Woods Disputes Cut in Population Figure

(Continued from Page 1)

Mr. Hauer said his office researched the city's challenge of the data elements, and "determined that the data we are using are correct. A revision to your population data cannot be made based on the information you provided."

Mr. Peterson continued, "The documentation you supplied as evidence for your proposed correction is based on changes in the housing inventory since 1970."

"Accuracy of a housing unit estimate depends on a proper assessment of changes in the size of household and of the occupancy rate in addition to changes in the number of housing units."

"In the period between 1970 and 1973, size of household declined in the United States by five percent, reflecting sharp downturns in the number of births and children as well as a trend toward a smaller number of adults in households."

"This decline would be applicable to existing housing units as well as the new units."

"Your estimates give no indication of allowing for such a decline, which—if allowed for—would result in an estimate of the same magnitude as the 1973 population estimate which we are using."

Challenges Figures

Mr. Peterson replied in a letter dated April 25 and said, "Such form letter merely advises that according to a general 'rule of thumb' there has been an apparent decline of approximately five percent in the population of all cities."

"Furthermore, no consideration was given to our previous additional documentation furnished your office to substantiate this city's increased population figures for 1973."

In stressing that The Woods challenges the Office of Revenue Sharing's figures, Mr. Peterson cited several reasons:

- Allegedly, the ORS has arbitrarily and capriciously applied an "across the board" five percent decline in the population figures for all cities within a specific area or region.
- No consideration has apparently been given to the school census, (of which another copy was enclosed in this letter).
- Presumably the ORS utilized population figures obtained from records of SEMCOG which "cannot be factually and accurately substantiated."
- The Woods has borderline households adjacent to five other local units of government which allegedly were not correctly accounted for in the 1970 Federal census.
- The population figures as set forth by the ORS haven't been documented for the city's review.

Copies of Mr. Peterson's communication were sent to Senators Robert Griffin and Philip Hart and to Congressman Lucien Nedzi. Mr. Peterson said all three have acknowledged his letter and said they were awaiting replies from the ORS.

In his letter of Tuesday, May 13, citing final agency action, Mr. Hauer said, "As required by statute, the ORS uses population for state and local governments as determined by the Bureau of the Census for general statistical purposes."

"The Census estimates as of July 1, 1973, represent the first time that population for all phases has been updated beyond the 1970 Census."

"The new estimates were developed by the Bureau of the Census on the basis of available current information on tax returns, vital statistics and other data series indicative of changes in population. Data from special local censuses were also considered where available."

Consider Each City

"Additionally, state input was solicited through the Federal-State Cooperative Program for Population Estimates. Rates of change developed through those procedures were applied to the 1970 Census base figures."

"The facts do not support the impression expressed in your letter that the 'ORS has arbitrarily and capriciously applied an across-the-board five percent decline in the population figures for all cities within a specific area or region.'"

"On the contrary, the methodology used by the Census Bureau considered comprehensive data pertaining to each place. These population estimates by the Census Bureau represent the most reliable source of such data available to the ORS."

"It would be inappropriate for this office to apply different criteria based on inconclusive data to selected governments for the purpose of inflating a particular estimate."

Car Plunges into Lake

(Continued from Page 1)

She was pronounced dead on arrival, as was her son, whose body was retrieved from the car by divers. Attempts at reviving the boy with the resuscitator were unsuccessful and he too was immediately conveyed to Cottage.

About the same time, Mrs. Helmle's husband George was in the Roseville Police station filing a missing person report. He told police his daughter, Linda, 10, had been left in a St. Clair Shores candy store by her mother, who then drove off with Charles.

Past Incident

Police reports say on October 11, 1973, Mrs. Helmle took her three children to the Grosse Ile Municipal Airport and chartered an airplane to take the children on a tour. At one point during the ride Mrs. Helmle attacked the pilot with a letter opener and tried to force the plane to crash.

The pilot suffered cuts, as did Mrs. Helmle, but the plane was brought to the ground without further injury to the passengers or pilot.

Unfit for Trial

Wayne County Circuit Judge Nathan J. Kaufman said he found Mrs. Helmle unfit for trial on four charges of attempted murder because she was unable to assist her attorney in the case. He said he then committed her to the Ypsilanti mental institution.

Hospital authorities said Mrs. Helmle was released from the Ypsilanti institution in December following the controversial state Supreme Court McQuillan decision in September 1974 which stated persons who have been acquitted in criminal trials by reason of insanity cannot be held indefinitely in custody unless it can be proved they are both mentally ill and dangerous to both themselves and others.

Mr. Lake added that all the monies collected will go exclusively to funding the multitude of programs, events and activities held at the Memorial. None of the funds will go to outside organizations.

First English Free of Debt

Sunday, June 8 was a day of celebration and thanksgiving for First English Evangelical Lutheran Church in Vernier road.

A special morning service was held to observe the final payment on the church building and the religious education unit.

The service was followed by a surprise reception and dinner at the Grosse Pointe Yacht Club in celebration of Pastor Paul Keppler's 25th year of continuous service to First English. Pastor Keppler was called to serve as assistant pastor, June 25, 1950 and assumed the pastorate on November 30, 1952. The pastor, his wife Janet and children Paul, Robert and Gretchen were honored guests. Master of ceremonies for the afternoon's program was William Stopin.

At the morning service, the president of the Church Council, Vincent Rodeck, presented a gift check representing contributions from the congregation as an expression of gratitude for Pastor Keppler's faithful and inspirational service to all.

Woods Council Active on Resolution Front

Three resolutions, two of which were proposed by Councilwoman Joan M. Mullan and the other by Councilman Rodger A. Graef, were unanimously approved by The Woods Council at the regular meeting Monday, June 2.

One measure proposed by Mrs. Mullan was a resolution of support for Senate Bill No. 156 which Senator John Bowman has introduced. This bill would allow local communities to adopt a building code which incorporates standards equal to or exceeding those prescribed by the existing State Construction Code.

In noting that The Woods already had approved an ordinance which conforms to the State code on this subject, Mrs. Mullan cited the problem of the erosion of home rule, and the necessity of sending a resolution stressing the council's support for this bill.

The measure notes that the existing State Construction Code doesn't presently permit the adoption by local communities of building standards which exceed the requirements of the State adopted code. It says Sen.

Bowman's bill will provide an "ability for local municipalities to meet the construction needs unique to their municipality."

In stressing the solons' support for the bill the measure says it places the responsibility on the "local administrators to identify and deal with those situations unique to their community while assuring a minimum level for the State."

Her second resolution bills the adoption of Senate Bill 19 by the State Senate which provides for the discontinuance of rental subsidy for the Pontiac Stadium. The

bill has been forwarded to the House for further study and action.

The measure stresses that the council is in favor of legislation that would stop the use of tax revenues for private purposes and that the body reaffirms its support of the bill.

The council also desires that the House takes affirmative action to adopt the bill. Mr. Graef's resolution casts a dim view on House Bill 4602, which the House passed with immediate effect. This bill would require all employers to report job openings to the Michigan

Employment Security Commission, (MESC), for job referral and placement.

There is no proposed exception for municipal governments contained among the limited exemptions permitted in this proposed legislation, says the resolution.

The proposal would exempt employers with less than five employees; jobs filled through company channels such as promotion, rehire lists or union hiring arrangements; executive positions with salaries above \$18,000 annually; temporary positions; and special exemptions granted by MESC according to a Senate Action bulletin.

Mr. Graef's measure notes that the council feels that the bill's adoption by the State would be a further encroachment upon the principles of home rule.

As a result the solons emphasize their opposition to the concept of being required to report job openings to the MESC and urge the defeat of the bill in the Senate or, as an alternative, a veto of the bill by Governor William Milliken.

As part of his motion for such a resolution, Mr. Graef also requested that a letter on the bill and its provisions be sent to the Michigan Municipal League and the Small Cities Association.

Move to Erase Traffic Hazard

By Roger A. Waha

Recommendations for new signs and an engineering change in the median which begins at 1109 Lochmoor boulevard will be made to the Woods Council by the Public Safety Department, reported Public Safety Director Henry Marchand Tuesday morning, June 10.

The director said he and Traffic Safety Officer Stephen Petrik viewed that area on Monday, June 9, after a request for action to alleviate what they considered dangerous traffic conditions was brought before the council by Bob and Mary Jane Starves of the Lochmoor address at the regular meeting Monday, June 2.

At that time, the solons unanimously referred this matter to Director Marchand for the department's thorough study and analysis, including the best possible corrective measures which might be taken, with a report back to the solons.

Besides a recommendation for new signs, the director stated he will request that the median be straightened out so its sharpness is reduced. This recommendation will include the removal of five or six feet off the median to cut the sharp right angle turn.

Officer Petrik added that the solons should have the department's recommendations by the Monday, June

16, regular council meeting.

In their communication to the solons, the Starves, along with other nearby citizens, expressed concern over the number of accidents which have occurred at the median on Lochmoor between Holiday road and Fairway.

They said there's a very sharp curve in the road where the median begins. "Many cars exceeding the speed limit cannot make the turn and hit the median which sends the cars careening across the curb and over the sidewalk where children play," the couple stated.

Residents Become More Involved in Crime Fight

(Continued from Page 1) man's neck and cut off his breathing for about 15 seconds, police said. Several residents living in the vicinity witnessed the assault and attempted theft and yelled at the attacking pair. They ran from the area on foot, heading west on Korte, leaving the bike and its owner on the pavement.

The victim went to a nearby home and called police. In the meantime, a man and

his son jumped into their car and pursued the culprits and kept them in sight. Sgt. Thomas Martin and Officer Steven Mollitor arrived at the attack scene, and while there, a home owner living in the 600 block of Pemberton, called the station to state that two men were in his back yard.

The sergeant and patrolman sped to the house and Officer Mollitor got out of the scout car and approached the rear yard on foot, while Sgt. Martin drove around to Barrington. At the same time, a resident of Barrington called the station to state that two men were going through his back yard. The sergeant spotted the pair walking on Barrington as he rounded the corner, just as Officer Ralph Moore arrived.

With Sgt. Martin and Officer Moore on each side and Officer Mollitor crossing the back yards, Pitts and Smith were trapped and placed under arrest.

A warrant, charging Pitts and Smith with assault with intent to commit robbery was approved by the Wayne County Prosecutor's Office, and the pair were arraigned before Park Municipal Judge John Urso on Tuesday, May 27.

Judge Urso ordered Pitts be held on \$5,000 bond, two sureties; and Smith, on \$2,500 cash bond. Examination was scheduled for Wednesday, June 4.

On Wednesday, May 28, through their attorneys, Pitts and Smith requested a bond hearing. Judge Urso continued Pitts' bond of \$5,000 and remanded him to the custody of the Wayne County Sheriff's Office until examination; and Smith's bond was reduced to a \$1,000 personal bond and he was released until June 4.

This is not the first incident of citizens becoming involved. It has happened several times over a long period as the people become more determined to see that law violators are apprehended. On April 23, several citi-

zens chased James F. Christian, 17, of Detroit, when they saw him break into a garage in Three Mile drive, and try to steal a bicycle. The shouts of the witnesses frightened the youth away. He fled on foot, with the citizens in pursuit, and was apprehended on Mack avenue. Park police arrested Christian, who lives at 692 Beniteau.

On April 28, Christian was found guilty of attempted theft and sentenced to 30 days in the Detroit House of Correction. In addition, he was assessed \$250 court costs, and placed on one year probation.

Still another incident involving citizens occurred at 11:56 a.m. on Monday, May 26, when a Harvard road resident, as he drove up to his house, saw a 15-year-old boy drop off an old bicycle on his, (the resident's), driveway, and pick up a 10-speed bike.

The resident chased the youth from Harvard to Bishop road and the youth fled off the two-wheeler in front of 1033 Bishop. The teenager got to his feet as his pursuer

jumped out of the car and continued the chase on foot. Several citizens sitting outside heard the Harvard road resident yelling to them to stop the young thief, and an unknown citizen ran and captured the boy and held him until police arrived.

The 15-year-old was released to his parents and information on what had taken place was given to Youth Service Division detectives for further disposition of the case.

"Today, our citizens are becoming concerned about the increase in thefts and other crimes in our area and are determined to do something about it," said Lt. Duncan.

"This is a good thing. We need the cooperation of the people and it seems that lately the citizens are becoming more responsive. This is good, as it should be. Without the help of citizens, the police can do nothing, unless the officers witness the crimes themselves and we cannot be everywhere at the same time."

Parking Lot Request

(Continued from Page 1) they did recognize such a wall must be approved by the council sitting in as a Board of Appeals, the Department of Building and Safety Engineering and/or the council.

The petitioners said that they, (before any public hearing), will be able to advise the council in detail of the construction of any type of wall.

They said they have looked at precast cement walls, brick walls, concrete block walls and habitant fences, but have not yet received bids on any of them.

In a sketched plan presented to the solons, the judge and attorney showed they have provided for a 20-foot entrance on Lakepointe which would allow ingress

and egress, and a 20-foot opening at the alley in the southeast corner. The opening need not be made, to prevent unauthorized parking in the lot, they said.

"It is our intention," the co-owners stated, "to limit the parking use to the tenants of the building, their clients and customers and to rent same on a monthly basis. If appropriate, we would like a small walk through entrance in the wall at the northeast side, to enable those parking to walk to their respective destinations."

Green belting will be in conformance to Ordinance No. 25, Judge Gillis and Mr. Frohlich said.

Mayor Matthew Patterson informed the petitioners that the lots are located in the Windmill Pointe Subdivision and therefore are zoned for residential use. At a public hearing, there might be strong opposition to the proposed development from subdivision area citizens, more so if it is planned that parking space is rented to the Ted Ewald bump shop, adjacent to the Professional Building, in Beaconsfield.

The McBrearty family has taken The Park to court on a number of occasions, seeking to have the city's zoning ordinance declared unconstitutional in that the lots on Jefferson are not residential but should be zoned for commercial use since there are businesses on Jefferson, between the Park-Detroit city limits to Somerset. The courts, however, have always ruled in favor of The Park.

There are no really hard times for the efficient—nor good times for the inefficient.

A conference is an organized way of postponing a decision.

The road up is never easy, but it gives so much satisfaction.

Council Seeks Hearing On Vacant Farms House

By Barbara Bruno
A public hearing will be held under Act 61 of the Public Acts of Michigan against Mrs. Randazzo. The act allows the mayor to appoint a hearing officer who will set a date for a public hearing on the matter.

Under Act 61, the hearing officer will investigate the matter and give his determination as to what would be the proper course of action required to correct the dangerous situation.

Councilman Joseph Fromm dissented saying that in light of the significant value of the home he was not in favor of proceeding with a course of action that could lead to the demolition of the house rather than its occupancy.

The council took action after Mrs. Randazzo failed to find occupants for the home. At the May 19 council meeting the council instructed city attorney George McKean to contact Mrs. Randazzo to try to obtain an agreement with her in which she would get the house occupied.

In his report back to council Mr. McKean said such an agreement was made but Mrs. Randazzo has failed to follow through on it.

He said if the council desired it could proceed with action under Act 61.

Mr. McKean said Mrs. Randazzo has been brought to court several times for different violations and said each time she makes the necessary minor repairs or pays the required fine.

The majority of council members expressed the feeling that continuing this course of action would not lead to a permanent solution to the problem and so voted to proceed with the public hearing.

Mayor William Butler and Councilman James Mast were absent from the meeting. Mayor Pro Tem James Dingeman was given authority by the council to appoint the hearing officer.

Tennis Lessons Still Available

There are still some openings in the Neighborhood Club Tennis Clinics which begin Monday, June 16, and run through July 18.

Adult evening classes which still have openings are the Monday and Wednesday group which meets at North High from 6-7 p.m., the Tuesday and Thursday groups at North High which meet at 6-7 p.m. and 8-9 p.m., and the Tuesday and Thursday group at South High which meets from 8-9 p.m.

Morning classes also have openings. They are the Monday, Wednesday and Friday beginning group which meets at Elworthy Field from 8-9 a.m., the Tuesday and Thursday group at North from 8:30-9:30 a.m., and the Monday, Wednesday and Friday beginner group at North from 9-10 a.m.

Intermediate openings are the Monday, Wednesday and Friday group at North from 8-9 a.m., the Monday, Wednesday and Friday group at South from 8:30-9:30 a.m., and the Tuesday and Thursday groups at North and South from 11 a.m.-12 p.m.

The only advanced group with openings is the 10:30 a.m.-12 p.m. Tuesday and Thursday group at Elworthy Field.

Lessons which meet two days per week cost \$10 plus a \$5 Neighborhood Club membership. Three day per week lessons are \$15 plus \$5 membership.

Further information on all lessons may be obtained by contacting the club at 885-4600.

Owners of Rec Vehicles to Meet

The Grosse Pointe War Memorial will launch a new program for owners of recreational vehicles on Wednesday, June 25. Anyone interested in joining the new group is invited to come to the Memorial at 7:30 p.m.

If you own a motor home, mini, or van, bring it to the Center then and show it off while seeing other units that will be available for perusal.

Recreational vehicle travel has become very popular with many units being owned by residents of the Pointes. Owners have many interests and problems in common, and it is these areas of interest, education, maintenance and travel upon which the motorcade idea was founded.

Frank P. McBride Jr., past president of the War Memorial, will convene the first meeting. Mr. McBride founded the Center's ski programs which have developed into some of the more active and popular groups at the Center.

Mr. McBride stated that recreational vehicle owners have many areas of mutual need and interest. Hopefully a program of motorcades and weekend rendezvous to places and events of interest can be worked out.

SEMTA Offers Baseball Bus

The first Ladies, Retirees and Kids Day of the Tiger 1975 series to which SEMTA (Southeastern Michigan Transportation Authority), will offer Park and Ride transportation is Saturday, June 14. The Tigers will play the Oakland A's.

SEMTA will offer park and ride transportation from 12 suburban parking lots including The Woods Municipal Building, 20025 Mack avenue. Departure time is 1:15 p.m., and the fare is \$1.75. To be assured of adequate seating, fans must have prepaid tickets.

Ticket outlets, parking lots, departure times and fares will be in effect for the remaining Souvenir Games, Ladies/Retirees/Kids Games on June 14 and 21, July 5 and 26 and August 9 and 30. Free parking is available at each suburban lot.

For additional information, call SEMTA at 962-5515 or toll-free at 1-800-462-5161.

YSD Has New DB Supervisor

The Youth Service Division, (YSD), has a new supervisor in The Woods Department.

He's Sgt. William Lentz, who joined the public safety department in March 1968. The sergeant started his new assignment, which will be for 13 months, on Sunday, June 1, reported Public Safety Director Henry Marchand.

"This is the first time I've been in any kind of investigative position so I've got a lot to learn," commented Sgt. Lentz, who added he's looking forward to working in his new post. Sergeant Bernard Kelly, former division supervisor, has been assigned to the uniform division.

Youth Division Counselors Quit

By Roger A. Waha
Youth Service Division, (YSD), counselors Fred Coonce and Thomas Canasi submitted their resignations last week to devote more time to their school studies. With their departure, which became effective Monday, June 9, the division currently has two part-time counselors on the job.

However, YSD Det. Michael Ferrence, who works closely with the counselors, said he and division Det. Patrick Fagan will take a hard look at several applicants later this month towards making a recommendation on the hiring of one counselor.

"We have got several applicants back up and we want to get now up to three counselors, which is our operating force," said Det. Ferrence. "We want to move with all due haste because the counselors' load is backing up."

With the resignations of Mr. Coonce and Mr. Canasi, the division's pair of counselors are Deborah Beaufait, who joined the YSD in May 1973, and Leonard Bandlow, who started work this February. Miss Beaufait told the division office that she plans to work through the summer and possibly resign in the fall.

Det. Ferrence said Mr. Coonce, who became part of the YSD team in June 1973, is into graduate work and also has a part-time job at the Northeast Child Guidance Center. He stressed that the demands of his school studies and work played a major role in his decision.

Mr. Canasi, who started counseling in November 1973, is getting married soon and is planning to move out west to continue his studies, said the detective.

Besides being involved in individual counseling, both Mr. Coonce and Mr. Canasi were spark plugs in helping institute the YSD's first ever group counseling program, which began last May 1 for a three-month period. Since that time, they completed a second such program this year.

"They are very tremendous persons regarding their ability, the number of young people they handled, goals and objectives reached, plus the innovation of the group counseling program. I hate to see them go," stated Det. Ferrence.

"I feel they contributed a lot to the community — lots of time and talent," he added.

The detective made it clear that the departure of Mr. Coonce and Mr. Canasi doesn't mean the end of the group program. He said Mr. Bandlow worked with both on the last program and has a good idea of its goals and objectives. But at this moment, the main objective is to hire one counselor.

Three EMS Proposals Draw Fire in Woods

By Roger A. Waha
 Three different proposals relating to emergency medical service, (EMS), none of which has received either a House or Senate bill number, have drawn fire from Woods City Administrator Chester E. Petersen, who feels the measures are an infringement upon the city's "home rule."

The trio of proposals are titled "Emergency Medical Services Act," "Emergency Personnel Act" and "Ambulance Operation Act." The medical services act, as proposed, stipulates that the Michigan Department of Public Health shall be responsible for the planning, coordination and administration of a Statewide emergency medical services system, plus the development of a standardized planning format for regional planning activities.

A statewide emergency medical service advisory committee composed of 19 members, including three emergency physicians, would be established, along with a

regional emergency medical service advisory committee in each designated health planning region.

A section of the proposal also notes that all state agencies shall, to the fullest extent of their authority under State law, administer programs under their control in such a manner as to further the establishment of coordinated, statewide emergency medical service system.

This act, as proposed, would become effective January 1, 1976.

The "Emergency Personnel Act" says that the Michigan Department of Public Health would issue licenses to advanced emergency medical technicians, who have completed specific training courses, attendants, emergency technicians, et al, and also reissue licenses.

A section of this proposal notes that a local governmental unit may establish an ordinance regulating the operation of an advanced mobile emergency care service, if the standards and

procedures established under the ordinance are not in conflict with or less stringent than those required under the act or its rules.

This measure, as proposed, would take immediate effect.

Finally, the "Ambulance Operation Act" views proper application procedures for licenses and says the Michigan Department of Public Health is authorized to issue such licenses and conduct inspections of each ambulance operation at least semi-annually.

It also notes that any city, township, charter township, village or county may contract with a person to furnish ambulance service for the use and benefit of its residents and may pay for the entire cost or any part thereof from funds that may be available.

As proposed, it would become effective January 1, 1976.

Expressing concern over the proposals at the regular council meeting Monday, June 2, Mr. Petersen said later, "Our contention is that they are fine for communities wherein it takes 20-30 minutes to get a person to a hospital. However, in Grosse Pointe Woods and in the other Pointes in general, we can have an individual to the hospital within five minutes."

He felt such proposals were defeating in purpose for the Pointes, and said it was important to get individuals to a hospital as quickly as possible for "expert emergency care."

He also cited another problem. It would be prohibitive in cost for us to train all our public safety officers the same as emergency medical service personnel when it's not necessary.

"All our public safety officers are required to maintain advanced emergency Red Cross certification."

He felt under the entire spectrum, responsibility for emergency treatment would

be delayed. "As we operate now, many times a scout car beats our ambulance to the scene and an officer, if necessary, starts applying emergency first aid or he has a patient ready for immediate transportation to a hospital."

"Under this act, ('Emergency Personnel Act'), unless he was licensed as a technician, a public safety officer could only stand there and do nothing until an ambulance or licensed technician arrives."

Obviously dissatisfied with the three proposals, Mr. Petersen said presumably the State is setting the standards which must be maintained in an ambulance without providing for financing of them."

Finally, he felt the State, if the proposals passed, would have the power to designate the area of responsibility for a particular ambulance service.

For instance, if one community didn't have such a service and a neighboring community did, he said the State could tell you to serve the other community, too.

Boat Owner's Request

(Continued from Page 1)

mayor today. Mayor Benjamin W. Pinkos cited other problems. While noting the council is sympathetic to the boat owners' request, "We have certain problems." The park is located in St. Clair Shores, (hence, it's a "private park in a public city"), and the boating area is mainly on the Milk River, he said.

"If we had the property in Grosse Pointe Woods, I'm quite sure we would have both a beautiful park and a separate marina," he stated. Hence, this subject could be treated in a different light. But unlike the other Pointes, The Woods has no lake front facility, he said.

The mayor also stated boat owners reserve a space at the park for the entire

season, while other citizens, who use pool and tennis facilities, for example, cannot reserve these spaces for the full season.

It would be difficult to give boat owners additional passes without giving other residents, who are not space renters on the Milk River, further passes, he said.

Finally, a problem of control also was viewed in regard to permitting boat owners to receive guests on their crafts without using the park.

"If all the boats were on the lake itself and a portion of the park was used as a marina, the marina area could be fenced off and used as boat owners see fit. There's the problem, too, of boats being along the Milk River rather than on the lake," he said.

"We must find other solutions conducive to the proper control of personnel and guests. We have to have a way to justify the issuance of additional guest passes for users of the Milk River for boating," concluded Mr. Pinkos.

Mr. Connolly stressed his hope that the council would take a good look towards reaching a solution on this matter.

Vandalism

(Continued from Page 1)

The NEWS first learned of this latest incident when Mrs. Zaidel contacted the office. She said vandals pulled the pot from its moorings and maliciously destroyed it along with the plants which included geraniums, mums and ivy. She added that the container was bolted to a brick base on the structure.

In an effort to draw attention to the destruction, Mrs. Zaidel said the mess was left out front for several days as a "conversation piece" before being cleaned up. This action worked as some passers-by did inquire as to what happened and after being told, they expressed their astonishment and regrets.

In reviewing earlier cases of vandalism, Mrs. Zaidel stated two other incidents were reported to police, while three others were not.

The pair included the theft of a light fixture at the rear of the building in mid-January and the ripping out of three shrubs in April.

Meanwhile, the unreported cases included two instances where ivy was pulled out and an instance where someone spray-painted the back door.

Skills-Talent Program Big Hit in the Pointes

By Bernice Wozniak

"I don't know of another job in the world like this one. The combination is fantastic."

Betty Fraunfelder, part-time instructor for the Skills-Talent Program at Trombly Elementary School in the Park loves her job.

"I'm the type of person who wouldn't be doing it if I didn't enjoy the work."

The program is a first in The Pointes. Introduced to the area via a millage vote last April it includes the 10 area elementary public schools.

The purpose of the program is to provide challenging experiences to "high achievers" kindergarten through sixth grade.

Students meet for a total of eight hours. Sixteen 35-minute meetings are held during school hours. There are two meetings each week.

Subject matter in the course included probability (math), arts and crafts, "Best in Books" (literature), creative writing, "On Stage" (plays) and science.

In order to enter the program the child reviews a list of possible fields of endeavor and chooses an area in which he or she is interested. These in turn are in-

itiated into the program.

The selection technique continues with testing the children in the areas which they have chosen.

"It is necessary that the students be good academically. However," says Miss Fraunfelder, "if the child doesn't show great academic ability yet shows a promising talent, we try to help by working out a special program for them."

Mary Jo Dillaman, program instructor at Ferry School states that "Due to the various age groups the program is totally individualized."

When it comes to the actual work, none of the children are alike in any way. They are all original in their ideas. And the instructors in the program are as well.

"None of us teach alike either," Miss Fraunfelder says. "We all have a certain technique. Each person has a special knowledge in a specific area. We complement each other. In that way we can help each other in problem areas."

Stanley W. Smith of Poupard School in Harper Woods, also an instructor for the program in Skills-Talent, feels that the reason for the program's success is the high interest level and dedication of the children participating.

Mrs. Dillaman agrees, adding that the "wide variety of courses makes something available for all interests. This provides challenge to every child involved."

The program will continue next school year. Once again it will be offered to all eligible children in the 10 area elementary public schools. All those interested are encouraged to try out. More information can be obtained by contacting the Schools' Department of Instruction, 389 St. Clair, at 885-2000.

GPSC's Shook Named to Post

At a recent annual meeting of the Michigan AAU delegates from 140 swim clubs and other sanctioned aquatic organizations elected Jack Shook, president of the Grosse Pointe Swim Club, (GPSC), to the post of chairman of Michigan Master's Swimming.

This is Mr. Shook's second consecutive year to hold the office. Under his direction Master's Swimming has doubled in the past year in the State.

At the advice of their physician.

As State Master's chairman, Mr. Shook also is a member of the 11-person board which administers the age group and senior AAU swimmers in Michigan. The AAU swim committee is responsible to over 8,000 competitive swimmers from Michigan.

For information on GPSC's Master's program call Mr. Shook at TU 4-3728.

Believe Girls Stole Bicycle

Another bike was stolen in The City about a week ago. That's not so unusual. What is odd, however, is that this bicycle was apparently stolen by three young girls.

About noon on Friday, May 30, a Pointe man left his bike momentarily at Jefferson avenue and Alger place. When he returned the bike was missing.

But he believes he saw his bike, which had no available license or serial number, in the custody of three young girls. He told police the girls were about 13 or 14 years old, each with long dark hair, and that they had his 28 inch, three-speed Schwinn in their possession.

But no arrests were made. The bike was valued at \$50.

NO PROBLEM

Single Parents Meet June 13

Parents Without Partners will meet again on Friday, June 13, at the Grosse Pointe War Memorial. A panel of experts from the Northeast Guidance Center will be on hand to discuss "Being a Single Parent Today."

The meeting will start at 8:30 p.m., preceded by a coffee hour and followed by an "afterglow" social period. For further information call 884-6878.

Shores Officer Takes Course

Shores Public Safety Officer Bruce R. Darlington became the second member of the Public Safety Department to complete a course in the use of the Breathalyzer Machine, it was disclosed by Chief Joseph Vitale.

Chief Vitale said that Officer Darlington undertook a 40-hour course, from June 2 through 6, at Michigan State University's Kellogg Center for Continuing Education, East Lansing. The first of five to finish such a course was Cpl. Daniel Fronczak, who completed his term last month.

As a certified breathalyzer operator, Officer Darlington, along with Cpl. Fronczak, will be able to test persons arrested for drunk driving offenses, using a breathalyzer instrument, and testify in court as an expert witness.

Funds for the training, materials and living expenses were authorized by the Village Council.

The training was under the sponsorship of The Michigan Department of Public Health and the State Police, who provided the teaching staff for the course.

The course included theory and operating of the breathalyzer instrument, proper testing procedures and presenting testimony in court.

Name Winners In Art Contest

A Children's Art Festival was sponsored by Jacobson's recently for children aged 2-14 years old. The artwork was featured in the store and a "Meet the Artist" party was hosted last month.

Contest winners were Cindy Mello, John Colby and Jim Mello for the pre-school division, Eric Hall, Stacey Telegadas and Mike VanAntwerp for the five and six-year-olds and Karen Vitolas, Scott Allen and Josephine Echlin for the seven and eight-year-olds.

In the nine through 11-year-old division Suzanne Christensen, Tood Tyrrell and Lynn Reiter placed highest while Mark Friedrix, Jon Stewart and Elizabeth Echlin came out on top in the 12 through 14-year-old category.

We Believe In You!

If a personal loan for any good reason can help you right now, come to the bank that believes you've earned your good credit's worth anytime you need it.

And we say that as bankers. You see, we make more loans than any other bank in the Detroit area. And that's given us a unique opportunity to watch all kinds of people handle their financial affairs through good times and bad.

And through it all we've seen you manage your money, pay your bills and even save a little, too. And, these days, that's not the easiest thing to do.

So if it comes to needing a personal loan for any worthwhile reason, we hope you'll come to us. Perhaps you'd like the peace of mind of a new car for that trip this summer. Or maybe now's the time to protect the investment you have in your home with a new roof or other major repairs.

In fact, knowing you as we do, we think you probably already know what you need. And how much you can afford. And if you have a question about how much loan you can comfortably manage, remember that the experienced counsel and financial advice of the biggest bank in town is yours for the asking.

Woods Accepts Two Policies

Two recommendations from the Insurance Commission on the awarding of policies were unanimously accepted by The Woods Council at the regu-

lar meeting Monday, June 2. A comprehensive business policy in the amount of \$49,667 was awarded to Denney Agency Inc., of 15324 East Jefferson, for a three-year period. It will be placed with the Continental Insurance Co.

This item was a "package deal" which includes such items as public employees faithful performance bond, comprehensive automobile liability, all city buildings and contents, boiler and machinery and voting machines.

The second award for a three-year workmen's compensation policy went to A. D. McCarthy, of 18121 East Tight Mile road, East Detroit. This will be placed with the Michigan Mutual Insurance Co. for the retro plan of \$36,092 per year with a minimum of \$12,632 per year.

The city decided to go with the retro plan as its work losses have been very low over the last few years with a steadily decreasing accident rate, said City Comptroller-Assessor Frederick G. Hornfisher, Insurance Commission Secretary.

Both policies will take effect Tuesday, July 1.

Folk Singers Get Together

Two Pointe girls who now folk sing mainly "just for fun" received such favorable public response recently they may just have to turn professional.

The two, Deb Murphy, of Meadow lane, and Julie Reid, of Berkshire road, were entertaining customers recently at Jacobson's and won unanimous approval from the audience.

The two don't normally sing together but found their voices. (Deb's alto soprano and Julie's alto), blended well. Their tunes ranged from pop numbers to soft folk to more rollicking blue grass numbers.

Julie, who plans to enter Michigan State University in a pre-veterinary curriculum next fall, says going professional might spoil the fun she now experiences in singing. She is in the choir at South High and takes guitar lessons.

She's tried her hand at writing music and lyrics but says her compositions generally end up in the wastebasket.

Deb teaches guitar as well as plays. Her efforts at composition have been a little more fruitful than Julie's for she has written about 30 songs in the past couple years.

Her singing started early in church choirs and she just never gave it up.

Many Activities

Many activities have taken place during the organization's first year including a variety of trips (with a journey to Mackinac Island planned for October 7-9 and one to the Canary Islands October 31), speakers, a bicycle group, bridge and pinocle tournaments, golf, bowling and other sports-related programs.

While much has been accomplished, Mrs. Sutton cited several areas for future consideration. She would like to have the city put a bus at the group's disposal for various activities such as a Detroit Tigers baseball game. "Other cities provide bus service for seniors or will charter a bus," she said.

Another goal is to make a senior achievements program, (similar to junior achievements work), a reality, plus a variety of service projects. Mrs. Sutton added she would like to see more study clubs and she emphasized the necessity of senior housing.

On the housing question, Mayor Benjamin W. Pinkos said he realizes this has been a primary objective of a substantial group of seniors, although not all.

The council is currently studying this matter in the Committee of the Whole, (C.W.). At the April 7 meeting, the solons unanimously nixed the use of Ghesquiere Park for a senior citizens housing complex but have been considering placing this question on the ballot.

"I've been trying to get it out of the C-W and onto the council floor," said Mr. Pinkos, who noted there are two schools of thought on a possible ballot proposition.

One is to place it on the November election ballot, while the other is to have a special election. Mr. Pinkos felt if such a proposition goes on the November ballot, it "might tie itself into a political thing," (residents will

Traci Lectures On Stratford 3

Philip Traci, professor of English at Wayne State University, will continue his series of lectures at the War Memorial tonight, June 12, as part of the "Three for Stratford '75" program.

Dr. Traci's topic for the 8 o'clock lecture, will be "Shakespeare's Measure for Measure: An Eye for an Eye, the Other Cheek or Moderation?"

Thursday, June 19 will be the last lecture night, when Dr. Traci speaks on "Shaw's Saint Joan: Holy Heroine or Country Fraud."

Church Debt Comes to End

The burning of the final note of indebtedness on Saint Paul Evangelical Lutheran Church in The Farms, will take place at a service marking the 25th anniversary of the present structure at 9:30 a.m., Sunday, June 15.

The present finance officers, Harold Metz, of Harper Woods, and Vernon Olson, of The Woods, will participate.

The property includes the church, dedicated in 1950; a parsonage, in 1956, and a parish hall, in 1961, together representing an investment of \$1,500,000.

Dr. Alfred E. Seyler, of The Park, chairman of the committees for the church and the parsonage, and Ben Bregi and Harry Kall, of Harper Woods, chairmen of the parish-hall committee, will be honored.

In appreciation for the past and looking to the future, an offering will be received for the United Mission Appeal, a \$35,000,000 effort of the American Lutheran Church for endeavors in this country

and around the world. The Senior Choir, augmented by former members, under the direction of Jan Riccinto, will sing the number sung at the dedication, "Thanks Be to Thee" by Handel. Pastors Kenneth R. Lentz and Charles W. Sandrock will conduct the service, and there will be a coffee-hour afterward in the parlor.

PAIR REAPPOINTED

The Woods Council unanimously reappointed Mayor Benjamin W. Pinkos as director and Councilman Ronald R. Kefgen as alternate director to the Grosse Pointes - Clinton Township Refuse Disposal Authority at the regular meeting Monday, June 2.

College isn't the only place to continue your education.

You may not join the Army to get a college education, but it may end up that way.

Last year alone, 90,000 young men and women earned college credits while serving in the Army. And the Army paid up to 75% of the tuition.

And now, through the Army's newest educational program, Project Ahead, you can enlist in the Army and start college at the same time.

For more information, see your local Army Representative. You'll find the address in the Yellow Pages under "Recruiting." Or call 800-523-5000 toll free. In Pa., call 800-362-5696.

Found Guilty in Tax Case

Park attorney Philip A. Gillis was found guilty on one count of willfully failing to file his 1970 income tax return by a Federal District Court jury on Monday, June 9, in Detroit.

The jury returned not guilty verdicts on Friday, June 5, on two other counts against Gillis relating to the same charge for the years 1968 and 1969. The verdict followed a three-day trial before United States District Court Judge John Feikens.

Gillis was indicted on these charges in February 1974. The indictment charged Gillis with failing to file his 1968, 1969 and 1970 individual

income tax returns and specified that he had income of over \$56,000 during those years.

In 1960 Gillis pled nolo contendere, (no contest) to the charges of willfully failing to file income tax returns from the years 1956, 1957 and 1958.

United States District Court Judge Damon Keith continued Gillis' personal bond and delayed sentencing until after a Probation Department report.

Gillis could be sentenced to a year in prison and/or fined \$10,000.

Police Arrest Drunk Driver

A Shores public safety officer had to discontinue filling the tank of his scout car from the municipal gasoline pump, to pursue and arrest a drunk driver on Saturday, June 7, at 2:40 p.m.

Taken into custody and charged with driving under the influence of liquor was Ignations Beller, 29, of 20046 Merrick, Warren. Beller was released about five hours later on \$150 bond and is scheduled to appear in Shores municipal court on August 27.

Sgt. James Jurcak was at the rear of the Village building, filling his scout car gas tank when a motorist stopped by to inform him that a car was heading north on Lakeshore road with the driver controlling the vehicle in an erratic manner.

The sergeant drove to the Vernier road intersection and saw about eight autos backed up behind another car, which was weaving back and forth over the road, going from lane to lane.

Not only was the motorist, identified as Beller, holding up vehicular traffic, he was cutting in and out sharply, hitting the right curb before bouncing back into the left lane.

Sgt. Jurcak activated his

flasher and siren and took up pursuit in an attempt to stop Beller. During the chase, Beller swerved sharply again and left the roadway and nearly hit a utility pole in front of 1000 Lakeshore. His right rear bumper barely scraped the pole. At this point, Beller came to a stop.

Sgt. Jurcak reached into Beller's car and removed the key from the ignition and ordered the man out of the auto.

Public Safety Officer Gary Mitchell arrived at the scene to assist, and en route to the station, read Beller his rights on whether or not Beller wanted to take a breathalyzer test. Beller consented to such a test.

He was taken to the Farms station by Public Safety Officer Bruce Darlington, who had just completed a course on the use of a breathalyzer machine at Michigan State University. Beller failed two tests and was returned to the Shores station, where he was issued a violation ticket for drunk driving and later released on bond pending the court hearing.

Experience ripens judgment—it teaches to live and let live.

Flower Beds in Good Hands

"If you see ladies on their knees, (at five beds of petunias at the Vernier road strip near Mack avenue), they're not picking the flowers but are plucking the heads of the petunias," said Margaret Carlson, vice-president and program chairman of the Grosse Pointe Woods Garden Club.

Mrs. Carlson, who's also a member of the city's Beautification Commission, stated the club, which is celebrating its 35th anniversary this year, received the blessing of officials in their efforts to beautify the city.

So while Department of Public Works personnel will

water the beds, garden club members will work throughout the summer keeping the flowers looking their best.

Mrs. Elton Ireland, a charter member of the club, is in charge of the program, said Mrs. Carlson, who added their slogan is "to plant a flower and pluck a weed as we go by."

First Federal showed Charlie Smith how the new retirement law lets him lower his taxes now and have \$169,000 when he's 59½.

Come in now and open your own Individual Retirement Account.

HOW YOUR INDIVIDUAL RETIREMENT ACCOUNT GROWS
If you contributed \$1,500 each year, you would have*

Per Year Interest Rate	20 YEARS		30 YEARS	
	IRA Account	Taxable Savings Account	IRA Account	Taxable Savings Account
5 1/4 %	\$51,474	\$33,544	\$105,860	\$63,227
6 1/2 % †	59,258	37,180	133,312	74,680
6 3/4 % †	60,959	37,955	139,668	77,229
7 1/2 % †	66,477	40,429	161,145	85,608
7 3/4 % †	68,491	41,317	169,303	88,706

*The figures in the above chart assume that the total contribution of \$1,500 is contributed on the final business day of each year, and that the taxpayer is in the 25% tax bracket. The figures represent the difference in accumulated savings between a tax-deferred IRA account and a taxable savings account. Amounts in the IRA tax-deferred column indicate the sums of the annual contributions plus the interest accumulated by those contributions. The taxable savings column shows an after-tax total of the annual contributions, plus the after-tax interest accumulated on those contributions. Interest rates shown are those currently paid on regular and certificate savings accounts offered by the Association. Interest is compounded quarterly.

†Federal regulations require a substantial interest penalty for early withdrawal from certificate savings accounts.

What we explained to Charlie, and would like to explain to you, is that a Federal law passed last year now allows you to set up your own retirement fund at First Federal Savings of Detroit as long as you're not already a participant in a qualified employer-sponsored plan.

Under this new law, you can save up to \$1,500 or 15 per cent (whichever is less) of your compensation and not pay income taxes on it at the time. Nor is the interest earned in the Individual Retirement Account taxed while you're building the fund.

Now, in Charlie's case, the Individual Retirement Account would start at age 29. Withdrawals can begin at age 59½. So Charlie is going to have 30 years in which to shelter part of his income from taxes. When he begins using the money, Charlie is likely to be in a lower tax bracket and he may also be able to take advantage of income averaging procedures. If Mrs. Smith were employed, she, too, could have her own Individual Retirement Account, and together they could build a fund of more than a third of a million dollars.

Fully approved by the Internal Revenue Service, First Federal's Individual Retirement Account (under the Employee Retirement Income Security Act of 1974) has a number of other very helpful provisions.

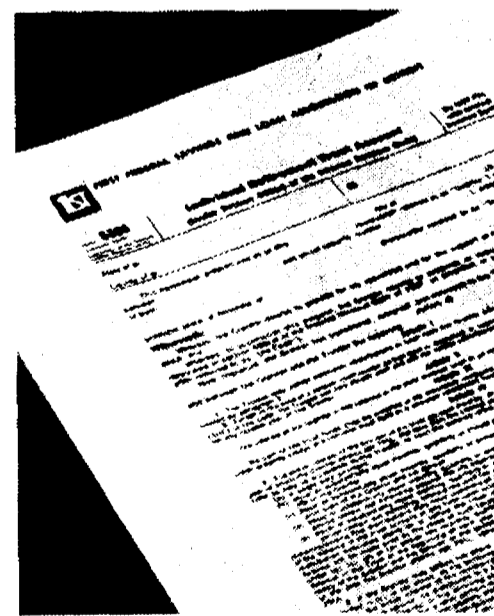

For example, your employer or union might elect to make contributions to your Individual Retirement Account as a benefit to you.

There's also a plan that helps you in case you leave a job where you are participating in a pension fund. That entire amount can be transferred to an Individual Retirement Account, tax deferred.

Now, of course, there are other requirements and limitations that you should know about. But, frankly, they'll be much easier to explain in person. What we want you to know right now is that you can do this right now—you can reduce your taxes on present income and you can build a substantial retirement fund on your own.

And at First Federal, we have all the information necessary, including the Internal Revenue Service forms which must be completed. And, to make the plan work as hard as possible for you, we have savings accounts that pay the highest interest rates allowed by law.

So come to any First Federal office and ask about an Individual Retirement Account. Or call 965-1400, Ext. 541. Remember, the only requirements are that you're earning an income, that you're not a participant in any other pension program, and that you have not reached age 70½. And that, like the Smiths, you're taking a good look at a good future.

We're First. Put yourself in our place.

Age Takes Toll of Giant Tree in Park

Photo by Barbara Bruna

Park Officer EDWARD SER-WACH is shown standing on a huge section of a basswood tree which snapped off in the rear of the John Reindel residence in Whittier road. The tremendous weight, aided by a tiny gust of wind which was the "final straw", caused the limb to break loose from its anchor bolts attached to sectioned cement filling, done many years ago because of extensive internal decay. The tree, believed listed as having the largest trunk girth of its species in Michigan, is said to be at least 200 years old and about 80 feet high. There was slight damage to a garage on the property, telephone wires attached to house moldings were torn loose, leaving a gaping hole in the corner of the residence. It is possible the entire tree may have to be removed, dispossessing an opossum family of its home.

Woods Council Approves Pleas

Two requests, one for the approval of an off-street parking site and the other for a deviation and variance in rear yard requirements, were unanimously approved by The Woods Council sitting as a Board of Appeals.

This action was taken at the regular meeting Monday, June 2.

The first request was a petition from William W. Killebrew on behalf of Physicians X-Ray Center, Inc., 21003 Mack avenue, for approval of the parking site in a residential area adjacent to 1961 Roslyn road.

Mr. Killebrew said the center purchased property on the corner of Roslyn, next to the alley. He said the house at 1961 Roslyn is owned by the petitioners, who wanted to build a parking area on a vacant lot next to the home.

In reading a letter from adjoining property owners on Hampton road, one which cited no objections to the parking lot, Mr. Killebrew said the center's request was approved by the Planning Commission at its April 22 meeting.

With its approval, the commission stipulated four conditions: that the parking spaces be for angle parking and that a four-foot ornamental brick wall surround the lot with it being stepped down to two feet on the portion parallel to Roslyn road and on the portion parallel to Hampton. This is so pedestrians will be visible to drivers as cars exit the lot.

Austin Summer School Slated

Mr. Kawsky told the council the addition was for a bedroom-and-bathroom off the rear of his home. This will be used by members of his family who are ill and unable to climb stairs.

Building Inspector Earl Wakely said the ordinance requires a 35-foot rear yard setback. With the addition, the measurement would be cut to 28.3 feet — a discrepancy of 6.7 feet.

However, because of the nature of the request and the fact that there would be no foreseeable problems in the future, the council gave its approval.

In each instance during the public hearings, no one spoke in opposition to either request.

Austin Preparatory High School will open summer classes for students at elementary and high school levels beginning Monday, June 23, and lasting until July 25.

Registration for classes will be held on June 23 from 8 a.m. until 9 a.m. Offerings include English, review of elementary math, geometry, algebra, all levels of French, Spanish and German, world history, U.S. History, government, typing, accounting, biology and chemistry.

Classes may be taken for credit or simply for the student's enrichment.

Tuition fees run \$38 per class for elementary school students and incoming Austin ninth graders and \$48 per class for high school students.

Further information may be obtained at registration or by calling 881-5531.

Pointe Girl Scouts to Visit, Work at Mackinac Island

An interest group of 60 Girl Scouts from the Pointe area have again been chosen to take responsibility for the raising and lowering of flags at 20 locations on Mackinac Island, for guiding visitors through Fort Mackinac and other historic buildings and for helping preserve the natural beauty of the island by performing conservation projects.

The girls will carry out these duties for the week beginning June 14, and it will be their second successive year after becoming the first girls to perform these duties previously relegated only to Boy Scouts.

Joining forces to supply the number of Scouts necessary to carry out these tasks are girls from Cadette Troops 282 and 1463 and Senior Troop 327.

In addition to their official duties as honor guards, the girls will be responsible for the routine chores of cooking, cleaning, dishwashing and laundry. To assure a smooth-functioning week, there have been several meetings to rehearse the complicated daily routine, as well as flag ceremonies and marching.

Required to be in uniform most of the time, the girls will each have a free day to spend bicycling, hiking and sight-seeing. Crafts and games are always favorites for free moments, and singing around a campfire is a Girl Scout tradition.

Chosen for their record of outstanding service and leadership, one of last year's participants remarked, "The week is one of total service, not only to the tourists, but to the State of Michigan as well. Although much work was involved, being on Mackinac Island for the week was fantastic. Being surrounded by history gives you a better understanding of what actually happened there on the island and in all of Michigan.

Members of Troop 1463 from Brownell Middle School who will attend are Janice Bershas, Amy Bleich, Donna Camp, Geri Crossman, Kathy Dolson (drummer for the group), Gall Fairchild, Carol Ann Hicks, Sharon Jacobs, Carey Kelly, Karen Nelson, Kim Peattie, Regina Piche, Carole Ruwart, Mary Sanders, Gail Shefferly, Leslie Simon de Montfort, Kathy Spencer and Jocelyn Wolfe.

Attending from Troop 282 of Parcels Middle School are Connie Arnold, Julie Alward, Karen Aro, Carole Clay, Michelle Cyr, Heidi Fach, Sarah Gall, Bridget Graham, Kim Jevons, Priscilla Langs, Karol Lewis, Janet Lieblich, Lisa Loush, Patty Mathesen, Pam Neal, Juliana Payne, Laura Ramm, Sue Saelen and Martha Shover.

Participants from Senior Troop 327 of Grosse Pointe North High are Leslie Bontekoe, Denise Danielson, Leslie Dominick, Marcie Enderle, Sally Frakes, Kathie Kreher, Sheryl Kurze, Sue Olsen, Karen Nickoloff, Judy Olsen, Cindy Poltowicz and Kathy Ziegler.

Chosen to serve as Senior Patrol Leaders are Linda Lawrence and Ann Shefferly. Other Patrol Leaders and assistants are Betsy Barrett, Sheri Dolson (who is also the group bugler), Debbie Drago, Mary Eovadi, Mary Ann Gallagher, Sandra Jacobs and Barbara Martin. Karen Dolson and Charlotte Parks are the group scribes.

Adults accompanying the group are Mrs. Thomas Gallagher, Mrs. William Jevons, Mrs. Clark Lawrence, Mrs. Robert Martin, Mrs. David Neal and Mrs. Richard Parks.

AARP to View Water Safety

The Grosse Pointe chapter of AARP, at its Monday, June 23, meeting at the Grosse Pointe Woods Presbyterian Church, 19850 Mack avenue, will present a program by W. George Wibby, director of safety programs for the American Red Cross Southeastern Michigan Chapter.

His subject will be "Water Safety Can Be Fun." The program will focus upon water safety rules with a film with a safety I.Q. Test and a demonstration of mouth-to-mouth resuscitation.

All citizens are invited to attend the meeting which begins at 1 p.m. in the Church Fellowship Hall.

Mr. Wibby is a noted expert in water and boating safety and a swimming instructor. He joined the National Staff of Red Cross in 1940 and moved to Detroit in 1949. Currently, he heads up Red Cross programs in First Aid, Water Safety and Small Craft Safety.

He has also served with the Boy Scouts of America since 1928 as a scout and volunteer.

Mr. Wibby was an early member of the scout leaders who organized to carry out aquatic programs and who are known as Corps V. He serves presently as a member-at-large of the executive committee of Corps V.

Because of the growth of water activities in the Pointe area, and with the hope of helping AARP members to properly instruct and assist their grandchildren in fishing, swimming and all water sports, this program should prove to be most interesting and timely.

SINGERS SELECTED
The 4-Fits quartet of Grosse Pointe Chapter, SPEBSQSA, (Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America), has been selected to represent the Michigan-Pioneer district, which includes Michigan and part of Ontario, at the Barbbershop International competition which will be held the later part of June in Indianapolis, Ind. The "Fits" are past district champs.

FARMS AAA LEAGUE
By Joe Fromm
Louisville won its seventh and eighth straight games of the season last week to continue its hold on first place with a 10-1 record.

The magic number for Louisville to win the league championship is "two" in the form of Louisville victories or losses by second place Portland.

Louisville had to go eight innings to defeat Hollywood, 9-6, on Saturday, June 7. Hollywood had a 6-4 lead in the top of the sixth with two outs and the bases empty. Singles by Mike Hartman, Steve Vinci and a double by Dan Garan tied the score at 6-6 and sent the game into extra innings.

Hollywood threatened in the bottom of the seventh but an alert double play by Louisville ended the inning. With runners on first and second, Karl Doelle hit a grounder to shortstop Richard Parsons. Parsons threw him out at first and first baseman Garan quickly relayed the ball to catcher Vinci to nip David Knott of Hollywood in a close play at home.

Chris Rockwell accounted for the three Louisville runs in the eighth with a double. Hartman, who pitched the last two innings for Louisville, registered his first win of the season.

Louisville defeated Denver, 21-4, on Thursday, June 5, to avenge its only loss of the season at the hands of Denver earlier in the year. Vince Kikel hit two home runs for Louisville.

Portland won two games last week to move from fourth to second place with a record of 7-3. Erik Anderson won his fifth game of the season in a 3-2 win over Hollywood on Monday, June 2. The loss by Hollywood was its third loss by one run.

Anderson had a no hit shut-out going into the bottom of the sixth. Jeff Smith of Hollywood blasted a home run for the first hit. Hollywood scored its second run on singles by Knott and Mark Basile. Anderson struck out the last batter with the tying run on third. John Meier hit his fifth home run of the season for Portland.

Portland coasted to a 13-6 win over Denver on June 7 as Beau Burton won his first game of the season behind a

(Continued from Page 12) while striking out 14 for Phoenix and Robert Carr pitched a three-hitter and struck out 12 as Phoenix won 4-1 on Tuesday, June 3.

Only five Newark batters reached first base and the only run came on a single by C. H. Crane. Larry Fromm's bunt single was Newark's only other hit. George McKean tripled for Phoenix. Neither team made an error and sparkling catches by John Lesesne and Bob Schmidt of Phoenix robbed Newark of potential extra base hits. Phoenix won its second

game of the week on June 7 in a 15-12 slugfest against Hawaii. Michael Harrity drove in five runs with a home run and triple, McKean drove in four with a triple and double and Mark Brooks hit his fourth homer of the season for Phoenix. Mike Kelly homered for Hawaii.

Sacramento kept in the running for the playoffs with a 16-14 win over Hawaii on Wednesday, June 4. Sacramento is in sixth place with a record of 5-6.

The game was highlighted by a triple play as John Shively of Sacramento caught a line drive at shortstop, tagged the runner going to third and relayed the ball to first baseman Paul Berg to pick the runner off first.

The 14-hit attack of Sacramento was led by Steve Mecke with a home run and two triples, a triple and double by Skip Waterfall and two hits apiece by Peter Toenjes and Ed Gotfredson. Mike Kelly went three-for-three for Hawaii and Mike Connell collected two doubles.

FARMS MAJOR LEAGUE

With only two weeks remaining of the 1975 season, the race to the playoffs is on every boy's mind, and the excitement of each game should not be missed by any parent of the competitive six major league teams.

The first-place Yankees had a good week, starting off June 3 with a 10-4 triumph over the Phillies. Glenn Piche won his sixth win of the season. Erwin Yee went three-for-four with an RBI and scored three runs. Mitch Ireton went two-for-four with a triple and an RBI, while Steve Groehn contributed a run for the Yanks and went two-for-three.

It was the Red Legs' turn to succumb to the young Yanks on Thursday, June 5, when Mitch Ireton pitched a two-hitter, his first win of the season, to defeat the Reds, 4-3. Ireton also chalked up his 19th RBI of the season. Erwin Yee had two hits, one a triple, and now leads his team with 22 runs. Chris Warren also had an RBI. The only two hits for the Reds were secured by John Heidt,

The Indians tasted the sweetness of victory in both their games last week. On June 3, they went into extra innings to scalp the Pirates, 8-4. John Cammett pitched a beautiful six innings for the Indians and was relieved by John Keane and Greg Foster, with a pair of doubles.

In their second game of the week on Friday, June 6, the Indians had their own D-Day by defeating the Tigers 11-9 on back-to-back home runs by Greg Foster and John Cammett and a solo home run by Graig Haase. Foster and Gregg Restum were the pitchers for the victorious Indians. It was home run fever in the Tiger dugout also as Rob Whims and Mike Smith socked homers.

It was a pitching duel between Red Legs' John Heidt and Tiger Rex Ciavola June 7, when Heidt pitched a three-ritter and Ciavola a four-hitter. Heidt was the winning pitcher in a 3-1 game.

It was fine fielding by Reds' Andy Gracey, Steve Truba, Dan Grammatico and Lazar Raynal, who, in the sixth inning, made all three outs unassisted. Ray Chown had a double and single for the Red Legs. Hits for the Tigers were singles by Brian Kovanda, Chuck Roehl and Mike Smith. Kovanda also robbed John Heidt and Rusty Travillion of home runs.

It was the week for extra innings, and the Pirates went at it again on June 5, when they defeated the fighting Phillies, 6-4. The first pitch of the game brought Pirate pitcher John Hackett his fourth home run of the season. Rick Gallagher relieved Hackett for the final two innings and was the winning pitcher for the Pirates.

Standings as of the week ending June 7 show the Yankees, 9-4; Reds, 8-6; Phillies, 8-7; Pirates, 7-8; Tigers, 6-8, and Indians, 6-9.

PARK MAJORS

By Dolores Dennis
The Park has reached the half way mark. The first half was most successful and entertaining, and the teams have improved.

In the American League on May 18, T. Tocco of the Athletics pitched a shutout game against the Yankees, 4-0. The Indians lost to the Senators, 8-7, and in a close game, the Orioles defeated the White Sox, 7-5.

On May 22, the White Sox outplayed the Athletics, 8-3, and K. Hawk hit a two-run homer. In an extra inning game, the Indians overcame the Orioles, 19-18. The Yankees then edged the Senators, 3-2.

On May 27, the rallying Indians beat the White Sox, 16-9, while the Senators lost to the Athletics, 15-8. Tawn Debets of the Yankees pitched a five inning shutout against the Orioles, 3-0.

The Athletics topped the Indians, 7-3, on May 29. The Orioles came back from their losing streak to trounce the Senators, 23-0. The Yanks dumped the White Sox, 8-0.

On June 2, the Orioles lost to the Athletics, 9-5; the Senators beat the White Sox, 22-10; and the Yankees came from behind in the third inning to beat the Indians, 12-5.

In the National League, the Braves lost to the Dodgers, 8-4, on May 15. The Pirates had a 9-2 win over the Giants, while the Redlegs

dumped the Cardinals, 9-3. The Redlegs chalked up two home runs by D. Graham and one by C. Telegadas.

On May 20, the first place Redlegs blasted the Dodgers, 14-4. The Pirates won over the Cards 6-3. On May 22, the Braves lost to the Cardinals, 9-5, and the Redlegs outplayed the Pirates, 12-4.

On May 28, the Pirates beat the Braves, 11-4, and on May 30, the Dodgers lost to the Pirates, 4-2. The Redlegs then shutout the Braves, 7-0.

MINORS

On May 3, Army lost to the Marines, 16-2. Minnesota dumped Michigan 12-4, and Northwestern won a close game from Ohio, 6-5.

Purdue took Alaska, 15-2. Navy defeated Illinois, 10-3. Iowa edged Hawaii, 7-6, and Air Force blanked MSU, 9-0.

On May 5, Ohio defeated Michigan, 22-18, and there was a tie game between Illinois and MSU.

Then on May 6, Minnesota took Northwestern, 14-4. Air Force blasted the Marines, 10-0, and Iowa defeated Purdue, 13-8.

On May 7, Hawaii scored over Michigan, 6-2, and Ohio took Alaska, 14-2. It was Navy 13-12 over Army.

On May 8, Purdue dumped Minnesota 16-10, and Iowa routed Northwestern 18-3. On May 12, Ohio crushed Purdue, 20-6, and Michigan nipped Iowa, 7-6.

Minnesota edged Alaska, 7-6, on May 13, and Hawaii lost to Northwestern, 14-5.

Let's Talk Real Estate

by John E. Brink

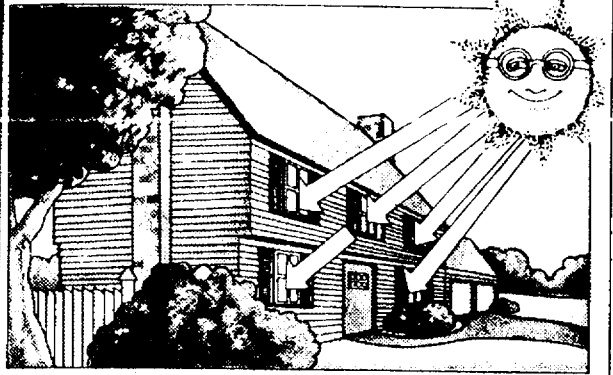

Selling a house by yourself is being penny wise and dollar foolish. Comparison is the name of the game, and you have but ONE house to show. In a purchase of this importance, buyers want to shop around. They think you are already prejudiced and they may not even ask you questions that are easily answered. If you follow up, it may seem that you are mighty anxious to sell. You may never see the potential customer again.

GROSSE POINTE REAL ESTATE CO., 20087 Mack Ave., 882-0087 has an opening on our staff for an individual with a keen desire to become a respected member of the real estate profession. The person we select must be willing to put in the long hours of work and study we require in order to meet our very strict standards. Hours: Mon.-Sat. 9-5, Sun. noon-5, other times by appointment.

DID YOU KNOW?

Buyers can compare one with another and know that yours is the right one for them.

Here's a hot idea to keep you cool.

When the summer sun is beating down, you can stay cool—save money and energy, too—with Joanna Western window shades.

A recent independent study showed that Joanna window shades, properly installed, reduce warm weather heat gain up to 50%. And not only does that keep your home cool. It can save you as much as 21% in air conditioning costs.

So when the heat goes up, pull your window shades down. And remember. Saving energy isn't a fad. It's your future.

Austin Netmen State Qualifiers

The Austin Friars had six State qualifiers in Class B after the netmen finished one point behind East Grand Rapids for the State Championship Saturday, May 31. The group includes, (kneeling, from left to right) JOE FICARRA and CHRIS CONTI, and (standing, from left to right) BRIAN MURRAY, KEN THOMAS, FRANK WILLARD and KEN RYCHWALSKI. Flanking them are coach ED KNUTH, (left), and BOB BRUCHETT, assistant coach. Thomas was both the State and regional champion in singles, while Willard and Rychwalski were regional doubles champs and State runners-up. Meanwhile, Murray and Ficarra were regional runners-up in doubles play and third in the State. Conti was regional runner-up in singles.

Police Team Sweeps Pair

The Pointe police softball team upped its record to 6-0 after sweeping a twin bill in Metro Police Softball League play on Sunday, June 8.

At the same time, the club has a division lead of two games after routing the Macomb County Probate Court, 13-3, and outtrotting the Roseville Police Department, 21-14.

While the victories kept the Pointers moving at a fast clip, the second win proved costly as Mike Kenyon, (Shores), suffered a broken leg. He sustained the injury late in the contest while chasing a fly ball and catching his foot in a rut.

Co-manager John Trevillian, (Shores), said Officer Kenyon was fitted for a cast on Monday, June 9, and will probably be out the rest of the season.

In the opener, Pat DeVine, (Woods), led the hitting attack in going three-for-three. Officer Trevillian and Bruce Marone, (Woods), each went two-for-three, with Officer Trevillian socking a three-run homer and accounting for four RBIs.

Thomas Hunke, (Woods), had a solo home run and two RBIs, while Mike Van De Ginste smacked a two-run triple and had three RBIs.

Against Roseville, the Pointers collected 28 hits. Leading the way were Officer Hunke, five-for-five, Officer Kenyon, three-for-four, and Archie Grieve, four-for-five.

Officer Hunke also smashed two two-run homers, while Officer Grieve had a three-run home run and Officer Van De Ginste socked a solo blast. Officers Hunke and Trevillian each had four RBIs, while Officer Grieve had three and Mark Brecht, (Farms), had three.

In Blue Division play, the standings show the Pointers "Number One" and Warren No. 2 in second place at 4-2.

Austin Edged in Battle For State Tennis Title

By Jim Cnockaert. Junior Ken Thomas defeated Tim Jacobson of East Grand Rapids to win the Class B State Singles Championship, but it was not enough as the Austin tennis team finished in the runner-up spot behind East Grand Rapids for the Class B State Championship in Kalamazoo on Saturday, May 31.

Club Offering Golf Clinics

Two types of golf clinics are being offered by the Neighborhood Club this year — one for women and one for teens. Two summer sessions of the women's clinic will be held. One group will begin Tuesday, June 24, and the other on Wednesday, June 25. Women will meet at the Sunny Acres Golf Course, 13 Mile road and the I-94 Expressway.

The runners-up finish marks the third straight year that the Friars have captured first or second place in State competition. Last year, the Friars took the Class A championship. In 1973, Austin finished runners-up in the same tournament.

Although the runners-up finish was disheartening, coach Ed Knuth is eagerly looking forward to next season.

Austin was the first team in the State to qualify six players for the championship finals and all but one of those six will be back next year. The Friars will be losing three seniors: State doubles finalist Rychwalski, Bill Fausone and Mark Santi.

Returning next year will be Thomas, who finished the season with a 27-0 record, and the four other State qualifiers: Chris Conti, Willard, Brian Murray and Joe Ficarra.

Other returning members of this year's varsity squad are Trip Howell, Jeff Hyland, Jim Murray and John Tulloch.

Austin also grabbed its fifth consecutive Catholic League championship—running its victory string in league competition to 56 matches.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

Short and to The Pointe

When Jean Bresser decides to do something, she REALLY DOES it . . . consider, as a case in point, the family tree Jean created, out of 26 exquisitely decorated egg shells, as a 44th wedding anniversary gift for her parents-in-law, Annabelle and Walter Bresser, of Kensington road.

Annabelle and Walter had five children. Those five now have 20 children between them, and each of those 20 is represented by a large duck egg. Jean cut away one-third of the side of each egg, placing a boy or girl figure inside each shell.

She handmade a lace-over-satin gown for each girl. She decorated the outside of each shell with tiny strings of pearls, rhinestones and braid.

Each shell contains 40 to 100 rhinestones, each set in place individually.

Five large goose eggs represent the five children. Again, one-third of the side of each shell is cut away, and on the inside are boy and girl figures representing the Bresser brothers and sisters, their wives and husbands.

Again, the girls' gowns are all handmade. Again the outside of each shell is highly-decorated.

For Annabelle and Walter, Jean found a large Rhea egg, about nine inches long. She cut it so that the bottom one-third forms a small disc concealing a music box. The disc is satin-covered. It forms the platform on which Jean placed her piece de resistance man and woman figures: Annabelle and Walter.

Previewers Return To Early America

George and Martha Washington Greet Guests at Traditional Party Heralding University Liggett Antiques Show

To celebrate the 10th Annual University Liggett Antiques Show, guests at yesterday evening's Preview Party were treated to a gala red, white and blue extravaganza which definitely set the pace for any succeeding Bicentennial events.

Martha and George Washington were there, greeting guests who walked down a corridor lined with the 13 flags of the original colonies.

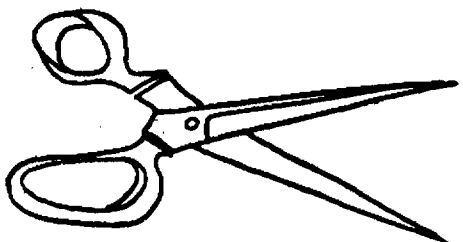

The Greenfield Village Militia, 12-fold strong in full regalia, marched on the 'village green' while Minutemen opened the motorized carriages of arrivals.

The show's 40 antique dealers cooperated by bringing all the 18th Century American furniture and art objects they could collect through the year.

Previewers were intrigued by the lobby display, a special exhibit from the Detroit Institute of Arts featuring French Canadian silver pieces "made for kings," contributed to the museum by Detroit art patrons, including a silver gilt chalice, a precious silver gilt vegetable dish and French Canadian silver religious pieces, plus a collection of fine American pewter, glass and silver.

"Because of Detroit's French Canadian heritage, local collectors have taken a special interest in these rare

This is a scissors.

It cuts hair. And how well hair is cut determines how well hair sets and how long a set lasts. A scissors must cut *with* your hair, never against it. A scissors must cut enough, but never too much. We use a scissors this way — skillfully and sparingly. And we bet beautiful results. Like to see? We'd love to show you.

T. A. Pennell Claims Bride

Thomas Anthony Pennell, son of Mr. and Mrs. John C. Pennell, of Sarasota, Fla., formerly of Doyle place east, claimed Donna Louise Warren, daughter of Mr. and Mrs. William Warren, Jr., of Sarasota, as his bride Saturday, May 24, at a candlelight ceremony in Sarasota's South Trail Church of Christ.

A reception at the Coronado Apartment Club House followed the 7:30 o'clock double ring service for which the bride, given in marriage by her father, chose a lace-accented peau de soie gown and a lace and illusion Cathedral length veil.

Her flowers were yellow Sweetheart roses and baby's breath.

Mrs. Robert Higgins, of Tallahassee, was honor matron for her sister. Bridesmaids were Mrs. Tom H. Warren, of Sebring, Karen Kunkle and Marie McAtee, both of Sarasota.

Their yellow polyester frocks and Southern Belle hats were trimmed with moss green ribbon, and they carried long-stemmed yellow roses.

White daisies accented

flower girl Kelly Stahl's yellow dress.

John C. Pennell served as his son's best man. Groomsmen were Tom H. Warren, brother of the bride, Don Pennell, the bridegroom's brother, and Don Dooley, of Sarasota. Ushers were William Warren, III, another brother of the bride, and Mr. Higgins.

Mrs. Warren chose a gold gown with gold accessories for her daughter's wedding. The bridegroom's mother wore silk chiffon.

The newlyweds will return from a Sanibel Island vacation to make their home in Hollywood, Fla. The bridegroom is presently serving with the United States Coast Guard. The bride recently completed the Dental Assisting Certification Program at Manatee Vocational College, Bradenton, Fla.

Out-of-town guests included the John M. Pennells, of Westland, the Jeff Yanceys and Jerry Yanceys, of Tampa, Fla., Nancy Yancey, of Miami, Mrs. Catherine Higgins and Mr. and Mrs. George Crist, of Sebring, and Mr. and Mrs. Robert Jenkins, of Okeechobee, Fla.

From Another Pointe of View

(Continued from Page 17)

Jean cut the upper two-thirds of the Rhea shell in half lengthways, hinging it at the bottom to open like petals on a flower. Again, as on the other shells, she studded the exterior with tiny pearls, rhinestones and braid.

In the final display, five silver ribbons connect the Rhea eggs to the five goose eggs.

The Rhea egg was placed atop a large cake. The ribbons ran from the cake's bottom layer to the goose eggs, around each of which were grouped the duck eggs, according to families. In one of the groupings was a tiny "extra" egg, a baby egg, decorated with a question mark in purple sequins: Annabelle and Walter are expecting another grandchild.

What they weren't expecting when they showed up at Jean and Jerry Bresser's Three Mile drive home May 31 for their 44th anniversary party was the Fantastic Egg Display! But, my! . . . were they delighted . . .

Many, many hours of delicate work went into the making of each shell, of course. As we said before: when Jean Bresser decides to do something, she REALLY DOES it.

Each rhinestone, for example—the final collection contains over 2,000 of them—was put in place individually with fine, pointed tweezers.

A Presidential Family

Prize for the Most Presidential Family around must go to the Kenneth P. Lockes, of Barclay road, whose son, Richard, was just named president of the Detroit Boat Club's Mixed Bowling League.

That makes THREE President Lockes, for father Ken is president of DBC itself, and mother Marge holds double presidential offices, wielding gavels both for Theatre Arts and the DBC's Women's Bowling League.

Ice Cream And Forty N' Eight

The French Train, Forty N' Eight, has promised to put in an appearance at Grosse Pointe Memorial Church's annual Ice Cream Social this year, providing free rides for all the young at heart.

The Social's set for this Monday, June 16, from 6 to 8:30 o'clock, in the Church parking lot, (in case of rain, it goes on as planned—but indoors, in Fellowship Hall), and everyone's invited to lick cones, sample sundaes, munch homemade cupcakes and sip coffee. Tickets, available at the door, are 50 cents for six-and-under, 75 cents for everybody else.

Assisting general chairmen Mr. and Mrs. Rowland L. Austin are Mr. and Mrs. Howard M. Trowern, in charge of cupcakes and volunteers, Mr. and Mrs. Robert R. Selby, food chairmen, Mr. and Mrs. Gregory S. Maury, decorations, Mr. and Mrs. Danny R. Lee, entertainment, Mr. and Mrs. Edward L. Grimsley, Jr., tickets, and Mr. and Mrs. Charles W. Splash/Bash Set Monday

The Detroit Institute of Arts Junior Council's annual benefit for the museum's Youtheatre returns downtown by the river this year under a new but familiar title, Splash/Bash.

Hoping to net \$15,000 for the live kids' programs at the museum, the under-40 members of the Founders Society will be poolside at the Pontch next Monday, June 16, from 6 until 10 o'clock.

Co-chairmen are Larry DuMouchelle and Joseph Sola. Celebrities will model resort fashions for auction, while Dave Hutson's 13-piece New McKinney Cottonpickers, with vocalist Dave Wilborn, provides the music. This is the same group which won highest awards at last year's Newport Jazz Festival in Carnegie Hall.

Celebrities who have already agreed to model summer clothes and bathing suits by Hughes and Hatcher include Detroit Lion stars Lem Barney, Levi Johnson and Mike Weger, tennis star Trish Faulkner and broad-

casting luminaries Sonny Eliot and Beverly Payne.

Linda Van Lokeren, president of the Junior Council, says there will be more celebrities booked before the first splash and notes that \$7.50 contribution Splash/Bash tickets may be bought at the Art Institute's Ticket Office or from Chuck Muer, Youtheatre board chairman, at the Pontchartrain.

Magic Show For Phase I

Phase I, an all-singles group, will present a performance of magic by Sullivan the Magician at 7:45 o'clock this Sunday, June 15, at Grosse Pointe Memorial Church.

Singles from 20 to 39 are invited to attend. A social hour follows the program.

Phase I meets every Sunday night through June at Memorial Church. Social activities are continuing throughout the summer.

The Bruce Materses

In Grosse Pointe Memorial Church Saturday, May 31, ANNE ELIZABETH HENRY, daughter of the George David Henrys, of University place, and Mr. Maters, son of Mr. and Mrs. Richard L. Maters, of Kalamazoo, exchanged marriage vows.

Anne Henry Bride Of Bruce R. Maters

They Write their Marriage Ceremony, Incorporating Prayer Composed by Bridegroom's Grandfather and Musical Selections

Setting for the afternoon wedding of Anne Elizabeth Henry, daughter of Mr. and Mrs. George David Henry, of University place, and Bruce Richard Maters Saturday, May 31, was Grosse Pointe Memorial Church.

The ceremony, written by the bride and bridegroom, featured several musical selections performed by their friends, Mr. and Mrs. Daniel Bushouse, of Otsego, John Mulder, of Royal Oak, and Linda Schwartz, of Saginaw.

The processional and recessional were rendered by David Mulder, of Royal Oak, on the trumpet.

Presiding at the 2 o'clock rites, which incorporated a prayer written by the bridegroom's late paternal grandfather, The Reverend John Maters, was Dr. Ray Kiely.

Mrs. Henry fashioned her daughter's wedding gown of ivory peau de soie. Cluny lace accented her mandarin neckline, full sleeves and cathedral train, and her bodice featured a hand-tucked voile yolk and Empire waist trimmed with Cluny lace threaded with pale yellow satin ribbon.

Her cathedral length illusion veil fell from a picture hat with a lace-covered crown. She carried an old-fashioned Colonial bouquet of yellow roses, daisies, stephanotis, baby's-breath and English ivy.

Linda Lee Henry was her sister's honor maid. Bridesmaids were Mary Clare Barker, of Flossmoor, Ill., and Mrs. James Whelan, of Kalamazoo.

All wore dotted swiss gowns with tiered skirts and matching picture hats, the

and Mrs. Richard L. Maters, of Kalamazoo, asked Steven Moore, of Kalamazoo, to act as best man. Guests were seated by Mark Bedecs, also of Kalamazoo, and Gary Gould, of Ann Arbor.

At the Grosse Pointe Yacht Club reception following the ceremony, the bride and bridegroom, who met as members of the Varsity Vagabonds at Western Michigan University, surprised their guests by joining in an im-

prompt selection with the group.

Mrs. Henry chose a floor length yellow chiffon gown in a muted print and a wrist corsage of coral Sweetheart roses for her daughter's wedding. The bridegroom's mother's gown, also floor length, was of coral chiffon. Her wrist corsage featured matching Sweetheart roses.

The newlyweds vacationed in Toronto and will make their home in The Park.

honor attendant's in green, the bridesmaids' in yellow, and all carried natural straw baskets filled with yellow and white daisies.

DSO Performs at Fairgrounds

Seven young Michigan musicians are featured soloists during the Detroit Symphony Orchestra's "Music Under the Stars" series of free outdoor evening concerts at the Michigan State Fairgrounds Wednesday through Saturday, June 11 to 14.

The four 8:30 o'clock programs conducted by DSO conductor-in-residence Paul Freeman each includes one or more works by American composers in honor of the nation's Bicentennial.

Pianist Richard Reid made his DSO debut at Wednesday evening's opener playing the Prokofiev Concerto No. 3. Reid, a native of East Lansing, is a graduate of Oberlin and Juilliard and has studied

with Beveridge Webber and Malcolm Frager. The American work featured on this program was Gershwin's "An American in Paris."

Tonight's program will be devoted entirely to American composers with music by Ulysses Kay, Edward MacDowell and Rodgers and Hammerstein. Piano soloist is Charles High, making his DSO debut in MacDowell's Concerto No. 1.

High, who studied at Juilliard and was graduated from the University of Texas, also studied with Charles Rosen and Leon Fleisher. He is now a minister at the Church of the Messiah (Episcopal) and teaches piano at Your Heritage House.

Vocal soloists will be soprano Onita Sanders, tenor Frederick Bellinger and baritone Davis Gloff, presenting excerpts from "Oklahoma," "The King and I" and "The Sound of Music." All three have appeared several times before with the DSO.

Copland's "Fanfare for the Common Man" and operatic arias by Bizet, Verdi and Rossini will be featured at Friday evening's concert. Soloist is soprano Candace Goetz, a recent graduate of the University of Michigan who made her DSO debut last March at a concert in Sandusky, O.

Saturday evening's program includes two American orchestral works: the overture to Bernstein's "Candide" and "Aria and Allegro" by Hungarian-born Eugene Zador. Solo work will be Chopin's Piano Concerto No. 1, played by pianist David Syme who appeared with the DSO at the Fairgrounds in 1967 and again in 1973.

This 23rd annual free Michigan State Fairgrounds concert series is sponsored by the National Endowment for the Arts, the Michigan Council for the Arts and the Detroit Symphony Orchestra, in cooperation with the Michigan State Fair Authority. Entry to the parking lot is through Fairgrounds Gate Two on State Fair street.

Guidance Center Groups Convene

Mrs. George C. Crane Receives Silver Pendant in Recognition of 10 Years' Service to Community Mental Health Facility

The annual May meeting of the Northeast Guidance Center, held at the Harmonie Club in Detroit, brought together the board of directors, Unit coordinators, Unit advisory boards and members.

The Center is the community mental health facility for eastside Detroit, Harper Woods and the Pointes.

Mrs. George C. Crane, of Moorland drive, was honored at the dinner following the meeting when President Dr. Jeffrey W. Barry, of Moross road, presented her with a silver pendant in recognition of her many contributions of time and skill to the Center during the past 10 years.

Anne Crane, an architect, designed the offices in the

original Center building located in East Warren avenue. She has supervised subsequent renovations and remodeling.

Dr. Barry emphasized the Center's indebtedness to her for creating attractive and useful quarters.

Officers elected at the annual meeting include Dr. Barry, president, Mrs. Crane, vice-president, Dr. Rudolph A. Armbruster, vice-president; Mr. Robert A. Waters, treasurer; Mrs. Donald McGuire, recording secretary,

and Mrs. James E. St. Denis, corresponding secretary.

Directors re-elected to serve until 1978 include Christopher Buck, Mrs. Georgia Ciglar, Mrs. Crane, Dr. Barry and Mrs. Frank Greer. Elected to serve until 1976 was Bronson Gentry.

New board members approved for three-year terms are Dr. Andrew W. Dahl, director of Planning, St. John Hospital, Stewart McFadden, vice-president, National Bank of Detroit, and Stanley M. Webb, Community Relations administrator with Detroit Public Schools Region Seven.

Mrs. John Jay, president of the Center's Assistance League, will serve for the duration of her presidential term.

The Northeast Guidance Center provides counseling for children, teens and adults when stress and anxiety may become overwhelming.

Depending on the severity of the situation, treatment, therapy and emergency service is available from a highly-qualified staff. Fees are based on ability to pay; no

one is denied service because of inability to pay.

In an effort to deter mental or emotional breakdown, the Center's thrust is on prevention. A wide range of support services is offered to agencies, schools, crisis centers and students. Community workshops are conducted. A Speakers Bureau provides expertise for area organizations upon request.

Northeast Guidance Center is a community service, directed by members from the community. Authority is derived from the Act 54 Board under the Mental Health Code. Funds come from Federal and State sources and are raised locally.

Servite Mission Guild To Present Card Party

The Servite Mission Guild presents its annual card party next Thursday, June 19, at 7:30 in the evening at Saint Juliana's Church, Chalmers and Longview, Detroit. Prizes, refreshments and a rummage sale will be featured. Donation is \$1.50.

Mr. and Mrs. Merritt C. Schwenk, of Lakeland avenue, are announcing the engagement of their daughter LINDA JEAN, of Winter Park, Fla., to Antonio H. Ravoo, also of Winter Park, formerly of Amsterdam, Holland, son of Mr. and Mrs. Harry Ravoo, of Jacksonville, Fla.

Linda was graduated from University Liggett School, Garland Junior College and Katherine Gibbs, Boston, Mass.

A June wedding is planned in Winter Park.

Will Wed

Mr. and Mrs. George Grenke, of Woodland Shore drive, are announcing the engagement of their daughter BEVERLY SUE to James Joseph Osetek, son of Mr. and Mrs. Jesse Osetek, of Kensington road.

Both the bride-elect and her fiance, who plan a December wedding, were graduated from Grosse Pointe High School and Michigan State University, where she affiliated with Phi Beta Phi sorority.

Woods Garden Club Installs

Installed as president of the Grosse Pointe Woods Garden Club Tuesday, June 3, at the Club's annual meeting in the Chalfonte avenue home of Mrs. Frank A. Morgan was Mrs. Carl Berndt. She will be assisted in 1975-76 by Mrs. Valde L. Carlson, vice-president, Mrs. Donald Marshall, secretary, Mrs. Frank E. Dettmer, treasurer, and Mrs. George

Miles, corresponding secretary.

Club members depart next Thursday, June 19, at 9:30 in the morning for a tour of Jackson Memorial Rose Garden, Windsor, Canada, followed by 1 o'clock luncheon at La Bastille French Restaurant. Further information may be obtained by contacting Mrs. Carlson at 884-2948.

Faculty Wives Cite Students

Each year, Grosse Pointe Faculty Wives honor two local high school seniors with high academic averages. Each student must have a parent who is a staff member of the Grosse Pointe Public Schools.

This year's honorees are Grosse Pointe North High's Julia Johnson whose mother, Margaret Johnson, teaches in Poupard Elementary School, and University Liggett's Carrie Smith, daughter of Lois Smith, a Ferry teacher.

Miss Larrabee Speaks Vows

Terry Ann Larrabee, daughter of Mr. and Mrs. Lyman J. Larrabee, former Kensington road residents who now reside in Davenport, Iowa, was married Saturday, June 7, in Asbury United Methodist Church, Bettendorf, Iowa, to David Charles Stoops.

The Reverend Richard Pearson presided at the 6:30 o'clock rites which were followed by a dinner reception at Clayton House.

The newlyweds are vacationing in Denver, Colo., and will make their home in Borger, Tex.

For her evening wedding, the former Miss Larrabee selected a floor length jersey knit gown with Venice lace accents and a fingertip veil edged with matching daisy lace. Orchids and greens formed her bouquet.

Honor maid Lisa Harms, of Houston, Tex., and bridesmaid Susan Kamm, of London, England, wore yellow jersey slip frocks overlaid with yellow and green daisy-patterned sheer, and wide-brimmed yellow picture hats.

They carried arrangements of yellow and white pom-pom daisies and greens. John Stoops came from Portland, Ore., to serve as his brother's best man. They are the sons of Mr. and Mrs. Charles Stoops, of Toledo, O.

Ushers were Jim Leuthold, of Muskogee, Okla., and David Larrabee, the bride's brother.

The mother of the bride wore a long, princess-line gown of beige crepe, with a heavy lace jacket. Her corsage was a green cymbidium orchid.

The bridegroom's mother selected a long dress of peach jersey and lace and a white cymbidium orchid corsage.

Out-of-town guests included the bride's maternal grandparents, Mr. and Mrs. Felix Constine, and her paternal grandmother, Mrs. Ford Mulford, all of Binghamton, N.Y.

Jane Beebe will be teaching Beginning and Advanced Quilting classes in June, and registration is currently being held in The Crafty Corner in the Fisher Wallpaper and Paint Store where there is also a window display representing the various classes.

Miss Beebe has recently returned from Europe where she had the opportunity to study many quilted relics at the various museums of Europe, as well as observe the European crafts. Miss

Beebe will begin teaching her classes in June, and registration is currently being held in The Crafty Corner in the Fisher Wallpaper and Paint Store where there is also a window display representing the various classes.

An Open House display and opportunity to register for a Free Ribbon Pillow Class will be held on Friday, June 13 in The Crafty Corner.

McLaughlin-Maher Vows Exchanged

Father Thomas A. Maher Presides at His Sister's Wedding; Three Sisters are Among the Bridesmaids

A home in Kansas City, Kan., awaits Mr. and Mrs. Richard Bennett McLaughlin, who exchanged marriage vows Saturday, June 7, in Saint Clare de Montefalco Church, upon their return from a vacation on Long Island, N.Y.

Mrs. McLaughlin is the former Lorraine Ann Maher, daughter of Judge and Mrs. Thomas A. Maher, of Buckingham road.

Mr. McLaughlin is the son of Mr. and Mrs. James R. McLaughlin, of Dallas, Tex.

For the 11 o'clock rites at which her brother, Father Thomas A. Maher, presided, the bride chose an ivory peau de soie gown accented with beaded Alencon lace.

A matching lace headpiece

caught her long illusion veil. Roses, stephanotis and carnations formed her bouquet. She was attended by honor maid Marilee Gilbert, in a lace-accented frock of baby blue voile, carrying an arrangement of daisies, carnations, bachelor buttons and baby's-breath. Bridesmaids, dressed identically and carrying similar bouquets, were the bride's three sisters, Mrs. Richard Peake, Mrs. Terrance Rior-

WSU Medical School Friends Elect Officers

Friends of the Wayne State University School of Medicine held their annual meeting at the Gordon H. Scott Hall of Basic Sciences in the Detroit Medical Center complex Thursday, May 20, electing Pointers Mrs. James M. Pierce, Jr., and Mrs. L. Murray Thomas vice-presidents, Mrs. Charles Boyce recording secretary and Mrs. Donald Birmingham treasurer for the year 1975-76.

Elected to the board of directors following a sherry hour and luncheon were Mrs. Kamran Mughissi, Mrs. Eberhard Mammen, Mrs. Gerald Moore, Mrs. Robert Niccolini, Mrs. James Horvath, Mrs. William Gronemeyer, Mrs. James McKenna and Mrs. Charles Jeffries.

Dr. Louis E. Heideman, pediatrician and director of the Adolescent Ambulatory Service at Children's Hospital of Michigan, spoke on adolescent medicine, its history, facilities currently available and, most important of all, "Why an Adolescent Service."

Seniors Move to New Home in Butzel Center

Senior Center, Inc., board of directors held their annual meeting and reception Monday, June 2, at new headquarters in the Butzel Family Center, Kercheval avenue near Van Dyke.

The Butzel Center, first of its kind in Detroit, represents a trend towards the complete servicing of people in their neighborhoods under one roof, through the cooperation of city, state and federal agencies.

Judy Caszar, Butzel Branch director, is pleased with the Senior Center's move. "We can now give more effective and quicker service to our clients.

"In the past, I might have to drive a Senior Citizen to more than one location to find help to solve his or her problems. Now I can do this by walking around the building, saving time and energy, so I am free to help more Seniors and provide more ac-

activities." The Seniors themselves are pleased with their new home for activities and counseling. The building is bright and cheery and has plenty of room for craft classes, catered meals and social groups.

The word must have spread, for since April 1, 1970 new Seniors have joined Center activities. All enjoy being part of the Butzel Family Center, as it is a total community center where they can mix with people of all ages.

Barbara Locke, of Maumee avenue, president of the Senior Center's board of directors, welcomed new board members including John Garlinghouse, of Merriweather road, and Mrs. G. Howard Willett, of Lochmoor boulevard.

New officers were congratulated, including Mrs. Richard Kost, of Muskola road, recording secretary, and W.

The David DeHaans

ANNE MARIE BETZING, daughter of the George J. Betzings, of Torrey road, and Mr. DeHaan, son of the Robert DeHaans, of Bloomfield Hills, were married Friday evening, April 25, in Our Lady Queen of Peace Church.

Miss Betzing Wed to David DeHaan

She Selects Mother's Ivory Lace and Satin Gown for Evening Rites: More Lace Edges her Evening Mantilla

At home in Sterling Heights are Mr. and Mrs. David Alan DeHaan, who vacationed in Toronto following their evening wedding Friday, April 25, in Our Lady Queen of Peace Church, and a reception at the German American Cultural Center.

Mrs. DeHaan is the former Anne Marie Betzing, daughter of Mr. and Mrs. George J. Betzing, of Torrey road. Mr. DeHaan is the son of Mr. and Mrs. Robert DeHaan, of Bloomfield Hills.

Father Daniel Compo presided at the 6:30 o'clock nuptials. Paul Fox, the bride's cousin and godchild, was altar boy. Dave Fox, O.F.A., gave a special reading. The bride wore her mother's wedding gown of ivory satin and ivory Alencon lace. Her illusion mantilla was lace-edged, and she carried an arrangement of white roses, ivy and baby's-breath.

Honor maid Veronica DeWolf, of Kalamazoo, and bridesmaids Debbie and Patricia DeHaan, the bridegroom's sisters, wore V-necked, long-sleeved frocks of turquoise Qiana, with ivory lace inserts, and carried wicker baskets filled with turquoise and white daisies, baby's-breath and ivy.

Flower girl Karen DeHaan, the bridegroom's niece, wore a matching turquoise dress with an ivory lace pinafore and bonnet. Daisies, ivy and baby's-breath filled her wicker basket.

Randy DeHaan was his brother's best man. Ushering were Bart DeHaan, another brother, and Bill Betzing, the bride's brother. The mother of the bride chose a pink Qiana costume. The bridegroom's mother wore multi-colored floral print chiffon. Both mothers selected cymbidium orchid corsages.

Park Garden Club Gathers

The Grosse Pointe Park Garden Club gathered for its Monday, June 9, meeting at the Harsens Island summer home of Mrs. Frederick J. Schumann. Mrs. John A. Ross served as co-hostess. Leo Pospichal, from the Michigan Department of Conservation, Games Division, spoke on "Water Birds of Harsens Island," and special guest was Mrs. Andrew Frostic, also a bird authority. Grosse Pointe North High School English teacher JOHNN FOX has been elected first vice-president of the Michigan Council of Teachers of English.

Retired Teachers Offer

Defensive Driving Class

A Defensive Driver Training Class sponsored by Detroit Retired Teachers Association under the leadership of George and Mary Schulz will be offered at Calvin East United Presbyterian Church in Cadieux road, Detroit, with four sessions running from 10 o'clock to noon Tuesday and Thursday, June 17 and 19, and Tuesday and Thursday, June 24 and 26. Fee for members of the Retired Teachers Association and the American Association of Retired Persons is \$1.

The program, developed by the National Safety Council in a campaign to reduce traffic deaths and injuries due to traffic accidents, utilizes movies, charts and workbooks. One point stressed is not to insist on the right of way, even though it is clearly yours, if you think it could

cause an accident. This is driving defensively, and possibly saving lives.

The monthly dinner meeting of the Motor City Charter Chapter of the American Business Women's Association was held at the Sentinel Building in East Jefferson avenue Wednesday, May 28, at 6:30 o'clock.

William Hilton, acting director of University Courses, Adult Education, Wayne State University, was guest speaker. Addie McCarty gave the vocational talk for the month. Guests were welcome.

May is Scholarship Month for all ABWA chapters. Currently, Motor City is sponsoring three young ladies: Linda Samuel at Northern Michigan University, Patricia Rowse at Oakland University and Marie O'Donnell at Marygrove College.

SELLING YOUR HOME?

Grosse Pointe Real Estate Co. has more unique ways than you can imagine. They purchase outright at fair prices. They have their designer review your house for total potential at their expense. They also have a guaranteed sale listing. If this isn't enough they will also take trade ins — from houses and yachts to farms and vacant land.

This ability to be flexible is all important to buyers and sellers alike. So call them and hear their story. We'll bet they will win your favor.

GP Kiwanians Seek Support

Members of the Kiwanis Club of Grosse Pointe will be hand delivering letters to local residents this week and next week. Through the letters, members are seeking donations to help fund the various charitable and community activities of their organization.

Part of the monies collected will be used to fund the Fourth of July fireworks display scheduled for 1976.

Other charitable and community activities include scholarship help, senior citizen transportation, support for local high school groups, plus active and financial support for the fight against drug abuse.

Members of the community who may not receive an appeal letter, but who wish to contribute to the Kiwanis Club, may send their tax deductible contribution to the Kiwanis Club of Grosse Pointe Inc., Grosse Pointe War Memorial, 32 Lakeshore road, Grosse Pointe Farms 48236.

Center Offers Karate Lessons

Beginning Friday, June 13, from 7-9 p.m., Tao Kwan Do, Korean Karate, will be taught and exercised on the lakeside lawn of Grosse Pointe War Memorial Center.

Taught by members of the Karate Club, under the direction of Sang Kyu Shim, who introduced the art of the open hand to America, the term of eight weeks is taught for a fee of \$20. Loose fitting exercise clothing is worn or the Karate uniform may be purchased.

Men, women, boys and girls may all enroll in Karate.

STEPPING STONE SELF-DECEPTION

Youth should give education priority—it will put much more opportunity in their future.

ORDINANCE NO. 67

An ordinance to amend Section 1.189 of Chapter 10, Special Assessment Procedure, of Title I, Administration, of the City of Grosse Pointe Park Ordinance Code

THE CITY OF Grosse Pointe Park ordains:

SECTION 1. Section 1.189 of Chapter 10, Special Assessment Procedure, of Title I, Administration, is hereby amended to read in its entirety as follows

"1.189. ASSESSING SINGLE LOTS. When any expense shall have been incurred by the City upon or in respect to any single premises, which expense is chargeable against such premises and the owner thereof under the provisions of the Charter, this Code, any ordinance of the City, or law of the State of Michigan, and is not of that class required to be pro-rated among several lots and parcels of land in a special assessment district, an account of the labor, material or service for which such expense was incurred, and the name of the owner, if known, shall be reported to the City Treasurer who shall immediately charge and bill the owner, if known. Such bill shall be sent first class mail to the owner of the property to be assessed and such bill shall notify said owner of the time of the meeting of the Council, not sooner than thirty (30) days thereafter, when the Council will meet for the purpose of adopting a resolution placing a special assessment upon said property for such charges unless the same are paid prior to the date of such meeting. At such meeting the Council shall adopt, in accordance with section 11.9 of the Charter, a special assessment resolution covering each parcel of land for which such charges have not been theretofore paid in full. As many parcels may be included in a single resolution as shall be convenient. The Council may include in such special assessment resolution an additional charge of 15% of the amount to be assessed to cover the cost and expense of such procedure. Upon adoption of such resolution the Council may authorize installment payments, and if installment payments are authorized, shall determine the number of installments and the rate of interest to be charged thereon, but not to exceed six (6%) per cent per annum."

SECTION 2. This Ordinance shall take effect on July 1, 1975.

MRS. H. JAMES GRAM, OF MORAN ROAD, IN THE MALCOLM R. STIRTON GARDEN

By Janet Mueller

The Grosse Pointe Garden Club Council is planning another Summer Tour of Grosse Pointe Gardens, and Margaret Gram is, as usual, in the thick of the Council planning.

"I just like to have the yard look pretty," she demurs, taking exception to any description of herself as a Passionate Gardener.

She likes to work in the shade; fortunately, Moran road is one of Grosse Pointe's most beautiful shady streets.

She does some needlepoint and knitting, when pressed, in fits and starts. "I think I hold the Grosse Pointe record for working on the same piece of needlepoint longer than anyone."

Love Huron Mountain

The Grams usually vacation at the Huron Mountain Club. Margaret loves the woods and everything that goes with the Great Outdoors.

She's whittling down her other committee commitments. She's retired from the board of the Grosse Pointe Memorial Church Women's Association.

They've been joined, over the years, by more than 10 other local garden clubs, making the Garden Club Council, which celebrated its 25th anniversary in 1973.

The Council has always concerned itself with projects that benefit and involve the whole community.

The Council has always concerned itself with projects that benefit and involve the whole community. It sponsored the first Grosse Pointe Clean-Up Week 'way back in April, 1950.

The Grams—Jim's a Touché Ross partner—have five daughters in all. Margaret's married to Raymond Sokolov, who's just published a book. The Sokolovs live in a refurbished brownstone in Brooklyn Heights, N.Y., and have a pair of sons.

Christine lives in Barcelona, Spain. Betsy is home now, working at Emily's downtown. Carol, graduated this week from University Liggett, will be off to Vassar in the fall.

Mother Is Pleased Christine lives in Barcelona, Spain. Betsy is home now, working at Emily's downtown. Carol, graduated this week from University Liggett, will be off to Vassar in the fall.

There's little about Grosse Pointe Margaret Gram doesn't know, for she's been a Pointer almost forever, since 1929, when her family

Field in 1972, (they're doing very well), and has recently concerned itself with landscaping at South High. "We've put about \$1,200 into South High so far."

Purpose of the Tour is twofold: to make money for beautification of Grosse Pointe and to educate and share garden ideas with the community.

This year the Council hopes to concentrate on reworking the side walkway area fronting on Fisher road, (across from the Schettler's/ Harvey's/Farms Market/Arrangement business complex).

They include the Monro garden in Woodland place, its plants and trees chosen for continuous color from early spring to late fall.

At the Ridge road residence of Mr. and Mrs. Burt Eddy Taylor, Jr., where small hills simulating mountains in miniature are planted with dwarf trees, contoured pines, rhododendron, azaleas and bulbs to form a Japanese garden.

Also on this year's Tour are the formal Italian garden of the Henry Earles in Cloverly road and the small, shady garden in Muskoka road lovingly tended by Miss Charlotte Dey.

Assisting Tour chairman Mrs. H. A. Powell are Mrs. William J. Nixon and Mrs. E. G. Foxson, Jr., who are in charge of tickets.

Further information may be obtained by calling TUxedo 4-6068 or 885-2058.

Short and to The Pointe

(Continued from Page 17) Receiving Bachelor of Arts degrees from Tufts University this spring were LESLIE WELLSER, graduated cum laude in English, daughter of MR. and MRS. GORDON A. WELLSER of Moran road, and JAMES McCLURE STEARNS, graduated cum laude in Economics and History, member of the Tufts Rugby Club for four years and of the Mountain Club for two years, son of DR. and MRS. C. PAUL HODGKINSON, of Kenwood court.

MR. and MRS. CHARLES R. GIBSON, of Harvard road, Detroit, announce the birth of a son, DAVID RANDOLPH, May 12. Mrs. Gibson is the former BONNIE RANDOLPH, daughter of Mrs. Gladys Randolph, of Lochmoor boulevard. Paternal grandparents are JUDGE and MRS. FLOYD R. GIBSON, of Independence, Mo.

Grosse Pointe North High School graduate MIKE SCHOMER, a Western Michigan University junior weightlifter, turned in an outstanding afternoon recently, capturing four place awards for WMU's track team in the Bronco Invitational. Mike copped meet honors in the javelin with a throw of 188' 9", and had thirds in the hammer at 162' 9", the discus at 143' 6" and the shot put at 47' 11 3/4".

Detroit area alumni of Lafayette College, Easton, Pa., including Pointers JACK C. GRIFO, WILLIAM R. KRAUSS, ROBERT J. LEIDICH, DONALD N. SWEE- NY, III, JAMES B. LEWIS, CHARLES R. MOORE and GEORGE P. HALEKAS, were invited to view a color documentary motion picture about Lafayette at the May 12 meeting of the College's local Alumni Club at Stouffer's Restaurant, Southfield.

Two students of German at Grosse Pointe North High School are winners in the state contest sponsored by the National Association of Teachers of German, and were honored by the German Consul General at a luncheon at the Old Heidelberg Inn in Ann Arbor May 10. JOANNE BLUM tied for first place in the state on level four. FREDRICK VANHORNE tied for second place on level three.

Serving as a co-chairman of the 1975 Orchard Lake Founder's Day Dinner scheduled for June 18 on the Schools' Orchard Lake campus, benefitting St. Cyril and Methodius Seminary, St. Mary's College and St. Mary's Preparatory School, is ALEX J. MILLER, of Heather lane.

Among Wayne State University's Merit Scholarship winners are Grosse Pointe North High School students HENRY BLIND, PATRICIA BLINKHORN, KATHLEEN MITTELBUSCHER, CATHERINE THOMASSON, SANDRA WEBER and MARK ZUKOWSKI, who will receive their tuition for as long as they remain at WSU and maintain a B average.

University Liggett senior DAVID L. SCHAFER has received an Honorable Mention Award in the sixth annual Lawrence Institute of Technology Math Competition open to all metropolitan Detroit area high school students.

Receiving degrees from Northern Michigan University during spring commencement exercises were PATRICIA DICKSON, of Prestwick road, Bachelor of Science in Nursing in Nursing Education, and JOHN CIARAVINO, of Lennon road, Bachelor of Science in Liberal Arts.

From Another Pointe of View

(Continued from Page 19) N.C., will be performed this Sunday, June 15, at 10:30 in the morning at Detroit's historic Old Christ Church.

Dr. Samuel S. Johnston, rector, has incorporated this yet-unpublished cantata into the Morning Prayer Service. Professor Malcolm Johns, of Rivard boulevard, who conducted Nashville Symphony members and Peabody Madrigalians in the work's first taping early this year after the death of his brother-in-law, Dr. Thor Johnson, Nashville Symphony conductor originally scheduled to preside at the recording session, will conduct the Detroit performance.

Permission to perform the historic cantata at Old Christ Church was granted by the Moravian Music Foundation of Winston-Salem, N.C., where texts and music have been "rediscovered" over the last 50 years and an English translation was recently completed.

"Psalm of Joy" will feature a 16-piece orchestra composed of Detroit and Wayne State University Symphony members, and the 32-voice Old Christ Church Choir which has as its nucleus some of Detroit's outstanding soloists.

Guest lay reader will be William P. Harris, III, of Cloverly road.

DR. GEORGE E. LEONARD, of Balfour road, professor of Counseling and Guidance in Wayne State University's College of Education, has been elected to the presidency of the National Vocational Guidance Association.

CLARICE MILLER, daughter of MR. and MRS. DONALD MILLER, of Carmel lane, has been initiated into Delta Delta Delta sorority at St. Lawrence University.

University Liggett graduate SARA HENDRIE, daughter of MR. and MRS. JOHN HENDRIE, of Deming lane, was presented recently in a recital for two pianos, playing Mozart's Sonata in D Major K. 448, at Denison University where she is a freshman.

MAUREN CROSS PETERS, daughter of DR. and MRS. HAROLD E. CROSS, of North Deeplands road, received her Bachelor of Science degree in Recreation and her teaching certificate in Elementary Education from Eastern Michigan University April 19.

Grosse Pointe North High School senior NANCY A. WALKER, daughter of DR. and MRS. FRANK B. WALKER, of Balfour road, has been named a recipient of one of Alma College's 30 prestigious Trustee Honors Scholarships for which financial need is not a requirement. Nancy has been an outstanding student at South as well as active in Dramatics and as a member of the Future Teachers Club.
