HEADLINES of the WEEK

As Compiled by the Grosse Pointe News

Thursday, August 24
ALGERIAN OFFICIALS returned the \$1 million ransom a black hijack family from Detroit received from the Delta Air lines on August 1, according to informed sources. The ransom was turned over to two Delta officials, who after receiving the money, stayed overnight in Paris, before returning to Washington. The hijackers, after extensive questioning by Algerian authorities, were permitted freedom to move about wherever they wished.

THE CHIEF JUDGE of the U.S. Circuit Court of Appeals, Harry Phillips, of Nashville, indicated yesterday, that it will be sometime perhaps long after school starts this fall, before the court will make a decision in the Detroit area busing case. However, the attorneys involved predicted that it might take two, or maybe three months, before a ruling is made. The three-judge panel hearing the matter was asked by the NAACP to lift its stay which prevents U.S. District Judge Stephen J. Roth's integration order from taking effect. The court denied the request.

Saturday, August 26
VIOLENCE in North Ireland claimed four more lives when a bomb planted in an abandoned auto killed two militiamen and two civilians. Three persons were shot and wounded in a riot against British troops, it was disclosed by authorities. The bomb explosion took place in Enniskillen. The deaths brought the total number of fatalities to 535 in the three years of violence in North Ireland, of which more than 320 were logged this year.

Sunday, August 27
GREECE ACCUSED the Italian Socialist Party of aiding attempts of a Greek resistance group to bring about the escape of Alexander Papagoulis, who is accused in the assassination attempt of Premier George Papadopoulos four years ago. A spokesman for the Greek Government charged that a leading member of the Italian Socialist Party furnished forged passports to three persons affiliated with the Hellenic Resistance group arrested in Athens this week by military authorities. In Rome, officials of the Italian organization were unavailable for comment.

Monday, August 28
RED CHINA ACCUSED the United States of shirking the blame over the alleged sinking of a lifeboat from a Chinese merchant ship by American aircraft off North Vietnam. Last week the Chinese Foreign Ministry lodged a strong protest over the incident, charging the U.S. aircraft "brazenly bombed" the lifeboat last Tuesday, destroying it and killing five persons, including the ship's captain. In Saigon, the U.S. Navy Command said that bombers destroyed a "30-foot water supply craft," but the Command had no evidence that American planes attacked a lifeboat, adding that the planes did not "target third-country shipping."

Tuesday, August 29
A DECISION, simply to embarrass the United States, was made by the UN Colonialism Committee, which recognized the "inalienable right of the people of Puerto Rico to self-determination and independence. The decision, passed 12-0, with 10 abstentions, was not binding. The resolution fell short of Cuba's demand that the committee classify Puerto Rico, an island of three million population, as a U.S. colony. It provided an opportunity for attacks on America by Cuba, China and the Soviet Union. Cuba described Puerto Rico as "the most exploited prey of North American imperialism."

They're 'Helping' Out Millage Election

One good turn deserves another so the Mason School Millage Committee presented The Woods Council with tee-shirts plugging the September 7 school and library millage vote in appreciation for recent, unanimous council approval of a Lakefront Park "Paint-In" day Tuesday, August 15. At the "paint-in," conducted by the committee, children painted signs advertising the election. Members of the committee, (from left to right), are MRS. JOAN SHROCK,

chairman, MRS. LORETTA ALTOBELLI, publicity chairman, and MRS. MARY ELLEN WALKER. Sporting their shirts at the Monday, August 21, meeting are, (from left to right), Councilmen RODGER A. GRAEF, KENNETH W. BOERNER, BENJAMIN W. PINKOS, City Administrator CHESTER E. PETERSEN, Mayor KENNETH R. McLEOD, Councilmen CONRAD A. NAEGEL, MARVIN R. BOUTIN and GEORGE S. FREEMAN.

Firefighters Cool After Heated Tilt

Residents Come to Rescue by Providing Two Air Conditioners for Headquarters

The City of Grosse Pointe Firefighters are cool. The dispute with The City over the lack of air-conditioning at the firehouse has been settled to everyone's satisfaction.

Local residents rallied to the firefighters' cause by donating one air-conditioner and funds for the purchase of another.

The first donation came from Dr. and Mrs. Albert Steinbach, of Vendome, in the form of an air-conditioning unit large enough to cool the firemen's dormitory.

Second Gift

Then another resident, who wishes to remain anonymous, gathered donations from a group of her friends for the purchase of another unit. These funds were used to air-condition the first floor apparatus room.

The City fathers paid for the necessary electrical installation and now all systems are go and everyone is happy.

Rubbish Pickup Change Approved by Park Council

By James J. Njaim

The Park Council by a majority vote on Monday, August 28, approved an amendment to the Rubbish Collection Ordinance, which will allow the city to use public collection trucks and DPW personnel to pick up discarded household appliances and furnishings but not broken concrete or building material and debris. Picked up, too, will be tree limbs, if they are in four-foot lengths.

The council took this action on recommendation of City Manager Robert Slone, who told the solons that the private contractor is no longer interested in the collection of such items, which he has been doing for a fee, charged

Disturbance Mobilization Plan for Schools Okayed By Board of Education

Trouble in Other Districts Leads to Setting Up of Guidelines for Action in Event of Local Disruptions

By Pepper Whitelaw

Recent incidents within school districts of the State of Michigan, as well as disturbances in other parts of the country, have prompted Superintendent of Schools Theos I. Anderson to recommend to the Board of Education a "Disturbance Mobilization Plan" which provides guidelines for schools and police agencies in the event of disruptions at the schools.

The Board unanimously approved, (Muir Snow and William Adams were absent), the superintendent's recommendation at its meeting on Monday, August 28.

Guidelines were set-up for both elementary and secondary schools although elementary school principals feel it is highly unlikely that student disruptions of major magnitude will occur at the elementary school level.

The city manager said that the other Pointes and Harper Woods, and surrounding communities perform this service for their citizens, with the exception that Harper Woods charges for the extra collection.

City Comptroller Nunzio Ortisi said that the money for the rubbish collection has already been budgeted for 1972-73, but whether the funds in this budget will cover the extra collection will have to be determined at the end of this year. If there is not enough money in (Continued on Page 8)

Water Rate Hike Okayed By Shores

Increase Charge by Detroit Called Sound; to Cost Residents \$3.75 Per 1,000 Cubic Feet

By Kathy Duff

Shores residents face a 15 percent hike in their water costs as of the September 1, 1972, billing date. Currently, residents are charged \$3.25 per 1,000 cubic feet of water. That figure will move to \$3.75.

The action came at the last monthly meeting of The Shores Council, Tuesday night, August 22, when the trustees approved the rate hike. The increase was based on a cost analysis prepared by the village officials and prepared by Superintendent Thomas K. Jefferis.

Started at Source Forcing the increase was the Metropolitan Detroit Water Department which raised its rate 23 cents per 1,000 cubic feet, effective November 1, 1972. Detroit supplies The Shores with its water.

As The Shores receives its water from Detroit, the village and its residents have to absorb the increase. Moreover, Mr. Jefferis and Trustee C. F. Ogden, chairman of the Public Works Committee, recommended that the village set the rate so that the village's water service is self-supporting.

Trustee Ogden explained to the councilmen that the new water rate should absorb the (Continued on Page 9)

Sees No Busing For Long Time

The latest word from Douglas West, attorney for the Grosse Pointe School District, is that he has advised the Board of Education that there will be no forced cross-district busing in the fall term. He added that there is little likelihood that there will be any forced busing of school children in the Detroit area in the 1972-73 school year.

This statement was made following hearings on the case held in the U.S. Circuit Court of Appeals on Thursday, August 24, in Cincinnati, O.

Woods' Decision To Quit SEMTA Causing Concern

Transportation Authority Disturbed; Other Municipalities Involved in Providing Subsidy Await Further Information

By Roger A. Waha

The Woods' intent to discontinue participation and subsidization of the Lake Shore Coach Lines after the present operational contract's termination, December 31, 1972, has caused concern under the SEMTA, (Southeastern Michigan Transportation Authority), roof. The Woods council unanimously voted discontinuance of participation at the regular meeting Monday, August 21.

"We are very concerned and we fully intend to talk with The Woods Council and proceed to review our program for operating costs and revenues and to explore alternatives to gain its future support," said Daniel D. Morrill, assistant operations manager.

Mr. Morrill said he's hopeful if SEMTA can receive support for the mass transportation package, the five Pointes and St. Clair Shores won't have to continue their subsidies. These municipalities pay a percentage of the \$5,000 per month operating subsidy to SEMTA, if needed, (and it has been). The Woods pays 27 percent; St. Clair Shores, 25; The Park, 20; The Farms, 16; The City, eight; and The Shores, four.

Cautious Optimism

In assessing the possibilities of the transportation package's passage, Mr. Morrill said he was "cautiously optimistic." He added, "We need the support of all the legislators, particularly the senators." If approved by the legislature and signed by Governor William G. Milliken, SEMTA would receive between eight million and thirteen and a half million dollars annually, according to Mr. Morrill.

SEMTA has been riding in (Continued on Page 6)

Auto Attempts To Strike Kids

Two complaints of an auto attempting to strike children at Our Lady Star of the Sea School, 575 Ballantyne, were received by the Woods Department of Public Safety Thursday, August 24.

A Pear Tree lane resident told police the auto tried to hit children riding bicycles at the school around 8:09 p.m. Then at 9:04 p.m., an Edshire lane resident told police a white Dodge Dart, (an older model), was attempting to run over youngsters at the school. She said it was last seen going west on Cook road.

Police checked the location and surrounding area but were unable to locate the vehicle at that time.

Residents Against Busing Boasts 2,232 Members

By Pepper Whitelaw

The Grosse Pointe Residents Against Busing, organized earlier this month, is developing into one of the strongest local anti-busing organizations.

To date it has 2,232 pledged members and some 162 block captains who circulate pledges on a door-to-door basis throughout The Pointes. (The group has received permission from The City of Grosse Pointe, The Woods, Farms and Park to solicit in those municipalities. At this writing The Shores has not responded to the organization's request.)

The pledges are handled in this manner: a numbered certificate is signed by the

Colonial Rd. Continues to Bug Shores

Latest Cost Is Installation of \$6,000 Water Supply Main

By Kathy Duff

Colonial road continues to be a headache for both residents and The Shores Village government. The most recent development is the forced installation of a new water main.

As reported in past issues, residents attended the February meeting of The Shores Council to protest the condition of the road, water main and sewer system.

As the street was a private road until incorporated into the village in 1947, private contractors managed to make the street unique in its construction. Colonial has the dubious distinction of being the narrowest street in The Shores, the only one with a sewer built under a paved surface, and having the smallest water pipe (a four-inch width, in contrast to The Shores' required eight-inch width).

Declared Emergency

In a report at the March meeting of The Shores Council, Trustee C. F. Ogden, chairman of the Public Works Committee, recommended immediate action on the Colonial road problems, declaring the situation "an emergency." At that meeting, The Shores trustees voted to repair the street paving and sewer lines, and later incorporated these estimated expenditures into their budget.

Singled out were two stretches of faulty sewer, adding up to 475 feet of pipe to be replaced. Costs were set at \$6,000; funds to repair the sewer coming from the general funds, to repair the road from the local street allotment of the Highway fund.

Find New Problem

However, in the restructuring of the road, The Shores Department of Public Works employees and the private contracting firm discovered problems in the four-inch wide water main. They recommended the installation of an eight-inch water pipe, extending half the length of the street to correct the water supply and the pressure problem. The back half of the street did not require a new pipe.

So The Shores employees have been working this past month on the installation of (Continued on Page 7)

Ask Voters To Approve Propositions

Passage of Millage Aid for System and Libraries Vital to Future of Pointe

The Grosse Pointe Board of Education seeks voter approval of two one-year operating millage proposals for the community's public schools and public libraries on Thursday, September 7. (The library proposal is described in the story below.)

The outcome of the school millage proposition will have a direct bearing on the academic and extra-curricular programs available to youngsters in the public schools in 1972-73.

For example, unless the September 7 millage passes, extracurricular activities, (varsity athletics, clubs, dramatics, publications), in the two senior high schools will not be operated with school tax funds. If the millage election fails and the public wishes the activities to continue in 1972-73, all of the offerings will have to be funded privately.

Would Cut Program

All middle school and high school students have been enrolled both for a reduced and a normal program. Under the reduced middle school program which is now scheduled, youngsters will begin class at the normal time, but they will leave an hour earlier than usual in the afternoon. At Pierce, for example, the austerity program provides for an 8:45 a.m. beginning and a 2:20 p.m. dismissal. Passage of the millage will provide middle school youngsters with a full six-period day, with Pierce students' day ending at 3:15 p.m. instead of 2:20 p.m. The teachers' day will not be shortened under the austerity program.

At the middle school level a minimal academic program has been scheduled for the youngsters attending Brownell, Parcels, and Pierce in 1972-73. Students will enroll for four basic subjects (English, mathematics, social studies, and science) and a limited program of electives from among industrial arts, physical education, and music.

An extracurricular program, (clubs and athletics), is not presently scheduled for middle school students under the reduced program. If voters support Proposition #1, the normal program offered in 1971-72 will be continued.

Voters Could Close Library

The Grosse Pointe Board of Education seeks voter approval on September 7 of 1.12 mills for one year (1972-73) for public library operation. Without the millage, the Central, Woods and Park libraries will close in mid-September.

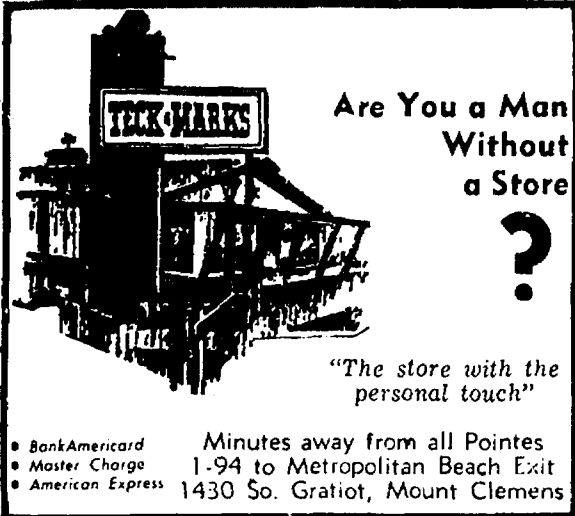

The millage proposal is based on a proposed library budget of \$512,000 for 1972-73. The \$512,000 budget is based on extension of the current library budget plus salary increases and earned increments. This figure represents the increase over \$485,132 "1971-1972 budget after cuts."

Revenue is estimated as follows: Property Taxes (Net at 97.0 percent collection), \$504,721; State Library Aid, \$3,479; Wayne County Penal Fines, \$3,800; total \$512,000. Property taxes were computed on a total state equalized valuation of \$467,290,480 at 97.0 percent tax collection. Total revenue required is \$512,000; Less: Other Revenue, \$7,279; Net Taxes Required, \$504,721.

The tax levy and millage rate were computed as follows: \$504,721 ÷ 97.0 percent collection = \$5,203 = 1 percent; \$5,203 x 100 percent = (Continued on Page 4)

Set Guidelines for School Disturbances

(Continued from Page 1)
Phase Three is the police action phase. If the disturbance deteriorates to the point that it is beyond the control of school officials and youth officers, then this phase will go into action. If this phase has to be activated then the major decisions made are the responsibility of the police officers in charge.

School Procedures
The school will follow these procedures: A representative of the school will be assigned to work directly with the assigned police officers to coordinate further implementation of this plan. Appropriate persons such as the superintendent, and officials of schools that might be affected by the disorder and mobilization will be notified. Upon arrival of the police, an announcement will be made of their presence and the disturbing students told that they are in violation of specific statutes and that these laws will be enforced.

In conjunction with the field commander, an emergency operational center will be set up within or near the school. The field commander will advise the student body that he does not want to use force, ask them to comply, and state he will pursue other reasonable means as an alternative to resolving the problem.

If there is no compliance on the part of the students, all school staff personnel will be advised to leave the hallways and remain out of the way. Students will not be allowed to re-enter the building while in the clearing process or after it has been cleared (this also includes parents). The police will be provided with a map of the layout of the school, any history of past disturbances, and any unusual problems resulting from them. They will be advised as to an appropriate area in the building where persons apprehended may be detained. They also will be provided with information on the makeup of the school population; the disturbing group's number, sex, activity, ages, and location of the building; actions of disturbing group and reasons given for the disturbance as well as names and identities of the leaders.

Police Procedure
Police procedures as outlined in the new guidelines include that uniformed forces

Harry Crouthamel IV Undergoing Training

Crouthamel III of 1550 Fairholme road, is participating in a five-week summer training cruise aboard the guided missile destroyer USS Goldsborough, home ported at Pearl Harbor, Hawaii. Crouthamel attends the University of Michigan in Ann Arbor, under the Naval Reserve Officer Training Corps program.

be mobilized out of the sight of school property and a small group deployed in the initial encounter with the goal of peaceful disposal without provoking the entire student body. The coordinating officer will insure that the appropriate announcement is made to the school population, and will contain and quell the disturbances and provide security to surrounding area as needed. Here care must be exercised that the group is dispersed so that it does not move en masse into the community and cause further destruction or disturbance. Police should maintain the area where apprehended persons are detained and contact the prosecutor's office and those courts which will ultimately be involved and obtain identifying information from school officials on those individuals apprehended and see that parents of juveniles are contacted.

On the secondary level at the first rumor that there may be a disturbance within the school, the school official should first alert the Youth Service Officers. After this action he should notify all school administrators and other school personnel who are involved in the plan, inform the superintendent, notify other secondary school principals, alert the switchboard to relay pertinent messages to the school official in charge and make sure the PA system and fire alarm controls are workable so that communication is available between the faculty and student body.

When it appears that a disturbance is imminent or there is an actual disturbance Phase Two goes into operation. Here the Youth Bureau and local police will assign officers in plain clothes to assist school officials. They will evaluate the problem and keep superiors advised of the situation; assist school officials in controlling it and take what police action is immediately necessary and work with school officials to identify the leaders of the disturbance so that the parents of the students can be notified.

They will also advise superiors if uniform patrol cars may be needed to patrol outside the school and what their role should be. The Youth Service officer and local police official in charge should meet with the school administrator and furnish information on causes of the disturbance, numbers involved, how dedicated the students are and facts on just what the police will face.

Police intervention will be the last resort since it sometimes escalates the problem. Prior to any commitment of force, the administration must attempt to meet with student representatives, parent groups or third parties. The guidelines recommend that when dealing with large groups, school administrators and Youth Service officers confer with a small group representing the larger group of protestors.

If an actual disturbance develops school officials will use the PA to advise school personnel and students of their roles. Teachers remain in rooms, keep doors locked, instruct students to remain in rooms, inform them of school and state laws and await further instructions on the PA.

Counselors, librarians, engineers, custodians may be utilized to help contain the disturbance to a certain area. The building engineer will assign members of his staff to see that certain areas such as boiler room, electrical panel room, outside doors are locked and a check should be kept on the fire alarm control.

Physical education classes or any other classes outside the building must be brought indoors immediately. School switchboard operator or other school personnel receiving threatening phone calls should attempt to identify the caller. The decision to

use police control will be made by the assigned police officer in charge after he is assured by the Youth Service officer and school administrator that all alternative methods have failed.

At this point preparations for the implementation of Phase Three or the Police Action Phase will be made. After the disturbance has come under control the police officials and YSD officers will meet with school personnel in an attempt to evaluate what actions occurred and to jointly develop a better method of preventing further disruptions.

Union Merger Wins Approval

Two formerly separate unions received unanimous approval from the Woods Council regarding their consolidation into one newly created bargaining unit. The action was taken at the regular meeting Monday, August 21.

The unions include the Grosse Pointe Woods Administration Association representing clerical personnel and Local No. 1121 representing the Department of Public Works employees. They're now included in Local No. 1121, AFSC&ME, AFL-CIO, 2345 Cass, Detroit.

City Administrator Chester E. Petersen told the council that the clerical association voted to join Local No. 1121, which will represent both groups in bargaining with the city. "We would recognize Local No. 1121 as the sole bargaining unit for these employees," he said.

Discontent usually comes from getting everything you want without much of a struggle.

Gives 75 Days To Trespasser

Robert Higgins (no known address), who was picked up by Farms police in June for trespassing on the grounds of South High School and subsequently charged by City police under the City ordinance for disorderly person/possession of LSD, has been sentenced to 75 days in Detroit House of Correction.

Higgins appeared before Judge Douglas L. Paterson on Tuesday, August 22. Prior to that Judge Paterson appointed a legal counsel for Higgins, William Killebrew. A plea of guilty was entered for Higgins by Mr. Killebrew. Judge Paterson accepted the plea and placed Higgins on two years probation the first 75 days at DEHOCO. He was also made to pay costs of \$350. Higgins will appear in Farms court following his term at DEHOCO for trespassing.

Inter-Faith Center, Inc. Enters Brief in Roth Case

By Pepper Whitehaw
Pro-bussing forces have found an amicus curiae (friend of the court) in the Inter-Faith Centers for Racial Justice, Inc. The Center, which has a Grosse Pointe chapter, has filed this type of brief with the United States Court of Appeals of the Sixth Circuit.

IFCRJ, whose stated purpose is to ameliorate and/or eliminate attitudinal and institutional racial and ethnic prejudice, maintains that it is in a unique position to know and assess public opinion and attitude in the specific areas of Metropolitan Detroit which would be affected by the proposed pupil transportation in this case.

Its belief is based on the fact that its centers are strategically located in the Metropolitan Detroit area. (Centers are located in Dearborn, Birmingham, North-east Detroit, Northwest Detroit and Grosse Pointe).

IFCRJ believes that due

to its extensive involvement in the kind of issues raised in the Roth case, it can be of unique assistance to the court in better understanding the total situation and in helping the court in its review of the proposed remedy.

The Pointe chapter's new director (she's been here six weeks) is Mrs. Mary Jane Hock.

Mrs. Hock, a former Pointe, told the NEWS that the Center's purpose in entering the case is three-fold. First to support Roth's findings; secondly, to seek a Metropolitan remedy and thirdly, to indicate that there are groups ready and willing to help implement the program.

Among the Pointe groups willing to assist in this manner are The Metropolitan Coalition for Peaceful Integration-Grosse Pointe Chapter, ad hoc committee volunteers, local clergy groups and the League of Women Voters.

The Pointe chapter of IFCRJ has 13 member churches and some 150 volunteers. Financing is provided by these local churches and private donations.

Local center offices are located at 19875 Mack avenue. Mrs. Hock urges residents to use the Center's extensive library which contains materials on racial problems, black history, literature and economics.

Anyone wishing further information on the center should call Mrs. Hock at 981-9010.

Park Council Fetes Natators

The Park has some swimming team and the city administration honored the natators at the regular council meeting Monday, August 14. The council unanimously passed a resolution complimenting the swimmers and coach Tim Kennary for a successful season. The vote was 6-0 with Councilman George J. Verdonck absent.

Park swimmers made a lot of waves this year. The team, for example, won the Inter-City Swim Association league championship for the third consecutive year on June 29. And for the second year The Park recently won the league dual meet championship trophy, finishing its season with a 5-0 mark.

The resolution, which will be displayed at the Windmill Pointe Park, commends the natators on their 1972 swim wins. In a letter to Mr. Kennary and Donald L. Guinan, parks and recreation director, City Manager Robert A. Stone said, "I assure you that the efforts of the swim team and the work that you are doing in most appreciated."

Woods Okays Duplex Design

The Woods Council at the regular meeting Monday, August 21, gave its "o.k." to the design clarification of Gilbert O. DeSandy, 927 Hampton road, regarding the property located at the southeast corner of Vernier road and Fairway lane.

At the regular meeting Monday, July 17, the council voted 5-1 to approve a proposed amendment to a section of Zoning Ordinance No. 88 to re-zone the property from "R-1 Single Family Residential District" to "R-2 Two Family Residential District."

However, the council informed Mr. DeSandy, at that time, that certain conditions had to be met. A main concern was the use of car ports instead of garages. But Mr. DeSandy showed the council his "adjusted" plans providing attached garages which met with their approval at the August 21 meeting. He wishes to build an early American style duplex on the property.

Coalition for Peaceful Integration Expands

Despite August vacations, parent representatives from Trembly, Richard, Defar, Monteith, Pierce, Brownell, Kerby, Maire, North and South High Schools, along with high school student representatives attended a joint meeting with the Martin Luther King Jr. and St. Clair Shores parents.

Members for a joint steering committee will be selected from each area prior to the next meeting. In addition two sub-committees were established in response to parent concerns. A security committee was formed to analyze student welfare. Many individuals expressed the belief that good police management in the event of busing would protect children and set the tone in the community. It was recalled that Grosse Pointe police handled problems related to Martin Luther King, Jr.'s speech at the high school in 1968 very well and that any trouble that occurred was instigated by outsiders. The security committee plans to contact police departments to discuss contingency plans if busing is ordered.

Another committee was formed in response to parent interest in what happens to the student in the classroom. Parents expressed concern about how teachers would be prepared to deal with any conflicts between students or between teacher and student. Black parents were particularly concerned that their children would not be harmed psychologically by teachers who were discriminatory.

The next meeting was tentatively scheduled for two weeks after the Sixth Court of Appeals' ruling. In the event that busing is ordered, each group plans to strengthen local organizations. The Grosse Pointe branch will continue drawing in parent representatives from the schools. The Martin Luther King, Jr. Council will work through the Planning and Evaluation Councils at each school. (These councils have advisory powers under Detroit's decentralization plan and have an elected membership of parents, students and teachers). Since St. Clair Shores would not be involved with Grosse Pointe until the high school level, it will send a liaison.

Another complaint on a vacant house at 20 Colonial road was received by the Shores Department of Public Safety Tuesday, August 22. On August 16 James Danaher of Purdy and Associates, Fisher road, told police he found empty beer and wine bottles and used prophylactics in an upper bedroom.

Mr. Danaher told Corporal Dan Fronczak he again found evidence of the home being raided. He stated he found prophylactics lying in the bedroom Monday, August 21. When he checked the residence Saturday, August 19, everything was in order. Police said they would pay particular attention to the house, which is on the alert list. Mr. Danaher said a complaint will be signed against anyone found in the dwelling, according to police.

Vacant House Entered Again

Another complaint on a vacant house at 20 Colonial road was received by the Shores Department of Public Safety Tuesday, August 22. On August 16 James Danaher of Purdy and Associates, Fisher road, told police he found empty beer and wine bottles and used prophylactics in an upper bedroom.

Vandals Break Lamp Fixtures

Someone damaged two coach lamps located on the garage of Leonard Salvaggio, 764 Sheldon. The repair cost is approximately \$15.

Shores public safety officer John Trevillian was told by Mr. Salvaggio Friday, August 25, that he at first thought that someone else's fixtures were broken and were thrown in his driveway.

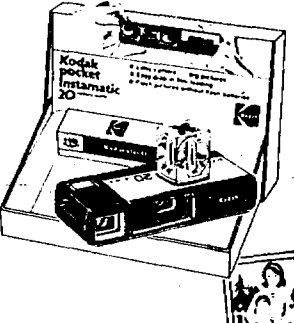

He told police this was the third time he has had damage done to his property.

Steen to Play for Syracuse

A South High School graduate will be making his presence felt on Syracuse University's 1972 football team. Sophomore defensive end Gregory K. Steen, 19, hopes to be "doing his thing" to opposing quarterbacks this season. Greg, who weighs 201 lbs., stands 6' 1".

Anti-Busing Groups Rally Supporters

(Continued from Page 1)
The Pointes against any plan of forced busing. The Pointe group is one of 22 suburban member cities which have

over 175,000 pledged members. Presently nine other suburbs are in the organizational stage.

Members of the GPRAB Board are Andrea Reeder, chairman; Kay Cooper, vice-chairman; Merilee Franck, secretary; Donald Juen, treasurer; Peter Macres, trustee, and Ulysses Saros, trustee.

Mrs. Reeder told the NEWS that the group has had three area meetings and is currently planning more such meetings in individual school districts. At the August meeting at Parcels Middle School some 260 people signed pledges and 77 persons volunteered to serve as block captains.

Speaking at that session were Alex Brown, originator of the Unity Pledge, from Roseville, and Joe Nemeth from the St. Clair Shores Unit Pledge Group.

Mrs. Reeder stressed that GPRAB's only goal at this time is to stop forced busing of any form. It is not and does not intend to become politically involved.

She said the group will begin boycotting schools immediately if the courts order children to be sent away from their neighborhood schools. "We must have a complete boycott to be successful," she added.

According to Mrs. Reeder the boycott must last until the Supreme Court overturns the federal judge's decision and until the people are guaranteed a Constitutional amendment to prohibit busing forever. She said, "With 150,000 children out of school, we feel the government officials will move fast to relieve the situation."

She emphasized that there will be no violence. "The purpose of the pledge plans to

to have a quiet protest and avoid any need for police or federal marshalls reacting against Pointe citizens."

GPRAB obtains its operating income from selling smile buttons which read, "Happiness Is Walking To Your Neighborhood Schools," and from private donations. Any pledge monies are held in trust in a separate bank account. If the pledge monies are not needed for legal fees they will be returned. Persons who sign pledge certificates should keep them and return them to the board, who in turn will refund all monies collected. Any money left over will be voted on by the members and donated to a charity of their choice.

Library's Fate Up to Vote

(Continued from Page 1)
\$520,331 + \$467,290,490 = 1.1135 mills. The Board seeks approval of a one-year operating rate of 1.12 mills (\$1.12 per \$1,000 of local state equalized valuation—half the sale price).

Other costs for the operation of the public library are included under "Fixed Charges" in the operating budget of the school system. These include hospitalization, long-term disability and life insurance, (estimated at approximately \$23,000), administrative personnel and payroll costs, (estimated at approximately \$14,500). No recommendation has been made that these amounts be segregated and included as a part of the library millage.

As long as the library continues to be a part of the school system, these costs will be included in the district's regular budget as they have been in the past. If these amounts (which total \$37,500) were included, the additional library millage required would be .0836 mills or a total of 1.20 mills.

If the library millage is not approved by the electorate on September 7, 1972 the amount needed to operate the library from July 1 to approximately September 15, (presently estimated at \$100,000), must be secured from other current revenue of the school system. This will mean further curtailments in the school's staff and program for 1972-73.

One reason the dollar buys less is that it has more to buy.

If your memory is poor, it's a good idea to stick to the truth.

A Good Man To Know

1833 E. JEFFERSON
WO 3-4700

"GROSSE POINTE IS THE PLACE TO LIVE . . .

. . . when you're searching for the outstanding residential community for your family—affording the year round advantages of Lake St. Clair, good schools, excellent shopping, established municipal services, and unsurpassed conveniently located activities for children—of all ages."

Those lines above describe how one real estate firm advertises its offerings.

It also sums up how most of us feel about Grosse Pointe—and why. Even to thousands outside its boundaries, the Pointe is indeed the place to live. It has always been regarded the leading community, with an exceptional school system and residential standards well above the accepted norm.

Because true Grosse Pointers, we believe, would want it no other way.

With such leadership, naturally, are certain responsibilities. To paraphrase a famous Cadillac advertisement, our community must be willing to "pay the penalty of leadership." We, in the Pointe, must be willing to "live in the glare of publicity . . . be singled out for actions against our School Board, social criticism deserved or not, from every quarter."

We must be willing to face the "slings and arrows" of those without and within.

We must continually defend ourselves, our standard of living. We must realize that the quality of our life here is expensive. We must be willing to pay the price.

Once our community reaches the point where it has no service from its libraries . . . and only an average school system . . . it is well on the way to becoming just another community. Slowly but steadily the quality of life and living deteriorate.

Property values decline (a lesser value set by others). And the fine cutting edge of neighborhood unity that in-

spires enterprise and improvement is dulled.

If by fault or default any internal divisiveness causes our libraries to close . . . or our educational system to deteriorate . . . everybody loses. Only the "envious few," outside Grosse Pointe, would find any measure of delight.

Our 60,000 residents should be proud to be Grosse Pointers. And most of us, for sometime have demonstrated community pride.

Some of us (now diminishing in number) were born at Harper Hospital and raised in the Pointe: Like our fathers, our grandfathers and their fathers. We support our community.

We've been dubbed traditionalists. A few of us, though, feel that loss of local control can be exchanged for promises that someone else . . . some Governmental unit will somehow preserve the special interest or essence of the Pointes. (i.e. A Grandfather clause for our school system, for example—has been eliminated).

This is the "tender trap" individuals and communities fall into to their dismay and disillusion. Some may consider it "gracious" to go along with change. But when it affects our schools and libraries, it strikes at institutions that have strengthened our way of life materially. What is "gracious" is not necessarily really needed.

Working like HELL was the way many of us (a growing number) earned enough to move into the Grosse Pointes. In the 40's, 50's and early 60's . . . we came to a community which offered and delivered a better quality of life than we had before.

We know the value of a dollar. And of our property. We know that the quality of a school system has a direct effect on the value of our property. (and do we want any lesser quality of education for our grandchildren than for our children?) That's why most of us are proud to support our libraries and school system.

Some, however, focus their frustration over taxes and inflation on the closest available target—local millage elections. Yet we are for local control . . . against big government—against regulation without representation. When we fail to support a modest, local millage request, we give aid and comfort to those who would control our affairs even to the content of our children's textbooks.

Escape was motivation for some of us in moving to the Pointes during the last 10 years. We breathed a sigh of relief as we crossed the city line. Most of us now realize that Grosse Pointe is a very special community where citizens for more than 100 years have lived lives of quiet dignity, rooted in family life and nourished by church and school and library. But there's something more than this, isn't there?

Who benefits from an outstanding school system? We all do, for differing reasons.

And for whom have we built a fine Library System? For all of us, for differing reasons.

And not the least of these reasons is that no community deserves the accolade of "outstanding" unless it has equally fine schools and libraries.

The Board of Directors of the friends of the Library stepped up to its respon-

sibility by advocating and gaining approval for a separate millage vote for the Library System . . . realizing that all can be lost or WON on Sept. 7th.

The School Board stepped up to its responsibility by setting just one, then a second and finally a third millage figure for the election. Why was the rate changed and adjusted upward twice?

Because during the past few weeks two more reductions have been made in anticipated state aid funds . . . funds originally established to help Grosse Pointe maintain a quality school system (the Grandfather clause elimination cost us \$100,000).

How much will it cost us if the school and library millages are approved?

\$34.80 on assessed valuation of \$15,000
\$46.40 on assessed valuation of \$20,000
69.60 on assessed valuation of \$30,000

Many smokers spend over \$200.00 a year for cigarettes. What do you spend on cigarettes, liquor or the hair-dresser in one year? Education really costs very little.

So now, it's time for all of us to step up to our responsibility. It's time to rally around and support the schools and the libraries . . . THE MILLAGES ARE FOR ONE YEAR ONLY (forget about bussing) . . . Let's show ourselves and others that we can unite—that we will pay the price of leadership.

For as the Cadillac advertisement concludes . . . "If the leader truly leads, he remains the leader . . . that which is good or great makes itself known, no matter how loud the clamor of denial. That which deserves to live—lives."

Memorial Church Offers Sunday Carillon Recital

To celebrate the 20th Anniversary of the Grosse Pointe Memorial Church's 47-bell Carillon, a recital will be played on Sunday, September 3 from 11 a.m. to 12 noon. James Scott, head Carillonneur, will be the recitalist at the baton console in the Tower.

The recital will begin at the conclusion of the 10 a.m. service when the congregation will move outside to the lawn and parking lot. Following the concert, people will be allowed to visit the Tower and see the bells and meet the young artist. The climb to the Tower is 88 steps long from the ground or the elevator will take people to a half-way landing.

Mr. Scott, the son of Dr. and Mrs. Morrison Scott of the Pointe, attended camp-

nology classes at Ann Arbor and Toronto this summer. The teacher of the carillonners is Mrs. Beverly Buchanan, carillonneur at Christ Church, Cranbrook. The works to be performed include both early and modern carillon literature, folk-tunes, hymn-tunes and traditional music arranged by the performer. A printed program with program notes will be available and before each piece Mr. Scott will give bell strokes to correspond with the number indicated on the program.

The present 47-bell carillon was begun in 1927 when the first 8 bells were installed. In 1952, 39 more bells were added as memorial gifts by members of the parish. The names of those remembered are cast on the individual bells as well as inscribed on a bronze plaque placed in the Narthex of the church. The music chairman responsible for this major installation was the late David Hamilton. Through his efforts, the firm of Petit and Fritsen of Holland, bell founders since 1660, cast the bells to make the Memorial carillon one of the major instruments in North America.

The four octaves of bells in the carillon weigh more than 40,000 pounds. The "Bourdon" or largest bell weighs nearly 2½ tons and is almost five feet in diameter. The smallest bell is eight inches wide and weighs only fifteen pounds.

The inaugural recital was played in 1952 by Dr. Percival Price, Carillonneur Emeritus, of the University of Michigan. In 1962 the 10th Anniversary was celebrated by a recital performed by Dennis Jones, a member of Memorial Church, who later became carillonneur at Princeton University during his student days. Memorial Church continues to train young musicians each year to keep this rare art alive in the community.

Appointed

Recently reappointed to the Michigan State Board of Accountancy by Governor William G. Milliken is Shores President GERALD C. SCHROEDER, of Shoreham road.

It's the second term for Mr. Schroeder who was again re-elected chairman by the other three persons who complete the Board. Also serving four-year terms are Elliott H. Phillips, of Ridge road, an attorney; and two accountants, Everett M. Hawley, Jr., of South Oxford road, and Robert S. Davis, of East Grand Rapids.

Established in 1925, the Michigan Board of Accountancy is responsible for the licensing and regulation of certified public accountants, in accordance with strict rules of professional conduct.

Mr. Schroeder is president of the CPA firm of Gerald C. Schroeder and Company, downtown Detroit.

Ruins Her Car Hitting House

Mrs. Ellen L. Dossin of 737 Shoreham, suffered only minor head and knee injuries on Sunday, August 13, when her automobile ran off Maumee avenue, crossed Kensington and crashed into the front of the home of the James S. Barkers, 1025 Kensington.

Park police at the scene said that the car struck the corner slab of the house porch, knocking the porch out of line, and the vehicle crashed through into the house. The auto a brand new Cadillac, El Dorado, was a total loss, it was disclosed.

The car was embedded so tightly inside the building, that it required two wreckers to pull it out.

A police report revealed that Mrs. Dossin was traveling west on Maumee. On approaching Kensington, she drove through the stop sign and flashing red light, crossed over Kensington, traveled over the lawn in front of the Barker residence and crashed into the edifice.

Officers at the scene said that the woman not only failed to pay heed to the stop sign and the warning flasher, but she apparently did not see the "Dead End" sign, which was attached beneath the stop sign on the post.

A witness to the accident was City Patrolman Virgil Beaupre, who happened to be in the area at about the time, approximately 11 p.m.

The impact of the car against the house tore a huge gap in the building, and exposed the basement to view. Bricks and debris landed about the demolished vehicle, and on the car.

Mrs. Dossin was taken to Bon Secours Hospital by Park fire ambulance, where she was treated for lacerations about the face and a slight cut on the knee and released.

The woman was issued a violation ticket for careless driving and is scheduled for a court hearing on Wednesday, September 6.

Thieves Take Load of Tools

A load of tools, of unknown value, were taken from the garage of a Huntington road resident. Woods public safety officer Richard Prietz was told by William DesRocher Saturday, August 26, that the following items were missing:

A large, gray Craftsman tool box with a complete set of mechanical tools, wrenches, screwdrivers, socket wrenches and drills; a Black and Decker three-eighth inch drill in a gray case; a Black and Decker circular saw; a chrome, Craftsman vibrator sander in a gray case, and a Craftsman chrome saber saw.

Council Okays Appropriations

The City of Grosse Pointe Council at its August meeting approved a resolution amending the 1972-73 budget appropriations to incorporate salary and wage benefit agreements and ratifying salary and wage settlements for public works, office and administrative personnel and authorizing Dennis Foran, Director of Finance, to spread appropriations among various departmental accounts.

Some \$40,000 was taken out of the public improvement appropriations to cover salary increases for all city departments.

All city employees received average increases of 5½ percent in line with the Wage Price Control Limitations. Room and board benefits were increased from \$60 per day to \$70 per day for all City employees.

Employees of the Department of Public Works will now receive \$4.45 per hour as compared to \$4.25 hourly. They will also receive one additional paid holiday.

Shores Studies Bike Hazard

By Kathy Duff

For the second time, Shores Trustee Alfred R. Glancy, Jr., expressed his concern over the bicycle traffic on Lake Shore road. In particular, he stressed the danger of cyclists traveling without lights at night.

"I want to go on record stating my concern before the first fatal accident occurs on Lake Shore," Mr. Glancy stated. He then pressed for legislation to prohibit bicycles on Lake Shore road.

Village Superintendent Thomas K. Jefferis reminded the trustees that bicycles are considered vehicles under Michigan state law and share all the privileges and restrictions of any motorized vehicle.

His position was supported by Shores Attorney William Killebrew who said that the village was powerless to pass any ordinance restricting bicycle traffic on thoroughfares.

However, Mr. Glancy was not satisfied with these judgments and again expressed his concern stating that bicycles are not licensed vehicles and pose a safety hazard when traveling with 35 mph traffic on Lake Shore.

In order to remedy the situation, Mr. Jefferis proposed that The Shores establish a bicycle lane by allocating five feet of each side of bicycle use. Each thoroughfare measures 27 feet across, and each lane would span 11 feet, allowing five feet exclusively for bicycle use.

"Forward-looking communities are establishing bicycle lanes," Mr. Jefferis commented.

His suggestion was taken into consideration by The Shores trustees; however, no trustee endorsed the suggestion for future action.

One trustee mentioned that the sidewalk curbs at the Lake Shore intersections were sloped to allow fairly smooth transitions between blocks, and that he felt that sufficient.

Residents in The Farms recently pressed their council to break down Lake Shore curbs at intersections. However, Farms City Manager Andrew Bremer mentioned the possible \$3,000 cost and the council decided that The Farms had more pressing financial demands.

Closing the discussion, Shores President Gerald C. Schroeder said that the Public Safety Department would be asked to enforce strictly the Michigan law which requires bicycles travelling at night to have strong headlights. He hoped this measure would aid cyclists' safety when riding on the busy thoroughfare.

Drops SEMTA Support

(Continued from Page 1)

the red as of September 1971. From September 1971 to March 1972 the six municipalities faced a bill of \$10,000, noted Mr. Morrill. And from April to June 1972, they also were billed \$10,000, he said. So from September 1971 to June 1972, the total deficit was \$20,000 for all six.

In explaining the council's action, Woods City Administrator Chester E. Petersen expressed his concern that the transportation package won't pass, and the coach line couldn't continue to operate without purchasing six new buses. This, plus the deficit, would cost the city an estimated \$75,000 to \$85,000 by the end of the year, he noted.

Mr. Morrill said he would have to talk to Mr. Petersen on this and added, "Their (The Woods) share would not be anywhere near that."

Arriving at Estimate

In replying to Mr. Morrill's statement, Mr. Petersen said by SEMTA's own admission a new bus would cost between \$42,000 to \$45,000. Six times \$45,000, for example, totals \$270,000, and 27 percent (The Woods' share), of that makes \$72,900. This is how Mr. Petersen said he arrived at his estimate.

"Maybe he's aware of federal or state aid that I'm not aware of," said Mr. Petersen. He added that unless Mr. Morrill has information the city doesn't have, he feels that's what the situation will be.

However, the question remains—Will the other Pointes follow The Woods' action? When queried, Mr. Morrill stated that he couldn't speak for them but hoped they would continue their support.

"State of Hold"

The situation in the other Pointes seems to be a "wait and see" attitude. Farms City Manager Andrew Bremer said more time is needed to consider The Woods' action and to discuss the situation with SEMTA. At the moment, The Farms is in a "state of hold," he added.

Shores Village Superintendent Thomas K. Jefferis said the matter hasn't been talked about as yet, and noted, "We certainly can't foot the bill for the whole thing."

"At this point in time we

have to take the matter under review and wait for official notification from The Woods," said City Manager Thomas Kressbach of Grosse Pointe City. He noted that time was needed to give the situation "careful thought."

Need Further Info

Park Councilman Douglas G. Graham, his city's representative on the SEMTA advisory board, stated, "We have taken no action regarding renewing or not renewing the SEMTA contract. We haven't been presented with any figures or SEMTA's forecast on equipment or expenses and losses. When we receive this information, we can better appraise this city's position."

Continuing, Mr. Graham said when the time comes the city will take whatever action best serves Park citizens. He added that action on the transportation package may dictate which way The Park will go.

'Pop' Pooch's Head from Bed

Some dogs do the darndest things. Fake the case of an Oxford road pooch, for instance.

Elsie Friedrich, 1461 Oxford, contacted the Woods Department of Public Safety Monday, August 21, and said her "four-footer" had his head stuck in a bed. Two officers came to the rescue of the distressed dog and released him by sawing the bed headboard.

Assault Youth Riding Bicycle

A 16-year-old Fairway resident was assaulted, while riding his bike behind Carmen's Pizzeria and Restaurant, 20745 Mack avenue, Wednesday, August 23.

The boy told Woods public safety officer John Albrecht that he was approached by three youths. One of the youths attempted to strike him but in deflecting the blow with his arm, the boy was hit in the forehead. He dropped his bike and fled down the alley.

A short time later, his bike was discovered parked

at Anita avenue, west of Mack, and was returned to him.

The youth who struck the boy was described as a tall, white male with light brown hair, wearing a flowered shirt and blue jeans. A second youth also was a tall, white male, with black medium length hair, a small beard, and wearing a leather jacket and black pants.

(Continued from Page 1) The eight-inch pipe, to connect with the 12-inch water main which runs down Lake Shore, and to join half-way up the street to the existing

four-inch pipe. Two new fire hydrants have been tapped into the new pipe, eliminating the use of the two present antique hydrants. The bill for the water pipe is expected to

reach \$8,000, added to the original \$6,000 tariff for the road and sewer. The money will come from the General Fund.

Truck Breaks Down

However, adding insult to injury, or injury to insult, one of The Shores large DPW trucks was injured on the job, as its transmission was broken from a too heavy load. The Shores trustees reviewed a repair bill of about \$400 at their August monthly meeting.

Yet one interesting fact surfaced at the August meeting, that only one resident has tapped into the new water pipe. (The charge is \$150). What makes this statistic interesting is that the residents had vociferously complained of the faulty water main, and some had even come armed with rusty water samples to the council meeting.

Village Superintendent Thomas K. Jeffers said that it wasn't imperative that the residents tap into the new water main. However, it might save the residents some expense at a future date to tap in now, he pointed out.

Judge Paterson Clears Docket

The City of Grosse Pointe Municipal Court convened on Tuesday, August 22, with Judge Douglas L. Paterson presiding. Four cases were dismissed due to no complaining witnesses.

Other cases heard were Gary Alan Hicks, 10828 Marie, Detroit, who was charged with failure to yield the right of way resulting in an accident. He stood mute and sentencing date was set for September 26.

John Michael Schwarz, 912 Barrington, was charged as a disorderly person, larceny. He pled guilty. His case was taken under advisement until September 12.

Catherin Munkholm, 586 Notre Dame, was charged with a parking violation. She pled guilty and was found guilty. Her case was suspended.

Edward Schumaker, II, 75 Lothrop, was charged with traveling 35 mph in a 25 mph zone. He pled not guilty, was found guilty, fined \$10, and sentence suspended.

Mark Anthony Sowitzky, 5132 Helene, Utica, was charged with traveling through a red light resulting in an accident. He pled guilty, was found guilty, and fined \$25.

Janus Andrea Kendziora, 16855 Springer, East Detroit, was charged with failure to yield the right of way resulting in an accident. She pled not guilty. Her case was adjourned until September 12.

Robert M. Higgins, 1375 Grayton, was charged as a disorderly person, possession of narcotics. He stood mute was found guilty and placed on two years probation and made to spend the first 75 days of his sentence in Detroit House of Correction. He paid costs of \$350.

Regatta Slated For Labor Day

One Design sailors will again have an opportunity to test their skills in top notch competition as the Detroit One Design Yacht Association, (DODYA), hosts its annual Labor Day Weekend Regatta on September 3 and 4. Racing will be conducted on the "C" course and will begin at 10 a.m. Two races will be sailed each day.

Among the classes that will greet the race committee Sunday morning will be Crescents, Thistles, Contenders, 470's, Finns, Snipes, Lightnings, Tempests, Ravens and Flying Dutchman. Over 100 sailors are expected to compete in this regatta that has drawn sailors from the entire midwest including Olympian Peter Barrett.

In addition to sponsoring this regatta, DODYA is active in the promotion of One Design racing through a series of winter meetings that include films, guest speakers and seminars on the fine points of racing. An ultimate goal of DODYA is to provide the means and facilities necessary for the development of Olympic gold medal sailors from the Detroit area.

Rescues Detroit Lad from Lake

A 12-year-old Detroit lad and his bicycle went for an "unintentional" swim in Lake St. Clair Monday, August 21. The boy escaped unharmed. Shores public safety officer Ronald Klotz was told by the youth he was riding along and hit a rut in the grass, causing him to lose control and tumble into the water.

He was rescued by Chauncey McHargue, 21, of 1086 Lakepointe avenue. As for the bike, it was pulled out with a pole.

South High Registration Schedule Is Revised

Although the beginning of the public schools' 1972-73 year has been postponed from Thursday, September 7 until Monday, September 11, students are being asked to cooperate by taking care of necessary registration details so that the delayed year will begin in high gear.

At South High, for example, Principal Jerry J. Gerich, said that students will report to school on the following schedule for textbooks, schedule cards, supplies, locker assignments, (all locker assignments have been changed), and I.D. cards.

"Students who were at South last year and fulfilled all obligations satisfactorily have a \$10 equity book deposit. Those who were notified by letter during the summer about deficiencies in their book deposit account will need to bring it to the \$10 level before being issued materials for the 1972-73 term," Mr. Gerich added.

SCHEDULE FOR REPORTING FOR MATERIALS

- Seniors report to school on Thursday, September 7, on the following schedule:

First Letter of Last Name	Time
A-L	8:00-12:30
M-Z	12:30-5:00
 - Juniors report — Friday, September 8

A-R	8:00-1:00
S-Z	1:00-3:00
 - Sophomores report — Friday and Saturday, September 8 and 9

A-F Friday	3:00-5:00
G-Z Saturday	8:00-12:00
 - Freshmen report — Saturday, September 9

A-L	12:00-3:00
M-Z	3:00-5:00
- Students are requested to report to the old auditorium in the main building by classes and on the schedule

ARE YOU AWARE?

Aware of what's going on at our new location (next door to the Village Food Market)?

In addition to new office facilities, we are building a new display room for your convenience, a place where you will be able to see the latest in building and remodeling ideas. You will be able to inspect the newest in building materials, fixtures and built-in appliances.

You will see two complete custom kitchens with the newest innovations and samples of over fifty different cabinet styles and finishes that are available from such renowned manufacturers as Quaker Maid, Hager and Carr.

There will be several styles of bathroom vanities on display as well as ideas for family rooms, recreation rooms, extra bedrooms and all phases of interior and exterior remodeling.

Stop in and see how we're progressing. The first display kitchen is just being completed and we must say, it's quite unusual.

By the way, as you come in, inspect our new front entrance doors; these are the elegant doors which appear to be wood but are actually rigid insulated steel. You've got to see them to believe it!

Remember Customcraft is capable of fulfilling ALL of your building and remodeling needs.

(Continued from Page 1) mminent prospect of a reduced program are both North and South High Schools. Students are presently registered for two schedules. The first is an austerity enrollment of no more than five classes, while the second is a normal schedule permitting six classes. If the millage proposal passes, students will be able to take six classes.

Hours Would Vary

On Monday, September 11, if North High School is operating on an austerity schedule, most underclassmen will begin school with the second hour class (9:16 a.m. and most upperclassmen will begin with the first hour class (8:15 a.m.). Under this arrangement, most Seniors would complete their school day at approximately 12:30 p.m. Most Juniors could be out of school at about 2 p.m. and underclassmen would finish at 3 p.m.

Total projected operational expenditures of the Grosse Pointe Public School System, (and public libraries), have been budgeted at \$15,759,850. This includes \$1,051,590.91 which would be generated by voter approval of both ballot proposals on September 7.

Financing of the public libraries, based on taxes from Proposition #2 in the upcoming election, has been estimated at \$504,721. Although basic school aid from the state was budgeted at \$1,616,540 for the system for 1971-72, the district received only \$1,313,120.76. Projected general state aid for the 1972-73 year has been reduced still further - to \$711,812.

On a per pupil basis, this means that the system anticipated \$108.28 in 1971-72, but received only \$97.07. For 1972-73 the district will receive \$55.98 per pupil.

School officials point out a built-in feature of the state aid formula; as local property assessments rise, state aid declines.

Because of its decision not to make a millage request until all the variables affecting the election were known, the Board of Education has had to obtain special permission to hold an election after September 1 to collect taxes, (if the proposals are approved), in December. This means that should the election fail, another cannot be scheduled to finance the operation of the schools, (or public libraries), for the 1972-73 year.

Most of the factors that had to be considered in making financial plans for 1972-73 were beyond the control of the Grosse Pointe Board of Education and reflect the accelerating trend toward increasing domination of local public education by the state. These factors included uncertainties over final state aid payments for the 1971-72 year, changes in the state aid formula for 1972-73, the final valuation of all property in the municipalities comprising the school district, as well as the school system's end-of-the-year cash balance.

Passage of Propositions #1 and #2 will cost a property owner \$2.32 per \$1,000 of the state equalized valuation (half the sale price), of local real estate. For a resident with a home which would sell for \$40,000, the cost for 1972-73 would be \$46.40 (20x\$2.32), less than \$1 per week.

All qualified registered voters may ballot on both proposals in the September 7 election.

The district's 10 public elementary schools will be election polling places. They will be open from 7 a.m. to 8 p.m. on Thursday, September 7.

Austin's Year Begins Sept. 5

Austin Catholic Prep will begin the 1972-73 academic year on Tuesday, September 5. Students will note the improvements in the plant and on the grounds as well as the many changes in personnel. The most noticeable construction is the indoor hockey rink which is well underway and which is scheduled for completion by October 1st.

On the administrative level there will be one change in personnel. Rev. Lawrence P. Dore, O.S.A. will be the new Vice-Principal of Activities, replacing Edward Higbee. Father Dore has met almost weekly with the four officers of the 1972-73 Austin Student Senate in order to plan for events for the coming year in the area of Activities. The four seniors who are officers of the student senate are: Frank Roney, Thomas Jacobs, and Wayne DeFaur all of Grosse Pointe, and Doug Thomas of Detroit.

Rubbish Collection

(Continued from Page 1) the budget, then the funds will have to be appropriated from the Contingency Fund, he pointed out.

Slone and Ortisi said that the fee collection will cost the Park an estimated \$12,000 a year, or approximately \$7 average for each household. Slone recommended that the extra collection be handled on a weekly basis, at the start, and if it becomes too costly, then only once a month, or perhaps every two or three months.

The city manager said that where other communities allow city personnel to enter homes to pick up unwanted items, the Park will not permit this. It will be up to the householders themselves to see that the discards be placed at the curb for pick ups.

Under the amended ordinance, the householder must call the Department of Public Services at least three or four days ahead of time. Councilman Charles Tompkins, who voted against the amendment, said he felt that many householders are retaining items they no longer want, perhaps waiting for just such an ordinance change. This, he said, means a heavier burden on the taxpayers.

Mayor Matthew Patterson, who also voted no, said that if residents can afford to pay a large sum of money for new appliances and furnishings, then they should be able to afford to pay the small fee for the removal of discarded items. He, too, said that the

extra collection is an unfair burden and waste of taxpayers' money.

Voting for the amendment were Council Douglas Graham, Robert Hutton, O. J. Williams, George Verdonek and Warren Couger.

Following the majority approval, the council authorized City Attorney Richard Rohr to draft the amendment, and have it ready by the next regular meeting on Monday, September 11.

Slone said that it is hoped that collections can be started by Friday, September 15.

commented. "They also have said that they will hold the rate for five years."

Detroit's last rate increase was in 1968.

In concluding his report, Mr. Ogden advised that The Shores does not join with other communities opposing the Detroit rate hike, as he found the increase justified.

The case is different in The Woods as the council is still studying the increase and is sending its attorney to a Tuesday, September 5, meeting in Southgate. At that meeting, representatives of the affected communities will press for the Michigan Public Service Commission to monitor any future increases by Detroit.

Woods Charges More
The Woods presently charges \$3.87 per 1,000 cubic feet which includes meter reading. The decision on The Woods water rate is expected in early September meetings of the council.

Park residents are being given a break in water billings as they will not have to pay an increased rate until the January 1, 1973, billing date.

At the Monday, August 14, Park Council meeting, the council voted to raise the rate from \$3.00 per 1,000 cubic feet to \$3.25. However, the city will absorb the Detroit water cost increase in November and December, amounting to \$1,000 from city coffers.

Grosse Pointe City and Farms are not affected by the Detroit rate increase as The Farms, which charges \$2.70 per 1,000 cubic feet, supplies water to The City.

Attempted B-E At Bar Foiled

Two youths were arrested by Park police early Monday morning, August 28, and charged with attempted breaking and entering of a business place.

Accused in a warrant approved by the Wayne County Prosecutor's Office, and arraigned before Park Municipal Judge William E. Speer, were Robert Greenwood, 18, of 4801 Nottingham, and Charles Dale, 20, who gave his address as 3793 Manistique, both of Detroit. The pair pled guilty as charged and were bound over for trial at the next session of Circuit Court.

Both are being held in the Wayne County Jail, Dale in default of a \$2,000 bond and

Greenwood in default of a bond of \$500.

On the Monday date, police received a call from the Dawn Patrol Agency at 4:55 a.m., that an alarm was coming in from the Lunar Bar, 15108 Mack avenue. Sgt. Thomas Martin and Patrolmen Howard Carl, Robert Chester and David Hiller were dispatched to the scene.

On arrival, the officers, with a security guard from Dawn Patrol, checked the building and found it secure. Hiller climbed a ladder to the roof and discovered that the skylight window had been smashed and the glass removed. The policeman searched the roof tops of adjoining buildings.

On the roof of an adjacent building, Hiller found Greenwood, attempting to conceal

himself, and arrested him.

The officers searched the ground area, and Hiller and Chester located Dale trying to hide in a nearby alley. He was taken into custody.

Greenwood and Dale were taken to the station for further questioning and investigation, and admitted that they had tried to enter the bar through the skylight, but were thwarted by the arrival of the policemen.

Millage Backed In The Shores

The Shores trustees were asked recently to lend their support to the two millage proposals for schools and libraries to be voted upon by the School System electors on Thursday, September 7.

The request was forwarded by the chairman of Grosse Pointe Millage Committee, Mrs. Michael Marrs of the Park, who has successfully solicited support from each of the five Pointe communities.

Following is the excerpt from the Tuesday, August 22, meeting of The Shores Council:

"It was brought to the attention of the Village President and the Trustees that millage proposals for the School System and the Library were to be voted on at a Special Election on September 7, 1972. The President and the trustees discussed this matter, and speaking as individuals and as residents of The Shores, they recorded their support for the two millage proposals."

For the record, it was noted that Trustee Daniel R. Beck and Trustee Frank A. Colombo were unable to attend the meeting.

During the informal discussion, Trustee Carl E. Hadeen offered a worthwhile comment.

"In the end, we just punish ourselves," Mr. Hadeen stated after he noted that Pointe residents often block millage when concerned over busing and other issues.

Thieves Take Tire and Wheel

An employe of Farms Auto Wash, Mack and Marselles, called City police on Monday, August 21, to report two suspicious black males were tampering with a '71 Lincoln Continental which was parked in the area. The man told officers it appeared as though the men were attempting to steal the car.

The duo left the area heading east on Mack in a '67 Pontiac when they became aware of the fact that they were being observed.

Investigation revealed that the lock on the trunk of the Continental had been punched out and the spare tire removed. The tire and wheel were valued at \$125. The car belonged to Eleanor Moss an employe of Leon's Hair-dressers, 17888 Mack.

What Goes On at Your Library

By Virginia Leonard

Guest Columnist: Robert M. Orr

It is a privilege to write the last Column before the September 7 election which will determine whether the 3 Grosse Pointe Public Libraries will remain OPEN on September 8, and whether our Public School System will be deprived of the academic and athletic programs which have made Grosse Pointe an outstanding and exciting residential community, and which made our graduates tops in Universities everywhere.

Since early summer this Column has been written by distinguished residents who have spelled out magnificently what Grosse Pointe Public Library has meant to this community and the tragic loss if our libraries shut down permanently on September 8. I can only add a heart-felt Amen!

In an age of cynicism and disbelief, I will point out that the Public Libraries WILL close, simply because the Board of Education has no funds budgeted to operate the Grosse Pointe Public Libraries beyond September 7, and that contracts of the professional, clerical and plant personnel staff run out September 7, if the 1.12 mills for Public Library operation is not approved.

When I was appointed Director of Public Libraries August 1, 1949, I found GPPL with the most inadequate facilities and the most hardworking and dedicated staff in Michigan. In January, 1952 the present Woods Branch was dedicated and in January, 1953 the Central Library was dedicated, made possible by the late Mr. D. M. Ferry, Jr., following an original bequest by Mr. Murray Sales. Furnishings and equipment represented gifts of local organizations and residents. From 1953 through 1965 GPPL ranked as one of the finest suburban Public Libraries in the Nation, with a quality of service few Libraries could equal. From 1965 on our facilities, staff and book collection were completely inadequate for the School District whose population had doubled. Further, over the past several years cuts in staff, hours and service have hurt. Nevertheless, use has continued high, circulation of materials has remained near 500,000, convincing evidence that this is the finest library-use community in the U.S.

Because of the very real threat to our Public Libraries' existence, it has been heartbreaking for me to have been on sick leave since the middle of June fighting cancer, and I am deeply grateful to Acting Director Bill Peters and the staff who have worked unceasingly to maintain library service and to carry on an educational

program in cooperation with friends' President Cleveland Thurber, Jr., Library Campaign Chairman William Dahling, and the School Campaign Committee to inform voters of the vital importance of the election.

What results if the Public Library millage is voted down September 7? I do not know of a single case of a community voting to CLOSE its public library, but I can point out that Grosse Pointe would receive another body blow as a fine residential community, already staggering from the busing threat and the Michigan educational officials, Governor's office and Legislature who have slapped Grosse Pointe repeatedly, and who seem determined to equalize Grosse Pointe with the poorest community in Michigan. At least, the other suburbs have Public Libraries, a number already stronger than ours.

Of very real concern to me, nine librarians, 16 clerks and four plant personnel will be deprived of their livelihood, all with records of long and devoted service to Grosse Pointe; over 15,000 students will be deprived of resources and trained librarians who have contributed immeasurably to their education, and cannot in any way be replaced by School Libraries; our children will be deprived of the help and inspiration of children's librarians at a time when remedial reading constitutes one of education's most serious problems; teachers, schools and community groups will no longer have access to an excellent collection of films, tapes and records in our A-V Dept.; there will be no more pre-school and schoolage Story Hours, no more class visits to the Libraries; no more Friends Film programs and Family Film Nights; thousands of adults who use our Libraries for pleasure and information will be shut out; our unique Tool Library, our strong collections on investment, travel, gardening, mystery and adventure and police training will no longer be available; the 600 meetings at Central by local groups will have to find new homes; our 29,000-plus registered users will be forced to seek library service elsewhere, and our 3,000-plus Friends of the Library will no longer have a Library to be friends of.

As I write this at home, I am convinced that the voters will approve both the Library and School millage. But it cannot be taken for granted, and will be the result of untold hours of hard work by many concerned residents. I hope this will be the first step toward regaining Grosse Pointe's prestige as a grand place in which to live.

Letters to the Editor

Dear Sir:

How does one prick the conscience of a community? How does one plead for the education of all the children of Grosse Pointe?

I want to try—Our community is facing a very serious problem in relation to its public schools and the public library and we, the taxpayers, voters, parents and residents of Grosse Pointe are being asked to "give again" to support these two institutions.

Finance and statistics are not my forte—besides, these facts have been outlined frequently in the newspapers and literature. My concern is for the image which we as Grosse Pointers have of ourselves and the aspiration which we profess to have for the future well-being of our children.

Many of us moved to this community because of its reputation for excellence of schools. We made and continue to make many sacrifices in order to live here for the benefits which we felt would be available to our children. We are facing the fact that these benefits cost money and someone has to pay the "freight." That someone, fellow Grosse Pointers, is us.

It's time, I think, that we had better re-examine ourselves as a group and be prepared on September 7 to say YES to the 2 millage proposals which will be put to us. We are Grosse Pointe. We are the community. Throughout the nation when the name Grosse Pointe is mentioned the image is one of an affluent, lovely community, proud of its history,

proud of its home, proud of the degree of success enjoyed by so many of its citizens. Until recently, a major source of pride has been excellence of schools and library. During the few years that my children have attended school that source of pride has been faltering. Programs have been cut, enrichments have been eliminated and gradually the school system has been walking backward rather than forward because we the voters have said "NO" to millage issues.

The threat of State control of our educational system looms ever larger as we consistently say "NO" to the millage issues put to us. Once the State "takes over" local control is gone forever. The State will mold our school system and the advantages of living in Grosse Pointe will be gone. We will settle to the ordinary level of any other town, village or hamlet and sameness will rule supreme.

Is our mission in life to be one of mediocrity? That's not hard to accomplish; almost anyone can achieve that. However, to be successful, proud, accomplished and enriched takes thought, energy, hard work and sacrifice. I much prefer the latter for my family and my community, don't you?

For one year, we are being asked to approve a 1.12 millage for the public library and 1.20 mills for the schools. This amounts to a sum of \$58.00 for one year on a house with a \$50,000 sales value.

Honestly, is that too much to ask? A YES vote on Sep-

Stand Up and Be Counted

Now is the time to stand up and be counted. On Thursday, September 7, Pointers will have the chance to prove they care about their schools by passing the 1.20 operational millage which will maintain our educational programs at their current level for one year.

In recent weeks there has been a flurry of activity brought about by Judge Roth's decision on cross-district busing. Organizations have been formed, monies have been spent and voices have been raised loud and clear claiming Pointers want to continue to maintain control of their schools. Well, here's a concrete way to prove it.

Here is a way we can show the state that we care enough about our schools to support them.

Sadly, this may be the last chance we have to locally support schools. Let's not muff it.

Community apathy in recent years has forced drastic cuts in our educational programs. Now is not the time for more community apathy. Now is the time for community pride. Show that pride by supporting your schools. Cast a YES vote for the school millage on Thursday, September 7. P.W.

Pleasures for Pennies

In thinking of the 1.12 Grosse Pointe Library millage which is coming up for a vote on Thursday, September 7, have you thought just what that 1.12 mills means to you? It represents \$1.12 per thousand of state equalized valuation. If you own a home valued at \$40,000 it will cost you \$22.40 annually, \$1.86 monthly, or six to seven cents daily. Is this too much to pay for the pleasures you glean from the libraries?

Let's look into your family budget for "extras." It could mean giving up five movies a year, an evening at the theater . . . several evenings of steaks . . . or a half gallon each of liquor, beer and wine.

A few minor sacrifices from each family member could take care of that \$22.40 in short order. For example, momma could forego that extra wiglet . . . papa could cut down on his cigarets . . . and what about junior?

As parents we tend to indulge our children with extra monies for sodas, pop, movies, ballgames. Why not indulge them in a more productive manner? Indulge them by keeping their lines of communication open through the use of the libraries. Indulge them by making sure they can continue to enjoy and discover the pleasures of reading.

And . . . wouldn't all of us miss those many other services the libraries afford us? The use of records, tapes, films, newspapers, business services and reference books?

Can we afford not to support our libraries on September 7? Certainly not. It would be like contributing to the death of a precious and valued friend whom we have come to count on throughout the years. P.W.

Remember 'Fahrenheit 451'

The approaching vote on the library millage, and the apparent closing of The Pointes three "houses of knowledge" if the millage fails, brings to mind the closed society of Francois Truffaut's film, "Fahrenheit 451." The scenes where piles of books were put to flames, smoking into oblivion, is a chilling thought.

In fact, the more you think about it, a parallel stalks through the mind here—Is the destruction of books by fire any different than a "no" vote on the millage? The choice is yours. Will you "burn" books or keep them in a safe, comfy place? R. A. W.

EAN To Hold Paper Drives

The Programs Committee of Environmental Action Now has announced its '72-'73 calendar of collection dates and sites for newspapers, magazines and cardboard. Newspapers should be tied or in brown paper bags; all stapled magazines are acceptable also.

Telephone directories and magazines with glued backs (Fortune, House & Garden, most womens journals) are not acceptable unless the pages are ripped away from their backing and piled in paper bags. Cardboard cartons, preferably flattened and tied, are also recyclable. Schools and homes may also save used writing paper, envelopes, and other forms of

printed matter. Can labels, cardboard egg cartons and untreated cardboard backing are acceptable, but the public is asked not to bring any kinds of waxed, plastic or cellophane containers.

The total amount of paper collected by EAN through local schools and churches in '71-'72 was 301,955 lbs., for which the Gillett Waste Material Co. paid a total of \$1,231.28, which was returned to the Community by EAN.

The first paper drive will be held from 10 a.m. to 4 p.m., on Saturday, September 16, at Christ Episcopal Church, 61 Grosse Pointe boulevard.

Offer Autumn Braille Class

An excellent opportunity for Pointe women who have wanted to devote some time to a really worthy project is the transcription of reading material into Braille books for the blind.

Free instruction in Braille Transcription will be given at the Grosse Pointe War Memorial Center every Thursday morning at 10 o'clock, beginning September 14.

The instructor, Mrs. John McNamara, of Touraine road, has had seven years' experience in teaching her subject. She will be assisted by Miss Eva Carabell, who has worked with the class for the past five years.

Although there is no charge for instruction, materials required for the course will cost about \$10. They must be ordered in advance so they will be on hand when the course begins.

For this reason, early class reservations are essential.

At the completion of the course, students will be given a manuscript to transcribe into Braille. These are sent to the Library of Congress, which issues Certified Braille Transcribers' certificates to all who attain an acceptable level of proficiency.

According to those who do it, Braille transcription is not difficult. It can be readily mastered by any sighted person who will work diligently.

More information may be obtained by calling TU 1-9566.

Molly Fitzgerald Wed In St. Paul's

Small Family Ceremony is Followed by Reception at Lewiston Road Home of Her Parents, the Thomas John Fitzgeralds

In Saint Paul's-on-the-Lakeshore Wednesday afternoon, August 23, with Monsignor Francis Canfield officiating, Margaret Mary (Molly) Fitzgerald and James Michael Morrison exchanged marriage vows.

Her parents, Mr. and Mrs. Thomas Fitzgerald, entertained at a reception at their Lewiston road home following the small family wedding.

Molly chose a gown of embroidered French voile, fashioned with a high, ruffled neckline, Bishop sleeves and

a Chapel train, for the 4 o'clock rites.

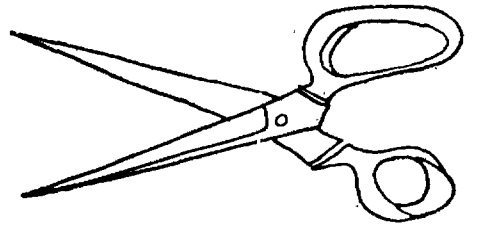

She wore a fingertip mantilla of embroidered net, and carried a bouquet of white Sweetheart roses, white daisies and ivy.

Patricia Fitzgerald, who came from Denver to attend her sister, chose a long.

Cheryl Zawadzki Married August 11

St. Lucy Church Is Setting for Ceremony at Which She Speaks Vows to Richard Hugh Dorman

A reception at London House East followed the wedding of Cheryl Ann Zawadzki, daughter of Mr. and Mrs. Joseph R. Zawadzki, of Hampton road, and Richard Hugh Dorman late Friday afternoon, August 11, in St. Lucy Church.

Presiding at the 5:30 o'clock ceremony was The Reverend John Sullivan.

The newlyweds are vacationing in the Bahamas, and will return to make their home in Indian Village, where the bridegroom, son of Mr. and Mrs. Hugh Dorman, of Marshall, has been residing.

Bands of beau d'ange lace and seed pearls accented the bride's ivory satin gown, fashioned with Bishop sleeves, a mandarin collar and Empire waist, and matching lace and pearl motifs trimmed her detachable Chapel train.

An open-crown lace pill-

box held her bouffant silk illusion veil. She carried a Colonial arrangement of pink Sweetheart roses, daisies and baby's-breath.

Coming from Palos Park, Ill., to act as her cousin's honor maid was Jayne Guidish. Bridesmaids were Diane Delor, another cousin, Valerie Moran, Lynn Reynolds, Janelle Smith, of Kalamazoo, Mrs. Ray Zawadzki, of Mount Clemens, and Mrs. Janar Meseruey, of Marshall, the bridegroom's sister.

Their floor length frocks of pale doeskin featured long, pearl-beaded sleeves and mandarin collars.

Each carried a single, long-

Evening Wedding For Miss Dosmas

David Earl Fentons Are Vacationing on the East Coast; Will Return to Detroit to Make their Home

Setting for the evening wedding of Christine Marilyn Dosmas, daughter of Mr. and Mrs. Orlo Dosmas, of Anita avenue, and David Earl Fenton was Redeemer United Methodist Church.

The 6 o'clock rites Saturday, August 19, at which The Reverend Jack Lancaster presided, were followed by a reception at Royalty House, after which the newlyweds left to vacation on the East Coast.

They are returning to Detroit to make their home.

The bride chose an Empire gown of white organza, styled with a scoop neck and Juliet sleeves and trimmed with Venice lace. Matching lace edged her long illusion veil, and she wore the pearl necklace given by her father to her mother on their wedding day.

She carried a cascade of daisies, yellow roses, stephanotis and baby's-breath.

Attending her as honor maid was Wendy Leegstra, whose Empire-waisted, long-sleeved frock was fashioned of yellow chiffon, its bodice trimmed with Venice lace.

Bridesmaids, wearing identically styled dresses in rain-

bow hues, pink, blue, lavender, peach and avocado, were Claudia Barker, Linda Hasso, of East Lansing, Nancy Lawrence, Sandra Colbert, of East Lansing, and Allison Fenton, the bridegroom's cousin.

They wore multi-colored flowers in their hair, and carried baskets filled with multi-colored roses, daisies and baby's-breath.

Flower girl Janice Hamilton's yellow chiffon frock featured short, puffed sleeves and an Empire bodice.

John Ghesquiere acted as best man. Seating the guests were Douglas Dosmas, the bride's brother, Steve Hahn and Charles, James and Gary Fenton, brothers of the bridegroom.

They are the sons of Mr. and Mrs. Charles Fenton, of Hollywood avenue.

The bride's mother chose a long-sleeved gown of blue chiffon, beaded at her Empire waist; the bridegroom's mother a sleeveless, Empire-

Mary Ann Fleming Married August 19

Becomes Bride of Lieutenant David Charles Kerr at Evening Ceremony, with Her Uncle Officiating at Rites

Back-packing their way through Europe for six weeks are the David Charles Kerrs, whose wedding Saturday evening, August 19, in Knox Presbyterian Church, was followed by a reception in the Grosse Pointe War Memorial's Crystal Ballroom.

Both were graduated in June from Wheaton College. They'll return to make their home at Fort Benjamin Harrison, Ind., where the bridegroom, a Second Lieutenant in the United States Army, has been stationed. Mrs. Kerr is the former

Rose Zoufal To Be Bride

Mr. and Mrs. Phillip B. Zoufal, of Cook road, have announced the engagement of their daughter, Rose Marie, to John S. Barbour, son of Mrs. Walter S. Clark, of North Deeplands road, and the late Sloane R. Barbour.

Miss Zoufal attended Eastern Michigan University and was graduated from the Southern Montessori Institute, Miami, Fla. Her fiancé received his Bachelors and Masters degrees in Business Administration from Eastern Michigan University.

A late September wedding is planned.

Reverend George Woodcock. The former Miss Fleming chose to wear her mother's wedding gown of ivory candlelight satin, traditional in design, with insets of Alencon lace. Matching lace trimmed her Cathedral length illusion veil.

She wore the string of pearls given by her father to her mother on their wedding day, and carried a casual Colonial arrangement of ivory campenula and cream roses and baby's-breath.

Mr. Fleming gave his daughter in marriage.

Mrs. Lance A. Fleming came from West Point, N.Y., to serve as her sister-in-law's honor attendant, and bridesmaids were Mrs. John A. Fleming, another sister-in-law, the bridegroom's sisters, Mrs. Gabriel Callendo, of Hinsdale, Ill., and Marcia and Kristy Kerr, and Deborah Strachan.

Their sleeveless frocks of white-flocked printed voile were trimmed with white lace and green ribbon. They carried white wicker baskets, filled with casual arrange-

Pointer Weds In Owosso on August 19

Robert Francis McCullough, son of Dr. and Mrs. Lester E. McCullough, of Fairholme road, claimed Elizabeth Anne Meier, daughter of Mr. and Mrs. Harold C. Meier, of Corunna, as his bride Saturday, August 19, at a morning ceremony in Owosso's First United Methodist Church.

The 11 o'clock rites, with The Reverend Paul Hart presiding, were followed by a reception and breakfast in the Church Fellowship Hall, after which the newlyweds left to vacation on Cape Cod and in the Eastern States.

The bridegroom will enter Marine Officers Candidate School, Quantico, Va., September 24.

The bride, given in marriage by her father, wore a traditional gown of candle light organza. Her long sleeves, bodice and high col-

lar were appliqued with pearl-beaded peau d'ange lace, and her high-waisted A-line skirt extended into a Chapel train.

A lace cap caught her long, lace-edged mantilla. She carried a cascade of white roses and ivy, centered with a cluster of lilies-of-the-valley.

She was attended by her sister, Mrs. Phillip Dennis, of Ann Arbor, as matron of honor, and bridesmaids Mrs. John G. Meier, II, of Negawnee, Patricia Kentfield and Marli Kuchar, of Owosso, and Teresa Fowler and Karen Fowler, of Williamston.

Their Nile green voile frocks were touched with ivory Venice lace at their high collars and the cuffs of their Bishop sleeves. Matching lace circled their Empire waists and formed bib effects at their bodices.

Each carried three long-stemmed yellow roses, tied with French ribbon, and each

wore fresh flowers in her hair. Flower girl Kaye Meier, the bride's niece, in a long dress similar to those of the senior attendants, carried a basket filled with rose petals.

Richard K. McCullough acted as his brother's best man. Seating the guests were Steven D. McCullough, another brother, Michael D. Meier, John G. Meier, II, Robert Feucht, Harold Weller, David Bulemore and Dr. Philip Dennis.

Junior groomsmen were John K. McCullough, the bridegroom's brother, and John C. Meier, III, the bride's nephew.

The bride's mother wore a pale yellow crepe dress with a corsage of white phalaenopsis orchids. The bridegroom's mother chose a silver-trimmed mauve coatdress. Her corsage, too, was fashioned of white phalaenopsis orchids.

Lee E. Benz Claims Bride

In the Bethel United Church of Christ, Evansville, Ind., Saturday, August 26, Lee Edward Benz claimed Claire Scheller Becker, daughter of Mr. and Mrs. Roger K. Becker, of Evansville, as his bride.

A reception at the Becker's home followed the 10 o'clock rites, at which The Reverend Dr. James R. Prickett and Father Ted Tempel presided.

The newlyweds have both been residing in Ann Arbor, where they will return after a Jamaica vacation.

Pearls accented the neck, Empire waist and cuffs of the bride's candlelight crepe gown, and her ivory net veil fell from a lace-trimmed white cap. She carried Majestic daisies.

She was attended by her sister, Mrs. Christopher Witze, of Bernardsville, N.J., as matron of honor, and bridesmaids Sheryl Rohlf, of Evansville, and a sorority sister, Melissa Hickey, of Pittsburgh, Pa.

Their long shirtwaists, fashioned of pale blue and white plaid voile, featured white satin collars, cuffs and cummerbunds.

They carried Williamsburg nose gays of multi-colored summer flowers.

Roger Benz acted as best man for his brother. They are the sons of Mrs. Robert Werner, of Lochmoor boulevard, and Harold O. Benz, of Ann Arbor.

Ushering were Bruce Benz and Carl Werner, two other

Marriage vows were exchanged Friday evening, July 28, in Saint Paul's-on-the-Lakeshore by JANICE DIANE JAMERINO, daughter of the Peter Jamerinos, of Muir road, and Mr. Wise, son of the John W. Wises, of Detroit.

Mrs. James F. Hewson

In St. Joan of Arc Church Friday evening, August 18, MARY STEFFES, daughter of Mr. and Mrs. Raymond G. Steffes, of Hollywood avenue, and Mr. Hewson, son of the Donald H. Hewsons, of St. Clair Shores, were married.

James F. Hewsons Vacation In North

Mary Steffes Is Attended by Her Sister, Mrs. Daniel P. Wimsatt, Jr., at Evening Marriage Service

Vacationing in northern Michigan before they return to Ypsilanti to make their home are Mr. and Mrs. James F. Hewson, whose wedding Friday evening, August 18, in St. Joan of Arc Church, was followed by a reception at Club Leo.

Mrs. Hewson is the former Mary Steffes, daughter of Mr. and Mrs. Raymond G. Steffes, of Hollywood avenue.

Mr. Hewson is the son of the Donald H. Hewsons, of St. Clair Shores.

For the 5:30 o'clock ceremony, with The Reverend John F. O'Callaghan presiding, the former Miss Steffes chose a lace-accented silk organza gown.

A modified Camelot cap caught her short illusion veil,

and she carried an arrangement of white roses and miniature carnations, with baby's-breath.

Mrs. Daniel P. Wimsatt, Jr., honor matron for her sister, and bridesmaids Laura and Sandra Hewson, the bridegroom's sisters, carried white baskets filled with yellow daisies.

Their frocks featured lace-accented white voile bodices and brown and white print skirts.

Best man was Ben Ancona. John Genette and Mark Hewson, the bridegroom's brother, ushered.

The mother of the bride wore a floor length gown of aqua chiffon, with green cymbidium orchids, the bridegroom's mother a long gown of pink chiffon, styled with a beaded bodice, and a corsage of pink cymbidium orchids.

brothers, Charles Wilkins, of Ann Arbor, and Richard Kirtland, of Lansing. The bride's mother wore a long, buttercup yellow shirt waist, trimmed with white lace. Mrs. Werner also selected a shirtwaist, of multi-colored pastel flower print-on-white voile.

Janice Jamerino Wed To Mr. Wise

John and James Wise Act as Ushers for their Brother; Sister Mary Wise is Among Bridesmaids at Evening Rites

At home in Mount Clemens after vacationing in the mountains of Pennsylvania are Mr. and Mrs. Roger Gregory Wise, whose wedding Friday evening, July 28, in Saint Paul's-on-the-Lakeshore, was followed by a reception at London House East.

Monsignor Francis Canfield presided at the 6 o'clock rites, for which the bride, the former Janice Diane Jamerino, daughter of Mr. and Mrs. Peter Jamerino, of Muir road, chose a floor length gown of off-white satin organza.

Her Camelot cap was trimmed with lace and tiny pearls, matching the lace

motifs on her high-necked dress, and secured a long Chapel veil, and she carried a cascade of baby mums, Sweetheart roses, stephanotis and ivy.

Ruffles accented the V-necks and cuffs of her attendants' long frocks of off-white chiffon. Their cuffs and Empire waists were circled with embroidered floral ribbon, and they carried natural baskets filled with blue and pink daisies and pink roses.

Mrs. James Thomas, a Wayne State University class-

mate of the bride who, after 12 years at Saint Paul School, earned her Bachelor of Science degree in Education at WSU and is presently teaching at Kantner School in East Detroit, served as matron of honor.

Bridesmaids were Selma Aued and Mary Wise, the bridegroom's sister, and flower girl was Lisa Wise, his niece.

Michael Lukosavich acted as best man. Ushering were John Wise and James Wise, the bridegroom's brothers. They are the sons of Mr. and Mrs. John M. Wise, of Courville street, Detroit.

A long frock of apricot chiffon, crystal-beaded at her neck and the cuffs of her long, see-through sleeves, was Mrs. Jamerino's choice for her daughter's wedding. Her corsage was a burnt orange rose.

A yellow rose corsage complemented the bridegroom's mother's mint green ensemble.

Named to the Second Semester 1971-72 Dean's List at Villanova University is RICHARD R. SHALLA, of Morningside drive.

Heading West

Where, oh where, are the Delmar Robertsons off to now? Last year, it was Brazil.

This year it's California, and their favorite Lake San Marcos, where they've wintered for several seasons, but the Robertsons' '72 move will be more permanent.

They plan to make Lake San Marcos their residence for nine months, give or take a week or two, of the year.

Their many friends have been saying good-bye. Mrs. Paul Sutherland entertained at a beautifully-appointed dinner party, the weather cooperating, moon and all. The Carroll Boutells, who are off to Mexico, hosted a Sunday supper at the Country Club.

Dr. and Mrs. Clarence Maguire had a garden party for the ladies who are fellow members, with the Mesdames Maguire and Robertson, of the Shores Garden Club, and their husbands. So did the Kenneth Strangs.

The Ernest Lambs and Mrs. Harry Hosner gave surprise parties. There may be a few more of these: The moving van pulled away from Radnor circle Tuesday, but the Robertsons are lingering a few days as houseguests of their good friends and neighbors, Mr. and Mrs. Bernard Whitley.

Mrs. Robertson and Mary Whitley were college roommates.

Coming to live in the Robertsons' Pointe home, with its charming garden, are the Sterling Grahams, from nearby Meadow lane.

Coming East

Before we all get "nevermore to see them again" teary-eyed, here's a bit of good news: Mr. and Mrs. Robertson promise, on their honor, a return visit when the sun comes through in the spring.

California's not Timbuktu, after all. People come and go from the West Coast fairly regularly. Jacquelyn Knickerbocker's here, from Mt. View, right now.

MR. and MRS. ALFRED F. STEINER, II, of Roslyn road, announce the birth of a daughter, ALLISON LOHLE, July 12. Mrs. Steiner is the former PAMELA ANNE SCHNEIDER, daughter of MR. and MRS. MICHAEL SCHNEIDER, of Broadstone road. Paternal grandparents are MR. and MRS. WILFRED A. STEINER, of Westchester road. Great-grandfather is ALFRED F. STEINER, of Beaconsfield avenue, Harper Woods.

The last of the FULLY DEVELOPED LAKEFRONT 9 foot deep canal lots at LAKESHORE PARK are now available on a first come, first served basis. ONLY 9 LOTS LEFT! WE STRONGLY RECOMMEND IF YOU HAVE ANY INTEREST NOW OR FOR THE FUTURE ACT THIS WEEK-END!

President of Major Realty — GORD ELLIS

25 minutes

100 DOWN 50 MONTHLY

10 Lots sold last Sunday . . . This weekend may see the end of this lake development and magnificent value. BRING YOUR CHECK BOOK!

Where on the riverfront or lakefront would you find property for \$5,000? The answer, without any hesitation, is — it doesn't exist! Hold it . . . there is one place and it's not going to last long where you may buy a piece of private residential property for that price — it's LAKESHORE PARK. The remaining lots have now been opened to buyers for \$900 down and monthly payments of \$50. Here's what you get: a deeply dredged canal lot 9 feet deep where you may bring your big boat right up to the front of your property. The canal is right on the Lake St. Clair. The development is possibly the last and the only one of its kind in the Windsor area. Just 25 minutes from downtown Windsor. Roads are all hard surfaced. All lots are fully serviced with hydro and water. All lots are 30 feet wide and restricted to single family dwelling. The entire development is completely established with homes built ranging in price from \$15,000 to \$25,000. Buy now and build when you're ready! It's magnificent, not only in Spring and Summer, but Winter too.

DRIVE OUT THIS WEEKEND
Just drive out Highway 401—No. 2—or along Tecumseh Road to Belle River. Continue eastward along Highway 39 to the "jog"—then take the lake road for about 3 1/2 miles and there you are at beautiful Lakeshore Park! Watch for our signs.

FIRST OFFERINGS

THIS ONE DEFIES the competition in the two bedroom ranch house category. The lot measures 60x160 and has year old landscaping and a two car garage. All attached carpeting and draperies are included in the price of \$36,800.

ONE OF THE FINE old Lake Shore mansions that the Pointe was famous for. A setting in the Farms with a view of the lake from all main rooms. Plenty of bedrooms for even the largest families and of course, the usual ballroom for those intimate gatherings.

BY APPOINTMENTS PLEASE 256 MERRIWEATHER ROAD. Large English with three bedrooms and a sewing room. Remodeled kitchen and recent carpeting are added attractions. New two car garage. See it all for \$36,900.

TOWNHOUSE LIVING in the center of the Pointe. Kiss goodbye the time consuming chores of lawn care and snow shoveling, yet truly a "house" of your own. Spacious rooms all in good shape. Priced in the thirties.

OXFORD ROAD is the location for this side entrance colonial with its showplace family room which measures 21 by 25. The owner has been transferred and has already left the state.

SET AMONG MATURE TREES on an acre in one of the Pointe's finest neighborhoods. There are four bedrooms and three and a half baths and two first floor fireplaces, in the living room and the den. Our owner is serious about pricing this one to sell.

THE ULTIMATE ANSWER for the man who thinks he has everything. This mini-estate is "packaged" beautifully on a magnificently landscaped lot of 300 frontage. A French country house with four master bedrooms each with bath, and an elaborate third floor with three more bedrooms, are above the most beautiful first floor plan imaginable. A large swimming pool, greenhouse, and carriage house with additional garage space are all part of this package. House and grounds are in impeccable condition.

A BEAUTIFUL GOLF COURSE setting where you can actually watch the sun go down from your own terrace, which is just a few steps away from the Country Club fairway. The Pointe has only a handful of properties which actually have a golf course. This is a magnificent example.

VACANT LOT in Grosse Pointe Park south of Jefferson. Zoned for two family. Priced at \$12,500.

Pointe Counter Points

By Pat Rousseau

Dreamy Nightwear . . . from Walton-Pierce is going back to school. An old fashioned wallpaper print on soft easy-care polyester and cotton comes in two styles. One is a long granny gown with lace edging the sleeves, hem and ruffled collar. It's fourteen dollars. The other version is a long sleeved short shift with bikini pant . . . twelve dollars. Sizes range from five to fourteen. Cozy fleece long robes with lace bibs come in royal or red.

Congratulations . . . Arleen has been given the Award of Excellence by the Permabel Company of Paris. She will now be specializing in permanents at Leon's. Charlotte Feury has joined the staff. She is an expert hair colorist and will be available for consultation and hair coloring. Satiny, healthy hair with natural looking color is as important as the style itself this fall. No time to lose. Make an appointment now. Call TUxedo 4-9393 . . . 17888 Mack Avenue.

Moving On Your Mind . . . Want all the comforts of home but few of the responsibilities. Your best move is to the Jefferson Apartments, Grosse Pointe's newest condominium. You'll love the large airy rooms with nine-foot ceilings. A doorman parks your car in a garage and receives your packages. There's a refrigerator for perishables. Exterior maintenance, gardening and snow removal are arranged. Insulated walls, floors, plumbing, windows insure maximum quiet. Fire protection and three security systems guard you while at home or away. Other conveniences include individual heating and cooling, ice makers, a washer-dryer, a wet bar with a sink for entertaining, and natural fireplaces. There are three separate elevators, and approximately 1,000 square feet of private storage. The Jefferson Apartments is an adult community. Don't worry about selling your home. Visit the model apartment and learn about the new trade-in program for your home. There's a new pricing policy, too! The model is open 12 to 5 daily except Wednesday. Enter on Neff or St. Clair Roads . . . 17111 E. Jefferson Avenue . . . 882-7708 or 886-4880 . . . Michigan Condominium Corporation.

The Kitchen That Has Everything . . . is at Mutschler Kitchens, 20227 Mack Avenue. It's the new display English colony kitchen with everything imaginable to make your work easy. It's really handsome and has red plaid carpeting. There's also a beautiful vanity display with white oak and delft blue molding. Visit Mutschler and discover all the new things in kitchen devices and decor.

Our Fashion Favorite . . . the Hollywood wrap jacket with a wide lapel and soft tie front is found at Michelle's Boutique, 17864 Mack Avenue. Wonderful to coordinate with her collection of pants. Also see the other jackets in double knits. The colors are . . . cranberry, a warm brown, navy and white. Don't forget Monday is Ladies' Day with special value luncheons, cocktails and a very special fashion show by Michelle's at the King's Table in the First National Building from 11:30 a.m. through 2:00 p.m.

In Martha's Closet . . . 373 Fisher Road, you'll find new Bonnie Cashin bags which are great for sport and back-to-campus. They come in so many, many colors and prices start at twenty-eight dollars.

Fall-ward Looking? . . . Look forward to the show next Wednesday during lunch at the Golden Lion and preview the fall fashions from Martha's Closet.

Specials . . . at the Notre Dame Pharmacy. With 4.2 ounces of Vita Bath for four seventy-five you receive a free shower sponge. When you purchase Skin Dew Moisturizing Emulsion you receive Skin Dew Free Foaming Cleanser an eight fifty value for seven dollars. With any purchase of Ultima II, you will receive a nineteen dollar value Ultima Beauty Kit for two-fifty more.

Those Folks At Mr. Q Say . . . Think Europe for one week. Here's the best value ever . . . for \$284 fly BOAC jet from Detroit to London, round trip air fair only . . . Call 886-0500 for more information . . . 19517 Mack Avenue.

Teenagers . . . when their hair is well cut and conditioned usually have a knack for caring for it. At Edward Nepi they get the right styling start and are taught the proper methods of hair care. Make an appointment for your teen. Call TU 4-8858.

Add . . . A Touch of color to your dining room or family room with a handsome hand painted tray. There are two sizes and many designs from which to choose at the Sphere, 19849 Mack Avenue . . . Prices from three to ten dollars.

It's Posh . . . Michael says, "Stay away from wooden over-browned contrived coiffures. It isn't only artificial and unnatural looking, it's old-fashioned and passe. Whether you are doing your own or having your hair coiffed at a salon you need for any hair style the best possible hair cut you can afford as a base, and this can only be done by a professional. Remember that the whole idea of arranging your hair is to show it off to best advantage and the best of all hairdos looks as if nature had created it. You can achieve the look at the Posh Studio naturally —886-1377.

Beautiful . . . fall fashions from New York, California, Texas and Florida, young and exciting for women of all ages . . . NOW at Mr. Julian Fashion Boutique, 15114 Kercheval in the Park . . . 822-2818.

Hand Picked . . . beautiful fashions just arriving from Paris, red or black rib knit jump suits with zip fronts \$155. Black and white or brown and white jumpers. Ideal for travel \$75 . . . sizes 6 to 16 at the Margaret Diamond Shop, 377 Fisher Road.

Personnel Notes . . . Christina has joined the staff of the Coliseum, 20335 Mack Avenue. She received her excellent training in Europe in manicuring and pedicuring. Call 881-7252 for an appointment.

Pointer of Interest

MRS. LAWRENCE HOLMES, OF RIDGEMONT ROAD

By Pepper Whitelaw

It was a Liz Holmes' day, bright and sunny. Liz (Mrs. Lawrence) Holmes brightens any occasion just by her presence. Ask her friends in the Grosse Pointe Farms Boat Club, Grosse Pointe Woman's Club, Grosse Pointe Council of Better Literature for Youth, Phi Sigma Alpha, Women's Economic Club and St. Paul Evangelical Lutheran Church.

Or ask her neighbors. Or any of their pets, who will purr and wag in assent.

Liz was born in Portage la Prairie, Manitoba, Canada, 72 years ago. This is impossible to believe by looking at her.

She was born and raised on a farm.

"My sisters, two brothers and I used to ride our own ponies or the gig, to school. One of the funniest things I remember about my childhood was how my sisters and I got all the cast-off fur coats of our female relatives. We were delighted to have them, and wore them proudly to school.

"One day, one of my sisters and I were riding our gig to school, decked out in our latest acquisitions: A seal and a Persian lamb coat. My sister fell out of the gig, and I got so excited I ran over her . . . Fortunately, I didn't hurt her. But, I sure messed up that seal coat!"

To Detroit in '26

Liz and her husband, (whom she calls Pete), came to Detroit on their honeymoon in 1926. "We liked it so much we decided to stay."

"I remember our first home. Light housekeeping rooms in Detroit. And my first job. An umbrella saleslady for Ernest Kern Company."

Who better to brighten a rainy day? "Pete got a job with Commonwealth Brass Corporation, in the tool and die division. He's a fine tool and die man. He stayed with the company 40 years.

"We bought this house in July of 1949. We loved it when we bought it, and we love it even more today."

During her business career, Liz worked for the Detroit

Times and Detroit Saturday Night in circulation sales, for Crawford Laundry as service manager and adjuster of claims, and for Detroit Bank and Trust as a teller and receptionist.

People Are Her 'Thing'

"I loved my bank job. I'd make notes on my regular customers so the next time they came in I could ask about their families. We got to be great friends."

Liz retired from business in 1964. But not from work. That's just not her style. She has been busier since her retirement than ever before.

As a member of St. Paul Evangelical Lutheran Church, she has served as chairman of the Eastern Conference of Lutheran Churches for United Foundation.

"The congregation was wonderful! Ten percent of them worked on the campaign." And, for her efforts, Liz received the coveted Charlie Brown Award from the United Foundation.

Her work with the Grosse Pointe Council of Better Literature for Youth also keeps her busy. "Our purpose is to keep immoral materials off the stands and out of the reach of young people."

No 'Dirr' For Her

Periodically, ladies of the organization check local drug stores and book shops for pornography. If they find what they consider obscene materials, they ask the store owner or manager to voluntarily remove the material from the shelves.

"We are very fortunate in The Pointe. Most of our merchants are more than willing to cooperate. They care about our young people."

Liz has been one of the guiding lights of the Grosse Pointe Farms Boat Club for 18 years. She has held the post of secretary, and is presently a member of the board of directors and treasurer.

This year, she served as hostess for a reception for state-wide dignitaries held on Sunday of Farms Regatta Weekend. It was a smashing success!

Liz's other interests include the Grosse Pointe Woman's Club, (she's social chairman), The Women's Economic Club and the Detroit Review Club. She is one of the regulars at Farms' Council meetings. "If you live in a community, you should know what's happening there."

She serves as Precinct 2 Election Board chairman, Does Own Housework

She keeps busy at home too. She does all her own housework. "Pete's great. He helps with the chores." Her large colonial home sparkles, just as Liz does.

The house is filled with living things. Plants seek the sun at almost every window, and pets rule the roost.

There are currently three animals in residence. Buddy Number 9 is a chihuahua, with a bark of a bull mastiff. A 10-year old Tabby cat named Dennis, wandered into the neighborhood one day, and of course, Liz adopted him. "The poor little thing's antennas were gone . . . I just had to take care of him."

Then there is Missie. Missie is a calico Liz rescued from traffic on Lakeshore.

"Someone tossed the poor darling out of a car. She became so frightened, she ran up under a car stopped in front of me. I hopped out of my car, traffic buzzing all around me, and coaxed her out from under the car and into my arms. Then I took her home with me." That was four years ago and

Fete Syracuse '72 Freshmen

The James Steens, of Berkshire road, hosted a send-off party last Thursday evening for Syracuse University freshmen from this area. Mr. Steen is president of Syracuse's Detroit Chapter Alumni.

Guests included Mia Jacob, who flew in from Italy, where her father, David Jacob, a Syracuse School of Architecture graduate, is Architect in Residence at the American Academy in Rome, April 23, for a short visit with relatives before starting her own freshman year at Syracuse's School of Arts and Sciences.

Also on hand for the festivities were upperclassmen Kathy Thomas, incoming freshman Virginia Ferrara and the Steens' son, Greg, a graduate of Grosse Pointe South High School, Class of 1971, who played freshman football for Syracuse last year.

Greg is already back on campus, with the Syracuse varsity Football Team, for pre-season conditioning and practice.

He, Ginny and Kathy, who with fellow upperclassmen Dania Woodbury and William Kuz, fielded the incoming frosh's questions, all live in Berkshire road.

Marcie Miller, Susan O'Neil, Thomas Allout, Ronald Bechtold, Gerald Johnson, Susan Fox and Joanie Robinson are other Michiganders who will be attending Syracuse.

Mrs. Harold L. Frank, chairman of June's successful University-Liggett Antiques Show, was a party guest, too. She's a member of Syracuse University's National Alumni board of directors, as well as a member of the University's Regional Annual Giving Program.

The Steens, incidentally, welcomed home son Charles, on two weeks leave from Fort Gordon, Ga., August 24.

Charlie, who completed his Army tour of duty in Vietnam last April, is in town to attend the wedding of his Grosse Pointe High School Class of '68 classmate, Tom Wallace, also a Vietnam veteran.

Missie's been with Liz ever since.

Potpourri Garden The Holmes' garden is unique. There are roses, perennial sweet peas, peppers, phlox, nicotiana, tiger lilies, catnip, (for all Liz's tiny friends), sunflowers, lettuce, (rubarb), tomatoes, begonias and petunias.

"Pete and I enjoy our evening meals out on the patio, listening to the movement of nature all around us. Both of us work in the garden—but not at the same time."

The Holmeses have bird feeders in their garden.

"Both of us love birds. But we were afraid some animal would hurt them while they were feeding, so Pete rigged a pulley on the feeder. Now we just lower the tray, fill it with bird seed, then raise it up out of the reach of animals."

Has A Smoke Tree

Liz's front yard is lovely. She is photographed against one of the few Smoke Trees in the area. She's also mighty proud of her Harry Lauder Walking Stick bush.

She loves to cook . . . especially fish Pete catches. He's an avid fisherman, and spends a lot of time on their 16-foot boat. "He catches

Fete For Merrill-Palmer

What to use for decorations at a dinner-dance to benefit the Merrill-Palmer Institute is the subject being discussed by MRS. JOSEPH L. HUDSON, JR. (left), of Ridge road, and MRS. ELLIOTT H. PHILLIPS, also of Ridge road, Institute trustee. The black tie benefit will be held Friday, September 15, in conjunction with the grand opening of the Troy Hill Inn, Maple road and Stephenson highway, at the Inn. Mrs. Lynn A. Townsend is general chairman, Mrs. Edsel B. Ford honorary chairman of the event. Carol Channing, stage, screen and television luminary, will highlight the special entertainment following a reception and dinner.

Short and to The Pointe

(Continued from Page 11) MAIRGRID McINTOSH, daughter of MR. and MRS. J. C. McINTOSH, of Lincoln road, has received her Bachelors degree from Allegheny College, Meadville, Pa. She was graduated cum laude, with honors in English, and was elected to Phi Beta Kappa.

MRS. PHILLIP A. O'CONNELL, of Wellington place, is Michigan's representative for the national Women's Trans-Mississippi Golf Association, which staged its 42nd national championship play July 31 through August 5 at the Omaha Country Club, Omaha, Neb.

JULIE JUENEMANN, daughter of MR. and MRS. JOSEPH GUY JUENEMANN, JR., of South Brys drive, spent part of the summer at Virginia Wesleyan College, Norfolk, Va., attending Time and Tide, an International Girl Scout Wider Opportunity designed to explore the ecology of the Tidewater area.

WILLIAM B. ACKER, of Blairmoor court, has been elected to Beta Gamma Sigma national honor society. Bill was graduated first in his class of 81 from the University of Michigan's School of Business, and will be attending the University of Michigan Law School.

A trio of young Pointers, CLIF MOREHEAD, R. J. PARADEE and CURT PRUETT, attended the Pocono Invitational Basketball Camp the week of July 9 through 15.

Molly Weds

(Continued from Page 11) smock-bodiced dress of green-and-yellow on white print voile. Her bouquet featured yellow Sweetheart roses, white daisies and ivy.

William Morrison was his brother's best man. They are the sons of Mr. and Mrs. Herman L. Morrison, of Hampton road.

The newlyweds will be returning from a Bermuda vacation to make their home in St. Clair Shores.

Isn't it strange that two of the area theatres have been showing the SAME bill recently. This has happened before. Is there any reason for this duplication of product in the area? Pointe film goes should have variety, not repetition.
