Vernier Bus

(Continued from Page 1) decide if the route is profitable. Mr. Morrill is confident that SEMTA will be able to purchase the \$25,000 minibus, currently on loan from Highway Products, Kent, O., if the line is able to maintain its present level of passengers. Commuters should not take the increased shuttle service for granted, since there was a possibility the recommendation would not pass in the November regular meeting of the Shores Village Council. When the recommendation was first proposed, one trustee reminded the council that the same measure did not pass several years ago because the council had determined it was not in the best interest of the community.

Trustee Alfred R. Glancy Jr. recalled that the principal objection was that the bus would create a nuisance by its turning on Lakeshore Road at the termination of the route. The Shores residents were also concerned that a bus transfer point would be created on the corner, since the Vernier line would link up with the Jefferson Beach Bus which runs along Lakeshore. Trustee Daniel R. Beck reminded the council members that they had been behind SEMTA in September when they proposed to operate the Lakeshore division, and that he thought the council should consider carefully every SEMTA recommendation.

The Shores was the first of the Grosse Pointe communities to approve the SEMTA proposal to operate the bus service. "We wanted SEMTA in, and I think that we should approve of the plan on a tentative basis with a small bus," Trustee Beck advised the council. Trustee Glancy pointed out that the extended bus line could help the congestion around North High School in the morning and afternoon by fewer students driving to school.

The council was still concerned that the bus would create a nuisance and a traffic hazard by its turning on Lakeshore, but when they voted on the extension, they waived this possible problem, thinking that it was in the best interest of the community to extend the bus service. In a short interview with Shores Village Superintendent Thomas K. Jefferis, he told the NEWS that there had been no complaints over the extension of the Vernier bus route, and that no problems had arisen from the bus turning on Lakeshore.

Young Writers Show Ability

By Pepper Whiteleaw Winners of the Brownell Middle School Writers Awards Contest were announced in last week's issue of the NEWS. This week we are printing two of the winning entries.

The first, written by Elaine Knipp, is called "The Flower."

Her fine, wispy hair is pulled back into a small, old-fashioned knot on the top of her head. Old age is there in the wrinkled face, creased with lines of worry over grown children she'll never believe are capable of taking care of themselves.

She is a tiny woman, very thin and frail. Bony fingers, at one time deft and competent with diapers, turkey dinners, runny noses, and peanut butter sandwiches, now lay idle.

Her large gray eyes reveal a loneliness known only to the forgotten, to whom days seem endless and night, an eternity.

A small hand shyly reaches up and lays a flower in her lap. Her heart is warmed by this simple symbol of caring. She looks down at the toddler taking shaky steps back to his mother. A proud smile is on his face and there is a smile on her face, too.

Carrie Smith's offering is called "Eternal Question Unknown."

I have a life, but not my own, I see.

Directed by a force, unknown to me,

I'm programmed.

The way my existence should be is decided,

By others.

Like a puppet I must obey.

But who's pulling my strings?

My mind is searching while made to do

Certain things.

Is it when my life is ended that it really begins?

Turkey Pushed By Roast Beef

By Pepper Whitelaw
Now that Christmas is over, the NEWS was curious about what some of the most popular gift and food items were in The Pointe. So we talked with some of our local merchants and came up with some surprising and some-not-so surprising information.

For example, in the food department, local specialty shops had a real run on plum pudding, fruit cakes and wines. And although turkey was king in the main course department, roast beef ran a close second as a Christmas dinner favorite.

Flowers, always a favorite gift in The Pointe, hit a high mark during the Christmas season. Naturally the Pointsettia was the leader but carnations and red roses were almost as popular this year. Wives selected slacks as their favorite gift item for their hubby with after-shaves, colognes and jewelry running close behind.

As always perfume and jewelry topped the men's shopping lists with the addition this year of hostess gowns.

In the teenage department, the hot comb/brush topped the list hands down. The whole area is just buzzing with styling combs and brushes.

It looks as though Pointers really had a Merry Christmas! AND were pretty good Santa's helpers too!

Youths Arrested On Drug Charge

Farms patrolmen Gerald Deburghraeve and Johannes Winter on routine patrol early Monday morning, December 27, when they stopped a '68 Chevrolet panel truck for heading a defunct right front headlight at the corner of Mack and Calvin.

As the policemen approached the truck containing two youths, they detected a distinct odor of burning marijuana coming from inside the truck.

As they ordered the two passengers from the vehicle, Hugh Kevin White, 17, 156 Moross, and Gregory Walter Zajdel, 19, 15837 Linnhurst, Detroit, a needle and cover dropped from the Zajdel boy.

Both suspects were immediately placed under arrest, and the two Farms policemen searched the truck and the area surrounding the vehicle. The search produced an empty pill container, which Zajdel admitted was his and had contained marijuana.

At the Farms station, White admitted smoking marijuana in the truck, and when asked what he had done with the remains of the cigarette, he stated that he had eaten it.

The suspects were to be released on \$25 appearance bond after their arraignment. They are charged with possession of narcotic paraphernalia and alcohol, and their court date is set for Wednesday, January 28.

Coin Purse Left At News Office

Some lady visitor to the NEWS office, 89 Kercheval, is missing something.

A brown and furry coin purse has been resting comfortably here for around a month. The purse contains one Dwight D. Eisenhower silver dollar, one quarter, two dimes, two pennies, and three screws and a nut.

So if you're wondering where you left your coin purse, the NEWS has it.

Plan Love Feast at Memorial Church

The Grosse Pointe Memorial Church will hold a Moravian Lovefeast on Sunday, January 2, at the 11:15 service only. The lovefeast is a centuries old tradition of the ancient German religious sect known as the "Unitas Fratrum" which predates Luther's Reformation. The Lovefeast idea is based on the second great commandment that Christ added to the Mosaic Law, "Thou Shall Love Thy Neighbor as Thyself."

A simple meal of hot coffee and a bun is provided to the congregation in the pews in expression of our brotherly, human fellowship and is not a form of Holy Communion. The Service is primarily one of hymn singing with the Festival Choir in the rear balcony performing the Moravian Chorales and special anthems of the Early American Moravian literature during the eating of the Lovefeast.

January 2 was chosen for the Lovefeast in order to give students and friends home for the holidays a chance to take an active part in a worship service. A dress rehearsal is being held on Thursday, December 30, from 7:30 to 9:30 p.m. in preparation for the service.

Mrs. Leo Cowling, a former Moravian from Bethlehem,

Pa., is the Lovefeast chairman and has provided the artifacts for a Moravian display at the church. Mr. and Mrs. Richard Lehmann, former owners of the Village Manor, will handle the baking of the Lovefeast buns and the coffee preparation. James Hoyt has provided the wooden coffee trays and Rudy Hirt the baskets for the buns.

Mrs. William Boyd is chairman for those serving the Lovefeast and Paul Kelley has provided the Historical Research notes on the early Moravians who sailed up Lake St. Clair from Detroit and

settled for a short time in the Mt. Clemens area on the Clinton River.

Moravian drive was carved out of the forest by these colonists as the first road connecting Mt. Clemens with Detroit. Malcolm and Marian Johns will direct the music which includes a Brass Choir of David Schadier, Douglas Edwards, Steve Kennel, Fred Parcells and Fred Beyer. The participating ministers will be Dr. Ray Kiely, Richard Mitchell and Gene Locke. Mrs. Johns, the daughter of a Moravian minister, is co-ordinator for the Lovefeast.

Pointers Active For Sexton Fund

Two Pointers, William H. Verhelle and Donald M. D. Thurber, are actively working to establish a fund for aid to those men missing in action or being held as prisoners of war in Vietnam. Mr. Verhelle is vice-president and treasurer of the Sergeant Sexton Fund for Missing In Action and Prisoner of War Aid and Mr. Thurber is secretary of the fund.

Initial mailings have been sent to residents and businesses in south Macomb County according to fund president, Dr. John Dimitry. The fund was created at the request of Staff Sergeant John C. Sexton, Jr., who was released by the Viet Cong on October 8 after 26 months as a prisoner.

It was organized to provide aid to those missing in action or who are prisoners of war and their families, with Sergeant Sexton serving as honorary chairman.

Dr. Dimitry said, "Even before any formal request for financial support, which we are now sending out, the fund has received contributions from various organizations and individuals from around the country, many simply addressed to the fund without any street address. We hope that the present mailing in the home town of Sgt. Sexton will give us a clear indication of the support that people are willing to give to help those who are reported missing in action or prisoners of the Viet Cong."

The appeal consists of a letter signed by Sgt. Sexton asking for financial support of the fund in order to help in "gaining the release of American POW's, in locating and aiding MIA's and in bringing comfort and assistance to the families who love them."

"I'm not a hero. I'm merely one of the very few lucky ones who was a prisoner of the Viet Cong and is now home safe, united again with his family."

"I want to help them because I know first hand their despair, loneliness, and helplessness, and I'm asking you to assist in helping them," the letter explains.

Sgt. Sexton has stressed in public appearances and writing that none of the contributions will benefit himself, but will be used for the purposes stated in the Fund's article of incorporation.

The Fund address is: Sgt. Sexton Fund, Tri-City Bank, 36000 Van Dyke, Warren, Mich. 48090. Phone 758-4000. The Fund has been incorporated as a non-profit Michigan charitable corporation.

How to Banish January Blues

By Pepper Whiteleaw
With Christmas behind us and the New Year practically here, it's time to prepare for the "January Letdowns."

You know what those are. Days with nothing to do. Just what you hoped for during the holidays but now you don't like it at all. You're bored to death!

Well, here are a few suggestions which should help to make January bearable.

How about celebrating "Charge Account Payment Days?" We could make confetti out of our old charge slips. Decorate our windows with gaily imprinted charge-a-plates and sing "Everything I Have Is Yours."

Or we could have an old-fashioned tree burning cere-

mony right in the living room (that's a quick, sure way to dispose of the Christmas tree, and saves a lot of "putting away" time).

Or we could plan a masquerade party wearing clothes we received for Christmas, like that size 12 dress, (you can hardly get into a size 16). The men could wear their Christmas ties complete with mermaids and handpainted flower and the teenagers could wear those pinafores and buster brown shirts they received. (I know, it seems as though it was only last year that the kids looked terrific in them).

Or how about "Exercise Day?" Invite all our friends over to do sit-ups and push-ups they will help push out all

those excess pounds we put on at holiday cocktail parties. Or how about a whole day devoted to honoring those peo-

ple we forgot to send Christmas cards to? These tips ought to keep you busy clear through Ground

Hog's Day and if by that time you're still not yourself may we suggest you follow his lead.

WHEN'S THE LAST TIME SOMEBODY OFFERED YOU 5% WITH NO STRINGS ATTACHED?

To earn that kind of interest many other places, you'd have to agree to leave your money on deposit for a period of time. At least 90 days. Maybe longer.

Starting January 1, at First Federal, you don't have to agree to anything to make 5%. Because that's the rate we'll be paying on our Regular Passbook Savings Account. That's right. Your money will earn 5% per year daily interest, paid and compounded quarterly. It's sort of our way of saying, "have a Happy Prosperous New Year."

You get the best of two possible worlds. Your savings will earn at the very highest rate of interest available on a regular savings account in the Detroit area. (Nobody pays higher.) And your money is available whenever you need it. You can add to

your account . . . or withdraw all or part of your savings at any time. With no penalty.

If your answer to our original question, "When's the last time . . ." was what we think it was, we'd like to ask you another.

Advice Ignored By Hitchhikers

Farms Policeman Otto Glanert warned two 16-year-old boys not to hitchhike on Moros on Wednesday, December 22. However, after the policeman left the scene, the two boys stepped right back into the street and continued to hitchhike, resulting in an arrest by the Farms policeman.

Officer Glanert had first spotted the two boys hitchhiking while cruising south on Moros road. He informed the boys that it was against the Farms ordinance and the two boys complied by stepping back onto the sidewalk.

A few minutes later, the Farms policeman noticed that the boys had stepped back into the street. After turning the scout car around to apprehend the boys, he saw the boys run between two Moros residences in an attempted escape. The policeman pursued the youths and apprehended them on the property of the Country Club of Detroit. After being taken to the Farms station, the boys were turned over to their mothers.

Center Groups Plan Ski Trips

The Grosse Pointe War Memorial Ski Club (Adult) leaves a week from tomorrow for the North Country and a weekend at the slopes at Boyne Mt., staying at both Boynehof Lodge and Hemlock Chalet.

A charter bus will take them up and back. The bus will leave the Center at 6 p.m. on Friday, January 7 returning on Sunday, January 9.

Staying at the Hemlock Chalet four to a room, private bath is \$45 per person with bus transportation \$10 additional; staying at Boynehof Lodge two to a room with private bath is \$65 per person with bus transportation \$10 additional. Included in this package are meals at Boyne's Main Dining Room, lift tickets for the weekend, two ski lessons and all taxes and gratuities.

The same day, January 7, both the Junior and Senior Schuss of the Ski Hi Club will go on a Twilight trip to Pine Knob and the following weekend, the Junior and Senior Schuss will go on a weekend trip to Boyne Country where they will stay at Wolverine and ski Boyne Highlands, Thunder Mt., Boyne Mt. The weekend trip to Pine Knob is just \$5 for members with \$1 mandatory ski insurance. Immediate registration should be made at the Center. There will be another Twilight on January 21.

There are still a few places left for the weekend trip to Boyne Country. The cost of \$38.50 covers round trip bus transportation and transportation at the slopes, two nights lodging, three meals, chaperonage, ski instruction. Snacks at the slopes and towels are extra and mandatory ski insurance is \$2.50. As this is the only trip to Boyne open to the Junior Schuss, they are urged to register at once at the Center office.

The Ski Hi Senior Schuss will have a second opportunity to visit Boyne Country on January 27 staying until January 30. This trip is \$48.50 with ski insurance an additional \$3, and covers the same round trip transportation and transfers to the slopes but includes three nights lodgings and five meals.

A built-up desire to get even has been many a man's downfall.

Firemen Receive Christmas Gift

By Roger A. Waha
It can be an extra lonely time, when men in uniform have the duty on Christmas Eve and Christmas Day.

Whether they be firemen, policemen, or servicemen, and whether they be a mile from their home or thousands of miles, Christmas is a time which brings fond thoughts of family, home, and sharing. At the same time, it's important that they know they're not forgotten.

On Christmas Eve, men of the Park Fire Department received a warm gesture from Mrs. Richard V. Bell, Jr., 1084 Wayburn, when she personally delivered a large box of homemade Christmas cookies to the station.

A card containing the following poem, was enclosed:

"You've given up your holiday To help out if there's trouble If we ever have to call, You'll be there on the double.

"Dear Santa says that if we care We'll find a way to show it So here's to you guys one and all You're great and you should know it!

"This isn't much, to say the least But from Captain down to Rookie I've yet to meet the man alive Who can resist a homemade cookie!

Thanks, & Happy Eating
Terri, Rick and Richie Bell
Grosse Pointe Park."

FALSE ALARMS
Police cars raced to Ahee Jewelers, 20139 Mack, when the alarm went off on Monday, December 13. Corporal Robert Setchell of the Woods Police Department received a report from the Guardian Alarm Company. Upon their arrival, however, the owner advised the police that the alarm had been set off accidentally in the store and that all was in order.

Be sure you are right—then pause a moment for reflection.

Shores Adopts Tree Program

The trustees of The Shores have approved a five-year tree planting program which would provide 130 trees a year to enhance the Shores community.

Thomas K. Jefferis, Village Superintendent of The Shores, reported to the trustees at their regular monthly meeting held on Tuesday, December 21, that the Planning Commission had studied the Shores "street by street" in order to create a master plan.

In the master plan, each Shores property lot is mapped out, and the tree planting program, down to the last tree, is indicated.

Vincent DePetris, 25 Hamp-

ton road, is the chairman of the tree planning program.

Mr. Jefferis reported to the councilmen that trees would be planted in the areas which had lost trees to the Dutch Elm Disease, and in the areas which would be improved by the addition of a few trees.

The trees will be planted on a "priority basis", meaning that the streets which need the fewest trees would be planted first.

Mr. Jefferis expressed his wish that the program could be accomplished in a shorter time, but cited the problem of a modest budget which forces the Shores to stretch the tree-planting program over a five-year span.

Trustee C. Bradford Lundy, Jr., suggested that The Shores seek the cooperation of the Shores citizens, by encouraging them to plant trees on their lots. His recommendation of putting the suggestion in the Shores newsletter, the Bulletin, was supported by all the trustees.

Blues Ice Team Has Good Week

The Grosse Pointe Blues, the "A" travel team for the Grosse Pointe Hockey Association's Bantam Division, enjoyed a most successful Christmas week. The Blues took their first two games in the Dearborn Hockey Association's Christmas Tournament and won their regular Thursday night league game in the Tri-County Hockey League.

The Dearborn holiday tournament started with a Grosse Pointe Blues 4-0 victory over the Fraser Travelers on Tuesday, December 21. Jim Carbone opened the scoring in the first minute of play. Chad Morris was credited with the assist.

Morris was hot in the second period, scoring two goals. Tom Costello and Tom McCubbin assisted on the first of Morris' goals and Costello and Tom Stewart assisted on the second.

In the third period, first-year man Mike Sandmair scored unassisted. A fine team effort persevered a shutout victory for goalie Chuck Sorenson.

The Blues iced their second victory on Sunday, December 26, at Dearborn Arena by besting Fife Electric by a 4-1 score. The hard fought game saw 14 penalties handed out to the two teams.

Chad Morris opened the scoring. An assist went to Jim Carbone. Still in the first, Morris assisted with Tom Stewart on a Tom Costello goal. The second period was scoreless. The Fife team struck back with its first goal in the third period. The Blues soon hit with the game's "insurance" goal by Peter Poirier, assisted by Tom McCubbin and Dennis Austin. Closing out the scoring, defenseman Alan Jones scored with an assist by Chad Morris.

The Blues regular Thursday evening Tri-County Hockey Association game played at Detroit's Winter Wonderland ring on December 23 was a 4-1 bout. The victims were the Downriver Saints.

Coach Fred MacGregor's Blues struck twice in the first period and tallied two more in the third and final period. Winger Mark Santi scored two goals with an assist each time by center Dennis Austin. Also assisting on the first goal was Alan Jones. Jim Carbone, assisted by Tom Costello, and Mike Sandmair scored the other two goals. Sandmair was assisted by Peter Poirier and Chad Morris.

The finals of the Dearborn Hockey Association holiday tournament for the Bantam Division will be held at the Dearborn arena on Ford road.

Woman Robbed Walking Home

A Hillcrest resident was robbed on the sidewalk near her house at 10 p.m. Monday, December 20.

The woman reported to Farms police that she had been walking south on the street, when a light-colored car pulled into the driveway of 356 Hillcrest and a young black got out.

The youth knocked the woman to the ground, grabbed both her purse containing a paycheck and various personal papers, and a shopping bag with several Hudson packages inside, and ran back to his car.

In attempting to escape, the suspect tried to make a right turn at 341 Hillcrest across from Williams road which does not go through, and so he backed out of the driveway leaving tire tracks on the lawn.

After the street robber had left, the woman went to the nearest house and sought assistance from the residents.

In reporting the robbery to Farms police, the woman described the youth as about 19-years-old, having regular features and light skin. She was able to give no description of the suspect's clothing. He was not armed.

Farms detectives have taken plaster casts of the tire tracks in the lawn and the Farms police are investigating.

Christmas Goose Really "Cooked"

Wilma Piket, 1058 Lakepointe, really "cooked her goose" on Christmas day.

Her goose apparently caused a grease fire in her oven when the grease overflowed. She contacted the Park Fire Department, who offered assistance, but the fire was out upon their arrival.

The result seemed to be only a burned goose.

Did you know another man in addition to Paul Revere rode out of Boston to warn that the British were coming — and did just as much as Revere and was just as heroic — yet he is not remembered today as Revere is.

He was William Dawes.

The reason Revere is remembered and Dawes isn't, is because of Longfellow's poem: "Listen my children and you shall hear of the midnight ride of Paul Revere."

Ironically, Dawes is not famous only because his name didn't rhyme as well as Revere's. That seems hard to believe, but it's true.

There's a happy anniversary coming up just after the first of the year, for Ibex celebrates its 40th birthday Friday, January 7, with a champagne toast at the Generous Critic Gallery, Kercheval avenue "on-the-Hill."

Arts and crafts created by Ibex members will be on display there, and founders, charter members and past-presidents will be on the receiving end of the toasts.

Afterwards, the Ibexers will enjoy a formal dinner, a bit of nostalgia and end the evening dancing at the University Club.

Mrs. Milton W. Volkens, of Meadow Lane, current Ibex president, is planning the anniversary program. Mrs. Berthold A. Treiber, of Washington road, is chairman, in charge of arrangements for the celebration.

A group of socially prominent young women in their 20's, all actively interested in the Arts, gathered for Ibex's first meeting at the Society of Arts and Crafts in Watson street, Detroit, January 11, 1932.

Continuing to meet at the same location for several years, they were considered at the time to be Arts and Crafts' Junior Group.

MANY HANDS

The man with the ability to utilize the talents of others has a stepping stone to success.

This is a clock.

It keeps track of the hours and the minutes. So do we. Sometimes it runs a little late. Sometimes so do we. But not often. And not if we can possibly help it. You see, we're almost as concerned with promptness as we are with prettiness. And with courtesy, too. And all the little niceties that make you feel gosh-it's-nice-to-be-here instead of when-will-I-ever-get-out. If you'd like your pretty-making time to run on time, try us. We're inveterate clock-watchers.

Mairgrid McIntosh Wed December 29

Gary Ivan Andersons Write Part of their Marriage Service, Incorporating Tradition and Their Own Thoughts

Grosse Pointe Memorial Church was the setting for the marriage of Mairgrid McIntosh, daughter of Mr. and Mrs. John Cowles McIntosh, of Lincoln road, and Gary Ivan Anderson Wednesday morning, December 29.

The newlyweds, vacationing at Freeport in The Bahamas, will return to make their home in Ann Arbor while they pursue graduate studies at the University of Michigan.

Gary expects to receive his Masters degree in Education next August. Mairgrid will be working toward her Masters degree in English and Teaching Certificate.

Dr. Charles Brown Ketcham, the bride's uncle, and Mr. Richard W. Mitchell presided at the 11 o'clock rites, written in part by the bride and bridegroom who incorporated the traditional service with their own thoughts.

The bridegroom's parents, Dr. and Mrs. Theos Ivan Anderson, entertained at the Rehearsal Dinner in their Grosse Pointe boulevard home. Dr. Anderson is Grosse Pointe's Superintendent of Schools.

Charles Pagel, a student in Arts and Crafts at Wayne State University and a friend of the bride's brother, took all the wedding pictures.

The former Miss McIntosh chose for her wedding an ivory peau de soie gown styled with a mandarin neckline, Empire waist and bishop sleeves. Re-embroidered Alencon lace frosted with seed pearls and crystals accented her bodice and formed a front panel on her skirt.

Matching lace appliques trimmed her full Chapel train. She was the 19th bride in her family to wear an heirloom Cathedral length mantilla of Brussels princess lace. The first bride wore it in 1915.

She carried an arrangement of white phalaenopsis orchids while her attendants, honor matron Mrs. Jon McIntosh, of Boston, Mass., and bridesmaids Polly Schaffner, a cousin, of Cleveland Heights, O., Margaret Jeanne Anderson, the bridegroom's sister, Susan Kay Radcliffe and Mrs. James Tolonen, of Ann Arbor, carried small baskets filled with greens, holly and red carnations.

Their floor length emerald velvet frocks were trimmed with ivory lace.

Walter Marion Lawson, III, came from Lima, O., to serve as his brother-in-law's best man. Ushering were Robert Wohlgenuth and Steven Haughey, both of Cleveland Heights, O. and Donald Ketcham McIntosh and Jon Charles McIntosh, the bride's brother.

For her daughter's wedding and the reception following at the Grosse Pointe War Memorial Mrs. McIntosh selected a red knit dress and packet ensemble. Mrs. Anderson, the bridegroom's mother, wore a lilac dress and coat.

Both mothers chose green phalaenopsis orchid corsages.

To Describe New Ministry

St. Michael's Episcopal Church Women will welcome Father A. Dean Cole, associate rector of the Church of the Messiah and the Church of the Epiphany, and Father Sidney Bryne at a Tuesday, January 11, meeting. With their rector, The Reverend P. Ronald Spann, Fathers Cole and Bryne are part of a black and white team ministry, an exciting new approach for Christian service to the parishioners and communities of their two elderly Inner City churches located on the East Side of Detroit, a three-year model that has been underwritten by the Episcopal Diocese. St. Michael's parish is giving monetary support to the program. Father Cole has entitled his talk "Religious, Not Churchy." He will speak of the Inner City Ministry with emphasis on youth, trying to give in-

sights into what Inner City youth are thinking and saying as well as what suburban youth are doing. Father Cole was raised in Kansas. He did not come into the church until he was 24 and a teacher of Chemistry in a junior college. He went to Nashota House in Wisconsin for his seminary training. He was ordained in 1960, married that same year and first ministered to small Colorado mountain towns. In 1963 he went to Cortez, Colo., where the mountains meet the desert. For seven years there he was rector of St. Barnabas' Church and dean of a very successful Diocesan Church Camp. In 1970 he left to begin his first Inner City assignment, serving as a priest without stipend while County Extension Agent for Youth with the University of Denver. His parish hall was a feeding station for 5,000 persons

Bottled Gardens Will Be Made

Program chairman Mrs. Robin Allen will open her Lakeshore Lane home next per month, his rectory a crashpad for boys, his home a haven for girls. He offered a health clinic and extensive drug counseling. Father Cole came to Detroit as associate rector of the Church of the Messiah in July, 1970. The Episcopal Church Women's meeting begins with celebration of the Eucharist at 11 o'clock. A general business meeting is scheduled for 11:30, luncheon for 12:30. Reservations may be made through the Church Office. Free child care is offered, but reservations are necessary. Luncheon will be prepared by the members of St. Anne's and St. Hilda's Guilds under the direction of their chairmen, Mrs. Donald Burton and Mrs. Stanley Meloche.

Discover Who You Really Are

Several Pointe women will join the staff of Oakland University's Continuum Center during a special East Side Session of the Investigation Into Identity program at Grosse Pointe Unitarian Church January 10 through February 7.

The program is funded by the Kellogg Foundation to help women find a meaningful role for themselves in today's society, especially after their children have started school.

Vocational, educational and personality tests are used to help participants answer these questions: What kind of a person am I? Do I want to go to work, or to school, or make another change in my life? How do I do it?

Mary Strawbridge, Maya Elmer and Eva Fillion are among local women who have been trained as group leaders in the program.

They will use special human relations techniques within small friendly groups to help each woman explore alternatives open to her within the limits of her family life.

The 10-session program begins with a free orientation session at 12:30 o'clock Monday, January 10. The Continuum Center staff will give a three-hour demonstration of how the program works.

Regular sessions will be held from 10 to 1 o'clock on Mondays and Wednesdays thereafter through February 7.

Among these founders were Mrs. Charles F. Denhoff, Mrs. Harry R. Esling, the first president, now honorary president; Mrs. Thomas J. Little, III, Mrs. Frank Mitchell, now of Lake Leelanau, and Mrs. William D. Snyder, now of Shawnee Mission, Kans.

Ibex's purpose is to give members an opportunity to increase their knowledge and appreciation of the Liberal Arts and to encourage them to be creative.

The group meetings for participation in the arts have varied over the years and have included ceramics, chorus, house and garden, literature, music, needlepoint, painting, plastic arts, photography, sculpture, silversmithing, drama and world study.

Ibex is not a public service organization, but the club has contributed approximately \$25,000 in its 40 years to various causes, including the Society of Arts and Crafts, Bonstelle Civic Theatre, the Detroit Symphony, Red Cross, Children's Hospital, Detroit Orthopaedic Clinic, National Nephrosis, the Founders Society Detroit Institute of Arts and the Detroit Community Music School.

Here in The Pointe, the Foundation for Exceptional Children, the War Memorial and the Family Life Education Council have been recipients of Ibex generosity.

Major revenue source has been the Drama Group, with all club members working actively in all phases of production, including the design and crafting of stage settings.

Mrs. Harry Esling was membership drive chairman for the Young Artists Market, which eventually became the Detroit Artists Market, in February, 1933.

Ibex members were separate chairmen of small committees and worked in many parts of Detroit to enlist new members for the Market.

Among the many talented Ibexers are Mrs. Clark T. Wells, of Handy road, current chairman of the Detroit Artist Market; Mrs. Justin L. Giltner, of Renaud road, stage and set designer; and Mrs. Henry Klein, of Touraine road, professional singer.

Mrs. Sydney J. Reynolds, director of the Grosse Pointe Children's Theatre, is a member, as are Mrs. Johnson Lackey, of Chalifonte avenue, teacher of needlepoint, and Mrs. David Pethick, of Grand Marais boulevard, teacher and professional dancer.

Then there's freelance writer Hope Whitten, pianist and choral director Mrs. Jack E. Rosch, painter Mrs. Robert M. Hamilton, concert pianist Mrs. George A. Dickey, prize-winning silversmith Mrs. Tom S. Green, nationally-known portrait painter and sculptress Mrs. Harry A. Burnett . . .

There is, by the way, no generation gap in Ibex. Members vary in age and include many mother-daughter/daughter-in-law combinations such as Mrs. Milton Volkens and Mrs. William J. Volkens, II, Mrs. Clark T. Wells, Mrs. C. Thompson Wells, Jr., and Mrs. Rosch.

More "family combos" on the active lists are Mrs. J. Vernor Davis and Mrs. Ronald Gilbert, Mrs. Charles W. Gauss and Mrs. Frank Westover.

One of Ibex' memorable early events was the buffet supper in May, 1932, given jointly with the Society of Arts and Crafts in honor of Diego Rivera, the distinguished and controversial artist who painted the Rivera Court murals at the Detroit Institute of Arts.

Among the guests were Dexter Ferry, Mrs. Edsel Ford, Mrs. Albert Kahn and Phelps Newberry.

An Ibex group directed by Mrs. Hamilton pio-

neered in the painting of original murals at the old Children's Hospital in 1952, and the club, which had a large and active, (50-member), Red Cross Unit during World War II, presented "The Night of January 16" in a courtroom of the Federal Building in Detroit as a Red Cross benefit in May, 1946. Proceeds furnished two lounges for servicemen, one at the Coast Guard Station on Belle Isle.

Miss Kuhn Married To George Vincent

Afternoon Rites Are Followed by Reception in Merriweather Road Home of Bride's Cousins, Mr. and Mrs. Wilber M. Brucker, Jr.

Relatives and close friends gathered Monday afternoon, December 27, in the main sanctuary of Grosse Pointe Memorial Church to witness the wedding of Airielle Caroline Kuhn, of Lakeshore road, daughter of the late Mr. and Mrs. Frank Kuhn, and George Ceccarelli Vincent, of Royal Oak.

The Reverend Richard W. Mitchell presided at the 4 o'clock double ring rites which were followed by a reception at the Merriweather road home of the bride's cousins, Mr. and Mrs. Wilber Marion Brucker, Jr.

The newlyweds will return from a skiing vacation in northern Michigan and Colorado to make their home in Grosse Pointe Farms.

For her marriage the former Miss Kuhn selected a street length dress and jacket ensemble of white, silver and gold metallic brocade, accented with rhinestone buttons.

She wore a band of white Sweetheart roses and Elegance carnations in her hair

and carried a small round bouquet of matching flowers.

She was attended by Mrs. Donald Alvin Meyer, of Marine City, in a dress of ruby and gold metallic brocade, a corsage of white and red Elegance carnations pinned to her purse.

The bridegroom, son of the late Mr. and Mrs. Antonio Ceccarelli, of Detroit and Rome, Italy, asked Karl Sjogren, of Livonia, to act as his best man.

Graduated cum laude from Western Michigan University

last week was SHARON MARIE OTTO, of Centerbrook court.

Audubon Ready For Bird Count

The Detroit Audubon Society will conduct its annual Christmas Bird Count Sunday, January 2, from 7 to 4 o'clock. Participants meet at Cranbrook Nature Center where each will be assigned to a group with a particular territory to cover.

Besides the usual winter birds there are always some surprises—birds one would not expect to see in the middle of winter. This year's mild fall may have encouraged many birds to stay over. It is also a good year for winter finches.

All over the North American continent Christmas Bird counts will be taking place, all under the auspices of the National Audubon Society. Detroit's official count will be sent to the national society.

The total count of the 700 or so groups participating is published in a paperback the following summer. Everyone who has taken part in the count and has contributed \$1 to help defray expenses receives a copy.

Detroit Audubon's list also appears in its newsletter, "The Flyaway."

Counters are advised to dress warmly and bring binoculars plus a sack lunch to eat in the car at noon.

is good taste a dangerous thing?

Maybe so . . . because some folks have our line pegged as purely decorative, not down-to-earth. They don't see the fact for the frau-frou. The fact is . . . Cabin Crafts stresses Beauty and the Basics. We have Wild Ones . . . and Safe Ones. Sensationals . . . and Staples like "National Velvet." Memorial Center Offers Educational Opportunities

Grosse Pointe War Memorial offers many educational opportunities for Pointers beginning in the new year.

In the War Memorial's Art School, there are eight new courses scheduled beginning with three classes for children on Saturdays, January 8-March 25. The children last semester had great fun. One even brought a pet pigeon as a model and they produced some noteworthy work which they exhibited at the Center. Fee for the 12 week children's courses is \$25 plus a small charge of \$3 for materials.

Virginia Durbin Thibodeau, formerly of the faculty of the Sacred Heart Convent, will teach Basic Sketching and Figure Drawing for adults on Tuesdays January 4-February 8 from 9:30-11:30 a.m. The fee is \$25 for six weeks.

A Painting Course in All Media will be taught on a highly individual basis by Lorraine McCarty, who has an impressive list of awards to her credit including being Top Woman Painter, Detroit Institute of Arts, 1969. She has had one man exhibits from here to Texas and in addition has been named executive designer for the "International Women's Air and Space Museum" in Oklahoma City, a position which comes naturally to her since she is a flyer as well as artist, having been the winning co-pilot in a Women's International Air Race from Mexico to Florida. Her course covers contemporary as well as traditional media and instruction covers hardedge, assemblage, mixed media and formed paintings as well as two dimensional work. The fee is \$35 for ten weeks.

Portrait Painting is offered on Wednesday mornings January 12-March 15 from 9:30-noon by popular Joseph Maniscalco who received his training at the Art Students League

in New York. He now maintains a studio at the Scarab Club where he is Vice-President. His portraits include prominent people from George Romney to Gordon Howe and his works hang in many private and corporate collections. A model is used for Mr. Maniscalco's classes and the fee for 10 weeks is \$35.

Sculpture in the traditional vein will be taught by Frank Varga from Hungary. He has a kiln at his own studio where works may be fired and cast in bronze if one wishes. Classes are held on Monday evenings 8:10 p.m., January 17-March 20. Fee is \$40 for 10 lessons.

Line sewing classes at the Memorial include Crochet, Macramé, Crewel Embroidery and Needlepoint. Crochet and Macramé will be taught by Linda Fentner, popular Grosse Pointe teacher who has conducted classes in needlework in the Pointe for several years. Crochet class will meet Wednesday mornings 9-11 a.m. from January 12-February 9 while the Macramé classes will be held the same dates in the evenings from 7:30-9:30. Fee for both classes is \$25 for 5 weeks, with the kits for Crochet costing \$3.22 and those for Macramé \$4.68.

Crewel Embroidery will be taught by Marie Pessenden in a very limited class. She is a member of the National Standards Council of Embroiderers and taught in New York and Connecticut before coming to Michigan. The fee is \$30 for six lessons with the kit including hoops, needles, etc. meets Thursday from 1-3 January 13-February 17.

The Intermediate students meet 9:15-11:15 a.m. and beginners from 1-3 p.m. In addition to instruction, Mrs. Cudlip makes canvasses and yarn which she has collected available at cost. The fee is \$30 for six weeks.

Three classes in French and one in Spanish are offered at the Memorial. The Spanish Conversation Course is presented on Tuesday evenings, January 11-March 14 from 7:30-9 o'clock by Mrs. Jose Sorrego, a Grosse Pointer formerly of Mexico. Students enrolling with her for the first time are asked to come to the first class a half hour early. The fee is \$27.50 for 10 weeks.

The day time French salons for Adults are conducted by Mme. Charles Bachrach and her daughter, Mme. Griffin. The 9-10:30 conversation group is for intermediate students. The 10:30-noon salon is reserved for more advanced French conversationalists. The fee is \$29 for 12 weeks. Classes will meet Tuesdays, January 4-March 21.

Hoskins, a local clinical psychologist who is also Executive Director of the Epilepsy Center of Michigan. Dr. Hoskins has given a series of lectures entitled "Fulfilling Your Potential" at the War Memorial for the past four years. This new series is partly an outgrowth of interest shown by former participants in that series of talks.

The titles of the six lectures in the new series are: 1. Psychology, an Answer to "Future Shock"; 2. Adjusting to Two Worlds—Yours and Mine; 3. I Like People—But; 4. How Selfish Should I Be?; 5. Boyne Country Condominiums

Jungfrau

Reminiscent of Switzerland's most dramatic and well-known mountain, the "Jungfrau" provides a towering accent to the Boyne Country village concept. The Jungfrau's five-storied reach assures a magnificent view of Boyne Country, Boyne Mountain, and surrounding terrain.

Boynestadt

Right in the heart of Mid-America's skiing, golf and recreation mecca—BOYNE COUNTRY, The Boyne Country condominium village is nestled at the foot of fabulous Boyne Mountain and overlooks world-renowned Boyne Mountain Lodge.

Arlberg

As vast as the Austrian Alpine Ski country after which it is named, the Arlberg apartment building houses 12 apartments and is the largest of all buildings in the Boyne Country Condominium village complex.

Mont Blanc

Recalling memories of Europe's highest mountain, the "Mont Blanc" building sets in quiet majesty in the Boyne Country complex. The two-storied Mont Blanc building houses 4 apartments keyed to discriminating tastes and offers broad vistas of the entire area.

4 seasons of recreation

Skiing at all the famous Boyne Country areas—Boyne Mountain, Boyne Highlands, Thunder Mountain, and Walloon Hills—from November through April.

Golf at the magnificent 18-hole championship mountain course, 9-hole par 3 course within walking distance from the village, plus a golf training camp for youngsters—and only a short drive away, the challenging 18-hole, Boyne Highlands course, already one of the top ten in the nation, designed by Robert Trent Jones plus the 9-hole par 3 Highlands course—72 holes of golf.

Deer Lake Four Seasons Beach Club to serve golfers, swimmers, boaters and fishermen whose beautiful white beach and private club house with dining and locker room facilities offers the ultimate in lakeside fun. The prime sandy beach, much of which shelves out at a gentle slope as far as 300 yards before youngsters can get chin-deep, is the lake's chief allure. Water is crystal-clear and, because the half-mile wide lake is nestled like a jewel in a bowl of hills, waves are never so high that a fisherman would become endangered by high winds. It also has a good lee shore, regardless of wind direction, for water skiing at any time of the day.

Deer Lake has long been noted as a bass and pike angling lake and abounds with bluegills, sunfish, and perch for the neophyte angler just learning to handle a fly rod. What's more, several small trout streams flow through the Deer Lake area just south of the lake and are readily accessible by good roads.

A fleet of rental boats and sailing craft will be available to guests—and a launching ramp will be provided for club members desiring to bring their own. A private road connects the Boyne Country Four Seasons Beach Club with Boyne Country just a mile away to the eastward.
