Recreation Fight in Park Stirs Up Many Residents

(Continued from Page 1) regarding the proposed development at the Three Mile Drive Park.

Henkell Reads Letter Edward Henkell of 813 Whittier, granted permission by the council, read a letter in which he had written his "unalterable opposition" to the proposed development of the Three Mile Drive Park, which, he stated, was originally intended to be developed as a "passive recreation park" for those who seek peace and quiet.

Another resident in the audience, Leonard Smith of 841 Whittier, revealed that he had sent a letter to the commission, opposing the proposed development. And was informed that the letter has been received. The petition submitted by the residents favoring the improvements and the bond issue, reads:

"We the undersigned citizens of Grosse Pointe Park, urge our city council to place on the

ballot at the earliest possible date, bond propositions to accomplish the following:

"1. Make improvements at the Three Mile Drive Park, in accordance with plans detailed in the '68 Park and Recreation Report, as recommended by the Plan Commission, including the construction of an Olympic-size swimming pool, 22,000 square feet of water surface as outlined at the public hearing held on May 4 at the Pierce Junior High School.

"2. Make additional improvements at the Waterfront Park in accordance with the same report recommendations and public hearing presentations, however, increasing the wading pool beyond the 25 feet in diameter to a more adequate size.

"We further recommend to the city council that they establish a Citizens Recreation Advisory Committee, to disseminate understanding and information on the above proposals, and to assist in the developing of long range planning of recreational facilities in Grosse Pointe Park."

Farms City Manager Andrew Bremmer says that improvements planned on their park pier for this summer will be delayed.

The Farms Park-Pier opened officially on Memorial Day at 10 a.m. It will be open daily from 10 a.m. to 10 p.m.

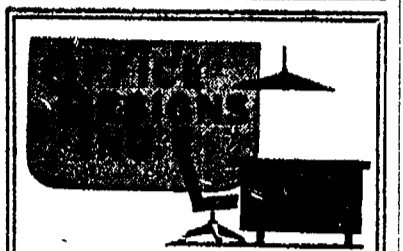

The City Park will also be open daily from 10 to 10. It will open at 8 a.m., Memorial Day. Improvements this year for the City park include new flower boxes, and a staff expanded to include two pool directors so that at least one adult will be on duty constantly.

Both Park parks have been open "since good weather came upon us." "People have trickled down more and more each day," according to park officials.

They will be open daily from 7 a.m. to 11 p.m., weather permitting. All Park park passes have been available since May 13.

The teenager was surprised in the first three homes by occupants, but in the Lynch home, he stole Mrs. Lynch's purse, from which he took \$30. The purse was recovered in the rear yard of 516 Thorn Tree lane by Woods Police Sgt. Walter O'Dell, while a search was on for the intruder. The Lynches were unaware the purse was missing.

Farms Det. Joseph Miller said that he questioned the teenager on Friday, May 20, at the boy's home, and the youth confessed to breaking into three homes in the Farms, 485 Bourne-mouth, 396 Chalfonte, and 245 Dean lane.

Teeners Caught With Fireworks

Woods police officers, investigating a parked car in the Woods Theater lot, became suspicious when two juvenile occupants gave evasive answers when questioned for their reason for waiting in the car. The policemen found the reason—more than \$100 worth of fireworks in the car trunk.

Police Sgt. Thomas Kane, while on patrol on Saturday, May 21, first observed the car with the juveniles parked at the rear of the lot, and also saw a third juvenile walking toward the vehicle.

Patrolmen Albert Abend and Robert Lorenz were also at the scene, and questioning the teenagers. The driver of the vehicle told the officers that they had been driving "around Michigan," and gave other answers, which aroused the policemen's suspicions.

The driver was asked for the key to the trunk, which he surrendered without trouble. The sergeant and patrolmen said when they opened the trunk, they saw a wide assortment of fireworks, worth more than \$100.

The three boys were taken to the station, where, under further questioning, they confessed that they purchased the contraband in Ohio.

The two juveniles, one 16 years old and the other 15 years old, who were sitting in the car, were given violation tickets for illegal possession of fireworks, and will have to report at the next session of Juvenile Court. The third boy was not in the car at the time the first two were sighted, and was not ticketed. All were released to their parents.

The fireworks were confiscated and held as evidence.

BAD EXCHANGE

Robert Canheld of 552 Thorn Tree lane, reported to Woods police that while his car was parked in front of his house during the night of Wednesday, May 18, someone removed the chrome rings around the headlight and replaced them with damaged ones. The rings are valued at \$6, he said.

Teen Volunteers Urgently Needed

Teens — do you have a few hours each week to help a child improve his reading? Or learn a craft? Or play a game? Could you help a senior citizen to maintain his home or yard?

The Neighborhood Club will sponsor teen-age volunteers to aid in several school and agency programs this summer. Students who would like to volunteer their services may call the Neighborhood Club TU 5-4600, Monday through Friday, 9 a.m. to 5 p.m., to register their interest.

Mrs. Vivian Davis from the Neighborhood Club staff will meet with Grosse Pointe High School students on Thursday, May 26 at 3:15 p.m. in room 238 at the High School. She will outline the various volunteer opportunities and receive applications at that time.

Students from other schools may come to the Neighborhood Club office, 710 Notre Dame, on Wednesday, June 1, at 4 p.m. for a similar briefing.

A volunteer's interest in helping is more important than the possession of particular skills or previous experience. A volunteer must be reliable in following through on the tasks undertaken, and the Neighborhood Club advises that the volunteer be prepared to give time during at least four weeks during the summer to make a significant contribution to any project.

Morning or afternoon hours can be arranged at the volunteer's convenience.

High School students who do not have paying jobs for the summer can gain valuable experience and perform worthwhile services for the community through participation in the volunteer programs.

The experience and in-service training is useful preparation for future careers, and there is satisfaction in enriching the lives of others.

St. Paul School Honors Pastor

St. Paul grade and high school celebrated Monsignor Frank J. McPhillips' thirty-five years in the priesthood with a combined May crowning and jubilee ceremony on Tuesday, May 17.

The festivities began at the 9 a.m. mass at which Monsignor was the celebrant. Following the mass the senior socialists crowned a statue of the Blessed Virgin Mary in symbolic recognition of her motherhood, both of Christ and of the church.

Participating in the crowning ceremonies were the entire senior class, vested in caps and gowns for the event. The crown was placed on Mary's head by Marilyn Weyhing, sodality perfect, assisted by Mary Beth Nienstedt, vice-perfect.

At 1 o'clock, the entire grade and high school assembled in the gym-auditorium for the jubilee program. The drama class, directed by Sister Clare Patrick, and the choral classes, directed by Sister Catherine Camille, presented a short script entitled "A Recipe for Greatness." The script, written by Sister Marie Jude, depicted scenes in the life of Monsignor McPhillips.

The two first grade classes closed the program and stole the show with a rendition of "The Golden Rose." The first grade teachers, Sister Mary Laurina and Sister Grace Edward, directed the first grade selection.

Accuse Driver As Hit-Runner

John Parent, 19, of 342 Rivard boulevard, is scheduled to appear in Farms court on Wednesday, June 8, to answer a charge of leaving the scene of a property damage accident, according to information released by Farms police.

Patrolman John Farley said that he was on routine patrol on Mack avenue, on Wednesday, May 8, when he came upon a hit-and-run accident, in which the right rear door of a station wagon, driven by Miss Sandra Lynn Ashton, 17, of 2065 Norwood drive, was hit by a car driven by Parent.

The officer said that Miss Ashton was traveling east on Mack, when Parent, pulling away from the curb, struck the door of the girl's vehicle. The accident occurred in front of 18700 Mack.

Farley said that the girl stopped at the curb after being struck, but Parent made a right turn onto the property at 18710 Mack, then made a right turn into an alley without stopping and continued on at high speed. The young driver was stopped at Calvin and Webster, the policeman said.

Parent was issued a violation ticket for leaving the scene of

Munson Heads Bar Association

Thomas L. Munson was named president of the Detroit Bar Association by its board of directors to head the 3,425-member Detroit Bar. He succeeds Harold E. Mountain, Jr., whose term of office had expired.

Also announced were the new officers who will administer the operation of the nation's third oldest bar group for the coming year. The event marked the beginning of the 131st year of the organization's existence.

Officers elected by the board are: John F. Peikens, first vice-president, who was the immediate past second vice-president. Elected second vice president was Arnold W. Lungershausen. Re-elected secretary was Archie Katcher, and Edward P. Frohlich, was re-elected treasurer.

Both active in the affairs of the Detroit Bar Association and the State Bar of Michigan, Munson has been chairman of the Detroit Bar's public relations and law day committees, and vice chairman of a previous law day committee. He has served on the State Bar committees of court administration, public relations and anti-trust laws.

Born in 1915, Munson, a native of Friendship, N. Y., came to Detroit with his parents when he was five years old. He attended Detroit's Northern High School from which he was graduated Cum Laude in 1932 and was also president of the senior class.

Following his graduation from High School Munson attended Wayne State University where, for two years, he played center on the varsity basketball team. He transferred to Duke University at Durham, N. C., where he received his B.A. degree in 1936. He obtained his J.D. (with honors) degree in 1939 from the University of Michigan Law School.

Prior to the United States entrance into World War II, Munson had enlisted as a private in the 182nd Field Artillery Regiment of the Michigan National Guard. Following two years as an instructor of field artillery at Fort Sill, Okla., he was sent into combat in the European theater. He was discharged with the rank of major in field artillery.

Active in church affairs, Munson is a member of the Grosse Pointe Methodist Church. He is also a past president of the Grosse Pointe War Memorial. An avid sports enthusiast, he is a member of the Detroit Club, Savoyard Club, and the Lakeport Country Club.

Married to the former Barbara J. Talcott of Detroit on December 27, 1941, the Munson's have three sons and a daughter. They are Thomas T., 22, Kathryn T., 20, David W., 17, and James R., 12. They reside at 167 Moross rd.

Arrest of Pair Clears Breakins

The arrest of two burglars, apprehended by City police on Monday, May 16, resulted in the solving of burglaries in the Park and in the Farms, it was disclosed by police of both communities on Thursday, May 19.

An expensive dental machine stolen from a Park dental clinic was recovered in the home of one of the men in custody.

Park Det. Lt. Stanley Enders said that the arrest of Brian A. McCurry, 23, of 656 Coplin, and Peter J. Thomas, 25, of 951 Dickerson, both of Detroit, cleared the burglary of a dental clinic and an attempted break-in of a medical doctor's office next door.

Both the burglary and attempted burglary were committed on May 10.

Park Det. Lt. Stanley Enders went to McCurry's home, and recovered an electro-mallet machine, used in gold filling operation and valued at \$175. The machine was taken from the office of Dr. Austin Neeb, 15120 Kercheval. An adjoining office of Dr. Robert Maunz, in the same building, was also entered, but nothing was reported missing. Both doctors are dentists.

It was not disclosed who was ransacking the dental offices but while one was in there the second was attempting to enter the office of Dr. Lawrence Kroha, M. D., 15124 Kercheval. When the second thief tried to open the door of Dr. Kroha's office, a siren-type alarm went off, and both burglars fled in fright.

Farms Det. Sgt. George Van Tiam and Det. Joseph Miller said that McCurry and Thomas confessed that they broke into

Police Cpl. Duncan MacEachern and Patrolman Richard Lanski.

REPORTS THEFT

Denise Caldwell of 17020 Maumee, called Farms police on Saturday, May 21, and stated that on the day previous, someone had stolen her personal identification papers while she was at St. Paul Lutheran Church, 375 Lothrop. The papers were in her wallet, she said.

Police Dampen Juveniles' 'Fun'

Three teenagers, who had nothing to do except turn on the water of fire hydrants in four communities, were arrested by Farms police on Friday, May 13. Charges have been filed against them by Farms and Harper Woods police. Farms police received a call from the Farms Water Department, in which it was disclosed that water meters in the department building showed that water was being lost. A check of fire hydrants was asked.

Similar reports had been made to authorities in the Shores, Harper Woods and St. Clair Shores, according to Farms police.

Patrolmen Otto Glanert and Thomas Kish found an open hydrant, with water pouring out, at Stevens and Charlevoix, and turned it off and replaced the plug. They received information that a red colored station wagon was seen in the area, and they began a search.

While cruising on Mack, the officers observed a station wagon that answered the description of the one seen in the area, and followed it. The station wagon turned onto Moross and passed another open hydrant on Stephens, and then led to another one that was open near Grosse Pointe High School in Grosse Pointe boulevard.

The policemen stopped the vehicle, which contained two 16-year-old boys, and one 15-year-old, and took the boys into custody.

In a search of the station wagon, Glanert and Kish said that they found a monkey wrench under the front seat of the car. The three boys were taken to the station for questioning.

One of the 16-year-olds admitted to police that they had turned on hydrants in the Farms, Shores, Harper Woods and St. Clair Shores.

Farms authorities filed charges against two of the boys with Juvenile Court authorities, and Harper Woods police filed charges against the third boy. All are charged specifically, with malicious destruction of property.

Others on the program were: Ned Kogler, master of ceremonies, and Martha Bortos invocation. The student welcome was given by Fern Bray. Entertainment was provided by the Tower Belles under the direction of Mr. Herman Klein, and Michael Bernhart, a foreign exchange student from Denmark.

Car Windshield Found Smashed

A cracked windshield startled Mrs. Catherine Sim, 12321 Washburn, Detroit, Friday morning, May 20, when she returned to her car which she had parked the evening previous on St. Clair near Maumee avenue.

Sergeant Douglas Allor, checked and said it appeared the car had been hit by a rock, possibly thrown from a car. He said it also could have been caused by heat expansion, or sometimes on hot summer days, when people keep their car windows closed, the air inside the car expands and causes a window to break.

Paulite Advisor Speaks at U. of D.

Sister Marie Jude, advisor of the quadruple crown winning "Paulite," addressed student delegates at a sectional meeting of the Detroit Student Press Association's annual Derby Day Yearbook Short Course held at the University of Detroit on May 7.
Assisted by the '66 editor, Lillian Henris, and staff member Sue Lykins, Sister discussed facets of the changed format of the "Paulite"—its emphasis on sparking copy, good picture content, and basic journalism know-how.
At the annual convention of the DSPA on October 15, Sister Marie Jude will again address one of the sectional meetings.
Later on in the year, during the Thanksgiving vacation, Sister will attend the annual convention of the National Scholastic Press Association and the Journalism Education Association, affiliated with the National Education Association. Sister Marie Jude will speak at this convention, also, on the subject of the purposes and scope of the yearbook.
The NSPA is the critical service that awarded the "Paulite" an "All-American" rating last year.
A fall issue of "Scholastic Editor," organ of the NSPA, will contain Sister Marie Jude's article on "The Paulite Ads Campaign."

Four Motorbike Riders Ticketed

Four juveniles were issued violation tickets by Woods Patrolman Donald Sabel on Thursday, May 19, for infractions witnessed by the officer. Three youths were ticketed for failing to come to a stop when leaving an alley, and the fourth was given a ticket for allowing an unlicensed driver to drive.
Sabel said that the three failing to come to a stop when coming out of alley at Prestwick and Mack, were riding motorbikes. The policeman said that he saw the three juveniles, two 15-year-olds and one 16-year-old, cut through the Detroit and Northern Bank lot, 18307 Mack, to avoid the intersection at Bournemouthe. The trio entered the Woods Theatre lot, and began racing. Sabel said he lost them in a maze of cars on the Detroit section of the lot.
Later, Sabel said, he was cruising west on Prestwick, at Mack, and saw the same three boys riding their bikes out of an alley, and crossing the sidewalk without stopping. The officer pursued the juveniles through several streets before he was able to stop them in front of 1876 Broadstone.
The 15-year-olds had no operator licenses, Sabel said, and had rented the motorbikes, one with the knowledge of his mother. Both were given violation tickets for failing to come to a stop on leaving an alley.
The two 16-year-olds were also ticketed, one on the same charge as the younger boys, and the other, for allowing an unlicensed driver to use his motorbike.
All are scheduled to appear at the next session of Juvenile Court.

Will Produce 'Fantasticks'

"The Fantasticks", words by Tom Jones, music by Harvey Schmidt currently in its seventh year at New York's off Broadway Sullivan Street Playhouse, will be produced July 21-24 in Grosse Pointe War Memorial's Fries Auditorium.

Under the joint sponsorship of Grosse Pointe Theater and Grosse Pointe War Memorial Association, Mrs. Roger Shepard, president of Grosse Pointe Theater, will act as producer.

Director will be Mrs. Gerald Clancy recently returned from Ireland where she studied at the National Academy of Theatre Art and worked with the Lantern Repertory Theater in Dublin, and musical direction will be in the hands of Dr. John Perricin, well known for his association with the Players and Fine Arts, as well as Grosse Pointe Theater.

Auditions for "Fantasticks" on an open casting basis will be held at the Grosse Pointe War Memorial 32 Lake Shore road, Monday and Tuesday evenings June 6 and 7 at 7:30. The musical play requires a cast of eight: — one young girl singer, four men singers and three men

for primarily acting rolls.

Tickets for "The Fantasticks" July performances may be purchased at the Grosse Pointe War Memorial's office. All seats are reserved and the price is \$2. This is the first summer musical ever to be produced by Grosse Pointe Theater. It is being given in response to the demand of the many patrons who could not be accommodated at the present Fries production of "Can Can" and for those who clamored for another show.

The Fantasticks so impressed Mary Martin that its authors have been engaged to create her new musical "I Do, I Do".

Thomas C. Rae, assistant manager of the shop, stated that while he was at the rear of the store checking out a cash drawer he saw a young man walking in Area Three of the

When Patrolmen John Erskine and John Drummond arrived, the car was gone but the antenna was lying on the ground next to the parking space.

PLYMOUTH TAKES YEAR'S TOUGHEST STOCK CAR RACE!

The Hemi Plymouth proves its durability again taking First and Second at Charlotte in the World "600", NASCAR's longest race.

Driving at top racing speeds for 600 long, hot miles is a tough test of a car. That's what makes the World "600" the most grueling stock car race on the NASCAR calendar. And the Hemi-powered Plymouth Belvedere proved that it was more than equal to the test by winning the "600".

For more proof of durability, check the NASCAR record.

There's Richard Petty's victory in the Daytona "500" and in the Darlington "Rebel 400", Paul Goldsmith's win in the Rockingham "500", Jim Hurtubise's victory in the Atlanta "500" and Norm Nelson's first

in USAC's "Yankee 300" at Indianapolis. Different drivers, different race tracks. But almost every major race this year has gone to Hemi-powered Plymouths. That's reliability!

Of course you can't buy these race cars at your Plymouth Dealer's. They're specially modified just for stock car racing. But the same engineering know-how that gives the racing Hemi such a record of performance and reliability goes into every Plymouth you can buy at your dealer's. Test-drive one of them... Belvedere, Fury, Valiant or Barracuda... you'll see why Plymouth is such a winner.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

There'll be fun for everyone at the Grosse Pointe University School Carnival, to be held Friday and Saturday, June 3 and 4, at the GPUS grounds in Cook road.

Many new attractions have been added to this annual scholarship fund-raising event, and many "old favorite" attractions will be back. There'll be rides, of course: Ferris Wheel, Tilt-a-Whirl, Rollo Plane, Roco Plane, Flying Coaster, Bubble Bounce, Scrambler, Octopus, Antique Car Ride, Meteor, Travant, Helicopter, Umbrella Ride, Kiddie Rides, Merry-Go-Round... (our "in-sides" are doing flip-flops, already).

The popular Witch's Castle and Glass House will be open for "tourists," and we understand there's a wild new amusement feature, called Paratrooper, that should separate the men from the boys (the boys will probably want to try it, the men probably won't...).

For golfers who are wondering how their skill withstood the winter, there'll be a golf-driving range with a remarkable new machine which measures distance of drive and reveals whether balls hooked, sliced or went down the middle.

There'll also be a nine-hole Goofy Golf Course to test everyone's ingenuity and patience.

More... And More... And More

And there'll be lots of games and lots of prizes and lots of refreshments. Slightly used books and records of every kind will be offered for sale at reasonable prices.

Homemade cakes, pies, jams, jellies, pickles and cocktail snacks are among the mouth-watering items students' mothers have promised to deliver to the Baked Goods Booth.

Carnival chairman William D. Dahling is being assisted by vice chairman William H. Klingbeil. Mrs. Dahling heads the Manpower committee, and Mrs. Klingbeil is in charge of Soft Drinks.

Other committee heads are John Finlayson, Arthur Dannecker, David Gillis, Peter Stalker II, Albert C. Dickson, William M. Swan, Jr., Jay W. Sorge, James Danaher, Bruce Gillis, Mr. and Mrs. Charles M. White, Mrs. John W. Detwiler, John B. Ford III, Mr. and Mrs. H. Richard Fruehauf, Mrs. Arthur H. Getz and John N. Stewart.

Meeting Ends Year For Junior League

New President Accepts Traditional Gavel; Volunteer Placement Awards Received By Ten Members

At its annual and final meeting of the year, members of the Junior League of Detroit welcomed their new president, Mrs. William Y. Gard.

Outgoing president, Mrs. Wilber M. Brucker, Jr., gave her last annual report on the purpose and future direction of the Junior League.

With many thanks to those around her for these last two years, and a welcome to new officers, Doris Brucker turned the traditional gavel over to Mrs. Gard.

In recognition of outstanding service in the community, 10 women received Volunteer Placement awards at Wednesday's meeting. These awards are a simple "Thank You" to those who have done much more than their share.

A round of applause was given:

Mrs. Henry H. Hubbard, III, Mrs. Gilbert Hudson, Mrs. Gordon R. Maitland, Jr., Mrs. Jean F. Mesritz, Mrs. Theodore H. Mecke, Jr., Mrs. Leslie McDougal, Mrs. Donald R. McPhail, Mrs. Stephen W. Smith, Mrs. Richard A. Speer and Mrs. Allen Werneken.

A report was given on last week's conference in Miami Beach. Two hundred and eleven Leagues from as far away as Hawaii and Canada came to discuss inter-League business and exchange ideas.

Representatives from the Junior League of Detroit were Mrs. William Y. Gard, Mrs. Norman A. MacColl, Jr., and Mrs. Theodore H. Mecke, Jr. One particularly interesting speaker was Maestro Alfredo Antonini, conductor and music director of C.B.S. He spoke about different peoples and their values.

Also, a new national president was elected: Mrs. David Whitman, of Boston.

Madelyn Coe, J. L. Hudson's fashion co-ordinator, gave League members exciting hints of things to come, with her talk entitled "New Looks in Fashion for Fall 1966."

And lastly, before adjourning for lunch, (a sure sign of springtime), the Glee Club sang for just the pure enjoyment of it all!

Single Parents Meet May 27

"Are Parents Responsible for Juvenile Delinquency" will be the timely topic at the regular meeting of the Grosse Pointe chapter of Parents Without Partners next Friday, May 27, at 8:30 p. m. at the Grosse Pointe War Memorial. The program will be in the form of a two team debate and it is presented by Toastmasters International North-Eastern Club No. 573.

Three judges will decide on the merits of the various speakers. According to Tom North, PWP vice-president, this is the first time an open debate of this kind has been presented. Impromptu opinions will be invited from the audience at the close of the program.

Parents with Partners is a non-profit, non-sectarian, educational organization devoted to the welfare and interests of single parents and their children. The Grosse Pointe Chapter meets every second and fourth Friday evening of the month at 8:30 p. m. at the War Memorial Center.

Any person who is a parent and single by reason of death, divorce or separation is eligible for membership whether or not the children are in his custody. Eligible persons are invited to attend three meetings as guests and will be charged a small guest fee. Coffee and conversation will follow the program.

The Toastmasters International North-Eastern Club, division No. 573 cordially invites all Parents Without Partners and prospective members to attend this spirited meeting on one of the most important topics of our day.

Through College Women's

Queen Christine

The charming Christine Wall Clark, daughter of the William Petzold Clarks, of Kenwood road, will reign over this year's Michigan Derby Ball. She'll receive her "symbols of authority" Saturday evening, June 4, at a party given by the Joseph Schoeniths at the Roostertail.

Queen Christine has asked her sister, Marilyn Wall Clark, a junior at the Knox School, Long Island, and her own Eden Hall classmate, Mary Sharon Bourke, daughter of the Francis Harry Bourkes, of Hillcrest lane, to serve as members of her Court.

The trio will participate in June 11 Derby Day ceremonies at Hazel Park Raceway and preside at the Ball that evening, in Cobo Hall.

Entire proceeds from the Ball, held in conjunction with the running of the \$50,000 added purse at the Raceway, will go directly to the Muscular Dystrophy Association of America, Inc. The Hazel Park Racing Association pays all expenses connected with the fabulous formal party.

Navy League Ball

And speaking of balls . . . a wonderful one is scheduled Friday evening, June 17, at the Grosse Pointe Yacht Club.

It's the annual Navy League Ball, sponsored by the Navy League of the United States, a black-tie affair beginning with cocktails at 7:30 o'clock.

We advise checking your calendars and readying your party togs NOW.

Sentimental Notes

Mr. and Mrs. W. Roehm are receiving friends at a cocktail party in their Edgemere road home Sunday afternoon, June 5.

Occasion? The Roehms are about to celebrate their SIXTIETH wedding anniversary!

For more than 25 years, Miss Sally Spencer has been instructing young ladies at the ACADEMY of the Sacred Heart in the fine art of speaking LIKE young ladies (it's not an easy task, by any means).

Sunday afternoon, pupils and ex-pupils gathered at the Convent in Lakeshore road to honor "Miss Spencer," who will retire at the end of this school year, at a surprise tea, given by the Religious of the Sacred Heart.

Among the "tokens of affection and appreciation" Miss Spencer received was one she especially treasures, gift of Reverend Mother Healy: A bracelet with a medal, designating her an "Honorary Alumna of the Sacred Heart."

DRC To Have June Luncheon

White ceramic cherubs, holding bouquets of violets, will key the decorations motif in the dining room of the Grosse Pointe Yacht Club June 2, when the Detroit Review Club holds its traditional June luncheon.

Mrs. Robert C. Kales, of Cloverly road, newly elected president of DRC, is hosting the affair, the first social function of the club's 75th birthday year.

In charge of the luncheon and the decorating is Mrs. Harold Knoff, of Barrington road. Mrs. Knoff will serve as social affairs chairman for the club during the coming season.

Mrs. Frank Scott Perkin, of Lakeland avenue, DRC's new program chairman, will introduce an exciting musical program, "The Jills from Bloomfield Hills." The "Jills" have appeared before music educators conferences at colleges and universities, at hospitals, yacht clubs, service clubs, homes for the aged, on radio and TV and at the New York World's Fair. They recently appeared with Sam Levinson's show in Detroit.

Their music ranges from folk songs and spirituals, to Broadway musicals on June 2 they will add their newest innovation, hand bells, to their program.

Five other Grosse Pointe women have been elected to DRC's Board of Directors for 1966-67: Mrs. James A. Gwatin, treasurer; Mrs. William O'Reilly, recording secretary; Mrs. Charles Fred Brundley, Mrs. William C. Oddy and Mrs. Marvin C. Dahake, immediate past president.

Board are Mrs. Nile T. Lombard and Mrs. Archie Scott Barth, vice presidents, Mrs. Edwin Wellock, corresponding secretary, and Mrs. Herbert Norris, parliamentarian.

Van Eckoute-Wright Nuptials Celebrated

Pair Making Their Home in Beaconsfield Avenue; Bride Carries Belgian Lace Handkerchief Fashioned By Bridegroom's Paternal Grandmother

At a double ring candlelight ceremony Friday evening, in St. Michael's Episcopal Church, Sharon Lee Wright, daughter of Mr. and Mrs. Leonard L. Wright, of Roslyn road, and James Henry Van Eckoute, son of the Henry J. Van Eckoutes, of Belanger road, spoke their wedding vows.

The bride wore a cameo ivory satin gown, fashioned with a bell shaped skirt and Court train. A spray of lace accented her fitted bodice. Chantilly lace, which she brought from Switzerland a year ago, formed her floor length mantilla veil.

She carried a Belgian lace handkerchief, made for her by the bridegroom's paternal grandmother, folded in her prayer-book, and a single, stemmed white rose.

Honor attendants were Kathleen Ann Wright, the bride's sister, and Margaret Van Eckoute,

tured an Empire waist, underscored with lace and white velvet ending in back streamers. She wore an ivy halo in her hair and carried a basket of white roses and white and lavender baby mums.

Arthur Schaupter served as the bridegroom's best man, Jeffrey Van Eckoute, the bridegroom's cousin, assisted with the rings, which were carried on an ecru pillow trimmed with Belgian lace made especially for the ceremony by the bridegroom's paternal grandmother.

Ushers were John Bender, James Beauregard, Dennis Runnels, Robert Gullion and Jerry Leonard.

For her daughter's wedding and the reception at the Gourmet House following the 7 o'clock formal ceremony, Mrs. Wright chose a brocaded gown accented with silver beading and pebble grey accessories.

The bridegroom's mother's gown was fashioned of maize silk shantung. Both mothers chose cymbidium orchid corsages.

After a short vacation at the

Old Club summer home of Mr. and Mrs. Raymond Vogel, the newlyweds are making their home in Beaconsfield avenue.

Among the out-of-town guests were Mr. and Mrs. Henry Greene, of Wilmington, Del.

Pointe AAUW Installs Officers

At the Grosse Pointe Branch of the American Association of University Women's general meeting and luncheon last Thursday, MRS. ROBERT H. SNYDER, of Balfour road, (second from left), handed over the president's gavel to MRS. URBAN BORESCH, of Kercheval avenue, (center). Far East Theme for GPHS Ball

Grosse Pointe High School juniors and their dates attending in ghis year's oriental prom, Cherry Blossom Ball, to be held Friday, June 4 from 9-12, won't need much of an imagination to transport themselves to the Far East.

Decorations will do the job for them. Upon entering the lobby of the school gymnasium, guests will find a Japanese pagoda which disguises the ticket booth. Beyond the "ticket pagoda," all entrances and doorways will be strung with brightly colored beads - long strings of painted macaroni.

True oriental hospitality will be available in the activities room, where two girls in kimonos and black wigs will serve as coat checkers.

Main attraction of the dance floor will be the Mike Quatro five-man band.

Flanking the bard platform on both sides of the gym will be Mt. Fuji and a row of Japanese stores.

The famous mountain, a huge mural to be erected on the bleachers, will be the background for Cherry Blossom Lane, where strollers will find real trees. The Japanese stores will also be a mural on the opposite bleachers, but plans

here call for one of the shops to be three dimensional, selling real flowers.

Denny Heck, a junior, and official "chairman of the evening," plans to decorate his territory with strings of Japanese lanterns, and dangling kites and butterflies.

Stairways leading to the balconies will be turned into arches strung with more lanterns.

Main attractions on the refreshment balcony will be the tables turned into huge flowers, and a three dimensional moving dragon, operated from the inside by Kim Curran '70, brother of Sheri '67.

Fortune cookies baked by junior girls will add an authentic touch to the usual punch and cookies.

A garden will complete the romantic scene in the opposite balcony, with a bridge over a waterfall, trees, rocks, flowers and maybe even a Chinese junk or a wishing well.

In charge of all the decorations is Susie Wendy, chairman. Other chairmen, under the leadership of Miss Marion Lampan, class sponsor, are: Jim Montgomery, Sally LePlea, Kathy Ryde, Bill Chope, Gretchen Klein, Carol Riddle, and Jan Amorello.

New Welcome Wagon Officers

Mrs. Darwin Tuttle, newly-elected president of the Welcome Wagon Club of Grosse Pointe, will preside at the next meeting of the group Thursday, June 2, in the War Memorial.

Coffee, served at 11 o'clock, will be followed by bridge and canasta in the afternoon.

Reservations may be made by contacting either Mrs. J. J. Schneider, TU 6-4992, or Mrs. Noel W. Fry, TU 3-4405, by the preceding Monday evening.

Hospital Trains Nurses' Aides

Cottage Hospital of Grosse Pointe has graduated its first class of nurse's aides trained in a new program developed at the hospital.

The 10 women who completed the course received certificates from Ralph L. Wilgarde, hospital administrator. They began work at the hospital this week (May 16-20).

Each woman in the course received 50 hours of classroom instruction over a two-week period from Mrs. Judith Ashbury, a Cottage Hospital nurse. They spent another 50 hours in supervised on-the-job training under the direction of Mrs. Barbara Jagielo, director of nursing.

Graduates in the course came from Detroit, Grosse Pointe Woods and Roseville.

Under The Dryer

 This simple exercise is the only one you need for taking inches off your hips. Sit on the floor, arms outstretched, with legs straight in front of you. Stretch first your right, then left heel as far ahead as you can, edging your hip forward at the same time. You literally "walk" on your hips. "Walk" the length of the room and back.

To Mr. and Mrs. House Hunter:
ANOTHER GOOD REASON WHY YOU NEED A GOOD BROKER - A SINGLE CONTACT TO COMPARE AVAILABLE OFFERINGS TO YOUR REQUIREMENTS

If you are in the early stages of searching for the right house, the Maxon Plan can save you time. An excellent advance idea of an offering can be conveyed by a photograph with a simplified small floor plan similar to the one below. We have many other Grosse Pointe houses similarly floor-planned and photographed.

Couple this picture to this floor plan and you can almost find your way through the house from where you sit.

Dimensions believed accurate but not guaranteed.

You just can't beat this arrangement for convenience, can you? But really to appreciate its charm and comfort, you'll have to go through this lovely Early American and we would like to arrange this for you.

The Library has pegged flooring and is paneled in knotty pine. In addition to rooms shown above, there are, in the basement, a large, tiled Recreation Room with bar, a Games Room, and a Lavatory. There is a new 5-ton air-cooling and electronic dust-screening system, and a new gas-fired furnace serving a split heating system. The well developed gardens include a timed sprinkler system, front and rear. The price is \$65,000. Why don't you call us for an interior inspection?

Footnote to Home Owners - The Maxon Plan can save you, as well as the prospect, the inconvenience of inappropriate, unnecessary interior inspections. If your house is for sale we'd be glad to inspect it and suggest a price suitable to the current market. Our listings sell promptly.

GROSSE POINTE WAR MEMORIAL CAMPAIGN IS UNDER WAY

We wish we had room to list the many, many activities and benefits proceeding from the Grosse Pointe War Memorial Center. We know you are aware of most of them and probably take part in a few yourself. That's why we are counting on a simple REMINDER of the once-a-year Family Participation Campaign to do the work of a long plea for the 1/4 of the Center's running expenses you are being asked to contribute. (The remaining 3/4 of the expenses are self-generating.)

We are counting again this year on the spontaneous generosity of the Grosse Pointe community for support of their own recreational, cultural, social and educational fountainhead. Give all you can; and remember — your contributions help the Center to serve YOU!
