## HEADLINES of the WEEK

As Compiled by the  
Grosse Pointe News

**Thursday, June 14**  
**PRESIDENT NIXON** ordered a freeze on all retail prices, effective immediately, for a maximum of 90 days. It will include supermarkets and small grocers but would not affect wages. The freeze, announced by Mr. Nixon in a television-radio address Wednesday, forbids charges higher than the maximum in effect during the June 1-8 period. It covers all of the marketing system except raw agricultural produce. Mr. Nixon said "prices are going up at unacceptably high rates;" the freeze will attempt to put a lid on the rise.

**Friday, June 15**  
**THE SENATE** voted Thursday to cut off funds for the bombing of Cambodia and all other U.S. military involvement in Indochina. The bill, the strongest anti-war measure approved by Congress, was sponsored by Senators Frank Church, D-Ida, and Clifford Case, R-N.J. It was added to a State Department authorization bill and sent to the House with a 67-15 approval. Both Michigan senators, Philip Hart and Robert Griffin, voted for the bill. The vote came a few hours after Henry Kissinger told the members of Congress that there were no foreseeable plans to stop the bombing.

**Saturday, June 16**  
**CHRYSLER AND GENERAL MOTORS** spokesmen said Friday that the companies are seeking alternatives to Canadian petroleum imports. Canada's Energy Minister Donald MacDonald announced Thursday that Canada would limit fuel exports to the U.S. in an effort to protect the country against further domestic shortages. Chrysler and GM are the two largest consumers of Canadian gasoline and fuel oil in Detroit; Ford does not import from Canada. Both companies buy Canadian petroleum through Enterprise Oil.

**Sunday, June 17**  
**LEONID I. BREZHNEV**, Soviet party leader, arrived in the United States Saturday for a nine day visit. Brezhnev was greeted by Secretary of State William P. Rogers and then flew to Camp David in Maryland. He also received a welcoming phone call from President Nixon who was in Key Biscayne at the time. Brezhnev will be greeted officially on Monday at the White House. The visit will center around arms control talks and promotion of co-operation and commerce between the U.S. and the Soviet Union.

**Monday, June 18**  
**RESCUE OPERATIONS** to free four scientists trapped in a submarine in the Atlantic Ocean near Key West, Florida failed Sunday. The scientists, aboard the tiny vessel, were studying fish species around the wreckage of a Navy ship. The two divers who made the rescue attempts discovered the sub to be trapped in the wreckage, 300 feet below the surface. A mobile diving chamber is being flown in from San Diego to further the rescue attempts. The scientists have enough oxygen to last until noon today.

**Tuesday, June 19**  
**TWO SCIENTISTS** aboard the tiny submarine which was caught in ship wreckage below the Atlantic near Key West, were alive after rescuers freed the vessel from its trap. The other two were in the rear compartment, which had to be depressurized and detoxified before it was opened. Clayton Link, son of the mini-sub's designer, and Albert Stover, a veteran submariner, were dead when it was opened. They had collapsed into a coma early Monday as carbon dioxide increased in the compartment.

## Three Headmasters Pay Honor to Retiree

Retiring U-S Business Manager Robert R. Page, who has served University-Liggett School since 1946, was feted recently at the Country Club of Detroit. Present at the affair were the school's alumni, past and present faculty and friends, and the three headmasters, John Chandler, Jr., Hugh C. Riddleberger, and Raymond P. Robbins, whom Mr. Page assisted during his 27 years at U-S. Pictured, left to right are: MR. CHANDLER, MRS. DOROTHY STEVENSON, secretary to all three headmasters; MR. RIDDLEBERGER, MR. PAGE and MR. ROBBINS. Mr. Chandler is currently Vice President of the National Association of Independent Schools in Boston, Massachusetts.

Mr. Riddleberger is Headmaster of the Landon School in Bethesda, Maryland. Prior to coming to U-S, Mr. Page served as a math instructor and athletic director in two New Hampshire schools. The years 1931 to 1941 were spent at Brewster Academy and the years 1941 to 1943 and 1945-46, at Proctor Academy. The intervening years, 1943 to 1945, were devoted to the U.S. Army Special Service Branch. He also served as math and athletic instructor at U-S until 1952, when he became the school's Business Manager. Mr. and Mrs. Page plan to make their home in New Hampshire.

## Slate New Coronary Care Plan

Pointe officials hold meetings at Bon Secours to discuss emergency treatment needs.

Pointe city officials were invited to meetings at Bon Secours Hospital Tuesday, May 1, and Monday, June 11. The special meetings were called to discuss the community's emergency coronary care needs.

Robert J. Griffin, M.D., chairman of the Bon Secours Hospital Coronary Care Unit Committee, expressed his concern for the need of emergency treatment for heart attack victims before they reach the hospital's emergency room.

Dr. Griffin and several concerned members of the medical staff proposed the purchase of portable emergency coronary care equipment by the Pointes for their emergency vehicles.

Barry M. Spro, executive director, offered the hospital's facilities for training fire and police personnel in the use of this equipment.

Dr. Griffin and other physicians on the staff, experienced in emergency coronary care and in teaching, would provide the anticipated 25 hours of instruction consisting of lecture, demonstration and practice on mechanical mannequins.

## Farms Plans Open House At Water Filtration Plant; Council and Public Invited

City Solons to Be Given Tour of Facility From 12:30 to 2 p.m.; Citizens Will Have Opportunity From 2 to 5 p.m.

The Farms Council and the general public have been invited to an open house at the Farms Water Filtration Plant, 29 Moross road, by Wendell Baker, plant superintendent. The invitation to visit the facility was extended and read to the council on Monday, June 18.

Members of the council and other city officials will be given a tour of the building on Sunday, June 24, from 12:30 p.m. to 2 p.m., after which the facility will be opened to the public from 2 p.m. to 5 p.m.

Baker pointed out to the NEWS, that the last time the building was open for inspection was when its construction was completed in 1930.

He pointed out that Highland Park gets its raw water from Lake St. Clair, too, through intake and shore wells jointly owned by it and the Farms. That is where the joint ownership stops, since each has its own filtration plant.

He said that Highland Park draws its raw water through a pipe system that stretches about 15 miles to its filtration plant at Davison and Dequindre.

Baker, in his letter to the council, stated that for decades three services have symbolized the technical advance of our civilization: the automobile, electricity and tap water in the home.

Of these three, only one, water, is really taken for granted. The average citizen gives so little thought to the miracle of clean water in his kitchen and bathroom, that he does not contemplate the notion that anything would interrupt its flow.

## 300 Horses Entered in Show Here

Grosse Pointe Hunt Club Hosts 62nd Annual Competition

The first big event on the midwest summer horse show circuit is being run off from Wednesday, June 20, through Sunday, June 24, on the Grosse Pointe Hunt Club grounds in Cook road.

Entries are from top hunter-jumper stables around the country. These include Bucky Reynolds and Kenny Wheeler, Virginia; Imperial Farms, Florida; Gabor Poltenyi, Oakland Hills Farms, Mich.; Sam Register Farms, Kentucky; Heatherlea Farms, Indiana; Mike McGuinn, Illinois, and Stone Hedge Farms, Illinois.

Money, Trophies, Ribbons  
More than 300 top horses are competing for money, silver trophies, ribbons and glory. Judges for the hunter, jumper and hunter seat equitation events are A. Eugene Cunningham of Warrenton, Va., and Earl Frazier of Marietta, Ga.

The American Horse Shows Association steward is Gene Lasher of Metamora, Mich., and Gerald Heider of Holland, Mich., is the chief announcer. John Heatlie from Philadelphia, Pa., officiates as ringmaster.

Chairman for this year's Horse Show is Pointer Erbin Wattle, with William Beardslee as co-chairman. Mrs. Sera Lynn (Sally) Chastee, riding and stable manager at the Hunt Club, is supervisor of polo and is assisting with show preparations.

Stake Classes  
Among the important stake classes are the \$825 Regular Conformation Hunter Stake; the \$680 Green Conformation Hunter Stake; the \$1,500 Regular Working Hunter Stake; the \$700 Preliminary Jumper Stake, and the \$1,500 Open Hunter Stake.

## Woods Considers Curfew Law to Curb Vandalism

Study Continues on Ways to Prevent Repetition of 'Near Riot' Which Took Place on 'Devil's Night' Last Year.

By Roger A. Waha

At this point in time, there are still some "ifs" regarding specific action towards preventing the destructiveness of "Devil's Night," the evening before Halloween, this year. But concerned law enforcement officials and citizens are currently discussing ideas on what might be done to prevent a reoccurrence.

Last year, some 200 teenagers created what Woods police called a "near riot" situation in the area of Barnes and Our Lady Star of the Sea Schools. Streets were blocked, fires started, eggs were fired at civilian vehicles and scout cars and traffic signs were pulled up.

A foundation for future action was laid at a December 1972 meeting between Youth Service Division Agent Michael Ferrance and the Barnes PTA Executive Board. Various areas which could deter this type of activity were discussed, e.g., laws, the role of the home, schools, et al.

Ideas Exchanged  
A further meeting was held Tuesday evening, June 12, to pursue ideas towards curtailing such activity. While various thoughts were discussed, Agent Ferrance and Barnes Principal Jack McMahon reported nothing has been finalized as yet. Another meeting has been planned in September between the agent, Mr. McMahon and the Barnes PTA board. In the meantime, they are scheduled to keep in touch.

Agent Ferrance reported a main topic discussed at the June 12 gathering was a proposed curfew ordinance which The Woods is considering.

In fact, the first reading of this ordinance was held at the regular council meeting Monday, June 18. Sitting as the Committee of the Whole on Monday, June 11, the

Woods is the only Michigan city, other than Detroit, ever to receive the award, the highest honor given by AAA.

The Woods also received a first-place Award of Excellence for its pedestrian safety record among cities in the 10,000 to 25,000 population class.

Proud of Selection  
Both awards will be presented to the city by the Automobile Club of Michigan at a future date.

"We're proud to be selected once again by the AAA," said Traffic Safety Officer Stephen Petrik. "I want to thank the teachers, safety patrols, safety sponsors in the school, parents and the children themselves, for their roles."

City Administrator Chester E. Petersen noted, "It's a record which very few cities, large or small, have obtained." He felt The Woods' record was due to the "conscientious effort" of The Department of Public Safety and its officers and to Officer Petrik in his role as traffic safety officer.

## Hearing Set On Proposed Zoning Law

Revision in Ordinance Would Give City More Control

The Farms council on Monday, June 18, received a new proposed Zoning Ordinance and map, which, it feels, will give the city "more control over its future development."

The proposed ordinance, which will replace the much-amended 1968 law, is a complete updating, "more in keeping with modern trends and anticipates possible State and Federal legislation," it was explained.

After placing the proposed ordinance on the table, the solons set Monday, July 16, at 8 p.m., as the date and time for a public hearing.

Will Be on Display  
At Monday night's meeting, the council directed that in the meantime, any resident interested in reviewing the ordinance, will find it on display in the lobby of the Municipal Building, 90 Kerby road.

Further, it was pointed out, citizens interested in taking a copy of the proposed ordinance home to look it over at their leisure, may do so, but they must put up a deposit of \$5, which will allow them to keep the copy for three working days. Saturdays and Sundays not included. On expiration of the three-day limit, if the copy is not returned, a monetary penalty will be imposed.

The new Zoning Map makes no changes from the present Zoning District, it was pointed out.

New Standards Set  
The council disclosed further, that the text of the proposed new ordinance also does not remove any part of The Farms, but rather sets up definite standards and controls by which zoning, for both multiple and single-family attached cluster housing, can be accomplished, after the public hearing.

The proposed changes also allow for more green space in the city, especially in irregularly-shaped parcels of land and sets restrictions for tennis courts, garages and parking, which The Farms does not have now.

In addition, the council said, the new ordinance sets up a site plan review and establishes procedures for any application for rezoning, which was not on the previous ordinance.

Sets Up Parameters  
The new regulation also sets up parameters for all 10 Zoning Districts, including minimum lot size, maximum dwelling content area, and the maximum percentage of lot coverage allowed.

"The new ordinance will give the city greater control over any proposed changes in zoning than it has under the present ordinance," the solons said.

The planning standards were developed for the council by Vilcan-Leman and Associates.

## Parking Rules Tightened In Area Around Hospital

The Farms Police Department has ordered 65 two-hour parking limit signs, some of which have been erected in Radnor circle, Hall place and McMillan road on Thursday, June 15, according to information released by Lt. Ignatious Backman.

## Important!

With the Fourth of July falling on Wednesday this year, the NEWS is asking the cooperation of its news sources and advertisers. The deadline for all copy that week will have to be Monday noon instead of Tuesday, so the paper can be made up at the print shop Monday and go to press Tuesday.

## High Winds Put Crimp In Use of Woods Pool

The swimming pool situation at The Woods' Lake Front Park can be summed up by that old saying, "When it rains, it pours" . . . literally.

## School Board Sets Meetings

The final meeting of the Grosse Pointe Board of Education for the 1972-73 school year has been set for 8 p.m. on Monday, June 25, in the Board Room of the Administration Building, 300 St. Clair avenue.

**FARMS TO PAY**  
The Farms Council, on Monday, June 18, agreed to pay the firm of Dickinson, Wright, McKean and Cudlip, the sum of \$5,501.50, for legal services rendered through April 30 of this year.

### Consider Curfew Law

Continued from Page 1  
council unanimously recommended that the ordinance be adopted. The measure needs a further reading before it is adopted officially.  
The proposed ordinance regulates the hours minors may be in or on public streets, and is an effort to prohibit acts of vandalism and other confrontations with youths, such as that which occurred on "Devil's Night."  
**Can Make Changes**  
Before it is finally adopted, the council can still make any changes it feels necessary. But at this time, the measure says no minor under the age of 12 years shall loiter, idle or congregate in or on any public street, highway, alley or park between 10 p.m. and 6 a.m. unless accompanied by a parent or guardian, or some adult delegated by the parent or guardian to accompany the child.  
It also states a minor under the age of 17 years shall not loiter, idle or congregate between 11 p.m. and 6 a.m. except when accompanied by a parent or guardian.  
City Attorney George Catlin, who drafted the measure, said it is different "than an absolute curfew ordinance" because it has no effect on transients. He stated the council felt this year around approach is much better than

benefits of providing this service to the community. They are scheduled to meet with the Bon Secours staff this fall to pursue the beginning of the program.  
**Participants**  
Those attending from The Park were Mayor Matthew C. Patterson, City Manager Robert Stone, Fire Chief Phil Costa and Police Chief Henry Coonce.  
City Manager Thomas Kressbach, Fire Chief Robert Marshall and Police Chief Andrew Teetaert representing The City. Fire Marshal Charles Wenrich and Police Chief Joseph Vitale, The Shores; Police Chief Robert Ferber and Sergeant Arnold Parsons, The Farms, and Henry Marchand, Director of Public Safety, The Woods.  
Representing the hospital were Mr. Spero, Dr. Griffin, Gordon E. Simpson, president of the medical staff, Chief Anesthesiologist Salvatore Longo, M.D., Archie Bedell, M.D., Sheila LeSueur, head nurse in the coronary intensive care unit, Philip Brusoe, supervisor of safety and security, and Susan Weiss, director of public relations.

newly, a different colored sticker must be attached to the outside of the lessee's car, to show the fee has been paid for that quarter.  
A number of Hill businessmen requested applications for themselves and their employees for spaces in the strip, but because the spaces are limited, each applicant was allocated only a few spots.  
A large group of the Hill personnel failed to apply for their given spaces and parked their vehicles on the side streets in front of homes of residents, making it difficult for these citizens to get in and out of their driveways. Too, by parking in front of these residences, the home owners and their visitors had difficulty in finding spaces for their cars.  
Parking by hospital personnel along these streets added to the problem.

### Wins Safety Awards

Continued from Page 1  
The Woods was cited for pedestrian safety excellence along with the State of Michigan and six other Michigan cities.  
**Other Awards**  
Michigan won its second straight Award of Excellence, the second highest honor for states, while the following cities were honored: Sparta, first-place Award of Excellence, under 10,000 population class; Dearborn and Livonia, second-place Awards of Merit, 100,000 to 200,000 population; East Grand Rapids, Award of Merit, 10,000 to 25,000 population; Greenville, Award of Merit, under 10,000 population, and Clawson, Special Citation for Pedestrian Casualty Record, 10,000 to 25,000 population.  
A total of 2,087 cities and 26 states entered this year's inventory, which reviewed accomplishments for 1972. Cities and states are evaluated with others of comparable size and characteristics.  
Awards and citations are presented on the basis of pedestrian death and injury

Arrest of Pair Uncovers  
Big Stolen Car Operation

Two white males, arrested in The Farms, were arraigned for a preliminary hearing before Municipal Judge Robert Poyell on Friday, June 15, on warrants charging them with conspiracy and possession of a stolen motor vehicle with intent to pass title.

Arraigned were Bruce T. Binder, 22, of 12297 Riad, Detroit; and William Lee Brooks, 32, of 24465 Phlox, East Detroit. Binder was released on \$2,000 bond and Brooks, on \$4,000 bond, pending an examination date scheduled by the judge for Wednesday, June 27.

Both Binder and Brooks were arrested in a stolen 1973 Lincoln Continental, at McMillan road and Kercheval avenue, by Cpl. Otto Ghanert and Patrolman Timothy Morrison, after the pair were seen leaving the rear of 94 Muir.

Cyclist Injured  
In Auto Crash

A 17-year-old Harper Woods youth was seriously injured in a motorcycle-automobile accident on Vernier road at Marter Wednesday morning, June 13.

John Orrin Nellis was reported in serious to critical condition at St. John Hospital (as of Monday afternoon, June 18). A cycle passenger, Louie Aceti, 17, also of Harper Woods, was released from St. John Sunday, June 17, after receiving treatment.

Woods police reported the cycle driven by Nellis was going west on Vernier while an auto driven by George Davis, 70, of St. Clair Shores, was travelling eastbound. In making a left turn onto northbound Marter, Davis' vehicle was struck in the right door by the cycle. Police said after the cycle hit the auto, it careened down the side of the vehicle.

Woods police said Davis was issued a violation for failure to yield right-of-way. He's scheduled to appear in court Wednesday, August 15.

Woods Backing  
Kiwanis Drive

A request from the Kiwanis Club of Grosse Pointe to conduct a door to door fund raising drive in The Woods received unanimous approval from the council at the regular meeting Monday, June 11.

The club will make its solicitation during the week of Sunday, June 24. This type of fund raising reportedly takes the place of the club's past fireworks display.

Mayor Pro Tem Marvin R. Boutin made a plea "for everyone to get behind the drive."

cars being parked in the rear yard of the Muir address At 3:18 a.m., Morrison, assigned to patrol the area, noticed the Lincoln being driven away from the house under surveillance.

The officer radioed his station for information on the license plates. A check on the Law Enforcement Information Network, (LEIN), revealed the plates were fraudulently issued.

Morrison stopped the car and the two occupants, and backed up by Ghanert, placed Binder and Brooks under arrest. The Lincoln was impounded.

The arrest led Dets. Joseph Miller and Earl Field, and Patrolman John Farley, assigned to the Plain Clothes Detail, to conduct an intensive investigation, which uncovered a broad stolen car operation extending from Michigan to the Florida Coast. The policemen said that the investigation is still pending and that more persons may be involved in the operation.

A second car, a 1973 Mercury Cougar, reported to have been stolen from Roseville, was recovered at the Muir address.

Brooks, it was disclosed, also arrested on two warrants from East Detroit for receiving and concealing stolen property over \$100 in value.

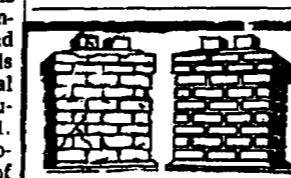

Miller revealed that other law enforcement agencies involved in the investigation, are: The Federal Bureau of Investigation, Michigan State Police, the National Auto Theft Bureau, and the East Detroit Police Department.

Students Give  
To Zoo Fund

Two Brownell Middle School sixth graders, Kathryn Kaess and Daniel Dowdall, officially represented their class in presenting a check for \$180 to Dr. Robert Willson, director of the Detroit Zoological Park.

The money was earmarked for the Save the Zoo Fund. The class at Brownell raised over \$300 during the year to donate to several different conservation and humane organizations.

The gift-giving event was recorded for posterity by Brownell sixth grade photographer Scott Hagermoser.

\$1,000 Damage  
Done To Boats

Edward Frohlich, of 30 Preston place, informed Farms police that he was the victim of both vandalism and theft of his boats at the marina docks in the Farms Municipal Pier-Park.

According to Frohlich's report to the authorities, sometime between 6 p.m. on Monday, June 11 and 7:30 p.m. on Tuesday, June 12, someone "hot-wired" his 18-foot Mark Twain tri-hull, 165-horsepower inboard-outboard from its dock space at the marina and took it out into the lake.

The craft was found afloat on the water, unmanned, by an unknown citizen, who towed it back to the marina. The owner said that both sides of the boat were damaged. He estimated the cost of repairs would amount to \$200.

In a supplemental report, Frohlich disclosed that on Sunday, June 3, someone pulled the plug from his second craft, a GW Invader, causing the boat to sink to the bottom of its mooring space.

He said there was extensive damage to this boat, approximately \$800. The 40-horsepower motor of the craft, the gas tank and battery, were ruined.

When he arranged to have the boat raised to the surface, he discovered that the seats were missing, he added.

### Refuse Pickup Fees Adopted

The Grosse Pointe City Council adopted a resolution at its Monday, June 18, meeting that would institute a commercial refuse collection fee payment system, effective July 1.

The fee schedule for commercial collection will be as follows: first two cubic yards per week, per container, no fee; each additional cubic yard per week, \$2.

In a communication from City Manager Thomas Kressbach, it was noted that the City provides without charge three to five weekly refuse collections for commercial establishments.

Comparisons of City refuse collection indicate that the city is providing a higher level of free service than other communities such as the Pointes, Birmingham, East Detroit and Detroit.

The fee charge was initiated to bring the City's level of commercial refuse collection service into line with comparable communities.

Under the present system, two cubic yard standard containers are used by commercial businesses. The charge would apply only to those businesses that use the pickup service more than once a week.

Each refuse collection driver will record the number of additional weekly pickups from each commercial container.

The records will be turned in to the Department of Finance for a monthly billing of the owner of each container. Owners of shared containers would have to decide how the billing would be divided between them.

The refuse charge, it was estimated, would generate about \$4,000 to \$6,000 annual revenue.

Ignorance is preferable to error; and he is less remote from truth who believes nothing, than he who believes what is wrong.—Thomas Jefferson.

### Woods Studies Request For Paving Park Paths

By Roger A. Waha

A request from residents living near Sweeney Park to blacktop the foot paths was unanimously re-referred to the Committee of the Whole by the Woods Council at the regular meeting Monday, June 18.

Several residents attended the meeting and urged quick action on the council's part before, as one resident said, "we all drown." This same resident told the council the park, located in the area of Marford court, Ford court, Fair court and Clairview court, is a "sea of mud."

At the February 12 meeting, a letter and petition signed by 17 different families regarding the black toping was unanimously re-referred to the C-W for further study. In their letter, the residents said they were "most concerned about the physical condition of the park." At that time, no petition signers responded when asked if any were present at that meeting.

However, the situation was different at the June 18 meeting as an estimated dozen people wanted the park's condition approved, (including, they said, the removal of some dead elms and the cleaning up of broken glass). Mayor Pro Tem Marvin H. Boutin suggested a few residents meet with the council sitting as the C-W after the meeting to discuss the matter. This "quick action" satisfied the citizens.

It was decided the residents work with the city in improving the area, and to improve relations with people whose property directly abuts the pedestrian easements into the park, noted City Administrator Chester E. Petersen.

"We need their help, (the residents), in convincing neighbors who live near the park entrances so one or two entrances may be widened," he said. "They will help themselves by helping us." It also was decided to try to come up with a plan for black toping.

During the course of the earlier discussion, Mr. Petersen cited a problem which situation, he said, had to be resolved with the people abutting the easements.

### Finds 15 Stop Signs Missing

A stop sign kleptomaniac apparently had a jolly good time early Monday morning, June 18, when 15 signs were discovered missing by patrolling Woods Lieutenant Jack Patterson.

The signs were located along Wedgewood at Hidden lane, Sunningdale, Lochmoor,

North Renaud, South Renaud, North Oxford and South Oxford. Others were snatched

from along Fairway at North Renaud, South Renaud, South Oxford, Sunningdale and Lochmoor.

The city standby man was immediately notified

### children CAN'T HELP WONDERING.

And they wonder a lot about God. They seem to have a natural awareness that He's here, and that He's important. But they want to know more.

In the Christian Science Sunday School, God's nearness and goodness become practical realities to children. They study and discuss weekly Bible Lessons, and how to apply their truths each day. They learn to look to God for His unfulfilling help.

No need for your child to go on wondering. Let him start discovering, at our Sunday School. We'll be delighted to welcome him and his friends.

(Continued from Page 1) opening after the pool has been cleaned and refilled. Due to the storm, swimming classes, scheduled to begin Monday, were postponed until Wednesday, (after press time), if all went well.

Before the high winds gushed the unwelcome lake water into the pool, Mr. Pischea said the situation regarding the other problems had improved. However, personnel we still going on a day-by-day basis in keeping the pool open.

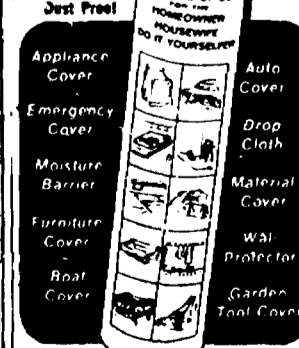

The filters were being constantly cleaned in an effort to clear up the murky water. (The clarity problem was improved.) And while some minor leakage of lake water and dirt was noticeable, personnel were working to eliminate this.

And then the gusty winds came.

### City Rejects Building Plans

The Grosse Pointe City Council, at its meeting on Monday, June 18, denied approval of a site plan for the renovation of the building at 16345 Kercheval avenue.

The building formerly housed the Harrison Carpet Company, Day Travel, Mr. McCourt Shoes, Eddie McGrath Studios and the Little Professor Book Store. It also includes office space on the second floor.

Mr. Laurence E. Winokur, representing the Village Land Company, owners of the building, itemized renovations plans. About \$150,000 would be spent to completely redo the interior of the building. Total painting of the exterior was also listed.

In addition, plans included changing the location of the front door on the Harrison building to provide for a lobby and a front exit from the second floor. A window

would be added to the rear for corridor light.

City Mayor John King stated that The City has wanted to have an upgrading process of the buildings in the downtown area. In the past few years, they have been following the Early American-Colonial theme, reflected in such structures as the new National Bank Building, Jacobson's and Hickey's.

There has been an attempt to direct, people who own buildings in the Village to conform to that requirement. Mayor King said that he hoped the Harrison building reconstruction would also add to the Colonial theme.

However, Mr. Winokur felt that the massive interior renovations would be enough to bring business back to the building. He objected to "the aesthetics in the zoning ordinance." He also mentioned that there are no tenants as of yet and furthermore, they would not require tenants to put on a new front.

City Manager Thomas Kresbach cited several additions which would give the building a Colonial motif such as awnings, shutters and posts. He felt the cost would be minimal and would be more apt to insure occupancy.

The suggestions were not accepted by Mr. Winokur. In motion made by Councilman Alfred Reuther Jr. and seconded by Councilman George Monro III, the council rejected the plans stating that "it does not conform with the site plans set forth by the City and is injurious to the City."

### WCCC Board Meets June 27

The Wayne County Community College Board of Trustees will hold its next public meeting, Wednesday, June 27, at 7:30 p.m. at Central Library.

The seven-member board recently approved a resolution of the College's Citizens Advisory Committee that it hold at least one meeting per year in each of the seven trustee districts throughout the county.

The June 27 meeting is the first of this series of meetings which will be held in The Pointe. The Board's regular meeting place is St. Paul's Cathedral on Woodward at Warren in Detroit.

Grosse Pointe is in Trustee District #1 which is represented by Trustee Donald M. D. Thurber of Rathbone place.

The public is welcome to attend all trustee board meetings.

### 'Tickets to Safety' Theme Of Woods Bike Violations

By Roger A. Waha

The Woods has just the thing for its youthful bicycle violators—a ticket emphasizing safety.

Actually, it's a "Juvenile Safety Violation Notice" which is presented to a young offender when he, for example, rides double, fails to stop for a stop sign, rides against traffic, pedals after dark without lights or commits any other violation.

For about 15 years Woods public safety officers have been issuing these violations to youngsters, said Traffic Safety Officer Stephen Petrik. Part of the city's bicycle safety program, the violations help "govern youngsters' actions and habits on bikes," he stated. "We talk on safety, so do the teachers, and we also have our annual bicycle inspection program." Under the city's bike ordinance, cyclists have to obey all the laws that auto drivers do.

When the violation is issued, it must be returned to the department within seven days. If this isn't done, a letter is sent to parents and they must reply within a seven-day period. The purpose is to make certain parents are aware of their child's activity "on the road." No fines are issued to youths 15 years of age and under.

Over 500 violations were given out last year and about 200 have been "delivered" so far this year.

With the bike population growing because of the physical fitness trend and the so-called gas shortage, Officer Petrik said the department has started filing tickets alphabetically this year "to give us a better idea of the culprits who continually violate."

In this respect, he cited a system used in Oklahoma City where bike tickets have

been so filed for many years, thus giving officers an overview of how cyclists progress to the time they begin driving autos. The officer noted that many persons who lost their auto licenses proved to be bad bike drivers.

Officer Petrik said the younger kids hardly ever repeat. "When a little kid is issued a violation, he gets all shook up," he stated. However, this is less so among the 14- and 15-year-olds.

The Woods' bicycle ordinance tells riders to stay off the streets, highways or alleys unless they are 12 years of age or over and have the consent of parents.

It also specifies that youths under 17 years should ride only during daylight hours, unless they have a night riding permit. Application for such a permit must bear the parents' signatures and be returned to the department. It is issued free of charge for a limited time.

As for the violation itself, it has a note to parents which says, "Please sign and return notice to the Grosse Pointe Woods Department of Public Safety for use as a guide in safety education."

Safety education — that's the key.

### Shores Lights Heat Victims

A flaming transformer on an Edison pole, plus some extinguished street lights, caused concern in The Shores Monday evening, June 11.

Police were informed about the smoking transformer on a pole across from 7 Vernier road, and Officer Gordon Swartz was detailed to stand by. After calling Edison's emergency number, police were told a crew would be sent right out.

A few minutes later, Officer Swartz reported the transformer erupted into flames, which subsequently burned out, and Edison was called once again.

Then, reports of lights going out came rushing in. Officer Swartz said the globes on Vernier and in the M.O. lot blanked out, while Officers Harry Hamilton and John Trevillian reported a short time later lights were out on Lake Shore road between Vernier and Oxford, at the entire subdivision between Willison and Fontana, and on Ballantyne, Sheldon, Renaud and Oxford roads.

The Edison crew arrived at 11:16 p.m., (they were first called around 9:25 p.m.), and 13 minutes later all lights were back on. The crew told police they were swamped with calls because of the extreme heat of the day.

### Defer Winner of Paper Drive

Defer School has done it again! For still another year they have come in first place in the newspaper drive held in conjunction with Environmental Action Now.

This year they collected over 56,810 pounds of paper for a total of \$227.24; and they out-classed every other school. Their success came from organization and above all, dedication of purpose.

Mrs. Nettie Duffield, vice-president of EAN, presented a plaque, made by Mrs. Nancy Renick, to the school at the Awards Assembly on Tuesday, May 11.

Specially invited guests were Ellen Ceruppi and Amy Owens from the eighth grade at Pierce. They were former students of Mrs. Linda Schoonbeck's science class two years ago, which held one of the first paper drives. EAN was a fledgling organization then and the ecologically-oriented class wanted to raise money so EAN could purchase property.

Unfortunately the money the class earned has been sitting in EAN coffers for two years. So it was recycled back into Defer and will be used to purchase outdoor educational science equipment, such as soil testers. The equipment will be at the disposal of all Defer students as well as Pierce students.

The money from this year's paper drive will go into the PTO treasury and used for special school needs.

But Defer is not yet finished with paper. Ramon Brinkman, father of Defer second grader Gunther, is organizing the students during the summer to gather paper for a September fund raising drive. The class which collects the most paper poundage, will have a tree dedicated in its honor at the Three Mile Park Nature Walk.

### Three GP Park Firemen Complete EMT Program

By James J. Njaim

Three Park firefighters, including a brand new recruit, were graduated from Detroit General Hospital's Basic Training Program for Emergency Medical Technicians and were granted certificates as certified EMTs on Friday, June 8, it was disclosed by Fire Chief Phillip Costa on Monday, June 18.

The new recruit, who graduated third in a class of 80 persons who took the course, is Robert Nemens, 23, of 25004 Arlington, Roseville, who was appointed a probationary firefighter on Friday, June 15. An Air Force Reservist, he undertook the EMT course on his own time and at his own expense.

The other graduates of the program at Lt. William Hunt and Sgt. Anthony Labonty, who finished among the first 15 highest in the class. Their tuition was paid for by the city.

The EMT program was sponsored by The Emergency Department of Detroit General Hospital, the Detroit Committee on Trauma and the Department of Surgery of Wayne State University School of Medicine. The co-sponsors are The Michigan Department of Health and The Michigan Office of Highway Safety Planning, which supplied the text books, teaching aids and other related material throughout the course.

The course coordinator is Dr. John M. Mehelas; and co-directors, Drs. Ronald L. Krome and Robert F. Wilson, all members of the hospital staff.

Chief Costa said that Hunt, Labonty and Nemens, as certified EMTs, will teach the Park firefighters the techniques they had learned during the two nights a week session they attended from October 3, 1972 through June 8, of this year.

Chief Costa also announced that three more of his men will begin a course scheduled to start on October 4 and be completed on June 4, 1974.

Nemens replaces Firefighter Clare Klovski, 43, who was seriously injured on March 2, 1971, when he fell 20 feet down an elevator shaft of the Jefferson Terrace Apartments, at that time under construction. The Park Department was assisting City firemen in battling a blaze that caused considerable damage to one of the apartment complexes.

After a series of operations, two of which resulted in the removal of two fractured spinal discs, Klovski was forced to retire on a disability pension. He was appointed to the department in August 1955.

Nemens, who resides with his widowed mother, is a graduate of Roseville High School and of Macomb County Community College.

A native of Detroit, he joined the Air Force Reserve shortly after graduating from Roseville High in 1968, at

I BET YOU DIDN'T KNOW  
Brought to you By TED EWALD

Ever wonder why baseball games consist of nine innings instead of say, eight or ten or some other number? ... In the early days of baseball, teams played any number of innings. ... The winner of a game then was the first team to score 21 runs, regardless of how many innings were played. ... That rule wasn't changed until 1857 when it was decided to limit the game to a specific number of innings. ... Nine innings were picked to represent the nine men on a team.

What was the greatest pitching feat of all-time? ... It happened in a minor league game not too many years ago. ... Ron Neccai of the 1952 Bristol team of the Appalachian League not only pitched a no-hitter, but struck out all 27 men! ... He got all three outs in every inning by strike outs.

Every baseball fan knows that Ted Dilligie hit safely in 56 straight games for the Yanks in 1941 but did you know after he was shut out that night in Cleveland, O., he came back to hit in 16 more straight games. Also, at age 18 in the Pacific Coast League (AAA) he batted safely in 61 straight games.

I bet you didn't know that Ted Ewald Chevrolet founded in 1928 as Mack-Great Chevrolet (on the corner of Mack & Great) and now in its 45th year is the oldest Chevrolet Dealer in the Detroit area.

Sportscaster Ray Lane of WJBK-TV, Channel 2 in Detroit, will speak to interested singles at the Phase I meeting to be held at 7:30 p.m. Sunday, June 24, at Grosse Pointe Memorial Church.

Mr. Lane will present a behind the scenes look at radio and television sportscasting today. A social hour will follow the program.

Phase I is open to all singles between 20 and 40 and meets regularly at Memorial Church. Further information about summer activities may be obtained by contacting Gust Jahnke at 882-5330.

**Organ Society Plans Concert**

The Motor City Theatre Organ Society will present a short concert featuring the theatre pipe organ at the Punch and Judy Theatre on Sunday, June 24, at 10 a.m.

Installed when the theatre was built in 1929, the Wurliizer pipe organ was used only briefly for several years. Restoration of the instrument was begun by the Motor City Theatre Organ Society in 1966.

The Motor City Theatre Organ Society is an organization of 350 members interested in restoring and playing existing organs in theatres in the area.

The public is invited. There will be no admission charge.

**Poor Driving Brings Arrest**

A Farms motorist, who was arrested when he was seen driving his car in an erratic manner, as if intoxicated, registered zero on a breathalyzer test, but was given a violation ticket for driving in a careless manner.

There was fresh damage to the front end of the man's vehicle, but no report of an accident had been received from any law enforcement agency.

According to a Farms police report, dated Thursday, June 7, Cpl. Otto Glanert and Patrolman Gerald De-Burghraeve, while on routine patrol at 3:09 a.m., received a general broadcast from Patrolman Johannes Winter that a yellow Pontiac was weaving from curb to curb on Moros. Winter said he was unable to apprehend

**Report Flurry Of Bike Thefts**

It appears from the number of recent bike thefts, that a lock will have to be a necessary part of bicycle equipment this summer. Twelve bikes have been reported stolen in Grosse Pointe City during the past two weeks.

During the week of June 4, four bikes were taken from the Village. The bikes had been parked in the Jacobson's, Kresge and Cunningham bike racks.

During the week of June 11, six bikes were taken from garages and in front of houses, the hardest hit being the University - Lakeland area. In addition, one bike was taken from the Village and one reported missing, location unknown.

Since bicycling is becoming a popular summer sport, a word to the wise—buy a lock or two. Bikes should be locked at all times, even at home. In addition, owners should register and license their bikes at the Police Department.

**Have Suspects In Boat B-E's**

Shores police reported this week they have a few suspects in the incident where 12 boats moored at the Grosse Pointe Yacht Club, were entered during the night of Tuesday, May 22, and Wednesday, May 23. This case is still under investigation.

In the burglary, the culprits took various electrical equipment including some television sets, stereo equipment and radios off various boats.

### PWP Meeting Slated June 22

The Grosse Pointe Chapter of Parents Without Partners, (PWP), will have its general meeting Friday, June 22, at the Grosse Pointe War Memorial, at 32 Lake Shore road.

at 7:30 p.m. followed by the meeting at 8:30. The speaker will be Dr. Morrell Clute from the Wayne State University School of Education. His subject will be "Trapezoid Theory."

There will be a coffee hour

Guests are welcome for coffee, conversation and fun.

### Party to Honor Park Fireman

A retirement party for Park Firefighter Clare Kloviski, 43, of 13124 Carol, Roseville, who was forced to retire and was placed on the disability list, will be held at the Allard House in Harper avenue, opposite the Harper Woods Municipal Building, on Friday, June 29.

Fire Chief Phillip Costa said that the deadline for tickets for the affair is Monday, June 25. The cost is \$7.50 a single ticket, or \$15 a couple.

Kloviski, who joined the department on August 10, 1955, was injured on March 2, 1971, when he fell 20 feet down an elevator shaft of a yet uncompleted complex of the Jefferson Terrace Apartments. He had lost his bearings in dense, black smoke, while helping City firefighters battle a blaze in the building. The Park Fire Department was summoned under a Mutual Fire Aid Pact to assist at the fire.

Kloviski suffered a broken collar bone and fractured ankle as a result of the plunge. Later, he had to undergo two back operations resulting in the removal of two fractured spinal discs.

Chief Costa said that the affair is open to all area firemen and friends of Kloviski, and citizens wishing to pay tribute.

### Austin to Hold Summer School

Austin Prep School will offer summer courses beginning on Monday, June 25, through Friday, July 27. The courses are co-educational and begin with registration on Monday, June 25, at 8 p.m.

Two class sessions will be offered; the first is from 8 to 9:30 and the second is 9:30 to 11 a.m. The fee for enrolled high school students of any school is \$45 per course while the fee for elementary school students and Austin's incoming ninth graders is \$35.

The courses open are English Grammar, Reading, Studio Art and Remedial Mathematics for elementary school and incoming high school students.

Also offered for any high schooler are English I, II, III, IV Introduction to High School Math, Reading and Grammar, French I, II, III, IV, Spanish I, II, III, IV, Physical Education and Basketball School, Studio Art, American History, World History, American Government and Journalism.

Independent Study Programs are available in many areas.

For further information call 681-5531, or contact Austin, 18300 E. Warren, Detroit.

### NH Musicians Receive Awards

Recognition Night for North High's Bands and Orchestra members was held Wednesday, June 6, in the North High School Auditorium.

Highlights of the program included recognition of the outstanding senior bandsman, Gregory Near, euphonium, and the outstanding senior orchestra member, Pamela Trzeclak, bassoon.

Pam, who lives in East Kings court, was also awarded the \$500 Grosse Pointe Theater Scholarship for further study in music. Pam will attend The University of Michigan in September.

Nineteen underclassmen were awarded scholarships for study at summer music camps. The awards were donated by North Parents Club, the North Band and Orchestra Club, and Blue Lake Fine Arts Camp in Twin Lake, Mi., Fritz Stansell, president.

Presiding at the Recognition Night was North Instrumental Director Nathan C. Judson.

A total of \$1,500 was awarded to the 19 students for summer music camp study. The North High Parents Club gave \$450 worth of scholarships. Awardees included: David Bastianelli, ninth grade, trumpet; Barbara Bryk, tenth, violin; Susan Frisbie, tenth, violin; Jill Haelewyn, ninth, violin; Lance Potter, tenth, clarinet, and Barbara Smith, tenth, violin. All the above students will attend the All-State Music Camp.

The North High Band and Orchestra Parents awarded a total of \$900. The recipients were William Barbour, tenth grade, trombone, Blue Lake Fine Arts Camp; Cristy Curtiss, eleventh, oboe, MSU Music Camp; Mary Dogariu, eleventh, violin, MSU Music Camp; Janet Evanski, eleventh, flute, MSU Camp; Karl Gilewicz, tenth, trombone, MSU Camp, and Cindy Lakin, ninth, flute, All-State Music Camp.

### Park Officers Accuse Youth

Roy C. Klein, 20, of 13138 Longview, Detroit, was arrested by Park police on Saturday, June 18, when a citizen called to report a suspicious person in the yard at the rear of 1365 Maryland.

Patrolmen Ralph Moore and Donald DelPlace received a radio message at 11:13 p.m., that an unknown person was seen in the garage at the Maryland address.

Going to the back yard, the policemen said, they saw Klein, who on observing the officers, attempted to flee on foot. Moore, with the assistance of DelPlace, captured the youth and took him to the station.

Klein was booked on a charge of Prowler on the Premises Ordinance, a misdemeanor. He was released after posting a bond of \$200, and is scheduled to appear before Park Municipal Court Judge William E. Speer on Wednesday, June 27.

Marciniak, tenth, flute, Eastern Michigan University Music Camp; Kathy Mittelbuscher, tenth, oboe, EMU Music Camp; Susan Mogk, tenth, violin, All-State Music Camp; Jane Prisk, eleventh, bass clarinet, Blue Lake Fine Arts Camp; Lynn Prisk, tenth, string bass, All-State Music Camp; Fred Van Horne, tenth, French horn, Blue Lake Camp, and Carol York, ninth, flute, Blue Lake Camp.

The Blue Lake Fine Arts Camp awarded a total of \$160 to three students. They were William Barbour, Jane Prisk and Fred Van Horne.

### Big Program Conducted By Operation Foresight

Operation Foresight, The U.S. Army Corps of Engineers emergency plan for temporary protection against flooding because of the record high water level of the Great Lakes, including Lake St. Clair, has been in effect since January 5, and is open to all communities on the shores of the lakes.

Within the Corps of Engineers Detroit District (Michigan, northwestern Ohio and northeastern Indiana), 48 of the 75 communities contacted have requested and received aid from the Corps.

Thirteen cities and towns on the shores of the lower Detroit River, Lake St. Clair and Lake Erie have been receiving help from the Corps under Foresight. To date, according to Corps officials, of the 17 contracts in the area, four are completed and five have an early July completion date. These nine contracts have a monetary value of \$7 million.

Included among the cities along Lake St. Clair, which have completed their diking and sandbagging, are the Park and the City of Grosse Pointe.

Excluding the \$7 million, materials having a valuation of \$888,000, have been distributed to communities that elected the self-help method made available under Operation Foresight.

Corps of Engineer officials said that with this plan, material and technical assistance have been provided for the cities and towns to erect their own protection.

In the Lake St. Clair vicinity, besides The Park and The City, the other communities receiving assistance are: Detroit, St. Clair Shores, Harrison Township, Chesterfield Township, New Baltimore, Ira Township and Clay Township.

Four of five contracts and

all self-help contracts in this area have been completed. The combined value is \$3.5 million.

The following is the total amount of material supplied to date by the Corps, to all communities within its district, which indicates, to some degree, the hugeness of the program in the fight against "Mother Nature":

9,055,500 sand bags; 202,000 cubic yards of sand, 270 tons of rocks; 2,000 square feet of piling; 300 linear feet of corrugated metal pipe; 82 flap gates; 60,000 crib frames; 5,050,000 board feet of zinc lumber; 33,500 four-by-eight plywood; 802,500 linear feet of one and one-half inch pipe. Also, 1,202,200 linear feet of wire; 920,000 square feet of cyclone fencing; 78,000 square feet of plastic sheeting; 412,000 square feet of plastic filter "X"; 6,400 square feet of gabion, (cylinders filled with stones and sunk in the water); supply contracts, including 82 pieces of equipment for self-help projects, 197; and construction contracts, 36.

Officials of the Corps, who have been keeping an eye on the cresting waters of the Great Lakes, said that Lake St. Clair will reach its peak, as predicted, between June 15 and July 1, at which time the lake level will reach an all-time high of 576.08 feet. If nothing unusual occurs, the water will drop to 575.19 feet by November 7. This compares to 575.15 feet for November 7, 1972.

Residents living along the shoreline of Lake St. Clair, are urged not to relax their vigilance and to make periodic checks of their dikes and sandbagged areas.

The reason, it was explained, is that the danger of flooding still exists, if a heavy wind blows from a northeasterly direction.

Army officials pointed out further that if the present situation continues to exist, as it appears to be doing now, the same problem will be here during 1974.

### City Purchases Lawn Mower

City laws will be tended by new equipment this summer. At its Monday, June 18, meeting, the Council approved a bid from the W. F. Miller Company for the purchase of one three-reel riding-type lawn mower.

On Thursday, June 14, the City had received two bids for the equipment with the Miller Company citing the lower figure of \$1,669.

The replacement of the mower is in accordance with the City's equipment replacement schedule. It is anticipated that the present 10-year-old mower will be sold at the end of the season rather than trading it in.

Councilman George Monro moved that the City accept the bid and execute a contract to buy the mower from the W. F. Miller Company. The motion was seconded by Councilman George Henry.

### Set Pre-Trial For B-E Suspect

A pre-trial date of Wednesday, June 27, has been scheduled for a Detroit man who's charged with the breaking and entering of an occupied dwelling, Shores police reported.

This action was taken at the Thursday, June 14, Wayne County Circuit Court arraignment of Donald Ray Boggess, 36, of Pelkey. He is currently out on \$3,500 bond.

The suspect is allegedly involved in the break-in of a Sheldon road residence. He was arrested by Shores Public Safety Officer Robert Bensing early Saturday morning, April 28.

Boggess' 11-year-old son was with him at the time of his arrest. A petition has been filed with Juvenile Court on the youngster and action on this is still pending, police said.

What are the American ideals? They are the development of the individual through liberty and the attainment of the common good through democracy and social justice. — Louis D. Brandeis.

### Larceny/Theft Leading May Complaint Says YSD

Fifty-eight complaints were processed by the Youth Service Division, (YSD), during May, an increase of 11 incidents over April but a decrease of seven under May 1972.

The YSD's overall complaint total through May is 252, a jump of five over the 1972 total for the same period.

Larceny-theft was the leading complaint received in May. Fourteen such cases were reported, an incident increase of eight over April.

### Party Produces Guest Outburst

A graduation party in Greenbriar lane brought some "extra visitors" and a few anxious moments for police late Wednesday evening and early Thursday morning, June 13-14.

A resident told Shores police she wanted to have a few boys and girls over for her son's party. But, unknown to her, somebody extended an invitation over the North High PA system for everyone to attend.

The activity was kept under control until around 11:20 p.m. when some of the kids started to drink and get "carried away," according to the report. At that time, The Woods was contacted and put four men and one car on standby to assist when needed in keeping an eye on the estimated 200-300 youths.

Then around midnight, some of the youths started to hurl bottles and cans at passing autos, while blocking the street and some drive-ways. Another resident called and said he had to go to his office but some of the kids wouldn't let him out of his drive.

Some bottles were fired at scout cars and Shores officers requested assistance from The Woods. This was around 12:51 a.m. The youths were informed over the scout car PA system the party was over, and police finished breaking it up around 1:45 a.m. About 10 officers were at the scene.

Shores police said there was no problem in breaking up the party and added no arrests were made. Some 12 youths stayed behind to clean up and remove bottles and other rubbish left behind by party-goers.

The YSD said bicycle thefts and larcenies from places of business account for the rise, a noted seasonal occurrence.

The second leading complaint was violation of the Controlled Substance Act, (VCSA), with 11 such incidents being reported. This was decrease of nine complaints from April which is entirely due to a reduction of marijuana abuse cases, reports the YSD. One male juvenile overdose incident occurred which required hospital care.

Of the 11 drug cases, six were marijuana involving six male adults and six male juveniles; two were synthetics involving three male adults, and three are classified as "all other" and involving one male adult and one male juvenile.

Vandalism and runaways were the next two most numerous incidents. However, the rates of both categories did not change substantially from the previous month. All runaways—seven persons involved in five cases—were girls.

Eight applications for petition were filed with the Wayne County Juvenile Court involving six males and two females. Five of these were for larceny, two for VCSA and one was a runaway.

The May breakdown of total cases shows larceny/theft, 16; VCSA, 11; vandalism, six; runaways, five; other assaults, four; other criminal contacts, three; weapons laws violation, disorderly conduct and suspicious persons, two apiece; and burglary, stolen property laws, indecent exposure, child molesting, prowler, false fire alarm, solicitor, traffic and neighbor trouble, one each.

**The McDermotts' new Gas water heater just can't say no.**  
To showering. To dishwashing. To laundering. Anything that calls for hot water gets it—whenever it's needed. Because the McDermotts replaced their old water heater with a new, efficient Gas water heater. And it even operates for less than one third the cost of a comparable electric unit.  
Whether your water heater needs replacing or not, you can save Natural Gas (and money, too) if you'll fix leaky hot water faucets promptly; operate your washing machine with capacity loads or use the water level control; use your dishwasher only when it is fully loaded; remember to lower the water heating setting if you used a higher temperature when laundering; and drain a pail of water from the water heater once a month to remove sediment from the tank and increase heating efficiency.  
And if your water heater does need replacing, see the new, efficient, Gas-saving, money-saving models at dealers, plumbers or Michigan Consolidated Gas Company business offices.

### Coffee House Invites Teens

Grosse Pointe and East Detroit youths have found a new and different slant on the coffee house theme this week at the Sunago Coffee House, 20788 Mack avenue.

The Sunago opened Monday, June 18, to welcome teens for an evening of sharing, caring and music. It is reported,

"Sunago" in Greek means "come together" and that is the purpose of this "different" kind of atmosphere. The coffee house is run entirely by teens and seeks to give them the opportunity to ask questions and find answers to their problems, particularly in the spiritual realm.

Sunago will be open through Friday, June 22, from 7-10 p.m. It's hoped that this "trial run" will be continued through the summer. For further information, call 882-6827.

### Boysville Golf Outing Slated

The Third Annual Boysville Golf Outing is planned for Tuesday, July 10, at the Bay Pointe Golf Club, southwest of Pontiac, Mich.

Publicity chairman Fred Potvin, of The Park reports this "fun day" includes breakfast, lunch, snacks and dinner, and emphasizes it is not a tournament. ("We don't even want your score card").

For a tax deductible contribution of \$50 per person, you become a guest of Boysville of Michigan.

Boysville is a 25-year-old home-school for boys 12 to 18 who because of problems at home, at school or with society, need individual attention. Proceeds from the outing provide some of the "extras" for the kids.

For ticket information, contact Mr. Potvin at 965-3900 or TU 5-7555.

### Neighborhood Club Girls Have Fine Softball Year

The Neighborhood Club reports a very successful season for teams in the Girls' Softball League. In spite of all the rain, most games were completed.

Besides overcoming the elements, the girls learned a tremendous amount about baseball, plus the importance of team work and good sportsmanship, notes the club.

The success of the league is due primarily to the hard work of volunteer coaches, who put in many hours working with the girls, and to the support of the sponsors who contributed uniforms. The Clubs appreciation goes to the following:

Flamos Furnace Flamos, sponsored by Bob Marowski, coached by Betz Johnston; Service Art Plasterettes, sponsored by Al Ricca, and coached by Mrs. Diane Swindlehurst and Mrs. Joyce Payne; Judge Bashara's

Balliffs, sponsored by Judge George Bashara, coached by Mrs. Betty Grimaudo.

More are the Grosse Pointe Metropolitan Club Spirit 20, sponsored by the policemen and firemen of Grosse Pointe, and coached by Mrs. Cindy Reindel; Mr. McCourts Go-Go Girls, sponsored by William McCourt and coached by Mrs. Peg Carty; Champion Realty Champions sponsored by Mrs. Kay Champion and coached by Mrs. Peggy McBride and Mrs. Jean Hodges.

Others include Maximum Security Patrol Bullets, sponsored by Eugene Edwards and coached by Vickie Vicante, and the Grosse Pointe Park Police, sponsored by The Park patrolmen and coached by Mrs. Annette Schreiber and Mrs. Pat Lindheim.

In the High School league, teams were the Fontana Brothers Peppers, sponsored by Joseph Fontana, and coached by Mrs. Sally Chave

and Mrs. Joyce Gaarder, plus the Purple Pickles, sponsored by K. Frankford and coached by Mrs. Mike Edmunds.

They completed their season with an awards party at the Teen Center Wednesday, June 6. The Fontana Peppers were the league champs with an undefeated season. Trophies were presented by the League Director Mrs. Joan Curto.

In the Junior League, sixth through eighth grades, the Champion Realty Champions took first place trophies with a record of 12-2.

The final league standings show: Champion, 12-2; Go Go Girls, 10-4; Park Police, 9-5; Bullets, 9-5; Plasterettes, 8-8; Spirit 20, 4-10; Flamos, 3-11; and Balliffs, 1-13.

The All-Star game was played Thursday, June 14, at Elsworth field. Team one consisted of players from the Champions, Park Police, Spirit 20 and the Balliffs. Team two consisted of players from the Go-Go Girls, Bullets, Plasterettes and the Flames. The winners were Team One, 9-7.

Girls playing were Laura Bashara, Julie Burns, Carol Nesom, Chris Brown, Sandy Wheeler, Sue Fancett, Mary Jo Reinman, Cheryl Tobin, Laura Klien, Theresa Donahue, Reed Kabeary, Monica Schulte, Barb Wybo, Michele Calisi, Susan Lepley, Katie Higbie, Judy Hodges, Lisa Wood, Karen Dolson, Julie Kruger, Sally Reindel, Maureen Crandall, Sally Kushner and Pat Geist.

The league finished its season with a pop party and trophy presentation at the Teen Center immediately following the all-star game.

### Babe Ruth Results

**PARK CITY, FARMS**

In recent All-American League action, the Cook Ford Padres, who are first half champs, won their opening two games in the second half beating the Rangers, 11-4, and the Brewers, 15-7.

John Beebe and Mike Tavery both tripled to help winning pitcher John Palffy against the Rangers. Todd Ralph's triple, Paul Wedding's pitching and heads up base running by the Padres were too much for the Brewers in that game.

The Astros' Joe Madonna and Rick Fellows of the Expos' hooked up in a pitchers duel that ended in a 4-3 victory for the Astros. In the bottom of the eighth inning, Sean Fielding singled, moved to second when Jack Shea walked, went to third on a fielder's choice and then scored the winning run on an Expo error. Madonna struck out 10 batters and Fellows whiffed eight.

In American League play as of this writing, three teams are in a dead-lock for first place. They are the Metropolitan Club Indians, the Trevor Steel Red Sox and the Kotlar Enterprises Yankees.

Rick Thomas of the Red Sox pitched a two-hitter in a 3-2 decision over the Yankees, a game which was won in the eighth on a squeeze bunt by Trip Maghiesle.

Charley Murphy, surviving a rocky first inning, went on to strike out 10 batters to lead the Red Sox to a 9-7 win over the Astro Uniform Phillies. Rick Pfeiffer's triple was the key Red Sox hit in this game.

The Indians also were hot, knocking off the Yankees twice by 7-1 and 11-3 scores in addition to clobbering the Sears Tigers 11-1. Consistently strong pitching, combined with a prolific batting attack, keyed the Indians' success. Win Fisher, with a two-hitter, Bryan Cammett giving up only one hit and Tom Lott throwing a three-hitter were the pitching stars in the three games. The offense was sparked over this same span by Fisher, Lott, Chad Morris, Bob Neville and Paul Gracey.

**2 of 3 Taken By Marauders**

The Marauders had a good weekend in Grosse Pointe Softball Association action June 16-17 by winning two games and dropping one. In a tight contest, they nipped Carissimi, 1-0, and blasted the Challengers, 15-3. However, the club was pounded by Fontana Brothers, 10-2.

In other play, the East Warren Binjers edged the Athletics, 6-5; Schiavi's bombed the Challengers, 15-3, and Kessler Electric took the Binjers, 7-1.

### Caught Driving 80 on Moross

Richard O. Clark, 24, of 19890 Klinger, Detroit, was traveling 80 miles an hour on Moross road, at 11:39 p.m., unaware that a Farms police officer, in plain view and in a marked car, was monitoring his speed. However, Clark knew a red light when he saw it at Mack and came to a stop and that was when he was arrested.

Patrolman Gerald De-Burghgraeve said he was on radar watch on Moross at Williams, reading north-bound traffic, when Clark sped by the police car. Moross is a 30-mile zone.

The officer said he gave chase and when Clark stopped, he ordered the motorist out of the vehicle, at which time it was discovered that Clark was intoxicated.

DeBurghgraeve said that the man had difficulty in remaining standing and that he had a strong odor of liquor about his person. Clark was placed under arrest and taken to the station.

When informed he was under arrest for driving while under the influence of liquor, the motorist agreed to take a breathalyzer test. He was given two tests at the Woods station and failed both of them.

Returned to the Farms station, Clark was issued a violation ticket for speeding 70 miles an hour in a 30-mile zone, and another for driving while drunk.

He was released after posting a bond of \$75 pending a court date scheduled for Wednesday, June 27.

**Letters to the Editor**

Dear Sir:  
 Through the medium of your newspaper we should like to thank the many residents of Grosse Pointe who donated so generously to the "Fleatique," a project to raise funds for the further development of Elworthy Field.  
 The "Fleatique," a giant sale of basement and attic treasures as well as donations by local merchants, was well received and patronized by our community. Although sales are not yet tabulated, we know that we have acquired a substantial sum to be added to the Elworthy Field Trust Fund. Additional tennis courts, a skating rink and shelter building are closer to reality now.  
 The community should know that the project was staffed and handled by volunteers. Spearheaded by a group of tennis playing housewives, the volunteer group was further assisted by young men from various Babe Ruth leagues and other interested, hard-working citizens.  
 May we extend sincere thanks and appreciation to all who contributed to make this a worthwhile community project. We should like to add a special vote of ap-

preciation to Principal Donald Bassett and the Maire School staff for their splendid cooperation during this hectic week of school closing, 90 degree temperatures and "Fleatique."  
 Nancy Shirar  
 Constance Tily  
 Shirley Van Der Kar  
 Co-Chairmen, "Fleatique"

To The Editor:  
 I'd like to use your media to thank the many people who voted for me in the school election on June 11. I'm deeply appreciative of their support, and I intend to do the best I can to represent the total community on school matters for the next four years.  
 The turnout on election day was disappointing; whether it was due to the lack of burning issues, the weather, publicity, or apathy is, of course, debatable. In any event I hope we'll see a resurgence in School Board elections.  
 We had, as far as I know, a clean campaign without any bribes. This is the way it should be.  
 Again, thanks to everyone who voted.

**What Goes On at Your Library**

By Virginia Leonard

Books in your bookcase—missed a great treat. The one I own is COCKTAIL TIME: "A novel about a novel." It contains the same many characters and impossibly crazy situation that we have all learned to expect from him. It is too bad we shall no longer be getting novels from him, but during his life time he certainly entertained us all. He has left us a fine legacy.  
 Who hasn't heard of Don Camillo? Giovanni Guareschi has given us several books about this two-fisted parish priest and his irrepressible opponent Peppone, mayor, mechanic and maker of revolutions. The book I own is DON CAMILLO'S DILEMMA, but all of them are fun to read.  
 A 1955 publication which I enjoyed enough to buy was AN EPISODE OF SPARROWS by Rumer Godden. (Somehow I always fall for books about children!) This is the story of how two of the Catford Street children in London made a garden of a poor street of a big city. The story begins with the dropping of a packet of cornflower seeds on the pavement, but ends in the changing of several persons' lives. The author is well-known and the book has held up well over the years.  
 I have a feeling I've mentioned the next book far too many times for different reasons; it is EVERYTHING THAT RISES MUST CONVERGE by Flannery O'Connor. Most of you know that I am an O'Connor buff and this collection of short stories, grim as it is, is one of the finest pieces of writing I have ever read. Once again we must realize how much poorer the literary world is by her premature death.  
 I'm sorry I'm back to children again, but who can ever forget the book (or the movie), TO KILL A MOCKINGBIRD by Harper Lee? Remember? This is a novel set in a small Alabama town in the 1930's. The narrator is a little girl, Scout Finch, whose father, a lawyer, defends a Negro accused of raping a white woman. This was a first novel of rare excellence that has also withstood the test of time. I would guess that many people are still reading it.

Do you remember HIGH WIND IN JAMAICA by Richard Hughes? It came out many years ago, is now in paperback, I believe, and was followed by THE FOX IN THE ATTIC and other works. HIGH WIND IN JAMAICA has been, on again, off again—a sort of minor classic—and whenever new books dealing with children in unfortunate situations are written, many of them are compared to this old, old book by Richard Hughes.  
 THE FOX IN THE ATTIC is the story of the troubled years immediately following World War I while England was readjusting to peace and Germany was going through a nightmare of defeat, inflation and revenge. It is entirely different, but well worth reading. Actually, there are three "foxes" in the story, if you follow through the story lines.  
 Believe it or not but we have a few Horatio Alger books in our libraries! I own a few titles, and when I want humor and complete escapism, I turn to something like this. The one I hold in front of me now is THE YOUNG BOOK AGENT, but titles are somewhat meaningless since they all have the same hero, same age, same problems, and justice always triumphs!  
 Although we do not have any Elsie Dinmore books in our library, I can't resist bringing her in at this juncture, since she fits the nostalgia era also. I like to know that I own a copy of this series, but taking a quick perusal of that type of writing—ugh! according to what we are reading today.  
 I'm back again on one of my old favorites—P. G. Wodehouse. If you've never read any of his myriad number of delightful, whimsical books and have "that" sort of sense of humor, you have

"School's Out! Summer's In!"

That's the theme of a fun-packed children's weekend on the Kern Block, to be staged by the Junior League of Detroit on Friday and Saturday June 22 and 23.

The activities, scheduled from 10 a.m. to 4 p.m. each day, are free and are open to all Detroit-area children.

The Junior League, which gave the Kern Block's colorful new pavilions to the city at a cost of \$22,000, has designed the children's weekend to demonstrate potential uses of the site as a community activities center.

Events include sidewalk decorating, a "glue-in" crafts project, relay and sack races, a bubble-gum blowing contest and other games.

There will be a balloon man, clowns, folk-dancing, bagpipers, and entertainment by Millal the Magician and the Heritage House puppeteers, as well as surprise performers. Food concessions will be available.

Mrs. F. C. Kaess, III, of McMillan road, is chairman of the Junior League's Kern Block project, which includes promoting and scheduling events on the downtown site.

"Hopefully," she says, "the children's weekend will inspire many other groups to use the Kern Block. With the new pavilions, sod, trees and flowers, it's a fun place to be."

Mrs. John T. Huntington, Jr., is chairman of the "School's Out! Summer's In!" events.

Her committee includes Mrs. Jeffery Barry, Mrs. Charles A. DuCharme, III, Mrs. Richard Sutherland, Mrs. Riley Irwin, Mrs. Richard W. Lambrecht, Miss Jean Dodenhoff, Mrs. Robert E. Balfrey, Mrs. John D. Standish, Mrs. Richard B. Gushee and Mrs. Michael B. Doble.

Groups wishing to schedule events on the Kern Block may obtain dates and permits by calling the Junior League of Detroit, 881-0040, or the Department of Parks and Recreation, 224-1185.

This weekend's activities on the Kern Block should answer a question often posed to League members, "Why do you call yourselves the Junior League of Detroit rather than the Junior League of Grosse Pointe?"

Even though most of the League members are from the Pointe area, most League projects are aimed at making the city of Detroit a better place to live. The Kern Block project is an example, as the League is hoping to revitalize an area which had proved to be an eyesore, if not a wasteland, on the Detroit scene.

Even the Detroit Free Press has gotten into the act, by providing donors for the bushels of

Two June graduations called for a family reunion. Visiting MR. and MRS. ANDREW HULICK, of Rivard boulevard, were AMERICAN CONSUL GENERAL JAMES RUCHTI and Mrs. Hulick's sister, MRS. RUCHTI, of Stuttgart, Germany. While Consul General Ruchti attended state department affairs in Washington, Mrs. Ruchti and the Hulick family attended the graduation of MARIANNE HULICK, a member of the first graduating class of Friends School in Detroit. She will enter The University of Michigan this fall. Marianne's sister, MARTHA HULICK, who attends Cazenovia College in New York, was also present. The next graduation was that of the Ruchti's son, RANDALL RUCHTI, who received a doctorate in Particle Physics from Michigan State University. He has accepted a teaching position at Northwestern University in Evanston. Also attending this graduation were the Ruchti's other children, JEFF RUCHTI, who is working on his doctorate at the University of Chicago, and JAMIE ANN RUCHTI, who attends Wells College. The Ruchti's all will return to Stuttgart after visiting their families in Janesville, Wis.

Bachelor degree candidates from Michigan State University are CATHERINE HAYES, TIMOTHY PARVIN, DIANE SHANNON, SUSAN TURNER, DAVID YOUNG, RICHARD FERMAN, EILEEN LANE, MAUREEN BODEAU, MICHAEL FARLEY, and BEVERLY GRENZKE. ## Weston D. Burnett Wed in Tennessee

Couple Will Make Home in Arlington, Va., Where Bridegroom Will Attend George Washington University Law School

Barbara Feicht and Weston Dyer Burnett exchanged vows Saturday, June 16, at the First Presbyterian Church in Tullahoma, Tenn. The bride is the daughter of USAF Colonel and Mrs. Edward Feicht, of Tullahoma; the bridegroom is the son of USN Commander and Mrs. H. Burnett, of Westchester road.

The 2 o'clock ceremony was performed by the Reverend Robert Kribbs, minister of the First Presbyterian Church, and the Reverend Edward Torsch, of Ellicott City, Md., uncle of the bridegroom.

Given in marriage by her father, the bride wore a white imported silk gown fashioned with Venice lace. Lace also enhanced the center front and back of the bodice and the cuffs of the long, full sleeves.

Her cathedral-length mantilla-type veil was banded in Venice lace. She carried a cascade bouquet of stephanotis and yellow daisies.

Jessica Pennybacker, of Osceola, Ark., was maid of honor. She wore a gown of aqua chiffon over matching taffeta. Bridesmaids were Patsy Feicht, sister of the bride; Martha Phillips and Debbie Dickens, of Atlanta; and Karen Burnett, sister of the bridegroom. The bridesmaids wore dresses of lemon chiffon over matching taffeta. They carried cascade bouquets of yellow, white and turquoise daisies.

Christopher Burnett served as his brother's best man. Ushers were Jim Bellis, of Grosse Pointe; Alfred Moore, of Coral Gables, Fla.; and Douglas Feicht, brother of the bride, and the bridegroom's father, Mr. Burnett.

Mrs. Feicht selected an aqua and yellow organdy print dress and a yellow orchid corsage. Mrs. Burnett wore an apricot silk dress and a green cymbidium orchid.

Following the ceremony, a reception was held at the Arnold Center Officers' Open Mess.

After a wedding trip to Sea Pines Plantation at Hilton Head, S.C., the couple will live in Arlington, Va. There the bridegroom will attend George Washington University Law School and the new Mrs. Burnett will teach secondary mathematics in Fairfax County, Va.

Out-of-town guests included grandparents of the bridegroom, Mr. and Mrs. Howard W. Burnett, of Belleair, Fla., and Vice-Admiral and Mrs. George C. Dyer, of Annapolis, Md.; and the aunt and uncle of the bridegroom, Captain and Mrs. C. Ray Smith, of Corpus Christi, Tex.

Married in the First Presbyterian Church in Tullahoma, Tenn., on Saturday, June 16, were BARBARA FEICHT, daughter of USAF Colonel and Mrs. Edward Feicht, of Tullahoma, and WESTON DYER BURNETT, son of USN Commander and Mrs. H. Weston Burnett, of Westchester road.

## Deb Festivities For Susan Valk

Susan Valk was introduced to society at a tea dance given by her parents, Mr. and Mrs. Robert E. Valk, of Renaud road, Saturday, June 9.

Miss Valk, the first debutante of the June, 1973, season, will enter her sophomore year at Pine Manor College Chestnut Hill, Mass., next fall. This summer her plans include directing a summer day camp for small children.

The tea dance for 350 guests was held in the Valk home. For her party, the deb selected a floor-length, halter-necked dress of white raw linen and carried a bouquet of sweetheart roses and mixed flowers.

Mrs. Valk wore an embroidered organza dress in yellow with scooped neckline and matching coat.

The family received their guests in the living room before a fireplace banked in yellow pink, blue and white flowers. A similar floral motif decorated the buffet which was draped in yellow linen.

Beneath a tent in the Valk garden, guests danced to the music of the Jack Qualey orchestra.

Bachelor button boutonniers marked the ushers who were headed by Miss Valk's brother, Jim. Other ushers included Charles T. Fisher, IV, William Dance, Peter Schumaker and Ralph H. Booth, II.

Following the party, Mrs. John V. Malick, of Toledo, O., grandmother of the deb, gave a dinner at the Country Club of Detroit for the deb, her parents, the out-of-town guests, the ushers and their dates.

This past week, Mrs. George Haggerty, formerly of Grosse Pointe and now of Surfside, Fla., gave a cocktail party, again at the Country Club, in honor of Miss Valk.

DOUGLAS CAMPBELL, III, son of MR. and MRS. DOUGLAS CAMPBELL, JR., of Provencal road, participated in the second annual student fund-raising telethon at Lake Forest College. Faculty, as well as students, spent a weekend calling alumni all over the world for pledges.

## Miss Thomas Speaks Vows

Martha Gail Thomas, daughter of Mr. and Mrs. James Edwin Thomas, formerly of Grosse Pointe and more recently of Holland, Mich., became the bride of Brent Allen Gaertner on Saturday, June 16. He is the son of Mr. and Mrs. George A. Gaertner, of Saginaw.

The bride is also the granddaughter of Mr. and Mrs. James R. Thomas, of Barrington road.

The 2 o'clock ceremony performed by the Reverend William O'Brien in the Grace Episcopal Church in Holland, was followed by a reception in the church undercroft.

The bride asked her sister, Janet Thomas, to serve as maid of honor, and her sister-in-law, Bonnie Gaertner, to serve as bridesmaid.

The bridegroom's brother, Tim Gaertner, acted as best man, assisted by usher Jeffrey Edean.

For her wedding, the bride

selected a white crepe Empire-waisted gown with white teardrop lace trim. Her veil was of white silk illusion with a matching teardrop lace band. She carried a bouquet of daisies, carnations, blue silk flowers, stephanotis and baby's breath.

The former Miss Thomas, a 1969 graduate of Grosse Pointe South High School, received her B.A. degree in Elementary Education from Central Michigan University last month.

Mr. Gaertner was graduated from Central Michigan University and is currently employed in labor relations at the General Motors Nuclear Foundry in Saginaw, Mich.

Following a wedding trip in northern Michigan, the couple will reside in Saginaw.

Park resident MARY M. O'ROURKE recently was graduated from Detroit College of Business.

## Nancy Boyle Wed In Evening Rites

### Bride's Four Brothers and Four Sisters Participate in Wedding Service; Bridegroom is Sergeant in U.S. Air Force

Nancy Theresa Boyle and U.S. Air Force Sergeant Stanley Cooper Amey exchanged vows at a 6 o'clock ceremony in St. Clare of Montefalco Church on Friday, May 25. The bride is the daughter of Mr. and Mrs. Richard B. Boyle, Jr., of Grayton road; the bridegroom is the son of Mr. and Mrs. Frank G. Amey, of Paulsboro, N.J.

The Reverend Father John McLaughlin officiated at the rites which were followed by a reception in the Fries Ballroom of the Grosse Pointe War Memorial.

After a wedding trip to Chicago and Western Michigan, the couple will make

their home in Bordentown, N.J., as he is stationed at the near-by McQuire Air Force Base.

For her wedding, the former Miss Boyle wore an old-fashioned, high-necked gown of silk organza which was Empire waisted and trimmed with lace. Her illusion veil was trimmed with heirloom rose point lace and she carried an arm bouquet of long-stemmed ivory roses.

Serving as matron of honor was the bride's sister, Mrs. Patricia DeBrabander, of Mt. Clemens. Bridesmaids were three sisters of the bride, Mary Sharon, Ellen and Kitty Boyle; Charolette Amey, sister of the bridegroom; and Diane Soczawa.

The attendants were dressed in mint green taffeta gowns with a ruffle at the hemline and ivory lace bodices. They carried Edwardian bouquets of white, pink, yellow and blue flowers.

Cousin of the bridegroom, Charles Amey, III, of Gibbstown, N.J., was best man. In the ushers corps were the bride's four brothers, Sergeant Richard B. Boyle, III, John Boyle, Michael Boyle, Charles L. Bussset, and Robert Amey, brother of the bridegroom.

Mrs. Boyle selected a powder blue gown with tiny

In Grosse Pointe Memorial Church Saturday, June 16, KAREN R. THOMPSON, daughter of the Minert N. Thompsons, Jr., of University place, was married to William Donald Burg, son of Mr. and Mrs. William W. Burg, of Royal Oak.

## Karen Thompson Married June 16

Couple Leaves for Wedding Trip to New Orleans Following Late Afternoon Reception at the University Club

Karen Rae Thompson, daughter of the Minert N. Thompsons, Jr., of University place, became the bride of William Donald Burg, of Royal Oak, at an afternoon service in the Grosse Pointe Memorial Church on Saturday, June 16.

A reception at the University Club followed the ceremony at which the Reverend Eugene Locke officiated.

The bride's gown was made of English silk net with satin cuffs and a matching satin

Chapel train. Her short veil was of double English silk illusion and was held by a French lace cap. She carried a bouquet of white roses, baby's breath, and stephanotis.

Maid of honor, Karen Kristopik, wore aqua chiffon. The bridesmaids wore matching dresses in blue chiffon and carried French bouquets. They were Mrs. Richard Matter, the bridegroom's sister, Marcia Ireton, Joelle Mace and Michelle Polver.

The bridegroom, who is the son of Mr. and Mrs. William W. Burg, of Royal Oak, asked his brother, Jeffrey Burg, to serve as best man. Groomsmen were Michael Kristopik, John Dietrich, Guy Jarvis and Marvin Knorp. Jeffrey Thompson, the bride's brother, and Richard Matter, the bridegroom's brother-in-law, were ushers.

Mrs. Thompson wore a floor-length pastel print dress of crepe fashioned with a draped bodice. Mrs. Burg selected a floor-length pastel print dress of voile featuring an Empire waist.

After a wedding trip to New Orleans, the couple will make their home in Royal Oak.

Out-of-state guests included Mrs. Earle Clement, the bride's grandmother, of West Bridgewater, Mass.; Mrs. Robert Herman of Scottsdale, Ariz. and Mrs. George Harris, of Sea Girt, N.J., the bride's aunts; and Mr. and Mrs. Albert Thompson, of Plainfield, N.J., aunt and uncle of the bride. The bridegroom's aunt and uncle, Mr. and Mrs. Raymond Hill, of Erie, Pa., also came to Grosse Pointe for the wedding festivities.

MARY DYKEMA, daughter of MR. and MRS. JOHN DYKEMA, of Cloverly road, was graduated recently by Vassar College.

## Meadow Brook Offers Free Admission Plan

Meadow Brook Hall at Oakland University in Rochester has announced a new Ambassador Plan for visitors to the magnificent 100-room Tudor mansion.

First-time visitors may participate in the Ambassador Plan which allows them to be complimentary guests of the hall on any future visits when two or more full price tour tickets are purchased. The complimentary guest provision is good for one year.

The new plan is designed to make it easy on the budget to show summer guests one of America's great homes. For additional information, Pointers may call 377-3140.

## Thomas Snyder Married in East

Christine Anne Wulhorst, of Manhasset, N.Y., and Thomas Fenimore French Snyder, of Marblehead, Mass., and Grosse Pointe, were married in Manhasset on Friday afternoon, June 16. The ceremony was performed in the Congregational Church of Manhasset by the Reverend Paul T. Martin, of Providence, R.I., a former minister of that church, and a family friend.

During the ceremony, the organ was played by Alan G. Moore, a cousin of the bride. A reception followed at the Port Washington Yacht Club.

Margaret Livingston was a maid of honor. Other attendants were Mrs. Karen Horodowich and Jean Komenko, first cousins of the bride; Divinna Snyder and Carrie Snyder, sisters of the bridegroom, and Beth Haslam.

Lincoln Clapp served as best man.

The former Miss Wulhorst attended Friends Academy in Locust Valley, N.Y., and was graduated from Manhasset High School. She received her bachelor of arts degree and a teaching certificate this June, from Swarthmore College. Her parents are Mr. and Mrs. Robert A. Wulhorst, of Manhasset.

Mr. Snyder is a graduate of Swarthmore College and Noble and Greenough Preparatory School. His parents are Mr. and Mrs. Arthur F. F. Snyder, of Provencal road.

Following a European honeymoon, the couple will make their home in Arlington, Mass. Mr. Snyder will attend graduate school and teach at Shady Hill School, Cambridge, Mass.

## BUYING A SECURITY SYSTEM?

When you buy an apartment at

## The Jefferson Apartments Grosse Pointe's newest condominium

... you get not one, but a network of the most modern security systems to guard you, your home and your possessions.

**A CLOSED TV MONITORING SYSTEM** covers the entrance, outside parking areas and inside garage. The caller can be viewed from a selected channel on the owner's TV set in each apartment. The doorman and manager's office views the same areas.

**THE ENTRY COMMUNICATIONS SYSTEM** is a new system conceived and engineered by Michigan Bell Telephone Company. Using a touchtone panel telephone in the lobby, the caller dials the owner's apartment. This enables each party to have a private conversation. During the time the caller is in the entrance vestibule, he is under surveillance by the concealed TV camera.

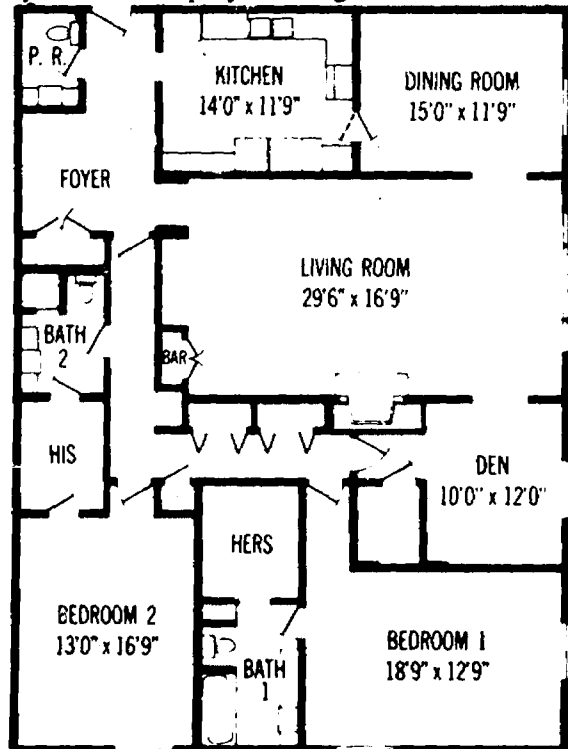

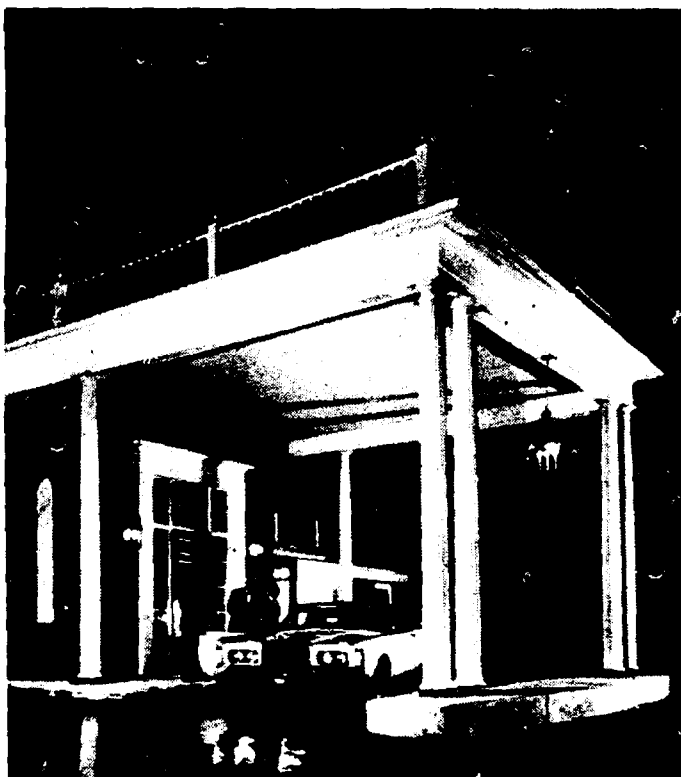

**AN ON-GUARD ALERT SYSTEM** features a control panel in the manager's apartment and the attendant's office. This notifies of any intrusion into any apartment when the occupants are away. The doorman or manager controls the system by activating the apartment's security supervision at the request of the owner.

**THE FIRE PROTECTION ALERT SYSTEM** gives added protection to all occupants of the building and will insure notification of each individual occupant of a fire in an unoccupied apartment.

Further elements of security are the uniformed doorman-attendant and resident caretakers.

Besides security, you also get really gracious living. Here is a typical spacious floor plan of an apartment home which features 9 foot ceilings, individual heating and cooling, top of the line G. E. kitchen with an icemaker and a washer-dryer. A wet bar is conveniently located for entertaining. Insulated walls, floors, plumbing and windows insure maximum quiet. Natural fireplaces, naturally.

There are three separate elevators and approximately a thousand square feet of private storage. Exterior maintenance, gardening and snow removal are arranged. The Jefferson Apartments is an adult community. Residents are home owners and enjoy tax deductions and the investment security of being a property owner and equity advantages.

## Catholic Grads Plan Biennial Session

Kappa Gamma Pi, national honor society for graduates of Catholic women's colleges, will hold its 21st biennial national convention at Stouffer's Northland Inn, Friday through Sunday, June 22 to 24.

Delegates from all parts of the United States plan to hear Detroit community service and academic leaders discuss ways to resolve contemporary social and moral problems.

On Friday, June 22, Father Paul Desch, O.F.M., guardian of Duns Scotus College, will deliver a keynote address elaborating upon the convention's theme: "A Dimension Beyond the Practical." Friday's luncheon will feature Dr. Margaret Maxey of the bioethics department of the University of Detroit, speak-

ing on "The Effect of the Genetic Revolution on Women."

A community service panel on Saturday, June 23, will consist of the Reverend William Cunningham of Focus Hope, Mrs. Rose Bell of United Neighbors, and Sister Joannette Nitz, O.P., of the Wayne County Jail Pastoral Team.

The Reverend Edward K. Braxton of Chicago, a leader of youth activities and adult education, will address the convention on Saturday evening. His topic will be, "Can the Family Survive Future Shock?"

Sunday's brunch will feature Sister Agnes Mary Mansour, R.S.M., president of Mercy College, who will discuss "The Future of the Catholic College."

Convention planners from Grosse Pointe include Mrs. John Ault, of Berkshire road; Mrs. Thomas Bejin, of Woods lane; Mrs. Edmund Brady, of Willow Tree place; Mrs. Lloyd Brecht, of Moran road; Mrs. Gary Dessinger, of Ford court; Mrs. John Fildew, of Bedford road; and Mrs. Mrs. Charles Kaiser, of Harcourt road.

Four Pointers, ROBERT A. AYRAULT, FRANK W. HOWLAND, N. WILLIAM O'KEEFE, and CHARLES R. RUTAN, JR., who are members of the Detroit-Baker agency of the Massachusetts Mutual Life Insurance Company, recently attended the company's Midwest Regional Conference at the Grand Hotel on Mackinac Island.

The New Leslie Patrick Lowreys Leave for Wedding Trip to Montreal, after Reception at the Detroit Boat Club

At an 11 o'clock ceremony in Grosse Pointe Memorial Church, Cheryl Ann Burns exchanged marriage vows with Leslie Patrick Lowrey, of Southfield, on Saturday, June 16. The bride is the daughter of Mr. and Mrs. Norman Blohm, of Lancaster road. The bridegroom's parents are the Robert Keith Lowreys of Houston, Tex.

The Reverend Raymond Kiely presided at the rites which were followed by a reception at the Detroit Boat Club.

The bride selected a white silk organza gown with fashioned with alencon lace and embroidered seed pearls. The dress featured a Victorian neckline, empire waist and long sleeves repeating the lace motif of the dress. Her floor-length illusion veil was held by a matching silk organza Camelot cap. She carried a cascade bouquet of

carnations. Each wore a small cluster of the flowers in her hair.

Robert Buchenberger came from Denver, Colo., to serve as best man. In the usher corps were Peter Futro, also of Denver; Richard Den Uyl, of Macatawa, Mich.; Frederick Haass, of Mt. Clemens; John Thomas, of Ann Arbor; and William Eldridge, of Grosse Pointe.

The mother of the bride wore a pale yellow chiffon dress accented by a corsage of cymbidium orchids. Mrs. Lowrey chose a champagne-colored dress, also accented by a cymbidium orchid corsage.

After a honeymoon in Montreal, Can., the newlyweds will make their home in Southfield.

Special guests at the wedding included the bride's maternal grandmother, Mrs. Edna Fisher; her great uncle, Ralph Schulz; and her great aunt and uncle, Mr. and Mrs. George L. Schulz, of Ft. Lauderdale, Fla.

STEVEN J. DYKSTRA, son of MR. and MRS. RICHARD DYKSTRA, of Balfour road, was recently graduated from Spring Arbor College, in Spring Arbor, Michigan.

The Orchestra next appears at the Meadow Brook Music Festival, which runs Thursday, June 28, through Sunday, August 19, at Oakland University in Rochester.

## Afternoon Rites For Linda Larsen

Becomes Bride of Richard Eugene Hacke; Couple Will Make Home in Royal Oak After Honeymoon in Aruba

Linda Lee Larsen, daughter of Mr. and Mrs. Clarence Allan Larsen of Lochmoor boulevard, became the bride of Richard Eugene Hacke at an afternoon wedding in Grosse Pointe Woods Presbyterian Church on Saturday, June 16. The bridegroom is the son of Mrs. Lucien Hacke, of Oak Park, and the late Mr. Hacke.

The 2 o'clock rites, at which the Reverend John Olert officiated, assisted by the Reverend Hector Saulino, were followed by a reception in the Andrew Rauth Fellowship Hall.

The bride selected a white silk nylon organza gown with a sequined Chantilly lace bodice. The high neck of the gown, the full bishop sleeves and the cathedral train also

were trimmed with sequined Chantilly lace. Her fingertip veil was held by a matching Camelot-style headpiece.

She carried a cascade bouquet of white sweetheart roses and baby's breath, centered around a pink-tipped white orchid.

Serving as matron of honor was the bride's sister, Mrs. Patrick James McNulty, of Jackson, Mich.

Bridesmaids were Mrs. Robert Hacke, of Troy, sister-in-law of the bridegroom, and Sandra Schmidt, of Grosse Pointe.

Evelyn Scoville, daughter of Mr. and Mrs. Lawrence Scoville, of Grosse Pointe, was the flower girl.

The bridesmaids were attired in floor-length printed turquoise gowns, with matching Eton jackets. At each waist was a band of shocking pink silk taffeta. Their bouquets were white carnations, pink roses and shocking pink baby's breath with shocking pink ribbons.

The flower girl wore a pink organza dress, trimmed with ruffles and lace. She carried a white wicker basket filled with tiny white carnations, pink rose buds, and turquoise baby's breath.

The bridegroom asked his brother Robert Hacke, to act as best man. Ushers were William Bossenberger, of Royal Oak, and Edward Everett, of East Detroit.

Mrs. Larsen selected a long dress in two tones of pink chiffon, fashioned with a scoop neck, long sleeves, and jeweled bodice. She pinned a pink-tipped white orchid to her matching purse.

The bridegroom's mother chose a long dress in powder blue polyester satin featuring a sweetheart neckline, long sleeves and seed pearl trim. She wore a blue-tipped white orchid wrist corsage.

After a honeymoon trip in Aruba, the couple will make their home in Royal Oak.

## Mrs. Richard E. Hacke

Photo by Eddie McGrath, Jr.

Married Saturday, June 16, in the Grosse Pointe Woods Presbyterian Church was LINDA LEE LARSEN, daughter of Mr. and Mrs. Clarence Allan Larsen, of Lochmoor boulevard and to Mr. Hacke, son of Mrs. Lucien Hacke, of Royal Oak, and the late Mr. Hacke.

## Saks Offers Luncheon to Aid Handicapped

The Detroit and Troy Saks Fifth Avenue Student Panel will hold a mother-daughter luncheon Thursday, June 28, at the St. Regis Hotel. Sponsored each year by Saks Fifth Avenue, all donations will be contributed to the Metropolitan Society for Crippled Children and Adults summer camp for the physically handicapped in the tri-county area.

This year, the luncheon speaker will be Kay Wise, director of the Ecole Ballet in The Park. Her discussion, centering on mental and physical health, will be illustrated by several students from her ballet school.

Also on hand will be the Saks Student Panel, consisting of about 45 girls chosen each year from the Saks Young Circle of Fashion Classes offered to high school students. An active organization, the Student Panel meets throughout the year to hear various speakers on topics ranging from social work to modeling.

## Garden Ceremony For David Weilers

Dr. David L. Weiler Marries Mary Squier Thompson at His Parent's Summer Home On Torch Lake

Mary Squier Thompson became the bride of Dr. David L. Weiler at a small garden wedding on Thursday, June 14, at the Weiler summer home on Torch Lake in northern Michigan.

The bride asked her sister, Gretchen Thompson, to be her maid of honor. The bridegroom's brother, Richard Weiler, acted as best man. A wedding reception followed the service at the Park Place Hotel in Traverse City.

The bride is the daughter of Mr. and Mrs. Alexander M. Thompson of Kansas City, Mo., where they recently moved from Winnetka, Ill. She received her bachelor's degree from Hillsdale College and did graduate work at the University of Michigan. She also taught nursery

school in Ann Arbor. Dr. Weiler is the son of Mr. and Mrs. Frank Weiler, of McKinley avenue. He was

graduated from Grosse Pointe High School and from the University of Michigan Medical School in June of this year. He was affiliated with the Trigon and Phi Chi fraternities.

In his senior year, he was elected to Alpha Omega Alpha, the medical honor society. Dr. Weiler will be a resident in Radiology at the University of Michigan for the next four years.

After a short honeymoon, the couple will reside in Chelsea, Mich.

Recently receiving a Bachelor of Arts degree from the College of Liberal Arts at Drake University, Des Moines, Iowa, was GEORGE DILLON, of McKinley road.

Portland, 1972 champions, defeated second-place Sacramento and third-place Hawaii to take a one game lead going into the last week of the season.

Portland, 1972 champions, defeated second-place Sacramento and third-place Hawaii to take a one game lead going into the last week of the season.

A triple play by Phoenix was a feature of their 12-5 win over Denver Tuesday, June 12. Denver had men on first and second in the third inning. Phoenix second baseman John Leesene caught a pop up behind the pitcher's mound on his shoe tops.

Newark won a close 7-6 game over Louisville Wednesday, June 13. Newark took a 7-1 lead but Louisville rallied for five runs in the fifth led by John Wilberding's triple and Steve Verbeke's two-run single.

John Houghton, Newark third baseman, made a brilliant fielding play on a ball hit by David Alter leading off the sixth inning for Louisville.

ville. Alter hit the ball in the hole between third and short. Houghton made a backhanded stab of the ball, knocked it down, then retired Alter by a step at first.

Alfred Madonna of Hawaii won his fourth game of the season in Hawaii's 10-4 win over Hollywood on June 16. John Webster got two hits and Tom Molitor tripled for Hawaii.

Keith VandenBussche gave up two hits and won his sixth game of the season as Sacramento defeated Hollywood, 17-2, Thursday, June 14. John Mecke homered for Sacramento.

Louisville rallied for two runs in the bottom of the sixth to come from behind for a 9-8 win over Phoenix on June 16.

The standings find Portland, 9-2; Sacramento, 9-4; Hawaii, 8-5; Newark, 7-6; Denver, 6-7; Phoenix, 4-8; Hollywood, 4-9; and Louisville, 3-9.

FARMS MAJORS

By Rosalie Higgins

With two weeks of play remaining, the Yanks are 15-2; Pirates, 9-5; Reds, 8-6; Indians, 8-7; Red Sox, 7-10; Giants, 5-10; Phils, 5-11, and Tigers, 5-11.

The Yanks started this week of play with a 13-9 win over the Phils. The Phils' batters broke loose for eight runs in the last inning, but couldn't overtake the Yanks' lead. Three base hits by Eric Grimes and Kevin Cooley of the Phils and John Cammett and Ed Ranger of the Yanks kept the bases busy for both teams.

At the other Major diamond, John Bakyja of the Pirates scored from third in the eighth inning to slip the Pirates past the Red Sox, 3-2. Jim Davey of the Pirates and Andy MacFarlane of the Sox matched pitch for pitch before they retired after the sixth inning.

On June 13, Bob Baker of the Yanks added another win to his record as he struck out 13 Indians in a 6-1 win. The lone Indian run was a tape measure homer by Glen Williams.

That same evening, Brian Simon of the Red Sox struck out 10 Tigers for a 5-2 victory.

The Pirates picked up a 4-0 win over the Giants on June 15, with Brad Bennett pitching a two-hit game. This gives Bennett 13 scoreless innings in a row. The Phils slipped by the Reds, 6-5, at the other diamond.

On June 16, Ed Ranger's pitching and John Cammett's three-run homer gave the Yanks a 15-0 victory over the Tigers. In the second game that evening, Erwin Yee of the Red Sox knocked in Jeff Kling from third in the last inning to give the Sox a 6-5 win over the Indians. Glen Williams of the Indians went three-for-four.

FARMS CLASS C

The Class C League heads into its final week of baseball. Richmond's Jeff Smith led his team to a 3-0 victory over Miami; Rick Gallagher pitched a 17-7 win over Toledo, and Todd Pierce earned his first victory by downing Syracuse, 15-5.

On June 11, Columbus downed the leading Richmond team, 10-2, for their first loss of this season. This allowed Albany to move into a tie for the league lead and assured Columbus of a third place finish and a possible chance for second.

The league championship could be decided on the completion of the suspended game between Albany and Richmond played on the first day of the season. The score was tied 2-2 at the end of seven innings. If necessary, this game will be played on June 23.

Rochester with their win

over Miami moved into sole possession of the fourth and final playoff spot. Toledo, Miami and Syracuse are tied for fifth place, all with a chance for fourth.

The playoffs will begin the week of June 25.

G.P. PARK

By Donna Marrs
The National Major League featured an exciting game when the Red Legs came from behind in the sixth inning, as John Benoit hit a double and drove in three runs, to beat the Giants, 7-6. The winning pitcher was D. Graham. C. Tomaszke hit a homer for the defeated Giants.

A second victory for the Red Legs was over the Cardinals, 18-5. The winning pitcher was D. Graham and Red Legs twins, Jeff and John Benoit, each hit homers as did Cardinal T. White. The Pirates beat the Cardinals, 8-3. The winning pitcher was N. Motte and a home run was belted out by D. Veer.

With four games left in the second half in the American League, the Athletics are 6-0. The Senators and the Indians are tied for second at 4-2.

The two teams defeating the Indians were the White Sox, 12-4, and the Athletics, 11-5. The Sox's winning pitcher was F. Dodge, who also hit a homer, while K. Karrher hit two doubles. Indian F. Schulte hit a double.

The game between the Indians and Athletics was a home run bonanza as the winning Athletics had homers from P. Kingsley, who was the winning pitcher, D. Kummer, and S. Lucido. The losing Indians had homers from J. Tracy and R. Steen, while J. Leamon hit two doubles.

In a real pitchers' duel the Indians beat the Yankees, 2-0. The pitcher coming out on top was J. McEachern. M. Reno hit a double for the Indians.

The National League Minors have some hitters in the making as 15 hits were claimed by each team when Navy beat Minnesota, 13-12. The winning pitcher was T. Sloan. Minnesota came back to beat Iowa, 5-4, behind B. Liston. Doubles for Minnesota were hit by J. Albright, S. Barton and M. Sales. T. McCarthy hit two singles for Iowa.

Air Force seems to be on a winning streak as they "forced down" Northwestern after a nine-inning game, 11-7. The winning pitcher was E. Lyson. Homers were hit by Air Force's H. Robertson and for Northwestern by Stapleton. Air Force pulled out another close one, after eight innings, winning 10-9, behind T. O'Neil. The third victory for the Air Force was over Iowa, 14-9, with T. Lindhiem the winning pitcher.

Police Softball Team Stands 2-3

The Pointe police softball team sports a 2-3 mark in games through Sunday, June 10, in Macomb-Oakland Police Softball League play.

Sterling Fire defeated the Pointers Sunday, May 27, and the Sunday, June 4, contest against Shelby was washed out. However on June 10, the Clawson Police Department team was just what our locals needed to get back on the track as the Pointers blasted them, 19-13.

After the Sunday, June 17, game against Warren Traffic, Grosse Pointe faces Macomb County Court Sunday, June 24, at the L. W. Baumgartner Field, 15 Mile road near Schoenherr. That game is scheduled for 11:30 a.m. on diamond two.

Southeastern '23ers Sought

A class that never has had a reunion after graduation? Impossible! But true...

The Class of '23 of Southeastern High School graduated 50 years ago, and those graduates have not had the fun of finding out what paths their classmates have taken over the years.

Dr. Hunter Irving Miller, however, is trying to remedy that predicament. He is trying to put together the class's 50th reunion. If you are a member of the Class of '23, save the afternoon of Sunday, June 24, from 2 to 4 p.m.

Call Mariann Januzzi Sullivan at 881-8495 for further information.

FIRE REPORTED

The City Fire Department responded to a garage fire reported by a passer-by on Sunday, June 3. The fire, at 607 St. Clair avenue, was caused by a gasoline powered outside vacuum. The fire had spread to a portion of the cabinets being stored at the time. The garage, owned by Jacobson's, was vacant.

Throws Bottle at Police Car

A Woods scout car was the recipient of a wine bottle during a party which got out of hand on Glen Arbor road late Saturday evening, June 16.

The bottle hit an open window ledge of a front door shattering the glass. Public Safety Officer John DeLora, while sitting in the front seat holding his flashlight against the window frame, received

small particles of the spraying glass on his arm. He avoided serious injury, police said, as the flashlight apparently deflected most of the glass fragments. At the scene, the host said more people than expected came to the gathering. Police told him the party would have to end, and the guests ultimately left the area without further incident.
