Parking Lot

(Continued from Page 1) between the rails; therefore, there should be 60 feet between bumper rails," he said. "This lot is 57 feet between rails and with the compensation of 75-degree angled spaces, very easy parking results. Bumper rails running the length of the lot, as these do, results in the most efficient use of the area, and a driveway at both ends avoids congestion. Some lots we have worked on are not so well designed."

The painting machine is engineered so that it rolls in a straight line. Centering it with a practiced hand, Spence covered the chalked lines with a stripe of white paint that is forced out under 80 pounds of pressure. At the same time exhaust from the motor blew out of ducts that blasted away dirt and debris from the area just about to be painted. The paint dried in 15 minutes.

"The company owns three machines," explained Spence, "because once you use a color in a machine you can't change. Church parking areas are usually painted white. The A&P Supermarkets, who trim their stores in white, use the same color for their lots, but yellow is often requested because it shows up well under snow and ice."

Can Also Erase "Our third machine paints a stripe the same color as asphalt—for erasing." It isn't that B & L makes many mistakes, they've been in business for too many years, have plotted the whole area themselves, but occasionally, what looked good to the planners on the drawing board isn't possible in actuality, and the lot has to be redesigned.

Bell says the paint job should last one to three years, depending on the use the lot receives. Contacted by the Farms last Tuesday or Wednesday, he says working on Sunday is no novelty in his business.

"I don't know whether he was paying his employees overtime on Sunday or not," said Farms Police Chief Jack F. Roh, "but the firm quoted the same price for Sunday as any other day, and we were very pleased to have the painting done when the lot was not in use."

Memorial

(Continued from Page 1) Center's achievements during the past year, pointing with pride to the Fries Forum co-sponsored with the School of Government where such distinguished speakers as General Maxwell Taylor and Mme. Chiang Kai Shek appeared, the Music Festival highlighted by Sixteen Ehrling, the presentation of the "Fantasticks" with Grosse Pointe Theater and the Carousel of Culture.

Mr. Stevens pointed out the new acoustical ceiling in the ballroom donated by J. Lawrence Buell Jr. and the new parquet floor installed by the association.

Finally Mr. Stevens thanked all the loyal supporters of the Center, over 5,000 families, (more than ever before), who contributed nearly \$80,000 toward the Memorial's operation this year and expressed particular thanks to the Ford family for their handsome endowment.

Mr. Stevens as president, George N. Monro III, treasurer, Mrs. William H. Fries, secretary, Mrs. Harley G. Higbie, director, and William M. Adams, former secretary, (deceased), were all given a rising vote of thanks for their excellent leadership and efforts in the Center's behalf.

Park Bond Issue on Ballot

(Continued from Page 1) The proposed new pool will be similar in size to the one proposed for the Waterfront Park, 13,500 square feet, including diving area, filtration plant, bathhouse and deck and large wading pool with separate sand area for children; landscaping and screening of area around the pool and area between Essex boulevard and existing gatehouse; and parking facilities will be increased.

To Meet Regulations The proposed pools in both parks, with modern water filtration and circulation systems, will comply with all State and County Health regulations.

The present pool in the Waterfront Park, originally constructed 30 years ago, is outdated and uses raw lake water. The bacterial count is kept to a minimum by the adding of chemicals. This facility is below the standard for a swimming pool, and State and County health officials are debating the possibility of closing it down.

At its last regular meeting held on Monday, September 26, the Park council approved the appointment of W. E. Edwards, civil engineer, to prepare plans for both pools, with floor plans of bathhouses and equipment buildings, which will meet the approval of the Michigan Department of Public Health.

The council accepted Edwards' proposal to do the work for a flat fee of \$500, if the city for any reason, does not go beyond the planning stage.

Fees Stipulated If the taxpayers approve the bond issue and the city pro-

Water Costs

(Continued from Page 1) therefore requires a change in the effective water rate.

Won't Affect Farms Lock said that the water purchase hike to the City has no direct bearing on the cost to Farms users, since the Farms sells its water directly to its own consumers. The Farms and City have separate water main systems.

He said the Farms last upped its rates to consumers within its boundaries in May 1963, raising the price to \$2 per 1,000 cubic feet, up to 9,000 cubic feet, and \$1.65 per 1,000 over that figure. Previous to this hike, the cost was \$1.70 per 1,000 cubic feet, up to 9,000, and \$1.25 per 1,000 cubic feet above that.

The rate charged to Farms users, Lock said, includes 36 cents per 1,000 cubic feet for sewage treatment, which is paid to Detroit.

Fire Damages Woods Home

Mrs. Mary Chamberlain of 1352 Vernier road, arrived home after a few hours absence on Friday, September 23, to discover black smoke pouring out of the windows of her house. The Public Safety Department was called immediately.

When the firefighters arrived at the scene, they were forced to gain entrance through the side door of the building because of the billowing smoke.

Woods Director of Public Safety Allen Andrews said that the fire was confined to the kitchen, where it originated. A faulty electric appliance is believed to have shorted and started the blaze.

Fire damaged the sink counter, cupboards and the door frame leading into the dinette, the director said.

Firemen Subdue Burning Toaster

The City Fire Department responded to a call from Mrs. Donald Hume of 461 University place, on Thursday, September 28.

One engine was detailed to the scene, where the firemen found a toaster smoking and burning. They removed the toaster from the premises and put out the fire.

The fire was started when Mrs. Hume's 2-year-old son put an object into the toaster. There was only slight scorch damage to the kitchen cupboards. The "object" was unidentifiable.

Criticism is of two kinds, destructive and constructive—try to peddle the right kind.

WITH EARNINGS COMPOUNDED AND PAID QUARTERLY

This new rate is the highest return paid on regular, insured passbook savings accounts in the Metropolitan Detroit area.

On October 1 Standard Federal will begin paying the new, higher rate of 4 3/4% compounded and paid quarterly on all savings accounts. Everybody saves the easy passbook way at Standard; every account earns the same high 4 3/4% rate. The first payment on this profitable rate will be December 31, 1966. Bring your savings to Standard Federal and save the convenient passbook way. Standard Federal's 4 3/4% current rate, when compounded and paid quarterly, is equal to 4.84% on an annual basis. This new rate replaces the previously announced rate and is the maximum permissible on passbook accounts in this area under the regulations of the Federal Home Loan Bank Board, implementing the acts of Congress. Your savings at Standard are insured up to \$10,000 by an agency of the United States Government and further protected by Standard Federal's own substantial reserves.

WHY WE CARRY GANT

There's more than fabric superiority in Gant. In addition, "needled into the warp and woof of every Gant shirt" there's flat-fit shirtings—three vital ingredients that make all the difference when a man wears a Gant.

We chose Gant because they take shirt making seriously. They're hard to please (like we are) when it comes to fit of collar, its roll, its profile—how much it shows above the suit collar. They're fastidious about the way the body of the shirt drapes and falls. All must integrate to achieve that viable ingredient which gives comfort and appeal. In substance, Gant shirts are keyed to the discerning tastes of well-groomed men who appreciate quality. These men are our customers.

Parents' Night Slated At GPHS

The Mothers' Club of Grosse Pointe High School has planned a Parents' Conference night Monday, October 10, at 8 o'clock.

Parents of 10th grade students as well as all parents of 11th and 12th grade students who are new in the community are invited to attend.

Parents will meet with their children's counselors in an effort to become better acquainted and to point out the educational opportunities available to Grosse Pointe High School students.

A 20-minute question and answer period will follow the address by the counselors.

Refreshments will be served in the Gymnasium by Mrs. Alton Donnell and the social committee of the Mothers' Club.

Burglars

(Continued from Page 1)

entered. This was based on the fact that the thief left a trail of coins, some of which were found on the window sill and on the ground.

Police questioned a woman who lives near the gas station, in hope of obtaining a clue. The woman disclosed that she heard her pet dog barking at about 5:15 a.m., for what appeared to be no apparent reason. She did not investigate, but did disclose that her paper boy delivers at about that hour.

The boy informed police that he saw a car parked on the service station drive, while he was making deliveries, and he saw a male figure get out of the vehicle. The man was about five feet nine inches tall, and of medium build, was all that police could be told.

The youth told police that the car held a woman passenger, but he was unable to get a good look at her.

The second case was also referred to Kensora, who said that because of the close proximity of both burglaries, it is possible they were committed by the same person, or persons.

Be sincere and honest in your convictions and your problems will take care of themselves.

Club Presents Flower Garden to School

Pictured above are the members of the men's Garden Club of Grosse Pointe who recently dedicated a beautiful flower garden at the Richard Elementary School. Shown in the foreground (left to right) are TED JACOBS, principal of Richard School, EDWARD PONGRACZ, trustee of the Grosse Pointe Board of Education; and FRED SHEPHERD, president of the Men's Garden Club.

Others are, the children in Mrs. Letrice Petree's second grade class and in the back row (left to right) are: OLIVER BAKER, head engineer of Richard School; HAECKEL BOYD, club member; HUGH FOLEY, and RAY FOLEY, club members; MRS. PETREE, vice-president of the Men's Club, who is also vice-president of the Richard P.T.A.

Still others are ELMORE FRANK, a charter member and past president of both the Garden Club and the Grosse Pointe Rose Society, and HAL WIEK.

The garden, designed by F. McLean Alexander, Jr., owner of a Mt. Clemens nursery, is located at the northeast corner of the school building, outside Mrs. Petree's classrooms.

The garden was planted early last spring. In charge of the project were Mr. Cullingford, chairman, and Mr. Boyd and Mr. Frank, committee members. Other members who helped were Mr. J. Foley, Mr. R. Foley, Mr. Hagley, Mr. Wiek and Edward Roehrig.

LOSES TO THIEF

Lawrence D. McMillan of 21240 Manchester, Harper Woods, informed Woods police on Tuesday, September 27, that while his car was parked in the Parcels Junior High School lot, at the rear of the building, someone broke into his car and removed a Sony radio after forcing open the glove compartment to get a key. The radio cannot be removed without the key, he pointed out.

Judge McCree To Preach Here

The Honorable Wade H. McCree, Jr., U. S. Circuit Judge, 6th Circuit, will deliver the sermon this Sunday, October 9, at the 10:30 a.m. service of the Grosse Pointe Unitarian Church, 17150 Maumee avenue.

Judge McCree is a native of Des Moines, Ia., a graduate of Fisk University and the Harvard Law School. After serving as Judge of the U. S. District of Michigan, he was recently appointed U. S. Circuit Judge of the 6th Circuit.

Judge McCree is a member of the First Unitarian-Universalist Church of Detroit and a vice-president of the Unitarian

Surprisingly New! Superbly Cadillac!

ELDORADO... world's finest personal car

SEDAN de VILLE... another dramatic Cadillac surprise

INTRODUCING THE 1967 STANDARD OF THE WORLD

You are looking at two of the newest luxury cars ever created. They are typical of the dramatic newness you'll find everywhere in the Cadillac cars for 1967. The Fleetwood Eldorado—the world's finest personal car—is the first exciting case in point. Eldorado is a styling masterpiece... with its spectacularly long hood, its daring new roof lines and its dramatic rear quarter design. It is also an engineering triumph. For Eldorado is the first car in the world to combine the surefooted traction of front wheel drive with the maneuverability of variable ratio power steering and the balance of automatic level control. And with all its spirit and action, Eldorado provides unusual five-passenger spaciousness and the superb quietness and comfort that only Cadillac could create. This brilliant newness also marks the Cadillacs you are most familiar with. For they are the most beautiful Cadillacs of all time... with a new forward-sweeping grille and a new side contour that flows from front to rear! And with this new Cadillac look come a number of other significant achievements... the most luxurious interiors in history... a new generously padded instrument panel... a more responsive Cadillac engine... improved variable ratio power steering... new lane change and hazard warning signals... and a new General Motors-developed energy absorbing steering column. Discover Cadillac for 1967 for yourself... at your authorized dealer's. Once you have personally seen and driven these automobiles, you'll agree that never before has anything on the highway said new so beautifully... or Cadillac so well!

Dr. Allan Zaun Plans Long Tour

Dr. Allan A. Zaun, of Westchester road, minister of Jefferson Avenue Presbyterian Church since 1946, and a past president of the Metropolitan Detroit Council of Churches, leaves for India on October 10 to preach at the Triple Jubilee (150th anniversary) of the Church of South India in November. Mrs. Zaun will accompany him.

Enroute to India, Dr. and Mrs. Zaun will tour England, Scotland, Italy, Greece, Lebanon, Egypt, and the Holy Land. Dr. Zaun will preach in Kottayam, Kerala Province, South India, once a day for a week, and then three times a day for two weeks thereafter in the surrounding villages.

Dr. and Mrs. Zaun will then continue east, hoping to visit some United Presbyterian and other mission work in Thailand, Hong Kong, Formosa, and Japan. The entire trip will be by air. They expect to return to Detroit on December 5.

Few clergymen in the Detroit metropolitan area have been more deeply involved in denominational, ecumenical and community leadership than has Dr. Zaun. He received his Ph.D. degree from the University of Edinburgh in 1937 and, incidentally, will visit that city on this trip. Dr. Zaun was awarded the D.D. degree from Alma College in 1957.

In World War II, he was Chaplain of U.S. Naval Academy, Annapolis, from 1942-43; Chaplain of Aircraft Carrier U.S.S. Hornet (CV 12) 1943-45; and Lieutenant Commander, USNR.

Dr. Zaun has occupied important posts in his denomination, having served as moderator of the Presbytery of Detroit, a member of the Board of Christian Education of the Presbyterian Church in the USA, and

as a member of several other national denominational commissions and committees. In ecumenical leadership, he has served as chairman of the Evangelism and Radio and Television Departments of the Metropolitan Detroit Council of Churches, as President of the Detroit Pastors' Union in 1958 and as President of the Council in 1962-63.

Under appointment from the Governor, he served as a member of the Fair Employment Practices Commission of the State of Michigan for many years. Now he is a valued member of the Detroit Citizens' Committee for Equal Opportunity in the establishment of which he played a significant role. The Church of South India, where whose Assembly Dr. Zaun will be speaking, is celebrating the 150th anniversary of the establishment of Protestant Missions in that land. This church is the most widely renowned example of practical Christian unity in the world today. Its establishment brought into full organic church union a number of denominations at a time when sectarian rivalry was still quite strong. Its history and structure are closely examined wherever moves toward church merger are being considered in the various nations today.

Club Starting Fall Program

A wide variety of recreational activities will be available to children and adults of the community as offered by the Neighborhood Club.

Children have a choice of arts and crafts, ballet, basketball clinic, baton twirling, fencing, tumbling, or gymnastics, field hockey, horseback riding for 5th and 6th graders, judo, retarded children's recreation program, and trampoline.

For Junior High students there are gymnastics for teens, horseback riding, judo, knitting class, ski school, co-ed sports nights, and trampoline and fencing.

Senior High students are offered gymnastics for teens, judo, fencing, yoga for teens and teen dances held every Friday night at St. Paul's Lutheran Church.

Adults have their choice of badminton, fencing, judo, knitting ladies, and retired men's club.

Registrations are now being taken at the Club office, 710 Notre Dame. All activities start the first week in October. For further information call TU 5-4600.

Many miss the road to success and then insist that someone changed the guide posts.

Library Offers Family Movies

The first program of the 1966-1967 Family Film Night Series will be presented Friday, October 7, at 7:30 o'clock in the Central Library meeting room.

Family Film Nights are held on the first Friday night in each month, October through April. Families are urged to attend these showings as a group. Each program has been designed to include something of interest and enrichment for boys and girls as well as adults.

The program for October 7 follows: ALADDIN AND THE WONDERFUL LAMP (11 min.). This is a cartoon adaptation of the story of the slave who had to clean lamps.

THE LITTLE ENGINE THAT COULD (11 min.) This delightful animated film is based on

the children's classic which tells of the little engine that pulled a trainload of toys to the children on the other side of the mountain.

TOM THUMB IN KING ARTHUR'S COURT (18 min.) In bright and colorful style, this animated film traces the career of the fabled little hero from his birth in the heart of a rose to the day when he is made a Knight of the Round Table. Tom's adventures will amuse and entertain while teaching us valor is not a matter of size, but of spirit.

THE THREE WISHES (11 min.) A peasant aids the gnomes and is rewarded with three wishes. Because of his own greed and the spitefulness of his wife, all three wishes are wasted.

Adults, and children accompanied by adults are cordially invited. Come early for a good seat.

The new 1966-67 Audio Visual Catalog is ready, describing details of the new and expanded services available including the new 8mm film collection for audio-visual needs.

What a time-saver! Permanent press fabrics come out looking as if you'd taken them to the cleaners. Pleats and creases sharp and all in place. Right from the dryer, ready to wear.

And savings? You can dry 5 loads in a gas dryer for the cost of drying 1 with electricity. Maintenance costs are negligible.

Now is a good time to buy. Why? INSTALLATION IS FREE. Prices are reduced. No down payments. With children in school and all the permanent press clothes . . .

Isn't it time you bought a GAS dryer?

New High School Expected To Be Done by Fall of '68

The first steel column for the new Grosse Pointe High School North was erected and bolted into place at 8:30 a.m. on Wednesday, September 21. The completion of the building, designed to house 2,000 students with the possibility of accommodating 3,000 upon expansion, is expected to alleviate overcrowding in classrooms throughout the Grosse Pointe Public School System.

Scheduled for completion in the fall of 1968, the building is located on the Vanderbush-Baker site in the vicinity of Vernier road and Morningside drive in Grosse Pointe Woods. The educational plant will consist of three units. Focal point of the structure, the three-story academic center, will be flanked by an auditorium-instructional center and a third section containing cafeteria and physical education facilities.

When Grosse Pointe High School North opens its doors to its first class, at the beginning of the 1968-1969 year, it is expected to provide the same high quality educational program that has characterized the present high school since it opened in 1928.

Grosse Pointe's second high school plant will provide varied programs for all students, whether college-bound or vocationally-oriented.

The new building will contain 92 teaching stations, 65 of which are in basic classrooms for instruction in science, mathematics, English, foreign language, social studies, and business subjects.

The gymnasium for competitive athletics may be subdivided into three small gymnasiums for physical education classes. A swimming pool is also planned.

Other facilities include rooms for homemaking classes, industrial arts, physical education, driver training, and art.

Extensive outdoor facilities include football and baseball fields, tennis courts and a track. The school was designed by Harley, Ellington, Cowin and Sturton, Inc., a Detroit based architectural and engineering firm. General contractor for the project is the J. A. Ferguson Co. of Farmington. The 1,600 tons of steel required for the job are being fabricated and erected by the Chappier Iron Works of Detroit. Steel work is expected to be completed in early February.

Present at the erection of the first piece of steel were members of the Grosse Pointe Board of Education and school administrators as well as representatives of the architectural and construction firms.

School board members present were Dr. Robert K. Whiteley, vice president; Mrs. Paul G. Hykes, secretary; John T. Short, treasurer; and Mrs. Joseph P. Thompson, trustee. Prior commitments prevented attendance by Dr. Frank H. Parcels, president; Russell H. Peebles and Edward J. Pongracz, trustees.

The architectural firm was represented by Malcolm J. Sturton, vice-president; and Robert J. Domke, project administrator.

The administrative staff of the Grosse Pointe Public School System was represented by J. Harold Husband, Acting Superintendent; Dr. H. Leroy Selmeier, Assistant Superintendent-Instruction; Lawrence F. Kennedy, Assistant Superintendent - Professional Personnel; and Joe Spagnoli, Assistant Superintendent - Administrative Services.

Other representatives were Reginald P. Sienkiewicz, Director of Pupil Personnel; Richard W. Kay, Director of Community Services; George T. Eddington, Assistant to the Superintendent; Milard D. Grell, Curriculum Planning Director; and Robert M. Orr, Director of the Grosse Pointe Public Libraries.

FARMS PAYS BILL
The Farms council on Monday, October 3, authorized the payment of \$46,433.32, to the Ajax Asphalt Paving, Inc., for work completed under the city's asphalt recapping program for 1966.

Urge Protection Against Measles

Robert Brown, president of the Grosse Pointe Association for Retarded Children, strongly urges all parents to seek measles immunization shots for their children immediately. Mr. Brown and the members of GPARC who have had the sad experience of observing some of the after effects of this "harmless" disease believe all parents should keep these facts in mind:

- Of the 4 million children who get measles every year, one in six develops serious complications.

- Five hundred children die each year from measles encephalitis and measles pneumonia.

- Of the 4,000 children who develop measles encephalitis each year in this country, about 1,600 become mentally retarded.

TAIL LIGHT BROKEN

Jerry Milton, 17, of 1231 Torrey road, told Woods police that she parked her car in front of her house, and later heard breaking glass. She went outside to investigate and found that some unknown person had thrown an empty beer case at her vehicle, smashing the right rear tail light. This took place on Wednesday, September 28.

Know Your Grosse Pointe, Proclaim Stores in Village

The week of October 3 through 8 will be "Know Your Grosse Pointe Days" in the Grosse Pointe "Village" shopping area, located on Kercheval between Cadieux and Neff road. The event, sponsored by the "Village" merchants association, is the first of its kind in the area.

Some of the Grosse Pointe history will be highlighted, as will present day activities, well known persons from the area and interesting facts about the Grosse Pointe. The entire project is a joint effort by the businessmen and the five Grosse Pointe communities. Virtually every store in the

"Village" will have at least one display window devoted to an interesting facet of the Grosse Pointe.

The Business Men's Association joins the civic organizations in expressing the hope that residents of the five Grosse Pointes will avail themselves of this occasion to learn more about their community and its civic opportunities.

STUDY AUTHORIZED

A request from Frank D. Wilberding of Ford-Wilberding company, subdivision builders, representing property owners in Winthrop place, to have gas lights installed on that street, was referred to Police Chief Jack F. Roh for study, by the Farms council on Monday, October 3. The chief will present his report at the next council meeting, October 17.

Search for Man Lost from Boat

The Coast Guard resumed its search for Thomas B. Beard, of 1772 Prestwick, who fell overboard into the St. Clair River early Sunday, October 2. He fell off a 25-foot sailboat owned by a friend, Robert Fisk, 45, of

180 Riverside, Detroit, as it completed its turn around Russells Island, off Algonac, after clearing the south channel of the St. Clair River.

They were participating in the annual North Channel race sponsored by the Bayview Yacht Club.

Coast guard planes, helicopters and two other Coast Guard vessels were searching the area.

Beard's 13-year-old son David, spotted his father immediately after he fell into the water and threw him a life jacket, seat cushion and a ring buoy, but when the boat circled back, Beard could not be located. The ring buoy and cushion were found floating at the river's mouth, but no trace of the life jacket has been found.

At the time of the accident the boat was encountering winds of nearly 30 miles an hour and waves four feet high.

Beard, a partner in BHJ Associates, an advertising firm, is the father of four children. Another member of the crew was Donald R. Lena, 44, of 641 Peach Tree lane.

People who contribute the least to public enterprise are usually the most critical.

'Modern Wife and Mother' Pretty Repulsive to Family

By Pepper Whitelaw

Modern Women's magazines are always chock full of advice to the "modern wife and mother" so in an effort to comply with these "suggestions" hundreds of housewives all over suburbia give it the good old college try, AT LEAST ONCE. Here follows a capsule version of same.

Up at 7, smiling brightly, hair combed and make-up on, the "modern wife and mother" faces her world each day. She tries to think only pleasant thoughts, discusses no controversial topics, such as the overdrawn bank account, shrinking Sis' jeans or bleaching son's new bleeding madras shirt. She must be helpful at all times to her "crew," and she is to look as if she has been up for hours all this while having prepared for her "brood" that "nutritious, well-balanced, high-energy breakfast."

Ah, but the best laid plans . . . her husband, who hasn't as yet come to life, dips the end of the morning paper into his coffee cup—result . . . "Why don't you put the coffee at a reasonable distance from my paper?" She answers, with a smile on her face (and very black thoughts on her mind), "so sorry dear, but just look how pretty newspaper and cafe au lait look."

Enter daughter, (at least she thinks that's daughter underneath her long, ironed hair), "Good morning, honey," modern mother chirps. Daughter looks at mother as if she had all her marbles, but no shooters, and says . . . "I haven't anything to wear as usual. I couldn't sleep all last night worrying about my clothing problem." With clenched teeth, "modern mother" forces a smile and says, "May I suggest that you put a long, paper bag over your head and go as one of those new NO styles, a no girl, girl."

While sister is groaning over "modern mother's" latest, her son enters. "Good morning, son. My, you look like you had a wonderful sleep last night." Son — "Who slept? I was up half the night wondering what happened at the end of "Lost in Star Trek."

"Ah, I can help you there, son. That thing that was to land on the moon was really a stratoplane something or other and that funny looking machine that was so complicated, blew up and" . . .

Interruption by son, "Please spare me the ending, mother; you don't even understand the beginning."

And he was so right! Along with the current Beatle craze, new hair styles, pierced ears and Hondas, "modern mother" doesn't understand the new space shows.

What does she understand? First, she understands that she doesn't understand everything, (but then who does?) She understands that she has a closely knit, warm, normal as apple pie family. A family that wants mother to be a mother, not a fashion model or a buddy. A family that is completely baffled by this new "modern wife and mother approach," and who can not abide their lady grinning and beaming it when she might want to scowl a little.

"Modern mother" makes a mental note for tomorrow morning . . . burn the magazine, cover your face with cold cream, leave the curlers in your hair and plan on appearing just that way at breakfast! Then tell the family why YOU didn't sleep . . . and maybe even burn the toast a little.

TO IMPROVE PARK

The Woods Council voted to grant contracts to the Alva L. Greer and Sons and J. D. Armstrong Landscape Co. for improving recreational facilities in Ghesquiere Park and at the Lake Front Park Pool. The cost for these two improvements will be \$22,877.90.

Silence is always the best policy, but too many people allow their policy to lapse.

Woods Rejects Gallery's Plea

The Raven Gallery, a center for cultural pursuits, failed in an appearance before the Woods Council on Monday, October 3, to get a license to open a branch at the 7 Mile-Mack shopping center.

This was due to an existing ordinance, which does not specifically mention this type of establishment as being permitted in the area. The ordinance does not state what is permitted, but from past experience the Council felt that the Gallery would not have a chance, even if it did appear before the Board of Appeals. In fact, they discouraged the Raven Gallery's representative, George S. Goulson, from requesting a session with the Board of Appeals.

The Raven Gallery has been given national publicity by Fortune Magazine, as being unique in what it offers the public. The plan was to present to the fullest advantage the fine and performing arts. Painting, sculpture and objects of art were to

be hung in the gallery and sold. Well-known artists were to

be invited to perform with classic guitar and folk music. No alcoholic beverages were to be sold; only coffee and snacks purchased through vending machines. An admission fee was to be charged when artists were performing. The Raven Gallery presently has a branch in Southfield.

NOW CARS

The NOW Cars. More than just "new" cars. The NOW cars are designed from scratch for today's driving by today's drivers. They are cars on top of today, from a company on top of today: The 1967 American Motors. 1967 is the year we've been planning for, pointing toward. The year we bring you cars full of today's spirit, bursting with today's ideas. Cars with more room, more power, more safety; cars more exciting than any we've ever built!

Engines for Now. Three sixes that go like eights—and four V-8s that weren't here a year ago. The most modern engines in the industry, from an acceleration champ Six to the 343 cu. in. 4-bbl. Typhoon V-8.

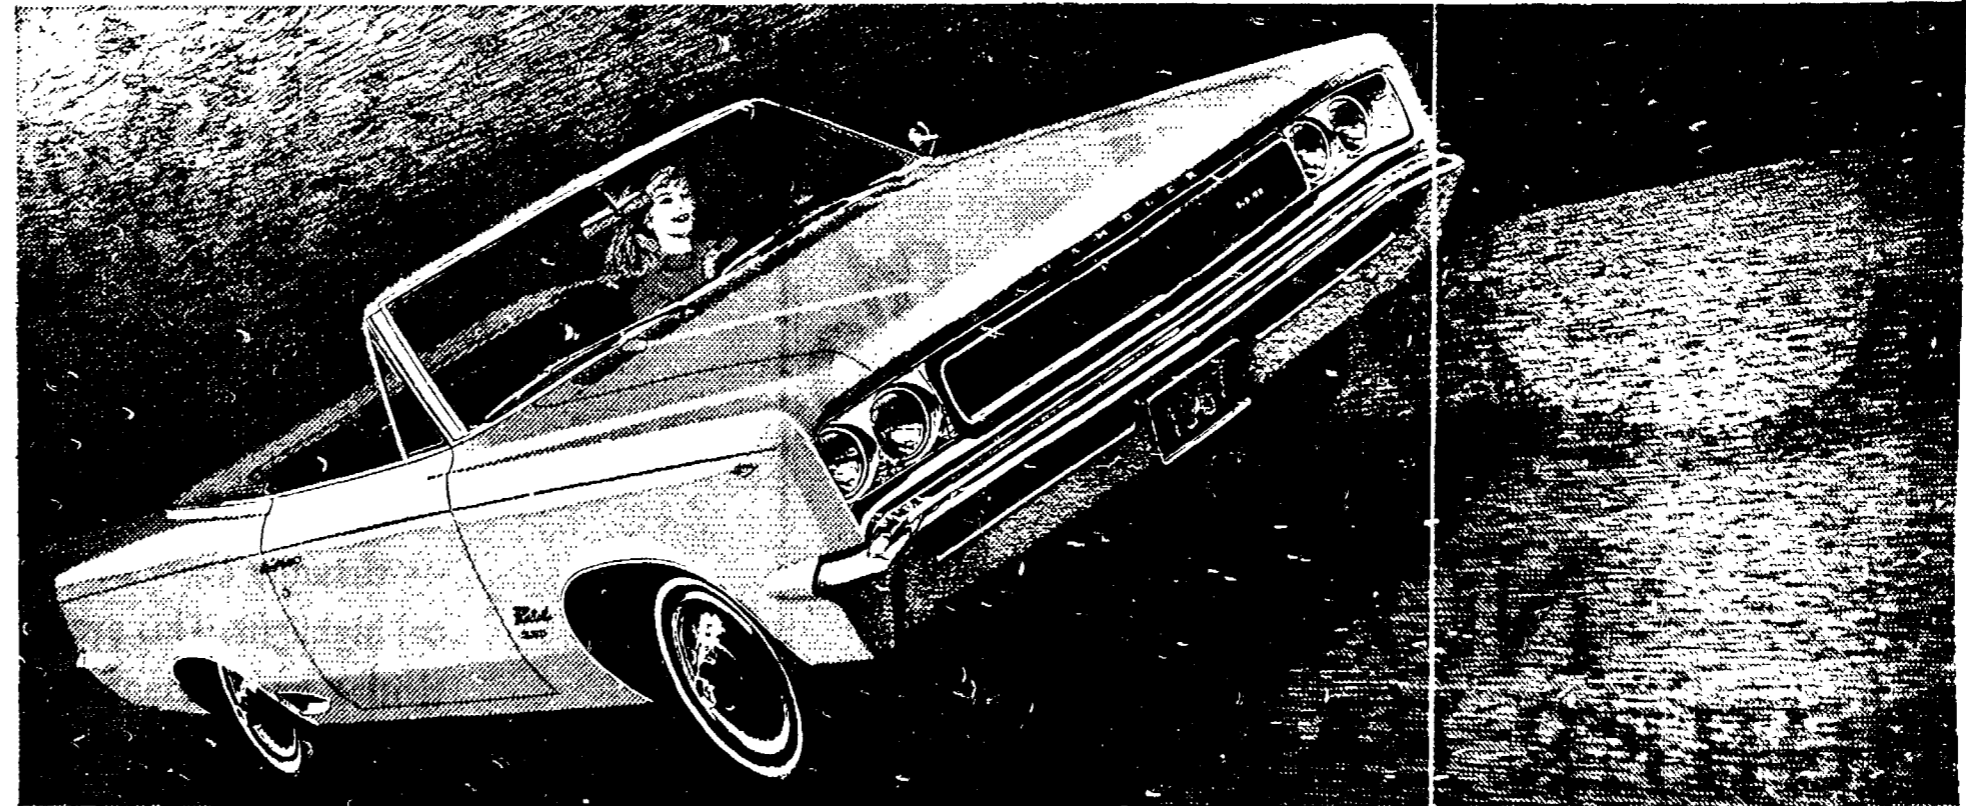

Innovations for Now. Convertibles that are true six-seaters. Wink lights visible from the side; rally lights that herald your approach.

A road-smoothing 4-link rear suspension—the first time ever with a single-unit body.

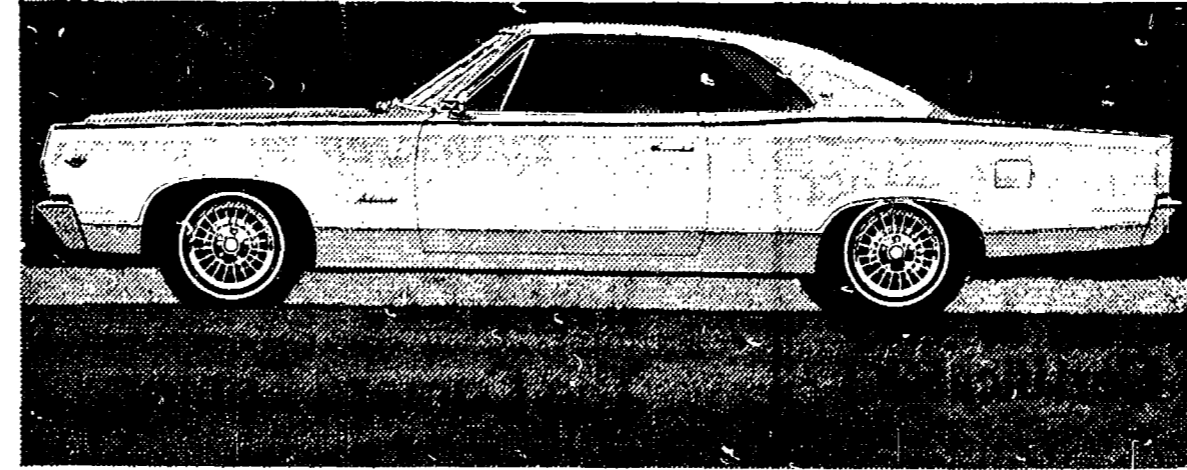

Safety for Now. Every 1967 American Motors car includes: long-awaited energy-absorbing steering column and deep-dish wheel; warning signal light to monitor both brake line systems; shoulder belt anchors; and the Double-Safety braking system we made standard five years before the rest of the industry. All built into solid, single-unit bodies.

Quality for Now. Our past is one of quality. Quality built in—like the Deep-Dip rustproofing and Ceramic-Armored exhaust systems pioneered by American Motors. And when quality is built in, the value stays in. See you: American Motors/Rambler Dealer today. He's the only Now Car dealer in town.

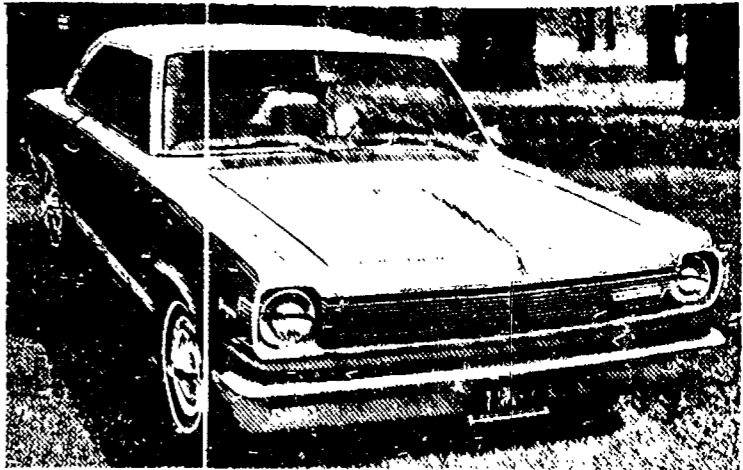

And now—this great new warranty. In addition to 2-year or 50,000-mile warranty, 24,000-mile warranty on the entire automobile. American Motors Corporation warrants the engine block, head, intake manifold, transmission case and internal parts (except manual clutch), torque converter, drive shaft, universal joints, rear axle, differential and rear wheel bearings of its 1967 cars to be free from defects in material or workmanship for 5 years or 50,000 miles, whichever comes first. The owner must change the engine oil and install new oil filter every six (6) months or 4,000 miles, whichever comes first; clean oil filler cap (filtered type) and carburetor air cleaner element every 4,000 miles and replace it every 24,000 miles and furnish evidence of this service to an Authorized American Motors Dealer every six (6) months and have him certify its receipt and the car's mileage. Further, American Motors Corporation warrants the remainder of the car for 2 years or 24,000 miles, whichever comes first, except tires (warranted by tire manufacturer). Any part so defective, will be repaired or replaced, in accordance with the applicable portion of the warranty, without charge at an Authorized American Motors Dealership. Owners are responsible for deterioration, misuse and normal maintenance. **Quality built in—so the value stays in.**

REBEL Now—the first Excitement Machines in the intermediate class! Cars for Now that never existed before! A 114" wheelbase. Excitement that's 197" long, 78" wide, 54" high. More people-space inside than any other cars their size. A choice of five engines, topped by a 343 cu. in. Typhoon V-8. A wide road stance and 4-link rear suspension to glue down corners, untwist curves. An SST convert (above) that holds 3 in. back comfortably. Rebel: SST hardtop and SST convertible; 779 hardtop, sedan, wagon; 450 sedan, wagon.

AMBASSADOR Now—full-size luxury cars created for today, priced for the young man who wants his luxury car right now. 118" wheelbase. Interiors now as spacious as the most expensive full-size cars. A DPL convertible with room for 3 in the rear. Choice of 5 smooth, silent engines to command. Your choice of Ambassador DPL hardtop (above) and DPL convertible; 990 hardtop, sedan, wagon; 880 sedan and wagon.

RAMBLER AMERICAN Now—Typhoon V-8 thruster comes to the low-priced economy whammy! (See Typhoon V-8.) three big 6's. America's only complete line of analysis. Rogue hardtop (above), convertibles; 440 sedan, hardtop, wagon; 220 sedan, wagon.

it's tough enough to save money..

so here's an idea to make it a little easier!

Try this one . . . Manufacturers Automatic Savings Plan. It's designed to help you save before you spend . . . automatically. To start saving you authorize Manufacturers Bank to transfer funds of \$10.00 or more each month from your Checking Account to your Regular Savings Account. You specify whether you want the transfer made on the 5th or the 20th of each month . . . or both days.

Your savings will grow at the rate of 4% (paid and compounded every

three months). There's no need to make any trips to the bank or fill out any deposit slips. But most important, you'll be saving regularly. And you'll be surprised how fast the savings and interest mount up.

If you want to start saving automatically, stop in at any of the more than 60 Manufacturers Bank Offices. For your convenience, they're open from 9:30 to 5:00, Monday through Thursday, and until 7:30 Friday.

National Merit Semifinalists at GPHS

National Merit Semifinalists representing the student body of Grosse Pointe High School are pictured above. Seated (left to right) are PATRICIA SNOW, JUDITH PIGGINS, JUDITH WALKER, MARY LARNER, LUCY ELMER, SALLY LEPLA, KAREN ULMER, CHRIS MEIER. Standing behind the girls (left to right) are EDWIN ENGELHART, CHARLES WINKLER, LAWSON DUENWEG, ERNEST HERSHEY, MARSHALL MASSEY, DON JOHNSON, ROBYN McLAUGHLIN, EDGAR TUTTLE, LAWRENCE LANG, JOHN HAYES.

Principal Jerry J. Gerich has announced that 19 seniors at Grosse Pointe High School have been named Semifinalists in the 1966-67 Merit Scholarship competition.

The students cited for their high achievement are Lawson Duenweg, Lucy Elmer, Edwin Engelhart, John Hayes, Ernest Hershey, Don Johnson, John Latner, Laurence Lang, Mary Larner, Sally LePla, Marshall Massey, Robyn McLaughlin, Chris Meier, Judith Piggins, Patricia Snow, Edgar Tuttle, Karen Ulmer, Judith Walker, and Charles Winkler.

They are among the highest scoring students in the state of Michigan, on the National Merit Scholarship Qualifying Test, administered last spring in 17,507 schools nationwide. More than 14,000 semifinalists were appointed across the country.

Scholarship Corporation. "From them will come much of our future leadership," he said.

"These students bring honor not only to themselves, but also to their families, their teachers, and their communities," Stalnaker said. "Their success is the result of their own efforts, including well directed energy, usually coupled with the effective direction and encouragement of parents, friends, and teachers."

To improve the opportunities of financial assistance for those needing aid, NMSC sends the names of semifinalists to all regionally accredited colleges and universities and to scholarship-granting agencies and other sources of financial aid. Studies show that about half of the semifinalists in former years have received financial aid from sources other than the Merit Program.

Upon the extent of sponsor support. In 1966, over 2,250 Merit Scholarships were awarded, 1,700 of them by sponsors.

High School grades, creative accomplishments, leadership qualities, extracurricular activities, and school citizenship of

the students are evaluated, along with test scores, in selecting Merit Scholars.

Each Merit Scholarship is a four-year award covering the undergraduate years of college. Each stipend is individually determined after the winner's need is assessed. For the student already financially able to attend the college of his choice, the stipend may be as little as \$400 for four years. Those with high need may receive the normal maximum of \$6,000, or \$1,500 per year. Winners choose their own colleges and courses of study.

More than 13,000 students won Merit Scholarships in the first eleven years of the Merit Program, which was founded in 1955 with grants from the Ford Foundation and the Carnegie Corporation of New York. Over \$48 million in financial assistance to Merit Scholars and their colleges has been expended or committed through the program to date.

RUNAWAY RETURNED

Mary Loch, an employee of the Vista Maria School for Girls, 20651 W. Warren, reported to the City police on September 28, that a 13-year-old resident had run away while at a dentist's office on Cadieux. She was located at her home and returned to the school by her mother.

Phil Skillman At Bronze Door

Phil Skillman, popular Grosse Pointe pianist has returned to the Bronze Door after a five week tour of Europe.

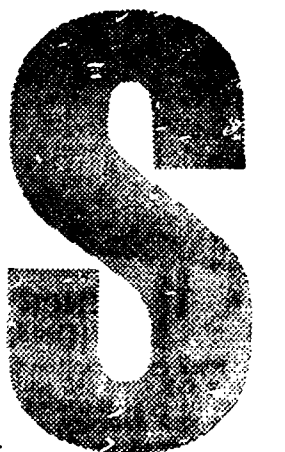

Highlights included visits to Copenhagen, Munich, Vienna, Venice, Florence, Rome, Corinto, Capri, Barcelona and Lisbon.

While in Sorrento, Mr. Skillman stayed at the Tromontano Hotel where the song "Back to Sorrento" was written. He played it at the request of guests there.

The DRC Story

THE POPULATION EXPLOSION HAS HIT THE HORSE WORLD, TOO

The Quiz Masters.

There are times when I feel as though I am on a television quiz panel. With a growing interest among Michigan sports fans about Thoroughbred Racing, the questions asked are frequent and pertinent.

The one tossed at me most often is: "How many race horses are there in the United States?"

I think the answer may surprise you. You may not realize what a boom there has been in the Thoroughbred World during the past 10 years.

Last season, 38,502 horses went to the post in races at tracks in the United States. This compares with 28,000 horses racing a decade ago.

It takes a lot of horses to conduct a race meeting such as ours at the Detroit Race Course. We have over 1,200 horses stabled on our grounds at all times. We are racing daily, except Sundays, from now through November 5.

There were 17,128 Thoroughbreds foaled a year ago and registered with The Jockey Club. Obviously, not all of them will go to the races, but there probably are 15,000 newcomers each season.

The racing span for most Thoroughbreds extends from the time they are two year olds until they are five or six. There are more durable performers who go on and on, of course. The oldest performers I found among the starters last year were

Copper Buster and Agreed. Each is 15 years old.

Race horses are bred in sizeable numbers in 19 states. Kentucky, the long-time center of the Thoroughbred industry, is the leader, with California's second and Florida third in the number of foals.

The breeding industry in Michigan is growing, but still is comparatively small. There were 217 foals registered last season. While this total is modest, it still is more than double the State's Thoroughbred production of 10 years ago.

Racing is a Sport of many facets. I think the more you know and understand about it, the more interesting you will find it.

It is our constant aim at the Detroit Race Course to provide you with top entertainment in surroundings of beauty, comfort and convenience.

We have two excellent dining terraces, "The Winner's Circle" and "The Mile Terrace." They offer the finest in food and beverages. From your table, you can follow the racing action every step of the way around the track.

"Ye Olde Tired Horse Pub" is an authentic old English pub, where there is never a cover or a minimum. It offers you delicious snacks and refreshing beverages.

We have Close-in parking for 12,000 cars with Easy-In, Easy-Out entrances and exits off Middlebelt, Schoolcraft and Inkster Roads.

I invite you to visit us soon.

HS Book Store Has Big Volume

The Grosse Pointe High book store has sold \$44,000 worth of books so far and averaged \$5,000 daily during the first week of school. This is approximately \$1,500 to \$3,000 more than last year.

Maynard Leigh, business education retail coordinator, explained that of this huge sum, very little is actual profit, "only enough to pay the help, and for calls to New York to order books." The charge of only 25 cents for handling is added to the price of used books before they are sold.

The average student paid about \$15 for his books. With all the business, there was hardly ever a line at the bookstore, due mainly to the efficient manner in which business was conducted.

Improvements, suggested by Mr. Leigh and Mrs. Marion Henderson, such as the widening of the narrow bookstore entrance to a seven-foot opening, and a new cash register made especially for school supplies, texts and gym and lab fees, added to the store's efficiency.

Juveniles Admit Crimes in Area

Two police departments filed charges against two juveniles involved in a breaking and entering and attempted car theft. The charges were filed with Juvenile Court Authorities on Tuesday, September 27, according to information released by Park Police Chief Arthur Louwers.

The chief said that his department has filed against the pair for breaking and entering the Ewald Bump Shop, 1005 Wayburn, and Detroit authorities filed on the attempted car theft charge.

It was explained that the properties facing Wayburn, are partially in the Park and partially in Detroit. The break-in occurred on the Park side, and the auto theft from the parking lot located in Detroit, at the rear of the shop.

A Detroit citizen, living in an Alter road apartment, glanced out of his window and observed two persons attempting to start a car in the lot, and called Park police.

Patrolmen Gary Mitchell and William Crandall were dispatched to the 1000 block of Wayburn, and while searching the area, Mitchell spotted a teenager running south on the street, and gave chase on foot. The youngster, 14 years old, was captured at Wayburn and Jefferson. The second boy escaped.

At the station, while being questioned by the officers, the 14-year-old confessed to the break-in and attempted car theft, and implicated a boy who had been with him at the time, a 15-year-old, who was picked up at his home.

The second boy admitted his part in the crime. Both boys said they took a set of 20 ignition keys to cars in the lot. Some of the vehicles had been left for repairs by customers, and some were new, and kept on the lot in storage.

Chief Louwers said that while being questioned, both boys im-

licated a 12-year-old who, they said, had been with them on several occasions. They confessed to Det. Lt. Arnold Hough and Det. James LaPratt.

The younger boy was taken into custody, the chief said, and questioned by Hough and LaPratt. The boy admitted to 12 burglaries committed in the area, either with the two older boys, or by himself, the detectives said.

All three have been involved in automobile stealing in the Detroit area, it was said.

Train and equip yourself to win the prize—and let others explain why they lost it.

Slate Tryouts For Happening

Tryouts are scheduled Saturday morning, October 15, from 10 a.m. to noon for Grosse Pointe War Memorial's Song and Guitar Happening which will be a highlight of Thanksgiving weekend at the Center.

Under the direction of Alex Sucek, the Center's guitar instructor, tryouts will welcome solo and group acts ranging from junior high school age through adult. Both solo and group acts are eligible to try out and both amateurs and professionals are sought.

Small honorariums are given those selected for the program.

Set Ferry P-T-A Meeting Oct. 12

The first P-T-A meeting of the year at Ferry School will be held on Wednesday, October 12, at 8 o'clock in the evening.

Crackdown Hits Reckless Drivers

A crackdown on traffic law violators and the installation of new speed and safety signs on Grosse Pointe boulevard, seems to be effective, Police Chief Jack F. Roh informed the Farms council on Monday, October 3.

In addition, Roh said, all police personnel have been instructed to pay particular attention to this area, especially in the vicinity of Grosse Pointe High School, and issue tickets to traffic violators, without exception.

Since the council directed the study two weeks ago, the police head said, officers have issued four violation tickets to motorists for unnecessary noise, six for speeding, six to motorists for speeding, and four to motorists for unnecessary noise.

It was disclosed that violations on Lake Shore road have shown a noticeable decrease due to increase in police patrols.

The meeting will take the form of an Open House and teachers and pupils alike are busy preparing their classrooms and school for the parents' visit.

The evening will start with a short business meeting in the school gymnasium. David Fairless, president of the P-T-A, will introduce the new officers and Board members for the coming year.

He will also introduce Edwin Wendt, principal of Ferry School, who in turn will present the staff of Ferry School, which includes eight new teachers this year, to the parents. Newcomers are: Kindergarten, Miss Diane Southwood; Grade one, Mrs. Mary Scott and Mrs. Lynn Wilson; Grade three, Mrs. Margaret Walsh and Mrs. Carolyn Heeb; Grade five, Peter LaSala and Mrs. Sandra VanAlmen; and Grade six, Tom Neil.

Mrs. Betty Gregory is also teaching this year in the Fourth Grade on a temporary substitute basis. The P-T-A is planning to honor these new teachers with a special remembrance for the evening.

After the business meeting, parents are invited to visit their children's rooms where the teachers will briefly outline the aims and objectives they have for their groups during the coming year.

Following the room visits, everyone is invited to return to the gymnasium where Mr. and Mrs. George Robb and their committee will serve refreshments to all, and parents and staff will have a chance to mingle informally.

Trombly P.T.A. Meets Oct. 10

Trombly P.T.A. holds its kick-off meeting at 8:15 p.m. on Monday, October 10, in the school auditorium. President Jerome Driscoll extends a warm welcome to new parents in the Trombly School Community and invites all parents to attend this opening meeting.

"Our Children—Their Schooling" is the theme of this year's meetings as announced by program chairman Dr. Donald Briggs. Dr. William K. Durr, Professor of Education, Michigan State University, leads off the program speaking about "The Foundations of Reading Instruction". Dr. Durr has attained nationwide recognition in the teaching of reading and is the reading consultant for the Houghton Mifflin Co. The Reading published by Houghton is the new reading series adoption at Trombly School.

Parents are cordially welcome to Open House in the classrooms prior to the general program. Room parents and teachers will welcome guests, get acquainted with one another. There will be ample opportunity to see work of the children, and to learn at a grass root level about the school and the child's learning program.

Mrs. George Gray and Mrs. J. Lee Schoenth, social chairmen, together with room mothers Mrs. Edward Callahan, Mrs. Richard Havel and Mrs. Robert Elyett will host the informal social hour following the auditorium meeting.

Blue Devil Gridders Lose League Opener to Monroe

The Devils dropped their Border Cities League football opener last Friday night as they were overpowered by the Monroe Trojans 21-14. The game, played under the lights at Monroe, was a seesaw battle that was not definitely decided until the final gun.

The scoring began early in the game after the Devils received the opening kickoff on their own 41. A steady drive, paced by two eight-yard runs and a 30-yard pass reception by halfback Jon Stark, brought the ball down to the Monroe 2. With 7:03 still left in the first quarter, halfback Rick Gonzalez took the ball in. With the extra point kick good, the Devils led 7-0.

Penalties Help Trojans

After receiving the kickoff on their own 25, the Trojans controlling the ball for the first time in the game, returned with a scoring drive of their own. Capitalizing on two Devil off-side penalties, a 35-yard pass, and driving through the line, the Trojans were able to force their way down to the Devil 3 before their quarterback took the ball in outside the left end. A good extra point kick tied the score at 7-7 with 1:52 left in the first quarter.

After the Devils received the kickoff, they were unable to move the ball and were forced to punt. The Trojans, after taking the ball at their own 42, moved down to Grosse Pointe 17 before the Devil defense could stop them. On fourth down at the 17, the Trojans elected to attempt a field goal. The kick fell short, however, and the Devils took control on their 20.

80-Yard Run Scores

On the first play from scrimmage Gonzalez dove through right tackle, broke through the Trojan defense, and raced 80 yards for the Devils' second touchdown. Andy Balsler's kick was good, and with 8:50 left in

the half, the Devils again led, now 14-7.

Following the kickoff, the Trojans yielded the ball on a punt but recovered control on a Devil pass intercepted at their own 40 and returned to Grosse Pointe's 35. Passes of nine and 12 yards and repeated dives took the ball down to the Devil 5 before a dive over the right end capped the scoring drive. With the kick good, the score was tied again, now 14-14 with 2:12 left in the half.

Both defensive teams held in the second half and neither side threatened to score until early in the final period when, after being moved back to their own 12, the Devils were able to punt out only to their 25. A Monroe pass took the ball down to the 5 and a dive off right tackle took the ball in.

The play called back, however, to the Devil 20 on a Monroe holding penalty. A sweep around left end on the following play took the ball in again with 8:44 left in the game. The extra point kick was then blocked, but called back when Grosse Pointe was offside and this time proved successful, making the Trojan lead 21-14.

The ball passed back and forth between the two teams until late in the game the Trojans again threatened to score when they were able to move down to the Devil 10. A fumble recovered by Jack Duscay at the 10 snuffed out the attack, but the Devils were able to get off only two plays before the final period ended with the Trojans on top 21-14.

Sacred Heart Deals Out St. Paul's Second Defeat

St. Paul's second defeat of the season was at the hands of the Thorns of Sacred Heart Sunday night at Roseville Memorial Stadium. The Lakers led 12-6 at the half but were left scoreless in the third and fourth quarters as Dennis MacDonald dropped into the endzone twice for Sacred Heart.

Bill Gough kicked off for the Lakers to MacDonald who ran 17 yards to the Sacred Heart 45. The Lakers pushed the Thorns back 6 yards, forcing them to punt from their own 39.

Bob Horenschmeyer received and returned the ball to the St. Paul 40-yard line. A 5-yard penalty for offside nullified a 10-yard pass play from Rick Stevens to Mark Smolenski. However, Corcoran, Horenschmeyer and Gough each gained long Laker yardage, returning the ball to the Sacred Heart 25 for a first down. A 15-yard penalty against the Thorns merited St.

Paul another first, as Horenschmeyer scampered into the end zone for a touchdown. The extra point attempt was no good.

Fumble Recovered
In the second quarter Brien Muleavy recovered a Sacred Heart fumble on the St. Paul 48-yard line. A 15-yard penalty against the Thorns for pass interference gave the Lakers a first down. Corcoran moved the ball to the Sacred Heart 29 on a 17-yard run while Gough drove up the middle for two consecutive gains of 5 yards each. Horenschmeyer dashed 8 more yards as Corcoran dashed into the endzone for another Laker touchdown. The extra point attempt again failed.

Sacred Heart received the ball and took over on their own 30. MacDonald made consecutive gains of 20, 25, 10, 5 and 1 yards, losing 5 yards on a penalty. Nonetheless, the Thorns scored as MacDonald traveled 15 yards for a touchdown. John Marentille was brought down by the Laker defense in his attempt to score the extra point.

Halted On Goal Line
Corcoran received the kick in the second half and ran 15 yards to the St. Paul 40-yard line. The team was forced to punt on downs but Jim Kotz of St. Paul recovered a fumble on Sacred Heart's second play. The Lakers moved down the field but were forced to give up the ball on the Sacred Heart 1-yard line.

MacDonald made two 40-yard gains for the Thorns, moving the ball to the St. Paul 19. He scored another first and then plunged into the end zone from the 3-yard line. The extra point was good, giving Sacred Heart the lead 13-12.

University School News

Another successful Summer School and Summer Camp season has passed. The Summer School, directed by Mr. Richard Trim, had 86 students. Besides the regular courses, the Baldrige Reading Program of Greenwich, Conn., was offered this year. This course tries to develop a student's reading speed, comprehension, vocabulary, and teaches techniques for reading different types of prose. One such technique is poetic inference which is a method of pre-reading a selection.

Austin Planning Musical Revue

Austin Prep. School began castings and rehearsals September 29 for its annual musical spectacular. This year the show is entitled "ITM," which stands for "It's The Most." Show dates are November 3, 4, 5 and 6 at 8 o'clock at Austin.

The cast will include 300 Austin men in the roles of singers, dancers and comedians, as well as a stage and lighting crew of 60. The female roles will be handled by over 200 girls from seven surrounding schools.

To bid for the female roles, 500 girls auditioned. Schools supplying the female talent are Our Lady Star of the Sea, Dominican, St. Paul, Bishop Gallagher, St. Ambrose, Regina and the Convent of the Sacred Heart.

The music and dance routines for the cast of over 500 are being directed by Joseph Hayes, of Broadway and TV. The production is produced and moderated by Thomas E. Bailey, vice principal at Austin.

This is the second year Austin has undertaken such a large activity with the cooperation of neighboring East Side schools. Last year's "Take Time Out" sold out its five performances, with a cast size similar to this year's 500.

"ITM" will bring many new devices and routines to Detroit. The central theme this year is "around the world in song and dance."

"ITM" will introduce to the Midwest a new theatrical effect called "Dia-vision." This electronic equipment will couple slides and the motion picture in many scenes, particularly in the first act when a 36-foot Eiffel Tower rises from the stage floor.

Those desiring tickets for performances at \$1.50 each are urged to buy them from Austin students or cast girls in advance.

Ted Pikora of Sacred Heart highlighted the fourth quarter. The Lakers took over on their own 29 and penetrated Sacred Heart territory where John Cortini recovered a Laker fumble and ran 45 yards into the endzone. However, the play was nullified by a clipping penalty. Sacred Heart moved the ball to the St. Paul 34 and gained 10 more yards on two consecutive penalties against St. Paul's for offside. MacDonald gained 15 yards and another first for the Thorns as he scampered into the end zone for his third touchdown of the game. The extra point was good, making the final score 20-12.

The Day Camp had a total of 320 campers as compared to 251 last year. There were about 175-200 boys and girls, aged 4-13, at camp each week. Miss Muriel Brock, the Director, has tried to give the children as many real camping experiences as possible even though the camp itself is located in an urban environment.

The campers had canoe lessons for seven years under Ferenc and took several days to Milford where they practiced their canoeing. Day trips were also taken to Stoney Creek Park where there is a nature center and to Kensington State Park where they rented a paddle boat, the "Island Queen."

Other side trips were also made to the Metropolitan Beach roller skating rink, the Detroit Zoo and Stroth's ice cream plant. Perhaps the most enjoyable trips taken by the older campers were four overnights to Hayes State Park. All these trips greatly helped supplement the camp's regular activities at no extra charge.

On September 14 the school began its sixty-eighth year with five new faculty members. In the Upper School, Mr. Donald Schrom will head the Art Department. He has M.A. and M.F.A. degrees from Bowling Green State University and has taught for eight years in the Grosse Pointe Public Schools. He has had art exhibits in many places in Grosse Pointe, including the War Memorial and the Scarab Club. In 1965 he received the first place watercolor award in the Metropolitan Artists Exhibit.

In the Lower School, Miss Dennie Denton '54, is teaching art. She graduated from Bradford Junior College and studied for seven years under Ferenc Varga of Detroit. Mrs. Janet Hansen, whose husband is Tobey Hansen, Jr., assistant tennis pro at the Detroit Country Club and squash pro at the University Club, is teaching the second grade. She is from Grosse Pointe and graduated from Northwestern with a B.S. degree. Mrs. Helen McPherson, who has a M.A. from Michigan, is teaching the sixth grade English and Social Studies. She is also teaching piano to some students in the Lower School. The fourth grade teacher is Mrs. Marie Neil who also graduated from the University of Michigan. She grew up in Grosse Pointe and her particular interests are journalism and creative writing.

The first Monteith PTA for this school year will be held next Wednesday, October 12.

Ski-Hi Club Meets Oct. 9

Grosse Pointe War Memorial's Ski-Hi club for students in grades 9-12 will have its initial meeting Sunday afternoon, October 9, at 3 o'clock in the Center's Fries Auditorium, 32 Lake Shore. All younger generation skiers or would-be skiers as well as former members are invited to attend.

At this ski season opener, everyone will be entertained and amused by slides and movies of the club's spring ski trip to Taos, N. M., last April. They will also see a ski style and equipment display.

Schedules of the club's season of trips and activities will be given out. These will include day trips to local ski areas, ski week-ends to Northern Michigan, a four day trip during Christmas vacation, and the 10-day ski vacation in the spring out west.

Membership in Ski-Hi is just \$3 for the season. Registration for new and renewed memberships will be taken at this opening meeting.

Austin Prepares For Mock Trial

Robert Walters, program chairman of the Austin Catholic High School Fathers Club has announced that on Monday evening, October 10, at 8 o'clock, a mock trial will be held in the Austin gymnasium for the Fathers and Sons of Austin.

Presiding at the simulated trial proceedings will be the honorable Thomas P. Thornton, U.S. Dis. Court, Eastern District of Michigan; Honorable John H. Gillis, Michigan Court of Appeals and the Honorable James N. Canham, Judge, Wayne County Circuit Court.

Conducting the proceedings for the defendant, on trial for an automotive case involving accident, will be Professor Robert Sanregret of the University of Detroit Law School. Law students from the University will also take part in the trial, including to withdraw.

Every day is the dawn of a new era, but sometimes it's so easy to make another.

Parcells Parents To Tour School

"A Day in the Classroom" is the theme of the Parent-Teacher Association welcoming program to be held at Parcells Junior High School on Friday evening, October 7, at 7:30 p.m.

All parents of Parcells students are invited to participate in following the actual class schedule of their children in 12-minute sessions, in which teachers will give an explanation of the course of study, the instructional materials, the teaching procedures and particular requirements of the department.

During "Study Hall" and "Lunch" periods the parents may visit the school library, the clinic, counselors' offices, the community room or the gymnasium.

Coffee will be served throughout the evening. Mrs. Lorna Kray, mother vice-president of the P.T.A. has appointed a hospitality committee of room mothers in charge of refreshments.

Three Brothers Stand on Rights

Park police officers picked up three young Detroit brothers, all juveniles, walking at Beaconsfield and Fairfax, obviously truants from school. The boys were taken under the protective wings of the law on Monday, October 3, and everything ended up okay.

Nevertheless, someone must have informed them of their rights not to speak unless an attorney is present, because, try as they might, the policemen at the station could not make the boys say a word. All the children did was shake their heads, or shrug their shoulders.

Patrolman Charles Petrie first observed the brothers at Beaconsfield and Fairfax, where they were walking. He stopped them and asked why they were not in school. The boys were aged eight, seven and five years.

Patrolman Collin LaLonde happened by and assisted in bringing the boys to the station. Standing on their "rights," the brothers sat rigidly on the bench in the station, staring straight ahead. No amount of questioning could bring an answer.

Finally, when asked the name of the school they attended, the two older boys, in awed whispers said, "I don't know," and let it go at that.

LaLonde, hoping to break down the five-year-old, asked him if he attended kindergarten, and the little one nodded assent.

The officer offered the youngster a nickel to divulge the name of the school. The boy took the bribe with a smile, and pointing to his brothers, said, "I go to the same school they do."

Monteith PTA Meets Oct. 12

The first Monteith PTA meeting for this school year will be held next Wednesday, October 12.

Room visitations will begin at 7:30 p.m. Parents will be asked to sign in at their children's rooms; the room with the highest percentage of parent attendance will be awarded a Tiger Cub, to remain in the winning classroom until the next PTA meeting.

Bill Babcock, president of the PTA will conduct the business meeting at 8:00 o'clock. Mr. Babcock will introduce Mr. John Hammel, new principal of Monteith formerly of Maire School, who will be the featured speaker for the evening. Mr. Hammel will introduce the teaching staff and board members. His topic will be "What's Ahead for Your Child?" Refreshments and a social hour will follow.

The fellow who is inclined to lead a fast life should drop his anchor before it's too late.

Eight Cases Heard In City Court

The Grosse Pointe City Justice Court convened on Tuesday, September 27, Judges Douglas L. Peterson and Malcolm J. Sutherland presided. The following cases were heard:

Richard Embree, 13061 Kilbourne, Detroit, was charged as a disorderly person and as a minor in possession of alcoholic beverages. He pled guilty and was found guilty and fined \$25. He was put on probation for 6 months and suspended from driving for 30 days.

Richard Longworthy, 1153 Beaconsfield avenue stood mute on the charge of going through a red light. He was found guilty of not having his car under control and fined \$15... sentence suspended.

Henry Bourne Joy III, 812 Balfour road, stood mute on the charge of speeding at the rate of 50 miles per hour in a 35 mile zone. A motion was granted to reduce the charge to 45 miles in a 35 mile zone. A fine of \$50 was paid.

Dorian Griffin, 490 Bournemouth road was charged with reckless driving and driving on a suspended license. Witnesses were found that said he was not driving. Case dismissed.

Sam Fodale, 20013 Chalon, St. Clair Shores, was charged as a disorderly person. He pled guilty and was found guilty and fined \$75. He must make restitution to hospital for damage to lawn and flowers.

Joseph Garofalo, 23154 Greencrest, St. Clair Shores, pled guilty as a disorderly person and was fined \$75. Must make restitution to the hospital for damage to lawn and flowers.

James Sweet, 16628 E. Jefferson, was charged with driving without due care and caution. He was fined \$50 and restricted to driving only to and from work between the hours of 6 a.m. and 8 p.m., for 60 days. Sweet entered a plea of not guilty and was found guilty.

Philip Lynch, 14917 Linnhurst, Detroit, was charged as a disorderly person and as a minor in possession of alcoholic beverages. He entered a plea of guilty and was found guilty, and fined \$25. He was put on probation for 6 months.

MASSIVE MANHUNT
 A massive manhunt has been launched by The Detroit Institute of Technology in an attempt to reach thousands of alumni whose names are missing from the school's records. DIT wants to invite all graduates and former students to its 75th Anniversary banquet at Cobo Hall on October 10. Former faculty and members of the administrative staffs of past years also are being sought.

Anyone having information is asked to phone DIT at 968-0830 and ask for the President's Office, extension 222.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

This is one of the "newsiest" weeks we've had in months, so without further ado we'll get right down to business and let you know EVERYTHING, (or as much of EVERYTHING as we can squeeze into this column), that is going on . . .

Mrs. John Fetzler will open her Westchester road home this afternoon, for Theatre Arts Club of Detroit's annual Eva Woodbridge Victor Scholarship Fund Donation Tea.

And a little more than a week later, on Friday, October 14, at 8:30 o'clock, the Players Playhouse curtain goes up on the sixth Fall Drama Festival, combining the talents of Theatre Arts, The Players and The Fine Arts Society of Detroit in a production of the Broadway hit musical, "Bells Are Ringing."

Principals in the cast include the Mesdames Henry R. Klein, Robert E. Schultheiss, R. Sidney Sinclair, Milton W. Volkens and Russell Little, the Messieurs John Webster, Donald F. Bliss, John W. Kinsey, Albert Berteel and Dr. Chet Bogan.

Producers are the James B. Steeps, director is Mrs. Frank H. Finney, business manager is Frank E. McDonald. Mrs. Alan C. Witherspoon is in charge of the chorus, Mrs. Dorothy Seiffert is the choreographer, and Dr. John A. Percin will conduct the orchestra.

The three participating theatre clubs have divided backstage laodrs, with Theatre Arts handling costumes, Players, staging, and Fine Arts, properties. There'll be three performances of "Bells Are Ringing" in all: October 14 and 15 at 8:30 o'clock, October 16 at 7:30 o'clock.

Still On The Boards

Stepping "on the boards" at the Esquire Theater next Thursday morning at 11 o'clock, will be Walter Slezak, first speaker in the Bon Secours Hospital Assistance League's 1966-67 Grosse Pointe Celebrity Series.

Scheduled to appear in upcoming months are television star Virginia Graham, foreign policy analyst Dr. Henry A. Kissinger, foreign correspondent Willem T. Oltmans, French artist Jacques Maloubier and psychologist Dr. Joyce Brothers.

Members of the Detroit Smith College Club gathered for their fall picnic buffet recently, at the Kenwood road home of MRS. FREDERICK J. ROBINSON, II. Club officers for the coming season include president MRS. GERARD C. MOONEY, first vice-president MRS. JAMES P. WILLIAMS, second vice-president MRS. M. WHITNEY McCUTCHEON, recording secretary MRS. HAROLD BAY, corresponding secretary MRS. WILLIAM SAVAGE and treasurer MRS. CHARLES SLOUGH.

Starting his freshman year at Lake Superior State College, Sault Ste. Marie, is GARY RUSH, son of MR. and MRS. HERBERT RUSH, of Anita avenue.

Among the 33 Detroit area students who recently won admission to the Honors College at Michigan State University are MICHAEL L. HEAPHY, of Cloverly road, and SUE ANDREA SOLMO, of Stanhope avenue.

THOMAS G. CHRIST, son of MR. and MRS. GERALD J. CHRIST, of Severn road, an Eastern Michigan University sophomore majoring in Speech and Dramatic Arts, is playing the role of "the sailor" in the EMU Player's first production of the current season, Tennessee Williams' "A Streetcar Named Desire," opening October 20 at the University's Quirk Theater.

Receiving her freshman cap in Madonna College, Livonia, investment ceremonies October 4 was LOUISE JASINSKI, daughter of MR. and MRS. STANLEY JASINSKI, of Stanhope avenue.

MRS. MARIE HILL, of Neff road, is acting as chairman for the Christmas Decorations and Gadgets booth and MRS. JOSEPH D. DOMZALSKI, of Shelbourne road, will help in another booth planned for the annual Fiesta of Nations and Spaghetti Dinner being sponsored by the PIME Mission Auxiliaries on Sunday, October 16, beginning at noon, at the PIME Fathers' new quarters, the former cloistered Domini-

Two "Imports" In A Local Setting

The sculpture is local, the work of Detroit's Walter Midener, but the attractive young people are imported. They are MAALFRID HATELAND, of Stavanger, Norway, and HARUO MIYAMURA, of Niigata, Japan, who arrived in The Pointe in August and will remain until June, completing their full senior year at Grosse Pointe University School. In the States, under the auspices of American Field Service student exchange, they are a vital part of GPUS' program to further international understanding and friendship. GPUS is sponsoring a Pancake Supper on Friday, Oc-

tober 7, from 5:30 until 7:30 o'clock, at the School in Cook road, to benefit its foreign exchange program, and Maalfrid and her American "family," the Daniel L. Johnsons, of Beverly place, as well as Haruo and his American "family," the George E. Bushnells, Jr., of Cloverly road, have made definite plans to attend. Tickets, at \$1.50 for adults, \$1 for students, are available by contacting TU 1-1974, TU 4-5138 or TU 2-8693. Extra added attractions will be a showing of ski fashions from Don Thomas' Sporthaus, a "Sock Hop" and bridge games.

CHARLES and ROBERT HATCH in welcoming their new brother home. The Beltzes have already had a busy few weeks: They've been entertaining her mother, MRS. HOMER FERGUSON, visiting in The Pointe while her father, JUDGE HOMER FERGUSON, served as a United States delegate to the Interparliamentary Union in Iran.

MRS. CHARLES BERGER, of South Edgewood drive, Volunteer Activities chairman of the Greater Detroit Unit of the Michigan Cancer Foundation, was among those attending the Foundation's 1966 Annual Leadership Training Conference October 3 through 5, at Kellogg Center, Michigan State University.

Among those handling arrangements for the Kappa Gamma Pi, national honor society of Catholic college women, fall tea, scheduled next Sunday afternoon, October 9, at Pius XII Religious Education Center in Calvert street, Detroit, is MRS. JOHN FILDEW, of Bedford road.

Pointers starting their freshman year at Vassar College are MARTHA PARKE FORD, daughter of MR. and MRS. WILLIAM CLAY FORD, of Lakeshore road, CORNELIA W. HAMILTON, daughter of MR. and MRS. ROBERT HAMILTON, of Moran road, MARTHA ELLEN JONES,

daughter of MR. and MRS. ROBERT E. JONES, of Wilhison road, and VIRGINIA R. SHELLEN, daughter of MR. and MRS. W. WARREN SHELLEN, of Provencal road. (Continued on Page 24)

Set Sale At Woods Presbyterian Church

"Rummage" Ready for Customers All Day Tomorrow and Saturday; Mrs. Frank Kaufman is Project Chairman

In 1941, Gary Cooper won an Oscar for his role as Sgt. York—and the first annual Grosse Pointe Woods Presbyterian Church rummage sale took place.

This year, on Friday, October 7, and Saturday, October 8, the Women's Association of the church celebrates the silver anniversary of that rummage sale with the biggest and best sale ever.

It will be the first event to be held in the new Church Hall, built this year.

Over the years, the rummage sale has proved to be the most successful fund-raising work the women have undertaken.

It has also proved the best source of humorous anecdotes, concerning both the rummage itself and incidents related thereto. No one will ever forget the night the custodian was called from home to open the Church to rescue the dry cleaning of a prominent Grosse Pointe family from a rummage contribution.

Equally traumatic was the experience of the housewife who sent her husband's new instead of old topcoat to the sale. Both incidents had happy endings!

Chairman of the sale this year is Mrs. Frank Kaufman. Assisting her are Mrs. Melville Osborne and Mrs. Stanley Mapples.

Departmental chairmen are: Jewelry, Mrs. Richard Johns; Linen, Mrs. Richard Piper; Furniture, Mrs. Arthur Drummond; Toys, Mrs. Stanley Mapples; Ladies' Wear, Mrs. William Frederick; Hats and Purses, Mrs. Robert Becker; Quality Shop, Mrs. Edgar Ne-

therton; Men's Wear, Mrs. Benjamin Thomas; Lingerie, Mrs. Paula Russell; Housewares, Mrs. Alex Gill; Shoes, Mrs. Donald Koch; Electrical, Mrs. Robert Goodhand; Books, Mrs. Fredrick Tew; Children's Wear, Mrs. Martin Schnurr and Mrs. Fred Fishback; and Publicity, Mrs. Malcolm Jolliff.

Hours of the sale are from 9 in the morning to 8 in the evening on October 7, and from 9 to 11 in the morning on October 8. Contributions are welcomed and may be brought to the Church.

Taylor-Doyle Betrothal Told

Mrs. William Watson Doyle, of Cincinnati, O., announces the engagement of her daughter Diana Gathright, to Douglas Hallett Taylor, son of Mr. and Mrs. Frank Edwin Taylor, Jr., of Moran road.

Miss Doyle, daughter of the late William Doyle, is a graduate of The College Preparatory School in Cincinnati and is a senior at the University of Michigan.

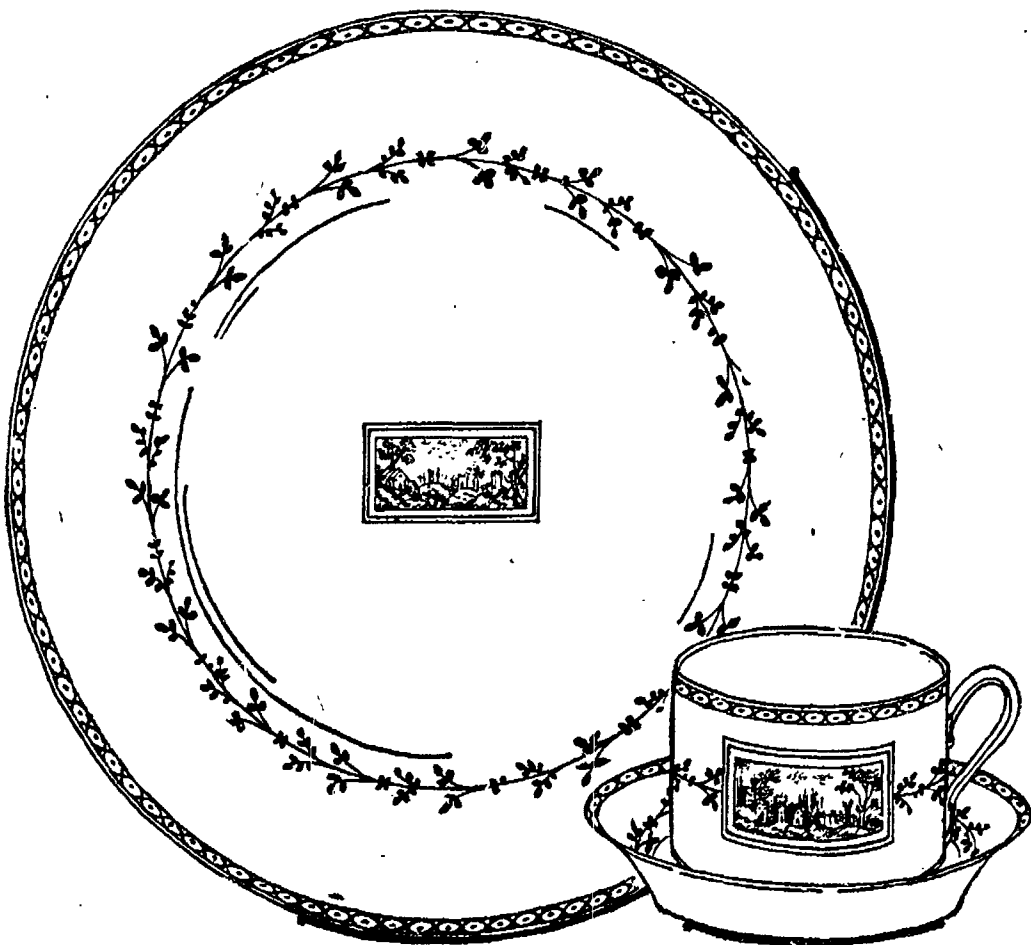

Mr. Taylor, a member of Theta Delta Chi and Pi Tau Sigma, was graduated from the University of Michigan College of Engineering and is presently enrolled in the Graduate School of Business Administration.

Slate Senior Center Christmas Bazaar

Annual Fund-Raising Event To Feature White Elephants, Holiday Gifts, Boutique Articles and Baked Goods

Senior Citizens are busy playing Santa's helpers for their "Gifts and Goodies" bazaar which will be held from 10 till 6 o'clock on Tuesday, October 11, at the Senior Center in East Grand Boulevard.

Items for sale will include White Elephants and all types of Christmas gifts which the senior membership has been making all year long.

There will be handmade boutique articles and delicious home-baked goods plus a coffee shop serving sandwiches and homemade desserts where visitors may have lunch while Christmas shopping.

Mrs. Edward Shaar, Bazaar chairman, Mrs. Paul Twohey, co-chairman, Mrs. Daisy Filkin, Senior Bazaar chairman and an imaginative committee have collaborated with Santa to make this an outstanding event.

The Bazaar is the annual fund-raising event which the seniors offer as their contribution towards the Center budget. A Torch Drive Agency, the Senior Center is a group work and

recreation center offering a full program of activities, services and counselling for men and women 60 years of age and over.

It was started by the Junior League of Detroit in 1953 and was supported wholly or in part by that organization for 10 years.

Volunteers and members of the Board of Directors who will be working as cashiers and salespeople on the day of the Bazaar are Mesdames Francis Brossy, III, DeHull Travis, Robert Tobin, Robert Milligan, William Burke, Milton Henkel, William E. Lane, H. R. Schenn, Merrion Scott, Carl Grawn and Bayard Wilson.

Freedom is measured in the cost of lives lost to save lives.

UN Association Set For Day At Races

The Detroit United Nations Association, a non-profit, non-governmental, people-supported organization, has scheduled a pre-birthday party to celebrate the United Nations' 21st: A Day at the Races Friday, October 21, at the Detroit Race Track.

The Association aims to raise funds to finance its educational and promotional programs in behalf of the UN—and have fun doing it!

The \$10 tax-deductible admission includes pre-luncheon cocktails, buffet luncheon, admission to the Club House, a special program and an afternoon of thoroughbred racing.

On the committee planning event are Frank T. Buchanan, John E. Campbell, Selden B. Daume, Jr., William T. Gossett,

Mrs. Oscar D. Schwartz and Susan Wittemore.

Grosse Pointe hostesses will be Mrs. Paul D. Bagwell, Mrs. Russell E. Bauer, Mrs. Edwin O. Bodkin, Mrs. Maxine Hill, Mrs. W. R. Jeeves, Mrs. James H. Quello, Mrs. Jack Sinclair, Mrs. Joseph A. Vance, Jr., and Mrs. Victor W. Wertz.

Further information and tickets are available through Detroit United Nations Association headquarters in Washington boulevard, 963-2688.

Ferry Collection To Be Displayed

A third generation patron of The Detroit Institute of Arts who is also a distinguished collector of contemporary art will be honored with a major exhibition when "The W. Hawkins Ferry Collection" opens at the museum on Tuesday, October 11. The display will be open to the public in the new South Wing through November 20.

The exhibition, as well as a testimonial dinner October 10 to be attended by collectors from all parts of the United States, is sponsored by The Friends of Modern Art of the Founders Society.

The showing of 48 works of art will include 18 paintings and sculpture which Mr. Ferry, of Lakeshore road, has donated to The Detroit Institute of Arts during the past 20 years. Choice contemporary works in Mr. Ferry's personal collection will also be displayed. This will be the first public display as a group of Mr. Ferry's collection.

Also figuring importantly in the exhibition are two works

acquired for the museum by the D. M. Ferry, Jr., Trustee Corporation—"Still Life," an oil by Juan Gris, and the massive elmwood sculpture "Reclining Figure" by Henry Moore. The board of this philanthropic foundation established by W. Hawkins Ferry's father includes W. Hawkins Ferry, his brother Dexter Ferry and his sister Mrs. Arthur U. Hooper (Edith Ferry).

A handsome tapestry by Kandinsky and a mobile by Alexander Calder, commissioned by Mr. Ferry for the Grosse Pointe Library, will be lent for the exhibition.

Museum Director Willis F. Woods will install "The W. Hawkins Ferry Collection," inaugurating the Fall season.

Mr. Ferry is a descendant of a family prominent in Detroit's industrial and cultural growth for more than 100 years. His grandfather's home stood on ground where the present museum is built.

W. Hawkins Ferry's gifts to the museum range from the plastic sculpture "Space Modu-

lato" by Lazlo Moholy-Nagy, which he presented in 1946, to "Autoportrait II" by Joan Miro, a major acquisition first shown in The Detroit Institute of Arts during the dedication week of the South Wing. Other important contemporary gifts to the museum include sculpture—Jean Arp's bronze "Torso of a Giant," the gilded brass "Monogianted Surface in Space" by Max Bill, Germaine Richier's "Hydra," Julius Schmidt's untitled cast iron column faced with machinist-age metal, and an abstract bronze by Wessel Couzijn, "Guardian of the Night."

He has strengthened the museum's collection of contemporary paintings with the Franz Kline oil, "Siskind," another Miro painting, "Women and Bird at Night," "Orange Brown," by Mark Rothko, Clifford Still's "Painting 1951," and Victor Vasarely's "Eridan II."

W. Hawkins Ferry's grandfather, D. M. Ferry, came to Detroit in 1852 from New York State and, by 1867, had established the D. M. Ferry and Company seed firm, which developed into one of the largest in the world. The elder Mr. Ferry's son, Dexter M. Ferry, Jr., became director of several banks and a civic leader. He was president of the Detroit Museum of Art and of the Museum of Art Founders Society, and assisted in building the museum's collection of American 19th century paintings.

W. Hawkins Ferry continues this responsible interest in the growth of The Detroit Institute of Arts. He is a trustee of the Founders Society, an advisor to the City of Detroit Arts Commission, and president of the

Friends of Modern Art, a "special interest group within the Founders Society. He is also Honorary Curator of Architecture on the museum staff.

His residence in Lakeshore road is widely admired as a work of art itself, and as a setting and background for family heirlooms and his personal art collection.

Willis F. Woods, director of The Detroit Institute of Arts, lauded Mr. Ferry's achievements: "What he has done in unifying an architectural masterpiece with his collection of paintings and sculpture is an inspiration and a delight to many. Individuals who live with beautiful objects themselves, and share their pleasures with others, help importantly to create the ambience that makes a community stimulating and livable."

From Mr. Ferry's residence, the exhibition will present paintings by Richard Anuszkiewicz, Karel Appel, James Brocks, Willem de Kooning, Jean Dubuffet, Adolph Gottlieb, Grace Hartigan, Franz Kline, Fernand Leger, Conrad Marca-Relli, Pablo Picasso and Robert Rauschenberg and sculpture by Etienne Martin and Alberto Giacometti.

The catalogue is being printed in Berlin by Bruder Hartmann with a dozen color plates and numerous black and white illustrations. Mr. Ferry has written a revealing background essay, "My Motivations in Collecting," and Professor Joshua C. Taylor of the University of Chicago has contributed the introduction. The catalogue was edited and designed by William A. Bostick, administrator of The Detroit Institute of Arts.

Sandra Jean Fritsch Weds Mr. Wieland

Renaissance Lace Sleeves Accent Bride's Ivory Peau de Soie Gown; Couple Are Vacating in New England

Setting for the 5 o'clock ceremony Saturday at which Sandra Jean Fritsch, daughter of Mrs. Corfield Hannan, of Lennon road, and Homer C. Fritsch, of San Diego, Calif., and Donald R. Wieland, of East Jefferson avenue, exchanged marriage vows was Martha Mary Chapel, Greenfield Village.

The Reverend Ben L. Tallman officiated at the rites, which were followed by a reception at Dearborn Inn.

The bride chose a gown of cameo ivory peau de soie, featuring an Empire bodice styled with Renaissance lace sleeves and waistline detailing, and a chapel train.

A Watteau bonnet of matching lace, fashioned with a silk

braid-circled open crown, held her tiered illusion veil. She carried a nosegay of white Sweetheart roses.

Honor attendant Susan Tyson and bridesmaids Lynn Kitzul and Cheryl Zawadzki were gownned alike in floor length frocks of fuschia satin and ceru filet lace, banded in Valenciennes lace. They wore head circlets of pink silk, and car-

ried blending carnation topiary balls.

The bridegroom, son of Mr. and Mrs. Robert W. Wieland, of Bonn, Germany, asked Thomas Crawford to act as best man. Ushers were Kenneth Smith and Edward Kuclemba.

Mrs. Hannan chose an oyster white crepe costume for her daughter's wedding and the reception.

The bridegroom's grandmother, Mrs. Howard R. Wieland, of Allison Park, Ill., wore a turquoise ensemble.

The newlyweds, vacationing in New England, will return to make their home in East Jefferson avenue.

Park Garden Club to Meet

The members of the Grosse Pointe Park Garden Club will meet on Monday, October 10, at the home of Mrs. Clarence W. Treadwell in Sheldon Road.

Following a 12:30 o'clock luncheon Mrs. Kenneth Patton, the newly-elected president, will preside at the business meeting.

Other officers elected for the 1966-67 season are Mrs. John A. Herrmann, first vice-president; Mrs. Joseph V. Carr, second vice-president; Mrs. B. F. Martin, treasurer; Mrs. H. Sanborn Brown, recording secretary; and Mrs. Emil Lellich, corresponding secretary.

The program will be the first in this year's theme "Michigan, My Michigan." Warren Petersen, horticulture foreman of the Detroit Department of Parks and Recreation, will speak on "Trees, Shrubs and Flowers of Michigan—for the Birds."

Donovan-Moore Betrothal Told

Mr. and Mrs. H. Ford Moore of Manchester boulevard, announce the engagement of their daughter, Janet Sue to F. Brock Donovan.

Mr. Donovan is presently in the United States Air Force and is stationed at Selfridge Field. He is the son of Mr. and Mrs. Donald G. Donovan of Clarendon Hills, Ill.

The wedding will take place June 10, 1967.

Many Pointers Have Reservations For Bob Newhart's First Night Appearance At Athletic Club Tomorrow

Bob Newhart's coming to the Detroit Athletic Club, so nothing more need be said to warn people about what a smash hit the Club's opening night of the season will be on Friday, October 7.

On hand for the advent of this funny, funny man, who has won the coveted Academy of Television Arts and Sciences' Emmy, appeared in numerous night-clubs and movies and joined others in a Royal Command Performance before the Queen in London's Palladium will be a full house of DACers and their guests.

Among the lucky ones with reservations are Judge and Mrs. Carl M. Weideman, the Walter Schweikarts, Mr. and Mrs. Carl Schweikart and Mr. and Mrs. Alfred Munderloh, a group of neighbors joining forces for the evening.

Mr. and Mrs. Harrison T. Watson have invited the Alvan Macaulays, Jr., and their daughter Mary to be their guests along with the Watsons' son and his wife, Dr. and Mrs. Charles Watson.

Josiah Harmer DAR Will Meet For Tea

Tuesday Musicale Plans Program, Tea

Group To Have 82nd Birthday Party Tuesday, at Lakeshore Road Home of Mrs. Joseph B. Schlotman

Tuesday Musicale members will gather for their annual Associate Membership Musicale and Tea at the home of Mrs. Joseph B. Schlotman in Lakeshore road Tuesday, October 11 at 2:30 o'clock.

The entire membership of the Tuesday Musicale is invited as guests of Mrs. Schlotman to this 82nd-year birthday party. At least one prospective member is the "ticket."

Mrs. John W. Nelson, of Washington road, Associate Membership chairman and chairwoman for the day, with Music committee members Mrs. Berj H. Haidostian, Mrs. Yevok Kavafian and Mrs. Kenneth S. Person, has planned a program of voice and instrumental ensemble music.

A Villa-Lobos "Suite for Voice and Violin" will be performed by Rosemarie Murch, mezzo-soprano, and Peruz Kavafian, violinist. Bettejane Crossen, trombonist, with Cecelia Mahoney and Lucille Zocharski, violinists, will do "Sonata a Three" by Biber.

Closing the program will be the Mozart "Serenade No. 6" for Double String Quartet.

Church Women Plan Luncheon

The Episcopal Church Women of St. Michael's Church will gather for a luncheon at the Church next Tuesday, October 11, at 11 o'clock. Reservations may be made by contacting the Church office. Sitter service is available.

Luncheon reservations for the East Side Convocation meeting, scheduled at 10 o'clock in the morning October 24, at St. Michael's, should be made through the Church office by October 20. Sitter service for this meeting is also available.

played by Peruz Kavafian, Cecelia Mahoney, Jean Nosco and Menota Pollock, violinists; viola players Judith Culler and Margot Krumel; Grace Kanopka and Ruth Yzquierdo, cellists.

After the Musicale in the ballroom, members and guests will move to the Great Stone Hall and dining room for a social hour.

Presiding at the tea tables will be Mrs. Philip C. Baker, Mrs. William Buchinger, Mrs. Harry J. Chapman, Mrs. Frank W. Coolidge, Mrs. Sixten Ehring, Mrs. Kurt Keydel, Mrs. Andrew L. Malott, Mrs. Eari G. Meyer, Mrs. J. Gilbert Reid, Mrs. Frank G. Shaub, Mrs. Harry W. Taylor and Mrs. Adolf Widmann.

Hostesses will be Mrs. Arthur Axford, Mrs. John M. Chase, Mrs. William P. Chester, Mrs. Kenneth C. Costley, Mrs. Vernon Cox, Mrs. Harold S. Davis, Mrs. George Grenke, Mrs. W. Richard Jeeves, Mrs. Robert L. Kaiser, Mrs. Alfred Lindbloom, Mrs. Alfred D. Moran, Mrs. Mary I. Purcell, Mrs. Flavio Vanicelli and Mrs. Thomas I. Young, all members of the Associate Membership Committee.

Mrs. Sol Q. Kesler, president of Tuesday Musicale, will be there to greet the guests, and Mrs. V. Everett Kinsey, of Bedford road, will be on hand to accept dues of the "welcomed listener of good music" in the Associate Membership of one of the oldest music clubs of professional and non-professional women in the United States.

Slate Fox Creek Quester Meeting

Members of the Fox Creek Chapter of Questers are gathering this afternoon, at 1 o'clock, at the Fairford road home of Mrs. Elving Anderson, for their first meeting of the 1966-67 season.

Assisting Mrs. Anderson as co-hostess will be Mrs. Melvin Block, who is serving as the Chapter's program chairman.

New officers for the coming year are Mrs. Edward C. Nevegold, president; Mrs. John Lee Thompson, vice president; Mrs. Thomas N. James, secretary; Mrs. Franklin Willson, treasurer; and Mrs. Harvey Burr, historian.

A Sample Of Treasures From Yesterday

Photo by Eddie McGrath, Jr.

In a little more than a month, on Saturday, November 12, the 19th Annual Antiques Market and Sale, sponsored by the Junior Group of Goodwill Industries, will open with an Invitations Preview in Goodwill's Brush street, Detroit, building. The more than 200 women planning the affair have already begun to "think antiques." Fascinated by samplers are MRS. HENRY PETRI, (left), of Handy road, and MRS. JOHN A. MOEKE, of

Stephens road, showing two examples of the needlework to young CYNTHIA MOEKE. The one held by Mrs. Petri was done in 1820 by a 10-year-old girl. Mrs. Moekle is explaining to her daughter that the sampler she is holding was done by a nine-year-old girl in 1816, and that young ladies of that era embroidered. (How many little girls today can even sew on a button?).

Cunninghams Travel Abroad

Marilyn Eneix Willis and Marcus Eddy Cunningham were married in the Chapel of Kirk-in-the-Hills, Bloomfield Hills, at noon Saturday, October 1.

The Reverend Harold C. DeWindt, pastor of Kirk-in-the-Hills, and Doctor Frank Pitt, Pastor Emeritus of the Grosse Pointe Memorial Church, officiated at the ceremony.

The matron of honor was Mrs. Doris M. Redies of New London, sister of the bride. Theodore W. Cunningham, of Pittsburgh, Pa., brother of the bridegroom, acted as best man.

Immediately following a small family reception at the Oak Hill Estate, Brady lane, Bloomfield Hills, the couple departed for an extended wedding trip to Spain, Italy, France and England.

The bride is a graduate of the University of Michigan and a member of Alpha Phi sorority and the Fine Arts Society of Detroit.

She is the daughter of Mrs.

F. C. Eneix, formerly of Merriweather road, now of Birmingham, and the late Mr. Eneix.

Mr. Cunningham is the president of Cunningham-Limp Company, international design-engineering building firm headquartered in Birmingham. He is a graduate of Yale University and a member of the Yale Club, Bloomfield Hills Country Club, Oakland Hills Country Club, Recess Club and various engineering societies.

The bride wore a gown especially designed by Ferdinand Sarmi, of New York, a fitted costume of champagne Chantilly lace, its jacket and hemline.

Her tiny coronet was trimmed in matching lace, and the lace motif was repeated on her small, jeweled purse and shoes.

The bride's going-away outfit was a beige lightweight wool dress with a three-quarter length coat, both trimmed in honey-beige Persian lamb, and a matching fur hat.

MSU Russian Expert Will Address AAUW

Dr. Leroy G. Augenstein, Chairman of Biophysics Department, to Talk on Education Behind Iron Curtain

The Grosse Pointe Branch of the American Association of University Women has announced that its first speaker this fall will be the well-known professor and chairman of the Michigan State University Biophysics Department, Dr. Leroy G. Augenstein.

Husbands and friends of members are invited to hear Dr. Augenstein Friday, October 21, at 6:30 o'clock, dinner in the Reception Room of the Grosse Pointe War Memorial.

Those unable to attend the dinner are invited to hear the lecture, titled: "Education: Opportunity and Obligation Behind the Iron Curtain."

Dr. Augenstein has traveled extensively behind the Iron Curtain and will discuss his experiences and impressions of Soviet education. He delivers about 120 public lectures per year on various aspects of science and is a research specialist for MSU "Great Issues" TV series.

A well-known writer, Dr. Augenstein edited the proceedings of two international symposia on "Biological Effects of Radiation;" coedited with R. Mason and M. Zelle a review series "Advances in Radiation Biology;" and has written scores of articles on science and ethics in professional journals and popular publications.

His professional experience in-

cludes service on the U.S. Atomic Energy Commission, 1958-60; and service as science coordinator, U.S. Science Exhibit, Seattle World's Fair, 1961. His career at MSU began in 1962.

Dr. Augenstein received his B.S. degree in 1949 from the University of Chicago; his M.S. in 1954 and Ph.D. in 1956 from the University of Illinois.

Reservations are necessary to attend the dinner. They may be obtained by calling Mrs. G. A. Kuechenmeister, 886-0341, or Mrs. Robert Jessup, VA 1-5561, before noon, October 18, (indicate choice of fish or meat).

Party Scheduled At St. Ambrose

The St. Ambrose Altar Society is sponsoring a card party and fashion show October 20, at 7:30 o'clock in the evening, at the Parish Hall, corner of Hampton and Maryland roads.

Reserved tickets, at \$1.50 each, may be obtained by calling 822-6155.

Schedule Dinner Before Opera

An invitational dinner at the Recess Club Monday, October 10, will serve as a prelude to the opening performance of the Metropolitan Opera National Company at the Fisher Theater. MRS. HUGH C. DALY, (left), of Edgemont Park, and MRS. WILLIAM M. WALKER, JR., of Ellair place, neighbors who have long been active in the Detroit Grand Opera Association, local sponsors of the Metropolitan, are pictured as they check the list of dinner invitations.

Symphony Sets World Premiere October 6-8

The world premiere of Detroit Symphony Orchestra member Harold Laudenslager's overture, "The Strait," will be conducted by Sixten Ehrling on Thursday and Saturday, October 6 and 8, at 8:30 o'clock in Ford Auditorium.

On the same program pianist Malcolm Frager will perform the Schumann Concerto for Piano and Orchestra in A minor, Opus 54.

The concert will begin with Mozart's Overture to "Don Giovanni" and close with Carl Nielsen's Symphony No. 4 ("The Inextinguishable"). The Symphony will be giving its first performance of the Nielsen work, which was written in 1916.

Laudenslager, a resident of Birmingham, has been a violinist with the Symphony since 1951. "The Strait," written in May, 1963, is derived from the composer's impressions of Detroit.

Harold Laudenslager was born

in New Haven. He first studied music at Olivet College, from which he was graduated in 1941. At Yale University he studied composition with Quincy Porter, Richard Donovan and Paul Hindemith, receiving his Bachelor of Music in 1949 and his Master of Music in 1950.

He later studied conducting with Fritz Mahler at the Juillard School of Music and with Jean Fournet at the Paris Ecole Normale de Musique. Returning to the States, he studied musicology at the University of Michigan.

Laudenslager's music has been performed by such organizations as The University of Michigan Woodwind Quartet and the Memphis Symphony Orchestra, as well as the Detroit Symphony Orchestra.

Malcolm Frager, the young American pianist who is making his third appearance with the Detroit Symphony Orchestra, has won both the Edgar M. Leventritt Award (1959) and the

Queen Elisabeth of Belgium National Music Competition (1960).

When he first appeared with the Symphony in 1958, he had already won the Prix d'Excellence at the American Conservatory in Fontainebleau, France, the Michaels Memorial Music Award, Chicago, and the International Competition at Geneva. Later that same year he received the National Career Award of the Society of Arts and Letters in Los Angeles.

Frager has toured extensively in seven countries in South America and 16 countries in Europe. In 1963 he travelled to the Soviet Union, playing 25 sold-out concerts—11 of them in Moscow.

He will be re-appearing with Ehrling and the Detroit Symphony in Hartford, Boston, Worcester and New York during the Orchestra's forthcoming eastern tour, which begins October 17.

MEDICINE CHEST "LEFTOVERS"

There's but one good place in the home for "leftovers." That's the refrigerator—and the "leftovers" should be foods, not medicines.

Medicine chest "leftovers" are risky at best and often downright dangerous. The medicine your physician prescribed a year or so ago was intended to be used then, not now. Avoid serious danger—dump old medicine at once.

Each illness requires a scientific diagnosis—and, usually, specialized medicine is indicated.

See your physician. Let him decide what's best. Call on us to provide your medication.

Slate Dinner Before Opera

Added luster to the appearance of the Metropolitan Opera National Company at the Fisher Theatre the week of October 10 is promised by the announcement of two social events.

The first will take the form of an invitational dinner at the Recess Club Monday, October 10, prior to the opening night performance of "La Traviata," the first of the four operas which will be offered in seven performances during the week.

The dinner, according to Mrs. William M. Walker, Jr., of Ellair place, general chairman of the Detroit Grand Opera Association, will honor the Consular Corps of Detroit and the Metropolitan officials accompanying the National Company.

"Because of the truly international character of grand opera, we could find no group more exemplary of this than the Consuls representing the

various nations in Detroit," says Mrs. Walker.

The dinner, a black tie affair, will be limited to 150 couples. Two weeks before the opening, Monday, September 26, members of the Outstate Committee met for tea at the home of Mrs. M. M. Burgess, of Bloomfield Hills. Mrs. Burgess is co-chairman of the Outstate Committee, together with Mrs. Harry Anderson, of Ann Arbor.

Representatives of 21 outstate areas planned activity to bring persons from the entire state into Detroit to attend the National Company performances, which are sponsored by the Detroit Grand Opera Association.

New Leader for Wayne Women

Newly-elected president of the National Council of Women of Wayne MRS. ALEXANDER J. WESCOTT, (left), of Devonshire road, accepts the gavel from retiring president MRS. ROBERT JONES, of Fairway drive. Mrs. Charles Huber, of Lakepointe avenue, who is president of the Grosse Pointe Alumnae Club, and Mrs. Edward Szymanski, of Williams court west, will be the area's representatives to the National Council

which meets at Wayne State University. Besides working toward the University's Centennial Celebration in 1968, the Women of Wayne are offering for the first time an Incentive Scholarship for Part-Time Women Students. This scholarship for mature women was made possible by the Grosse Pointe Club's generous initial contribution of \$400. Serving on the Scholarship committee is Mrs. Lee S. Allen, of Moross road.

Romney-Griffin Dinner Tonight

Excitement continued to build for hundreds of metropolitan Detroit area residents as the date for the Romney-Griffin Bandwagon Ball drew near. Some 3,000 persons are expected to turn out for the Thursday, October 6th affair, to be held in Cobo Hall beginning at 6:30 p.m.

Considered to be one of the primary social functions of the year, the fund-raising event (\$100-a-plate dinner or \$125 per couple) will feature music by the Glenn Miller Orchestra.

Entertainment for the gala evening will be provided by Eddie Allyn and Joan Shepherd.

A minimum goal of \$200,000 has been set for Southeastern Michigan's only major fund-raising project this fall, according to Jack I. Sliker, Jr., executive director of the United Republican Fund, which is handling the dinner-dance arrangements.

Among those who will attend from the Grosse Pointes are the C. M. Boutells, William J. Young, Jr., John D. Benfield, the Dwight Havens, Jr. Perham Stangleys, William L. Darby, Gilbert H. Whelden, and the Addison E. Holton; who will attend with a number of friends. Mr. and Mrs. LeRoy B. McInally will be on hand, as will Hans Gehrke, Jr., David M. Sutter, the T. F. Russells and E. F. Wambolds, also Mr. and Mrs.

Paul A. Duker, Mr. and Mrs. Gerald W. Chamberlin, the Robert B. Semples, the Alfred B. Morans, the Wendell Andersons, Jr., and the Jack A. Tompkins.

From the Shores, the Robert D. Kemps will attend, as will the George DeClerks, Marvin R. Andersons and Thomas S. Dimonds, and Rex L. Broph, as well as the Robert H. Downens, Frank Sheldon and Miss Hilary Whittaker.

The John W. McEachrens from the Woods will be on hand, also Stuart E. Davison, John F. Abelli, Ralph J. Ladd, Otto I. Boekle and Benjamin A. Capp. Mrs. Horace E. Dodge in the Farms has made reservations for four as have the Horace C. Fords and others include Mr. and Mrs. Harry R. Fruehauf, Jr., the Edward Cyrs, James E. Fitzgeralds, Dexter Ferry, Roy D. Chapin, Jr., and the J. W. MacLeods, also Henry Forcier and John H. Wetzel.

Other Pointers include the W. G. Strawbridges, Oscar A. Markus, the Daniel W. McKinleys, L. E. Johnsons and Mr. and Mrs. Malcolm J. Sutherland, and the William A. Walkers. Also Bert Cremers, Ford Ballantyne, Jr., Elijah G. Foxson, Jr., the James H. Quelles, Paul D. Richmond, Guy L. Ireland, Mr. and Mrs. David Robb, H. W. Mellens and George N. Carletons, and Jack L. for its first public showing. Illness necessitates that the original owner sell this comfortable home. Its room arrangement allows it to satisfy the needs of those wishing basically one floor living, or those who must have 4 bedrooms and 2 baths. Off the kitchen you'll find a large new terrace which overlooks the small private backyard. If you're a widow, a couple, or a family be our guest this Saturday at 1645 Ford Court.
