PRESIDENT JOHNSON asked Congress on Wednesday night in his state-of-the-union address, to enact legislation "to free our gold reserves." If the legislation is passed the United States would no longer have to maintain a 25 percent gold cover on federal reserve notes. This action would free the entire gold stock of the U.S. Administration officials said the strength of the economy does not depend on gold but on industrial growth, and that "the gold bar economy is obsolete."

THE AMALGAMATED TRANSIT Union, Division 26 (AFL-CIO), union for the DSR bus drivers, pleaded with the DRS Commission Wednesday to withhold service from areas where juveniles harass and intimidate drivers. The request was made by union president Kerchel Schwartz. Commission president Paul C. Ackerman said an immediate meeting would be arranged between DSR, the Wayne County prosecutor's offices and police to explore means to combat holdups and harassment.

GENERAL WILLIAM WEST-MORELAND said Wednesday that the communists "seem to have temporarily run out of steam," as the ground war in South Vietnam went through another of its periodic lulls. He added that he expects "a resurgence of enemy initiatives just before or after the Vietnamese lunar New Year on January 30."

THE UNITED STATES and Russia announced agreement Thursday on the preliminary draft of a treaty banning the spread of nuclear weapons. The U.S. officials said that a final workable treaty could take as long as two years but they expressed pleasure that for the first time, such an agreement between the world's two greatest nuclear powers contained safeguards against nuclear cheating.

THE STORY out of Pennsylvania of six college students being blinded by the sun while on an LSD trip was revealed Thursday as a hoax made up by the state commissioner for the blind, Dr. Norman Yoder. Dr. Yoder, according to information revealed by Governor Raymond F. Shafer, has been suspended. Yoder told Shafer that he made up his story out of concern over abuses by young people of mind-expanding drugs. Dr. Yoder is blind.

THE UNITED AUTO WORKERS accused General Motors Thursday of blocking local contract settlements at two Chevrolet plants by pulling divisional level bargainers out of the talks. The union alleged that the move was part of a GM plan to strikes in some key facilities by slowing up the bargaining. GM denied the charges.

Saturday, January 20

PRESIDENT JOHNSON announced Friday that he was appointing Clark M. Clifford Secretary of Defense to replace Robert S. McNamara. Clifford is chairman of the President's Foreign Intelligence Advisory Board. He is a native of Fort Scott, Kan., and is 61 years old.

A THIRD KEY General Motors foundry was struck by the United Auto Workers Friday over the issue of six-minute wash-up time before lunch. The union, which has accused GM of provoking the strikes to cut large Chevrolet inventories, warned the "disastrous policy" was leading to massive layoffs in GM.

GREECE'S HEAVILY-CENSORED press has accused the American Embassy in Athens of having engineered King Constantine's abortive attempt to topple the military regime. The afternoon paper Estia based its accusation on an early morning meeting December 13 between U.S. Ambassador Phillips Talbot and Constantine at Tatoi Palace near Athens just before the king took off for northern Greece to proclaim his counter-revolution.

Appearing in the drama, "The Dark at the Top of the Stairs", Grosse Pointe Theatre's production opening Friday evening at Fries Auditorium, are (from left) AL BERTEEL, PAUL BAUHOF, ARTHUR BROWNELL, and ANNE MARTIN. The play runs January 26, 27, 28 and February 1, 2, 3.

Junior Aides Class Draws 15 HS Girls

Take Courses Enabling Them To Help Patients And Staff In Nursing Homes

By Pepper Whitelaw

Grosse Pointe High School prides itself in offering to its students courses and training that will prepare them either for college or for employment upon graduation.

An unusual course currently offered at the high school is a Pilot Program for Junior Aides taught by Mrs. Carolyn Scarborough, Homemaking Co-ordinator and Innovator.

Mrs. Scarborough spent a good part of her spare time last year investigating courses that might be offered to the non-college-bound girl. After a series of discussions with different groups and a consultation with the school nurse, Mrs. Dorothy Wendt, she came up with this pilot program that is being offered for the first time this year at the high school.

Her class has 15 senior girls who elected this 20-hour course. Five of the hours a semester are spent on the job and five in the classroom.

15 Taking Course

The girls attend classes until 1:25 then leave for their respective jobs in one of the five local nursing homes that are licensed and approved. The girls work in the homes from 15 to 33 hours a week. Here they have an

Grosse Pointe Theatre Opens Second Production Of Season Friday Evening

"The Dark At The Top Of The Stairs" Being Presented In Fries Auditorium Six Times; Number Of Students In Cast

The Grosse Pointe Theatre will open its second production of the season, "The Dark at the Top of the Stairs" on Friday evening, January 26, at Fries Auditorium. The play, a provocative drama by William Inge, is scheduled for six performances, January 26, 27, 28 and February 1, 2, and 3.

Featured in the cast is Arthur Brownell of Lochmoor boulevard as Rubin Flood, a mid-western harness salesman whose livelihood is threatened in the 1920's by the rising popularity of the "horseless carriage." Mrs. Raymond Trudel of Fraser is cast as Cora Flood, his wife.

Students Have Parts

The role of their young son is played by Paul Bauhof, a fifth grade student at Richard School, the son of Mr. and Mrs. Richard Bauhof of Rivard boulevard. Anne Martin of Hampton road, a Grosse Pointe High School sophomore, plays Reenie Flood, their teen-aged daughter.

Also in the cast are Grosse Pointe High junior, Beth Seder of Rivard boulevard, Al Ber-teel of Warner road and Kurtis Yeager, a fourth grader at Maire, son of Mr. and Mrs. Robert Yeager of Yorkshire road.

Others are Helen Nadell and Don Wennst of Detroit, Kim Pitts of E. Detroit, Ed and Terry Cable of Roseville.

Friedrich Is Director
Directing the GPT production is Ronald Friedrich of Detroit, formerly of Rivard boulevard. Mr. Friedrich has been a member of the theatre group for four years, served as vice-presi-

dent for the 1964-65 season. Though this is his first major directorial task for the GPT, he has an impressive background in theatre work including several years touring with the Princeton Triangle Club, a group that writes and produces original shows.

It was while he was an undergraduate at Princeton University that Mr. Friedrich enjoyed a brief introduction to William Inge during a pre-Broadway tryout of "Bus Stop," another well known work by the sensitive playwright.

Park Grocery Store Invaded
Park police are positive that a very small person broke into the grocery store at 15134 Mack avenue, owned by Mrs. Pauline Tulumello of Detroit. The belief is based on the fact that such a person squeezed between very narrow window bars, after breaking a window pane.

The burglary was reported by Mrs. Tulumello on Tuesday, January 16, who told Det. James LaPratt that the incident occurred between 7 p.m. on January 12 and 12 noon on January 16, when the break-in was discovered.

LaPratt said that the thief exited the same way he entered the building, by squeezing through the bars. It is possible that the thief had an accomplice waiting outside, he added.

An inventory disclosed that the thief, or thieves, took eight bottles of Dumont champagne, 17 cartons of assorted cigars, eight Zippos lighters, a carton of expensive cuff links and matching the clasps, four six-packs of beer, and \$32 in cash from the cash register.

Two full six-packs were later found in an outside trash can at the rear of the store building, it was said.

LaPratt said that he is hopeful that someone might have knowledge of the break-in, or possibly someone trying to sell the champagne or cigars. Any information will be appreciated, and the informant's name will be kept confidential. Any one having information can reach LaPratt at VA 2-7400, the police station number.

Hit-Runner Touches Off Long Chase

Culprit, Driver Who Witnessed Crash and Woods Police Participate; Saturday Hearing Set

Woods police participated in a chase through city streets on Sunday, January 21, when they saw two automobiles traveling at more than the legal speed limit. It was revealed later that one of the drivers, an eye witness to a hit-and-run accident, was trying to apprehend the hit-runner.

Cpl. Donald Collins and Patrolman Lee Cochill, while on routine patrol, said they saw the cars traveling south on Mack, and that both drivers made a prohibited left turn from Mack onto Vernier road, east bound. The policemen gave chase.

The officers said that both cars turned south onto Sunningdale drive, but because they did not know the circumstances, why one driver was chasing the other, Collins and Cochill radioed their station to disclose they were in pursuit.

Awaits Officers
The driver of the rear car, on observing the police vehicle, pulled over to the curb in front of 20263 Sunningdale drive, to await the officers. Collins was dropped off to question the motorist, identified as Charles R. Eberwein of 20619 Sunnyside, St. Clair Shores, and Cochill continued the chase.

Eberwein said he witnessed the driver being pursued, later identified as Thomas C. Kerwin, 21, of 667 Washington, slide into a parked car at Mack and Hawthorne. The auto, registered to Robert A. Kaye of 1444 La-Chene, Warren, was damaged on the right front bumper and lights. Eberwein said he saw Kerwin back off, and drive away, and he gave chase.

In the meantime, Cochill chased Kerwin to Lochmoor and Mack, where Kerwin drove through two flashing red lights without stopping. At this point, the policeman said, he turned north on Harper to the Country Club road bridge, turned left, and crossed over the bridge, disregarding the stop signs there. Kerwin was traveling at 50 miles an hour, it was said.

Kerwin then turned left, going (Continued on Page 3)

Park Councilmen Elated Over Costs Of Pool Project

Surprisingly Low Interest Rates Asked By Bidders For Bonds For Recreational Improvements; Estimated Prices Shaved

The Park council was elated by the low interest rate submitted by potential buyers of \$570,000 General Obligation Recreation Improvement Bonds, authorized by the city taxpayers last September, and approved by the Municipal Finance Commission in Lansing earlier this month.

Four Michigan banks and one from Chicago submitted bids for the purchase of the bonds, based on the amount of interest they would charge for the 20-year life of the issue.

The low rate of interest quoted by the institutions, amazed the members of the council, and Farms City Attorney George McKean, who represented the Park as its bond counsel, and who told the council that considering the bond buying market of the present day, the low interest quotes speak well for the Park.

NBD's Bid Lowest

The bonds were sold to the National Bank of Detroit, which submitted the lowest interest bid, 3.9537 percent, or a charge of \$264,665, over a 20-year period.

The other banks, and the interest they offered to charge, are: Michigan Bank, 4.51567 percent; Northern Trust Bank of Chicago, 4.42385; City National Bank, 4.53325; and First of Michigan Bank, 4.5607.

Mayor Matthew Patterson said that the low interest fees speak well for the integrity and financial standing of the Park, and indicated that these banks, especially the Chicago institution, trusted the financial soundness of the city.

The members of the council concurred with the mayor's and McKean's statements, and without hesitation approved a resolution, recommended by McKean, to award the sale of the bonds to the National Bank of Detroit.

Symphony Plays Concert Sunday

The Grosse Pointe Symphony will play its second program of the season on Sunday afternoon, January 28, in Parcels School Auditorium, Mack at Eight Mile road. Tickets are available at the box office.

This week Director Felix Resnick will present the Grosse Pointe Chamber Singers and classic guitarist, Gonzalo Torres. The program offers an interesting variety.

Mrs. C. Dale Barrett and Miss Cecilia Olschetsky are the Symphony's Reception Committee co-chairmen. Assisting them on Sunday, when audience meets soloists for cakes and coffee and conversation, are Mrs. Daniel Knott, Mrs. William Innes, Mrs. George Levette, Mrs. Albert Teetzel, Mrs. Clark Wells and Mrs. Walter Bruczyk.

Farms Sets Informational Meeting for Taxpayers

An informational meeting to explain how city taxpayers are affected by the State Equalized and the County Equalized Property Assessments, will be held this evening, January 25, in the Farms council chambers, 90 Kenby road, at 8 o'clock, it was disclosed by Farms City Comptroller-Assessor Carrol Lock.

Lock said that there are only 50 seats available in the chambers, and if the session draws more people than expected, he will schedule another meeting.

He said the purpose of the meeting is to explain what is expected from the State and County assessors, and how the local assessor figures in the assessment of property.

There will be a questions and answers period, Lock said, to explain to those who want further clarification on how the equalized property assessment affects them.

Reassessment May Produce Added Funds

Might Not Be Necessary To Ask For Entire 7.5 Mills Designated In Election Proposal

At a special meeting held Monday night, the trustees of the Grosse Pointe Board of Education took an important step to clarify the relationship between pending reassessments of property and the February 26 millage and bond issue for the public schools and libraries.

By resolution each trustee indicated his individual approval to the position taken by Mrs. Hykes in the following letter:

"When the Board of Education passed a resolution calling for an election for February 26 to seek authority to levy additional operational millage of 7.5 mills, the trustees did so after carefully studying estimated budgets for the coming two years, which showed a probable deficit of \$5,100,000. The additional tax proposal is based on the school district's present State Equalized Valuation of \$347,911,000.

"Since we took action on December 18, we have learned of the possibility of an increase of the total State Equalized Valuation of taxable property within the school district. This increase has been estimated to be from 8-10 percent. However, a successful election on February 26 does not mean that the Board of Education must levy the 7.5 mills thereby authorized.

Precedents Cited
"Indeed, on at least two occasions in the recent past the Board has not levied all it was authorized. For example, in 1963-64 the rate was reduced from 11.25 to 10.25 mills for operation because sufficient revenues were available to meet the schools' needs. And, in 1960-61 Wayne County allocated to us 8.80 mills, but the school system levied only 8.40 mills.

"I wish to make absolutely clear my position, which is shared unanimously by the other six trustees, that the Grosse Pointe Board of Education should, in the event of such an unexpected increase in the total assessment base of the school district, levy only such taxes as are required to meet the necessary demands of the operating budgets tentatively proposed for the next two years."

(Text of letter ends.)
"The Grosse Pointe Board," said President Hykes, "like so many others throughout the state and nation, is faced with serious future financial problems unless additional funds are provided.

Difficult To Predict
"Although the schools embarked on a program of long-range financing in 1959, which was renewed in 1963, the present economic spiral, the growth of the school system, and the passage of collective bargaining laws for public employees, are all factors that make it extremely difficult to predict future budgets.

"For example, the schools' operating budget for 1968-69 has been estimated at \$12,644,000 and for 1969-70 at \$13,850,000. Mr. Hykes said that the increases are due to normal salary adjustments caused by the negotiation process, by increased costs of instructional supplies, and by the cost of opening North High School."

Further light was shed on the complexity of school finance by Ray MacArthur, Director of Business and Finance. He indicated that all tax statements now show the State Equalized Valuation instead of Local Assessed Valuation.

Conversion Factor
"Until the present year a conversion factor has been applied to the amount of the Local Assessed Valuation to compute the State Equalized Valuation," Mr. MacArthur said. He urged residents who are comparing tax rates to be sure to compare last year's State Equalized Valuations with this year's State Equalized Valuation, rather than with the Local Assessed Valuations.

Although the reassessment process has not yet been completed (Continued on Page 2)

May Cut School Tax Levy

(Continued from Page 1) pleted, some community officials have estimated that the total State Equalized Valuation of property within the school district could be raised from \$347,000,000 to \$382,000,000. Because any adjustment in the amount of the possible State

Equalized Valuation is not yet known, the trustees are unable to determine the necessary rate to be applied to produce the total levy required. Such information is generally not available until late spring, too late for actual planning and many important decisions. Not the least of these is the hiring of additional teachers and contracting with present staff for the 1968-69 school year. This must be done as early this spring as possible.

Michigan States string of 16 straight Big Ten football victories in the 1965, 1966 and 1967 seasons was one short of the all-time high of 17 by Ohio State (1954-56).

opportunity to apply what they have learned in class.

Through the use of demonstrations and transparencies, as well as their regular workbook, the girls learn how to conduct themselves in the nursing home, how to write up reports on patients that might be of help to the nursing staff, to observe lack of appetite or any unusual conditions, as well as how to feed the patient, how to teach the patient to feed himself, how to make beds, assist patients into wheel-chairs, take temperatures and the care of linen supplies.

Mrs. Scarborough said that they do things in class that they need to know on the job. She adds that her girls can be "the eyes, ears, hands and feet of the director of nurses."

Visited Many Homes Before Mrs. Scarborough could set up this course she spent many hours visiting approved nursing homes and lining up future job possibilities of the girls. She still spends a good part of her time in this capacity. She follows up her job placements with personal consultations with the girls and their employers, the health administrators.

The students are graded on their work in the classroom and on the job. The course has no homework . . . the girls' homework is their jobs.

Mrs. Scarborough's classroom is equipped with hospital beds, bedside tables, thermometers, and other miscellaneous sick room equipment that the girls learn how to use.

Learn About Routines

In the classroom and on the job the girls learn about routines and procedures in nursing homes and upon graduation have a good background for further training as practical nurses or nurses. Many of Mrs. Scarborough's students plan to acquire their Practical Nurses Licenses or become registered nurses.

James Carlin, Sr., of the Belmont Nursing Home, uses some of Mrs. Scarborough's students in the home. He is all for this type of program and said that he would do anything to encourage youngsters to follow the nursing profession. He said the girls he employs are well received by his staff and that they are attentive, eager to learn, and a welcomed addition to his staff.

This Pilot Program for Junior Aides is financed under the Vocation Act of '63 - Wage Earning Program.

Pool Project

(Continued from Page 1) in both this park and in the Three Mile Drive Park, and other improvements at both sites, the council awarded a contract to Henry C. Huvaere and Sons, Incorporated, to remove a six-inch water main from the site of the old swimming pool along the beach of the Waterfront Park, to a new location in the park. The company offered to do the job for \$3,470, the lowest bid submitted.

Further good news was given to the council at the Monday night meeting, when W. E. Edwards, civil engineer, who designed and is supervising the construction of the swimming and wading pools, disclosed that the city will save more money, by a change in a contract to construct the two wading pools.

More Good News

Edwards said that the original estimated cost of these pools was \$3,000 each, if done by a general contractor, including the installation of filtering systems.

He said that Paddock Pools, Incorporated, which has the contract to build the swimming and wading pools has the necessary equipment and material to put in the wading pool filters, and will do a complete job at the Three Mile Drive Park for \$1,760, and at the Waterfront Park, for \$1,960. This was approved by the city body.

In another phase of work at the Waterfront Park, Henry C. Huvaere and Sons, offered to pay the city \$400, for the right to fill the old swimming pool and the old marina with excavation fill dirt. These sections will be developed as an addition to the picnic and recreation area of the park. The council accepted the offer.

Police Arrest Gun Toter After Reported Bar Clash

John W. Cochran, Jr., 21, of 2610 Hooker, Apt. No. 5, Detroit, a Negro, was arrested by Farms police officers on Sunday, January 21, and charged with carrying a concealed weapon. A revolver was found in his coat pocket.

According to an official report, Patrolman James Morgan and Philip Miglio, while on patrol, had just turned from north on Moross to east on Mack, when they were hailed by several persons at the Standard Service Station, at the southeast corner of the intersection.

The policemen said that when they drove into the station, they were notified by Lawrence DeMeyer of 7295 Dogwood, Lexington, that a "man said he had been shot."

Morgan and Miglio said they investigated the report, and found that Clarence Spearman, 24, of 1228 Drexel, Detroit, a Negro, had been shot in the left hand; a bullet had hit his ring finger. He was on his way to St. John Hospital for treatment.

Spearman said that he was in a Kercheval avenue bar in Detroit, when an unknown white man threatened to shoot him, and when he tried to pull the gun from his pocket, the weapon discharged and the bullet hit him in the finger.

Roger Lee Hoffman, 24, of 405 South National street, Howell, a white man, who was with Cochran and Spearman, said the pair approached him as he walked past the bar, and asked to be taken to the hospital. The three got into Hoffman's car, which was parked nearby.

Hoffman said that as he approached Mack, on Moross, he had a flat tire, and he stopped at the service station to have it repaired, and before he knew it, the "place was full of cops." The City had dispatched a car

to the service station, in case of need.

Morgan and Miglio said they asked Hoffman, Cochran and Spearman what happened to the gun from which the bullet had been fired. The officers said they observed Cochran place his hand in his right coat pocket, as though trying to conceal a telltale bulge, and searched him.

The patrolman said they found a .25 caliber Beretta automatic in Cochran's pocket, and confiscated the weapon, and placed him under arrest on a charge of carrying a concealed weapon. The policeman said that the gun was loaded, except for one chamber which had a spent shell.

On the seat of the car in which the trio was riding, the officers said, they found a clip for the automatic, containing five live shells.

Morgan and Miglio said that at the station they made a check of files of State Police, and found that Cochran had no permit to carry the gun, nor was the gun registered.

Det. Joseph Miller said that a warrant was obtained from the Wayne County Prosecutor's office on Sunday, January 21, and Cochran was arraigned at a special hearing the same afternoon before Farms Municipal Judge Robert Pytell, who set examination date for yesterday, January 24, and released Cochran on a \$500 bond.

south on Hunt Club drive, where he finally pulled over to the curb. Cochill ordered Kerwin and a male passenger out of the car. Both were placed under arrest. A Harper Woods police crew, summoned to assist Cochill, aided in taking the pair to the Woods station.

The passenger was released after questioning, but Kerwin was issued a violation ticket for reckless driving. He posted bond of \$100, pending a court hearing scheduled for Saturday, January 27, and was released until that time.

Pointers Named Charter Members of U-D Cabinet

Eight charter members of the newly-organized University of Detroit President's Cabinet are from the Grosse Pointe area.

They are: James T. Barnes, Hugh J. Ferry, Arthur G. Kirchner, Jr., David T. Marantette, J. Frank McGough, Brian T. O'Keefe, Roger J. Rinke and B. J. (Pete) Wemhoff.

In announcing the appointments, the Very Rev. Malcolm Carron, S.J., U. of D. president, explained that these members "will work with other distinguished alumni and friends in finding resources necessary to take advantage of the many opportunities to advance higher education."

The cabinet will conduct an annual awards dinner to honor those who have played an important part in maintaining the highest ideals of the American way of life.

The Cabinet, organized this year, will meet annually on campus to discuss with the president and other officers the status of the University and to make recommendations for maintaining its position of excellence.

Mr. Barnes is a past president of the Detroit Mortgage Bankers Association, a member of the Mortgage Bankers Association of America and a member of the Michigan Bar Association. He is a U. of D. Law School graduate, class of 1942. He and

his wife, Patricia, and their three children reside in Grosse Pointe Shores.

Mr. Ferry was with Packard Motor Car Co. from 1910 to 1960, beginning as assistant paymaster and rising to the position of president and chairman of the board. He retired in 1960. Mr. Ferry lives at 344 Neff road.

Mr. Kirchner, a U. of D. alumnus, in his position as general sales manager directs field sales operations, dealer development activities, distribution and market analysis and various service activities on a national scale for Dodge Sales Division of Chrysler Motors. He lives with his wife, Lorraine, and their five children in Grosse Pointe Woods.

Mr. Marantette, 30 Oxford Road, Grosse Pointe Shores, is former president and chairman of Michigan Colleges Foundation, director of the United Foundation, served on the advisory board of Catholic Social Services of Wayne County, council member-at-large of Boy Scouts of America and a sustaining member of the Catholic Youth Organization. He is an alumnus of the U. of D.

Mr. McGough is a U. of D. alumnus who retired a year ago and lives at 1246 Harvard road.

Mr. O'Keefe took his undergraduate degree from the U. of D. College of Commerce and Finance in 1950 and his law degree from the U. of D. Law School in 1952. He is a member of the American, Michigan, and Detroit Bar Associations, the Detroit Board of Commerce, the Michigan State Chamber of Commerce and many other civic associations. He and his wife, Rose Ann, live with their nine children in Buckingham road.

Mr. Rinke serves on the National Dealer Council for Cadillac Motor Car Division of General Motors, is a past director of the Detroit Auto Dealer's Association and a member of the Michigan Auto Dealer's Association. He is a director of the Warren Chamber of Commerce, a member of the St. John Hospital Guild, and the Grosse Pointe Crisis Club. A U. of D. alumnus, Mr. Rinke and his wife Doloris, and their four daughters live at 54 Woodland Shore drive.

Mr. Wemhoff, a U. of D. alumnus, is a director of Mechanical Mailing, Inc., and a member of the Detroit Board of Commerce, the Economic Club, and a past president of the Detroit Aircraft Club. He is president and publisher of Automotive News.

State Explains New License Law

The Pointe police chiefs feel that the following information would be of great interest to Pointe motorists who drive motor vehicles for a living, and therefore, must obtain chauffeurs' licenses, which are renewable annually.

From Ray Whalen, director of the Driver Examination Division of the Secretary of State's Office in Lansing, comes the subject of the validity of expired chauffeurs' licenses, sent

to all Driver License Examiners throughout the State, as well as to all police agencies:

This is to emphasize the language of Section 314 of Act No. 300, Public Acts of 1949, which has been amended as follows:

Every chauffeur license will expire on the licensee's birthday each year unless suspended, or revoked prior thereto, and shall be renewed annually at any time within three months prior to the expiration date and

upon application for a new license as provided for in this chapter and payment of the fee required by law. Licenses issued prior to January 1, 1968, shall be valid until the 1968 birthday of the person to whom issued.

Whalen further explained that if a person presents a chauffeur's license that was issued prior to January 1, 1968, he shall be advised that the license will continue to be valid until his 1968 birthday, and that he may not apply until within three

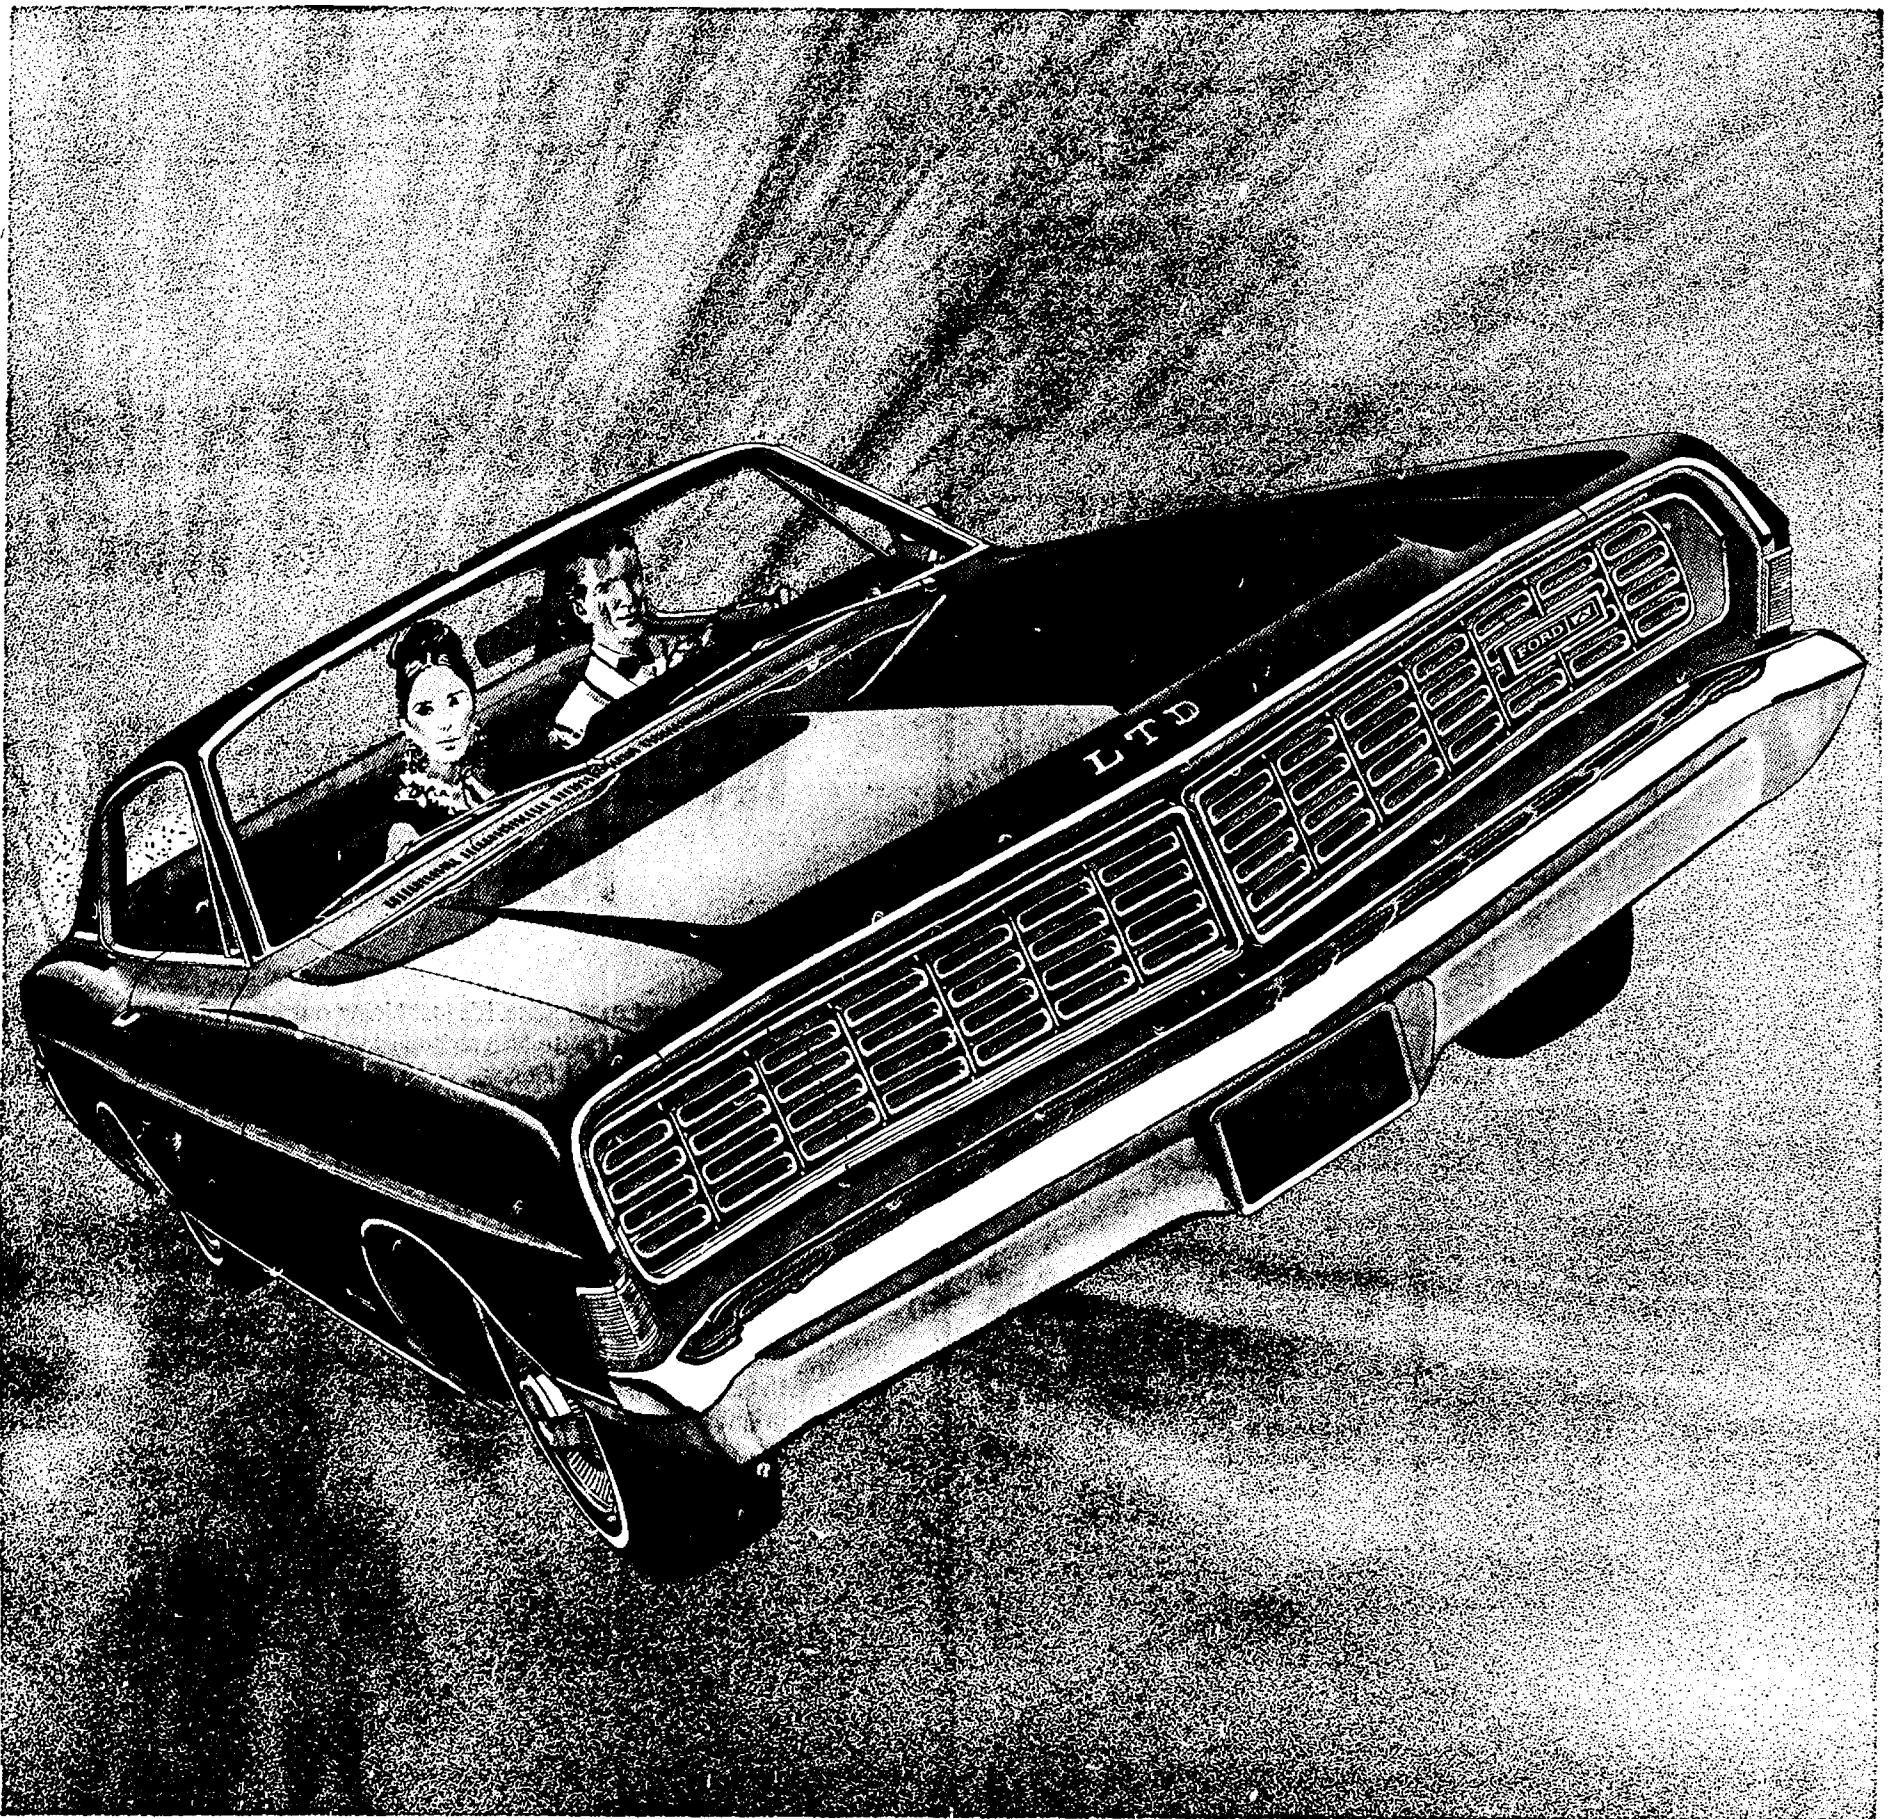

months of that date.

For example: a chauffeur's license is issued on January 2, 1967, and the licensee's birthday is December 24, 1968. The license continues valid until December 24, 1968. The licensee may apply within three months prior to that date for renewal.

Another example. Because the law became effective on January 1, 1968, a person who had purchased his license, say on November 1, 1967, and his birthday falls on April 1, 1968, that person must apply for a new chauffeur's license.

Ford LTD, XL, Country Squire... for people who don't want to pay extra for disappearing headlamps.

Don't spend a cent until you've seen Ford LTD, XL and Country Squire. All three give you disappearing headlamps and die-cast grilles at no extra cost—the only cars in their class that do! Elegant outside. Elegant inside. Three of the quietest-riding Fords ever built. See the man with better ideas...your Ford Dealer.

FACTS ABOUT THE 1968 FORD

The LTD, XL and Country Squire are the only cars in their class with strong die-cast grilles and hidden headlamps as standard equipment. The LTD comes with a 302-cu. in. V-8 with options up to a 428-cu. in. V-8. Other LTD options include an exclusive split full-width front seat with either half individually adjustable. There's

a choice of 12 interior trims, including the special luxury of an optional Brougham Interior.

Better ideas like these continue right through the entire 21-car Ford line: Power front disc brakes at no extra cost when you order power brakes • Ford's exclusive push-button tuning when you order AM radio/Stereo-Sonic tape • An

optional Convenience Control Panel with lights that warn you if your brake is on, a door is ajar, and to remind you to fasten your seat belt • A 2-way Magic Doorgate and rear pillar air deflector on all seven Ford wagons • Choice of formal or fastback styling on Galaxie 500 2-Door Hardtops • An optional automatic ride control system

• A 7-position Tilt Steering Wheel and other exclusive options • Ford's famous Twice-a-Year (or 6000-mile) Maintenance. And to top it all, one of the world's smoothest, quietest rides—proved year after year in tests against some of Europe's most expensive cars. Test-drive a new Ford and see for yourself.

Non-Lethal Weapon at Ready

Every police officer of the Farms Department now carries a chemical weapon, besides his regulation sidearms, the first Pointe area law enforcement agency to be so equipped. The chemical, Liquid CN, is designed for the complete and humane control of violent situations, when and if a policeman is attacked. The chemical renders the attacker helpless for up to 20 minutes. Taking part in a mock demonstration of the chemical, are: PATROLMAN VINCENT PETERS, in plainclothes, and PATROLMAN THOMAS KELLY.

The Farms Police Department is the first Pointe area department to completely arm its officers with the chemical MACE it was disclosed by Chief Jack F. Roh on Monday, January 22.

The chemical comes in a little container that fits easily in the hand, and is used to subdue violent persons, rendering them helpless for as long as 20 minutes, thereby permitting police officers to handcuff these persons without harming them.

The chemical also minimizes or eliminates the use of sidearms, clubs or blackjacks by policemen, the chief said.

Every officer in his department is presently carrying a container of the chemical, Chief Roh said, which if they ever have to use it will give the officer complete and humane control of violent trouble makers, without resorting to physical force or lethal weapons, on or off duty.

The chemical is correctly known as Liquid CN — Federal Mini-Streamer, developed by the Federal Laboratories, Incorporated, of Saltsburg, Pa., and can only be purchased by law enforcement agencies or police officers, it was said.

The chemical is instantaneous, causing profuse tearing and temporary loss of vision, is effective from 15 to 20 minutes, and has a range of from 12 to 14 feet.

Its heavy accurate stream resists blowback in wind; will not contaminate area, and meets all Government regulations, in that it is clinically safe.

The chemical contains harmless ultraviolet dye that fluoresces under long range "black light." The dye is impervious to soap and water for 48 to 96 hours, and can be an important aid in identification, Chief Roh

Anti-Riot Bill Introduced

State Representative Joyce Symons, of Allen Park, Thursday introduced a bill in the Michigan House of Representatives that would allow municipal governing bodies to enact ordinances authorizing chief executives to declare a state of emergency in the event of civil disorder.

The bill would permit the top official of any city, village, township or charter township to impose curfews and prohibit the sale of alcoholic beverages, firearms and ammunition.

Mrs. Symons declared that last July's riots in Detroit gained momentum while Mayor Jerome P. Cavanagh, of Detroit; Governor George Romney and President Lyndon B. Johnson were deciding who should take action first. She said the bill would eliminate much confusion over who has authority to move against a civil disorder.

Farms Police Chief Roh Gives Views on Marijuana

Rumors have been circulating in The Pointe for some time on the use of marijuana in the area. This week the NEWS received a letter, written by one of those courageous persons who refuses to sign a name, alleging that marijuana was used extensively in The Pointe.

The NEWS has interviewed various law enforcement officers, educators and students in The Pointe, among them Police Chief Jack F. Roh, of Grosse Pointe Farms. Some of his comments follow.

"It is nothing but pure stupidity for adults, in some instances even educators, to make claims that they feel the smoking of marijuana should be legalized. There is no doubt that smoking marijuana leads a person into the use of more abusive and addictive drugs. I will admit that the use of marijuana is not addictive, but we do not know how persons who use marijuana will react. In some, it may bring on violence, in others an abnormal sexual urge, and in others suicidal tendencies.

"The use of drugs such as marijuana and LSD is something like hiding behind the barn and smoking . . . law enforcement officers cannot be behind every barn, so therefore we need the co-operation of educators, parents, the clergy and students. However, it seems to me that the only people who are actually interested in this problem are the police.

"We published in the NEWS information that we had a list of 200 suspected or alleged users of marijuana and LSD in the Wayne County area. We also said at that time that any parent, if they had any suspicions, could come into the station in person to see if their child's name was on our list and we would be more than happy to confidentially disclose that information. Only four parties came into the station.

"In the Farms we have had several mothers with daughters who attend Grosse Pointe High School inform us that their daughters and friends of their daughters have made buys in the Prentiss street district and in one instance a buy at Grosse Pointe High School. Although they seemed concerned about this, they failed to allow us to interrogate their daughters."

(Detroit Police recently raided an apartment on Prentiss street and found two pounds of marijuana, suspected LSD and a variety of other pills.) "Due to the Supreme Court ruling on interrogations, and the Supreme Court ruling on Search and Seizure laws, it is difficult for us to obtain the evidence needed for prosecution.

"When we do get enough evidence for prosecution and make an arrest, due to the leniency of the courts and in some instances, due to the lack of strict prosecution, it is my personal opinion that we lose the impact of the seriousness of this type of crime, especially when the so called "goody boys and girls" are just slapped on the wrist.

"There is no question in my mind, or I feel in the mind of

any other professional police officer, that the use of narcotics in any form leads to nothing but two paths . . . crime or death. "I know there are users of LSD, pep pills, and marijuana of high school age in Grosse Pointe Farms. Currently we have a list of 20 to 25 alleged users of high school age. "Pot parties" are going on. There is no question in my mind that some of the accidents this past year were due to narcotics rather than alcohol."

Chief Roh cites the incident of a Detroit girl, who after smoking marijuana, thought she was a bird and jumped from the upper floor of a hotel to her death.

Chief Roh concluded by saying "The Farms Police are on an all-out drive for the arrest and complete prosecution of anyone selling or using drugs of any kind."

Ronald A. Patek Given Citation

Ronald A. Patek, of 1590 Ford court, was recently presented with a Department of the Army outstanding performance certificate accompanied with a quality pay increase.

Mr. Patek was recognized for his outstanding performance in the development of a Republic of China tactical vehicle production study and his professional leadership in the direction of other significant international vehicle programs.

Mr. Patek is Director of International Logistics for the U.S. Army Project Manager, General Purpose Vehicles located at the Michigan Army Missile Plant, Warren.

NO POLIO SINCE '63 For the fourth straight year Detroit had no reported cases of polio, announced Dr. John J. Hanlon, Detroit health commissioner. The last reported cases of polio in Detroit date back to 1963. There were two that year, five reported cases in 1962 and nine each in 1961 and 1960.

QUESTION:

"Where can I get the highest interest on bank savings in Detroit?"

ANSWER:

At Michigan Bank. We pay 5% interest on time savings over \$1,000.00. Since this interest is compounded daily and paid four times a year, you earn the highest interest in dollars and cents at Michigan Bank. Interest is paid every three months by adding to your time deposit passbook, credit to your regular savings passbook or by check, sent to your home.

Michigan Bank National Association certificate of deposit for \$10,000.00, dated October 1, 1966. Includes a passbook showing interest accruals.

THIS IS THE HIGHEST RATE THAT FEDERAL LAW WILL ALLOW ANY BANK TO PAY (except on certificates of \$100,000 or more) AND IT'S AVAILABLE RIGHT NOW!

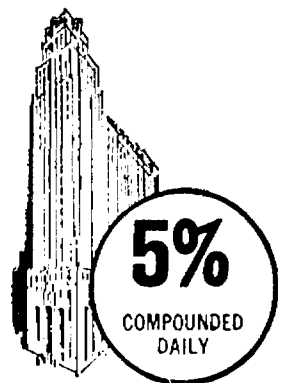

ACT NOW! Compare the interest you are now receiving on your savings at other financial institutions. Bring in your passbook and in a few short minutes you will be earning 5% compounded daily and paid quarterly with the safety and peace of mind that only a bank can provide!

Automatically renewed at every 90-day maturity unless you or the Bank have given notice that the time savings certificate will not be renewed.

Table showing compounding effect: Effective Rate of 5.1% When Held 12 Months; Effective Rate of 5.5% 46 Months; Effective Rate of 6% 90 Months.

Young GOP Club Holds Meeting

The first meeting of the year of the 14th District Young Republicans held at the Warren headquarters on January 18, featured Henry Sladek, chairman, Wayne County Republican Committee, who was introduced by Bob Reuther, program chairman.

Mr. Sladek spoke on the role of the YRs in the coming elections. He urged Young Republicans to actively support Republican State Representative candidates, told of the intrigue behind the sheriff's race, and said positions of responsibility were open in campaign organizations for YR involvement.

Introduced were the new officers elected at the December 7 meeting. They are: Martin Brennan, president; Rosemary DuMouchelle, vice-president; Betty Ballard, treasurer; Louise Warnke, corresponding secretary; and Philip Dulmage, recording secretary by appointment.

Committee chairmen were also announced. They are: Jack Monahan and John Flis, social; Terry Davis, membership; Philip Dulmage, publicity; Edgar Smith, campaign; Bob Reuther and Dave Martin, program; Byron Bischoff, education and research; and Louise Warnke, newsletter.

Representing the 14th District YRs at the State Board meeting were Martin Brennan, Bob Reuther, Martha Chamberlin, Terry Davis and Rosemary DuMouchelle. Others attending were Walter Koppy, Byron Bischoff, and Norman DuMouchelle. The meeting was held January 19-21 in Traverse City.

Honored

Gust Dahlen, of 1068 Devonshire road, has been chosen as the Lutheran Layman of 1968, and will be honored with a testimonial dinner on Wednesday, February 7, by the Lutheran Luncheon Club of Detroit.

Mr. Dahlen is a charter member of Immanuel Lutheran Church, Chandler Park drive at Dickerson, Detroit, where he has been an active lay leader for over 50 years in all areas of congregational life: youth work, church school, church council, many building and other special committees as well as the men's brotherhood organization.

Also, the Layman of Year 1968 is president of the Executive Board of Lutheran Social Services of Michigan (formerly Lutheran Charities) which operates homes for the aged, chaperone service and adoption agencies in Detroit, Grand Rapids and Saginaw.

Mr. Dahlen has also served his church at the state, regional and national levels as a former member: Executive Board of the Michigan Synod, Lutheran Church in America; Executive Board of the Central Conference (Michigan, Indiana, Illinois, Wisconsin) of the former Augustana Lutheran Church; Executive Council of the former Augustana Lutheran Church (national level); and was a lay delegate to the Constituting Convention of the Lutheran Church in America in 1962.

Gust Dahlen was born in 1898 in Sweden and came to Detroit in October, 1916, where he has lived for the past 51 years. In 1925 he married Ellen Johanson, also a native of Sweden. The Dahlens' four children are Carl, Eleanor Barker, Birgit Hopkes, all living in the Detroit area, and Joanne McBryde of Grand Rapids.

Mr. Dahlen's business interests are many and varied embracing enterprises in Illinois and Michigan producing tools, dies and forgings for the automotive and aircraft industries.

Reservations for the Layman of the Year dinner, which will be at The Harmonie, 267 East Grand River, at 7 o'clock on February 7, may be made by calling Lutheran Center, 588-0100.

Guy Palazzola Giving Lecture

Professor Guy Palazzola of the University of Michigan will give a lecture demonstration on "Modern Painting" on the stage of Grosse Pointe War Memorial's Fries Auditorium Wednesday evening, February 7 at 8 o'clock.

Professor Palazzola is one of the most respected and renowned members of the University of Michigan's Art faculty. He has won many awards for his paintings which hang in major collections both public and private.

Modern painting is a complete enigma to many. For that reason, Professor Palazzola has perfected his lecture-demonstration technique to both tell and show exactly what modern painting is all about and to point out that modern painting is not all of the abstract school. His lecture-demonstrations have been so popular and effective that television has made use of his services as often as they can persuade him to spare the time.

This educational program is offered at the Center for \$1 admission. Tickets are on sale in the Center's office.

HP Police Jail Wanted Driver

Highland Park Police called the City of Grosse Pointe police on January 17, to inform them that they had in their jail William Stephens, 370 Pilgrim, Highland Park, who was wanted by City of Grosse Pointe police on an outstanding warrant for traffic violation.

Stephens received a violation from the city of Grosse Pointe police on May 22, 1967, for driving 45 miles an hour in a 35-mile zone on Jefferson avenue. Stephens did not appear in court.

The Highland Park police jailed Stephens Wednesday because he was unable to pay his \$100 fine for driving without an operator's license. He is spending 20 days in jail. After this sentence he will be turned over to the City of Grosse Pointe police.

Library Offers Family Movies

Family Film Nights are held on the first Friday night of each month at 6:30 and 7:30 p.m. in the Exhibition Room of the Central Library. The next one will be on Friday, February 2, and families are urged to attend these showings as a group. The programs have been designed to include something of interest for boys and girls, as well as adults and this month's promises to be especially entertaining and informative.

French Diplomat To Speak Here

M. Gerard de la Villesbrunne, Counselor at the French Embassy in Washington will give a lecture entitled "The Evolution of France in the Changing World" at the Grosse Pointe War Memorial on January 30 at 8:15 p.m.

This lecture has been organized by the Alliance Francaise in Detroit, but it is open to the general public, and everyone who understands French and is interested in France is warmly invited to attend.

Gerard de la Villesbrunne has, since 1961, held the position of Counselor at the French Embassy, in charge of Information and Public Relations. A warm friend of the United States, he was a French liaison officer to the American Army in 1944.

Before coming to the United States M. de la Villesbrunne held various positions in French Foreign Embassies in Vienna, Rio di Janeiro and in Managua, Nicaragua. From January 1959 to March 1961 he was a Special Assistant on General de Gaulle's Staff.

He is anxious to clear up the misunderstandings which are obscuring the traditional friendship between France and the United States and it is anticipated that the lecture which he will give at the Grosse Pointe War Memorial on January 30, at 8:15 p.m. will enable his listeners to better understand certain aspects of French policy.

Teens to Help March of Dimes

Thousands of teens in Wayne County, volunteers for TAP (Teen-Age Program), members of the National Foundation—March of Dimes, will be at busy intersections and shopping places Saturday, January 27, from 10 a.m. to 4 p.m. to sell lapel tabs to raise funds for the fight against birth defects.

This task force has been recruited under the direction of Mrs. Charles Dawood, Grosse Pointe Park, chairman of the tri-county March of Dimes Women's Advisory Committee, and veteran teen program fundraiser (Alsac) in the area. With the cooperation of CKLW Radio and TV, and Robin Seymour, a March of Dimes teen headquarters has been set up at 16647 East Warren, Detroit. Teens who wish to take part in this community service can volunteer for assignment by phoning 884-9330.

Pointers Named DAC Directors

Three Pointe men were among the six nominees from a slate of 12 candidates elected Tuesday, January 16, to serve on the board of directors of the Detroit Athletic Club. All will serve for a term of three years.

They are William M. Walker, Jr., 815 Ellair, general manager, United Motors Service Division, General Motors Corp.; Carl Johnson, 15725 Windmill Pointe drive, vice-president, advertising and public relations, Parke Davis & Co.; and Malcolm L. Denise, 1 Stratford place, vice-president, labor relations, Ford Motor Co.

The other new directors are William A. Prew, of Birmingham, president, Allied Underwriters, Inc.; Joseph H. Carey, of Detroit, secretary-treasurer, Kelsey-Hayes Co.; and Fred H. Rollins, Jr., of Birmingham, president and general manager, Rollins Furs, Inc.

The newly elected board members were to meet with the full directorate at the DAC Friday evening, January 19, to name the Club's new officers for 1968, after which the annual formal stag dinner for past and present directors was to be held in the Club's Georgian Room.

Serving again as assistant secretary and comptroller, respectively, will be Marian E. Marshall and Robert W. Stocker.

To Cue Parents On High School

Parents of boys and girls in the eighth and ninth grades at Pierce Junior High School will have an opportunity to learn about the senior high school curriculum when they attend a special meeting in the Pierce auditorium at 8 p.m. next Thursday, February 1.

Four members of the staff of Grosse Pointe South High School will present pertinent information about course offerings. Led by Jerry Gerich, the principal, the group will include Frances French and John Thursby, assistant principals, and Robert Hansen, guidance director. Robert Welch, assistant principal for instruction at Grosse Pointe North High School, will also attend to assist in the program.

After the auditorium presentation, parents will be invited to meet in smaller groups with the Pierce School counselors, Frances Gillis, Susie Hollins and Howard Poe, for questions and any further discussion.

Refreshments will be served in the gym following the meeting. Mrs. George Lauth and Mrs. Arthur Hummel will head the Hospitality Committee in charge.

Sgt. Mast Quits Woods Post; To Head Force in Clinton

Woods Police Sgt. Jack Mast, a veteran of more than 15 years with the Public Safety Department, resigned from the force, effective February 1, and will become the first police chief of Clinton Township on that date.

The township has never had a police force of its own, and is presently receiving the services of the Macomb County Sheriff's Department and the Michigan State Police.

Mast was appointed to the Woods Department of Public Safety on September 20, 1952, and elevated to the rank of sergeant in December 1962. During that time, he was in charge of the Traffic and School Safety Bureau for five years, was in command of the Auxiliary Police for two years, charged with the auxiliary training and assigning of duties.

He also served a total of two years as command sergeant of the Detective Bureau.

Mast competed with 19 other aspirants for the Clinton Township post, in a written examination given by the Michigan Municipal League last November 27. The sergeant finished at the top, and was one of five to appear before the Oral Examination Board. He was one of two men who passed this test, receiving the highest grade.

On January 17, Clinton Township Supervisor Robert Ryan notified Mast that he had been selected to be the township's first police chief and to report for duty within 30 days. Mast then submitted his resignation from the Woods.

Mast said he was advised by the entire Township Board of Trustees, through Township Clerk James Walker, to organize and provide the citizens of the community with the best qualified men, and the most efficient police department possible.

As the Township's first police chief, Mast will have to locate a suitable building for a headquarters, recruit police officers to service the 30-square mile community, and to obtain proper equipment pertinent to

the furnishings of the department. Woods City Administrator Chester Petersen said that he was sorry to see Mast leave the department, but was happy to see him advance in his chosen profession.

"I like to feel that the training and experience that Sgt. Mast received during the years of working for Grosse Pointe Woods, warrants his advancement to that of a chief of police," Petersen said. "Mast is energetic and ambitious, and got results in whatever assignment he was given. The City of Grosse Pointe Woods feels honored that it can produce a candidate from its police ranks to become the head of a department in another community."

Director of Public Safety Allen Andrews had this to say: "We are losing one of our most aggressive and competent men. He is a hard worker and always gets results. Clinton Township is getting a good police chief, and his colleagues in the department, and know he will succeed in its organization."

Both Petersen and Andrews said that the fact that Mast was picked to become the head of another department, reflects great credibility on the Woods and the Department of Public Safety. Both said they wished him all the luck in the world.

Mast is married to the former Mary Lou Eldridge of Detroit. Their home is at 2204 Roslyn, but they will be looking for a new residence in the Township.

The Masts are the parents of David, 17, and Richard, 15, both students at Grosse Pointe High School; and Steven, 13, a student at Parcels Junior High School.

Mast is the holder of two departmental citations, and a council letter of commendation for his police work.

Ministers Hold Annual Election

The Grosse Pointe-Northeast Detroit Minister's Association elected the following officers at its meeting on January 17:

President — Paul A. Winchester, Grosse Pointe Woods Presbyterian Church.

Vice-president — R. Larry Hawkins, Grace United Church of Christ.

Secretary — James Timmons, Immanuel Evangelical United Brethren Church.

Treasurer — James Parks, First Church of the Brethren.

No car on the road is safe unless it has a safe driver.

Double Parking Leads to Trouble

Alice Face, 107 Moran, was stopped by City police officer Dwight Scott, on Tuesday, January 16, for double parking in front of 16835 Kercheval. Mrs. Face produced a Michigan temporary drivers' license which had expired in November.

She was taken to City Police station where officers found that Detroit police had an outstanding traffic violation warrant against her. She was taken

to the Gratiot-Conners Police station by Detroit Police officer, John Coffee.

At the Gratiot-Conners station she posted \$20 bond and was released pending her court date.

The forestry and landscaping division of the Detroit Department of Parks and Recreation Department planted 1,240 new trees in Detroit last year.

Time's Scott Speaking Here

Time Magazine's Assistant Editor and Special Correspondent, John Scott, will speak on the "Economic and Political Implications of Vietnam" in Fries Auditorium, Grosse Pointe War Memorial, at 8:15 Monday evening, January 29.

He is coming to Detroit to address the Economic Club at noon on another subject and has consented to address Grosse

Pointers on this vital issue while in town.

After Mr. Scott has made his presentation based on on-scene observations and evaluations, the floor will be turned into an open forum where everyone will be encouraged to ask questions.

The general admission to this Vietnam forum is \$1.50, with student groups welcome at \$1. Tickets are on sale in the Center's office, 32 Lake Shore road.

(Continued from Page 1) means of financing anticipated as well as unexpected building needs over the years.

"The one mill levy will raise \$3,300,000 over a 10-year period. It will provide the Board of Education with much needed flexibility. I am convinced that we are doing the right thing," he concluded.

Mrs. Thompson told the delegates that mitigation for a building and site fund is a relatively inexpensive way to finance a limited program of expansion and additions because of its "pay-as-you-go" aspect which requires no interest.

"Recently we have seen the enrollment of the public schools increase from 300 to 400 yearly. The prediction for years to come is for an increase of 200 yearly.

Would Avoid Crises

"Approval of the building and site levy will permit the Board to solve housing problems before they reach the crisis stage," she concluded.

As he spoke about Proposition #3, the library expansion program, Trustee Calvin J. Sandberg urged passage of the issue as a wise investment in the total community. "Our interest in the libraries indicate our concern for continuing community-wide education," he said.

"The Board of Education is as sincerely devoted to the passage of Proposition #3 for the public libraries as it is for the other two proposals," Mr. Sandberg concluded.

Speaks for Libraries

Edward J. Pongraz ended the trustees' formal remarks on the need for the passage of the three ballot propositions with a statement on the library.

"The Park Branch in Pierce Junior High School was provided largely by federal PWA funds, Central Library was a tremendous gift of \$650,000 to the community, and the facility used by the Woods Branch at Parcels Junior High School is now badly needed for instructional purposes as we move into the middle school concept," he said.

"A community of our size, of our economic and educational level desperately needs expanded public library facilities," Mr. Pongraz concluded.

New State Gas, Weight Tax To Hike Pointe Fund Share

Michigan's more than 500 municipalities will receive an estimated \$21.3 million in additional revenue from the Motor Vehicle Highway Fund in 1968 as a result of the recently passed increases in the state gas and weight taxes, the State Highway Commission reported.

The Commission said the municipal share, totaling \$49.7 million in 1967, will increase to an estimated \$59.5 million in 1968, and an estimated \$71 million in 1969.

The five Pointes received actual revenue of \$434,416 in 1967; and will receive an estimated \$511,315 in 1968; and an estimated \$607,895 in 1969, it was disclosed. The estimates are based on predicted economic conditions and should be used with caution in preparing budgets and construction programs, the Commission warned.

The report showed that during 1967, The Woods received actual revenue of \$142,295; Park, \$117,828; Farms, \$100,447; City, \$54,541; and Shores, \$19,305.

In 1968, the Woods will receive an estimated revenue of \$167,509; Park, \$139,368; Farms, \$118,432; City, \$63,767; and Shores, \$22,250.

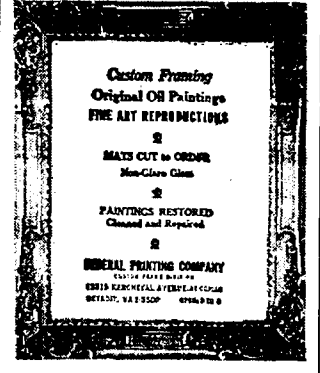

The 1969 estimates are: Woods, \$199,140; Park, \$166,032;

Farms, \$140,911; City, \$75,565; and Shores, \$26,218.

The county share, totaling \$96.8 million in 1967, will increase to an estimated \$105.4 million in 1968 and an estimated \$120.8 million in 1969.

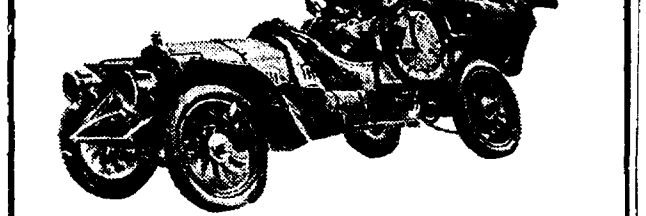

The State's share, totaling \$129.9 million in 1967, will increase to an estimated \$142.3 million in 1968, and an estimated \$163.4 million in 1969.

The governmental units will share nearly a full year of increased gas tax revenues this year. Weight tax increases take effect next November and the full amount is reflected in 1969 estimates.

THE CHRYSLER CREW HAS MORE THAT'S NEW!

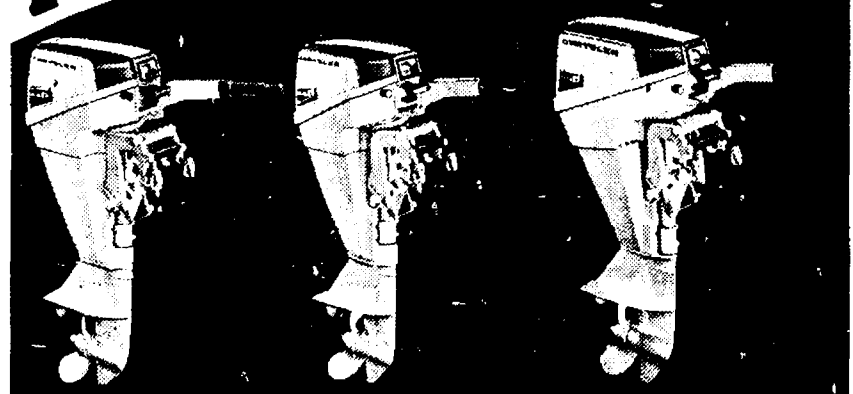

Brand new Hydro-vees!

23-foot Cruiser and 15-foot Utility join the "more fun per foot" fleet of Hydro-Vee boats.

Here they are! A brilliant new cabin cruiser for big family fun and a carefree new center-console runabout for every kind of wild water action! Both Hydro-Vees—Chrysler's new patented fiberglass hull design that combines flashing hydroplane performance with deep-vee stability. The *Commando 151* is the all-around runabout you've been waiting for—its center-console control, 151-cubic-foot hull, convenient seating and extra-safe Foam-Pac flotation make it a boat you'll love to own! The *Commodore 486* features cabin berths, marine toilet, stove, ice box in a roomy 486-cubic-foot hull. See Chrysler's full line of Hydro-Vees, fiberglass and aluminum boats in a new bold choice of dazzling sea-going colors! Whether your kind of fun is fishing, sailing, water skiing or cruising for family fun, Chrysler's got the right boat for you.

NEW FISHING OUTBOARDS!

All-new Lo-Profile outboards for fishermen; MAGNAPOWER ignition, too!

Now there are 14 Chrysler fishing outboards—from the 3.5 to the new Chrysler 20. All-new Lo-Profile 4.4, 6.6 and 9.9 offer many big-engine deluxe features: Full gearshift, Stowaway tiller, Weedless leg, No-trap exhaust, Manual, short- and long-shaft models. And that's not all! Chrysler's 75- and 105-hp. outboards now feature new MAGNAPOWER—the most advanced ignition system in outboarding—ensures easier starts and no-miss idling, prevents spark-plug fouling. See Chrysler's great new Action Line for 1968 at your Chrysler Marine Dealer's showroom. 35 models in all!

Fish across the stern with Chrysler's new Lo-Profile fishing outboards: Depth-minder drive adjusts prop to run in shallow waters. Spine drive prop ends shear pin changing forever! 9.9 available as Autoletric (electric start).

Meet the new "20"—the strong silent type in Chrysler's fishing outboard line. Newly styled, stronger and extra quiet. Four models available.

NEW I/O OPTIONS, TOO!
Here is Chrysler's new high-power, low-weight inboard/outdrive for 1968—the Chrysler 200, a compact 273-inch V-8. Chrysler offers custom power for every hull with a horsepower range from 80 to 300.

Police Chiefs Issue Warning On Two New State Statutes

The police chiefs of the five Pointes asked the NEWS to make public two new laws enacted by the Michigan Legislature in 1967, one of which went into effect last June 7 and the other on January 1 of this year. The first law affects ice fishing enthusiasts, who leave their fishing shacks on lake, or river, ice, and return to them daily. The police chiefs said that the statute mentions Lake St. Clair, but it pertains to all waterways within the State.

The law states that any fishing house, fishing shanty, or other structure, or shelter, placed on, or erected upon the ice of Lake St. Clair, or other waterways within the jurisdiction of the State of Michigan, shall be removed on or before February 15. All structures placed upon the ice thereafter, shall be removed daily.

The second statute, which was approved last June 21, and which went into effect on the first day of 1968, reads:

No person shall drive a motor vehicle on the highway, to the rear by looking backward from the driver's position unless such vehicle is equipped with a mirror so located as to reflect to the driver, a view of the highway to the rear of such vehicle.

In addition, all motor vehicles shall have a side view mirror so positioned as to give the driver a rear view angle from

the driver's side of the vehicle. Every commercial truck of half-ton capacity, or more, operating on the public highway of this State, shall be equipped with two mirrors, one on each side, so adjusted that the operator shall have a clear view of the highway behind such commercial vehicle.

It was pointed out that violations of either of the statutes will be considered misdemeanors, punishable by a \$100 fine, or 90 days in jail, or both.

WARN DRUNKEN JUVENILES

Two juveniles were taken to the City police station on Saturday, January 20, at 11:05 p.m. They were both intoxicated and causing a disturbance in front of the Neighborhood Club. The police were unable to locate the parents and took the pair home cautioning them to go directly to bed.

St. Paul Lakers Defeat Thorns

St. Paul's varsity basketball Lakers sought revenge when they played the Thorns of Sacred Heart, Friday, January 19 and were appeased with a 45-34 victory. (In their last meeting on December 1, Sacred Heart edged the Lakers 49-45.)

Jeff Pleen and Mike Corcoran each hit for 13 points to lead the Lakers to their fifth win in nine starts.

St. Paul paced Sacred Heart by only one or two points in the first half, leading 8-6 in the first period and 11-8 at half-time.

The Thorns pulled ahead by one point in the third quarter, but St. Paul easily regained the lead and dominated the boards 29-18 when the buzzer sounded.

St. Paul's Girls Still Unbeaten

Atop the Southeast Division with a 3-0 record, the St. Paul's girls basketball team in preparing to meet St. Thomas, Sunday at 3 o'clock at home. Last Sunday the Lakerettes handled the sturdy St. Philip Neri team with a 41-22 decision.

It was a very hard fought game, since both teams were in contention for the top spot their division, but a second quarter scoring rally by Jan Gilbert, Sue Smolenski and Karen Scheele put the game on ice for the Lakerettes.

Karen Scheele took the scoring honors with 19 points. Sue Smolenski played a fine defensive game and scored 9 points. Jan Gilbert had 8.

Pitchers are not the only ones who have their ins and outs.

Would-Be Thief Is No Juvenile

City Police said on Thursday, January 18, that the "juvenile" who accompanied James Johnson, 17, of 1621 Burlingame, Detroit, in the attempted theft from Cunningham Drug Store at 16941 Kercheval, on December 27, turned out not to be a juvenile at all.

The youth gave police a fictitious name and address as well as age when arrested. At that time he was turned over to Juvenile authorities.

City Police later were informed by authorities in Detroit that the youth's real name was Ronald McCalvin, 1621 Burlingame, Detroit, and that he was not a juvenile.

The youth was charged with attempted larceny and as a disorderly person. He appeared before Judge Douglas L. Peterson, on Wednesday, January 17, in City Municipal Court. He pled guilty and was found guilty and fined \$100 or 30 days and placed on one year's probation. He must pay the fine within a 90 day period.

Nature Film To Be Shown

Edward M. Brigham II will present his filmed nature story, "Around Michigan," to the Grosse Pointe Chapter of the Michigan Audubon Society and interested Pointers.

The showing will be on Monday night, January 29, in the Fellowship Hall of the Grosse Pointe Unitarian Church on Maumee, at 8 o'clock.

Photographing wild flowers, birds and insects in their natural habitats around Michigan for years has developed a sensitive and widely known skill in Ed Brigham. As part of this hobby, he is also vice-president of the Michigan Audubon Society. This public service activity fits in well with his vocation of biology teacher in the Flint School System.

Fire completely destroyed the home of Mr. and Mrs. Robert G. Wood at 1120 Torrey road on Saturday, January 6. A few days later the NEWS received a copy of a letter sent to Woods Mayor Kenneth McLeod by an aroused resident who had witnessed the efforts of the firemen attempting to extinguish the blaze.

NEWS Director of Public Safety A. H. Andrews and City Manager Peterson also received copies of the letter, and the requested reply has been furnished by Director Andrews in a lengthy report on the fire. The critical letter and Andrews' report follow.

Mayor Kenneth R. McLeod City of Grosse Pointe Woods 20025 Mack Ave. Grosse Pointe Woods, Mich. Dear Mr. McLeod,

At midday on Saturday, January 6, a ranch home on Torrey Road was destroyed by fire.

The dwelling was located thirteen twentieths of a mile (a little over a half mile) from the fire station.

The day was clear and the temperature was over twenty degrees—not within the range of dangerous freezing conditions.

As an insurance man, it is very hard for me to understand why this house should have been a total loss when the fire fighting conditions were as favorable as they were.

Other people along with me—especially those of us who are citizens of Grosse Pointe Woods—feel that there must be an explanation to the seemingly inept performance of the Grosse Pointe Woods Fire Department. One individual who happened to be on the scene throughout most of the fire mentioned to several of the crowd around him that the activities of our firemen reminded him of the Keystone Cop movies of the silent movie days.

The unfortunate part of this incident was that most of those who heard his comment agreed with him. A copy of this letter is being sent to the Grosse Pointe News and I suggest that you reply via that medium as I know that the explanation of this performance which took place last Saturday will be of great interest to many of our citizens.

Very truly yours, HENRY C. HOLLISTER

Re: Report 104-68 TO: The City Administrator FROM: Director of Public Safety SUBJECT: Fire Fighting Activities at 1120 Torrey Road on January 6, 1968—Report 104-68.

At 11:57 a.m. on January 6, 1968, this department received a telephone call reporting a fire at 1120 Torrey Road. The usual response of one engine and one ladder-engine truck was sent, with a lieutenant, a corporal, and six men. Upon approach, dense black smoke was observed coming from the house from under the eaves and out of the utility room door at the front of the house. A soft suction connection was made to the hydrant in front of the house and the nozzle entered the fire through the utility room door upon being informed by the owner that the fire was "right here in the den."

The room subsequently turned out to be the kitchen. Smoke was down within eight-twelve inches of the floor, the heat was unusually intense and the pre-connected flood light was useless in the smoke. The nozzle-man and his partner were unable to find the fire and were driven out the way they came in by the intense heat, even though wearing full firefighting gear and air masks.

Another Officer, taking a line around south of the house, encountered a chained and padlocked gate, shrubbery and a fallen tree branch frozen in the snow. The line was taken over the fence by an unknown citizen who was in the back yard; the Officer finally was able to climb the fence and applied the stream to the den—which was roaring with flame and smoke. As he did so, the family room burst into flame and he then applied his line to the family room, exerting some control but not being able to extinguish it.

The first nozzle team which had been driven out of the utility room took their line around the north end of the building, encountering a four-foot fence with angle wire on the top which they were unable to climb, and continued on around through a neighboring yard and climbed the back fence. They attacked the fire with their line and were subsequently joined by a 2 1/2" line from our reserve engine manned by Harper Woods firemen who responded on the second alarm. The 2 1/2" and two 1 1/2" nozzles at the rear were unable to suppress the fire sufficiently to allow the men to enter through the rear utility door, and entry efforts by Harper Woods firemen and our men were unsuccessful.

dwelling in his 21 years' fire-fighting experience with the department. Entry was made only a few feet in by crawling on the floor of the living room; no fire was seen and they were forced to retreat by the extreme heat. In this area the smoke was at floor level.

A ventilation attack was made at the north end of the main roof structure where there was no ventilation louver. The officers axed open approximately an 18" square opening and were directing a stream into the attic area without any apparent results, when flames coming out the rear windows and curving over the roof driven by the wind directly attacked them as they stood on the roof. They were forced off the roof by the flames and heat.

The fire was finally controlled when a large area of the central roof collapsed over the dining room and living room, providing direct access to the fire in the attic for the first time. The Snorkel had been elevated in expectation of the collapse and, after the collapse, applied from three to five hundred gallons a minute for a few minutes, suppressing the main body of fire, cooling the interior of the house, and allowing a successful attack on the attic fire over the bedroom wing. Residual fire and hot spots were extinguished throughout the roof and ceiling areas and attic in a long overhaul operation. One 2 1/2", four 1 1/2", two 1" with 1 1/2" nozzles and two 1" lines were used, totalling nine lines deployed. Manpower totalled 23.

The owner, who is a heavy smoker, had been working in the den at a desk along the north wall of the den. The den was paneled with 3/4" plywood with a tongue-and-groove pine

ceiling. On the desk was an open pint jar of rubber cement and two pressurized spray cans of highly flammable fixative. The owner states he left the room to bring his dogs into the house and, upon returning into the kitchen, smelled smoke which he did not find in the kitchen or dining room but located in the den. He saw open flame at the base of the north wall of the den where his desk was located. He stamped on the fire and his shoes and trousers caught fire causing him to remove his trousers and shoes, and he then attempted to beat the fire out with his trousers. (It should be noted here the probability that the rubber cement may have been spilled, which, being sticky and highly flammable could have adhered to his shoes and caused them to catch fire.)

After other firefighting efforts the owner called his department and then was able to remove two of his dogs from the dwelling. While trying to find the third dog he became lost in his home and finally found his way outside by kicking down the utility room door with his bare feet.

The owner states that after his firefighting efforts as he left the den to call our department, the room was burning fiercely and his drawing table resting on file cabinets in the middle of the room was burning freely. It is the opinion of this officer and members of the department that the owner expended a considerable period of time fighting this fire for temperatures to reach this point that a 3/4" plywood drawing board at desk level in the middle of the room would be ignited and burning freely.

The extreme damage to the dwelling was caused by the fact that a major attic fire was burning uncontrolled in a shallow attic over the entire main portion of the structure and that firefighters were not able to direct streams into this fire because of an intensely hot, well-advanced fire in at least two, probably three rooms below the attic.

The debriefing of personnel involved with the initial fire fighting efforts revealed only the usual, unimportant mistakes commonly experienced in fire fighting—none of which would, in my judgement, have affected the outcome or the loss in this firefighting operation. This large loss was caused by two of the most common reasons for large loss fires 1) delayed reporting to the fire department and 2) structural features unfavorable to fire fighting.

Specific obstacles to swift and successful fire fighting in this

fire were as follows: 1) The extended delay in reporting the fire by the occupant. We feel certain by the extraordinary amount of heat and smoke found upon arrival that the owner's fire fighting efforts took far longer than he realized. Several veteran officers remarked that they had never encountered such intense heat in a dwelling fire before. Two knowledgeable observers of the fire also made the same observation and indicated that the smoke and heat were very intense and that successful entry, which is the usual prerequisite to successful fire fighting, was not possible.

2) The north wall of the den, at which the fire started, consisted of 3/4" plywood paneling applied directly to the studs. It was perhaps the weakest wall in the entire house at which to have a fire start, since its resistance to fire is minimum and the wall opened directly into a shed type joist roof which communicated directly without significant fire stopping into the attic space of the main building. The den and family room under the shed roof were an addition to the earlier dwelling. It is clear that an intense fire fed by flammable liquids, particularly rubber cement, quickly ate through this thin paneling and communicated to the attic.

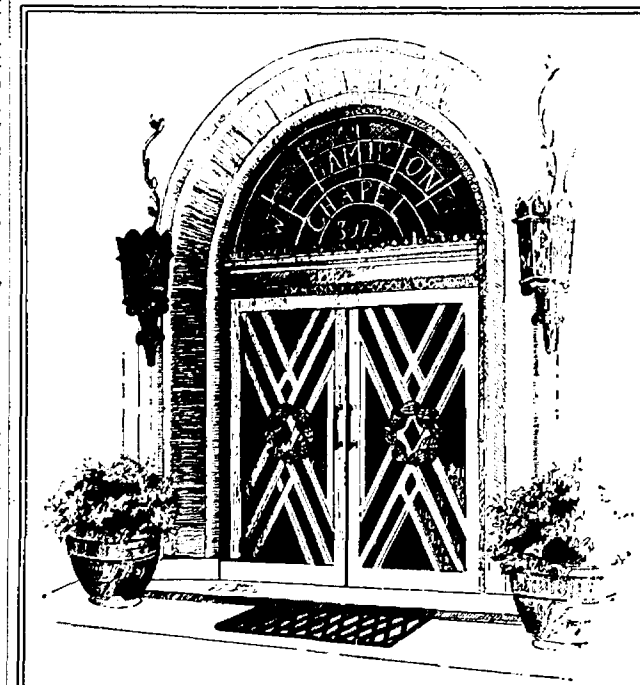

3) When the attack on the fires in two rooms (and probably also the dining room) had knocked these rooms down without appreciable effect on the overall heating in the building indicating an extensive attic fire, the absence of the usual vent at each end of the attic space hampered efforts to ventilate and cool the attic by applying water directly to the fire. At this time, it was the judgment of both the lieutenant and the corporal that the roof had been so seriously weakened by fire as to be unsafe for men to attempt to ventilate with axes or saws. Water applied through the ventilation louvers of the bedroom wing partially controlled fire in the bedroom attic but did not significantly affect the fire in the main attic area. Control could not be accomplished until a major section of the main roof collapsed, allowing direct application of water to the fire. It should be noted that the decision not to put men on the roof was prompted partially by the experience of Corporal Patterson who had entered the front door with a line for another attempt at control on the exterior only to have the ceiling fall on him. It is my judgment that at this time the command officer's decision on the safety of the roof was correct.

4) Access to the rear where the fire originated and which was the windward side was seriously obstructed by a high fence at the north end for a dog run which even included angle bars and wire at an angle from the fence. At the south end was a complicated fence construction with chained and padlocked gate which was obstructed by shrubbery and a fallen tree limb frozen into the snow on the ground. These obstacles caused serious loss of time and, more important, loss of fire fighters' energy as lines were brought in, necessary tools sent for, and as all other movements of fire fighters which take place at such a fire occurred.

5) While it is unknown what the temperature at the fire was, water upon striking the men's fire coats froze and the temperatures with a wind prevailing can

only be described as a serious handicap. Ice froze on tools, on the men, and on ladders. In summary, the combination of delayed reporting to our department by the owner, together with the nature of the construction at the point at which the fire started, the presence of flammable liquids at the point of origin, the presence of shelves with flammable liquids stored behind the thin paneling of ceiling and walls in both the den and family room combined to present arriving firemen with a condition of heat and smoke which made interior fire fighting impossible. It is a maximum of fire fighting that if you cannot get inside to fight a concealed fire, the structure will normally be a loss. Such was the case in this fire.

Respectfully submitted, A. H. ANDREWS, Director of Public Safety

From Another Pointe of View

While 140 members of the Detroit Branch English Speaking Union cruise the beautiful blue waters of the Caribbean with Branch president and Mrs. Leslie C. Putnam, of Earl court, a committee of stay-at-home members is planning a delightful evening for the remaining members and their guests—and such cruisers who elect NOT to spend a few extra days or weeks in the South when their ship, the Argonaut, berths in Puerto Rico this week at the conclusion of the ESU voyage.

The committee, consisting of ESU vice-president Mrs. Hansel Dwight Wilson, of South Oxford road, Mrs. Ward A. Detwiler, of Three Mile drive, and J. Lawrence Buell, Jr., of Vendome road, has arranged a dinner meeting for the evening of February 6, at the Rackham Building, to be followed by a conducted tour at the Detroit Institute of Arts of "Britain's Century of Masterpieces: 1760-1860."

Dr. Frederick Cummings, assistant director of the museum and curator of European Art, will speak after dinner on this "most important exhibition of British Art ever held in the United States or abroad" and will accompany the ESU group tour.

Dr. Cummings is co-author of the "Century of Masterpieces" catalogue and is responsible for bringing the exhibit to Detroit. Detroit and Philadelphia are the only two United States cities in which the exhibit will be shown.

The superb collection of the Golden Age of Romantic Art in Britain comes to the Detroit Institute of Arts under the patronage of Her Majesty Queen Elizabeth II and President Lyndon B. Johnson and, as such, is an ideal program for the English Speaking Union.

ESU members will gather for dinner in Rackham's Founder's Room at 6:15 o'clock, following cocktails. The museum tour will begin promptly at 7:15 o'clock.

Open House at New Neighborhood Club

The Reverend Franklin Bennett, of Christ Church, will conduct the new Neighborhood Club Teen Center dedication and stay on for a tour of the Club's new building and Thrift Shop headquarters in Waterloo avenue, just across the street from its old location.

Mrs. Norman A. McColl, Jr., is chairman of the committee in charge of the day's activities. Her assistants are Mrs. F. James Robinson and Mrs. James M. Crawford. (Continued on Page 25)

Among the undergraduate students enrolled at The Merrill-Palmer Institute in Detroit during the winter quarter of the 1968 school year is ROSE B. MATUJEC, of Huntington road. Rose is currently enrolled in the Degree Program at Wayne State University.

The Merrill-Palmer Institute is the only center of its kind devoted to teaching, research, and community service in the special fields of human development and family life. Its worldwide reputation is based upon more than 40 years pioneering in the study of individuals and families, and their relationships with each other and with the community.

Students in education, the behavioral and social sciences and related fields come from all over the world and from more than one hundred cooperating universities and colleges across the United States. They receive credit for their work as Merrill-Palmer toward their degrees at their cooperating institutions. Following her studies at Merrill-Palmer,

Married

Exchanging marriage vows Saturday afternoon, January 13, in the Ridge road home of her parents, Dr. and Mrs. Darwin M. Nelson, were MARY CATHERINE NELSON and James William Bell, Jr., son of Mr. and Mrs. James W. Bell, of Detroit.

Judge Douglas L. Paterson officiated at the 4 o'clock family ceremony, which was followed by a small at-home reception.

The newlyweds are making their home in Ann Arbor, where the bridegroom, who received his Bachelors degree from Reed College and his Masters degree from Wayne State University, is studying at the University of Michigan.

The bride was graduated from Grosse Pointe High School and attended Michigan State University, where she affiliated with Phi Mu sorority.

Five Generation Family Portrait

Five generations of one family gathered at the Lourdes Nursing Home in Watkins Lake road, Pontiac, for this picture. MRS. COLUMBUS (Cecelia) LABADIE, now a resident of Lourdes, came to Grosse Pointe Farms early in her marriage and lived here for 67 years. She celebrated her 89th birthday in December. She and her late husband raised nine children, including OSCAR LA-

BADIE, of Cook road, standing to the left of his mother. Mrs. Labadie has 25 grandchildren, including Oscar's daughter, MRS. DONALD SULLIVAN, of Bournemouth road, holding COLLEEN SULLIVAN, her granddaughter, one of Mrs. Labadie's two great-grandchildren, daughter of DICK SULLIVAN, of Rochester, one of Mrs. Labadie's 72 great-grandchildren.

Rose will be returning to Wayne State University to complete her degree.

Participating in the Detroit Rockettes annual national invitational Bonspiel, to be held January 31 at the Detroit Curling Club, will be Grosse Pointe members of the Detroit Curling Club MRS. ROBERT BURNS, MRS. JOSEPH GIROUX, MRS. MARVIN LARIVEE, JEAN HEWITT, MRS. C. R. RUTAN, MRS. BRYAN MELVIN, MRS. WILLIAM RAVEN, MRS. THOMAS BOWLING, MRS. J. CHARLES MARKLEY, JR., MRS. D. M. DAVIDSON, MRS. THADEUS WILCOX, MRS. HAROLD DAVIS and MRS. JOSEPH MCGLYNN.

SP/5 FRED R. DEARING, son of MR. and MRS. WINFRED W. DEARING of North Renaud road, is home on 30-day, after serving on year in Vietnam. He was attached to the 406th TC Detachment and

stationed at Shu Lai, where he was assigned to service helicopters. He has been home since January 6. After his leave, he will return to Fort Stewart, Ga., for re-assignment. He has 16 more months, of a three-year enlistment, to serve.

Among the 628 candidates for Bachelors and Masters degrees, at the 19th January Commencement of Eastern Michigan University were STEPHAN LANDERS, of Lincoln road, who received his BA; DENNIS BERGO, of South Deeplands road, who received his BS and Secondary Provisional Certificate, and TERRENCE RAVEN, of Clairview road, who received his BBA.

ALLEN F. BEAUPRE, son of MR. and MRS. HAROLD A. BEAUPRE, of Ridgemont road, is a Guidance System Engineer on the Booster Launch Team of the Convair division of General Dynamics Eastern Test Range Operations in Cape Kennedy.

Allen is a member of an aerospace team that is helping the National Space Program achieve one of its major goals—a landing by astronauts on the surface of the moon.

NICK MANCINI, son of MR. and MRS. ALBERT MANCINI, of Hollywood avenue, has been named a member of a committee for Michigan Technological University's 1968 Winter Carnival, to be held January 30 through February 3. Nick, a Michigan Tech senior majoring in Civil Engineering, is a member of Theta Tau fraternity and the Inter-Fraternity council.

A custom and tradition at Hillcrest Golf Club, following the annual election, is the presentation of an emblem jacket to the retiring president symbolic of his tenure in office. Bill Williams, of Edmondton drive, retiring president, received his jacket from ALBERT V. EIKHOFF, the 1966 president.

Hold Sigma Gamma Meeting January 20

Mrs. Joseph Spitzley Is This Year's Recipient Of Laura Butler Higbie Memorial Award; "Dr. Dolittle" Benefit Planned

At the annual meeting of the Sigma Gamma Association, held Saturday, January 20, at the Country Club of Detroit, it was announced that Mrs. Joseph Caskey is the group's newly-elected president.

Other officers of the Association are Mrs. Mary Kuhlman, first vice-president; Mrs. Boyer Candler, second vice-president; Mrs. William Baldwin, third vice-president; Mrs. E. Rust Muirhead, secretary; Mrs. Eugene W. Lewis, III, assistant secretary; Mrs. Edwin Stroh, Jr., corresponding secretary; Mrs. Paul Toohey, treasurer; and Mrs. Peter Clark, assistant treasurer.

special committee is Mrs. Benson Ford. Advertising for the evening's souvenir program is being gathered by Mrs. Alfred Glancy, III, Mrs. Stanley Day, Mrs. Peter Clark and Mrs. James Humphries.

The event is planned to raise money to benefit the Research and Education department of the Detroit Orthopaedic Clinic, which was founded by Sigma Gamma Association and is a Torch Drive Agency.

The opening night performance of "Dr. Dolittle" at the United Artists Theatre is scheduled for this spring.

After the formal close of the meeting, members were invited to stay for lunch.

Highlights of the meeting included reports from the young Junior presidents of the Grosse Pointe and Bloomfield Hills Junior membership divisions.

The Laura Butler Higbie Memorial Award, given in recognition of distinguished service to Sigma Gamma, was awarded this year to Mrs. Joseph Spitzley.

The award is a beautiful large silver bowl donated by Carlton Higbie in honor of his mother, who was a founder of the Sigma Gamma Association. Each year the name of the recipient is engraved on the bowl.

Also honored were Mrs. Henry Kinzie and Mrs. Leroy Bornhauser, who received the Association Board of Directors Awards. Miss Florrie Ledyard, president of the Grosse Pointe Juniors, and Miss Penny Mitchell, president of the Bloomfield Hills Juniors, received the Association Board of Directors Awards for the Junior Membership.

Just prior to the meeting five new senior members were initiated into Sigma Gamma. They are Mrs. Henry Stone, Mrs. William Cunningham, Mrs. Hudson Holland, Mrs. Robert Wood and Mrs. Peter Stalker.

After the announcement of the awards, Mrs. E. Rust Muirhead and Mrs. Gordon Ford, co-chairmen for the "Dr. Dolittle" benefit, gave their report. Honorary chairman of this

Set Newcomers Pro-Am Bridge

Snowtime is bridge time, and the Grosse Pointe Newcomers Club will sponsor a Pro-Am bridge party this Saturday, January 27, at 7:45 o'clock—SIARPI!

The progressive bridge will be held in the homes of Mr. and Mrs. Charles Kiesewetter, Mr. and Mrs. Richard Weithas, Mr. and Mrs. Edwin Hahn and Mr. and Mrs. John Case.

Chairman of the event Mr. and Mrs. Perry Paradise have arranged for an afterglow at the Golden Galleon.

Friends and members of the Club are reminded to mark March 2 on their calendars; Fries Auditorium will be the scene that night of the Variety Show presented by The Newcomers with a cast and crew composed entirely of Newcomer members.

Interested couples who have recently moved to Grosse Pointe from outside the Detroit area are invited to contact Mr. and Mrs. Tut Tuttle, 892-9251, or Mr. and Mrs. Milt Ghekas, 884-9010, for club information.

Miss Ford Is Bride Of John W. Winans

Carriage House Home In Woodland Place Awaits Newlyweds Upon Their Return From An Hawaiian Vacation

Exchanging wedding vows Saturday, January 20, in the woodland place home of her parents, Mr. and Mrs. Emory Moran Ford, were Laura Evans Ford and John W. Winans, son of Dr. and Mrs. Donald Winans, of Lakeshore road.

Dr. Howard Towne, of Traverse City, a cousin of Dr. Winans, officiated at the 4 o'clock family ceremony, which was followed by a small reception at the Grosse Pointe Club.

The bride wore a street length dress of ice blue brocade. Her headpiece was fashioned of feathers that belonged to her maternal grandmother, and she wore her paternal grandmother's cross.

She carried an 18th Century nosegay of small white and yellow flowers.

She was attended by Mrs. Donald MacFarlane, Jr., and Wynne Hutchinson, who wore pastel frocks and carried multi-colored Flemish bouquets.

Groomsmen were Thomas E. Ford and Emory M. Ford, Jr., the bride's brothers.

The bride's mother wore a multi-colored silk gown, while the bridegroom's mother selected a pale pink dress and matching coat, in a silk faille and worsted fabric.

The newlyweds are vacationing in Hawaii and will return to make their home in a carriage house in Woodland place.

Plan Welcome Wagon Meeting

Members of the Welcome Wagon Club of Grosse Pointe will gather on Thursday, February 1, at the War Memorial.

Following a brunch at 11 a.m., Mrs. H. W. Burnett, president, will preside over the regular business meeting.

Mrs. Elmer Doege, bridge benefit chairman, will report on plans being made for the annual Welcome Wagon luncheon and fashion show to be held Thursday, March 21, in the Fries Auditorium.

Proceeds from the benefit will be used for nursing scholarships for deserving senior

girls from local high schools. Last year's winner was Andrea Wardell, a graduate of Harper Woods High School and now a student at Deaconess School of Nursing.

Hostesses for the February

meeting will be Mrs. Ben Stormes, Mrs. Edward Rod, Mrs. Molly Shook and Mrs. Louis Barney. They invite all newcomers who have received their Welcome Wagon hostess calls to attend.

Members and guests will play bridge and canasta after the brunch and business meeting.

Reservations may be made by January 30 with Mrs. R. A. Abbott, 882-8363, or Mrs. J. E. Blackburn, 884-2428.

Sail Club Ball Set for Friday

In one of the first such events of the new year, the Grosse Pointe Sail Club will salute the commodores of area yacht clubs Friday night, January 26, at its 1968 Commodore's Ball.

The dinner and ball will be at the Gourmet House at 25225 E. Jefferson in St. Clair Shores.

The Grosse Pointe Sail Club, which boasts an outsized percentage of champion small and big boat Great Lakes sailors, also will honor its outgoing commodore, Elmer Ertman, of 1032 Beaconsfield, Grosse Pointe.

Spurred by the amazing success of its Tuesday night race series off the Grosse Pointe Park pier at the mouth of the Detroit River, the new commodore, Kenneth Kurtz, will announce plans for the coming season—including a new junior sailing program intended to test the prowess of larger sailing clubs.

A widely-known circus buff and also a member of the Crescent Sail Yacht Club, Kurtz and his wife, Aileen, are longtime Grosse Pointe residents.

A three-state division manager of the Minnesota Mining and Manufacturing Co. and also a three-term Republican delegate of the 14th District's Precinct 7, Kurtz lives at 1230 Bishop road.

Smith-Perrin Vows Spoken

At a small family ceremony in Christ Episcopal Church Friday evening, January 19, Anne Buttrick Perrin, daughter of Mr. and Mrs. Theodore R. Buttrick, of University place, and Thomas William Smith, son of Mr. and Mrs. J. Henry Smith, Jr., of Harvard road, exchanged marriage vows.

The 5:30 o'clock rites, at which The Reverend Erville B. Maynard officiated, were followed by a reception at the Grosse Pointe Club.

The bride was attended by Marcia Whitney, the bridegroom by his brother, Peter J. Smith. The newlyweds are vacationing in the Virgin Islands and will return to make their home in Vernier road.

Miss Dack Speaks Vows To Mr. Birg

Evening Rites Are Followed By Reception At Gourmet House; Pair To Live In Brys Drive When They Return From Vacation In Poconos

A lace-accented white brocade gown was Dobine Dack's choice for the Friday evening, January 19, ceremony, in St. Joan of Arc Church, at which she became the bride of Michael D. Birg.

Her bouffant illusion veil fell from a lace headpiece, and she carried an arrangement of white roses, stephanotis and carnations.

She is the daughter of Clarence H. Dack, of Brys drive, and the late Mrs. Dack. Her husband is the son of Mrs. Joseph Birg, of St. Clair Shores, and the late Mr. Birg.

The Reverend John L. Phalen officiated at the 7 o'clock rites, which were followed by a reception at the Gourmet House.

Honor attendant Sharon L. Pointe and bridesmaids Mary Rieth, Barbara Korleski, Mrs. Lawrence A. Dack, Lauren Birg and Mary Birg, sisters of the

bridegroom, wore floor length green velvet frocks.

The honor maid's bouquet was fashioned of yellow roses, white mums and carnations. The bridesmaids carried yellow roses and carnations.

Christopher Birg served as his brother's best man. Seating the guests were Lieutenant Lawrence A. Dack, of Lubbock, Tex.; Ronald Birg, Jack Herbertson, John Di Vico, Jr., and Anthony Trovato.

The newlyweds are vacationing in the Pocono Mountains and will return to make their home in Brys drive.

Out-of-town guests included the David Turner family, of Dayton, O.

Benefit Headed By Mrs. Simon

Mrs. George Simon of Vendome road has been named chairman for the Benefit Preview of the Detroit Spring Antique Show-Sale, to be held Wednesday evening, March 6, at the Light Guard Armory.

Mrs. Simon and her husband are well known in power boat racing circles as the owners of the unlimited hydroplane, "Miss U.S.," the fastest propeller driven boat in the world—200.418 MPH.

Sponsoring the benefit is the Spirit of Detroit Association, the non-profit organization which has kept Detroit in the world sports spotlight each summer with championship hydroplane racing on the Detroit River. Funds raised by the benefit will help the Association in bringing to Detroit the coveted Gold Cup Race for 1968. The race will be watched by thousands of spectators along the River on Sunday, June 30.

Mrs. Simon has been active in Alsac, PRIME Missionaries, Christ Child Society and many other benevolent and civic betterment organizations.

The benefit preview of the Detroit Spring Antique Show-Sale, held at the Light Guard Armory, 4400 East Eight Mile road, will continue an evening of festivity with a chance to be

there "the firstest" at the premier antique show of the midwest. The Detroit Spring Antique Show has been named among the top 20 travel attractions of the nation in a recent announcement from the National Association of Travel Organizations (NATO).

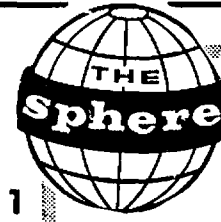

Antique Dealers (100 of them from 21 states) will be exhibiting in the show and preview, with everything available for sale, from the most minuscule carved ivory charm to a mammoth 16th century pewter cabinet that will bring a palatial air to any home it graces.

The preview hours on Wednesday evening, March 6, are from 8 to 11, with tickets available from Mrs. Simon or her committee members.

AN OPEN LETTER
SUBJECT: LENGTHS

We are all concerned about lengths and with good reason . . .

The magazines and fashion publications are confusing the situation even further, apparently because they do not want to "go out on the limb" by making any predictions.

The question is whether lengths will be SHORT or MINI.

The Designers in New York are in general agreement that, by and large, lengths will remain SHORT (Knee Length) for the foreseeable future for at least two years.

The Paris Openings give no indication of any important change in lengths and these openings are going on right now.

We, in fashion, believe that lengths will remain short. The midi calf lengths, which is confusing to many people, will be shown, but only for FORMAL WEAR, at HOME WEAR and in some COAT STYLES.

. . . to quote the article in January 19th issue of the "Women's Wear Daily" "THIS IS NOT 1947 WHEN DIOR DROPPED THE NEW LOOK AND THE WORLD FOLLOWED OVERNIGHT WITH THE LONG SKIRT. THIS IS 1968 . . . THE AGE OF THE INDIVIDUAL . . . when you can go to all lengths to be yourself."

Traditional Candlelight Supper To Follow Both Performances At Players Playhouse In East Jefferson Avenue

The dulcet tones emanating from the Bedford road home of Dr. and Mrs. V. Everett Kinsey indicate that Mrs. Kinsey is rehearsing a violin solo as one of the selections to be presented by The Fine Arts Society of Detroit on February 9 and 10, when the Music and Arts committees raise the curtain on "Fine Arts on Parade."

Scene of the third formal function of the current session will be the Players Playhouse in East Jefferson Avenue.

Another featured musician will be keyboard artist Mrs. Joseph N. Jennings at the Baldwin organ.

Mr. and Mrs. Richard Shannon, chairmen of the music committee and production supervisors, have selected several original compositions by Fine Arts members as part of the program.

Mrs. Shannon will direct a vocal sextet in "The Night Will Never Stay," written by Viola Nelson (Mrs. John Nelson, of Washington road).

Maryann Allard Planning Rites

The engagement of Maryann Allard, of St. Clair Shores, and Airman First Class William E. Thomas has been announced by her parents, former Pointers Mr. and Mrs. Millard Allard, of Punta Gorda, Fla.

The bride-elect was graduated from Charlotte High School. Her fiancé, son of Mr. and Mrs. John Thomas, of Melbourne, Fla., was graduated from Bilerica Memorial High School, Bilerica, Mass., attended Kessler Air Force Base Technical School in Mississippi and is now stationed with the 661st Radar Squadron at Selfridge Air Force Base, Mount Clemens.

A July wedding is planned.

Mr. and Mrs. Jac E. Purdon, "Inside-Outside Detroit" is the third of a series of skits and music from the prolific pen of Mr. Snyder, in which he gently pokes fun at Detroit and environs.

"Bloomfield Baroque and Roll," "Meadowbrook Donnybrook" and "Pointe with Pride" are but a few of the humorous sub-titles.

Included in the revue will be original works by Dr. Carroll Kennedy and John Benkelman.

The candlelight supper which traditionally follows The Fine Arts Society's productions at the Playhouse is being arranged for by Mr. and Mrs. Robert C. Phillips and Mr. and Mrs. Peter Rettig, with Mr. and Mrs. Allan Neef, Mr. and Mrs. Richard Hanna and Mr. and Mrs. William Bundesen as assistant hosts and hostesses.

Greeting members and guests in the theatre lobby will be Mrs. Edward W. Fromm, who is in charge of reservations.

MAJ. ROBERT L. YOUNGBLOOD, of Cadieux road, was named to the Dean's honor roll at St. Benedict's college, Atchison, Kan., for the fall semester of the 1967-68 academic year with an average of 3.67. He is a senior.

Will Wed

Mr. and Mrs. James Henry Allen, of Woods lane, have announced the engagement of their daughter, DIANE ELIZABETH, to John Stephen Harms, son of Mr. and Mrs. John William Harms, of Franklin.

The bride-elect was graduated from Northwood Institute, Midland. Her fiancé also studied at Northwood Institute and is presently in Vietnam as an Information Specialist.

Brotherhood Teas Planned

Women of Metropolitan Detroit will again hostess hundreds of Brotherhood Teas to kick off the month of February in which Brotherhood Week will fall (February 18 through 24). These teas, which will be held this year Tuesday, February 6, from 1 to 3, are sponsored annually by the Women's Division of the Detroit Round Table of the National Conference of Christians and Jews.

"The method is simple" explained Mrs. Fawn Ong, chairman of the teas. "Any woman who is interested in promoting better understanding in her neighborhood and community is eligible. She simply invites neighbors and friends of differing religious and nationality backgrounds to her home.

These can be very simple affairs or more elaborate," she said. "The goal of our endeavor is to have hundreds of women in hundreds of homes, churches, synagogues and clubs throughout our city and suburbs on the same day at the same hour contemplating ways of creating or strengthening better understanding in their neighborhoods and discussing the dynamics of brotherhood and the challenge of our changing times."

Instructions and suggestions for giving a tea are available as

well as kits containing printed human relations materials, invitations and discussion topics. These may be obtained by calling Townsend 9-6306 or writing to Mrs. Ong, Detroit Round Table, 150 West Boston Blvd., Detroit, Mich., 48202.

To spark the afternoon discussions WJR will beam a special broadcast to the groups featuring an interview between Mrs. G. Mennen Williams and Jeanne Duran, WJR's Women's Editor on the subject of the woman's role in human relations today.

"WJR has been enough impressed with the worth of our project to arrange this special broadcast for several years, six to be exact," said Mrs. Louis Redstone, President of the Womens Division of the Detroit Round Table. "We are most grateful for this marvelous support and feel that it has contributed greatly to the yearly growth of involvement in the teas. We earnestly urge all women who are concerned by the critical atmosphere in which we live today to become a hostess for or a participant in a Brotherhood Tea."

Vikings International, a non-profit social club with the accent on travel, will hold a membership meeting Tuesday, January 30, at 8 o'clock in the Birmingham Community House, South Bates street, Birmingham. The meeting is open to the public and will feature travel films on Europe and South America. Scheduled activities include trips to South America, New Orleans and Europe along with local social functions. Further information on the Club may be obtained by calling Jo Grierson at 399-2226.

Miss Marks Weds Edwin Stedem, Jr.

Reception At Grosse Pointe Yacht Club Follows Rites; Pair Are Vacationing At Round Hill, Montego Bay, Jamaica

Our Lady Star of the Sea Church was the setting for the Saturday, January 20, wedding of Marilyn Therese Marks, daughter of Mr. and Mrs. Lloyd Louis Marks, of Fairford road, and Edwin Joseph Stedem, Jr.

The Reverend William Palmer officiated at the 12:30 o'clock double ring rites, which were followed by a reception at the Grosse Pointe Yacht Club.

The bride, given in marriage by her father, wore a mid-Victorian white satin gown, trimmed with ecru lace and styled with an ecru lace train.

Matching lace accented her illusion mantilla, and she carried an arm bouquet of fresh and dried variegated flowers tied with velvet streamers which fell to her hemline.

She was attended by Madeleine Hendrixson, who served as maid of honor, and bridesmaids Mrs. William Adkins, of Rochester, Minn., Mrs. George Gieger, Mrs. Lloyd Brennan Marks and Mari White.

Their Empire frocks and headpieces were fashioned of American Beauty velvet, and they carried arm bouquets of pink and red variegated flowers, with velvet accents.

Exchanging marriage vows Saturday, January 20, in Our Lady Star of the Sea Church were MARILYN THERESA MARKS, daughter of Mr. and Mrs. Lloyd Louis Marks, of Fairford road, and Mr. Stedem, son of Dr. and Mrs. Edwin Joseph Stedem, of Columbus, O.

Anda Will Play With Symphony

Geza Anda, internationally famous concert pianist, will appear with the Detroit Symphony Orchestra Thursday and Saturday evenings, February 1 and 3, at Ford Auditorium. Concert time is 8:30 o'clock.

Music director and conductor Sixten Ehrling will be on the podium.

Anda will be heard in Mozart's Piano Concerto in D minor, K.466, and Bartok's Piano Concerto No. 2. The Bartok Concerto will be performed for the first time by the Orchestra.

The full program will include Lester Trimble's "Five Episodes for Orchestra," (also performed for the first time by the Orchestra), and Weinberger's "Under the Spreading Chestnut Tree."

Lester Trimble, recently appointed the New York Philharmonic's composer-in-residence, was born in Bangor, Wis., in 1923. The major part of his

musical training was at the Carnegie Institute of Technology where he studied composition.

He began his "Five Episodes for Orchestra" in December 1961 and completed them the following month. The composition was commissioned and premiered by the Florida Symphony Orchestra.

Tickets for the concert are available at Ford Auditorium Box Office, (961-0700), all 15 metropolitan Grinnell's stores and all Hudson's.

Hungarian-born and now living in Zurich, Geza Anda is currently on his 10th consecutive tour of the United States. This season his tour will take him from New York to Los Angeles in the course of six weeks. This will be Mr. Anda's second appearance with the Detroit Symphony.

At 13, Anda entered the Royal Academy of Music where he was a pupil of Ernst von Doh-

nanyi. His travels later brought him on stages with a long list of distinguished conductors in first cities of Europe. Since his first appearance in 1951 at the Salzburg Festival, he has returned there for every subsequent Festival.

What Goes On at Your Library

By Virginia Leonard

Warmth — sparkle — charm — a great, welling spirit of "gung ho-ness." Perception, intelligence — intensity of attention — an always-compelling desire to learn more about people, about things, about issues. The blue eyes look at you straight and clear, with steady understanding and deep humor. Put all these together and what have you got? Alice Mary Hykes, president of the Grosse Pointe Board of Education — and the very first woman president, we might add.

Alice Mary hails from Lafayette, Indiana, and received her B.S. from Purdue University (with a major in English). She taught English for three years in South Bend, Indiana, in a high school of 3,200 intrepid souls — the second largest high school in Indiana at that time!

In 1938 she married Paul Hykes; little did she know that this was the start of an American safari that was to lead her over a 15,000 mile course (1940 to 1943), from the Gulf Coast to California to Georgia to Long Island — nine stops in all. Paul, you see, was a reserve officer in the anti-aircraft division, and his one-year stint was extended to five because of Pearl Harbor. Children were arriving during this period also. First, son Dennis in 1939; later Susan (while they were in California), and finally, Gregory, born in 1947.

In 1945 Paul came home from overseas (a colonel no less!) and the Hykes family lived in South Bend until 1950, at which time they emigrated to Grosse Pointe and are still living in the same house they selected 18 years ago. Paul, who was originally an executive engineer at

the Budd Company, is now with the Fruehauf Corporation.

Let me bring you up to date on the children, (all of whom were students in the Grosse Pointe Public School System). Dennis, married and living in Edina, Minn., has one and a half children, a degree in electrical engineering from Purdue University, plus a master's degree in business administration from the University of Maryland. Susan, with a B.A. from the University of Michigan is teaching in an American high school at the Ramstein Air Base in Germany, under the auspices of the Defense Department. (Alice Mary is proud to point out that Susan represents the fourth generation in the family to be a teacher). Greg is currently a junior in the liberal arts college at the University of Michigan, with a major in economics.

In assembling a dossier on Alice Mary, during her sojourn in Grosse Pointe, one finds the sheets of paper becoming more and more numerous. She has been a professional book reviewer, was president of the Mother's Club of Grosse Pointe High School, (1957-59), has done recording for the blind at the Kresge Library, was elected to the Grosse Pointe Board of Education in 1962, was reelected in 1966, has been a member of the American Association of University Women, (with various positions on the Board), for many years; is a member of the Grosse Pointe Memorial Church, (has been on the Board of the Women's Association and also Program Chairman of the Friday Book Review group); has been a member of the Grosse Pointe Garden Club for many years, was president of the Detroit Chapter of Kappa Alpha Theta — and — is a member of the Friends of the Grosse Pointe Public Library! Have we left anything out? I strongly suspect we have, but listening to Alice Mary's activities is a little like riding on a roller coaster... sometimes you miss one of the turns!

There are three things, says Alice Mary, that were always important in her life in those hectic and non-holiday days of nomad existence. First, there was the milkman to hunt down. (She had several small children, remember?); secondly, she needed the security of a philodendron plant to make a house a home; and thirdly, she would always go to the nearest library and take out a library card. When visiting friends wanted to look her up in a new town or city, all they had to do was go to the library and ask for her address — she was always a registered borrower!

Today, Alice Mary is still a registered borrower, but she is much more than that in our community. As president of the Grosse Pointe Board of Education she represents enlightened leadership and sincere interest in the welfare of our schools and public libraries. She is an excellent speaker and a careful listener. She is currently working night and day in an effort to drive home to the voters of Grosse Pointe the importance of the three issues to be voted in at the February 26th election.

Fine Pointes of Real Estate

By C. W. Toles, Jr., Realtor

"When Is The Best Time Of Year To Sell My House?"

It is a common misconception that spring is the only good time of year to sell a house. It is true that there are certain months when more sales take place than at other times of the year. In 1967, July was the peak month in Grosse Pointe, but in other years it may be any time from April to September. However, a higher sales volume in these months can be attributed merely to a larger supply of houses for buyers to select from.

Demand, rather than supply makes a good selling market, and the number of buyers in recent years has been quite constant regardless of season. Real estate activity does frequently diminish during the holidays, as it did last month thus creating a backlog of buyers. Combined with less competition on the market, this results in a most favorable selling market in January and February, a period which has erroneously been considered by some to be less advantageous for sellers.

Members of the Neighborhood Club Board will conduct tours through the new building from 2 until 5 o'clock, and refreshments will be served in the building's Alger Room. Members of the Associate Board have been asked to pour.

Mrs. MacColl, incidentally, was elected board treasurer at the Neighborhood Club's annual meeting, held in the new building last Thursday.

Other new Board officers are Mrs. Murray W. Sales, III, president; Mrs. W. Warren Sheldon, vice president; Mrs. Robinson, corresponding secretary; and Mrs. Richard N. Turner, recording secretary.

Happy Birthday, Colony Town Club!

Colony Town Club will observe its 33rd anniversary next Tuesday afternoon, at a 3 to 5 o'clock birthday tea in the Sunset lane home of Mrs. Peter C. Tainish.

Assisting the hostess with party plans (they include a large cake and spring birthday bouquets), are Mrs. Emil F. Tramm, Mrs. Oliver Dewey Marcks, Mrs. Francis Gregory and Mrs. Albert E. O'Neal.

Newest members of the Club, whose philanthropy is cancer relief work, will be special guests.

Michigan Affiliate Artists Committee

The newly-appointed Michigan Committee for Affiliate Artists, Inc., met for the first time last week at the University Club. Special guests were Edward Warner, executive director, and Plato Karayanis, director of artist activities, both of Affiliate Artists, New York.

Soprano Kay Griffel, one of 15 Affiliate Artists, stopped in Detroit en route from Berlin, Germany, to Coe College, Cedar Rapids, Iowa, where she is the Affiliate Artists on campus, to offer three vocal selections to the group, which includes Pointers Mrs. Ferdinand Cielli, Mrs. Stirling Loud, Mrs. Arnold W. Ingershausen, Alexander Sucek, Dr. Hamilton Stillwell and Donald M. D. Thurber.

The Affiliate Artists program, founded in 1965 as a non-profit, tax-exempt organization, is designed to build new audiences for the arts in the United States and Canada, bringing young artists of professional standing to audiences in non-theatrical settings by affiliating the artist with an institution (such as a liberal arts college), which the artist visits several times each year.

Michigan's first Affiliate Artist, Mary Beth Pell, is with Alma College.

The purpose of the Michigan Committee is to expand support for and participation in the national and state programs and to develop new openings for future Affiliate Artists in Michigan.

"The importance of helping young American artists continue their professional careers and studies in America is a pressing one," Mr. Warner told the Michigan Committee members.

"Too many young American performers are forced to live and work elsewhere, and every effort must be made to keep them contributing to the American cultural scene. We at Affiliate Artists feel that our program is one of the most effective ways of accomplishing those ends."

May Bride

A May 11 wedding in Ann Arbor is being planned by KAREN KAY CHRISTENSEN and Thomas L. Smithson, whose engagement has been announced by her parents, Mr. and Mrs. Jack E. Christensen, of Whit-tier road.

The bride-elect, a graduate of Dominican High School, is attending the University of Michigan, where she is working toward a degree in Special Education for Emotionally Disturbed Children. She is a member of Alpha Lambda Delta honorary sorority.

Her fiance, son of Mr. and Mrs. Albert T. Smithson, Jr., of Clarendon Hills, Ill., is a graduate of the University of Michigan and a senior in the University of Michigan Law School. He was president of the Student Government Council in 1965, is a member of Michigan Alpha and is currently president of Phi Alpha Delta legal fraternity.

Flower Fixing Course Offered

A course in contemporary flower arranging will be offered at Grosse Pointe War Memorial on Friday afternoons from 1 to 3 o'clock beginning February 2. The course will be taught by Mrs. Richard T. Gerathy, well known flower arranger and flower show judge.

Color accents have become increasingly important in today's home with an emphasis placed on creativity. Through Mrs. Gerathy's class, home makers will learn to use a variety of unusual but inexpensive materials to form arrangements for tables, mantles and wall hangings.

These pieces will reflect the individuality of the originator instead of being stereotyped florists' pieces and they will cost a lot less. Six lessons are offered for \$15.

June Bride

Planning a June 14 wedding are SUSAN MATHEWS and Walter Kramer, Jr., whose engagement has been announced by her mother, Mrs. Bernadine Mathews, of Cloverly road. Susan attended Immaculata

College of Washington, D.C., and is now a senior majoring in Home Economics at Michigan State University.

Her fiance, son of the Walter Kramers, of Anita avenue, will be graduated in July from General Motors Institute, where he is majoring in Mechanical Engineering and affiliated with Delta Tau Delta fraternity.

AAUW Study Group Meetings Scheduled

Separate And Combined Gatherings To Be Held During February; Mrs. G. Mennen Williams Will Talk On "Africa"

Mrs. G. Mennen Williams, wife of the former Governor of Michigan, will discuss "Observations on Africa" before a combined meeting of three American Association of University Women study groups on Tuesday evening, February 20, at 7:45 o'clock at the Grosse Pointe Central Library.

Sponsor for the evening is the American Association of University Women's group studying "The Growing Gap Between Rich and Poor Nations."

Special guests will be members of the Samplers' and International Relations' groups. Mrs. Williams will draw on her experiences in Africa for her talk.

AAUW Art Appreciation mem-

bers will meet with Mrs. Keith Leibbrand, of Fisher road, on Friday, February 2, at 9:30 o'clock to hear Mrs. R. L. Shepard review the book "Rembrandt" by Gladys Schmitt.

The Evening Writers Workshop will meet Tuesday, February 6, at 7:30 o'clock with Mrs. Raymond Webster, of Three Mile drive. The afternoon Writers' Workshop will be the guests of Mrs. Burke W. Arehart, of

Hamilton court, at 12:30 o'clock on Wednesday, February 7.

The American Folk Music group, meeting on Monday, February 12, at 1 o'clock with Mrs. Richard C. Edwards, of Chalfonte avenue, will hear Mrs. Norman W. Gehler discuss music of Yankee soldiers and sailors, from pre-Revolutionary War songs to sea chanteys and tales of horror aboard ships.

Mrs. F. Parker Colby, of Stanton lane, will be hostess to the Values group on Wednesday, February 21, at 7:45 o'clock. Mrs. William Rice will talk from an historical and value standpoint on "Sex—Old and New."

The AAUW's newest study group, exploring Politics of Public Education, will meet with Mrs. Robert Snyder, of Balfour road on Thursday, February 22, at 9:30 o'clock. Mrs. J. Robert Jessup will head a panel which will investigate the topic of "Local School Boards."

The Book Study group will meet on Monday, February 26, with Mrs. Steven T. Moreland, of Anita avenue, at 1 o'clock. Mrs. John Bradley will review the book "Michel" by Robert Lewis.

Mrs. Ramon Webster and Mrs. William D. Beach will consider some of the notable works in the fields of contemporary essays and non-fiction before members studying current literature on Tuesday evening, February 27.

Among the books to be discussed are Susan Sontag's "Against Interpretation," Robert Ardrey's "The Territorial Imperative," "On Aggression" by Conrad Lorenz and "La Vida" by Oscar Lewis.

The meeting will be held at 7:45 o'clock at the home of Mrs. Paul F. Reed in Ballantyne road.

WSU Faculty Wives Club To Hold Centennial Ball

In honor of Wayne State University's 100th birthday, the WSU Faculty Wives Club hopes to recruit 100 couples to dance at a Centennial Ball on February 10.

For generations now, our Baby Boutique has been pampering little ones. We like to begin even before they are born, with carefully thought-out layettes of fine Saksweare® exclusives. Saksweare®, you know, is our own unique blend of combed cotton and Polyester® that's especially smooth next to baby's skin. We have Saksweare® in tiny smocked wrappers and gown and little shirts and more. Other S.F.A. niceties include the monogrammed diapers, crib sets, goose-down pillows, satin comforters. And marvelous new inventions like stretch coveralls, clever all-in-ones, terrys things. Plus a staff of competent people who know exactly what you need—and don't need, to give baby the nicest possible welcome.

St. Paul Ev. Lutheran To Begin Fund Drive

Banquet This Sunday Will Kick Off Three-Year Centennial Financial Appeal; GPHS Choral Group To Provide Entertainment

St. Paul Ev. Lutheran Church, Chalfonte avenue at Lothrop road, will give a banquet for its members at Brownell High School in Chalfonte avenue, at 5 o'clock on Sunday, January 28.

The Reverend Charles W. Sandrock, pastor, has announced that the occasion marks the kickoff for the Church's three-year financial appeal.

Founded in 1871 at Joseph Campau and Jay, Detroit, and relocated in Grosse Pointe in 1950, the congregation will celebrate its 100th anniversary in 1971.

The Hootenanny, a choral group from Grosse Pointe High School, will sing under the direction of Maynard Clein.

Directors of the event are Vernon Olson, chairman; William Shaw, Elmer Herschelmann, Mrs. Guy Ropp and Robert Gibson.

The every-member visitation is under the direction of Earl Veendelaal, William Heuser

and George Kramer. Dinner arrangements are being directed by Gloria Thiede and Irene Dettloff. Margaret Holmes is head of the Women's Personal Calling committee.

A pictorial booklet, prepared by Frank Finschild, will be distributed to all members.

The Stewardship program will actively involve over 100 members of the congregation in planning and home visitation.

The appeal will include a fund for debt retirement, church colleges and an anniversary project, as well as for the Church's operating budget.

Children three to 11 will be served a meal at the Church and a special program will be guided by Lorraine Kall and Donna Ireton.

Planning Stewardship Appeal Dinner

Directors of the Stewardship Appeal meet to make plans for a banquet, scheduled this Sunday, January 28, at Brownell Junior High School, marking the start of the Appeal's three-year drive for funds, to culminate in 1971 when the congregation celebrates its 100th anniversary. 'Group' Active In Many Ways

Grosse Pointe War Memorial's "Group" is an active organization for young Grosse Pointers in their twenties and their friends. Forty of them are busy taking flying lessons each Thursday. Last night, they socialized to the beat of the "Present Tense" in a member's home.

Each week-end part of the Group goes north to ski Boyne Country from their rented

Farmhouse near Wolverine. Cost is just \$7.

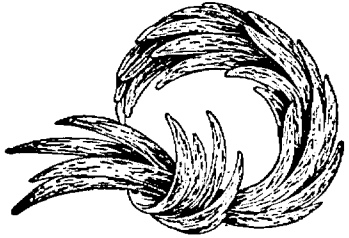

This Sunday, January 28, they are starting a weekly Sunday evening "fun and games" night around a log fire in the Veterans room of Grosse Pointe War Memorial. It's on a "knock twice and ask for Charlie" basis. Cards, singing, music, charades and gemotlichkeit are the fare in a club setting without charge, and the "Group"

brings in their own refreshments.

A skating party and car rally are next on the docket. Membership is open to everyone in their twenties who lives or works in Grosse Pointe or who grew up here or friends of same. Membership is just \$3.00 a year and can be secured at Grosse Pointe War Memorial, 32 Lake Shore road.

Perfection may never be reached in this life, but it's still worth reaching for.

If it's from Wright Kay, it's Distinctive.

Patient Patrons Earn Our Thanks

TO YOU the patient patrons of the Angelo Morri salon d'elegance, we address this apology.

With carpenters hammering while hairdressers curled, you may have been doing a slow burn, but you never showed it.

You stepped over innumerable boards, endured cold feet when the heat was turned off and waited while your hairdresser stopped, sometimes in mid-curl, and turned over her station to a busy electrician.

The reason for all the confusion was construction of our new "Left Wing." It has been completed.

We want to offer our thanks to you for putting up with the many inconveniences.

WITH THE OPENING of the "Left Wing," we will be offering more and better services to you—our customers.

Improved facilities should make hair cuts, shampoos, sets, permanents, hair coloring, manicures and a sauna more of a treat. We still will prepare lunch for those who want it and, of course, you can shop in the elegant Corner Boutique.

Soon we will have the wig salon, pedicure room, facial and corrective makeup salon and massage room ready for business. We'll let you know when.

COME SEE US! We schedule appointments from 8:30 a.m. to 5 p.m., Monday, Wednesday, Friday and Saturday, and from 8:30 a.m. to 7 p.m. Tuesday and Thursday.

Shampoo and set is \$4, haircut \$3, by the staff.

Call 886-3050.

The Angelo Morri salon d'elegance is located at 20902 Mack avenue at Hollywood in Grosse Pointe Woods.

Dance Groups Begin at Center

Grosse Pointe War Memorial's Ballroom Dancing Classes begin this afternoon, Thursday, January 25, for 5th and 6th graders and on Friday, January 26 at 6:45 p.m. for 7th and 8th graders.

Also beginning on Friday, January 26, are alternate Friday evening two-hour lessons for older, more advanced boys and girls lasting from 8 to 10 o'clock.

Mr. and Mrs. Ted Forrest are the dancing instructors. They also conduct the classes at the Grosse Pointe Hunt Club and Bloomfield Hills. The parents of four young sons, they know what the younger generation wants and provide it complete with live rock 'n roll bands on occasion. However, they insist on good manners and behavior and teach traditional ballroom steps and rules which will stand the young people in good stead on many occasions. The fee of \$15 includes 14 lessons plus a gala party with refreshments, fun and favors at the end of the season. (The alternate Friday, two-hour group consists of seven two-hour lessons for \$15.)

Also tonight, Thursday, January 25, at 8 o'clock an adult Dancing Club begins under the direction of Ted and Lillian Forrest. Here married couples and single adults will be taught to feel at home with the new dance movements as well as get a chance to practice the Latin rhythms and the traditional North American dance steps.

Mothers March Tuesday, Jan. 30

Thousands of volunteers will ring doorbells Tuesday, January 30, in Wayne, Oakland and Macomb counties for the March of Dimes. They form the Mothers' March, when one evening each January millions of mothers across the country volunteer to call on their neighbors.

This annual event to collect funds for the March of Dimes' 30th anniversary is the most important event of the month-long March of Dimes campaign to expand the three-point program of medical care, scientific research and public education for the fight against birth defects.

The National Foundation supports research programs at universities, hospitals, Birth Defects Research Centers, and the Salk Institute for Biological Studies. At these Centers, youngsters may receive team-coordinated, specialized treatment.

As a step toward prevention of birth defects, the March of Dimes has initiated education programs encouraging pre-conceptual and prenatal care. This

voluntary health organization finances nearly 100 research and treatment centers for the bedside study of birth defects and the development of treatment techniques. More research and more centers are needed.

Volunteers for the Mothers' March are helping to provide more centers and to treat more children. Whether these needs are met depends on the generosity of your contribution to the March of Dimes. When a volunteer rings your doorbell, take part in this community effort and welcome the Mothers' Marcher when she calls.

AAUW Supports School Election

A motion to actively support the coming school referendum vote on February 28 has been passed unanimously by the board of the Grosse Pointe Branch of the American Association of University Women. The action came at a board meeting at the Handy road home of Mrs. William Kirby last week.

The motion included support for all three items: For increased operational funds, for a building site levy to help meet increasing enrollment needs and for the bonding proposal dealing with the public libraries.

Strategy has been defined as the science of inducing others to walk into your trap.

Slate Catholic Study Club Luncheon And Card Party

Kundig Center, Detroit, under the direction of Monsignor Wilbur Suedkamp, will benefit from the annual charity luncheon and card party given by the Catholic Study Club of Detroit at the Harmonie Club Tuesday, January 30, beginning at 11:30 o'clock.

Mr. Riegle Wed To Miss Kostin

The Reverend T. H. Voss officiated at the Saturday, December 16, wedding of Karen Elaine Kostin, daughter of Mr. and Mrs. Edward Kostin, of Dearborn, and Harold L. Riegle, Jr., son of the Harold L. Riegles, of North Edgewood drive.

Setting for the ceremony, which was followed by a reception at Dearborn Inn, was St. Matthew's Lutheran Church.

The bride wore a white peau de soie sheath, fashioned with a scalloped bodice of rosepointe lace. Inserts of matching lace accented her skirt and rounded Chapel train, and the bouffant silk illusion veil fell from a seed pearl-trimmed lace headpiece.

She carried a slim bouquet of ivy, centered with a white orchid.

Her attendants wore floor length pink crepe sheaths and matching pink and frosted turquoise tapestry coats, and carried bouquets of pink roses and carnations.

Honor attendant was Ruth Paquin, of Dearborn. Bridesmaids were Susan Shattock, also of Dearborn, a cousin of the bride, and Barbara Dakich, a former room-mate of the bride at Western Michigan University.

Flower girl Carrie Lynn Paquin wore a floor length pink crepe frock and matching coat. Her nosegay was fashioned of pink carnations and turquoise ribbons.

Frank Riegle served as his brother's best man, and the bride's brothers, Robert Kostin, of Cleveland, O., and James Kostin, of Garden City, ushered. Troy Bere was ring bearer.

The mother of the bride wore a hot pink silk shantung sheath, jewelled at the neckline, with a matching coat. She selected a corsage of pink and white roses and carnations.

The bridegroom's mother chose a mink-trimmed three-piece beige ribbonette ensemble and a corsage of yellow roses.

The newlyweds vacationed at Aspen, Colo.

Out-of-town guests included the bride's former college roommate, Ann Hansen, formerly of Birmingham, teaching now at Newport Beach, Colo.; the bridegroom's uncle, Ralph Riegle, of Reading, Pa.; and Mr. and Mrs. James Shields, of Grand Rapids. Mr. Shields is the bridegroom's former roommate at Western Michigan University.

The bridegroom was graduated from Grosse Pointe High School and received his Bachelor of Science degree in Industrial Engineering from Western Michigan University.

The bride is substitute teaching in the Dearborn area until her husband completes 13 weeks at the Air Force Officer Training School in San Antonio, Tex.

Music Sorority Plans Concert On February 18

Ann Marie Obressa, lyric coloratura soprano, will be presented in concert on Sunday evening, February 18, at 7 o'clock at the International Institute, Detroit, by the Detroit Alumnae chapter of Mu Phi Epsilon, international professional music sorority, and Phi Kappa collegiate chapter of the sorority of Wayne State University.

She will be accompanied by Elenora Skillman, well-known pianist of Detroit.

Miss Obressa has performed extensively throughout the United States and is well known for her work in opera and oratorio as well as her orchestra appearances and solo recitals. She has been the recipient of many vocal honors, having sung as a New York finalist in the Metropolitan Opera Company's Auditions in 1966 and also performed as a finalist in the San

Francisco Opera Company's Auditions that same year.

The Boston, Portland, New England, Erie and Wichita Symphony Orchestras have recently featured her as soloist, and critics and audiences alike have hailed her talent as one of extraordinary promise.

In 1966 Miss Obressa was chosen through a nationwide competition as winner of the Sterling Staff Concert Auditions sponsored by Mu Phi Epsilon. The purpose of the award is to give young member musicians aspiring to a concert career an opportunity to gain nationwide performing experience and exposure.

Chapters of Mu Phi Epsilon located throughout the country present the Sterling Staff Concert Audition winners in concerts, which form a bridge be-

tween the debut and the professional concert career.

Miss Obressa has sung more than 16 concert appearances during the past year in music centers throughout the United States, including Denver, Albuquerque, Portland, Chicago and New York.

In addition to Miss Obressa's extensive performing career, she is a teaching artist-in-residence at Friends University in Wichita, Kan. She is a graduate of the Oberlin Conservatory and has earned her Master of Music degree from Boston's New England Conservatory; she has also studied at the Mozarteum Academy in Salzburg, Austria. Her operatic repertoire already includes over 15 major roles.

Miss Obressa's concert program in Detroit will include the songs of Bach, Mozart, Brahms, Faure, Vaughan-Williams, Ned Rorem, Paul Creston and Vittorio Giannini, as well as the Joaquin Nin arrangement of Five Classic Airs.

President of Detroit Alumnae chapter of Mu Phi Epsilon is Mrs. William Wooster. Sandra Lynn Nort is president of Phi Kappa chapter. Mrs. Charles Woodin is general chairman for the concert.

Assisting are Mrs. Archie Brown, in charge of the Afterglow, and Mrs. Arnold Czarniecki handling ticket sales. Helping with arrangements is Mrs. W. E. Balsler, province governor of the Great Lakes Province of Mu Phi Epsilon. Also assisting are Mrs. Kenneth Chrisher and Mrs. C. E. Zech.

Other members in the area include Mrs. W. Lungershausen, Mrs. clude Miss Anna Husband, Mrs. James Davis, Mrs. Donald Drago, Mrs. John Junker, Mrs. Robert L. Kaiser and Mrs. James Kelley.

Patrons of the Detroit Alumnae chapter are Saul Bernal, Mrs. Carl Beutel, Dr. and Mrs. N. M. Bittlich, Avery Crew, Mrs. William Hohmeyer, Henry Lichtwardt, Kurtz Myers, Mrs. Ben Salon, Walter Schrott, Miss Bertha Siefert, Frank Zocharski and Barclay Deyo.

Concert tickets are available at \$1 each. Information may be obtained by calling Mrs. Czarniecki at 382-6510. Tickets will also be available at the door.

The public is cordially invited to attend.

The Detroit Department of Parks and Recreation's forestry and landscaping division sprayed 304,551 trees last year as part of its Dutch elm disease control program.

Working For Tribute Fund

Elected to serve as 1968 officers of the Tribute Fund of the United Community Services at the Fund's recent annual meeting in the Bloomfield Hills home of Mrs. Robert Taylor were Pointers MRS. GILBERT WHELDEN, assistant treasurer, (left), MRS. EDWARD I. BOOK, chairman, (second from right), and MRS. JOSEPH MURPHY, JR., treasurer, (right), pictured with the Fund supporter MRS. LLOYD PATTERSON, also a Pointer. The Tribute Fund gives emergency health and welfare aid to needy people referred by clinics and social agencies when no other means is available, and sends needy children with special problems to summer camps. It is operated entirely by volunteers using funds from private donations, memorial and congratulatory gifts. Other 1968 officers are Mrs. Phillip Marcuse, vice-chairman, Mrs. Wing O'Brien, recording secretary, and Mrs. William L. Kahn, assistant secretary.

GP Soroptimists Enjoy Programs

The Soroptimist Club of Grosse Pointe, one of Soroptimism's International Classified Service Clubs for Women located in 43 countries, is learning of international relations through its current programs.

A recent program was held at International Institute where, following an International Buffet Supper, Mrs. Lee D. Walters, director of International Visitors, told of her work with visitors from many countries and of arranging visits for them to various institutions, industries and homes in and about Detroit, largely through Volunteer Service.

Dr. Alice Palmer, well-known Detroit physician, spoke to the Club at the Grosse Pointe War Memorial Center, on "The Other Viet Nam," on Wednesday evening, January 24.

Dr. Palmer recently returned from Viet Nam where she and her physician-husband set up a Medical School in Saigon. Her talk on Wednesday evening focused on their work and experiences in establishing this institution.

The local Club is not only interested in international affairs but also concerns itself with local needs in the health and educational fields.

Members of the Club, which is now 12 years old, are justly proud of the students and others who have been aided, and who

are now taking their places in the world—a nurse in the U.S. Navy, a Social Worker in a local parish, a student in nurse training at a local hospital, as well as many handicapped children and senior citizens who have been given pleasure and camp experiences through Club assistance.

Plans are underway to augment the Club's Scholarship Funds through a Scholarship Donation Tea to be held in the spring.

The work of this group of 29 local executive women merits the interest and support of the community.

Woman's Club Group To Meet

The Grosse Pointe Woman's Club Discussion Group chairman, Mrs. E. Richard Murvay, has planned a gala day for Wednesday, January 31.

Members will meet at 12 noon at the Hotel Ponchartraine for luncheon. They will then go over to the Henry and Edsel Ford Auditorium to attend a rehearsal of the Detroit Symphony Orchestra at 2 o'clock.

Pianist Geza Anda will appear with the orchestra and will play Mozart's Concerto in D Minor.

Library Loaned Canadian Films

The Audio-Visual Department of the Grosse Pointe Public Library recently added seven new films to its collection. The films are 16mm sound and are on loan from the Canadian Travel Film Library. They are all in color, entertaining, informative and well done. Covering a variety of subjects, they will be available to our patrons for at least a year. The titles and a brief annotation follow.

ADVENTURE — TRENT SEVERN STYLE (26 min.) The film traces the route from Georgian Bay to Lake Ontario, 240 miles of quiet water highway along sylvan shores.

BREATH OF SPRING (23 min.) A cine-poem filmed in British Columbia, capturing, as nearly as possible, the new surge of life that pervades all of nature during this very special season.

MONTREAL—VILLA MARIO (20 min.) Modern Montreal and the little missionary outpost of Villa Mario founded by French missionaries in the 17th century.

ORISONS (17 min.) Church architecture, stirring music sung by boy, male and mixed choirs together with an interesting commentary make this an unusual and informative film.

ROYAL PROVINCE (20 min.) An interesting film that browses through Nova Scotia's history when inhabitants were fighting for a foothold in the New World through to modern times.

TUNA ANGLING (24 min.) An exciting film about big game fishing, the way the experts do it.

WHERE WINTER'S A PLEASURE (27 min.) This film accompanies a group of expert skiers led by an Austrian instructor through the ski empire of Banff-Lake Louise.

For further information on these films interested readers are urged to call Central Library, 884-2200, ext. 42.

Floriculturists of the forestry and landscaping division of the Detroit Department of Parks and Recreation annually plant 400 flower beds in the city.

ATTRACTIVE RANCH HOUSE

in premium location

And, as you see, it has a fine arrangement for a small family. Well-built with many refinements including a complete G.E. kitchen with built-ins and hanging refrigerator-freezer, roll-down screens, copper plumbing, attic fan, and radio-controlled garage door opener. Shown by appointment.

We have Many Other Grosse Pointe Houses

Are you in the early, time consuming stages of house hunting? The Maxon Plan for sifting out the inappropriate by means of small, simplified floor plans coupled with photographs can lighten your burden (and ours) of preliminary inspections. Drop in at 83 Kercheval Avenue and go through one of our catalogs.

Footnote to Home Owners — The Maxon Plan can save you too the inconvenience of inappropriate, unnecessary interior inspections. If your house is for sale, we'd be glad to inspect it and suggest a price suitable to the current market. We usually sell our listings quite promptly at market prices.

Artists Market To Open Exhibit

The Detroit Artists Market will open an exhibit entitled "Selected Images," which will include paintings by Ray Fleming, Mignonne Cheng, William Szaro and Linda Talaba and ceramics by Michele Doner, on Thursday, February 1, from 3 to 6 o'clock. The exhibit will run through Saturday, February 24.

Grosse Pointers are familiar with the paintings of Ray Fleming, as for the past few years he has held a popular painting class at the Grosse Pointe War Memorial.

Hold Pear Tree Quester Meeting

The January meeting of the Pear Tree Chapter of the Questers was held at Greenfield Village.

Dr. George O. Byrd addressed the Questers, took them on a personally conducted tour of the pottery and glass sections of the museum, and spoke on the early history of American pottery with particular emphasis on early salt glaze pottery.

The Pear Tree ladies later adjourned to the Garden Court for an informal luncheon and discussion of their visit.

Good government is the result of a well-informed citizenry.

Engaged

Photo by Gene Butler

Mr. and Mrs. Robert A. Hackathorn, of Hawthorne road, are announcing the engagement of their daughter, DIANE HAZEN, to William Dodge Bumgardner, son of Mr. and Mrs. Harvey E. Bumgardner, of East Long Lake road, Bloomfield Hills.

Miss Hackathorn attended Grosse Pointe High School and was graduated from Stephens College, Columbia, Mo.

Mr. Bumgardner attended Cranbrook School and is an alumnus of Michigan State University, where he affiliated with Phi Delta Theta.

Offering Series On Good Eating

Following participation in a highly successful "Know Your Wines" course at Grosse Pointe War Memorial, Madame Charity Sucek will begin an "Adventures in Good Eating" series at the Center Wednesday evening, February 7, at 7:30 p.m.

Those who enroll in the Adventures in Cooking program will go right into the Center's kitchen with Mme. Sucek and work under her direction assisting in the preparation of international dishes which she has collected from chefs the world over. In many cases, she has perfected these recipes under the direction of the famous chefs who invented them.

Following preparation of each delicacy, the food is enjoyed by class members in the dining room.

The six-week course is strictly limited in membership. The fee is \$30. Early enrollment is advised.

Adult Ski Club Packs Its Trips

This weekend, Grosse Pointe War Memorial's Adults Ski Club has a sell-out trip to Collingwood, Canada, to ski Blue Mt. and Georgian Peaks. Also their charter United jet trip for 10 days skiing at Vail and Aspen, Col. staying at the new Holiday Inn in Vail and at the new Snow Mass Inn at Aspen, has had its full complement of 96 since November. However, people will be wait-listed with \$100 deposits.

The Club has just two more winter ski weekends which are not filled. One is to Boyne County staying at Birchwood Farms, Harbor Springs, February 9-11. Charter bus, cocktails, meals and lodging for the weekend are \$37.50 for members, \$3 more for guests. Paid reservations should be made immediately.

February 23-25, the Club goes to Traverse City to ski Sugar Loaf Mt. They will stay at the posh Park Place complete with indoor pool and rooftop night club with entertainment. Cost including bus, cocktails, meals and lodging for the weekend is \$36.50 for members, \$3 more for guests. Registrations should be made soon.

DeLaSalle Alumni Dance To Be Held February 2

The annual DeLaSalle Alumni Dance will be held Friday, February 2, beginning at 9 o'clock, at Fraternal Order of Eagles Number 2495 (Club Eagle), on Eight Mile road, East Detroit. Music will be provided by Art Quattro. John V. Wegrzynowicz is chairman.

Reservations may be obtained by calling James Gunn at 273-7300 or George Calcaterra at PR 5-8297. Tickets may also be purchased at the door.

Eastside Chi Omegas Plan Bridge Luncheon

The Eastside Alumnae of Chi Omega sorority's annual bridge luncheon will be held Wednesday, January 31, at 12:30 o'clock, at the J. L. Hudson Company in Eastland Center.

Mrs. Robert Lewis, of Broadstone road, is chairman of the fund raising project. Proceeds from the luncheon will help finance Chi Omegas philanthropic work at Inner City schools.

Bride-Elect

Mr. and Mrs. Thomas J. Moran, of Sunningdale drive, are announcing the engagement of their daughter, PATRICIA MARY, to Brian J. Forster, son of the Andrew E. Forsters, of Birmingham.

The bride-elect and her fiancé were both graduated from Ferris State College, where he affiliated with Lambda Chi Alpha fraternity. He is now working for the Grosse Pointe Public School System.

A June wedding is planned.

DRIVERS SET RECORD

Motorists drove an estimated 44.8 billion miles on Michigan's state highways, county roads and city streets in 1967, the State Highway Commission reports. This is an increase of two per cent compared to 1966 when motorists drove an estimated 43.9 billion miles.

No man who is enjoying life can ever be termed a failure.

Beshke-Klatt Betrothal Told

Mr. and Mrs. Clarence C. Klatt, of Springgarden avenue, Detroit, have announced the engagement of their daughter, Patricia Noel, to Thomas J. Beshke, son of Mr. and Mrs. Clarence J. Beshke, of Pear Tree lane.

The bride-to-be is a graduate of Dominican High School. The bridegroom-elect attended Lawrence Institute of Technology and the University of Cincinnati. An October wedding is planned.

To Hold Mid-Century Toastmistress Contest

Mid-Century Toastmistress Club's final speech contest at club level will be held Tuesday, February 6, at the Cannon Recreation Center in Guilford street, Detroit. Refreshments will be served.

Two of the four non-affiliated judges will be Pointers: Mrs. Fred Flom, of Rivard boulevard, and Mrs. Wallace Temple, of Fisher road.

The Club's regular meetings are held the first and third Tuesdays of every month, from 10 o'clock to noon, at the Recreation Center. Further information on the Club's purposes and activities may be obtained by calling 778-4899.

ALTAR-BOUND

Girls who string a man along are only trying to find out if he's fit to be tied.

NO COMPETITION

Destruction of the free press is a tyrant's way of getting his lies believed.

Betrothed

Mr. and Mrs. Carle Cubberly, of University place, have announced the engagement of their daughter, CORLISS PATRICK, to Rick J. Davis, son of Mrs. Cleodan Davis of Oklahoma City, Okla., and Eldon L. Davis, currently serving with the United States Navy in Vietnam.

Both the bride-elect and her fiancé will be graduated from Michigan State University in March.

A May wedding is being planned.

A record 100,000 Detroit youths last year took part in physical fitness programs sponsored by the recreation division of the Detroit Department of the Detroit Department of Parks and Recreation.

INDIVIDUAL ACTION

No one can map out your life for you because no one has been where you are going.

Dudley W. Maroin Earns Commission

Naval Reserve Ensign Dudley W. Maroin, son of Mr. and Mrs. Dudley E. Maroin of 2059 Ridgmont, was graduated from the U.S. Naval Officer Candidate School at the U.S. Naval Base, Newport, R.I.

He was one of 487 officers from colleges and universities across the nation who attended the 16 weeks of intensive training and became proficient in the naval sciences.

He is now qualified to meet not only the technical problems facing the junior officer in today's modern fleet, but also the special leadership aspect of an officer's life. During the course every candidate observed and put into practice the essentials of the leadership principles necessary to properly equip him to assume his new responsibility.

Philip Garner Combat Artist

Specialist 4 Philip V. Garner of Grosse Pointe, recently displayed his work in the Combat Art Show at Headquarters U.S. Army, Vietnam (USARV).

Specialist Garner, of U.S. Army Combat Artist Team V submitted his complete color studies and sketches for exhibition in the show, bruced by Lieutenant General Bruce Palmer, Jr., deputy commanding general of USARV and the general staff, to demonstrate the accomplishments of the team since its activation November 1, 1967.

Specialist Garner, who joined the team after serving with the 18th Military History Detachment, 25th Infantry Division, Cu Chi, comments, "I'm glad to have been given the opportunity to use my talents as an artist while serving in Vietnam. It has given me the chance to see much of the country and I feel I'm doing my part by depicting for history the role of the soldier in this conflict."

The team will now leave for temporary duty in Hawaii for completion of final paintings through use of color studies and sketches they have illustrated during their stay here. Finished paintings will be displayed in the War Arts Collection, Washington, D.C.

Collecting the necessary ideas for the paintings meant traveling to major units throughout Vietnam. The six-man team visited these units in the field and photographed, sketched and studied scenes of combat operations, off-duty time and daily routines of life encountered by soldiers in the Vietnam conflict.

A 1960-graduate of Grosse Pointe High School, Specialist Garner attended the Art Center College of Design, Los Angeles, Calif.

His parents are Mr. and Mrs. Richard W. Garner, of 255 Lewiston road.

The old game of horseshoes drew 1,000 children to participate last year in tournament play sponsored by the recreation division of the Detroit Department of Parks and Recreation.

Detroit Department of Parks and Recreation buildings for land acquisition, building projects and beautification during the 1966-67 fiscal year totaled \$2,578,642.

Ford Extending Tours of Plant

Ford Motor Company has begun offering more extensive tours of its auto assembly and steel operations in the world-famous Ford Rouge plant.

For the first time, Rouge tours will include final inspection as well as the assembly of new Ford Mustangs and Mercury Cougars, according to R. G. Fischer, acting special events manager.

Tours also have been extended to include the Rouge steel mills and metal stamping operations, Mr. Fischer said. Tours of Ford Motor Company computer operations also are offered by appointment. Large groups are asked to make advance reservations for Rouge tours.

"We are expecting a record of more than a quarter of a million visitors to the Rouge during 1968," Mr. Fischer said. "The numbers have been increasing steadily for the past 10 years, and we might well have passed the 250,000 mark in 1967 except for the auto strike which curtailed tours for two months."

A total of 192,351 persons toured the Rouge in 1967, compared with 240,165 in 1966. Last year's visitors came from every state in the union and all U.S. possessions, as well as from 105 foreign countries.

The admission-free tours are offered from 9 a.m. to 3 p.m. Monday through Friday, except for holidays. The two-hour tours begin in the visitors' reception lobby in the east concourse of the Ford Central Office Building in Dearborn, Mich.

The Detroit Department of Parks and Recreation uses 700 Christmas trees, 1,200 birch logs and 16,000 lights for Christmas decorations in Detroit each year.

The Detroit Department of Parks and Recreation last year staffed 25 senior citizen facilities, offering an average of 300 man-days of activity a month to 25,000 retirees.

Detroit Building Up 30 Percent

Construction expenditures in Detroit during 1967 totaled over \$120-million the Detroit Department of Buildings and Safety Engineering reports. This is an increase of 30 percent over the \$92.6-million of 1966. The 1967 total is comprised of \$73.7-million in new construction expenditures and \$46.4-million in expenditures for additions and alterations to existing structures.

Largest volume of construction was started in July (\$24-million).

Largest single permit was for the new 320-bed \$20-million Children's Hospital of Michigan.

Figures include nearly 2,000 new units being added to Detroit's housing supply.

The total number of building projects undertaken during the past year was down from the 1966 total. In 1967 there were 9,536 building projects undertaken, compared with the 1966 total of 10,745.

Included in the 1967 construction expenditure total is \$10,025,130 for the month of December. This figure is an increase of 123.3 per cent over the December, 1966 total of \$4,488,810.

Detroit construction expenditures are based on cost estimates listed on permit applications received by the Detroit Department of Buildings and Safety Engineering.

Shrine Circus Opens Friday

Three score acts, ranging from an aerial ballet to a sensational performance featuring nine tigers are listed on the Shrine Circus playing at the State Fair Coliseum from Friday, January 26, through Sunday, February 11.

This year's edition of the world's largest indoor winter circus, sponsored by Detroit's Moslem Temple, opens with the spectacular "American Heritage of Circus Floats on Parade" and closes with the death defying "Zacchini's Apollo Rocket."

During the two and one-half hour show, the nationally famous clown "Bobo Barnett" will be a stellar attraction. Jugglers, trampoline artists, acrobats, flying aerialists and three Detroit-based Clowns, Oopsis of TV fame, Rickey, and Joe Short, (84 years young), will also be displayed in the three rings and two stages.

Guy Gossings Perocious Bengal Tigers, Klausner's Giant Bears, Laddies Dogs and Monkeys, The Kirby Chimp Family, The Zoppe Indians, John Cuneo's Horse Revue, and the Kelly's, Cline's, Cristian's and Paul Elephants, Charmette's Ponies and Dogs round out a phenomenal program.

There will be shows at 2 and 8 p.m. daily, Monday through Friday and three shows on Saturday at 10 a.m., 2 p.m. and 8 p.m.

Sunday show times are at 2 p.m. and 7 p.m. All seats are reserved. Tickets are now on sale at the Circus ticket office on the State Fair Grounds, Sears, Hudson's, Grinnell's stores and the Banks of the Commonwealth.

Following the completion of basic training Pvt. Jennings and Pvt. Ellis will receive at least an additional eight weeks of either advanced instruction or on-the-job training to qualify them in a specialized skill.

Pvt. Jennings is the son of the senior Jennings' of Whittier road. Pvt. Ellis is the son of Mr. and Mrs. James E. Ellis, of Brys drive.

Walter Stoeckel, 624 Notre Dame, reported to City Police on Wednesday, January 17, that two chrome hub caps had been stolen off of his '62 Chrysler. Value of the hub caps was estimated at \$20. He was not sure when or where this happened.

Other outstanding performances by St. Paul swimmers were put in by Bob Hurley, Pete Peacock, and Jim Webb. Hurley placed first in the 100-yard backstroke, Peacock nailed down the number one position in the 100-yard freestyle, and Webb rolled in first in the 100-yard breaststroke event.

However, Detroit Cathedral's 1-2 combinations in the 50-yard freestyle, 200-yard individual medley, and diving events gave the opposition a commanding 31-16 lead. The squad sustained this lead by grabbing a first in the 400-yard freestyle and another in the 40-yard freestyle relay.

One thousand new rose bushes were planted in Detroit last year by the forestry and landscaping division of the Detroit Department of Parks and Recreation.

Minnesota U. Women To Hold Benefit Bridge

The University of Minnesota Women's Club will hold its annual benefit bridge luncheon on Friday, February 2, at 12:15 o'clock at the Oakland Branch of the YWCA, located in South Crooks road, Clawson.

Proceeds will be sent to the scholarship fund of the University of Minnesota.

Mrs. T. E. Olson and Mrs. Donald Constans are in charge of the arrangements.

Mr. Shanoski To Claim Bride

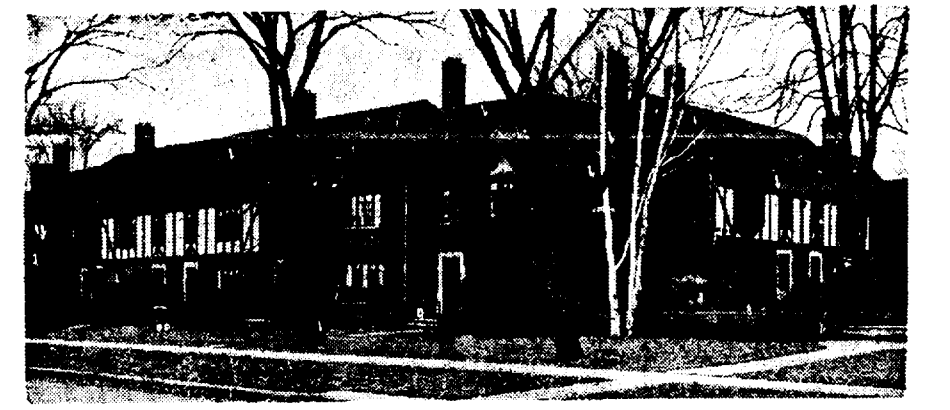

Mr. and Mrs. Lee Townsend, of Rochester, Mich., have announced the engagement of their daughter, Kathy Lorraine, to Daniel Paul Shanoski, son of Dr. and Mrs. Stanley J. Shanoski, of Lochmoor boulevard.

Perfection may never be reached in this life, but it's still worth reaching for.

Miss Townsend is a senior at Michigan State University and her fiance is a senior at Wayne State University.

A June wedding is planned.

Detroit has 550,000 shade trees on city streets and boulevards which are regularly maintained by the forestry and landscaping division of the Detroit Department of Parks and Recreation.

OPEN SUNDAY

744 Lakepointe Ave

WE APPLAUD the opening of another Purdy & Edgar "hit" which is sure to draw rave notices from you critics who have seen every four bedroom, three bath production being shown today. This one outpaces all those others which are priced in the "below fifty range." For your convenience we are holding a matinee performance at 2:30 Sunday afternoon. So queue up for this one early — it's really a "good show."

BY APPOINTMENT

MAKING A FIRST appearance, and we think a real certain raiser, is this very large Italian villa. The setting is a private, deadend street somewhere in Grosse Pointe. The sound of water lapping against a breakwall can be heard, indicating the house is not far from a lake. Entering the large center hallway we see entrances to four social rooms, which include a solarium, sitting room, living room and dining room. In the wings are a library, modern kitchen and various storage rooms. Upstairs there's room for a cast of thousands. Get your reservation in to see this one before it's sold out.

OUR NEXT little production is a low budget number which is sure to catch the attention of the smart investor. This two family income offers three bedrooms in each unit. The owner could live in one, while a tenant in the other would play a supporting role.

THE OWNERS wish they could take this one on the road, but you can see the original production in the Deeplands area. Four family bedrooms, each with its own bath is a tough act to follow. The view from the terrace is of lush trees and a piece of the lake. Several "first nighters" have already cried "encore." So better see this before it makes its final bow.

PUT YOUR own "show" together and we'll provide the perfect setting with a backdrop of Lake St. Clair. Instead of that backyard fence you'll have a break-wall on the lake and over 100 feet of frontage on a canal. \$25,000 can put you in this scene. Why not act now!

"A national debt, if not excessive, will be to us a national blessing." —Alexander Hamilton

who, where and whatnot

by whoozit

If there isn't at least one "unusual" telephone conversation... every day, the NEWS Classified Advertising Department considers that day lost... A Case In Point: Last week, one of our "Classified Ladies" dialed what she THOUGHT was the number of Smiley Brothers, a regular NEWS Classified advertiser, to check on some item in their current ad... But when an unfamiliar voice answered, the lady, who had learned to recognize Smiley's employes by ear, hesitated, then asked, "Are you Smiley Brothers?"... "No," replied the Voice-on-the-Other-End-of-the-Line, "this is the DSR... but we smile a lot..."

Classified Advertising... doesn't have a monopoly on "unusual" NEWS calls, however... Just a few days ago, an Editorial Department staffer spent 15 minutes on the 'phone, trying to explain to a proud mama just WHY the NEWS couldn't put her daughter's engagement announcement in on Sunday, the 28th, ("You see, madam, we're a weekly paper; we only publish on Thursdays... Now, we'll be glad to try to get your daughter's engagement in on Thursday, the 25th, or Thursday, the 1st...")... But Mama wasn't having any: "What you mean," she said angrily, "is that you WON'T put my daughter's engagement in on Sunday?"... "Yes, ma'am," replied the patient staffer, "you see, we really can't..." "In that case," said Mama, "just forget the whole thing!"—and she slammed down the 'phone...

We understand... there are several delightful parodies making the party rounds, "Disappointer Of Parodies" articles whose subjects are the HUSBANDS of recent "Pointers Of Interest"... Luckily, all the men profiled have EXCELLENT senses of humor...

And, speaking of "Pointers Of Interest"... a Birmingham resident, publicity chairman for a large organization which draws its members from all sections of the Metropolitan Detroit area, "phoned recently to ask about the possibility of one of her organization's Pointe residents being "done" as a "Pointer"... Details were worked out, to everyone's satisfaction, and the caller started to conclude her conversation by saying how much she enjoyed the "Pointer" articles, how she wished her own paper, the "Birmingham Eccentric," would start a similar weekly feature... Suddenly, she began to laugh: "I suppose it could never go over," she said, between chuckles. "Who'd want to be known as 'Eccentric Of The Week'?"...

Perfect Put-Down Department:... A lady we know, a most knowledgeable opera buff, decided a while back to augment her radio and record listening sessions with some reading material... So off she went to the public library, found the proper shelves, and was approached by a Most Distinguished-Looking Library Staff Member, (exactly the sort of person one would EXPECT to find in the Grand Opera Section of a library), who asked, in a hushed and cultured voice, "Madam, may I help you?"... "Yes," the lady replied, "I'm looking for material on 'Aida'..." "What," said the gentleman, his voice still more hushed and cultured, "sort of material?"... Now, this gentleman's hush-and-culture was beginning to "get to" the lady; she had the feeling she ought to have dressed for the conversation, (at the very least, taken off her snow boots); she just wanted to get her material and be gone... "Uh," she said, her mind suddenly blank, ("There is a word for what I want — What is it? What is it?"), "uh... I'd like the lyrics..." The gentleman stiffened. "Madam!" he announced. "YOU mean THE LIBRETTO!"... Did you ever see a lady SLINK out of a library?

PILFERINGS

Peter Ustinov tells this story of a matinee performance.

Latecomers were still straggling in when a lady's voice from the audience began counting, "One... two... three" in a loud voice. The suspense got worse as the counting continued. The other actors and I began to forget our lines in our fascination with the disconcerting performance in the audience. "Six... seven... eight..." There was complete confusion on stage.

Finally the lady got to ten. She half rose in her seat, waved toward the back of the house and chirped, "Yoo-hoo, Penelope, here I am — in the tenth row!"

—Charlie Rice, "This Week" Magazine

A Chicago stockbroker has a mother who just celebrated her 88th birthday. "When she reaches 90," he predicts, "she won't have a party. She'll just split three for one."

—Bennett Cerf

Wearing a short back lamb's-wool jacket, my mother was standing on a street corner waiting for the light to change. Next to her, on a leash, stood our black standard French poodle, Toni, with his customary short plain clip. A bystander looked solemnly from Toni to Mother's coat and back again. Then he leaned down and said to Toni, "You be good, now. You see what happened to the last one?"

Pointer of Interest

MRS. HARVEY O. DIXON, JR., OF WILLOW TREE PLACE

By Janet Mueller

Phyllis Dixon, suddenly awake, sat up in bed. It was several hours past midnight on one of the first mornings of the New Year, a cold, dark, wintry hour in a cold, dark, wintry season. And something had just "clicked" in Phyllis' brain...

She thought of the piles of Fashionscope Spring '68 invitations, about 5,000 of them, addressed and stamped by members of the Women's Association for the Detroit Symphony orchestra, Fashionscope's sponsor, well before Christmas.

They were ready to be mailed on the previously agreed-upon date of January 15, addressed, stamped...

Stamped! That "click" sounded in Phyllis' brain again. Of course, they were stamped, but with FIVE CENT STAMPS! And the Post Office had just announced a one-cent increase on all first-class surface mail, effective January 7...

The next morning, Phyllis contacted Fashionscope's invitations chairman and instructed, "Mail 'em all out on the sixth..."

Crisis Surmounted So passed the Stamp Crisis, and Phyllis Dixon, general chairman of Fashionscope Spring '68, remained as always on top of her job...

The Fashionscope chairmanship hasn't been an especially easy job to stay on top of this year. Phyllis accepted it last June, worked through the summer rounding up her "original" committee — then learned, in October, that the Show's dates would have to be changed, from mid-March to February 27 and 28.

This change in dates played havoc with her original committee. Many of the women who volunteered their services for a March Fashionscope had made February vacation plans, worked other commitments around the original Fashionscope dates.

So Phyllis set to work, rounding up a second Fashionscope committee...

Then came the downtown newspaper strike. Since Fashionscope was to be staged a month earlier this year, Phyllis had counted on the downtown dailies to help "spread the word." Now, there were no downtown dailies...

Luckily, Phyllis Dixon doesn't panic easily.

The Dixons, (he's a sales representative), have two children. Daughter Riley, 24, lives at home and works for American Airlines. Son Philip Sargeant, 20 this month, is a sophomore at Eastern Michigan University.

A Southerner, (she's kept her "drawl"), Phyllis was born in Raleigh, N.C., lived in the same house until she was married, then began her "Moving" Period as Harvey's business transfers took his family to Pennsylvania, Illinois, New Jersey Ohio...

The Dixons arrived in The Pointe almost 18 years ago; their arrival here marked the end of their Moving Period.

Built New Home

Their present home, in Willow Tree place, is new. Phyllis watched it being built, stood in the backyard of the Dixons' previous home in Hampton road, which backs up to Willow Tree place, and watched the walls of the "new" house, (it wasn't "her" new house then), rise, walked through its unfinished rooms and fell in love with it. Finally, she persuaded Harvey to go through it with her—and he, too, fell in love.

"Six weeks from the day we first saw the house together, we were 'in' and completely settled," Phyllis recalls proudly. "The carpets were down, the draperies up, the furniture in place..."

Obviously, Phyllis' Moving Period was in no sense Time Wasted. Harvey's only stipulation, as far as furnishings were concerned, was, "Don't make the house formal."

were little, I was CONSTANTLY a Room Mother—I finally told Riley and Phil to keep their hands DOWN when the teachers asked, "Whose mother is willing to volunteer...?"

Scoutmaster 12 Years Harvey started the Ferry School Boy Scout Troop, finally gave up his position as scoutmaster this year, after 12 years' service.

He's a past-president of the Ferry Parent-Teacher Association and has worked with the Grosse Pointe Board of Education Planning Commission.

Phyllis recently completed a two-year term as president of Hutzell, (formerly Woman's) Hospital Volunteer League.

She joined the League 12 years ago, some two months after its founding. She has worked at the Hospital four hours a day, one day a week, ever since, and has held a variety of League offices and chairmanships.

"We, (the League members), run the coffee shop and gift shop," Phyllis explains, "and we raise money for the Hospital through rummage sales, special projects..."

"I can't emphasize enough how dedicated and hard-working the League members are... There are only about 150 of us in all, but, in the two years I was president, we raised \$70,000 for the Hospital..."

Want Over \$10,000

Phyllis' Fashionscope goal is more modest: The Women's Association for the Detroit Symphony Orchestra hopes to raise "in excess of \$10,000" for the Symphony's Maintenance Fund via sponsorship of Detroit's largest most comprehensive showing of spring fashions, in cooperation with the J. L. Hudson Company, in Hudson's Downtown 12th floor auditorium (the afternoons of Tuesday, February 27, and Wednesday, February 28).

Fashionscope starts both days at 2:30 o'clock, and will be followed both days by a tea in Hudson's Woodward Shops.

Hudson's Fashion Coordinator Madelyn Coe will be at the microphone, describing and commenting on the newest spring styles.

The Fashionscope name was copyrighted in 1946, when the Women's Association and Hudson's joined forces to present a style spectacular at the Music Hall. Since then, it has been one of the most eagerly awaited annual events on Detroit's Fashion and social calendar.

200 Women at Work

"About 200 women are working, in some capacity, for this Spring '68 Fashionscope," Phyllis says proudly, "and they are all, without exception, MARVELOUS workers..."

This is Phyllis' first Big Job for the Symphony Women. "I joined the Association six years ago," she says, "but I really never did anything except odd jobs, addressing, mailing, things like that, until Fashionscope '68."

"We've had our problems this year, but we've had fun, too. We laugh a lot. And I think we really like each other."

"I gave a small cocktail party a while ago, for the Fashionscope committee heads and their husbands, and I worried a little — after all, the only thing I KNEW these people had in common was Fashionscope—but I needn't have: Everyone got on very well with everyone else... I really think it was one of the nicest parties I've ever had..."

Has Fashionscope Case

Phyllis' Fashionscope Attache Case, (a friend made it for her, gluing a decoupage Fashionscope Spring '68 Request-For-Volunteer-Workers Flyer to a square varnished straw frame), is bulging with papers and lists, memoranda on the suburban bus parties planned for both Fashionscope days, notes on

VINO ROSSI

(Wine sauce for ice cream)

Contributed by Mrs. Charles Abbott

1 can frozen grape drink, sweetened
1/2 to 1 C. sweet red wine (cherry or grape wine)
1-1/2 Tbsp. cornstarch

Thaw grape drink and bring to boil in a saucepan. Add cornstarch mixed with a little cold water, enough to thicken juice. Add wine to taste. Cool. Serve over ice cream.

ticket sales, especially the new this-year Anniversary Patroness Ticket sales, reports on the Fashionscope Committee members' tea held recently at the Three Mile drive home of Mrs. Joseph Louissell, the "Victory Tea" Mrs. Edward M. Cole has promised to give in her Bloomfield Hills home a few days before the Show...

And after the show... "I plan to use my Attache Case as a beach bag this summer," Phyllis smiles.

And next year... "We'll take a trip! I'm not going to do a thing," Phyllis promises herself...

But she has her fingers crossed. That particular promise-to-herself is one Phyllis Dixon has made, and broken, before.

Elect Goodnow DAC President

Nathan B. Goodnow, 75 Handy lane, attorney, was named president of the Detroit Athletic Club at the organization meeting which preceded the annual formal stag dinner for past and present directors Friday evening, January 19, at the DAC.

He succeeds Jervis C. Webb, president and general manager of Jervis B. Webb Company.

First and second vice-presidents, respectively, are Lynn A. Townsend, of Bloomfield Hills, chairman of the board, Chrysler Corp.; and William A. Prew, of Birmingham, president, Allied Underwriters, Inc.

Carl Johnson, 15725 Windmill Pointe drive, vice-president, Parke Davis & Co., was elected to the post of secretary.

Joseph H. Carey, of Detroit, secretary-treasurer, Kelsey-Hayes Co., is the new DAC treasurer.

Earlier in the week six nominees from a slate of 12 candidates were elected to the Club's board of directors.

In addition to Prew, Carey and Johnson, who were on the slate, other new directors named include William M. Walker, Jr., 815 Ellair, Grosse Pointe Park, general manager, United Motors Service Div., General Motors Corp.; Fred H. Rollins, Jr., of Birmingham, president and general manager, Rollins Furs, Inc., and Malcolm L. Denise, 1 Stratford Place, Grosse Pointe Farms, vice president, Ford Motor Co.

Serving again as assistant secretary is Marian E. Marshall. Robert W. Stocker is comptroller.

Bottle Breaks Store Window

While on routine patrol on Sunday, January 21, City police officers Donald Steckman and David Teolis noticed the right side of the front window of Notre Dame Pharmacy, 10926 Kercheval, was cracked.

They found a soft drink bottle at the base of the window, which had apparently been thrown from a passing car. The owner of the store was notified.

Carl's Corner

A poem by Lynn G. Stedman gave me this thought for today.

In this world of Joy and Sorrow,
In this world of Love and Hate,
There could come a good tomorrow,
If each side would give and take.

Pointe Counter Points

by Pat Rousseau

Cupid... has a gleam in his eye and valentine gifts from the Walton-Pierce Fine Jewelry Collection. They're so beautiful, really more effective than arrows. Other delightful presents can be found in the Lingerie Department and among the handsome handbags and stylish accessories... all so fashionable and lovable.

Love... those curly heads being newly styled at Leon, 17888 Mack Avenue. It seems the soft romantic look is the look of fashion and to borrow a lyric, "The Look of Love". Don't wait! Practice being one of the prettiest valentines around with an appointment now. If you like add a few more curls for evening by adding a new hair-piece. For gals, Nino does the most beguiling things with ribbon entwined in longer back curls. TUzedo 4-9393.

Valentine... to a kitchen. A Mutschler kitchen because of its advanced design and versatility becomes more the heart of the home every year. It's a kitchen that keeps up with your changing needs and the changing times. Choose from Contemporary, Early American or Spanish models at 20227 Mack avenue.

Pretty Please... ask for fashion's favored look at the beauty bar in Michelle's Boutique at Leon, 17888 Mack Avenue. They not only have the make-up but the know-how to style that softer romantic face. Do call for an appointment to be sure of individual attention. While there, notice how Michelle remembered to buy those hard-to-find men's presents in her thoughtful and unusual gift collection. We particularly like her new selection of ties.

Trousseau Time... for you? Claire Pearone told us about her new service at 397 Fisher Road. You can make an appointment with her bridal consultant. She will help you choose and coordinate your lines from a very beautiful new collection of table settings, sheets and pillow cases, towels and accessories. Some are on display... so drop by and see them or call for an appointment... TUzedo 2-3500.

Martha and Mary Jo... just couldn't help opening those boxes, newly arrived at Tres Chic Boutique, 18700 Mack avenue. Their curiosity will treat you to samplings of the resort and spring fashions which are planned for Martha's Closet. They will be moving soon. Watch for the announcement.

Their Very Own... and very excellent products... first we'd like to mention Notre Dame Pharmacy's exclusive formula Silicone Sun Screen which is included in ski as well as swim plans. Then there are hand cream and protective hand cream for problem skin. Their hair spray has become a favorite of the Pointe's prettiest. These are a few of Notre Dame Pharmacy's quality products. Discover them at 16926 Kercheval.

Planning A Valentine Party?... A stop at The Sphere, 19849 Mack Avenue, will simplify things. They have coordinated plates, napkins, cups, table covers and other party accessories which would please Cupid, himself. Other entertaining coordinators will make future party planning easy and fun.

Refreshing... new color for carpeting... crushed pineapples... see it along with all the fresh new Cabin Craft's colors at Ed Maliszewski, 21435 Mack Avenue. Speaking about color, did you know Carter's have one hundred-fifty colors from which to select your cotton bathroom rug? They will also make them up to size. Almost custom... except the price! (776-5510)

Adore A New Kitchen?... Let one of the kitchen experts at Kitchen Remodelers Inc., 15218 East Jefferson, show you how to save money on kitchen planning. Then let their interior decorator, Miss Mary Anne VanderWeele, do a color rendering of your new kitchen... Phone LO 7-2400 for a free bid or visit the beautiful showrooms.

Foil Streaking... and nothing else? Mr. Dennis, who so many of you know for his expert styling and as a hair colorist is now at Edward Nepi Parrucchiere, 19463 Mack Avenue. He is one of the few, who do foil streaking. Call TUzedo 4-8858 for an appointment with Mr. Dennis. By the way, the salon has had so many requests for Princess Marcella Borghese and Revlon cosmetics to be delivered to the home. They are happy to continue this service at no charge.

Play Is The Method... but music is the point of "Musical Playshop." Last week we told you about Mr. McHugh's new guided program at his school on Fisher Road. He believes in familiarizing the child with music through improvising freely for tonal effects without restricting of scale patterns. Of course, there's a lot more to it... so for more information, do call TUzedo 5-6215. Mr. McHugh tells us the beginning age is four and the classes are limited.

4 Ways... to get from the east side to Metro Airport... 1. Take a cab, direct. 2. Take a cab downtown and transfer to a bus. 3. Drive your car. 4. Ride the Royal Coachman Limousine, direct, at one-half the price of a cab, with no inconvenient transfers to make and avoid parking problems. If you prefer number 4... phone the Royal Coachman, TUzedo 6-1322.

Features... at Wesfields, 15506 Mack at Somerset, include a captain's plate with golden brown crab meat cake, Wesfield's famous fish, creamy cole slaw, tartar sauce and a lemon wedge. Sometimes beef stroganoff over buttered noodles, a tossed salad with a warm roll and butter is another special in a tempting and changing menu. Plan on dinner at Wesfield's.

Heavy But Not Haphazard... when selecting fashions... Mrs. Harms, who wears large sizes has hand-picked dresses. You'll find them at The Ports of Call, 23220 Mack Avenue. She has a good philosophy about dressing for the heavy woman. She believes in attractive colors and on an A-line. Both are excellent ideas. See her styles for you.

Mrs. Ronnie Atkinson... back from the Furniture Show in Chicago, told us news about Wicker World, 28643 Mack Avenue. Because many new things are arriving from the show, there is a Sale with twenty per cent marked off... so many decorative things. By the way, decoupage classes, day and evening, will be starting about the end of the month. For information call 886-5542.

Sitting... in Tres Chic Coiffures, 18700 Mack Avenue, is like looking at this month's "Vogue Notebook." The latest in hair design is being adopted by the smartest most stylish ladies here in Grosse Pointe... 886-1377.
