AT LEAST 195 PEOPLE were killed as a chartered jetliner carrying nearly 250 Moslem pilgrims home from Mecca crashed in a storm near the airport at Colombo, Sri Lanka. Airport authorities said the Icelandic Airlines DC-8 broke apart and burned after the crash, which occurred about a mile from the airport as the plane was trying to land. The plane had been chartered by an Indonesian firm and was on its way to that country when the crash occurred.

Friday, November 17

PRESIDENT JIMMY CARTER said Thursday it may be necessary, "in a few cases," to modify the Camp David accords in order to wind up a peace treaty between Egypt and Israel. Mr. Carter told a group of reporters the two sides didn't trust each other and that each was interpreting the agreements to its own advantage. The talks are hung up after six weeks, mainly over the Palestinian question.

Saturday, November 18

NEW HOUSING CONSTRUCTION continued throughout October despite rising prices and interest rates, and personal income rose 1.2 percent during the month, according to figures released by the U.S. Commerce Dept. New houses and apartments were going up at a rate of 2.08 million per year, unchanged from September, even though reports had said buyers would be deterred by high interest rates. The Commerce Dept. continues that prediction, as interest rates continue to climb, making it more difficult to borrow money.

Sunday, November 19

SOVIET PRESIDENT Leonid Brezhnev gave a stern warning to the United States that any attempts to intervene in the affairs of Iran would be construed as a matter affecting Russia's security interests. He said his nation, which borders Iran on the north, sees the current unrest in Iran as "a purely internal affair and the questions involved should be decided by the Iranians themselves." The U.S. has said it is powerless to intervene in the country's affairs.

Monday, November 20

AT LEAST 409 members of a fanatic American religious sect were victims of a mass suicide-murder at the group's camp in Guyana, South America. Most had apparently drunk water containing cyanide, though some were shot. The grisly event took place at about the same time angry members of the sect ambushed and killed four members of an American investigative group, including Rep. Leo J. Ryan, D-Cal., and three American newsmen. Also killed in the attack was a woman trying to escape from the camp, which the U.S. group was investigating to verify reports of torture and people being held against their will.

Tuesday, November 21

A FEDERAL JUDGE sentenced Rep. Charles C. Diggs Jr., D-Mich., to a maximum of three years in prison for his conviction on October 7 of 29 counts of defrauding the government of \$66,000 in a payroll scheme which lasted about three and a half years. Diggs, the nation's senior black congressman, is expected to remain free pending appeal. He was found guilty of raising the salaries of three aides so they could kick back a total of \$27,000 for his use.

Group Dedicates New Library at Barnes

Among the crowd helping dedicate Barnes Elementary School's new library on Thursday, November 16, are, (from left to right), FRANCES FLEMING, library aide, JACK MCMAHON, Barnes principal, CAREY MORTON, first assistant at Barnes, EDWARD DEEB, PTO president, DR. WILLIAM COATS, superintendent of schools, and LIBBY HOPPER, a fifth grade student who accepted a book on behalf of all the past, present and future students at Barnes. (See story, Page 11.)

Club Gets Boost with New Grant

McGregor Foundation Gives \$25,000 for New Senior Citizens Center As Fund Raising Efforts Continue

By Susan McDonald

A \$25,000 grant from the McGregor Foundation pushed the Neighborhood Club's fund raising drive for a senior citizens center past the halfway mark this week, according to program director Jon Austin.

It is the second grant received for the building project by the club this year. The fund also was boosted in August by a \$75,000 challenge grant from the Kresge Foundation.

Ground breaking for the new facility is scheduled for this spring, with the new building being constructed adjacent to the club's existing facility in Waterloo avenue.

Geared to Serve

It will house a wide spectrum of activities for seniors, including recreation and instruction programs, social services, counseling and clubs.

The facility will be geared to serve the growing numbers of senior citizens in all five Pointes. The latest census conducted by the public schools shows there are

Disappointing Turnout Reported at GP Park's Dutch Elm Disease Forum

Program Explores City's Experimental Program to Determine Effectiveness of Two Fungicides; Few Pointe Officials, Citizens in Attendance

By James J. Njain

In spite of two months of advance publicity, discussions at city council meetings and advertisements, only a handful of people attended the public hearing on the control of Dutch Elm Disease, (DED), held at the Pierce School auditorium Thursday evening, November 16.

The guest lecturer was Dr. Gerald Gregory, chief plant pathologist with the United States Department of Agriculture, headquartered in Belaire, O., who showed slides of healthy and very beautiful American elms, then more slides on what the dreaded blight can do to these trees.

It was estimated that about 35 to 40 persons were present, including Park Mayor Matthew C. Patterson, whose city hosted the session, three members of the Park Council, Ann MacDonald, Charles Tompkins and Clayton Alandt, Park City Manager John Crawford, Farms Councilman Jack Cudlip and Lee Birmingham, administrative assistant to City Manager Thomas Kressbach of Grosse Pointe City. The seven were the only high officials of the five Pointes present.

"The Most Beautiful"

The mayor explained that Dr. Gregory was present to discuss the continuous battle against the spread of DED and what is being done to ward that end. Every city in the country, Mr. Patterson said, is working hard trying to save the American Elms, which "are the most beautiful trees in existence."

It is believed that the fight against DED is gaining somewhat as different methods are being experimented with to find the best avenue to prevent the death of elms by DED, he explained.

Perhaps, he noted, through persons such as Dr. Gregory, a way will be found that will save the trees.

Finding A Way

Mr. Patterson said in 1977, the city lost 125 elms to DED, and this year, the loss jumped to 155, all on public property. There also was a considerable loss of elms on private property during 1977 and 1978, he pointed out.

At present, there are approximately 5,500 American Elms on public property, and an undisclosed number on private land in The Park, and it is hoped that a way will be found to save the remaining trees.

Dr. Gregory disclosed that during the past summer, his

Return of Wood Puzzles Police

Eleven heavy wood beams, plus one, found their way back to the yard behind The Farms municipal garage, 350 Chalfonte avenue, after they were reported stolen on October 20.

Officer William Fowler, who had reported the beams gone, also found them returned on Tuesday, November 14. They had been dumped on top of a pile of sand, he said.

Whoever took them apparently had a guilty conscience, since he left one more than he took. Actually, police believe it must have taken several people to lift the heavy wood, used as bumpers in the municipal parking lots.

GP Views Renovation Plan at Park

Proposal, Placed at \$1.5 Million, Includes New Building, Plaza Effect

By David Kramer

"Maximizing the relationship of the water to the park" is the object of a renovation and development plan drawn up by a planning firm and viewed by the Farms Council and residents on Monday, November 13.

The plan, which in its entirety is estimated to cost \$1.5 million, would include constructing several new buildings, removing the old structure known as the boat-house, creating a plaza effect by the present bathhouse and converting part of the area along the waterfront into a boardwalk.

The plan also calls for breaking up the large parking lot with islands containing trees and shrubs. A large island would be placed where the bike racks currently are, and the racks would be moved across the drive from the gatehouse. The lot also would be given more definition by placing planters around it.

Slides Presented

The plan, drawn up by Johnson, Johnson and Roy, Inc., of Ann Arbor, calls for the demolition of the boat-house, and the separation of the functions that building now performs. It suggests the maintenance function should be moved to a building located near the main parking lot.

The recreation building should be built in the area near the bathhouse, contributing to the plaza effect there. This building, the plan suggested, should be elevated, so as to not obscure the view of the water.

Other elements of the "plaza" would include a new concession stand, also relocated, and, of course, special decorative pavement to complement the extra pavement in that area, much of the asphalt in the small parking lot would be removed in favor of an increased lawn area and tree plantings.

Skating would not be affected by this move, since the lawn area would be at exactly the pavement level.

The plan was presented by Richard A. Riegerink of the

Agreement Gets City Step Nearer To Consolidation

Firemen End Their Opposition to Merger with Policemen in Creating Department of Public Safety; Will Cooperate in Training Program

By Susan McDonald

Firefighters in The City have agreed to end their opposition to a merger of police and fire departments in a three-year bargaining agreement which was approved by the council Monday, November 20.

The new contract is a "significant step" toward an actual consolidation of the departments into a public safety force, said City Manager Thomas Kressbach.

The consolidation is aimed at saving money for the financially squeezed City by making its work force more efficient. Under the plan, all public safety officers will do both police and firefighting work.

People to Decide

The consolidation was passed into law, on paper at least, more than two years ago. Its implementation has been delayed by bitter resistance and court action on the part of firemen.

"We don't have any choice now but to agree to become public safety officers," said local firefighters union president Lt. Tim Champine. "We're simply out of money and we cannot afford to fight anymore. Now I guess it's up to the people to decide if public safety is any good."

In the contract, the firemen agree to become public safety officers in the third year, July 1979, and to cooperate in obtaining public safety training and maintaining certification.

The agreement may be an expensive one for the city. In the third year, the city agreed to pay the men wages and fringe benefits comparable to those in The Woods and Shores, (where public safety departments already operate). Those wages are usually at least \$1,000 higher than wages traditionally paid to city workers.

The City Council also settled its contract dispute with policemen at the November 20 meeting by accepting the terms of an arbitration award recently handed down by former Detroit Mayor Jerome P. Cavanagh.

Could Reduce Force

Both the police and fire contracts pave the way for a reduction in manpower by inducing men to retire before the July 1979 implementation date for public safety. The contracts offer fully paid Blue Cross-Blue Shield medical benefits to current

Correction

An article in the November 9 edition of the NEWS incorrectly stated that some Farms firemen have been making \$1,400 a week. It should have read \$1,400 per pay period, which is every two weeks.

GP City Okays Openings On Sunday, December 24

By Susan McDonald

At least 20 stores in the Village may be open for the biggest day of the year, Christmas Eve, thanks to an amendment to a city ordinance approved by the council Monday, November 20.

The council unanimously agreed to change a portion of the 1970 city code which prohibits most shops from doing business on Sundays. The amendment allows shops to open on any Sunday which falls on the 24th day of December.

The issue was raised at the council's October meeting when Gwen Samuels of the Book Village presented a petition signed by 21 shop owners and managers in the Village requesting the change.

Nod Goes To Gabby's In 6-1 Vote

Four Separate Motions Finally Climax with Council's Approval after Estimated 90-Minute Discussion

By Roger A. Waha

After an estimated 90-minute discussion, which incorporated four separate motions, the Woods Council at its regular meeting Monday, November 20, voted 6-1 to signify to the state Liquor Control Commission, (LCC), that Gabby's Restaurant, 19299 Mack avenue, was the most preferred applicant for an additional Class C liquor license in the community.

This transpired after an emotional plea from Alex Bardy, owner of Gabby's, to council members and an ensuing discussion at which time the solons voted to reconsider a motion to table for 90 days and then ultimately supported Councilman George Cueter's motion citing Gabby's by majority vote.

Mr. Bardy, obviously delighted over the final result after an initially confusing sequence of events, said on Tuesday morning, November 21, "I'm very pleased. I'll really enjoy Christmas this year. After all, I got my present early."

Reconsider Action

He conducted a successful initiatory petition drive to have the question placed on the August 8 primary ballot, with the voters approving it by a 3,037 to 1,830 margin. As a result, the council could approve or signify its approval of one additional C license in the city, (which now has five, pending LCC approval, and could have up to 15).

However, at a public hearing on October 16, the solons voted 4-3 not to issue an additional document but then reconsidered, voting 4-3 on

Proposal Eyes P&J Theater

By David Kramer

A proposed ordinance to limit the hours of operation of the Punch and Judy Theater, 21 Kercheval avenue, has been set for a public hearing at the Farms Council's Monday, December 4, meeting, after the solons proposed several changes in the original draft made by City Attorney George McKean on Monday, November 20.

The ordinance, while aimed at limiting the hours of operation of all "entertainment establishments," is specifically in response to numerous complaints by residents in the area of the Punch over late night noise. Complaints center around the midnight motion picture show on weekends and the unloading of performers' equipment into trucks after live shows.

Police Chief Robert Ferber said his department had received two such complaints in the past week, with the loading continuing to 2 and 3 a.m.

It was recommended that the mandatory closing hour be moved back from 11 p.m. to 12 p.m. because of possible conflicts with existing establishments such as the War Memorial and school theater groups. The closing hour, as proposed, would apply seven days a week.

Another change would ensure that closed theaters could be prohibited from using equipment to play records, but not to play records on the draft.

The proposed ordinance also would prohibit a line of more than 10 people outside the theater entrance.

Bars and restaurants would not be regulated under the ordinance.

Voting Count Alters in GPW

Based upon a report from The Woods' board of canvassers, the total "no" votes cast for the city's local referendum tax question has altered, making the final result even closer.

Voters approved an amendment to the city charter, providing an additional tax collection fee of one-half of one percent per month beginning October 1 of each

year on delinquent taxes, by a 4,664 to 4,572 margin. It was previously reported by the city that "no" votes totalled 4,502.

The board of canvassers at its Thursday, November 9, meeting learned that votes cast for a counting board changed from 212 to 282, thereby altering the total votes cast for the local question in the "no" column.

Gabby's Gets Nod for Class C License

(Continued from Page 1) Monday, November 6, to schedule another hearing for the 20th.

The sequence of events went as follows:

● Mr. Cueter moved that Gabby's be cited as the most preferred applicant with Councilman Robert E. Novitke supporting the motion.

● Councilman Thomas Fahrner, who arrived at around 8:30 p.m. due to another conflict, with the council recessing their discussion of the issue until his appearance, then offered his substitute motion to table the matter for 90 days. Councilman John Sabol supported the motion, which passed 4-3.

Besides the two councilmen, Mr. Grady and Councilman George S. Freeman also approved it, while Mr. Cueter, Mr. Novitke and Mayor Benjamin W. Pinkos voted in opposition.

Loud And Clear
During the discussion which followed, it was pointed out that the council could reconsider its motion to table within a 24-hour period if one of the members who voted for the motion moved to reconsider.

It was during this period that Mr. Bardy spoke and responded to the questions of several councilmen. It also was a time that a few minutes recess was called, with Mr. Bardy continuing to address the solons. Mr. Fahrner felt during this period that any exchanges between him and Mr. Bardy should be private, rather than public.

However, as it turned out, most exchanges, despite some huddling between council members, were loud and clear.

Mr. Bardy told the council he wondered what could be accomplished, if anything, during the 90-day period, while reviewing his interest and qualifications regarding such a license along with his efforts to cooperate with city officials.

At this stage, possibilities were viewed to see what action could be taken to reconsider the situation at the meeting, without calling a special session within 24 hours.

City Attorney George Catlin indicated that the council could suspend its previous ruling and reconsider the issue at the meeting if one of the councilmen voting for the motion to table moved for reconsideration.

Family-Oriented
● Mr. Grady ultimately took this course and his colleagues unanimously agreed.

Meanwhile, Mr. Freeman, in saying he had mixed emotions on the issuance of a license to Gabby's, wanted to clearly know what changes in the operation would transpire if the document was issued.

In response, Mr. Bardy said, "We have a beautiful building and no structural alterations are planned. It will be cosmetic remodeling, new carpets, furniture and painting."

The service bar will be in the restaurant's terrace area, he stated, with plans calling for the upgrading and expansion of the menu.

Saying it will not be a high priced restaurant, Mr. Bardy noted the cost for dinners will be in the area of \$7 or \$8, while emphasizing its family-oriented quality.

He agreed to enclose the parking area with a brick wall, in relation to an understanding with his neighbor, Sweeney's Flowers, 19271 Mack, while adding proposed improvements could cost in the area of \$175,000.

● After a further discussion, Mr. Cueter moved that Gabby's should be the most preferred applicant and his motion passed. Mr. Sabol cast the lone dissenting vote.

"Bet on Him"
As the overall councilman's minds were changed resulting in the final favorable vote.

Apparently, both Mr. Grady and Mr. Freeman were satisfied with Mr. Bardy's answers to several questions raised after the motion to table was approved.

Mr. Grady originally expressed some concern over the initiatory petition route in relation to potential further applicants for more and more licenses. He also felt current liquor laws denied local governments necessary flexibility in several areas, and said the state legislature should be viewed in making such laws more flexible.

He added that the issuance of such licenses should be more toward serving the community than in having long-term capital value.

At the same time, Mr. Grady said, based upon what he had personally heard from some 15 to 18 citizens, there was no clear statement that all residents wished the council to signify its approval of one additional C license.

However, he stated after the meeting that Mr. Bardy's

personal presentation regarding his planned upgrading of the restaurant was persuasive. "He gave a persuasive argument to me that I should trust him," said Mr. Grady, who emphatically added, "I'm betting on him personally."

Mr. Fahrner, while previously expressing concerns over precedents being set regarding the initiatory petition route and potential on-slaughts, indicated, after further discussing the matter with some of his colleagues, he decided to change his vote.

"I well know the restaurant is well qualified to get a license," he said. "I'll try it one more time."

In what turned out to be a topsy-turvy sequence of events, only Mr. Sabol remained consistent.

He, too, besides previously expressed concerns over increased police work at C licensed establishments and the possible attracting of "undesirables" into the community, also was concerned over establishing a precedent.

In this respect, he eyed Jack Degriek's successful petition drive and the issuance of a license to GPW Recreation, 20422 Mack, and the potential citing of Gabby's during the discussion.

Mr. Catlin said, while such a view could be a psychological precedent in the eyes of future applicants, it would not be a legal precedent.

He noted each request before the council would have to stand on its own merits with the solons making a factual determination regarding the issuance of any C or tavern license, (which permits the serving of beer and wine only).

In a final note, besides the previous four applicants, which included A. George Aghassian, Edward Barbieri of Da Edoardo, 19767 Mack, and Charles Moraco and Ronald Serba of Le Cafe Francais, 20311 Mack, i.e., Kimberly Korner, (with the two latter businesses interested in a tavern license), a new applicant was heard on the 20th — Carmen's Family Restaurant, 20745 Mack.

A spokesman for Carmen's indicated the past interest of restaurant personnel in such a document, while stressing the establishment's need for a tavern license only.

NETTER MAKES FINALS

Pointer Trish Lane made it to the finals of the Great Lakes Intercollegiate Athletic Ass'n., (GLIAC), conference women's tennis tournament, playing in the number five singles spot for Wayne State University. She was defeated by Tambi Gallagher of Oakland University, 6-4, 6-2. The WSU team took its fourth straight title with three individual singles wins and one doubles crown.

Renovation

(Continued from Page 1) firm. He gave a 45-minute slide presentation and followed it up with a question and answer period.

Approximately 35 residents, many of them from the Farms Boat Club, attended the meeting. Much of the proposal dealt with keeping non-boat owners off the docks, including the moving of the elevated observation deck to the north breakwall.

Will Give Notice

Mr. Rigerink said his firm has been working on the plan for six months. Mayor James Dingeman said it would be some time before the council discussed the plan, emphasizing that adequate notice would be given to residents before any decision-making was done.

Some of the residents felt the plan didn't take boat owners into account enough. George Gerow, chairman of the ad-hoc recreation committee, said, "I'm disappointed the harbor didn't receive more attention" especially since there is a waiting list for boats.

Mr. Gerow maintained the boat owners were paying off the retirement of bonds used to finance the last improvement of the pier park. City Manager Andrew Bremer said that was not completely true.

One improvement the plan did suggest in the marine facilities was repair of the outer breakwall so park-goers could once again walk there. (Currently the area is chained off, and posted with an "enter at own risk" sign.)

Councilman Joseph Fromm, meanwhile, questioned the effect putting more trees in the parking lot would have on security measures, saying it is difficult even now to see the entire length of fence in the lot.

Memorial Church to Mark St. Andrew Day

For most people the significance of November 30 is that it is 25 days before Christmas. Some people, however, know it to be St. Andrew's Day in honor of the Patron Saint of all Scotland and her Kirk.

Grosse Pointe Memorial Church will celebrate St. Andrew's Day on Sunday, November 26, at both morning services, 9:30 and 11:30 a.m., a "first" for this observance at Memorial Church, 16 Lakeshore road.

St. Andrew, Simon Peter's brother, was one of the

apostles. It is believed that Andrew brought the gospel to Scotland and legend has it that he brought both St. Peter and a lad with loaves and fishes to Jesus.

Andrew, it is said, went to Greece, served there and was crucified on a slanted cross. The form of the Greek cross reflects this.

It also is legend that St. Regulus brought St. Andrew's bones, in the fourth or fifth century, to the cathedral in the town of St. Andrews in Scotland.

There will be special music

at Memorial Church's St. Andrew's Day Celebration, selected hymns from the Scottish Psalter as well as a piper, Bill Weaver, and a Kilty dancer, Elizabeth Glover, from Detroit's St. Andrew's Society.

Mrs. Sidney Probert will prepare a commemorative display, and Memorial Church's mosaic tile Seal of The Church of Scotland will be featured.

Dr. Ray Kiely's sermon will have as its text, "St. Andrew, The Fellow Behind The Scenes."

Arrests of Youths in GPW Clear Up Five Burglaries

Five breakings and enterings, committed in The Woods this month, have been solved with the apprehension of five juveniles, ranging in age from 11 to 14 years, last week, reported Det. Charles Philip Hamel.

The key arrest, which led to the identification of four of the juveniles, was made by Officer Theodore Hinz after the breaking of a Roslyn road home on Friday, November 17.

Through questioning of the 14-year-old suspect, who was nabbed after a chase by police between houses, through yards and over fences before being apprehended by Officer Hinz while hiding in a garage in Hampton road, officers got deeper and deeper into the case through questioning, said Det. Hamel.

Two other youths who allegedly entered the Roslyn home also were identified, and through them, two more boys were pinpointed. Besides the Roslyn road break-in, three burglaries of Van Antwerp road homes were cleared, plus one in Vernier road, through the investigation.

Articles taken, some of which have been recovered, in the incidents include money, jewelry, a stereo turntable and two speakers, alcohol and a variety of tools.

Both Det. Hamel and Det. Lt. Jack Patterson cited the work of Officer Hinz and the assistance rendered by citizens in the immediate area of the Roslyn road break-in, including a neighbor who originally contacted police and a truck-driving citizen who aided in the chase.

Both detectives indicated they were startled at the ages of the boys, with Lt. Patterson adding in most instances, the parents have cooperated with the department, while assisting in the return of allegedly stolen property.

The case involving the three 14-year-olds, one 12-year-old and the 11-year-old has been turned over to

Youth Service Division Det. John Albrecht for further investigation.

The incident unfolded when the woman looked out her window and observed two boys, one with an orange jacket, enter her neighbor's side door. She called the complainant at work and he told her to contact the department, which she did, telling police, which she saw the pair run out the front door.

Besides Officer Hinz, Det. Hamel, Public Safety Director John Dankel, Cpl. Thomas Kerving and Officer Stephen Petrik also were at the scene.

In his report, Officer Hinz noted, after arresting the 14-year-old, the youth, in attempting to escape, broke several sections of a stockade fence at the rear of a Roslyn road home, plus boards on another fence at the rear of Roslyn and Hampton road homes.

Meanwhile, a Van Antwerp road home entered on Thursday, November 16, was the recipient of several strewn beer cans, candy and peanuts, allegedly done by some of the boys. At the same time, around seven 12 packs of beer were brought up from the basement with about five of them being consumed and two being left in the refrigerator.

Officer Petrik said, while checking the yards for suspects after the Roslyn road break-in, he found two military canvas pouches allegedly belonging to the 14-year-old. Found in the bags were screwdrivers, needle nose pliers, wrenches and other small tools.

Bond Issue Approved

(Continued from Page 1) Explaining that the bond market is quite cautious, he said underwriters like to have a vote of confidence from all the communities involved. With the approval of all but one member, the bonds would still be issued, but would cost the citizens of all communities more in higher interest rates.

Councilman Dr. Roger McNeill was particularly opposed to the bond issue, feeling it was an unwise investment.

He said several people knowledgeable in the area of solid waste disposal have told him a complete resource recovery system will be required in three or four years, and he thought the money would be better spent toward that project.

(A resource recovery system is one which would separate and salvage all recyclable material such as aluminum and glass. Non-recyclable materials would be burned to generate steam which could be used to generate power. The authority rejected the alternative of

building such a system, saying it would cost at least \$21 million.)

But Dr. McNeill said he was sure the alternative wasn't investigated thoroughly, and if the authority had brought such a plan before the federal agency, funds and an extension of the deadline could have been obtained.

The incinerator, located in Clinton Township, has been operating since built in 1972 with pollution devices known as wet scrubbers. They have failed to meet standards and currently are the subject of a \$3.5 million lawsuit the authority brought against the builder of the plant.

That suit maintains the contractor guaranteed the scrubbers would perform to federal standards, which are unchanged since the plant was built.

According to the authority, the State of Michigan Air Pollution Control Commission ordered it to comply with the standards in August, setting the compliance deadline of next July.

The bonds are expected to cost about \$3 more per person per year, adding about \$4.58 to the price of incinerating a ton of garbage, now set at \$14.71 by authority figures.

Varying Costs
(That figure does not include the cost of the cities' pickup operations and trucking costs to the incinerator site. Those costs vary from each city, according to pickup methods and distance from the plant site.)

In The Woods, as an example, authority figures set the disposal cost for a ton at \$31.11 at present. With the increased bond retirement costs for the financing of precipitators, the cost will now be \$35.69, the authority says.

Members of the authority, in addition to all the Pointes, are Mount Clemens, Clinton Township and Harper Woods.

Block Grant Questions

(Continued from Page 1) "essential transportation vehicle" did not meet program requirements.

The county further notified the city the \$13,943 special needs money could be used for the existing housing program, (for which \$45,000 had already been approved). A resolution authorizing this transfer was required by Monday, November 20, or the money would be lost, the county said.

This resolution was eventually passed unanimously by the council.

In answering questions, Mr. Crawford said the number of personnel hired for the programs would probably be reduced from the three he had originally thought necessary. He said he had planned for three based on the figure of \$200,000 he had applied for under the housing program.

However, since the county cut his request by more than three-quarters, he would no longer have the original plan's \$37,000 allocated for salaries, he said.

"The overriding fear seems to be that if we accept federal or state money, we're going to attract undesirable people," Mr. Crawford said later. "But the council and the planning commission share their (residents'), concern and they're not going to promote those kinds of programs."

Programs such as low in-

come housing rent subsidies and senior citizens housing are not being considered by the city, he said.

"We want to protect the interests of the community and not just special interest groups," he stated. Residents living in the "strategy area," he thinks, are in favor of the federal money being used in their neighborhood.

In addition to the housing rehabilitation grant, The Park will receive \$50,000 for a "demonstration house" and \$99,000 for a commercial revitalization program.

The city has also applied for \$40,000 under a program known as "701 Planning Program." These funds, administered by the state, would be used to develop plans for recreation and general land use in the city, Mr. Crawford said. The request is being reviewed by the state.

It is expected there will be an increase in federal funds available for 1979, but the city manager doesn't know how much yet.

The demonstration house program is designed to show residents of the "strategy area," (the western part of the city), what can be done to upgrade their residences. The city will purchase a home in need of repair, improve it, open it to the public for a period of time and eventually sell it to a resident.

The commercial revitalization money will be used to make improvements in the Kercheval avenue shopping area.

The programs are currently being administered by Mr. Crawford, with the help of several consultants. Once the housing rehabilitation program gets into full swing, however, additional staff will be needed to distribute the funds, he said.

Asked why The Park didn't make its special needs funds available to the Seniors Onward for Change Committee, (SOCC), as all the other Pointes have, Mr. Crawford responded, "We see a greater priority in funding our housing rehabilitation program."

The other Pointes, he explained, couldn't come up with a use for those funds, and the seniors' group then applied for them.

That group, with The Woods as a managing municipality, will have \$29,740 available to it for home repairs and maintenance for seniors.

GP's Seeking Grant Funding

The Woods, Park and Farms councils approved resolutions this month toward participation in the 1979 Community Development Block Grant program.

The Woods and Farms took this action at their regular meetings Monday, November 6, while The Park followed suit at its rescheduled regular meeting Tuesday, November 13.

James P. Curran Jr., director of the Wayne County Office of Program Development and Coordination, notified city officials that his office had been alerted by the Department of Housing and Urban Development that cooperation agreements must be sought from eligible communities for the 1979 program year to again obtain urban county status and be eligible for entitlement funds.

The entitlement figure for 1979 will not be determined until HUD receives the cooperation agreements, he continued, while adding an increase is expected over last year's amount.

In The Woods, City Administrator Chester E. Petersen told the council the resolution merely indicates the city's interest in participating in the program, not that it will receive any monies. He estimated that the municipality could receive in the area of \$150,000 in 1979.

Farms City Clerk Richard G. Solak said his community has been eligible for an estimated \$100,000 in past years but the city has been uncertain in meeting certain requirements, e.g., 30 percent low-to-moderate income families in a census tract, according to federal guidelines, with The Farms' highest being around 14 percent.

Meanwhile, in The Park, City Manager John Crawford indicated his community could receive in the area of \$190,000 in 1979.

Vandals Hit Woods Park

Recent vandalism at Ghesquiere Park will bring special attention to the area on the part of Woods public safety officers.

A main focus of the culprits has been the tearing down of chain link fences, although the dismantling of backstops and some vandalism to the baseball diamonds also has been reported.

Public Safety Director John Dankel in an information sheet to the troops requested that increased surveillance of the park transpire to put a halt to the destruction.

BRESSER IS SPEAKER

Consolidation in City

(Continued from Page 1) employees who retire before July 1979. Those who retire after that date will receive only a \$25 monthly contribution to the Blue Cross plan.

If all eligible men accept that offer, the combined police-fire work force will be reduced to 28 men, according to Mr. Kressbach.

The two-year police agreement covering 1977-78 and 1978-79 fiscal years calls for an increase in base pay from the current \$16,800 to \$17,900 and to \$19,100 in the last year.

The firemen's contract, covering fiscal 1977-78, 1978-79 and 1979-80, will increase base pay from the current \$16,400, to \$17,500, to \$18,600 and to an average of wages in The Woods and Shores at their existing rate in the final year.

Other new provisions included in both police and fire contracts are as follows:

- A cost of living allowance will be paid in semi-annual lump sum payments with a \$120 annual cap. For every 0.4 of a percent increase in the Consumer Price Index, the men will receive one cent per hour.

will cover 60 percent of most dental charges, with the men paying the other 40 percent.

- Life insurance will increase to \$15,000 for policemen and to \$12,000 for firemen. Both groups currently have \$10,000 coverage.
- Longevity payments will increase to a maximum of \$450 for 17 years of service.

Budget Amended

Mr. Kressbach said he was especially pleased with the firemen's contract because the two sides had negotiated it themselves, without going through the lengthy, costly process of state arbitration.

Police officers in The City have agreed in past contracts to participate in firefighting training programs, and are not expected to resist language pertaining to performing as public safety officers. No such language is included in their current contract, however.

The council, also at its November 20 meeting, amended its 1978-79 budget by increasing appropriations to police and fire departments by \$856,700 and \$35,500, respectively. Those allocations will cover retroactive salary and fringe benefit payments.

MDP Incidents Dominate YSD's Monthly Case Load

A total of 86 complaints were received by the Youth Service Division, (YSD), for investigation last month, with three proving to be unfounded, making the actual total 83 cases.

Through October, the total for the year reaches 849, an increase of 148 over the same period last year.

Malicious destruction of property, (MDP), cases was the category of highest incidence with 26 incidents being reported involving 33 known male juveniles.

Eleven cases have been cleared and closed, one is under continuing investigation and 14 have been suspended pending the receipt of additional information. Such information occasionally does come forth when a subsequent offense is successfully investigated and a youth tends to reveal involvement in or knowledge of prior offenses.

Larceny, 11 incidents, one unfounded, robbery armed, one, and breaking and entering, three, involved 11 identified male juveniles. Four cases are unsolved but are parts of continuing investigations, while five others are suspended.

Meanwhile, nine violations of controlled substances cases, eight involving marijuana or hashish, one violation of liquor laws incident and one drunkenness case also were reported.

Of four arson incidents, one is cleared and closed with a male juvenile being identified in the case, while two others are suspended. One remains under investigation.

Four sex offenses cases were reported, with one, a prowler incident, being cleared and closed. Three accounting incidents, one unfounded, also were received, with the other two being currently suspended.

Runaway reports, totalling seven, involved two girls and six boys. Two girls and one boy returned voluntarily to their homes, with no further

YSD assistance requested. Five of the boys were from the Children's Home of Detroit, with one boy being responsible for three of the reports. He has since been discharged from the home.

Three applications for petition were filed with the Wayne County Juvenile Court, one of which resulted in an immediate admission into the juvenile home the same day. The other pair haven't received court action to date.

One application of seven submitted in September was authorized for court acceptance last month.

In other monthly news, YSD officers continued to call upon principals of elementary, middle and high schools to discuss the availability of classroom presentations and topics.

Faculty response was immediate, with the following presentations being requested and given: "Amendments to The Constitution," "Substance Abuse" and "Shoplifting and Identification of Involved Subjects."

Meanwhile, "The Role of The YSD" was presented before the South High School Mothers Club.

As has occurred the last four years, a two-day "Law and Due Process Seminar" was conducted last month at the two high schools in which the YSD officers are actively involved.

They obtained special speakers, (an arresting police officer, a defense attorney, a prosecuting attorney and a currently presiding judge), and assisted the all-day tours of the Wayne County Jail and one of the courts in session.

Camera Club's Topic Lighting

Portrait lighting will be the subject of discussion at the Grosse Pointe Camera Club's next meeting Tuesday, November 28, at Brownell Middle School, 260 Chalfonte avenue, at 7:45 p.m.

Roman Walilko will discuss portraits and Dr. Alex Thierman will follow with a program on "Ways to Figure Flash Distances for Close-Ups."

Refreshments will be served and visitors are welcome.

Openings on Sunday

(Continued from Page 1) Duffield. "It'll only happen once every seven years."

Parking in metered areas in-the-Village will be free on Christmas Eve, according to City Manager Thomas Kressbach. Manned city lots and the parking structure behind Jacobson's will not be open.

Ms. Samuels said most of the shop owners are planning to open for a short, 10 a.m. to 4 p.m. day.

"It basically will be a matter of convenience for our customers," she explained. "We're not planning to do a very big business."

Other stores signing the petition were Damman's, The

Mole Hole, Crabtree and Evelyn, Danielle, Inc., Baskin Robbins, Little Store, Campus Shop, Nature's Best, Nettle Creek, Fran Kirkland's, Small Scene and Blind Pig.

More were Mackie's Bake Shop, Front Row, D. M. Eagan, Sanders, Kresge and The Arrangement.

Village merchants plan to launch the Christmas shopping season with a parade and visit from Santa Claus on Friday, November 24, beginning at 10:30 a.m.

The parade will travel from Fisher road to Cadeux on Kercheval and will include clowns, a marching band, Disney characters and representatives from several clubs and organizations in The Pointe.

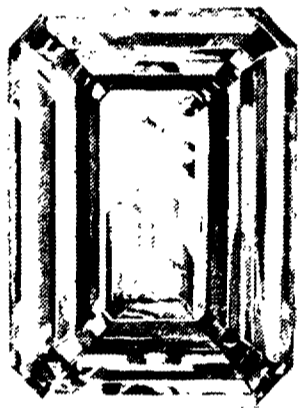

Library Closes For Holiday

All three branches of the Grosse Pointe Public Library will be closed on Thursday and Friday, November 23 and 24, for the Thanksgiving holiday, according to Library Director William Peters.

The branches will resume their regular hours on Saturday, November 25, opening from 10 a.m. to 5 p.m. The Central Branch, 10 Kercheval avenue, also is open on Sundays from 10 a.m. to 5 p.m.

Disappointing Turnout

(Continued from Page 1) department has been experimenting by injecting a total of 52 elms in The Park with two kinds of fungicides, Lignasan BLP, a DuPont product, and Arboret 20S, a Merk product.

Holes are drilled into lower parts of the elms near the roots and the chemicals are forced into the trees by tremendous pressure.

Next spring and summer, more elms will be injected with the two fungicides, and those that have already been treated will be tested to see what affect the chemicals had on them.

Wishing He Knew

Dr. Gregory said he does not endorse either of the chemicals because he is not sure how effective they are. He pointed out there are many other fungicides now being used, and more will be found and used until the right one is discovered that will either stop the spread of DED or control it. Eventually, it is hoped, it will be wiped out.

Otherwise, in time, the American Elm will be completely gone.

Injections must be made before January and after the middle of May, otherwise, the fungicides will freeze inside the trees and kill them.

One of the most effective ways of controlling the spread of DED, Dr. Gregory said, is to trim away diseased limbs, and to remove dead trees without delay. Trees also should be inspected and trimmed regularly.

He apologized to the audience, especially to those who may have thought he knew all the answers. However, he added he wished that he did know all the answers.

Dr. Gregory held a short question and answer period after the lecture, then invited the people to help themselves to literature he had brought with him explaining what is being done to control DED and methods now being used.

Mr. Crawford said the city planted a total of 225 trees of various species this year to replace the elms lost to the blight.

On Catching Up

He pointed out that The Park is about a year behind in the planting, but it is hoped the program will catch up and that a greater effort will be made to plant more trees to surpass those being removed.

The city manager said it was in 1969 that the federal government ordered the discontinuance of the DDT spraying of elms. This resulted in the use of methoxychlor which is a lot weaker, not as effective and more expensive to use.

It would take four to six sprayings of methoxychlor to be as effective as one spraying of DDT, which makes the latter chemical more costly, he added.

Park Decides to Keep Current Meeting Time

By David Kramer

The Park Council, with two of its members absent, defeated a motion to change its meeting time to 7 p.m. for a six-month trial period. The vote was 3-2, with Councilmen Douglas G. Graham and Clayton Alandt voting for the change, and Mayor Matthew C. Patterson and Councilman Dr. Roger McNeill and George Verdonck opposed.

The measure was proposed by Mr. Graham, both to allow more citizens to attend the meetings and as a means to stave off hunger pains brought on by the sessions, which lately have been running to 8 p.m. or later.

The defeat of Mr. Graham's proposal brought angry reactions from a group of about 25 residents, many of whom said they attended the Tuesday, November 14, meeting to voice their support for the later meeting time.

Mr. Graham felt the present 5:30 p.m. meeting time was obsolete, since the passage of the Open Meetings Act requires the council to conduct almost all of its business in public, thus taking more time.

"Many of us go home now with headaches from hunger," Mr. Graham said, adding he had received a number of comments over the years that meetings should be held later so more citizens could attend.

Dr. McNeill, on the other hand, felt that residents should have to make an effort to come to the meetings, since he did. He also was concerned the meetings would last much longer than they now do.

"They tell me in The Farms the meetings are running to midnight and 1 o'clock," he said. "I think the affairs of our city are too important to be run by a

bunch of sleepy-eyed men." Mr. Graham's motion, however, included a provision for an automatic adjournment to be set for 10:30 p.m. if the council's business wasn't completed before that time.

Mr. Verdonck felt it was the issue, not the time of the meeting, which would determine whether residents would turn out.

Following the defeat of Mr. Graham's proposal, an exchange took place between councilmen and disappointed residents. It was finally broken up by a parliamentarian in the audience.

Councilwoman Ann MacDonald and Councilman Charles Tompkins were absent.

Okay Purchase Of Dump Truck

The Woods Council at a recent regular meeting unanimously authorized the purchase of a new dump truck, with the quote of Hall GMC Inc. of Detroit in the amount of \$28,826 being accepted.

Hall's quotation was the lowest of five companies.

The specifications included a tandem rear axle, diesel engine, automatic transmission, power steering and a 12-yard dump body.

City Administrator Chester E. Petersen told the council the larger body will permit personnel to salt the streets more effectively because more of the substance can be carried than was currently possible with the six-yard capacity truck.

Because of its size, a snow plow mounted in front will help in piling up big snowdrifts, and, with a diesel engine, the vehicle will be more efficient to operate, he also noted.

Councilman E. D. Grady, in eyeing lower maintenance costs for such heavy duty equipment, felt the council should concur with Mr. Petersen's recommendation to accept Hall's bid.

Mr. Grady also cited the work of city workers last year in plowing snow in relation to Wayne County personnel not clearing Mack avenue, for instance, on time.

A social hour at 7:30 p.m. will precede the next meeting of the Grosse Pointe chapter of Parents Without Partners, (PWP), on Friday, November 24, at the Grosse Pointe War Memorial, 32 Lakeshore road.

The guest speaker will be Nick Kerbawy, the commissioner of Michigan Sports Hall of Fame. Mr. Kerbawy's career spans professional sports, business, education, journalism and public relations. His topic will be "The Wonderful World of Sports."

The annual children's Christmas Party will be held on Sunday, December 17, at the Eastland Center Auditorium. There will be gifts for every child, entertainment, food and door prizes. All members, prospective members and children of all ages are invited.

For ticket information, call 885-8264.

For information on other activities in the Grosse Pointe chapter, call 881-5892.

New Grant Boosts Club

(Continued from Page 1) about 9,300 citizens 60 years or older in The Pointe.

Seniors make up almost 15 percent of the entire population, according to the census.

The Neighborhood Club has been operating in The Pointe for 67 years. Its membership paid reached 7,000 persons this year. In addition to expanding senior citizens programs, it offers a variety of sports leagues, clinics and classes.

This week the club also will begin its annual fund raising campaign for operational expenses. About 7,000 letters will be mailed throughout the community soliciting contributions to help defray the club's \$300,000 annual budget, according to Mr. Austin.

A separate, community-wide, fund raising effort will be conducted this spring to complete the senior citizens center, he said.

"Really Excited" In the meantime, senior citizens themselves are helping raise funds for the build-

ing project. A recent arts and crafts show sponsored by seniors taking classes at the club netted almost \$1,500 for the building fund.

"The seniors are really excited about the project," Mr. Austin explained. "They're full of plans and enthusiasm for the new building."

The new center will contain 9,500 square feet of space for meeting rooms, a kitchen and a large, multi-purpose room. So far, the club has raised about \$250,000 for the project.

The McGregor Foundation was incorporated in 1925 from donations from Mr. and Mrs. Tracey McGregor. It is a general purpose foundation supporting education, welfare, humanities and sciences in the metro-Detroit area.

Pointer Cleveland Thurber is president of the foundation.

Hospital Aids Its Personnel

Bon Secours Hospital recently sponsored a program for office personnel working with area physicians, designed to give information about hospital operations which will aid them in preparing patients for a hospital experience.

The program drew almost 100 participants.

"Very often, the medical office personnel are responsible for scheduling patients and directing them to the hospital service their physician prescribes," explained Margaret Herwick, Bon Secours director of patient service.

"Whether their patient needs an elective admission or out-patient care the office staff needs to be aware of hospital resources, how to use them and how to give patients the most effective referral," she said.

During the program, medical office personnel gained an overview of Bon Secours services which are available for patients and families. They also conferred with the director of the department of social work about non-medical services.

The program included audio-visual presentations and an intensive tour of Bon Secours medical facilities.

Such information enables medical office personnel, under a physician's supervision to more quickly and effectively refer patients to the prescribed Bon Secours service which can best meet their needs.

Comedy Opens Kids' 25th Season

Photo by Tom Longley

Grosse Pointe Children's Theater will begin celebration of its 25th season with the play, "Cheaper by The Dozen," Thursday through Sunday, November 30 through December 3, at the War Memorial. Ready to get

the show on the road are STEPHANIE STEBBINS, age 5. DENYSE WICKLINE, playing the Mother, and LEO BABCOCK, the efficiency minded Father.

Children's Theater Eyes Anniversary

Grosse Pointe Children's Theater celebrates its 25th anniversary this year, and the group plans to do it in a most spectacular way.

Starting out with the comical "Cheaper by The Dozen" this month, on to "Salute to Disney" in December, a musical version of "Sleeping Beauty" and "Annie Get Your Gun," the season promises lots of laughs, music and hard work for theater members.

For the first time, Children's Theater performances will be video taped this season for showings at hospitals in the Detroit area.

"Cheaper by The Dozen"

begins Thursday, November 30, with a 7:30 p.m. performance, and continues Friday, December 1, at 7:30 p.m., Saturday, December 2, at 11 a.m. and 2:30 p.m., and Sunday, December 3, at 2:30 p.m.

All shows will be held in Fries Auditorium at the War Memorial, 32 Lakeshore Road, under the direction of Sally Reynolds, with music direction by Stelene Mazer.

"Cheaper by The Dozen" follows a misguided father as he tries to turn his large family into a model of efficiency for reasons his daughters do not understand. Dad pushes for organiza-

tion: if it works in the factory it will work in the home, (or so he thinks). The results are outrageous.

Leads in the show are shared by the children. Mother will be played by Diane Crea and Denyse Wickline, Father by Leo Babcock and Jon Gentile and Frank by Mark Longwell, Andy Vogel and Joe Pellerito.

Teresa Trombley, Pauline Dionne and Amy Dietz will share the role of Ann, Ernestine will be played by Cammie Dionne, Sylvia Mabarak and Chris Roberts.

In the spirit of the play, tickets also will be cheaper by the dozen. Ticket price is \$2.75 for adults and \$1.75 for students. You may buy 10 tickets for \$12.

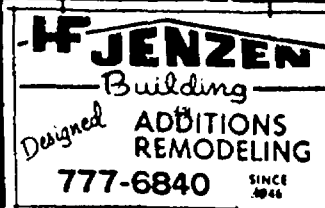

For more information, call the War Memorial at 881-7511.

Three New Ordinances Adopted in GP Woods

Three ordinances were adopted during their second reading stage by the Woods Council at a recent regular meeting. Two of the measures will not become effective until next year in order to give citizens time to comply, while the other takes effect next week.

An ordinance defining commercial vehicles and regulating their storage will become effective on January 1, 1979, while the measure prohibiting the outside storage of rubbish and refuse unless such storage area is enclosed, in eying commercial

districts, will take effect July 1, 1979.

Meanwhile, an ordinance regulating the outside parking of motor vehicles at gasoline service stations, recommended by the Planning Commission to the council for adoption as was the measure governing commercial vehicles, will become effective next week.

The commercial vehicles law says that no commercial vehicle, truck or trailer will be parked, housed or stored upon residential property or the public streets and alleys in any district except for the period actually required in connection with the delivery of merchandise or materials or the rendering of any services or performance of any building construction.

It provides, however, that no more than one commercial vehicle, truck or trailer of a rated capacity of three-fourths ton or less may be housed or stored within a suitable garage.

The measure also provides that this requirement will not apply to any business requiring truck delivery or service in the operation of the business.

A commercial vehicle, according to the ordinance, means any stake truck, dump truck, highway tractor-trailer truck, semi-truck trailer or construction vehicle.

A pickup truck, the cargo compartment of which is not covered or does not contain a cap, and any van or carry-all type vehicle also are deemed commercial vehicles if they exhibit two or more of the following characteristics:

- Commercial license plates.
- An advertising sign or lettering, business logo, business address and/or telephone number on the vehicle's exterior or mounted or placed inside the vehicle so as to be plainly visible in such a fashion as to convey or attempt to convey an advertising message to the public.
- Permanently mounted outside brackets or holders

for ladders, tools, pipes or other similar equipment.

The council unanimously passed this ordinance.

On the rubbish storage area law, originally initiated by Mayor Benjamin W. Pinkos, concerns over the appearance of rubbish awaiting collection in the commercial district led to the measure's development.

The main objective of the law was to enclose such rubbish from view in the rear entrance areas of businesses, with the mayor noting past instances of refuse mishandling which, on occasion, often ends up strewn in the alley and on nearby residential property.

At the same time, besides its obvious emphasis on aesthetics, Mr. Pinkos said the law should also avoid an undue burden in compliance, while stressing the need for better housekeeping.

The ordinance originally said that the outside storage area for containers with lids will be enclosed by a brick masonry wall of not less than four feet nor more than six feet in height to block the area from public view.

However, during council discussion, "brick masonry wall" was eliminated, thus providing more flexibility. In its place, "a durable screening wall or a fence approved by the Department of Building Inspection" was substituted with the height dimensions remaining the same.

The vote of approval was 6-1 with Councilman John Sabol voting "no." He felt the measure should contain minimum specifications regarding durability for the wall and fence, and that without such "specs," the law would not be as effective.

A waiver of the screening requirement may be obtained from the council after a public hearing upon a showing by the petitioner that such a wall cannot be located upon the property without creating an undue hardship to the owner or tenant, the measure says.

GP City Police Aided on Arrest

A cab driver put City police on the trail of a man they believe burglarized a home in St. Clair avenue, stealing orange juice, lunch meat, jeans, a bicycle and a dog, along with valuable stereo equipment and jewelry.

The man, Christopher Sebastian Devore, 28, of Wade, Detroit, is being held in Wayne County Jail in lieu of \$15,000 bond after his examination last week when he was bound over to Wayne County Circuit Court for trial. His pre-trial hearing is set for Friday, November 30.

had been broken into and a number of items stolen.

The cab driver told police the suspect had asked to be taken to the Eastland Shopping Center, but the driver refused.

Police checked with Eastland's security force and were told a man fitting Devore's description had just been picked up for shoplifting. The security force turned the man over to City police who charged him with the breaking and entering.

Much of the loot taken from the St. Clair home was discovered hidden behind the home by neighborhood children. Everything has been recovered from the home except a bicycle that was reported missing.

Among the items recovered were a stereo and two speakers, several pieces of silverware, costume jewelry, blue jeans, a sweater, tee shirts, a clock-radio, blank checks, lunch meat, beer, wine, orange juice and brandy.

The resident's black and white dog was found two days after the burglary in a burned out home at Dickerson and Jefferson, police said.

Later on Wednesday evening, City police also received a report from Detroit police officers who had been flagged down by a bus driver. The driver told police he had picked up a man fitting Devore's description on his way to Eastland who bragged about having burglarized a home in Grosse Pointe earlier that day.

The cab driver contacted police at about 7:30 p.m. on Wednesday, November 8, saying he had picked up a man at the Drop in Bar in Mack avenue who told him he had broken into a home in St. Clair avenue.

The man allegedly paid the cab driver with stolen jewelry and stolen wire, according to police.

Earlier that day, at about 4 p.m., a resident of St. Clair reported her apartment

Group to Study Music Program

By Susan McDonald

The Board of Education authorized the formation of a music program study committee to look into persistent complaints about underfunding and to examine the general philosophy of the music curriculum throughout the system.

Recognizing the program's close ties to the community and the active support of several parent groups, Superintendent Dr. William Coats recommended at least four community representatives be included on the study group.

Music teachers, administrators and a School Board member will make up the rest of the 11-man committee.

At the suggestion of Trustee William Huettman, the Board appointed a sub-committee which may meet in closed session to recommend citizens for the committee.

Mr. Huettman said he suggested the sub-committee route to avoid publicity on the selection process.

"Once we go public with a list of names, we've just about committed ourselves to selecting those people," he explained.

Trustees Ann Ardussi, Laurance Harwood and Mr. Huettman were named to the sub-committee at the Board's Monday, November 13, meeting.

In a memo to the Board, Dr. Coats listed the most frequently mentioned problems as inadequate staff for instrumental and choral music programs, lack of balance in instruments taught at lower levels and a "continuing debate about the relative merits of a specialist philosophy or a generalist philosophy in elementary instrumental music."

"In spite of some concerns, our music program continues to be recognized by many as one of the most effective programs in the entire school system," Dr. Coats added.

KNOCKS AND PINGS

Two horribly annoying reasons to introduce Mobil Super Unleaded Gasoline.

A car should be seen and not heard. That's why we're introducing new Mobil Super Unleaded Gasoline with a higher octane level.

Not only does it help knock the knocks and pings out of your engine, it could also give your car more power than most other gasolines. (In fact, millions of cars on the road today are being cheated of peak engine performance.)

And what's more, if your car is properly tuned, and still shakes, sputters and backfires after

you turn the key off, using Mobil Super Unleaded may help eliminate all that. And that's whether your car is new or old.

And even if you've been using leaded premium gasoline you'll be glad to know that Mobil Super Unleaded's high octane level is high enough to meet anti knock requirements of most cars today.

Mobil Super Unleaded. Because when you're driving, one of the nicest sounds in the world is the sound of absolutely nothing.

Boy Scout Troop 148 of Saint Matthew Roman Catholic Church located in Whittier road at Harper is sponsoring an all-you-can-eat spaghetti dinner on Thursday, November 30.

The troop will employ the services of a scout parent who arranged the successful spaghetti dinner for hundreds of marathon runners and guests at the downtown Radisson Cadillac Hotel on the eve of the recent Free Press International Marathon Run.

Diners can plan on being treated to rolls, green salad, fruit pie and a choice of beverage in addition to the main course of spaghetti with a meat sauce.

The dinner will be served in the church auditorium in the basement of Saint Mat-

thew's from 5 to 7:30 p.m. Parking is available on surrounding church parking lots. Ticket prices are adult, \$2.50, children, \$1.50 and special family ticket, \$8.75.

Wine Lines
by John Lundberg

Although French and American wines may have different names, they often have the same type of grape at their base. French wines are usually named for their vineyard and region in which they are grown, whereas American wines usually go by the vineyard name and type of grape. Some examples: what is known as a Pinot Noir in the United States would be known as a Red Burgundy from France. The wine from a Chardonnay grape would bear that name in the United States, while in France it would be labelled a white Burgundy. A Cabernet Sauvignon in the United States is from the grape by that name, as are the Bordeaux of France.

Whatever the name, if it is a quality "spirit" and meets the discriminating taste of our customers, then it will be found on the shelves at PARKIE'S PARTY SHOPPE, 17255 Mack, corner of St. Clair, Detroit. Come in today and enjoy yourself making your choice from the best selection in town. We are a complete party shop ready to meet all your party needs from sandwiches to mixes to kegs of beer. Open 10-10 Mon.-Thurs., 10-11 Fri. & Sat., noon-10 Sun. Tel. 885-0626.

HELPFUL HINT:
Pinot Noir is great with steaks or meats served with rich sauces.

Woods Studies Dial-A-Ride

City Administrator Chester E. Petersen was authorized by the Woods Council at a recent regular meeting to explore the availability of funds for a Dial-A-Ride service in the community.

While this area has been previously eyed by officials, the council directed Mr. Petersen to inquire about funding under the small vehicle program, which provides for new, improved, continued or expanded public transportation services using a variety of operating modes.

This program will finance initial capital equipment acquisitions and provide first year operating costs for such operating modes as Dial-A-Ride, elderly and handicapped or modified line-haul, James C. Kellogg, deputy director of the Department of State Highways and Transportation, in a communication to the city viewed the availability of state funds for fiscal years 1978-79 and 1979-80 based upon the legislature's enactment of a transportation reform program which provides monies and services for public transportation in the state.

The package enacted into law sets forth approximately \$88,000 for the year which began this October 1 for such purposes.

Barnes Opens New Library

Ceremonies marking the dedication of the new Barnes Elementary School Library facility were conducted on Thursday, November 16.

Principal Jack McMahon presented a brief history of the Barnes library, indicating that it was started with 500 volumes from the Venier School library and was located in a small room, later to be moved to the school lobby where it remained for 15 years.

First Assistant Carey Morton also addressed the citizens gathered for the occasion explaining the teaching of library skills in Grosse Pointe schools.

In his remarks, Superintendent of Schools Dr. William Coats commented on how the renovation of two classrooms for the new facility was accomplished as part of the capital outlay program of the Board of Education.

The new library quarters are carpeted and house an instructional materials center in addition to 6,000 volumes.

GP Woods Police Nab Pair of Suspects

Watchful Woods police officers apprehended two youths, who were subsequently charged with receiving and concealing stolen property over \$100 and possession of burglary tools, on Monday, November 13, after receiving a "be on lookout" report.

The suspects, Tareyton Earl Baker, 19, listed as living in Warwick, Detroit, and Forest, Port Huron, and Otha Jordan Jr., 20, of Shaftsbury, Detroit, were arraigned on the charges before Woods Municipal Judge J. Patrick Denis on the 13th. Both stood mute and bond

was set at \$1,000 cash, two sureties, or 10 percent. Their examination date was scheduled for yesterday, November 22.

Patrolling Officers Robert Kwiatkowski and Thomas Morawski received the report to watch for a Grand Prix occupied by two males, who were allegedly wanted for tampering with autos in the area of Allard avenue.

After ultimately spotting the vehicle and following it, the officers stopped the suspects in the area of west-bound I-94 and Gratiot. A LEIN, (Law Enforcement Information Network), check revealed that the auto was registered to a Detroit Police Department sergeant. The officers found several CB radios and tapes on the rear seat, along with a hammer, pliers, screwdrivers and a lockout tool, which is used

to enter cars, according to the report. Where the CB's and tapes came from is still under investigation.

Several scratches were observed by the officers on the driver's door, the chrome upper door molding framing the window and on rubber weather stripping. A portion of the plastic from the top of the steering column apparently was punched out, police said.

Officers Michael Makowski and John Ross went to the sergeant's residence, where he said until the officers informed him, that he was unaware that his car was taken from in front of his home.

St. Paul Sets 'Bach Advent'

An "Advent with Bach" concert by candlelight will be held at Saint Paul Evangelical Lutheran Church, 375 Lothrop road, on Sunday, November 26, at 4 p.m.

The program will include Bach's "Sonata in E minor," his "Sonata in D Major," "Trio Sonata" and solo works for harpsichord.

The performers will be David Fox on organ, Mary

Plan Viennese Trilogy at Center Next Month

A Viennese Trilogy will be presented at the War Memorial, 32 Lakeshore road, on three successive evenings, Thursday, December 14, Friday, December 15, and Saturday, December 16.

The first evening, December 14, will be a part of the Grosse Pointe Adventure Series with an international dinner being served at 6:30 p.m. followed by a film of Vienna personally presented by Andre de la Varre in the Fries Auditorium at 8 p.m.

He grew up in Vienna and was educated there. His father was made travel films with Burton Holmes, the founder

of the travel film and lecture industry.

The complete evening, dinner, (tax and service included), and show is \$10.75. The travel film showing only is \$3.

Mr. de la Varre in addition to inheriting his father's film industry is a brilliant concert pianist, having been soloist with the Detroit Symphony Orchestra.

On December 15, he will play a full program of Viennese concerti as part of "The Lighter Side of Life" series at the Center. For this occasion his wife will join him from Croton on Hudson, New York.

The evening will begin with cocktails at 6 p.m. at the Grosse Pointe Hunt Club, 655 Cook road, followed by a dress candlelight dinner in the Center's Crystal Ballroom which will feature recipes from the Royal House of Hapsburg, Vienna, contributed by Mme. Charity Suezek, the noted teacher of haute cuisine who also comes from Vienna.

Following dinner, the concert will be given in the candlelight ballroom with its Christmas decorations, huge tannenbaum and twinkling lights.

Mr. de la Varre in addition to the regular program will play audience requests at the conclusion of the evening.

The complete evening including the Hunt Club, dress dinner in the Crystal Ballroom and concert is \$17.50. Those wishing to come for the concert only may do so for \$7.50.

The grand finale of the Viennese Trilogy is the Viennese Christmas Ball on December 16 from 9 p.m. to 12 midnight. Here, waltz gowns will swirl to the music of the Johann Strauss Orchestra of the graduate music

Center Slates Family Night

A tradition, Family Night Around The Christmas Tree, will be celebrated this year in the War Memorial's Crystal Ballroom, 32 Lakeshore road, Wednesday, December 6.

From 5:30 p.m. in the holiday-decorated Center, a bazaar of Christmas gifts made by South High School students and offered for sale as Christmas or stocking stuffers will be presented.

At 6:30 p.m. a pre-Christmas supper will be served in the ballroom to Pointe families at tables set around the big, glittering Tannenbaum whose thousand twinkling lights will be reflected around the glass walls of the room.

Entertainment will be provided by the South Choral under the direction of Craig Dietrich. This will conclude with a community sing.

Hosted by the Center's Youth Council, the supper and program is \$6 for adults, \$3 for elementary school children. Reservations are requested in advance.

For further information, call 881-7511.

GPA Students Learn to Give

Getting into the spirit of Thanksgiving, fourth and fifth grade classes at the Grosse Pointe Academy, (GPA), have expanded their monthly sharing program into a special project entitled "Feeding God's Family."

Senior citizens at the Open Door Mission and a monkey at the Detroit Zoo will benefit from the students' efforts.

After students agreed to do the project that would make Thanksgiving more meaningful to them, they determined the responsibilities involved and went into action.

Since funds were a must, a group of students organized a Peanut Sale to support the monkey and a Bake Sale, plus a Cake Raffle to buy food for the senior citizens.

Inspired by the students' enthusiasm, teacher John Kosmas donated a cake baked by his wife and students Jay Bonnell and Caroline Kosnik, and with help from their families, supplied two more cakes for the raffle.

Many students enlisted the help of family members and produced tempting desserts and snacks for the Bake Sale.

After the money was earned, another group of students with teacher Sheila Osaan, considered what would be the most desirable items for senior citizens and then set out on a shopping expedition.

Five boxes especially decorated under the direction of faculty member Ken Kobane were filled for the needy seniors and a short service was held on Tuesday, November 21, where the food was blessed and students had an opportunity to give thanks for their friends, families and special blessings.

A representative group of children from the three classrooms delivered the food to the mission and the money will be sent to the "Adopt an Animal" program at the Detroit Zoo.

CHECK THE EFFECTIVE ANNUAL YIELD PAID BY OTHER FINANCIAL INSTITUTIONS ON MONEY MARKET CERTIFICATES.

THEN, CHECK MICHIGAN NATIONAL BANKS!

Many banks and savings and loans are offering six-month money market certificates. And while the savings and loans can legally pay a higher annual interest rate than banks, that fact alone doesn't necessarily put more money in your pocket. The amount of money you'll actually earn depends upon

the effective annual yield you obtain—and that depends upon the way your interest is compounded.

At the Michigan National Banks, we compound interest continuously on Michigan Money Market Certificates to pay you the highest effective annual yield we are legally permitted to pay. And that simply means that you'll earn more money at the Michigan National

Banks than you will at a lot of other banks and savings and loans.

Michigan Money Market Certificates require a minimum deposit of \$10,000. The interest rate—and effective annual yield—changes weekly. The rate at which the certificates are bought is fixed for the 26-week life of the certificate and subject to change at renewal.

\$10,000 Earns you \$480.92 in just six months.

St. Clare Girl Spikers Are Champs

The Saint Clare de Montefalco girls varsity volleyball team won its division title this past season, compiling a 19-1 record.

This title qualified the team for the Catholic Youth Organization's, (CYO), city-wide volleyball tournament of which Saint Clare is the defending champion.

The Falcons easily captured district and regional honors with decisive victories over Saint Joseph of Lake Orion and Guardian Angels of Clawson.

They then advanced to the east-side championship match against Detroit Saint Matthew. Saint Matthew gave the Falcons all they could handle but the girls pulled together and overcame them to advance to the city final match.

In the championship match, Saint Clare met Our Lady of Grace and soundly defeated them in two straight games, winning the city championship for the second straight year.

According to Rick Zaranek, director of athletics, this is the first time in the history of the school that any interscholastic team has won the CYO city championship for two consecutive years.

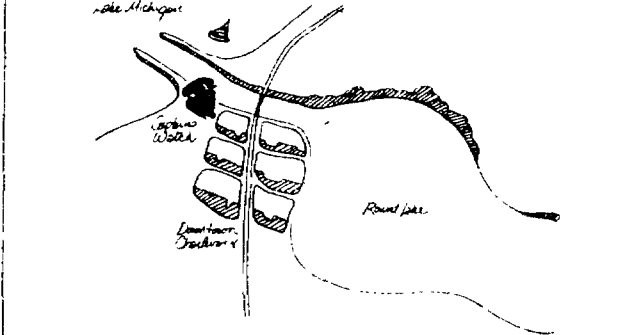

Members of the champion-

ship team included Tina Maher, Brenda Hines, Eileen O'Shea, Beth Brozo, Linda Feola, Diane Purcell, Lynn Pellerito, Patty Williams, Donna Broderick, Kathy Emmerich, Janet Gross, Stacey Sullivan, Kim O'Brien, Ann

Schulte and Jodee Damm. Coaches were Larry Hines and Fusako Hines, and the student managers were David and Paula Hines.

Including all tournaments, the team's 1978 record was 27-1.

GP Chess Club Outduels NHS

The regular weekly playing session of the Grosse Pointe Chess Club, (GPCC), held Tuesday, November 14, at the War Memorial's Alger House, was featured by competition between GPCC and the varsity team of North High School's Chess Club.

The seven board competition was highlighted by a three-hour struggle on board number one between the Chess Club's top-rated Mark Schmidt and the Norsemen's Eric Gerhardtstein.

The 16-year-old Gerhardtstein played a steady defense against Schmidt's King Pawn opening until the 57th move when Schmidt, a veteran of many tournaments, launched a vicious attack against Gerhardtstein's pinned rook, collapsing the younger player's position and bringing about his resignation several moves later.

Other creditable games were turned in by North's Jay Cobau and Sam Goosen with Cobau achieving a draw against GPCC's Robin McMeeking and Goosen winning over Jim Churchill.

In the end, however, the longer-experienced and more seasoned GPCC players won, 5 1/2-1 1/2.

At the conclusion of the event, North's team, coached by faculty member George Montel, issued a challenge for a return engagement in the spring.

The GPCC next week begins its Club Quad Tournament, which will run for three weeks. Club members will play for leadership and awards in their rating classifications.

GP Lil' Wings Blitz Jackson

The Grosse Pointe Lil' Wings, Squirt AA Travel hockey team, started to get its passing game in high gear, overwhelming the team from Jackson, 8-2, on Sunday, November 19.

Sharp passing, hard skating and heads up defensive play was the order of the day as the Wings dominated the game.

Wings scoring came as follows: Brian Nettle from Mike Amore and John Birgbauer; Rob Marshall from Joe Sullivan and Andy Roy; D. J. Ketchut from Kevin Tisdale, Sullivan from Marshall and Roy; John Russell, unassisted; Ketchut from Doug Avedisian and Tisdale; Tisdale from Ketchut and Russell from John Birgbauer.

This game served as a good tune-up for the Lil' Wings as the team enters the Grosse Pointe Community Rink's, (GPCR), Annual Thanksgiving Weekend "Turkey Tournament." The event will feature Squirt Travel teams from throughout southeastern Michigan and southwestern Ontario.

Action begins this morning, November 23.

John J. Morrissey to Join Kenyon & Eckhardt

NEW YORK, November 14—John J. Morrissey, a senior marketing executive of the Ford Motor Company for the past 12 years, will join the Dearborn, Mich., office of Kenyon & Eckhardt Advertising January 1, 1979, as executive vice president and general manager. It was announced today by K&E president and chief executive Leo-Arthur Kelmenson.

Mr. Kelmenson also disclosed that David J. Gillespie, general manager of the office since 1968 and chairman of the agency since 1975, will retire next year and that his duties will be assumed by Mr. Morrissey. Mr. Gillespie, who joined K&E in 1936, will continue as a consultant to the agency for a five-year period following retirement.

Mr. Morrissey, who has been general marketing manager of the Ford Division since 1974, was described by Mr. Kelmenson as a "dynamic, innovative executive who brings unique automotive and advertising expertise to his new job." Ford has been an important K&E client since 1945.

Mr. Kelmenson noted, and the appointment of Mr. Morrissey "further enhances our management continuity and partnership" with the giant automobile manufacturer.

Speaking of Mr. Gillespie, the K&E president said: "Dave is one of the ablest, most delightful people with whom I have ever been associated. He has been intimately involved with the Ford account for the past 30 years and as a consultant he will continue to play a crucial role in our automotive industry activities."

A Detroit native and graduate of the University of Michigan, Mr. Morrissey began his career in the Chicago office of J. Walter Thompson Co. in 1947. During the Korean War he served as a Marine Corps Infantry instructor at Quantico, Va., later rejoining JWT as an account representative in its San Francisco office.

Mr. Morrissey was transferred back to JWT-Chicago in 1959 for a three-year period, following which he was named supervisor on the Ford car ac-

count in JWT's Detroit office. He was transferred again, in 1964, to the agency's New York headquarters.

Mr. Morrissey joined Ford in 1966 as corporate director of advertising and sales promotion. The following year he became Ford Division advertising manager, a post he held until 1970 when he returned to the company's corporate marketing staff. In 1971 he was appointed executive director of corporate advertising and research with world-wide responsibilities, and in 1974 he was named to his present position.

Mr. Gillespie, a New York City native, joined K&E here as an office boy shortly after graduation from Manhattan College in 1936. He left to join the U.S. Army Infantry in 1942 and returned in 1946, after earning a field commission in Germany.

Mr. Gillespie has been involved with the Ford account since 1948 when he was named media supervisor of the Lincoln-Mercury Dealer Association and Ford Corporate. In 1954 he was elected a vice president of the agency and appointed account executive for the Lincoln-Mercury Division.

Transferred to the Detroit office in 1955, Mr. Gillespie was promoted to Lincoln-Mercury account supervisor. He became manager of the office in 1966 and was elected a senior vice president in 1972. He was appointed chairman of the agency in 1975.

Both Mr. Gillespie and Mr. Morrissey are former presidents of Detroit's Adercraft Club. Earlier this year Mr. Gillespie became only the fourth person to receive the club's special board of directors' award.

NH Girls Win Swim Honors

By Margaret Sobieski
The North High School girls swim team kept up its tradition of winning the Bi-County League Girls Swim Championships. This year's meet was held on Friday, November 17, and Saturday, November 18, at North.

North finished first with 372 points followed by Fraser with 284 points.

A Bi-County record was broken in the first event, the 200 medley relay, with the winning team consisting of Frances Shook, Cheryl Stoyka, Margaret Wittmer and Jeanette Metes.

Kerry Youngblood placed ninth, Bill Figley, eighth, and Jeanette Metes, fourth, in the 200 freestyle.

In the 200 IM, Chris Truhol placed seventh, Kathy Henkel, sixth, Cheryl Stoyka, second, and Frances Shook received the gold medal.

Four of North's swimmers placed in the top 12 once again in the 50 freestyle. Sandy Wooten placed ninth, Lisa Mediodia, fifth, Jane Beck, fourth, and Jenni Elie, first. Jenni also broke the Bi-County record for the event.

Excellent performances were given by the divers. Pam Jacobus took 11th, Janet L'Heureux, 10th, Jodi Stout, fourth, and the winner for the diving event was senior Kris Mogk.

Mary Ellen Tazzia finished ninth in the 100 butterfly and Margaret Wittmer took second.

In the 100 freestyle, Marybeth Mourad placed eighth, Jane Beck, sixth, Lisa Mediodia, fourth, and Jenni Elie placed first, breaking another Bi-County record.

Kerry Youngblood took eighth place in the 500 freestyle, with Jill Figley finishing seventh, and Amy Rent-schler taking a strong first place.

Taking 11th in the 100 backstroke was Sandy Wooten with Kathy Barolo, 10th, Chris Truhol, third, and Frances Shook, first.

North was represented well in the 100 breaststroke as four of North's swimmers placed in the top six. These girls included Kathy Henkel, fifth, Diane Andary, third, Cheryl Stoyka, second, and Jeanette Metes, first, credited with a new Bi-County record.

The final event was wrapped up as the 400 freestyle relay of Jenni Elie, Lisa Mediodia, Amy Rent-schler and Margaret Wittmer took first place, cutting seven seconds off their previous best time.

A special congratulations should go to coach Fred Michalik for such a great job as coach in his first year at North, along with a special thanks to the announcers, scorers, timers and to all parents and students who helped with all of the behind-the-scenes jobs. Without them the meet would not have been a success.

Hutzel Holds Bowl Tourney

Cash prizes totalling \$3,500 and a 25-inch color television set will be awarded to winners in Hutzel Hospital's first annual doubles bowling tournament to be held Saturday and Sunday, December 2 and 3, at Oak Park Lanes in Oak Park.

The tournament is a major fund-raising activity to benefit the hospital's building fund toward further development and expansion of the 419-bed hospital in the Detroit Medical Center. Hutzel, a full service general medical and surgical facility, has a national reputation in obstetrics and gynecology and as a center for kidney disease treatment and transplantation.

Guaranteed prizes at the tournament include a first prize of \$2,000; second prize,

\$1,000 and third prize of \$500, all with trophies for the winning teams. Additional prizes, plus a special prize of a 25-inch color television also will be awarded.

Games are scheduled at 11 a.m., 1:30, 4 and 7 p.m., Saturday and Sunday, December 2 and 3. Additional information is available and reservations may be made by calling Lou Cierno, director of community relations, at 494-7220.

Let's Talk Real Estate

by John E. Brink

If the Real Estate industry ever allows itself to become "tied up" as the automobile industry—Beware! In fact, the creeping tie up has already begun and unless continually kept in tow, the whole industry will suffer tremendously.

It always begins so innocently with little minor changes here and there. But before you can realize it, Real Estate becomes a political ball to bounce around and the chain reaction is uncontrollably on its way.

We now have certificate of occupancies that must be cared for before a Seller may sell. This, in many people's minds, is unconstitutional. Real Estate people look at it as a way to preserve the property values and say, "unconstitutional—but good!"

There is a usury law which can greatly affect the salability of your home if interest rates climb too high! These "restrictions" are enough, we say. Let's keep all governmental "help" out of Real Estate.

So, what we're saying, is this: Whenever someone says they ought to have a regulation that does this or that, realize it costs money everytime. Seems we all can learn a lesson from creeping governmental control. Let's keep the biggest and best industry of all, clean from bureaucratic entanglement. A community that has a unified desire to maintain property values, is the most powerful and most Democratic way; let's keep Grosse Pointe that way.

If, however, you're thinking of leaving our Pointes, please call Grosse Pointe Real Estate Co. 882-0087. We're the best—we're your community builders.

\$189 **GRK TDC Philips**

At Tech Hifi, good-sounding stereo carries a low price tag! For only \$189, you get an ERC 1405 AM/FM stereo receiver, TDC 1 loudspeakers, and a fully-equipped Collaro 1252 automatic turntable by Philips.

\$249 **Nikko TDC Philips**

Greater "reach" into the treble range is one feature of our \$249 system. It has a Nikko 315 AM/FM stereo receiver, TDC 2 loudspeakers, and a deluxe Collaro 1253 automatic turntable by Philips.

\$279 **Technics KLH Philips**

Better reception of weak stations and accurate KLH sound are yours in this \$279 package. It has a Technics SA80 stereo receiver, KLH 100 speakers, and a deluxe Collaro 1253 automatic turntable by Philips.

\$299 **PIONEER Garrard Philips**

Here's one of the finest systems we've offered at this price. Our \$299 package boasts a Pioneer 450 receiver, exciting Philips 420 computer-vented speakers, and a completely-equipped Garrard 730 automatic turntable.

\$359 **harman kardon EPI Garrard**

More power and better dispersion are what our \$359 system offers. It has a top-rated Harman Kardon 330C receiver, "best-buy" EPI 70 speakers, and a handsome Garrard 730 automatic turntable.

\$429 **EPI Philips Garrard**

Clean, tight bass and widely-dispersed highs are what you'll hear from our \$429 system. It has a Philips 7831 receiver, new EPI 110 speakers, and a Garrard GT25 belt-drive turntable with a Pickering cartridge.

\$499 **PIONEER Garrard TDC PICKERING**

This \$499 package offers even greater TDC and deeper bass with no sacrifice in clarity. The TDC 4 loudspeakers in this system feature a specially-designed 10-inch woofer that delivers clean, powerful lows without the usual mid-range "heaviness". And TDC's Real-Time crossover network helps insure stable imaging. To power the TDC speakers, there's a Pioneer SX680 stereo receiver. The turntable is a belt-driven, semi-automatic Garrard GT25 complete with a Pickering cartridge.

\$579 **Nikko BGO PICKERING**

The Infinity's fab EMIT tweeter. Our \$579 package features Infinity's quality EMIT tweeter. EMIT is used (in multiples) in Infinity's edge-of-the-art S6500 QRS system! And the Qa's 10-inch woofer delivers smooth midrange and extended bass. A Nikko NR615 stereo receiver contributes ample power, fine FM, and famed Nikko reliability. The automatic turntable is a convenient, belt-driven B-I-C 940, complete with a "best-buy" Pickering 440E cartridge.

\$699 **ONKYO Philips Garrard**

The Ohm D2 loudspeakers in this \$699 package have bass as deep as the best acousticsuspension bookshelf systems. But, thanks to Ohm's Optimal Venting, D2's have lower distortion and twice the efficiency! Far more output capability, too. The receiver is a beautiful Onkyo TX2500 Mk.II. Its exclusive Servo Lock tuning system means perfectly tuned FM — automatically! A fine performing Philips GA457 turntable (with an Audio-Technica 100E cartridge) completes the system.

Know Your Schools

By Dr. William Coats,
Superintendent of Schools

A very important goal of the Board of Education for this school year is to improve the Quality of Supervision and Administration in All Areas.

This goal expresses continuing efforts to improve our total program and because there are several different areas affected by this goal, I will be devoting more than this one column to explaining activities designed to achieve the goal.

This column will summarize plans associated with middle and high school programs.

High school attendance policies and procedures are being reviewed by a committee of students, parents, counselors, teachers and administrators in order to focus on specific problems and develop an attendance system which can solve as many of the problems as possible.

A sub-committee has been assigned the responsibility to develop a proposal for the review of the entire committee with plans to have a new system ready for recommendation in January.

Tardiness, absence for field trips, notifying parents about attendance problems and re-examining the various categories of absence are examples of items receiving the attention of the committee.

Whatever solutions are developed for these problems, there is the possibility of utilizing the data processing services of the Wayne County Intermediate School District in the attendance system in a manner similar to that presently used in the middle schools.

Another project encompassed in this goal is the reorganization and improved coordination of intramurals. A first step toward improvement in this area was taken in last spring's budget preparation process when an allocation for intramurals was made.

Among our present intramural activities are floor hockey, Ski Club, ping-pong, Blue Dolphins, racquetball and soccer. Efforts to im-

prove the coordination of intramurals are continuing as exemplified by the work of the high school athletic directors on the soccer program.

Also of special interest to the Board in regard to intramurals and athletics is the implementation of the soccer program and the expansion of girls' athletics. The middle school soccer program was successfully implemented with seventh and eighth grade teams for both boys and girls from each of the three middle schools.

Following this initial experience, plans are already underway for next year's tri-school soccer program.

At the high school level, over 100 students participated in soccer instruction and practice sessions and played intramural games as well as one game between the two schools.

In addition to the fall program, a winter indoor soccer program will be offered at North High School. We believe that both the middle and high school soccer programs will continue to expand and are planning accordingly.

In regard to expanding girls' athletics, measures to equate the coaching salaries for the girls' sports with those of the boys have been taken and assistant coaches for girls' sports, as recommended by the high school athletic directors, have been hired.

The coaches of the girls' sports also are being paid for the extended practice and competitive seasons which were determined by the Michigan High School Athletic Ass'n. We think these actions have considerably improved our girls' athletic programs.

In next week's column, I will summarize efforts associated with meeting this goal in several instructional areas.

Don't pin your faith on first guesses—give your decisions the benefit of second thoughts.

What Goes On at Your Library

By William T. Peters,
Director of Public Libraries

Fame comes to people in a great variety of ways.

Out of the slums of Detroit comes a man who has been described as "a credit to his race — the human race"; a son of a circuit-riding lawyer in North Carolina achieves fame as a U.S. senator; a freedom fighter for an independent Jewish state starts life on a farm in Palestine under Turkish rule; a self-made millionaire, who has been called a combination of Machiavelli, P. T. Barnum and Billy Graham, turns the baseball world upside down; a gas-pumping, pub-operating peanut grower from rural Georgia is known throughout the world as "the other son."

Reading about the famous and the infamous can be exciting, informative, at times even instructive. Joe Louis, once more in the news, is the man who fought his way out of Detroit's "Paradise Valley." His story is told in JOE LOUIS: MY LIFE, (Harcourt Brace Jovanovich, 1978), by Joe Louis with Edna and Art Rust Jr.

The only skill Joe Louis, born Joe Barrow on May 13, 1914, ever had was boxing. His first professional fight was on July 4, 1934, against Jack Kracken in Chicago.

Kracken, Chicago's top heavyweight, lasted less than two minutes. Louis had his first paycheck, \$59.

A week later he knocked out Willie Davis in three rounds. A third fight later in the month was a two-round knockout over Larry Udeil. Winner's check was \$101.

It took 40 fights and a defeat by Max Schmeling before Louis knocked out James J. Braddock for the heavyweight championship of the world.

Most of the book is devoted to Louis's fighting career, but his exhausting battles with the U.S. Government over income taxes and his difficult life after his retirement from the ring is well documented.

Joe Louis is certainly one of the tragic-heroic figures of our time. This story of his life is well worth reading.

Our U.S. Senator is Sam Ervin. Paul R. Clancy, a Washington correspondent for the "Charlotte Observer," has written an admiring biography of the senator, JUST A COUNTRY LAWYER, (Indiana University Press, 1974).

Ervin is best known as the presiding senator at the Watergate hearings in 1973. Two chapters, 13 and 14, are devoted to Watergate. He remarked upon his appointment to the Watergate Committee, "It seems that everything I've been working on since I went to the Senate is coming to a head this

year." Nearly 58 when he was appointed in 1954 to fill the vacancy occasioned by the death of Sen. Clyde R. Hoey of North Carolina, Ervin had had no particular political ambitions and was considered a moderate.

The author takes up half of the biography on Ervin's career in local politics, and leaves too little room for national affairs.

One will discover upon reading this book that Sam Ervin is anything but — just a country lawyer. He is more the canny fox than the corny, lovable old teddy bear he seems to delight in passing himself off as.

Moshe Dayan has a worldwide reputation as a fighting man. His role in the Jewish underground as head of a commando battalion in the War of Independence, the Sinai Campaign, the Six Day and Yom Kippur Wars are all related in his autobiography, MOSHE DAYAN: STORY OF MY LIFE, (Morrow, 1976).

In light of the negotiations now going on between Israel and Egypt, in which Moshe Dayan is certainly one of the key figures, this book takes on a new meaning.

Conventional wisdom says that the most colorful people in sports are the athletes; they are flaky or at least unpredictable while wisdom says that the straight arrows are the owners. Quiet, shrewd businessmen is the way owners are usually perceived.

Now Charles Oscar Finley is a maverick baseball owner. This colorful millionaire bought a baseball franchise and baseball has never been the same.

Read CHARLIE O. (Bobbs-Merrill, 1975), by Herbert Michelson, to find out more about how not to win friends and how to win pennants.

A wise man once said, "There is only one type of biography worse than that written by a son and that is the one written by a daughter."

A sister has written a biography about her brother, BROTHER BILLY, (Harper and Row, 1978), by Ruth Carter Stapleton. This is a warm, nostalgic story of the four Carter children growing up in Plains, Ga., and especially of Billy who has an older brother who seems to get all the attention.

Billy Carter, according to his older sister, is often misunderstood and does make some self-destructive statements, but beneath the rude exterior is a tender, compassionate, extremely intelligent human being.

Read BROTHER BILLY to see if our wise man went far enough with his statement.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

The Michigan Chapter of the Circumnavigators Club, with all the world to choose from, has decided on a South of the Border theme for its Christmas Ball this year.

It's to be a Mexican Christmas Fiesta, complete with colorful pinatas and other traditional Mexican holiday decor, at the Grosse Pointe Yacht Club Friday evening, December 1.

The Arthur Quatro Orchestra has promised to intersperse its conventional dance music with mariachi brass, and a special invitation has been issued to Jorge C. Alcocer, Mexico's Consul in Detroit, and his charming wife to join in the festivities.

Arthur O. A. Schmidt, of Lakecrest lane, is in charge of this 1978 edition of the Circumnavigators' annual holiday ball. His committee includes Paul I. Moreland, of Harvard road, James J. Trebliecott, of Alger place, Anthony J. Vinci, of Lakecrest lane, Don W. Miller, of Fleetwood drive, and Francis L. Zwickey, of East Outer drive.

They thought about an authentic Mexican menu . . . but decided on one that's strictly GPYC, built around filet mignon with mushroom caps. So what if Montezuma never ate it—he would have liked it if he had.

Purists may fast Friday and eat their tacos, enchiladas and refried beans December 2.

Invite Community To Tea and Concert

North And South High Schools to Present Their Traditional, Combined Christmas Program Friday, December 1

The annual Choral Concert and Tea sponsored by the Grosse Pointe North High School Parents Club and the Grosse Pointe South High School Mothers Club will be held Friday, December 1, at 1 o'clock at North High's Center for the Performing Arts.

This joint effort by the two schools is their gift to the community, and all are welcome. Senior citizens are especially invited.

There is no charge for the combined-choir concert followed by tea and holiday cookies prepared by the mothers of North and South students.

Decorations this year, planned by Sue Jackson of South High and Shirley Carr of North, will be worked in the school colors of both high schools: blue, green and gold.

Table settings and silver service will be arranged by Cathy Andary and Carol Maranti of North, Marie Nowosielski and Clare Kay of South.

The cookies will be collected and displayed by

Louise Fry of North and Fran Benz and Jeanne McLeod of South. Sweeping up the crumbs will be volunteers Mary Welsh of South and Leola Schwinke of North.

The programs and flyers were designed by Audrey Thomas of North and Judy Standish of South

Other chairmen include Barb Malley, North, and Betty Schroeder, South, invited guests; Mary Jane Rousseau, South, and Sara Woolton, North, post-sale; and Diane Rentschler, North, and Mary Genter, South, publicity.

Pulling all the strings together to wrap up this Christmas present to the community are general chairmen Jackie Tischbein and Elsie Pierron, North, and Anne Franco, South High.

Planning Tour to Savannah

The Grosse Pointe War Memorial Association, having "done" Charleston, S.C., is planning a tour of Savannah, Ga., in conjunction with the Historic Savannah Foundation, Inc., and the Women of Christ Episcopal Church of Savannah.

Dates are March 24 through 27. The escorted tour, at \$249.50 per person, includes round trip air transportation, three nights' lodging adjacent to Savannah's historic district, an illustrated, preview lecture on Savannah's architecture and interior design, tips, taxes and portage.

Space is limited. Reservations are being taken in order of \$100 per person deposit.

Savannah, the original capital of Georgia, boasts the largest urban national historic district in the nation. Its wide streets, intersected by spacious squares, were laid out by General Oglethorpe, founder of the colony.

One thousand, one hundred structures have been restored, including some of America's finest Regency

houses, built by William Jay, the great English architect. A row of old cotton warehouses along the river, reached by ramps paved with stone of old ships' ballast, have been converted, at a cost of \$7 million, into boutiques, galleries, shops, restaurants and taverns, all fronting on a beautiful, riverfront park.

Bazaar Set at St. John Greek Orthodox Church

The Ladies of Philoptochos Society will stage a Christmas Bazaar Friday, December 1, from 10 to 6 o'clock, and Sunday, December 3, from 1 to 5 in the afternoon at Saint John Greek Orthodox Church, Fraser.

Greek pastries, spinach and cheese pies will be featured, plus nut breads and American-style cookies, hand-knits and boutique items, blouses and jewelry from Greece and tree, door, wall and table decorations.

Prices will range from 25 cents for children's animal pins to \$25 for the largest wreaths.

Orchestra Hall Hosts Stratford

The Friends for Orchestra Hall, in association with the Stratford Shakespearean Festival Foundation of Canada, will present a three-day residency, "Stratford at Orchestra Hall," Wednesday through Friday, December 13 to 15.

The first day will feature a workshop for members of performing theater groups in the metropolitan area, all scholarship recipients, and is

open to auditors at a \$2 per person registration fee.

The second day will offer a matinee performance for school audiences of Michael Meyers' "Rogues and Vagabonds," tracing the history of acting, supported by a grant from the Michigan Council for the Arts.

The program culminates with a Friday evening performance of "This Fair Child of Mine," directed by Robin

September Rites for Miss Krestel

She Is Wed to Thomas Benjamin Geiger, Jr., at Evening Ceremony in Grosse Pointe Memorial Church

Mr. and Mrs. Thomas Benjamin Geiger, Jr., cruised the Caribbean aboard the Cunard Princess, visiting Puerto Plata, San Juan, St. Thomas and Nassau, following their marriage Friday evening, September 29, in Grosse Pointe Memorial Church. They are at home in Ottawa Hills, O.

Mrs. Geiger is the former Paulette Karen Krestel, daughter of Mr. and Mrs. Robert Daniel Krestel, of Vendome road, and granddaughter of the late Mr. and Mrs. Michael A. Schmidt, of Bay City, and of Mr. and Mrs. Andrew Krestel, of Pittsburgh, Pa.

Mr. Geiger is the son of the Thomas Geigers, of Toledo, who gave the Rehearsal Dinner at the Country Club of Detroit, and grandson of Mrs. Benjamin Geiger, of Toledo, and the late Mr. Geiger, and of Mr. and Mrs. Virgil Gladieux, also of Toledo.

Monsignor Francis X. Canfield officiated at the 6 o'clock rites. Readers were Mr. Gladieux and Dr. Paul V. Ponzit, of Battle Creek, uncle of the bride.

Soloist was Bryan McNeil. Organist was William DeTurk, and carrillonneur was Dudley Ervin.

The ceremony was followed by a reception in the Grosse Pointe War Memorial's Crystal Ballroom.

The bride's gown of ivory peau de soie was Victorian in style, featuring a high-necked bodice of pearl-beaded Alencon lace and long, tapered sleeves. More lace bordered the hem of her

full, A-line skirt, and lace motifs were scattered over her cathedral train.

Her long, French illusion veil fell from a cap of matching peau de soie and lace. She carried French silk roses, banked with baby's-breath and fern.

Sherylle Anne Krestel, a junior at Ohio Wesleyan University, was honor maid for her sister. Bridesmaids were Jeannine Geiger, the bridegroom's sister, Jan Luft, a student at the University of Michigan, Mrs. Bonnie Rubin Kuster, of Pittsburgh, and Deena Hope Krestel, of Orlando, Fla., cousin of the bride.

Their long dresses of ivory chiffon and moonstone blue maracaine jersey featured high-necked bodices fashioned with pleated, bertha collars and full, bishop sleeves. Cumberbuns circled their waists, and their skirts ended in deep, ruffled hems.

Each carried a single, mint green, French silk cabbage rose, banked with baby's-breath and fern, and wore baby's-breath in her hair.

Richard Geiger came from San Diego, Calif., to act as his brother's best man. Ushers were John and James Pierson and Timothy Gladieux, the bridegroom's uncle, all of Toledo, and Dennis Krestel, of Farmington, cousin of the bride.

Mrs. Krestel chose a floor length sheath of beige swirl ombre print silk, styled with a jewel neckline and long, sheer sleeves, for her daughter's wedding.

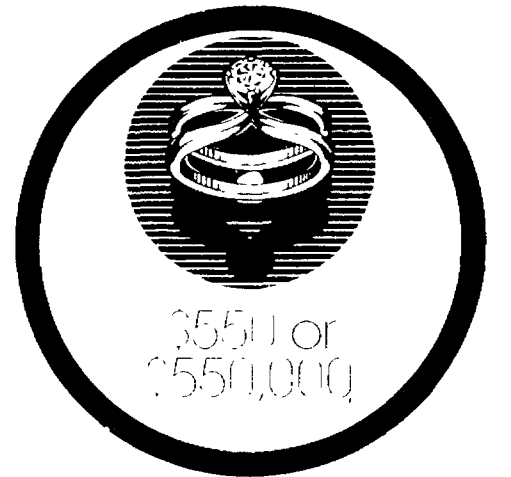

She selected an orchid corsage, as did the bridegroom's mother who wore a formal length dress and coat-ensemble of romance blue. Gold studs and pearl beads accented the bodice of the gown and cuffs of the coat.

Pointers who hosted par-

ties in the bride and bridegroom's honor were Mrs. Bruce Maters, Ms. Patty Dell, Mr. and Mrs. Robert Wall, Mrs. David Olson, Ms. Carolyn Barnhart and Mr. and Mrs. John French. Parties also were given by Mr. and Mrs. Jim White, Jr., Timothy Gladieux, Mrs. Lawrence Loughlin, Mr. and Mrs. Michael Wilcox, Mrs. Arthur Hills, Mrs. James Kenney, Mrs. James McGowan and Mrs. Richard Stoll, all of Toledo.

Rites at Academy For Miss Hastings

Newlywed Craig Wilton Hendersons Vacation in Monte Carlo, Paris And London; Are Now at Home in Chicago

A reception at the Grosse Pointe Yacht Club followed the candlelight wedding of Patricia Ann Hastings and Craig Wilton Henderson Saturday, October 21, in the Grosse Pointe Academy Chapel.

She is the daughter of Mr. and Mrs. John Brittain Hastings, of Roslyn road. The Wilton Logan Hendersons, of Avon, Conn., are the bridegroom's parents.

Father John A. McGrail, S.J., officiated at the 6:30 o'clock rites for which the bride chose a gown of ivory peau de soie and Alencon lace. Embroidered pearls and lace accented her scoop neckline, and her cathedral length train was bordered with a wide band of the pearl-embroidered lace.

She wore her mother's

veil of cathedral length illusion, outlined with matching lace and appliqued lace motifs, falling from a Juliet cap of Alencon lace.

She carried a cascade of Eucharis lilies, stephanotis and ivy.

Her attendants' burgundy gowns were gathered from stitched, V-yokes, held by three, thin straps on each shoulder, to low, bare backs. They wore matching blouson jackets and carried bouquets of Rubrum lilies and stephanotis.

Honor maid was Sandra

Guild to Host Benefit For Fr. Joseph Corso

Father Joseph Corso's Maryknollers Guild will sponsor a dinner dance benefit Saturday, November 25, at Revere Hall in East Jefferson avenue, St. Clair Shores.

The party begins with mass, celebrated by Father Corso, at 6 in the evening. Donation is \$12.50 per person. Reservations may be made by calling 527-7830 or 751-3156.

Guild officers include Mary Archambault, president, Jean Holle, secretary, and Doris Didia, treasurer and editor of "Habari-Gani," (which means "What's New" in Swahili). The guild was formed in 1967 by Mary Palazzolo.

Drews, of New York. Bridesmaids were Judy Burke, Debrah Baun, Mary Joyce, of Chicago, and Kyle Wolf, of New York.

Jay Henderson came from Chicago to act as best man for his brother. Ushers were Robert Murely, of New York, James Hoesley, of Chicago, William Crawford and Clay James, of California.

The mother of the bride wore a hand-crocheted gown, pale mushroom in color, featuring a rhinestone-trimmed V-neckline and soft, gored skirt. The bridegroom's mother's dress was rose beige, styled with a slim skirt and blouson bodice. Each mother pinned cymbidium orchids to her purse.

The bride's grandparents, Mr. and Mrs. Frank J. Weston, of Grosse Pointe, shared in the festivities with a special toast and dance to celebrate their 55th wedding anniversary.

When the newlyweds left to vacation in Monte Carlo, Paris and London, the bride was wearing a green, beige and rose tweed blazer, a soft green blouse with a loose tie of rose knit, and a soft green wool skirt.

They have returned to make their home in Chicago. Out-of-town guests in-

Present Ribbon Picture Show

An exhibit of ribbon pictures, a decorative and artistic fad which was extremely popular in the 1920's, recently opened at the Detroit Historical Museum. Displayed in the museum's Collector's Corner, the pictures are part of the larger collection of Angelo and Toni Di Clemente, owners of The Dried Flower.

According to Cynthia Young, the museum's Social History curator, ribbon pictures evolved from "stump work" pictures of the 18th and 17th centuries. This technique utilized a variety of stitches and cut-out materials in a form of raised embroidery.

"The French and British created variations on this earlier art form in the 18th and 19th centuries. Cut-out engravings and dressed pictures, especially theatrical celebrities, became very popular in these two countries."

Mrs. Young adds that it was a simple step from these techniques to paper dolls in the 1880's—then to "fancy work" in the 1920's, when everything from clothing to lamp shades was decorated with ribbon!

Some of the ribbon art in the current exhibit dates back to the Victorian era but most is from the 1920's, as evidenced by the "Betty Boop" and flapper flavor of many of the designs.

"One of the outlets for these handicrafts was the Women's Exchange of Detroit," points out Mrs. Young. "Located in East Adams for

50 years until it closed in 1941, its purpose was to give women at home a market for their craft work. Many of these ribbon pictures were sold through the Exchange."

Ribbon Pictures will be on display at the Detroit Historical Museum until Sunday, December 10. The museum is open Tuesday, Thursday, Friday and Saturday from 9:30 to 5 o'clock, Wednesday from 1 to 9 and Sunday from 1 to 5 o'clock.

Kresge Concert Features Pair of Pianists

Music Director Antal Dorati will be joined by pianists Ilse Von Alpenheim and Cyprien Katsaris in a Sunday afternoon Kresge Family Concert November 26 at 3:30 o'clock in Ford Auditorium. The program includes Mozart's Triple Piano Concerto and Beethoven's Symphony No. 7.

Ilse Von Alpenheim has toured extensively in Europe, the Far East and the United States. In October of 1975, in Washington, D.C., she performed the world premier of her husband Antal Dorati's piano concerto. The European premier of that work was also made by her, in December of the same year.

Her last performance in Detroit was November 13, during the DSO's Schubert

and Vienna Festival. Cyprien Katsaris makes his American debut at Ford Auditorium with Antal Dorati and the Detroit Symphony Orchestra this week at a pair of concerts November 24 and 25.

Mr. Katsaris was recently appointed musical director

of the International Music Festival of Echternach in Luxembourg.

Tickets for the Kresge Family Concert at \$7, \$6 and \$5 are available at the Ford Auditorium box office. Master Charge and VISA charge card customers may phone in orders at 962-5524.

Miss Jarnot Bride Of John Shaheen

Newlyweds Are at Home in Neff Road, Detroit, Following Mid-October Rites And Caribbean Vacation

Lee Anne Jarnot chose a gown of ivory chiffon and lace for her wedding Saturday, October 21, in Saint Joseph Church, Hanson, Mass., to John Stedman Shaheen.

Stephanotis, miniature roses and ivy formed her bridal bouquet. She wore an illusion veil and clasped her grandmother's cameo around her neck. Father John Saliba, of the University of Detroit, officiated at the evening rites which were followed by a

reception at the Pembroke Country Club, Pembroke, Mass.

The bride, who has been making her home in Devonshire road, is the daughter of Mr. and Mrs. Walter Jacob Jarnot, former Newcastle road residents who now live in Hanson.

Macomb Secretaries Plan Holiday Dinner

The Macomb Chapter of the National Secretaries Association (International) has scheduled its Christmas dinner meeting for Wednesday, December 13, at Caradonna's in Clinton Township, where cocktails at 6:30 will precede dinner at 7:30 o'clock.

Chuck Pavey's program of Christmas music will be followed by a short business session.

All secretaries and guests are invited to attend. Reservation deadline is next Thursday, November 30. Further information may be obtained by contacting Carolyn J. Kott, 573-0563, after 6 in the evening.

She was attended at the 6:30 o'clock ceremony by honor maid Jeannine Olivier, in old rose Qiana, carrying an arrangement of pink miniature roses and baby's breath.

Bridesmaids, dressed identically and carrying similar bouquets, were Sharon Jarnot, sister of the bride, Molly Shaheen, the bridegroom's sister, Jane Ericson and Susan Horsman.

The bridegroom, son of Mr. and Mrs. Joseph Sha-

Restyle your kitchen in just 3 days ...without replacing your cabinets

Let R&D Kitchen Interiors show you how. The cost will pleasantly surprise you.

We can create a stunning new look for your kitchen... quickly, and easily and economically!

The R & D concept: the *whole* cabinet doesn't have to be replaced to create a new cabinet look. Our craftsmen merely remove your old cabinet doors and drawer fronts — replacing them with handsome *new* doors and drawer fronts surfaced with FORMICA® brand decorative laminate. All other exposed cabinet areas are then covered in matching laminate.

Because the *inside* cabinet framework stays intact, an average installation takes only about three days.

There's no messy plaster cleanup. And kitchen flooring doesn't have to be patched.

You save time, inconvenience... and 50% of the cost of new cabinets!

Inspect the striking designs in our showroom. On phone, without obligation on your part, and one of our designers will show you rich woodgrain designs and smart decorator solid colors — right in your own home. Because these surfaces are FORMICA® brand decorative laminate, they resist chipping, staining, scratching and peeling — keep their elegant beauty through years of family use.

Bali® Bra Collection SALE now through December 3.

Some of our beautiful Bali® bras are at substantial savings. Select from seamless soft-cups, underwires, contoured or padded shapers, the soft-cup longline. All sizes in all styles. Priced from \$6 to \$12.

Hilberry's Year Officially Open

Wayne State University President and Mrs. Thomas N. Bonner entertained the W.S.U. Hilberry Theatre's 1978-79 Sponsors at a President's Preview and reception Friday evening, November 10, at the Hilberry, and a dinner beforehand at the Standard Club in Renaissance Center.

It was the first President's Preview for the Bonners and the 16th for Hilberry's renowned graduate repertory company.

The event also was another record-breaking fund raiser for Hilberry's Understudies, the committee of metropolitan area women who have assumed the task of finding Sponsors to contribute to the company's support.

According to Mrs. Wilber M. Brucker, Jr. of Merriweather road, Understudies chairman, over \$50,000 has been raised, mostly through individual \$100 contributions. This is nearly \$5,000 more than the amount raised last season.

The preview featured a performance of two short comedies: Moliere's "The Doctor in Spite of Himself" and Sheridan's "The Critic." Prior to the show, 300 theatre guests filled the Standard Club to capacity.

Mrs. Paul W. Ewart

JOYCE MARIE REITZLOFF, daughter of the Robert Reitzloffs, of Buckingham road, and Mr. Ewart, son of Gerald Ewart, of Anita avenue, and the late Marilyn Ewart, were married Saturday, October 21, in Saint Clare de Montefalco Church.

A champagne reception in Hilberry's foyer, for the full house and the entire Hilberry company, followed the performance.

Among the guests were Mr. and Mrs. Brucker, Mr. and Mrs. Ferdinand Cinelli, Mr. and Mrs. Bogdan Baynert, the Ronald K. Dalbys, Mrs.

Armand DeGaelano, Judge and Mrs. Horace Gilmore, Dr. and Mrs. C. Jackson France, Mr. and Mrs. Ronald W. Haughton, the Robert W. Spencers and Dr. and Mrs. Carl W. Lohmann.

More were Mr. and Mrs. Edward St. C. Thomas, Dr. and Mrs. L. Murray Thomas, Mr. and Mrs. Edward J. Tutag, Mrs. Joseph A. Vance, Jr., Mr. and Mrs. Anthony J. Vinci, Supreme Court Justice and Mrs. G. Mennen Williams and Mr. and Mrs. John E. Williams, Jr.

The President's Preview annually culminates the Understudies fund raising drive for the support of the Hilberry Repertory Company, this year composed of members from 15 states and the Dominion of Canada.

The group includes 23 actors and actresses, 17 technicians and six administrative assistants, all of whom come to Hilberry for advanced training and intensive performance experience preparatory to professional careers.

In addition to the double bill of Moliere and Sheridan comedies, the 1978-79 season includes "Romeo and Juliet," "A Midsummer Night's Dream," "Look Homeward, Angel," "Chemin de Fer," "Much Ado About Nothing" and "The Duchess of Malfi."

Further information about the current season is available at the box office, 577-2972.

Paul Walter Ewarts Have Returned from Hawaiian Vacation to Make Their Home in Kalamazoo

Joyce Marie Reitzloff's choice for her marriage Saturday, October 21, in Saint Clare de Montefalco Church to Paul Walter Ewart was a gown of white chiffon styled with a mandarin collar and Empire bodice of Alencon lace and pearls.

Her chiffon train was cathedral length. Her double, illusion mantilla, outlined in matching lace, fell from a Juliet cap.

She carried a cascade of Hawaiian fern, baby's-breath, stephanotis and ivy for the 1 o'clock ceremony at which Father Edward J. Sweeney officiated.

The bride is the daughter of Mr. and Mrs. Robert Reitzloff, of Buckingham road.

For the evening reception at the Detroit Yacht Club Mrs. Reitzloff selected a long gown of candlelight crepe styled with batwing sleeves. White cymbidium orchids formed her corsage.

The bridegroom is the son of Gerald Ewart, of Anita avenue, and the late Marilyn Ewart. The bridegroom's stepmother, Virginia Ewart, pinned a cymbidium orchid to her green chiffon dress.

Linda Reitzloff, honor maid

for her sister, and bridesmaids Carol Canestraight, the bride's cousin, Gail Brush, the bridegroom's sister, Terry Schrettnner and Terry Krull, of Kalamazoo, carried cascades of Hawaiian fern, rust mums, orange berries and deep blue bachelor buttons.

They wore two-piece, Empire-waisted sky blue knits, sleeveless and styled with low, V-necks, and matching, long-sleeved jackets.

Flower girl Lori Canestraight, of Lansing, the bride's godchild, carried a basket of fern, mums, berries and bachelor buttons.

John Ewart acted as best man for his brother. In the usher corps were Kevin and Cliff Reitzloff, brothers

The newlyweds vacationed in Hawaii. They are at home in Kalamazoo.

Miss Ahee Married To Charles Thomas

Bride Wears Mother's Gown of Candlelight Satin And Headpiece of Silk Stephanotis And Baby's-Breath

Saint Maron Church was the setting Sunday, October 29, for the wedding of Pamela Helene Ahee, daughter of Mr. and Mrs. Edmund Thomas Ahee, of Ballantyne road, and Charles John Thomas, son of Mrs. Charles John Thomas, of Yorkshire road, and the late Mr. Thomas.

The 4:30 o'clock ceremony at which Father James was officiating was followed by a reception in the Renaissance Center's Detroit Plaza Hotel.

John Ahee was lector for his sister's wedding. Readings were given by two other brothers, Peter and Christopher Ahee.

The bridegroom's nieces,

PAMELA HELENE AHEE, daughter of the Edmund Thomas Ahees, of Ballantyne road, was married Sunday, October 29, in Saint Maron Church to Mr. Thomas, son of Mrs. Charles John Thomas, of Yorkshire road, and the late Mr. Thomas.

Carolyn and Kristyn Thomas, passed out mass booklets at the back of the church.

The newlyweds vacationed on Tahiti. They are at home in the Riviera Terrace, St. Clair Shores.

The bride wore her moth-

er's gown of candlelight satin and a headpiece of silk stephanotis and baby's-breath. She carried a bouquet of white butterfly orchids, baby's-breath and silk stephanotis.

Honor attendant Terese Abdelnour and bridesmaids Josephine Ahee, sister-in-law of the bride, Patricia Thomas, the bridegroom's cousin, Noelle George and Cynthia Cimino wore cowl-necked frocks of blush peach jersey and matching chiffon jackets, sashed at their waists.

They carried combinations of fresh and silk fall flowers, accented with pheasant feathers, and wore silk flowers in their hair.

Flower girl Phyllis Thomas, the bridegroom's niece, in floor length brown velvet, wore silk flowers in her hair and carried a basket filled with silk flowers and ribbon streamers. Ring bearer was Paul Thomas, the bridegroom's nephew.

Best man was Mark Corrado. In the usher corps were Mark Thomas, the bridegroom's brother, Raymond Thomas, their cousin, Edmund Ahee, Jr., Lowell and Gregory Ahee, brothers of the bride, John Roulea, William Palazzolo and Frank Bagnasco.

The mother of the bride wore a pleated, cinnamon-colored gown and pinned white orchids to her purse. The bridegroom's mother selected teal blue jersey and a white orchid corsage.

Donald Amez Weds in West

Donald Joseph Amez, son of Mr. and Mrs. Achiel A. Amez, of Kerby road, claimed Denise Ann Doudiet, daughter of Ruth Doudiet, of California, and the late James E. Doudiet, as his bride Saturday, September 16, in Christ the King Catholic Church, Evergreen, Colo.

The Reverend Father Tom Bradke officiated at the 11 o'clock mass which was followed by a reception at the Beaver Brook Lodge.

The bride wore a traditional gown of white satin, high-necked and cap-sleeved. She was attended by her sister, Diane Howe, in a floor length, pale green gown.

They carried nosegays of white Sweetheart roses and baby's-breath.

Best man was Robert Komipek, a former Mount Clemens resident who now makes his home in Colorado.

Nancy Reynolds Is Autumn Bride

Mrs. Randall E. Payne Is Honor Matron for Her Sister As She Speaks Vows to Bruce Theodore Papet

Christ Church, Grosse Pointe, was the setting Saturday, October 28, for the late morning wedding of Nancy Lynn Reynolds and Bruce Theodore Papet. The Reverend J. Gary Fulton officiated at the 11:30 o'clock rites.

After a reception at the Detroit Yacht Club, the newlyweds left to vacation in St. Clair. They will make their home in Rochester.

The bride, daughter of Mr. and Mrs. Bruce Krey Reynolds, of Washington road, wore a gown of Qiana jersey. Venise lace rimmed her scoop neck and appliqued flowers accented her bodice.

Matching lace edged her fingertip veil, which fell from a lace cap, and she carried a nosegay of silk flowers: white roses and azaleas with baby's-breath.

Mrs. Randall E. Payne, who came from Traverse City to serve as her sister's honor matron, and bridesmaids Mrs. William Egyhazi, of South Bend, Ind., the bridegroom's sister, and Margaret J. Lewis, of Rochester, carried baskets of burnt orange and peach silk roses and baby's-breath.

They wore matching caplets over their copper-colored Qiana frocks, halter-necked and featuring pleated skirts.

Mr. Papet, son of Mr. and Mrs. Theodore E. Papet, of South Bend, asked Morris Wisner, also of South Bend, to act as best man. Michael Koken, of Columbus, O., the bridegroom's brother, and Mr. Egyhazi seated the guests.

The mother of the bride chose a street length dress and jacket ensemble of green, flowered Qiana. Green cymbidium orchids formed her corsage.

The bridegroom's mother, in street length, topaz Qiana, selected a corsage of yellow cymbidium orchids.

Relatives among the out-of-town guests included Mr. and Mrs. John H. Jacobs, of Scottsdale, Ariz., Dr. and Mrs. Robert H. Petersen and their family, of Plymouth, Mr. and Mrs. John Holschuh, of Bay Village, O., Dr. and Mrs. Dean Freidell and their family, of Lansing, and Mr. and Mrs. Robert Reynolds, of

Present Civic DSO Orchestra Monday Night

The newly-formed Detroit Symphony Civic Orchestra will present a performance Monday evening, November 27, at 8 o'clock in Ford Auditorium, with not one but three conductors.

DSO Assistant Conductor Kenneth Jean, the Civic Orchestra's primary conductor, will share the podium with Martin Fischer-Dieskau, the DSO's new conducting fellow for 1978-79, and Civic Orchestra administrator Raymond Turner, who is also the DSO's principal trombone.

The program includes Martin Fischer-Dieskau conducting Dvorak's Carnival Overture and Mendelssohn's Symphony No. 4 and Raymond Turner conducting Respighi's Ancient Aires and Dances, Suite II, plus Respighi's Pines of Rome, conducted by Kenneth Jean.

The Detroit Symphony Civic Orchestra is sponsored by the DSO with the support of major funding from the J. L. Hudson Company. It is a training orchestra geared for young pre-professional musicians; however, membership in the ensemble is dependent strictly upon ability.

The Civic Orchestra offers the metropolitan area first class entertainment at a modest price Monday evenings, a

time usually considered to offer very little in substantial live performances.

Tickets are \$3 general ad-

mission, and are available at the Ford Auditorium box office on the night of the performance.

Miss Cali Speaks Vows in August

Troy Is Home for Gregory Joseph Sikorskis, Who Vacationed in Hawaii Following Their Summer Wedding

A scoop-necked gown of silk organza was Angela Carol Cali's choice for her marriage Friday evening, August 4, in Grosse Pointe Memorial Church to Gregory Joseph Sikorski.

Pointe de Venise lace formed her cap-sleeved bodice and accented her skirt and train. A Juliet cap of matching lace held her four-tiered, cathedral length veil of English silk illusion.

She carried a cascade of white Sweetheart roses, stephanotis and ivy.

The bride is the daughter of Mr. and Mrs. Angelo Cali, of Country Club drive, the bridegroom the son of Mr. and Mrs. William Sikorski, of Detroit.

The 5 o'clock rites at which The Reverend John L. McCreight presided were followed by a reception at Hillcrest Country Club.

The newlyweds vacationed for two weeks in Hawaii, visiting three islands. They are at home in Troy.

In floor length frocks of pale peach Qiana featuring soft, cowl necklines and waistline sashes, bowed in front, were honor maid Deborah Garris, bridesmaids

Elizabeth Barren, a Chi Omega sorority sister, Jill Hain, of Bay City, the bride's college roommate, and Alana and Lori Ann Nalli, the bride's cousins, and junior bridesmaids Liane Boylan, another cousin, and Susan Cole.

They carried cascades of peach carnations, baby's-breath and ivy, and wore peach baby's-breath in their hair.

Best man was Charles Bonello. Guests were seated by the bridegroom's brother, Paul Sikorski, a Dentistry student at Northwestern University, James Pankuch, Chris Jasina, a cousin, and Ron Ostrowski.

The bride's mother wore a floor length, sleeveless gown of pale gold chiffon, with a gold cymbidium orchid wrist corsage. The bridegroom's mother selected floor length, mint green silk chiffon, with a matching capelet, and a green cymbidium orchid wrist corsage.

Out-of-town guests included Dr. and Mrs. Lewis Carlson, of Western Michigan University, the Dudley Hains, of Bay City, and Mr. and Mrs. Howard Rittman, of Lansing.

Machinist's Mate Second Class MARTIN R. GOLDSBERRY, graduated from Grosse Pointe South High School in 1974, the year he joined the Navy, son of the ROBERT F. GOLDSBERYS, of Lakepointe avenue, has returned from an extended deployment in the Mediterranean Sea aboard the nuclear-powered guided missile cruiser USS California, homeported in Norfolk, Va.

Betrothed

The engagement of JUNE MARIE KRONBACK and Gary Douglas Kunkel has been announced by her parents, Mr. and Mrs. Alfred Kronback, of Moross road. Mr. Kunkel is the son of the Charles Kunkels, of East Detroit. An August wedding is being planned.

A Day of Recollection For Children of Mary

A Day of Recollection has been scheduled for Saturday, December 2, from 9:45 in the morning until 3 in the afternoon at the Grosse Pointe Academy for Children of Mary, Alumnae of the Sacred Heart and their friends.

Father John McCormick, Redemptorist, will be the speaker and celebrant of the mass. Participants are asked to bring a Bible—and a sandwich; dessert and coffee will be served.

Reservations may be made by calling 886-1221.

Issues Holiday Driver Warning

Michigan motorists stressing common sense driving and moderate drinking can help make the Thanksgiving holiday one of the safest driving periods of 1978 instead of the deadly weekend it has been the last two years, according to the Automobile Club of Michigan.

While motorists travel 50 percent fewer miles over the Thanksgiving weekend than on the three major summer holidays, the traditional short trips to family and friends provide maximum opportunity and temptation for drivers to overindulge in alcohol. "Sixty-two persons died on state roads during the 1976-77 Thanksgiving periods, compared with an average of 52 for each of the three summer holidays during that same two-year period," stated Arthur Gibson, Auto Club's Safety and Traffic manager.

"Alcohol was a known or suspected factor in about 58 percent of the fatal traffic accidents over the last two Thanksgiving periods," Mr. Gibson said. "More than two thirds of the fatal mishaps occurred within 25 miles of the drivers' homes while nearly 75 percent happened in darkness."

This Thanksgiving, motorists are expected to travel 364 million miles in Michigan during the 102-hour weekend as compared with an average 728 million miles for the Memorial Day, Fourth of July and Labor Day holidays. The Thanksgiving holiday runs from 6 p.m. Wednesday, November 22, to midnight Sunday, November 26.

Auto Club suggests that holiday travelers and their hosts follow a few simple rules to make this a safe Thanksgiving holiday:

- Restrict one-day, round-trip travel to no more than 200 miles. Allow a minimum of four hours' driving time to travel 200 miles by freeway and five to six hours if traveling on other roads.
- Plan trips to begin and end in daylight.
- If driving, remember the "one-for-one" rule. More than one ounce of alcohol consumed within an hour doubles a driver's chances of having a fatal traffic accident.
- Drive with extra care near home.

Motorists driving through downtown Detroit or near Pontiac should plan trips to avoid parade and football traffic.

Approximately 500,000 spectators are expected to watch the J. L. Hudson Co.'s annual Detroit Thanksgiving Day parade, which starts at Woodward and Putnam at 9:30 a.m. The parade will last 45 minutes.

More than 70,000 persons are anticipated for the 12:30 p.m. Thanksgiving Day football game between the Detroit Lions and Denver Broncos at the Pontiac Silverdome. Motorists not attending the game should avoid stadium-area surface streets and the I-75 freeway near Pontiac one hour before and after the contest, which should end at 3:30 p.m.

If planning a trip by air, many carriers report flights filled at peak travel times, especially November 21 to 22 and November 26 to 27. Most popular destinations include warm-weather cities, especially those in Florida, California and Arizona, as well as Las Vegas, Washington, Boston and Toronto.

Deluxe motel or hotel accommodations in most of those destinations will be difficult to find.

Thief Started By Residents

Two Anita avenue residents arrived home on Tuesday, November 14, to scare away a thief but not before the culprit, (or culprits), took several articles, according to a report received by Woods police.

Items reported missing by Mrs. Eugene Keating included a coin collection, valued at between \$500 and \$1,000, a mink stole and a 16-gauge Remington shotgun.

The citizen told Officer Gregory Proudfoot that she and her husband had been away, with both arriving home about the same time. After pulling into her driveway, she noticed a male suspect standing inside the doorway.

Upon spotting the residents, the suspect rushed across the yard, jumped a fence and went around the garage of a neighbor.

He was described as about 6' tall, with ear-length brown hair and wearing a slate blue jacket and dark pants. Police stated entry was gained through the side door by prying the lock.

Vandals Strike At Sears Store

Farms Police are watching the Sears Roebuck store, 18950 Mack avenue, to try to prevent any more occurrences of vandalism attributed to labor troubles with one of the unions there.

Police have a pair of suspects in the blowing apart of one of the store's plate glass windows Thursday evening, November 9.

In that incident, an M80-type firecracker was taped to the window, and a lit cigarette placed by the fuse. Police found three other windows had been similarly set up, but the cigarettes burned out before reaching the wicks.

The next morning a department store manager found a large plastic container on the roof of the building, near an air conditioning unit. It was unknown what was in the container, or

whether its contents had been dumped into the air conditioner.

In other incidents at the store, a Farms resident surprised a man with a baseball bat when he went to the rear of the building after hearing a loud noise while passing in front. The man with the bat told him to go away, which he did, calling police when he got there.

Police found the door windows to the loading dock smashed. A glue-like substance had been spread into door locks throughout the store. Nothing had been removed from the store, police said.

CITY OF Grosse Pointe Farms MICHIGAN CODE NO. 7-04 AMENDMENT TO DOG ORDINANCE Ordinance No. 228

AN ORDINANCE TO AMEND SECTION 6 OF THE DOG ORDINANCE OF GROSSE POINTE FARMS, BEING: AN ORDINANCE TO REGULATE POSSESSING, HARBORING, OWNERSHIP AND RUNNING AT LARGE OF DOGS TO PROVIDE FOR THEIR VACCINATION AND FOR THE DESTRUCTION OF VICIOUS AND DISEASED DOGS IN THE CITY OF GROSSE POINTE FARMS; TO PROVIDE PENALTIES FOR VIOLATION THEREOF; AND TO REPEAL ORDINANCE NUMBERS 70 AND 84

THE CITY OF GROSSE POINTE FARMS ORDAINS:

Section 1. Section 6 of the Dog Ordinance of Grosse Pointe Farms, being Ordinance No. 90, enacted April 9, 1951, as amended by Ordinance No. 198, enacted August 5, 1974, is hereby further amended to read as follows:

"Section 6. No person shall own, feed or harbor a dog which by loud or frequent or habitual barking, yelping or hollering, shall cause serious annoyance to a neighborhood or to passersby. No person owning, feeding, or harboring a dog shall permit such dog to deposit animal excretion of any type upon a highway, street, sidewalk, or other public place or private property other than the private property of the person owning, feeding or harboring such dog. No violation will occur if such excretion is removed immediately."

Section 2. In all other respects, Ordinance No. 90, as heretofore amended, shall remain in full force and effect, except as amended herein.

Section 3. This Ordinance shall take effect twenty days after its enactment or upon its publication, whichever is later.

Enacted: November 6, 1978

City Clerk

GPN—11-23-1978

CITY OF Grosse Pointe Woods MICHIGAN

NOTICE IS HEREBY GIVEN that the City Council will hold a Public Hearing in the Council-Court Room of the Municipal Building, 20025 Mack Avenue, Grosse Pointe Woods, on Monday evening, December 4, 1978, at 7:30 p.m. o'clock to hear the application of Randall Sign Erection, Inc., for authority to install a ground sign at the Standard Oil service station located at 20675 Mack Avenue. A permit to install said sign was denied by the Building Inspector on the basis that the combined area of the two proposed signs and the height of the proposed sign exceeds the limitations set up by the provisions of the Title VI, Chapter 4, of the 1975 City Code.

ZONING ORDINANCE OF THE

CITY OF Grosse Pointe Woods MICHIGAN

NOTICE IS HEREBY GIVEN that the City Council, meeting as a Board of Appeals under the provisions of Section 6-12-5 of the 1975 City Code of Grosse Pointe Woods, will meet in the Council-Court Room of the Municipal Building, 20025 Mack Avenue, Grosse Pointe Woods, on

**MONDAY EVENING
DECEMBER 4, 1978**

at 7:30 p.m. o'clock to hear the appeal of Dr. and Mrs. Floro Rayos, 575 Canterbury Road, Grosse Pointe Woods, who are appealing the denial of the Building Inspector to issue a Driveway Permit for the property described as:

Lot No. 109 of Marks and Mahoney Subdivision No. 3 (commonly known as 575 Canterbury). Dr. and Mrs. Rayos propose to construct a circular drive in front of their home at 575 Canterbury. A Driveway Permit was denied for the reason that Section 6-12-3 prohibits a paved parking area which exceeds thirty percent (30%) in coverage the required front yard area for a residential lot in an R-1 zoned district. Said circular drive cannot be constructed unless a variance from the provisions of Section 6-12-3 is granted by the Board of Appeals.

This will be a public hearing and all interested parties are invited to attend.

CODE NO. 6-08 AMENDMENT TO THE ALARM REGULATION ORDINANCE Ordinance No. 229

AN ORDINANCE to amend the title and Section 1 of the Alarm Regulation Ordinance being AN ORDINANCE ESTABLISHING A LICENSING FEE FOR ALARM SYSTEMS; REGULATING ALL ALARM SYSTEMS; CONTROLLING EXTERIOR LIGHTING AND SOUND DEVICES OPERATED IN CONJUNCTION WITH ALARM SYSTEMS; ESTABLISHING A PROCEDURE FOR THE REVOCATION OF ALARM LICENSES AFTER RECEIPT OF FOUR FALSE ALARMS WITHIN A CALENDAR YEAR AND THE FAILURE OF THE LICENSEE TO TAKE CORRECTIVE ACTIONS; AND GOVERNING POLICE AND FIRE RESPONSES FOR ALARMS WITHIN THE CITY OF GROSSE POINTE FARMS, MICHIGAN.

THE CITY OF GROSSE POINTE FARMS ORDAINS:

Section 1. The title of the Alarm Regulation Ordinance is amended to read as follows:

"AN ORDINANCE ESTABLISHING A LICENSING FEE FOR ALARM SYSTEMS; CONTROLLING EXTERIOR LIGHTING AND SOUND DEVICES OPERATED IN CONJUNCTION WITH ALARM SYSTEMS; ESTABLISHING A PROCEDURE FOR THE REVOCATION OF ALARM LICENSES AFTER RECEIPT OF FOUR FALSE ALARMS WITHIN A CALENDAR YEAR AND THE FAILURE OF THE LICENSEE TO TAKE CORRECTIVE ACTIONS; AND GOVERNING POLICE AND FIRE RESPONSES FOR ALARMS WITHIN THE CITY OF GROSSE POINTE FARMS, MICHIGAN."

Section 2. Section 1 of the Alarm Regulation Ordinance is hereby amended to read as follows:

SECTION 1. "No resident, business, corporation, institution, or agent thereof, within the City shall use or operate, attempt to use or operate or cause to be used or operated, or arrange, adjust, program or otherwise provide or install any device or combination of devices that will upon activation, either mechanically, electronically, automatically or upon any other means initiate the intrastate calling, dialing or connection directly, or indirectly by means of a second person caller, to any telephone number assigned to any subscriber by a public telephone company; or alarm system located within the City's Police or Fire Department, without the prior written consent of the Chief of Police, as specified in Section No. 3 of this Ordinance. This Ordinance shall not apply to a commercial bank subject to regulation under the United States Bank Protection Act of 1968, as amended, 12 United States Code 1881-1884."

Section 3. All ordinances or parts of ordinances in conflict herewith are hereby repealed only to the extent necessary to give this ordinance full force and effect.

Section 4. This ordinance shall take effect twenty (20) days after its adoption or upon its publication, whichever is later.

Happy Thanksgiving . . . from Walton-Pierce. The Walton-Pierce ad in this Thanksgiving issue shows a lovely dress from the Kohler Collection that is perfect for so many holiday plans. As you know Kohler designs for the custom size . . . also known as half size figure. Other holiday fashions from Kohler have arrived. In the new selection is a long seafoam green dress . . . tunic style but the tunic is attached. The skirt is pleated. It also comes in coral. For cocktail parties, there is a rose or azure blue dress styled with a scoop neckline and long sleeves cuffed with satin. In the same color choice, is another style. The collar ties, the long sleeves are elasticized and the body of the dress is of tiny pleats. From Jamison in regular sizes, there is a crisp white sun dress embroidered with bright red dots . . . ready to pack in your luggage that's going south. Also from Jamison, is a classic navy and white print dress with a green grosgrain belt. You've been reading about all the colors coming into the cruise and spring collection. Well Walton-Pierce will be brightening up with them. One new dress and jacket from Stephan is in coral and the fabric resembles shantung . . . remember? From Hark and made in Hong Kong, are stunning blouses with modified mandarin necklines. The colors are jade, ruby, amethyst and tan. There are still some great fashion bargains in the Walton-Pierce Sale!

Have you ever come home with a car full of groceries and wondered where to store them all? Wood-Mode cabinets makes a pantry unit that holds canned goods galore and a little bit more. See it today at Mutschler Kitchens, Inc., 20227 Mack Avenue, 884-3700.

Norman Rockwell's . . . nostalgic Christmas ornaments at \$4.50 at the Notre Dame Pharmacy. They probably will become collector's items.

Did you know that you can buy a commuter mug for \$4.95 there? You can order college waste baskets and toilet seats. Most of the insitutions of learning are represented. There are Holly Hobby and Raggedy Ann and Andy youth dish sets and flatware . . . How about a do-it-yourself picture stein? By the way, Leonard silver is on sale at "the little store", 17037 Kercheval between Notre Dame and St. Clair.

Azure . . . that beautiful shade of blue is the coordinating color in a new Pendleton holiday group at Hartley's Country Lane. See the solid azure skirts, slacks, shorter jacket and dyed to match sweaters. There are also three coordinating novelty plaids. A new collection of silk-look, poly-crepe blouses have arrived at 20641 Mack Avenue.

Pointer of Interest

GAIL URSO, OF WESTCHESTER ROAD

By Janet Mueller

"I've always been concerned with racial justice and social justice. I'd have to credit Marygrove College in good part for that: it raised all our consciences." And there was a book, "Crisis in Black and White," that she found hard to forget. And there was living through the Detroit riots.

So when, in the aftermath of the riots, in response to the Kerner Commission's report, the Grosse Pointe Inter-Faith Center for Racial Justice was formed, (one of several, located in different areas of the metropolitan community), Gail became immediately involved with it. So did John Urso.

For Gail, to feel strongly that something is important means to act on it. Last year, she managed Ann MacDonald's successful campaign for the Grosse Pointe Park Council.

For John, doing what is "right" is equally important. He was once a Grosse Pointe Park Municipal Judge. When he decided to go into practice, he decided not to be a judge. "He felt strongly that a judge should not be part time," Gail explains.

Chose Not to Run
The office was combinable, John felt, with a Law professorship at the University of Detroit, but as a private attorney he couldn't give it the necessary time and attention. So, at the next election, John Urso did not choose to run.

Gail and John met as students at Saint Paul's High School. She holds a Bachelor of Arts degree from Marygrove, a Master of Arts from the University of Michigan. She went to school for a while, lived and taught in Washington, D.C., and considers it her second home. Grosse Pointe is first.

At home are Kevin, seven, a wonderful Irish Setter who pre-dates the children. At home, Gail and John divide the gardening into vegetables, (his), and flowers, (hers). Gail really likes to bike and, married to a dedicated jogger, tries to be one. She was up to two miles before she caught the flu.

Has Many Interests
"I love to read. I do a lot of things a little bit — play tennis, ski . . . I love to cook and I like to sew, especially crewel, any sort of needlework." She's delighted that John's firm, Rickel, Urso, Wokas and Earle, is located in RenCen; it's a grand place to meet one's husband after work.

Gail Urso's MA is in Educational Psychology. She taught seven years altogether, all before the children came. And Kevin's seven . . . and Gail, describing herself, says, "I'm a teacher." Present tense.

It's part of her being. The Urso's are field trip takers. "We try to go somewhere every weekend with the children. We love to travel as a family." To Belle Isle for an afternoon, to a farm for a day . . . to Florida in the winter, non-stop, via car.

Last summer they covered about 3,000 miles, touring Maine and New Hampshire with the boys. Everyone had a ball. "Certainly, when you travel with children, you have to have patience. And we take plenty to amuse them: food and games."

Would Teach Parents
And an attitude, an idea that this will be a good trip. And it is.

Gail's experience is in elementary school teaching. She'd like to return to her profession at a different level. "I'd like to teach in a community college or adult education program. Courses in Parenting, for instance, are badly needed."

She'll have a chance to try out her technique with adults this year. She's been invited to address a nursery school group on a particular phase of Educational Psychology.

Gail serves on the Saint Ambrose Parish Council and is a Room Mother at the Grosse Pointe Academy. She has just finished training to become a volunteer in the Elementary School Sex Education Program sponsored by the Grosse Pointe Health Education Council.

She has been both president and secretary of the Grosse Pointe Inter-Faith Center for Racial Justice. This year, John Urso is president. This year, Gail Urso's past two years, Gail Urso's primary Inter-Faith Center responsibility has been Special Events.

Very Special Event
Very special among those Special Events is the Holly Mart, the Inter-Faith Center's Christmas season fundraiser. This year, the Fourth Annual Holly Mart will be presented Saturday, Decem-

ber 2, from 10 to 3 o'clock in the Grosse Pointe War Memorial's Crystal Ballroom. It is essentially an art fair, showcasing the work of 30 to 35 working artists and craftsmen. It offers a wide variety of items, from boutique T-shirts to pottery to woodcarvings, from Christmas ornaments to jewelry to a collection of unique cookie cutters made out of tin.

Refreshments will be available. Special prizes will include Ron Scarbough's original 1978 Grosse Pointe Inter-Faith Center Christmas Card pen-and-ink drawing, with which Gail Urso is pictured above.

There'll be a bake sale. There'll be no admission charge. Each participating artist agrees to earmark a percentage of his sales for Inter-Faith Center operating money.

Kendra Harding is doing a repeat performance as general chairperson of the Holly Mart. It's one of several Special Events, planned throughout the year, to raise Inter-Faith Center operating money.

Churches Are Big Help
The Inter-Faith Center receives a substantial amount of its funding from local churches. Private individuals also contribute. Special Events take up the slack.

"I've learned," says Gail, "Special Events fund raiser veteran, "that we do better if we have fewer." So, annually, come the Holly Mart and the Art Auction and, in late summer, Gordon and Rita Blake's Musicales.

And occasionally, for a very special occasion, something very special. Julian Bond as guest speaker at the Grosse Pointe Inter-Faith Center's 10th Anniversary Dinner, for instance.

At the beginning, in the Inter-Faith Center's Year One, Gail Urso worked on the Equal Justice Task Force's Recorder's Court Study. "Ray Unks, our first director, really challenged us." She worked on the Education Task Force, evaluating textbooks for racism and sexism.

Grosse Pointe Inter-Faith Center Task Forces continue or are dissolved as the need for them continues or dissolves.

Years Bring Changes
"I think we have changed over the years, in response to society," Gail says. "Now we are focussing particularly on neighborhoods. We've seen great revitalization in downtown Detroit, but the neighborhoods continue to have problems . . . and many

with holiday fun, starting Tuesday, December 5, at their general meeting.

It will feature a special Christmas program for members and guests with music under the direction of Mrs. Joseph Shaheen, and a guitarist and sing-along session.

The day begins at 9:30 in the morning with mass in the hospital chapel, followed by coffee and rolls in the conference room, followed by a brief business meeting.

Post-program, Saint John's Sisters of Saint Joseph will host a Christmas buffet luncheon.

The Fontbonne ladies head off to Meadow Brook Hall Tuesday, December 19, for a Christmas fantasy tour of the 100-room mansion and luncheon in the main dining hall.

Mrs. John L. Drummy, Jr., chairman, is planning the lovely outing. Buses leave the hospital at 9:30 in the morning, arriving at Meadow Brook an hour later. Everyone should be back at Saint John by 3 in the afternoon.

Fontbonne welcomes friends on this trip. Cost is \$12 per person. Reservations are being accepted until Friday, December 8, (they may close before that, for they are limited . . . so if you're interested, call now!), at the Fontbonne Office, 881-8200 Extension 545.

And, OF COURSE, you know that Fontbonne's big fund raiser, the White Christmas Ball, is scheduled for Saturday evening, December 9, at the Detroit Plaza Hotel in Renaissance Center. That perfectly fabulous party is a month of holiday fun in itself.

A Learning Time at Cottage

Mrs. James E. St. Denis, Cottage Hospital Auxiliary president, has announced that the board of directors will hold its second annual General Hospital Orientation for auxiliaries and prospective members next Thursday, November 30, at 10 in the morning in Board Rooms A and B on the hospital's lower level.

Luncheon will be served, courtesy of Cottage Hospital. Ralph L. Wilgarde, the hospital administrator, will present a brief history of Cottage, its service to the community and its long-range plans, and Margaret Hutchings, director of Volunteers, will conduct a slide presentation covering the hospital's areas and the volunteers operating in them.

The auxiliary's guild chairmen will report on guild functions and outline services performed by their members.

A demonstration of safety features and the use of various fire control apparatus will be given by John Wing, of the Maintenance Department.

A guided tour of the hospital facilities is included in the program, designed to assist those who attend to better understand the role of the auxiliary and to familiarize them with Cottage Hospital and the added medical services it offers.

Interested? Mrs. Hutchings, 884-8600, Extension 2455, is the person to call for further information.

future of Detroit are linked together."

A course on Detroit and Its Neighborhoods, taught by Director Egnatios with the help of outside speakers and featuring a tour of Detroit, began this month. A Youth Task Force is working with young people in the community to help prepare them to live in a multi-cultural, multi-racial world.

People Power Needed
"We have lots of Task Force ideas, lots of things that need doing," says Gail Urso. "What we need is People Power. People who are willing to work, to follow through."

They're out there. The Grosse Pointe Inter-Faith Center for Racial Justice's newsletter goes into 1,100 homes.

Speaking of social change . . . an interesting thing has happened to the Inter-Faith Center's corps of volunteers.

"We used to be almost exclusively women. Now we have as many men as women — and many of our women volunteers are full-time working people."

It's been, when you come to think of it, some 10 years! Currently, Gail Urso is working with Ed Egnatios to develop a course for women who are considering a return to work. Gail talks of a Career Planning Workshop, with emphasis on careers related to social change.

"I feel that many women are interested in going back to work and are interested in a career change, not only because their goals have changed but because careers — possibilities — themselves have changed."

She'd like to explore the possibilities. She'd like to bring in outside consultants. She's a teacher; she'd like to learn. The two go hand in hand.

OUTSTANDING VALUE—Only \$37,500 buys this lot on 3-Mile Drive between St. Paul and Jefferson. Features 100 front feet by 250 feet in depth—Add an almost Olympic sized heated swimming pool and you have "the best". All pool equipment is included.

GROSSE POINTE CITY—IN THE VILLAGE—Backs up to the National Bank of Detroit Regional Office. 90 front feet on St. Clair so there's plenty of "off-street" parking. The remodeled house has 3 suites—there's a 4-car garage for plenty of storage. Zoned for business it's perfect for lawyers, doctors, insurance etc.

GROSSE POINTE FARMS — Prime location on LOTHROP ROAD. Exciting Georgian Colonial built in 1948. Easy maintenance is the super feature. Has patio, lovely landscaping, central air conditioning, electronic air filter, sprinkler system plus many more special features. The living room, library, recreation room and master suite all have fireplaces. There are four additional family bedrooms plus 2 maid's rooms and bath—Only the beginning—Call one of our experienced staff for further exciting details.

OPEN SUNDAY 2 - 5
COME SEE A HOUSE-A-MINIUM

1957 STANHOPE

"HOUSE-A-MINIUM." It's a new word, to describe what we feel is the best that a house can offer, combined with many of the fine features you'd expect and convenience of a nice residential community, yet without the excess size that so many houses have. The over-all excellence like a "condo model," yet the new low, low price is far less than any comparable condo recently for sale, and a garage and beautiful, yet not too big yard is yours to enjoy . . . that is, unless someone beats you to it!

BY APPOINTMENT PLEASE

EXCITING, DESIRABLE LAKESHORE DRIVE! Is the setting for this unique contemporary home. This isn't a residence for the faint of heart. It awaits an owner who wishes a prize unique to all of Grosse Pointe, and at a price and terms so advantageous, it's almost a joke! The multi-levels of this free flowing home add to livability, as does the quality of construction unobtainable today at 4 times its price.

REAL ESTATE MARKETING CONSULTANTS

OCCASIONALLY, THERE IS SOMETHING NEW UNDER THE SUN . . . (OR BUILT IN GROSSE POINTE!) If you're the person who wants their home to convey excitement and pride of ownership as well as livability; architecturally engineered for today's demanding needs in energy efficiency, and exuding the look of tomorrow in its carefree contemporary facade, then stop just thinking and talking about it, let us show you a home destined to be one of the Pointes most admired by those who "march to a different drummer!"

YOU'RE GONNA LOVE IT . . . IF YOU GET A CHANCE TO SEE IT . . . IT'S THAT SHARP! We speak of a sophisticated three bedroom, 2½ bath center entrance Colonial in the Farms, which just happens to be beautifully decorated, and in move in condition. Even a light snow can't hide the beauty of the "court-yard" landscaping. It could be yours early in 1979, for less than \$80,000 . . . unless . . .

\$109,500 — IF YOU CAN FIND A BETTER CUSTOM BUILT RANCH IN A PREMIUM LOCATION FOR THE MONEY, BUY IT! We don't think you can, and we'd like to show you the many quality features that support our feeling that 1559 S. Renaud is a sleeper . . . a fine home that's the best ranch now available at the price anywhere in Grosse Pointe. The kitchen is beautifully modern and could feed a regiment. The spacious family room overlooks a handsome new yard that's both private and spacious. The best of quality extras is endless . . . first floor laundry room, attached 2½ car garage, 2½ full baths, fast occupancy. Shouldn't you schedule your private showing now?

AT \$135,900, IT COULD BE THE LAST TIME you'll see this incredibly good deal in print. We speak of a home so special only by seeing for yourself will you understand why we're so excited. Three fireplaces afford all the cheer you could desire, in the 24' family room, the big living room, and in the extra nice finished basement. The kitchen is totally new within the last year, and the carpeting is excellent. Remember, this is the time of year when it's possible to make the best deal of the year . . . and this fantastic opportunity proves it!

\$39,900 . . . 5 bedrooms, 3 full baths in Grosse Pointe? Yes, and it's in excellent condition. Call now.

ATTENTION MERCHANTS AND BUSINESSMEN LOOKING FOR A COMMERCIAL BUILDING IN THE "POINTE" on a major street in Grosse Pointe we have an excellent opportunity for anyone who understands "tax shelters"! All brick exterior, one story with approximately 800 square feet (20x40) and it's presently very well decorated. If you could purchase this investment for \$30,000 with \$5,000 down on a land contract, isn't it important enough to stop whatever you're doing, and let us show you through immediately!

OPEN SUNDAY 2 UNTIL 5

WE KNOW YOU'LL LIKE THE LOOKS of this one from the street. Now step inside and see how this little, big house "opens" up. There is a formal living room with fireplace across the front of the house. Beyond the separate dining room is a glass and enclosed porch. A well proportioned family room with bar, full bath and guest bedroom complete the first floor. On the second floor is a large family bedroom and another smaller bedroom. See this fine house with Jim Krieger on Sunday afternoon between 2 and 5. The address is 272 WILLIAMS, between Kerby and Touraine roads in the Farms. The price has been adjusted.

JUST OFF JEFFERSON — ON WASHINGTON ROAD is this brand new, southern colonial with four bedrooms on the second floor. To complement the living and dining rooms is a den plus step-down family room with fireplace and a cathedral ceiling.

BY APPOINTMENT PLEASE

COME ON IN, the view is breathtaking. Because almost every room offers a sweeping vista of the lake with its ever changing scene. Notice that almost every room has a fireplace, and the crown moldings, dado, door panels, hardware and floor finishings are perfection in design and maintenance. The kitchen is a masterpiece with all the conveniences, and a cozy fireplace make this kitchen feel like an informal living room. We could run on about the new bathrooms, the heated swimming pool and the new heating system, and the separate carriage house.

COMMERCIAL PROPERTY on Kercheval in the Pointe. One story 30x40 building has plenty of rear parking plus new gas furnace. Call Mr. Krieger 886-6010.

RENAUD ROAD IN THE SHORES and only a few doors from the lake. The center entrance plan features a spiral staircase rising out of the marble floor foyer. To the right of the foyer is a library with fireplace. A family room to end all family rooms sprawls across the back of the house. This step-down room boasts a magnificent fireplace wall, an entertainment center with the best in sound equipment and apparatus to project movies and slides. Complementing this family room is a bar room complete with barbeque built-in.

THREE BEDROOM COLONIAL with a first floor lavatory and a large, paneled room makes its brief appearance on the market. We say brief because at the price of \$28,500 it won't last long.
