of the  
**WEEK**  
As Compiled by the  
Grosse Pointe News

**Thursday, August 3**  
SIX NEW YORK firemen were killed when the roof of a burning supermarket in Brooklyn collapsed, plunging them into the fire. At least 27 firemen and one policeman were injured while fighting the blaze, the worst single fire disaster to hit the New York Fire Department in more than 10 years. The six dead firefighters were attempting to cut holes in the roof when it gave in. Officials speculated that recent renovation work on the building may have weakened the structure. Cause of the fire was unknown, but fire officials said it was not deliberately set.

**Friday, August 4**  
A THREE-DAY wildcat strike by Detroit garbage workers and bus mechanics apparently came to an end when workers began reporting back for their regular shifts. Seventy percent of the city's bus service was expected to be restored by this morning. Most sanitation workers also were expected to return after they started reporting to work before midnight. The return to work followed talks between city officials and unions representing the workers, during which Mayor Coleman Young promised that no disciplinary action would be taken against the workers.

**Saturday, August 5**  
UNEMPLOYMENT IN Michigan rose to 7.3 percent in July, more than a full percentage point above the national average. Although President Jimmy Carter insists the economy isn't getting worse, the national unemployment rate rose from 5.7 to 6.2 percent last month. The Labor Department blamed half the increase on teenagers looking for summer jobs. It is estimated there are now about 6.2 million unemployed. In Michigan, model changeover in the auto plants and new statistical methods also were blamed for the rise.

**Sunday, August 6**  
A BUS CARRYING handicapped people plunged into a lake southeast of Montreal, Quebec, drowning 41 of the 48 aboard. The bus was returning from a theater excursion when its brakes apparently failed on a curve in the road around Lac d'Arge. The vehicle failed to negotiate a sharp turn and flew off the road at about 50 mph. Only the driver and six volunteers managed to escape. The accident was the worst bus disaster in Canadian history.

**Monday, August 7**  
POPE PAUL VI, who had reigned for 15 years as head of the Roman Catholic Church, died after suffering a heart attack at the age of 80. He was the 262nd Pope. It has been less than a week since the Pope had last spoken of the imminence of his death. Paul had headed the church during a period of challenge to papal authority, brought about mainly by his firm stands against birth control and his insistence on priestly celibacy. He was the most travelled Pope and the only Pontiff ever to visit the U.S.

**Football Begins At North High**  
Football practice begins at North High School on Monday, August 14. Varsity and junior varsity candidates should report to the gym at 8 a.m. Freshman prospects are to report at 9 a.m. If you are interested in trying out for one of the teams, and you have not been contacted by Coach Jim Krucki, call him at the school, (886-8100), for further information.

### Trio Help Move Vial of Life Plan Forward

Wayne County Commissioner ERVIN A. STEINER JR., (right), seeks suggestions from Woods Det. Lt. JACK PATTERSON, (left), and Shores Public Safety Director JOSEPH VITALE on the county-wide application of the Vial of Life program. The success of The Pointe program helped encourage Vial of Life Task Force members to set a target date of October 7 for distribu-

### Pharmacy In Woods Hit Again

Estimated, Combined Street Value of Drugs Taken in Two Incidents Placed at Between \$40,000 to \$43,000

For the second time in just over a month, thieves entered the Grosse Pointe Pharmacy, 1975 Mack avenue, through the roof and took an assorted amount of drugs, according to a report received by Woods police Thursday morning, August 3.

The first incident was reported to police on July 1 and at that time the culprits took a variety of drugs including valium, carbital, phenobarbital and darvon compound with a wholesale value of around \$946. Fifty-four types of schedule two drugs, (more dangerous), were missing, along with approximately 10 types of schedule three, four and five drugs.

**Other Items Taken**  
However, police placed a conservative street value, based on supply and demand, of around \$10,000 on the drugs while admitting it would probably be much higher. Robert Hill of GP Pharmacy said it would be closer to \$25,000. Besides drugs, the thieves

### Wayne County Sets Goal Of October 7 to Pass Out Vial of Life Kits

Pointe Program Plays Role in Effort to Distribute Containers to Some 800,000 Households; Woods Lt. Patterson, Shores Public Safety Director Vitale on Task Force

"Vial of Life" will become a household word throughout the county on October 7, according to a task mapped by the Wayne County Vial of Life Task Force. The group, consisting of citizens, representatives of municipalities, including two Pointe public safety officers, and the county government, has set that date for door-to-door distribution of Vial of Life kits, reports a board of commissioners news release.

The plan calls for recruitment of thousands of volunteers to distribute Vials of Life to some 800,000 households.

The Vial of Life program, which bloomed in The Pointe last November, involves keeping medical information forms for each family member in a marked vial, (small plastic pill bottle), in the refrigerator. Vial of Life stickers are placed on the refrigerator door and the household's front door to alert personnel responding to a medical emergency.

**Enthusiastic Response**  
Families also are encouraged to carry the medical information forms in the glove compartment of the family car and on their persons. The goal of county-wide distribution was adopted at the first meeting of the task force, attended by some 25 representatives of municipalities, public agencies and in-

terested citizen groups Wednesday, August 2, at the City-County Building.

"The response at the Task Force meeting was so enthusiastic that the members wanted to set a firm date immediately so that the nation's largest Vial of Life distribution can be completed before the inclement weather of fall and winter sets in," explained County Commissioner Erv Steiner, task force chairman.

"We are going to hold our next meeting at 9 a.m. Tuesday, August 22, in the City-County Building. All interested municipalities and citizen groups — from schools and scout troops to service groups and senior citizens — are urged to attend."

### Officials Pursue Murder Warrant in Park Blaze

By Susan McDonald  
State fire officials said last week they are continuing their pursuit of a first degree murder warrant for a 15-year-old Pointe youth in connection with the alleged arson of the Charles Helin mansion in Windmill Pointe drive.  
City Firefighter Richard Tucker died of injuries he suffered while fighting the blaze on March 18.  
The fire completely destroyed the four-story, 26-room mansion and millions of dollars worth of antiques, rare butterfly collections and photographs.  
Sgt. Raymond Brotebeck of the State Fire Marshal Investigation Division said Wayne County prosecutors

### GPW Still Eyes Grant Projects

Council Ponders Survey to Determine 'Low to Moderate' Income Levels in Community Toward Obtaining Funds

By Roger A. Waha  
While The Woods' original application for Community Development Block Grant funds failed to materialize, the city, which hasn't been disqualified from the grant program, is currently considering a proposed survey toward pinpointing "low to moderate" income families in the community, which is a main criteria for receiving monies.

A proposed contract between the city and Wayne County toward such a survey was unanimously tabled by the council at its regular meeting Monday, August 7, pending the receipt of more specific information on the project.

City Administrator Chester E. Petersen said this matter is scheduled to be considered by the council at its Monday, August 21, meeting.

**Makes Offer**  
"The city is still eligible for funds if it can demonstrate that the beneficiaries of the project are predominantly 'low to moderate' income families," he said in a memo to the council.

After a tour of potential project areas with James Curran of the Wayne County Office of Program Development, Mr. Petersen said Mr. Curran offered to commit block grant funds to conduct a demographic survey of the northwest corner of the city toward determining the number of "low to moderate" income families.

"He further agreed to allow the survey to include questions concerning the usefulness of shopping facilities at the Seven Mile/Mack shopping center," said Mr. Petersen.

The area viewed in the survey is bounded by Vernier road to the south, Mack avenue to the east, St. Clair Shores to the north and Harper Woods to the west. This area contains around 521 households.

### GP School Head Candidate for Post in Memphis

Dr. William Coats One of Six Under Consideration by Tennessee Officials for Superintendent Position; Job Interview Set for August 16

By Susan McDonald  
Grosse Pointe Superintendent of Schools Dr. William Coats is one of six candidates being considered for the post of superintendent of schools in Memphis, Tenn., according to officials there.

Dr. Coats is scheduled to attend a press conference and public interview for the job on Wednesday, August 16. A decision by the Memphis Board of Education is expected by Friday, September 1.

The Memphis district is at least 10 times larger than Grosse Pointe, with an annual budget of about \$140 million, 120,000 students and about 10,000 teachers, according to Director of Public Information in Memphis, Rod Spaulding.

**Approached on Job**  
Dr. Coats has been with Pointe schools for about two years. This spring he was granted a five-year extension to his contract by a 5-2 vote of the Board of Education.

Dr. Coats said he viewed the contract extension as a "demonstration of support" on the part of the Board and added he has not yet signed the document.

The superintendent said he was approached about the job by the Memphis School Board and plans to visit the city next week for an "exploratory discussion."

"There's really no more to it than that. At the present time, I plan on remaining in Grosse Pointe," he said.

If Dr. Coats accepts the job in Memphis, the local Board of Education will embark on the long, time-consuming process of selecting a new superintendent for the second time in the last three years.

**Somewhat Surprised**  
An interim superintendent will probably be selected from the ranks of assistant superintendents, including Dr. Joseph Spagnoli, who is in charge of instruction, and former South High Principal Dr. James Hoeh, in charge of administration.

Dr. Coats replaced Dr. James Adams, who resigned from Pointe schools in 1976 after two years with the system to accept the superintendency of Winston-Salem, N.C.

### No More Eats

A story in the August 3 edition of the NEWS, "Woods Planners Okay Colonial Federal Bid," said that the Mack avenue property involved was currently being used as a Jack-in-The-Box Restaurant.

While remnants of the restaurant's interior layout remained last week, the building is no longer an eatery.

Mr. Andrews explained that any estimate of the

### Groups Hit Proposal on Soliciting

Woods Council Committee Formed to Obtain Input from Citizens, Organizations Toward Resolving Concerns

By Roger A. Waha  
A proposed ordinance regulating solicitations in the community ran into some expected opposition at the Woods Council's regular meeting Monday, August 7, and, as a result, the measure was unanimously referred to a committee of two councilmen and City Attorney George Catlin for further review.

Mayor Benjamin W. Pinkos said Councilmen E. D. Grady and John Sabol will represent the council on the committee, which is scheduled to meet with interested citizens and organization representatives toward resolving concerns over the proposal.

A report will then be presented to the entire council, with the session being scheduled for sometime this month.

**Main Concern**  
The proposal is an outgrowth of the council's concern over the number of solicitation requests from various organizations on an annual basis, (often numbering between 20 and 25), and some citizen complaints of being bothered all the time by solicitors.

However, since the measure was approved at its first reading stage on July 10, officials have been contacted by numerous organization representatives who have felt the proposal was too restrictive and would stifle their fund raising activities in the city.

Noting that the Planning Commission has worked diligently reviewing and discussing his recommendations over the past year, Mr. Rogers suggested each councilman read the land use plan and then meet with the Planning Commission to further explore the document. Such a session is scheduled for Wednesday, September 20.

**Offers Assistance**  
At the same time, he indicated all elements of his reports as cited in his contract with the city have been completed. He also offered to assist in future site plan review and architectural review, while lending his support toward a fee ordinance to underwrite the cost of the review of plans without using tax dollars.

Mr. Rogers added of some 14 work items referred to him by the council, six have been forwarded to the solons for their consideration with three already being adopted by the council, e.g., roof signs in residential districts, political signs and an ordinance governing vacant dwellings.

The council, which has expressed some concern over the status of certain items referred to Mr. Rogers, appeared satisfied with his report.

### Vandals Hit GP Baptist

Four damaged windows and other instances of vandalism at the Grosse Pointe Baptist Church, 21336 Mack avenue, were reported to Woods police Friday morning, August 4.

Police learned the destruction occurred sometime between 4 p.m. on Thursday, August 3, and 8 a.m. on the 4th.

Three 18" by 16" windows suffered damage with one broken by a stone and another by a pellet with costs placed at between \$25 to \$30 in each case. A 32" by 40" window also was discovered cracked from top to bottom, with damage estimated at between \$50 to \$60.

Police said a conduit pipe was torn from its retaining bracket, while sprinkler system piping was removed from an excavation site.

Arthur Sonnenberg, the chief custodian, told Officer John Harwood that the damage isn't insured. Meanwhile, special attention was requested for the church.

### GP Beaches to Remain Closed at Present Time

By David Kramer  
The beaches at the Farms Pier Park and Crescent Sail Yacht Club remain closed following the continued pumping of raw sewage into the Clinton River in Macomb County.

According to Mike Andrews, assistant director of environmental health for Wayne County, bacteriological samplings of the waters at the beaches remain too high for safe swimming.

Moreover, while he said it was too early to guess how long they would be closed, he noted it was likely that Macomb County beaches would remain closed for the remainder of the summer season.

Mr. Andrews explained that any estimate of the

length of the Wayne County closings would have to be made after the pumping of the sewage is stopped.

He added that he suspects that water would be more contaminated out "in the mainstream" of the lake, rather than on the beaches, where the health department has done its testing.

Tom Doyle, a fisheries biologist with the Michigan Department of Natural Resources, (DNR), said that anglers in the lake should not be greatly affected by the pollution.

(Continued from Page 1) of the proposed ordinance," he stated.

"My estimate would be that the club would lose approximately \$1,500 in funds if this course were pursued."

### Would Be Hurt

He continued by saying that his club, like others in the community, raises funds within the city and distributes such monies back into the community, with the proposal being injurious to Woods citizens.

Mr. Frederick then suggested that the proposal be amended to exclude those service clubs and charitable organizations which are located within The Pointe from the one time, 10-day, solicitation period.

However, Brian DeFouard, means vice-president, Grosse Pointe Jaycees, said the Frederick proposal wasn't palatable, while reiterating the Jaycees' unanimous opposition to the law's passage.

"As a resident and as a businessman, I feel it's a bad ordinance for the community on a year-round basis and it would be hurt. The same is true for outside organizations like the Northeast Guidance Center."

Other comments addressed to the council were given in content. John Easton of the Grosse Pointe Woods Lions Club, for instance, said the proposal wasn't fair and that the club doesn't want to be stymied in its efforts to help the community.

### Could Survive

"I realize the council receives many requests. We are concerned that it's action on such requests doesn't hinder those who do good in the community," he stressed. Meanwhile, another citizen urged the council "to be

charitable to our charities," while Mary Lou Grieve, first vice - president, Assistance League to the Northeast Guidance Center, stated the measure would hurt the group in its fund raising effort, including the "Guidance Gazette" supplement to the NEWS which is paid for via solicitations.

Pending further input and developments, one section of the measure, "solicitations not permitted," could survive in some form. It says no person shall conduct a solicitation at a residence or other building within the city which contains a sign in public view reading, "No Solicitors."

Prior to the proposal, Mr. Catlin had earlier said that the city had handled solicitation requests, i.e., such bids would have to come before the council.

## Memphis Post

(Continued from Page 1) N.C. schools. Dr. Adams is currently being considered for the top job in Dallas, Tex., schools.

Pointe School Board members said they had been informed of Dr. Coats' contact with Memphis schools a few weeks ago. Trustee Joan Hanpeter said she was somewhat surprised by the announcement.

"We thought when we hired him he'd stay a while, but we realize that a man of his age, (39), and ambitions is going to be approached by other districts," Mrs. Hanpeter said.

Dr. Coats has been an active and controversial superintendent during his two years in Grosse Pointe, implementing a variety of staff evaluation and accountability programs.

### Likes Challenge

Memphis schools have problems "similar to those in most big-city school systems," according to Mr. Spaulding.

Enrollment has declined by about 40,000 students since a court-ordered busing plan was implemented six years ago, Mr. Spaulding added.

Dr. Coats said, "Someday I'd like the challenge of being superintendent in a major urban area, but I'm in no particular hurry."

"We have a number of important goals which we want to continue to work on in Grosse Pointe," he added.

Dr. Coats listed his current salary and fringe benefits as \$61,000 a year, in information he supplied Memphis schools. The minimum salary offered Memphis superintendents is \$40,000, Mr. Spaulding said.

## Gallagher HS Gets New Head

Brother Richard Benton-House, principal at Bishop Gallagher High School for the last six years, will leave the school in September to take an administrative position at Lewis University.

Brother James Gaffney of the Central States Province of the Christian Brothers in Chicago announced that Brother Richard will join the central administrative staff at the university located in Lockport, Ill.

Brother Glenn Neiner will assume the job of principal at Bishop Gallagher in September. Brother Glenn has recently completed his doctorate in secondary school administration at the University of Wisconsin.

He is familiar with Gallagher, having taught there for six years and also serving short terms as an administrative assistant and academic vice-principal.

### DEVELOP GRADUALLY

Most hearing losses develop gradually and the victims frequently are not aware of their problem until the loss has become acute. According to the Beltone Crusade for Hearing Conservation. This unawareness can even continue until the individual can no longer function adequately on the job or encounters problems in social situations, officials add.

## Beaches to Remain Closed

(Continued from Page 1)

Explaining that as the sewage gets out into the lake, there is a large dirt go fishing right off the mouth of the Clinton River. But I wouldn't have any qualms about fishing out in the lake. "If a fisherman caught a fish, handled it and then put his hands into his mouth, he could conceivably catch something," he continued, while adding that fish should be perfectly safe to eat if they are adequately cooked.

The DNR's toxic analysis of the waters of the Clinton River showed there were some plating wastes containing some heavy metals such as chromium and zinc, he said. These metals could be dangerous to humans if they were found in much greater amounts than they have been so far.

If the tests should turn up what Mr. Doyle calls "hot chemicals" such as PBB, (polybrominated biphenyls), the DNR would then issue warnings to fishermen, he said.

Boaters should take precautions against any possibility of contaminated water getting in their mouths, and

if contact is made with the water, it should be washed off immediately, as the untreated sewage contains organisms which could cause diseases.

"There is certainly less of a problem if you're boating than if you're swimming," Mr. Andrews said.

Farms City Manager Andrew Bremer told the council at its Monday, August 7, meeting that the water supply to the city's water purification plant has been unaffected by the pollution problem.

While most of the problem with the water is contained on the surface of the lake, the crib containing the water intake is well below the surface, he said. Further, he stated that tests taken at the intake have shown no appreciable increase in bacteriological contamination since the sewer break.

Mayor James Dingeman said he has had a number of inquiries from residents concerning the safety of the city's water supply.

Some people carry three kinds of trouble — all they have had, all they have now and all they ever expect to have.

**Police Arrest Suspicious Men**

The actions of a watchful Woods police officer who spotted two men acting suspiciously near the Speedway gas station, 19727 Mack avenue, paid off as the pair were ultimately arrested after one man threw a rock through the front door window of the business early Tuesday morning, August 1.

After the window shattered, officers who had been notified by Cpl. Thomas Kerving, converged on the scene and arrested the suspects.

Det. Thomas Podeszwik said, after the case was reviewed by City Attorney George Callin, there wasn't sufficient evidence or necessary elements present to proceed with attempt breaking and entering charges.

As a result, Larry Bruce Scott, 26, of Auderdon, Detroit, was charged with destruction of property under city ordinance, while Clyde Bertram Reese, 27, of Little road, Mount Clemens, the passenger in the car, was charged with possession of marijuana.

The pair were arraigned on the charges that same day before Municipal Judge J. Patrick Denis and both entered not guilty pleas.

Their trial date has been scheduled for Wednesday, August 16, with \$2,500 personal bond being set for each.

While Reese is charged with possession of marijuana, the confiscated substance was sent to the Michigan State Police Crime Lab for analysis last week, said Det. Podeszwik. So at this point in time it remains suspected marijuana.

In his report, Cpl. Kerving said he observed both suspects acting suspicious, i.e., driving in the area of the station on two occasions, with the passenger exiting the first time and walking in the alley toward Allard.

The second time the car was spotted by the corporal, the passenger was back inside. The car ultimately stopped at the rear of the station. He then saw one of the suspects near the front door. This man also was spotted by Officer Patrick DeVine stationed at Mack and Cook.

The man walked to the rear of the station and returned to the southeast corner after a few minutes. He then walked to the front door and threw a rock through the window and ran to the vehicle parked at the rear of the alley, police said.

At this point, the pair were arrested and the service station manager contacted.

Other officers providing assistance included Arthur Gekiere, Carl Schuster and Lt. Peter Thomas.

**Facing Charge Of Bad Driving**

Two youths have been charged with reckless driving stemming from an accident which occurred early Sunday morning, July 23, on Lochmoor boulevard near Holiday road, reported Woods police.

Charged in the mishap were David Richard Barnett, 18, of Saddle lane, the driver of a vehicle which struck a curb, flipped over twice and struck a tree, and Jon Chevalier, 19, of Grand Blanc.

Both are scheduled to appear in the Woods Municipal Court on Wednesday, August 16.

In the incident, the passenger in the Barnett car, Mark John Mueller, 18, of Lochmoor, was thrown from the vehicle and received multiple, fractures and lacerations, plus internal injuries, according to a report from Saint John Hospital.

The youth was reported in fair condition at Saint John, on Monday, August 7.

Police said the accident occurred around 12:48 a.m. with the car driven by Barnett going at a high rate of speed along Lochmoor. The driver failed to stop for a stop sign at Holiday and also failed to negotiate the bend in the road, hitting the curb.

The car, police continued, then went into a skid, rolled over two times and came to rest after hitting a tree in front of 1336 Lochmoor.

Police also stated that both Barnett and Chevalier had allegedly been involved in a "cat and mouse" type of game prior to the mishap.

**Arrest of Trio Clears Five Burglary Incidents**

Three Park residents, including two juveniles, are awaiting trial in connection with the breaking and entering of a Lakepointe road home last month in which four station wagon loads of goods were hauled away, according to police.

In addition, Youth Service Division Det. William Desilets said police have cleared up breaking and enterings that occurred at four other locations this summer, including two Kercheval avenue doctor's offices, one home and the Wilson and Wofler Pharmacy in Jefferson avenue, through discussions with the trio.

"Things have slowed down considerably down there since we picked these kids up," Det. Desilets said.

Waiting trial on a breaking and entering of a dwelling charge is Stephen Banta, 18, of The Park. The two juveniles, who are currently residing in the Wayne County Youth Home, have had petitions filed on them with Wayne County Juvenile Court. Trial dates have not yet been set. Another juvenile was released to his parents.

Police said the trio was arrested shortly after the July 17 burglary of the William Lisdell home in Lakepointe avenue.

**GPF Defeated In Playoffs**

The Farms Little League all-star team competed in the District Six playoffs held in Hamtramck on Saturday, July 22, and although defeated by Hamtramck, 2-0. The Farms team had several standout performers.

Dave Dysert pitched a strong game, striking out eight, walking only one and giving up just two hits. Bill Crow led the hitting attack with a line drive double, while Richard Suhrheinrich, Jim Huminski and George Kasza played strong defensive games.

Other team members included Jamie Dingeman, Keith Kovalick, Ross Kovanda, Rick Waugaman, P.J. Imesch, Kevin Becker, Richard Jones and Stuart Sergeant.

The team is managed by Bill Adthoch and Blair Parsons.

**A MELODIOUS MEETING**

The first music convention in the United States took place August 16 to 25, 1838, in Boston, Mass. Ninety-six men and 42 women from 10 states, all music teachers, met under the leadership of Col. Asa Barr of New Braintree, Mass. America's early interest in music also is reflected in the Musical Instruments Gallery of Henry Ford Museum, Dearborn.

**Events Director**

Maureen Wright, the daughter of Mr. and Mrs. Joseph P. Wright of Kenwood court, has been named director of events and community relations for Dayton's, Minneapolis, Minn., effective Monday, August 14. She has been with The J. L. Hudson Co., Detroit, since 1967. For the past two years, she has been director of merchandise promotion, with responsibility for the fashion bureau, audio-visual and internal sales promotion. In 1972, she developed the concept for the Hudson's internal sales promotion department, involving fashion training, merchandise information systems and employee motivation. Prior to that, she was a buyer and area sales manager.

• Medical Specialists Advise Cleaner Air

Indoor air pollution can lead to as much breathing difficulty as air pollution outdoors. That's why medical specialists often recommend MICRONAIRE P-500 when patients are sensitive to airborne particles.

MICRONAIRE P-500 removes up to 95% of airborne pollutants: mold spores, bacteria, house dust, and other particles that can irritate breathing passages.

Police said they were told it took four trips in the station wagon to haul all the loot away.

"They fenced just about everything," Det. Desilets said. "We recovered a pistol and a few household items, but the rest is probably long gone."

The robbery was discovered by a member of the family who visited the house to water plants while the family was away. Police said the entire home had been ransacked.

Jim Oberliesen, Community Relations Manager, offers you this telephone tip:

**Teach your children how to use the phone in an emergency!**

Anyone can have an emergency. It can happen at any time. If you already have a list in your phone book or elsewhere near the phone giving the numbers of your doctor, hospital, poison control, police, fire, department and your home address. But, if you have children at home, would they know how to use the phone in an emergency? Make sure they do.

Show them where you keep the emergency numbers and how to call the operator, if necessary. Your babysitter should be told who to call too. Know if 911 can be dialed for fire, medical and police help in your area. Nobody likes to think about emergencies at home. But it's better to give it a little thought now, than be sorry you didn't later. Why not check out the family on your emergency phone call procedure right now?

(Continued from Page 1)  
 took around 30 cartons of cigarettes, 23 Timex watches, approximately 24 lighters and some cash, all reaching a combined total of \$1,096.

In the second incident, drugs listed as missing in the preliminary report included valium, seconal, tuinal, placidyl, dilaudid, dolophine, preludein, demerol, quaalude, dexedrine and dexamyli.

Mr. Hill said the wholesale value of missing drugs was around \$700, making their street value an estimated \$15,000 to \$18,000.

Several rolls of quarters also were taken.

Entry was made in the area of the first break-in, said Det. Thomas Podeszwick, who felt it was a "good possibility" that the thieves were the same as before.

Mr. Hill, who also indicated the thieves seemed to know the store's layout, said the latest incident was "more aggravating than anything else," while feeling those involved were "hopped up."

Expressing a deep concern about the drugs hitting the street, Mr. Hill said his establishment tries to help the public in need of drugs through honest means and cited a further concern over rising costs because of the incidents.

But more than anything, he said, "There's no dollar value on the effect" in drugs may have on people in driving potential street distribution.

In his report, Officer Bruce Marone said two packs of disposable needles had been taken from a shelf on a counter at the rear of the pharmacy. A syringe was removed from one of the packs and apparently used by one of the suspects. It was found on the floor near a drug cabinet.

Entry was made by chopping a hole at the west side of the building, leading to the stock room area. Excess to and from the roof was by climbing up the rear of a nearby building, the officer said.

Police had reported yet another roof top entry last month when thieves entered Pointe Time and Jewel Shop, 19455 Mack. Between \$25 and \$30 in cash was taken.

**Grant Projects Viewed**

(Continued from Page 1)  
 a majority of citizens in the area have "low to moderate" incomes as defined in the program, Mr. Petersen said the city would be able to submit projects such as the following:

- \* A permanent solution to the Brys drive traffic problem.

- \* Segregation of parts of the commercial area from parts of the residential area. Such segregation would improve the traffic problem in the residential area while providing additional parking for the commercial area.

- \* Increased job opportunities for "low to moderate" income persons by stimulating redevelopment of the Seven Mack shopping area.

- \* Ramping of sidewalks at 11 intersections within the project area.

- \* Projects involving capital improvements as may be identified.

- \* Any other eligible activity.

A contract was forwarded to the city wherein the office of program development agreed to reimburse the municipality for the cost of a demographic survey, (determined to be \$2,000). Once the pact is executed and the content of the questionnaire is agreed upon, the survey would commence, with results being available in about one month, said Mr. Petersen.

**Cites Concerns**  
 However, Councilman George S. Freeman felt more information on the proposal should be received, including the content of such a questionnaire, and moved that the matter be tabled.

Mayor Benjamin W. Pinokos said further information regarding the entire survey operation is needed, while expressing a concern over an "outside source" in the community conducting such a project.

Saying he didn't know how the survey would be conducted, Home is the perfect place for generosity—let outsiders look out for themselves.

**Park Blaze**

(Continued from Page 1)  
 Park Police Chief Henry Coonce said local police have come to a dead end with their investigation of the alleged arson and are now waiting action by the State Fire Marshal.

"We've pursued all sources of information and gone as far as we can investigating the youth with juvenile authorities," Chief Coonce said. "As far as we're concerned, it's still an open case."

Breaking and entering charges were filed against one of two local youths questioned by the police in connection with the fire.

Youth Service Division Det. Jack Treppa said a petition has been filed and accepted by Wayne County Juvenile Court authorities, but a hearing date has not yet been set.

The Fire Marshal concluded the cause of the fire was arson after an investigation revealed the fire had originated in more than one location in the house, according to Chief Coonce.

The blaze broke out about 5 p.m. on March 18, and was not brought under control until 3 a.m. the following morning.

Firefighter Tucker was injured when a wall of the mansion crumbled and covered him with debris. He died several hours later at Bon Secours Hospital, leaving a wife and two young children.

### Plead Guilty Of Extortion

Two men accused of attempting to extort \$5,000 from a Farms resident and merchant in May pled guilty to the extortion charge on Tuesday, August 1.

Dennis Charles Prebee and Gilbert John Richard, both of Detroit, await a sentencing date of Monday, August 21, after their plea was accepted by Wayne County Circuit Court Judge James Montante.

Prebee and Richard were arrested on May 19 shortly after the drop of \$5,000 was made at a construction site in St. Clair Shores. Some 31 men from six police departments were involved in the surveillance and apprehension of the pair.

The fellow who indulges in double-dealing soon finds that his case is hopeless.

### To Give Talk on America

Vincent J. Murray of Lakepointe avenue has been invited to address two organizations in Colorado Springs, Colo.

These include a Kiwanis Club Luncheon on Wednesday, August 9, and the 16th Armored Division Banquet on Saturday, August 12. Both requested his speech, "What Is The Soul of America?", as the featured item.

Initially given to the School of Government, Inc., in February at the Detroit Athletic Club, the speech is soon to be published in the "St. Croix Review."

Congressman Elford Cederberg commended it to his colleagues in the House of Representatives as "very timely words of wisdom in these days when we really need a revitalization of the American Spirit," and it was unanimously approved for publication in the Congressional Record in April.

The address has also been placed in nomination by the Freedom Foundation, Valley Forge, Pa., for its awards selection for 1978.

The 16th Armored Division Ass'n., is holding its 27th reunion. Its membership includes World War II veterans from 49 states and several countries. Mr. Murray served five years in Tank forces in World War II including campaigns in France, Germany, Austria and Czechoslovakia.

Mr. Murray is employed in the Planning Division of Chrysler Corporation since 1951. He received the Cardinal Hayes Memorial Award for literary achievement, and has authored many published writings.

Mr. Murray also has held offices in the Veterans of Foreign Wars and is director of the Michigan Civil War Round Table.

### Weather Gear Reported Gone

Someone removed around \$365 in articles from a 27-foot fiberglass boat at the Grosse Pointe Yacht Club, according to a report received by Shores police on Monday, July 31.

Neal W. Bauer of Merriweather road told Cpl. Chester Painter that the items, mostly foul weather gear, were taken by someone who removed screws from the cockpit hatch.

This discovery was made July 4 but the theft could have occurred during the first or second week of June, the corporal said, while adding Mr. Bauer was out of town and unable to contact police until the 31st.

**Boost Detroit Program Given at Center**

"My Detroit—Welcome to It," the new musical revue designed to promote metropolitan Detroit, made its first appearance in Grosse Pointe before the Senior Men's Club luncheon at the War Memorial on Tuesday, August 8. Sponsored by National

Bank of Detroit, the live 30-minute musical of original song and dance featured "The Young Detroiters," a troupe of performers under contract for one year to serve as ambassadors for Detroit. The program is sponsored by the Greater Detroit Chamber of Commerce.

The musical revue was conceived as a complement to the Detroit Communications Steering Committee program which has made progress in improving the city's national image during the past few years.

"But, now it's time to build a fire under the residents of our own community," said Chuck Muer, vice-chairman of the chamber's communications division. He also headed an ad hoc committee charged with finding a creative way to "sell Detroit to Detroiters."

Bev Beltaire, also a member of the ad hoc committee, came up with the idea of an original musical show. "The purpose," she said, "is to promote a greater sense of enthusiasm and excitement among Detroiters about the future of our city based on the great progress we have made recently.

"This program will also be

effective, we think, in spreading good will between Detroit and its suburbs and, hopefully, the rest of the state."

Buzz Luttrell, who's also on the committee, says, "The mini-musical was produced as a self-contained entertainment package suitable for many purposes including conventions, annual meetings, fairs and carnivals, and civic and community events."

Local companies donated over \$40,000 to subsidize the costs of putting the show together, and their contributions will aid in sustaining the group for the next year.

"My Detroit—Welcome to It" premiered at the Greater Detroit Chamber of Commerce's 75th anniversary dinner on June 22.

The group can be seen this month at the Oakland Mall, the Livonia Mall, the Somerset Mall, at a Tiger Baseball Game, the Michigan State Fair and various other locations.

For further information on performance dates and times as well as all information concerning booking the group and their cost, call Marcia Nash Arter, the Greater Detroit Chamber of Commerce, at 964-4000.

**Single Parents Slate Meeting**

The Grosse Pointe Chapter of Parents Without Partners, (PWP), has scheduled its next general meeting at the War Memorial, 32 Lakeshore road, on Friday, August 11.

Coffee and conversation begin at 7:30 p.m. and the meeting and program start at 8:30.

Mary Brush, discussion group director, will talk about her visit to the July PWP International convention in San Francisco, Cal.

An auction of member talents, specialties and services will follow her talk.

Bids will be taken for window washing, house and car repairs, home cooked meals, baked goods, baby-sitting, light landscaping or whatever else may be offered.

An afterglow will follow the auction for services.

The War Memorial will be closed on Friday, August 25, the date of the next scheduled PWP meeting so a meetingless afterglow is planned. It will be held at the Knights of Columbus Hall, Little Mack and 10 Mile road at 9 p.m.

Meanwhile, the family activity committee is planning a picnic at Baldock Park on Wednesday, August 16, at 6 p.m.

For information regarding all Grosse Pointe PWP activities, call 881-5892.

**Vial of Life Program**

(Continued from Page 1)

lished by the county board of commissioners recently after county health director, Dr. Perry Stearns, and the Detroit-Wayne County Emergency Medical Services Council strongly endorsed the program and urged participation by every household.

Officials also noted the organization of The Pointe's program, sponsored by the Grosse Pointe Rotary Club, along with others helped spark the county-wide plan.

"Dr. Stearns and the EMS Council emphasize the importance of the Vial of Life program for everyone, not just the old and ill," Mr. Steiner said.

Cost of the county-wide program, based on a total of 1,000,000 vials and related printed materials, was estimated at \$90,000 by County Purchasing Director Patrick J. Gibbons, with each "kit" costing about nine cents.

Mr. Steiner appointed Mr. Gibbons as organizing chairperson for the task force "development committee" which will solicit donations of vials and related materials from businesses, organizations and individuals.

**Main Focus**  
 "We intend to implement this program without using any public tax funds," noted Mr. Steiner.

The task force set concentrations of senior citizens, such as apartment buildings,

and persons with breathing problems, as recommended by the American Lung Ass'n. of Southeastern Michigan, plus persons prone to unconsciousness, as top priority.

Onas Rowe, Garden City fire chief, and Kenneth Warfield, City of Wayne fire chief, were appointed to prepare materials regarding other "personal safety" programs which can be distributed with the Vial of Life materials.

Woods Det. Lt. Jack Patterson, who played a major role in organizing The Pointe's program and Shores Public Safety Director Joseph Vitale both agreed to serve on the task force to share their experience in applying the Vial of Life program in the Pointes.

"I'm happy the county picked it up," said Lt. Patterson. "I'm proud to be a part of it."

At this point, the lieutenant indicated he and Director Vitale will assist a committee in obtaining funding for the purchase of the vials, hence exploring all avenues.

**Passes Vials Out**

For his part, Director Vitale said he also was happy to be a part of the county-wide effort, emphasizing the door-to-door approach. "If we see anything, (e.g., a program), that's worthwhile, we should implement it," he added, in relation to keeping abreast of what other cities are doing.

Park Fire Chief Phillip Costa also said he and his men handed out about 150 Vials of Life on Wednesday, August 2, at Saint Clare de Montefalco's senior citizens meeting. He left 250 more with the church for distribution later.

Information on the Vial of Life program is available by phoning the Wayne County Department of Health at 729-2211, extension 200, or, (toll free from Detroit zone), 274-2800, extension 200, or the Detroit-Wayne County Emergency Medical Services Council at 224-0860.

Vial of Life programs have been inaugurated in seven suburban areas—The Pointe, Harper Woods, Northville, Northville Township, Wyandotte, Redford and Trenton—in addition to the fifth representative district.

There are 857,000 households in Wayne County. Successful programs have involved broad "grass roots" participation, ranging from municipal administrations and service clubs to scouts, schools, churches and senior citizens, (who assembled kits).

**Biker Escapes; Leaves Vehicle**

Farms police are still trying to find out who belongs to the motorcycle that was abandoned after a high speed chase Friday evening, August 4.

The motorcycle was left in the alley which intersects Kercheval avenue alongside the South High School field, after the rider fled on foot after losing control of the machine and "wiping out."

A Farms officer was slightly injured in the incident when his head hit the roof of the scout car he was riding in. He was taken to Cottage Hospital, treated and released.

According to police reports, officers spotted the motorcycle travelling west on Grosse Pointe boulevard at a speed of about 60 mph. The officers pursued the vehicle, following it down Fisher road to Charlevoix, where it turned to McMillan and went south.

Police said the biker ran two stop signs, going through the intersections at 40 to 50 mph. The rider then lost control of his vehicle at McMillan and Kercheval and fell off onto the pathway alongside the fence at the South field.

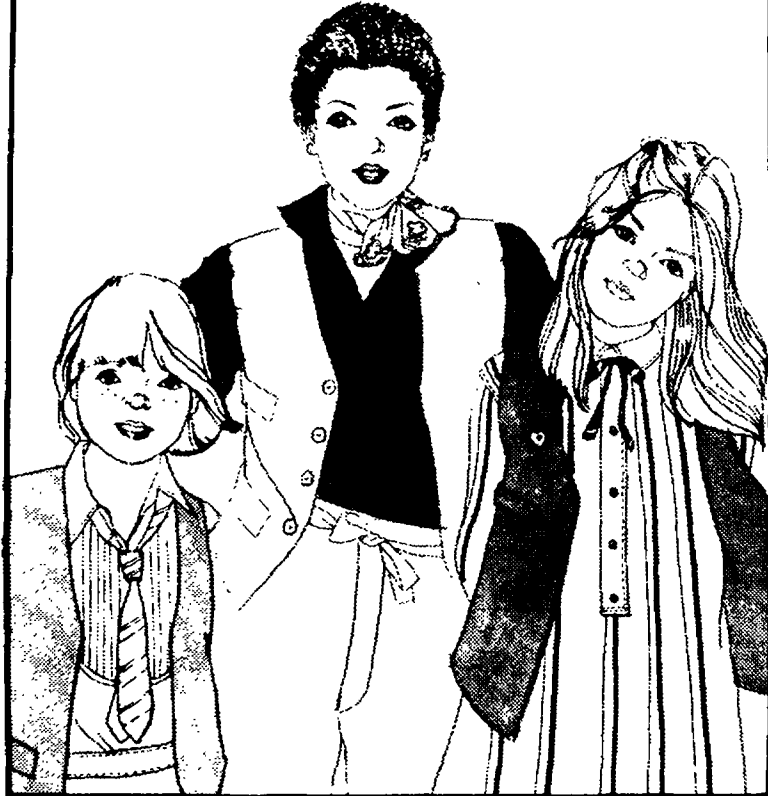

Officer John Kraza was hurt when the scout car hit a dip in the road at the intersection.

The motorcycle and helmet were impounded by police. A check on the LEIN machine produced negative results.

Farms police have a suspect in the case.

**Let's Talk Real Estate**  
 by John E. Brink

In the retail trade, if a product is not available it can be ordered from the manufacturer at the usually retooled price. This isn't so however in the Real Estate industry. Residential homes sell by the law of supply and demand. If there are none available in the area the purchaser desires his only alternative is to pay a premium as an inducement for the seller to sell. If the scarcity persists the premium price becomes the "going" price and the purchasers find they must pay a premium on top of a premium. This is all known as inflation.

Rapid inflation has a leveling off period. This is when the purchasers and sellers must evaluate to decide if this was a true inflationary price increase or if it was a bubble which is to soon burst and bring prices back to the original level. If the sellers remain "cool" — and if the market is small enough, this generally has a happy outcome where the prices stabilize and settle down to a normal year to year inflation.

This is why it's not wise for a Realtor to undercut the market for a fast sale. This is unless he is under orders from the home owner to do so. Undercutting costs the seller dearly. It casts a spell of "why is that house priced so low?" which has a double jeopardy effect on the final selling price.

It's a careful market! Best to have a Realtor show you how to price and why it's priced the way it is! You might be interested in Grosse Pointe Real Estate Co.'s pricing strategy. Please give us a call, 882-0087, we'll show you a computer print out method no other Real Estate office has!

**Back then nobody had heard of EEE Award homes.**

At one time, when they built a house, one of its best features was a big front porch. And the most popular thing a porch could have was a wide, wooden swing. Nowadays, the most important feature a house can have is energy efficiency because people are very concerned about keeping heating and cooling costs down. That's why Detroit Edison presents its Energy Efficiency Excellence (EEE) Award to builders whose homes meet maximum standards in energy

efficiency. EEE Award homes are properly insulated and are heated and cooled with an energy-saving heat pump, and could save you more than \$260 a year in energy costs compared to homes using oil, propane or electric resistance heating. Major appliances like refrigerators and freezers in EEE Award homes, if provided by the builder, are also energy efficient. Of course, it's important to use and maintain all major appliances properly so they don't waste energy.

If you'd like to visit an EEE Award home, call or stop in at any Detroit Edison Customer Office and ask for the names of builders who have EEE Award homes on display. Save where it really counts. The power is in your hands.

**County Views Rate Victory**

Suburban households will be protected against future overcharges and will enjoy a savings in their water bills due to a federal court ruling on Detroit sewage treatment charges, according to the chairman of the Wayne County Board of Public Works.

County Commissioner William Sullivan in a news release described the orders handed down recently by U.S. District Judge John Feikens as "an important victory for the suburbs that will have far-reaching effects."

The immediate effect for households in 19 Wayne County communities which are served by the Wayne County Department of Public Works, (WCDPW), will be a savings of \$1.50 per year in the water bills retroactive to July 1, he said.

Judge Feikens ordered that all future rate adjustments by Detroit be reviewed by a court-appointed "master."

He ruled that suburban customers were being charged for sewage treatment improvements which benefit only Detroiters. He ordered a rate reduction for the suburbs. The reduction applies to the Pointes and Harper Woods, along with several other communities.

"In this period of double digit inflation, any savings is welcome but the most important result of the court case is that the suburbs are now protected against such overcharges in the future," Mr. Sullivan said.

**Music Program Benefits Group**

The Pointe Inter-Faith Center for Racial Justice plans to expand upon a 41-year tradition in The Pointe by publishing, for the first time, a Musicales Program book in conjunction with the annual fall folk Musicales sponsored by Gordon and Rita Blake of The Shores.

The traditional Musicales was begun in 1937 by May and Elizabeth Fisher. It features the work of contemporary and traditional folk musicians and provides a channel for young artists from the Detroit area.

For the last six years the Blakes have donated proceeds from the Musicales to support the work of the Inter-Faith Center, a non-profit agency funded by Pointe churches and families to promote racial understanding.

The Musicales Program, featuring advertisements from local businesses, will be issued to about 500 persons who usually attend the event, as well as 1,000 families on the Inter-Faith Center mailing list.

For information on placing ads, call Susan Francis at 886-1353, or Ed Egnatios at the center office at 824-0530.

This year's Musicales is scheduled for Friday, September 8, with the theme, "Celebrating Our Cultural Heritage."

**Pointers Lead YMCA Board**

Woods resident Jack L. Otto was recently re-elected chairman of the board of the YMCA of Metropolitan Detroit at the group's recent annual meeting.

Three other Pointers also were elected to leadership positions with the group. Erwin H. Graham of The Shores and Hugh G. Harness of The City will both serve as vice-chairmen. Erwin L. Koning of The City was elected treasurer.

In a press release, Mr. Otto pointed out that the YMCA has grown to serve more than 167,000 individuals with an attendance of more than three million during the year at 16 branch units located in the Detroit area.

**Community to Benefit From Tax Payment Plan**

Wayne County this year will give local governments and school systems a break from citizens who don't pay their taxes on time by reimbursing them for 100 percent of their property taxes this month.

Pointe municipalities expect to receive a combined total of \$140,361 for 1977 delinquent taxes and the school system about \$565,780.

The new "100 Percent Tax Payment" program was authorized by the Wayne County Board of Commissioners in April.

It will be supported by three-year general obligation tax notes, to be paid when delinquent taxes, plus interest and penalties, are collected by the county, according to a release from the commissioners.

Pointe school system director of business affairs, Larry Rankens, said the program will help ease local cash flow problems to a small extent.

"The Pointes have an excellent tax collection rate,"

**Club Tourney Comes to Close**

The Neighborhood Club Men's Softball League double elimination tournament came to an exciting close last week.

Each of the 30 men's teams and nine men's over 30 league teams participated in this year's tournament. The men's league was divided into two divisions, upper and lower. The divisions were determined by the team's final league record.

In the upper division, Gray's Sport Shop and The Jocks played for the championship and Gray's beat The Jocks, 9-3, to win the upper division crown.

In the lower division, Cadieux Cafe and Union Street Bar made it into the finals. The game was finally won by a tough Cadieux Cafe team, 5-3, earning it the lower division title.

The men's over 30 league had Maher Chevrolet 7-1 playing the Suds 5-2-1 for the championship. In the final game, The Suds won, 6-4.

The club said it wants to thank all the teams and players for offering an exciting softball tournament.

**Offers Advice on Boat Fires**

It's no news to Michigan residents that pleasure boating has become a major leisure time activity. reports a Wayne County news release. With as many boats registered in Michigan, it also is not surprising the number of boating accidents that occur each year. Last year, out of 6,800 boat accidents, 571 were boat fires.

Although boat fires represent a small percentage of all boating accidents, eight percent, their cost is disproportionately high—over four million dollars in 1977 alone.

When do boats usually catch on fire? Coast Guard officials agree fueling is a major time for explosions. "The boat doesn't burn, it disintegrates," says one official.

It has been estimated that 90 percent of Michigan's boat fires could be avoided by taking one of two simple precautions: either open up and air out the engine compartment, or use a power blower before starting the engine.

In an attempt to reduce the number of boat fires, the Coast Guard has issued new standards entitled, "Fuel and Electrical Standards for Boats." The standards are defined as a set of comprehensive requirements for the fuel and electrical systems on boats to prevent fires and possible explosion.

As of now, the Coast Guard has not required the use of fire retardant resins in the building of small fiberglass pleasure crafts. The Navy has long specified it for its fiberglass vessels. Now, an increasing number of manufacturers are following suit.

In boat building today, most pleasure crafts have fiberglass hulls and decks. Fiberglass has many strong points, with its biggest problem being that it burns much more violently than wood. When fire retardant resin is used in boat construction, the fiberglass will still burn, but only when touched by flame.

**Historic Sites in State Highlighted by Auto Club**

Restored outposts, homesteads and factories across Michigan mirror a time when life was simpler but by no means easier, according to Automobile Club of Michigan.

Attractions in 20 communities are highlighted by Auto Club because they help preserve the Wolverine State's past. The exhibits show the way it was from the time of the first settlers, during the days of French rule, to when Michigan laid its foundation as an industrial giant.

The more than 85 homes and buildings of Dearborn's Greenfield Village provide a 300-year panorama of American life. Among the historic structures from Michigan and other states are Thomas Edison's laboratory and the birthplace and tiny workshop of pioneer Henry Ford.

At Flint, a steam locomotive ride through Crossroads Village exposes visitors to more than a dozen local 19th Century buildings plus a recreation area and lake. The village is open Memorial Day to Labor Day.

Fort Michilimackinac at Mackinac City is one of four structures that tell of the state's military history. It was built by the French in 1715 and has been under reconstruction since 1959.

Fort Mackinac on Mackinac Island was garrisoned by the British in 1780. Its officers' stone quarters is the oldest original military building in the Midwest and is open from May 13 to October 22.

At the tip of Upper Michigan's Keweenaw Peninsula stands the last original wooden fort east of the Mississippi River. Fort Wilkins, built in 1844, is part of a state park east of Copper Harbor.

Detroit's Fort Wayne overlooks Canada and served as an Army post from the Civil War through the Vietnam conflict. Daily from June through October, visitors can stroll restored stone ramparts along the Detroit River.

While not a fort, Niles' Fort Saint Joseph museum contains artifacts from the site of a once military post built in 1691 and used by French, British and Spanish troops.

Visitors can get a bird's-eye view of the Lake Michigan shoreline and imagine what it was like to live in a fort by visiting the block house at Muskegon State Park.

The history of Michigan's copper era is told daily via tours through three restored log cabins at 100-year-old Victoria, an Upper Peninsula ghost town south of Ontonagon.

Fayette, in Fayette State Park near Garden in the Upper Peninsula, was an 1880s iron smelting center. Five buildings there, including an opera house and lime kiln, are open from Memorial Day to October 15.

Guides in pioneer dress at Hastings' Charlton Park Village and Museum relate the 1800s story of small-town Michigan. The 10 buildings there include a circa-1860 stagecoach inn, a blacksmith shop and bank. The attraction is open Memorial Day through September.

Northville's Mill Race Historical Village is open Sundays and holidays and features a cottage where work by the Northville Weavers' Guild may be purchased. Livonia's Quaker Acres features an 1841 farm house/museum and is open Wednesdays and Sundays in summer.

Tours at Muskegon's Heritage Village take visitors through elegant homes of two 19th Century lumber barons. Ludington's Pioneer Village is built on a Lake Michigan bluff and includes that city's first home. Exhibits at Muskegon and Ludington are open Memorial Day to Labor Day, with Pioneer Village also open over Christmas.

At Fremont's Windmill Gardens, nine restored mills remind one that Michigan farms did not always run on electric power. That attraction is open in summer and features a century-old windmill.

Holland's Dutch heritage is highlighted by two parks. A 200-year-old Dutch windmill is the centerpiece of Windmill Island and wooden shoes are among the most popular souvenirs at nearby Dutch Village. Windmill Island is open May through October. Dutch Village operates mid-April to mid-October.

At Rockford's Squire Square, visitors may dine inside a covered mill or buy blown glass, handmade candles and leather goods at 30 restored shops.

Lake City's Guest Country Store Museum consists of three old school buildings that house exhibits, including a logging-era display.

The Octagon House is just one of 10 structures dating to the 1860s that visitors can tour at the Apple Barrel Farms near Washington.

Huron City in the thumb was destroyed by fire in 1881. Rebuilt several years later, it is today's Restored Lumber Town featuring a museum, 19th Century general store and Coast Guard station.

**Laws Govern Moped Usage**

This summer mopeds seem to be more popular than ever, and judging by the number of the vehicles which are being confiscated by Pointe police departments, many people are still unaware of the laws governing their use.

The most common violation of the laws concerning the machines seems to be with young riders under 16 years of age.

Farms Traffic Safety Officer Joe Belanger says state law requires that riders between the ages of 15 and 16 must have a special restricted license to operate the vehicles. Youngsters under 15 are not allowed to ride mopeds.

The special restricted licenses are available from the secretary of state. The 15-year-old must be accompanied by a parent and must pass a written test.

Those 16 or over who have a valid driver's license need no further certification.

Officer Belanger stresses that all traffic laws governing other vehicles also apply to mopeds. In addition, mopeds are not allowed to be driven on sidewalks and they are not allowed to be ridden by more than one person.

A moped is defined as a two or three-wheeled vehicle with operable pedals which is equipped with a motor that does not exceed 50 cubic centimeters, (cc), displacement, produces 1.5 brake horsepower or less and which cannot be propelled at a speed greater than 25 mph on a level surface.

Mopeds also must be registered with the secretary of state. Stickers cost \$6 for a period of three years.

## Pointe Cycling Champion Eyes World Competition

By David Kramer

For most of us, bike riding is a nice way to relax and get a little exercise in the process. For Dave Grylls, it's more than a little exercise and it's certainly not relaxation. At least, not usually.

Dave is a bike racer. More specifically, he is the new U.S. National Cycling champion in the 4,000-meter-pursuit event. He became champ by breaking his own U.S. record at the Nationals, held last week in Kenosha, Wis.

The University place resident now hopes to go to the World Cycling Championships to be held the middle of this month in Munich, Germany.

"I feel I should go over there and get some experience," he said.

Why, you might ask, does a guy who just set two U.S. records in his event need experience?

Dave explains that the sport of bike racing is much bigger in Europe than here. In fact, it is the second largest sport worldwide in terms of spectatorship.

He would like to get the experience so he knows what to expect in the next couple of years. The Pan American Games will be coming up next year. After that, there's the 1980 Olympics.

While he's in Munich, there's a good chance he may come up with a medal.

"My coach, Jack Simes, (a former Olympic coach and silver winner himself), doesn't usually exaggerate and he says I should make the top eight, and maybe the top four."

Not bad for gaining some experience. But then, Dave isn't really that inexperienced. He began riding with the Neighborhood Club touring group when he was 16.

"A couple of us started racing and I've been getting more and more involved in it every year," he said.

The riding has taken so much of his time, in fact, that school has been put on a back burner. A graduate of South High and currently a junior at Michigan State, the 20-year-old cyclist spends somewhere between three and seven hours a day on his machine, depending on the time of year.

"The riding gets in the way of school," he said. "I figure I can only ride for so long."

He was home for a couple of days following the Kenosha event. He's back in Trexlertown, Pa., now, where he has been living and training throughout the summer. He doesn't expect to return home until mid-September.

Dave's specialty, pursuit riding, is performed on a track. Two men start at opposite sides of the track, racing each other and the clock.

"The main intention is for one to catch the other but that doesn't usually happen." It did in Kenosha, where Dave lapped his opponent.

## GPW Nationals Continue Climb

The Grosse Pointe Woods Nationals advanced to the state championship round of Little League play by defeating Anchor Bay, 3-1, in a sectional game at Richmond on Sunday, August 5.

Pitcher John Menzo, who allowed only three hits while striking out 16, blasted a three-run homer to carry The Woods to victory. Centerfielder Mike Lee contributed three hits, while Mike Hall, Dave Waldeck and Bob Wujek had one hit each.

The team is now one of the top five clubs in the state. It will start state play at Harper Woods on Friday, August 11, at 5 p.m.

## NHS '73 Class Plans Reunion

North High School 1973 graduates are planning a five-year reunion on Saturday, August 12, at 7:30 p.m. The group will meet at the Barrister House on Harper between Eight and Nine Mile road. Tickets may be purchased at the door for \$13.

Because of new state laws governing the release of information from schools, reunion organizers are having difficulty locating some of their classmates. They're seeking help from parents of '73 North High graduates to publicize the reunion. For more information, call 879-6057 or 882-1142.

## Free Eye, Ear Tests Offered

Free hearing and vision tests for pre-school and school age children will be offered by the Wayne County Health Department at the Harper Woods Community Center, 19748 Harper.

Test dates are Tuesday and Wednesday, August 15 and 16, from 8:30 to 11 a.m. and 1 to 3:30 p.m. Appointments are necessary and may be made by calling 274-2800, extension 355 and 356.

Many children who are thought to be slow learners in school are frequently identified as having hearing or vision problems, according to county health officials.

"There's no pacing and no drafting. It's man on man and the strongest man wins." Dave says he's been lucky to make enough money to meet expenses. Prize money on the circuit is limited to a maximum of \$200, he explained. He has some \$3,500 worth of equipment, including four bikes which cost \$1,000 to \$1,200 apiece. In addition, he must meet his own travelling expenses.

Riding on his special track bike with one speed and no brakes, he hits over 30 mph for the distance, which is about 2.6 miles.

Relaxing? Maybe for Dave Grylls it is.

Relaxing? Maybe for Dave Grylls it is.

## Softball Year Ends for Women

The women's softball program finished up at the Neighborhood Club on Thursday, August 3.

Making it through the double elimination tournament with no losses was Defour Agency, Harper Sport Shop in the upper division and Dio-Winks in the lower division.

Defour Agency, Harper Sport Shop played Suds for the championship game and won, 7-5. Defour Agency, Harper Sport Shop was coached by Dennis Kesic.

The champs include Kim Barry Novak, Jackie Curtin, Jan deBeauchair, Linda Feldman, Jan Gilbert, Betz Johnson, Meagan Keane, Carol Keisic, Chris Keisic, Maureen Mahieu, Rita Hayes, Marianne McCarthy, Ann Marie Tomaszewski, Kathleen Wood, Cindy Carron and Barb Carron.

# Merit Matches Flavor Giants!

—New National Smoker Study

## High tar smokers report: low tar MERIT delivers flavor of leading high tar brands.

Read how 'Enriched Flavor'™ MERIT has been endorsed by the results of a new national smoker study.

### Results Confirm MERIT Breakthrough

**Confirmed:** Majority of high tar smokers rate MERIT taste equal to—or better than—leading high tar cigarettes tested! Cigarettes having up to twice the tar.

**Confirmed:** Majority of high tar smokers confirm taste satisfaction of low tar MERIT.

Detailed interviews were also conducted with current MERIT smokers.

**Confirmed:** 85% of MERIT smokers say it was an "easy switch" from high tar brands.

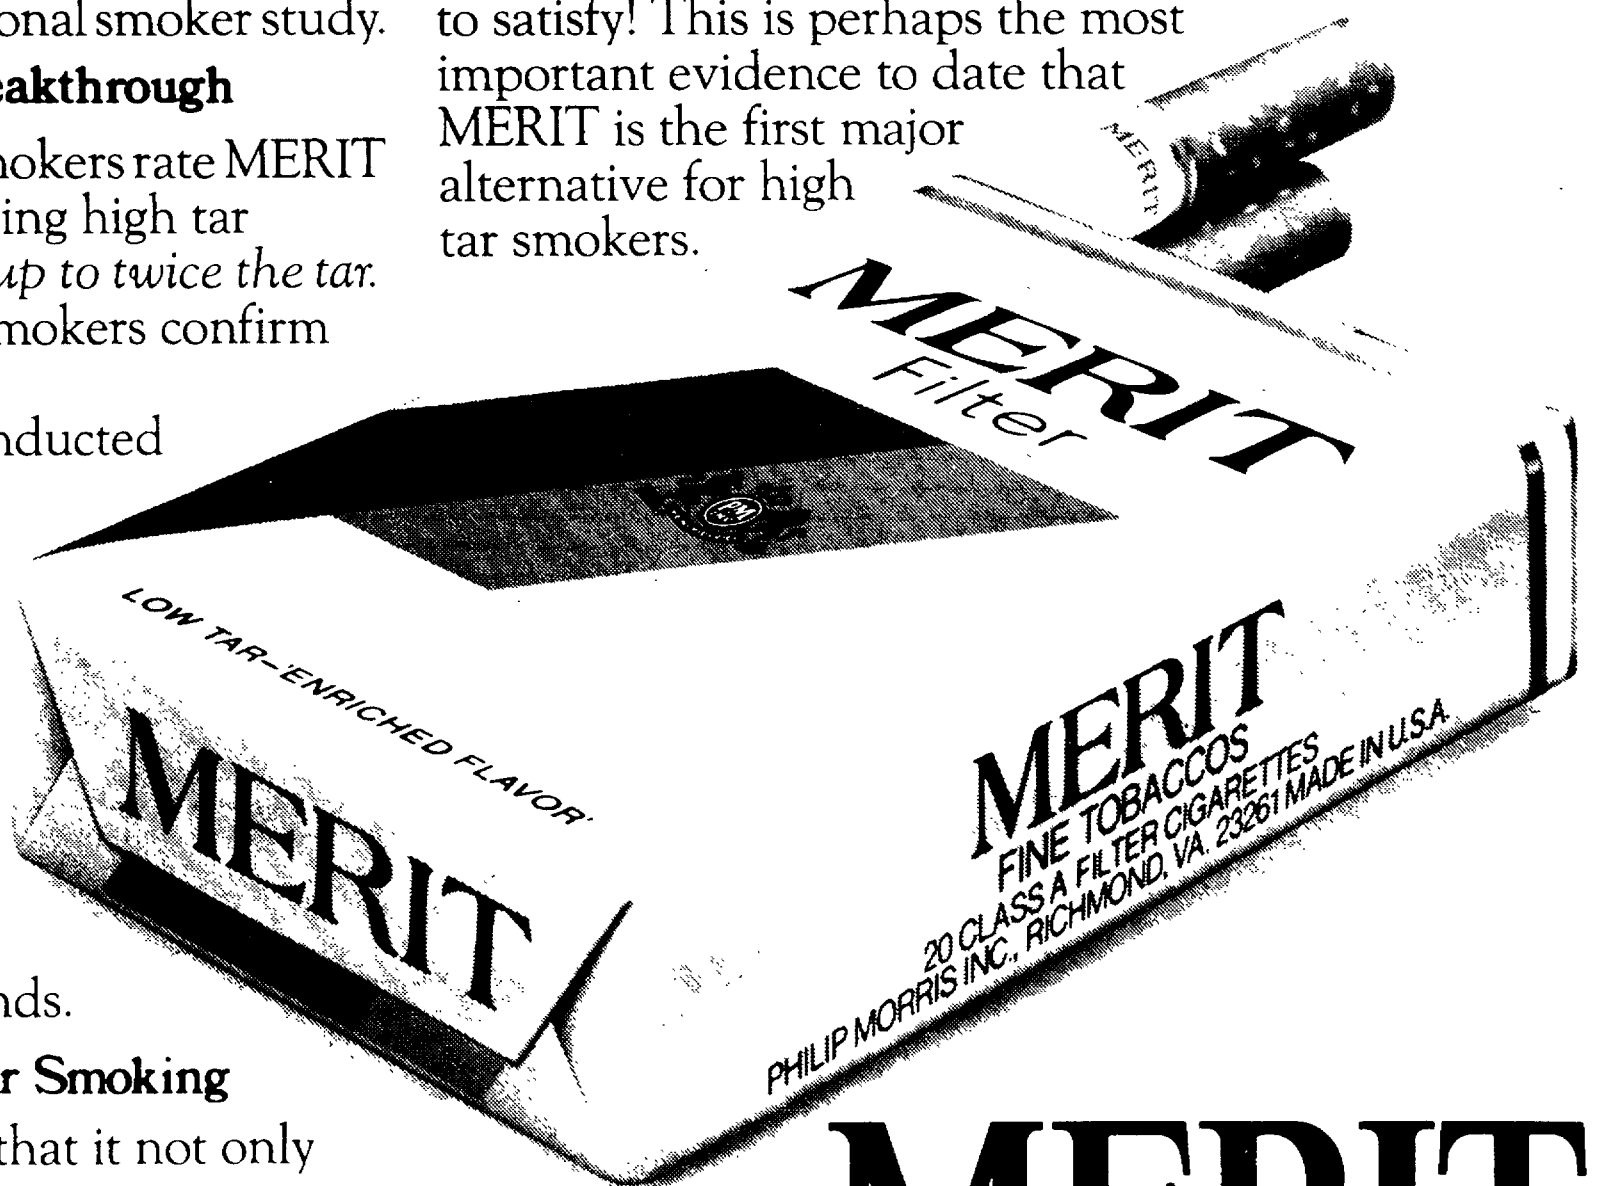

**Confirmed:** Overwhelming majority of MERIT smokers say their former high tar brands weren't missed!

**Confirmed:** 9 out of 10 MERIT smokers not considering other brands.

### First Major Alternative To High Tar Smoking

MERIT has proven conclusively that it not only

delivers the flavor of high tar brands—but continues to satisfy! This is perhaps the most important evidence to date that MERIT is the first major alternative for high tar smokers.

### New Students Must Sign Up

New residents in The Pointe public school district who will be attending South High School beginning Thursday, September 7, should make a counseling appointment to plan their 1978-79 schedule.

Dr. Robert Hansen will be in the South High counseling center Monday through Friday during the weeks of August 21 and August 28. Anyone who wishes to enroll should call the school, at 343-2130, for an appointment from 8 a.m. to 2:30 p.m.

Parents should come with the student and bring evidence of credits earned to date, including the most recent report card received.

### Speeder Nabbed after Chase

Two Pointe police departments cooperated in apprehending a 21-year-old Troy man after a high speed chase on Friday evening, July 28.

The incident left two scout cars, one from The Park and one from The Farms, damaged with broken windows.

The man, Douglas Brooks Graham of Lovington, Troy, was charged by Park police with fleeing and eluding a police officer. In addition, he is being charged with malicious destruction of property under \$100 by Farms police, after he allegedly kicked out the right rear window of the scout car he was placed in.

According to police reports, Graham was driving east on Jefferson at Beaconsfield at approximately 80 mph when he was spotted by Park police. The officers gave chase while the man weaved through eastbound traffic at speeds between 50 and 70 mph.

The officers attempted to pull the man over, only to have him speed up again. They remained about two car lengths behind the driver, radioing information about the chase.

Farms police, hearing the report, set up a roadblock at Kerby and Lakeshore roads. The speeding car ran the roadblock and continued at speeds between 50 and 60.

The Park officers then pulled alongside the vehicle and told the driver to stop. He allegedly shouted an obscenity, apparently lost control of the car and went over the right hand curb, striking a traffic sign in front of the Pier Park. His car then spun to a halt.

Wreckage from the sign flew into the windshield of The Park scout car alongside the speeder, shattering the windshield. The officers were able to maintain control of their car, stopped, and apprehended the suspect.

Meanwhile, Farms officers caught up with the other vehicles. Graham was handcuffed and put in The Farms car, where he allegedly kicked out the window of that car.

He was driven to The Farms station, where he was issued a violation for malicious destruction of property. No bond was taken and a court date is pending.

In The Park, he was released on \$100 bond pending a Wednesday, August 16, court date.

### GPYC Captures First in Championship Meet

**By Margie Smith**

The Grosse Pointe Yacht Club (GPYC), swimming team swept up seven first place trophies at the 39th annual Michigan Inter-Club Swimming Ass'n., (MICSAs), championship meet which was held at the Detroit Boat Club Saturday and Sunday, July 29 and 30.

GPYC, in competition with 13 other Detroit area clubs, took first place with 186 more points than second place Plum Hollow Golf Club, thus winning the upper division trophy.

The GPYC team also took home the girls' high point trophy, the boys 200-meter freestyle relay trophy, the girls' 200-meter freestyle relay trophy and the girls' 200-meter medley relay trophy.

The girls eight-and-under 100-meter freestyle relay was won for the third year in a row, making this trophy a permanent GPYC possession.

And GPYC coach Tom Teetaert won the coach of the year trophy.

Five new MICSAs records were set by GPYC swimmers. Nancy Georgi broke the old record for girls 10-and-under 50-meter backstroke on Saturday during the preliminary competition. And on Sunday, Nancy and Krystin Strong both broke Saturday's record.

Jeff Colton set the new record time for boys 13-14, 50-meter backstroke at 29.72 seconds.

The girls 200-meter medley relay team of Krystin Strong, Karen Strong, Cindy Gannon and Pam Rinke set a new record time of 2:18.74.

Thirteen first place medals were awarded to GPYC swimmers.

The girls 200-meter freestyle relay was won by Nancy Georgi, Ann Mitchell, Sara Brieden and Pam Rinke, and the boys 200-meter freestyle relay by Ed Ellis, Chris Neros, Don Hiles and Larry MacDonald.

The girls eight-and-under 100-meter freestyle relay team of Karen MacDonald, Nicole Lehman, Sandy Smith and Casey Clark captured the trophy for GPYC's permanent collection.

Stephanie Smith won first place in the girls 10-and-under 50-meter breaststroke. Sandy Smith won the girls eight-and-under 25 meter freestyle.

Larry MacDonald took first in the boys 11-12, 50-meter backstroke.

Boys 10-and-under 25 meter butterfly went to Jeff Clark. First in the 50-meter butterfly events went to Cindy Gannon, (girls 11-12), Larry MacDonald, (boys 11-12), and Sara Brieden, (girls 13-14).

Nancy Georgi won the girls 9-10, 50-meter freestyle. And Sara Brieden took the girls 13-14, 50 meter freestyle.

The final relay, boys 200-meter medley, was taken by Jeff Colton, Tim Monahan, Jeff Clark and Mark Clark.

Other GPYC second place winners were Don Hiles, Krystin Strong and Jeff Clark.

More third place medals were awarded to Kris Lehman, Karen Strong, Nicole Lehman, Ann Mitchell, Jeff Colton, Pam Rinke and two to Ed Ellis.

Winners of fourth place medals were Cindy Gannon, Tim Monahan, Meg Maghiesse, Krystin Strong, Kris Lehman, Paul Treder and Ann Mitchell.

Fifth place award winners were Michelle McGough, Geoff Brieden, Karen Strong, Mark Clark, Stephanie Smith and Hans Brieden.

And sixth place medals were captured by Hans Brieden, Gene Miszczak and Rob Hackman.

In all, out of 68 GPYC entries in the MICSAs championships, 61 swimmers scored points for their club.

The outcome of the 39th Annual MICSAs Championship meet left the clubs ranked in the following order:

1. Grosse Pointe Yacht Club,
2. Plum Hollow Golf Club,
3. Dearborn County Club,
4. Birmingham Athletic Club,
5. Lochmoor Club,
6. Grosse Ile Golf and Country Club,
7. Country Club of Detroit.

**Wine Lines**  
by John Lundberg

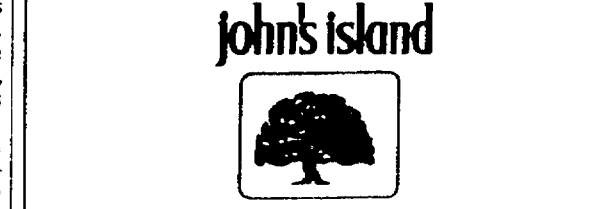

Chenin blanc, a varietal wine named after its grape, is one of America's favorite types of wine. It is the second most planted kind of white wine grape in California, and the number of chenin blanc grapes crushed for wine is increasing each year by leaps and bounds. In America, the chenin blanc grape got its start as a blending wine since it is easy to produce and has a high yield. In 1955, it made its debut on its own under the Charles Krug label and was almost instantly successful. This original was light and slightly sweet, but as the wine has gained in popularity and more winemakers are producing it, you can now get chenin blancs that range in taste from bone dry to medium sweet.

Indeed, you'll find a full range of all types of imported and domestic wines to choose from at PARKIE'S PARTY SHOPPE, 17255 Mack, corner of St. Clair, 885-0626. We feature a full selection of spirits for summer entertaining including an extensive collection of imported beers as well as genuine draft beer by the 1/2 or 1/4 barrel. Open: 10-10 Mon.-Thurs.; 10-11 Fri. & Sat.

### Know Your Schools

By Dr. William Coats, Superintendent of Schools

In this third column of a series on summertime activities in the school system, I want to relate some of the events which occurred in the five-week Summer School Program for elementary and middle school students.

Under the direction of Leo Warras, classes for grades two through nine were conducted at Brownell Middle School and South High School. The enrollment totaled 485, and was an increase of nearly 100 students over last year's level.

This big increase was in the music classes and occurred as a result of the school music teachers inviting youngsters to participate in the program.

Under the direction of May Krager, students were offered instruction in beginning clarinet, flute, cornet, violin, viola, cello and drums; advanced percussion, strings, brass and woodwinds; ensemble training; and practice in vocal music as members of an All-City choir.

During the final two days of the session, parents and friends were invited to attend a concert in which the students performed in various ensembles.

In addition to offerings in the musical arts, instruction in drawing and painting was provided by Keith Kawa. The projects of the aspiring young artists will be on display in the Administration Building during the month of August, and we hope residents will stop by to observe our students' talents.

Another attraction of the program was the computer mathematics class taught by Harvey Richardson. Twenty students in this class enjoyed the advantage of using new equipment connected to the Wayne County Intermediate School District computer.

Because the new equipment allowed for high speed processing, programming time for everyone was increased and the students had more time to develop their own programs. A favorite activity was programming biorhythms.

An elementary basic skills

Carol Bartos, Wayne Bolden, Mary Costello, Dennis Hawhee and Chuck Stewart taught these classes, and in order to maintain continuity between the school year activities and those of the Summer School session, they contacted the students' teachers to assist in a needs assessment for each learner.

There also was a middle school basic skills program, with the option that classes could be taken for credit.

Providing instruction in arithmetic skills, composition, grammar, language usage, spelling, vocabulary and comprehension were staff members Linda Khoenle, Herb Ladd, Jack Lambka and Penny Soby.

Although all of these activities ended on Friday, July 28, the final phase of the Summer School program is yet to come. Twelve hours of intensive review in reading, arithmetic and study skills will be offered at Brownell Middle School Tuesday through Thursday, August 15 to 17 and 22 to 24. It is not too late to enroll in this mini-course, and those interested in doing so may call 343-2120 for additional information.

*The Homes Listed on These Pages Represent Just Some of the Many Available Through Member Brokers*

JUST THE VIEW

of beautiful Lake St. Clair is enough to make you purchase this fine Colonial. A few of the many exciting features are four bedrooms and three baths up and an extra bedroom and 1 1/2 baths on the first floor. The kitchen is exceptional, and the Lake view from the living room, dining room and family room is a "sailors dream"! The big shock is price . . . under \$200,000!

McKINLEY ROAD

This desirable 3 bedroom, 1 1/2 bath Colonial has a family room and kitchen that is almost guaranteed to charm your husband to buy it, and your family and friends to appreciate it. The location is so convenient, the kids can almost "fall with class" from the front door!

\$65,900!

The price is important; cause this special 3 bedroom Colonial with den is virtually without competition at this price. A convenient "Woods" location also adds value, as does the early occupancy — better call fast . . . this first offering ought to "evaporate" at almost anytime!

*Don't Miss These Fine Homes — Open Sunday 2-5*

1321 BUCKINGHAM — COULD THIS CLASSIC NEW ENGLAND COLONIAL BE IN YOUR FUTURE? Classic New England Colonials often combine stone, brick and shake shingles to its most beautiful advantage, and we think you're going to love it! And the 5 bedrooms and 3 1/2 baths afford a growing family much needed room. The kitchen's modern, the yard spacious, and there's a den too! Priced for less than you'd expect.

516 HEATHER LANE — DAVID WILLISON BUILT IT! On a tree lined cul-de-sac, surrounded by other beautiful newer homes, we present a truly fine Cape Cod, built as only David Willison can. His floor plans are always excellent, and this great four bedroom three bath is no exception. The family room is almost a work of art, and there's a beautiful free-form patio and central air to prove value—\$172,000!

2135 LANCASTER — Ah, the beautiful three bedroom Colonial with den! The fireplace and built-in bookcase accent the generous living room and the dining room's positively big! A den and attractive yard add "frosting" to this already delicious offering . . . \$65,900!

*Showings at Your Convenience*

THE BEAUTIFUL SWAN — Like the ugly duckling that became a swan, a beautiful Contemporary is materializing where an old home once stood. The guiding genius of this exciting, modern home is Larry Black, who has turned many "A sow's ear" into a silk purse. By purchasing now, your special touches can be included. We'll be glad to show you our "Swan".

IT ISN'T \$75,000 . . . IT JUST LOOKS IT! — At a time when other nice 3 bedroom homes with bath and den and sun room are in the "Seventies" this charming value stands out like a sail boat in a speed boat race. The taxes are less than \$875.00. There's a two car garage. And a 60' lot. But reading about a great opportunity is like a kiss from your sister . . . at \$58,500 (an almost forgotten price these days) shouldn't you take a look at this beautiful bargain?

WHERE ARE THE MINT JULIPS? Its about the only thing not included with the beautiful and spacious Colonial in the Farms. The setting for this special offering couldn't be more attractive it was on a hillside in Atlanta, where many of the most beautiful Southern Colonials are to be seen. Inside is a combination of detail and decor that makes each room unique on to itself. Naturally the 172 x 182 living room has a fireplace. And the richly paneled library does too. But wouldn't a superb meal with friends taste even better with a cherry blaze emanating from the fireplace in the dining room? Now visualize how you'd enjoy the fireplace in the master bedroom. Isn't it time to treat yourself to the luxury you've earned?

A BANCH FOR ALL REASONS — and price is the first . . . \$38,900! A convenient Roseville location close to schools and shopping and the X-way

and also high on the list. The three bedrooms and spacious, modern kitchen complete this value package!

IT ISN'T JUST THE ENGLISH . . . That "flip their bowlers" over a choice English home on a gracious setting. Astute Grosse Pointe buyers have been snapping up these "never to be duplicated again" investments as fast as they appear. And, at \$114,000, this five bedroom, three bath offering won't be an exception, especially with a 24' master bedroom, abundant closets, and a convenient enclosed porch, just off both the living room and den! "Time waits for no Man," and neither will this fine home!

HANDYMAN SPECIAL \$15,900! This property needs help now, but once done would be excellent income producer for years to come. The owner "wants out" and will accept reasonable land contract terms!

IF YOU REALLY NEED A FINE RANCH IN THE WOODS — This almost new, loaded with extras, soon to be vacant 3 bedroom home could be your ticket to happiness! Central air, family room with fireplace, sprinkler system, two full baths, attached two car garage and new low \$87,200 price are guaranteed to delight you!

EXCELLENT NEWER COLONIAL IN THE WOODS — Now vacant, this exceptional "Scott-built" Cape Cod flavored four bedroom, 2 1/2 bath Colonial could be your dream home, in time to enjoy weeks of family summer fun at the beautiful new Woods Park. And there's central air for those hot summer days yet to come! Don't overlook the many quality features including extra insulation, big family room with fireplace, and the convenient first floor laundry. too! Shouldn't you see this special home now?

**FORMAL! PRESTIGIOUS! SUNNY!** You're bound to love the gracious style of living in this twelve year old tri-level with excellent view of the lake. Large living room, marble fireplace, 25 foot paneled family room, formal dining room, big deluxe kitchen, powder room, three large bedrooms, two and one half tiled baths, gorgeous recreation room with bar and fireplace. With all the extras for easy living and entertaining. Let us make your appointment.

### FIRST OFFERINGS

**NEW, FOUR BEDROOM** Southern colonial in the City of Grosse Pointe with step-down family room and attached garage. Just a block and a half from the lake and a short walk to Grosse Pointe South and St. Paul.

**THREE BEDROOM** ranch house in Grosse Pointe Farms in pristine condition. Completely fenced yard, two car garage, new carpeting and newly renovated basement. Priced at \$56,000.

### OPEN SUNDAY 2 UNTIL 5

**FIND US AT 301 LINCOLN ROAD**, just a few doors from Jefferson. This all brick colonial offers six bedrooms on the second floor and fireplaces in both the family room and step-down living room. This house "sets-up" beautifully from the curb, however we insist you see the well landscaped backyard with its mature trees and terrace and patio. This is a must-see house if you insist on excellent location, generously proportioned rooms and possession by the start of the school year.

**IF YOU HAD THE OPPORTUNITY** to live anywhere in Grosse Pointe, wouldn't you choose to live right on the lake? Doesn't the idea sound great of having your swimming pool just a few steps from your lakefront terrace, between the breakwall and the house. The architect took advantage of the view south to the Canadian shore by locating all the major rooms facing the lake. A total of six fireplaces grace the major social rooms on the main floor and three of the four family bedrooms. The large, family-sized kitchen was designed with the idea that the formal dining room need seldom be used. A large eating area and fireplace are features of this kitchen. Take a look and we're sure you'll be taken away.

**NEW ON THE MARKET** is this three bedroom ranch house with a full bath and lavatory on the first floor. There is an enclosed porch and two car garage with direct access to the kitchen. The well developed basement has an office, play room, two bedrooms and another full bath. See this one before it's snapped up by another bargain hunter.

Letters to The Editor

To the Editor  
Every time I read another of Councilman (Charles) Tompkins' diatribes about building a putting green at Three Mile Park, it makes me furious.

Do you realize that the City of Grosse Pointe Park does not maintain even one baseball or softball diamond for the hundreds of children and adults within our boundaries?

The facilities currently used by Little League are owned by the Board of Education, and since they do not use them after school hours, there is no logical reason why they should maintain them.

The facilities of which I speak are softball diamonds at the city's three public schools. There is no regulation baseball diamond in the city. Once a boy reaches 13, he is written off, and must go elsewhere to play.

Councilman Tompkins has indicated on several occasions that the installation of a baseball diamond at Three Mile Park would lead to a wave of outsiders converging upon us.

South Girl Cagers To Begin Practice

Girls' basketball practice will begin at South High School on Monday, August 14, at 8:30 a.m.

All candidates for the team, including entering ninth graders, are to be present, equipped and ready for practice.

Further inquiries may be directed to Chuck Hollosy at 343-2181 or 886-2658.

upon us. This is, of course, ridiculous, since only residents are allowed in the park.

The few spectators that might come, (from "outside"), would be relatives who would get in on guest passes.

It is fortunate, however, that "outsiders" are not barred from playing baseball in Grosse Pointe City, or else our 13-to-15-year-old boys wouldn't have the opportunity to play at all.

A few weeks ago, the Park's Little League all-star teams played in a tournament in Hamtramck. Their facilities put ours to shame.

Incidentally, the entire program is underwritten by the city's recreation department — as it is in most cities. Our "non-program" consists of: a swimming pool, some tennis courts and a boat pier. I guess a pier for a privileged few is more important than baseball diamonds for hundreds of kids.

Most of the things that the city should be providing for the taxpayers, (in the way of recreational activities), must be purchased from the Neighborhood Club.

And as far as the putting green is concerned — the people who would use it can afford to go elsewhere. The kids need the ball fields here and now!

Very truly yours,  
Ronald C. Lucas

GP City Takes Its First Swim Title in 12 Years

When the foam finally settled after the 1978 Inter-City Swim Ass'n. championship meet the newly crowned titleholder was the Grosse Pointe City team. The annual two-day event was held Wednesday and Thursday, July 26 and 27, at the Grosse Pointe Shores waterfront park.

The win by The City was its first in the 12-year history of the event and it wasn't easy. Most of the throng of spectators had already left believing that the Grosse Pointe Park powerhouse had won its ninth title in a row. The scorers had erroneously announced to the crowd that The Park had won by four points and the trophy had been awarded.

However, a careful recheck of the point totals revealed that a mathematical error was made in adding the points awarded in an early relay which The City had won, the effect of which was to vault its team to a narrow victory over the perpetual championship team from The Park.

The final official team totals were as follows: The City, 241, The Park, 233, The Farms, 181, St. Clair Shores, 176, Grosse Pointe Shores, 136, and The Woods, 129. In addition to the present championship City team and the long dominant Park, the other team champions throughout the years include The Farms which has won twice and The Woods which has one title.

The 43-event meet included seven relays and 36 individual events with swimmers from each of the six competing teams winning titles. The even competition was evidenced by the relays where each team except The Woods won an event with The City capturing three to win the relay trophy and ultimately the overall team championship.

There were six double event individual winners, three each for The City and The Farms. Kelly Bartsch won the girls 8-and-under 25-meter free and back for The City. Kelly's double winner teammates were Dick Clarke, who registered victories in the boys 10-and-under 50-meter free and 25-meter butterfly, and Matt Van Tiem, who won the boys 12-and-under 50-meter freestyle and 50-meter breaststroke.

The Farms' double event winners were Sarah McLeod, who captured the girls 14-and-under 50-meter breast and butterfly events, Gail Stonish, who took the girls 10-and-under 50-meter free and 25 meter back, and Amy Bartoszewicz, winner of the girls 10-and-under 25-meter breast and butterfly events.

With the latter two girls winning between them every individual event for girls 10-and-under, The Farms won the team trophy for total points boys and girls combined for the 10-and-under age group.

The eight-and-under trophy was awarded to The City which, besides Kelly Bartsch's efforts, got winning points from Jim Berigan who won the boys 25-meter free. The 8-and-under 100-meter mixed free relay was won by the St. Clair Shores team of Wendy Cunningham, Kris Marson, Brian Bacarella and Bill Cudney.

The City also won the 12-and-under overall trophy thanks to two powerhouse relays and some great individual efforts. The boys 200-meter medley relay was captured by John Chase, back, Matt Van Tiem, breast, Jon Shope, butterfly, and Kurt Allen, free.

The girls duplicated the boys' efforts with Cheryl Chase, back, Colleen Lorenz, breast, Gretchen Ream, butterfly, and Ryndy Ditmars, free, easily swimming to victory.

City swimmers also won five of the eight individual 12-and-under events. In addition to Matt Van Tiem's two wins, victories were posted by Cheryl Chase in the 50-meter back, Ryndy Ditmars in the 50-meter breast, and Colleen Lorenz in the 50-meter breast.

The other 12-and-under winners were Tom DeCoste of St. Clair Shores in the boys back, The Farms' Jack Nelson in the 50-meter butterfly and Anne Vanker of The Shores in the butterfly for girls.

The Park won both of the other trophies, those being the 14-and-under and 17-and-under groups, respectively. The Park's efforts in both of these categories were a result of its team depth as the competition was extremely tight. Actually The Park only won one of the eight events in the 14-and-under age group, that being Jim Coyle's triumph in the boys 50-meter breast.

The other 14-and-under winners were Tom Bartsch and Michelle DesRosiers, both from The City, in the boys and girls 50-meter freestyle, Mark Muller from The City and Cheryl Cudney of St. Clair Shores in the 50-meter backstroke events and Kurt Boerner of The Farms in the 50-meter butterfly.

The eight 17-and-under events were split between The Park, Shores and Farms with each of those teams winning two and The Woods and City each winning one.

The winners were Steve Makos of The City and Jennie Elie of The Woods in the 50-meter free; Steve Soderburg and Therese Blake, both of The Park, in the 50-meter backstroke events; Matt Baker and Jeannette Metes, both for The Shores, in the 50-meter breast events; and Nick Trost and Gina Bartoszewicz of The Farms in the 50-meter butterfly.

Joan Ketterman, assisted by her brother, James Browning, did a fine job in leading The City team to its first championship.

Tim Kennary, aided by Mickey Montague and Abbey Frame, led The Park to an undefeated dual meet season and came to within a whisker of another championship.

The Farms' coaches were Liz Donovan and Drew Pillsbury. The host Shores were led by Gary Deman and Mike Stachnik, the Woods by Vince Gallant, Audrey Garman and Paul Hosea and St. Clair Shores by Rich Mallino.

The meet starter was Peter Joos, coach of the Country Club of Detroit, and he was helped by Mike Dimond.

What Goes On at Your Library

By William T. Peters,  
Director of Public Libraries

When I was growing up I used to read the backs of cereal boxes, later I graduated to reading book prefaces — not the books mind you, just the prefaces.

When I discovered that prefaces are written after the book is finished, I gave up on prefaces and started reading the backs of the slip cases that recordings come in.

You can pick up a lot of miscellaneous if not valuable information by reading the backs of record slip cases.

Take for example the record, SELECTIONS FROM SIGMUND ROMBERG'S "THE STUDENT PRINCE," (Monmouth Records, Inc. MES/7054), you can play the record and enjoy it but you have to read the back of the slip case to learn that its genesis began in 1899 when Wilhelm Meyer-Foster, a German author, wrote a short story called KARL HEINRICH, all about a prince's brief romance in the university town of Heidelberg.

Two years later, as ALT HEIDELBERG, the story re-emerged as a successful play in Berlin.

The play's first all-out musical adaptation was seen in Genoa, Italy, in 1908 when a composer named Ubaldo Pachcherotti transformed the story into an opera entitled EIDELBERGA MIA!

In 1920, the American actor, Aubrey Boucault, adapted and starred in a stage version alternately called HEIDELBERG and WHEN ALL THE WORLD IS YOUNG.

The Shubert brothers asked Sigmund Romberg and his collaborator, Dorothy Donnelly, to turn the tale into an operetta. Finally the musical opened at Jolson's 59th Street Theatre in New York on December 2, 1924. It was an immediate success.

THE WORLD'S FAVORITE SHOWPIECES, (RCA LSC 3302), features Eugene Ormandy and the Philadelphia Orchestra and Chorus performing Jean Sibelius' FINLANDIA.

Today FINLANDIA is an extremely popular and frequently performed showpiece for symphony orchestra. It was born of an intense nationalistic fever that swept the composer's homeland following a series of repressive measures taken against Finland by her neighbor, Romanov Russia, in the closing years of the 19th century.

Following World War Two, FINLANDIA was adopted as Finland's national anthem.

William Billings is generally considered to be America's first major composer. His music will be found in a record produced by John McClure, THE CONTINENTAL HARMONY MUSIC OF WILLIAM BILLINGS, (Columbia MS 7277).

He was born in Boston on October 7, 1746. Although by trade a tanner, he devoted himself almost exclusively to music. He was a teacher, conductor, composer and even a music publisher, bringing out several collections of his own works. The first of these was issued in 1770 and the last in 1794.

Billings received little formal music training. He came to believe that his lack of musical education was a plus as it placed no artificial limits on his inventiveness.

Stan Laurel, (the thin one), and Oliver Hardy formed a comedy team that lasted for 31 years. They made countless short films starting at the Hal Roach Studios in 1926.

Both comedians began their careers at an early age. Stan Laurel made his first appearance in English vaudeville at the age of 16, and for 20 years thereafter toured the world as a singer-comedian.

Oliver Hardy was born in Georgia. He appeared on Southern minstrel stages at the age of eight as a singer.

Both men were master pantomimists of the silent screen but had no difficulty in adjusting to sound movies as so many of their contemporaries.

The recording LAUREL AND HARDY, (Mark 56 Record 579), is an original soundtrack of 16 of their short films.

Reading the backs of record slip cases can be fun — try it.

GP Park Lists Tennis Results

The Park's tennis tournament was held late last month and the annual event was reported a smashing success. Although not all players were able to take home a trophy, everyone played their best and a good time was had by all, officials note. Trophies were presented at a party for all participants following the final matches on Saturday, July 29.

In the girls 12-and-under singles division, Stephanie Schulte captured first place and Linda Feola was runner-up. Kris Schulte took first place in the girls 14-and-under singles category with Kathy Hull as the runner-up. First place for 16-and-under girls singles went to Anne Day and Dede Tocco was runner-up.

Boys 12-and-under singles champion was Chris Baechler and David Brooks was runner-up. Bill Winzer defeated Todd McCoy to capture first place in boys 14-and-under singles. In boys 16-and-under singles, Jimmy Williams was first with Jeff Peterson as runner-up.

In the children's doubles events the team of L. Feola and C. Burton defeated M.B. Turner and S. Mayer to take home the first place trophies for the girls 14-and-under doubles.

Boys 16-and-under doubles winners were T. McCoy and L. Bauer with B. Winzer and T. Mutschall, runners-up.

In the adult events, women's singles was won by Jennifer Tewes for the second year in a row, and the runner-up was Chee Chee Williams. First place in the men's singles went to Len Winzer and Don Benschback was runner-up.

Women's doubles was won by Jennifer Tewes and Ninfa Tocco for the second year in a row. Runners-up were Carol Tyler and Ronna York. Bill Crandall and John Thomson defeated the team of Tony Tewes and Bill Hodgeman to win men's doubles.

Mixed doubles trophies for first place were won by the team of Megan McMahon and Tom Smith and the runners-up were Tony and Nancy Tewes.

Austin Gives 10 Diplomas

Ten Austin students received their diplomas from Austin Prep School, 18300 East Warren, on Sunday, July 23.

The ceremony took place in the Austin student chapel with a reception for graduates and guests in the school lobby. These students elected to attend an accelerated summer program to receive their Austin diplomas.

The graduates increased the number of Austin Alumni to 3,212.

Assistant Principal Thomas Bailey presented diplomas to David Alexander Caragay, David James Hinz, Thomas John Gallagher, Michael Francis Ruwart, Gary John LaFood, Michael Anthony Shaleb, Douglas James LaVerdiere, Theodore Gerard Van Antwerp, Steven Edward Levick and Kevin Andrew Tate.

VITALLY IMPORTANT  
Children learn to speak by imitating sounds they hear. For this reason it is vitally important very young children do not suffer from undetected hearing losses, according to officials of the Bellone Crusade for Hearing Conservation.

INVEST! IN YOUR OWN PROPERTY

Construction costs have doubled in the past 10 years and real estate values have increased accordingly.

If you invested, today, in improving your property (residential or commercial) the value of your property will increase immediately and CONTINUE to increase along with the costs of construction and real estate.

The real estate you own is today's best investment. What would the value be, today, of a luxury automobile purchased 10 years ago? In comparison, an improvement to your property would have DOUBLED in value over the same period!

If you've been thinking of improving your property, DO IT NOW! With financing rates at their present low and construction costs continuing to rise, why hesitate?

CUSTOMCRAFT will remodel to suit your wants . . . and we do the whole job, from planning to finish. We protect you with straight forward advice, detailed specifications, honest price and expert workmanship. Call today for a no obligation consultation.

## Planning A Perfect Midsummer Party

The Assistance League to the Northeast Guidance Center, under president MRS. DOUGLAS COOKE, (left), promises a "Midsummer Night's Dream" of a party Saturday, August 19. For setting, take the Renaud road garden of Mr. and Mrs. TROY W. MASCHMEYER, (center), with its pool and trees and flowers. Add men in black tie, (optional, but VERY nice), and lovely ladies like KATHY MASCHMEYER, (right), in floating summer frocks. Add cocktails, and hors d'oeuvres, and music... Mix well, and you have a 6 to 10 o'clock dream of an evening. Donation is \$35 per couple. Reservation information may be obtained by calling 886-3566.

## Assistance League Dreams Up Party

### Troy Maschmeyer Home to Be Setting for Cocktail Gala Benefitting Northeast Guidance Center

Summer breezes at sunset, moonlight reflecting in a pool, friends in their finery, an abundance of hors d'oeuvres complementing appropriate libations... it promises to be a Midsummer Night's Dream of a garden cocktail party Saturday, August 19, at the Renaud road home of Mr. and Mrs. Troy W. Maschmeyer.

The 6 to 10 o'clock, black tie optional event is the Assistance League to the Northeast Guidance Center's first fundraiser of the 1978-79 season.

The NEGC is the professionally staffed, major community mental health center which serves northeast Detroit, all of Grosse Pointe and Harper Woods.

The Assistance League is its auxiliary, dedicated to promotion of the facility and fund-raising for it. League president this year is Ellen (Mrs. Douglas) Cooke, who has been working for several months with the Maschmeyers, planning the summer celebration.

Early arrivals will be entertained by Debbie Lisotto, a recent contender in the Miss Michigan contest, playing her favorites on the piano and organ.

Debbie is the daughter of Mr. and Mrs. V. J. Lisotto; Mrs. Lisotto is a past-president of the Assistance League.

Later in the evening Art

Quatro's group, favorite entertainers at the Maschmeyer home, will be the strolling musicians.

The catered hors d'oeuvres will be augmented by a sampling of some of the Assistance League's favorite recipes from "The Happy Hostess Entertains," the league's own cookbook.

A sweet table is designed to tempt the palates of even the strictest of dieters.

The evening is under the aegis of co-chairpersons Mrs. Robert Vallee and Mrs. Robert Jay, whose committee includes the Mesdames Donald Austin, David Belfore, Arthur Berendt, Carl Berndt, Carmon Cisco, Sally DeSandy, William Fiscus, Norman Koester, Robert Lucas, Gary Mitchell, Susan Moore, David Olson, Arthur Pfannen-schmidt, David Rieser, George Shammass, Harold Shannon, Robert Waldeck and Donald Willis.

Donation is \$35 per couple. Reservation information may be obtained by calling 886-3566.

TOPHER D. McCORMICK, son of MR. and MRS. P. C. McCORMICK, of Devonshire road, has been promoted to Airman, having completed

technical training at Chanute Air Force Base, Ill. He has been assigned to K. I. Sawyer Air Force Base, Mich. (Continued on Page 23)

## From Another Pointe of View

By Janet Mueller

Ever wonder where the money raised through benefit fairs, parties, teas and other events goes? Take an organization like The Historic Memorials Society in Detroit: obviously, (given its name), funds raised via the society's annual Heritage Day Fair will be allocated to "historical" projects.

But just what ARE those historical projects?

Here's what happened to the proceeds from this year's Heritage Day Fair, held February 22 at the Grosse Pointe War Memorial:

Some went to Fort Wayne, for continuing restoration projects. Some went to the Education Department of the Detroit Historical Museum. Some went to the restoration of Orchestra Hall.

An allocation was made for the lamination of historic/old papers for the Detroit Public Library's Burton Historical Collection.

Funds were awarded to the Veterans Memorial Parkway in Grosse Pointe Woods, and to the St. Clair Shores Historical Commission's Selinsky-Green House Restoration Project.

Two students of American History — Wayne State's Perry Jamieson and University of Detroit's Mark Yurchock — shared the society's Michigan Award.

Both are outstanding young scholars, making a lasting contribution to the understanding of our country's beginnings.

## Pregnancy Aid Seeks Officers

Officers of Pregnancy Aid, Inc., located at 17215 Mack avenue near Cadieux road, will be installed at the first fall meeting of the organization's fifth year Thursday, September 7, at 8 in the evening in Saint John Hospital's Meeting Room A.

Incoming president is July Hellmich. Vice-president is Delores Blohm. Corresponding and recording secretaries are, respectively, Barbara D'Annibale and Joanne Kramer. Treasurer is Ann Garska.

Pregnancy Aid, a non-profit, volunteer organization offering emotional and material assistance to women facing problem pregnancies, is affiliated with a worldwide chain of abortion alternative organizations.

Pregnancy Aid has assisted nearly 1,100 clients in continuing their pregnancies.

Pregnancy Aid functions only through volunteers, and more must be recruited and trained if the organization is to expand hours and services. A filmstrip detailing Pregnancy Aid's work is available for showing at meetings or to any interested group.

Prospective clients, donors and volunteers may call the office, 882-1000, for further information.

## Mourads Entertaining Visitors from Afar

Mr. and Mrs. Philip A. Mourad, of Three Mile drive, are entertaining her sister, Adia Matouk, from Beirut, Lebanon, and Mrs. Matouk's grandson, Teddy Curmi, originally from Beirut, now (since the war in the Middle East), of Paris, France, where he is a student at the Ecole Normale Supérieur des Enseignements Techniques.

The visitors are being shown the best of everything in Michigan by the entire Mourad family. Teddy was particularly impressed by the University of Michigan; upon his graduation from the Ecole Normale Supérieur in Paris, he plans to return to Michigan to finish his electronic engineering studies at the U. of M.

Vacationing in northern Michigan after their wedding Saturday, August 5, at Saint Philomena Church and a champagne luncheon reception in the Grosse Pointe War Memorial's Crystal Ballroom are Mr. and Mrs. Jonathan Ellis Mogle.

She is the former Carol Ann Craite, daughter of Dr. and Mrs. Donald Joseph Craite, of Manor

avenue. The bridegroom is the son of Mr. and Mrs. Richard Mogle, of Redford.

## Busy Summer Season For Beta Sigma Phis

A busy summer began June 13 for the Xi Alpha Omega Chapter of Beta Sigma Phi with an evening meeting at the Hunt Club drive home of Karen (Mrs. James) Berschback, to plan activities for the coming year.

Members and their families gathered June 29 for a picnic at the Woods Park. During July and August, each committee chairperson is holding an individual meeting to plan social and cultural events for 1978-79.

The year begins officially Wednesday, September 6, with a potluck dinner meeting at Karen Berschback's home, where plans for the season will be finalized.

The newlyweds will be making their home in East Lansing while they complete their studies at Michigan State University.

Father Richard Bass and Father Peter Lentine officiated at the 11:30 o'clock rites for which the bride chose a gown of white chiffon accented with Duchess lace.

Matching lace appliques accented her veil, and she

## Booth-Myers Vows Spoken in New York

Winifred Rogers Myers, daughter of Mrs. Eugene Rogers Myers, of Ruxton, Md., and the late Mr. Myers, was married Friday, August 4, to Ralph Harman Booth, II, son of Mr. and Mrs. John Lord Booth, of Lakeshore road.

The Reverend Warren Raymond Webster, II, officiated at the ceremony at Saint James Episcopal Church in New York, where a reception followed at the Colony Club.

Pamela Muller was maid

of honor. Other attendants were Elizabeth Crane, Deborah Simpson and Mrs. John Lord Booth, II.

The bride was given in marriage by Alan D. Yarbro. John Lord Booth served as best man for his son.

The new Mrs. Booth attended Saint Paul's School for Girls in Brooklandville, Md., and Marjorie Webster Junior College, Washington, D.C. She was presented to society at the Bachelors Cotillion in Baltimore, Md.

She is the granddaughter of the late Mr. and Mrs. Edward Philip Franke and Mr. and Mrs. Eugene Rogers Myers, both of Baltimore.

The bridegroom, who attended the Hotchkiss School in Lakeville, Conn., and Harvard College, is a vice-president of Booth America Company, a diversified communications organization.

His father is president and chairman of Booth America Company. His grandfather, the late Ralph Harman Booth, was a co-founder of Booth Newspapers, Inc., founding president of the Arts Commission of the City of Detroit and served as United States Ambassador to Denmark.

The bridegroom's maternal grandparents were the late Mr. and Mrs. Charles Melville Camper.

The newlyweds will return from their wedding trip to reside in The Farms.

## Ford Evening for Founders

The Arts Commission of the City of Detroit and the trustees of the Founders Society Detroit Institute of Arts have bid Founders' members to a two-part exhibition and film premier Tuesday evening, August 15, from 7:30 to 10 o'clock at the museum.

nounced by the bride-elect's parents, Mr. and Mrs. James H. Wetters, of Auburn. A November 18 wedding is planned.

## Marie McKee Is A Winner

Marie McKee, daughter of Mr. and Mrs. Bradshaw McKee, of Kenwood court, has been named 1978 Woman Athlete of the Year by the student government at the National Technical Institute for the Deaf in Rochester, N.Y.

NTID is located on the campus of the Rochester Institute of Technology, and Ms. McKee also was named RIT Athlete of the Week for her tennis exploits last fall.

Only one other woman in RIT athletics history has received that honor.

Ms. McKee, a freshman, compiled an 8-1 win-lose record in last fall's intercollegiate tennis competition, helping the RIT women's team to its finest season ever with an 8-2 mark.

Her only defeat, 3-6, 4-6, was at the hands of a member of the Rochester area's top-ranked women's team.

"Marie has great team spirit and great rapport with the other girls," says Ann Nealon, coach of the RIT women's team. "She didn't seem to care if I played her first, second or third singles."

Coach Nealon terms Marie's strength in her "steadiness and depth to her ground strokes. She keeps her opponents pinned to the backcourt."

Ms. McKee plans to be graduated in 1980 with an Associates degree in Medical

Records. NTID is the world's largest technical college for the deaf. It represents the first effort anywhere to educate large numbers of deaf students within a college campus planned primarily for hearing students.

Nearly 950 hearing-impaired students from 49 states and Puerto Rico reside on campus with 6,500 hearing students.

## Dorati Selects Two Detroit Symphony Orchestra Fellows

The Detroit Symphony Orchestra has announced the Dorati Fellowship Program, a new artistic development project which will begin in the 1978-79 concert season. Under guidelines established for this program, a conductor and an instrument-

talist are to be selected by Maestro Antal Dorati to serve the DSO as fellows in their respective departments for one season only. For 1978-79 Maestro Dorati has selected as conductor fellow Martin Fischer-Dieskau, a young German-born

conductor, and as instrumentalist fellow David C. Thomas, a double bass player who is a native Detroit. The fellowships are intended to provide exposure to such talent which merit this help, and also are designed to be of practical use to the orchestra.

The fellowships are to be granted for musical merit or promise, without regard to race, creed or nationality. Maestro Dorati, commenting on his choice of fellowship candidates, said: "Part of the orchestra's responsibility as a vigorous, contributing cultural institution is to open its doors to talented

young musicians and to provide opportunities or positions in which they may develop and demonstrate their abilities.

"I hope that both gentlemen will benefit from their experience with the orchestra, and that they will be of value to the DSO as well. The Detroit Symphony looks forward to welcoming these two talents to our stage."

As a conductor fellow, Fischer-Dieskau will be responsible for helping develop and conduct the Detroit Symphony Youth Orchestra. He will attend all rehearsals and concerts of the Detroit Symphony Orchestra to assist as directed by Maestro Dorati.

Fischer-Dieskau also will conduct some children's concerts during the season.

The new instrumentalist fellow, David C. Thomas, will perform with the orchestra.

## Morning Marriage for Miss Fountain

Detroit Boat Club Reception Follows Rites in Memorial Church at Which She Becomes Bride of William Peare Henckel

Mary Elizabeth Fountain wore her mother's wedding gown of white lace over satin, styled with a long skirt ending in a chapel train and buttoned at the back from neck to center bodice, for her own marriage to William Peare Henckel.

She wore baby's-breath in her hair and carried a nosegay of baby's-breath, stephanotis and trailing ivy.

The bride, a Kenyon College graduate, is the daughter of Mr. and Mrs. F.D. Fountain, of Kerby road.

The bridegroom, a University of New Mexico graduate who has been making his home in Jerome, Ariz., is the son of Mr. and Mrs. George C. Henckel, Jr., of Anaheim, Calif.

The newlyweds are at home in Jerome. They have com-

pleted work at Northern Arizona University for their Masters degrees in Anthropology.

The late morning ceremony Saturday, July 15, was followed by a reception at the Detroit Boat Club. The Reverend John McCreight presided at the 11:30 o'clock rites in Grosse Pointe Memorial Church.

Honor matron Donna Majewski Burns, of Portales, N.M., and bridesmaids Carol A. Chope, Mrs. Blake Zoefel, of Princeton, N.J., and Cynthia Loesch, of Alexandria, Va., wore frocks of lemon yellow Qiana, styled with long, pleated skirts, and carried baskets of baby's-breath and trailing ivy.

Best man was D. Richard Elliott, of Albuquerque, N.M. In the usher corps were George C. Henckel, III, of Grants, N.M., and Robert P. Henckel, of Tucson, Ariz., brothers of the bridegroom.

and John S. Fountain, brother of the bride. The mother of the bride wore a long gown of lilac champagne chiffon. The bridegroom's mother selected a toast-colored gown, also formal length. Gardenias formed both mothers' corsages. The bridegroom's grand-

mother, Mrs. Willard Peare, selected a green and white floral print. Her corsage, too, was a gardenia. Master and mistress of ceremonies were Mr. and Mrs. Shepard Norton. Mrs. Norton wore a long, black and white floral print, with a gardenia corsage.

## Rumora-Jourdan Vows Are Spoken

She Selects Lace-Accented White Qiana Gown for Mid-June Rites; Reception Is Held at Ann Arbor's Campus Inn

At home in Royal Oak are Mr. and Mrs. James Lindholm Rumora, who vacationed in Nassau following their wedding Saturday, June 17, in Westminster Presbyterian Church, Ann Arbor.

Mrs. Rumora is the former Susan Elizabeth Jourdan, daughter of Mr. and Mrs. George William Jourdan, of Ann Arbor.

Mr. Rumora is the son of the Matthew George Rumoras, of Moran road.

The rites at which The Reverend Charles Genseimer and Father Charles Irvin officiated were followed by a reception in the Regency Room of the Campus Inn.

The bride's gown of sheer white Qiana was styled with a high, lace-circled neckline, a high-waisted bodice and long, fitted sleeves. A train fell from her shoulders.

She carried a cascade of white roses, ivy, stephanotis, snowflake mums and baby's-breath, and wore a crown of matching flowers in her hair.

Honor attendant Phyllis MacDonald, of Ann Arbor, and bridesmaids Pamela Marcis, of East Lansing, Kathy Osgood, of Troy, and

Dorothy MacDonald, of Hudsonville, wore pale mint green frocks with long, chiffon sashes, and chiffon capelets.

They carried baskets filled with multi-colored garden flowers. Their sashes were clasped at back with a few matching flowers.

Best man was Peter Hess, of Montpelier, Vt. In the usher corps were James Bolz, Mark Wiedelman, Ford H. Wheatley, Keith Mahoney, John Sandrock, James Blenman and Robert W. Jourdan, brother of the bride.

The mother of the bride wore a pale turquoise, Grecian style gown. Her corsage was a white gardenia. The bridegroom's mother selected flowing maize chiffon and a white cattleya orchid corsage.

## Miss Dossin to Say Vows

Mr. and Mrs. Thomas R. Dossin, of Maumee avenue, are announcing the engagement of their daughter, Jennifer, to Daniel Levine, son of Mr. and Mrs. Harold Levine, of Denver, Colo. They plan an early October wedding.

Miss Dossin received her Bachelor of Arts degree cum laude from Smith College, her Master of Fine Arts degree from the Rochester Institute of Technology.

For the past year she has been affiliated with E. P. Dutton, Publishers, New

York City, as a book designer.

Her fiancé attended Tulane University and holds a Bachelor of Fine Arts degree from Colorado University, a Master of Science degree from the Rochester Institute of Technology where he is now a professor in the School of Printing.

He is a member of the Society of Photographic Scientists and Engineers and the Technical Association of Graphic Arts.

## WSU Alumni Schedule Special Event Season

Former students of Wayne State University are invited to a series of special events planned by the WSU Alumni Association, beginning Friday, August 18, with an excursion to Meadow Brook for the Cleo Laine concert.

A catered box lunch with champagne, motor coach transportation and lawn seating are on the outing's agenda.

September events include a Black History Tour to "Uncle Tom's Cabin" in Dresden, Ont., September 24, and a September 30 dinner theatre excursion to the Black Sheep Tavern in the Irish Hills.

Alumni House on the Wayne State campus can furnish additional information. The number to call for reservations is 577-2166.

## AGENTS PREFER CRUISING—SO SHOULD THEIR CLIENTS

It seems that at long last at least an inkling of proof has leaked out supporting what was so long suspected—that travel agents, given a free choice of a vacation for themselves, would overwhelmingly select a cruise. According to the International Passenger Ship Association (IPSA) which had the survey made, 86% of the agents chose a cruise over a resort vacation, an air tour or a motor trip. And that fact, said IPSA, shows that travel-perceptive agents themselves realize the unique travel product that a cruise is. Cruising is 'the' package vacation—one price does it for accommodations, travel, food and entertainment. Add to this only the drinks you want to drink and the ship or shore shops you want to shop.

While we offer a variety of destinations, itineraries, and sailing dates, we realize your personal tastes must be taken into consideration. For that reason we recommend that you spend a few minutes with us. We can help you decide which is the best cruise for you; which stateroom best meets your needs; which time of year best fits your plans. Call the Cruise Desk at TRAVELWORLD, 882-8190.

## From Another Pointe of View

(Continued from Page 17)

These allocations were made this year, during the presidency of Mrs. B. H. French, and they are part of a pattern.

The Historic Memorials Society, one of a few organizations working for the preservation and restoration of historical artifacts and landmarks on a continuing basis, has contributed more than \$35,000 to projects in the Detroit metropolitan area.

Over the years, the society has awarded donations to the Dossin Great Lakes, Detroit Historical and Fort Wayne Military Museums; to the Burton Collection, Mariners' and Ste. Anne Churches, Elmwood Cemetery and Pewabic Pottery.

## Garden Club Council Gifts

Closer to home, consider how funds raised via the Grosse Pointe Garden Club Council's June Garden Tours have added beauty to all our lives.

In April, \$2,800 worth of trees was planted in the islands along Lakeshore road. Thanks to this June's successful tour, new trees will sprout in another five or six Lakeshore islands next spring.

## Fall Wedding Plans Are Made

Plans for a September 9 wedding in Ann Arbor are

being made by Nancy Keppelman and Michael Eric Smerza, of Ann Arbor, whose engagement has been announced by her parents, Mr. and Mrs. H. Thomas Keppelman, of Moran road.

## International Education Conference Scheduled

Plans for a September 9

Alice M. Brown, of Barrington road, is treasurer of the World Educational Conference which will bring educators and academic specialists from around the world to Eastern Michigan University Tuesday through Saturday, August 15 to 19.

Her fiancé, son of Mr. and Mrs. Leo Smerza, of Belleville, was graduated from Belleville High School and attended the University of Michigan.

Participants will include British world trend analyst James Hemming and American educator Alice Miel.

He was equally active in music programs at the University of Illinois, where he majored in Music Education under two scholarships.

While still a college student, Thomas was invited to teach Theory and Bass at a special school for gifted children in Winston-Salem, N.C.

In 1965 he became principal bass of the National Symphony Orchestra of Peru, a position he held until 1968 when he became a member of the RTVF Symphony Orchestra of Spain.

While living abroad, Thomas has aired his Conference-Demonstration of the Bass in Modern Music at the invitation of Spanish television.

## Fellows

(Continued from Page 20) tra at all concerts and rehearsals throughout the concert year in his fellowship status.

Martin Fischer-Dieskau, born in Berlin in 1954, was 19 when he made his conducting debut with Haydn's opera "Il Mondo Della Luna."

As artistic head of the opera group Junges Ensemble Berlin he gained successes with various productions in Germany as well as in Stockholm's Drottningholm Theater and at the 1975 Helsinki Festival.

At the Hochschule der Künste Berlin, Fischer-Dieskau received his training in violin, piano, composition and conducting. In 1976 he completed studies in Siena, Italy, where he received the "diploma di merito" from Maestro Franco Ferrara.

That same year he captured first prize in Germany's Podium of Young Artists conducting competition.

David C. Thomas, born in Detroit in 1943, began to study the double bass at 14. Moving to Chicago in 1957, Thomas played with that city's Youth Orchestra and performed in his high school's orchestra, band and chorus.

## Zaranek-Berdan Rites Celebrated

Papal Blessing Bestowed upon Couple During Mid-July Rites; William H. Berdan, S.J., Officiates at His Niece's Wedding

Mr. and Mrs. Richard James Zaranek, who motored to the West Coast following their marriage Saturday, July 15, in Holy Cross Catholic Church, Marine City, are returning to make their

Both the bride, the former Patricia Susan Berdan, daughter of Mr. and Mrs. Frank W. Berdan, of Mount Clemens, and the bridegroom, son of Mr. and Mrs. Casimir S. Zaranek, of Anita avenue, and grandson of the late Jules De Porre, former Mayor of Grosse Pointe Woods, and the late Mrs. De Porre, hold Masters degrees in Education from the University of Michigan.

Father William H. Berdan, S. J., uncle of the bride, presided at the noon ceremony during which a Papal Bless-

They were Empire style, fashioned of white chiffon over cream tulle, with matching, elbow-length Qiana capes. Long-stemmed peach and white roses formed the honor maid and bridesmaids' cascade bouquets.

Stephen Zaranek was his brother's best man. Ushering were Pierre, Louis and Robert Zaranek, three other brothers, David Berdan, the bride's brother, and Mr. Burns.

The bride's mother was in apricot silk shantung, the bridegroom's mother in yellow chiffon. Both gowns were waltz length. A white orchid formed Mrs. Berdan's corsage. Mrs. Zaranek selected a yellow orchid.

The double ring rites were followed by a luncheon reception at the St. Clair Inn. Ivory satin and Venice lace trimmed the former Miss Berdan's ivory silk organza gown. Matching lace accented her cathedral length mantilla, and she carried a cascade of long-stemmed, white roses, stephanotis and ivy.

Mary Ann Berdan was honor maid for her sister. Bridesmaids were Dr. Karen Stuck, Mrs. Pierre Zaranek, Mrs. Scott Burns, Mrs. Scott Schaldenbrand and Mrs. Louise Zaranek, who designed and made all the attendants' gowns.

## Festival Offers Four Concerts

Neville Marriner, Meadow Brook Music Festival's recently-appointed artistic director, will conduct the Detroit Symphony Orchestra Thursday and Saturday, August 10 and 12.

Marriner, an internationally-acclaimed British conductor, made his Meadow Brook debut last summer. He recently completed a three-year term as artistic director of the South Bank Summer Music Festival in London. He currently serves as

music director of the Los Angeles Chamber Orchestra. He recently was appointed music director of the Minnesota Symphony Orchestra.

Featured pianists are Peter Serkin this evening, Claudio Arrau on Saturday. Pavilion seats, ranging from \$7 to \$9, and lawn tickets at \$4 each are available for both concerts.

Highlighting Meadow Brook's Friday Jazz Series August 11 is trumpeter and flugelhorn player Chuck Mangione.

The musician/composer is well-known for his recordings and concert appearances. His unique sounds have earned seven Grammy nominations and one Gram-

OF THE CITY COUNCIL, ACTING AS A BOARD OF APPEALS UNDER THE PROVISIONS OF THE ZONING ORDINANCE OF THE

**CITY OF Grosse Pointe Woods MICHIGAN**

NOTICE IS HEREBY GIVEN that the City Council, meeting as a Board of Appeals under the provisions of Section 5-11-8 of the 1975 City Code of Grosse Pointe Woods, will meet in the Council-Court Room of the Municipal Building, 20025 Mack Avenue, Grosse Pointe Woods, on

**MONDAY EVENING, August 21, 1978** at 7:30 p.m. o'clock to hear the appeal of James Sansoterra, 801 South Oxford, who is appealing the denial of the Building Inspector to issue a Building Permit for property described as:

The westerly 45 feet of Lot 219 and the easterly 40 feet of Lot 220 of Arthur J. Scully's Eastmoreland Park Subdivision. Mr. Sansoterra is proposing to remodel an existing porch at 801 South Oxford. A Building Permit was denied because Section 5-4-1(D) of the 1975 City Code requires a minimum of 35 feet for the rear yard setback for a home in a single-family residential district. Mr. Sansoterra's proposed porch would extend 1.3 feet into the rear yard setback and is therefore requesting a variance from the Board of Appeals from the provisions of Section 5-4-1(D).

This will be a public hearing and all interested parties are invited to attend.

**CITY OF Grosse Pointe Woods MICHIGAN**

NOTICE IS HEREBY GIVEN that the City Council will be considering the following proposed ordinance for second reading and final adoption at its meeting scheduled for August 21, 1978. The proposed ordinance is available for public inspection at the Municipal Building, 20025 Mack Avenue, between 8:30 a.m. and 5:00 p.m. Monday through Friday.

**PROPOSED ORDINANCE**

AN ORDINANCE TO AMEND TITLE VI, CHAPTER 4 OF THE CITY CODE OF THE CITY OF GROSSE POINTE WOODS OF 1975 ENTITLED "SIGNS" BY ADDING THERETO SECTIONS TO DEFINE AND REGULATE PORTABLE SIGNS.

THE CITY OF GROSSE POINTE WOODS ORDAINS:

Section 1. That Title VI, Chapter 4 of the City of Grosse Pointe Woods of 1975 be amended by adding thereto the following sections:

6-4-22 PORTABLE SIGNS: The term PORTABLE SIGN shall mean any sign or display board, lighting panel or similar device mounted upon a trailer or upon its own frame and wheels and not being a ground sign or pole sign as defined in this Chapter.

6-4-23 CITY COUNCIL PERMISSION REQUIRED: No portable sign shall be displayed upon any land within the City without prior approval for such display having been obtained from the City Council.

6-4-24 REQUIREMENTS FOR COUNCIL APPROVAL: The City Council shall not signify its approval for the display of a portable sign unless the following requirements have been met:

- That such proposed display shall be for definite definite consecutive dates not to exceed seven (7) days;
- That the Director of Public Safety or his designated representative shall certify to the City Council that the proposed location of the portable sign will not cause traffic congestion, impede traffic, block access to off-street parking spaces, conflict with traffic signalization or signage, or otherwise interfere with orderly traffic movement;
- That the proposed location of the portable sign shall not be on any public right-of-way;
- That the proposed portable sign shall not consist of or utilize flashing lights, beacons or search lights;
- That the proposed location for the placement of the portable sign shall not be closer than ten (10) feet from any driveway, road, street, alley, sidewalk or other public property, nor placed upon any property other than where the business or product advertised is located or sold. Non-profit organizations may advertise fund raising events and similar occasions on other than their own property if written permission of the owner of the proposed location accompanies the application.

f) That each application for a permit for a portable sign shall include a description or sketch showing how such sign shall be affixed to the ground or some stationary structure which will prevent the sign from rolling, tumbling, blowing, or being pushed onto any driveway, street, alley, or other public property;

g) That not more than one (1) portable sign shall be permitted to be displayed on any premises for more than a seven (7) day period within a calendar year. For the purposes of this subsection, a shopping center shall be considered one (1) premise;

h) That no portable sign shall exceed twenty (20) square feet in area.

6-4-25 APPLICATIONS: Application for a portable sign installation shall be submitted to the Building Inspection Division. The application shall be reviewed by the Division and if found to be complete and in compliance with the provisions of this Chapter, such compliance shall be noted upon the application. The application shall then be referred to the Director of Public Safety, or his designated representative, who shall review same and shall note thereon that the application complies with the traffic safety requirements. Upon completion of such review, the application shall be referred to the City Council. Upon approval of the application by the City Council, the applicant shall be issued the necessary portable sign permit upon payment of the required fee applicable to sign permits.

Section 2. EFFECTIVE DATE This Ordinance shall become effective twenty (20) days after the date of its enactment

Reach Into The Beene Bag... for fashion. At Walton-Pierce we love the new Beene Bag bolero of camel color wool stitched with purple and edged with camel braid. It is meant to go with a camel and purple paisley wool and cotton blend shirt that has a new little collar with three narrow velvet ribbons to tie under it. The paisley skirt is on a wide band and falls gracefully with a pleat in front. Market predictions are that it will be a great sweater season and we can see why with so many good styles and interesting wool blends from which to choose. There is a wool and mohair sweater from Hark that is cut like a jacket. It comes in brown or gray and would be a fine choice to top those blouses and skirts you're collecting. Also from Hark is a sportive sweater with a roll-over collar. It comes in russet or butter. For a dressier look mohair and nylon combine for a soft white sweater with a collar that has an almost ruffled effect. You'll be glad to know that there is a new collection of Loubella polyester pants that are washable and come in black, brown, tan, green or red. From George Masket has come an angora and wool cowl neck sweater in creamy beige or in fall's favorite heather tone. All shades of purple are important in the fashion palette this fall and George Masket has chosen several for his floral print skirt planned to go with a purple shirt.

Whether your home is old and quaint or still in the planning stages, you'll find the folks at Mutschler Kitchens have ideas galore for your kitchen, dining room, bedroom and family room. Stop in today and see their displays of Wood-Mode, Coppes and Rutt cabinets, 20227 Mack Avenue, 884-3700.

Provincial Pine... makes the most useful and decorative things. See the pine holder with copper measuring spoons and cups at the Notre Dame Pharmacy in the Gift Department. There are also cheese boards, candle holders and other pieces.

The Crisp Blue Skies of Colorado give you an opportunity to experience the feeling of being one with the wind. Learn to pilot your own hot air balloon at Balloon Ranch. It's small. It's rustic and it's different. Travelwise Travelers always ask for Mr. Q. 886-0500.

At Martha's Closet you will find the casual look... a look that counts... a whole new way of sweater dressing. For daytime wear, a short white poodle knit jacket with leather buttons, a pebble brown pullover sleeveless vest with crocheted yoke, or a short one button jacket in marble gray or sandstone. For evenings, a lacy white long sleeve cowl neck by Hark, 375 Fisher Road.

The Celebrated Frogs... have just arrived at The Little Store, 17037 Kercheval. Among the frogs is a three piece frog bath set. Start or add to your collection. They make amusing gifts. Also see the adorable Turtle on Leaf.

The Pendleton Shipment... of fine wool coordinates in beautiful fall colors has arrived at Hartley's Country Lane, 20641 Mack.

Ron Ruel says... There are many women who at one time or another have made the mistake of getting a cut that turned out to be a total disaster for their hair type. The answer? A Pyrametric design cut. It's a cut that lets you work with your hair instead of against it. This cut will help you let your hair do its own thing while it does the most for your appearance. MRS. JOHN JAY, OF THORN TREE ROAD, (LEFT), AND MRS. JAMES C. BRUNO, OF MCKINLEY AVENUE

By Janet Mueller

They're both Barbaras. They're both married, with two children, and they both describe their families as sports-minded. They both have professional backgrounds: Barbara Jay is a teacher, Barbara Bruno as a social worker. They're both Friends of FLEC.

The Friends are Something New in Town—a group formed this spring to assist Grosse Pointe's Family Life Education Council, which has been around for quite a while now. Grosse Pointe has reason to be grateful for that.

And yet... somehow, FLEC's profile remains low. It's not that FLEC consciously tries to hide its light. It's a question of priorities, and FLEC's been busy doing.

Setting up, staffing and running Center Point Medical Clinic, for instance, where doctors, nurses and "patient advocates" volunteer to treat and counsel youth in all areas of sexual concern.

Training high school students to run the Alcohol Education Program in Grosse Pointe's elementary and middle schools. The idea is to get kids talking to kids, to use the peer group to "tell it like it is."

Providing an adult phone line: Dialogue, a confidential service, manned by volunteers trained in the Art of Listening, for men and women who need someone to whom they can voice their concerns.

FLEC's Friends will be doers, too. "Look," says Barbara Jay, "we realize that people in this community are pretty well committed, time-wise, to a number of volunteer organizations. Very good volunteer organizations."

"I feel very strongly about volunteers; I think our country wouldn't be what it is without them. America was made by volunteers."

Viva Volunteers—These people—these very qualified people, especially in a community like Grosse Pointe—are a vital part of the quality of our way of life.

Neither Barbara Bruno nor Barbara Jay want to draw volunteers from the hospital auxiliaries, the parent-teacher organizations, the community service groups to which they are already committed.

"Friends of FLEC is not an organization that will require a tremendous amount of time," they emphasize. "We'll have three or four coffee meetings during the year."

There's a Beautiful New Look... at Wicker World. See the natural furniture including a dresser, highboy, desk and accessories at 20643 Mack.

Hugh White... of Certified Floor Covering, 20531 Mack, says he doesn't sell low price carpeting; he sells quality carpeting at the lowest possible price. 884-5135.

See The SALE Window... full of 1/2 OFF items including brass pieces and pottery at Wright's Gift and Lamp Shop, 18650 Mack.

Planning A Party... Do you know that Perini's can take parties for groups of 20 or more from noon till 4 p.m. Tuesday, Wednesday, Thursday, Friday and Saturday? They will also take parties Tuesday, Wednesday and Thursday evenings. Private rooms are available and you'll like the reasonable prices in food and liquor. Call for reservations and menu arrangements. Business groups, retirement parties, bowling banquets, after funeral groups are welcome. Perini's is conveniently located at 10721 Whittier between Harper and Kelly with ample parking. Call 371-2484.

Eddie Straetman... is proud of the new Magic Score, a computer bowling score keeper at East Warren Lanes, 17225 East Warren (near Cadieux). There are twenty alleys and are openings for individuals and teams for bowling leagues this fall, morning, noon and evening. Stop and see all the improvements and remodeling. Call 885-0060 for more information.

Wool Coatings And Suitings... from the workrooms of Anne Klein and Calvin Klein are now at Designer's Touch Designer Fabrics, 16925 Harper.

VERMEULEN, of Broadstone road, ROBERT M. GOUGH, of Devonshire road, PAMELA M. BLOINK, of Kensington road, DEBORAH S. JEVONS, of River road, and MARYANNE J. BIDIGARE, of Blairmore road.

Receiving Bachelors degrees from Hope College, Holland, Mich., during spring commencement exercises were LOLA R. MAZZA, daughter of TONY MAZZA, of Aline drive, and STEPHEN G. ELIASON, son of MR. and MRS. PAUL G. ELIASON, of Balfour road.

FAYE HIGBIE, daughter of Pointers MR. and MRS. HUGO HIGBIE, was chosen a member of the Key Association for the 1978-79 year at Colby-Sawyer College, New London, N.H., where she is a sophomore majoring in Liberal Arts.

MR. and MRS. CHARLES RUTAN, Jr., of Fisher road, announce the birth of their first child, a son, CHARLES NICHOLAS, July 8. Mrs. Rutan is the former JUDITH ANN GEIS, daughter of MR. and MRS. WILLIAM GEIS, of East Detroit. Paternal grandparents are MR. and MRS. CHARLES R. RUTAN, of Barclay road.

Earning an Associate of Arts degree at Northwestern Michigan College, Traverse City, was JULIE A. MEURER. An Associate of Science degree was awarded to BRADFORD A. PURCELL, SUSAN D. BABCOCK and PETE D. WILSON earned Associate of Applied Science degrees, while SUSAN M. THOMAS was awarded a Certificate of Achievement in Practical Nursing. All are Pointers.

(they're both at Richard School), and Barbara is a Cub Scout Den Mother.

Junior Leaguer She took her Junior League Provisional Course last year. "I am absolutely fascinated by the City of Detroit. I loved learning about it, and I had no idea there was so much to learn!"

She helped at the Butzel Senior Citizen Home. She found Barbara the Social Worker, dormant by circumstances, was by no means dead. "I became involved in FLEC through the Junior League. I feel strongly about helping the community I'm living in, and I feel that FLEC helps us all."

When it came time to choose her area of volunteer work through the Junior League, there was no contest. Barbara, naturally, chose FLEC.

Like Barbara Jay, Barbara Bruno is a tennis player; in fact, the two have often played together. Alec and Gabby take tennis lessons at the Grosse Pointe Academy.

"We're very sports-minded. My son is in Little League baseball. My daughter took tumbling at the Neighborhood Club, (Gabby has also studied ballet; grace and strength go together).

Relax in North "My husband loves sailing and boats. My mother-in-law has a place up north, where we canoe... and fish; my husband and son love to fish." Barbara's private pleasures include reading, collecting art, decorating and travel. "We take a family vacation at least once a year." The last took them to Hilton Head, S.C., and Barbara would like to go back. Still: "I love to see new cities." She's been twice to El Sal-

Unit of Hutzel Hospital as Favorite Nurse of many patients.

Among them is Willie Mae Martin, admitted May 31 with respiratory problems.

A tracheotomy did not bring the required results... so, recently, physicians decided a nephritic pacemaker was needed to help Mrs. Martin "remember" to breathe.

As the date for surgery approached, Willie became more and more depressed. Did she fear surgery? No. Was she worried about her prognosis? No. And then, finally, the reason for Willie's gloom came out. She just wanted to "look pretty."

Well, now: Pam and Lynn Bobel quickly got the rest of the ICU together, and soon there were enough donations to pay the hospital beautician to come to Mrs. Martin's bedside and give her a haircut, shampoo and styling.

Willie went into the operation looking like a doll. She came out smelling like a rose. The operation was a success; the patient is doing, and looking, well.

### A Tour de Force

Phyllis (Mrs. Neal) Snow will serve as tour guide for Michigan Opera Theatre Guild's first opera tour to Europe, and getting such a knowledgeable—and delightful—leader is a tour de force for the MOT Guild.

For Phyllis is a true opera aficionado. She has served as a lecturer for opera groups in Detroit and her own Grosse Pointe, in Kalamazoo and in Farmington, and as a consultant to the New Cleveland Opera Company.

She has been involved with MOT since 1970, first as a volunteer, then as public relations director, currently as a trustee.

She is a member of the board of directors of the Detroit Grand Opera Association and the Music Hall Center for the Performing Arts. She holds a degree in Philosophy from the University of Michigan.

Now these are all very impressive credentials, but the main points about Phyllis-as-tour-leader are these: she's a very fun lady to be with and she's crazy about opera and she's a competent person.

"Mrs. Snow's infectious enthusiasm and sheer love of opera make her the perfect person to serve as tour guide," says Roberta Starkweather, guild chairperson.

"We're sure that with her knowledge of the art form and the operas being presented, Phyllis will help make the tour an enjoyable as well as an informative experience."

The MOT Guild tour, departing November 27, returning December 11, will visit Amsterdam, Vienna, Milan, Munich and Paris, and will feature seven performances in some of Europe's most exciting opera houses.

La Scala, of course, and the Staatsschouwburg in Amsterdam, and the Vienna State Opera, and the Paris Opera House... a detailed brochure may be obtained by writing Opera Tour, Michigan Opera Theatre, 350 Madison Avenue, Detroit, Michigan 48226.

vador. Her husband is Detroit's Consul for El Salvador. His best friend in college is now vice-president of that country, and the Brunos visited there when they were first married.

Barbara loved it then. A recent return visit confirmed her first impression.

Both Barbaras are officers of the Friends of FLEC, under President Ann Dissar. Barbara Bruno is in charge

of projects. Barbara Jay is recording secretary and by-laws chairman.

Both Barbaras would be delighted to have more Friends join them, as would membership chairman Eileen Mandarino, who may be reached at 882-1308. Information on FLEC may be obtained by writing the FLEC Office, 260 Chalfonte Avenue, Grosse Pointe Farms, Michigan 48236.
