Trucker Faces Five Charges

Farms patrolmen Gerald Deburghraeve and Jhanes Winter stopped a '72 Chevrolet pickup truck for a routine safety warning Monday morning, February 14, and discovered the driver, Joseph W. Donahue, 4165 Woodhall, Detroit, wanted on four past offenses by the cities of Clinton Township, The Woods, and Detroit.
 The policemen originally stopped the pickup truck because a thin piece of metal extended from the rear of the truck two or three feet without a red warning flag. The policemen were also suspicious of the truck cruising in the area of Mack and Moross, first travelling east on Mack, and then west.
 When the police stopped the vehicle at Mack and Fisher, the driver was able to produce a financial responsibility license which limited him to driving a '69 Ford pickup truck.
 Checking through the LEIN machine, the two officers discovered that their suspect was wanted for careless driving by The Woods, for two fraud warrants by Detroit, and for a bench warrant (failure to appear in court) by Clinton Township.
 The Farms police notified the cities of their suspect, and Detroit officials asked a "hold" be placed on Donahue until he could be picked up by the City. The Farms also charged Donahue with violation of a financial responsibility license, which totals five counts Donahue must face in the coming month.

'Clockwork'

(Continued from Page 1)
 violence and deprivation in the film).
 Prior to the "Clockwork Orange" discussion, Councilman David Eberhardt spoke of his activities in fighting pornography in Detroit. His explanation of the court definition of pornography seemed pertinent in the later discussion of the film. According to Eberhardt pornography is defined as such if it is against the mores of the community, if it is sexually exciting and if it has a redeeming social factor. He added that it was indeed difficult to act on this type of nebulous legislation.
 What the motion picture council is attempting to uncover is "is it against the mores of the community?"
 Mrs. Edward Kliber, past-president of the council told the NEWS that the council is attempting to vocalize the standards of the community as expressed by the membership which is a cross section of The Pointe community. She added, "we merely reflect these opinions. If it is the consensus of community opinion that this type movie is one we do not choose to have here in The Pointe, then as taxpayers and residents we should not be forced to have it appear here and have the right to express our displeasure. Although we do not plan to take any legal action, we feel it our responsibility to inform Pointers of their attitudes expressed by their fellow citizens concerning this type of entertainment.
 The real action on this matter could come tonight, Thursday, February 24, when the matter comes up on the Woods Council's agenda.
 Perhaps the most vital conclusion which came from this session was that good, healthy discussion, no matter how divergent the attitudes are, is the only way issues of this nature can be resolved.

TIRE STOLEN

Richard Weithas, 384 McKinley, reported to Farms police that someone had stolen a spare tire from his car parked in his driveway on Friday night, February 11. He noticed the theft as he was backing out of the driveway and heard a rumble in the trunk. Mr. Weithas said that it was the second time he had lost a spare tire, and estimated the recent loss at \$70. There were no signs of forced entry.

 mit. All our research seems to point in that direction," the attorney said.
 After learning of the favorable decision, the NEWS contacted William B. Dunn, the attorney who represented Burger Chef in the Farms council meeting.
 Asked about the property settlement, Mr. Dunn said that the property transaction would take place as soon as The Farms issued a building permit. He confirmed that Jay M. Kogan still owned the property, but that General Foods Corporation, owner of Burger Chef Systems, Inc., would have the property soon.
 The representative expressed his satisfaction over the issue finally being resolved, since the land had been tied up for seven months by The Farms.
 First, because The Farms had a moratorium on building permits for any construction other than single family dwellings from August to December, 1971; and, secondly, because The Farms believed Burger Chef to be a drive-in restaurant and not a family dining establishment.
 However, Mr. Dunn emphasized in the interview that the proposed Burger Chef catered to family trade, citing the brick exterior and the carpeted interior. He also mentioned some innovative features of the restaurant, such as the expanded menu including steak sandwiches and fried chicken, and the salad and dessert bar.
 When asked the expected completion date of the restaurant, Mr. Dunn said that the average Burger Chef restaurant took four months to build, thus placing the completion date in mid-summer. But the representative quickly added that this one might take longer, since The Farms Burger Chef certainly wasn't average.

 won the prize for saxophone at the Geneva Competition for Musical Performers in 1970.
 In addition to his performances with the Orchestra de Suisse-Romand, Mr. Kripl toured Switzerland, France and Germany as a soloist with the Collegium Musicum Basel.
 He is presently on a grant from the Martha Baird Rockefeller Fund for Music, Inc., which enabled him to spend the last year in England continuing his efforts to increase both the quality and quantity of the saxophone repertoire. He plans to return to England this summer in this pursuit.
 The orchestra will include in its program Kabalevsky's "Overture to Colas Breugnon," Enesco's "Roumanian Rhapsody No. 1," Barber's "Adagio for Strings," Ibert's "Concerto for Saxophone" and Mendelssohn's "Symphony No. 4 'Italian'."
 A reception follows the 3:30 o'clock concert which is held at the Performing Arts Center of Grosse Pointe North High School, Vernier at Morningside. Tickets for the concert are available at the door for \$2.50 for adults and \$1 for students.

PURSE RECOVERED
 Ann Welch, 1005 Cadieux, reported to Farms police that someone had stolen her purse from the girls' bathroom in South High School annex on Thursday, February 10 between 11:40 a.m. and 11:45 a.m. The antique purse, black with silver trim, was recovered four hours later in a girls' bathroom in the school's main building. The contents appeared undisturbed.

G. J. Mahoney Crash Victim

A 54-year-old Pointe man is dead as a result of a high-speed head-on collision on the eastbound Edsel Ford Freeway near Outer Drive early Sunday morning, February 13.

The collision was the tragic aftermath of Kathryn Irene Hielscher, 53, 11100 Rossiter, Detroit, entering the eastbound expressway from the Cadieux exit ramp, proceeding west in the fast lane next to the median, and smashing into George J. Mahoney who was traveling east in the maximum speed lane.

Mr. Mahoney was dead on arrival at St. John Hospital at 2:25 a.m. Mrs. Hielscher is currently listed in fair condition, following her treatment at St. John for a fractured ankle and facial lacerations.

When recovered, Mrs. Hielscher could face a charge of negligent homicide, according to police officer Normand Furman of the Detroit Fatal Squad. He said, in an interview with the NEWS, that Mrs. Hielscher had been drinking in a bar previous to the accident.

Police were at the scene immediately, since a towtruck driver, Earl Bushway, 12430 Loreto, Detroit, was exiting the freeway as Mrs. Hielscher came down the ramp narrowly missing his truck.

Mr. Bushway, realizing that an accident was imminent, scouted the area and flagged down a police car.

By the time the police reached the misguided car, two cars were demolished and the fatality had occurred.

Witnesses at the scene said that the victim, Mr. Mahoney, who was traveling in the far left lane, attempted to cut to the right when he saw the car coming. They reported that the Detroit woman made no attempt to stop, struck Mr. Mahoney's car on the left side, and demolished that side of his car. She was the sole passenger in her car.

Services for Mr. Mahoney were held on Wednesday, February 16, in the A. H. Peters Funeral Home and from Our Lady Star of the Sea Church. He is survived by three children, Michael, George, Jr., and Kim; and his mother, Mrs. Cornelia Mahoney.

Interment was in White Chapel Cemetery.

You don't have to know many things to get along, but what you do know must make sense.

Farms Glanert Wins Citation

Farms policeman Otto Glanert has been awarded a commendation of valor for his role in the attempted rescue of John Turos, a 14-year-old Harper Woods youth who drowned outside the Farms Pier harbor on Sunday, February 6.

Corporal Glanert was dispatched to the scene at 12:25 p.m., minutes after the Turos youth had fallen through the ice. Arriving at the scene, he found two men who were attempting to rescue the youth with a short length of rope.

The Farms policeman, grasping the rope held by the two men, immediately entered the icy water to search for the youth. After the Farms fire department arrived, he transferred to a ladder and located the body of the youth who had drowned less than 15 minutes after falling off the outer harbor breakwall. Farms patrolman John Kraza assisted in the rescue attempt.

The Police Department Citation, which will remain in Officer Glanert's file, cited the policeman for his bravery "at great personal risk to his own self" and "his ability to command at a time of crisis."

Officer Glanert was also remembered by the family of the victim. In a letter to the Farms police department, Mrs. John Turos wrote, "We especially want to thank Corporal Glanert for his efforts in trying to rescue our son at the risk of his own life."

L. R. Redoutey Named to Post

Lawrence C. Redoutey has been promoted to associate administrator at Bon Secours Hospital by Barry M. Spero, executive director.

Formerly the assistant administrator for financial services, Mr. Redoutey is now responsible for the administration of departments of anesthesiology, the laboratory, radiology, dietetics, pharmacy, purchasing, central sterile, as well as the accounting and business offices.

Mr. Redoutey joined the staff at Bon Secours as the business office manager in 1960 with a bachelor's degree in business administration from the University of Detroit and previous management experience at Gulf Oil Corporation. He was soon promoted to controller and then assistant administrator for financial services as his area of responsibility grew.

His many accomplishments at Bon Secours include formation of the hospital's credit union in 1961, many years of directing the U. F. Torch Drive and recognition as the "employee of the year" in 1969.

His professional associations include a fellowship in the Hospital Financial Management Association where he served as president of the eastern Michigan chapter in 1969-70. He has also served on committees of the Michigan Hospital association and on the board of directors of the H.F.M.A. He is currently a candidate in the masters program in the school of business administration at the University of Detroit.

"Mr. Redoutey is a most able and qualified individual," remarked Mr. Spero in naming him to this position. "For many years he has been a leader in hospital financial circles. The broadening of his areas of responsibility can do nothing but upgrade our entire executive team."

Concurrent with the promotion of Lawrence Redoutey was a reorganization of Bon Secours Hospital's organization chart and the renaming of the chief executive officer, Barry M. Spero, from administrator to executive director. All of these changes will facilitate coordination and planning during the hospital's \$18 million expansion program now underway.

Hot Rodders Irk Resident

An unidentified resident contacted the Woods Police Department to complain about hot rodding near his home Wednesday, February 16.

Officer John Albrecht received a call to check on two vehicles that were hot rodding on Kenmore drive between Mack avenue and Helen avenue for two to three days.

He was unable to locate the autos at that time. However, the license plates on the cars were known and the "racers" involved will be informed of the complaint.

A promise for peace

Christ Jesus taught his followers: "Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you" (Matt. 5:44).

If everyone would fulfill the promise of his teaching, and express the love and intelligence that Jesus did, we would have peace on earth.

If this sounds meaningful to you, visit our public testimony meeting this week. It could help you find your own peace.

Many Complex Issues

(Continued from Page 1)
of the Democratic plan which recognizes that more than an "equal" amount of money is essential to provide many children in Michigan with an "equal educational opportunity."

Must Maintain Levels
The community residents were overwhelmingly in favor of the principle of maintaining current levels of educational expenditures in all districts.

The Steering Committee members were in total agreement that any future limitation on local property taxes should not include those levied by school districts to support public libraries, an important feature to Grosse Pointe and to 44 other school districts across Michigan. Mrs. Arnold Lungershausen, a member of the board of the Friends of the Grosse Pointe Library, attended the meeting along with Robert M. Orr, Director of Public Libraries. Mrs. Lungershausen made a statement on the importance of good public libraries to the Grosse Pointe community.

The members of the Committee were virtually unanimous that the powers of local school boards over educational policies and practices should not be diminished through any amendment to the Michigan Constitution.

Support Resolution
The tally shows that the leaders of the Study and Action Committee also support Michigan House of Representatives Joint Resolution EEE which proposes an amendment to the Michigan Constitution to prohibit the assigning, transporting, or compelling of a student to attend a particular public school on account of race, religion, color, national origin or any other purpose without parental approval.

It was pointed out to the group that an anti-busing amendment at the state level is futile since any successful limitation of the 14th Amendment of the U. S. Constitution must come from a decision in Lansing, not from a decision in Grosse Pointe. Nevertheless, the group wished to be on record as supporting the position.

By a large margin, the Study and Action group favors proposed Amendment AA to the Michigan Constitution which would assure a "shared obligation of general supervision of public elementary, secondary and adult education among the State Board of Education, intermediate school districts, and local school districts."

Alarmed By Power
Mrs. Kaess explained that the Study and Action group has become increasingly alarmed over the powers currently being exercised both by the State Department of Education and by the State Board of Education.

"Approval of Senate Resolution AA will help to remedy what we believe to be an unhealthy situation," she said.

Turning to local issues, the Study and Action Committee tabulation shows that although there was near unanimity of agreement that the Board of Education should fight the Milliken-Kelley attempt to remove the local property tax as the basis for funding education, there was complete unanimity that the local school districts involved in the suit, (Grosse Pointe, Dearborn, Bloomfield Hills), should not have to bear the legal costs in the suit.

Mrs. Maghielse and Mrs. Kaess urge Grosse Pointers who have not done so, to write to Senator Charles Zollar, chairman of the Michigan Senate Appropriations Committee, and urge support for Senate Concurrent Resolution 184, and to Representative William Copeland, chairman of the Michigan House Appropriations Committee, and urge support for House Concurrent Resolution 323. Passage of these resolutions would require the State of Michigan to pay all legal costs which could amount to \$50,000 for each of the three districts involved in the local property tax suit.

Barks School Board
The Grosse Pointe Study and Action Committee was also in total agreement that the Grosse Pointe Board of Education had acted correctly in seeking to intervene in the Detroit desegregation suit.

The GPSAC leaders also endorsed unanimously the resolution passed by the Grosse Pointe Board of Edu-

ation supporting the Bloomfield Amendment to the Higher Education Act.

The co-chairmen indicated that copies of the poll, along with an explanatory letter, had been sent to Governor Milliken, Superintendent of Public Instruction Porter, all members of the State Board of Education, the Policy Committee of the Democratic Party, State Senators Fitzgerald and Youngblood, State Representatives Bryant and Ryan, to the Michigan Association of School Administrators, the Michigan Association of School Boards, and the Michigan Congress of Parents and Teachers.

Have Written Senators
In addition, the co-chairmen have written to Senators Griffin and Hart expressing the Committee's sentiments regarding the Bloomfield Amendment to the United States Constitution. They have also communicated the group's feeling regarding the financing of the property tax suit instituted by Governor Milliken and Attorney General Kelley against Grosse Pointe, Dearborn, and Bloomfield Hills with Senator Charles Zollar, Chairman of the Senate Appropriations Committee, and with Representative William Copeland, Chairman of the House Appropriations Committee.

Mrs. Maghielse and Mrs. Kaess have indicated that although they had not received answers to their questions regarding Governor Milliken's proposed amendment, a member of his staff had invited them to Lansing to discuss the issues at their earliest convenience.

The Lansing Observers' Corps of the organizations is planning to continue its visits and will include attendance at forthcoming meetings of the State Board of Education.

CP Open House Set for Sunday

Center Point, Grosse Pointe's crisis intervention and drug information center sponsored by Grosse Pointe Family Life Education Council (FLEC), will celebrate its first year with an open house this Sunday, February 27, from 1 to 6 o'clock.

Center Point is a crisis intervention center created to provide immediate response and assistance to youth experiencing personal, social or medical problems. Located at 17150 Maumee, Center Point maintains telephone (881-7744) and in-person contacts for troubled youths. Those working the phones rap, counsel or provide referral assistance to the caller.

Since its opening a year ago, Center Point has handled over 2,000 cases including drugs, VD and acute social problems. "The Center is working to capacity, says Ted Schmidt of Center Point. "To meet the projected growth of our services we will need more volunteers and expanded facilities."

The Center is maintained by "Staff"-trained youth volunteers. Their training includes evening sessions with doctors, lawyers, detectives from the Youth Services Division of Grosse Pointe Police Department, psychiatrists and other involved agencies. These volunteers donate a minimum of six hours a week at the center. The "staff" volunteers are supported by three paid advisers, volunteer professional back-up including psychiatrists, doctors and psychiatric social workers, and trained adult volunteers.

Under the auspices of FLEC, Center Point provides an almost-free medical clinic two nights a week. More than 30 volunteer doctors and nurses from the area operate the clinic on a rotating basis. The clinic provides testing and treatment for venereal diseases, pregnancy tests, and drug-related assistance.

Citizen Nabs Wrong Man

A four by six foot glass door was broken in the west wall of Sears Roebuck store, 18950 Mack, at 9:30 p.m. on Sunday, February 6.

A Farms resident who was across Mack avenue reported to Farms police that he heard the sound of breaking glass and saw a lone male running south in the alley between Sears and Hughes, Hatcher, and Suffrin.

Wishing to aid the Farms police, he ran across Mack and apprehended a youth near the building. There he detained the suspect until the arrival of Farms patrolman Timothy Morrison.

The investigation verified that a large glass door had been broken. However, the Farms police released the detained suspect believing him to be innocent and a victim of circumstances.

Thief Reveals Sweet Tooth

An employee of South High School, Nils Johansson, reported to Farms police that someone had lifted over four cases of candy and potato chips from the cafeteria storeroom on Tuesday night, February 8.

John Kendall, Youth Service Division's liaison officer for South High School, investigated the pilfering. He determined that the thief had gained access to the storeroom by prying loose a three foot by three foot exhaust fan. In order to reach the exhaust fan, the thief had to climb onto the roof of the boys' gym.

Officer Kendall, tracing the footprints on the roof, discovered part of the booty hidden behind an air vent. Recovered were four cases of candy.

A complete loss report will not be available until the next stock inventory. Meanwhile, the police are looking for a youth who wears a size nine boot and has a sweet tooth.

Here are two oddities about the men who invented the telephone and the telegraph.

It seems hard to believe, but the man who invented the telephone, Alexander Graham Bell, found telephones so annoying later in his life that he had his own phone removed from his home!

And the man who invented the telegraph, Samuel Morse, was originally an artist, painting portraits. He did not give up painting till he was 46 years old. Only then did he turn to inventing and developed the telegraph seven years later.

And here's another interesting fact . . . you can save yourself time in shopping for carpet. We're a complete carpet store. You'll find a selection as complete as you'll find anywhere and in every price range, too.

Pointers Face Bribe Charge

A Wayne County grand jury indicted for the second time Probate Judge Frank S. Szymanski, State Senator Charles N. Youngblood Jr., and beer distributor Louis G. Pappas, Wednesday, February 16, accusing them of conspiring and attempting to bribe a state official to get liquor licenses for Detroit-area supermarkets.

Judge Szymanski, 48, of 1010 Three Mile road, and State Senator Youngblood, of 17202 Teppert, Detroit, surrendered at Wayne County Jail Thursday, February 17.

The third person indicted, George Pappas, was arrested at his home in 52 Greenbriar lane, Wednesday night and taken to the Wayne County Jail where he was booked and then released. He was out of town when the first indictment was returned and came home only a few days after the charges were dismissed.

The grand jury indictment charges that the three gave a state investigator \$1,500 to split with a Michigan Liquor Control Commission member after getting a liquor license for the Farmer Jack's Home Center, 24800 Hoover, Warren, and that they promised more money for similar licenses for four other Farmer Jack's supermarkets and a Warren food store.

Neither indictment names the Liquor Control Commission member who was to receive the bribe.

Wednesday's indictment was the second returned against Szymanski, Youngblood, and Pappas for liquor license bribes. It is far more detailed than the first indictment issued November 22, since the first indictment was dismissed January 28 by Recorder's Court Judge Elvin L. Davenport on the grounds that it was "vague and ambiguous".

The second indictment specifically charges that a roll of seventy-five \$20 bills was passed by Pappas to Carl D. Renkoski, a state investigator acting as a go-between with the Michigan Liquor Control Commission member, under a restaurant table. The two met for lunch at the Caucus Club, 150 West Congress, last August 24, the grand jury indictment said.

Renkoski reported that he held a series of meetings with the alleged conspirators from August 5, 1970, to September 21, 1971. The undercover agent was told that he could earn \$50,000 to \$75,000 a year as the middleman in a continuing scheme of bribing for liquor licenses.

In the 23-page indictment, it's charged that Senator Youngblood approached Renkoski, chief of investigation for the Michigan Department of Licensing and Regulation, on August 5, 1970 to assist Pappas in obtaining liquor licenses.

Eight months later, on April 29, 1971, Judge Szymanski was brought into the affair by Pappas suggesting

to Renkoski that the judge should be contacted to act as surety in the payments for license approvals.

On June 9, 1971, Judge Szymanski, Pappas and Renkoski met at the Caucus Club, the indictment states, where Szymanski said he would assure payments to Renkoski.

The three were routed for arraignment Wednesday February 16, before Recorder's Judge Donald S. Leonard. However, Judge Leonard postponed the arraignment for 30 days because Attorney General Frank J. Kelly announced late Wednesday that he had appealed Judge Davenport's dismissal of the original indictment.

Judge Leonard said he postponed the arraignment because "... if I do arraign them, I may do irreparable damage to the first case (the indictment on appeal).

The Attorney General's office had no comment to make on Judge Leonard's actions Wednesday afternoon.

All three defendants, Judge Szymanski, Senator Youngblood and George Pappas have denied the charges.

Judge Szymanski called the indictment a "fantasy" and said that the grand jury had acted illegally.

In a press interview on Wednesday, February 16, Judge Szymanski said that he would attack the indictment on a series of technical legal issues.

The Judge also stated that the second indictment contained no new evidence.

Five Named To Commission

Dr. Theos I. Anderson, Superintendent of Schools, announced the names of the five citizens who will serve on the recently-created Community Commission for Performing Arts Center.

Named to the group are Thomas E. Candler of the Shores, Mrs. Carl J. Fischer of the City, Walter Maher of the Park, Dr. Frank H. Parcells of the City, and Mrs. Adrian Wallace of the Woods.

Superintendent Anderson said that the Commission was created on a motion by Lee H. Allen, treasurer of the Board of Education, at the January meeting of the trustees.

"I was instructed to form a community commission to review utilization of the Performing Arts Center and to report back to the Board no later than the regular meeting in June of 1972 with recommendation and findings," Dr. Anderson said.

In addition to the five citizens who will serve on the committee, the schools' staff will also be represented by three ex-officio members. Carl Schoessel, director of community services, James Cooper, assistant principal-administrative services at North High School, and Russell Reed, instrumental music department chairman of South High School.

Trustee Allen will chair the upcoming sessions of the Commission.

EAN Looking For New Name

The Environmental Action Now (EAN) ecology group is currently looking for a more descriptive name to express the group's increasing activities.

The group, which was founded a year ago, has proved to be an effective unifying agent for the many organizations and individuals concerned with conservation and the environment. The group will continue to provide education in ecological awareness and responsibility.

The contest for a new

John's Island: 8 pertinent points for those considering Florida this winter.

- Location.** John's Island is a private residential resort located at Vero Beach in subtropical Florida just 65 miles North of Palm Beach.
- Privacy.** Natural geography and a manned gatehouse assure John's Island residents total privacy and security. The property is bordered on the East by 2 1/2 miles of private oceanfront, on the West by 10 miles of Indian River waterways.
- Golf.** A championship 18 hole golf course designed by Pete Dye and Jack Nicklaus forms a permanent 167 acre green belt in the heart of the John's Island property. A second course designed by Pete Dye is under construction assuring residents unhurried, varied play. Ernie Ball is Director of Golf. The John's Island Club is private and offers full dining, pro shop and locker facilities. Our Beach and Tennis Club is now under construction.
- Environment.** At John's Island more trees have been relocated than other private Florida communities have removed. Large, heavily wooded homesites on the golf course, its lakes and John's Island Sound are presently available

- for sale. Also, Oceanfront Condominiums, private residences and South Village Townhouse Apartments. Some properties are available for rental.
- Design Building.** John's Island maintains its own construction company, Town Island Builders, exclusively for the property owners' use. James E. Gibson, A.I.A. is resident architect. Complete maintenance service is available for the absentee owner. Property owners are guaranteed the highest standards of design and materials.
- Residents.** The average age of the John's Island property owner is 52. You probably know someone who lives at John's Island. Either on a personal basis or by reputation.
- Zoning.** Zoning at John's Island limits building height to 3 stories. Strong deed restrictions further protect property owners.
- Management.** John's Island is owned and administered by E. Ilwyd Ecclestone and Roy D. Chapin III. A detailed and illustrated brochure on the property may be obtained by writing Mr. Chapin, John's Island Drive, Vero Beach, Florida 32960.

Oxford Burglary

(Continued from Page 1) In the driveway, the second episode of the burglary attempt transpired. As the bandit yelled at Mr. Beaufait to move his car, threatening to kill him, Mrs. Beaufait shouted to her husband that they were being robbed. Mr. Beaufait's car was parked behind the bandit's.

Mrs. Beaufait then shouted that she was going to call the police, which wasn't really necessary at this point, since there had been so much shouting the neighbors had contacted the Woods police department.

Meanwhile, the burglar ran back to the front door to keep Mrs. Beaufait from calling the police, but she merely slammed the door and locked it.

The burglar first ran to Mr. Beaufait's car, opened the door, and then had a change of mind and ran back to his car. Possibly he remembered that his accomplice, a dark-haired 18-year-old girl, was still sitting in the car.

After starting the engine, he pushed Mr. Beaufait's car 15 feet down the driveway, and then proceeded to drive across the lawns of 1491 and 1481 Oxford, and exited the driveway of 1480 Oxford in his escape. The neighbors viewing the entire affair, watched the '63 Cadillac speed east on Oxford and turn onto Holiday road.

Patrolmen James Fowler, Stuart Gerow and Lieutenant Roland Symons were dispatched from the Woods police department to answer the breaking and entering report. At the scene, they found a dozen neighbors who pointed the direction of the fleeing Cadillac.

In the vicinity of Fairway and Wedgewood roads, the couple was spotted. The Woods scout car stationed itself in the center of Cook road, and forced the fugitive Cadillac to jump the east curb of Crescent lane.

Ten shots were fired by the Woods policemen attempting to halt the vehicle, but the car drove over the lawn of 783 Crescent lane and proceeded on Cook road. At this point, splintering glass from the windshield of the Cadillac grazed the left shoulder of the girl accomplice.

The couple was finally halted at Cook and Ballantyne roads in The Shores by a second Woods scout car manned by patrolman Ronald Hayden and John Albrecht.

The girl, who was identified as Marcia D. Carreon, 13363 Promenade, Detroit, informed the police that she had been shot in the shoulder. She was immediately taken to St. John Hospital where she was treated. The medical report showed that

her left shoulder had been grazed, but no bullets or bone fractures were found. After treatment, she was released to police custody.

The burglar, Bunnell, was handcuffed at the scene. He refused to sign any forms, stating that he wanted an attorney present.

The two defendants entered pleas of "not guilty" during their arraignment before Judge Douglas L. Patterson on Sunday, February 20.

The two were assigned an examination date of Wednesday, March 1 for the burglary charge. Bond was set at \$20,000 for Bunnell and \$5,000 for Miss Carreon.

Police are currently checking the ownership of the car, a beige '63 Cadillac, which carries Oregon plates.

A later and more relaxed check of the Beaufait's house in 1941 Oxford road confirmed that only the color television set had been moved. Mrs. Beaufait determined that the burglar entered by the unlocked front door, in the five-minute interval after her daughter left the house at 3:10 p.m. and before they arrived home at 3:15 p.m.

As of now, no one has approached the Beaufaits to purchase the movie rights for their Sunday afternoon escapade.

Speeder Held On Four Counts

Farms patrolmen Gerald Deburghraeve and Timothy Morrison were on routine patrol Wednesday morning, February 16, when they timed a '71 Ford travelling 50 m.p.h. on Mack avenue.

The driver of the car, Joann Jankovich, 17464 Wildwood St. Clair Shores, was able to produce only an expired driving license when stopped at the intersection of Mack and Cook road.

Checking through the LEIN machine, the Farms policemen discovered that the St. Clair Shores woman was wanted for two past traffic offenses by the cities of Detroit and Fraser. Her license had been suspended indefinitely for failure to appear in court.

At the Farms police station, the offender was charged with speeding and driving without a license, and placed under \$100 bond, pending her court date of Wednesday, March 22.

Experience proves that all the bottle-necks are not on bottles.

Park Court Revenue Up

The total revenue from the Park Municipal Court and the Violations Bureau for 1971 is up from 1970, according to Judge William E. Speer's annual report. The report was on the council agenda at the regular meeting Monday, February 14.

In 1971 total revenue was \$67,049.05, while in 1970 it was \$65,928.80. Traffic and city ordinance violations dropped last year in both the number of violations and the amount paid. In 1971, 5,863 violations brought in \$42,976, while the figures for 1970 were 6,532 and \$46,392, respectively.

However, the number of traffic and city ordinance cases jumped in 1971. Last year the total cases reached 1,336, up from 1,311 in 1970. The total amount paid was \$23,822.50 for last year and \$19,265 in 1970. Fines, court costs, and bonds forfeited make up the amounts.

Thirty-eight state cases were tried in 1971 as against 39 in 1970. Fees paid to the city treasurer on state cases handled by the court dropped from \$271.80 in 1970 to \$250.55 in 1971. Civil cases rose from four in 1970 to seven last year.

In a letter to City Manager Robert A. Stone included with the report, Judge Speer expressed appreciation to Mr. Stone, Police Chief Gerard J. Kesteloot and his personnel, court clerk Grace B. McCracken, deputy court clerk Bettyann Calvin, and record clerk Georgeette Vercaigne for their cooperation.

North Pointe Wins Honors

North Pointe, the student newspaper at North High School, was recently awarded a first class honor rating by the National Scholastic Press Association at the University of Minnesota.

The issues judged were those for the first semester of the current school year. Marks of distinction were awarded in areas of content and coverage, editorial leadership and physical appearance.

A first class rating indicates general excellence. Co-editors of this year's North Pointe are Nancy Simon and Ron Mallard. Steve Rabaut is managing editor and Steve D'Arcy, news editor.

Other editors include Kathy Guiles, page one; Michelle DeLand, page two; Marianne Campo, page three; Pam Delling and David Moxley, page four.

Pete Redbaugh is public relations director; Doug Heller, business manager; Phil Frame, circulation manager; and Dave Versical is exchange editor.

Deadline Date Now March 1

The deadline to make an application for a certificate of occupancy under the new Woods ordinance providing for equitable business distribution has been extended to Wednesday, March 1.

Under the ordinance, which was adopted January 17, a person would have had to apply for the certificate within a 30-day period, making the deadline February 14. However application forms were not immediately available, so the deadline was extended.

Action Seminar Features Ross

Robert J. Ross, a research professor at the University of Michigan, will speak on "Our Changing Values" Tuesday, February 29, as part of the "Environmental Action Seminar II, A Look at the Future."

The lecture starts at 8 p.m. at the War Memorial and concludes at 9:30 p.m.

Mr. Ross, who received his education at the University of Michigan and more recently the University of Chicago, is a research associate at the Center for Research on Utilization of Scientific Knowledge, Ann Arbor. He is currently working on research projects on political influence and water resources in Michigan and a study of advocacy in community planning.

This evening is the second in the Seminar's series of five lectures which concludes through Tuesday, March 21. The lecture series is \$10, for adults, and \$8 for high school and college students. Single evening tickets are \$3, for adults, and \$2 for students.

Youths Await Court Ruling

Three youths and a girl are currently awaiting final disposition on a case of malicious destruction of property in Wayne County Circuit Court. The four are charged with unloading pellets into over 60 stores, houses and cars in Grosse Pointe Woods and Harper Woods while riding in an auto November 12 of last year. A court ruling is expected Wednesday, March 15.

The November 18 edition of the NEWS reported that around \$15,000 to \$20,000 of damage was caused by the youths who started south of the Woods Municipal Building, 20025 Mack avenue, to Moross road. Two of the youths, one with a BB-rifle and the other with a hand pellet gun, fired at windows as they drove by.

Arrested in the case were

Donn William Coppen, 19436 Woodside, Harper Woods; Ronald W. Miller, 18911 Edgefield, Detroit; Douglas C. Louzon, 19165 Woodside, Harper Woods, and Gora Beth Pokone, 20884 Parkcrest, Harper Woods.

The owner of the guns, according to the November 18 story, was Coppen, while Miller reportedly fired the pistol and Louzon, the rifle.

Attend WSU Symposium

Three students from North High School have been selected to participate in Wayne State University's Eighth Annual Southeastern Michigan Junior Science and Humanities Symposium on Friday and Saturday, February 25 and 26. They are Stephen Shepard, a senior, who has been selected to present a paper on the subject of "A Survey On A Community's Attitude Toward the Population Problem." Steve did his research under the guidance of Gordon Morlan, chairman of the science department, and actually surveyed students, parents, and adults in the shopping centers of Grosse Pointe regarding their attitudes toward population control.

James Spach, also a 12th grader, was selected as an alternate on the basis of original writing which he had done as an independent study student project in creating writing in Mrs. Jane Wayne's class.

Eldert Bontekoe, 12th grade, will attend the Symposium as an observer in science.

Tapes Stolen From Auto

While attending a teen-age meeting at Our Lady Star of the Sea church, 467 Fairford road, someone broke into the auto of Philip Fifer, 3440 Berkshire, and stole a tape deck and tapes Sunday, February 13.

Officer Richard Prieztz of the woods Police Department received a report from Fifer regarding the larceny. While at the meeting, someone unlocked his car with a coat hanger and took the deck valued at \$108, plus 40-50 tapes valued at \$5-6 apiece. The deck has a black case and a chrome front.

Police are investigating the incident.

Music Festival Cites Students

Eighty-five instrumental music solos and small ensembles from five Grosse Pointe Middle schools participated in the Michigan School Band and Orchestra Association District Festival on Saturday, February 12, at Henry Ford Community College in Dearborn.

Each entry was judged by a professional musician who specializes in the particular instrument being judged. The adjudicator writes constructive criticism of each entry and awards ratings of I thru V. Of the 85 Grosse Pointe entrants, 40 received first division ratings, 34 received second, 10 third, and one fourth.

This is the second year that Grosse Pointe Middle school students have participated in this festival.

Among those Brownell Middle School students who were honored with First Division ratings are: Carol York, flute solo; Cathy Kienle, clarinet solo; Steve Bogan, alto saxophone solo; David Reed, Violin solo; and Patti Jobbit and Leslie Edmunds, cello solo. Those participating in top-rated duets are: Linda Povlitz and Blaire Houchens, violin duet; flute duets, Katie Walton and Patty Blenman, Bridget Sullivan and Nancy Sultzman, Nancy Edwards and Carol York and Sue Shepherd. A Brownell cornet trio, composed of David Bastianelle, David Strachan and Matt Howie, was also given a Division I rating.

Parcells Middle School also made an impressive showing. Cited by the professional musicians for their outstanding solos: Vicky Gaskin, clarinet; David Thomas, cornet; Wendy Judson, Cindy Lakin, Lori Bohlinger, flute solos; Laura Pickford and Wendy Judson, piano; and Karla Krager, snare drum. Those duets receiving Division I rating are Mark Schaefer and Phil Howells, clarinet duet; and Lisa Pascoline and Sue Oley, flute duet. The top-rated Parcells trio was Brad Schmidt, Harvey Dickson and Andy Gorgeson comprising a saxophone trio.

Eleven young musicians from Pierce Middle School were given the high honors. Soloists Kyle Ground, French horn; Ann Ehrling and Laura Miller, flute; and Dan Zinn, snare drum, received Division I ratings. Two quartets were similarly honored: John DeForest, Sheryl Coverly, Jill Perry, and Mari Osetek comprised the clarinet quartet; and An Ehrling, Laura Miller, Robin Flech, and Elizabeth Haddad comprised the flute quartet.

Two soloists and a clarinet duet from North Junior High were given the top honors. Marianne Jossens, flute, and John Coehell, clarinet, were judged Division I material. The top-rated clarinet duet was composed of musicians Margaret Nye and Patricia Outland.

Monteith PTO Keeping Busy

Mrs. Barbara Krauss, Monteith P.T.O. president, has announced a series of P.T.O. activities for the children and parents of Monteith School.

A two-day bake sale has been planned for March 3 and 4 which will also coincide with the second paper drive of the year on Saturday, March 4 from 9:00 a.m. to 3:00 p.m. The first day of the bake sale will be held exclusively for the children of Monteith.

The parents, children and friends of Monteith are invited to attend the next general meeting of the P.T.O., when a talent show will be presented under the co-chairman ship of Mrs. Pat Nelson and Mrs. Joy Outland. Monteith children and parents have been rehearsing for the occasion.

One View From The Capitol

By William R. Bryant, Jr.

An important piece of new land use legislation is pending now in the House Urban Affairs Committee. It would require land developers to register proposed large subdivisions with the State, have the promotional material approved by the State, would require certain disclosures to prospective purchasers and would allow a purchaser 14 days to change his mind and get out of the deal. It controls only the honesty, not the type, of development.

It is aimed at the problems largely created by northern and out of state land specu-

lators and promoters, some of whom have promised luxury "country club" developments and then come through with nothing but bare land. Many people have lost their life savings on such deals and the bad apple developers are giving all developers a bad name.

The Michigan Land Developers' Association supports the concept of the legislation because they know it will help keep out the fly-by-night operators and give people more confidence in the many legitimate developers.

I have been working on this Committee to perfect this legislation and I support it. It is too bad to have to impose more government in any way and the requirements of the act will be somewhat of a burden to all developers. On the other hand it will help good developers and eliminate much abuse which seemingly can not be dealt with under present laws.

This legislation is Round One in the Governor's land use legislation package soon to be introduced. His Land Use Commission has recommended rather sweeping changes in the law designed primarily to stop urban sprawl and haphazard development from swallowing all of Michigan's invaluable farm, forest and recreation land.

I hope you will try to keep up on developments in this area and keep me advised as to your thoughts on land use controls. Again we have situations where no control or local control is operating unsatisfactorily. Do we move to state control, or not, and if so, how much state control?

Public Schools in Focus

By Dr. Theos I. Anderson, Superintendent of Schools

Are you aware that the Nixon Administration has drafted plans to shift part of the burden of supporting the nation's schools from property owners to the general public, through a "value-added" or national sales tax?

What are the implications of this proposal to the advocates of "local control" of schools? They had feared a loss of power to the state. Now, it appears, that the national government may be a major factor in the whole picture of educational finance.

Nation's Schools for February states that the "school aid shift won't show up in the Fiscal 1973 budget, but will await the report of the Presidential Commission on School Finance, due about March 1." The article states: "Reports from the White House indicate that the tax would be well under 3 per cent and that the states would be given the option of participating in the plan or not—that is, they would have to limit the school financial burden assumed by property taxes before they'd be cut into the sales tax bonanza."

It's thought the national sales tax would fund slightly less than 20 per cent of the annual grade and high school costs of the nation—something in the neighborhood of \$7 billion to \$10 billion. Parochial schools would be cut into the funds on the "child-benefit theory," although one White House source conceded this might require a new church-state test in the Supreme Court."

Just exactly what is the value added tax?

The New York Times on February 6 calls it "a national sales tax that would be collected, step by step, as an item moves through production: From its first form—as, say, wheat standing in a field—to its final form—as a packaged loaf of bread, in a housewife's shopping basket. VAT is so named because the tax is imposed on the 'value added' by each producer — in the case of the bread by the farmer, miller, baker, grocer (not to mention such other participants in the productive process as the advertising agency, the printer, the paper manufacturer, the railroad, the trucker and soon)."

"But in the end, who would really bear the entire burden

of the tax? Most experts say it will be the housewife—because each producer will simply pass on to the next in line the tax the Government has collected from him. However, the tax is hidden in the final price of the item.

"Proponents of the tax see its relative invisibility as a great advantage: The ideal tax, according to ancient fiscal wisdom, is the one that gets the most feathers out of the goose for the least squawk. Opponents denounce VAT for the same reason: They see it as a regressive tax — one that is relatively heavier on the poor than the rich—that conceals from the goose just how much he has been plucked."

When did the Nixon administration get the idea for VAT?

According to The Detroit News of February 2 the President is taking his lead from Michigan in devising a value-added tax to replace the traditional property tax as the primary source of school financing.

As you know, Governor Milliken is leading a petition drive to have the tax question put before the voters in the November election. His proposal calls for a constitutional amendment which would virtually eliminate the property tax as the major source of school funds, substituting instead a value-added tax and an increase in the state income tax.

Slate Lecture Recital at U-L

Karl Haas, WJR Director of Fine Arts and host of the Peabody Award winning radio program, "Adventures in Good Music," will present "Music, Man! That's Where It's At!" in a series of two lecture recitals, at University-Liggett School on Wednesday evenings, March 1 and March 8 at 8:00 o'clock in the University Campus Auditorium in Cook road.

Karl Haas received his training as a pianist, conductor and theorist at the Mannheim Conservatory and the University of Heidelberg. After concertizing widely in western Europe, he came to the United States in 1936 as a member of the faculty of the Bendetsen Netzorg School of Piano in Detroit and continued his studies with Bendetsen Netzorg and with the famed Artur Schnable in New York.

In 1963, Governor Romney appointed him chairman of the Michigan State Council For the Arts, a council whose purpose is to further the arts in Michigan and the nation by bringing all phases of culture into the lives of all Americans. He has been honored at home and abroad for his work toward this goal.

The French government appointed him "Officier d'Academy" in 1956, and in 1968, honored him with the title "Chevalier de l'ordre des Arts et Lettres, a recognition for "outstanding cultural achievements throughout the world. He represented the United States in 1958 and 1966 as a delegate to the UNESCO Music Congress in Paris and Rotterdam. He is founder and president of the Detroit Chamber Music Society, and from 1967 to 1970, served as president of the Interlochen Center of the Arts and the National Music Camp.

His program at University-Liggett School is designed to increase enjoyment of good music by heightening sensitivity, sharpening ears and guiding his listeners to discoveries of what makes music great.

The public is invited. Admission for the series of two lecture-recitals is \$6. Tickets are available at the University Campus reception office, 1045 Cook road, TUxedo 4-4444.

South Cagers Tied for Third

South's cagers outscored the Wyandotte Bears in every quarter to win 75-62. The Devils are now tied for third place in the BCL with Wyandotte.

This Friday the Devils will wrap up their season in Highland Park at 8:30. The Polar Bears are tied with Fordson for third place in the BCL. The Parkers' BCL record is

8-1 while South's is 4-5. A Devil upset could cost Highland Park a co-championship in the BCL. The Parkers edged South earlier this year, 68-60. Coach Hollosy stated that the Devils will play basically the same game with a few minor adjustments.

South played evenly with Wyandotte in the first quarter and then added to their one point lead in the second period. During the second quarter Pete Farmer scored 11 points in less than three minutes. This was immediately followed by George Heidt's 6 point outburst. Combined, they gave South a 33-23 halftime lead.

Wyandotte tried to come back several times in the fourth quarter as they narrowed the gap to one point on two occasions and later tied the game 43-43. South's defense tightened up as their offense exploded to a 53-45 lead at the end of the quarter.

George Heidt led the Devils with seven points in the fourth quarter. South held the lead by at least seven

GP Blues Win At Invitational

The victory avenged Wyandotte's 86-75 win over South on January 14. South has now beaten, or nearly beaten, every team they have played this season.

Pete Farmer's 21 points led the Devils as George Heidt poured in 19. Steve Kennel and Jim Bird scored 13 and 11 respectively to round out the Devil scoring. Pete Farmer and Jim Bird led South's rebounders with 10 each. Dave Fields and Dave Village paced the scorers of the losing side with 22 points each.

GP Blues Win At Invitational

The Grosse Pointe Blues, the Bantam "A" travel team of the Grosse Pointe Hockey Association, won in its division in the recent Long Branch Hockey Association's Invitational Tournament.

The tournament began with the Grosse Pointe Hockey Association journeying to Long Branch the weekend of February 12 and 13.

The opening game for the Blues was capped by Grosse Pointe by a 2-1 score. Grosse Pointe goals were by Tom Stewart, unassisted, and Jim Carbone with an assist from Tom Costello.

The Sunday game was taken by Long Branch 4-2. Tallying for Grosse Pointe in the losing effort were Jim Carbone, assisted by Chad Morris, and Dennis Austin, assisted by Mark Santi.

On Saturday, February 19, the tournament was hosted by the Grosse Pointers at Gordie Howe Hockeyland, St. Clair Shores.

The opening game for the Blues was a scoreless tie. Three-star award presentations were a feature of the home series. Winners selected in the Bantam division were: Pointer Tom Lott, Norm Milson, of Long Branch and number one award to Grosse Pointe goal tender Jim Farquhar.

The Blues clinched its series on Sunday, February 20, at Gordie Howe Hockeyland with a 3-2 victory. Scoring was led by Tom Costello's two first period goals. He was assisted on both goals by Mike Sandmair. Chad Morris also assisted on Costello's second goal.

In the second period, Peter Poirier showed in the game-winning goal with assists going to Chad Morris and Tom McCubbin.

Winners of the final game's Three-star awards were Bob Delaat and Doug Pope of Long Branch and the top award to Tom Costello of The Pointe for his two-goal production.

The Blues record for the Bantam division of the Long Branch Invitational Tournament was two wins, one loss and one scoreless tie.

Park Swimmers Are Victorious

The Grosse Pointe Park Swim Club's fifth victory in the Michigan Metropolitan Winter League dual meet competition spoiled the All-Pointe's undefeated record. Both teams ended up the season with a 5-1 win-loss record. Last Thursday night's meet at the GPSHS pool was bristling with competition and the final score of Park-255 and All-Pointes-206 showed the Park swimmers 32 out of 42 first places. The Park team currently holds 17 league records and All-Pointes 2 out of 42 events.

The Park Swimmers have been coached by Tim Kenary for the past three years and many of their swimmers are in AAU competition throughout the midwest. Mickey Montagne (13 year old Pierce student) recently cited in the "SWIMMING WORLD" magazine as the fastest 11 and 12 year old girl 50 yard backstroke and fifth fastest 50 yard butterfly in 1971 in the United States in 11 and 12 age group competition continues to lead the team in the 13 and 14 girls age group with her individual double wins and a relay blue ribbon. She will be eligible for the AAU regional championships held in March in Ann Arbor.

Other Park triple winners were: Tom Gaitley, Todd Lindheim, Tom Hessburg, Steve Swanson, Marsha Maurer and Toby Lindheim. Swimmers winning two blues in their individual events were Therese Blake and Megan Montagne. Double firsts for Park relay and one individual event were won by: John Roach, Cathy Riddell, John Hessburg, and Dave Lauth. Winners of one individual event were Parkers: Kitty Berg, Mark Williams, Tim Riley, Jim Hanley, Kathy Prost, and Kelly Doelle. Relay firsts were awarded to Terry Burnham, Becky Smith, Steve Soderburg, Sharif Shaalon, and Brian Moulton.

The Michigan Metropolitan Winter League championships will be held March 18 at Clarenceville High School pool. The Park team will be a strong contender to take the championship's team trophy.

All-Pointe Swim Club winners were: Lauren Olen, Kathy Nally, Connie Robinson, Tom Crowley, Mark Todd, Patty Keek, Christie Vogel, Jean Zerweck, and Christie Duetsch.

Neighborhood Club News

GIRLS' SOFTBALL

Christine Schneider, a physical education teacher, will be giving instruction in batting, throwing, fielding, and rules of the game in the fifth grade girls softball clinic. Scrub games will be scheduled to give the girls some actual experience in preparation to joining the Girls' Softball League when they become 6th graders.

GIRLS' SOFTBALL LEAGUE

Sixth, 7th, and 8th grade girls will be able to sign up for the girls' softball league through March 10 at the Teen Center. Membership and a \$5 registration fee are required at sign up time. Try out schedules will be available at the Teen Center. Volunteer Mothers and High School girls are always needed, for coaching, scoring and etc. and will be invited to attend a special clinic for coaches at the Teen Center March 29, 10 a.m.

TWILIGHTERS

The Neighborhood Club "Twilighters" group will be meeting for the fourth time tomorrow, Friday, February 25, 12 o'clock at the Teen Center. There will be refreshments, ping-pong, pool, bridge, and handicrafts. Plans for picnics, theatre days, and excursion trips will be finalized prior to the arrival of the spring weather, but what we need right now are some male opponents for our pool and ping-pong fans. If you are interested in joining, please contact Pauline Masak at the Teen Center—865-4600.

The Neighborhood Club Pro League completed its regular season play last week. The undefeated South Division champion was the powerful Warrior team, coached by Grosse Pointe South athletes Steve Morrison and Brad Lindbergh. This team was led by Jim Parsons the league's leading scorer with a 16.9 average. Other players were Peter Tobin, John Hartman, Mike Ladd, David Sabella, David Pool, Chris Dominguez, Rudy Vandenberg, and David Morrison.

The Central Division Champion was the Colonels. They were coached to their 6-1 season record by South basketball players Scott Solomon and Stu Thiede. This balanced team was composed of the following players: Tom Kolowich, Bill McCreary, Bob Baker, Paul Van Asdol, Joe Vier, John Baldyga, Tom Suthat, Chris Petrill and Charles Fromm. Harry Gemeund of the stars was this division's leading scorer with his 7.7 average.

The North Division Champion was the unbeaten Pistons, coached by Rich Zaranek and Bob Arthur. The players from this victorious team are: Steve Arthur, Bob Zaranek, Bill Clason, Dave Harwood, John Long, Tom Pochert, Paul Radman, and Jim Vaughn. The leading scorer of this division was Scott Engel of the Braves with his 10.7 average.

The Pro Division now begins a one game elimination play-off at Brownell on Saturday, March 18.

FIRE POLLUTES
Fire pollutes our environment as much as fume-filled air, waste-filled water, and litter filled land. Increased vigilance against fire is the only way to reduce its destructive effects on our environment.
As it is now, in a single year, fire claims 12,200 lives in the United States alone and costs the nation \$2.8 billion in property destroyed by this needless waste.
This "pollution" which it really hurts — physically, emotionally, financially. It is largely up to us whether we have an environment free of destructive fire.

Arbor Day in Michigan isn't until Friday, April 28, but local groups are already preparing for the big day.

The Grosse Pointe Garden Club Council meets this Monday morning, February 28, at 9:30 o'clock, at Central Library, to discuss plans for the local celebration of the 100th anniversary of Arbor Day.

The Council will sell trees and shrubs to commemorate the day. All garden club presidents and representatives have been invited to Monday's meeting to help plan civic improvement projects and hear Mrs. Alfred Goolsby speak on trees and pruning.

They'll Plant a Tree

The Grosse Pointe Farms and Garden Club are planning to plant a large Ginkgo tree (a tree of eastern China with fan-shaped leaves and yellow fruit) at the Children's Home of Detroit, in Cook road, on Wednesday, April 12, at 3:30 o'clock, following its annual luncheon meeting at 12:30 o'clock, at the Grosse Pointe Club. Mrs. Charles Parcells, Jr., president, and Mrs. Thomas Hammond, conservation chairman, will make the presentation.

It Started in Nebraska

The first successful Arbor Day was put into operation on April 10, 1872, primarily through the efforts of J. Sterling Morton, then president of the Nebraska State Board of Agriculture.

More than a million trees were planted that first Arbor Day in Nebraska and some 350 million more trees planted there in the next 16 years.

The movement spread rapidly throughout the United States and now Arbor Day is observed nationally. The date varies in different localities due to climatic conditions.

Women of Wayne Plan Luncheon-Tour Mar. 11

Detroiters will have the opportunity to explore Wayne State University's collection of fine art Saturday, March 11.

The Women of Wayne, a women's alumni group of the University, is sponsoring a luncheon-tour of the University Collection, highlighted by a slide presentation by WSU Art Professor Richard Bilaitis and a tour of the President's apartment.

The day will begin at 10:30 a.m. with a coffee hour at Alumni House. The 12 o'clock noon luncheon will be followed by the campus tour, which includes Alumni Centennial Court, the McGregor Sculpture Court, the University Center, and the Faculty Art Exhibit which will be showing in the Community Arts Gallery.

Professor Bilaitis, who is currently cataloging the University's art collection, sees the WSU campus as a kind of "museum without walls" and wants the university alumni and the Detroit community to become aware of the many fine works Wayne has in its collection, including both contemporary pieces, some by Wayne faculty members and students, and older works by well-known artists.

Tickets for the luncheon, lecture, and tour are \$4.50 and may be obtained by calling Alumni House at 577-2167.

THE ANGLE

Change your viewpoint occasionally — sometimes the burdens become golden opportunities.

HELEN SHARPE, Assistant Director of Admissions for Green Mountain College, Poultney, Vt. will visit South High School, North High School and the University-Liggett School on Monday, February 28. She will meet with guidance counselors and talk with students at the schools.

Named to the first term Dean's List of Western Michigan University are SARA KING, SUE SCHUELER,

and SUE AUBLE. The girls are members of the Alpha Phi Sorority, Delta Theta chapter, on the Kalamazoo campus.

STEPHEN MARR, son of MR. and MRS. ROBERT MARR, of Berkshire road, was recently elected president of the Michigan Phi Beta Lambda business fraternity. He is a senior at Northwood Institute and is president of the Northwood chapter of the fraternity.

Grosse Pointe High School are busy making decorations for their 25-year reunion, a dinner-dance, slated for Saturday, June 24, at the Grosse Pointe Yacht Club.

Decorations committee members include Mrs. Henry Murray, Mrs. Wilson Scott, Mrs. Jack Campbell, Mrs. Neal Waitman, Mrs. Robert King and Mrs. Clothaire Vandekerckhove.

Members of the January Class should contact Mrs. Campbell, TUxedo 4-0389 and members of the June Class, Mrs. Murray, TUxedo 4-1977 for further reunion information.

Still More Early Planning

The Grosse Pointe Congregational Co-operative Nursery is taking applications now for fall classes. Anyone interested should call Mrs. Robert Terry, 886-3961. There's always a lot of "fun" activities for the little ones... like their recent visit to the home of the Alfred R. Glancy's Jr., on Lakeshore.

Some 21 parents, led by their children, visited Engineer Glancy's miniature train world. They were greeted by "Chitty Chitty Choo-Choo," a friendly train traveling on a wagon wheel light... then a tour through towns of every imaginable size.

Two of their favorites were the "Glancy Morrow Moon Express," which shoots a rocket from a flat bed launcher, and the "Glancy Solar Bus," which travels on an irregular suspended track.

No one is still sure who enjoyed the train the most... the children... the parents... or Engineer Glancy!

W. F. Kufners Wed Feb. 5

St. Michael's Episcopal Church was the setting for the Saturday, February 5, wedding of Barbara Robbins Atkinson, daughter of Mrs. Edison L. Robbins, of Loraine road, and the late Mr. Robbins, and William Ludwig Kufner, of Wyandotte, son of Mr. and Mrs. Ludwig Kufner, of Windsor. Karen Kay Atkinson was her mother's honor maid.

The Reverend Edgar Yeoman officiated at the 4 o'clock rites, which were followed by a small reception in the home of the bride's brother and sister-in-law, Mr. and Mrs. Richard Robbins.

Following the ceremony the newlyweds sipped nuptial wine from goblets used by the bride's great-grandmother at her wedding in 1863.

After a trip to Toronto, the new Mr. and Mrs. Kufner will make their home in Wyandotte, Mich.

J. M. Shirilla To Claim Bride

The engagement of Laura Elizabeth Hanneman to James Michael Shirilla, has been announced by her mother, Mrs. Vernon F. Hanneman, of Detroit. Laura is also the daughter of the late Mr. Hanneman.

Her fiance is the son of Mr. and Mrs. Michael J. Shirilla, of Roslyn road.

The bride-elect was graduated from Wayne State University.

Mr. Shirilla is currently attending Wayne State University School of Medicine. A July wedding is planned.

Bride Given In Marriage By Michigan Supreme Court Justice G. Mennen Williams; Reception Follows At Williamses' Residence

Grosse Pointe Unitarian Church was the setting for the Saturday, February 19, wedding of Sylvia Lees Hadley, of St. Clair avenue, and Paul Michael Donahue, of Detroit. She is the daughter of Mrs. Sylvester C. Hadley, of East Jefferson avenue, and the late Mr. Hadley. The bridegroom is the son of the late Mr. and Mrs. Harvey J. Donahue.

Following the 2 o'clock rites at which The Reverend Harry Meserve officiated, a reception was held in the Tonnancour place residence of the Justice and Mrs. G. Mennen Williams.

The bride wore a simple floor-length gown of white jersey with an Empire waist touched with a sentimental heart-shaped diamond pin. Her short veil fell from a Dior bow and she carried a bouquet of white roses, stephanotis, baby's-breath and yellow Sweetheart roses.

Mrs. John Desatell, of Bloomfield Hills, served as honor matron. She wore a floor-length frock of brown taffeta with a velvet bodice and soft pink satin sash. She carried a cascade of pink carnations, baby's-breath and ivy.

Hugh Loughlin, of Bloomfield Hills, brother-in-law of the bridegroom, was best man and Ronald Thayer, of Detroit, ushered.

the bridegroom, was best man and Ronald Thayer, of Detroit, ushered.

The bride's mother wore a pink peau de soie cocktail-length gown to which she pinned a white orchid corsage.

The couple plan a trip to Washington, D.C. in April.

"In-The-Plant" Sale Set By Goodwill Industries

Sets of old fashioned ice cream parlor chairs and tables, antique furniture, china, silver, and bric-a-brac will be among the many items on display and for sale at the Goodwill Industries Annual Spring "In-The-Plant Sale" to be held at the Goodwill Building, 6522 Brush at East Grand Boulevard, on Thursday, March 2. Sale hours will be from 9 a.m. to 5 p.m.

In addition there will be a huge quantity of cleaned or laundered and repaired clothing for the entire family. Much of the clothing available is from the Boy Scout Drive last fall and has been thoroughly reconditioned over the winter months by handicapped workers at Goodwill.

The "In-The-Plant Sale" is conducted on the third floor level of the Goodwill Building rather than in the store area. The selling and display

area is immediately next to the workshops. There will be refreshments and entertainment throughout the day to lend a gala air to the event. Free parking is available next to the Goodwill Building.

Goodwill Industries is a part of the League For The Handicapped—Goodwill Industries. The Goodwill Division employs about a third

of the total number of persons in the League—Goodwill Sheltered Shops through the collection, repair, and sale of household discards.

Funds from sale of reconditioned merchandise pays the wages of handicapped workers. During the year 1971 League—Goodwill provided service or employment to about 5,000 handicapped men and women in the Detroit area.

Slate FASH/BASH For Mon. Mar. 20

Many Pointers Working for the Junior Council of the Detroit Institute of Arts FASH/BASH to Aid Detroit Youththeatre

FASH/BASH II, dance and celebrity fashion auction benefiting the museum's Detroit Youththeatre, will be staged at the Hotel Pontchartrain, Monday, March 20, from 6:30 until 9:30 o'clock.

The fund-raising party with admission tickets available to the general public will again be sponsored by the Junior Council of the Founders Society Detroit Institute of Arts to help the Art Institute program more live shows for Inner City schools.

Twelve local celebrities have agreed to model men's fashions from Hughes Hatcher Suffrin and let them be auctioned off their backs for charity.

This year's FASH/BASH under the general chairmanship of Mr. and Mrs. Michael G. Van Lokeren, of Beverly road, will try to top last season's net profit of \$13,000. Tickets acknowledging \$6.25 contributions to the Detroit Youththeatre may be obtained at the Art Institute's ticket office.

Celebrity co-chairmen Mr. and Mrs. Elliott A. Trumbull have arranged for civic dignitaries, public figures and sports heroes to walk down the fashion runway, under the direction of auctioneer Judge Peter B. Spivak of the Common Pleas Court. Models

include DSR chief, Edward Davis; restaurateur and Pointer, Chuck Muer; police commissioner, John Nichols; museum director, Willis F. Woods; WXYZ's Dave Diles and WWJ's Sonny Eliot.

More are Pointe and Detroit News' writer, Charley Manos; WJR's J. P. McCarthy, Piston Dave Bing, former Red Wing, Gordie Howe and Mike Lucci and Charlie Sanders of the Detroit Lions.

All FASH/BASH entertainment, including light food and the dancing, is free to contributors.

The gala affair, attended by 1,000 of the town's young set last March, is made possible by the principal generosity of Hughes Hatcher Suffrin, group of men's stores; C. A. Muer Corp., the Hotel Pontchartrain; The Stroh Brewery Company; and Hiram Walker, Inc.

Committee for FASH/BASH II includes Kenneth M. Davies, president; Mr. and Mrs. Van Lokeren, general co-chairmen; Mrs. Walter R. Denison, invitations; Mrs. Lawrence K. Snider, Mrs. William B. Saunders, publicity; Honorable Peter B. Spivak, Detroit, auctioneer; Dr. and Mrs. Kenneth B. Washington, traffic control; William J. Markley, gifts; Mr. and Mrs. Douglas A. Schubert, tickets; Mr. and Mrs. Trumbull, celebrities, and Mrs. Kenneth M. Davies, food and entertainment.

Some 250,000 school children annually are in the audiences of the Detroit Youththeatre. The live theatre project is headed by Dr. Audley A. Grossman, curator of the Art Institute's Theatre Arts department, and Mickey Miners, director.

It is the largest professional children's theatre in the U.S., with live Broadway musicals, plays and puppet shows in the Auditorium where students bus in for twice daily performances. Smaller, more versatile shows travel to the schools throughout the metropolitan area. The same shows are scheduled at the museum for the public as part of the "Something Every Saturday" program.

Named to the fall semester Dean's List at John Carroll University, Cleveland, O., are MARY C. MEATHE, of Grosse Pointe boulevard; NANCY E. MROWCZYNSKI, of South Renaud; and EDWARD S. EGANTIOS, of Webber place.

Mrs. Larry J. Thomas

In Grosse Pointe Memorial Church Saturday afternoon, February 12, NANCY BRENNAN, daughter of Walter X. Brennan, of Lincoln road, and the late Mrs. Brennan, was married to Larry J. Thomas, son of Mr. and Mrs. Dean Allen Thomas, of Dallas, Tex.

Miss Brennan Wed To Larry Thomas

At an afternoon ceremony, Saturday, February 12, in Grosse Pointe Memorial Church, Nancy Brennan, daughter of Walter X. Brennan, of Lincoln road, and the late Mrs. Brennan, and Larry J. Thomas, of Dallas, were married.

Presiding at the 1:30 o'clock rites was Dr. Ray H. Kiely. After a reception at the Grosse Pointe War Memorial the newlyweds left to vacation in Vail, Colo.

For her wedding the former Miss Brennan chose a gown of white satin trimmed in flower appliques and lace. She carried a colonial bouquet of white roses, baby's-breath and red star flowers.

Margaret Mary O'Connor, honor attendant, wore a floor-length forest green print peasant dress and carried a colonial bouquet of yellow miniature carnations, baby's-breath and star flowers.

The bridegroom, son of Mr. and Mrs. Dean Allen Thomas, of Dallas, asked Drew

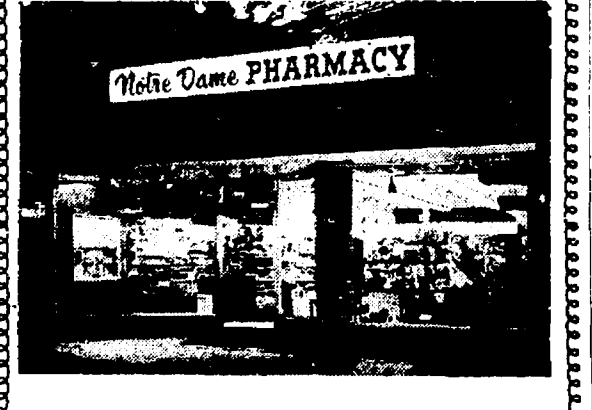

Holland, of Dallas, to serve as best man.

Tom Moore and John Bond of Dallas were in the usher corps.

The newlywed Mr. and Mrs. Thomas will make their home in Santa Barbara, Cal.

Jeanne L. Cusick Wed to Mr. Perry

Carries Lace Handkerchief Made by Her Great-Grandmother During Noon Ceremony; Mrs. James Fermoile Attends Her Sister

Jeanne Louise Cusick, daughter of Mrs. William T. Cusick of Hampton road, and the late Mr. Cusick, became the bride of William D. Perry Jr., of Northridge, Ill., on Saturday, January 22. Mr. Perry is the son of Mrs. William D. Perry of Kinnellon, N.J. and the late Mr. Perry. Following the 12 o'clock noon ceremony in Chicago, a reception was held at Sage's East.

The bride wore a simple floor length gown of white nylon with a macrame yolk. A matching camelot headpiece trimmed in seed pearls held her shoulder length veil. She carried a bouquet of white roses, stephanotis and baby's breath. She carried a lace handker-

chief made by her great-grandmother 125 years ago.

Mrs. James Fermoile, of E. Jefferson, Detroit, was her sister's honor matron. She wore a floor length gown of multicolored silk print and carried a bouquet in matching colors.

Thomas Cusick, of Northbrook, Ill., brother of the

bride, was best man and Robert Sinnert of Rolling Meadows, Ill., ushered. The bride was given in marriage by her brother, William P. Cusick Jr., of River Vale, N. J.

The bride's mother wore a pale green silk and wool suit, she wore a corsage of white gardenias and stephanotis. The bridegroom's mother chose a peach wool suit and pinned matching camellias to her purse.

Out of town guests included Miss Kathryn Perry, of Kinnellon, N.J., sister of the groom, and James Fermoile, of Detroit.

Following a trip to Mexico the couple will make their home in Chicago.

Bridge Group Meets Mar. 1

The Grosse Pointe Woman's Club Bridge Group will meet Wednesday at 12:00 o'clock for luncheon, 12:30 o'clock for bridge in the Alger House (Josephine Gregory Room) of The War Memorial.

For reservation please phone Mrs. Stuart Micklethwaite Chairman, 886-6034, no later than Sunday, February 27. Assisting with the luncheon are co-chairman Mrs. Jack Merritt, assistant chairman: Mrs. John Kelly, Mrs. Harold Lee and Mrs. Ralph F. Urso.

Kindness sometimes consists of telling a little white lie exceptionally well.

JEANNE LOUISE CUSICK, daughter of Mrs. William P. Cusick, of Hampton road, and the late Mr. Cusick, and Mr. Perry, son of Mrs. William D. Perry, of Kinnellon, N.J., and the late Mr. Perry, were married Saturday, January 22, in Chicago, Ill.

Name Seven New Trustees

At its recent annual meeting, the Founders Society Detroit Institute of Arts elected seven trustees to its Board. This brings the Board of Trustees to a total of 42 members, a new high in the history of the 86-year-old organization.

Board Chairman and Pointer William M. Day announced that new trustees include Judge Wade H. McCree, Jr. of the U.S. Court of Appeals for the Sixth Circuit; Dr. Marjorie Peebles Meyers, Detroit physician; former City Controller Alfred M. Pelham of Detroit; Donald E. Young of Bloomfield Hills, vice president - communications, Burroughs Corporation; Robert F. Hastings of Birmingham, chairman of board and chief executive officer of Smith Hinchman & Grylls Associates; Norman B. Weston of Birmingham, executive vice president of National Bank of Detroit; Max M. Pincus of Pleasant Ridge, president of Hughes Hatcher Suffrin.

Continuing as officers of the Founders Society of 1972 are Mr. Day, president, Stanford C. Stoddard of Birmingham, board chairman of Michigan National Bank and Michigan Bank; vice-president, Mrs. Gaylord W. Gillis, Jr., of Merriweather road; vice-president, Peter B. Clark, of Stevens road, publisher of The Detroit News; and treasurer, Henry B. Frank of Huntington Woods. Peter W. Stroh, of Parklane, former secretary, was elected vice-president. Mr. Stroh is president of the Stroh Brewery Company. Harry L. Winston, Jr. of Birmingham was elected secretary. Mr. Winston is vice-president of Tempco, Inc. in Detroit.

Edward E. Rothman, of Bloomfield Hills was elected trustee emeritus, and is the second individual so honored in the history of the Founders Society.

Willis F. Woods, director of the Detroit Institute of Arts, continues as executive director and Frank A. Morgan, of Chalfonte avenue, as manager of the Founders Society.

An ounce of prevention usually amounts to a pound of useless worry for the future.

Seeing others as we see ourselves might help some, too.

Engaged

The engagement of JEAN FRANCES SINELLI, daughter of Mrs. Andrew J. Sinelli and the late Mr. Sinelli, to Arthur Dennis Stockard, son of Mrs. Lewis Stockard, and the late William Davies Stockard, was recently announced at a cocktail party in the Berrington road home of her mother.

There's a reason for everything, but few people dig up the facts to support the reason.

Fox Creek Sets Mar. 2 Meeting

The Fox Creek Chapter of Quarters will meet Thursday, March 2, at 1 o'clock, at the Pemberton road home of Mrs. Raymond Mellinger. Mrs. Philip Gould will be the co-hostess. A study paper, "Monumental Bronze Rubbing," will be given by Mrs. Sidney McCleary.

Mrs. Richard Noyes presented a paper, "The Supercargo," at the February 3 meeting of the club. The subject matter for her paper was taken from a hand-written journal kept by her husband's great-great-grandfather, who lived from 1795 to 1881.

She brought his journal to the meeting for members to see, and also an old print, circa 1830, of the harbor at Newburyport, Mass. Hostess for this meeting was Mrs. Robert Reas, of Birch Lane.

She was assisted by Mrs. Fred Winfield.

The Fox Creek Quarters will go on a field trip from 10 o'clock to 4 o'clock, Wednesday, March 8, to the Pewabic Potteries on Jefferson Avenue.

Participating in the 1972 Faculty Exhibition of the Wayne State University Department of Art and Art History is LOUISE JANSEN NOBILI, of East Jefferson avenue. The exhibit opens Sunday, February 27, and continues until Sunday, March 19, in the Community Arts Gallery, Cass at Kirby avenues. There are more than 100 works being exhibited by the 44 faculty members, many of which are available for purchase.

A donation of \$2 is asked to subsidize the Parents Club scholarship fund. Mrs. F. Wallace Bissinger will serve as general chairman. Mrs. William Queen, 881-4448 has ticket information.

A delicious dessert will be served, coffee or tea, followed by an exciting fashion show by Martha's Closet of Fisher Road introducing their spring line. Mother models are Mrs. Wilton Henderson, Mrs. John Huckins, Mrs. William Killebrew, Mrs. M. Hill, Mrs. Harvey Pickford, Mrs. Jack Shook, Mrs. Herb

Smith, Mrs. Myron Vivian, Barbara Friedberg will narrate. Mrs. John Mazer will be the featured pianist.

Mrs. Jack Otto, fashion show chairman and Mrs. Hank Murray, decorations chairman co-operating with John Elder of the school staff have arranged an unusual run-way which will provide a fast-paced show with excellent viewing for all guests present. Don Richards of North will provide professional audio-visual assistance.

Paper streamers and fresh flowers will convert the gymnasium into a spring fantasy. Each table of four will be covered with yellow cloths centered with orange circles decked with yellow pots banded with orange velvet and filled with multi-colored lucite flowers and fuzzy drift. Centerpieces will be driftwood entwined with film flowers; and a prominently placed katey-did, the creation of Mrs. Robert Martin.

Mrs. John Study, gift chairman has received generous donations from local merchants and businesses. bridge chairman will be Mrs. David Brierley; silver, Mrs. Walter Bertschinger; tickets, Mrs. John Williams; publicity, Mrs. Ralph Cross, Jr. and Mrs. Robert Martin; post sale, Mrs. Richard Landgraf. Mrs. David Howell, chairing clean-up, will be assisted by the Varsity Club. The Valkyries and Senior Girl Scouts will also lend their services.

The party raises funds solely for the scholarship fund. The money is made available to North High graduates hoping to attend Michigan State supported schools, the middle-range student not receiving other scholarship help. Because the March 16 is a curriculum half-day teenagers in the community will be available for babysitting. Mrs. Richard Thams, 889-0675, can give you the name of a student interested in working that afternoon.

Goodwill Women Plan Sandwich-Luncheon

The March meeting of the Women's Association of Goodwill Industries will be held on Wednesday, March 8, in the Goodwill Building, Brush at East Grand boulevard, at 1 o'clock following a sandwich luncheon served at 11:45 a.m.

Guest speaker will be the Rev. Chenoweth Watson, Director of Social Services of the Metropolitan Detroit Council of Churches. Rev. Watson will discuss some of the activities through which the Council as representative of some 500 Protestant churches reaches out into the community in service. Mrs. M. R. Rhonence will give an inspirational message appropriate to the Lenten season.

At the business meeting President Mrs. John J. Lee will call on Mrs. A. Warren Brock, special activities chairman, who will outline plans for the April 26, "Crossroads Fair," to be held in the Goodwill Building. Members will meet on March 22, in the Goodwill Building from 11 a.m. to 3 p.m. to make items for the Fair booths.

Membership in and attendance at the meetings of the Women's Association are open to any interested persons.

Drive carefully on the highway—safety is no accident.

Swiss Artist Jean Ber To Give Poetry Recital

The Alliance Francaise de Grosse Pointe joins with the Detroit Alliance Saturday, February 26, to present the Swiss artist Jean Ber in a poetry recital-spectacle. This cultural event, which should be of great interest to local people familiar with the French language and literature, is scheduled for 2 o'clock in the Sentinel Building, East Jefferson at Chene, Detroit.

M. Ber, renowned throughout Europe and in many parts of the States as a skillful interpreter of French poetry, is on a late-February and March tour of this country. He will come to the Detroit area directly from Cleveland, where he is also appearing in recital.

M. Ber has scheduled for his program selections from Clement Marot, Ronsard, LaFontaine, Victor Hugo, A. de Musset, Baudelaire, Paul Verlaine, Rimbaud, Alphonse Daudet, Edmond Rostand, Jacques Prevert. The works will cover a wide range of subjects and moods and they will be delivered in French.

There is ample parking available under the Sentinel Building for those interested in attending the recital, which is free to Alliance members. There will be a \$2 charge for guests.

SUE HOLLERBACH, daughter of MR. and MRS. RAYMOND HOLLERBACH, of Washington road, is participating in the "Eastern Michigan University Dancers in Concert," on March 2, 3, and 4, in the Quirk Theatre on the EMU campus. She is a junior at the university, majoring in special education.

DR. JOHN H. BURROWS, of Westchester road, Chairman of The Michigan Cancer Foundation East Unit, is presenting a symposium on Wednesday, March 22, which will focus on the care and management of the advanced cancer patient. It will be held at 7 p.m. in the Regina High School Auditorium, 20200 Kelly road, Harper Woods.

Betrothed

Mr. and Mrs. R. G. Smalak, of Middlesex road, announce the engagement of their daughter, CHERYL LEE, to Robert C. Peters, of Hillsdale, son of Mrs. Clifford Peters, and the late Mr. Peters.

The bride-elect was graduated from Michigan State University in 1968.

Her fiancé received his Masters degree from the University of Michigan in 1970.

A June 17 wedding is planned.

Fashion Show-Luncheon Set for Wednesday

When an organization has found the proper combination of ingredients such as the right time of year, atmosphere, delicious food and high fashions for a successful fund-raising project, it is no time to abandon the recipe. With this in mind, The Grace Hospital Women's Auxiliary has announced that its annual Fashion-Show Luncheon will be held at the beautiful Oakland Hills Country Club for the third year in a row on Wednesday, March 1.

Co-chairmen Mrs. Gervid Atkinson and Mrs. E. O. Place have requested members of the auxiliary to model the fashions presented by Milgrim's in the Fisher Building. Models are Mrs. John Ganschow, president of the auxiliary, Mrs. Robert Peterson, Mrs. Joseph Catalano, Mrs. John Bielawski, Mrs. Kim Lie, Mrs. Edward Heil, Mrs. Paul Somiyu, Mrs. Wm. Harahan, Mrs. Ernest Spear, Mrs. Leo Figiel and Mrs. Donald Armstrong. Mrs. Roger DeBusk and Mrs. Herbert Cantor.

Mrs. Stephen Figiel is coordinator for the show. Decoration responsibilities are shared by Mrs. Ralph Ander-

son and Mrs. George Tuttle. Mrs. Donald Waddell is in charge of obtaining door prizes. Hostess chairman is Mrs. Reed Zens and publicity being handled by Mrs. L. Murray Thomas.

Proceeds will benefit the Intermediary Coronary Care Equipment Fund and The Grace Hospital Nursing Scholarships Program. The public is invited. Tickets, \$7.50 general admissions, \$10 for patrons, may be obtained by calling Mrs. T. Waldo Thompson, reservations chairman, 646-4583.

Speaking at the February 23 meeting of the Motor City Charter Chapter of the American Business Women's Association is Judge GEORGE N. BASHARA, JR., of Sunningdale road. Judge Bashara, who is Judge of Probate for Wayne County, has chosen the topic "Controlling Drugs Through Education."

Miss Woodhouse Wed to Mr. Teague

Mrs. Timothy Robert is Honor Matron; Douglas Teague, Brother of the Bridegroom Serves as Best Man

A gown of white peau de soie embroidered with seed pearls and beads was Kathleen Ann Woodhouses' choice for her wedding Saturday, February 19, in Christ Church Grosse Pointe to Bruce Homer Teague.

To Be Wed

She wore baby's-breath in her hair and carried a bouquet of stephanotis, phalaenopsis orchids and English Ivy.

The 4 o'clock rites, at which the Reverend Arnold Fenton officiated, were followed by a reception at the Grosse Pointe Club.

The bride is the daughter of Mr. and Mrs. John Thompson Woodhouse, Jr., of Rivard boulevard, the bridegroom is the son of Mrs. John Paulson, of Lothrop road, and Dr. Dwight Maxwell Teague, of Lake Orion.

Mrs. Timothy Robert, long-time friend of the bride served as honor matron. She wore a gown of cranberry velvet trimmed in pink satin and carried a colonial bouquet of pink carnations and roses.

Douglas Teague, brother of the bridegroom, served as best man. John Thompson Woodhouse, IV, brother of the bride, from North Palm Beach, Fla., and Kenneth Teague, cousin of the bridegroom from Warren, ushered.

For her daughter's wedding Mrs. Woodhouse selected a pale pink jacket dress trimmed with braid. The bridegroom's mother also chose a pink ensemble. Both wore cymbidium orchid corsages.

The newlyweds will make their home in Woodbridge, Va.

In recent elections at the Kappa Kappa Gamma Fraternity, Hillsdale College, Hillsdale, Mich., several Pointe girls were honored. Elected are president, KRISTIN ADAMS, daughter of MR. and MRS. Boyne Country Condominiums

Jungfrau

Reminiscent of Switzerland's most dramatic and well-known mountain, the "Jungfrau" provides a towering accent to the Boynestadt village concept. The Jungfrau's five-storied reach assures a magnificent view of Boynestadt, Boyne Mountain, and surrounding terrain.

Artberg

As vast as the Austrian Alpine Ski country after which it is named, the Artberg apartment building houses 12 apartments and is the largest of all buildings in the Boynestadt Condominium village complex.

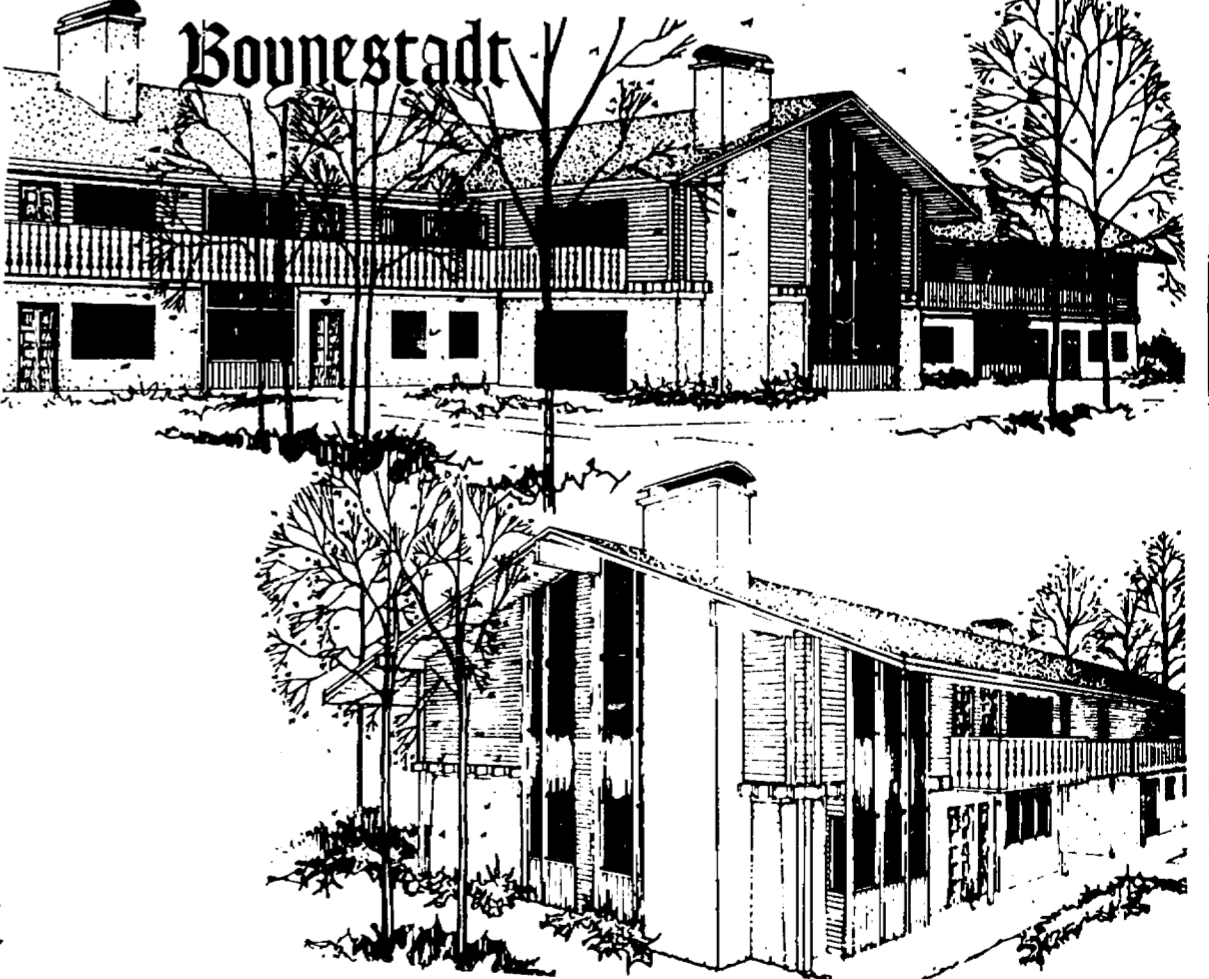

Mont Blanc

Recalling memories of Europe's highest mountain, the "Mont Blanc" building sets in quiet majesty in the Boynestadt complex. The two-storied Mont Blanc building houses 4 apartments leaved to discriminating tastes and offers broad vistas of the entire area.

4 seasons of recreation

Skiing at all the famous Boyne Country areas—Boyne Mountain, Boyne Highlands, Thunder Mountain, and Wallowan Hills—from November through April. Golf at the magnificent 18-hole championship mountain course, 9-hole par 3 course within walking distance from the village, plus a golf training camp for youngsters—and only a short drive away, the challenging 18-hole, Boyne Highlands course, (already one of the top ten in the nation), designed by Robert Trent Jones plus the 9-hole par 3 Highlands course—72 holes of golf. Deer Lake Four-Seasons Beach Club to serve golfers, swimmers, boaters and fishermen where beautiful white beach and private club house with dining and locker room facilities offers the ultimate in lakeside fun. The prime sandy beach, much of which shelves out at a gentle slope as far as 300 yards before youngsters can get chin-deep, is the lake's chief allure. Water is crystal-clear and, because the half-mile wide lake is nestled like a jewel in a bowl of hills, waves are never so high that a fisherman would be come endangered by high winds. It also has a good lee shore, regardless of wind direction, for water skiing at any time of the day. Deer Lake has long been noted as a bass and pike angling lake and abounds with bluegills, sunfish and perch for the neophyte angler just learning to handle a fly rod. What's more, several small trout streams flow through the Deer Lake area just south of the lake and are readily accessible by good roads. A fleet of rental boats and sailing craft will be available to guests—and a launching ramp will be provided for club members desiring to bring their own. A private road connects the Boyne Country Four-Seasons Beach Club with Boynestadt just a mile away to the eastward.

Right in the heart of Mid-America's skiing, golf and recreation mecca—BOYNE COUNTRY. The Boynestadt condominium village is nestled at the foot of fabulous Boyne Mountain and overlooks world-renowned Boyne Mountain Lodge.

Boynestadt is only minutes of easy access to a resort complex which offers you 10,000 acres of pleasure—skiing, golf, salmon and trout fishing, sailing, motorboating, deer and small game hunting, swimming, waterskiing, horseback riding, retirement living, investment opportunities—all in one recreational administrative organization
