HOUSE DEMOCRATS voted 150 to 57 yesterday in favor of cutting back social security payroll taxes and financing part of the program from general revenues. President Jimmy Carter said the move would be "a serious mistake." The vote, taken after heated debate, is not binding. But proponents of the measure hoped it would carry considerable weight in the House Ways and Means Committee, which would have to consider such legislation. Democrats control the House by a 2 to 1 margin.

PRESIDENT JIMMY Carter has changed his mind on not producing the controversial neutron bomb. His new decision on the weapon is to postpone its production, not cancel it. U.S. officials said late yesterday that the President's final decision will be announced today, after it has been explained to North Atlantic Treaty Organization officials in Brussels. Neutron weapons are designed to inflict battlefield casualties with a radiation while limiting blast damage. Although referred to as a bomb, the weapon is really a warhead for the 81-mile-range Lance missile. Mr. Carter had indicated last Monday that he would scrap production of the weapon.

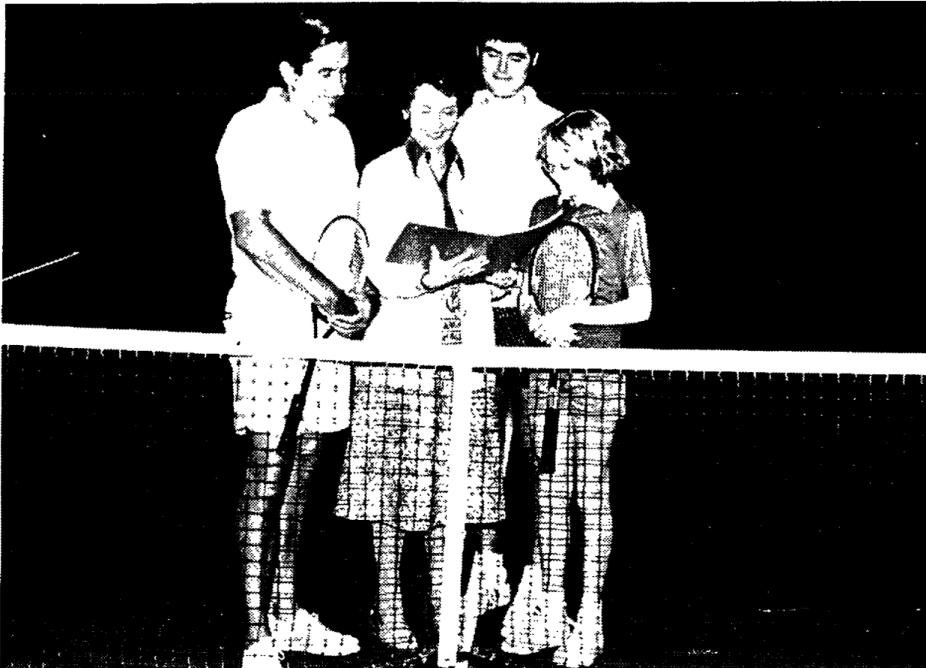

Saturday, April 8
THE NATION'S unemployment rate increased slightly in March to 6.2 percent, the first increase in seven months, the government said yesterday. The rising jobless rate among blacks was the cause of the overall increase. Labor Department analysts said the increase from 6.1 percent in February was minor and that the unemployment situation was virtually unchanged. The March increase ended four consecutive months of decline. Most Americans who did get jobs in March were factory workers who were rehired after they had been laid off during the winter.

Sunday, April 9
THE KREMLIN yesterday called President Jimmy Carter's decision to defer production of the neutron bomb a ruse aimed at sidetracking international protest and thereby forcing new military concessions from the Soviet Union. Mr. Carter had announced Friday that he was putting off production of the nuclear warhead, pending evidence of new Soviet "restraint" in the arms race. The Soviet news agency Tass made the announcement. It is the first official Soviet commentary on Mr. Carter's decision.

ISRAEL HAS refused a demand by United Nations Secretary General Kurt Waldheim to withdraw all Israeli forces from southern Lebanon, said Israeli government sources in Jerusalem yesterday. A spokesman for Israeli Prime Minister Menachem Begin said there was an exchange of notes between both men over the weekend but he gave no details. Sources confirmed that Mr. Begin sent a note to Mr. Waldheim saying Israel would not go beyond the two-stage partial pullout scheduled to begin tomorrow.

Tuesday, April 11
A SOVIET official in the United Nations has left his office and informed the United States that he will not go back to the Soviet Union. A UN spokesman announced yesterday that Arkady N. Schevchenko, undersecretary-general for political and security council affairs, has not yet asked for political asylum in the U.S. but he did not rule out the possibility. Mr. Schevchenko, 47, was the highest Soviet official in the UN.

GPHC All Set for Big Tennis Tournament

A sellout crowd is expected for the fifth annual Michigan Open Mixed Doubles Indoor Tennis Tournament Saturday and Sunday, April 15 and 16, at the Grosse Pointe Hunt Club, (GPHC). Reviewing the field of contestants and ticket sales are, (from left to right), TOBEY HANSEN, professional at GPHC, Mrs. EDWIN N. PEABODY of Lakeside court, ticket chairman, and con-

ants BRIAN MARCUS of the Oak Park Racquet Club, and twelve-year-old MEGHAN McMAHON of Whittier road. Tickets are available for the preliminary matches Wednesday through Friday, April 12 to 14, and the semi-final and final matches April 15 and 16. Tickets can be ordered by calling 884-9090. Arson Seen As Cause of GPP Blaze

Authorities Issue Joint Statement Reviewing Incident; Suspect Under Investigation

By James J. Njaim
There is sufficient evidence to conclusively prove that the Saturday, March 18, fire, which gutted The Park mansion owned by Charles Helin at 15440 Windmill Pointe drive and resulted in the death of City firefighter Richard Tucker, was arson. A suspect is under investigation and will be questioned by the Wayne County Prosecutor's Office before definite steps can be taken to arrest him, according to a joint statement by Fire Chief Phillip Costa and Police Chief Henry O. Coonce on Monday, April 10. Chief Costa said an eight-day investigation, conducted by State Police Sgt. Raymond Brotebeck of the State Fire Marshal's Office and Park Fire Lt. James A. Palmer, provided enough evidence to establish that arson was the cause of the fire.

View Assumption
"There was enough charring and burning to be of a suspicious nature to bring about this statement," said Chief Costa. "The compilation of reports of the investigation has been pre-

Tree Planting Program Set to Begin in Park

By James J. Njaim
Trees add to the beauty of a community and The Park administration is asking interested homeowners to participate in the city's spring tree planting program. City Manager Robert A. Slone informed the council on Monday, April 10. Homeowners have been asked to plant trees where none have existed before, and so far, only seven property owners have announced they would be happy to do so. Last December 12, at a regular meeting, the council adopted a policy pertaining to the planting of Locust, Maple, Ash and various other species of deciduous trees to replace diseased elms which had been removed, and to

Farms Council Approves Repairs at Boat House, Pier Park Planning Study

Solons Okay Combined Total of \$18,850 to Get Work Done; Ann Arbor Firm to Explore Two Main Aspects in Overall Proposal

By Wendy K. Settle
The Farms Council approved a combined total of \$18,850 for repairs and a planning study to be done at the Pier Park. Voting at its regular meeting on Monday, April 3, the council unanimously approved \$1,500 to repair the boat house floor and \$7,500 to repair the cracked concrete parking lot. Voting 5-1, it approved \$9,850 for a planning study to be done by Johnson, Johnson and Roy, Inc., (J, J and R), of Ann Arbor. City Manager Andrew Bremer recommended the repairs and suggested that Pointe Asphalt and Paving, Inc., be given the project without taking bids. "It's the type of item you just can't bid upon because you don't know what your going to find once you get in there," Mr. Bremer said. "We can't use the (boat house) floor the way it is and I'm afraid if we don't do something we'll have to close off the building."

Floor Drops
The floor in the boat house has dropped at least five inches and Mr. Bremer estimated about 340 square feet needed repair.

The cracked parking lot and sidewalk has dropped six inches in some places and has raised six inches in other places, Mr. Bremer added. It seems the separation is putting pressure on the harbor's sea wall and Mr. Bremer said he was afraid the wall might cave in. "I don't feel it's something we can do at a later date,"

JOY Sign Up Dates Slated

Students who need a job for after school or during the summer may get in touch with potential employers through JOY, (Job Opportunities for Youth). JOY is a volunteer Pointe community service co-sponsored by the Junior League of Detroit and the Neighborhood Club. It is a job referral service that links the jobless teenager with an adult in the community who has a job opening. JOY representatives will be at North and South High Schools on Tuesday and Wednesday, April 18 and 19, between 11:30 a.m. and 1 p.m. to take applications for their service. Applications also will be taken at the Neighborhood Club, 17150 Waterloo avenue, on Saturday, April 22, between 9:30 a.m. and 12 noon for students who were unable to sign up at the high schools. To qualify for JOY referral service, the students must be at least 12 years of age and live within The Pointe school district. Students who are unable to register during the scheduled times may also sign up at the Neighborhood Club Mondays through Fridays from 9 a.m. to 5 p.m.

Honorary Permits to Park Eyed

Woods Council Trims List, Regulates Amount of Visits Permitted

By Roger A. Waha
The issuance of a list of honorary park permits, a practice which has apparently been conducted since around 1950 and which, for the first time, was approved by the Woods Council at a public meeting last year, was the subject of some streamlining by the solons at their regular meeting Monday, April 3. A total of 96 such permits were approved in 1976, while 88 were issued last year. However, in his unanimously passed motion of approval, Councilman E. D. Grady cut the number to 68 regarding the practice which officials in the past have indicated is a public relations gesture. Those affected in this year's list include Ford Estate employees currently on the payroll, (around 31 permits overall), St. Clair Shores officials, (14), Harper Woods officials, (eight), Lochmoor Club officials, (five), and a miscellaneous category, (10).

Close Vote Taken
The majority of the designated individuals' families also are included, with the miscellaneous category encompassing officials from the Wayne County Drain Commissioner's office and their families, and Sens. Joseph M. Snyder and John Hertel and Rep. William R. Bryant and their families.

Along with the trimming of the proposed list, Mr. Grady also moved that such permits be limited to the man and his wife with a maximum of 10 punches. His motion passed 4-3 with Mayor Benjamin W. Pinkos, Councilmen Thomas Fahrner and George Cueter and Mr. Grady voting "yes," while Councilmen George S. Freeman, John Sabol and Robert E. Novitke voted in the minority.

With this action, the honorary park permit holder has 10 punches, one per guest, and when the punches are exhausted, that's it for the year. The individual also has to properly identify himself at the gate on each visit.

In the past, one card was issued to the individual and his immediate family for the year and that person could visit the park and bring (Continued on Page 2)

Bids on Police Vehicles Causes Hassle in GPW

Bidding Procedure Questioned, Three Motions Offered Before Solons Accept Resubmitted, Low Bid of Roseville Chrysler-Plymouth on 6-1 Vote

By Roger A. Waha
Bids on new police vehicles occupied over two of the four hours of the Woods Council's regular meeting Monday, April 3. During the discussion, the bidding procedure in this instance was questioned, legal questions were raised, three different motions were offered and the dealership, whose low bid was rejected on Monday, March 20, when specifications weren't met, ultimately received the solons' nod after resubmitting another bid.

The net result of this process is that the city obtained seven 1978 Plymouth Furys at the lowest price and dealt with the lowest bidder—Roseville Chrysler-Plymouth in the amount of \$37,861.18.

On the subject of bids, the normal procedure is to receive sealed bids and open them at a specific time, previously announced. However, compounding the problems facing the council in this case was the fact that deadlines to order new cars had to be met so what was considered the appropriate way out during the discussion—to reject all bids and try again—failed to materialize.

Cites Concerns
The third and final motion which was approved was from Councilman E. D. Grady. It waived the cancellation of all bids, including Roseville's first offer, placed in the record on March 20 and accepted the dealership's second bid. Councilman Thomas Fahrner supported this motion which was approved by a 6-1 vote.

Previously citing his concerns over the conduct of the entire bidding procedure, Councilman George S. Freeman cast the lone dissenting vote. "My feeling was that the original bids which were sent out were sealed and one of those four bids should have been chosen. Then, the two others came in, (Roseville for the second time and Jim Causley Pontiac), and the right way would have been to start over," he said.

Mr. Freeman added it was against his principles to follow the format which ensued during the meeting. On the 20th, four sealed bids were considered: Roseville, \$38,768.73, Ed Schmidt (Continued on Page 6)

Schools Get Two Gifts

South High and Defer Elementary Schools both received gifts from their parents' clubs this month. The Dads Club at South High donated a pair of volleyball standards, worth about \$700. The Defer PTO raised \$1,100 to buy and install two slides in the school playground. There are no slides on the playground at the present time. The School Board accepted the gifts with thanks at its Monday, April 10, meeting.

'Big Footed' Burglar Hits Again, Features Obtained

The same "big footed" burglar who is suspected of committing 18 burglaries in The City and Farms, apparently struck in The Park on Friday, April 7, and was almost caught by police. Park Sgt. Walter Paton was on patrol at about 11 a.m. Friday when he spotted a man coming down the driveway of a Kensington road home carrying a television set. Upon sighting the officer, the suspect dropped the set and took off down Kensington road. Police from The City and Farms eventually joined the chase of the suspect, but without success. Police, however, did get their first good description of the suspect on Friday. He

Viewing Declining Enrollment, Board to Study Long-Term Plan on Utilization of Buildings

By Susan McDonald
With enrollment expected to drop to under 9,800 students in the public schools next year, the Board of Education could conceivably close as many as three elementary schools and one middle school—but it won't.

The trustees approved a resolution Monday, April 10, committing the system to keeping all 15 schools open and maintaining the present grade organization for at least another year. In addition, the Board said it will study a long-term plan of utilization of school buildings, in an effort to give residents a five-year commitment on school use.

Census Should Help
Enrollment has been steadily dropping by about 400 students a year since 1971, the year of peak enrollment at 13,529 students. Next year will mark the first time since 1957 that the student population has dropped below 10,000.

School officials predict they may lose about 2,000 more students over the next five years. After that, they believe the student population will level off for a period, then gradually increase. A door-to-door school census, to be conducted next month, should give the officials a more clear picture of future trends.

"From a purely management point of view, several buildings could be closed," Superintendent Dr. William Coats said Monday. "We could fit students into remaining schools even if we closed at least three elementary schools and one middle school."

Schools Eye Hikes in Proposals

Trustees to Explore Level of Services Received, Alternatives to Division for Securing School Buildings

By Susan McDonald
School officials said this week they will re-evaluate their membership in the Youth Service Division, (YSD), in reaction to the recent proposal that the schools increase their annual contribution to the division's budget.

School Board trustees said they will investigate with high school principals the level of services actually received from the division, and check into alternatives to the YSD for securing school buildings.

The new financing proposals "present a serious problem for the school system," according to Superintendent Dr. William Coats. "When you start looking at what we're paying for the service, we may want to consider having our own security force."

Eye New Formula
The Board discussed the proposals at its Thursday, April 6, meeting.

The YSD board of managers, composed of five city managers and a School Board representative, approved on Tuesday, March 28, a new formula for financing future YSD budgets. The proposal calls for an increase in the school system's contribution from the current 20 percent of the total YSD budget to 25 percent in 1978-79 and 30 percent the following fiscal year.

Figured on top of expected increases in the division's budget, the proposal would boost the schools' share from the current payment of about \$29,930 in 1977-78 to \$40,743.20 in 1978-79 and \$52,800 in 1979-80, a 76 percent hike over three years, according to School Board figures.

(With the schools paying 30 percent of the total budget cost in 1979-80, the YSD budget proposal places the figure at \$48,891.90.) Woods City Manager Chester E. Petersen, division coordinator, said the YSD board made the proposals because they believe "the school system gets better than 50 percent of YSD services."

"The officers appear every day in the schools, counseling and meeting with stu-

Farms' Error Costs Citizen

By Wendy K. Settle
For the past two and a half years The Farms water department has been incorrectly reading the meter of Jack A. Tompkins of Tonanour place and undercharging Mr. Tompkins for his water. The dollar amount of the error totals \$515.80 which the water department informed Mr. Tompkins he owed to the city.

In a letter to Farms Mayor James Dingeman, Mr. Tompkins stated that he was "in no mood" to pay for something for which he wasn't responsible. He added, "Evidently they (the water department), think I should pay for an error they have made."

The Farms Council considered Mr. Tompkins' letter at its Monday, April 3, meeting and decided that he did have to pay the bill but they reduced the charge to half the amount, \$257.90.

Council members Nancy Waugaman and James Mast voted against the measure. Mrs. Waugaman felt that Mr. Tompkins shouldn't have to pay the bill at all because "it was our mistake, so why should he pay for it?"

Meanwhile, Mr. Mast felt that Mr. Tompkins should pay the entire bill because "he used the water."

Honorary Permits

(Continued from Page 1) guests without any time limit being set. Indicating that the use of such permits has varied in the past, Parks and Recreation Director Donald J. Hallmann cited instances of abuse, e.g., on occasions, when a large group arrived, personnel have had problems sorting out who was who.

During the discussion of the overall procedure, Mr. Freeman expressed some concern over the possibility of Woods citizens being discriminated against in the total process.

Meanwhile, in emphasizing the need for control over this process, Mr. Pinkos said honorary permits should be different than those issued to citizens, with the former holders not having the same privileges as residents.

(Mr. Hallman said citizens have six guest punches, while a family has a family card for Saturday, Sunday and holidays only with 10 guest privileges.)

The mayor also noted that besides the honorary permits for Ford Estate personnel and officials of other cities, the city issues park permits to non-resident employees and non-resident retirees, along with non-resident commercial taxpayers.

On the latter, City Administrator Chester E. Petersen said one permit, (without guest punches), has been issued per building, with such permits not being utilized as

much as the honorary ones. In the past, he stated an application has been requested by the occupant and a check is made to see if a permit has already been issued. If not, a determination is made to see if either the owner of the property or the occupant of the building will receive it.

This procedure, based upon the discussion at the meeting, was verbally concurred with by the mayor and council although no motion was presented.

When this subject matter was publicly viewed last year, the motion stipulated that beginning with the start of the 1978 season, the honorary park permit list be submitted for the council's review and approval in March of each ensuing year.

At that time, the motion also indicated that the subject of non-resident park permits remain on the Committee of the Whole agenda.

The history governing the issuance of such permits remains on the hazy side as to when the practice actually started. Apparently, to the recollection of some officials, they were issued via council policy up until the early 1960's when regulations governing them were set down in ordinance form.

Comply with Law
 A section of the city code on entrance to the Lake Front Park and the use of facilities says special permits may be authorized by the city council to visiting dignitaries, officers of other governmental agencies, city employees and in such other special instances where, in the council's judgement, the issuance of a special permit will serve the public benefit and welfare.

Tree Planting

(Continued from Page 1) not previously exist between the curb and the sidewalk, sharing the cost equally with the adjacent property owner. The cost to the property owner would be \$20.

Larger balled and burlap wrapped trees, three inches or more in diameter, will be purchased by the city upon request to replace a removed elm. The property owner would pay \$60, which is the difference between a \$40 bare root tree and \$100 for a larger balled and burlap wrapped tree.

If the adjacent property owner requests a larger balled and burlap wrapped tree, where a tree did not previously exist, \$80 will be assessed against the owner.

In all cases, based on the approval of the public service department, James Ellison, director, and the obtaining of a permit, The Park will pay up to \$40 for a bare root or a burlap wrapped tree for the replacement caused by the removal of a diseased elm, and \$20 for the planting of either a bare root or burlap wrapped tree, where a tree did not previously exist. For further information regarding the planting program, or to order a tree, call the public service department at 822-6200.

Officials are quick to point out, regarding the "public benefit and welfare" stipulation, that the issuance of honorary permits to Ford Estate employees is an action toward maintaining good relations with the Ford family because they were instrumental in selling property to the city for the Lake Front Park.

In other instances, officials in the past noted that both Harper Woods and personnel from the Wayne County Drain Commissioner's office helped in obtaining sheet piling for the park, while St. Clair Shores was cited for adopting the Lake Front Park control ordinance on the regulatory front.

Since the early 1960's, a proposed list of honorary park permits was submitted to the council in executive session, with the solons voicing no objection to such issuance after making any adjustments to the list.

However, with the "Open Meetings Law" becoming effective last April, it was determined that this matter be placed on the agenda at a public meeting to be in compliance with the law's provisions.

School Board Eyes YSD Budget

(Continued from Page 1) dents, attending sports events and dances after hours," Mr. Petersen said.

Take Different View
 "The majority of their time is spent on the school system, rather than investigating cases referred to them by the cities. The schools have been getting a real bargain in the past."

School Board members, however, took a slightly different view of the issue.

"If the city managers really believe we're getting 30 percent of the YSD services, (in relation to the 1979-80 proposal), I'd like to see it," said Trustee William Huetteman.

"I think it's a super service, but the fact is, we're not in the police business. If these proposed increases represent a trend as the cities begin facing some budget problems, I'd like to see us deal with it now," Mr. Huetteman said.

Board President John Bruce echoed his statements. "I'd be the last one to want to see the YSD endangered. It's a fine service. But we have to establish our areas of responsibilities."

Dr. Coats added that while there are "no doubt many unacknowledged positive factors to our membership... when the Board's financial contribution to the YSD budget exceeds \$52,000 each year other alternatives must be considered."

The YSD managers developed the new funding proposal after The Shores threatened to pull out of the division unless the funding formula was changed.

A "Final Blow"
 The Shores Council has argued for a decrease in its financial responsibilities based on the fact that the Village sends few cases through the YSD offices.

The YSD employs four youth officers, with offices at both North and South High Schools and The Woods city hall as the community is managing municipality of the division. The projected budget for next year totals \$162,973, about an eight percent increase over this year's expenditures of \$150,927.

In the past the schools paid about 20 percent of the budget, and the cities financed the rest on a formula based on their pro-rata share of the community's total state valuation of property.

Last year that broke down to about 12 percent of the remaining budget for The City; 25 percent for The Farms, 19 percent for The

Park, 11 percent for The Shores, and over 33 percent for The Woods.

Mr. Petersen said if the schools should decide to pull their support out of the YSD "it would be the final blow to the division."

Police noted that the Fisher road resident had left the door to her empty garage open while she was gone.

On the same day, sometime between 9 a.m. and 2 p.m., \$300 of stereo equipment, radios and watches was stolen from a St. Clair road home.

Police link some 18 burglaries that have occurred in recent weeks to a single suspect because of a distinguishing footprint found at the scene of the crimes, and because of similarities in the methods of operation.

Residents also have reported seeing a blue auto parked in the vicinity of several of the breaking and enterings.

Several of the victimized citizens requested that their names be withheld.

Rummage Sale Aids Retarded

The Grosse Pointe Ass'n. for Retarded Citizens, (GPARC), will conduct its third annual Rummage and Bake Sale on Saturday, April 22, from 10 a.m. to 3 p.m. at the Eastern Unit Workshop, 9200 Conner, near Harper.

Hal Cornelius, GPARC president, says proceeds of the sale will be used for transportation to special events such as the Special Olympics.

Funds also are needed for the long-range goal of establishing a residential community living facility for retarded adults in Grosse Pointe.

Co-chairpersons Frank and Rose Evanski invite the community to participate in the activity through donations of furniture, small appliances, tools, household articles, children's clothing and games.

For further information or pick up, phone 884-6585 in The Farms, 886-6036 in The Woods, 885-7984 in The City, 884-7197 in Harper Woods or the Eastern Unit at 839-3144.

The election of officers and the annual dinner will be held on Wednesday, May 17, at the Grosse Pointe Hunt Club, 655 Cook road.

GP Jaycees Seek Cyclists To Fight Reyes Syndrome

The Grosse Pointe Jaycees are sponsoring a bike-a-thon on Saturday, May 13, from 10 a.m. to 2 p.m. to raise money for Reyes Syndrome research.

As part of the event, which will include prizes and awards, the Jaycees are planning to promote bicycle safety. Pointer Jerry Hodak of WXYZ-TV is scheduled to lend his TV to the bike-a-thon.

The event will begin at the Three Mile Park where registration and assembly will take place from 8:30 to 10 a.m. Participants 13 and older will ride out to East Jefferson avenue and north on Jefferson and Lakeshore to The Shores' municipal park.

At that location, they will pass through a checkpoint and then return to the Three Mile Park.

Riders younger than 13

years will use a mini-route around Windmill Pointe drive.

The Jaycees report that local police departments have indicated their cooperation in providing help to assure the riders' safety. Physicians also will be on location to provide medical assistance to tired participants.

At the same time, special vehicles will drive the route to make bike repairs and give rides to exhausted cyclists.

Participants will obtain pledges from sponsors, who are neighbors, relatives and friends. The pledge is generally a specified number of cents per kilometer, (six-tenths of a mile), ridden and these contributions are tax deductible, the Jaycees say.

Sponsor sheets containing necessary instructions will be available at local schools, churches and at certain business establishments by Monday, April 17.

A special account is being established through the courtesy of the National Bank of Detroit for the collection of funds.

Prizes, including 10-speed racers, will be awarded to the participants in each age group who raise the most money. Each participant will become eligible for a drawing for prizes if a minimum amount is raised.

At this point, prizes will be awarded to the participants in each age group who raise the most money. Each participant will become eligible for a drawing for prizes if a minimum amount is raised.

If bad weather occurs on the 13th, the alternate date is scheduled for May 14 from 1 to 5 p.m.

In the past, the Jaycees have contributed funds from a variety of events for the research of Reyes Syndrome, a severe illness which usually follows influenza and attacks children. The survival percentage is low and at least one Pointe child has died from Reyes Syndrome in recent years, the organization reports.

Dr. Ed Arcinue, a Grosse Pointe resident, is the physician in charge of the research at Children's Hospital.

This center is one of the few in the country dedicated to the research of this illness which has grown to be the second largest viral killer of youngsters in the United States. Michigan children have incurred 11 percent of all cases reported nationally, the Jaycees add.

Persons interested in working on the event should call Gary Marowski at 886-7466, while those who have difficulty obtaining sponsor sheets should contact Doug Dold at 881-0966 or John Chouinard at 821-6737.

Woods Views Trio of Bids

The Woods Council approved a bike-a-thon request from the American Diabetes Ass'n., while nixing a solicitation bid from the Muscular Dystrophy Ass'n. and a request for easement parking from the Grosse Pointe Hunt Club, (GPHC).

This action was taken at the regular meeting Monday, April 3.

The bike-a-thon route will take riders through The Pointe communities on Saturday, May 13, from 9 a.m. to 4 p.m.

In his motion of approval, Councilman E. D. Grady stipulated that the public safety department advise the sponsors to remove all necessary directional signs, while door-to-door solicitations in support of the event are not permitted.

Casting the lone negative vote was Councilman John Sabol, who indicated an overall weariness over such requests coming before the council.

While Mr. Grady's unani-

mously passed motion denying the Muscular Dystrophy Ass'n.'s "March Against Time" house-to-house solicitation bid on June 6, it did authorize Mayor Benjamin W. Pinkos to issue a proclamation citing "Muscular Dystrophy Month," May 15 through June 15.

Finally, the GPHC, in anticipation of its Michigan Open Tennis Tournament Friday through Sunday, April 14 to 16, requested permission to allow parking adjacent to the club grounds on Cook road over the sidewalk.

In a letter to the council, Kenneth F. Hahn of the GPHC's legal committee, said the club will assume full responsibility for any damage to the walks or the curb. However, the council unanimously denied the request.

A porta panel sign advertising the event at the corner of Cook and Mack avenue also caught the council's eye regarding a possible violation of the city's sign ordinance.

City Attorney George Catlin was asked to investigate this matter and reported that the sign was in violation.

As a result, Building Inspector Earl Wakely requested that officials remove the sign because council approval wasn't sought in this case.

PIPER'S ALLEY

Dear Friends:

Being in probably the toughest business in the world, the restaurant business, I would like to take this opportunity to thank all of you for the fine support you've shown towards Piper's Alley in the past 4 years and at the same time apologize wholeheartedly to any of those whom we've ever offended. If you haven't heard by now, our automatic 15% tipping policy is no longer in effect. You were right and we were wrong is the only statement we can make at this time.

Along with this new policy we also want you to know that as of the first week in April EVERY Sandwich (even our famous "Middle-Easterner") is now priced at only \$1.95 during luncheons (from 11 to 4). Just think of it, we're lowering our prices for your luncheon pleasure and we're giving you the same quality and the same size as our older prices.

You might also be pleased to know that cocktail prices during lunch have been greatly reduced.

So, if it's been a while since we've seen you for lunch, stop in... you'll love the new decor and the new low prices.

Yours truly
Your Host—Bill Demerest

P.S. We have a great new "Dessert Parlor" and by the time this gets to press... great new Crepe dinners.

Woods Police Nab Juveniles

Three juveniles were arrested by Woods police Thursday afternoon, April 6, and turned over to the Youth Service Division, (YSD), after allegedly taking emblems from eight parked vehicles in the Mack avenue alley between Fleetwood and Lancaster roads.

The trio, a 13-year-old Woods youth, a 14-year-old Harper Woods youth and a 13-year-old Harper Woods youth, were arrested by Sgt. Thomas Kane and Officer Gregory Proudfoot after escaping from the scene.

YSD Det. James Fowler, who is handling the incident, said he will have to contact all the complainants before deciding on how to proceed with the case. The detective said it's possible that restitution may be requested in each instance.

In his report, Officer Proudfoot said, after he and Sgt. Kane arrived at the scene, an unidentified citizen pointed to the youths who were chased and ultimately apprehended in the area of Lockmoor boulevard and Jackson road.

The 14-year-old, before being arrested, dropped one emblem from his hand with police recovering the remaining visuals.

44 Teachers Are Laid Off

The Board of Education voted to layoff 44 members of its teaching staff Monday, April 10, because of an expected drop in enrollment next year of about 500 students.

The dismissals will cut 17.6 full-time teaching positions from the payroll for the 1978-79 school year, but will maintain the current student-staff ratios, according to Superintendent Dr. William Coats.

School officials expect enrollment to drop to under 9,800 students next year. That represents a loss of more than one-quarter of the student population since the high point of 13,500 students in 1971-72.

Dr. Coats said he expects to be able to re-employ a substantial number of the laid off teachers before school begins in September.

The School Board is required to layoff teachers in April by its contract with the Grosse Pointe Education Ass'n. The contract also requires the Board to dismiss and then rehire teachers whose hours they plan to reduce. Ten of the 44 laid off teachers will have their assignments reduced.

Since the enrollment decline began, the Board has cut its staff by about 150 teachers.

Last April, 46 teachers were dismissed, cutting about 20 full-time positions from the budget. All but six of the regular classroom teachers who were laid off were called back by September.

Farms Council Renews Agreement with Cottage

By Wendy K. Settle
 Cottage Hospital has been trying to buy the properties in Muir road between Kercheval avenue and Ridge road since 1974. Under an agreement with The Farms, the hospital has been purchasing the homes in order to tear them down and enlarge Cottage's parking facilities.

Monday, April 3, the agreement was renewed again for another one-year term. Cottage has bought seven of the 15 homes located in Muir road adjacent to the hospital. There are eight more homes officials would like to buy.

That "timetable" in the agreement has now been extended for three years. Mr. Solak added that the extensions have been granted "because the council feels enough progress has been made by the hospital to warrant the extensions." He noted at each time the extensions were made, a reassessment of the overall situation transpired.

The council vote to extend the agreement was unanimous.

GPP Fire

(Continued from Page 1)
 sent to the prosecutor's office for study and the possible issuance of a warrant. "The assumption of arson is based on the conclusion of deep charring on the floor and strange burn patterns on the first floor of the building."

"On the second floor of the house, there were strange burn patterns at the southwest wing of the mansion. Also on the second floor in one of the rooms, there was a carpet in good condition except for a large burn hole at its center."

"The investigators were unable to get to certain parts of the house because of the heavy debris," the chief continued. "Heavy cranes and trucks have hauled away materials of the ruined basement, almost to the basement level."

Chief Coonce reported, "We are trying to arrange the legality of the interrogation of the suspect in the fire for presentation to the prosecutor's office for approval of the issuance of a warrant against the suspect, who cannot be named as yet."

"The suspect could be charged with felony murder in Firefighter Tucker's death under a state felony murder statute."

Some Items Recovered
 Under this statute, the chief said, a criminal can be charged with murder if someone is killed or dies during the commission of a crime.

Mr. Helin, 72, who made millions in the manufacture of fishing lures, was vacationing in China at the time of the fire. He said that the 26-room mansion was valued at \$2.5 million and its contents at about \$1 million.

He had accumulated hundreds of cameras, valuable art objects and antiques and souvenirs from more than a 100 trips to countries all over the world. Most of these were destroyed by the fire. Mr. Helin and state and local fire investigators were able to salvage some of the valuables as they searched through the ruins.

He also said he had to spend \$19,000 to have the rubble removed because the gutted building was determined to be a hazard to the safety of persons who might venture too close to it.

Mr. Helin added he had the house insured for only \$50,000 and its contents for only \$25,000 because as he stated, "Whoever thought that it would burn down."

Armed Robbers Strike in GPF

Two robbers both armed with .45 automatics forced their way into a Bournemouthe road home on Saturday, April 8, but were scared off by one of the residents before they could steal anything.

At approximately 8:30 a.m. two men described as well groomed and wearing suits, gained entry into the home after producing a blue steel .45 automatic as the wife answered the front door.

The homeowners, who requested that their names be withheld, were then forced at gun point into the basement. The wife screamed as she and her husband were being led to the basement and her daughter upstairs reacted by calling Farms police.

Once in the basement, the husband told the robbers that his daughter was upstairs and the robbers became scared and ran out of the house.

Dets. Sam Cardella and George Van Tien are investigating the case.

 reasons, however, including the cost of transporting students, problems selling a school building and the bad effect a school closing might have on its neighborhood.

Transportation costs associated with school closings would be in excess of \$500,000 a year, according to Dr. Coats.

"The closing of schools would mean that some students would live over one and a half miles from school. When this occurs... there is extreme pressure for Board of Education-provided transportation," he said.

The planned renovation of South High School's Industrial Arts Building was cited as another rationale against school closings.

Building Sale eyed
 "It may be necessary to displace significant numbers of South students for most of the 1979-80 and 1980-81 school years," Dr. Coats said. "Whether we elect to displace industrial arts or ninth grade students, we may have to utilize all of our present middle schools."

In addition, Dr. Coats said the experience of other school districts has been that closing a neighborhood school often accelerates a decline of public school enrollment further because of transfers to private schools, and also leads to apathy among the residents toward the school system.

At a meeting, Thursday, April 6, Trustee William Huettman said the schools are actively pursuing some real estate negotiations for the sale of one of the Board of Education's two office buildings. He said the Board is not prepared to discuss the matter publicly, though.

**School Board Seeks Facts
On Voucher Proposal**

Board of Education Trustee Laurance Harwood took his concerns and questions about the proposed Voucher System of financing schools to the state legislature last week with a letter to each Michigan representative and senator.

"School Board members perceive mounting concern by our residents that all kindergarten through 12th grade education in Michigan may, after January 1, 1979, be financed through a voucher plan," Mr. Harwood told the legislators.

"We seek your assistance in answering questions which citizens continue to ask my colleagues and me."

Michigan citizens will probably have chance to vote on the plan when it appears on the November state ballot as a proposed amendment to the constitution.

Suspect Faces Circuit Court

A 38-year-old Detroit man, arrested for breaking and entering a business and entering a breaking in The Farms on Friday, March 24, has been bound over for trial in Wayne County Circuit Court with a pre-trial date being set for Thursday, April 20.

Alphonso Pollard of Twentieth Street was arrested by Farms Detectives Sam Cardella and George Van Tiem when he allegedly broke into the offices of Dr. Donald Craite and Dr. F. T. Day, 18540 Mack avenue, on Good Friday.

A small quantity of white powder was found on the suspect at the time of the arrest. This white powder, after being tested by the Michigan State Crime Lab, proved to be heroin. But Pollard has not yet been charged with possession of narcotics. He is only charged

On April 19**

The Grosse Pointe League of Women Voters (LWV) will hold its annual meeting Wednesday, April 19, at Gerry's restaurant in the Roostertail.

The annual report, budget and proposed issues for study during the coming year will be discussed and voted upon. A new slate of officers will be elected to join those already serving on the LWV board.

Current officers include president Peggy Hodak, first vice-president Frances Schonenberg, second vice-president Eleanor Weyhing and secretary Aralynn Vinande.

The board of directors includes Karen Fahle, Marth Popovich, Linda vonRosen, Ethel Zolad, Suzanne Suski and Joanne Kelly.

Directors who will give up their seats on the board are Ruby Adams, Sarah Hepburn and Lois Mason.

Proceeds from the \$6 luncheon will be donated to the national LWV's ERA fund. Mrs. Tacke is accepting reservations at 885-9276. The public is invited to attend.

Bids on Police Cars Causes Hassle in Woods

(Continued from Page 1) Ford, \$39,676, Roy O'Brien Inc., \$39,900, and Richard Buick, \$42,390 with \$800 maintenance per car being offered. However, at that time, Roseville's bid, despite being the low one, didn't meet the city's specifications on the engine. The city was seeking a 350 or 360 cubic inch engine, while Roseville's bid encompassed a 400 cubic inch engine. (This size engine is in the city's current 1977 Dodge Monacos, autos which have caused officials headaches, particularly after the first of the year, since they were purchased.)

Mr. Petersen in a memo to the council noted the Roseville quotation for vehicles equipped with an engine meeting the city's specifications was based upon the receipt of a purchase order prior to Friday, March 24, "which, of course, we were unable to do." As a result, he recommended that the Jim Causley bid be accepted as the lowest and best qualified proposal and which was in the city's best interest. Then, prior to the meeting on the 3rd, Roseville called in its bid, meeting the city's specifications, on the vehicles with the Chrysler deadline being extended to Tuesday, April 4.

Mr. Fahrner, who works for Chrysler's corporate purchasing management staff, said he contacted corporation officials on the 3rd, toward clarifying the latest bid specification and to make certain if the bid was accepted that the cars would be built. "Abnormal Way" This is the information which confronted the solons when the meeting began and Councilman George Cueter, in saying he was in touch with the Jim Causley dealership, moved that the council concur in Mr. Petersen's recommendation.

Mr. Freeman said he felt uncomfortable with the overall process and suggested only three bidders actually qualify, (not considering the first Roseville bid which was rejected and the two late bids). He said one of the three should be accepted or all should be rejected. Then the focus shifted to maintenance costs and City Comptroller - Assessor Frederick G. Hornfisher was asked to supply this information, so he left to review such records while the council mulled over Richard Buick's bid and its maintenance proposal. A feeling began to appear that, taking Richard's maintenance plan into consideration, its bid might, in the long run, be the lowest and/or best.

So City Administrator Chester E. Petersen recommended that the bid be rejected and the entire matter referred to his office for further review and the council unanimously agreed. As a result, it appeared this was the end of the line for a Chrysler product as the bid would have had to be accepted on the 20th to meet the company's deadline at that time. But, as it turned out, this wasn't the case. After the meeting of the 20th, Roseville's second bid was received, along with one from Jim Causley in the amount of \$39,300.17, both after the other four bids had been opened and outside of the sealed bidding procedure.

Mr. Hornfisher returned and reported that in 1976, maintenance costs were around \$1,400 per vehicle, (Plymouth Furys which reportedly were the best cars the city ever had), and about \$1,717 last year with the Dodge Monacos. Motions Offered Detecting the council's concern over the pair of late bids, Mr. Petersen viewed the quote of Richard Buick and its maintenance proposal. At this point, Councilman Robert E. Novitke, feeling it was improper to vote on the two late bids, offered a substitute motion that Richard Buick's bid be accepted and that the city take advantage of its maintenance offer with the prevailing feeling, with maintenance included, it would be the low bid. Mr. Grady supported the motion based upon his opinion the city should try another car this year.

Before the vote was taken, Mayor Benjamin W. Pinkos said he would vote for the low bidder only and then the tally followed with the motion being defeated 4-3. Voting for it was Mr. Grady, Mr. Novitke and Mr. Freeman. Then the vote was taken on the original motion, i.e., to accept the Causley bid. This failed by a 5-2 vote with Mr. Grady and Mr. Cueter voting in the minority. If the situation appeared hopeless at this stage, Mr. Catlin indicated that the council could waive a variation from the specifications via a motion which would have to pass by a simple majority. Only quotes of cars would be considered, not any ensuing maintenance prices. Ultimately, after a tape of the meeting of the 20th was played toward clarifying the council's original action on the bids, the vote on Mr. Grady's substitute motion was taken, waiving the cancellation of all bids and accepting Roseville's second quote.

So despite the fact that the phone call came from Roseville the afternoon of the council meeting date, citing their latest bid and extending the deadline for the second time, i.e., to the following morning, the dealership ended up the winner inasmuch as its bid remained the lowest of all those considered. The NEWS contacted both Mr. Fahrner and Mr. Sabol last week and asked both councilmen, because of the bizarre circumstances surrounding the overall bidding procedure and council discussion at the meeting, and inasmuch as both were employed by Chrysler, why they didn't (1), abstain from voting or (2), let the record show that while they are employed by Chrysler they receive no benefits from this bid award and then go ahead and vote? "I don't receive any benefits, period," stated Mr. Fahrner, who said he contacted Chrysler officials on Monday because he wanted them to only "stand up for their product."

Mr. Grady felt there was merit in purchasing the cars from a different dealership. Stressing if he gained anything or knew he would gain anything, he would have abstained from voting. Mr. Sabol also noted Roseville was the lowest bidder on both of its quotes. The councilman felt Roseville received no benefits in relation to the other bids being exposed, unlike possibly Jim Causley. "It was a difficult matter to contend with," continued Mr. Sabol, who added there was no conflict of interest or anything wrong with the bid which was finally accepted. "If I knew there was something wrong I would have abstained or voted contrary to the lowest bidder," he added.

Disaster Drill Draws Pointers

Many young Pointers used their Easter vacation to participate in a disaster drill conducted on Thursday, March 30, at Deaconess Hospital, Detroit.

Youngsters participating from Girl Scout Troop #218 at Defer School were Theresa Trokey, Laurie Helin, Lisa Mazur, Charlyn Carrier and Anne Moellering.

The Camp Fire girls at Defer, the Wakei Adventurers, also helped out. They included Lynn Armbruster, Kerry Bruce, Jenny Hoetings, Kathy Keelan, Molly Keelan, Melinda Leal, Wendy McAllister, Michelle Santi and Mollie Scanlan.

Members from Saint Clare School Girl Scout Troop #834 participating were Colleen Murphy and Michael Waitkus.

Other participants were Jeanne Murphy, Karen Chesney and Michelle Downey. The drivers who helped transport victims were Barbara Trokey, Joan Armbruster, Donna Santi and Sharon Murphy.

Disaster drills are necessary to provide practice for hospital employees to gain proficiency in treatment should a real disaster occur, officials say.

Crime Prevention Hints Offered by City Chief

City Police are seeking citizen involvement to help stop the alarming rash of burglaries which has hit the community in recent weeks.

Failure to know and practice fundamental techniques of home protection was largely responsible for many of the burglaries, said Public Safety Director Bruce Kennedy.

"Although most people didn't intentionally invite intruders to ransack their home, they might as well have hung a sign up saying 'No one's home, burglars welcome,'" Director Kennedy said.

By learning and practicing a few simple protection hints, residents can help keep their homes from falling victim to a burglary, according to the director.

"A stroll around your neighborhood any day will tell you at a glance who's away," he said. "Their porches will be cluttered with circulars, an accumulation of milk cartons on property, an unkempt lawn, an empty garage with the door open or a bulging mailbox—all of these are tip-offs that will broadcast 'no one's home' to anyone canvassing a neighborhood."

Light is one of the best deterrents to crime, according to the director, "yet most homeowners go out for an evening and leave their homes completely dark, or they'll go off for a weekend or vacation and leave the same light burning day and night."

A simple but effective means of having light in your home every evening is to connect an automatic timing device to one or two lamps. Such a timer will turn a lamp on early in the evening, then turn it off several hours later.

Lights turning on and off during the evening hours will give the appearance someone is at home and may avert a burglary attempt, the director said.

Most burglars pick the easiest targets they can find, Director Kennedy continued. "They want to get in, get the loot and get away as quickly as possible."

"Therefore, if you put several obstacles in his way, he is less likely to try to break into your home, but will seek 'easy pickins' elsewhere."

Director Kennedy suggested the following additional tips to safeguard your home:

- Close and lock all doors, including porch, basement and garage. Use pin-tumbler cylinder locks on outside entrances and safety latches on the windows.
- Connect a lamp to an automatic timer to turn lights

in the home on and off. Since sound is a deterrent, connecting a radio or television to a timer also is a good idea.

- Protect all doors and windows with an inexpensive portable burglary alarm which sounds whenever someone attempts to break in.

- Light up porches and yards with outdoor lights to increase the likelihood that an attempted burglary would be seen.

- Be sure all screens are fastened from the inside.

- Never leave valuables lying around. Keep them in a safety deposit box.

- Notify police when you'll be leaving and how long you expect to be away.

- Cancel deliveries, such as milk, laundry, cleaning. Be sure to discontinue newspaper deliveries or have it sent to your vacation address.

- Have a neighbor or the post office hold all mail until your return.

- Arrange to have the lawn mowed and sidewalk swept once a week. Have circulars and handbills picked up regularly.

- Leave shades and blinds as you normally do. Closed blinds keep the sun out, but they also make an effective screen for burglars.

- Never advertise your departure with an item in the local newspaper.

Center Drive Moves Along

Grosse Pointe War Memorial's 1978 Family Participation Campaign has moved ahead of 1977 in dollars received but still lags in the number of responding contributors.

To date, \$68,694.77 has been received from 2,867 donors as compared to \$67,692.77 from 3,121 givers at this point last year.

Since so many Pointers were still out of town at the time of the original solicitation and may have misplaced or never received the first mailing, follow up letters will be sent this week to all residents who have not yet responded, said Center officials.

To this effort will be added a telephone campaign conducted by the Senior Men's Club of Grosse Pointe the last week of April and the first two weeks of May.

The goal necessary to balance the budget for the fiscal year, August 1, 1978, through July 31, 1979, is \$150,000. The target date to achieve this is Memorial Day, May 29.

All gifts to Grosse Pointe's three in one cultural community and civic center are income tax deductible.

The Center urges citizens to join early donors in support of Grosse Pointe's unique Center which uses no tax monies, was an outright gift to the communities and is three-fourths self supporting.

Gordon MacRae Performs In Center's Spring Finale

A special spring "Lighter Side of Life" grand finale featuring Gordon MacRae will take place in the War Memorial's Crystal Ballroom and Fries Theater, 32 Lakeshore road, Tuesday evening, May 30.

The evening will begin with a cash bar, in the formal garden at 6:30 p.m. then dinner service in the ballroom will be served at 7:30 p.m. Gordon MacRae, star of stage, screen and television, will appear in concert in Fries Theater at 9 p.m. Following the concert there will be dancing cabaret style in the ballroom.

The complete evening, free parking, dinner with tax and service included, concert and dancing is \$22.50. Tickets for the concert only are \$10 and \$7.50.

Among the qualities which have made Mr. MacRae one of the brightest stars in the entertainment industry are exuberance and authority. These attributes, plus one of the finest voices in show business and the well earned recognition as an actor, have made for a successful and stimulating career, say Center officials.

Mr. MacRae is one of the few "six letter men" in show business with major achievements in motion pictures, television, night clubs, radio, recordings and Broadway. A top-flight balladeer, he did not venture into the singing field until he had established himself as an actor.

He started his film debut with a succession of successful movies in which he teamed up with Doris Day. Each of these films grossed in the millions. Afterwards, he was signed for the role of Curly in the film version of Rodgers and Hammerstein's "Oklahoma," directed by Fred Zinneman.

Public response to Mr. MacRae's portrayal of Curly resulted in his appearance in Rodgers and Hammerstein's musical production, "Carousel," directed by Henry King. This was followed by "The Best Things In Life Are Free" under Michael Curtiz's direction. Mr. MacRae credits 21 successful pictures to his film career.

In the 23 years recording with Capitol, Mr. MacRae has sold millions of records including his gold single, "Whispering Hope," and two gold albums.

He began his career in television in 1954. Within a year he was invited by such stars as Jackie Gleason and Ed Sullivan to take over their shows as guest host.

At the same time, he produced the Gordon MacRae show on TV. The same sponsor also signed Mr. MacRae as host, singer and acting star of the Lux Video Theater.

He also is one of the country's leading night club entertainers, playing engagements in such famous supper clubs as the Waldorf, the Drake in Chicago, the Plaza in New York and the Fairmont in San Francisco.

Okays Repairs

(Continued from Page 1)

just as well as grouting. "I don't want to wait another two weeks, until the next council meeting), to get started on this. It must be done soon," Mr. Bremer recommended.

After the votes were taken on the repair work the council discussed and approved \$9,850 to have a planning study done at the Pier by J, J and R.

Councilman Jack Cudlip had researched this idea and presented to the council a proposed study by J, J and R. He noted that the company was recommended as one of the top three engineering planning firms in the country.

The J, J and R proposal stated that the study would be two-fold. One, to evaluate and resolve existing visual problems related to the surrounding environment, i.e., the view of Lakeshore road and the hard edges of the lake's shore. Two, to locate a recreation - maintenance building within an appropriate land use structure in an aesthetically pleasing manner.

Start Immediately

In order to do this the proposal cites five procedures — site analysis, land use concepts, program analysis, final site development plan and phasing plan.

The council approved the proposal but eliminated the program analysis procedure.

Bids were not taken for the study. Mr. Bremer noted "that because of the uniqueness of the situation, it is to the advantage of the city not to take bids."

The planning study and the repairs would start immediately, the council agreed. Funds for the work will come out of the city's 1978-79 fiscal year budget.

Councilwoman Nancy Waugaman voted "No" on the planning study because she didn't feel the work involved warranted the cost.

Energy Outlook: Returning to Normal.

The nation's longest coal strike has now become history and shipments of coal are returning to normal. For Detroit Edison customers this means you have all the electricity you need, but we hope you will continue to use it wisely.

Unlike many other states, Michigan was able to avoid mandatory power cutoffs through careful planning and the cooperation of business, government and consumers. By buying electricity from outside sources and by burning alternate fuels like natural

gas and oil, Detroit Edison was able to stretch its supply of coal and help avoid shutdowns and layoffs. Of course, this was more expensive and the costs will be reflected in higher electric bills for April, May and June. For the average customer using 500 kilowatt hours, this could amount to between \$2 and \$3 more than billed in March.

The recent crisis once again points out the need for energy consciousness on the part of everyone. So while coal is beginning to move again, Detroit

Edison would like to remind all its customers to use good judgment in their use of electricity. This especially holds true for major energy users like refrigerators, furnace blowers, air conditioners and electric clothes dryers. The more wisely these appliances are used, the more the savings in energy and money will count up.

Detroit Edison thanks you for your cooperation during the coal strike and reminds you to save where it really counts. The power is in your hands.

Flag Contest Set in GPW

The Woods Beautification Commission's City Flag Contest begins tomorrow, April 14, and concludes on May 15.

Open to all residents of The Woods, (minimum age 14), entry blanks for the contest to design the city's official flag are available at city hall, 20025 Mack avenue, O'Briens' Paints, 19571 Mack, and the Rainy Day Co., 20507 Mack.

All designs, which must be in color, must be submitted on the 5" by 7 1/2" rectangle on the back of the entry form. The entry blank-design must be turned in before 5 p.m. on May 15 at city hall.

The winner will be announced at the council meeting on June 19.

Making up the panel of judges will be council members, with entries of the

finalists being displayed in the city hall lobby for a 30-day period after the announcement of the winner. All other entries may be picked up by contestants during that time period.

After flying for one day, the first flag will be presented to the contest winner along with \$50 cash. Those earning the second and third prize will each receive \$25.

The prize money is being donated through the courtesy of the Grosse Pointe Merchants Ass'n.

Providing some hints for participants, the commission notes that the Latin phrase on the city seal says, "A Very Beautiful City," while contestants should be aware of the community's Colonial architecture theme.

The finished size of the flag will be 4' by 6'.

Chorus Plans Concert

The Grosse Pointe Community Chorus presents its annual spring concert Sunday, April 16, in the Parcels School auditorium, 20600 Mack avenue, at 3 p.m.

A wide range of musical selections is scheduled, from the sacred-traditional "Blessed Are They That Mourn" from Brahms' Requiem, to folk songs and light musicals such as excerpts from "The King and I," "Americana Folk Song Suite" by Zaninelli and other contemporary compositions.

Chorus members Patricia Nelson, Carl Angelilli, Mar-

ion Consiglio and Joe Manning are featured soloists.

For one of its selections, "Love Is The Answer," the chorus will be accompanied by a specially chosen high school string ensemble, consisting of Christine Kaliardos, Valerie Kvale, Jennifer Stephan and Dorothy Caragnano, violin, Mickey Kemp and Jennifer Zinn, viola, Sue Ulmer, bass, and Robert Reed and Ginger Hawkins, cello.

During intermission guest artists Barbara Porbe, violinist, and Louise Gall, pianist, will provide special entertainment, choosing compositions by Veracini, Joaquin Nin, Darius Milhaud and Bela Bartok for their performance.

Conductor of the chorus is Richard Johns, choirmaster at Grosse Pointe Woods Presbyterian Church, and Mrs. Janet Young is the accompanist.

Tickets are available from chorus members or may be purchased at the door. Admission is \$1.50 for adults and 50 cents for children and students.

The audience is invited to meet chorus members and guest artists at a reception immediately following the concert.

Cinema League Eyes America

The Grosse Pointe Cinema League will present "U.S.A. — East and West," a 16mm film by Robert Matthews, when it meets Monday, April 17, in the War Memorial's Fries Auditorium, 32 Lakeshore road, at 8 p.m.

There are views of the United States Air Force Academy, near Colorado Springs, Colo., and some interesting scenes in the great Sand Dune National Monument.

The movie includes spectacular scenes in Bryce Canyon and other Western national parks, as well as the famous Galloping Goose sightseeing vehicle.

The eastern United States portion of the film highlights such Florida attractions as the Kennedy Space Center, Disney World and Cypress Gardens.

The public is invited to attend this program without charge. A reception for Cinema League members and their invited guests follows the presentation.

Reservations may now be made for the league's Annual Banquet and Film Festival Show Monday evening, May 1, in the War Memorial's Crystal Ballroom and Auditorium.

The films to be shown are six of the top winners from the Photographic Society of America's 1977 International film contest.

Tickets are available at the War Memorial's office at \$7.75, which covers admittance to the film and the dinner.

Judge Pytell Named to Post

Farms Municipal Judge Robert H. Pytell was recently elected to membership in the American College of Probate Counsel. The announcement was made by John E. Rogerson, president of the college.

The American College of Probate Counsel is an international association of lawyers organized for the purposes of modernizing and improving probate procedures throughout the country.

New Food Head Joins Cottage

James W. Southway, formerly regional director for Hospital Dietary Service, Inc., of Farmington Hills, has accepted the position of director of food services for Cottage Hospital, announced Cottage Administrator Ralph L. Wilgarde last week.

Mr. Southway will be in charge of food purchasing, all food service operations for the hospital and the hiring and training of the hospital's 57 employees.

He has been active in food service management since his graduation from Northwood Institute, West Baden, Ind., where he received a B.S. degree.

With Hospital Dietary Service he supervised food service directors of seven nursing care facilities and six hospitals ranging in size from 75 to 475 beds. His work covered employe cafeterias, doctors' dining rooms, vending operations, special functions and home care meal programs.

Prior to his employment by Hospital Dietary Service, he was food service director for Providence Hospital for six years, six months as food service director for Service Systems Corporation in Buffalo, N.Y., and three years in the same position at Northwood Institute, Cedar Hill, Tex., and West Baden, Ind.

Mr. Southway is past president and vice president of the Detroit Hospital Food Service Administrators Ass'n. He is married to the former Mary Perta, a registered nurse, and they live in St. Clair Shores. Mr. and Mrs. Southway are the parents of two children, Lisa, 8, and Kevin, 13 months.

Farms Nixes JC Request

A request from the Grosse Pointe Jaycees to use The Farms Pier Park during their Bike-a-thon on Saturday, May 13, was denied by the Farms Council at its regular meeting on Monday, April 3.

The Jaycees wanted permission to use the parking lot area and restroom facilities at the park as a rest area and bike repair station for the fund raising event. Proceeds will go to the Children's Hospital research program for Reyes Syndrome.

The council denied the request for traffic reasons. The Junior League's Decorator Show House at 241 Lakeshore road will be open on that day and it is expected to create heavy traffic in the area. The American Diabetes Ass'n. also is conducting a bike-a-thon on May 13 which will run by the park area.

The council also considered the city's liability for the bikers and the possible use of the park by Farms residents on that day.

The vote was unanimous to deny the request.

Let's Talk Real Estate

by John E. Brink

An interesting question for you. Where can you invest money and go to the bank and sign a note for 80% of the amount you desire to invest? In addition to this where can you do this investing in the form of the safest speculation of all? What's more, where can you invest and live in your investment during the interim? Naturally we're referring to Real Estate—your own private residence.

You say "so how does this affect me"? Well, for one thing if you're living in a \$70,000 home you could purchase a \$120,000 home! The extra \$50,000 would at best require an additional \$10,000 cash and your good bank will loan you the added \$40,000. You're now taking advantage of a \$50,000 investment for only \$10,000! Plus all this you are living in a much grander home style and your monthly expenses aren't appreciably more.

Now if inflation continues, in two years your extra \$50,000 investment could grow to \$75,000 in value. You've picked up \$25,000 in two years for an investment of \$10,000! Sell your home at this point and you'll find the total "inflation profit" has amounted to about \$50,000! Now we know we'll get all sorts of flack about this little investment speech but the idea is simple. Real Estate is the best, most solid investment possible today—and you can live in it to boot!!

Call us at Grosse Pointe Real Estate Co. 882-0087 and we'll run through this whole thing again with you—you might find it makes sense to you, too!

MATURITY
Any man can cash in on good resolutions if he keeps them long enough to earn dividends.

by Jerry Valente

When looking for a gift for a teenage girl, keep in mind that a leading jewelry industry magazine reports that jewelry is the teenage girl's favorite accessory buy. These girls account for over half the nationwide accessory purchases, spending around \$105 million in 1977 on 21 million pair of earrings, 9 million bracelets, 7.3 million chokers and 1.4 million beads. \$105 million is a substantial amount of money, but it is only a small portion of the \$6.6 billion spent by teenage girls on their 1977 spring wardrobes.

We have many items of jewelry that will please any teenager, here at VALENTE JEWELRY, 16601 East Warren at Kensington, Detroit, 881-4800. We invite you to come in whether you are presently contemplating the purchase of a piece of fine jewelry or not. You can have engraving done beautifully and quickly at VALENTE'S for our engraving is done on the premises. We're open from 9 'til 5:30 Mon. thru Sat. and Fri. 'til 7:30.

NORTH SENIOR EARNS BOND

Shores resident, Paul F. Lewis, son of Dr. and Mrs. Benjamin Lewis, was recently awarded a \$50 savings bond by the Lawrence Institute of Technology based on his score on the National Engineering Aptitude Search Test. A senior at North High School, Paul was one of 481 students participating in the program.

Pointe Coach Wins Honor

Edward Lauer of Ridgepoint road started coaching Saint Paul's high school basketball team in 1938. He spent 33 years coaching the team until the high school closed in 1971. From there he went to University Liggett School and coached the high school basketball team for two years until 1973 when he retired. Even though Mr. Lauer is not coaching now, the National High School Athletic Coaches Ass'n. (NHSACA), has named him "Coach of the Year" in basketball for district four, (Michigan, Illinois, Indiana, Ohio and Wisconsin). Mr. Lauer was nominated by fellow coaches in Michigan and is one of eight district winners in the nation. The National Awards Committee of the NHSACA selects the "Coach of the Year" winners based on the nominee's coaching tenure, record, championship years, service to the profession and community coaching honors. Mr. Lauer will be honored with a plaque at the NHSACA's 13th annual awards banquet in Tulsa, Okla. on June 23. "I'm going to attend the banquet. It's quite an honor," he said. The awards banquet is co-hosted by the National Football League. Out of 14 NHSACA awards given in district four, Michigan won eight.

GPHC Hosts Net Tournery

Two champion tennis teams, Brian Marcus with Mary Lou Piatek and Robert Maramba with Susan Joeger, have been named top seeds in the fifth annual Michigan Mixed Doubles Tennis Tournament on Saturday and Sunday, April 15 and 16, at the Grosse Pointe Hunt Club, (GPHC), 655 Cook road. Mr. Marcus is the current national United States Professional Tennis Ass'n. Indoors Doubles Champion and is nationally ranked number five in singles. He won the Michigan Doubles Tournament in 1975 with Pointer Kathy Krickstein. Ms. Piatek is nationally ranked number one in West-erns and number ten in age 18 and under. She currently holds the title of National Indoor Doubles Champion in both the age 21 and under and age 18 and under divisions and is the Orange Bowl Doubles Champion. She won the Michigan Mixed Doubles Tournament with Jose Villarete last year. Mr. Maramba and Ms. Jaeger were runners-up in last year's Michigan Mixed Doubles Tournament. He was ranked number three in doubles in 1977 and number four in singles in the Midwest Professional Association. Ranked number five nationally in girl's age 16 and under, she has recently won the Richmond, Va. Invitational and the New York Rolex Junior Invitational. Seven other teams have been placed in the draw. They are Mike Ware and Marianne Ring of Michigan, Mark Conti and Mary McTaggart of Michigan, Peter Van Ling and Kathy Denton of Tennessee, Joe Shaheen and Nicole Lorenzetti of Michigan, Bill Struck of Michigan and Pointer Susan Mascarin, Jerry Karzen and Ann Oliver of Illinois, and Pointers Toby Hansen and Betty Kohr, who are brother and sister. Thirty entries from professional and amateur players have been registered for this fifth annual United States Tennis Ass'n-sanctioned tournament and will compete for a total purse of \$1,500. The preliminary matches are scheduled for Wednesday through Friday, April 12 to 14. Preliminary match tickets are \$1, while Saturday tickets for the round of 16 and the quarterfinals are \$3.50 for daytime play, (from 10 to 5 p.m.), and \$4.50 at night, (from 6 to 10 p.m.). Sunday's semi-final and final match tickets are \$6 each. All-events tickets are \$12. Tickets will be available at the door or can be ordered through the GPHC by calling 884-9090. Michigan is still the only state in the country which stages a separate tournament for the increasingly popular mixed doubles competition.

Summary of The Minutes April 3, 1978

The Regular Meeting was called to order at 8:00 p.m.
Present on Roll Call: Mayor Pro-Tem W. James Mast, Councilmen Jack M. Cudlip, Nancy J. Waugaman, Joseph L. Fromm and Lloyd A. Semple.
Those Absent Were: Mayor James H. Dingeman and Councilman Harry R. Fruehauf, Jr. (Mayor Dingeman later arrived at the meeting.)
Mayor Pro-Tem W. James Mast presided at the meeting.
Councilman Fruehauf was excused from attending the meeting.

The Council heard the request of Municipal Judges Stan Kazul, Robert Pytell, Patrick Denis and Beverly Grobbel, for funding to the Grosse Pointe Volunteer Probation Program to expand their service to the participating communities through the employment of one part-time professional Director, and referred it for further study at the time which the 1978-79 Budget is prepared.

The Council adopted a resolution denying the request of the Grosse Pointe Jaycees for permission to utilize the parking lot area and restroom facilities at the Pier Park as a rest area and bicycle repair location during their scheduled Bike-a-thon which will take place on Saturday, May 13, 1978, to raise funds to benefit the Children's Hospital Research Program for Reyes Syndrome.

The Council adopted a resolution authorizing the Mayor to execute an Agreement on behalf of the City to extend for a period of one year, the provisions of the Agreement between the City and the Cottage Hospital of Grosse Pointe, concerning the Hospital's purchase of properties on Muir Road opposite the Hospital.

The Council adopted a resolution approving the proposed Schedule of Events of the Grosse Pointe Farms Boat Club for 1978 and early 1979, subject to the availability of the necessary facilities at the Pier Park to accommodate the scheduled events.

The Council adopted a resolution authorizing the Administration to engage the Vanopdenbosch Construction Company to remove the damaged portion of the boathouse floor at the Pier Park, fill the void and replace such portion of the paved floor at a cost not to exceed the maximum of \$1,500.00.

The Council adopted a resolution authorizing the Administration to engage the Vanopdenbosch Construction Company to remove the sidewalk and a portion of the parking area which directly adjoins the small harbor at the Pier Park, and repair the cause of the existing void and replace such paved sidewalk and parking area at a cost not to exceed the maximum of \$7,500.00.

The Council adopted a resolution authorizing the engagement of the firm of Johnson, Johnson & Roy, Incorporated, Planning, Landscape Architecture and Preservation Planning Engineers, to conduct a study and create a plan for the future development of the facilities at the Pier Park in accordance with their proposal dated January 31, 1978, at a total cost not to exceed the amount of \$9,850.00, plus specified reimbursable costs.

The Council adopted a resolution reducing the special water bill which was sent to Mr. Jack A. Tompkins of Tonnanour Place, by one-half due to the City's error in reading his meter during the past two-and-one-half years.

Upon proper motion made, supported and carried, the meeting adjourned at 10:25 p.m.

South Scores At State Fest

Musicians from South High School participated in 20 events at the recent State Solo and Ensemble Festival, coming away with high ratings from the Michigan School Band and Orchestra Ass'n.

Two students, flutist Emily McIntyre, and trumpet player Michael McBrearty, were selected the most outstanding musicians in their section and will be honored at the Youth Arts Festival in May. Passing exams for the highest level of ratings, Proficiency I, were Christine Kaliardos, Michael McBrearty, Stephanie Beck, David DeFauw and Scott Schappe. Winning Proficiency II ratings were Micky Kemp, Kelly Bernard, Emily McIntyre and Christopher Greiner. Abby Frame and Barbara Gabhart won Proficiency III marks.

First Division ratings were awarded to Ann Fordon, the string quartet of Christine Kaliardos, Micky Kemp, Robert Reed and Stephanie Leon, the saxophone trio of Carole Ruwart, Yontz Sucre and Kari Hoskins and a French horn duet of Stephanie Beck and David Harwood. Members of the brass quintet, Ted Pethick, Christopher Greiner, Michael Reed, John Willison and Erich Hintzen, also won a first division rating as did David DeFauw, Kevin Young, Tom Wiseley and Kari Hoskins in a percussion quartet.

JC Jelly Sale Runs to April 15

The Grosse Pointe Jaycees' "Jelly Week Sale" continues through Saturday, April 15, at several locations in the community. This year, all proceeds will be donated to the Foundation for Exceptional Children, Grosse Pointe Memorial Church building, 16 Lakeshore road, and the Ass'n. for Mentally Retarded Citizens, Neighborhood Club, 17150 Waterloo avenue. Charley Manos, "Detroit News" columnist, is serving as honorary chairman for this year's project. The goal is to sell 12,000 jars of grape jelly at a donation of \$1. Several selling locations, strategically located along Mack avenue, include J. C. Penny Co., 19251 Mack, and Grosse Pointe Woods Recreation, 20422 Mack.

Project chairman Charles LaVeglia says, "What better service can we provide than by helping us help our community, so that 'All God's Children' may benefit." For further information regarding donations or selling sites, contact Mr. LaVeglia at 778-7885 in the evening.

'Beatle Years' Set for Review

The War Memorial's Youth Council invites all Pointers to a night of nostalgia with the Beatles. Bill Long will return with the Morning Sun band in the rock show, "The Beatle Years," 1956-1970, on Saturday, April 15, in the Fries Auditorium, 32 Lakeshore road, at 8 p.m. Two hours of Beatle music will be presented in chronological order with historical narration, slides, movie cuts, a little comedy and a light show. Advance tickets are \$2 and are available at the War Memorial office or from Youth Council members. For further information, call the Center at 881-7511.

ONE MOMENT, PLEASE

America's first transcontinental telephone call was made January 25, 1915, between two pioneers in the field. Alexander Graham Bell, in New York City, repeated his famous "Come here, Watson, I need you" to his aide, Thomas Watson. Watson responded in San Francisco, almost 3,000 miles away. Exhibits featuring the development of the telephone are part of the Hall of Technology at Henry Ford Museum in Dearborn.

Pool Temperature, Dry Dockage Eyed in GPW

Two recommendations from the Citizens Recreation Commission, one on providing dry boat wells at the Lake Front Park and the other on lowering the park's pool thermostat, were explored by the Woods Council at its regular meeting Monday, April 3.

The council unanimously tabled action on the dry boat well issue until its Monday, April 17, meeting in order that proposed rules and regulations governing such storage, which the commission approved, be drawn up.

On the lowering of the pool thermostat, the commission recommended that it be dropped from 85 degrees to 80 degrees as an energy conservation measure at the beginning of the season, with a reevaluation following after the first month of operation.

However, the solons, on a substitute motion by Councilman George S. Freeman, decided to leave the specific water temperature to the discretion of Parks and Recreation Director Donald J. Hallmann, although a minimum of 72 degrees up to a maximum of 85 degrees was agreed upon.

This motion passed by a 6-1 vote with Councilman Robert E. Novitke, who was against any temperature limits being set, casting the dissenting vote.

Councilman John Sabol's motion to leave the temperature setting up to Mr. Hallmann within the confines of a 72- to 80-degree range succumbed to Mr. Freeman's substitute motion.

On the question of dry dockage, the commission at its meeting last month eyed the possible use of parking areas around the launching ramp for out-of-water sailboat dockage during the boating season.

Around 20 of the existing 58 parking spaces at the launching ramp site were considered for dry sailing, i.e., parking sailboats on trailers, with a prevailing feeling that sailors would

enjoy keeping their boats free of algae, while being able to keep them rigged. The commission then recommended that the council allocate 20 spaces for dry sail, (keeping a boat on a trailer), at the property line along the fence near the launching ramp, and charging an annual fee of \$150 for such dockage.

Mr. Novitke, chairman of the council's parks and recreation committee, felt such an action would use space which isn't being utilized. He also said such dockage wouldn't be limited to only sailboats, while providing increased revenue to the city. (Dockage fees are \$220 for the lakeside of the bridge and \$130 for the other side.)

Councilman Thomas Fahrner felt such an action, with an emphasis upon only sailboats, would set a precedent with power boat owners requesting the same benefits, along with others who may own a different type of craft.

As discussed, boats would be kept at the park during the season, i.e., May 1 through November 1, with the citizen being responsible for removing his craft before the November deadline. It also was felt that no parking problems would occur with the proposed 20 spaces being used to store the boats.

For his part, Mayor Benjamin W. Pinkos felt specific guidelines governing such storage was necessary toward avoiding potential arguments and problems.

Meanwhile, on the pool thermostat question, Mr. Hallmann told the commission it was kept at 85 degrees last summer at a cost of \$15,000, with members indicating indoor school pools are generally maintained at 80 degrees.

The idea of having an unheated pool, particularly for youngsters and older swimmers, was dismissed by the commission. So the recommendation was made to drop the temperature to 80 degrees.

Mr. Hallmann told the council his department did have some problems with the pool heaters last year, while stressing wind factors also play an important role on whether citizens are comfortable or not.

Councilman E. D. Grady felt there was some merit in a temperature reduction toward conserving energy and maintaining reasonable budgeting costs.

But Mr. Pinkos said the responsibility for regulating the temperature was Mr. Hallmann's based upon input from the citizens, not from the council's. "We shouldn't bind his hands with a specific temperature," the mayor noted.

As it turned out, Mr. Freeman's motion setting a minimum temperature of 72 degrees, (reportedly the temperature of Lake St. Clair during the summer), and the maximum of 85 degrees proved palatable to the majority of the council.

At the same time, Mr. Hallmann was asked to contact Consumers Power Co. to obtain hints toward conserving energy.

Parking Permit Denied in GPW

A request for an off-street parking permit, considered and tabled by the Woods Council on Monday, March 20, was unanimously denied by the solons at their regular meeting Monday, April 3.

The bid, from Robert Emery of Oxford road, arose after the public safety department denied him a permit to park his van in the street.

Traffic Safety Officer Paul Crook reportedly denied the permit because he felt Mr. Emery could widen his driveway and could use his garage in the backyard.

However, Mr. Emery stated his van is as wide as the driveway and, as he enters and exits, he tears up his neighbor's lawn. At the same time, he stated he has redded his neighbor's property and to put in another drive would cause him a financial burden.

Saying he had a permit last year, Mr. Emery also questioned why he didn't receive one this year.

The council tabled action on the 20th in order that members could have an opportunity to personally inspect the property.

Councilman Thomas Fahrner felt the main obstruction to having the van go to the rear of the property was an air conditioner, which projected out over the driveway. Mayor Benjamin W. Pinkos agreed and felt the problem could be alleviated without hardship by removing the air conditioner.

For his part, Building Inspector Earl Wakely indicated that the physical layout of the residence and driveway was sufficient so the van could be driven on the drive without encroaching upon adjacent property.

To park the van in the backyard, he noted, the air conditioner would have to be removed. After the vote of denial, Mr. Emery, obviously displeased, indicated he might consult his attorney on this matter.

What Goes On at Your Library

By William T. Peters, Director of Public Libraries

Thirty years and out or 70 years and stay? Americans have widely different views and feelings about retirement. What some regard as a disaster, others welcome with relief.

Retirement is a 20th century phenomenon that has become a major public concern. Many thoughtful books on various aspects of retirement living and aging are appearing on our library shelves. No matter what our chronological age is, we need to become better informed about the economic, social, recreational and health concerns of older people.

Robert N. Butler, MD, has written WHY SURVIVE? BEING OLD IN AMERICA, (Harper and Row, 1975). It is an angry book that points up the fact that in each succeeding decade the proportion of elderly to young in the population increases because of medical science, but is it all worth it.

"The truth is," he writes, "that we cannot promise a decent existence for the elderly now alive. We cannot house them, employ them or even feed them adequately." Dr. Butler offers some concrete programs for changing

the delivery of essential services and basic necessities. He claims that America has read the elderly out of its lives — that we turn our eyes away from wrinkled skin, infirmity, frailty, simple social contacts, denying the old the opportunity to feel themselves part of society.

While doing these things to older citizens we lose the opportunity to enrich our own lives through their experience, memories and perspective.

Dr. Butler strongly supports the concept of allowing people to continue to work beyond age 65. David Hackett Fischer in his book, GROWING OLD IN AMERICA, (Oxford University Press, 1977), puts the process of aging into historical perspective.

The author is not a specialist in geriatrics or gerontology, as is Dr. Butler. He is a social historian who found to his astonishment that nearly nothing had been written about old age from the historical viewpoint.

Early America 1600-1820 exalted old age, fewer than two percent of the population in 1790 were 65 or older. The cult of youth in modern America is very much with us today when 10 percent of the population is 65 or over.

In the last chapter of the book the author makes some predictions of what old age will be like in the future. He is particularly concerned with the Social Security revenues and expenditures.

GROWING OLD IN AMERICA is a thoughtful book that readers of all ages would benefit from reading.

CREATIVE RETIREMENT: PLANNING THE BEST YEARS YET, (Garden Way, 1974), by Murray Hoyt, will appeal particularly to those contemplating retirement in the not too distant future who will have some economic options.

It addresses itself more to the "beginning of a wonderful new life." Where should you live? What hobbies might you pursue? How should you handle your money?

Jean Adler has written a book of practical advice entitled, THE RETIREMENT BOOK, (W. Morrow, 1975). She has researched many of the hazards of financing the retirement and pointed clearly to the need for careful planning.

Her options for new life styles, use of time and leisure are attractive. Her counsel about maintaining optimum health of mind and body should be heeded.

One recurring theme in all the books on retirement and aging is planning. The person who is 20 years away from retirement should benefit more from these books than the retiree.

It's later than you think.

One View From The Capitol

By William R. Bryant, Jr.

The Grosse Pointes have an aware and concerned population of over 65 years of age citizens. In the past few years the number of quality organizations and services aimed at this population have increased greatly.

The property tax "circuit-breaker" in the state income tax helps assure most senior citizens they will not be taxed out of their homes by property taxes taking a greater portion of their income.

But there are still substantial numbers of retired people who do not need and cannot afford to continue to live in the larger homes they have had.

There have been some pressures already for the construction of senior citizen housing and there will be more such pressures.

We should learn some lessons, hopefully, from the current uproar in Birmingham, since the Pointes and Birmingham are much alike.

Last week saw the first ballot round in the battle raging in Birmingham over senior citizen housing.

The questions are real and serious. The choices are basically four, do nothing, build senior citizen housing only through totally private financing, pass a bond issue to allow a municipal government to build or purchase housing or invite the state Housing Development Authority to come in.

If the last choice is utilized it will involve further development of at least a spot, scattered, nature to repair older homes and make them available for lower income families.

There are areas where this could help property values, as is being argued by proponents of this choice in Birmingham. But there are questions and real concerns raised also by this choice as there are in Birmingham.

It is these concerns which led to the battle last week and to a recall election set for May.

We should take note and give in depth study to the years of arguing over the issue in Birmingham. It would be sad if we did not learn from their experience and avoid, to the extent possible, a repetition in the Pointes.

PWP Slates April Dance

Monthly general meetings of the Grosse Pointe Chapter of Parents Without Partners, (PWP), are held the second and fourth Fridays of each month at the War Memorial, 32 Lakeshore road.

The next meeting on April 14 is being replaced by a semi-formal dance at the Grosse Pointe Yacht Club, Lakeshore at Vernier road.

A chapter fund raiser, the dance will benefit the many activities for the children of chapter members. All single parents, PWP members and PWP alumni are invited to attend.

Russ Reed, music director at South High School, and his 20-piece orchestra will play music in the Glenn Miller manner. Dancing begins at 8:30 p.m.

Pointer Helps State Eye Bank

Last year, 266 people had their vision restored through corneal transplantation, an operation made possible through the services of the Michigan Eye Bank.

The cornea is the normally clear structure at the front of the eye. When it becomes injured or diseased it turns cloudy. Vision is restored by replacing the diseased tissue with clear healthy tissue obtained from someone who has donated their eyes.

In the more common corneal diseases, transplant operations are 90 percent successful. However, success of the operation is dependent upon the quality of the donor tissue used.

To insure high quality tissue, it is important that eyes

Discussion on Bids Almost Like Circus in GP Woods

It was almost like a circus when the Woods Council devoted its attention to bids on new police vehicles on Monday, April 3. (See story, Page 1.)

The circumstances surrounding the entire discussion were bizarre to say the least. The bidding procedure in this instance was questioned, (as it should have been), three different motions were offered and the dealership whose first bid was rejected on Monday, March 20, when it didn't meet specifications, came out the winner after offering another bid at the 11th hour.

Causing further aggravation was the fact that all the bids couldn't be rejected with the council starting over again, (the correct procedure), because the deadline for ordering the vehicles was nigh. In fact, the deadline for the accepted low bid of Roseville Chrysler-Plymouth, (on its second effort), was the following day.

An added irritation to the NEWS was the participation of two councilmen, Thomas Fahrner and John Sabol, in the final vote on the motion to accept the bid of the Chrysler dealership inasmuch as both men are employees of the company.

Now, this irritation wouldn't have been as great if the unfolding of the discussion wasn't so unusual and perhaps if the bid of another company was accepted. (Mr. Fahrner's contact to Chrysler officials, even as a loyal company employee, prior to the meeting in relation to Roseville's second bid, wasn't a help in this respect.)

The NEWS feels in each case there's no conflict of interest according to the Random House definition, i.e., "the circumstance of a person who finds that one of his activities, interests, etc., can be forwarded only at the expense of another of them," and that neither councilman received any benefits.

However, both should have abstained from voting or clarified their position clearly if they wished to vote on the matter, considering the offbeat flow of developments. More than anything else, it really was an error in judgment by both councilmen.

If any lessons can be learned from what transpired, perhaps seeking bids a bit earlier might help, along with a tighter rein on the overall process to avoid not only any alleged impropriety but also confusion.

Scholarship Test Set at ULS

The examination for the first annual Headmaster's Scholarships competition will be given on Saturday, April 29, at 8:30 a.m. at the University Liggett Middle School, 850 Briarcliff drive.

Boys and girls presently in grades five, six and seven are eligible.

The registration deadline to take the test is Wednesday, April 26. The test will be used as a guideline for selection of the recipients of the scholarships. Top

scoring students will be invited to make application to the school.

The scholarships will be awarded on the basis of performance on the examination, character and financial need. They will be renewable annually upon successful completion of the school year.

University Liggett School, (ULS), is a coeducational day school for 900 students in pre-kindergarten through grade 12. The Lower School, (pre-kindergarten through grade five), and Upper School, (grades nine to 12), are situated on a 40-acre campus at 1045 Cook road.

The Middle School, (grades six to eight), is situated on a 15-acre campus at 850 Briarcliff drive.

ULS offers an excellent college preparatory program including many advanced placement and honor courses, plus strong athletic and fine arts programs as well as a variety of extra curricular activities, officials say.

To register for the test and for further information, call Frederick Scott, director of admissions, at 884-4444.

Distinctive Dining by
Larry Lavigne
Smoky tasting raspberry tea can be made a bit more lively with the addition of dried orange peel. This tea has long been a favorite and, in fact, has been considered a necessity by pregnant women, who have believed it to prevent miscarriages, ease morning sickness and increase the milk supply. Scientists have found that raspberry leaves contain a substance called fragine which relaxes the muscles of the pelvic region and uterus.

The "New Orleans Medical Caravan" is headed your way—and you won't want to miss it.

It will be in town two nights: Wednesday, April 26, and Thursday, April 27, on-stage in the Grosse Pointe War Memorial's Fries Auditorium.

Before climbing aboard at 8:30 o'clock, (curtain time), you'll be invited to sample wine-and-cheese from 7 o'clock on with your fellow travelers.

So, now: what IS this New Orleans Medical Caravan? It's a scream, it's a ball . . . it's a musical comedy, featuring local physicians and dentists, and it promises to bring down the town.

The entire production was written and directed by Pointe dermatologist Dr. Dick Ferrara.

He's co-starring in the show with Dr. Tony Salvaggio, obstetrician and gynecologist. Both physicians are members of Saint John Hospital's medical staff.

Dr. Chet Bogan's band, that's been packing them in at the Lido Tuesday nights, will be featured.

Mrs. Richard J. Pryce is chairman of the event, which is sponsored by the Fontbonne Auxiliary of Saint John Hospital. Mrs. Herbert Krickstein is general co-chairman.

To Thank Cottage Auxiliary at Party

Board of Trustees Will Honor Members of Supporting Organization and Their Spouses at Little Club

How does one thank a group of devoted, dedicated people who have worked hard with no reimbursement to help make Cottage Hospital the fine institution it is today? The group is the Cottage Hospital Auxiliary which, during the past year, gave the hospital more than 52,000 hours of service and a gift of \$22,000 for landscaping and equipment . . . and spent more than \$500 for magazine subscriptions for hospital lounges and patients' reading.

The Cottage board of trustees believes a party is one of the nicest ways to say "thank you"—so it going to give a cocktail party at the Little Club Friday, April 21, for the auxiliary.

Mrs. Sterling E. Graham, Jr., arrangements chairman, promises masses of spring flowers decorating the entire first floor of the club.

The trustees have invited auxiliaries and their spouses, (the auxiliary is no longer a ladies-only organization — there are now several men members), to the 5:30 to 7:30 o'clock affair.

The first "thank you" cocktail party for the auxiliary was given at the Little Club in January, 1976. Approximately 285 persons attended, and it was received with such enthusiasm that this year's party promises to be even larger.

Among those serving as hosts and hostesses will be Mr. and Mrs. W. Merritt

Jones, Jr., (he is president of the Cottage board of trustees), Mr. and Mrs. Howard Smith, Mr. and Mrs. John N. McNaughton, Mr. and Mrs. Earl I. Heenan, Jr., Mr. and Mrs. Cleveland Thurber, Jr., Mr. and Mrs. Miles O'Brien, Mr. and Mrs. Cyril J. Edwards, Jr., Dr. and Mrs. David H. Barker and Mr. and Mrs. William E. Baubie.

More are Mr. and Mrs. Clarence E. Bessert, Mr. and Mrs. John L. Booth, Mr. and Mrs. Peter R. Fink, Mr. and Mrs. Gordon T. Ford, Mr. and Mrs. Sterling E. Graham, Jr., Mrs. Carl B. Grawn, Mr. and Mrs. Robert P. Lambrecht, Mr. and Mrs. James McMullan, Mr. and Mrs. Peters Oppermann, Mr. and Mrs. Elliott H. Phillips, Mr. and Mrs. B. Courtney Rankin, Mr. and Mrs. James E. St. Denis, Mr. and Mrs. Robert E. Valk, Mr. and Mrs. Robert A. Waters, Mr. and Mrs. H. Gordon Wood, Mr. and Mrs. Andrew Barr and Ralph L. Wilgare.

GP Symphony Plans Cabaret

The Grosse Pointe Symphony invites all Pointers and their friends to the biggest fund-raising party ever offered by the orchestra, Friday evening, April 28, at Hillcrest Country Club, where buffet dining will compliment a light and lyrical program by the Pointe Symphony and its guest soloists.

Time Is Topic For Questers

Mrs. Joseph Filkin will conduct "A Walking Tour of Clocks" when she opens her Harvard road home to the Windmill Pointe Questers at 9:30 o'clock Monday morning, April 17.

Following the program, the chapter's slate of officers for 1978-79, headed by Mrs. Leo Hardwick as president, will be installed.

Mrs. Peter Clemente will serve as first vice-president, Mrs. John Carter as second vice-president, Mrs. Fred Carter as secretary and Mrs. David Rieven as treasurer.

before—for the whole community to hear what many members of other area orchestras rate as one of the best in the Midwest.

Ruth Burczyk, of Littlestone road, concert pianist and teacher, will play Gershwin's Rhapsody in Blue.

Maria Cimarelli, lyric soprano, will present Broadway show hits and two familiar Puccini arias.

The orchestra promises all things light and gay... and a surprise number at the end of the concert.

Buffet dining begins at 7. The cabaret concert will start at 9 o'clock. Art Quatro's Orchestra will be on hand for dancing later in the evening.

Ticket information may be obtained by telephoning 885-2473 or 884-6398.

Our Saviour Lutheran Rummage Sale Slated

The Ladies Society of Our Saviour Lutheran Church will present its annual rummage sale next Thursday, April 20, from 9 in the morning to 2 in the afternoon at the church in Elmdale street at Dickerson, Detroit.

Flowers for Art Wing

Photo by Irwin Oliver

Grosse Pointe Artists Association member EDNA (Mrs. Frank) BAKIEWICZ displays the floral painting she has donated as special prize for the Grosse Pointe War Memorial Art Wing fashion show benefit and luncheon to be held next Tuesday, April 18, in the War Memorial's Fries Auditorium. The Detroit premier showing of Adele Simpson's spring and summer collection at 1 o'clock is sponsored by the GPAA and the War Memorial, courtesy of Jacobson's. It will be preceded by a noon buffet luncheon. Tickets at \$8.50 per person, (\$6 tax deductible), may be obtained through the War Memorial.

German-American Center Opens Year

The German-American Cultural Center in East Outer drive, Detroit will open its 28th anniversary year with a banquet at the clubhouse Saturday, April 15. The evening begins at 6:30 with cocktails. Dinner follows at 7:30 o'clock.

The post-dinner program will feature greeting from the German and Austrian consuls, the GACC's annual donation to Wayne State University's Junior Year in Munich Program, naming of the German-American of the year and—highlight of the evening—choral singing by the 20 male voices of the Singing Society from Inns-

bruck, Austria. Reservations for the banquet at \$17.50 per person may be made by calling the center, 371-5720.

The German-American Cultural Center, with 2,000 members, is an organization of 20 affiliated German choral, social, cultural, sport and civic clubs. Its aim is to bring to its members and the community-at-large the benefits of a heritage of German cultural achievement.

Other 28th anniversary year events to take place in 1978 are the German-American Downtown Festival, June 9 to 11; the German-American Folks Fest, Dollier-Galinee Park, Macomb County, August 11 to 13; Octoberfest, September 8 to 10 and 15 to 17; the grand holiday ball, December 2; and the New Year's Eve celebration, December 31.

Book Review Set at Church

"You Are Promise" by Martin Marty is the book to be reviewed by Mrs. Harry Maghakian next Tuesday, April 18, at 1 o'clock at Grosse Pointe Memorial Church. Mrs. Maghakian is director of Christian Education and Program Development for Fort Street Church. All members and friends of the Women's Association of Grosse Pointe Memorial Church are invited to attend.

Fiftieth Birthday for DSO Women

'Flappers' to Return A Week from Tomorrow at Golden Anniversary Celebration; Mrs. Arnold Lungershausen Chairs Champagne Gala

The Women's Association for the Detroit Symphony Orchestra will celebrate its 50th anniversary at a gala champagne luncheon Friday, April 21, at noon at the Detroit Golf Club.

The association held its first annual meeting April 20, 1928, in Orchestra Hall, with the blessing of Ossip Gabrilowitsch and the encouragement of the Detroit Federation of Women's Clubs.

A bust of Gabrilowitsch, beloved conductor of the DSO from 1918 until his death in September, 1936, will be on display in the lobby of Ford Auditorium April 20 through 23 as part of the Symphony Women's 50th celebration. The bust is on loan from the Detroit Institute of Arts.

The Women's Association has raised several million dollars and sold hundreds of thousands of tickets to Detroit Symphony concerts in the last 50 years.

It has watched the DSO move from Orchestra Hall to Masonic Auditorium to Music Hall, back to Masonic and finally to Ford Auditorium.

The spirit of fine orchestral music was kept alive by the association during the two traumatic periods when there was no Detroit Symphony.

The champagne gala a week from tomorrow at the Detroit Golf Club will honor past-presidents of the Women's Association and two members of the personnel of the 1928 Detroit Symphony; Marius Fossenkemper and Valter Poole.

Robert B. Semple, president of the board of directors of the symphony, will give the toast to the association.

Keever-Putney Rites Planned

Mrs. Kenneth Putney, Olivet, has announced the engagement of her daughter, Dana, to Robert R. Keever, son of Mr. and Mrs. David Keever, of Washington road. A June 3 wedding is planned.

Miss Putney, who is also the daughter of the late Mr. Putney, was graduated from Olivet Community High School and expects to receive her Bachelors degree in May from Lake Superior State College.

Her fiance, an alumnus of Grosse Pointe South High School and a veteran of the United States Air Force, is attending Michigan State University's College of Engineering.

He also will announce a birthday gift from the directors—a plaque to be placed in the lobby of Ford Auditorium commemorating the Symphony Women's 50th birthday—and will invite all members to attend the orchestra's concert Sunday afternoon, April 23, with a champagne reception following.

Mrs. H. Wayne Nelson, president of the Women's Association, will present Mr. Semple with a substantial check covering monies raised by the association during the past year.

Members of the symphony, under the direction of Felix Resnick, will play a short program as their gift to the association.

Hostesses attired in 1928 costumes will include Mrs.

Paul Eagan, Mrs. John W. Griffin, Mrs. Leslie C. Putnam, Mrs. Sterling S. Sanford and Mrs. R. Alexander Wrigley, all of Grosse Pointe. The celebration is being chaired by Mrs. Arnold W. Lungershausen, of Berkshire road, who will wear a 1928 gown from Irving's which belonged to Mr. Lungershausen's mother. Members and friends may reserve tickets at \$9 each by contacting Mrs. William Conlin, 230 Woodberry, Bloomfield Hills, Michigan 42013. (642-0280).

Smith-Glander Rites Are Read

University Liggett School graduate Nancy Lynn Glander whose parents, Mr. and Mrs. William E. Glander, now make their home in Shawnee, Okla., was married Saturday, April 8, to Stephen F. Smith, son of Mr. and Mrs. James E. Smith, of Keystone, Ind.

The 5 o'clock ceremony at which The Reverend Daniel Steiner presided took place in Calvary Lutheran Church, Bluffton, Ind., where the former Miss Glander had been making her home.

A reception followed at the Moose Lodge, Bluffton. The newlyweds are vacationing on the Gulf of Mexico, and will return to reside at the bridegroom's farmhouse in Keystone.

He was graduated from Petroleum High School in 1961, holds a Bachelor of Arts degree in History from Huntington College and taught History for seven years in Darlington, Ind., before purchasing the grain farm.

The bride, a member of Phi Beta Kappa, earned a Bachelor of Science degree from Michigan State University in 1976. She resided in the Detroit area from birth until 1976, when she moved to Bluffton to assume responsibilities as control engineer for Corning Glass Works.

She wore her mother's ivory satin wedding gown and

a waist length veil falling from a pink floral headpiece. Pink carnations, pink Sweetheart roses and baby's-breath formed her bouquet.

Honor attendant Jane Ellen Gerloff, of Woodstock, Ill., and bridesmaids Lynne Tiganelli, a cousin of the bride, of East Detroit, Pamela Gerloff, of Woodstock, and Susan Mitchell, of Grand Rapids, wore floor length, raspberry frocks and carried arrangements of pink and white carnations and baby's-breath.

Best man was Edward Otten, of Darlington. Ushers were Mark Smith and Joseph Smith, brothers of the bridegroom, Hans Reich, of Bluffton, Donn and Brian Glander, brothers of the bride, Bill Smith, another brother of the bridegroom, and Frank Brubaker, of Berne, Ind.

Sigma Kappa Alumnae Meet Next Wednesday

Grosse Pointe Alumnae of Sigma Kappa will gather Wednesday evening, April 19, at 7:30 o'clock in the Utica home of Mrs. Thomas Hunter where Mrs. Richard Sperley will give a purse demonstration.

Members may bring guests. Those wishing to attend are asked to contact Mrs. John Horn, 884-3018, or Mrs. Hunter, 739-3859.

The John A. Wilsons

At a candlelight ceremony Friday, December 30, in Saint Paul Evangelical Lutheran Church CHRISTINE ELAINE PHILLIPS spoke her marriage vows to Dr. Wilson, son of the Alexander M. Wilsons, of Andover, Mass. Mr. and Mrs. Gordon F. Phillips, of Norwood drive, are the bride's parents.

Winter Wedding for Miss Phillips

John Alexander Wilsons Are at Home in England Where He Is on NSF Postdoctoral Fellowship at Cambridge University

Christine Elaine Phillips, daughter of Mr. and Mrs. Gordon F. Phillips, of Norwood drive, and Dr. John Alexander Wilson, son of Mr. and Mrs. Alexander M. Wilson, of Andover, Mass. were married Friday, December 30, in Saint Paul Evangelical Lutheran Church.

The 6:30 o'clock ceremony at which The Reverend Dr. Kenneth Lentz presided, with a meditation by The Reverend Duane Wuggazer, second cousin of the bride, was followed by a dinner reception in the Grosse Pointe War Memorial's Crystal Ballroom.

The newlyweds vacationed in Seefeld, Austria, and are at home in Cambridge, England, where the bridegroom is on a National Science Foundation Postdoctoral Fellowship in the Cambridge University Zoology Department.

The bride will be completing her Ph.D. thesis in Neurobiology, then will begin a Postdoctoral Fellowship in the same department as her husband.

For the candlelight rites, the former Miss Phillips wore her mother's wedding gown of candlelight satin styled with a full train, Empire waist and V-neckline.

Palazzolo, of Ypsilanti, and bridesmaids Mrs. Ronald Buszek, of Farmington Hills, an Alpha Xi Delta sorority sister of the bride, and Janet Wilson, the bridegroom's sister.

Their cranberry matte jersey frocks were floor length, long-sleeved and Empire-waisted, fashioned with accordion-pleated skirts and trimmed with matching lace.

N. Lindsley Davidson, of Lansing, N.Y., was best man for his Delta Kappa Epsilon

fraternity brother. Ushers were Thomas Ellis, of Eugene, Ore., and Mr. Buszek.

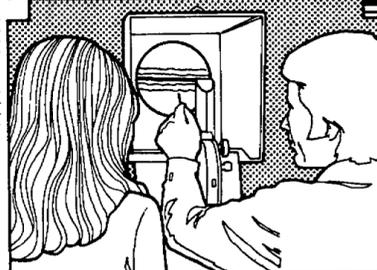

The mother of the bride chose a floor length, long-sleeved gown of emerald green Qiana, styled with a draped neckline. She pinned two green cymbidium orchids to her purse.

Pearls accented the bodice of the bridegroom's mother's blue Qiana gown, also floor length and long-sleeved. She wore a wrist corsage of two white cymbidium orchids.

Nancy Heian Wed To Edwin Oesch

Alencon Lace Accents Gown and Veil in Which She Speaks Vows; White Roses Form Her Bouquet

Nancy Lee Heian, whose parents, Dr. and Mrs. Bjarne Heian, have since moved from Littlestone road to Waco, Tex., and Edwin Randolph Oesch, son of Mr. and Mrs. Everett Ralph Oesch, of Ballwin, Mo., were married a year ago at Michigan State University's Alumni Memorial Chapel.

The evening ceremony Saturday, April 16, at which Chaplain Chris Vartan Heian, of Winlock, Wash., brother of the bride, presided, was followed by a reception at the Hilton Inn, Lansing.

The newlyweds vacationed at the Playboy Resort and Country Club, Lake Geneva, Wis., and in the southern states, visiting Tennessee, Alabama, Georgia and Louisiana. They are at home in Dallas, Tex.

For the 7 o'clock rites, the former Miss Heian chose a white silk organza gown. Her high neckline, slender sleeves and bodice were covered with English netting and re-embroidered Alencon lace.

More lace edged the hem of her demi-bell skirt and ac-

cented her chapel length train. Seed pearls accented the lace motifs at her waistline, bodice and skirt front.

A lace and seed pearl-covered Camelot cap held her lace-outlined, chapel length, illusion veil. She carried white roses.

She was attended by Nancy Nahigian, of Detroit, a sorority sister, and bridesmaids Diane Boss, of Mount Clemens, and Pamela Ashcraft, of Lansing, two other sorority sisters, and Colleen Pincombe, of Lansing.

Chiffon capes, tying in bows at their necks, covered their long, Empire-waisted, halter frocks of pastel yellow peau. White daisy applique edged their scoop necklines.

Mrs. Edwin R. Oesch

Marriage vows were spoken a year ago, Saturday, April 16, in Michigan State University's Alumni Memorial Chapel by NANCY LEE HEIAN, daughter of Dr. and Mrs. Bjarne Heian, who have since moved from Littlestone road to Waco, Tex., and Mr. Oesch, son of Mr. and Mrs. Everett Ralph Oesch, of Ballwin, Mo.

ever their yellow picture hats, and they carried baskets filled with yellow roses, yellow daisies and baby's-breath.

Flower girls Tracey Huber, the bridegroom's niece, and Heather Walters wore frocks identical to those of the senior attendants. Baby's-breath accented their upswept hairdos.

Andrew Miller, of St. Louis, Mo., was best man. Donald Heian, brother of the bride,

and Rett Oesch, the bridegroom's brother, seated the guests.

Silver sequins accented the high waist and neckline of the bride's mother's long-sleeved, floor length gown of emerald green chiffon. The bridegroom's mother, who with his father entertained at a garden party reception in their Ballwin home in the newlyweds' honor May 13, wore a long, medium blue gown covered with a blue floral chiffon cape.

Each mother wore a white gardenia wrist corsage.

Out-of-town guests included Edward Vartan, of Riverside, Calif., Anne Heian, who came from Wisconsin, Mr. and Mrs. Arthur Heian, of Stanley, Wis., and Dr. Dorothy Mullins, of Knoxville, Iowa.

More were the bridegroom's brother and sister-in-law, Mr. and Mrs. Everett R. Oesch, Jr., of Ballwin, his brother-in-law and sister, Mr. and Mrs. Richard Huber, of St. Louis, Andrew Miller and Mrs. Matthew Rebb, both of St. Louis.

School of Government Meets April 19 at DAC

The annual meeting of the School of Government will be held Wednesday, April 19, at 1 o'clock at the Detroit Athletic Club, with Mrs. John T. McMullen presiding. Community Panel For Woman's Club

Members Only May Participate in Annual Gathering Next Wednesday; Blossoms of Spring Is Tea Table Theme

The Grosse Pointe Woman's Club has scheduled its annual meeting and election of officers for next Wednesday, April 19, at 12:30 o'clock in the Grosse Pointe War Memorial's Crystal Ballroom.

For this members-only gathering, program chairman Mrs. Mary Evelyn Self has planned a session designed to acquaint members with community service organizations.

She will introduce panel members Mrs. Guy Doyal, representing the Grosse Pointe Health Council, Mrs. Thomas Palmer, speaking for the Family Life Education Council, and Mrs. Mary Aley, who will discuss the Out-Wayne Nutrition Site.

Mrs. Self will serve as panel moderator.

Tea hostess for the day

Mrs. Ralph F. Urso and co-hostess Mrs. John J. Schneider have chosen Blossoms of Spring as their table theme.

Assisting Mrs. Urso and Mrs. Schneider will be the Mesdames Leo Cowling, John T. Congdon, Richard Huegli, William Kabbush, John J. Kelly, Pierre Palmentier, H. M. Pytell, Alfred R. Reuther, Bernard J. Rosso, David Sicklesteel, Harry Sine, Michel A. Skaff, Robert W. Smith, Richard Sroner, Maurice L. Strong, A. E. Tamarelli, Boyce Tope, Earl W. Walke, Franklin S. Nancy Heian Wed To Edwin Oesch

Alencon Lace Accents Gown and Veil in Which She Speaks Vows; White Roses Form Her Bouquet

Nancy Lee Heian, whose parents, Dr. and Mrs. Bjarne Heian, have since moved from Littlestone road to Waco, Tex., and Edwin Randolph Oesch, son of Mr. and Mrs. Everett Ralph Oesch, of Ballwin, Mo., were married a year ago at Michigan State University's Alumni Memorial Chapel.

The evening ceremony Saturday, April 16, at which Chaplain Chris Vartan Heian, of Winlock, Wash., brother of the bride, presided, was followed by a reception at the Hilton Inn, Lansing.

The newlyweds vacationed at the Playboy Resort and Country Club, Lake Geneva, Wis., and in the southern states, visiting Tennessee, Alabama, Georgia and Louisiana. They are at home in Dallas, Tex.

For the 7 o'clock rites, the former Miss Heian chose a white silk organza gown. Her high neckline, slender sleeves and bodice were covered with English netting and re-embroidered Alencon lace.

More lace edged the hem of her demi-bell skirt and ac-

cented her chapel length train. Seed pearls accented the lace motifs at her waistline, bodice and skirt front.

A lace and seed pearl-covered Camelot cap held her lace-outlined, chapel length, illusion veil. She carried white roses.

She was attended by Nancy Nahigian, of Detroit, a sorority sister, and bridesmaids Diane Boss, of Mount Clemens, and Pamela Ashcraft, of Lansing, two other sorority sisters, and Colleen Pincombe, of Lansing.

Chiffon capes, tying in bows at their necks, covered their long, Empire-waisted, halter frocks of pastel yellow peau. White daisy applique edged their scoop necklines.

Mrs. Edwin R. Oesch

Marriage vows were spoken a year ago, Saturday, April 16, in Michigan State University's Alumni Memorial Chapel by NANCY LEE HEIAN, daughter of Dr. and Mrs. Bjarne Heian, who have since moved from Littlestone road to Waco, Tex., and Mr. Oesch, son of Mr. and Mrs. Everett Ralph Oesch, of Ballwin, Mo.

med their yellow picture hats, and they carried baskets filled with yellow roses, yellow daisies and baby's-breath.

Flower girls Tracey Huber, the bridegroom's niece, and Heather Walters wore frocks identical to those of the senior attendants. Baby's-breath accented their upswept hairdos.

Andrew Miller, of St. Louis, Mo., was best man. Donald Heian, brother of the bride,

and Rett Oesch, the bridegroom's brother, seated the guests.

Silver sequins accented the high waist and neckline of the bride's mother's long-sleeved, floor length gown of emerald green chiffon. The bridegroom's mother, who with his father entertained at a garden party reception in their Ballwin home in the newlyweds' honor May 13, wore a long, medium blue gown covered with a blue floral chiffon cape.

Each mother wore a white gardenia wrist corsage.

Out-of-town guests included Edward Vartan, of Riverside, Calif., Anne Heian, who came from Wisconsin, Mr. and Mrs. Arthur Heian, of Stanley, Wis., and Dr. Dorothy Mullins, of Knoxville, Iowa.

More were the bridegroom's brother and sister-in-law, Mr. and Mrs. Everett R. Oesch, Jr., of Ballwin, his brother-in-law and sister, Mr. and Mrs. Richard Huber, of St. Louis, Andrew Miller and Mrs. Matthew Rebb, both of St. Louis.

School of Government Meets April 19 at DAC

The annual meeting of the School of Government will be held Wednesday, April 19, at 1 o'clock at the Detroit Athletic Club, with Mrs. John T. McMullen presiding. Willah Wheddon, founder and publisher of Coronet Magazine, will address the members and guests. Mrs. Wilber M. Brucker will introduce the speaker.

Reservations are being accepted by Mrs. Thelma Gilboe, Mrs. Clarice Barnes, Mrs. Ralph Mason and Mrs. James Reid.

Retirees Are Invited To Watch Their Step

"Watch Your Step" is theme for the Detroit Association of Retired School Personnel's meeting Friday, April 14, at 1 o'clock at Westminster Presbyterian Church in Hubbell street at West Outer drive, Detroit.

Foot specialist Dr. Morton Hack, president of the Prescription Footwear Association, past-president of the Michigan State Podiatry Association, lecturer in southeastern Michigan residency training programs, president of Hack Shoe Company, will speak on foot care.

Betrothed

BARBARA ALEXANDRIA BRYK and James Albert Fortune whose engagement has been announced by her parents, Mr. and Mrs. Peter Bryk, of Huntington boulevard, are planning an early November wedding.

The bride-elect, a Grosse Pointe North High School alumna, will be graduated this month from the Grace Hospital School of Nursing.

Her fiancé, son of Mr. and Mrs. Leonard Fortune, of Ann Arbor, received his Bachelor of Science degree

Wilkins-Atkin Troth Is Told

Mr. and Mrs. Rupert Lloyd Atkin, of Sunningdale drive, have announced the engagement of their daughter, Valerie Lyn, to Peter Clarke Wilkins, son of Dr. and Mrs. George Franklin Wilkins, of Brookline, Mass. A June wedding is planned.

Ms. Atkin, a graduate of the University of Michigan where she affiliated with Kappa Kappa Gamma sorority, is coordinator of Management Training and Development at Stauffer Chemical Company, Westport, Conn.

Mr. Wilkins was graduated from Trinity College, Hartford, Conn. His fraternity is Delta Psi. He is an account supervisor for North Castle Partners Advertising in Greenwich, Conn.

in 1975 from the University of Michigan, where he affiliated with Lambda Chi Alpha, and is currently a third year student at the Wayne State University School of Medicine.

Fall Bride

The engagement of **KRISTINE ANNE CARPENTER** and Truman Michael Wills has been announced by her mother, Mrs. Anne Carpenter, and her grandfather, Herman A. Ortegren, of Lincoln road. A September 9 wedding is being planned.

The bride-elect, an alumna of Grosse Pointe South High School, received her Bachelor of Arts degree in Interior Design and Home Economics-Retailing from Adrian College, where she affiliated with Chi Omega sorority.

She is now with the J. L. Hudson Studio of Interior Design. She is an associate member of the American Society of Interior Designers and is affiliated with the Detroit Chi Omega alumnae chapter.

Her fiancé, son of Mr. and Mrs. Truman Kendall Wills, former Pointers who now make their home in Holly, was also graduated from Grosse Pointe South and attended Adrian College, where he affiliated with Sigma Alpha Epsilon fraternity.

He is presently employed as a sales representative for Pointe Dodge.

Engaged

Mr. and Mrs. Wilber Hadley Mack, of Country Club drive, have announced the engagement of their daughter **HADLEY** to Edwin Ralph Stroh, III, son of Mrs. Jane Malcomson Stroh and Edwin Ralph Stroh, Jr., also of The Pointe.

Miss Mack is a graduate of Grosse Pointe University School, Mount Vernon College and Georgetown University, Washington, D.C. She is presently completing work toward her Masters degree at Wayne State University, in Adult Psychiatric Mental Health Nursing.

The future bride is a member of the Junior League of Detroit and the Sigma Gamma Association, of which she was a junior president. She made her debut at a dance given by her parents at the Grosse Pointe Club.

Her father is the former chairman and chief executive officer of American Natural Resources Company. He is presently chairman of its executive committee and consultant.

Miss Mack is a granddaughter of Mrs. Eleanor Bingham Burdon, of Ogunquit, Me., and the late John Albert Proctor, of Boston, and of the late Mr. and Mrs. Rollin Campbell Mack, of Westfield, Mass.

Her fiancé attended Grosse Pointe University School and is a graduate of Fountain Valley School and Lake Forest College. He is presently a stockbroker for the First of Michigan Corporation. He is a member of the Detroit Racquet Club.

His father is assistant general manager, Parts and Service Division of the Ford Motor Company.

The prospective bridegroom is a grandson of Mrs. George William Malcomson, of The Pointe, and the late Mr. Malcomson, and of the late Edwin Ralph Stroh and the late Mrs. Katherine Remick Kinnucan.

A July wedding is planned at Christ Church, Grosse Pointe.

Plan to Wed This Summer

Dr. and Mrs. Henry J. Zukowski, of North Deeplands road, have announced the engagement of their daughter, Christina Claire, to Peter Marshall Jensen, of Detroit, son of Mr. and Mrs. Marshall A. Jensen, of San Diego, Calif., formerly of Minden, Neb.

Miss Zukowski was graduated from Grosse Pointe University School and Radcliffe College. She received a Master's degree from the University of Michigan and is currently an English teacher at Grotton School in Massachusetts.

Her fiancé, a graduate of Choate School and Harvard College, received a Master's degree from the University of Detroit. He is a student in the University of Detroit School of Dentistry.

A Literary Evening For Alpha Xi Delta

Women Novelists of the 1970's presented by Chris Norris of the Grosse Pointe Public Library will highlight the Grosse Pointe Alpha Xi Delta Alumnae Chapter meeting next Monday, April 17, at 7:30 o'clock at the home of Mrs. Normand Giard in Willow Tree place.

Miss Norris, professional assistant at the Library's Central Branch, will discuss the works of authors Ann Tyler, Judith Guest, Ann Beattie, Joyce Rebeta-Burditt and Toni Morrison.

Assisting Mrs. Giard as co-hostesses for the evening are Mrs. Robert Shannon and Mrs. Richard Williamson. The meeting is open to all Alpha Xi Delta alumnae members.

A July 28 wedding is planned.

To Be Honored by Girl Scouts

Joyce Brackett, of Rivard boulevard, Dee English, of Lakepointe avenue, Agnes Kay, of Balfour road, Donna Lucas, of Harvard road, Barb Unger, of Harvard road, and Ann Warren, of Saddle lane, are among 52 volunteer trainers who will be recognized at the annual meeting of the Girl Scouts of Metropolitan Detroit next Wednesday evening, April 19, from 8 to 10 o'clock at Fairlane Manor, Dearborn.

Mrs. Henry S. Budden, chairman of GSMD's Volunteer Services committee, will pay tribute to the women who donate their time and talents throughout the year to train troop leaders, administrative adults and outdoor specialists in Girl Scout programs and skills.

In addition, special recognition will be given to all Senior Scouts who are currently in GSMD troops and who will be graduated from high school this year.

Primary item of business on the annual meeting agenda is the election of a new council president, vice-president, five board members and a four-member nominating committee. Delegates to the National Girl Scout Council Meeting, to be held in Denver, Colo., next October, will also be elected. Special awards, in the form of Thanks Badges, engraved plaques and trays, will be presented to 11 outstanding volunteers.

The meeting is open to all Girls Scouts, parents and volunteers in the council area.

Your hairdo—is it easy to care for, or do you always have to worry? Most experts say that the hair that is usually most attractive and easiest to care for combines a complimentary style with a very professional cut. So before you spend another day looking at the same old you, reflect a little about how easy your life could be with the right hair style. A minimum of hair care and a generally improved appearance. Consult an expert for a cut that will be the carefree go-everywhere type—the type that is most important for today's busy life.

At GROSSE POINTE COIFFURES, 10427 Mack Ave., 884-2090, we are specialists in correcting hair problems and damaged hair; hair that is not healthy due to poor permanents and poor care in the past. Let us properly condition your hair, give it body, and show you how to properly care for it, with or without professional help. We strive to make your visit with us, the most relaxing time of your busy week.

A Busy Tuesday Musicales Week

Final Concert of Season Slated for April 18; "Shenanigans" to Be Presented The Following Friday

Tuesday Musicales's tempo quickens as it prepares for two performances in the same week: Tuesday, April 18, the Musicales's final concert of the season will be presented in the Detroit Institute of Arts Lecture Hall at 10:30 o'clock, and the following Friday, April 21, Shenanigans, a fun fund raiser, will be staged at 8 o'clock in Fries Auditorium of the Grosse Pointe War Memorial.

Mrs. Raymond J. Stief, of Royal Oak, chairman, has mixed classics and of the April 18 concert, semi-classics in a program that builds toward an upbeat finale, anticipating Shenanigans' light-hearted mood.

Violinist Mrs. V. Everett Kinsey, of Troy, accompanied by pianist Mrs. Frank J. Sladen, Jr., of Kensington road, will open the final morning concert with Bach's Komm'susser Tod, Beethoven's Romance in F Major, Op. 50, Paul Paray's Serenade, Op. 2 and Nocturne from Masquerade.

Birmingham pianist Mrs. H. Van Huse will perform Daquin's LeCocou, Brahms' Intermezzo in C, Op. 119, Schubert's Impromptu in A flat, Op. 142, Poulenc's Trois Mouvements Perpetuels, Prokofiev's Prelude, (Harp), Op. 12, No. 7 and Chopin's Waltz in E minor.

Soprano Mrs. Robert W. Smith, of Troy, accompanied by pianist Mrs. Harry Peets, of Farmington, will sing Waltz of My Heart from The Dancing Years by Ivor Novello, Ouvre Ton Coeur, (Spanish Serenade), by Bizet, Grieg's My Johann, (Norwegian Dance), arranged by Aslanoff, Short's Green Garden, (A Short Ditty), arranged by L. E. Fisher, Lerner and Lowe's Almost Like Being in Love from Briga-

doon, Stephen Sondheim's Send in the Clowns from A Little Night Music and Glazounow's Lovetide of Spring transcribed for voice by La-Forge.

Piano duetists Mrs. James F. Gerlach, of Utica, and Mrs. Edward Wilson, of St. Clair Shores, will perform Rachmaninoff's Bacarolle, Romance and Slava, (Glory).

Contralto Mrs. Charles C. Truscen, of Dearborn, accompanied by pianist Mrs. George Fenstermacher, of Grosse Ile, will sing a medley of songs from Rogers and Hammerstein's Sound of Music and a medley of Cole Porter tunes. Mrs. Fenstermacher will perform her own improvisations on Johnny Green's Body and Soul.

The finale will be a medley of current show tunes sung by Mrs. Truscen with accompaniment by Mrs. Fenstermacher.

Current president of Tuesday Musicales is Mrs. Ellwyn A. Gilbert, of University place.

More information about Tuesday Musicales and its programs may be obtained by calling Mrs. Donald I. Lahti, Active member chairman, 358-3827, or Mrs. Donald E. Hansen, Associate member chairman, 886-3867.

July Bride

Photo by Bransby Studio

Planning a mid-July wedding are SANDRA LEE DIMASO and Dennis Macciomei whose engagement has been announced by her parents, Dr. and Mrs. Genaro J. DiMaso, of Lakeshore road.

The bride-elect holds a Bachelor of Science degree in Early Education from Eastern Michigan University. Her fiancé, son of Mr. and Mrs. Enio Macciomei, of Harper Woods, is a Respiratory Therapist at Saint John Hospital.

Learn to Act in Community

Leaders of Detroit-area fraternal, business and neighborhood organizations meet this Saturday, April 15, at Mercy College's Conference Center to learn how they can identify and act on community challenges as individual groups.

The program is sponsored by the Volunteer Action Center, a department of United Community Services of Metropolitan Detroit. Keynoting the all-day conference will be television newsmen Joe Weaver.

Registration fee is \$3 per person. Group leaders interested in attending may call the Volunteer Action Center, 833-0622, for further information.

Delta Zeta Alumnae Set 'Kards for Kids'

Delta Zeta Sorority Alumnae will sponsor their annual Kards for Kids benefit Wednesday, April 19, at 7:30 o'clock at Maple Park School in St. Clair Shores.

Proceeds from the card party will be donated to classes for Hearing Impaired Children in Macomb County.

Henrietta's of St. Clair Shores will present a fashion show featuring the newest spring sportswear. As always, there will be plenty of prizes and refreshments.

Tickets are \$2.50 and may be purchased at the door. Accepting reservations is Diane Johnke, 886-2384.

Issue Spring Invitation

The Auxiliary to the Salvation Army has issued an invitation to Spring: an afternoon at Lochmoor Club featuring luncheon and fashions from Martha's Closet next Wednesday, April 19, starting at noon.

Radio and television personality Bob Allison will be at the piano. His wife, Maggie, will be among the models.

Special guest will be WJBK-TV Channel 2's Beverly Payne, and an additional attraction will be a fashion presentation by several Salvation Army officers and their wives, showing models of the Army's current uniforms.

Ticket information is available by contacting Mrs. Robert Craig, chairman, of Lone Pine road, Bloomfield Hills.

The auxiliary's future plans include a June 15 mini-fair at Salvation Army headquarters in Royal Oak.

DSO Poised for 'Creation'

Music Director Antal Dorati will be on the podium as the Detroit Symphony Orchestra gives its first complete performance of Franz Joseph Haydn's oratorio "The Creation" this week, Thursday, April 13, and Saturday, April 15, at 8:30 o'clock in Ford Auditorium.

Soprano Heather Harper and bass Peter Lager, making their DSO debut appearances, will be joined by tenor John Alexander, the Cantata Academy, the Kenneth Jewell Chorale and the Brazeal Dennard Chorale.

Haydn's "Creation," one of the world's great choral works, was composed in 1797 and first performed in Vienna the following year. This week's performances will be sung in German.

Heather Harper, soprano, made her Metropolitan Opera debut last season and was highly acclaimed.

She was born in Belfast and studied piano at London's Trinity College of Music, where she won a voice scholarship that changed the course of her career.

She has toured North and South America, the Far East and Middle East and the major capitals of Europe. She has been created a Dame Commander of the British Empire.

The Metropolitan Opera's John Alexander is one of the world's great operatic tenors. He has established an international reputation since his professional debut in 1952.

He made his debut with the Met in 1957, his European debut in 1967 at the Vienna Volksoper.

He first sang with the DSO in the Verdi Requiem in 1974.

Peter Lager, bass, of Russian and Italian extraction, was born and brought up in (Continued on Page 30)

DECORATORS' SHOW HOUSE
Sited on a promontory overlooking Lake St. Clair on one of the finest lots in the Farms. This authentic Georgian mansion may be purchased independent of the remaining property, leaving three potential building lots each 200x161 for another buyer.

Making Dreams Reality

FIRST OFFERING

Truly one of the outstanding houses that makes Grosse Pointe the unique community it is. The 44x22 foot living room has a spectacular fireplace, removed from the Throne Room of Hamilton Palace in Scotland; originally sculptured by a famous Italian artist. The library paneling (circa 1670) was originally in Miles Sandish's library in London. The dining room paneling comes from Hamilton Palace in Scotland (circa 1590). Large music room, conservatory, five bedrooms each with private bath, garage space for six cars, modernized kitchen, finished recreation room that lends itself beautifully to entertaining. Call for the many more details today.

IN THE FARMS

Secluded on a large lot that gives you the feeling you are in the Northern Michigan Woods, is one of the area's sensational contemporary homes. There are too many "extras" to mention them all, but the home has a large master bedroom wing complete with a library with fireplace, bath and a half and dressing room plus study. The guest wing contains three bedrooms and two bathrooms. There is a large living room, sitting room, dining room and activities room. Call for an appointment today.

FIRST OFFERINGS

THE TAX MAN TAKETH. He sometimes gives something back. With that refund why not make this Spring the time you get into that much needed, four bedroom house? We have just listed a center hall colonial with four bedrooms and three baths on the second floor. There is a paneled den and new kitchen with all the doodads. Priced at \$78,000. That shouldn't tax you too much.

A TWO BEDROOM COLONIAL in the Woods is available with a one year lease. The owner prefers a couple with no children or pets. \$335 per month plus utilities.

OPEN SUNDAY 2 UNTIL 5 1443 YORKSHIRE

IF YOU CAN FIND IT, BUY IT! That three bedroom house with the new kitchen, new carpeting and recent decoration comes on strong at \$56,500. There is a fireplace in the living room, a separate dining room and a den. The furnace and roof were replaced just a few years ago.

BY APPOINTMENT PLEASE
THERE WON'T BE ANY MORE. Lake frontage in Grosse Pointe will continue to appreciate because He isn't making anymore. At the end of a private street and right on the water, we are proud to offer a magnificent mini-mansion which has been beautifully maintained. There are fireplaces galore, a kitchen ready for the House & Gardens cameraman. A swimming pool is offered between the house and breakwall, and the ever changing view of the lake and its many moods.

SPRING IS LONG OVERDUE but we all know those warmer days are just around the corner. Get ready for the long summer in that new house with a swimming pool dominating the secluded yard. Make that next house with a master suite on the first floor, but have three more bedrooms on the second. Fireplaces in both the living room and family room. Grosse Pointe Shores location just a block or so from the Yacht Club.

ENGLISH TUDOR with leaded glass windows and fireplace. Really a super house with three large bedrooms, bath and a half, patio with gas grill — \$24,500.

EXCELLENT, three bedroom, one and one-half bath colonial with awning covered patio. Fireplace, two car garage, gas forced air furnace. Under \$26,000. Conventional mortgage.

Test Your Dog For Heartworm

If you have a dog in the family, it's the time of year to fear for its heart — and for its very life.

The mosquito is now a dog's greatest enemy because it carries dread Canine Heartworm Disease, a potentially fatal illness that threatens the entire dog population of Michigan, report the heartworm specialists of the Southeastern Michigan Veterinary Medical Ass'n. in a news release.

Once thought to be confined to warm, humid areas of the U.S., the disease has extended into northern climes so rapidly that today it is reaching near-epidemic proportions in Michigan and its environs.

The southeastern Michigan veterinarians — and others in the state — are attempting to reach all dog owners to warn them of this mortal danger to their pets. They are urging widespread use of preventative medication to stop the spread of the disease. The medication is used daily in the dog's diet plan.

Heartworm Disease is caused by an eight-12 inch worm that actually lives in the chambers and vessels of the dog's heart. It is transmitted from dog to dog by the bite of a mosquito — thus even the house-bound pet is likely to be exposed. The cycle of development between exposure and the onset of symptoms may take six to nine months.

In the earliest stages, the affected dog does not show many signs of illness, but as the disease progresses, signs of heart failure, (deep cough, labored breathing, progressive weakness), become apparent.

Often these symptoms are not noticed by the dog owner until the stage when successful treatment is difficult to achieve.

Diagnosis of the disease is through a blood test performed by a veterinarian. The test is the only way to detect the disease in its early stages. If the test is positive, a complicated and costly program to destroy the heartworm must begin.

The drugs used by the veterinarian to treat the infection are toxic to the dog as well as to the parasites — thus must be used with great caution.

Preventing the disease is far superior to treatment. Medication is available which, when given daily, is effective in preventing the disease. "Keeping the dog away from mosquitoes is almost impossible in Michigan," says one veterinarian.

"Remember, if even one dog in a neighborhood contracts Heartworm, the odds are very great that many of the others will also become infected."

"Advise your neighbors to have their dogs tested for Heartworm Disease at least once yearly, and religiously use the preventative medication that a veterinarian recommends."

Donkey Game Set at North

The eighth annual Donkey Basketball game sponsored by the foreign exchange program at South and North High School will be held Friday, April 14, in North's gym, 707 Vernier road, at 8 p.m.

Featuring riders from the exchange clubs at each school, this event requires that all shots to the basket be made while riding live donkeys.

Cheerleaders and a half-time show will be presented with Vic Caputo of Channel 2 doing the announcing.

Proceeds from the game will be used to help support the exchange programs at the high schools. Tickets may be purchased at the door for \$1.25.

Nature Group Meets April 20

The Grosse Pointe Audubon Society will hold its spring meeting on Thursday, April 20, in Grosse Pointe Memorial Church, 16 Lakeshore road, at 8 p.m.

Dr. Joseph R. Rossillon will discuss fresh water supplies, in jeopardy all over the world. Dr. Rossillon, of Minneapolis, Minn., is executive director of the Fresh Water Biological Research Foundation of Navarre, Minn.

The Audubon group also will present a representative of the Saint John's Marsh campaign. Plans for spring bird walks, which will begin Tuesday, May 2, at 6:30 a.m., will be discussed.

Visitors are welcome.

Sail Club Sets Racing Dates

Pointe sailors have until Monday, May 15, to register and pay the \$8 fee to compete in the Lake Shore Sail Club's Spring Sunset Series of Wednesday night races.

The races will be held on May 17, 24 and 31 and on June 7 and 14. The starting gun goes off at approximately 6:55 p.m. and the race begins on Lake St. Clair just off 10 Mile road.

James G. Blashilling of The Woods is coordinating the series and requests that all entrance fee checks be made out to the Lake Shore Sail Club and be sent to Pete Petersen, 29132 Ohmar drive, Warren, Mich. 48092.

Mr. Petersen may be contacted at 751-1534 for further information on registration and entry forms.

Shores Officer Nabs Motorist

Richard Albert Gronan, 31, of Beaconsfield, Detroit, is scheduled to appear in the Shores Municipal Court on Wednesday, May 10, on a charge of driving while under the influence of liquor.

He was arrested and charged after being stopped for excessive speeding on Lakeshore road Saturday, April 8.

The mosquito is now a dog's greatest enemy because it carries dread Canine Heartworm Disease, a potentially fatal illness that threatens the entire dog population of Michigan, report the heartworm specialists of the Southeastern Michigan Veterinary Medical Ass'n. in a news release.

Once thought to be confined to warm, humid areas of the U.S., the disease has extended into northern climes so rapidly that today it is reaching near-epidemic proportions in Michigan and its environs.

The southeastern Michigan veterinarians — and others in the state — are attempting to reach all dog owners to warn them of this mortal danger to their pets. They are urging widespread use of preventative medication to stop the spread of the disease. The medication is used daily in the dog's diet plan.

Heartworm Disease is caused by an eight-12 inch worm that actually lives in the chambers and vessels of the dog's heart. It is transmitted from dog to dog by the bite of a mosquito — thus even the house-bound pet is likely to be exposed. The cycle of development between exposure and the onset of symptoms may take six to nine months.

In the earliest stages, the affected dog does not show many signs of illness, but as the disease progresses, signs of heart failure, (deep cough, labored breathing, progressive weakness), become apparent.

Often these symptoms are not noticed by the dog owner until the stage when successful treatment is difficult to achieve.

Diagnosis of the disease is through a blood test performed by a veterinarian. The test is the only way to detect the disease in its early stages. If the test is positive, a complicated and costly program to destroy the heartworm must begin.

The drugs used by the veterinarian to treat the infection are toxic to the dog as well as to the parasites — thus must be used with great caution.

Preventing the disease is far superior to treatment. Medication is available which, when given daily, is effective in preventing the disease. "Keeping the dog away from mosquitoes is almost impossible in Michigan," says one veterinarian.

LINC Seeks Spring Cleaning Discards

When Operation LINC sponsors its fifth annual City Fair on the Kern Block in downtown Detroit Wednesday, June 7, from 9:30 to 3 o'clock, and Thursday, June 8, from 9:30 to 2, a main attraction, as always, will be an old-fashioned rummage sale featuring rock bottom-priced household goods, clothing for all ages, books, records and toys. LINC City Fair workers including, (left to right), MRS. JAMES GOSS, treasurer, MRS.

Besides rummage, the City Fair will feature plants and fruit, entertainment and live music and surprise special events each day.

The purpose of the fair is twofold: to provide a festive time, (with good bargains), for all Detroit area residents who visit the Kern Block, and to help raise a portion of LINC's operating expenses.

Operation LINC, (Linking Individuals to Needs in the Community), founded and

sponsored by the Junior League of Detroit, expects to become independent in June and will strive to continue to help agencies and grass roots organizations in Wayne County by securing such items as office furniture, toys, household furnishings and appliances for their use.

Operation LINC's new address is 14920 Hampton, Detroit 48215.

City Fair workers and supporters include community volunteers, members of LINC

and Junior League volunteers. Running the operation are Mrs. Langs and Mrs. Charles R. Kinnaird, co-chairmen.

Mrs. Morris Burrows is in charge of acquisitions. Mrs. Raoul Palffy is Mrs. Albright's marking and packing co-chairman. Mrs. Mario Benvenuto and Mrs. William L. Monro are responsible for fair volunteers. Mrs. Kenneth Alexander, assisted by Mrs. E. John Gruber, is in charge of public relations.

A Night to Remember
Noel and Carolyn Mermer, of Briarcliff drive, donated a chance to crew on a sailboat.

The John Youngs donated an elegant dinner for six, in their Park home, which was fiercely bid on by several people.

Lucy Prost and Ann Rousek offered special desserts. Judy Mozer volunteered piano lessons, Priscilla Pettengill, tutoring.

Lee von Berg donated wall hangings from Ecuador, (one stops on the mainland before heading off to the Galapagos Islands), and Maralyn Domzalski donated some of her delicious candy.

In all, the auction portion of the party put on by new members of the Junior Women's Association for the Detroit Symphony Orchestra raised about \$2,200 for the symphony. To put a "dollar value" on the fun it raised . . . well, how about starting the bids at \$1 million?

The party was held in Southfield, at the home of Ara, (the opera singer), and Ginny Berberian.

Theme was Mid-Eastern, complete with a belly dancer who entranced the husbands of the Juniors by wrapping her veils around their heads.

There were bouzouki musicians, a palm reader and an absolute feast of stuffed grape leaves, spinach pie, baklava—capping a cornucopia of fabulous hors d'oeuvres.

Pointers on the committee that planned it all were Betty Brennan, Jane Buhl, Tina Pappas, Debby Tischler and Lori Colletti.

Among the 150 guests who parked at the Tel-Twelve Mall and were shuffled off to the Berberians were a passel of Pointers including the David Lindners, the Herman Mozers, the Patrick McKeever, Dr. and Mrs. Henry Domzalski, the John Youngs and the Robert Pettengills.

A Luncheon for Nelly

A fashion luncheon for Nelly Custer, who has taught so many of The Pointe's "big girls" how to sew a fine seam, will be given by her adult education sewing classes a week from tomorrow, Friday, April 21, at the Grosse Pointe War Memorial.

The party begins at 11:30 o'clock. Nelly's pupils will model clothes made in their respective classes. Tickets at \$5.75 per person may be obtained by calling Bea Bailey, 886-3757.

A Message from Carolyn

Carolyn and Russell Lucas have had a lovely winter at Florida's Ocean Reef Club, and will be coming home soon to Shadow Lawn in East Jefferson avenue . . . exactly when depends on "the hot weather here and the cold weather in Michigan," Carolyn writes.

And that's not all Carolyn writes. Enclosed in her personal note is another of her charming poems, with her permission to share it with NEWS readers:

BLUE PRINT FOR SURVIVAL
Work hard at things that you can do,
Forget the things you can't;
Take time to think your problems through:
Don't weep and rage and rant.

You might upset the applectart,
Or if that phrase seems trite:
Just have a heart—and do your part—
Hang loose in a world up-tight.
