

GENERAL ELECTION TUESDAY

HEADLINES of the WEEK

As Compiled by The
Grosse Pointe News

Thursday, October 26
TEAMSTERS PRESIDENT Frank Fitzsimmons surprised the Carter administration by announcing his conditional support for the President's new anti-inflation program. The President's plan, announced Tuesday, calls for a voluntary program aimed at cutting the present 9.5 percent inflation rate to between six and 6.5 percent. The plan includes a wage insurance tax rebate that would refund a portion of a worker's taxes if the inflation rate rose above the increase in wages received.

Friday, October 27
ISRAEL'S DECISION to expand Jewish settlements on the West Bank of the Jordan River caused a sharp dispute between that country and the U.S. and raised new questions about the future of Israeli-Egyptian peace talks. Although President Jimmy Carter personally protested the Israeli decision to Prime Minister Menachem Begin, Israeli Foreign Minister Moshe Dayan strongly defended the move upon his return to Washington, saying the decision was triggered by statements made by an American diplomat.

Saturday, October 28
THE CARTER ADMINISTRATION, seeking to prevent the dispute over Israel's expansion of West Bank settlements from impeding the Egyptian-Israeli peace talks, yesterday tried to put the issue aside, and keep negotiators driving toward a treaty. Israeli Foreign Minister Moshe Dayan said the dispute over the settlements on the West Bank of the Jordan River should not stand in the way of completing the treaty. But Egyptian Prime Minister Mustafa Khalil said in Cairo his country's two top negotiators to the talks have been called home for a weekend of consultations. He said the rest of the Egyptian delegation would remain in Washington and noted the recall was for purely "technical reasons."

Sunday, October 29
SOVIET FOREIGN MINISTER Andrei Gromyko Saturday labeled the 1978 Nobel Peace Prize "a joke" but humorously conceded that others probably did not share his opinion. The usually dour-faced diplomat broke into a smile when asked at a Paris news conference for his opinion of awarding the prize to Israeli Prime Minister Menachem Begin and Egyptian President Anwar Sadat. "Frankly, I think it resembles a sort of joke," he said.

Monday, October 30
ISRAELI PRIME MINISTER Menachem Begin, defying criticism from President Jimmy Carter, responded Sunday with a message defending Israel's right to strengthen Jewish settlements in the occupied territories, officials said. Cabinet secretary Arieh Naor refused to divulge the contents or even the tone of Mr. Begin's reply to the President. But Israel's National Radio reported it was worded "sharply and decisively."

Tuesday, October 31
ISRAEL AND EGYPT agreed to resume formal peace talks after a lapse of more than a week and a half, while Israel's chief negotiator predicted approval for a treaty in "a very short time." Egypt's acting foreign minister, Butros Ghali, announced the meetings would be resumed after both sides met with Secretary of State Cyrus Vance. Meanwhile, Israel announced it will build 400 housing units in occupied Arab territories, a move in its expansionist program that almost ruined the talks.

Tapes Case Lawsuit Is Settled

Consent Judgment Expected to Be Handed Down Today; Pact Reached Between Trustees, GPEA Executive Board

By Susan McDonald
Grosse Pointe Schools this week settled its suit against a teacher who secretly taped conversations with his supervisors when the teacher, Frank Creelman, agreed to pay \$500 damages to two administrators and to stop the surreptitious recording of conversations.

A formal consent judgment is expected to be handed down in Judge John Hausner's Wayne County Circuit Court room today, November 2. The 14-point agreement was approved by the School Board and teacher union's executive board on Monday, October 30.

Mr. Creelman, a social studies and shop teacher at Parcels Middle School, acknowledged taping conferences with administrators with a pocket machine over a one-year period.

Condemns Practice
The taping became public in September when Mr. Creelman presented transcripts as evidence in a School Board hearing of his grievances.

He said he made the tapes to protect himself against possible perjury by some administrators.

City Council Considers Sunday Opening Request

By Susan McDonald
While most of us haven't yet given a thought to Thanksgiving, shop owners in The Village are already making plans for Christmas, including an effort to convince the City Council to allow them to open their doors on Christmas Eve, which happens to fall on a Sunday this year.

A section of the City Code adopted in 1970 prohibits most of the Village businesses from opening on any Sunday. A petition, signed by 21 shop owners and managers in Kercheval avenue and presented to the council on Monday, October 23, asks that the law be amended to allow businesses to open on Sunday, only when that day falls on December 24.

Career Resource Center At North High School Proves Valuable Asset

All Segments of Community May Utilize Facility Which Provides Wealth of Information on Variety of Jobs; Open House Held for General Public on October 25

By Susan McDonald
Looking for a job? Or are you trying to decide what to study next fall in college? Or, maybe you've been working for many years and feel now's the time for a big career change. Whatever your situation, you're bound to find some help with any job-related inquiry among the computer terminals, film strips and library of brochures and pamphlets in North High School's Career Resource Center.

The center has been operating for almost a year as a resource to high school students, but made its debut before the general public at an open house Wednesday, October 25.

From now on, members of the adult community will be welcome every Wednesday from 1 to 4 p.m. and 7 to 9 p.m. (The center will be closed November 15 and 22, however.)

Flashing Info
For those not familiar with the mind boggling magnitude of information that can be flashed on screen at the touch of a computer key, the center's terminals, tied into the Michigan Occupational Information System, are astounding.

Let's say you're interested in becoming a lawyer. Ask the right question and the terminal will tell you what courses to take in high school, which colleges include law schools and how to apply, (including office phone numbers and tuition rates).

What are your chances of finding a job as a lawyer when you graduate in 1980? The computer makes a prediction: given the growth of consumer protection suits and prepaid legal service programs about 790 annual openings will exist in Michigan.

Of course it takes a bit of help for the novice to operate the computers. That's where North High Career Counselor Bonnie Garr, who staffs the center during the days, and para-professional Jayne Warner come in.

Two Main Areas
To make access easier for members of the community just beginning their search for an occupation, Mrs. Warner conducts an "Employability Skills" course through the school's Department of Community Services.

The class attracted mostly women this semester, "many (Continued on Page 2)

Symphony Opens Year On Nov. 12

Pianist Dr. Louis Nagel to Play at Silver Anniversary Year Concert

The Grosse Pointe Symphony Orchestra will play a Silver Anniversary Year concert, the first of the current season, on Sunday, November 12, in the auditorium of Parcels School, 20600 Mack avenue, at 3:30 p.m.

Since the 1950's this community orchestra, founded by the late Thomas Nester, has been playing some of the world's great classical music right on Grosse Pointe's doorstep — at a convenient location, at a desirable Sunday hour, at a moderate price.

The featured artist on the 12th will be pianist Dr. Louis Nagel, a member of the piano and piano literature faculty of the University of Michigan. He will perform the Concerto No. 4 in C Minor for Piano and Orchestra by Saint-Saens.

Plan Reception
Immediately following the concert a Silver Anniversary reception will be held, which will honor Mrs. Thomas Nester, widow of the founder, as well as orchestra charter members, including Bernard Whitley and Stanley Scottford, who continue to play with the group.

This festivity, to which the audience is invited, is being arranged by the Grosse Pointe Symphony Women's Ass'n.

Dr. Nagel, a native of Louisville, Ky., began his musical studies at the age of five and performed three times with the Louisville Orchestra as winner of its young pianist competition.

He earned his Bachelor, Master's and Doctoral degrees from Juilliard and later studied with the eminent Russian pianist Vladimir Ashkenazy. In addition to his University of Michigan post, he has been on the summer faculty of the National Music Camp at Interlochen and has given numerous master classes and lecture-recitals around the state.

Most Celebrated
His honors include the Frank Damrosch and Carl M. Roeder awards, the National Federation of Music Clubs first prize in piano, as well as top places in the Emma Feldman competition in Philadelphia and the International Performers Competition in Geneva, Switzerland.

Incinerator Bond Issue Eyed in Park

Special Council Meeting Called to Explore Request of Grosse Pointes-Clinton Refuse Disposal Authority for \$4.5 Million

By James J. Njaim
At a special hearing called by Mayor Matthew C. Patterson, the Park Council on Monday, October 30, held a lengthy discussion on the proposed extra \$4.5 million bond issue the Grosse Pointes-Clinton Refuse Disposal Authority is asking its members to approve.

The council was apparently miffed because of the short notice, which was inadequate to study the matter, according to its opinion, and voted to table the issue for future action to give them time to study the proposal before making a decision.

The solons held their regular meeting on Monday, October 23, and it was at this session that they were notified that the authority was calling a meeting of its members on Wednesday night, October 25, in Harper Woods.

Equipment Needed
The authority is comprised of the five Pointes, Harper Woods, Clinton Township and Mount Clemens, whose respective city councils must act individually in approving the bond issue, needed, it was said, to purchase electrostatic precipitator scrubbers and equipment to recycle metal and glass and other salvageable material.

In attendance at Monday night's session were Ledyard Mitchell, authority chairman, Edwin Hoover, incinerator plant manager, and Benjamin Pinkos, Woods mayor, but attending only as an authority board delegate for his city.

Mr. Patterson said he called the special hearing because the Park Council will not meet again in formal session until Tuesday, November 14.

Mr. Mitchell, Mr. Hoover and Mr. Pinkos were present to try to persuade the solons to approve the \$4.5 million, which, they said, is needed to bring the incinerator plant up to standards imposed by the Michigan Environmental Protection Agency, (EPA), to eliminate the flume, odor and soot emitting from the twin smoke stacks of the incinerator plant.

Paper Drive Set at Maire

Maire Elementary students will hold a paper drive Saturday, November 4, at the school parking lot, 740 Cadieux road.

Papers should be stacked in grocery bags and brought to the school between 9 a.m. and 4 p.m.

Maire moms will display their favorite cakes, pies, breads and other baked specialties at an election day bake sale at the school Tuesday, November 7.

High Court Rules Park Charter Sections Invalid

By James J. Njaim
Two provisions of The Park city charter setting forth requirements for persons seeking the office of municipal judge were declared unconstitutional by Wayne County Circuit Court Judge Thomas Roumell on June 28, 1977. The Park decided to appeal the matter before the Michigan Court of Appeals.

On Tuesday, October 17, a three-judge panel of the Court of Appeals upheld Judge Roumell's decision, and the Park Council, on the recommendation of City Attorney Herold Deason, decided on Monday, October 25, not to appeal the case further as it would not be in the best interest of the city. Attempt to Keep Bank Open Fails

Boosted by Revitalization Plan, Citizens, Park Officials Had Tried to Keep Branch Alive

By Susan McDonald
City National Bank's Kercheval-Alter branch at the "gateway to Grosse Pointe Park" closed its doors this week despite last-minute efforts by Park officials and hundreds of local residents to keep it open.

The bank announced last month it would close the branch on Tuesday, October 31, because it was outmoded and was losing customers. Shortly after the announcement, a group of Park and Detroit residents living near the branch began circulating petitions asking the bank to reconsider its decision and suggesting City National join with The Park and community groups to revitalize the area.

Have No Luck
"The closing of the branch will have most unfortunate effects upon the neighborhood and residents," the petition read. "As the largest institution, the bank symbolizes stability and strength. Its loss will be one more negative step contributing to the decreasing health and viability of the neighborhood."

The petitions were presented to bank officials with more than 400 signatures, according to the group's leader, Father Thomas Kreil of Saint Ambrose Church.

In addition to the petitions, Park Councilwoman Ann MacDonald and City Manager John Crawford last week met with senior bank officers to discuss the closing.

Neither group had any luck with the bankers, however.

City National spokesman Dianne Seeber Nelson explained the closing has been under consideration for about three years. She said the branch has been losing customers and has been operating in the red.

Mrs. MacDonald said the (Continued on Page 8)

Voters Can Prepare for Heavy Ballot

Local Issues Slim But Many Candidates for Federal, State, County Offices, Plus 11 Proposals, Could Mean Long Lines

By Roger A. Waha
While local issues are slim on the Tuesday, November 7, general election ballot, Pointe voters will face an awesome task of decision making in viewing candidates for federal, state and county offices, including judgeships, plus 11 state ballot proposals including the so-called Headlee and Tisch tax limitation proposals.

Because of the size of the ballot, some officials are concerned over long lines and time spent in the voting booth. As a result, voters are urged to prepare their choices beforehand to facilitate line movement.

Interest in obtaining absentee ballots also is reported running high and citizens have until Saturday, November 4, at 2 p.m. to apply.

Amendment in Woods
Those who are able to apply include citizens who expect to be out of town on election day, who are 60 or older, who are physically unable to go to the polls, who are election workers, whose whose religion forbids voting on that day and those who are confined in jail but are not convicted.

The polls will be open from 7 a.m. to 8 p.m. in all the Pointes.

In The Woods, voters will consider an amendment to the city charter to provide an additional tax collection fee of one-half of one percent per month beginning October 1 of each year on delinquent taxes.

On the tax collection fee referendum question, City Comptroller-Assessor Frederick G. Hornfisher emphasized this question has nothing to do with current taxes, e.g., no tax increase, but deals with the penalty on citizens for delinquent taxes.

Mr. Hornfisher in August recommended in a memo to the council that the charter be changed to increase the collection fee on city taxes, which is presently four percent from September 1 through March 1, at which time delinquent taxes are sent to the county for collection.

Might Have Incentive
An addition to Section 9.16 of the charter was proposed. This section begins by saying (Continued on Page 2)

Gunman Robs Truck Driver

A truck driver who had just made a delivery at the rear of 15046 Mack avenue on Wednesday, October 25, at 11:29 a.m. was robbed at gun point after he had climbed into the vehicle and was about to drive away, according to Park Police Chief Henry O. Coonce.

The chief said that the driver, Ralph Rumpitz of Detroit, had closed the door of the truck when it was jerked open and a black male, about 18- or 20-years-old, pointed a gun at him and demanded all his money. Mr. Rumpitz surrendered approximately \$75.

The gunman was described as being about 5' 6" tall, weighing about 140 pounds and wearing a short-sleeved, colored jacket and a plaid shirt and light trousers.

Chief Coonce said the holdup victim was unable to determine in what direction the robber fled. He did say the driver called Detroit police, who in turn relayed the information to Park authorities, since the crime was committed within the Park's jurisdiction.

 being, "All taxes paid on or after August 31 of each year shall be collected by the treasurer without collection fee. On September 1, he shall add to all taxes paid there after a collection fee of four percent . . ."

The addition then says, "And on October 1 and each month thereafter an additional one-half of one percent per month."

Mr. Hornfisher had earlier noted, "Without an increasing penalty there is no incentive for a resident to pay the taxes for the entire six-month period, therefore, I feel this needs correcting." Citizens who pay on time wouldn't be affected, while those who pay late would pay more and thus might have an incentive to pay on time, he had stated.

Mr. Hornfisher had said that between 88 and 89 percent of the citizens pay on time, while indicating the highest percent a resident would pay if he's late would be six and a half percent. He also felt the charter change would help the municipality in its collection of personal property taxes.

Other Races
 Meanwhile, in Grosse Pointe Township, voters will consider an unopposed slate of candidates for supervisor, Gerald C. Schroeder, clerk, Thomas K. Jefferis, treasurer, Walter R. Frizzell, trustee, Robert F. Weber, and constable, Donald J. Haigh, Albert J. Klicik and Frank MacWhirter.

All citizens will select either Democratic Congressman Lucien N. Nedzi, 53, or his Republican challenger John Edward Getz, 41, for a two-year term of office in the 14th District congressional representative race. The salary for this office is \$57,500 annually.

District 13 candidates for state representative, Republican William R. Bryant Jr., 40, and his Democratic challenger, Stanley M. Fisher, 56, also will be viewed by all Pointe voters. The term of office also is two years and the salary is \$24,000 annually.

In the race for state senator, citizens in The Park, City, Farms and Shores, (First District), will select either Democrat John Kelly, 29, or Republican Joseph L. Posch Jr., 33, for the four-year term at an annual salary of \$24,000.

Meanwhile, in The Woods, (Second District), residents will consider Democrat John Hertel, 31, and his Republican challenger, Donald LaRue, or, (26th District),

Ballot Proposals
 Finally, in the First District race for county commissioner, all voters will select either Republican Ervin A. Steiner Jr., 55, or his Democratic challenger Valere Huvaere, 55. The term of office is two years and the annual salary is \$16,190.

The 11 ballot proposals, meanwhile, include the following:

• Proposal A — on calling a constitutional convention.

• Proposal B — on prohibiting the granting of a parole to a prisoner convicted of certain crimes involving violence or injury to person or property until at least after the minimum sentence has been served.

• Proposal C — on permitting the deposit of state funds in savings and loan associations and credit unions as well as in banks.

• Proposal D — on prohibiting alcoholic beverages from being sold to, or possessed for purposes of personal consumption by, a person under the age of 21.

On Limiting Taxes
 • Proposal E, (the so-called Headlee proposal) — This proposed amendment would (1), Limit all state taxes and revenues, excepting federal aid, to its current proportion of total state personal income and to provide for exception for a declared emergency.

(2) Prohibit local government from adding new or increasing existing taxes without voter approval.

(3) Prohibit the state from adopting new or expanding present local programs without full state funding.

(4) Prohibit the state from reducing existing level of aid to local governments, taken as a group.

(5) Require voter approval

of certain bonded indebtedness.

• Proposal G — on allowing collective bargaining with binding arbitration for Michigan State Police troopers.

Voucher System
 • Proposal H, (the Voucher System proposal) — on prohibiting the use of property taxes for school operating expenses and to establish a Voucher System for financing education of students at public and non-public schools.

The proposed amendment would (1) Prohibit the use of property taxes for school operating expenses.

(2) Require the legislature to establish a program of general state taxation for support of schools.

(3) Require the legislature to provide for the issuance of an educational voucher to be applied toward financing a student's education at a public or nonpublic school of the student's, parent's or guardian's choice.

• Proposal J, (the so-called Tisch proposal) — on reducing property tax assessments; to establish a maximum of 5.6 percent on the rate of the state income tax; to prohibit the legislature from requiring new or expanded local programs without state funding; and to allow school income tax with voter approval.

The proposed amendment would (1) Reduce real and personal property tax assessments to 25 percent of true cash value of property.

(2) Limit state equalization increase to 2.5 percent for any year.

(3) Establish a maximum of 5.6 percent on the rate of the state income tax.

Touch of Solace
 (4) Allow the legislature to authorize school districts to levy up to one percent income tax with local school district voter approval.

"There are two things we may do for them: either get them moving in some kind of direction toward an occupation that's right for them or, once and for all, put the subject to rest."

She feels the course may be of service to a broad spectrum of Pointe residents. "We can help all kinds of people, including retirees," she said.

"Many professionals are retiring at younger ages these days. What are they going to do with those 'good years' ahead? Maybe a new vocation is in order for them, or part-time work."

Go All The Way
 In the high schools, the center is used by students in many classes to add a vocational aspect to the subject at hand.

"Our goal throughout the school system is to infuse

career information into the curriculum, to demonstrate the practical application of what students learn in a math class, science, social studies or whatever," according to Ms. Garr.

The center "makes it exciting for the students. It's not just dull reading. If they want to go all the way with a particular occupation, we even have lists of resource people in the community whom they can talk to or spend a day at work with."

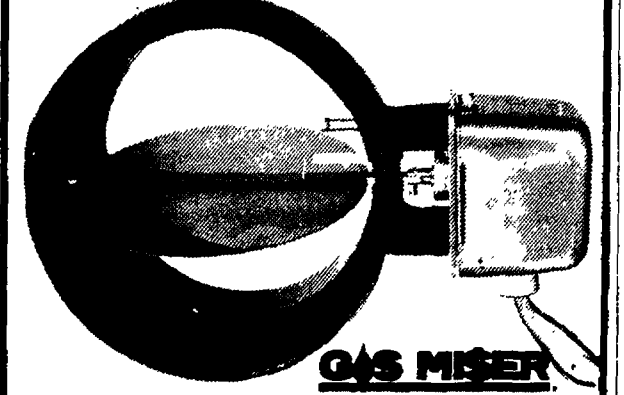

The center got its start at North with a \$4,000 grant application to the state written by Assistant Principal Dr. Kathleen Herschelmann last year.

In addition to the state funds, the school system contributed \$4,000 and provides staffing for the center.

Woods Police, City Agree on Tentative, 2-Year Pact

By Roger A. Waha
A tentative two-year agreement, retroactive to July 1, 1978, has been reached between the Grosse Pointe Woods Police Officers Ass'n., (GPWPOA), and the city, thanks to a mediation session held Tuesday, October 24.

Officer Stephen Petrik, president of the GPWPOA, said the session with mediator Richard Terepin, of the Department of Labor, Employment Relations Commission, ran about three hours.

The following day, the association ratified the proposal with 25 men voting "yes" and one abstaining, he said. "I assume the council will abide by it," stated Officer Petrik. "I'll be quite shocked if they refuse."

Officer Petrik attributed the final result basically to

the mediator's assistance, along with the decision on the association's part, to give up on previously requested pension improvements. But such improvements, he added, will be the number one item in future negotiations.

City Administrator Chester E. Petersen, in acknowledging the union's vote, said further work remains toward the clarification of some contract language, while noting it's possible the proposal may be considered by the council on Monday, November 6.

"We're very pleased on reaching a tentative agreement," he said, while indicating the need remains to "price it out."

No details of the agreement were revealed by either side at this time.

to permanently table the opinions this summer "and look no action to delete the amount of the payment of unused sick leave from the compensation," reported City Attorney George Catlin.

By tabling the opinions, the issues raised in the circuit court action and the unfair labor practices charge, alleging an unfair labor practice by the council in referring the two opinions to the board for implementation while negotiations were in progress, became moot, he noted.

As a result, the GPWPOA dismissed the unfair labor practices charge and plans to dismiss the circuit court action followed.

"The result of the dismissal of the complaints is that the Pension Board's decision to include the amount of payments for unused sick leave in final average compensation will remain in effect," said Mr. Catlin.

Inasmuch as the Pension Board exists under the provisions of the city charter, he said it would appear that the method available to the council would be an action in circuit court.

"The effect of such a lawsuit would be to request the court to rule on the propri-

ety of the Pension Board's action."

Mr. Catlin then noted, if the council decides to pursue such action, the charter provides that the city attorney shall be legal advisor to the Pension Board. However, under such circumstances, he would be unable to represent the board.

Authority exists under the charter for the board to employ such professional services as are required for the proper operation of the retirement system, he said, with the compensation for such services being determined by the council.

Councilman E. D. Grady, in explaining the ongoing high cost of providing pensions, felt the solons should permit Mr. Catlin to take the necessary action to have this question answered.

But Mayor Benjamin W. Pinkos suggested the situation should be further studied to determine if a lawsuit against the board was the proper course of action. He felt this matter should be viewed again after negotiations were completed.

As a result, the council referred this question to the C-W.

Vote NO on Proposal J

Here's what Proposal J (Tisch Amendment) Would mean to Grosse Pointe:

- Shift of tax burden likely to mean higher over-all taxes for middle and higher income people. Probable increase of the state income tax and addition of a local income tax.
- Loss of property tax deduction on federal income tax. Corresponding increases in nuisance and other such taxes are not deductible.
- Loss of property tax credit for senior citizens.
- Tax benefit for big landlords and non-resident property owners; no increase in their payment of other taxes.
- Loss of 1/4 to 1/3 of the operating revenue of the five Grosse Pointes.
- Loss of 45% of the operating revenue of the Grosse Pointe Public Schools.
- Loss of local control of schools and municipal government with a shift of control to the state government.

Wine Lines

by John Lundberg

The French wines most familiar to Americans are the Rhines, the Burgundies, the Bordeaux, and the Champagnes. Another fine wine from France, just becoming popular in the United States, is the wine of the Cotes du Rhone. The U.S. might have taken a while to discover these wines, but the wines themselves have been around for a long time. The first vineyards in that area, it is believed, were planted 2500 years ago by the Greeks. So why not try a Rhone next time you are looking for a new taste.

Do you like new tastes in wine? PARKIE'S PARTY SHOPPE, 17255 Mack, corner of St. Clair, Detroit, offers an excellent selection of wines to please the most discriminating taster. In addition, we can expertly advise you to the proper wine to highlight your meal. No dinner is complete without the proper wine and no dinner is complete without a visit to PARKIE'S PARTY SHOPPE. Open 10-10 Mon.-Thurs., 10-11 Fri. & Sat., noon-10 Sun. Tel. 885-0626.

HANDY HINT:
French wines bearing the initials A.C.C. are generally regarded as the very best of the French wines.

Shores Resolution Honors Local Civic-Minded Jogger

By James J. Njaim
 The Shores Council at its monthly meeting Tuesday morning, October 24, adopted a resolution to be suitably framed and presented to one of the Village's civic-minded citizens, who jogs almost daily with a large bag in his hand.

The honor will go to Arthur G. Sherman Jr. of Hawthorne road, who, besides being an avid jogger, is a member of the Shores Municipal Pension Committee, chaired by Trustee Frank Colombo.

Mr. Sherman will not be cited because he is a jogger or because he is on the pension committee. He will be honored because he takes such pride in keeping the streets of his community clean.

He combines the healthful, stimulating sport of jogging with stops to pick up empty bottles and cans, bits of paper and other small unsightly pieces of debris along his jogging route. He then places them in the bag he carries.

He has become a familiar sight jogging along his own street, on Lakeshore road and other streets in the Village, ever since jogging became the vogue a few years back. Not only is it good for toning up the muscles of the body and the heart, but the bending to pick up the bottles and debris is good for reducing the waistline, besides helping to keep the streets and grass much cleaner.

"A desirable goal for residents of the Village of Grosse Pointe Shores is a better appearing community," Mr. Schroeder read from a prepared statement, "and to this end our Village Council has enacted a number of ordinances concerning rubbish collection. We try to collect rubbish promptly, and we collect it from locations that minimize unsightly conditions."

"We also have, and enforce, ordinances that provide penalties for unthinking or careless citizens who litter or dispose of rubbish on our streets."

"A benefit of which some of our citizens avail themselves is our superior environment for healthful exercise. Our Village is a fine place to jog and each day we see an increasing number of our people in the outdoors getting exercise and breathing the great Grosse Pointe Shores air."

From the statement, which he read to the council and to Mr. Sherman, the Village president pointed out that "one of our citizens combines both the goal of a better appearing community and the healthful attributes of jogging."

"Art even has an extra bag or two," Mr. Schroeder continued, "and if you happen to be a companion jogger, he will be happy to provide you with a container so you too can help with the litter problem."

"Art's special slogan is 'LIB TYPI,' which is an acronym for 'Leave It Better Than You Found It.'" There are many who could take a lesson from Art who practices what he preaches."

What does Mr. Sherman do when the bags are filled with the gathered debris? He takes them home and leaves them at the curb on the rubbish pickup day scheduled for his neighborhood.

The properly worded and framed resolution will be presented to Mr. Sherman, who also serves on the Harbor and Boatwell Committee at another council session.

Symphony Opens Year

(Continued from Page 1)
 artistry has delighted audiences at Washington's National Gallery, at U-M, Interlochen and throughout the Midwest.

The Saint-Saens piano concerto, which he will play, is among the French composer's most celebrated. In all, he produced five, which have been hailed as "radiantly wrought, ingenious in their instrumental disposition, often rich in the picturesque."

The program, under the direction of Felix Resnick, will open with the Benvenuto Cellini Overture by Berlioz, extraordinary French composer, who has been called "one of the most original figures in the history of music."

Following the performance of the Four Centuries Suite by Coates, the orchestra will round out the program with the Marche slave by Tchaikovsky. This composition, written expressly for an 1876 benefit concert for soldiers wounded in the Turko-Serbian War, opens with a Slav

funeral march, includes two folk melodies and a Russian national anthem and moves on to a stirring hymn of triumph.

Invitation Offered

Lovers of classical music, who would like to enjoy the total 1978-79 season of the Grosse Pointe Symphony, (January 28, artists from Michigan Opera Theater, February 18, pianist Fedora Horowitz, and May 13, violinist Gordon Staples), are invited to become season members of the Grosse Pointe Symphony Society, which includes tickets for all concerts.

These are available in the following classifications: patron, \$50; sustaining, \$40; family, \$35; active, \$15; and student, \$4. Donations to the society are tax deductible.

Tickets for individual concerts are \$4 for adults, \$1.50 for students.

For information about symphony society memberships or individual tickets, call 884-4698 or 821-9558. The latter also are available at the box office before the concert.

Thieves Enter South Twice

Farms police apparently scared off a man who broke into South High School on Sunday, October 29, before he could get what he was looking for.

Although they actually saw the culprit through the windows of the school, the officers were unable to apprehend him because they were locked out of the building.

Officers Joe Belanger and Donald Pilon found an open window upon responding to a call of a breaking and entering in progress. Officer Belanger peered into the window and saw a man in the room.

Despite orders to stop, the man fled from the room. The officers attempted to get into the building, but all the doors but one were locked from the inside with chains. The man apparently escaped from the building via the one unlocked door, which was a distance away from the entry point.

A subsequent investigation showed the burglar had tried to break into two different rooms from the hall inside, and failing that, decided to use the window.

Police found the screws of the door lock from the hall side of the room where the man was seen had been re-

moved. They also found a hinge pin missing from the door. Upstairs, they found a similar situation with the door to another room.

Four keys were found on a landing next to the unchained exit door. It was immediately unknown whether they belonged to the schools.

The one door to the school had apparently been left unchained to allow access to the building by driver education personnel.

As the officers pursued the burglar, witnesses said they saw a car leave the area with two men in it. Police described the one man as about 6' tall, blond hair and wearing a yellow jacket and black pants.

Two Pointe juveniles were questioned by Youth Service Division, (YSD), detectives in connection with the breaking and entering of South High School on Saturday, October 14, when some \$2,250 worth of laboratory scales were taken.

According to YSD Det. William Desilets, the schools have decided to accept the return of the property and payment for damages incurred at the building, and will not prosecute.

He said information leading to the apprehension of the pair was obtained from several confidential sources.

Twenty-five scales were taken from a room at the high school after entry was gained by breaking a window in the first floor room during the night.

Open House Set By Star of Sea

Our Lady Star of the Sea High School will hold an open house today, November 2, from 7 to 9:30 p.m.

Students will act as hostesses to prospective students who will have an opportunity to tour the school and meet teachers.

Following the tours, students and their parents will be invited to the lunch room where a slide presentation will be offered and Principal Donald Sloan will speak. Refreshments will be served all evening.

All eighth grade girls and any other interested students, together with their parents, are invited to attend.

Shutterbugs Meet Nov. 7

The Pointe Camera Club will hold a print and color slide competition at its next meeting Tuesday, November 7, at Brownell Middle School, 260 Chalfonte avenue, at 7:40 p.m.

Visitors are welcome.

Park Charter Sections Ruled Invalid

(Continued from Page 1) ing the proper number of required signatures of registered voters, was rejected by Mr. Ortesi, because Mr. Urso did not fulfill the two-year residency and the five-year length of time as a practicing Michigan attorney as required by the charter.

Mr. Urso took the issue to circuit court, where Judge Roumell ruled the provisions unconstitutional, and Mr. Urso won a spot on the ballot.

Judge Speer and Mr. Urso won the right to oppose each other and in the November election, Mr. Urso defeated the incumbent and took office the following January. He served the four-year term and for personal reasons decided not to seek re-election.

Mrs. Grobbel, Allan Devine, Mr. Grano, Mr. Lech and Mr. Castner and Mrs. Keinbaum properly filed their petitions with the city clerk, and were given places on the August 1977 ballot, while the two provisions of the charter were still being appealed by the city, according to Mr. Ortesi.

Mrs. Grobbel and Mr. Devine won the right to oppose each other and in November 1977, Mrs. Grobbel emerged the winner. She took office last January.

In the meantime, the litigation in the Appellate Court continued and the issue was heard by Appeals Judges Dorothy C. Kiley and Michael F. Cavanagh and visiting Judge Bert M. Hensick of the 44th District. The judges upheld Judge Roumell's ruling that the provisions of the Park City Charter were unconstitutional.

Mr. Ortesi said this means that, although the city will not continue further court battles, the disputed provisions will remain as part of the city charter, but will not be enforced.

In other words, he said, any qualified person who is properly registered as a voter, and is licensed to practice law in Michigan, can file for municipal office, including the judgeship, without any problems or having his petition rejected.

Mr. Castner, who continued the battle to its conclusion, with the other plaintiffs, had filed a nominating petition for the office of municipal judge on June 14, 1977, duly executed and bearing the signatures of 38 qualified voters.

Mr. Castner submitted his petition to Mr. Ortesi with the request that his name be placed on the ballot for the August 2, 1977, primary election for the office of judge.

Woods Police Pursue Cyclist

A St. Clair Shores man who tried to outrun Woods public safety officers on his motorcycle ended up wiping out and being charged with reckless driving.

Kenneth Louis Bousson, 25, of Pleasant street, was traveling between 90 and 100 mph when he hit a bump in the roadway of Mack avenue and lost control of his vehicle, police said. His motorcycle slid on its side into a car driven by a St. Clair Shores woman, striking it in the rear. Neither driver nor rider was injured.

As police searched Bousson, they found a plastic bag in one of his pockets containing suspected marijuana.

The incident began in the early evening of Saturday, October 21, when patrolling officers on Mack saw a motorcycle weaving in and out of traffic. The rider took off from the traffic light at Vernier at a high rate of speed, with the officers right behind.

In the area of Anita avenue, the driver, apparently unaware the officers were following, raised both hands over his head. The pursuing officers then activated their flashers and siren.

The motorcycle rider, seeing the police, accelerated changing lanes rapidly to get around other vehicles, a riding on the wrong side of the road in an attempt to get away, police said.

At Nine Mile road, the rider slowed to about 10 mph and went through a red light. Once through the intersection, police said he accelerated back to between 90 and 100 mph, then lost control and wiped out.

Bousson was taken to the Woods station and issued a violation for reckless driving. His court date was set for December 6 and he was released after paying the required \$100 bond.

CARL LEVIN

Democrat For U.S. Senate

"Levin has certainly raised the standard of government. He does it with a low-key, almost off-hand manner that deals with issues rather than personalities."

*Jake Highton
Detroit News
September 6, 1977*

INFLATION: Carl Levin understands the complexity of the forces causing inflation. There must be numerous elements to a solution: cutting wasteful government spending, increasing competition in certain industries, utility rate reform to force a closer scrutiny of all proposed rate hikes, eliminating unnecessary government regulations and containing hospital costs.

NUCLEAR WASTES: We have no assurance that burying nuclear wastes in salt caverns, like those in Michigan, will be safe. Nuclear wastes remain toxic for hundreds of thousands of years. The people of Michigan have already spoken and they resoundingly said "NO" to a nuclear waste burial site in the state.

SENIOR CITIZENS: Older Americans have earned the right to live with dignity. They should be guaranteed the lowest possible utility rates so they do not have to make the choice between freezing and eating. Because inflation hurts senior citizens the most, Social Security benefits should be raised every six months to reflect the higher cost of living.

Park Eatery Robbed Twice

The Steak and Eggs Kitchen, East Jefferson avenue and Westchester road, was held up at gun point twice within a week, according to information released by Park Police Chief Henry O. Coonce. Each time the place was empty of customers when the crimes were committed.

The first robbery occurred at 2:09 a.m. on Thursday, October 25, while a lone waitress was behind the counter, while the second occurred at midnight on Sunday, October 29, again, with only one woman employe alone in the building.

On the Thursday date, a lone black male entered the restaurant, pulled a revolver from his pocket and demanded all the money in the cash register. The waitress gave him approximately \$90 in currency plus all the change.

The bandit escaped out the rear door and got into a waiting car, with another

black male behind the wheel. The car sped off and disappeared, direction unknown.

Chief Coonce said in the second holdup, two black males entered the eatery and one of the men pulled out a single dollar bill and asked for change. When the waitress opened the register, the second man pulled a gun out of his pocket and announced a holdup, demanding all the money in the register. The waitress gave him \$142, including change.

The bandit pair fled out the front door, method of escape and direction unknown, the chief said.

The gunman in the first robbery was described as being about 25- or 26-years-old, about 5'7" tall and having a mustache. He was wearing dark blue trousers and a beige coat.

The Sunday night pair were said to be direct opposites. One was said to be of thin build, and his companion very muscular. It was not known which had the gun.

One man was said to be wearing a brown levi corduroy jacket and had an Afro-hair style. The second man was wearing dark clothing. The only thing they had in common was that both were around 6' tall, it was said.

Jeweler Hurt In Accident

Long-time Pointe jeweler Edward J. Pongraz was released this week from Bon Secours Hospital where he was being treated for multiple injuries suffered when the bicycle he was riding was hit by a car, according to a City police report.

The driver of the car, Mary Alice Gordon, 78, of Cadieux road, is reported in fair condition at Cottage Hospital.

Mr. Pongraz was treated for nine days in Bon Secours for two broken hands, five broken fingers, a severely pulled tendon in his leg, many cuts and bruises.

The 71-year-old jeweler, who founded Pongraz Jewellers in Kercheval avenue in 1930, promised he will be "back in circulation in a couple of months."

Mrs. Gordon was charged with reckless driving in the incident, according to police.

The accident occurred at about 9 a.m. on Friday, October 20, in Waterloo avenue between Lakeland and University.

A witness told police the motorist apparently was trying to clear condensation from her windshield while driving east on Waterloo and swerved across the road, hitting an Edison electrical pole and Mr. Pongraz, who was riding his bike west on Waterloo.

Farms Officer Struck by Car

A Farms patrolman was badly injured after being knocked down by a car while directing traffic at the scene of an accident Friday night, October 27.

Officer Gerald Deburghgraeve was standing in the middle of Moross road with a flare and a flashlight when a pickup truck driven by Elias S. Bricolas, 18, of Mount Clemens, allegedly crossed the center line and struck him, knocking him down.

The patrolman was taken to Bon Secours Hospital where he was treated and later released with severe muscular injuries to his hip and a hairline fracture of his arm.

Witnesses reported the truck was travelling between 10 to 20 mph when it hit the policeman. The driver told police he must have looked away temporarily toward the accident scene.

Chief Robert Ferber said Officer Deburghgraeve will be confined to bed for two or three weeks. Then he will probably spend another two or three weeks in a wheelchair before returning to work.

He added that charges against the driver are awaiting a recommendation by the city attorney.

Officer Deburghgraeve was directing traffic around the scene of an accident which had occurred a short time before. His partner, Officer Daniel Jensen, was in the process of taking witness statements when his colleague was hit.

Party Planned At Saint Paul's

The sixth annual Saint Paul's on-the-Lakeshore Beef and Bingo Party is set for Friday, November 3, in the gym at 7 p.m.

Tickets are \$15 each or \$30 per couple. Tables for 10 may be reserved in advance by calling Mr. and Mrs. Harold Connell, ticket chairman, at 885-4316.

Mr. and Mrs. James Mooney, co-chairmen, along with Mr. and Mrs. Walter Fisher, also have worked hard toward making the event a success.

Attempt Fails

(Continued from Page 1) bank officials "seemed to indicate" that if the area does "come back" they may be able to relocate a branch in the area.

"I understand the economic rationale behind its (the bank's) decision," Mrs. MacDonald said. "But we were hoping they would want to talk with us some more to find out about our revitalization plans for the area and maybe consider developing one of the other vacant buildings on Kercheval."

"We feel if the Kercheval corridor is going to be successful commercially, it all has to be successful — the area in Detroit as well as The Park."

Mrs. MacDonald added she set up the meeting with bank officials on her own. "I didn't ask the rest of the council to vote on it."

What one knows is secondary — it's the use he makes of what he knows that really counts.

GPF's 'Hell on Wheels' Off to Productive Start

By David Kramer
Some of the police officers have already nicknamed her "Hell on Wheels," and a lot of people who work and shop in The Farms would probably agree with that assessment. But for her, it's just doing her job.

She is Angela Kubek, the new "parking enforcement specialist" recently hired by the city. Though often called a meter maid, Ms. Kubek points out that the former term is better suited to her job, since it is her duty to enforce all parking laws, not just those involving meters. You will probably see her On-The-Hill or along Mack avenue, riding her moped

and writing up all those irritating little notices we find stuck under our windshield wipers at the worst times.

Ms. Kubek also has like me because I move traffic."

How does she take all the flak from incensed ticket receivers?

"I just smile and tell them to have a nice day. I say I'm sorry sir, I'm just doing my job."

And even meter maids have a heart.

"I'm not merciless. Out of every seven tickets I give, at least one will probably get away because there was a good excuse."

Some of the excuses she has received so far she's found to be pretty humorous. A man who was issued a violation for parking 35 inches from the curb asked her why the city hadn't informed him of the "new" law.

Ms. Kubek, who lives in Clinton Township with her two children, said she likes about not being able to get away with what they used to.

One woman complained she has received \$50 worth of tickets in a month's time. Another said she had gotten two tickets in two different locations on the same day. Still another said she had gotten two in the same place on the same day.

For those people, Ms. Kubek advises, "If you really want to beat the problem, do what the parking enforcement specialist does — ride a bike."

Sure, we grumble. And then they'll bring up bike racks with meters . . .

Three sub-committees of commissioners were formed by the Woods Planning Commission at its regular meeting Tuesday, October 24, to study a progress report from planning consultant Brandon M. Rogers on the zoning ordinance update project.

The commissioners are now scheduled to give reports on the revised document viewing recommended zoning ordinance amendments and additions at their regular meeting Tuesday, November 28.

All sub-committees will review definitions in the report, while the group comprised of Paul Rothenburg, chairman, John Kennedy and Peter Gilezan will eye minimum floor area per dwelling unit, non-conforming uses and buildings, off-street loading requirements and off-street parking space requirements.

The revised report from Mr. Rogers was submitted after meetings with City Administrator Chester E. Petersen, Building Inspector Earl Wakely and City Attorney George Catlin, and incorporates recommendations of this special sub-committee.

Finally, the group of Charles Van Hove, chairman, Philip Patanis and Robert Sabo will explore multiple family residential districts, RO-1, restricted office district, P-1, vehicular parking district, and statements of purpose.

known to pull that devious, underhanded trick of the law enforcement officer we all despise: marking tires. Although she hasn't yet started it at the parking meters, she warns that come November, you won't always get away with "feeding the meter."

That's right. Ms. Kubek will be armed with her chalk and she'll be marking tires in the lots. So, if you park in a four-hour meter slot, you'd better move the car to another space for the next four hours.

If you move the car and the slot you left is still open, you can park it there again, because the tire mark won't line up with the pavement any more.

The 32-year-old woman is a graduate of Macomb County Community College where she earned a degree in law enforcement. She's well aware she isn't liked by the average ticket recipient. Surprisingly, though, she finds some are happy to have her around.

"The average customer and employe are very much against my being here," she said, "but the store owners working in The Farms because it's "such a nice community." Her other duties at The Farms include acting as a matron, meaning she gets to escort and search

female prisoners.

But most of her job is involved in writing up parking tickets, and she apparently is doing a very good job of it. She says she has already written up more tickets than have ever been issued in a month's time, and this is only her first month on the job.

And those of us who think they can figure out when she'll be in a particular spot might as well give up before we start, because Ms. Kubek doesn't follow a pattern or schedule.

Ms. Kubek worked at the Criminal Justice Training Center after finishing her college work. She then moved on to the Macomb County Chamber of Commerce, where she was assistant to the executive vice-president. Her last job was a CETA position in Fraser, and it happened to run out just at the time Chief Robert Ferber announced he was looking for someone for the parking job.

One of her classes at Macomb was taught by Chief Ferber.

Ms. Kubek considers her job a stepping stone to a full police position.

(Continued from Page 1) Lage, vice-president of the Village Ass'n., presented the petition to The City on Monday. She stressed the importance of Christmas Eve receipts to smaller shop owners, saying "I usually do about two weeks of business on a single Christmas Eve — it's undoubtedly the most important day of the year for us."

The council voted to table the matter until its Monday, November 20, meeting and expressed a few questions and concerns about changing the law.

"I'm worried about the precedent this may set, not in terms of seven years from now when Christmas falls on Monday again, but in terms of Easter, Thanksgiving and other holidays," said Councilman David Robb. "Won't this encourage merchants to approach us in regard to those holidays as well?"

Other councilmen said they also would like to look into the added expense a Sunday opening would cause. The City, such as increased police and public works manpower.

Shores Solons Honor Officer

A Shores public safety officer who is so dedicated to his work that he attended classes and earned a Master degree in Public Administration, with a major in Criminal Justice, was honored by the Shores council with a Citation of Merit Tuesday morning, October 24.

Honored was PSO Michael Kenyon, a seven-year veteran of the Shores Department of Public Safety.

The citation was recommended by Public Safety Director Joseph Vitale and the Board of Review and was presented to the officer by Village President Gerald C. Schroeder, who is also public safety commissioner.

PSO Kenyon, who is 30, is married to the former Susan Backman of the Farms, daughter of Farms Police Lt. and Mrs. Ignatius Backman. They are the parents of a boy, who is two years old.

Officer Kenyon was born in Lansing, and while he was still young, his family moved to Haslett, a Lansing suburb where he graduated from the local high school in 1966.

In 1969, he received an Associate degree in Business from Lansing Community College. In 1970, he received

a Bachelor of Science degree from Western Michigan University, where he majored in education. Shortly after, he was awarded a teacher's certificate from the State, and for a time taught in the Roseville School System.

PSO Kenyon decided on a police career and in July 1971, he was appointed to the Shores Public Safety Department. He graduated from the Metropolitan Police Academy on September 8, 1971, and in the same month completed a one-week course in basic fire fighting at the University of Michigan.

In 1974, he took a course in scuba diving and upon completion, won certification as a qualified scuba diver and was added to the Shores' scuba diving team. He also is one of three men in the department certified as breathalyzer operators, required by Michigan statute, making him an expert in presenting evidence in court against accused drunk drivers.

For the past two years, Officer Kenyon attended several schools sponsored by Wayne County Detective Association, taking courses in Law, Scientific Investigation and Interrogation.

In May of this year, he received a certificate from the Michigan Institute of Law Enforcement after completing a course in Police Command and Supervision.

It was on May 10 that he received his Master of Public Administration degree, with a major in Criminal Justice from WSU.

"Officer Kenyon is a young, outstanding and dedicated officer with a bright future," said Chief Vitale. "He takes his work seriously and likes his job so much that he is seeking outlets to improve himself in his career."

"He is a sport enthusiast, participating in all forms of sports, including track and baseball. He is very dedicated to the police profession."

Chief Vitale said that PSO Kenyon is the epitome of what every police chief hopes to add to the personnel of his department and an example for every police officer to try to follow.

The Certificate of Merit will be added to the officer record file.

Tapes Case

(Continued from Page 1) The teachers' union, the Grosse Pointe Education Ass'n., (GPEA), represented Mr. Creelman last week in a three-day hearing before Judge Hausner.

The settlement, the GPEA condemns the practice of surreptitiously eavesdropping and agrees to publish a statement to that effect in its newsletter to union members.

The union also agreed to pay the school system \$4,000 for legal fees.

The settlement permanently enjoins Mr. Creelman from making any more tapes and charges him \$500 damages each to Parcels Principal Morris Hanzek and Assistant Principal Dr. Claire Basco.

Mr. Creelman also agreed to forward a public letter of apology to Mr. Hanzek and Dr. Basco, to withdraw all his pending grievances against the schools, to keep the contents of the tapes secret and to retrieve several copies of the transcripts he delivered to local news media.

Press Club Eyes Big Celebration

It will be an all-day celebration, climaxed by an evening of dining, entertainment and dancing, as the Detroit Press Club observes its 20th anniversary on Friday, November 3.

The Press Club, which occupied the ballroom floor at the Detroit Leland Hotel when it opened in 1958 but moved into its own building at the corner of First and Howard in 1962, is a private sanctuary for working newspaper people from Detroit area newspapers, radio and television stations, and local bureaus of national publications.

They constitute its active membership, while associate members, who enjoy equal privileges at the club, include people who make news and those who distribute it—corporate executives, judges, political office-holders and public relations executives.

not to take any disciplinary action or reprisals against Mr. Creelman in regards to the incident.

The original tapes will be deposited, under seal, with a neutral third party.

As part of the anniversary celebration, scrolls will be presented to all charter members of the club. Members of the original board and past presidents will be special guests of honor.

During the lunch and dinner hour, there will be a drawing for dozens of door prizes.

At specified times during the day, drinks will be served at 1958 prices, according to James L. Kerwin, chairman of the anniversary committee, and a special menu will be featured at lunch and dinner.

Mr. Kerwin said several nationally-known celebrities appearing in the Detroit area will visit the club during the day and evening, supplementing appearances by numerous local celebrities, most of whom are members of the club.

Woods Okays Pollution Plan

The Woods Council at a recent regular meeting unanimously approved a resolution based upon a request from the Milk River Drainage Board, which asked the various communities, as part of the Milk River Drainage District, to approve such a document.

These measures would authorize the board to proceed with the Step 1 Facilities Plan under federal law to abate pollution of the Milk River.

In a letter to City Administrator Chester E. Petersen, Wayne County Drain Commissioner Charles N. Youngblood said the resolution is needed to complete the findings of the board for formal application to the Michigan Department of Natural Resources for a Step 1 Grant.

Spooks Help Torch Drive

A spooky group of witches and ghosts came to visit the DiNatale home in Lothrop road last week to give dozens of neighborhood kids a treat and benefit the United Foundation's Torch Drive.

The spooks were DiNatale children Adele, 10, and Alexis, 7, and classmate Susan Hayes, 11, of Moran road. They took over the basement for a three-day Spook House —complete with haunting music, a graveyard and ghosts and goblins lurking

in the corners. Dozens of neighborhood kids took tours through the Spook House, on Thursday and Friday, October 26 and 27, donating a dime apiece to this year's Torch Drive. Mom, Ginger DiNatale, couldn't have been happier as she's an area chairman for the Torch Drive.

Interest/Checking Plans. What they are. What they aren't. Are they right for you?

What they are.

You've been hearing a lot lately about the new Interest/Checking Plans that are available to bank customers. These new plans have come about because of revisions in Federal banking regulations that permit banks to automatically transfer funds from a savings account to a checking account with the customer's prior approval. With this change two new benefits are available to bank customers. They are:

- The Interest/Checking Plan combines the features of a \$0 balance checking account with those of a regular savings account. With it 5% annual interest can be earned on the money you would normally keep in your checking account. As checks are written, funds are automatically transferred from savings to checking.
- The other new plan assures protection against the occasional checking account overdraft by drawing on funds in an especially designated savings account.

These advantages may sound good to you and they can be. But before you decide to sign up for either account, read a little further.

What they aren't.

First of all, the Interest/Checking Plan is definitely not for everybody. Accounts offered by most banks will carry a different level of service charges than in the past.

To understand the reason for this, it will be helpful to know the two basic ways in which a bank compensates its customers for the use of their funds. Up to now the majority of bank customers have received "indirect interest" on their checking account; that is, the amount paid in service charges was probably less than it cost the bank to service the account, especially if the customer kept a relatively small balance and wrote a great many checks. In absorbing this cost, the bank has really been paying "indirect interest."

Under the new Interest/Checking Plan customers will be earning "direct interest" paid at a fixed rate for the use of their money. Because of this, your bank will be more likely to charge for the expenses incurred in servicing checking accounts. Typically, this charge will be a fee for each check written plus a flat fixed monthly charge for the statement. The bank may also establish an average balance above which service charges are waived. This method of charging for the service is not too unlike some methods presently used. However, the level of charges and required balance can be expected to be somewhat higher than in the past.

With this explanation of the Interest/Checking Plan you may wish to evaluate its advantages from your own particular situation.

Are they right for you?

Evaluation is largely a matter of comparing what the new service will cost you in charges and fees with the amount you will earn in interest on your deposits. Just follow these simple steps:

INTEREST/CHECKING WORKSHEET

1. Determine the number of checks you typically write each month. _____
2. Figure the amount of checking service charges you would pay each month. (To compute this, determine how much your bank will charge for each check and the monthly statement charge, if any. Multiply the check charge by the average number of checks you write. Finally, add the statement charge to get your monthly service charge.) _____
3. Estimate your average checking account balance. (One easy way to approximate this in many cases is to add the beginning balance on your statement to the ending balance and divide by two.) _____
4. Estimate the interest you would earn in one month. (Multiply your average checking balance by 5% and divide by 12.) _____
5. Subtract your service charges from the amount of interest earned. _____

If the amount of interest earned is less than the service charge, you will not benefit. If the amount of interest is greater than the service charge, the plan may be to your advantage.

If the comparison above indicates that interest/checking will not be beneficial, you can continue with your present checking account plan or you may want to make some adjustments in the way you manage your money by following these simple suggestions:

- Combine the balances from other checking and savings accounts. This may give you the necessary funds to cover your checking account charges. A larger average balance in your interest/checking account assures a greater return.
- Pay as many bills as possible through pre-authorized automatic payments, reducing the number of checks you write. Examples include payments on mortgage and installment loans, and insurance premiums.
- Arrange with your employer for direct deposit of your paycheck into your savings account. Since all the money is deposited and probably sooner, it will earn you more interest.
- Avoid writing numbers of small checks for minor purchases — miscellaneous groceries, hardware or drug store items. Instead, write a single check for the amount of cash you know you will need.

Even though you've analyzed interest/checking, and perhaps have not found it suited to your needs, there is still the *Overdraft Protection Plan* to consider.

This plan simply covers overdrafts in your checking account — up to the balance in your savings account — by automatically transferring funds from savings to checking as needed. A minimum balance is required by some banks and a fee is normally charged for each such transfer. This plan's principal advantage is to eliminate the embarrassment and inconvenience of returned checks.

If you have further questions about the plans described above, or if you would like to inquire about the Interest/Checking Plan and Overdraft Protection Plan offered by National Bank of Detroit, stop in at a nearby NBD office. One of our representatives will gladly help you determine what is right for you.

South Girls State Champs; Win Net Finals Handily

By Sandy Boettcher
The South High girls tennis team finished a perfect season and came home from Midland as the state champions, leaving Portage Northern, who they have tied with for first the last two years, in second.

As an indication of the team's talent, only two matches were lost all year.

The Michigan High School Athletic Ass'n., (MHSAA), Class A finals took two days to play. The girls left on Thursday afternoon, October 19, as the marching band and cheerleaders saw them off with cheers and music.

Because each member of the team was seeded or ranked either first or second in their division, they were able to bypass the first round and begin competition in round two. There all the girls defeated their opponents with little difficulty.

The next morning the girls played in the semi-finals and once again beat each challenger. Moving directly on to the finals, freshman Liz Wachter was able to defeat her opponent from North High, Anna Van Walleghan, 6-3, 7-5. Liz had beaten Anna once before, but had also lost to her once.

"It was a difficult match, both physically and mentally," Liz said. "The last set was so close, and besides, Anna and I are pretty good friends."

Sophomore Lisa Micou and freshman Paula Reichert also were winners, defeating their opponents from Portage Northern and North High, respectively.

Paula won in two sets with scores of 6-3, 6-4, but Lisa went three sets, 6-2, 2-6 and 7-5. Explaining why her match was so close, Lisa said, "I lost my concentration because I won the first set so easily."

Lisa's opponent had her 5-2 with a game score of 40-5 in the third set but Lisa made a comeback.

Freshman Nancy Wright lost to Shawn Remyse from Portage Northern in a three-set match.

"I tried hard and played my best, but my opponent was pretty good," Nancy stated, after playing a three-hour match with the final score 6-7, 6-4 and 4-6.

All the doubles players won their flights. Jennifer Tewes and Pam Pierce, both seniors, defeated the finalists from Trenton with scores of 6-2 and 7-5.

"It was a hard match," Pam admitted. We were pretty scared because we didn't want to play a third set and the score was close."

Freshmen Tracy Echlin and Julia Ranger likewise defeated their opponents from Ann Arbor Pioneer, 6-2, 6-0. Sophomore Linda Murtagh and junior Sue Transue, seeded second in the number three doubles position, beat the top seeded Pioneer team, 6-4, 7-5.

Receiving five points for each flight they won, the girls ended up getting 34 points out of a possible 35. Portage Northern took second with 24 points, while North and Ann Arbor Pioneer tied for third with 17 points each.

Coach Stephanie Prychitko proudly praised the team.

"We just have a super team and they played well from the beginning to the end of the season," she said.

The team has never before had so many talented freshmen on the varsity or JV.

Highlights of the season included an invitational meet given by University Liggett. Two South girls moved easily through their matches and won the final competition.

The next big match was the Eastern Michigan League conference meet. Once again the team brought home another victory and proceeded to get ready for the regional competition. In the regionals, all the girls won their flights and Liz Wachter was runner-up in singles competition.

Eugenio Leads North High JV

Mike Eugenio scored three touchdowns in leading North High School's junior varsity team to its 16th straight football win, 21-0, over Centerline Saint Clement last weekend. Eugenio scored on runs of one and 13 yards and was on the receiving end of a 56-yard pass from quarterback John Clem.

Bruce Stewart kicked a conversion and after three quarters the young Norsemen led 19-0. The defense took over the scoring honors in the fourth quarter with tackle Mark Palazzo taking the Crusader quarterback in the end zone for a two-point safety.

Eugenio rushed for 133 yards in 21 carries to bring his season record to 1,327 yards and his three touchdowns give him the new JV record for touchdowns in a season with 14.

Coach Frank Sumner stated, "Mike is one fine running back. He sure makes my game plan easy. Just give him the ball 25 to 30 times a game, and he will surely put points on the board for the Green and Gold."

North closes out its season this afternoon, November 2, with a 3:30 p.m. game at South. A win over the young Blue Devils will give North its first unbeaten season since back to back seasons in 1970-71.

Schools Slate Swim Schedule

Don't be left out—get in the swim of things by registering for an instructional swimming class or attending an open or family swim available in the Grosse Pointe Public School System's swimming pools.

Instructional swimming classes are available to Pointe residents six months or older.

The Department of Community Services offers courses on weekday evenings and Saturdays in the three middle schools and North High School pools.

American Red Cross guidelines are followed in the children's instructional classes, starting with a beginners course and progressing through the swimmers level. Basic and advanced lifesaving also are available.

Two evenings of beginning competitive swimming are offered for children to promote development of stroke techniques. Adults may enroll in an instructional swim or exercise and swim program. On Saturday afternoons a class designed for handicapped individuals is offered. For further information and registration call 343-2160.

Recreational swimming opportunities also are available to all residents of the district on the following evenings:

Open swims are held on Tuesdays from 7:30 p.m. at North High School beginning November 7. Open swim will not be available when home basketball games or swim meets are scheduled.

On Wednesdays beginning November 1, open swim is at Brownell Middle School, also from 7:30 p.m. The same

hours hold for Friday nights at Parcels Middle School beginning October 27.

Saturdays, Parcels is open for swimming from 1:30-3 p.m. beginning October 28.

Children under 12 must be accompanied to the pool by at least one adult, although adult participation is optional. Cost is 75 cents per swimmer.

Family swim night will be held on Fridays beginning October 27 at Brownell, from 7:30 p.m. Adult participants are permitted to bring only their own children, and at least one parent of each family must be in the pool. The fee is 75 cents per adult, (12 and over), and 25 cents per child. Rates will not exceed \$2.50 per family.

Advanced registration is not required for the open or family swims, but identification, (park pass or drivers license), for proof of residence is necessary for admittance. No instruction is provided during recreational swimming.

North Girls Take 2 Meets

By Margaret Sobieski
The North High School girls varsity swim team took first place in all 11 events and defeated Warren Tower, 124-48.

Frances Shook, Cheryl Stoyka, Margaret Wittmer and Jenni Elie won the first event, the 200-medley relay.

Other first places included Jill Figley in the 200 freestyle; Frances Shook, 200 IM; Lynne Mollahan, 50 freestyle; Jodi Stout, diving; Lisa Mediodia, 100 butterfly; Jenni Elie, 100 freestyle; Chris Truhol, 500 freestyle; Jill Figley, 100 backstroke; and the 400 freestyle relay team consisting of Jane Beck, Mary Ellen Tazzia, Sandy Wooton and Lynne Mollahan.

In an earlier meet, the girls defeated South High for the first time in North's history, 96-74. Many records were broken during the first half of the meet. In the 200-yard medley Frances Shook, Cheryl Stoyka and Margaret Wittmer broke both the varsity and pool record, while Amy Rentschler broke the varsity record for the 200 freestyle. Varsity and pool records were broken by Frances Shook in the 200 IM and by Jenni Elie in the 50 freestyle.

The next meet will be held against Our Lady of Mercy today, November 2.

NHS Harriers Win Regionals

By Mark Osler

North High School's cross country team won its state regionals Saturday, October 28, qualifying the team for the State Championships in Howell Saturday, November 4.

The course was a flat, fast three miles, and many best times were recorded. The Norsemen continued their season undefeated by any team in both dual meets and invitationals, as they placed five runners in the top 15 places in the varsity division.

Winning the race for the Green and Gold was season-long top runner Jim Schmidt. He crossed the line at 15:11. Wright Wilson barely edged senior Dave Schepke at the line as they finished third and fourth, respectively. Dave Hofmann finished 10th for North, followed by a surprising Dan VanVliet, who took 15th overall.

The man who tries his hand at something always loses to the fellow who uses his head.

Steve Lugo and John Bucink were sixth and seventh on the team as they also placed in the top 25. North's winning total was 33, followed by second place Warren Tower's 48 points. South High School displayed surprising strength as they finished third and qualified for the State Championships.

The Open race at the regionals was another rout for the Norsemen. They took the top eight places out of a field of over 150. John Karm was the winner in 16:05, leading a parade of Norsemen that included second place finisher Jerry Stitzel. Third went to Mark Rolain, followed by John Pamerleau in fourth and Steve Leslie in fifth.

All that is left now for the Norsemen is their last and most important obstacle, the state championships. They are favored to win their fourth state title of the decade, as dozens of supporters pln on cheering them on.

DENIS RUNS

Dave Denis of The Woods is one of five talented but inexperienced underclassmen who represented Syracuse University in the IC&A cross country championship held at Van Cortlandt Park in New York City on Friday, October 27.

ULS Kickers Capture League Title

University Liggett School's (ULS), varsity soccer team won the Metro Suburban Soccer League Championship with an undefeated season of 7-0.

The last game of the league was played at the ULS field on October 24, and ULS beat Bishop Gallagher, 8-0. Matthias Oertle and David Pierce scored two goals while Thornton Nickell, Jeff Kling, Armando Gomez and Ted Parker each had one.

ULS finished the league scoring 32 goals with only five goals against. Peter Worcester became the leading goalie of the league with an average of 0.71 goals per game.

The league commissioner, Joe Spada, in his final sea-

son scoring statistics report to the member schools, mentioned Oertle, Pierce, Kris Robbins, Nickell, Gomez, John Kavadas and Peter Worcester among the 28 players on his honor list.

ULS head coach Luis Gomez received the championship trophy from Mr. Spada during the post-league meeting of athletic directors and soccer coaches at Notre Dame High School on Thursday, October 26.

ULS closed the official season Friday, October 27, defeating for the second consecutive year its arch-rival, Detroit Country Day School, 1-0. John Kovadas scored the winning goal.

"This season has been the best ever in our school," said

coach Gomez. "It took me four years to build and put together this exceptional team. Most of the team players are seniors, and they have been with me three or four years.

"I know each of them extremely well and that has helped me to make them play to the best of their abilities. Hard work, discipline and pride went together throughout the whole season. It has been a real pleasure to coach such a wonderful group of youngsters."

The overall record of ULS is 13-4.

The team will now play in the league playoffs beginning Tuesday, October 31, (after press time).

South High School Finishes Second in EML

By Bill Bradford

The South High School Blue Devil football team held up its end of the stick by defeating L'Anse Creuse North last Saturday, 7-6, but the Roseville Wildcats didn't as they lost a 32-20 decision to Mount Clemens.

Thus the Devils finish the year tied with L'Anse Creuse for second place in the EML, while Mount Clemens takes the championship with a 7-1 record.

The first half of the L'Anse Creuse game moved slowly

for South, as their opponent took advantage of a Blue Devil fumble on the South 31-yard line to take a 6-0 lead.

However, the Devil offense drove 67 yards in the third quarter with Bob Baker scoring on a four-yard romp. Kevin Rinke hit a critical point after touchdown to ice the victory.

Again, it was South's tough defense which kept the Devils in the game. The line of Jim Dailey, Frank Coates, Jerry Brik and Steve Brandt all made sure that the L'Anse Creuse ball carriers saw the dirt, while the explosive linebacking unit of Mike Bevier, Randy Steen and Karl Tewes got in on several big tackles.

In what is always the most intense game of the season, the Devils will take their 6-2 record over to the 5-3 North High Norsemen Saturday, November 4, at 1:30 p.m. The game looks to be a defensive battle, as South looks for sweet revenge for last year's 10-7 upset which ruined their perfect season.

"The team which makes the fewest mistakes is going to be the winner," stated North coach Jim Krucki. "It, (the game), is for the bragging rights of Grosse Pointe. We have a lot of respect for South, and I'm sure they do for us. We're really looking forward to it."

Both coaches agree that the game should be a defensive battle. "If you go on past records, it has always been a defensive game," commented South coach Russ Hepper. "We think that the EML is a stronger league than the Bi-County, and that's what we're going to show them."

Both teams are very

psyched up for the game that they have been waiting for all year. As South defensive tackle Coates mentioned, the Blue Devils will be ready to do some hitting.

GP Lil' Wings Beat Redford

The Grosse Pointe Lil' Wings, Squirt AA travel hockey team, skated to an 8-1 victory over Redford on Tuesday night, October 24, at Grosse Pointe Community Rink.

The Wings dominated play during most of the contest but goalie Coley Connolly had to be sharp on several occasions to hold Redford to a single goal. John Russell and John Birgbauer had big nights offensively with Russell having two goals and two assists, while Birgbauer had one goal and three assists.

The Wings are undefeated in three league games with a record of 2-0-1.

Grosse Pointe scoring was as follows: Brian Nettle from Birgbauer and Mike Fulgenzi, Joe Sullivan, unassisted, Russell from Birgbauer, Russell from Birgbauer and Sullivan from Andy Roy.

Final goals were by Birgbauer from Russell and Brian Nettle, Roy from Mike Kramer and Doug Avedisian from Russell.

Redford's goal was scored by F. Anderson, unassisted.

Jazz Workshop Held at North

North High School students in American studies, humanities and vocal music classes were treated to a "Jazz Workshop" last month by noted local musician Bess Bonnier, thanks to a generous enrichment gift from the North Parent Organization.

Ms. Bonnier and her assistant, Joe LaDuca, received standing ovations after each of their two-hour sessions with the students, the school reports.

The "Workshop" included selections from Rogers and Hart and Gershwin, in addition to many other composers.

Ms. Bonnier has served as a consultant for the Michigan Council for the Arts to enrich programs at Cass Technical High School, Detroit, and helped begin a summer jazz program at the Detroit Institute of Arts last year.

NHS Blanks South Lake

By Tim Messing
North High School's varsity football team shutout South Lake 27-0 on Saturday, October 28. The win raised the club's overall record 5-3 with one game remaining.

Gary Ludwiczak scored two touchdowns and Bob Brown led a strong offense. Both the offensive and defensive lines performed to perfection and proved to South Lake that North was by far the better of the teams.

Tony Ferlito stood out among the defense again with many individual tackles, while assisting on others. North goes against South on Saturday, November 4, in its final game of the year.

Jim Oberliesen, Community Relations Manager, offers you this telephone tip:

"How can you tell if the person at your door is really a Michigan Bell Employee?"

As you may have noticed, our employees do not wear uniforms. They dress in the way they think is most appropriate to get their jobs done. While this permits them to look like the individuals they are, it really doesn't help you identify them as Bell employees. But, there is a way. Every Michigan Bell employee is required to carry a Michigan Bell identification card giving his or her name, photograph, and signature. For your protection, be sure to see this card before you admit them into your home. They'll be happy to show it to you.

LET TAX DOLLARS HELP FINANCE YOUR RETIREMENT
Yes, you can have peace of mind and profit, too, by setting up a tax deferred Retirement Account here at Colonial Federal Savings.

- You'll be happy to learn how easy it is to set up your own retirement program. And how profitable. Either an Individual Retirement Account (IRA) or, if you are self-employed, a Keogh Plan Retirement Account, will help tremendously. For your convenience Richard Fournier, V.P. and Thomas Bush, V.P. have reserved time to meet with you by appointment. Or they will participate in your group discussion on retirement financing.
- Put away before-tax dollars.
- Earn almost 8% tax deferred interest.
- Pay less income tax.
- Be protected by Federal Savings & Loan Insurance Corporation.
- Increase your retirement nest egg by as much as 40%.
- Past or future lump-sum pension or profit sharing distribution can be rolled-over into a tax deferred account.
- No fees. No costs.

Be sure you have all the facts and advantages. Call 886-1080 for a meeting with Mr. Fournier or Mr. Bush.

Incinerator Issue

(Continued from Page 1)
The Park Council was informed that if the authority did not conform to the EPA requirements by at least July 1, 1979, the plant could very well be shut down and the authority would have to seek a landfill site to dump its rubbish and refuse.
Raises Question
Mr. Mitchell said the state was willing to extend the deadline time, as long as the authority is making an attempt to correct the situation, but the Federal Environmental Protection Agency has clamped down on the state EPA to force it to make the authority comply with the federal air pollution standards, with the deadline set for July 1. The authority must comply with the Federal Clean Air Act by that deadline.
Mr. Patterson pointed out that the members of the authority had already approved a bond issue of \$1.2 million to build a new 200-foot smoke stack, and at that time the Pointes were informed that this was the last time a bond issue would be asked for.
The mayor asked why the members were approached to approve the \$1.2 million and now are being asked to approve another \$4.5 million?

Vandals Strike At North High

Someone entered North High School, 707 Vernier road, and damaged several trophies in a display case, along with some sliding glass doors and numerous windows. The incident was reported Saturday morning, October 28.

Youth Service Division Det. John Albrecht said three or four trophies received doses of a light green oil base paint, while another was damaged by concrete. Several chunks of concrete and slate were apparently used to break the windows and display case glass.

One trophy was reported missing, a 1976 state honor won by the cross-country team, the detective noted.
In several spots on the undamaged show case glass, grey paint was sprayed. Meanwhile, on one of the sections of glass, black paint also was sprayed.

Eleven glass windows were shattered in all, with three receiving paint damage. Three display case sliding glass doors were broken, while two such doors were damaged by grey paint.

Officer Carl Schuster, who first responded to the scene, said on the north side of the "A" building, (west end of the school), the plate glass windows of varying dimensions were broken out, probably by chunks of concrete which were found in the hallway adjacent to the windows.

Entry was gained via one of the holes in the windows. Once inside, the culprits broke out the trophy display case windows located opposite the other shattered windows and then poured the green paint over the trophies.
No damage estimate was available as yet from the school system.

Mr. Mitchell and Mr. Hoover said that if the authority can prove to the federal agency that it is trying to conform with the clean air act, before an order is issued to close down the plant, this would establish a "grandfather clause" and the authority can work beyond the deadline to bring everything up to required standards.
Mr. Mitchell said it would not do to put up the new smoke stack, and then have the incinerator plant closed. If it should be closed for even two years, then given the go ahead to reopen, it would cost, at the very least, about \$23 million to bring the plant up to top standards because by that time the standards could very well be more strict.

Need More Time
He also pointed out if the bond issue is not approved by authority members before the November 7 election, at which time tax cut proposals might be passed, then each member city would have to place the issue before their respective voters, and this could cause many months and perhaps years of delay. The delay could raise the cost of improvements much higher than at the present time.

Mr. Patterson inquired as to what would happen if The Park should decide to refuse to approve the proposed bond issue and then pull out of the authority.
The reply was that the city would still be liable to pay its obligations on current bond issues, including that used to construct the incinerator plant, about \$3 million, and the \$1.2 million for the smoke stack.
The Park Council felt that the notice asking for approval of the proposed issue was too short, that more time was needed to study the matter, and voted to table the issue.

It also was pointed out that the subject was too important to make a snap decision and the study is very much needed for council members to make up their minds as to which action to take.

Farms Police Aid Drug Bust

Farms police assisted Detroit in the apprehension of a man they believe was part of a major cocaine distribution operation.

Michael Sand, 21, of East Detroit, was arrested by Detroit police central narcotics officers in the parking lot of the Burger Chef, 18800 Mack avenue, after he allegedly sold more than an ounce of suspected cocaine to an undercover officer on Friday, October 27.

Detroit police claim Sand was connected with two other men, one of whom was a Detroit dentist, who were arrested the same day on similar drug charges.

Farms Patrolman Timothy Morrison conducted a search of Sand's car and found some three and a half ounces of suspected cocaine and about two pounds of suspected marijuana.

Farms Det. Sgt. George Van Tiem said that, since his department hasn't yet heard from Detroit authorities, he assumes the case will be handled solely by them.

He said the bust was the end result of a number of sales made to Detroit Police narcotics officers over a period of months, during which time Farms police were unaware of their activities.

HW Rotarians Slate Brunch

Mediterranean Tour Film Set

The Grosse Pointe Cinema League will present "Mediterranean Tour," a 16mm motion picture by the late Wallace A. Temple, when it meets in the War Memorial's Fries Auditorium, 32 Lakeshore road, on Monday, November 6, at 8 p.m.

The film will be narrated by Gerald Pearsall and is open to the public without charge.

The movie opens in northern Africa with views of the colorful natives of Tunis, busy market places and exotic mosques.

There are lovely scenes along the French Riviera, showing the ancient walled city of St. Paul de Vence and fashionable Cannes and Nice.

In Italy, the camera covers the Palio in Siena, a 16th century pageant climaxed with a thunderous horse race around the main square. There are colorful scenes in Venice, the city of canals, and the mountainous Isle of Capri, with its world-famous Blue Grotto.

The beauty of Florence with its great architectural masterpieces is shown, and highlights of the great city of Rome are pictured.

The presentation will be followed by a social hour for members and their invited guests.

The League welcomes new members, with annual dues at \$5.

Know Your Schools

By Dr. William Coats, Superintendent of Schools

As of this year, the value of the Grosse Pointe Public School System's buildings and grounds was appraised at \$74,881,050.

These examples will show the type of repairs and renovations which are necessary in our buildings.

Roofing and parking lot repairs account for a large part of the dollars spent on improvements.

Likewise, roofing work has been done at South, Brownell, Ferry, Montteith and Richard lots

A considerable amount of mechanical repair work on plumbing and heating fixtures has been completed at South High School

As a result of energy conservation measures, the Montteith oil heating system has been converted to a gas system.

While there is more to a school system than just the buildings and grounds, the proper maintenance of them is certainly important

Despite the continuing need for various improvement projects, we are proud of the general overall condition of our buildings and grounds

We feel it is our responsibility to continue with the care of our facilities in order that the future needs of the community be met.

Stop and think — we all make our most serious mistakes during times of prosperity.

Letters to The Editor

To the Editor: If you are an exercise enthusiast, a casual walker, a biker building up leg muscles or anyone at all who thinks sidewalks are safe—beware!

Not only that, but because of "No-Fault" insurance, you may end up paying higher insurance rates if you are involved in an accident even if it isn't your fault.

Let me state my case: On Saturday, October 14, mid-afternoon, I was struck by a car while I was biking on the sidewalk.

After an uneventful bike ride of over eight miles, I was struck by a car, (while still biking on the sidewalks), exiting from Lake court.

Despite the fact that I was struck by a car in motion, well beyond the stop sign, and I don't care if the car was inching, pinching or winching it's way towards Jefferson, it hit me with enough impact which left me knocked out of wind and rolling on the ground in pain.

Yet, the driver of the vehicle was not ticketed and the police file lists the incident as an accident.

I was taken to Bon Secours Hospital, X-rayed and released. The ensuing pain has been unreal.

Perhaps the greatest pain is the indifference of all the people involved in a somewhat minor case like this.

All I can say is that we are not safe on the sidewalks and it isn't because of a crime rate.

I, personally, am grateful that I was in the lead on this bike ride and that I got hit by an "inching" car and not my son.

To the Editor: As one of the 2,000 runners who participated in the Detroit Free Press International Marathon on Sunday, October 22, I would like to compliment and thank the people of Grosse Pointe Park, City and Farms for the enthusiasm, warmth and hospitality they displayed during the run.

It was a real pleasure viewing the gorgeous scenery of the Pointes, but the encouragement of the spectators and the motivating rendition of "The Theme from Rocky" by the South High School Marching Band were like frosting on the cake.

I am very proud to have been a resident of this fine community and will look forward to my future visits with even more enthusiasm.

My thanks again to all those responsible for a thoroughly enjoyable run.

Family Films Look at British

Films dealing with people, places or institutions in the British Isles will be the theme of this month's Family Film Night, presented Thursday, November 9, at 7:30 p.m. in the Exhibition Room of Central Library, 10 Kercheval Avenue.

"Yeats Country," in color, 18 minutes long, will be especially enjoyable to adults and older students.

In the event that a reader selects reading as a hobby and aging as a subject, he would do well to consult the list of books under "aging" in the card catalog.

Some titles the reader might investigate are "Eating Right for Less" published by Consumer Union, "One Hundred One Ways to Enjoy Your Leisure" by the Retirement Council, "To the Good Long Life" by Morton Puncer

What Goes On at Your Library

By Phyllis B. Huxley Guest Columnist

There is a display in the Central Library that brings together two themes for this column. One is that October is "Hobby Month"; the other is that the library continues to reach out to each segment of the community.

If you visit the display, you will find craft items that represent a few of the interests of some of the members of the OWLS, (Older, Wiser, Lovelier, Sweeter).

There are pillows enhanced by trapunto and ribbons created by Irene Fournier and Lois Jenkins; ceramics by Adele Ryder; hardwood carving by Ed Zukas; hand puppets by Gertrude Malpass.

A separate case holds hand-carved miniatures by the late Wadie Townsend. The pieces, made to furnish a dollhouse Mr. Townsend constructed for his granddaughter, are evidence of the painstaking and loving effort a grandfather can put into his hobby.

The notion of "Hobby Month" is currently, (and continuously), wending its way through the library. What better place to find information basic to creative endeavor?

Hobby and craft books that will initiate or spur on interest in any area abound in the library.

Although we chose to focus on the hobbies of seniors this month, we are not suggesting that they, as a group, have leisure interests that are exclusive to them.

Often, we find mention of programs for children at preschool, middle school or college-bound levels. It is important to realize that the library serves as an informational and recreational center for mature readers as well.

In the event that a reader selects reading as a hobby and aging as a subject, he would do well to consult the list of books under "aging" in the card catalog.

GPW Receives Pleasing News

The Woods Council recently received some good news regarding the mowing of grass along Mack Avenue from the Wayne County Road Commission, and unanimously authorized a resolution to the commission indicating the solons' pleasure.

City Administrator Chester E. Petersen in a memo to the council noted the city in late summer was advised by the commission that they would no longer be responsible for the mowing of grass on any county street/road right-of-way.

A reason for this as given by the commission was a concern over lack of funding and lack of manpower and equipment.

"This office," said Mr. Petersen, "had expressed concern as to whether or not it was the intention of the commission to eliminate grass mowing of the Mack Avenue median and was requested by the council to make inquiry of the commission's new policy and report back to the council."

He added he was pleased to advise that the commission does, in fact, plan to continue mowing the grass along Mack.

Book Fair Set At Defer School

Defer Elementary School, 15425 Kercheval Avenue, will sponsor a student book fair Tuesday through Friday, November 7 to 10.

Students, parents and visitors are invited to browse and purchase books between the hours of 6 to 9 p.m. on Tuesday, and 9 to 11 a.m. and 1 to 3 p.m. on Wednesday, Thursday and Friday. The display will be in Room 203.

A variety of reading interests will be represented at the fair including classics, fiction, biographies, adventure stories, science, nature, crafts and reference books.

The fair committee is working with Educational Reading Service, a professional book fair company, to furnish a wide selection.

ULS Welcomes Speakers, Club

Speakers from the Grosse Pointe community and a visit from the U.S. Naval Academy Glee Club have been featured recently in the University Liggett School, (ULS), assembly program for Upper School students.

ULS parent Ross Roy spoke on behalf of the United Fund and Dr. John Burrows discussed running at recent assemblies.

The Glee Club performed a program of traditional and popular songs, ranging from patriotic songs and sea shanties to rock and roll favorites. The program culminated with student Anne Bauhof being summoned at random from the audience. She was presented with a photograph of the choral group and invited to dance and sing with the midshipmen in a finale number.

Let's Talk Real Estate

by John E. Brink

An interesting article in the Detroit Free Press tells about a small community called Pennsburg Village in Pennsylvania. The headline shouted "Villages double their own taxes!" Pennsburg is a small village of about 1000 residents and this started me thinking about Grosse Pointes little cities.

Grosse Pointe Park and the Woods have about 5000 residents each, which is only five times Pennsburg. If we ever had a strong enough individual or group who could win the confidence of all of the home owners in each of Grosse Pointes cities, think what we could do!!

In my estimation, the Pointes should have a common Research and Development program that they each support. This R & D program would be to study ways and means of protecting our property values and making our community the safest, most pleasant area to live. The program sponsored would be taken care of voluntarily by a temporary "doubling" of taxes.

In the business world, companies who do not continually seek to diversify or make their service or commodity better, end up in bankruptcy or slowly dying away.

This is one of the seasons why Grosse Pointe Real Estate Co. has sponsored the community development program incorporating cul de sacs, etc. We have other programs that are designed to help our property values. We believe in R & D and feel our prudence into community affairs is appreciated. We can do more and would like to, however, we need your help just a little bit. How? Simply let us help you when you have a Real Estate problem, whether it's selling or buying. You'll find we're all "Pros" and frankly the finest Real Estate Co. in the Pointes. WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

A film trip with Pierre and Elfrieda Palmentier is almost as good as being there—maybe better, for there's no hassle with passports, luggage, hotel reservations that have mysteriously disappeared...

Nothing to do but sit back, relax and have a marvelous time: Now THAT's the way to travel! The Palmentiers, who recently journeyed through central France, will be showing and talking about this interesting countryside next Tuesday evening, November 7, at the Grosse Pointe War Memorial.

"Let's Go to Central France" is a benefit sponsored by the Grosse Pointe Symphony Women's Association: a dinner, wine and film party starting at 6:30 o'clock.

Of the Palmentiers it's been said: "You name it—they either do it or collect it."

Pierre, president of the Grosse Pointe Symphony, has been playing flute and piccolo in the orchestra for the past 14 years. He has also been president of numerous numismatic organizations. Elfrieda is a past-president of both Deeplands Garden Club and the Grosse Pointe Chapter of Questers.

But their favorite interest is photography. Both have had salon experience, and their pictures have been published in magazines and newspapers.

They've volunteered this first time showing of "Let's Go to Central France," a 16mm movie, with all proceeds going to the Pointe Symphony. The film, photographed by Pierre and narrated by Elfrieda, opens with views of the beautiful, pastoral area around Saulieu.

There are visits to abbeys and chateaux, including the famous river castles of the Loire Valley, (the Palmentiers resided in one of these lovely chateaux while making daily photographic excursions to others), to the Medieval towns of Avallon and Vezelay and the great Cathedral at Chartres.

Society News Gathered from the Pointes

Nuptial Plans Are Revealed

Mr. and Mrs. Francis Waring Robinson, of Kercheval avenue, are announcing the engagement of her daughter, Julia Jane Trowbridge, to Dr. Mark Jeffares, of Oxford, England, son of Dr. and Mrs. George Jeffares, of Dublin, Ireland.

The bride-elect, who is also the daughter of the late Albert Hartsuff Trowbridge, was graduated from Grosse Pointe High School and holds a Bachelor of Fine Arts degree from Michigan State University.

She has done postgraduate work at Pewabic Pottery and Wayne State University and is currently a candidate for a teaching certificate and a Masters degree in Graphics and Ceramics at MSU where her fiancé, who received his Ph.D. from Trinity College, Dublin, has been doing re-

search in Organic Chemistry. He is currently continuing his research at Oxford University.

Julia is the granddaughter of the late Mr. and Mrs. Luther Stephen Trowbridge, of Grosse Pointe, and the late Mr. and Mrs. Charles Walter Matheson, of Detroit and Bloomfield Hills.

Mr. Trowbridge was a partner in the law firm of Trowbridge, Lewis and Watkins. Mr. Matheson was an automobile executive. Mrs. Matheson was one of the first woman physicians and surgeons in the United States.

The prospective bridegroom's father is a retired professor of Languages. His mother is a well-known artist in Ireland.

The date and place of the wedding have not yet been determined.

Mrs. David Connolly

Christ Church, Grosse Pointe, was the setting Saturday, October 21, for the wedding of STEPHANIE KEMBLE FISCHER, daughter of Paul P. Fischer, of Lothrop road, and the late Mrs. Fischer, and Mr. Connolly, son of Mr. and Mrs. Stephen J. Connolly, III, of Marblehead, Mass.

Stephanie Fischer Is October Bride

Mrs. Binkley C. Shorts Comes from Wayland, Mass., to Attend Her Sister at Wedding to David Connolly

Stephanie Kemble Fischer, daughter of Paul P. Fischer, of Lothrop road, and the late Mrs. Fischer, and David Connolly, son of Mr. and Mrs. Stephen J. Connolly, III, of Marblehead, Mass., exchanged marriage vows Saturday, October 21, in Christ Church, Grosse Pointe.

The Reverend Robert McGregor, assisted by Monsignor Francis Canfield, of Saint Paul's-on-the-Lakeshore, officiated at the late afternoon rites.

The 4 o'clock ceremony was followed by a reception at the Grosse Pointe Club, with music by Jack Qualey's five-piece band.

The newlyweds will return from a Bermuda vacation to make their home in Marblehead.

Pearl embroidery accented the bride's long-sleeved, Empire-waisted gown of Alencon lace over English net. Her long veil fell from a cap of matching lace. She carried white rosebuds.

She was attended by her sister, Mrs. Binkley C. Shorts, of Wayland, Mass., as honor matron, and bridesmaids Mrs. Niles W. Wheeler, of Essex, Mass., former Pointer Elizabeth H. Kross, who now resides in Boston, and the bridegroom's sister, Suzanne L. Connolly.

Their long-sleeved, cowl-necked, floor length dresses were fashioned of spice-colored jersey. They carried arrangements of small mums, in fall shades.

Stephen J. Connolly, IV, was best man for his brother. Ushering were Bertram T. Martin, Jr., of Atlanta, Ga., Arthur J. Santry, III, of

evening by the bridegroom's parents at the Grosse Pointe Club.

Hosting a noon luncheon Saturday at the Country Club of Detroit were Mrs. J. Boyer Candler, Mr. and Mrs. John B. Ford, III, Mr. and Mrs. John H. French, Jr., Mr. and Mrs. Lawrence Gotfredson, Jr., Mr. and Mrs. Peters Oppermann and Mr. and Mrs. Robert B. Sempke.

After the reception, the young set gathered at the home of Mr. and Mrs. David Fuger, while the Pierre Fugers entertained at a buffet dinner in their Merriweather road home.

A Sunday "get-away" buffet luncheon, for those with afternoon departures, was given by Mrs. E. Leonard Fitzpatrick at her home in Rivard boulevard.

Tuesday is a great day for . . . a facial or pedicure. So, take an hour, relax and treat your feet or let Linda pamper your face.

A Holiday Focus For Berry Lecture

Sixty Arrangements Combining Mostly Natural Materials with Fabrics to Be Created On-Stage at Fries Auditorium

"Creative Designs for a Gala Holiday" is the timely subject Lois Pollock, of Orchard Lake, has chosen for the Berry Memorial Lecture Friday morning, November 17, at 11 o'clock in the Grosse Pointe War Memorial's Fries Auditorium.

A subscription luncheon will follow in Fries Crystal Ballroom. Reservations for it, at \$6 per person, should be in the Garden Center Room at the War Memorial by Tuesday, November 14. There is never any charge for the lecture, endowed several years ago by a gift from the late Eska and Raymond

Meeting Today For Fox Creek

The Fox Creek Chapter of Quilters meets at 1 o'clock today, Thursday, November 2, in the Canterbury road home of Mrs. James LaDuc whose co-hostess is Mrs. Kenneth Harle.

Guest speaker Sue Karrer, of Karrer's Kubicle, will give a talk on the history of stones and beads.

president Mrs. Edward R. Harrigan in Florida last winter to ask if she and her daughter, Mrs. William A. Cole, both active Garden Center trustees, would chair this fall lecture.

Before they left for a trip abroad this fall, Nell Harrigan and Peggy Cole had most of the arrangements completed. Now they're sending out invitations and making final plans.

Many garden clubs make their own plans to attend the lecture as a group and stay on for the luncheon. Tables are reserved for them, if requested early enough.

Mrs. Pollock is particularly qualified to give this important lecture. She has been active in garden clubs for more than 20 years and has served on the Federated Garden Clubs state board and on the Detroit Garden Center board for several years.

She is a fully-accredited National Council of State Garden Clubs' Flower Show Judge. She has studied Japanese Flower Arrangement with Mary Takahashi.

Mrs. Pollock has asked Mrs. William McDonald to assist her on the stage as she creates 60 arrangements of mostly natural materials combined with fabrics of her selection.

Her demonstration will last about an hour. Coming in as special guests will be members of the Greater Detroit Flower Arrangers Guild.

Mrs. Harrigan will introduce Mrs. Pollock. Mrs. Mark C. Stevens is hostess chairman.

Mrs. Daniel J. Clifford is in charge of table decorations, and Mrs. George E. Rapp and Mrs. James L. Schueler are addressing and mailing the invitations. Mrs. James A. Lafer is publicity chairman.

Mrs. John A. Dodds, membership chairman, will preside at a table where friends eager to join the Grosse Pointe Garden Center in any of three categories — \$4, \$8 or \$15 annual dues — may sign up. The Garden Center supports education in horticulture in many interesting ways in the community.

Plan Woman's Club Scholarship Fete

"Our Thanks to You" is the theme of the Grosse Pointe Woman's Club annual scholarship luncheon and fashion show, scheduled for Wednesday, November 15, in the Grosse Pointe War Memorial's Fries Ballroom. It's a Thanksgiving tribute to the club's many friends who have supported this fund raising project. Meeting recently to finalize plans for

Funds from the Garden Center's successful Tour of Homes on this fall's most beautiful weekend, October 21 and 22, and dues provide the financial backing for all the Garden Center's activities, as well as the library in the Garden Center Room and the Trial Gardens on the War Memorial's lakeside lawn.

Two scholarships are given each year to candidates for Doctoral degrees in Horticulture at Michigan universities.

Project Transition is a total rehabilitation program for women offenders.

Mrs. C. Bradford Lundy, of Ballantyne road, is president of the league, an organization of 8,000 volunteers and professionals which participates with other civic, church and community groups in the rebuilding of lives and neighborhoods.

Schedule Sale of Collectables

Committee members planning the League of Catholic Women's Collectables Sale set for this Saturday, November 4, from 10 in the morning to 4 in the afternoon at Casgrain Hall in Parsons street, Detroit, include Pointers Mrs. Edward Hickey, Mrs. Daniel Tindall, Mrs. Hans Gehrke, Mrs. Joseph Mengden, Mrs. Lorenzo Browning, Mrs. J. Addison Bartush and Mrs. Clayton Alandt.

Fine, used home furnishings, antiques, appliances and art objects will be featured, along with boutique clothing from the league's four Bargain Counter resale shops.

Proceeds will benefit the league's social service projects in the metropolitan Detroit area.

The League of Catholic Women, founded in 1905, operates four social service agencies in Detroit.

Barat Human Services is a coordination of residential and counseling services for emotionally and/or socially disturbed adolescent girls. Casa Maria, a community center in the Tigertown area, provides recreation, counseling, crafts and tutorial programs.

Fashion Night At Boat Club

A husband and wife fashion show, featuring styles by E. J. Hickey, Inc., and Maria Dinon, plus fun, gift and accessory items, is scheduled for this Saturday, November 4, at the Detroit Boat Club.

The evening's models will be Boat Club members George and Mariana Skaff, Ed and Lynn Welsh, Bob and Sue Van Deventer, Jerry and Shirley Smith, Ben and Sue Gravel, Bill and Mary Lou Miller, Hart Hollman and Melanie McCafferty.

Summer Wedding For Miss Martinez

Robert Bruce Fishers Are at Home in Ann Arbor; Both Are Studying for Masters Degrees

Ronda Marie Martinez and Robert Bruce Fisher vacationed in The Bahamas following their marriage Saturday, August 19. A reception at Lochmoor Club followed the 2 o'clock rites at which Judge Patrick Denis presided.

The bride, daughter of Mr. and Mrs. Stanley Martinez, of University place, wore a white gown, afternoon length, fashioned with a soft, full skirt, a low, square neckline and full sleeves gathered at the wrists.

She carried blue and white baby's-breath and wore matching flowers in her hair. She was attended by Jane Willetts, in a white silk blouse and floral print, afternoon length skirt. Jack Fisher, Jr., was his brother's best man. They are the sons of Mr. and Mrs.

Wedding vows were spoken Saturday, August 19, by RONDA MARIE MARTINEZ, daughter of Mr. and Mrs. Stanley Martinez, of University place, and ROBERT BRUCE FISHER, son of the Jack Fishers, of Farmington Hills.

Jack Fisher, of Farmington Hills.

The newlyweds are at home in Ann Arbor where he is working toward his Master of Business Administration degree at the University of Michigan.

Both are Michigan State University graduates. He received his degree in Engi-

neering and worked for two years for Union Carbide Corporation.

She received her degree in Urban Development and is now employed as a corrections officer at the Huron Valley Institute, Ypsilanti, and working toward a Masters degree in Counseling at Eastern Michigan University.

Grosse Pointe Co-op. Presents Fall Auction

The Grosse Pointe Co-operative Nursery School will present a fall auction featuring homemade and new articles contributed by members and friends next Thursday evening, November 9, at 8 o'clock at Grosse Pointe United Methodist Church.

Among the varied goods and services to be offered are a quilted Christmas stocking, stuffed Santa pillow, ribbon pillows, a catered dessert for a dinner-party and baby sitting hours.

Everyone is welcome. Proceeds will purchase toys and equipment for the school.

Guests interested in needlework are invited to attend the meetings on the third Monday of each month at 7:30 o'clock in the evening.

Slate Salvation Army Auxiliary's Meeting

The Auxiliary to the Salvation Army meets Monday, November 13, at corps headquarters in Royal Oak. A business session is scheduled for 11 o'clock, a brown bag luncheon, (coffee and dessert will be served), for noon.

The afternoon program will feature gemologist W. Michael Williams speaking on "Diamonds Are A Girl's Best Friend." Reservations are being accepted by Mrs. Frank Voorhies, 646-2309, and Mrs. Charles Husband, 422-6877.

Art on Display at Lochmoor

Thanks to Pointe artist Dorothy Hurley, an exhibition of paintings by Gloria Goeddeke, whose work is in public collections throughout Michigan and other states, is on display at Lochmoor Club through Tuesday, November 21.

Gloria, who terms herself a Romantic Impressionist inspired by man and nature, has been painting professionally for 15 years.

She is noted for her paintings of Mackinac Island summer cottages and her portrayal of people. Her work is on view in the Detroit Institute of Arts Founders Gallery, Petoskey's Gallery One, East Lansing's Freeman Gallery and the Cellar Studios of Adler/Schnee in Harmonie Park.

She previously exhibited in The Pointe in 1968, at Liggett School.

Music For A While Schedules Concert

(Continued from Page 17) Sonata, joined by Janet Young and Virginia Shover. The team of Shover and Young also will appear as duo-pianists playing two compositions: Bach's Sonata in D minor for two pianos and Lutoslawski's Variations on a Theme of Paganinni.

The Bach Sonata was originally composed for organ, then transcribed for two pianos by Victor Babin who performed with his wife Vitya Vronsky in the famous Vronsky-Babin Duo Piano Team. The Paganinni theme, a favorite of music lovers, is given a new and exciting treatment in Lutoslawski's Variations.

Laurie Lindemulder will be heard without her piano

partner when she performs Nardini's Sonata for Violin and Piano in A Major with violinist Betty Peterson.

Nardini, an 18th century Italian composer and violinist, was accompanied in concert by Mozart when the latter was on tour in Florence.

Music For A While, now in its third season, was organized by area musicians to provide daytime concert-goers with quality performances at reasonable prices in a convenient location. This is Music For A While's first evening concert. Upcoming concerts on February 1 and March 15 will again be held at 10 in the morning at Memorial Church.

Because the planning, promotion and detail work are handled by Music For A While performers, ticket prices are kept down even when concerts feature well-known Detroit area professionals and semi-professionals.

John Guinn, probably best known as a writer and critic, holds a Masters degree in Music Theory and Literature from the University of Notre Dame. He serves on the Michigan Advisory Panel of the Michigan Council for the Arts and is a member of the Music Critics Association.

Mr. Guinn serves as organist and music director for Our Lady Star of the Sea and teaches a course in music for the University of Michigan Extension Service.

The singers performing for the first time with Music For A While all are recognized soloists in the metropolitan area.

Miss Powley has appeared in the Laudenslager Chamber Music Series and has soloed for the last four years with the Kenneth Jewell Chorale.

Mr. Mooney has appeared as soloist in Michigan Lyric Opera productions of Mo-

zart's "Marriage of Figaro" and "Magic Flute" as well as Hollingsworth's "The Mother" and Robert Jones' "Pilgrimage." Mr. Strickland appeared in last summer's Cranbrook Festival.

Tickets to Music For A While concerts at \$3 each are available at the door or may be purchased in advance by calling 884-7815, 885-8110 or 882-9127.

Set Cape Cod Holiday Mart

A Cape Cod Christmas Mart will be presented Saturday, November 4, from 10 to 4 o'clock at St. Philip and St. Stephen Episcopal Church, Frankfort at Lakewood, Detroit, with hot luncheon service scheduled from 11 until 2 o'clock.

Assisting bazaar chairman Mrs. Ronald Kar is Mrs. Warren Parker, of Barclay road, who is in charge of the Sugar Hill Baked Goods Shop.

Miss Dora Bowlby, of Cadieux road, is coordinating the Century Shop, which will offer antiques and other

collectibles, while Mrs. William Wills, of Cloverly road, and Mrs. James LaSavage, of Berkshire road, oversee Tot's Treasure Trove's children's apparel and toys.

Roberta Roney, of Balfour road, promises many lovely Christmas decorations in her Holly Hill store. A special Cape Cod atmosphere is reflected in seashore decorations by Mrs. John Conley, of Three Mile drive.

Bette Prudden, of Brys drive, will be doing her on-the-spot portraits.

Open Schubert Festival Today

Music Director Antal Dorati will conduct the Detroit Symphony Orchestra in three Schubert symphonies tonight, Thursday, November 2, at 8:30 o'clock in Ford Auditorium, in the first of 14 concerts featured in "Festival '78: Schubert/Vienna."

The two-week festival, designed to commemorate the 150th anniversary of the composer's death, is comprised of the concerts, to be presented in various Detroit concert halls through Wednesday, November 15, and an International Schubert Congress, co-sponsored by Wayne State University, on the WSU campus November 10 through 12.

The symphonies to be performed at tonight's inaugural event illustrate the development of Schubert's symphonic talent from his first completed symphony to the last two that have survived.

To Hold Holiday Mart At Immanuel Lutheran

The Guild of Immanuel Lutheran Church will hold its annual Holiday Mart Friday, November 3, from 10 in the morning to 3 in the afternoon at the church at the corner of Chandler Park drive and Dickerson, Detroit.

Luncheon service is scheduled from 11 until 12:30 o'clock. Among those assisting general chairperson Margaret Driscoll, of Whittier road, are Pat Thomas, of Balfour road, Doris Cinder, of Warren, Ann Parsons, of Harper Woods, and Ruth Engle and Sue Schwartz, of Detroit.

Among the mart's features is a Swedish Specialty Booth. A Bake Sale, Attic Treasures and items handmade by members during the year will also be offered.

To Guide White Christmas Ball

MR. and MRS. FREDERICK K. CODY have accepted the honorary chairmanship of the Fontbonne Auxiliary of Saint John Hospital's White Christmas Ball, slated for Saturday, December 9, at the Detroit Plaza Hotel in Renaissance Center.

Strolling musicians will entertain during the cocktail hour, which begins at 7 o'clock. Guests will enjoy the music of Chuck Robinette and his orchestra during the dinner hour and for dancing immediately following.

Miss Delling to Say Vows

Mr. and Mrs. William Delling, of Van Antwerp road, are announcing the engagement of their daughter, Pamela, to Dennis Palasek, son of the John Palaseks, of Grand Rapids. The wedding is planned for next August. The bride-elect, a Grosse

Pointe North High School alumna, holds a Bachelor of Science degree in Communications from Western Michigan University, from which her fiance holds a Bachelor of Science degree in Business Administration.

Meeting Time For Methodists

The United Methodist Women of Grosse Pointe United Methodist Church have scheduled a luncheon and general meeting for 12:30 o'clock next Tuesday, November 7, at the church.

Guest speaker Mary Evelyn Self, immediate past-president of the Family Life Education Council's board of directors, now board secretary, will discuss FLEC's programs and its work in the community.

Agape Fellowship will provide the hostesses of the day. Devotions will be led by Mrs. Robert Ward. Reservations may be made through tomorrow, Friday, November 3, by calling the church office, 886-2363. Nursery care will be available.

Meeting Set for WSU Med School FRIENDS

FRIENDS of Wayne State University's School of Medicine will hold their fall general meeting Tuesday, November 7, at Scott Hall in the Detroit Medical Center with Mrs. Maurice H. Bernstein, FRIENDS president, officiating.

Mrs. Gianfranco Dal Santo is program chairman. Activities start at 11 o'clock with a social hour and luncheon arranged by Mrs. David Penner, social chairman.

Featured speaker Thomas N. Bonner, WSU's new president, will be introduced by Dr. Robert D. Coye, dean of the Medical School, and President and Mrs. Bonner will be welcomed as honorary FRIENDS members.

Mrs. C. Jackson Franke, membership chairman, encourages guest participation in all FRIENDS' functions. Annual dues are \$5. Further information may be obtained by calling WSU's University Relations, 577-1495.

PIME Fiesta Slated Sunday

The PIME Missionaries, whose former Detroit headquarters in Oakland Avenue has been taken over by the city to develop a new elementary school, will hold their annual Open House and Fiesta this Sunday, November 5, from noon until 6 o'clock at their new headquarters: the recently-purchased, former Mary Reparatrix Convent in Quincy Street, directly behind Gesu Church and across from the University of Detroit campus.

Among those chairing committees for the annual event this year is Pointer Mary Ellen Barum.

Featured will be games of fun and skill, a Haunted House, Christmas and boutique booths, a bake sale, snack bar and mostaccioli and meatball dinner at \$3.50 for adults, \$2 for children under 12.

There is no admission charge. All proceeds from the Fiesta, sponsored by the PIME Mission Guilds, will go to help the poor and underprivileged in mission countries where PIME priests and brothers are at work.

The former convent will now become PIME's headquarters in the United States and provide housing for PIME's college-age seminarians who are studying at the University of Detroit.

Mrs. Michael Smerza

Setting for the wedding of NANCY KEPPELMAN, daughter of the H. Thomas Keppelmans, of Moran road, and Mr. Smerza, son of the Leo Smerzas, of Belleville, Saturday, September 9, was the Ann Arbor Women's City Club.

Nancy Keppelman Is Autumn Bride

The Jongleurs Play Baroque Music During Ceremony at Which She Speaks Vows to Michael E. Smerza

Nancy Keppelman and Michael E. Smerza exchanged marriage vows Saturday, September 9, in the Ann Arbor Women's City Club, where a reception in the Garden Room followed the 3 o'clock ceremony.

A Baroque music ensemble, The Jongleurs, from Ann Arbor, played before and during the rites at which Dr. Dwight Large, of Ann Arbor, presided.

The bride, daughter of Mr. and Mrs. H. Thomas Keppelman, of Moran road, wore a gown of organza over pale blue taffeta. Bands of white lace circled her skirt.

Her waist was banded in pale blue satin, a motif repeated on her picture hat with its wide, lace brim. She wore an heirloom, her great-grandmother's cameo, at her collar, and carried a Colonial bouquet of blue bachelor buttons and baby's-breath.

She was attended by her sister, Mrs. Sherman Rundles, of Rochester, as honor matron, and bridesmaid Mrs. Thomas Tritton, of New Haven, Conn., in long, Empire frocks of sky blue taffeta overlaid with white organza.

White lace accented their necklines. They carried baskets of white daisies and ivy.

Best man was James Gahagan, of Ann Arbor. Edward Smerza, brother of the bridegroom, ushered. They are the sons of Mr. and Mrs. Leo Smerza, of Belleville.

Pointe Garden Club to Meet

The Pointe Garden Club will hold an optional workshop next Wednesday, November 8, at 10 in the morning at the Lincoln road home of Mrs. Robert S. LeFevre.

Members interested in making spice wreaths and tussy-mussys are asked to contact the hostess, as space is limited.

Yachtswomen Meet Nov. 9

Yachtswomen gather next Thursday evening, November 9, at 8 o'clock at the Great Lakes Yacht Club for their annual meeting during which officers for the coming year are elected and installed.

Hostesses include Pointers Jean Bartos and Marlene Bohlinger, Margery Randall, of St. Clair Shores, and Joyce Murdock and Sue Dubbs, of Mount Clemens.

GARY F. ALTMAN, son of MR. and MRS. FREDERICK ALTMAN, of Hillcrest road, has completed requirements for a Bachelors degree in Mechanical Engineering at the General Motors Institute.

Pointe Unitarians Slate Holly Fair

Wine And Cheese to Be Featured at Opening Monday Evening, November 6; Bazaar Continues All Day Tuesday

The Grosse Pointe Unitarian Church will present its annual Holly Fair Monday, November 6, from 6 to 9 in the evening and Tuesday, November 7, from 10 in the morning to 5 in the afternoon at the church in Maumee Avenue.

Anita Mitasik, chairperson, promises many new items as well as repeat favorites from years past.

Included in the cornucopia of gifts for all ages are Christmas decorations, wheat decorations and pine cone wreaths, miniature gardens, baked goods, candies, canned goods and gourmet specialties, candles, toys, leather goods and Treasures and Trifles.

There also will be a Children's Shopping Center, where boys and girls under 12 may shop without parent supervision.

Special prizes include a luxurious afghan and an electric knife, and Bette Pruden, well-known Pointe artist, will be available both days to sketch individual and family portraits.

Assisting general chairperson Mrs. Mitasik are Mary Miller, Eleanor Camp-

bell and Natalie Lederer, in charge of Treasures and Trifles; Virginia Jeffries, boutique; Caroline LaVoie, children's items; Irene Muir, ornaments; Maryellen Hadjisky, wheat decorations; Mindy Fossati, Green Thumb; Betty Sorenson and Margaret Borden, Bon Appetit; and Jacque Genova, candles.

Wine and cheese will be available Monday evening, with punch and cookies for the children. The Coffee Shop will provide snacks all day Tuesday.

The Holly Fair is sponsored each year by the Women's Alliance of the Grosse Pointe Unitarian Church. It is open to everyone.

Present Brown Bag Concerts

A pre-Thanksgiving musical feast is underway at the Detroit Community Music School as the second series of Brown Bag luncheon concerts continues on Thursdays through mid-November.

Back by popular demand, the 35-minute Brown Bag concerts were first presented last spring to enthusiastic audiences. Concert-goers are invited to bring their own lunch to the school's recital hall or purchase sandwiches at the door for \$1.

The school is located in the heart of the University-Cultural Center area, at the corner of Kirby and John R. Concerts begin at 12:15 and conclude at 12:50 o'clock. Admission is \$1.

Martin Scot Kosins and Friends are the featured performers today, Thursday, November 2, premiering a selection of original love songs.

Kosins, a pianist, has earned a distinguished reputation as composer, studio musician, music critic and recording artist. He has performed with the Detroit Symphony Orchestra and on

Awarded degrees during summer commencement exercises at Northern Michigan University were BRIAN DUNN, of Roland court, Associates degree in Criminal Justice, and ROBERT GITZEN, of Fair court, Bachelors degree in Liberal Arts.

The Brunch with Bach series at the Detroit Institute of Arts.

He is serving as co-director of the newly instituted Jazz and Popular Music program at DCMS.

Next Thursday, November 9, the Brown Bag concert will spotlight the new African music and dance program at DCMS.

Kwasi Aduonum, Doctoral candidate at the University of Michigan, has a unique ability to involve his audience as he presents a fascinating array of musical instruments and dances from his native Ghana.

The Detroit Civic Brass Quintet rounds out the series Thursday, November 16, appearing in a cabaret concert, with selections ranging from Renaissance music to Scott Joplin.

Several members of this group, which includes trumpet, trombone, tuba and horn players, are members of the new Detroit Symphony Civic Orchestra.

Janet Brown will moderate from Your Tisch and Can create a discussion, "Do You Voucher For It?" You Know Your Headlee on the three taxation is-

sues on this month's ballot.

AAUW's International Relations Study Group meets this afternoon, at 1 o'clock at the home of Gertrude Beddow in Gateshead street, Detroit, to focus on Canada: Our Nearest Neighbor.

Mabel Van Dagens and Mabel Hillegas are in charge of the program. Marion Hopson and Evelyn Kyzivat are the co-hostesses. Baby sitting information may be obtained by calling 882-6947.

Baby sitting is also available, upon request, for the Art Appreciation Study Group meeting tomorrow morning, Friday, November 3, at 9:30 o'clock at the Lincoln road home of Catie Duker. Mary Louise Krebs will focus on Tapestries — Old and New.

AAUW Chorus members are advised to call their chairman, 886-8558, for information on the meeting place and baby sitting for their two meetings this month. The first is scheduled for Monday morning, November 6, at 9:15 o'clock, the second for Friday, November 17, also at 9:15 o'clock. The group will practice three-part Christmas music.

Ann Fields will report on Ominous Changes in Our Weather for the Politics of Food meeting Tuesday, November 7, at 9:15 in the morning in the Buckingham road home of Judy Launs.

Co-hostess is Aralynn Vinande.

Poetry and Prose Reading members are advised to bring "stream of consciousness" examples to their meeting Wednesday, November 8, at 9:15 in the morning in the Moran road home of Peggy Ptasznik.

Co-hostess is Ruth Stanley. Baby sitting reservations may be made by contacting the hostess by tomorrow, Friday, November 3.

Ex-Parisienne Therese Fleming will comment on French slang at La Causerie's meeting Wednesday evening, November 8, at 7:45 o'clock at the home of Bea Wilcox in Villa Lane, St. Clair Shores. Co-hostess is Janet Moore.

The branch's board meeting is scheduled for Thursday morning, November 9, at 9:15 o'clock at the Grosse Pointe Central Library.

Gerda Bielitz, from the Grosse Pointe Public Library, will give a talk, "An Afternoon with Paul Theroux," at a meeting of the Book Group Monday, November 13, at 1 o'clock at the South Renaud road home of Mrs. Ralph Ranney. Co-hostesses are Mrs. Charles Collins and Mrs. Bernice Wood.

Tom Haller, from Smith, Hichman & Grylls, will discuss Styles of Architecture in the eastern Detroit and Grosse Pointe area at a Kaleidoscope meeting Tuesday morning, November 14, at the University place home of Judy Wagner. Susie Kendall is co-hostess.

Coffee will be served at Evening Stitchery's meeting that evening, at 7:30 o'clock at Sue Beaudry's Bishop road home.

A Colonial Meal is the menu for the Gourmet Dinner Group Saturday evening, November 18. Reservation deadline is this coming Wednesday, November 8. Reservations may be made by calling 882-6344 or 886-3597.

The Play Reading Group is sponsoring a Theatre Night at Greektown's Attic Theatre to view "The Emperor of the Moon," a 1687 Commedia Dell'Arte, Sunday, November 19. Reservations, (deadline is Saturday, November 11), may be obtained by sending \$3.50 per person to Mary Bell Taylor, 84 Handy road, Grosse Pointe Farms, Michigan 48236.

Information on car pools may be obtained by calling 882-7678. Curtain time is 7:45 o'clock. An optional dinner at The Hellas begins at 5:30 o'clock.

Daytime Stitchery members continue work on embroidery stitches on needlepoint canvas Tuesday, November 21, at 9 in the morning in the Canterbury road home of Joyce Walker. Co-hostess is Chris Kaiser.

Leading a program on Eric Remarque's "All Quiet on the Western Front" for Book Discussion Group members that evening, at 7:30 o'clock at the Hampton road home of Jane Mertz who will be assisted by co-hostess Gerry Mullen, will be Barbara Galup and Millie Mank.

Studio Arts and Crafts members will complete their ceramic trees Monday morning, November 27, at 9:15 o'clock at Phyllis Rabbideau's Touraine road home.

A workshop on terrariums led by Fran Sultzman and Mary Lou Boresch is planned for Green Thumb members Tuesday, November 28, from 9:15 to 11 in the morning at Janet Brown's Shoreham road home.

Jill Best will interpret Tolkien that evening, at Contemporary Literature's meeting at 7:30 o'clock in Ruth Jinks' Lakepointe avenue home.

International Relations members Fran Schonenberg and Mary Louise Krebs will repeat their examination of world trade for Instant Replay's meeting Wednesday evening, November 29, at 7:45 o'clock at Margaret Woodford's home in South Rosedale court, St. Clair Shores. New and prospective members are welcome.

Grosse Pointe North High School graduate RUTHANN SEARS, daughter of MR. and MRS. RAYMOND SEARS, of Yorktown road, has been accepted for admission to Wheaton College for the 1978-79 academic year.

From Another Pointe of View

(Continued from Page 17)

The second portion of the presentation covers an eight-day barge trip through Burgundy's canals and rivers.

Chairman and co-chairman of the benefit, respectively, are Mrs. Kim K. Lie, of Bedford road, and Mrs. Charles Endicott, of Stratton place. Tickets may be obtained by calling 882-6483 or 821-9854.

Change of Guard at Music Hall

After more than four years as chairman of Music Hall's board, Mrs. Alfred R. Glancy, III, of Cloverly road, has stepped down, turning over her gavel of office to Harwood Rydholm, who promptly pledged to continue the progress Music Hall has made under Ruth Glancy's aegis.

That progress has included significant physical improvements and restoration of Music Hall's building as well as an all-time-high sales record for season tickets set this fall.

Other officers of the Music Hall board elected at the last meeting include John W. Paynter, vice-president and treasurer, Pauline (Mrs. Donald E.) Young, vice-president, and Ruth (Mrs. Joseph A., Jr.) Vance, secretary.

The latter Ruth (Vance) is ubiquitous as far as the arts are concerned. Among her current responsibilities/delights is participation in the corps of honorary chairmen for a black tie dinner this Saturday in the Great Hall of the Detroit Institute of Arts for members of the African Art Gallery committee of the museum's Founders Society.

Highlight of the evening will be formal presentation to the museum of a major painting, Hale Woodruff's "Ancestral Memory," gift of the African Art Gallery committee which raised funds for its purchase.

Giftoorama Days at Kingswood

Many Pointe alumnae of Kingswood School Cranbrook and their friends plan a trip across town the weekend after next to enjoy Giftoorama days during which Kingswood's classrooms, decorated for the holidays, become branches of specialty shops and boutiques.

Giftoorama '78 is scheduled for Saturday, November 11, from 10 in the morning to 5 in the evening, and Sunday, November 12, from noon to (Continued on Page 32)

A Special Year for Panhellenic

The Detroit Alumnae Panhellenic Association celebrated its 60th anniversary and honored its current president, Mrs. Robert Mulligan, Kappa Delta, at a salad luncheon Wednesday, November 1, in Grosse Pointe Memorial Church's Fellowship Hall.

In keeping with the anniversary theme, a view of the association was presented in 10-year segments in a program planned by Mrs. William Auch, Alpha Gamma Delta, past-president, assisted by Mrs. Fred Davis, Alpha Phi, and Mrs. Ronald Launs, Alpha Chi Delta.

Other past-presidents offered the commentary. Current sorority alumnae presidents, past Panhellenic presidents and past and present delegates were among the invited guests.

Among those who assisted Mrs. Michael Crow, Chi Omega, luncheon chairman, were Mrs. Fred Lewis, Kappa Delta, current Panhellenic vice-president; Mrs. William Wilson, Alpha Omicron Pi; Mrs. Michael Welsh, Sigma Sigma; Mrs. D. J. Fleming, Gamma Phi Beta; and Mrs. Louis Bridenstine, Delta Delta Delta.

Church Circles Meet Tuesday

Grosse Pointe Memorial Church Circles meet next Tuesday, November 7, with Circles One and Four gathering at 9:30 in the morning at the church.

Also meeting in the morning are Circle Two, at the Rivard boulevard home of Mrs. Floyd N. Secrest, and Circle Three, at the Lochmoor boulevard home of Mrs. Clarence Maguire. Afternoon circles, conven-

ing at 1 o'clock, include Circle Five, at the Cadieux road home of Mrs. John Finch, and Circle Seven, at the Balfour road home of Mrs. Robert Sheridan.

In the evening, at 7:45 o'clock, Circle Eight will gather at the Vernier road home of Mrs. Alex Pietra. Circle Nine meets at 7:30 o'clock, at the Westchester road home of Mrs. William Leith.

Read what former high tar smokers had to say about their switch to MERIT in a new, nationwide research effort.

Confirmed: 85% of MERIT smokers say it was an “easy switch” from high tar brands.

Confirmed: Overwhelming majority of MERIT smokers say their former high tar brands weren't missed!

Confirmed: 9 out of 10 MERIT smokers not considering other brands.

And in research conducted among high tar smokers who taste-tested MERIT against leading high tar brands:

Confirmed: Majority of high tar smokers rate MERIT taste equal to—or better than—leading high tar cigarettes tested! Cigarettes having up to twice the tar.

Confirmed: Majority of high tar smokers confirm taste satisfaction of low tar MERIT.

First Major Alternative To High Tar Smoking
MERIT has proven conclusively that it not only

delivers the flavor of high tar brands—but continues to satisfy!

This ability to satisfy over long periods of time could be the most important evidence to date that MERIT is what it claims to be: The first real alternative for high tar smokers.

New Hilberry Year to Open

A double bill of comedy classics will have a double opening at Wayne State University's Hilberry Theatre when the Hilberry Repertory Company's first new production of the season is presented at a special President's Preview for Sponsors Friday, November 10, and again at its official public opening Wednesday, November 15, at 8:30 o'clock.

This double debut brings together Moliere's "The Doctor in Spite of Himself" and Richard Brinsley Sheridan's "The Critic," each a short play generally accepted as outstanding in its own class.

"The Doctor in Spite of Himself," although written late in Moliere's career, is closer to the pure farce of his early work. It is a good example of the theatrical art he learned from the Commedia dell'Arte, the improvised comedy of the popular stage with its timeless character types, broad comic situations and theatrical vitality.

"The Critic," or a Tragedy Rehearsed," as its complete title suggests, is a play about the theater, and is the best and most constantly revived of many English burlesques of the stage.

Sheridan, a theater manager as well as a playwright, exploited to the full the popular taste for spectacle, and "The Critic" uses elaborate scenic effects and lavish costumes.

Heading the cast of "The Doctor in Spite of Himself" are John Morgan Lund in the title role, Mary Ottmann and Richard Gustin as the typically troubled lovers, Andrew Leo Dunn as the girl's difficult father and Kristin Reveaux-Beauchamp as the pseudo-doctor's shrewish wife.

The large cast of "The Critic" includes Erick Devine as Mr. Puff, the playwright, Jim Birdsall and Richard Bradshaw as his friends, Dangle and Sner, Joyce Ramsay as Mrs. Dangle and Cynthia Dozier and George Christopher Kappaz as two of the actors in Puff's tragedy.

Both plays are directed by Robert T. Hazzard. Scenic design for "The Doctor in Spite of Himself" is by Stephen Francis Krempsky, for "The Critic" by Russell Smith.

Costume design for both plays is by Jackie Durbin, lighting by Marc C. Riske. This new production will alternate with the Hilberry Company's revivals of "A Midsummer Night's Dream" and "Romeo and Juliet," and will continue in the repertory through January.

Complete schedule and ticket information is available from the Hilberry box office, 577-2972. Tickets also are available through J. L. Hudson's ticket services and a number of local college and university bookstores and ticket offices.

Pointers Talk To Architects

Grosse Pointe architects Gino Rossetti, president of Rossetti Associates, and William R. Fleming, personnel director for Smith, Hinchman and Grylls Associates, presented lectures during the Michigan Society of Architects' 63rd annual convention last month in Kalamazoo.

Mr. Rossetti, whose firm is responsible for plans for redevelopment of Washington Boulevard and the Woodward Plaza in downtown Detroit, spoke about "Rebirth of A City" at the conference. He's a graduate of University of Detroit.

Mr. Fleming, vice-president of The Pointe Board of Education, presented a talk on "Personnel Management." A graduate of Denison University, Mr. Fleming received his Master of Divinity degree from Kenyon College.

Health Council Eyes Busy Year Sex education, dental hygiene and health clinic programs are among the many activities planned for the year by The Pointe's Health Education Council.

The council, founded in 1945, aims to serve as a link between the home and school in providing health education and service.

The council's next meeting is scheduled for Monday, November 20, in Central Library, 10 Kercheval avenue, at 1 p.m. Dr. June L. Sears, extension home economist from Wayne County Co-operative Extension Service, will give a presentation on nutrition.

The sex education program is well under way in elementary schools. Sessions for parents are scheduled at Brownell Middle School in January and Pierce Middle School in March.

Sessions for students at Ferry began Wednesday, November 1, and continue through Wednesday, November 8. A program will be held at Our Lady Star of the Sea today, November 2.

A dental hygiene program, including cleaning, exam and fluoride treatment, is planned for each elementary and middle school. Cost for the program is \$6 per child or \$12 per family. More information on this program will be mailed to parents by the council at a later date.

All meetings are open to the public. Membership in the council costs \$5 per year. For more information, write to the Health Education Council, Inc., P.O. Box 36212, Grosse Pointe Farms 48236.

Academy Girls Tennis Champs

For the second consecutive year the Grosse Pointe Academy, (GPA), girls tennis team has emerged the undefeated champion of the CYO, (Catholic Youth Organization), League.

A 5-0 victory over Saint Clare de Montefalco on Wednesday, October 18, brought the team's win record to 12 straight.

The team is composed of girls in grades five through eight, and includes two sister combinations, Patricia and Susan Ingrao and twins Suzanne and Kathryn Thibodeau.

"Our championship team last year had eighth graders playing as top seeds," explained coach Joyce Swart, "and we expected some loss of strength when they graduated. This year's team exceeded my greatest expectations, and allowing fifth graders to be a part of the team is definitely a means of building for the future."

Seventh graders Cackie Boomer and Laurie Evans and eighth graders Amy Quarters and Grace Robinson led the singles play for this season. Amy Quarters, a new student from California, proved a welcome addition to the GPA team.

Assistant Headmaster Larry Reeside honored Mrs. Larry and all team members at a recent school assembly and announced that a pizza party was in order for the victors.

Learn Helper Skills at JOYS

JOYS, (Job Opportunities for Youth and Senior Adults), will hold a party-helper workshop for Pointe teens, boys and girls 12 years and older, at the Neighborhood Club, 17150 Waterloo avenue, on Wednesday, November 8, at 3:45 p.m.

As prospective party helpers, students will learn more about setting up, serving, arranging and passing trays, clean up and general responsibilities of assisting a host and hostess in home entertaining situations.

To register, call the club at 885-4600 Monday through Friday between 9 a.m. and 5:30 p.m. There will be a \$2 fee for materials.

Upon successful completion of this training session, students will be recommended to callers requesting this particular service.

JOYS is a job referral agency co-sponsored by the Junior League of Detroit and the Neighborhood Club.

League members, Mrs. Robert A. Zink and Mrs. John W. Lambrecht, are co-chairmen of this event.

NAMED CHAIRMAN Pointer James T. Barnes Jr. has been elected chairman of the board of trustees of the Barnes Mortgage Investment Trust. Mr. Barnes, a former vice-president and treasurer of the trust, succeeded his late father, who was chairman since the trust was founded in 1972.

Dartmouth Gals Take Net Title

Thayer Wendell, of Edgemore road, and a former national junior doubles champion, was one of two Detroit area women who helped lead Dartmouth College to a second consecutive team championship at the annual New England Women's Intercollegiate Tennis Championship Tournament held recently.

Miss Wendell and her partner, Jody Awad, of Weston, Mass., won the doubles championship with a 6-4, 6-0 victory over Sue Podolsky of Detroit and Karen Loeffler of Wayzata, Minn. By reaching the finals, both local women brought Dartmouth's point total to 40 to nose out Trinity College and Harvard University.

Much advice on how to succeed comes from unsuccessful men.

MRS. HARRY MELLEN, OF LAKELAND AVENUE

By Ann Wallace

What would involve 12 months of preparation, 56 antique dealers from some 14 states and London, England, a boutique, country store, pantry shelf and a calico kitchen providing luncheon and dinner, coffee and ice cream?

And also a Goodwill booth featuring more antiques and collectibles and items of quality gathered throughout those 12 months?

Well, it would be the major fund-raising project of the Junior Group of League-Goodwill — the 31st Annual Antiques Market and Sale!

Mary Beth Mellen, chairman of exhibitors for the antiques market, has spent many hours this past year, contacting the antique dealers and making arrangements for their booths at Fairlane Manor, Dearborn, Saturday, Sunday and Monday, November 11, 12 and 13.

Whole Year's Work
"The market has involved a year's work," notes Mrs. Mellen, "not only for me but for the other ladies, such as those preparing a catalogue which details the floor plan of the booths and lists the dealers and advertisers."

"I have been working closely with Mrs. Don F. Carlson, of Bloomfield Hills, chairman of committees. Together we have tried to coordinate the efforts of the many ladies preparing for the market."

Booths at the market will include not only those of the antique dealers but a boutique featuring gift items, Christmas ornaments and a furnished dollhouse, a country store with candies, cheeses and nuts and a pantry shelf featuring homemade jams, jellies, pickles, salad dressings and spaghetti sauce as well as a bakery counter.

A "wishing well," with prizes including antique treasures such as a Victorian chair with a needlepoint seat and an Oriental rug, also will be featured.

Offer Great Variety
"The 56 antique dealers," continues Mary Beth, "will be bringing a tremendous variety of items for the serious collector or for the person looking for an antique that might not be a major investment."

"The whole purpose of the market is to raise funds for League-Goodwill. Proceeds generally help support physically, mentally, emotionally and socially handicapped clients, including those who reside in the Saint Ambrose Residence facility for mentally retarded women who formally were institutionalized."

Mrs. Mellen adds that funds also are designated for the soon-to-be-opened Holy Name Residence facility for handicapped men.

"It used to be a convent for nuns," explains Mary Beth. "It now is being brought up to code with the building of ramps for wheelchairs and other accommodations."

"We consider Holy Name and Saint Ambrose 'half-way

houses' for the residents and hope that, one day, they will be able to return to society and be self-sustaining."

Cites Many Successes
Mrs. Mellen notes that there have been tremendous successes in rehabilitation, adding that two residents were married not long ago. Another measure of success would be the fact that Phyllis Manson, director of Saint Ambrose which is considered a model as a halfway house, was invited to a conference in Scotland to share the experiences and problems of maintaining such a facility.

In the 45 years since its founding in 1933, the Junior Group has raised and contributed \$850,000 to Goodwill Industries and its successor organization, League-Goodwill.

"We hope to raise at least \$40,000 from this year's market," explains Mary Beth, "so that these facilities can continue to grow. As is the case with everything these days, rising costs have made maintenance more costly."

"So we hope and encourage everyone to go to the market, visit the booths which, except for the dealers' booths and Goodwill booth, are entirely staffed by Junior Group members, and purchase either an antique or other available item."

Hours for Exhibits
The exhibits open each morning at 11 o'clock and close Saturday and Sunday evenings at 10 o'clock. The market will close Monday afternoon, November 13, at 5 o'clock.

"We decided to have a weekend day showing," Mary Beth continues, "when men or women can come by themselves, if their spouses are not antique buffs. They can then take their time walking through the exhibits."

Admission donation to the show will be \$3, with the exception of Monday, when groups of 10 or more and senior citizens will be admitted for \$2.

"At one time, the market was held only on weekdays," Mrs. Mellen notes, "but many requested a Sunday sale when both husband and wife could be together. Let's face it: not many of us could make a major purchase without the approval of either husband or wife."

The 56 dealers this year include, for the first time, dealers specializing in nautical antiques and lighting devices which Mary Beth hopes will encourage the man-of-the-house to attend.

Unusual Antiques
"Among the more unusual antiques," Mrs. Mellen adds, "will be a very large Steiff teddy bear, made in 1900. It is anchored to wheels and can be ridden by a child."

"A child's brass canopy

bed from Georgia is a rare find, and we are excited about this item. It was made in 1853!"

Other exhibits at the market will include 18th and 19th century American and English furniture, primitives, toys, jewelry, prints and quilts. Clocks, dolls, pewter, tin, silver, glass, spatterware and Staffordshire china also will be on display for the potential buyer.

"My job, basically," continues Mary Beth, "has been direct correspondence with the 56 antique dealers. By May and June this past spring, all the booths were rented by the dealers."

"We have a cottage up at Cross Village, near Petoskey, which my husband and I visit quite often through the year, so corresponding with the dealers at times has been difficult."

Dealers Contacted
"When plans for the market begin to be formulated," continues Mary Beth, "dealers who have had booths in past markets are contacted first. Then we consider new exhibitors who have been recommended to us."

This market provides an opportunity for the dealers to discuss among themselves what is available these days in antiques. They also buy from one another.

"The Invitational Champagne Preview Friday evening, November 10," notes Mrs. Mellen, "enables the dealers to tour the other booths and do some serious 'looking,' which sometimes results in a purchase either that evening or at a later time during the market."

"Serious looking" also is done on preview night by all those attending, also possibly leading to a purchase that evening or at a later time during the market hours throughout the weekend."

Mrs. Mellen adds, however, that the Goodwill booth's collectibles of furniture, china and many other fine items, exhibited in a separate room, are not available for sale until the formal opening Saturday morning at 11 o'clock.

\$17.50 for Preview
Donations to attend the champagne preview are by advance ticket only at \$17.50 per person. They can be purchased by calling Mrs. Mellen.

"The easiest way to Fairlane Manor, the market place, located in Dearborn at 19,000 Hubbard drive," explains Mary Beth, "is by the I-94 expressway west to the Ford road exit. Follow Ford road to the Southfield Expressway service drive, exit there and remain on it until the Hubbard avenue exit."

"Turn right at this exit and the Manor is right there. Travelling time from Grosse Pointe is about 25 minutes."

Set-up crews will begin preparing the booths Wednesday evening with the help of men from League-Goodwill, which has its main

"Milton Hunter," notes Mary Beth, "oversees the set-up and he works so hard making certain all is in order. The dealers start to fill the booths Thursday morning at 8 o'clock and continue to about 7 o'clock in the evening."

A set of candlesticks was the first antique Mrs. Mellen received from the League-Goodwill Antiques Market. They were a wedding gift.

Cites Many Items
"Since then," Mary Beth adds, "I have purchased many beautiful items, such as a chamber stick with a square pan which is a candle holder that was carried to light the way through darkened rooms."

"We have sconces, a mahogany coal scuttle, Spode plates and a lovely brass pail, which is a marvelous planter from my large jade plant. The bed in which we sleep is a big four-poster which we purchased a while ago at one of the markets!"

Mrs. Mellen adds that through the years she and her husband have made purchases for decorative purposes rather than investment. She stresses that there are items not only for the serious collector, but for the person who is interested in adding an unusual and beautiful addition to the home, or to a jewelry collection, for example.

How Money Is Raised
"The Junior Group of League-Goodwill does not realize any funds from the sale of the antiques," explains Mary Beth. "Our funds are accumulated through the rental of the booths by the dealers, the sale of the Invitational Preview Party tickets, advertisements, the sale of the exhibit catalogue

Gala Evening for Friends of France

The Alliance Francaise de Grosse Pointe and the Alliance Francaise de Detroit are inviting all friends of France to a gala evening and dinner next Wednesday at the Detroit Athletic Club, where Marc Blancpain, world president of the Alliances Francaises, will take them on a "Tour du Monde Humoristique."

Hosting the evening are the presidents of the Detroit and Grosse Pointe Alliances: Ludmilla (Mrs. Frank) Kruse and Marco Nobili. M. and Mme. Blancpain will be guests of Mr. and Mrs. Kruse at their Pointe home.

M. Blancpain, who is lecturing to other Alliance groups in the United States on a very active schedule, will be appearing before the Sarasota, Fla., Alliance the day before he arrives in Detroit. Reservations for the dinner are \$15 each. Black tie is optional. Cocktails will be available at 6:30 o'clock. Dinner, featuring "gigot d'agneau roti aux petits legumes," is scheduled for 7:30, the lecture for 9 o'clock.

Reservation checks should be mailed to Mrs. Anthony A. Vermeulen, 693 Lakeshore road, Grosse Pointe Shores, Michigan, 48236, who may be reached at 886-9102 for further information.

Tell Hartwick Pines History

Grosse Pointe Chapter of Questers #147 will gather Friday, November 10, at 10 in the morning in the Harcourt road home of Mrs. Frederick Schumann, who will be assisted by co-hostesses Mrs. Wallace Temple and Mrs. Edgar Hahn, for a luncheon and business meeting.

Mrs. Edward Hartwick will speak on the Hartwick Pines State Park, located seven miles northeast of Grayling. The park was presented to the state in 1927 by Mrs. Hartwick's mother-in-law, Karen B. Hartwick, as a living memorial to her husband, Major Edward E. Hartwick, who lost his life in World War I.

The park is designed to preserve the beauty of Michigan's original White Pine forest and to perpetuate the story of early lumbering in Michigan. It is the only stand of virgin White Pine remaining in the lower peninsula. The original presentation consisted of over 8,500 acres. This year alone, over a quarter of a million visitors are projected to visit Hartwick Pines and its re-creation of an early logging camp.

Andy lives in San Francisco. Peggy is a Hillsdale College graduate, now enrolled at the Kendall School of Design.

"Fred," Mrs. Mellen continues, "has fulfilled a lifetime dream and is an engineer with the Santa Fe Railroad. Tom, who with his wife, the former Sue Boyd, expects their first child this spring, lives in Highland."

Mrs. Edwin O. Bodkin, of Trombley road, began the Junior Group of League-Goodwill with the first fundraiser in 1937.

"When we say 'junior,'" explains Mary Beth, "we don't refer to age. Our group has women of all ages, with the greatest numbers in the late 30 to late 50 age range."

"Our purpose is strictly fund-raising, while the women's auxiliary group works directly with the clients of League-Goodwill in many capacities."

Mrs. Mellen adds that new members always are welcome in the Junior Group but they must be willing to work hard and be able to give at least 75 hours of work to the show throughout the year of preparation for the market.

Michigan Skiing Offers Variety

A plan to limit the number of weekend skiers at one major Michigan lodge this winter is the first step toward controlling crowds at state ski areas, according to Automobile Club of Michigan.

"The last three seasons have brought unprecedented 15 to 20 percent yearly increases in weekend skiers at many Michigan resorts," stated Joseph Ratke, Auto Club touring manager. "Predictions of another record year have forced West Michigan's Sugar Loaf to raise weekend lift fees \$3 this season."

Saturday and Sunday lift passes at that lodge west of Traverse City have been increased to \$15 daily in a move lodge operators hope will result in shorter lift lines and better quality skiing on less-crowded slopes.

To encourage weekday use, Sugar Loaf will keep lift fees at last year's \$8 daily rate and offer special packages also available through other lodges which include free skiing and lodging for children.

Mr. Ratke noted that Sugar Loaf is following the lead of some popular eastern and western U.S. ski areas, which control weekend and holiday crowds with higher lift fees or limits on lift ticket sales.

No other state lodge contacted by Auto Club plans to limit weekend skiing this season.

Even though three of last season's ski areas are not opening this December and no new lodges have been built, this is the third straight winter 58 lodges are listed on Auto Club's ski guide.

Timberlee, near Traverse City, and Tyrolean Hills, near Gaylord, were not open last winter but plan to operate this season. Middleville Ski area, near Middleville, opened in mid-season last winter and will continue operation this season.

Adventure Mountain, near Greenland, in the western Upper Peninsula, will not reopen this year. City-owned Mount McSaubia, near Charlevoix, is undergoing remodeling and could reopen sometime this season. Mount Mancelona was closed last season, and its new owners could not be reached to determine when it will open this winter.

Skiers will pay an average \$7.30 for daytime weekend lift fees this season.

Lowest fee in the state this year is \$1 at Petoskey's city-run Winter Sports Park. The most expensive skiing available is at Sugar Loaf.

"Skiers will find lodges unique in each region of the state," Mr. Ratke pointed out.

With lift tickets ranging from \$1 to \$15 daily on weekends, West Michigan's 24 lodges offer the state's widest variety of prices and services. Southwest areas cater to day-users, while northern resorts have amenities such as heated swimming pools, deluxe at-slope condominiums plus lodge rooms and dining rooms overlooking the slopes.

The Upper Peninsula's 14 ski lodges are similar in variety to West Michigan's. Its areas run the gamut from local hills used by high schools and colleges to complete luxury resorts with the state's highest vertical drops. Lift tickets range from \$2 to \$12 on weekends.

East Michigan's slopes are ideal for individuals and families seeking skiing without the high-priced extras of luxury resorts. Two of the 12 areas feature group dormitories and a third has chalet and motel lodging, with lift tickets priced from \$2.50 to \$9.

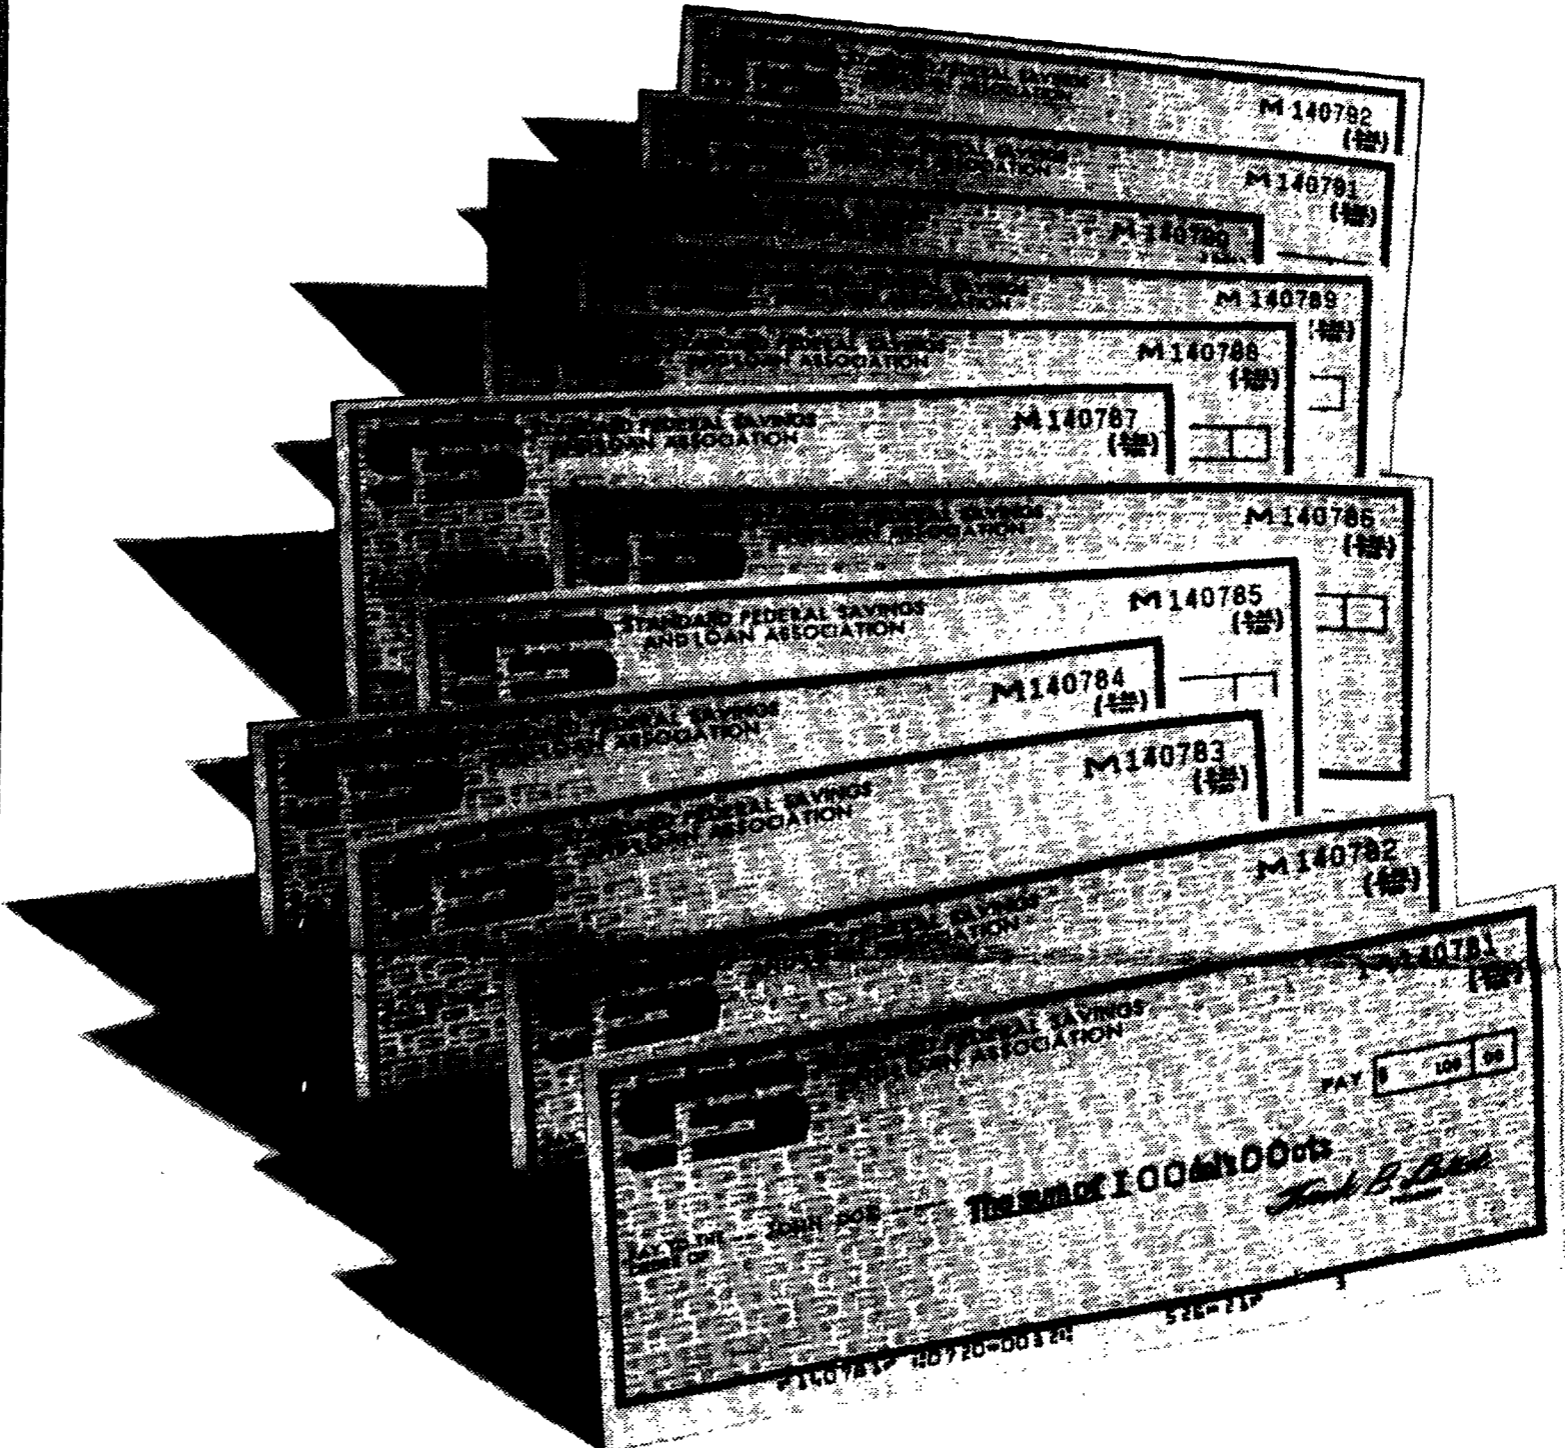

Southeast Michigan's eight areas probably are the most heavily skied in the state. Each offers near-home fun no more than an hour by expressway from major population centers. They offer what's billed as the state's best snowmaking system, enabling the region to boast usually the state's earliest opening dates.

For the last two seasons, Mount Brighton's snowmaking capability enabled it to open the ski season in mid-November before northern Michigan resorts had snow.

It is estimated that nearly two million Michiganders took to the slopes last winter, generating more than \$167 million in business, or four percent of Michigan's total tourist industry revenues.

IF THERE'S A RANCH IN YOUR FUTURE
BETTER RIDE OUT TO THE WOODS SUNDAY!

1559 SOUTH RENAUD

Quality shows throughout this spacious home. The beautifully landscaped 90x145 lot is a great escape from cramped living, and the convenient location is ideal for the entire family. The two full baths and attached 2½ car garage are only a few of the many fine features you'll appreciate . . . we'll be expecting you!

"HOUSE — A MINIMUM?"

1957 STANHOPE

"House-a-minium!" It's a new word, to describe what we feel is the best that a house can offer, combined with many of the fine features you'd expect in a condominium. First, there's the comfort and convenience of a nice residential community, yet without the excess size that so many houses have. The over-all excellent condition is like that of a condo, yet without those high monthly maintenance charges. The interior shows like a "condo model", yet the new low, low price is far less than any comparable condo recently for sale, and a garage and beautiful, yet not too big yard is yours to enjoy . . . that is, unless some one beats you to it!

ALSO FOR YOUR SUNDAY VIEWING,
THIS GRACIOUS, SPACIOUS NEWER RANCH!

20212 EDMUNTON

(Just off Harper near Mauer, between 8 and 9 Mile Road)

The owner of this excellent three bedroom 1½ bath home would like to give you \$2,000, so he reduced the price, thus making a good deal "a good deal better". And we remind you make a special note of the many fine features, including a natural fireplace in the family room, huge 28' recreation room, central A/C plus attached 2 car garage, and superb move-in condition. Speaking of moving in, occupancy can be at closing . . . why not satisfy your curiosity . . . it could be a most satisfying "look-me-over!"

THANKSGIVING, CHRISTMAS AND NEW YEARS EVE! Three of the most beautiful and festive holiday seasons we have will soon be here, and we have the ultimate entertainment home in which to enjoy them in. With its panoramic view of Lake St. Clair, this special contemporary is well priced at \$295,000. If it's time for you to step into that fine home you've worked so hard for, we suggest you do it now: while this one-of-a-kind home is still available.

WOULD YOU BELIEVE 5 bedrooms, 3 full baths plus den and sitting room, and natural fireplace. This inflation buster is immaculate. So if you need lots of space and you're on a budget, look inside this one! \$44,900.

THE SWAN IS ALMOST HERE! Isn't it exciting to watch a "swan" emerge where an old ugly duckling once sat! Perhaps you have noticed the big difference the driveway and recent landscaping have made. The inside refinements are just as impressive and exciting, too. We feel this special residence is destined to become one of the Pointes most desirable homes . . . and it could be yours unless you procrastinate . . . why not let us arrange a tour now while many interior decisions can still be yours to make?

EAST SIDE WEST SIDE This most elegant ranch in the Woods allows a bedroom and bath at the east end, while featuring two bedrooms and a bath and a half at the west end; an arrangement so convenient for live-in help or an in-law. And wait until your wife sees the kitchen and family room—they're both a knock out. If you're in the market for a premium ranch, put this "Jewel" at the top of your list.

WOULD YOU BELIEVE 5 bedrooms, 3 full baths quality one owner Ranch home, with most every convenience you could desire under a roof! There's one attractive room after another . . . 8 in total, which includes three bedrooms. The 2½ car brick garage is attached, the lot is both spacious and well landscaped, and the lower level games room is certain to "ring your bell!" Decide for yourself—let us arrange your private tour now.

RENAUD ROAD IN THE SHORES

and only a few doors from the lake. The center entrance plan features a spiral staircase rising out of the marble floor foyer. To the right off the foyer is a library with fireplace. The dining room is back toward the rear. A living room with fireplace runs the depth of the house. A family room to end all family rooms sprawls across the back of the house. This step-down room boasts a magnificent fireplace wall, an entertainment center with the best in sound equipment and apparatus to project movies and slides. Complementing this family room is a bar room complete with barbeque built-in. A total of six bedrooms and four baths comprise the second floor.

COME ON IN, the view is breathtaking. Because almost every room offers a sweeping vista of the lake with its ever changing scene, you may not notice that almost every room has a fireplace, and the crown moldings, dado, door panels, hardware and floor finishings are perfection in design and maintenance. The kitchen is a masterpiece with all the conveniences yet fine wood cabinets, some with beveled glass, and a cozy fireplace make this kitchen feel like an informal living room. We could run on about the new bathrooms, the heated swimming pool and the new heating system, the separate carriage house. You may just want to run out and buy it.

THREE BEDROOM COLONIAL with a first floor lavatory and a large, paneled room makes its brief appearance on the market. We say brief because at the price of \$28,500 it won't last long.

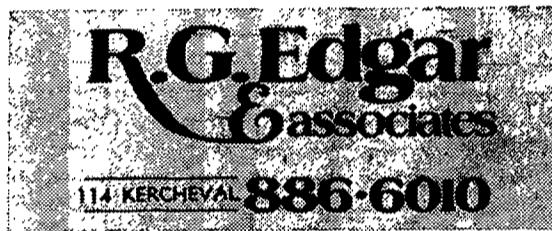

THAT LITTLE BIG HOUSE is great looking from the street, but even more attractive once you step inside. What a fooler . . . with a total of four bedrooms, one on the first floor. So tastefully decorated and in a fine neighborhood just a couple blocks to Kerby and Brownell Schools.

LESS THAN \$20,000 and in the Pointe. All white with a picket fence and newly carpeted. Ready for immediate occupancy.

CONDOMINIUM TOWNHOUSE in Grosse Pointe City. Three bedrooms and two baths on the second floor and two more bedrooms and another bath on the third. A first floor lavatory, forced air heat and two-car garage make this a special buy.

Club Plans Bingo Games

Program directors at the Neighborhood Club, 17150 Waterloo avenue, plan to begin operating a bingo game for senior citizens later this month.

Games will be held once a month, according to the club's program director Jon Austin, and will accommodate up to 180 people, who need not be Neighborhood Club members in order to participate.

The funds raised by the game, estimated at about \$250 a month by Mr. Austin, initially will go to the club's

senior citizens building fund. After the addition for the elderly is constructed, proceeds from the game will be directed to operating and maintaining the center, he added.

The City Council made it possible for the club to get a state bingo license by formally recognizing the club as a non-profit organization on Monday, October 23.

Good intentions need careful nursing to keep them healthy.

Offers Winter Driving Tips

Winter time demands special driving skills and a vehicle that is properly maintained and equipped for sub-zero driving and survival in an emergency, according to Automobile Club of Michigan.

Controlling a car on icy pavement can be a problem. If a car skids, turn the front wheels in the direction the rear wheels are headed. Slowly straighten the front wheels as the car corrects. When roads are slippery, do not downshift or suddenly

decelerate. To stop on ice, pump the brake pedal lightly and rapidly.

Auto Club Emergency Road Service Manager Robert M. Smith adds that a home-made "survival kit" should be in every car trunk. It should cost \$60 or less to assemble and contain a coffee can to radiate warmth from a lighted candle inside, newspapers for insulation when placed next to the skin under clothing and carpet strips for traction under drive wheels.

Other suggested survival items are a blanket, shovel, flashlight, jumper cables, tire chains, boots, flares, reflectors, tools, first aid kit, sand, a scraper-brush and food.

Mr. Smith notes, "Motorists who follow maintenance recommendations outlined in car owner's manuals can expect summer starts all winter without taking any other steps."

According to Mr. Smith, 85 percent of all "can't start" calls received by Auto Club Emergency Road Service contract garages are the result of vehicle neglect, not vehicle failure.

For motorists who have not followed maintenance procedures outlined in the owner's manual, Auto Club suggests this pre-winter program:

- Check the vehicle's fuel tank, fuel line, fuel pump, fuel filter, automatic choke and carburetor.
- Check the battery and replace it if necessary. Make sure it is fully charged, with fluid covering the plates. Terminals must be tight and corrosion-free.
- Check the fan and other belts and replace them if worn. A slipping belt can result in an undercharged battery.
- Replace spark plugs, points and condenser if needed. Inspect the radiator, heater hoses and clamps for leaks. Check antifreeze strength and levels. Effectiveness is reduced if water is added.
- Check and adjust or replace windshield wiper blades. Regularly add solvent to the windshield washer reservoir to prevent freezing.

Auto Club also offers the following suggestions to help guarantee winter starts:

- Keep the car in a garage, or at least park the car with the hood against or near a building to keep it free of the wind. On very cold nights, place a blanket or tarpaulin over the hood, or place a lighted electric bulb under the hood.
- Before starting, be sure the transmission is in park with all accessories off so there is no extra strain on the battery. Push the gas pedal to the floor and let up slowly to set the automatic choke. The accelerator should not be pumped since that floods the engine. Engage the starter for 10 seconds.
- If you flood the engine, depress the gas pedal to the floor, hold and engage the starter. The accelerator should be kept down until the engine starts.
- Keep the tank full to avoid fuel line freezing.

Pointes Cite Girl Scouts

Girl Scout Awareness Week in all the Pointes was celebrated October 22 to 29.

Written proclamations in observance of the special week were issued by Park Mayor Matthew C. Patterson, Woods Mayor Benjamin W. Pinkos, City Mayor John L. King, Farms Mayor James H. Dingeman and Shores Village Superintendent Thomas K. Jefferis.

The proclamations expressed praise and appreciation to local Girl Scouts for their many contributions to their communities throughout the year. They are all on display at the council offices of the

Girl Scouts of Metropolitan Detroit, (GSMD), 28 West Adams, Detroit.

Girl Scout Awareness Week was observed for the first time by GSMD to create public awareness of the Girl Scouts and the many updated programs in which they are involved.

Through displays and special programs planned in communities throughout Wayne County, the Girl Scouts wanted to let the public know that they are concerned, involved, enthusiastic members of their neighborhoods.

Center Offers Film on Japan

Colorful Japan will be featured next on the War Memorial's Grosse Pointe Adventure Series Friday, November 17, with a Japanese Sukiyaki dinner served at 6:30 p.m. in the Crystal Ballroom and the personally presented travel film beginning at 8 p.m. in Fries Auditorium, 32 Lakeshore road.

Thayer Soule, a Harvard graduate with honors in languages, geographical studies and public speaking, was a protégé of the original world leader in travel photography and lectures — Burton Holmes.

A Marine colonel, he has been making and lecturing on travel films for 40 years, with a record of 29 showings before the National Geographic Society.

Mr. Soule's urban Japan runs the gamut from Tokyo's bustling Ginza to the Imperial Palace to the Kabuki Theater to cherry trees to the sports center and Sumo wrestling.

Modern Japan is shown with its marvels of automation and efficiency.

The complete evening, including dinner and film, is \$10.75. The show only is \$3. All seats are reserved.

Group Offers Advice on Energy Use

Americans use more energy per person than any other people in the world, and create more pollution, according to the American Lung Ass'n. of Southeastern Michigan in a news release.

A surprisingly big chunk of energy, 26 percent, is consumed by residences, says the association. Most of the residential energy, 70 percent, is used to heat and

cool homes. An additional 20 percent goes for heating water. The remaining 10 percent is consumed by lighting, cooking and running small appliances.

According to government studies, about 40 million homes are not insulated adequately. Home owners could save eight percent on heating and cooling costs if they installed proper insulation and

checked R-values: insulation ratings which evaluate resistance to winter heat loss or summer heat gain.

Attic insulation is important, too. In summer, a whole house ventilating fan in the attic or upstairs window pulls cool air through the house if the windows are open downstairs.

When you use fluorescent lights wherever possible, you cut energy demands. A 40-watt fluorescent bulb gives off 80 lumens per watt, while a 60-watt incandescent bulb gives off only 14 lumens. Every time you take a shower instead of a bath you save about five gallons of hot water.

Planting deciduous trees and vines on the south and west sides of the house helps provide shade in summer and does not obstruct sunshine in winter. Buying power tools with the lowest adequate horsepower diminishes energy drains.

Getting Into Books at ULS

University Liggett School, (ULS), students, (from left to right) BRAN DEN PELOK, PATTI MERTZ, MARY JANE MERTZ and PAIGE PELOK, are checking out the many book displays to be found in the school's Lower School Library, 1045 Cook road, at the sixth annual Book Fair, on Wednesday and Thursday, November 8 and 9. Hours are 8:15 a.m. to 9 p.m.

FLEC Elects New Officers

Heading the Family Life Education Council, (FLEC), board of directors are officers, (from left to right), JOSEPH M. BEALS, MD, president, MRS. MARY EVELYN SELF, secretary, and BRIAN MOLLOY JR., treasurer. (Not pictured are vice-presidents John Burrows, MD, and the Rev. George Andrews II.)

Recently elected directors include Mrs. Bruce Bockstanz, Mrs. William R. Bryant, John Bruce, William Cole, Mrs. David Coolidge, Neil Curtis, Mrs. Robert Feeser, Mrs. Brian Forster, David Gamble and Dorothy Gemund.

More are Mrs. Janice Hertel, Mrs. Jane Hoey, Mrs. Marlene Hudson, Dr. Kenneth Lentz, Mrs. Ralph Mandarino, Mrs. Thomas G. Palmer, T. A. Penszynski, Stan Redding, the Rev. George Schelter, Carl Schoessel, Mrs. Leonard Smith, Mrs. Robert Sullivan, Mrs. Robert Vallee, Mrs. Frank van Deventer and Calier Worrell, MD.

Elected advisors to the board include Mrs. Kenneth Adler, Thomas Coulter, Guy Doyal, PhD, Youth Service

Division Det. James C. Fowler, Max L. Gardner, MD, David Howell, Kenneth Schooff, MD, Mrs. Perry TeWalt, Mrs. Samuel Ulmer and John H. Williams, MD. Since 1967, FLEC has been informing and educating the public on issues affecting family life. Continuing this effort, a monthly series of family forums is being planned.

Scheduled to start in October, according to Jane Hoey, community education chairman, topics will include basic aspects affecting the quality of family life such as parenting, singlehood, retirement and death and dying.

Wooden Beams Taken in Farms

Farms police discovered the theft of over \$300 worth of oak beams from the rear of the municipal garage at Kerby and Chalfonte roads.

Officer William Fowler found 11 of the beams missing when picking up signs at the garage on Tuesday, October 24. Each beam was 10 to 12 feet long, five inches thick and nine inches wide. They were described as "very heavy," and were used for the meter parking lots.

Police said the theft had occurred sometime during a two-week period. There are no suspects in the case.
