HEADLINES of the WEEK

VICE PRESIDENT Spiro T. Agnew denied accusations at a press conference Wednesday he had received illegal payments from Maryland contractors. Agnew had been notified on Monday by U. S. Attorney George Beall in Baltimore he was under investigation for possible violations of criminal statutes, covering bribery, tax fraud, extortion and conspiracy. Agnew called the contract allegations "damned lies." No indictments have been issued.

Friday, August 10

HOUSTON, TEXAS police found 19 bodies of murdered boys on a tip from two teenage boys. The boys admitted they had been involved in 25 to 30 murders over the past three years along with a homosexual friend. Most of the victims had been shot in the head; two had been strangled. Those involved are David Brooks, 18; Elmer Henley, 17, and Dean Corll, 34. Henley admitted to police that he had shot Corll to death at a Wednesday paint-sniffing orgy and claimed Corll was responsible for the murders. The police are looking for other bodies of victims.

AN ARAB OWNED JET-LINER was forced to land in Israel Friday after Israeli warplanes in an attempt to capture Palestinian guerrilla leaders. The Israeli Airlines plane was held for two hours while it was searched by Israeli troops. The plane was detained for two hours and then allowed to return to Beirut with all 74 passengers and crew members aboard. The Israelis apparently mistook the jet for another flight which was due to leave Beirut for Baghdad at a later time.

Sunday, August 12

LYNNE COX, a 16-year-old California girl, set the world's record for swimming the English Channel. Miss Cox swam from Dover to Cap Gris Nez, France, in nine hours, 36 minutes Friday night. The English to France route is the most difficult; usually swimmers start on the French side to take advantage of the currents. Miss Cox bettered the record set by Davis Hart, also an American, by eight minutes and her own former record by 21 minutes. The shortest distance across the Channel is about 22 miles.

Monday, August 13

A GASOLINE EXPLOSION set off an extensive fire Sunday at Miller Marina in St. Clair Shores, causing at least \$2 million in damages. The marina boathouse and 13 yachts were destroyed in the blaze. The fire began when a boater was attempting to start his racing craft. The boat exploded, hurling gas and fire throughout the docking area. The boater, Mark McCarthy, was treated for lacerations of the face at St. John Hospital. Despite the extensive damages, there were no deaths reported.

Tuesday, August 14

HOUSTON POLICE discovered four more bodies in the Texas murder scandal, bringing the total up to 27—the worst mass murder in U. S. history. The two teenagers, Elmer Wayne Henley, 17, and David Owen Brooks, 18, who had confessed to police that they had been involved in the slayings with a friend, Dean Corll, 34, have been charged with murder. Henley is being held on a \$500,000 bond. Seventeen of the bodies were discovered in a boat shed near Houston; the rest were found along a beach and in a forest.

Summer Figure Skating Program At G.P. Community Rink Reviewed

By Len Singer

When the grass turns green, flowers bloom and temperatures soar into the 80's and 90's, it's time to hang up the ice skates and pull out the summer sports gear. Right?

Not necessarily. A number of skating enthusiasts kept the blades sharp during the warm weather and attended a figure skating school at the Grosse Pointe Community Rink.

Ray Rivard, manager of the rink, said about 250 students between the ages of seven and 19 took part in the school, which ran from Monday, June 18, to Friday, August 3. Since this was the first year of the program, it did not gain immediate recognition.

Teach Techniques

"During the first two weeks of the school, people stood around the ice watching the instructions, but most of them didn't really know what was going on," Mr. Rivard said.

"Then later, word got around and we had more people signing up. Next year we hope to have them through the first week."

Mr. Rivard noted a school of this type is not designed for people who have never skated before, but rather for people who know how to skate and are interested in learning figure skating techniques.

"We teach all the basic figure skating techniques," he said, "but we don't teach people how to skate."

"First, students start out on the patch, which is a 16-by-42 square of ice. Here they practice the basic figures, then progress to the dance and the free style."

"We obtained most of our students from the figure skating clubs at local arenas. When the program was thought up back in January, we promoted it through the local clubs."

Judge Skills

The school was the brainchild of Clementine Rice, who began talking to Mr. Rivard at the beginning of the year. In January, she had instructors lined up, but they backed out. New instructors were found and Mrs. Pat Abela was obtained as the school's secretary.

Mrs. Abela has been involved in figure skating for

many years as a judge. Her children also are involved in the sport.

"Besides the professional instructors at the school, Mary Kay Bahen and my daughter Cathi volunteered to help teach basic skills," Mrs. Abela said.

"They are sub-pro's, but are taught to teach and judge basic skills. There were about 10 beginners and Cathi and Mary Kay helped them."

There were five professional instructors teaching at the school, all at varying degrees of proficiency.

Fine Credentials

Bebbie Bartolotto, of Wallaceburg, Ont., has received a gold medal in figures and in free styles, and is working on her gold in dances. She trained in Canada and at the Detroit Skating Club, and has been a pro for five years.

Carol Ann Farrell is a triple gold medalist, receiving medals in figures, free style and dance. She lives and teaches in Windsor.

Jackie Locknesar, of Detroit, is in her fifth test figures. She is a member of the Detroit Skating Club, and

teaches at the St. Clair Shores Skating Club during the winter.

Jack Turney, of Windsor, has received a gold medal in dances. He belongs to the Windsor Skating Club.

Terry Viviani, of Dearborn Heights, is a member of the Detroit Skating Club. He teaches both in Windsor, and in St. Clair Shores.

Need Audience

Other guest skaters came in for the "pop concerts," where the students were given the chance to perform in front of an audience.

"We charged a 50-cent admission for the two concerts, which were July 7 and July 28," Mrs. Abela said.

"It's really important for the children to have someone to perform in front of. They really enjoyed it."

The students learned their lessons well and showed it on the test dates, June 30 and August 3.

"On the last test day," Mrs. Abela said, "we only had five failures out of 50 being tested."

The school may expand next year if possible. Mrs. Abela said she would like to (Continued on Page 2)

Congressional Record Cites Youth Bureau

Speech on What Schools Can Do about Drug Problem Mentions Division's 'Counseling Oriented Approach to Dealing with Juvenile Offenders'

By Roger A. Waha

The Youth Service Division, (YSD), had no idea it was mentioned in the Congressional Record of the U.S. Senate. Not until last week when an ombudsman from the New Rochelle, N.Y., school district sent a letter to the YSD inquiring about a reference to the division in the June 15 Record.

The ombudsman requested information on the YSD's "approach to juvenile drug users which diverts them from the justice system into counseling."

In his letter, the ombudsman was referring to a speech by Paula D. Gordon, co-ordinator at the Washington, D.C., Police Foundation, on what schools can do about the drug problem. This speech was entered in the Record. In her address to the Delaware drug educators' retreat on June 4, she made a reference to the YSD, which has had an active counseling program since its organization in July 1970.

Personal Worth

In discussing the general need for a reorientation of the education experience, she cites "the single most important thing" as helping "nurture in youth a concern for the welfare of others and to provide them every opportunity possible to express such concern and thereby develop a sense of personal worth and a feel for what it means to be meaningfully and purposefully involved in life."

This she relates to the "drug taking behavior," and the need of various approaches to this problem on the part of schools. This includes various "innovations or reforms."

"Non-punitive policies and approaches need to be adopted in schools to supplant purely legalistic actions such as expulsion and suspension," she feels, while noting alternatives to such action need to be provided.

Stresses Counseling

"In lieu of prosecution, in lieu of being remanded to the juvenile authority, in lieu of suspension or expulsion, the young person can be remanded to counseling," to other forms of care or guidance and to special programs and activities designed to help redirect a youth's energies "along more constructive lines."

In this respect, she cites "examples of approaches which seek to divert juvenile users (and in some cases dealers) from the justice system and mentions "the youth services division of the justice system in Grosse Pointe Woods, and several adjacent sub-urban communities which have adopted a counseling oriented approach to dealing with juvenile offenders."

G.P. Woods Approves Eight Items

Voters to Consider Each on November 6 Election Ballot

By Roger A. Waha
At this time, eight amendments to The Woods' City Charter will be on the ballot November 6 for voters to consider.

Five were approved by the Pension Board and focus upon voluntary retirement for non-covered members, (public safety department employees who are not eligible for social security), retirement allowances for covered members, (general employees who are eligible for social security), retirement allowance for a non-covered member and a cost-of-living adjustment for both general and public safety employees.

The other three amendments are for compensation of the mayor and councilmen, compensation of the municipal judge and eligibility for office in the city.

Special Meeting

At a special council meeting Friday evening, August 10, (which ran four and a half hours), the solons approved the eight items. However, the wording of three amendments, approved by the Pension Board for council action, was substantially changed mainly for clarity purposes. (Councilman Conrad A. Naegel said, "If the people don't understand it, they will vote no.")

As a result, the Pension Board met Monday evening, August 13, to go over the wording on these items and then okayed the revisions. Now, the amendments will be sent this week to Governor William G. Milliken's office for his approval.

(The Pension Board includes five representatives: from the general employees, City Comptroller-Assessor Frederick G. Hornfisher; public safety department, Traffic Safety Officer Stephen Petrik; the mayor, in this instance, Mayor Pro Tem Marvin R. Boutin; a councilman, George S. Freeman, and a citizen-at-large, Ray MacArthur, director of business and finance, Grosse Pointe Board of Education).

The Question

"Do you favor the adoption of the above Charter Amendment?" That is the question voters will have to answer. The five amendments approved by the Pension Board are as follows:

Voluntary Retirement. That Chapter 16, Section 16.18 of the charter "be amended to provide a sub-section 16.18 (a) for covered members without change in current provisions and a sub-section 16.18 (b) for non-covered members to permit their retirement whenever 25 or more years of credited service and the age of 50 years has been attained (Continued on Page 4)

Found Guilty In Glancy Case

Henry Reed Jr., 27, of Detroit, was found guilty of first degree murder in the beating death of Alfred R. Glancy, Jr., Shores police reported. A Wayne County Circuit Court jury issued its verdict Tuesday, August 14.

Police said Reed, whose trial began Monday, August 6, will be sentenced at a later date. He can receive a maximum of life imprisonment.

Edward Williams, Jr., 22, who also is charged with first degree murder in the same incident, will stand trial in Circuit Court Monday, August 27.

Both Reed and Williams have already been sentenced to from 10 to 15 years in Jackson Prison for the breaking and entering of an occupied dwelling, stemming from the burglary of Mr. Glancy's Lake Shore road home last November 12. They were sentenced in Circuit Court Tuesday, April 17, on this charge.

Mr. Glancy, 65, died Friday, April 6, in Harper Hospital.

Park's Loss Is Clinton Loop's Gain

Virginia Bruce, 10, Helps Fox Chase Dusters to Second Place with .323 Average

By Holly Angell

Remember that little girl, Virginia Bruce, who wanted to play baseball but wasn't allowed on The Park's Little League team.

And remember how she was one of the first to challenge the League's no girls allowed ruling.

And then remember how a team in Clinton Township asked her to play for them.

'Diamond' Summer

Well, it has been a baseball summer for ten-year-old Ginny, third baseperson and relief pitcher for the Fox Chase Dusters. The Dusters, who completed their season two weeks ago, finished second in their league, with 12 wins and four losses, one game behind first place Audioland Tiger Cats.

Judging from Ginny's record, her skill was not just a sometimes thing. And in her quiet yet dedicated way, Ginny has made a name for herself. She finished fourth in the 18 member team's batting with an average of .323. She was up to bat 31 times, had nine runs batted in, struck out eight times and was on base over 57 percent of the time.

In addition, the Dusters were victorious in the one game that Ginny pitched. Team Manager Thomas McFarland cited Ginny as (Continued on Page 8)

Park to Expend \$148,734 For Paving of St. Paul, New Aerial Ladder Truck

Resurfacing of Thoroughfare to Start in Early Fall; Fire Department to Get Apparatus in 14 Months

By James J. Njaim

At its regular meeting Monday, August 13, The Park Council approved expenditures totalling \$148,734, of which \$55,334 will be used for the complete resurfacing of St. Paul avenue, from Maryland to the city limits at Cadieux road.

The balance of the appropriation will be for a brand new aerial ladder truck for the Fire Department, which will be purchased from Seagraves Apparatus, Incorporated, at a cost of \$93,400. Delivery will be in 14 months, City Manager Robert Stone informed the solons.

Slone and Director of Public Service Herbert Heger told the council that a survey of St. Paul, a major city thoroughfare, was badly in need of repair of cracks and chuck holes.

Based on Tonnage

The city manager recommended, and the council approved, the resurfacing project be given to the Detroit Asphalt Paving Company, the same firm which is installing new two-foot curbing on Jefferson from Somerset to Fisher road, and resurfacing Jefferson from Wayburn to Fisher. Jefferson is under the jurisdiction of Wayne County, which is paying for the rejuvenation of the avenue.

Slone said work on St. Paul will begin in early fall and will consist of a bonding course and topping. The cost of the resurfacing is based on a tonnage process, he said.

He also disclosed the cost includes the resetting of catch basins and manholes in the avenue to the proper

height before the setting of the asphalt. The program does not include curb repair, he added.

Resolutions of Praise

In other actions, the council approved two resolutions, one commending the civic program of the Grosse Pointe Shores Chapter of the National Farm and Garden Club, (Mrs. William Champion, president), for its efforts in helping to beautify the city for the past five years. The organization has been planting and maintaining flower gardens, with city permission, on Jefferson avenue, at the intersections of Pemberton, Berkshire, Balfour and Devonshire, all without cost to the community.

Mayor Matthew Patterson expressed the appreciation of the council and the citizens of The Park to this group for their efforts. Their work will be long remembered, he said.

He specifically thanked Mmes. Adam Cook, chairman, M. Whittingham, Joseph Smith, John Keyes (Continued on Page 2)

'Female' Is Nabbed for Shoplifting

Woods, Farms Officers Arrest Impersonator Who Subsequently Escapes—And Is Recaptured

A 26-year-old Detroit "female" was arrested

for shoplifting at J. C. Penny's, 19251 Mack avenue. "She" was taken to The Woods station and ultimately to St. John Hospital upon complaining of heart palpitations, escaped from the hospital and was then re-arrested at which time police discovered the "she" was actually a "he" impersonating a "she."

All this activity, which involved Woods public safety officers and Farms patrolmen, occurred Wednesday evening, August 8, and early Thursday morning, August 9.

John Reynolds, who's charged with larceny from a building, stood mute at his arraignment before Woods Municipal Judge J. Patrick Denis Thursday afternoon and is being held in lieu of \$2,500 bond, cash or surety. Reynolds' examination was scheduled for yesterday, Wednesday, August 15. A companion, who's also from Detroit, was not charged by police.

Make Arrest

Woods Officer Robert Kwiatkowski and Farms Patrolmen Samuel Cardella and Johannes Winter responded to Penny's where security personnel were pursuing two males, one of whom was dressed in women's clothing.

Patrolmen Cardella and Winter pursued and apprehended Reynolds on the sidewalk near the Golden Lion Restaurant, 22380 Moross road. During the arrest, police said Reynolds tried to discard some articles which were tucked in his clothing.

The suspect was then whisked to The Woods station, while his companion was transported by Officer Kwiatkowski. During this time, Reynolds told police his name was "Karen Hughes."

A station search revealed a tan dress with brown belt and trim inside his outfit. Meanwhile, articles discarded prior to his apprehension which Patrolman Winter recovered, included a brown blouse, brown pants and a brown leather handbag. The value of these items was around \$56.

Two hours after his arrest, (Continued on Page 4)

Fire Chief Gives Warning On Melting of Paraffin

By James J. Njaim

Regardless of how long you boil water, the highest temperature it will reach is 220 degrees Fahrenheit, no matter how long you leave the water over the fire, said Park Fire Chief Phillip Costa.

However, the melting of paraffin wax, is what he was trying to illustrate and this is where the danger comes in, unless you accidentally scald yourself by touching or spilling the hot water.

Recently, a Park woman was melting paraffin in a pan directly over the kitchen stove fire. The result was the accumulation of wax fume, which when ignited by the burner, caused an explosion and a flash fire, the

chief said. The burst of flames ignited the kitchen cabinet and charred the kitchen walls. Fortunately firefighters arrived in time to keep damage to a minimum.

The woman suffered burns about the face, neck and both arms, and her blouse caught fire. She was taken to Bon Secours Hospital for treatment and released. The burns were not too severe, but they could have been, Chief Costa said.

The incident, which took place only a few weeks ago, began when the woman was canning jelly preserves, the chief stated. Paraffin makes an excellent sealer. The melting point of this wax is (Continued on Page 6)

Delay Goodyear Appeals Hearing in G.P. Woods

By Roger A. Waha

The now vacant building at 19391 Mack avenue, near Newcastle road, has been in the NEWS for many weeks. Once occupied by Pointe Dodge, who has since moved its dealership, the structure awaits the occupancy of a Goodyear Tire and Rubber Company service store. But when it will be occupied is the question.

A Woods Board of Appeals hearing on Goodyear's petition, based upon the request of R. J. Murphy, real estate department, for a variance in the off-street parking requirements at the site has been postponed to the regular council meeting Monday, August 20. At that time, the council will reconvene as the

Board of Appeals.

At the regular meeting Monday, August 6, the solons unanimously approved Councilman George S. Freeman's motion to delay the hearing until the 20th so a Department of Public Safety report on the egress and ingress to the building can be prepared, and also that a letter be sent by Goodyear stating the oil drainage situation would be corrected. At the same time, a review of the possibility of changing the building's architectural standards would take place.

Some oil spills have occurred in the past during heavy rainstorms causing damage to the lawns of various Newcastle road residents. (Continued on Page 6)

YSD Receives Mention in Congressional Record

(Continued from Page 1)
She also cites the Clark County High School District, Las Vegas, Nev., and the probation department sponsored program in San Diego County, Calif.

Priceless Training
Agent Michael Ferrence, liaison officer to North High School, is responsible for the overall operation of the YSD's counseling program. However, each of the division's three counselors are responsible for the young people they advise. The program is primarily operated by the counselors, who are under the supervision of the division's four officers.

"The counselors are an intermediate step on a local level between a youth when he's arrested and the juvenile court system," he said. The counselors, who are working towards, or have their degrees, in police administration or social science, not only relieve the workload of the YSD's officers, but also receive priceless on-the-job training.

"Initially, the four officers acted as counselors when the division was first organized," said Agent Ferrence. But by the time summer 1971 arrived, three counselors, all of them Pointers, were hired. All have since went to work in their chosen professions. (Jim Colby is a police officer in Romeo, Mich., Steve Triner, a police officer in New Hampshire, and Paula Barr, a social worker in St. Clair County).

Close Relationship
Today, the YSD's counselors include Fred Coonce, who has a B.A. in Psychology, Mike Tormey, a police administration student at Wayne State University, and Pointer Deborah Beaufait, who's a social science major. Each counselor works eight hours per week at \$2 an hour. And when they decide to leave this part-time job, the division guarantees a letter of recommendation for them in their future employment.

In this supervisory program, the counselors don't get into the therapeutic aspects of counseling. "They get to know the kids better and emphasize with them and community problems. We don't attempt to overlap

and circumvent the professional people, such as the school social worker, FLEC, (Family Life Education Council) or Northeast Guidance Center personnel," said Agent Ferrence.

The counseling program is mainly voluntary on the youth's part. "The youth has a schedule when he meets with a counselor. The burden of responsibility is placed on the youngster himself. He will either make a positive or negative impression on the officers," he explained. "We also work closely with the parents and do not supercede their responsibilities."

Minor Offenses
A counselor determines when and how long he meets with a youth. Usually, it's once a week until an understanding and relationship develops between counselor and youngster. The counselor, of course, has some flexibility and, for instance, can have anywhere from six to 12 meetings with a youngster during a three-month period.

The cases which come under a counselor's care vary but are usually classified as "minor" ones, e.g., simple larceny, minor drug related offenses, family problems. They work generally with first offenders and in the area of minor, miscellaneous offenses with each case being evaluated on its own merits. But when an incident is in the area of a felony crime, "we take a hard look at it," said Agent Ferrence.

While the counseling period may be only three months for a "simple offense," it could go as long as six months or one year. "We tailor make the program to the individual and his needs. A youth can have some flexibility with the counselors approach depending on his progression."

Points Considered
Many points are considered when a youngster is put on the program, according to the agent. The YSD first considers the offense, how it occurred and if the youth was definitely involved.

Secondly, the division looks at the parents and how cooperative they will be. Thirdly, the officers will talk with the youngster and see what his reaction is. (here, communication is the key). And fourth, "gross" family problem cases are ruled out where, for example, the parents and child are at each others throats.

If the situation is bad, a petition will be filed with the Wayne County Juvenile Court. "However, if there's deep communication, we will act as a catalyst for change," stated Agent Ferrence.

Stay in Contact
The counselors, all of whom work at the YSD's office in The Woods Municipal

Building, keep "in touch" with a youth's family when the program is terminated.

"We keep track of the termination dates of each program and are in touch with the parents a year from that date. Meanwhile, the youngsters are free to contact their counselors even though their program is completed. It gives them a place to go when they have a problem," the agent said.

And there are some instances when a youth under counseling would even bring in a friend with problems! From July 1970 through July 1973, Agent Ferrence estimates that around 12 percent of counseled youths still get into trouble. When you consider that 53 of 85 counseling cases in 1972 were terminated, (the others carried over to this year), plus the overall heavy load of the counselors, this percentage of success is remarkable.

Police Contacts
Anyone of the four officers including Detective Thomas Podeswick, North District, Agent John Kendall, liaison officer to South High School, and Detective Donald Schmalz, South District, could place a youth on the counseling program.

Most youths are placed on the program because of police contacts rather than a parent's voluntary actions. "It's better for parents to go through professional services," noted Agent Ferrence. "We don't want to overload our program."

He also said of the counseling program, "We deal not only with the nature of an offense but with attending circumstances." The YSD, for example, works closely with professional workers with "give and take" sessions on various thoughts and suggestions.

Main Charges
Of the 85 youths counseled last year, 61 were males and 24 were females. The programs of 37 males and 16 females were terminated. Thirty-two cases, (involving 25 males and seven females), were carried over to 1973.

The most prominent charge last year against males involved in the program was narcotics arrests, (23), while the top charge against females was shoplifting, (12). Counseling periods varied in length. Twenty-eight youths participated for six months, while 10 youngsters were counseled for four and two month periods. Six participated for one year.

In her speech, Paula Gordon said counselors will need

basic skills and be able to understand the symptoms and motivation involved with drug taking. They must be mature and establish rapport with those whom they counsel. They need to be a friend and a confidante who is truly concerned for the welfare and future of the person counseled, and one who can motivate a youth along beneficial and constructive lines.

The counselor, she emphasizes, must provide "a positive model by his or her own behavior."

The "people who care" at the YSD are obviously aware of this. For through their time, talent and energy, they help make the world better for young people in The Pointe.

LICENSE LOTS
The Woods Council at the regular meeting Monday, August 6, unanimously approved the issuance of licenses to 44 parking lots in the city. Applications and license fees had been received and Building Inspector Earl Walkely had inspected and approved the various locations.

Today's biggest problem in getting an education seems to be in finding a place to park.

Police Capture Car Strippers

Richard L. Carson, 17, of 8622 Carrier, and a juvenile, both of Detroit, were arrested by Farms police shortly after midnight Monday, August 13, and released to Detroit authorities for further questioning and investigation of tampering with cars.

Farms Patrolman Thomas Kelly was on routine patrol on Mack avenue, when he was stopped by two citizens who informed him there was a suspicious car in front of Pointe Dodge, 18001 Mack, a car sales agency. The firm had recently moved from The Woods and relocated in Detroit.

Kelly stated, in his report, upon arriving at the agency building, he noticed a 1970 unoccupied Plymouth with its trunk lid, hood and right door open. While checking over the vehicle, the officer said, Carson and the juvenile emerged from the Pointe Dodge lot at the rear of the edifice.

The patrolman said he asked the pair what they were doing in the area, and Carson told him he was forced to stop because his motor had overheated. The officer turned the ignition key and the temperature gauge registered cool. He touched the motor, which was not hot.

Kelly called for assistance and Patrolmen Gerald Deburghraeve and Kenneth Pine arrived.

The officers radioed their station to inform Detroit authorities of the apprehension of the young men, and two Detroit patrolmen were dispatched to the scene.

The policemen checked the agency lot and found a new car with two lugs missing from one of its wheels. A look into the trunk of the boys' car, which was registered to Carson, uncovered a carburetor with gasoline still leaking from it.

A second look through the storage lot revealed that one of the cars was missing such a gadget.

The Detroit policemen took custody of Carson and his companion and drove them to the Fifteenth Precinct, Conner Station for further disposition in the matter.

Vandals Sting Caterpillar

Some vandals couldn't let a sleeping caterpillar lie, so they decided to work it over in true vandalistic form.

Woods Public Safety Officer Ronald Hayden was dispatched to the University-Liggett tennis courts Tuesday morning, August 7. He discovered a 1971 grader with its windshield shattered from thrown dirt, dirt in its fuel tank and three gear shift knobs removed. There was no loss estimate at this time.

The destruction occurred some time between 6 p.m. Monday, August 6, and 7 a.m. on the 7th, police said. The complainant was Dougherty Paving Company of Detroit.

Real Reason Discovered For Size of New Curbs

There is always an answer for everything. A few incoming and outgoing calls gave us the REAL reason for those huge curbs being poured into permanence on Jefferson avenue and Moross road.

There had been speculation that the curbs were being built to provide narrow bike paths or a resting place for hitchhikers or to protect the grass from salt in the winter.

Actually, their size is all a matter of economics. The old curbs, which were in bad repair, were made of stone, and would cost \$5.50 per lineal foot to remove and \$5 to replace. The stone curbs are too low for the new asphalt and removal would necessitate digging below the road level.

The new curbs: Integral Concrete Curb and Walk

Ways, cost \$5.40 per lineal foot to install. Because of their size, the old curbs only have to be removed level to the pavement and the concrete ones placed over them.

If you are interested in specifics, the new curbs are 24 inches wide and about 10 to 12 inches deep, rising six to seven inches above the asphalt.

The old stone curbs were about six inches wide, and about 18 to 24 inches deep, rising three to six inches above the road.

At the corners, the curbs are lower to provide ramp ways for wheel chairs as part of a new State law regulation put into effect during the first part of the year.

The new curbs, under the direction of the Wayne County Road Commission, will extend from Wayburn to Fisher on Jefferson avenue and from Mack to Ridge on Moross road. In areas where the old stone curbs are in good condition, they will not be removed.

NH Schedules Registration

North High School has issued registration and sign-up procedure schedules for the school year which begins Thursday, September 6.

Seniors should report to the school Monday, August 27; juniors should report Tuesday, August 28; sophomores Wednesday, August 29, and freshmen Thursday, August 30. There will be a make-up day on Friday, August 31, from 8:30 a.m. to 12 noon.

All students should register on their designated day according to the following alphabetical schedule: last names beginning with A through D, 8:30 a.m. to 9:30 a.m.; E through H, 9:30 a.m. to 10:30 a.m.; I through L, 10:30 a.m. to 11:30 a.m.; M through P, 11:30 a.m. to 12:30 p.m.; Q through S, 12:30 p.m. to 1:30 p.m., and T through Z, 1:30 p.m. to 2:30 p.m.

Registration procedures include picking up books, identification, class schedule and locker cards, and purchasing an athletic pass and parking stickers.

List Official Primary Tally

The official tally for The Park's Tuesday, August 7, primary election for Municipal Judge was almost the same as the unofficial. Incumbent Judge William Speer received 500 votes, John Urso received 392 and Beverly C. Grobbel, 301.

The difference is that although the above figures total 1,193 as previously cited, the total votes registered reached 1,197. For some reason, four votes did not come out in the voting booth.

The general election for Park residents is November 6.

Center Blood Drive A Success

In spite of storm and torrential rain, 110 Pointers managed to keep their appointments with the American Red Cross Bloodmobile in its 2.8 p.m. visit to The War Memorial's ballroom Thursday, August 9.

For a period of nearly two hours, donors were held up from coming to the Center. Nonetheless, 68 pints were accepted by the Red Cross — 12 of which were marked for the War Memorial's Community Blood Bank available to all on free loan in case of emergency.

Mrs. Shirley Goolsby, who was in charge of the collection, and the Center itself are very grateful to everyone for the representative turnout under such nasty weather conditions.

Woods Okays 8 Charter Amendments

(Continued from Page 1) without any further additional change in current provisions, and to require an additional one percent contribution by non-covered members to the retirement system. Such provisions shall take effect July 1, 1974."

Retirement Allowance - Covered Member. That Chapter 16, Section 16.18, of the charter "be amended so as to eliminate the provision reducing the covered member's retirement allowance one-half of one percent for each month's retirement preceding age 60 years. Such provision will take effect July 1, 1974."

Retirement Allowance - Non-Covered Member. That Chapter 16, Section 16.19 (a) of the charter "be amended so as to provide that a non-covered member shall have his retirement allowance increased to

"(a) 2.5 percent of such member's average compensation, times the first 25 years of credited service, plus

"(b) 1.0 percent of his final average compensation, times his credited service in excess of 25 years.

"and to require an additional one percent contribution to the retirement system by the non-covered members. Such provisions will take effect July 1, 1974."

Cost-of-Living Adjustment. That Chapter 16 of the charter "be amended by adding a new section to provide for annual post-retirement adjustments to the retirement allowance of members and their beneficiaries, based upon changes in the Consumer

Price Index, subject to an annual maximum increase or decrease of 2.5 percent of the unadjusted retirement allowance after December 31, 1973."

Salary Increase Continuing, the "compensation" amendments show the following:

Compensation of Mayor and Councilmen. That Chapter 4, Section 4.2, of the charter "be amended so as to provide for an increase in compensation for the office of Councilman from a maximum of \$400 per year to \$720 annual salary; and for the office of Mayor from maxi-

mum of \$600 per year to \$900 annual salary."

Compensation of Municipal Judge. That Chapter 15, Section 15.4, of the charter "be amended so as to increase the maximum allowable salary of the Municipal Judge of the Court from \$3,000 annually to \$6,000 annually, which maximum salary shall be fixed by ordinance."

The final amendment is **Eligibility for Office in City.** That Chapter 5, Section 5.1, of the charter "be amended so as to provide that an incumbent councilman may be appointed to a vacancy in the office of a Mayor."

Nab 'Female' for Larceny

(Continued from Page 1) (around 7:49 p.m.), Reynolds, still playing Miss Hughes, said he was suffering from heart palpitations and was taken to St. John. While personnel were getting his hospital history, Reynolds refused further service, put on his outer clothing and bolted through the rear emergency entrance, police said.

He ran across the parking lot to Moross, across Moross to the second house north of Hillcrest and then between some houses, east towards Mack.

For a time Reynolds disappeared into the darkness. But not for long.

When the clock tolled 12, his momentary freedom came to an end as searching Woods and Farms officers converged in the area of Frankfort and Hillcrest.

Police received information that a citizen had last seen Reynolds running north between houses from Hillcrest, east of Frankfort. A check of the area proved negative.

Search on Foot However, Woods Officers Patrick DeVine and Patrick Fagan began a yard-to-yard search on foot, covering the area in which the suspect was last seen.

While checking a rear yard at a corner of Hillcrest and Frankfort, Officer Fagan spotted Reynolds laying face down in the bushes along a backyard fence. After a brief struggle, Reynolds was arrested and transported to the station.

Reynolds told police he had given false information about his name and sex earlier, and then identified himself. A dark wig which he wore upon his arrest was confiscated.

Citizen Stops Bicycle Thief

A bicycle thief, startled by a Briarcliff road resident, was thwarted in his attempt to "bag a bike" Friday evening, August 10.

The resident stopped patrolling Woods Public Safety Officer Jack Treppa and said after returning home, he noticed a vehicle parked in front of his house.

As he pulled into the driveway, he spotted a white male with blond shoulder length hair driving his son's bike out of the open garage door. He chased the culprit north on Morningside drive to North Rosedale where the youth dumped the bicycle and ran through some yards. Police checked the area but were unable to find the youth.

Engineers Set Flood Control Goal

By this fall the U. S. Army Corps of Engineers and Great Lakes communities working together on Operation Foresight will have completed emergency protection against a potential \$100 million in flood damages to lakeshore property.

Major General Ernest Graves, Division Engineer of the Corps, North Central Division, announced from his Chicago headquarters the construction of temporary dikes, costing \$25 million, was 70 percent complete and that all work was scheduled for completion by the end of September.

Moon Shines Friday Night

City Police Officers Donald Boyer and Jerome Petz arrested two Detroit boys for indecent exposure on Friday night, August 10.

The officers were on routine patrol at 11:30 on Friday when they saw the two boys standing on the flood control dike at the foot of Lakeland without their clothes. The boys, it appears, had been swimming in the lake and were drying off with towels.

The police officers yelled to the boys to get dressed and put them under arrest for indecent exposure. Officer Boyer handcuffed both of the boys and took them to the station, where they were given their rights.

Each posted a \$25 bond. Their court date was set for Tuesday, August 28.

"Our goal is to get all the dikes in place before the period of heaviest fall storms so as to prevent the flooding of low-lying areas which occurs when strong winds are combined with high lake levels," General Graves explained.

Operation Foresight is aimed at protecting 140 shore areas, totalling 100 miles of shoreline. These are the areas where local interests requested Federal assistance and were able to provide the right-of-way and other local guarantees required by law.

Since the program was announced last December the Corps has been providing engineering advice to affected communities and has supplied them with \$6 million in materials for dike construction, including 11 million sandbags. Where local governments lack the capability to install the dikes themselves, the Corps has let contracts for dike construction.

Seventy-five miles of protective structures have already been completed at a cost of \$16 million. These are protecting against a potential \$80 million in flood damages. Forty miles of additional dikes to be completed by the end of September at a cost of \$9 million will protect against another \$40 million in potential damages.

Operation Foresight initially extended to all of the Great Lakes and Lake St. Clair. However, in consultation with local authorities it was agreed not to undertake any emergency protection projects on Lake Superior.

Some of the larger projects already completed are: five and a half miles of diking for St. Clair Shores, costing \$970,000; 10.3 miles of dikes at Reno Beach-Howard Farms, O., costing \$3.6 million; three miles of diking at Green Bay, Wis., costing \$927,000, and a \$563,000 flood protection project for Eastlake, O.

Live and let live is merely recognition of others' rights.

WSU's Holden Dies on Aug. 8

W. Sprague Holden, professor and chairman of the department of Journalism at Wayne State University, died Wednesday, August 8, of a heart attack at Providence Hospital. He was 64 years old.

For many years, he helped students find jobs on dozens of newspapers, both dailies and weeklies, including the Grosse Pointe News. He was not only an excellent instructor but also took a strong, personal interest in all his students.

Professor Holden, who joined the WSU faculty as a

Professor of English in 1946, has been the only chairman of the journalism department since its formation in 1949.

He was the third American chosen in 30 years to present the Arthur Norman Smith Memorial Lecture in Journalism at The University of Melbourne, (Australia). He was editor of "Detroit in Perspective," a new quarterly publication of the Detroit Historical Society.

His professional memberships included Sigma Delta Chi, the Association for Education in Journalism, Detroit Press Club, Torch Club of Detroit and the WSU Press Club.

Memorial contributions can be made to the W. Sprague Holden Journalism Scholarship Fund at WSU in care of the Wayne State Fund.

Name Boutin To Committee

Woods Mayor Pro Tem Marvin R. Boutin was recently appointed to the Committee on International Municipal Cooperation of the National League of Cities by Detroit Mayor, and League president, Roman S. Gribbs.

The council at the regular meeting Monday, August 6, unanimously approved a motion that Mr. Boutin send a letter to Mayor Gribbs accepting the appointment. (Mr. Boutin was excused from voting).

His term expires December 6 upon adjournment of the 1973 Congress of Cities, (December 2-6) in San Juan, Puerto Rico.

Mayor Gribbs said, "You will be a member from your state to represent its municipal interests on this important committee."

He also noted NLC committees have three major tasks including a constant search for new concepts which will aid in "providing a good life for all urban Americans," a careful weighing of national and urban program priorities and a determination of the "national policies, programs and strategies necessary to achieve our goals."

Slate Classes for Handicapped

A child need not be physically impaired in order to be developmentally handicapped. These children are often slow to learn certain developmental skills but with the proper instruction and guidance, many can assume their position in a school system.

Adults has developed a pre-school program for the developmentally handicapped children of the tri-county area, ages three to six years. The program is operated by occupational therapists with the involvement of a physical therapist, psychologist and parents. Ultimately, the program is aimed so that each child may function at a maximum level within his degree of handicap.

Wilson Sets Sights on WMU

Chris Wilson, captain of North High's golf team, has signed a National Letter of Intent to attend Western Michigan University.

During his career at North, Wilson finished third in the 1972 Michigan Class A competition. Last summer, he ranked as the number one qualified from Michigan for the U.S. Junior Amateur Tournament. Recently, he won the Western Junior Amateur Tournament at Milford.

Delay Appeals Hearing in Woods

(Continued from Page 1) At the July 2 meeting, some 30 Newcastle citizens complained about oil waste which washed from the service garage area onto the street and alley during a storm on Thursday, June 29. Waste oil, which floated on the street's flooded portion, swallowed up about 14 lawns between the sidewalk and the curb.

The condition of the lot at the southwest corner of Mack and Newcastle was described as "filthy" and "a nuisance" by residents in a communication to the council at the May 17 meeting.

Developments on the purchase of the lot and liability for lawn damage are still pending. The Chrysler Realty Corporation has not given the city its reply on an offer to purchase the lot.

The city also has not been advised on the lawn damage. City Attorney George Catlin had earlier told the NEWS if Pointe Dodge won't assume liability for the destruction, the city will pay to replace the sod and lawns. However, until the oil spill situation is corrected, the city will not go ahead with lawn repairs.

In related incidents, two further complaints on conditions at the building were reported to The Woods Department of Public Safety last week.

On Tuesday, August 7, Mr. Catlin was told that the interior of the building was covered with debris. Building Inspector Earl Wakely went to the site and found three young men cleaning the interior and dumping debris into a dumpster.

A rainstorm on Thursday, August 9, once again brought oil spillage from the building. Corporal Robert Setchell reported oil had run down the walk and drive into the street and westerly along the curb towards the catch basin. The fire truck was quickly called to washdown the waste.

In his report, Corporal Setchell said Gilbert Michel, owner of the building, was at the scene. Mr. Michel said the structure is still leased to the Chrysler Corporation. Due to the fact that Pointe Dodge no longer occupies the building and Mr. Michel says he has no authority to enter

the structure at present, the corporal said he issued a violation for "injurious material found on thoroughfares," (oil in street), to Chrysler Corporation, Highland Park.

Meanwhile at the hearing, City Administrator Chester E. Petersen made it clear no certificate of occupancy can be granted until the oil spillage situation is fixed. He urged that this matter be taken care of with dispatch.

This oil mess was apparently caused when the sewer backed up out of a hoist pit, (which contains a grease and oil interceptor), came up to floor level and ultimately washed the oil with it down Newcastle.

"The streets must hold part of the rainfall so the basements won't be flooded," said Mr. Petersen. He added the city has not experienced this type of trouble, (i.e., the oil interceptor problem), before so "I have to assume the leasee or owner has not maintained the interceptor."

He felt it should be cleaned out or plugged if it wasn't going to be used.

Mr. Petersen also said everytime the fire truck leaves on a call it costs \$150, and the truck has made three trips down Newcastle road.

Mr. Murphy said, although Goodyear was caught up in a situation not of its making, he would do everything necessary to correct the problem. He told some Newcastle residents in the audience he wants to work compatibly with the neighbors so they could be potential customers at the service store.

As for the parking deficiency, Mr. Murphy said the ordinance requires 18 spaces and "I can come up with 12 outside and 11 inside." Of the 11, eight spaces would be used for servicing a auto while three would be left over, he added. He emphasized Goodyear's business would not be as "intense" as the dealership's. "The traffic turnover would not be that great."

He noted around 70-75 percent of the business would be automotive as against 25-30 percent for mercantile. Goodyear plans to sell TV's, stoves, refrigerators, et. al., in this area.

Towards the end of the discussion between the council, Mr. Murphy and the residents, who didn't want an "instant replay" of prior problems, Mr. Michel, not without a touch of frustration, said, "The building is available for a car dealership without a change in the ordinance. If I can't rent the building, what can I do with it? Goodyear would be a first rate tenant."

Brought to you By TED EWALD

Do you know why the "bullpen" in a baseball park is called a bullpen? In the old days, the Bull Durham Tobacco Co. put their advertising signs on the fences in many, many ball parks around the country and a lot of their signs were located in the area of the park where relief pitchers warmed up. That area began to be called the "bullpen", and it's been that ever since.

Believe it or not, a complete 9-inning big league baseball game was once played in 51 minutes! It was a game between the Giants and Phils in 1919.

Here's a baseball record that just doesn't seem possible, but it's true. The entire Chicago White Sox team of 1908 hit only three home runs ALL SEASON! Just think, there have been times in baseball history when one player hit three home runs in one game - but imagine, here's a whole team that totaled only three homers all year! It's hard to believe, but it happened.

Father, Son Net Holes-in-One

Every loyal golfer's dream is a hole-in-one. Many never fulfill this dream, or even come close to it. But this isn't the case of the John McClain family, of Severn road.

Now, on Wednesday, August 8, his father sunk a hole-in-one . . . on the same course . . . at the same hole. Never was there a truer saying, "Like Father, Like Son" . . . or should it be the other way around?

Dreamers starve today while feeding on tomorrow's hope.

Pointe Dodge's Grand Opening of New Facilities, August 15

Super Service Is Stressed in Tune With Times Pointe Dodge, 20-year-old east-new quarters, demanded by outstanding new and used auto and trucking growth over the past two and a half years.

Kenneth G. Meade, Grosse Pointe resident and president of the firm, is the nation's youngest and one of the car division's most promising dealers.

Aided by well known, largely eastsider personnel and a managerial staff of experienced though also young men, Meade said, they hope to go on growing with the whole community, "contributing personally and professionally as good neighbors and businessmen."

"This million dollar investment is another positive index of this area's continuing growth. We believe this shows pride and faith in our lifelong home community as a good place to work and live," the 29-year-old Meade said.

The considerably larger and all-inclusive site occupies almost a square block, some 5 1/2 acres, with a 464-foot frontage extending from Radnor to Neff on the west side of Mack Avenue. Previously, two old buildings occupied the property's front.

A one-story structure of 16,188 square feet will house all of the company's facilities under one roof. Included are management and sales

quarters, bump and body shop at Gratiot and Gunston, and the used car lot at Fisher and Mack.

Meade. Currently there are eight salesmen, 15 mechanics, and 10 office and clerical personnel. A twofold increase in virtually all departments is anticipated.

The dealership also expects to at least double its sales from the current rate of 125 new and 100 used cars monthly. Meade had already previously increased volume 400 percent over predecessors in two and a half years at the old locale. He also has added car and truck leasing.

Meade, who lives in Grosse Pointe Park, heads a youthful management team. General sales manager Charles ("Chuck") Riley, 28, started working with Meade at the former Riverview Dodge seven years ago, beginning his career on the wash rack. A former Park native, he now resides in Bloomfield Hills. His mother, Florence, still lives in the park.

James Stevenson, 28, of Port Huron, is parts manager. Philip Sessler, 37, service director, lives in St. Clair Shores.

In keeping with Pointe's youthful tone, Detroit Gilbert A. Pratt, 32, has been top new car salesman at Pointe Dodge since joining nine months ago.

Melting of Paraffin

(Continued from Page 1) between 160-167 degrees Fahrenheit, he pointed out. "The point I am trying to make," said Chief Costa, "is that when the temperature over the stove reaches 473 degrees Fahrenheit, the fumes tend to center in that one area and the result is an explosion or flash fire.

"Regardless of how long water is boiling, the maximum heat will never go beyond 220 degrees. Whereas, when the fumes from the paraffin bursts into a flash flame, the danger not only lies in the fact something combustible might catch fire, but also in the fact that the person standing over the melting wax will be breathing the escaping fumes. If there is a sudden flash, that person is liable to breathe in some of the flame thereby searing the lungs."

A flash fire may last just a second or more, the chief added, but it could ignite a person's clothing, or if there is something close by that is flammable, a fire could result. Worse still, one could be severely or fatally burned, he added.

The best method of melting paraffin is in a double boiler, with the bottom pan containing the water and the pan above holding the wax. This method will create a heat of 390 degrees, which is

more than sufficient to melt the wax.

"If you will notice when you light a candle, the flame burns evenly," the chief stressed. "It is not the wax that is retaining the flame on the wick, but the minute fumes exuding from the wax. Wax itself does not burn, but the gaseous element it contains does, and this is what keeps the candle alit."

Another extremely dangerous practice, Chief Costa said, is to keep a lighted cigaret in your mouth when using hair spray from an aerosol can.

"Aerosol cans, of whatever nature, contain a gaseous substance, and when you puff on a cigaret and spray at the same time, the red glow of the cigaret, on coming in contact with the gas, can cause an explosion, causing an injury," the chief said.

In this day and age, men, too, use hair spray, and the same warning applies to them, the chief added. Do not keep any lighted cigaret or cigar, or use any aerosol can near an open flame or there could be serious trouble.

Above all, the chief said, do not toss empty aerosol cans into an incinerator or open fire.

Think and be safe, and you will be safe, the chief emphasized.

Suspect Trio of CCD Theft

Three young men, two of whom had been working for the Country Club of Detroit, 120 Country Club lane, were arrested by Farms police at 12:06 a.m. Monday, August 13, as they were leaving the club property. They were arrested in a car that had defective brake lights, and were found to be in possession of stolen property.

The trio were taken to the station and released to Det. Earl Field for further questioning and investigation. They had a \$200 toaster appliance in the vehicle, which it was said had been taken from the club kitchen.

Charged with larceny from a building, according to the detective, are Jeffrey P. Marl, 19, of 21905 Alger, and Randy L. Major, 17, of 21522 Shady lane, both of St. Clair Shores, and Richard Lee Barton, 1, of 15037 Manning, Detroit.

Patrolman Gerald Deburghgraeve, the arresting officer, said he was on rou-

line patrol and saw a 1970 Ford leaving the Country Club of Detroit property and head west on Country Club lane. The car was occupied by the trio.

The policeman said the driver, Major, made a turn north on Moross toward Mack. On coming to a stop at the traffic signal at the intersection, the officer noticed that the brake light on Marl's car was not operating.

Deburghgraeve said he stopped the car on Moross, north of Mack. Marl was sitting on the passenger side of the front seat and attempting to hide a large plastic bag between his feet. The patrolman asked what was in the sack, and Marl produced a large chrome toaster, which he claimed belonged to his mother.

When asked by the officer what they were doing at the Country Club of Detroit, both Major and Marl stated they were employees of the club. Deburghgraeve radioed the station to phone the club manager, Joseph Gunther, to inquire if a toaster was missing from the property.

Deburghgraeve then radioed for assistance and Patrolman Kenneth Pine was dispatched to the scene. While Pine kept an eye on the trio, Deburghgraeve went to the CCD, and spoke to a security guard, Hans VanKehreg, who said the club had several such toasters.

Gunther was contacted and verified that Major and Marl were employees of the club. He also disclosed the toaster was taken from the property.

Field said Major, Marl and Robertson were released on \$25 bond each, and will appear in court Wednesday, September 12, on charges of larceny from a building.

Elect Pointers Trustees Of Historical Society

Three Pointers were recently elected to the board of trustees of the Detroit Historical Society.

They are Farms Mayor William G. Butler, an attorney and partner in the law firm of Miller, Canfield, Paddock and Stone; Darwin D. Martin, Jr., assistant vice-president and director of public relations for Detroit Bank and Trust, and Hudson Mead, also an attorney and a partner in the law firm of Tolleson, Burgess and Mead.

Harold DeOrlow, of Birmingham, also was elected to the board. He is a vice-president at Manufacturers National Bank of Detroit, and a member of the board of directors and treasurer of the Grosse Pointe Yacht Club.

Mr. Butler is chairman of

the board of trustees of Merrill-Palmer Institute and a trustee of Elmwood Cemetery, the Grosse Pointe Human Relations Council and the Metropolitan Society for the Blind. In addition, he is a member of both the American and Detroit Bar Associations.

He was graduated from Yale University and received his LL.B. from the Harvard Law School. He has served two terms on the board of trustees previously.

Mr. Martin resides in The Park. He is first vice-president and a member of the board of trustees of the Children's Aid Society, an honorary life member of the Industrial Editors Association of Detroit and a member of the finance and steering committees of the Detroit-Windsor International Freedom Festival.

He also is a member and former chairman of the public relations committee of the Michigan Bankers Association, an accredited member of the Public Relations Society of America and a member of the alumni board. A graduate of Wayne State University, he serves on the WSU Press advisory board, and is an adjunct instructor in communications at Wayne State University.

Mr. Mead, a City resident, is president of the Michigan Historical Commission and a member of the Michigan Bicentennial Commission. He serves on the board of trustees of the Detroit Artists Market and is a member of the Planned Parenthood League and Senior Center, Inc.

He received his baccalaureate degree from Williams College and his law degree from the University of Michigan.

Named to Board Of Bon Secours

Theodore H. Mecke, Jr., Ford Motor Company vice-president — public affairs, has been appointed to the Bon Secours Hospital board of trustees.

A resident of The Farms, Mr. Mecke is serving the greater Detroit area as a member of the board of directors of the Traffic Safety Association, the Zoological Society and the United Foundation where he also is a vice-president and member of the executive committee.

Mr. Mecke attended LaSalle College in his hometown, Philadelphia, and now serves on the school's board of directors.

Mr. Mecke joined Ford Motor Company in Philadelphia as assistant manager of the Southeastern Regional Public Relations office and soon transferred to the Dearborn offices where he rose to his present position. He currently is responsible for the public relations staff, the Washington staff and the governmental affairs and planning staff at Ford.

Mr. Mecke has served Bon Secours Hospital for the past 10 years as a member of the advisory board.

Common Cause To Give Facts

Common Cause—Michigan, the local branch of the national citizens lobby, announced, beginning immediately, it will furnish without charge literature, speakers and a film on state reform legislation for meetings or discussion sessions of civic, political and social action groups in the Detroit area.

"We feel citizens in our area are concerned about the need for reform action by our State Legislature in the areas of lobby regulation, conflict of interest, campaign financing and open meetings," said Al Swerdow, state issues coordinator, "but they need the facts about the existing laws and how they should be changed."

"Real reform will not come easily. And it will not come at all unless ordinary citizens get the message to their legislators that they want a new standard of ethical conduct established now, not next year."

"Members of civic, social and political action groups of all types must become involved if meaningful reform is to be achieved. The first step in such involvement is a real understanding of the problems which now exist," he concluded.

Interested citizens and community organizations can obtain the free information and speakers by writing to Common Cause — Michigan, P.O. Box 3700, Detroit, Mich. 48237.

Startled Thief Makes Tracks

A thief had a quick case of "drowsy" when startled by a Kercheval road resident who spotted him carrying a portable saber saw from her property.

The citizen told Farms Officer Vincent Peters Tuesday, August 7, the culprit was walking away from the garage as she was returning from the store. The woman shouted at the alarmed thief who released the article with dispatch. He was last seen going south on Mapleton on foot.

The culprit was described as black, about 27-years-old, around 5-10 tall and 160 pounds, and of a thin build. He was wearing blue jeans with a blue jean type jacket. Police said nothing apparently is missing at this time.

Show Collection At Lake Museum

"The Detroit River," a collection of 35 salon prints by Lawrence Marin is now on display at the Dossin Great Lakes Museum on Belle Isle.

The prints depict lesser known activities along the Detroit River including ship repair, harbor master, fire boat, railroad ferries and unlimited racers, plus other scenes not ordinarily seen by the layman.

The exhibit is the result of a term requirement in photography for Mr. Marin at Montiel College, Wayne State University.

It will continue through November, 1973. The Dossin Great Lakes Museum is open Wednesday through Sunday from 10 a.m. to 5:45 p.m.

Delay Hearing For Third Time

A Woods Board of Appeals hearing on the request of S. D. Palazzolo, owner of the land at Mack avenue and Fleetwood, for a variance in off-street parking requirements in order to permit the construction of an office building, has been delayed once again.

The council unanimously approved a motion to postpone the hearing until the Monday, August 20, meeting. Mr. Palazzolo requested the postponement because architectural plans were not finalized.

This marked the third postponement of the hearing. At the regular meeting Monday, July 2, the council okayed a motion to adjourn the matter to the July 16 meeting. Then, at the July 16 meeting, the solons approved a motion to adjourn it to August 6.

"If You Have to Come Back to Have Your Car Fixed Over, We Both Lose."

You lose time, the use of your car, and maybe even your temper. And I just might lose a customer.

That's why I send my mechanics to a GM Training Center. They study the most up-to-date automotive repair techniques and work with the latest equipment. What's more, as part of Oldsmobile's "Total Service Involvement" Program, they also attend classes given by the Oldsmobile division to learn what's new. The way I see it, the more they know about your car the better they'll fix it.

Another thing we're doing to improve service is checking and double-checking every job going out of the shop to make sure that it's done right the first time.

That way, you come back because you want to. Not because you have to. And everybody wins.

We Don't Want You Back Because the Job Was Done Wrong. We Want You Back Because the Job Was Done Right!

Nedzi Appears On TV, Aug. 19

Congressman Lucien N. Nedzi, (D-Mich.), will be the guest on the Lou Gordon Show at 10 p.m. Sunday, August 19, on Channel 50.

Nedzi, a high-ranking member of the House Armed Services Committee, has just concluded hearings on possible involvement of the CIA in the Watergate affair.

As chairman of the Special Subcommittee on Intelligence, Congressman Nedzi has called as witnesses John Ehrlichman, Richard Helms, G. Gordon Liddy, John Dean, Dr. James Schlesinger, Charles Colson and H. R. Haldeman, among others.

School Funds Are Available

In a reminder from Washington, Congressman Lucien N. Nedzi, (D-Mich.), pointed out the availability of limited funds for students who wish to continue their education after high school, according to a news release from his office.

"The Basic Educational Opportunity Grant program authorized by Congress will provide more than \$122 million to nearly one-half million students," he said.

The funds are for grants, not loans, and are based upon a showing of financial need. This year the program is limited to first-year full-time students who are beginning their education after July 1, 1973, at any approved college, university, vocational school, technical institute or hospital school of nursing. An estimated 1.75 million students are eligible to apply.

These grants do not replace other federal programs providing funds to students, but rather are supplements to them.

The program, made possible under the Education Amendment of 1972, is the newest in a long line of student financial programs. Others include the National Defense Education Act of

1958 and the Higher Education Act of 1965.

Application forms may be obtained at financial aid offices of post-secondary institutions, high school guidance offices, post offices, State employment offices, Student Special Services projects or by writing Box G, Iowa City, Iowa, 52240.

To apply for a Basic Grant, a student must fill out an "Application for Determination of Expected Family Contribution." Within a month, he will be notified of the amount of his family's expected contribution. This notification is submitted to the school of his choice, which then calculates the size of the grant to which he is entitled.

NH Trackman Runs for EMU

Eastern Michigan University track coach Bob Parks recently announced the signing of nine trackmen to national letters of intent. One Pointer, Tom Przeslawski of North High was among the nine.

Przeslawski was a member of North High's Class A State Championship mile relay team. Although he was ill most of the outdoor season, he came back to run the third leg in the mile relay victory.

Coach Parks is trying to fill what he considered a weak area for the Hurons last season, the 880-yard range, and he is confident that Przeslawski will be able to help.

YOUR HUNT IS OVER.

A Fox is quick (0 to 50 in 10 seconds). It's surefooted (front-wheel drive). This sly, cunning sedan can take the sharpest turns nimbly (sports car type steering and suspension). It can stop straight in its tracks (special braking-steering systems). And it doesn't eat much (23 miles per gallon). Best of all, for a reasonable price you can catch the Fox.

DON'T WASTE
NATURAL GAS.

Guess who just lowered his heating bill.

Larry Hardin, that's who, by making sure his Gas furnace will be in tip top operating condition this winter. Larry just had a licensed heating contractor make a thorough prewinter inspection of his Gas furnace. Things like belts, motor, blower, burners, pilot, thermostat and filter. The man made adjustments where necessary, started and tested Larry's furnace for proper performance, and recommended repairs if needed. Larry's really tickled to know his furnace will be operating at peak

efficiency this heating season. Equally important, he'll be saving Gas and money, too.

You can do the same, if you're one of our home-heating customers. We're sending you a card with the name of a licensed heating contractor who serves your area, and a complete checklist he'll follow when inspecting your furnace. We strongly recommend that you contact him—or any licensed heating contractor—and have your furnace checked now.

Seek Offices in G.P. Woods

Ten individuals have taken out nomination petitions for the office of councilman in The Woods, while two have obtained petitions for mayor and one for municipal judge through Monday, August 13. At this time, no petitions have been completely checked for verification, it is reported.

Carissimi Rolls In GPSA Play

The first place division A tie in the Grosse Pointe Softball Association has been shattered as Carissimi dumped Schavi's, 8-2, on Saturday, August 11.

Prior to that contest, Fontana Brothers blasted Art Van, 10-4, on Monday, August 6. By doing so in this rescheduled game, Fontana knocked Art Van out of a three-way tie for first. This set the stage for the Carissimi-Schavi contest.

In other action, red-hot Carissimi swept two games from the Marauders, 4-1, 8-3, to advance to the playoff finals.

Who Carissimi will play remains the question as Keg-A-Brew and Schavi's split a twin-bill. Keg-A-Brew won the first game, 1-0, while Schavi's took the nightcap, 4-1.

The GPSA's All-Star game and league picnic is scheduled for Sunday, August 19, at the Edward Hines Park. It's set to begin at 12 noon.

DR. GALL PROMOTED

Park, Davis & Company recently announced the promotion of Dr. Edward J. Gall, of Van Antwerp road, to the new position of director of the general law section of the legal division. Dr. Gall joined Parke-Davis, a subsidiary of Warner-Lambert Company, in 1962 as a patent agent and in 1968 was named a patent attorney. He was promoted to senior attorney in the general law section last year. Before joining Parke-Davis, he was employed for two years as a research chemist by the 3M Company, St. Paul, Minn.

Petitions for three regular council terms and one unexpired term, plus those for mayor and municipal judge, were available Wednesday, August 1. All petitions, which must be signed by not less than 100 nor more than 150 registered electors, must be turned in by 5 p.m., Monday, September 10.

The regular council terms run from November 1973 to November 1977, while the unexpired term is from November 1973 to November 1975. The term for mayor also is from November 1973 to November 1975.

Nomination petition forms are available at the city clerk's office, The Woods Municipal Building, 20025 Mack avenue.

Brownell Sets Student Sign-up

Students new to the Brownell Middle School attendance area who will be entering grades 7 or 8 in September may register at the school office at 280 Chalfonte avenue weekdays between 8 a.m. and 4 p.m. A copy of the student's birth certificate and his most recent report card should be brought along.

Orientation for new seventh grade students from the Barnes and Monteith areas and for all other new students to Brownell this fall will be held in the gymnasium from 10 a.m. to 11:30 a.m. on Wednesday, September 5. The first day of school will begin at 8:45 a.m. on Thursday, September 6.

Class schedules and other information concerning the opening of school will be mailed to all students currently enrolled on Thursday, August 23.

Thieves Snatch Outside Items

Two Woods residents contacted The Department of Public Safety Monday, August 6, to report larcenies of outside articles.

A Manchester road citizen said someone snatched a white jockey boy about three and one-half feet tall from her front lawn sometime between 11 p.m. Sunday, August 5, and 7 a.m. on the 6th. It was valued at around \$75.

Meanwhile, a Huntington road resident told police someone removed a sun dial on a cement pedestal from her property. The dial, of unknown value, weighed about 60 pounds.

If the buses run for those games, they will depart from The Woods Municipal Building, (\$2 a person round trip), and the St. Clair Shores Municipal building, (\$2.50 a person round trip), at 7 p.m. SEMTA urges all residents to call in advance and make reservations no later than Thursday noon before the Friday game. The Lake Shore Division number is 822-9518. In the event of a cancellation, the Authority will inform those who made reservations.

Kennedy Crash Injures Pointer

overturned, injuring four of the occupants.

Besides Miss Schlaff, daughter of Mr. and Mrs. Nelson Schlaff, of Maumee avenue, three other girls and David Kennedy were injured. The youths were taken to Cape Cod Hospital in Hyannis. One of the accident victims, Pamela Kelly, 19, of Centerville, Mass., was reported in serious condition. The other youths were treated and released.

Joseph Kennedy has been charged with "operating a motor vehicle negligently so that the lives and safety of the public might have been endangered." A court appearance is expected.

BUYING A SECURITY SYSTEM?

When you buy an apartment at **The Jefferson Apartments** Grosse Pointe's newest condominium... you get not one, but a network of the most modern security systems to guard you, your home and your possessions.

A CLOSED TV MONITORING SYSTEM covers the entrance, outside parking areas and inside garage. The caller can be viewed from a selected channel on the owner's TV set in each apartment. The doorman and manager's office views the same areas.

THE ENTRY COMMUNICATIONS SYSTEM is a new system conceived and engineered by Michigan Bell Telephone Company. Using a touchtone panel telephone in the lobby, the caller dials the owner's apartment. This enables each party to have a private conversation. During the time the caller is in the entrance vestibule, he is under surveillance by the concealed TV camera.

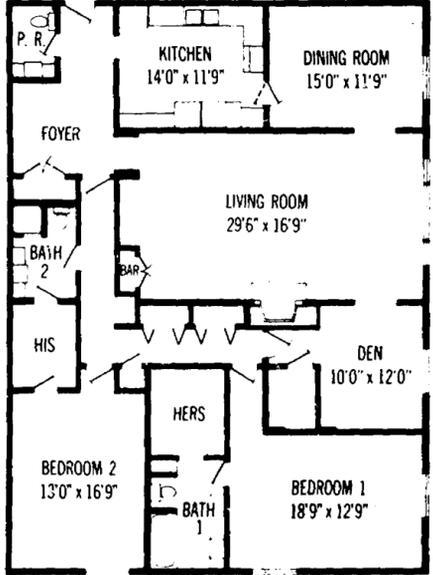

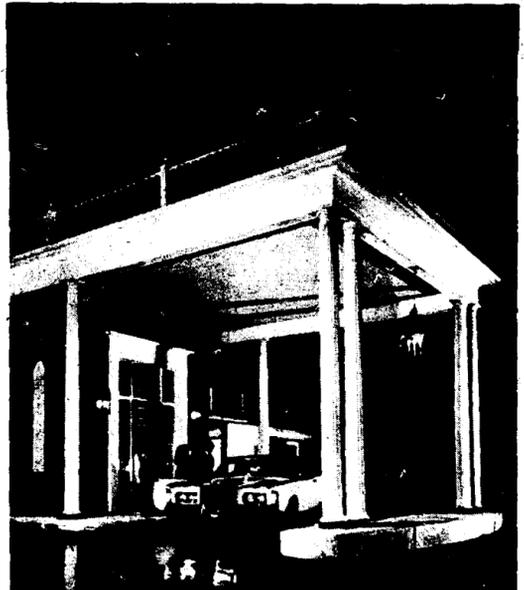

AN ON-GUARD ALERT SYSTEM features a control panel in the manager's apartment and the attendant's office. This notifies of any intrusion into any apartment when the occupants are away. The doorman or manager controls the system by activating the apartment's security supervision at the request of the owner.

THE FIRE PROTECTION ALERT SYSTEM gives added protection to all occupants of the building and will insure notification of each individual occupant of a fire in an unoccupied apartment.

Further elements of security are the uniformed doorman-attendant and resident caretakers.

Besides security, you also get really gracious living. Here is a typical spacious floor plan of an apartment home which features 9 foot ceilings, individual heating and cooling, top of the line G. E. kitchen with an icemaker and a washer-dryer. A wet bar is conveniently located for entertaining. Insulated walls, floors, plumbing and windows insure maximum quiet. Natural fireplaces, naturally.

There are three separate elevators and approximately a thousand square feet of private storage. Exterior maintenance, gardening and snow removal are arranged. The Jefferson Apartments is an adult community. Residents are home owners and enjoy tax deductions and the investment security of being a property owner and equity advantages.

The Jefferson Apartments is located 2 blocks from a beautiful park with boat slips, 3 blocks from Grosse Pointe Village shopping, 20 minutes from downtown Detroit by bus.

Don't worry about selling your home. Visit us and learn of our new trade-in program for your home, and our new pricing policy.

Cadieux Club Sets Three Bicycle Trips

The Cadieux (Easy Riders) Bicycle Touring Club reports its membership is growing at every week as riders zip here, there and everywhere. Twenty-two members ped-

aled about 15 miles through the club and participate in upcoming excursions. On Monday, August 20, the group will meet at Baldock Park for a Chandler Park tour at 6:30 p.m.

Then, on Thursday, August 23, a trip down Windmill Pointe drive will take place. Riders will meet at 6:30 p.m. at The War Memorial parking lot for this excursion. A tour of The Pointes will be featured on Thursday, August 30, when the group meets at The Woods Municipal Building parking lot at 6:30 p.m.

The group announced it recently purchased new jackets for every rider. They have the club's name on the back. For further information on the trips, call Marcel Viaene at 776-1018.

Police Arrest Careless Driver

City Police arrested a Roseville man for careless driving on Friday, August 3, and held two others for suspicion of violation of the Controlled Substance Act.

The two were later released.

While on routine patrol, City Officers Edward Miller and Ronald Pryor observed a car, driven by David J. Kimbel 22, of Roseville, driving east on Jefferson in an erratic manner.

The officers followed the car which periodically hit the street curbs and was weaving back and forth. They eventually stopped it at Jefferson and Fisher road.

Kimbel was ordered out of the car and asked to produce his license. The officers said he was weaving back and forth and had difficulty talking and getting his license out of his wallet. However, there was no evidence of alcohol on his breath.

The officers informed Kimbel he was under arrest for careless driving and would be taken to the police station.

The two passengers in the car, one of Sterling Heights and the other of Roseville, asked to come to the police station with Kimbel.

Officer Miller then saw a red shirt on the front seat of the car with large bulges in the pockets as well as two prescription bottles lying on the seat. Officer Miller found four other prescription bottles in the pocket of the shirt. The prescriptions were made

out to the Sterling Heights man.

The three men were taken to the police station. A sample of each bottle was held for lab investigation and were later identified as diet pills.

All three were released after Kimbel posted a \$40 bond for careless driving. His court date was set for Tuesday, August 28.

Rotary Official Visits Pointe

Rotarians welcomed the governor of this Rotary district, Edward M. Sawusch, of Plymouth, Mich., Monday, August 13.

Mr. Sawusch addressed the Rotary Club of Grosse Pointe, one of 44 in his district, and conferred with President Clarence Wascher, and other club officials concerning the group's plans for service activities.

Mr. Sawusch is one of 344 Rotary governors throughout the world who are serving as representatives of Rotary International in districts composed of member clubs. Each district governor is responsible for supervising the clubs in his area. Rotary, an international men's service organization, has more than 750,000 members in some 15,000 clubs in 150 countries.

Pierce Plans Pre-Sign-Up

There will be a pre-school registration for all seventh and eighth grade students who will be attending Pierce School this year and have not already registered.

The registration period will begin on Monday, August 20, and will be open from 9 a.m. to 11 a.m. every morning except Tuesdays.

It is hoped at least one parent will accompany his children to registration and bring a birth certificate and report card from previous school. For further information, please call 321-3883.

CONSERVE ENERGY AND SAVE MONEY:

With your present air conditioning—portable or central.
Proper use and maintenance can keep efficiency up and operating costs down. Some of the things that help a lot are: keeping your air conditioner clean, not overcooling and keeping it covered or indoors in the winter.

With the right ventilation, shade and landscaping.
The outdoor portion of the unit should be shaded as much as possible, at least during the warmest parts of the day. Shading your home with trees, awnings, or vines can help even more. Light-colored paint and proper attic ventilation are also important.

With the air conditioner you may buy.
You'll get the best air conditioning results if you buy a unit that's the right size for your room or home. It also should have a high Energy Efficiency Rating (7 or above). You may pay more, but its high efficiency will save on operating cost and conserve valuable energy.

With our free booklet.
We have lots more tips for you. Pick up your copy of "How To Get Your Money's Worth From Your Electric Air Conditioner" at your nearest Detroit Edison office. Or write us: Detroit Edison, Room 473—CB, 2000 Second Avenue, Detroit, Michigan 48226.

What Goes On at Your Library

By Virginia Leonard

A new, very funny book has just been published — **SADIE SHAPIRO'S KNITTING BOOK**; a novel by Robert Kimmell Smith. Sincere, genuine humor is hard to find these days; I think it's worthy of some study.

This book is not what you think it's going to be, for Sadie, a sprightly, wise little old lady in her 70's, having exhausted all the knitting and crocheting patterns in books, begins making up patterns, and in a rare moment of what-the-hell, she bundles a group of them together and sends them to a third rate publishing house. The only other book they seem to have published is **REDECORATING WITH WALLPAPER**. Then — everything breaks loose!

One of the editors, a young girl named Marian Wall writes gothics, (probably to keep the wolf from the door), and has an unknown admirer who calls her every day — not with obscene conversation, but rather with romantic trivia. She doesn't know who he is, but, mentally, has named him Heathcliff.

But let's get back to our little human dynamo, Sadie Shapiro, who jogs, and is trying to set up a jogging team where she lives, at the Mount Eden Senior Citizens hotel.

Harbor Press decides to publish Sadie's book, does so, and the first results in selling disappointing. This is discouraging, since Sadie had rounded up all of her friends, her ladies' groups — anyone to get the samples done to meet the two week deadline that lay ahead of them.

So, what to do? The group concerned in the publishing house put their heads together. One person thinks of dry goods stores, another thinks of all the knitting shops spread all over the country. There is the TV media — and finally the top of the pile — to appear on the Johnny Carson Show!

Everybody is worried about what Sadie will say on the Johnny Carson Show. At first Sadie is a bit frozen, but when she gets rolling, her native humor and her abiding honesty have the people roaring. In fact, she uses up too much time and they have to hurry the rest of the show through. Afterwards, when Marian Wall tells her she is definitely headed for stardom, Sadie says "I'm going to cross the Ruby Kahn. And what happens after that only God can say."

Of course the telegrams, telephone calls, letters roll in thunderously. What is even better are all the orders that come in for Sadie's book. Of course other television bookings follow. It is suggested that it be up for grabs between the Literary Guild and the Book-of-the-Month Club. How far up can one go? She even has a second appearance on the Tonight Show — and with more to come! The book is selling at \$8.95, so Sadie is doing very well.

LIFE Magazine follows her on one of the jogging trails; also the **WIDE WORLD OF SPORTS**.

Mount Eden is soon so overrun and harassed that Sadie decides temporarily to move in with Molly and her teenage daughter, Laura. The child is overweight and eventually Sadie gets her to jogging too!

What more could happen? A conglomerate asks to open a chain of knitting shops across the country on a franchise basis, and the fee they are offering is substantial. They want to use Sadie's name and call them Sadie Shapiro's Knitting Shops. Steps are taken for a non-profit, charitable foundation that will derive its income from Sadie's outside endorsements and activities. There will be a corporation and a board of directors. (Sadie would head the board with, possibly, two of her business friends).

Both the Literary Guild and the Book-of-the-Month take the book, not to mention the Arts and Crafts Book Club. The book is sold in England and France, and everyone knows it will eventually appear in German.

Then come thoughts of a second knitting book to be called **SADIE SHAPIRO'S OTHER KNITTING BOOK**. Where are they going — to the moon?

I've given you the main theme of the story. There is also a romance between Sadie and Sam, one of the men at Mount Eden. Heathcliff turns out to be one of the editors-in-chief who has been far too shy to whisper sweet nothings except over the phone. Laura gets fairly well straightened out, and Sara and Sadie are married — not on the Tonight Show, but at Mount Eden. As they flew off on a honeymoon ("Sadie" reached below her seat and took up her knitting.")

Shy Heathcliff and Marian are united also, so all turns out well. Read the book — it is really very funny.

One View From The Capitol

By William R. Bryant, Jr.

At the time of writing this article, (Monday, August 13), the Governor's office has indicated to me, contrary to their normal practice of maintaining secrecy on probable vetoes, that the over 30-mill provision of the 1973-74 School Aid Act would be vetoed by the Governor at the signing of the School Aid Bill Tuesday, August 14.

The so-called Over 30-Mill provision of this year's School Aid Act provided that any district levying in excess of 30 mills for school operation would receive from the State as a categorical school aid 1/4 of the amount locally yielded by the Over 30-Mill yield.

Senator Gilbert Bursley, representing the Ann Arbor area, and I, following the passage of the School Aid Act a few weeks ago, made a formal request to the Governor that he seriously consider veto of this provision. The provision was inserted into the School Aid Act by Democratic-led House action in a Democratic leadership attempt to throw the School Aid Bill into conference committee.

The insertion of the Over 30-Mill language became necessary to the Democratic leadership after 10 House Democratic representatives had voted with Republican members for the Governor and Bursley-sponsored version of the School Aid Bill which the Democratic leadership had unsuccessfully attempted to scuttle.

The Over 30-Mill provision would have entailed expenditure of some \$4 million with approximately \$450,000 of that amount going to the Ann Arbor School System and approximately \$80,000 of that amount going to the Grosse Pointe schools.

The principal reasons why Senator Bursley, the prime sponsor of the new Equal-Yield type of school aid formula, and myself felt it necessary to request this provision be vetoed by the Governor are the inconsistency between the basic Equal-Yield formula and this special provision giving a categorical grant to districts which happen to have high operating millage, plus the obvious political motivation which lay behind Democrat sponsorship of the provision.

I have tried to make clear in this column and to the school system I did not believe any special grant to districts levying over 30 mills could withstand a test of equity. My efforts this year in attempting to provide equity, or at least a greater degree of equity, in State school aid have consisted of my sponsorship of a provision by which districts with low operating millage and high debt retirement millage may receive substantial State aid in recognition of their combined effort.

The State Supreme Court may examine our new equal yield formula approach to school aid. In my opinion, our new school aid act is constitutional and should survive any court challenge. I would welcome your comments.

Letters to the Editor

Dear Sir:

I must comment on your story, "Not to feed the squirrels," ("Gives Warning on Squirrels"), featured in this Thursday issue of your paper, (August 9 edition). Shame on you "not to feed the squirrels." I feed them and they are not as you say they are. I do not see anything wrong with them. You must be a hater of them.

I hope someone stops feeding you and you'll see how it is.

A Detroit, Not a Grosse Pointer

(Editor's Note: Actually, this story was for the protection of both human and animal regarding hand-feeding. Farms Police Chief Robert Ferber, in noting that "Your goodness may result in the death of these animals," said a squirrel who has bitten someone will either be incarcerated for 10 days or will be killed and sent to the Wayne County Health Department for a rabies check).

★ ★ ★

Dear Sir:

Some unleashed dog, (it appears a large one), is being allowed to run free on McKinley avenue between Charlevoix and Beaurepaire nightly, and this dog almost is methodically carving up lawns front and back and along side of driveways with his thrashing feet; also there are other obnoxious dog tracks.

Unleashed dogs are in violation of the city ordinance and the police are being notified of this which seems to be taking place during after-dark hours.

The damage to the lawns is now becoming more than just small and causing inconvenience to residents on McKinley avenue in this area.

It is suggested that the dog owner keep this dog on a leash, or he may expect bills for damage and perhaps other action.

A McKinley avenue resident

Most Pointers will admit that autumn is around the corner, however, we are not quite ready to admit that summer is almost over. For those of you who are thinking about a worthwhile fall project, classes are about to begin at the Grosse Pointe War Memorial in braille transcription.

Mrs. John McNamara, of Touraine road, dropped by the NEWS offices to say that the classes will be held every Thursday morning at 10 o'clock beginning September 13. A veteran of eight years of braille instruction, Mrs. McNamara stressed that braille transcription is not difficult and can be mastered in a surprisingly short period of time by a conscientious student.

At the close of the course, students will be given a manuscript to transcribe into braille. These are sent to the Library of Congress which will issue certificates of Certified Braille Transcribers to all who attain an accepted level of proficiency.

Pointers wishing additional information on this very worthwhile project may call 881-9566 for additional information. There is no charge for the course; (Continued on Page 26)

A senior at Lake Superior State College and an Army ROTC cadet, KEVIN J. DAY, of The Park, recently completed the six-week advanced summer camp at Fort Riley, Kans. Along with other ROTC cadets, he put into action many classroom theories and procedures and moved closer to commissioning as Second Lieutenant upon graduation.

Pointe resident, DR. ROBERT NICCOLINI, a psychiatric consultant at Hutzel Hospital and an instructor in the Department of Psychiatry at Wayne State University, wrote in "Geriatrics" the signs and symptoms of mental depression associated with suicide. He stated that an unhappy mood, crying spells, loss of interest, feelings of guilt and pessimism and a decrease in efficiency and concentration are some of the visible indicators of depression which could increase suicide potential. He also described certain parameters of sex, religion, family history, environment and age that are used to estimate suicide risk. Dr. Niccolini agreed with findings in a recent national survey of psychiatrists that to reduce the suicide

Hutzel Hospital Opens New Section

Four Pointe women recently cut a ribbon of surgical gauze to open a new emergency suite at Hutzel Hospital in the Detroit Medical Center. Left to right are MRS. ROBERT NICCOLINI, of Wedgewood road, wife of a consulting psychiatrist on the hospital staff; MRS. DAVID D. WILLIAMS of Lake Shore road, wife of a trustee of the hospital; MRS. EU-

GENE C. MATHIVET, JR., of Lakeland avenue, a member of the hospital's Volunteer League; and MRS. WARREN WILKINSON, of Woodland place, first vice-president and former president of the Volunteer League. Members of the League donated \$90,000 to the hospital to construct, furnish and equip the emergency suite.

rate among the elderly, which is over ten times as high as that of any other age group, a change of focus in geriatric care is necessary. Rather than continuing to increase the number of geriatric residential and housing facilities, he said the social services for the aged must be expanded within the community.

In the past, students, upon graduating from college, put aside any thoughts of community activities in order to find a job in the real world. No longer so—volunteerism is now a profession. RICK NOBEL, formerly of Roslyn road, is the full-time paid director of the Office of Volunteer Community Service at the University of Virginia in Charlottesville. His original career goal of economics has become contingent to his present program.

Besides Mr. Nobel, the service is staffed by an attorney, a public relations person and two secretaries. Instead of being university-sponsored, it is a private corporation, which receives some funds from the university. The volunteer activities include tutoring, companionship therapy, medical services, professional services. Operation SCRUB, a housing repair rehabilitation pro-

grams and Big Brother/Big Sister work. During the school year, about 1,500 students of the approximately 13,000 undergraduates and graduate students volunteer anywhere from two to 10 or 15 hours a week.

Mr. Noble was a volunteer in the Big Brother program before taking over his position as director of the organization. He believes that "volunteerism is now a new kind of student activism." A University of Michigan

alumni, Class of '70, Mr. Noble sees volunteer work as a channeled outlet replacing the sometimes destructive protests of yesteryear.

Bringing together the community and the university, by means of volunteers—a "bridge between town and gown," as Mr. Noble says, can be a difficult task. It means getting along with the City Council, the businessmen and the students. This is the aspect of Mr. Noble's job that keeps him the busiest each day.

Symphony Women Offer 3 'Preludes'

Luncheon Concerts Will be Given at the Grosse Pointe War Memorial; New Conductor Aldo Ceccato Will Make Appearance

The Detroit Symphony Preludes, the "get to know your Orchestra" project of the Women's Association for the Detroit Symphony Orchestra, is off to an early start this year. A luncheon meeting for its committee members will be held on Tuesday, August 21, at the Detroit Press Club.

Chairman of the popular mini-musicals and luncheon series, part educational, part social, and all delightful, is Mrs. Arnold W. Lungershausen, of Berkshire road. There will be three Preludes this season, all to be held in the Grosse Pointe War Memorial Fries Ballroom, and all on Friday mornings at 11:15 o'clock. The dates are February 1, March 1, and March 22.

Maestro Aldo Ceccato, new Principal Conductor of the Detroit Symphony Orchestra, and Mrs. Ceccato will participate in the first program with an informal interview by Fran Harris and Noel Duncan. This will be on Friday, February 1, 1974.

The Friday, March 1, Prelude will be conducted by the Detroit Symphony Brass Quintet with Frank Kaderbek, trumpet; Gordon Smith, trumpet; Raymond Turner, trombone; Eugene Wade, French horn; and Wesley Jacobs, tuba. The musicians will discuss their instruments and present a short program.

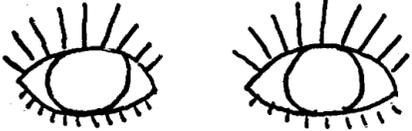

The Detroit Symphony Baroque Ensemble will present the last mini-musical

on Friday, March 22. Members of the Ensemble are Ervin Munroe, flute; Donald Baker, oboe; Barbara Fickel, cello; and Alice Lungershausen, harpsichord. A few words about baroque music, which has recently become so popular, and a brief explanation of the instruments will precede the musicale. Questions from the audience will be, as always, encouraged.

Each mini-musical will be followed by an optional luncheon. Series tickets may be purchased in two ways: \$20 for the three musicales and luncheon, or \$8 for the three musicales only. Single Prelude tickets are also available at \$7.50 (includes luncheon) and \$3 each.

Tickets may be obtained by sending a check or money order payable to Detroit Symphony Preludes, to Mrs. Arnold W. Lungershausen, 349 Berkshire Road, Grosse Pointe, 48230.

Committee members include, besides Mrs. Lungershausen, the Mesdames Russell E. Bauer, William H. Bundesen, Robert Fife, C. Jackson France, Kenneth E. Frankford, Berj Haidostian, (Continued on Page 18)

Christine Burczyk Weds Burt Allen

Bridegroom's Father Assists in Double Ring Ceremony; Couple Will Make Home in Lawrence, Kansas

In an afternoon ceremony on Saturday, August 4, at Holy Family Catholic Church in Detroit, Christine Ann Burczyk exchanged vows with Burt Mayfield Allen, of Sterling Heights. The bride is the daughter of Mr. and Mrs. Walter J. Burczyk, of Littlestone road; the bridegroom is the son of the Reverend and Mrs. Marion C. Allen, of Lawrence, Kansas.

Father Noel Pataconi, O.S.B., assisted by the bridegroom's father, officiated the double ring ceremony. A reception followed at Athena Hall in Roseville.

For the 3:30 o'clock rites, the bride selected a Renaissance style gown of satrapeau with a bodice trimmed in Chantilly lace. Her illusion veil was held in place by a camelot headpiece. She carried a cascade bouquet of yellow sweetheart roses and white poms.

The former Miss Burczyk asked her sister, Martha Burczyk, to be the maid of honor. Carrying a colonial bouquet of green and white poms, she wore a lime green dotted Swiss dress with an organdy trimmed jacket. Completing her outfit was a white picture hat.

The bridesmaids were Kay O'Toole, of Mt. Clemens; Kathy Kirsch, of Detroit; and Mrs. Don Mancinelli, of Detroit. Their ensembles in lemon yellow were identical to that of the maid of honor.

The flower girls were Kate Ryder, of St. Clair Shores, and Maura McKeever, of Devonshire road. They wore lime green dotted Swiss dresses with white sashes reaching the hemlines. They carried white baskets of green and white poms.

The ringbearer, Robert Zeltz, of Dearborn Heights, carried a heart-shaped pillow of lace with white streamers. Acting as best man was

the bridegroom's brother, Robert Allen, of Lawrence, Kans. In the usher corps were the bride's brother, Paul Burczyk; Benjamin Burdall, II, of Ithaca, N. Y.; James MacMahon and Frank MacMahon, both of Montreal, Can.

Mrs. Burczyk chose a predominantly yellow floral dress with a princess line. The dress featured long sleeves, a rolled collar and a full skirt. She wore a yellow orchid corsage. Mrs. Allen selected a turquoise sheath trimmed at the neckline with pearls. She wore a white orchid corsage.

Following a wedding trip to Toronto, the couple will be at home in Lawrence, Kansas.

Navy Radioman Second Class THOMAS K. CASSELL, son of MR. and MRS. JAMES CASSELL, of Cranford lane, was promoted to his present rank while serving with Patrol Squadron Thirty at the Naval Air Station in Patuxent River, Md. A 1965 graduate of Richmond Academy, Augusta, Ga., and a 1971 graduate of Augusta College, he joined the Navy in February, 1971.

Navy Airman Apprentice RICHARD C. ROBINSON, son of MR. and MRS. REGINALD ROBINSON, of Vernier road, completed the Aircrew Survival Equipment School in Lakehurst, N. J.

Married Saturday, August 4, in Holy Family Catholic Church in Detroit were CHRISTINE ANN BURCZYK, daughter of the Walter J. Burczyks, of Littlestone road, and Burt Mayfield Allen, son of the Reverend and Mrs. Marion C. Allen of Lawrence, Kansas.

Janet Morrison Married July 28

Janet Britton Morrison and Ronald LaGrand Baker exchanged marriage vows on Saturday, July 28, at the Christ United Methodist Church on East Warren avenue in Detroit. The bride is the daughter of Mrs. Regina M. Britton, of Roslyn road, and the late George L. Britton. Her husband is the son of Mr. and Mrs. Ronald Baker, of Warren.

The 3 o'clock ceremony

was performed by the Reverend G. Vernon White.

Serving as maid of honor was Regina Britton Watson, sister of the bride. Lyman, Baker, brother of the bridegroom, was best man. The ushers were Richard Hutchings and Brian Watson, a nephew of the bride. The couple will be at home in Warren after a wedding trip to northern Michigan.

Woods resident, JOHN M. QUINN, who competes in football and track at North High School, recently attended a Fellowship of Christian Athletes conference in Mt. Pleasant, on the Central Michigan University campus.

Transferring from West Suburban Hospital School of Nursing to Wheaton college, Wheaton, Ill., is REBEKAH SEARS, daughter of MR. and MRS. RAYMOND SEARS, of Yorktown road. She will be entering as a freshman.

Meadow Brook In Final Week

The final week of Meadow Brook Music Festival brings five exciting personalities to the pavilion stage: pianist Philippe Entremont, conductor Hiroyuki Iwaki, singer John Sebastian, jazz impresario Pete Fountain, and the irrepressible Victor Borge.

John Sebastian opens the Festival's eighth week with a concert on Wednesday, August 15, at 8:30. Mr. Sebastian, well-remembered as the founder and lead singer of the popular Lovin' Spoonful group in the 1960's, continues to write and sing his gentle songs about love, happiness, and the better life.

The Thursday, August 16, and Saturday, August 18, evening concerts will feature the expressive French pianist Philippe Entremont. A four-time winner of France's highest record honor, the Grand Prix de Disque, Mr. Entremont is especially noted for his sensitive interpretations of the romantic writers.

Guest conductor for the two concerts will be internationally renowned Hiro-yuki Iwaki, formerly Chief Conductor of the NHK Symphony in Japan and currently chief conductor of the Hague Philharmonic. He will conduct for the first time at Meadow Brook "Kyo-so" by the Japanese composer Ishii, as well as more familiar works of Schubert, Beethoven, and Sibelius.

Mr. Entremont will play Ravel's Piano Concerto for the Left Hand on Thursday evening, and the Saint-Saens

Second Piano Concerto on Saturday.

Meadow Brook favorite Pete Fountain returns by popular demand on Friday, August 17, at 8:30, after a sell-out concert last year. Born and raised in New Orleans, Mr. Fountain developed his famous jazz style and technique sitting in at various Bourbon Street clubs. His clarinet virtuoso has made him a national celebrity.

Victor Borge brings the 1973 Meadow Brook Festival to a grand finale with An Evening of Mirth and Merriment on Sunday, August 19, at 6:30. A famed pianist and distinguished musician, Victor Borge has become one of America's most beloved personalities because of his sophisticated sense of comedy.

Born in Copenhagen, Mr. Borge's impact on his adopted country has seen him shatter records on Broadway, become a star on the radio and television circuit, and receive awards for both professional and humanitarian causes from the United States Congress, Appearing

with Mr. Borge that evening will be Marylyn Mulvey.

All concerts are held at the Howard C. Baldwin Memorial Pavilion on the campus of Oakland University, Rochester, Mich. Tickets for the Meadow Brook Music Festival are available at Hudson's, Grinnell's, Wayne State University, Macomb County Community College, and the Festival Box Office. For ticket information, Pointers may call 377-2010, day or evening.

MRS. RAY W. MacDONALD, of Lochmoor boulevard, was recently elected to the Detroit Public Library's Friends Board of Directors. Mrs. MacDonald, who is active in many civic affairs, was named at the Friends annual meeting. The 30-year-old Friends organization provides financial and volunteer support to the Detroit library system. Samuel Thomas, Jr. was elected president, and C. E. Frazer Clark, Jr., was also named to the Board.

Eileen Pomaski Married August 10

Bride's Two Brothers Serve as Ushers; Bridegroom's Two Sisters Act as Bridesmaids at 6 O'Clock Rites

Eileen Pomaski, daughter of Mr. and Mrs. Joseph R. Pomaski, of Country Club drive, became the bride of Robert Couvreur in St. Peter Church on Friday evening, August 10. The bridegroom is the son of Mr. and Mrs. Arthur Couvreur, of St. Clair Shores.

For the 6 o'clock rites, at which the Reverend LeRoy Moreeuw officiated, the bride selected a gown of sateau trimmed with Alencon lace and featuring a chapel-length train. The dress was fashioned with an empire waist, long bishop sleeves and a bodice accented by embroidered pearls. Her elbow-length illusion veil was caught by a camelot headpiece.

Yellow roses, white carnations and baby's breath formed the bridal bouquet.

The former Miss Pomaski asked Mary Phillip, of McKinley road, to serve as maid of honor. Also dressed in yellow and green floral gowns were bridesmaids Janet Campans, of Flint; Diane Couvreur and Kathleen Couvreur, both sisters of the bridegroom, of St. Clair Shores.

The attendants carried bouquets of yellow carnations and green star flowers. Acting as his brother's best man was James Couvreur, of St. Clair Shores. In

the usher corps were Thomas Pomaski and Paul Pomaski, brothers of the bride, and Robert Peterson of St. Clair Shores.

For her daughter's wedding, Mrs. Pomaski selected a long green chiffon dress with lace accents. Mrs. Couvreur chose a long yellow gown with white beaded trim. Both mothers' flowers were white orchids.

The couple left the wedding reception, held at the Buckingham Hall, for a wedding trip to Jamaica. They plan to make their home in Detroit.

LYNDA LENAHAAN, daughter of MR. and MRS. DENIS LENAHAAN, of Crescent lane, recently received her Bachelor of Arts degree from Hillsdale College. Her major was economics and business administration.

Recently receiving a bachelor degree from the University of Denver at the summer commencement exercises was MICHAEL GLANCY, of Lake Shore drive.

Married Friday evening, August 10, in St. Peter Church was EILEEN POMASKI, daughter of the Joseph R. Pomaskis, of Country Club drive, to Mr. Couvreur, son of Mr. and Mrs. Arthur Couvreur, of St. Clair Shores.

Outdoor Rites for Elizabeth Belanger

Couple Wed on the Steps of the Lakeside Terrace of the Grosse Pointe War Memorial Alger House; Reception Follows in Garden

Elizabeth Ann Belanger, daughter of Dr. and Mrs. W. George Belanger, of Harvard road, and William Paul Adamski, son of Mrs. Michael F. Adamski, of Detroit, and the late Mr. Adamski, exchanged wedding vows on the steps of the lakeside terrace of Alger House, Grosse Pointe War Memorial, on Saturday evening, July 28.

The Reverend Karl Trautmann presided at the 6:30 rites. A reception followed on the terrace and gardens of Alger House.

Golden garnet sweetheart roses accented the bride's long-sleeved, high-necked, empire-waisted, silk jersey gown. She wore a wreath of golden garnet roses in her hair, and carried three roses symbolic of past, present and future.

Mrs. Carl Robert Quarnstrom, of North Oxford road, served as her sister's maid of honor, and another sister, Mrs. James George Lehl, of Eugene, Ore., acted as bridesmaid.

Carla Jo Quarnstrom, niece of the bride, was a junior

bridesmaid, and two other nieces, Dana Quarnstrom and Jodi Marie Lehl, were flower girls.

The attendants were gowned alike in floor-length yellow and white checked dresses trimmed with lace. Their flowers were golden garnet roses, daisies and baby's breath.

Michael J. Adamski, of Cleveland, O., was his brother's best man, and George R. Belanger served as usher at his sister's wedding.

The bride's mother wore a floor-length, yellow and white jersey sheath. Her corsage was of white sweetheart roses. Mrs. Adamski chose a long white pique dress featuring gold buttons from neckline to hem. Her corsage was of golden garnet roses.

Mrs. Carolyn L. Jayne, of San Francisco, formerly of Grosse Pointe, in town for a professional engagement, played guitar and sang at the ceremony. She composed and sang an original composition. Mr. and Mrs. Donald Adamski, Mr. and Mrs. Michael Fitzpatrick and Mr. and Mrs. Norbert Kakowski came from Alpena, Mich., for their nephew's wedding. Mr. and Mrs. Adamski are now at home in Neff road, following their wedding trip to Toronto and Montreal.

Youth Orchestra Plans Auditions

Summer auditions for young musicians who are interested in becoming members of the Detroit Sym-

phony Orchestra have been announced for Monday, Tuesday and Wednesday, August 27, 28 and 29, by the Youth Orchestra's administrator, Raymond Turner.

Applicants will be asked to play one prepared selection, (accompaniment is not required), and to sight read music. Audition appointments may be made by telephoning 961-0700.

Musicians who performed at preliminary audition sessions in June have been notified of final audition appointments. Any student who was invited to return for final auditions, but who has not yet received notification of a final audition date by mail, is urged to call 961-0700 to correct this oversight.

The Detroit Symphony Youth Orchestra, which will present three concerts this season plus a trio of chamber music programs, numbers over 100 talented young musicians from the metropolitan area.

The Youth Orchestra is sponsored by the Detroit Symphony Orchestra and was founded in 1970 to provide an opportunity for talented and interested young musicians to receive additional orchestral experience

Lovers of Grouse Bird Invited to Dinner Fete

If you are interested in the conservation of grouse and woodcock, you should attend the Monday, September 10, meeting of the Southeastern Michigan Section of the Ruffed Grouse Society of North America. The dinner meeting, starting at 7 p.m., will be preceded by a "get acquainted" party starting at 5:30. It is the first annual meeting of this section and is a must to grouse hunters.

The program includes movies of grouse hunting; a forecast of grouse hunting conditions throughout the state, an explanation of "Put and Take Pheasant Hunting," and a discussion of the activities of the grouse society and habitat improvement conducted by Section Chairman Bob Lytle.

The meeting will be held at the Raleigh House, Telegraph road (U.S. 24) near 10 Mile, about a mile south of I-696. Pointers need not be members to attend. Donation is \$9 in advance or \$10 at the door. Reservations, which are recommended, should be sent to: Jim Rainey, treasurer, 11301 Schaefer road, Detroit 48227.

Nancy J. Bradford Says Vows Friday

Couple Will Make Their Home in Euclid, O., Following Wedding Trip in Tahiti

St. Paul's On-the-Lake Church was the setting Friday evening, August 10, for the wedding of Nancy Jane Bradford, daughter of Mr. and Mrs. Joseph N. DiSante, of Alger place, to Richard Dale Nicholson, of Euclid, O. The bridegroom's parents are the Edwin Nicholsons, of Chesterton, Ind.

Co-officiating at the 7 o'clock rites were the Reverend James F. Cronk and the Reverend Raymond C. Holm, uncle of the bridegroom, of Covington, Ky. A reception immediately followed at the Gourmet House.

Serving as her sister's matron of honor was Mrs. Vincent F. LoCicero. Also gowned in halter dresses of apricot linen were bridesmaids Mrs. Gary Hendrickson and Mrs. Donald Shoemaker. Their dresses featured ruffled hems and matching capelets. They carried multi-colored French bouquets of dried flowers.

Preceding the bride were flower girls Cristina LoCicero and Lisa LoCicero, nieces of the bride, and Ann Nicholson, a niece of the bridegroom. The three girls were dressed in white embroidered organdy over apricot lawn, accented with apricot velvet ribbon at the waistline. They carried baskets of flowers.

For her wedding, the bride selected a gown of English net featuring re-embroidered Alencon lace appliques and

pearl beading. The cathedral-length train was of tulle and her silk illusion veil was held by a floral headpiece of silk hyacinths, stephanotis and baby's breath.

The former Miss Bradford carried a French bouquet of ivy, stephanotis, and baby's breath accented with yellow dried flowers.

Donald Shoemaker, of Euclid, O., was best man. Serving as ushers were Robert Nicholson, brother of the bridegroom, of Chesterton, Ind.; Al Niderstros, of Pittsburgh, Pa.; and Vincent LoCicero.

The mother of the bride wore a floor-length yellow silk organdy dress for her daughter's wedding. The sleeveless dress, which featured a double ruffle at the neck and hem, was accented at the waist by a satin ribbon and yellow silk organdy rose. Mrs. Nicholson, mother of the bridegroom, chose a pink floor-length gown fashioned with a pearl embroidered bodice.

Following a honeymoon in Tahiti, the new Richard D. Nicholsons will make their home in Euclid, O.

Scandinavians Host Festival

The five major Scandinavian nationalities, Icelandic, Swedish, Danish, Finnish and Norwegian, of diverse geographic, economic and social characteristics have cooperated to produce the third Spirit of Scandinavia Ethnic Festival on downtown Detroit's riverfront Friday through Sunday, August 17, 18 and 19.

A feature of this year's Scandinavian Festival will be the performance of the Scandinavian Festival Symphony, at 6:30 p.m., Friday, August 17.

Raising of the five Scandinavian flags by youth in national costume and the singing of the national anthems will precede the symphony.

In the food booths, Scandinavian delicacies will be on sale; pasties (meat-and-potato-filled dough), bologna, Finish stew, karjala pirakka (dough-wrapped cheese and potatoes), Swedish meatballs, Norwegian pea soup,

Danish pastries and fancy sandwiches.

"Spirit of Scandinavia" hours are from 1 p.m. to 11 p.m. Friday, noon to 11 p.m. Saturday and Sunday.

Traditional craftware such as knit caps, linen tablecloths, dolls, handmade plates, pewter candleholders, vases, cookbooks, flags, bread boards, cheese cutters and porcelain egg cups will be available in other booths.

Detroit Mayor Roman S. Gribbs will give official greetings at 6 p.m. Friday, August 17.

Kappa Alpha Theta Slates First Meeting

The first meeting of the new Kappa Alpha Theta Club has been scheduled for Tuesday, August 28. All Eastside Thetas are invited to come and reservations may be made by calling 885-5474 by Sunday, August 26.

At the meeting, which will be hosted by Mrs. Raymond C. Walk, suggestions will be taken for a local philanthropic project.

St. Paul Wedding For Cherie Renouf

Couple Leave for Wedding Trip in Southern Spain Following Reception at Grosse Pointe Hunt Club

Cherie Elizabeth Renouf and Robert Carleton Lucas exchanged marriage vows at a 1 o'clock ceremony in St. Paul's On-the-Lake Church on Saturday, August 11. The Reverend James Cronk presided at the rites which were followed by a reception at the Grosse Pointe Hunt Club.

The bride is the daughter of Mr. and Mrs. Stanley Joseph Renouf, of Lakeland avenue. The bridegroom's parents are Mr. and Mrs. Carleton B. Lucas, of Pompano Beach, Fla.

The bride selected a white batiste gown featuring bishop sleeves of Venice lace and a square yoke embroidered with pearls. Venice lace also decorated the three front panels of the gown and the two panels in the dress's train. A ruffled Venice lace trim finished the hemlines of both the gown and train. A re-embroidered Juliet

cap secured her double silk illusion veil. The bride carried a nosegay of white roses, stephanotis and baby's breath.

Julie Christine Renouf served as her sister's maid of honor. Bridesmaids were Catherine Anne Renouf, another sister; Anne M. Fisher; Christine B. Collins, of Detroit; and Mrs. Thomas Schrock, sister of the bridegroom, of Kalamazoo.

The bridegroom asked Thomas Schrock, of Kalamazoo, to act as best man. In the usher corps were Hal Le Duc, uncle of the bridegroom, of Union Lake; and three brothers of the bride, Christopher J. Renouf, Stanley J. Renouf, Jr., and Stephen P. Renouf.

Nosegays of white daisies, roses, blue bachelor buttons and baby's breath accented the bridesmaid's dresses of yellow and white check. The gowns were fashioned with high necks, puffed long sleeves and yokes trimmed with lace. Sashes tied the empire waists.

CHERIE ELIZABETH RENOUF, daughter of the Stanley J. Renoufs, of Lakeland avenue, became the bride of Robert Carleton Lucas, son of Mr. and Mrs. Carleton B. Lucas, of Pompano Beach, Fla., on Saturday, August 11, in St. Paul's On-the-Lake Church.

Mrs. Renouf wore a long, sleeveless dress featuring a white bodice and poppy-red-and-white skirt. Her collar was trimmed with matching red and white material and her costume included a short-sleeved jacket. Mrs. Lucas

selected a long, sea-green silk jersey dress with floor-length chiffon coat in green, turquoise and white. The couple will be at home in Cadieux road after their wedding trip to southern Spain.

Dale Marshall To Claim Bride

Mr. and Mrs. Charles Ferguson, of Royal Oak, announce the engagement of their daughter, Jennifer Lyn, to Dale T. Marshall, son of Mr. and Mrs. Morrison Marshall, of Bournemouth road.

The bride-elect was graduated from Dondero High School and from Central Michigan University. She has a Masters degree in Education and is presently employed with West Bloomfield Schools.

Her fiance was graduated from Grosse Pointe South High School and Ferris State College. He has a degree in

Business Administration and is presently employed with the Shaw Walker Company. An early spring wedding is planned.

Museum Shows Art Exhibit from Russia

Official notification has been received from the USSR that its touring exhibition of Impressionist masterpieces has been extended a month to include Detroit.

Formally titled "Impressionist and Post-Impressionist Paintings from the USSR," the selection from the Hermitage Museum in Leningrad and the Pushkin Museum in Moscow is the first exhibition of Western art ever lent to the United States by the Soviet Union.

The 41 paintings by 14 major artists of the period 1870-1920, including Matisse, Gauguin, Cezanne, Van Gogh, Picasso, Renoir and Monet, will be shown at the Detroit Institute of Arts from Wednesday, September 26, through Sunday, October 21.

The exhibition has been setting attendance records in Washington, New York, Los Angeles and Chicago since it debuted in the U. S. this spring.

Lee Hills, president of the Arts Commission, with assistance from Henry Ford II, chairman of the Ford Motor Company, and Richard

C. Gerstenberg, chairman of the board of General Motors Corporation, helped persuade Russian officials to include Detroit before the paintings were crated up for their scheduled return trip in mid-September.

An admission fee will be charged to offset costs.

Both the Soviet Union and the United States regard the loan event as a major breakthrough in the cultural exchange program between the two countries.

"The Russian decision to show the paintings here is a compliment to Detroit," Willis F. Woods, director of the Detroit Institute of Arts, said. "They have always known us as the prototype of the successful industrial city."

Seven of the paintings are by Henri Matisse, including his masterpiece, "The Dance." Five are the work of Paul Cezanne, among them the famous "Blue

Landscape" and "Mont Sainte-Victoire." Vincent Van Gogh is represented with three key works. Seven of Paul Gauguin's finest works, painted during his early years in Tahiti, are among these choice Impressionist works in the loan show.

Origin of the Russian collection dates to the turn of the century, between 1904 and 1914, when World War I began. It was prominently displayed after the Revolution but was relegated to museum storage in the 1930's when Stalin decreed that realistic painting was more inspirational for the Russian peoples.

In recent years, however, its display has again been made public, and the 41 works in the current show are only a small part of perhaps the largest collection of Impressionist and Post-Impressionist painting in any country except France.

Reception at the Detroit Yacht Club Follows 2 O'Clock Ceremony at Christ Church Grosse Pointe

Judith Anne Stedman and Russell Edward Wilcox exchanged marriage vows at a 2 o'clock ceremony in Christ Church Grosse Pointe on Saturday, August 11. The Reverend Arnold A. Fenton officiated.

The bride is the daughter of Mr. and Mrs. Lynn Gifford Stedman, Jr., of North Brys drive. The bridegroom's parents are Edward Arnett Wilcox, of Ferndale, Mich., and Beatrice Shurly Wilcox, of St. Clair Shores.

For the early afternoon wedding, the bride selected a white silk organza gown featuring a high neckline edged with a ruffle. A ruffle also edged the long sleeves. Floral lace applique accented the bodice, skirt and long circular train.

A cap of matching lace held her short, three-tiered veil. The former Miss Stedman carried a small Colonial bouquet of white roses and baby's breath accented by white streamers.

Serving as matron of honor was the bride's sister, Mrs. James A. Baubie, Jr., of St. Clair Shores. She was dressed in a white and green voile print gown accented by kelly green ribbon at the empire waist. A green picture hat, trimmed with a white band and bow, completed her outfit. She carried a small Colonial bouquet of white roses and baby's breath with green streamers.

Michael George Alschbach, of Harper Woods, acted as best man. Ushers were Gary Stephen Sworek, of St. Clair Shores, and Stuart James Dykstra, of Grosse Pointe.

Mrs. Stedman chose a navy and white print silk afternoon dress for her daughter's wedding. The mother of the bridegroom, Mrs. Wilcox, selected a dress of navy blue crepe with a white wheat design covering the full skirt and bodice.

Both mothers pinned corsages of white sweetheart roses to their shoulders. Out-of-town guests includ-

ed Mr. and Mrs. Robert S. Vanderzee, of Akron, O.

The new Russell E. Wilcoxes left the wedding reception at the Detroit Yacht Club for a honeymoon in Ontario, Can. They plan to make their home in Madison Heights.

On Thursday night, August 9, Mr. Wilcox, father of the bridegroom, gave a rehearsal dinner at the Bayview Yacht Club.

Mary Farnis To Say Vows

Mr. and Mrs. Mario J. Farnis, of Rosedale road, have announced the engagement of their daughter, Mary Louise, to Dennis J. Plunkett, son of Mr. and Mrs. Edward C. Plunkett, of Inks-

ter. Miss Farnis was graduated from Our Lady Star of the Sea High School. She attended Thomas Business School and is currently employed by General Motors Corporation.

An August wedding is planned in St. Joan of Arc Church.

More than 500 women die needlessly each year from cervical cancer in Detroit. However, in the last 25 years, the death rate from cervical cancer has dropped almost 50 per cent among white women, and almost 40 per cent among black women, in whom the rate of occurrence is twice as high. This finding reflects the improved outlook for women with this form of cancer.

The Michigan Cancer Foundation hopes to reduce the deaths from cervical cancer by 80 per cent within five years.

Wayne Offers Vets Program

Veterans who need an educational "second chance" are being actively sought by the Wayne State University Veterans Educational Opportunity Program.

The program, funded by a \$100,000 grant from the U. S. Office of Education, is a three-pronged drive to provide education for veterans who may think their learning skills are not sharp enough for them to take advantage of G. I. Bill educational benefits.

Veterans who may have dropped out of high school, for instance, can enroll in VEOP's General Educational Development Program, or G.E.D. The G.E.D. program provides basic courses toward preparation for examinations for high school equivalency certificates.

Vocational training for technical careers is provided under another part of the program. Facilities at community colleges and Cass Technical High School are used by students enrolled in these courses.

Still another part of the program is for veterans who wish to enroll in college and need preparatory courses. They take courses through the Wayne State Division of Urban Extension and are allowed to transfer to WSU or a community college upon successful completion of those courses.

Calvin McKinney, Director Counselor of the VEOP Program, said job placement will also be an important part of the program. Similar programs have been very successful in finding attractive jobs for veterans while they are still enrolled in courses.

McKinney was quick to point out that schedules can be arranged so veterans can continue in their present jobs while learning and drawing G.I. benefits. VEOP will also provide a

tutorial service for veterans who are enrolled in the program and domestic and financial counseling, where needed. The program headquarters are at 4216 McDougall, Detroit 48207. Registration for the fall quarter will begin Sept. 10 and continue through Sept. 17. Further information may be obtained by calling 577-4705.

Austin Names Varsity Coaches

New coaching assignments at Austin High School have recently been filled by Athletic Director Pete Pucher. F. J. "Bud" Newberry of The Woods has been named head coach of the varsity hockey team, while Steve Avsharian was selected assistant coach.

Newberry, a prep star at Notre Dame High School, also played junior "A" hockey with the Toronto Marlboros and varsity hockey at the University of Dayton, in Ohio. He has set as his goal to make the Austin hockey program "the finest in the United States."

Others named include Paul Rogers, head varsity baseball coach with Jan Szymczak as his assistant; Nick Rokich, head varsity track coach; Bruce Dyer head cross country coach, and Szymczak, Ross Baumann, Gary Buslepp and Jim Gerbe as assistant football coaches. Pucher is head coach of the gridgers.

Lynda A. Lenahan Married August 4

Following a Wedding Trip to Barbados, Couple Will Be at Home in Perrysburg, Ohio

Exchanging vows in the Grosse Pointe Woods Presbyterian Church on Saturday, August 4, were Lynda Ann Lenahan and Thomas Mount Clement. The bride is the daughter of Mr. and Mrs. E. Lenahan; the bridegroom is the son of Mr. and Mrs. Carl H. Clement, Jr.

For the 1:30 o'clock ceremony, at which the Reverend John Deason officiated, the bride chose a natural ivory linen gown with heavy Swiss embroidery inserts which formed panels in the long full skirt. Her bouffant cathedral-length veil was held in place by a Flemish cap of Swiss embroidery and was adorned with raised petals of matching lace.

The former Miss Lenahan carried a bouquet of pink tea roses, baby's breath, stephanotis, fern and pittisporum.

The bride asked Ann LaRocque, of Bloomfield Hills, to be the maid of honor. Bridesmaids were Jan Shepherd, of Bloomfield Hills; Mrs. David Root, of Toledo, Ohio; Jane Zimmerman, of

Shaker Heights, Ohio; and Betsy Clement, sister of the bridegroom.

The bridesmaids wore emerald green linen dresses which featured smocked bodices and a ruffle at the haltered necklines and hems. They carried bouquets of pink Fuji mums, pink carnations and pink daisies, accented by purple statice and pink-and-white checked silk bows and streamers.

Acting as a junior bridesmaid was the former Miss Lenahan's sister, Tete. Her dress was identical to those of the bridesmaids, but fashioned with a smocked back. She carried a small basket of the same flowers.

Mr. Clement asked his brother, Christopher Clement, to serve as the best man. In the usher corps were Carl Clement, also a brother of the bridegroom;

W. S. Cushman To Wed in Fall

Mrs. John W. Soper, of Farmington, Conn., and Geddes Parsons, of Roxbury, Conn., have announced the engagement of their daughter, Martha Kelso Parsons, to William Sanderson Cushman, son of Mr. and Mrs. Robinson Cushman, of Narragansett, R.I.

The future bridegroom is the son of Mrs. John H. Conway, of Pine Court, and the late J. Boyer Candler.

The couple plan a fall wedding.

David Root, of Toledo, Ohio; Jeff Day, of Toledo, Ohio; and Dan Lenahan, the bride's brother.

Mrs. Lenahan wore a floor-length gown of field flowers on a background of white pique. The dress had a long-sleeved, waist length jacket featuring a half-beit in the back. Mrs. Clement selected a blue chiffon floor-length dress fashioned with long sleeves and a high neck.

Relatives in town for the wedding were the bride's aunt, Mrs. Kenneth Smith, of San Diego, Cal., and the bridegroom's aunt, Mrs. William Anfin, of Radford, Va.

After a reception at the Detroit Golf Club, the couple left for a trip in the Barbados. The new Thomas Clements, both graduates of Hillsdale College, will make their home in Perrysburg, Ohio.

A planned move of GAIL and BARRY VAN TIEM, of Manor road, to Brighton, Mich., prompted MRS. RON HICKS to organize a family party at The Farms Park recently. Families attended, bringing with them a potluck dish for the buffet. Neighbors who came were MR. and MRS. ALLAN COX, MR. and MRS. LARRY LONWERS, MR. and MRS. STAR WADE, MR. and MRS. JOHN MARCUS, MR. and MRS. ARTHUR KEYES, MR. and MRS. TOM KIDD and MRS. BERNARD AL-LOR.

LYNDA ANN LENAHAN, daughter of the Denis E. Lenahans, of Crescent lane, became the bride of Thomas Mount Clement, son of Mr. and Mrs. Carl H. Clement, Jr., of Perrysburg, Ohio, in an afternoon ceremony at Grosse Pointe Woods Presbyterian Church on Saturday, August 4.

Popular Groups Hit Pine Knob

Singer Tom Jones will be at the Pine Knob Music Theater for a five-day engagement beginning Wednesday, August 15, through Sunday, August 19. Concert time is 8:30 p.m. except 7:30 p.m. on Sunday.

The British star has come a long way since his days as a builder's laborer in south Wales. Before he turned professional towards the end of 1964, he was a popular entertainer in his own country. He first gained national prominence when his recording off "It's Not Unusual" reached No. 1 in the British hit parade.

Since that time Mr. Jones has sold more than a hundred million singles, won over 24 gold records and been named Entertainer of the Year in more than a dozen countries.

The singer now spends a great deal of his time on tour. Nearly six of the nine months he devotes to his world tour are spent in the United States by public demand. This is his fourth major American tour in four years. At Pine Knob, he will be singing such old hits as "What's New Pussycat?" and selections from his new album "The Body and Soul of Tom Jones."

Following Tom Jones' performances, Chicago will be at Pine Knob for three days, Monday, August 20 through Wednesday, August 22. The concert is a complete sellout.

Detroit's own Rare Earth will be appearing at Pine Knob on Monday, August 27, at 7:30 p.m.

Most of the six members of Rare Earth, Ray Monette, Ed Guzman, Mark Olson, Gil Bridges, Mike Urso, and Pete Hooreibeke, played as back-up musicians on some of Motown's biggest records before gaining any recognition on their own. Ray Monette has played for virtually every artist on Motown plus a few Atlantic artists like Aretha Franklin and Wilson Pickett.

Rare Earth has had sold-out concerts all over the country, including one in Madison Square Garden. The group also has four gold albums, "Ecology," "One

MRS. EUGENE WALLACE, of Oxford road, was the recipient of a note from the White House recently. She had sent a clipping from the July 26 issue of the NEWS dealing with Dr. William Lange's trip to China, along with an accompanying letter to President. In it, she stated that more people who had visited China should make their views known to the public. This, she believes, would tend to establish more friendly relations between the U. S. and China. Ronald L. Elliott, Deputy Special Assistant to the President answered with a note reading: "It was thoughtful of you to give the President the benefit of your comments. He appreciates your encouragement and has asked that your message be brought to the attention of appropriate Government officials."

Detroit Main Library Offers New Exhibits

A centennial anniversary, a unique hobby, and every man's wish to get rich are the topics of exhibits currently on view at the Detroit Main Library, 5201 Woodward at Kirby.

The 100th anniversary of the founding of the Detroit News is commemorated in an exhibit in Adam Strohm Hall which features a News-prepared display of Great Photo Stories by News photographers, plus historical memorabilia calling to mind the period 100 years ago into which the newspaper was born. An authentic newsboy's delivery wagon of the

early 1900s is a feature of the exhibit.

The unique hobby is that of Don Loucks, "King of the Autograph Collectors." Instead of the customary autograph book, Mr. Loucks creates original collages which express the personality of the celebrity. The three-dimensional panels, which measure as much as two by three feet in size, are created with paint, papier mache, scraps of cloth, cut-outs, photographs, and other materials. Examples of signed collages made for entertainers, sports figures, and others in public life are on display in the third floor exhibit corridor near the Fine

Arts Department.

The Cass Concourse exhibit cases are devoted to a new bibliography prepared by the Library's Business and Finance Department, "How to Raise Your Investment I.Q." Books intended to improve the would-be investor's understanding of the stock market are on display, and free copies of the book-list are available for pickup. All three exhibits will continue on view through August at Main Library.

Serving as treasurer of the WSU School of Medicine Alumni Association is JAMES J. AIUTO, M.D., of Lochmoor boulevard.

A SOUTHERN COLONIAL . . . ALWAYS IN STYLE

Comes on strong with just as much appeal inside as from the curb. The marble floor foyer is larger than many living rooms. Not only does this southern colonial have a large family room, but there is also a library to complement the spacious living and dining rooms. The master suite includes dressing room and large bath. Two other bathrooms service another four bedrooms. You name it . . . our kitchen has it. The house has the luxury of central air conditioning, a central vacuum system and inter-comm systems to all rooms.

Wed Saturday afternoon, August 11, in Christ Church Grosse Pointe was JUDITH ANNE STEDMAN, daughter of the Lynn Gifford Stedmans, Jr., of North Brys drive, to Russell Edward Wilcox, son of Edward A. Wilcox, of Ferndale, and Beatrice S. Wilcox, of St. Clair Shores.

Judith A. Stedman Wed to Mr. Wilcox

Reception at the Detroit Yacht Club Follows 2 O'Clock Ceremony at Christ Church Grosse Pointe

Judith Anne Stedman and Russell Edward Wilcox exchanged marriage vows at a 2 o'clock ceremony in Christ Church Grosse Pointe on Saturday, August 11. The Reverend Arnold A. Fenton officiated.

The bride is the daughter of Mr. and Mrs. Lynn Gifford Stedman, Jr., of North Brys drive. The bridegroom's parents are Edward Arnett Wilcox, of Ferndale, Mich., and Beatrice Shurly Wilcox, of St. Clair Shores.

For the early afternoon wedding, the bride selected a white silk organza gown featuring a high neckline edged with a ruffle. A ruffle also edged the long sleeves. Floral lace applique accented the bodice, skirt and long circular train.

A cap of matching lace held her short, three-tiered veil. The former Miss Stedman carried a small Colonial bouquet of white roses and baby's breath accented by white streamers.

Serving as matron of honor was the bride's sister, Mrs. James A. Baubie, Jr., of St. Clair Shores. She was dressed in a white and green voile print gown accented by kelly green ribbon at the empire waist. A green picture hat, trimmed with a white band and bow, completed her outfit. She carried a small Colonial bouquet of white roses and baby's breath with green streamers.

Michael George Aischbach, of Harper Woods, acted as best man. Ushers were Gary Stephen Sworek, of St. Clair Shores, and Stuart James Dykstra, of Grosse Pointe. Mrs. Stedman chose a navy and white print silk afternoon dress for her daughter's wedding. The mother of the bridegroom, Mrs. Wilcox, selected a dress of navy blue crepe with a white wheat design covering the full skirt and bodice.

Both mothers pinned corsages of white sweetheart roses to their shoulders. Out-of-town guests includ-

ed Mr. and Mrs. Robert S. Vanderzee, of Akron, O. The new Russell E. Wilcoxes left the wedding reception at the Detroit Yacht Club for a honeymoon in Ontario, Can. They plan to make their home in Madison Heights.

On Thursday night, August 9, Mr. Wilcox, father of the bridegroom, gave a rehearsal dinner at the Bayview Yacht Club.

Mary Farnis To Say Vows

Mr. and Mrs. Mario J. Farnis, of Rosedale road, have announced the engagement of their daughter, Mary Louise, to Dennis J. Plunkett, son of Mr. and Mrs. Edward C. Plunkett, of Inkster.

Miss Farnis was graduated from Our Lady Star of the Sea High School. She attended Thomas Business School and is currently employed by General Motors Corporation.

An August wedding is planned in St. Joan of Arc Church.

Prentis Cancer Center Offers Free Pap Tests

Free Pap Tests will be administered during the months of August and September in the Meyer L. Prentis Cancer Center of the Michigan Cancer Foundation. The Prentis Center is located at 110 East Warren avenue.

Appointments may be made by calling the Michigan Cancer Foundation, a Torch Drive Agency, at 833-0710. Tests will be administered Monday through Friday between 9 a.m. and 4:30 p.m.

More than 500 women die needlessly each year from cervical cancer in Detroit. However, in the last 25 years, the death rate from cervical cancer has dropped almost 50 per cent among white women, and almost 40 per cent among black women, in whom the rate of occurrence is twice as high. This finding reflects the improved outlook for women with this form of cancer.

The Michigan Cancer Foundation hopes to reduce the deaths from cervical cancer by 80 percent within five years.

Wayne Offers Vets Program

Veterans who need an educational "second chance" are being actively sought by the Wayne State University Veterans Educational Opportunity Program.

The program, funded by a \$100,000 grant from the U. S. Office of Education, is a three-pronged drive to provide education for veterans who may think their learning skills are not sharp enough for them to take advantage of G. I. Bill educational benefits.

Veterans who may have dropped out of high school, for instance, can enroll in VEOP's General Educational Development Program, or G.E.D. The G.E.D. program provides basic courses toward preparation for examinations for high school equivalency certificates.

Vocational training for technical careers is provided under another part of the program. Facilities at community colleges and Cass Technical High School are used by students enrolled in these courses.

Still another part of the program is for veterans who wish to enroll in college and need preparatory courses. They take courses through the Wayne State Division of Urban Extension and are allowed to transfer to WSU or a community college upon successful completion of those courses.

Calvin McKinney, Director Counselor of the VEOP Program, said job placement will also be an important part of the program. Similar programs have been very successful in finding attractive jobs for veterans while they are still enrolled in courses.

McKinney was quick to point out that schedules can be arranged so veterans can continue in their present jobs while learning and drawing G.I. benefits.

VEOP will also provide a

tutorial service for veterans who are enrolled in the program and domestic and financial counseling, where needed. The program headquarters are at 4216 McDougall, Detroit 48207. Registration for the fall quarter will begin Sept. 10 and continue through Sept. 17. Further information may be obtained by calling 577-4705.

Austin Names Varsity Coaches

New coaching assignments at Austin High School have recently been filled by Athletic Director Pete Pucher. F. J. "Bud" Newberry of The Woods has been named head coach of the varsity hockey team, while Steve Avsharian was selected assistant coach.

Newberry, a prep star at Notre Dame High School, also played junior "A" hockey with the Toronto Marlboros and varsity hockey at the University of Dayton, in Ohio. He has set as his goal to make the Austin hockey program "the finest in the United States."

Others named include Paul Rogers, head varsity baseball coach with Jan Szymczak as his assistant; Nick Rokich, head varsity track coach; Bruce Dyer head cross country coach, and Szymczak, Ross Baumann, Gary Buslepp and Jim Gerbe as assistant football coaches. Pucher is head coach of the gridgers.

Lynda A. Lenahan Married August 4

Following a Wedding Trip to Barbados, Couple Will Be at Home in Perrysburg, Ohio

Exchanging vows in the Grosse Pointe Woods Presbyterian Church on Saturday, August 4, were Lynda Ann Lenahan and Thomas Mount Clement. The bride is the daughter of Mr. and Mrs. Denis E. Lenahan; the bridegroom is the son of Mr. and Mrs. Carl H. Clement, Jr.

For the 1:30 o'clock ceremony, at which the Reverend John Deason officiated, the bride chose a natural ivory linen gown with heavy Swiss embroidery inserts which formed panels in the long full skirt. Her bouffant cathedral-length veil was held in place by a Flemish cap of Swiss embroidery and was adorned with raised petals of matching lace.

The former Miss Lenahan carried a bouquet of pink tea roses, baby's breath, stephanotis, fern and pittisporum.

The bride asked Ann Larocque, of Bloomfield Hills, to be the maid of honor. Bridesmaids were Jan Shepherd, of Bloomfield Hills; Mrs. David Root, of Toledo, Ohio; Jane Zimmerman, of

Shaker Heights, Ohio; and Betsy Clement, sister of the bridegroom.

The bridesmaids wore emerald green linen dresses which featured smocked bodices and a ruffle at the haltered necklines and hems. They carried bouquets of pink Fuji mums, pink carnations and pink daisies, accented by purple statice and pink-and-white checked silk bows and streamers.

Acting as a junior bridesmaid was the former Miss Lenahan's sister, Tete. Her dress was identical to those of the bridesmaids, but fashioned with a smocked back. She carried a small basket of the same flowers.

Mr. Clement asked his brother, Christopher Clement, to serve as the best man. In the usher corps were Carl Clement, also a brother of the bridegroom;

W. S. Cushman To Wed in Fall

Mrs. John W. Soper, of Farmington, Conn., and Geddes Parsons, of Roxbury, Conn., have announced the engagement of their daughter, Martha Kelso Parsons, to William Sanderson Cushman, son of Mr. and Mrs. Robinson Cushman, of Narragansett, R.I.

The future bridegroom is the son of Mrs. John H. Conway, of Pine Court, and the late J. Boyer Candler.

The couple plan a fall wedding.

David Root, of Toledo, Ohio; Jeff Day, of Toledo, Ohio; and Dan Lenahan, the bride's brother.

Mrs. Lenahan wore a floor-length gown of field flowers on a background of white pique. The dress had a long-sleeved, waist length jacket featuring a half-belt in the back. Mrs. Clement selected a blue chiffon floor-length dress fashioned with long sleeves and a high neck.

Relatives in town for the wedding were the bride's aunt, Mrs. Kenneth Smith, of San Diego, Cal., and the bridegroom's aunt, Mrs. William Anfin, of Radford, Va.

After a reception at the Detroit Golf Club, the couple left for a trip in the Barbados. The new Thomas Clements, both graduates of Hillsdale College, will make their home in Perrysburg, Ohio.

A planned move of GAIL and BARRY VAN TIEM, of Manor road, to Brighton, Mich., prompted MRS. RON HICKS to organize a family party at The Farms Park recently. Families attended, bringing with them a potluck dish for the buffet. Neighbors who came were MR. and MRS. ALLAN COX, MR. and MRS. LARRY LONWERS, MR. and MRS. STAR WADE, MR. and MRS. JOHN MARCUS, MR. and MRS. ARTHUR KEYES, MR. and MRS. TOM KIDD and MRS. BERNARD ALOR.

LYNDA ANN LENAHA, daughter of the Denis E. Lenahans, of Crescent Lane, became the bride of Thomas Mount Clement, son of Mr. and Mrs. Carl H. Clement, Jr., of Perrysburg, Ohio, in an afternoon ceremony at Grosse Pointe Woods Presbyterian Church on Saturday, August 4.

Popular Groups Hit Pine Knob

Singer Tom Jones will be at the Pine Knob Music Theatre for a five-day engagement beginning Wednesday, August 15, through Sunday, August 19. Concert time is 8:30 p.m. except 7:30 p.m. on Sunday.

The British star has come a long way since his days as a builder's laborer in south Wales. Before he turned professional towards the end of 1964, he was a popular entertainer in his own country. He first gained national prominence when his recording off "It's Not Unusual" reached No. 1 in the British hit parade.

Since that time Mr. Jones has sold more than a hundred million singles, won over 24 gold records and been named Entertainer of the Year in more than a dozen countries.

The singer now spends a great deal of his time on tour. Nearly six of the nine months he devotes to his world tour are spent in the United States by public demand. This is his fourth major American tour in four years. At Pine Knob, he will be singing such old hits as "What's New Pussycat?" and selections from his new album "The Body and Soul of Tom Jones."

Following Tom Jones' performances, Chicago will be at Pine Knob for three days, Monday, August 20 through Wednesday, August 22. The concert is a complete sellout.

Detroit's own Rare Earth will be appearing at Pine Knob on Monday, August 27, at 7:30 p.m.

Most of the six members of Rare Earth, Ray Monette, Ed Guzman, Mark Olson, Gil Bridges, Mike Urso, and Pete Hoorelbeke, played as back-up musicians on some of Motown's biggest records before gaining any recognition on their own. Ray Monette has played for virtually every artist on Motown plus a few Atlantic artists like Aretha Franklin and Wilson Pickett.

Rare Earth has had sold-out concerts all over the country, including one in Madison Square Garden. The group also has four gold albums, "Ecology," "One

MRS. EUGENE WALLACE, of Oxford road, was the recipient of a note from the White House recently. She had sent a clipping from the July 26 issue of the NEWS dealing with Dr. William Lange's trip to China, along with an accompanying letter to President. In it, she stated that more people who had visited China should make their views known to the public. This, she believes, would tend to establish more friendly relations between the U. S. and China. Ronald L. Elliott, Deputy Special Assistant to the President answered with a note reading: "It was thoughtful of you to give the President the benefit of your comments. He appreciates your encouragement and has asked that your message be brought to the attention of appropriate Government officials."

Detroit Main Library Offers New Exhibits

A centennial anniversary, a unique hobby, and every man's wish to get rich are the topics of exhibits currently on view at the Detroit Main Library, 5201 Woodward at Kirby.

The 100th anniversary of the founding of the Detroit News is commemorated in an exhibit in Adam Strohm Hall which features a News-prepared display of Great Photo Stories by News photographers, plus historical memorabilia calling to mind the period 100 years ago into which the newspaper was born. An authentic newsboy's delivery wagon of the

early 1900s is a feature of the exhibit.

The unique hobby is that of Don Loucks, "King of the Autograph Collectors." Instead of the customary autograph book, Mr. Loucks creates original collages which express the personality of the celebrity. The three-dimensional panels, which measure as much as two by three feet in size, are created with paint, papier mache, scraps of cloth, cutouts, photographs, and other materials. Examples of signed collages made for entertainers, sports figures, and others in public life are on display in the third floor exhibit corridor near the Fine

Arts Department. The Cass Concourse exhibit cases are devoted to a new bibliography prepared by the Library's Business and Finance Department, "How to Raise Your Investment I.Q." Books intended to improve the would-be investor's understanding of the stock market are on display, and free copies of the booklist are available for pickup. All three exhibits will continue on view through August at Main Library.

Serving as treasurer of the WSU School of Medicine Alumni Association is JAMES J. AIUTO, M.D., of Lochmoor boulevard.

A SOUTHERN COLONIAL . . . ALWAYS IN STYLE

Comes on strong with just as much appeal inside as from the curb. The marble floor foyer is larger than many living rooms. Not only does this southern colonial have a large family room, but there is also a library to complement the spacious living and dining rooms. The master suite includes dressing room and large bath. Two other bathrooms service another four bedrooms. You name it . . . our kitchen has it. The house has the luxury of central air conditioning, a central vacuum system and inter-comm systems to all rooms.

Miss Hadley Weds Gregory Yezback

Couple Will Make Home in Harper Woods Following a Trip to Florida

Saint Maron Cathedral in Detroit was the setting for late afternoon wedding of Mary Sue Hadley and Gregory Anthony Yezback on Saturday, June 2. Father Ferris Kleem officiated the 5 o'clock rites.

For the ceremony, the bride, who is the daughter of the Willard J. Hadleys, of Balfour road, chose a satin and white silk organza gown with lily of the valley appli-

ques. The dress featured a shadow-paneled scoop neckline and a stand-up collar. A matching lace-trimmed headpiece held the long illusion mantilla.

The former Miss Hadley carried an arrangement of cymbidium orchids, stephanotis and mums intermingled with streaming ivy.

The bride asked her sister, Patti Hadley, to be the maid of honor. The bridesmaids were Mrs. Wayne Senneke, also a sister of the bride, of DeKalb, Ill., and Paula Yezback, sister of the bridegroom.

The maid of honor wore an embroidered floor length, dress of avocado-heather. The dress was fashioned with an empire waist trimmed in pearls and long, full chiffon sleeves. The bridesmaids'

lime green dresses were similarly styled. They carried bouquets of streaming ivy and mums matching the color of their dresses.

The bridegroom, who is the son of Mr. and Mrs. Joseph Yezback, asked his brother, John Yezback, to serve as best man. Acting as ushers were brother of the bride, Willard J. Hadley, IV, and Thomas Melchior, of Detroit.

Rhinestones accented the neckline of Mrs. Hadley's floor length, mint green dress featuring a bodice embroidered with pearls. They both wore a corsage of cymbidium orchids.

The bride's paternal grandmother, Mrs. Willard J. Hadley, Sr., of Shorewood, Wis., and her maternal grandmother, Mrs. Howard J. Alberts, of Kenosha, Wis., were in town for the wedding. Other relatives from Kenosha included Mr. and Mrs. James Ellsworth and their children. A close friend of the family, Leonard Pudge, of Oakbrook, Ill., was also present. The bridegroom's sister, Mrs. Judith Cramer, who lives in Florida, was in town for the occasion.

After a dinner reception in the Saint Maron Cathedral Hall, the couple left for a trip in Florida. They will make their home in Harper Woods.

Mr. and Mrs. G. A. Yezback

MARY SUE HADLEY, daughter of Mr. and Mrs. Willard J. Hadley, of Balfour road, and GREGORY ANTHONY YEZBACK, son of the Joseph Yezbacks, exchanged vows Saturday, June 2, in Saint Maron Cathedral in Detroit.

entire fair in the Community Arts building, with a special preview scheduled for Wednesday, August 22, from 7 to 9 p.m.

A Husband Calling Contest will be held at 3 p.m. Friday, August 31, which is open to any woman who feels in fine voice, utilizing the same basic techniques one would in calling a hog. It's hoped The Pointe will lend its local talent.

The crowning of the State Fair Queen will be at 8 p.m. on Wednesday, August 29. Beauty queens from all over the state will vie for this title.

Continual daily handicraft demonstrations will be offered in the Community Arts Building, including spinning and weaving, flower arranging, rug hooking, pottery and more.

Special contests for children will be held in the coliseum grove at 10 a.m. daily except Sundays and Labor Day. These favorites include the "most freckles contest" Friday, August 24, the "pie eating contest," Tuesday, August 28 and more, including egg throwing and bubble gum blowing contests.

Square and round dancing for any lightfooted fairgoer, with live bands, will be staged daily in the coliseum grove.

Children's Day is set for Friday, August 24, with re-

duced rates for children on all midway rides.

Ethnic Entertainment will be offered daily in the International Grove, featuring a wide variety of folk song and dance.

There's more, of course, from quiet quilting exhibits to Kung Fu demonstrations, from sheep shearing contests to fashion shows, from the baton twirling and strutting competition to "Facts and Fancies of Hypnosis."

It's all at the 1973 Michigan State Fair.

NANCY ROACH, of Bedford road, recently completed six weeks as a research assistant at Wayne State University. Ms. Roach, a University-Liggett School student, was one of three students assigned to research programs at the WSU School of Medicine. She worked in the Anatomy Department on electron microscopy, and presented a talk to her colleagues on how the electron microscope is used in research and in training medical students.

- 2% on each bond called for redemption on or after July 1, 1991, but prior to July 1, 1992;
- 1% on each bond called for redemption on or after July 1, 1992, but prior to maturity.

Notice of redemption shall be given to the holders of the bonds to be redeemed by publication of such notice not less than thirty (30) days prior to the date fixed for redemption at least once in a newspaper or publication circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds; provided, that where any bond shall be registered, then notice of the redemption thereof shall be given by mail addressed to the registered holder thereof at the registered address, which notice shall be mailed not less than thirty (30) days prior to the date fixed for redemption. Bonds so called for redemption shall not bear interest after the date fixed for redemption provided funds are on hand with the paying agent to redeem the same. The principal of said bonds and the interest thereon shall be payable in lawful money of the United States of America at such bank or trust company located in the State of Michigan and qualified under Michigan or Federal law to act as paying agent as shall be designated by the original purchaser of the bonds and approved by the City. A co-paying agent similarly qualified, designated and approved, but located either within or without the State of Michigan, may also be named.

Section 2. If any section, paragraph, sentence, clause or phrase of this ordinance shall be held invalid, the same shall not affect any other part of this ordinance.

Section 3. All ordinances and resolutions and parts thereof insofar as the same may be in conflict herewith are to the extent of such conflict hereby repealed.

Section 4. This ordinance shall be published in full in The Grosse Pointe News, a newspaper of general circulation in the City of Grosse Pointe qualified under State law to publish legal notices, promptly after its adoption and the same shall be recorded in the Ordinance Book of the City and such recording authenticated by the signatures of the Mayor and City Clerk.

Section 5. This ordinance is hereby determined by the City Council to be immediately necessary for the preservation of the health, safety and Welfare of the City and shall become effective immediately upon its adoption.

CITY OF Grosse Pointe Farms MICHIGAN SUMMARY OF THE MINUTES August 6, 1973

The meeting was called to order at 8:15 p.m.

Present on Roll Call: Mayor William G. Butler, Councilmen Mark C. Stevens, Nancy J. Waugaman, Richard C. Hudson, W. James Mast and E. Rust Muirhead.

Those Absent Were: Councilman James H. Dingeman.

Mayor William G. Butler presided at the meeting.

The Minutes of the Regular Meeting which was held on July 16, 1973, were accepted as corrected.

The Council received a Petition for Amendment to the Zoning Ordinance and a Request for Variances and Approval of Site and Architectural Plans, filed on behalf of Superior Lake Enterprises, pertaining to Rose Terrace; and deferred the matter pending the establishment of procedures and criteria for site plan review.

The Council granted the appeal of Mr. Edward M. Ranger of 335 Grosse Pointe Boulevard; and thereby authorized the issuance of a Permit for the construction of a six-foot stockade fence to surround the rear yard on his property located at the foregoing address.

The Council approved the low bid of General Electric, in the total amount of \$4,920, for the purchase of six new portable, hand-held radio transceivers, in accordance with the specifications.

The Council received the followup Reports and ordered them placed on file:

A. Grosse Pointe Youth Services Division's Report for the month of June, 1973, both for the entire Division and for the City of Grosse Pointe Farms, in particular.

B. Police Department Report for the month of July, 1973.

C. Police Department Bicycle Safety Status Report, dated August 1, 1973.

The Council approved an Agreement with Local 522, Council 23, A.F.S.C.M.E., A.F.L.-C.I.O., for a three-year period beginning July 1, 1973.

The Council approved the adjustments in the salary schedule for the Departmental Supervisors and the Administrative personnel.

The Council scheduled a Public Hearing to be held at 8:00 p.m. on Monday, August 20, 1973, to consider a Resolution authorizing the City to proceed with necessary weed cutting and general clean-up on vacant lots, and to assess the cost of the project to the property owners on the tax rolls for the foregoing work.

The Council approved payment of a statement from the firm of Vilican-Leman & Associates, Incorporated, in the amount of \$210.00, for professional community planning services rendered by the foregoing firm pertaining to the new Zoning Ordinance.

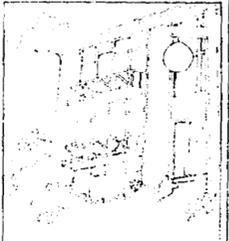

Upon proper motion made, supported and carried, the meeting adjourned at 9:45 p.m.

State Fair Set For August 23

The 1973 Michigan State Fair is coming soon. So it's about that time for Pointers to dust off their cruddiest sneakers, perfect for hog viewing, and head over to the Fairgrounds at Woodward and Eight Mile road in Detroit.

Opening noon, Thursday, August 23, and running through Labor Day, Monday, September 3, this year's fair offers several first-time events in addition to many proven favorites.

New this year are a Festival of Foods, offering good things to nibble and munch as well as displays, demonstrations and consumer tips from food experts; an animal petting farm where children can pet and snuggle animals their own size, and rides in an "Around the World in 80 Days" style ascension balloon.

There also are 13 top entertainers in free twice-daily shows, two auto thrill shows and 23 free horse shows especially featuring the Detroit Mounted Police. There will be exhibits of more livestock, produce and handicraft than most people can probably cover in a day, and of course, the midway with rides and games and mountains of hot dogs.

The Fair's star entertainers will perform daily at 4:30 p.m. and 8:30 p.m., except for the Labor Day shows at 3 p.m. and 6 p.m.

Some of the scheduled entertainers are Roberta Flack, Thursday, August 23; Doc Severinson and the Now Generation Brass, on Friday, August 24; Ann Murray, Sunday, August 26; Loretta Lynn and Buck Owens, Monday, August 27; Jerry Lee Lewis, Tuesday, August 28; Bill Cosby, Thursday and Friday, August 30 and 31; and Joey Heatherton, Saturday, September 1.

In addition, Dan Fleenor's Hurricane Helldrivers will perform daredevil driving feats Friday, August 24 through Monday, August 26. The International Demolition Derby, called "the world's largest traffic accident" and really a Dodge 'em game using real cars, will be crashing and smashing on Sunday evening, September 2. If you can believe that...

Other State Fair highlights include the following. A new feathered ascent ride in David Lee Claggett's "The Stars and Stripes," a 70-foot high hot air balloon. Mr. Claggett, a Ypsilanti aeronaut, will operate the ride daily, weather and wind conditions permitting, of course.

A National Heavyweight Draft Horse Championship will be held in which horses

A State Fair Art Show will be set up for viewing, with professional and amateur competition in painting, prints, drawings, photography, ceramics and weaving. The show runs for the

SUNDAY

OPEN HOUSE 2-5 1985 HUNT CLUB. All Brick Colonial, large living room with wood burning fireplace. Extra first floor room, paneled recreation room, large master bedroom and excellent location in the Woods make this the best buy on the market in the low 30's. Frank Huster will be there to show you around.

1604 EDMUNDTON. Be the first to see this new offering, which we think is the best buy in the three bedroom ranch variety. There is a bath and a half and great family room. The garage is attached and the yard completely fenced.

APPOINTMENTS PLEASE

THE LAST TIME this one appeared on the market it sold immediately. We think history repeats itself, so if you are a serious contender for a newer house and require only three bedrooms, this would be the one. The two full baths on the second floor make great dressing rooms. Natural fireplaces are in both living room and family rooms. The well landscaped yard is fenced and the house is air conditioned. Don't let this one catch you looking... someone else may beat you to the punch.

CLNOIAL ON large lot. Shouldn't you have a home in a park-like setting? Easy living, too, with large bedroom and bath on first floor and two large bedrooms and bath on second. Priced to sell in low 50's. 1375 Hollywood.

FIVE BEDROOM COLONIAL IN THE FARMS. Very attractive brick colonial with five bedrooms and three baths. Living room has natural fireplace and an attractive paneled den is included. Recently remodeled Mutschler kitchen. On a secluded tree lined street it is in top notch condition.

FOUR BEDROOM REGENCY COLONIAL. On a quiet cul-de-sac in the Farms—near the lake. Attractive formal home. The large living room with fireplace has French doors leading to screened porch with awning roof. In addition to the four bedrooms, the second floor has a magnificent paneled library with fireplace. Call us for an appointment.

ALL GOOD THINGS COME to those who wait, and we are proud to offer this Regency colonial in the Farms which was custom built for a small family desiring spacious rooms with high ceilings and attractive detailing. On a deadend street which leads from Lake Shore this little gem is sure to go off... the market soon. Because the price is only \$79,500.

ULTIMATE IN CONTEMPORARY DESIGN. One of the Pointe's finest example of contemporary architecture. Loaded with special features such as octagonal family room with flagstone floor and radiant heat. The kitchen equipment would satisfy the most fastidious gourmand. If this doesn't whet your appetite, call us for more details.

SHORES RANCH ON A SECLUDED STREET. This fine three bedroom ranch has two full baths. Delightful family room is accessible from the living room or the breakfast room. Full basement includes a recreation room and lavatory. Available for immediate occupancy.

MAGIFICENT FRENCH COUNTRY HOUSE. Seldom have we had the opportunity to present such an attractive home. Just recently redecorated it is a picture of elegance. On a three hundred foot lot it includes a heated swimming pool, green house and carriage house with apartment. Call us now for more details.

SUMMERTIME, wintertime, all the time this house provides the ultimate in living. Enjoy central air conditioning and reliable forced air gas heat. The family room has a fireplace and the kitchen is a showplace. Upstairs are five bedrooms and two baths. There's a full basement with playroom, laundry and storage rooms. The two car garage is attached and the fenced yard magnificently landscaped. Just add your furniture and move in. Occupancy is at your option.

Farms Officer Nabs Speedster An early morning speedster apparently stopped for a "nap" before being arrested by Farms police Thursday, August 9. Officer Gerald Deburghgraeve, while stopped on Grosse Pointe boulevard at Moran road, heard the sound of squealing tires and an auto rapidly accelerating. He spotted the vehicle, driven by William Loring Newnan, Jr., 18, of Washington road, in his rear-view mirror zipping along the boulevard at a high rate of speed.

As the auto passed by, the officer gave chase with the overhead lights swirling and siren blaring. A speedometer check showed he was going 79 m.p.h., and the youth was still pulling away.

Finally, Newnan, pulled over at McKinley place, shut off the motor and attempted to pretend he was asleep by laying across the front seat, police said. In his report, the officer stated Newnan maintained the position he had been there sleeping for 10 minutes, and didn't know what this was all about.

The youth was issued a violation for speeding in excess of 70 in a 30 m.p.h. zone. He was released on his own recognizance for arraignment in The Farms Municipal Court Thursday, August 29.

MRS. ROBERT E. VALK, OF RENAUD ROAD, met three-year-old Elizabeth Homfelt on a recent tour of United Cerebral Palsy Association of Detroit, where Elizabeth is a patient. Mrs. Valk is chairman of the United Foundation Torch Drive residential campaign Northeast Unit.

By Kathy Duff

Most women would be slightly uneasy at the thought of having 13,000 volunteers under them. Matter of fact, most women would panic. However, Mrs. Robert E. Valk, of Renaud road, acts as though it was the natural "next step" after her many years of involvement with the United Foundation Torch Drive.

Asked how she became so dedicated to the Torch Drive, Mrs. Valk (Alice) will smile and say, "It came in the moving van."

Besides being Alice's modest way of shrugging off praise, the comment refers to the Valks' move in 1960 from Toledo, O., her home town. In the van, besides the Valks' family possessions, came Alice's high commitment to the United Foundation and other service organizations which have always been a part of her life.

Sitting in the mostly red library of the Valks' Renaud road home, Alice said that she had been a section chairman during the 1972 Torch Drive. In early spring, she was asked to step one rung higher to the post of Northeast Unit chairman. Alice immediately said yes, even though it meant that she was responsible for all five Pointes, Macomb County and part of Detroit.

"Before we moved to Detroit, I was involved with United Foundation in Toledo. There it was called the Community Chest. When we moved to Detroit, I volunteered here."

Two Young Helpers
Alice has served in almost every capacity while as a Torch Drive volunteer. She will recall the year she collected door-to-door with her two daughters, Marie and Susan, even though both periodically retired to strollers en route. Remembering those years, Alice will stress that there is a volunteer job for everyone willing to contribute, no matter what the volunteer's schedule.

"Every time I visit one of the United Foundation agencies, I am impressed. A few weeks ago, I visited the United Cerebral Palsy Association of Detroit. I was amazed at what those chil-

dren can do. Most of them wore braces, yet managed to climb ladders and they were as active as any children. "The teachers kept an eye on the children, but left them to play independently. If I were a teacher, I would have bitten my nails to nothing!"

"Another agency I recently visited was the Michigan Cancer Foundation. I had no idea that so much research was carried on at the foundation, I thought that it was more of a referral agency. "Visiting the Cancer Foundation only strengthened my belief that everyone benefits from the United Foundation. It helps support so many organizations, including the YMCA and YWCA."

While Elephants
It is definitely a United Foundation summer for Alice this year. However, any season will find her immersed in a plethora of community activities. Every spring, you can find Alice and Mr. Valk up to their elbows in second-hand goods donated to the annual Planned Parenthood White Elephant Sale. Planned Parenthood is another service organization that came in the moving van from Toledo. At least, according to Alice. She served on the League's board while in Toledo.

When her two girls were students at the University-Liggett School, she often found herself a room mother and a member of other school committees. Every year, when the U-S June Carnival would roll around, the private school had a bigger volunteer assignment for Mr. and Mrs. Valk. By the time the youngest daughter, Susan, was graduated, the couple had served as chairmen of the entire fair.

However, just as the two girls got their mother interested in school activities, their mother got them involved in her pet activities. Both girls were active in the Christ Church Grosse Pointe Altar Guild, which Alice headed for several years. The Guild, in charge of the altar flowers and other, liturgical furnishings, is also responsible for taking the flowers to the congregation's sick.

Both girls served as president of the Sigma Gamma Association juniors, and often volunteered their time at the downtown Detroit Orthopaedic Clinic.

On a short tour of the Valk home, each room reflects the different activities the Valks enjoy. The back sunroom, a peninsula of glass extending into the Valks' backyard, displayed Alice's garden and the family swimming pool.

Hungry Pigeons
Alice loves to garden and has scored many successes and only one failure in recent years.

"This spring, the Junior League Gardeners planted the downtown Kern Block with a very fancy assortment of flowers. You won't believe it, but the pigeons ATE all the flowers. So we replanted the block with marigolds, which we are told the pigeons won't eat."

Needlepoint is everywhere, from a yellow and green pillow in the sunroom, (which Alice terms a "sampler" although its varied stitches should earn a person a Ph.D. in needlepoint) to a piano bench cover designed to match surrounding floral upholstery patterns.

Alice could be called a perfectionist, but it is just doing what comes naturally for her.

In the living room is some of Marie's art work. Currently, the oldest daughter is studying graphics at the Parsons School of Design in New York. On a coffee table is one of her sculptures, a three-quarters head of a boy.

"Marie just loves New York City, and we think that she is a confirmed New Yorker. Over this summer, she is working in an advertising agency before returning to Parsons for her last year."

Susan was no where to be seen last Friday morning as she has her own summer day camp which she organized with two of her girl friends.

"She will start her second year at Pine Manor this fall. Susan is very interested in working with children, but she has not decided in which field."

Once in the kitchen, one of Mr. Valk's hobbies surfaced. Hanging over a solid wood carving table (Alice bought it from Hudson's after it had outlived its purpose as a display property) is a set of metal cooking utensils which would boggle anyone's mind, other than a junior Julia Child.

Taco Master
"Bob just loves to cook, and the girls are always begging him to make a Mexican dinner." Alice commented as she surveyed the four rungs of hanging utensils.

GULYAS SOUP

Contributed by Mrs. Andrew Vince, of Blairmoor Court

- 1 1/2 oz. lard (or oil)
- 2 medium sized onions
- 1 tbsp. paprika
- 1 tsp. salt
- 1 tsp. pepper
- 2 lbs. beef (cut in cubes)
- 1/2 raw potato grated
- 1 tbsp. tomato paste
- 4 1/2 pts. bone and vegetable stock, (should be seasoned with salt)
- 1/2 tsp. caraway seed
- 2 or 3 small potatoes
- 1 green pepper (carrots, celery and Hungarian parsley roots are optional)

Fry finely chopped onions in lard or oil to a gold brown color, add paprika and salt after removing onions from heat. Add the beef cut into walnut-sized cubes, caraway seeds and the grated raw potato. Cover and simmer about 10 minutes, stirring occasionally. Add tomato paste, half cupful of stock; simmer till meat is nearly done. Then add the remainder of the stock; bring to boil, add potatoes cut in small cubes, carrots, celery, and Hungarian parsley roots cubed, if used.

CSIPEKKE

(Genuine Hungarian Gulyas Soup is garnished with csipek, according to Mrs. Vince)

- 1 cup flour
- 1 egg
- pinch of salt

Sift flour into a bowl, add egg and salt. Knead ingredients into a stiff dough. (Add small amounts of water if necessary.) Flatten between your palms and pinch into small, bean-sized pieces, add to the gulyas and boil slowly for 10 minutes before serving.

to Europe together. Bob is often over there on business since he is with Essex International."

As the October 16 Torch Drive draws near, Mr. Valk had better enjoy cooking dinner more and more often! His wife will be out in the field helping marshal the 13,000 volunteers in the campaign.

However, Mr. Valk is also an active Torch Drive volunteer. Recently he was asked to "star" in a UF leadership training film. The film, to be shown to thousands of Torch Drive volunteers in the charter campaign, (the sector of the campaign aimed at business contributions), was made last May by Wayne State University students.

United Giver
"I can't emphasize enough how much I believe in united giving. By giving the united way, only a very small percentage of donations is absorbed in campaign costs. It is only because I believe so strongly in the United Foundation that I accepted the region chairmanship. I knew that I would have to give up all other activities during this time."

Any other Pointe women who would like to donate their time to the 1973 Torch Drive should contact UF headquarters at WO 5-7100. Especially if you are one of Alice Valk's friends—that is the only way you will be able to see her this fall!

Carl's Corner

After nearly 40 years of fishing in Northern Canada, the wife and I landed 2 Northern Pike on consecutive casts weighing 23 and 25 1/2 lbs. each.

Now we find that our big yellow giant in New York (Eastman Kodak) is bringing out a new film, camera and projector that will record sound on the film as you take the movies. "I would have given anything to have recorded the wife's reaction to the sight of her pike passing under the boat and the subsequent landing."

The camera will be available in early September and it will probably revolutionize the amateur movie business.

Hungary, Anyone?

Grosse Pointe has a pocket of Hungarian culture on Blairmoor court! Mr. and Mrs. Andrew Vince, both active members of the Detroit Hungarian community, have spent the last year making final plans for their recently opened supper club in Hazel Park.

No one could better represent the Hungarian community, as Mr. Vince is a former Hungarian actor, singer, and star of numerous Hungarian operettas. He is widely known in Detroit as a crusader of Hungarian culture. He was charter president of the Hungarian Arts Club of Detroit, worked with the Hungarian churches and societies in the resettlement of Hungarian refugees. In recent years, he has promoted Hungarian musicals and variety shows at the Masonic Temple. Besides his new career as restaurateur, he is currently a Hungarian broadcaster.

Mrs. Vince is a business teacher at East Detroit High School. They have two sons, both graduates of Grosse Pointe High School. Andrew is a senior at Central Michigan University completing his work in Secondary Education in Speech and Dramatics. Alan is a student at Michigan State University.

Mrs. Vince has given us some tips on Hungarian cuisine which is worse than Greek to most of us. Mrs. Vince emphasized that the greatest treasure of Hungarian cookery is the talent, initiative and imagination of the cook.

The masterpieces of the Hungarian kitchen are chicken paprikash, chicken fried in bread crumbs, roast suckling pig, (the skin of which becomes like glass in the oven.) The favorite specialties of the Hungarian kitchen are the various pork and bacon products; stuffed cabbage, layered cabbage, boiled cabbage with meat (Szekely gulyas) and stuffed pepper in tomato sauce. Also popular are many varieties of meats roasted on the spit.

Among the pastries, a Hungarian specialty is the paper-thin, filled, rolled and baked retes (strudel.) Hungarian housewives vie with each other as to who can make the thinnest and crispest strudel. With a little practice, anyone can learn the art of pulling retes. Various fillings are used, sweet cherries, apples, dill with cottage cheese and even cabbage.

The techniques used in the Hungarian kitchen do not differ from those used by other peoples. Then what is different about Hungarian cooking? First, is the liberal use of paprika. Dishes flavored with paprika are not hot. The finest brands of paprika are not strong at all. This should clarify the misconception that Hungarian food is spicy. It is not. It can be seasoned highly for those who prefer.

The use of lard instead of other kinds of animal fat or vegetable shortening is typical. It is characteristic to use more sour cream than average in Hungarian cooking. A great number of soups, sauces and vegetables, and even a number of meat dishes cannot be imagined without sour cream. Happy calories!

Hungarian harvested wines are very diverse in character, according to Mrs. Vince. The fiery, full-bodied, highly alcoholic wines are vintaged in the hills. From the sandy lowland soil come the white aszu and the tart velvety-hued clarets.

Hungarian Tokay wine was taken into the French court. Louis XIV called it "The Wine of Kings, the King of Wines." Franz Schubert composed a song in tribute of Tokay. In Goethe's "Faust," Mephisto pours Tokay—"the wonder wine" into Faust's goblet. "In the love of Hungarian wine, outstanding geniuses and simple people meet; they unite a multitude of hedonists and people enjoying life."

The Vince's restaurant, called the Budapest Supper Club, opened in mid-August. For adventurous Pointe chefs, we have printed one of Mrs. Vince's recipes in our Good Taste Column. The NEWS is looking forward to hearing of magnificent successes or disastrous failures in attempting Gulyas Soup and its accompanying Csipek (what else?). So just give us a call . . .
