have to go to either the Coast Guard Auxiliary or the Power Squadron classes"—and is fascinated by Grass Roots Politics.

"I've always been interested in politics, in Republican politics, at the grass roots level," he says. His advice to anyone who really wants to work for a political party is simple: "Find out who your precinct delegate is, and ask him what you can do."

Currently, Ken Kurtz and Pat Parkas are in charge of special fund-raising events for the Republican Citizens of the Fourteenth District. Considering Mr. Kurtz's circus interests, it was only natural that he propose fund-raising via a circus to the 14th District GOP Board, which was extremely enthusiastic about the project from the beginning.

To Be At Hunt Club

As a matter of fact, EVERYBODY was extremely enthusiastic. The Grosse Pointe Hunt Club agreed to lend its premises to the circus. Allen Andrews, Jr., Grosse Pointe Woods Director of Public Safety, was

rest in the circus are everywhere in their home. A collection of circus wagon prints is mounted on the wall at one side of their stairs, and in the library there is a reproduction of an ornate P. T. Barnum Circus Coach, vintage 1872, which made only one trip before it burned to ashes.

A picture of a Kelly-type clown hangs in their living room, and even the downstairs powder room features a circus motif. Mr. Kurtz has a large collection of calliope records, which he plays frequently.

Correspondence relative to the Kurtz Brothers Circus is written on Kurtz Brothers Circus stationery. The Kurtzes ordered the writing paper specifically for invitations to a circus party; they continue to use it when writing friends. Ken did much of his corresponding in connection with the August 2 appearance of Cristiani-Wallace Brothers in The Pointe under the letterhead of his own circus.

Noted Bareback Riders

"Bareback riding is one of the things for which the Cristiani-Wallace Brothers are noted," Mr. Kurtz says. There will be a menagerie side show, too. Children's tickets are \$1; general adult admission to the Big Top is \$1.50 if purchased in advance. \$1.90 on the day of the performance.

(Tip to the children: Come down to the Hunt Club Sunday and watch the circus "set up"—you may grow up to be a Circus Fan like Kenneth Kurtz!)

The Kurtzes have lived in The Pointe for 10 years. Before that, they spent five years in Cincinnati, and before that, they were in St. Paul, where Mr. Kurtz was born.

Aileen Kurtz is a native of St. Paul, too, and the three boys were all born in St. Paul. Kenneth Kurtz, who is with Minnesota Mining and Manufacturing, despite his life-long interest in the circus and in politics, has never really hankered for a permanent "job" in either field.

Happy With His Job

"I care not for a job, I've got a good one," he says firmly, content to let his outside interests remain avocations, but determined to learn as much about and to get as much enjoyment as possible out of these avocations.

He and Aileen, just back from Europe, enjoy traveling, too. They have fond memories of Bermuda, but their favorite vacation spot of all is Holden's Beach, N.C.

The delightful thing about Holden's Beach, as far as Ken Kurtz is concerned, is that there's nothing there, nothing to do: "You just put on a pair of shorts, and you're on vacation!"

Sounds like a good idea this time of year, doesn't it?
