## HEADLINES of the WEEK

As Compiled by The  
Grosse Pointe News

**Thursday, September 27**  
**DETROIT SCHOOL TEACHERS** returned to their classrooms after tentatively agreeing to a contract that gives them a guaranteed nine percent wage increase. But unlike the original contract spelled out between the teachers' union and the Board of Education, teachers will have the option of a wage opener at the end of the second year. Union president Mary Ellen Riordan said students will have to make up lost time by attending school during the spring recess and at the end of the school year.

**Friday, September 28**  
**"A PILGRIMAGE OF peace and reconciliation"** is how Pope John Paul II is describing his upcoming Irish-U.S. tour, which will be the third international voyage for the Pontiff. The 59-year-old Pope plans on touring the Irish Republic where the Irish Republican Army has been fighting a bloody 10-year war to end British rule in Northern Ireland.

**Saturday, September 29**  
**GEORGE MEANY, LONG-TIME** president of the AFL-CIO, is expected to resign from that post sometime next month. Secretary-treasurer of the federation, Lane Kirdland announced that Mr. Meany will step down, and it is expected that Mr. Kirdland will replace him in about six weeks at the national AFL-CIO convention in Washington, D.C. The 85-year-old Mr. Meany has been top spokesman for the federation for almost 25 years, helping to merge the AFL and CIO in 1955.

**Sunday, September 30**  
**LET NOBODY EVER** call murder by any other name than murder." That's the statement Pope John Paul II made before a mass crowd of a million Irishmen, who greeted the Pontiff with cheers and dance jigs. The visit to the Irish Republic was a first for a Pope. The Pontiff called for an end to the bloody war in Northern Ireland and urged another crowd of 250,000 who gathered 30 miles outside Northern Ireland "to turn away from the paths of violence and to return to the ways of peace." The Pope said he would not consider excommunicating members of the Irish Republican Army who have been responsible for terrorizing the British isles.

**Monday, October 1**  
**GENERAL MOTORS CORPORATION'S** rank and file ratified a new three-year contract by a "conclusive majority," according to UAW officials. The contract carries a three percent plus 24 cents an hour accumulated cost-of-living for the first year, and becomes retroactive to September 17. A statement made by UAW president Douglas Fraser and vice-president Irving Bluestone indicated that about 72 percent of the workers who voted were in favor of the ratification. Negotiators for both sides reached an agreement hours before the old settlement expired.

**Tuesday, October 2**  
**PRESIDENT JIMMY** Carter told the American people in a televised speech that combat troops in Cuba pose no real threat to the U.S. and that "the brigade is no reason for a return to the Cold War." The President said, however, that surveillance will be increased in the Caribbean with headquarters in Key West, Fla., to "improve military alertness." Mr. Carter appeared to be changing his position on the situation in Cuba as a few weeks ago he maintained that he would not accept the "status quo" in Cuba.

## 'Cider Fest' Has Added Attraction

Yes, those were horses you might have seen on McMillan field on Thursday, September 27. They were there to help celebrate the Richard School "Cider Fest," a fund raiser for the PTO activities. The horses came from Chartier Stables in Marine City. Pictured with Thunder are LILLIAN CHARTIER and her great-grandson JOE CHARTIER, 2, who may need a couple of years to reach the stirrups.

## Sharing Is Big Theme Of Project

**'Celebrating Families' Program Accelerates with Gatherings Planned in 10 Local Churches**

**By Susan McDonald**  
What kind of family do you have?  
Are your children all grown and gone, or are you still toying with the notion of having a family of your own?  
Are you harried by a house full of teens, or just doing your best to keep home and marriage together while you and your spouse pursue separate careers?  
Whatever your family situation may be, rest assured there are people in the community who share it — along with its joys and problems.  
Getting Together  
And getting those people together, encouraging them to talk about their experiences, is what a Family Night is all about.  
The "nights" are a chance to meet in small groups to discuss topics relating to specific family styles and situations — Teenagers in the Family, Enjoying and Caring for Aged Parents, When the Children are Gone, Being Retired and so on.  
They are scheduled throughout this month, beginning Sunday, October 7, in 10 local churches, which are participating in the Pointe-wide "Celebrating Families" project, spearheaded by the Grosse Pointe Ministerial Association.  
The program begins Sunday. (Continued on Page 8)

## Incinerator Receives Operating Extension Until Mid-December

**Macomb County Circuit Judge Gives Authority Additional Breathing Room as Brief Process Set to Commence**

**By David Kramer**  
Grosse Pointes-Clinton Refuse Disposal Authority's incinerator was once again allowed to breathe a little longer when a Macomb County circuit judge granted yet another operating extension to the facility, which is violating pollution standards.  
Issued by Judge Kenneth Sanborn, the extension will allow the incinerator operation of the incinerator until at least mid-December, but more likely until after the first of the year, according to authority attorney Hunter Wendt.  
This is the third such extension for the facility since July 1, when new federal and state emissions standards went into effect. The Michigan Air Pollution Control Commission has twice ordered the facility's shutdown.  
**On Delaying Steps**  
Judge Sanborn's extension, granted on Monday, October 1, averted the commission's latest order, issued two weeks ago, that was to take effect that day.  
The extension allows until December 20 for the state and the authority to file briefs setting forth their arguments. The judge will review the briefs and records of past court actions, and then make a decision and issue a report.  
The incinerator, located in Clinton Township, has been refused state extensions of emissions compliance deadlines imposed by the Federal Clean Air Act. The state claims the authority has

## Ambulance Service to Be Viewed

**Woods Public Safety Director Expresses Concern over Time Element in Relation to State-Mandated Requirements**

**By Roger A. Waha**  
The status of emergency ambulance service in The Woods in relation to state-mandated requirements and an apparent slim chance at obtaining a further extension from such requirements has caused great concern on the part of Public Safety Director John Dankel.  
Time is a key factor in relation to possibly implementing a proposed EMS, (Emergency Medical Service), division within the department, with the director recommending the hiring of four EMTs, (Emergency Medical Technicians), who would work 24-hour shifts. There would be a minimum of one EMT on duty at all times.  
The city is operating its service under a provisional license from the state, with the document expiring on December 31. It cannot be renewed unless the city can provide a licensed EMT in the patient compartment whenever a patient is transported.  
"Genuinely Worried"  
Director Dankel cited the urgency of the situation in a Monday, September 24, memo which was considered by the council at its regular meeting Monday, October 1.  
Concerned over the lack of progress since a Committee of the Whole meeting on August 14, with a subsequent report on the proposed EMS division being completed on August 28, the director said he has explored the possibility of an additional extension, (for six months), while harboring no hope that such an extension will be received under acceptable circumstances.  
He said that a sufficient amount of lead time "will be absolutely necessary in order to implement the new program." For example, if the council elects the option that I have recommended, we will actually have to do some construction work at the south end of the scout car garage, (regarding housing for the men).  
There also will be an application, interview and selection process.  
"All of these things will take time I sincerely hope (Continued on Page 4)

## GPW Explores Northwest Area Traffic Flow

**Council Recesses Monday, October 1, Meeting to Consider Proposal Preventing Through Traffic on Residential Streets in Lieu of Barricade Experiment, Which Is Called Failure; Solons View Issue Again on Tuesday, October 2**

**By Roger A. Waha**  
The temporary barricade experiment in the northwest area of The Woods has been called a failure by Public Safety Director John Dankel and, as a result, the council, which discussed this subject on Monday, October 1, voted to explore it further on Tuesday, October 2, (after press time), by recessing the Monday meeting.  
Director Dankel had completed a report on the experiment prior to the meeting and it was originally scheduled to be considered by the solons on Monday, October 15.  
However, several residents attended the Monday session to express great concern over the entire problem and this resulted in the exploration of the director's report at that time.  
**Peak Hours Eyed**  
As it turned out, Mayor Benjamin W. Pinkos, who said he would be against the removal of the four barricades unless there would be a plan to alleviate the expected return of a high volume of traffic along Brys drive, suggested a potential signing plan, with the objective of diverting traffic to Vernier road.  
Director Dankel said he would need some time to chart the proposal but would be able to have such information for the council within 24 hours. With that, the solons decided to recess the meeting, which is permissible under the "Open Meetings Law" for up to 36 hours without public notice, until Tuesday evening.  
The goal of the proposal is to prevent through traffic on any of the previously affected streets, e.g., Brys, Roslyn, Hampton, Ridgemont, Hollywood, et al., with the traffic being directed toward Vernier.  
Director Dankel said the idea would be to turn Helen avenue into a "blocking point" via signs, with an emphasis upon peak hour restrictions.  
In the morning, if a motorist is going westbound toward Harper and reaches Helen, he will have to turn left and (Continued on Page 6)

## Meetings Set to View Proposal

**Under Sen. Kelly's Legislation, Woods, Farms, Shores in One Jurisdiction, City, Park in Another**

**By Susan McDonald**  
State Sen. John Kelly's proposal to replace Grosse Pointe's five municipal courts with two full-time district courts early next year will be discussed at two public forums this month in The Woods and The Park.  
Local judges, a representative from the Supreme Court Administrator's office and city officials have been invited to speak at the meetings on Saturday, October 20, at Pierce Middle School, 15430 Kercheval avenue, and on Saturday, October 27, at South High, 11 Grosse Pointe boulevard. Both begin at 1 p.m.  
Sen. Kelly has drafted legislation to implement the district courts and he is confident the bill will be approved during the current session of the legislature.  
**Serve Until 1983**  
"I have commitments from both the Senate and House leadership to pass the bill expeditiously," the senator said.  
Locally, his proposal is meeting with mixed reactions and many questions from city officials. As in the past, their concerns now center around the costs and local control of a district court operation.  
Sen. Kelly's bill calls for two district courts in The Pointe, 32 B covering The Woods, Farms and Shores and 32 C covering The City and Park.  
Each district will initially have two judges—a provision that allows the four current Grosse Pointe municipal judges to be "grandfathered" into the district court system.  
Under the draft, all four incumbent municipal judges will become district judges effective January 1, 1980. They will serve until 1983, when recommendations by a task force including city officials will be presented to Supreme Court administrators.  
District courts have considerably wider jurisdiction than Grosse Pointe's municipal courts now have, especially (Continued on Page 2)

## Board Hits Mediation Eve Flyer

**Teacher Union Document Viewing Superintendent Coats Called 'Piece of Trash'**

**By Susan McDonald**  
The contract stalemate between Grosse Pointe teachers and the Board of Education toughened this week after a four-hour meeting Tuesday, October 2, with a state mediator failed to produce a settlement.  
No further meetings were scheduled between Board and Union negotiators.  
Angry debate between the two groups broke out on the eve of mediation sessions, when two Board members attacked a union flyer that was distributed in The Pointe last weekend.  
The flyer was printed on a sheet of looseleaf paper with the heading Math Homework, billy — referring to Grosse Pointe Superintendent Dr. William Coats.  
The union claims Dr. Coats' statements about mediation do not "add up."  
"We were questioning their attitude toward mediation," local union president Curt Lange said about the flyer. "It was not meant as a personal attack on Bill Coats."  
**Unsettled Issues**  
Trustee William Fleming called the flyer silly, ridiculous and, finally, "a piece of trash," at the Board's conference meeting Monday.  
Trustee Jon Gandelot joined in, saying the flyer "is appalling."  
Up until recently, negotiations between the Board and the teachers' union have been progressing quietly — if not successfully.  
The two teams last met at the bargaining table on Saturday, September 15. The union walked away from that session with only three unsettled issues left on the table — money, the length of the work year and layoff procedures.

## Diver Has High Hopes for Club

**By Bridget Janson**  
The thought of falling through mid-air might terrify some, but if Bob Orban, a senior at South High School, has his way, there might be a club for sky-diving.  
When he announced his idea he only expected a few interested students.  
"But after my PA announcement," he said, "tons of people came up to me, interested in joining. Burl Von Allmen, (a social studies teacher), seems willing to be a sponsor."  
Of course nothing is definite yet. William Mogk, principal, said, "This club would be a little out of the ordinary." Mr. Mogk said he has no idea if the administration has liability insurance to cover any injured students. He must check this out with the Board attorney.  
Moreover, Mr. Mogk doesn't know if there are enough funds to pay a sponsor, such as Mr. Von Allmen.  
However, Bob said, "Even if the school will not sponsor the club, I'm going to get a bunch of people together and form a sky-diving club out of school. There seems to be enough people interested in this sort of activity."  
Mr. Mogk said that there will be a decision in a few weeks as to whether or not there will be a sky-diving club.  
For now the whole idea is up in the air.

Robert G. Edgar is the new publisher of the "Grosse Pointe News."  
He succeeds his father, the late Robert B. Edgar, who founded the newspaper in 1940 and was its editor and publisher at the time of his death on August 1, in this capacity.

## New Businesses Add Life To Park's Kercheval Strip

**By Joanne N. Gouleche**  
A year or so ago, seven new businesses opened up along Kercheval avenue in The Park. And although City Manager John Crawford thinks "it's too soon to tell the effect of it all," the businesses have certainly added life to the randomly commercial strip.  
The new businesses that lined Kercheval from Wayburn road to Beaconsfield avenue include the following:  
● Business Machine Sales and Service Office.  
● LaPatische Retail Shop.  
● Pointe Clocks Retail Shop.  
● Specialty Motor Cars.  
● Manuscript Offices.  
● A planned restaurant lounge, renovating the Old Coach Stop lounge.  
In keeping with plans to add a new look to Kercheval, three businesses have already completed renovation to their buildings — Joseph's Car Care Center, Art's Party Store and Bernie Falk Health Studio.  
The Park Council approved the Kercheval project nine months ago. For the most part, businessmen in Kercheval approved of the project (Continued on Page 2)

## Special Tavern Licenses Supported by GP Woods

**By Roger A. Waha**  
Support for Senate Bill 370 on the authorization of special tavern licenses to be issued by the Liquor Control Commission to commercial establishments without regard to population quantities, was given by the Woods Council at a recent regular meeting via a resolution.  
The state senate has amended and passed the revised bill which is now in house committee.  
As amended, the bill provides that such tavern licenses, (cying beer and wine), would be non-transferable and could be authorized only by establishments having at least 75 percent of their sales derived from the sale of foods or goods other than alcoholic beverages.  
The council feels that the passage of the bill or similar legislation would be in the best interests of the economic conditions in the state. But, in the resolution, the solons stipulated that the issuance of special tavern licenses would be subject to local governmental approval.  
Copies of the resolution were sent to 21 senators including Sen. John Hertel and Reps. William Bryant and Casmer Ogonowski, head of the committee on liquor control in the house.  
Woods Councilman Dan Grady, who has played a role in the development of the legislation, felt it would be helpful in the city. It seems (Continued on Page 2)

## Woods Views Salt Purchase

The Woods Council at a recent regular meeting unanimously authorized the purchase of salt not exceeding the price of \$17.80 per ton delivered, while giving City Administrator Chester E. Petersen the option of investigating the possibility of purchasing salt from the state at a reported cost of \$16.29 per ton.  
Two quotes were received, with City Comptroller-Assessor Frederick G. Hornfisher recommending that a purchase order be issued to both International Salt Company, (\$17.80 per ton delivered), and Morton Salt Company, (\$17.81 per ton delivered), inasmuch as the difference was one cent per ton.  
He felt by going this route the city will be assured of delivery.  
Mr. Petersen told the council the cost per ton via the state was cheaper but some cities who came under the agreement with the state last year weren't able to get salt. Nonetheless, he felt it was worthwhile to check it out.  
As a result, the solons gave him such an option in the motion.

### District Courts

(Continued from Page 1) ally over civil matters. They are courts of record, while municipal courts are not.

"Small Minority" Most local officials agree with Sen. Kelly that the formation of district courts in The Pointe is inevitable. Since 1963, district courts have been formed in communities throughout the state and Grosse Pointe's municipal courts are among the last in Michigan.

Sen. Kelly said he began drafting the bill last month because of discussion in Lansing about including Grosse Pointe in a new court system in Detroit.

"My objective with this bill is to remove Grosse Pointe from dialogue that is going on right now about the reorganization of courts in Detroit," Sen. Kelly said.

"It's my feeling that it would be against the people of Grosse Pointe's best interest to become involved in a court reorganization in Detroit.

"We'd be a very small minority in a very large court system and I think a great deal of control over our courts may be lost," the senator said.

Full-Time Seat Local officials worry about control, but they worry about money, too, and insist that a district operation will be expensive to fund.

Municipal courts in most of the Pointe convene only a few times each month and judges' salaries vary between \$3,000 and \$6,000 a year.

A district judge, however, is a full-time position. The

state pays a salary of \$29,950 and the community may supplement that.

City Mayor David Robb, an attorney, was one of the few local officials to read a copy of Sen. Kelly's draft early this week.

He expressed concerns about the cost of hiring full-time clerks and court recorders, a possible loss of city control over the court and the political infighting that may occur when Grosse Pointe's judges begin to vie against each other for district court seats in 1983.

Views The Cost "It seems to me that in a city our size, where we have a half a day of court twice a month, we'll face some tremendous administrative costs if we switch over to a full time court operation," Mr. Robb commented.

"Right now, I have a lot of questions about the proposal. I'd like to see some kind of method for working all this (financing) out. "Ultimately, I know, there will have to be district courts—but at what cost?"

### Licenses

(Continued from Page 1) to me it would be ideally suited in serving the two specialty restaurants on Mack, (in viewing Le Cafe Francais and Da Edoardo), while avoiding concerns of citizens in turning Mack into an unsightly place, he said.

Mr. Grady felt if the bill was passed by the house and given immediate effect, "it would give us one additional tool to use regarding Mack avenue."

Councilman John Sabol was the lone dissenter in the 5-1 motion to approve the resolution. He felt passage of the legislation might not be in the best interest of the city, while eyeing the need for local control.

In response, Mr. Grady said such a license wouldn't have the disadvantages of similar documents, e.g., it would be non-transferable, while giving officials a "valuable option" to consider.

Mayor Benjamin W. Pinkos was excused from the meeting.

### Seminar Eyes Aching Back

The Patient Education Center of Saint John Hospital, 22101 Moross road, Detroit, is presenting an evening seminar for the general public on "Understanding Back Pain" Tuesday, October 16, in its lower level conference room from 7 to 10 p.m.

Speakers will include an orthopedic physician, a physical therapist and a patient educator. There also will be a question and answer period and films will be shown and literature distributed.

Refreshments are included in the \$3 admission charge. Reservations are necessary and may be made by calling Saint John Hospital's Patient Education Center at 343-3870.

The faculty to remember is a great thing, but the statesman who is able to think ahead is worth a great many times more.

### Add Life

(Continued from Page 1) that will turn the area into a service center of interior decorators, doctors, printing shops and other service-oriented businesses.

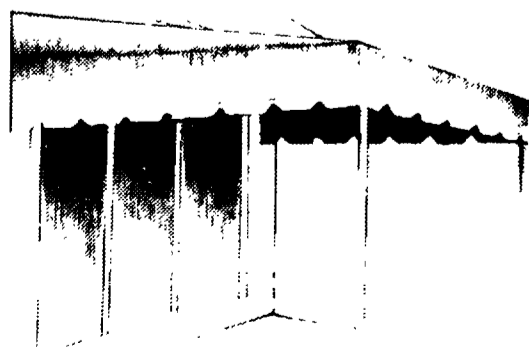

Designed by John Stevens and Associates, the project will be funded through the Community Development Block Grant program.

"I am very enthusiastic about the new businesses, but it's too soon to tell the effect of it all. We are only scratching the surface of the project," Mr. Crawford said.

### War Memorial Elects Officers, Board Members

At its recent 31st annual association dinner meeting and special board meeting, five new Grosse Pointe War Memorial Association board members were elected to take the place of James T. Farley, retiring vice-president, Mrs. John H. Stephenson, retiring assistant secretary, and retiring board members the Rev. George E. Andrews II and Mrs. Albert C. Dickson Jr. and Vernon Glendening, who resigned.

The new board members are Mrs. Jon B. Gandelot, Charles V. Hicks Jr., Frederick Ollison III, Mrs. Alger Sheldon and John Philip Worcester.

Those elected officers for 1979-80 include John M. Rickel, president; George J. Reindel III, first vice-president; Mrs. Warren S. Wilkinson, second vice-president; Roger H. Fitch, treasurer; and Mrs. Bruce K. Bockstanz, secretary.

During the business session, Mr. Reindel, treasurer, noted an excess of revenue over expense of \$33,651 which has been designated to be used toward the \$91,000 renovation and improvement of the Fries Auditorium stage.

Mr. Rickel, reporting on the 1979 Family Participation Campaign, noted, while exceeding its goal, the drive did so only by donors increasing the amounts of their gifts to make up for a loss of contributors over the previous years.

Meanwhile, special events such as the benefit at the Ford House and the benefit bridge luncheon staged by the Pointer Girls under the chairmanship of Mrs. William Kabbush and Mrs. Ralph Urso also helped.

Mr. Rickel told members that the Center's cable TV project, if approved, would assist a great deal in financing five to 10 years hence. Paul Moreland, reporting on Investments noted an average increase of 20 percent in income from investments over the past fiscal year—a superb record in the face of recession, officials say.

Mr. Nicholson in his president's report reviewed the events and activities of the past year staged and sponsored or housed by the Center among which were programs of the Senior Men's Club, the Garden Center, the Children's Theater, the Cinema League, the Ski Club and educational tours.

He noted patronage by over a quarter million people in nearly 2,500 community meetings with more than seven events taking place each day.

Outstanding programs, officials say, were the exhibit of the Tannahill Art Collection which opened the Memorial's New Art Wing, the Memorial Day Service with concert by the Marine Band, the Summer Music Festival featuring international stars of the music world and the series of theatrical productions by Grosse Pointe Theater.

Grosse Pointe Theater also was thanked for contributing one half the monies being used to refurbish and improve the Fries center.

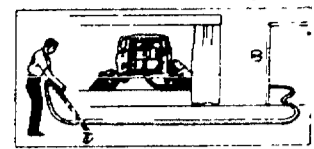

The Garden Center was commended for maintaining

the beauty of the Trial Gardens and the Woman's Auxiliary for restoring and rejuvenating Aiger House, caring for the plants throughout the buildings and assisting at Center functions.

Mr. Nicholson also thanked all the contributors to the Center, the many committees, the board and the staff for their excellent participation and efforts over the past year.

Following dinner members were entertained by the Senior Men's Club Chorus managed by George M. Aldridge, directed by Alfred R. Decker and accompanied by Warren C. Dilloway.

### CDBG Letter Read in Park

Park Mayor Matthew C. Patterson read into the council minutes of Monday, September 24, a letter he received from Councilman Lorenzo D. Browning, of Grosse Pointe City, who also is a vice chairman of the Wayne County Community Development Block Grant Advisory Council.

Mr. Browning stated, in explaining the Community Development Block Grant, (CDBG), program in The Park and in The City, "that the county has been honest and straightforward with us and has not placed undue burdens or requirements on us."

He further noted "that there is not a 'hidden' or

#### NO SALE

There are a few things money won't buy, and very few people seem to want them.

'subversive' strategy between any of the communities, the county or HUD."

Mr. Browning said the objective of the CDBG program is to return federal tax dollars back to the communities, and he questioned how would the cities finance community improvements without CDBG monies.

"The only way would be additional tax increases," Mr. Browning said.

Since 1975, The Park has received \$626,272 in CDBG funds. Those funds have been the source of controversy with Proud of The Park, (POP), which believes that The Park would have to comply with certain conditions or terms when accepting CDBG monies.

The city has repeatedly denied that there are any such strings or conditions attached to CDBG programs in The Park.

**Ambulance Service**

(Continued from Page 1) that this most important decision will not be put off until after the municipal elections because I have real doubt that we will be able to then react fast enough in order to meet the 1-1-80 deadline," stated Director Dankel.

He added he was "genuinely worried that we will arrive at January 1 with no workable system in place."

On the 1st, the council authorized City Administrator Chester E. Petersen to schedule a Committee of the Whole meeting to explore this matter sometime within a week to 10 days.

On the EMT division proposal, Director Dankel pointed out that in response to a call for ambulance service, the EMT would drive the vehicle to the scene where he would be met by at least two officers who would complete the crew. One officer would drive the ambulance to the hospital, while the EMT would be responsible for patient care.

**Funding Sources**  
 For a 56-hour week, the proposed beginning hourly rate for EMTs would be \$4.20 per hour. "This implies 40 hours of straight time and 16 hours of overtime each week, or \$269 per week. The beginning annual salary would then be \$13,988 per year," he said. After two years, the EMT would make \$15,288 per year.

The director also noted the department can gain the net effect of hiring five officers, who would be committed to street patrolling, with the proposal.

To offset the expense of running the service, Director Dankel suggested two possible funding sources. He proposed that the city sell ambulance service to The Shores, (Joseph Vitale, public safety director, has already indicated some interest in this), or possibly charge users of the service an appropriate fee. The latter, he felt, should be more thoroughly explored.

**Place Burden**  
 He also pointed out it was important to remember that the number of officers committed to standby would be reduced by one with the vacancy being filled by the EMT. "We will therefore have no net increase in

stand-by men to handle the same duties that are currently being covered by the (officers)."

At this time, the department has five officers who have EMT training and it was hoped they would become certified this fall. However, the director stated, they won't be tested until after the first of the year, (after the extension has expired).

Meanwhile, four officers are in the midst of a 16-week EMT course at Macomb County Community College.

Director Dankel said an official at the Southeastern Michigan EMS Council indicated an additional extension might be supported if the city met one condition—that the city always agreed to have a trained if unlicensed EMT attending a patient.

This would place a burden on the nine men for the six-month extension, (if it was granted), he said, while noting the Grosse Pointe Woods Police Officers Association would be against this. Association members feel that performing the EMT work function is entirely another profession and would be a negotiable issue.

**Park Accepts Dump Bar Bid**

A bid of \$7,437 to demolish the Dump Bar was accepted by the Park Council at its Monday, September 24, meeting.

Stanson Wrecking Co. of Van Buren submitted the bid. After demolition, the former bar at 15021 Kercheval avenue will be resurfaced to provide off-street parking for 22 cars.

The city purchased the bar in July for \$32,000. At that time, City Manager John R. Crawford told the council that such a purchase "would be in keeping with the overall redevelopment of Kercheval avenue."  
 The bar has been vacant for the past four years.

**Suspect Youth In Snatchings**

A Detroit youth who may be involved in recent purse snatchings in The Park is suspected of victimizing a Park woman as she was entering her home on Sunday, September 23.

The Wayburn road woman said she was entering her house through a rear door when a young black male walked up behind her and pulled her purse way from her. The thief escaped with about \$30.

He was described as between 16 and 25 years of age, about 5'6" tall and of a thin build.

## Woods Hears Concerns Of Morningside Citizens

A recent public hearing on the proposed reclassification of Morningside drive from a local street to a major street, requiring the prohibition of parking on both sides, from Hampton to North Rosedale drew protests from around 40 area citizens, while bringing to light some concerns over traffic flow.

As a result, the Woods Council unanimously denied the reclassification bid, while requesting that the Public Safety Department investigate resident claims of speeding vehicles along the thoroughfare, which has a 25 mph limit.

City Administrator Chester E. Petersen proposed that Morningside be reclassified in order to accommodate an increased volume of traffic and to minimize any traffic safety problems. At the same time, the city would receive

over \$3,000 from the state via the gasoline tax rebate for the drive's maintenance and improvement.

However, the idea of removing parking on both sides of the street irked the citizens, who felt that parking on one side helped slow the speed of some vehicles, while providing convenience for the residents. With parking totally removed, some citizens felt the speeds of vehicles could even increase.

In viewing safety considerations, Public Safety Director John Dankel felt, with parking totally removed, the danger of youngsters, for instance, getting struck by cars would be reduced from the standpoint of a motorist's vision not being obscured by parked vehicles.

Based upon the council's request, the department conducted traffic counts on Morningside both north and south of Vernier road, while utilizing a radar car on four weekdays last month on Morningside north of Vernier. The department also compared accident data for the first nine months of the year on Morningside and Marter.

In his report, dated Tuesday, September 25, Director Dankel cited the department's "considerable study effort" to determine whether or not citizen allegations on speeding and a higher-than-normal accident rate could be supported by empirical evidence.

He summarized his findings by saying, "The observed speeds on Morningside tend to be within the expected limits. In fact, the fastest car measured during our survey was only going 40 mph."

"The traffic volume is not above the levels that would be expected for such a street and is in line with previous counts. The accident history does not appear to be beyond expectation."

"In my opinion, Morningside drive is not suffering from any undue traffic problems related to speed, volume or accident history. I would recommend, therefore, that no changes be made in the traffic control system for that street."

On traffic counts, north of Vernier the 24-hour average was 3,657 cars per day, while south of Vernier the 24-hour average was 4,172. Saying the volumes are high when compared to some other residential streets, he noted they are not unexpected for a through street such as Morningside that serves as a major collector for Vernier road.

Meanwhile, based on the four-day radar survey, the average 85-percentile speed was 29.5 mph. The 85-percentile speed that was calculated means that 15 percent of the cars were traveling faster than 29.5 mph and 85 percent were going slower. The 85-percentile is the speed measurement traffic engineers use in establishing speed limits, he said.

On accidents, during the first nine months, four accidents were reported along the entire length of Morningside, and six accidents on Marter. "Given that fact that Morningside is more than twice as long as Marter, it does not appear that the accident history exceeds that which might be expected," noted Director Dankel.

## Ballot Question Opinion Sought

A proposed advisory question revolving around several benefits of cable television was viewed by the Woods Council at a recent regular meeting.

City Administrator Chester E. Petersen had earlier reported that his office has made a cursory review of additional municipal uses of the cable system and felt many services could be provided to local residents.

These included burglar alarm, fire alarm, emergency ambulance, meter readings of utilities and surveillance of senior citizens' health.

Mayor Benjamin W. Pinkos indicated that the Grosse Pointe War Memorial Association as part of its cable television proposal was exploring these as possible services.

However, Mr. Petersen, as part of his proposed advisory ballot question, also focused upon municipal home owners' insurance service.

On this, the council had some reservations and authorized City Attorney George Catlin to prepare a written opinion eying the feasibility of submitting to the electorate an advisory question on municipal home owners' insurance, with a report back to the council.

It was pointed out that the meeting by Mr. Catlin it could be an embarrassing situation if the voters "tell us to do it and I tell you we can't." As a result, the council felt it wise to have a legal opinion on the matter.

Your success contributes to the success of other people.

## Blood Drive Set at South

A blood drive will be held at South High School, 11 Grosse Pointe boulevard, in the girl's gym on Monday, October 29, from 8 a.m. to 2 p.m. It will be sponsored by the National Honor Society.

Because of the number of students who turn 17 over the winter, there is a bigger turnout expected for the spring.

Because donors must be 17 or older, Vorita McClure, a counselor at South and sponsor of the National Honor Society, expects only 115-120 people to show up. Parents are invited to donate, if they wish.

The drive will be run by volunteers from the honor society and also by Red Cross personnel.

STEVENS SPEAKS

Pointer John Stevens, AIA, the Masonry Council. Mr. Stevens made a presentation on the economic and aesthetic decisions he has experienced in building renovation and adaptive reuse of the existing structures.

Northwest Area Traffic Flow Viewed

(Continued from Page 1) go south all the way to Vernier. In the afternoon, if the motorist is going eastbound toward Mack and reaches Helen, he will have to turn right and go south all the way to Vernier.

Traffic Jumps

As proposed, signs will be posted on every corner of every intersection at Helen indicating the motorist must turn left or right during certain peak hours of the morning or afternoon only. If this proposal is approved, all barricades, with the possibility of the one on Brys, could come down.

The last contemplated barricade was installed in Ridgemont road on the west side of Helen avenue with appropriate signage on Thursday, September 27, and, already, indications are that traffic has jumped considerably along Hollywood avenue.

The domino effect of increasing volumes of traffic on the street next to the barricaded thoroughfare, expected by many officials, turned out to be a reality.

To date, the director said, traffic count figures haven't been encouraging. Pre-barricade and post-barricade figures show the following:

Brys drive, pre-barricade, 2,406, post-barricade, 312; Roslyn road, pre-barricade, 655, post-barricade, 1,706; Hampton road, pre-barricade,

695, post-barricade, 1,799; Ridgemont road, pre-barricade, 606, post-barricade, 1,838; and Hollywood avenue, no pre-barricade count, post-barricade, 2,382.

"Greatest Good"

Director Dankel felt if the Hollywood traffic went up after the Ridgemont barricade was erected, the program would be a failure, with the original hypothesis being, as the barricades were installed, traffic would be "bumped" further down, ultimately dispersing.

But the figures failed to support the hypothesis and Director Dankel, (and the council), expressed concern over inconveniencing six blocks of residents in the city, (two blocks each in Roslyn, Hampton and Ridgemont roads), plus nearby residents in St. Clair Shores and Harper Woods.

In this respect, he points to "the greatest good for the most people."

Director Dankel added the various barricades had to be placed at Helen avenue, within Woods boundaries, because Harper Woods officials wouldn't permit them to be erected, along with necessary warning signage, in their community.

Meanwhile, the council also considered a traffic survey proposal of the northwest area, with the monies coming from Community Development Block Grant funds for 1979, with \$3,800 being originally allocated.

The council accepted the quote of Goodell-Grivas, Inc., in the amount of \$1,500, with the anticipated completion time being around two months, it was said.

Authorize Suit

An analysis of through traffic in the target area will be viewed. It will determine the source of the high traffic volume on residential streets and it will propose solutions which will reduce traffic volumes on residential streets to an acceptable level.

It will analyze the effect of the Mack and Harper avenue commercial strips on the target area.

As planned, the survey also will consider the feasibility of providing additional off-street parking for the commercial streets, while considering the feasibility of permanently closing Brys drive and other streets in the area.

An ongoing concern as the barricade experiment continued was the effect on both St. Clair Shores and Harper Woods, with the former city, in particular, receiving an increased traffic flow within the immediate area resulting in an outcry from citizens seeking relief.

Stemming from this situation, the St. Clair Shores Council on Monday, September 24, authorized City Attorney John Yoe to institute legal action against The Woods regarding the alleged shifting of the traffic burden into the community as a result of the barricades.

St. Clair Shores officials want to discover if it's legal for a community to block streets in relation to the shifting of the traffic burden into another community.

"Proper Form"

"We want to test the validity and authority of any municipality to close public streets, regarding relieving residents on their particular streets but casting traffic

somewhere else," said Mr. Yoe, who indicated last week he planned to institute action in Wayne County Circuit Court "in a few days."

Saying he didn't expect an immediate determination, Mr. Yoe also pointed out that there isn't a very accurate way of determining how much traffic is diverted unless "we try it for awhile with the blockades down."

St. Clair Shores Assistant City Manager Bob Helmer said, "With all the meetings there appears to be no way to resolve the problem between the three communities. The council felt there was no option but to go to court for an injunction to have the barricades removed."

In commenting upon this action, Woods City Attorney George Catlin said, "That's the proper form in which to test it."

At the same time, officials of all three communities have met previously in the hope of seeking solutions to the complex problem.

Meeting Held

The St. Clair Shores Council, for instance, on August 30 approved a proposal which focused upon current studies via state and Macomb County traffic officials of the Baseline exit ramp from I-94 and the intersection of Harper and Old Eight Mile road.

Woods City Administrator Chester E. Petersen, in reviewing a meeting last week of the three communities' city managers, said the studies have been completed, with the exception of obtaining traffic counts via Macomb County for St. Clair Shores of some streets in that community.

Mr. Petersen said that the state report on turning movements in the Old Eight Mile-Harper exit area offered no recommendation for a "no left turn" sign off of the Old Eight Mile ramp. He did as the installation of a three-way traffic signal at the Old Eight Mile ramp was recommended.

But it could be several years before any major changes are made.

Part of the proposal, which was approved contingent upon the removal of the existing barricades in The Woods at that time, also eyed as a long range permanent solution the hiring of an outside traffic engineer, who would look at the entire traffic problem, by the three cities.

## Proposed Amendments To Zoning Ordinance Eyed

Eight recommendations for amendments to the city zoning ordinance were considered by the Woods Planning Commission at its regular meeting Tuesday, September 25.

Prepared by city planning consultant Brandon M. Rogers, the recommendations are needed to bring the ordinance into compliance with Act 638, P.A. 1978, effective this March 1, which amended the City and Village Zoning Act, Act 207, P.A. 1921, as amended and to reflect residential density recommendations in the city's land use plan.

As it turned out, the commission approved one of the eight recommendations, (on rewriting a section on "boundaries established"), while tabling action on the others until the group's Tuesday, October 23, meeting pending the receipt of additional information comparing the proposed new change from that contained in the current ordinance.

All commission recommendations on the zoning ordinance also must be approved by the council.

City Attorney George Catlin explored the proposed amendments to the text, indicating that the "boundaries established" section is to bring the ordinance in line with state statute.

This provision says that in case a protest against a proposed amendment, supplement or change be presented, duly signed by the owners of 20 percent of the land area included in a proposed change, or by the owners of at least 20 percent of the land

area included within an area extending outward 100 feet from any point on the land's boundary included in the proposed change, not counting publicly owned land, the amendment shall not be passed except by the favorable vote of three-fourths of the council.

On this provision, Mr. Catlin told the commission that while it's not in the ordinance, it has often been followed in the past.

Other proposed amendments, which were tabled, include the following:

- Amend sections on statutory hearing notice and record requirements for approval of land uses, (to bring the ordinance in line with state statute).

- A revision of "lot area per dwelling unit" for multiple residential uses in the R-3 district, which would generally place the district in relationship with the medium density residential land use category in the land use plan, i.e. 7-1 to 12 dwelling units per gross acre. Mr. Catlin said this would be a policy decision for the commission and council to make.

- Revisions in a chapter on "commercial business and multiple dwelling district," which Mr. Catlin again stated would be a policy decision.

- Amend a section on board of appeals hearings and one providing for hearings and notice compliance, which, he said, would be in line with state statute.

- Add a new section to the board of appeals chapter eyeing "circuit court appeal," which Mr. Catlin called "superfluous," while noting Wayne County Circuit Court will handle any case as it desires, i.e., it may affirm reverse or modify the decision of the board of appeals.

- Add a new section to a chapter on "administration" regarding a performance guarantee.

- Amend a section on "off-street parking," (in the R-3 district), which Mr. Catlin said would provide off-street parking facilities in that district in conformance with other areas of the zoning ordinance.

## GPW Accepts Quote for Pools

The quote of B and B Pool Service and Supply Co. of Dearborn Heights, the only bidder, was accepted by the Woods Council at a recent regular meeting for winterizing the Lake Front Park swimming pools.

Three companies were asked to submit price quotations for winterizing the pools this fall and to clean them in the spring, said Parks and Recreation Director Donald J. Hallmann.

While only the one quote was received, he felt that the \$5,500 price was in line with the amount of work necessary.

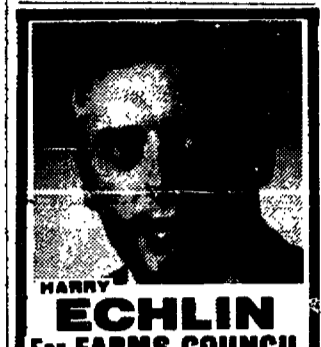

## Thieves Enter Boat at GPYC

A Birmingham man reported over \$700 in missing items from his speed boat docked at the Grosse Pointe Yacht Club, (GPYC), on Saturday, September 29.

Russell Jalbert, 36, told Shores police that he was going to replace some parts to the boat's engine, but when he arrived at the dock he discovered that a lock to the cabin was missing.

Articles reported missing include a radio cassette, 12 tapes, binoculars and a TV.

Mr. Jalbert said the articles were taken within the past two weeks to 10 days.

## Park Approves Insurance Hike

The Park Council approved a \$2,000 increase in the city's umbrella insurance premium at its Monday, September 24, meeting.

A quote of \$13,384 from Canadian Universal Insurance Company was approved. The premium, however, doubles last year's coverage of \$1 million.

"The city management feels that \$1 million coverage is too inadequate," said City Clerk Comptroller Nunzio J. Ortisi.

Recently, The Park was forced to pay \$1.14 million to a Detroit family whose 13-year-old son was killed after he was struck by a Park garbage truck along I-94 four years ago.

At the meeting, Mr. Ortisi also recommended that the council consider appointing two Park residents to the insurance committee "who are expert in the field of fire and casualty insurance and who can guide the committee in recommending the extent of coverage and approach to obtain the best prices for the city's insurance."

The council approved Mr. Ortisi's recommendation.

**INFANT MORTALITY**

Infants less than a year old make up 25 percent of the world's total deaths each year, the Population Reference Bureau reports. The death rate of infants under one year is only 1.4 percent of all U.S. deaths. But in underdeveloped and overpopulated countries the rate is much higher. In Uganda, for example, infant deaths are 48 percent of the total.

**Joint Meeting Slated on Code**

A joint meeting between the Woods Planning Commission and the council is expected to transpire later this month to explore the proposed property maintenance code for the city.

The commission, which has prepared, reviewed and revised the document for around three years, approved the scheduling of such a session at its regular meeting Tuesday, September 25.

This proposal was referred back to the commission by the council on Monday, September 10, for more specific information on additional manpower, including salaries, office space and other related factors. The council also wanted to learn more about enforcing and administering the measure, plus the imple-

mentation of a fee schedule. Commissioner Philip Patanis moved that any action on the code be tabled until a joint meeting was arranged, and his motion passed, 5-1, (with three commissioners excused).

A dinner meeting was suggested, with Commissioner Raymond Lynch, who cast the lone negative vote, saying he felt nothing would be accomplished at such a session. "Why go through the motions?", he asked.

As it turned out, it's possible that a joint session might be held at the commission's regular meeting this month, (Tuesday, October 23), or that a special meeting might be scheduled.

Councilman John Sabol, who attended the commission meeting, indicated he would check with his colleagues regarding the October 23 date, while suggesting that a joint meeting be held prior to the Tuesday, November 6, election inasmuch as the current council is more familiar with the proposal.

With an emphasis upon the inspection of a structure before it's occupied, the proposal establishes minimum standards for the maintenance of all buildings, structures and/or property within the city toward maintaining real property values.

Around 650 inspections a year are expected with most, if not all, entailing a follow up check, (thus almost doubling the number).

**Prenatal Care Class Offered**

In addition to its evening prenatal classes, the Macomb County Health Department will offer daytime classes, focusing on nutrition, infant care, fetal development and relaxation and breathing exercises.

These educational sessions will be at the Southeast Health Center, 25401 Harper avenue, St. Clair Shores. Classes will begin on Monday, October 15, from 9:30 to 11:30 a.m.

Classes are open to all expectant parents. There is a fee and pre-registration is required. Contact the Macomb County Health Department at 777-7000 to pre-register or to obtain further information.

Two Groups Set The "nights" continue on Monday, October 8, at Redeemer United Methodist Church, with chairman Vera Staperfenne, and on Wednesday, October 10, at Christ Episcopal Church with Liz Wall and Janet Inslay.

On Thursday, October 11, Family Nights will be held at Saint Paul on-the-Lake, with Ed and Fran Benz, Grosse Pointe Memorial, with Jim and Beth Simpson, and at Grosse Pointe Unitarian Church with Rick Masten.

The final Family Night is set for Sunday, October 21, at Grosse Pointe Woods Presbyterian with Richard Knoblauch as chairman.

At all the churches the evening begins at 7:30 p.m., except at the Unitarian Church, where the program begins at 7 p.m.

Participants will have the chance to attend two discussion groups which will meet for 20 to 30 minutes each.

"Homespun Advice" "The emphasis in these groups will be on sharing," says Sister Betty Flaherty of Saint Paul on-the-Lake, who is helping organize Family Nights.

"What we hope comes out of these meetings is the kind of homespun advice that can really help people cope with their problems and concerns — the kind of advice that can bring their families together," Sister Flaherty said.

All the chairmen and discussion leaders were trained extensively throughout the summer with the help of Monsignor Francis X. Canfield and Rev. Mary Frost.

**CRIME'S PARTNER**

The national crime rate, says the FBI, has risen an enormous 148 percent in the last decade. It is estimated that 80 percent of the nation's robberies and other street crimes are drug related. It takes a lot of money to support a drug habit. When another "fix" is needed, the quickest way to get the money is the option chosen by the addict.

**GPW NAMES GRADY**

The Woods Council at a recent regular meeting unanimously named Councilman Dan Grady to the city's Election Commission. Councilman George S. Freeman, who is running for mayor in the November election, is the present member of the commission. His term expired in November.

**Worried About How You'll Look With A Hearing Aid?**

Chicago, Ill.—A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid of its kind will be given absolutely free to anyone requesting it.

True, all hearing problems are not alike... and some cannot be helped by a hearing aid. But audiologists report that many can. So, send for this free model now, and wear it in the privacy of your own home. It is not a real hearing aid, but it will show you how tiny hearing help can be. It's yours to keep, free. The actual aid weighs less than a third of an ounce, and it's all at ear level, in one unit.

These models are free, so we suggest you write for yours now. Again, we repeat, there is no cost, and certainly no obligation. Thousands have already been mailed, so write today to Dept. 02962, Beltone Electronics, 4201 W. Victoria, Chicago, Ill. 60646.

**Improvements At Park Eyed**

A request for improvements in the Little League program was unanimously referred to the Citizens Recreation Commission and the Department of Parks and Recreation by the Woods Council.  
 This action was taken at a recent meeting.  
 In a two-page letter to the solons, Peter Thomas explored the Little League program and praised the Woods-Shores, while feeling several areas of improvement should be explored.  
 Saying he wasn't alone in his feelings, Mr. Thomas cited three areas including the following:  
 \* Build up the Ghesquiere Park diamonds so there will be proper drainage and work with School Board members to get the school diamonds the city uses in shape, (e.g., at Barnes and Ferry Schools).  
 \* Have a summer long program to keep Ghesquiere Park clean.  
 \* Employ one or two persons to patrol the park and control entrance to the facilities. Require proof of residence to utilize the diamonds and then do it by permit as is done with the tennis courts. "This would not have to be year round employment, but only during the high usage time of the year," he pointed out.

### Former Officer Named to Post

Former Park Patrolman John F. Kendall was recently named the new undersheriff for Grand Traverse County by Sheriff Richard P. Weller.

Since 1975, the 36-year-old Mr. Kendall has been chief of police for Harbor Springs. From 1970 to 1974, Mr. Kendall served with the Youth Service Division.

### Center Slates Bridge Classes

Bridge instruction with Frank Welcenbach, former principal of Trombly School and a top flight bridge player, will be offered at the War Memorial this fall.

A modified Goren and Shenken system will be taught in eight sessions for a fee of \$15. Consultation and practice will be included.

Beginning Bridge classes are on Thursdays, October 11 through December 13, from 8 to 10 p.m.

A Refresher Bridge Class for those who wish to begin duplicate play or be better partners will be held on Mondays, October 8 through November 26, from 8 to 10 p.m.

It is not necessary to have a partner to sign up for the Bridge classes, which will be limited. Registrations are being taken in the Center's office, at 32 Lakeshore road, or may be mailed in with check.

For further information, call 881-7511.

### SH Ready for Homecoming

By Anne Hodak  
Although South High School's homecoming is a school related activity, members of the community and alumni are welcome Saturday, October 13.

Pom-pom parties, pep rallies and spirit week are all signs that homecoming is near, as are the tons of wires and papers that make up the many floats in the parade. The floats, judged on creativity, will compete in the float contest and the winner will be announced at half-time of the homecoming game.

The first homecoming event will be the annual Pancake Breakfast. It will be held in South's cafeteria starting at 7 a.m. and ending at about 10:30. The menu consists of pancakes, sausage and juice. The public is welcome.

The homecoming parade will begin at 12 noon and will travel from the Neighborhood Club, 17150 Waterloo avenue, via Cadieux, Kercheval, and Fisher to South's athletic field.

The Blue Devil varsity football team, 1-3, will host Port Huron Northern, 3-0, at 1:30 p.m.

The annual homecoming dance will be from 9 p.m. to 12 midnight. Formal attire is required and only couple tickets will be sold. Last year's alumni also are invited to the dance and will be admitted free.

The band "Network" will provide the entertainment for the dance. After playing at last year's senior prom, the group was chosen unanimously for the homecoming dance.

time of the homecoming game. Spirit week is an opportunity for South students to show their class enthusiasm. It includes the loud voices of the classmen shouting their spirit cries, constant rage between classes and battles in the halls.

### GP Unitarian Hosts Contab

Grosse Pointe Unitarian Church, 17150 Maumee avenue, will host the Unitarian Universalist District of Michigan fall conference and annual meeting Friday through Sunday, October 5 to 7, as part of its 40th year celebration.

The weekend will be highlighted with an address on Saturday by the Rev. Dr. Eugene Pickett, president of the Unitarian Universalist Association, headquartered in Boston, Mass.

It includes an election of a new district president, clerk and directors. Joan Hines, member of the Grosse Pointe Unitarian Church, is a nominee for director for a term of three years.

The Saturday evening program will feature Doris Euback, organist and choir director of the church, playing on the newly acquired grand piano, and Roger Greeley, minister of People's Church, Kalamazoo, offering a presentation entitled "An Evening with Robert Ingersoll, Immortal Infidel."

The Unitarian Universalist District of Michigan is a district organization of the Unitarian Universalist Association with a membership of 25 Michigan Unitarian Universalist societies.

### SEMTA Reports Hefty Growth

The Southeastern Michigan Transportation Authority (SEMTA), reported a 26.7 percent increase in ridership this August, compared to August 1978 on all regularly scheduled buses, a 25.7 percent increase in commuter rail and a 20.4 percent increase in small bus ridership.

SEMTA regularly scheduled buses carried a total of 873,172 passengers during August 1979 compared to 689,098 passengers last August.

A total of 44,798 passengers chose to ride the SEMTA Silver Streak commuter rail service between Pontiac and Detroit this August compared to 35,644 passengers in the same period a year ago, a 25.7 percent increase.

The SEMTA sponsored small bus systems carried a total of 136,575 passengers in August 1979 compared to 122,616 passengers in August 1978. The county-wide essential transportation systems—Wayne County Advanced Transit (WAYCART), Oakland County Advanced Reservation Transit (OCART), and Macomb Essential Transportation Service (METS)—experienced the greatest growth during the month of August with an increase of 40 percent.

"At this rate, if fuel prices continue to go up this fall and winter, SEMTA will see an all time high in transit ridership by the end of this year," said SEMTA General Manager Larry E. Salci.

SEMTA service on major routes and Park and Ride services experienced the greatest growth during August 1979. SEMTA Park and Ride services increased ridership 43.7 percent during August 1979 compared to the same period a year ago. The 10 major routes increased ridership 30.5 percent during the same comparison period.

The major routes include Gratiot, Jefferson, Van Dyke, Kercheval, Charlevoix-Harper, Woodward, John R, Michigan, Fort and Westland.

The city sponsors the tours every year, but this year was special. For the first time the second graders were able to view color slides while listening to the functions and responsibilities of the police and fire departments.

The children placed their fingerprints in a coloring book that they received after the slide show. Coordinator of the tour, Cpl. William Furtaw, said the tour is an educational experience for the children, which minimized the use of weapons by police officers.

"We hope the tour will instill a feeling of friendship that will carry on throughout the years," Cpl. Furtaw said. There now are plans to conduct a tour for adults sometime later this year, that will focus on the 60-year history of the department.

In researching for that tour, the department has turned up some pretty interesting facts about its history. "Not too many people know that two of our policemen were gunned down in the 1930's in Jefferson avenue," Cpl. Furtaw said.

Police have pinpointed the location to be in front of Pete Moore's Bar, between Maryland and Wayburn roads.

Others responsible for the Trombly tour were Officers Randall Cain, David Hiller and Paul Konefke and fire inspector Robert Balchunas.

### Trombly Kids Visit Police

By Joanne N. Gouleche  
About 50 second graders from Trombly School visited The Park police and fire stations on Thursday, September 27, and found out that not all policemen fit the image of Starsky and Hutch.

**GPW Improves System at Pool**

Broedell Plumbing and Heating received the nod of the Woods Council at a recent regular meeting to handle all work relating to alterations to the pool chemical feed system at the Lake Front Park.

As part of the accepted quote of \$14,460, the company will furnish all labor, material and equipment for installing a chemical transfer connection, interior distribution tanks, necessary piping, plus furnishing the necessary pump and new combustion air intake louver and performing miscellaneous masonry work.

The vote of approval was 5-1 with Councilman George Cueter casting the negative vote. While saying he wasn't opposed to the new system, Mr. Cueter was against taking the monies from the

Lake Front Park bond issue, which reportedly has around \$31,000 left.

Park and Recreation Director Donald J. Hallmann pointed out that the new system will help alleviate the past problem of personnel getting splashed with acid and coming into contact with fumes.

Mayor Benjamin W. Pinkos was excused from the meeting.

## Needs Study for Seniors Receives Boost from Grant

By Roger A. Waha  
SOC, (Seniors Onward for Change, Inc.), was the recipient of a \$6,654 grant to continue its special needs study already begun this summer. Almost \$8 million in state

and federal funds were awarded on Friday, September 21, to the Detroit-Wayne County Area Agency on Aging to provide a variety of services to senior citizens living in Wayne County. The award was made by the State Commission on Services to the Aging for fiscal year 1979-80, which began Monday, October 1.

## Food Class Set To Start Oct. 8

Culinary Basics, a new Adult Education class with a strong career and vocational orientation offered by the public schools' Division of Instruction — Continuing Education, is slated to begin Monday, October 8.

The class, taught by Sara Bommarito who is experienced in all phases of the restaurant business, will be devoted to the basics of commercial food cookery.

The new 10-week course will provide students with the opportunity to learn about the commercial food industry. Attention will focus on such operational areas as pantry, baking and hot foods and how to prepare small and large quantity recipes. Utensils and equipment used in quantity food preparation also will be covered.

Fee for the class is \$25. In addition, food costs used in various demonstrations will be minimal.

Anyone interested in enrolling to explore the possibility of a career in the restaurant business should call Continuing Education at 343-2178 as soon as possible.

**EASY TO TELL**  
You can't judge a man by the company he keeps, but it's usually a pretty good indicator.

Placed over the grant, Bert S. Francis, SOC president, said, with questionnaires, "We can ask what their needs are, where they hurt, if they do, and where they are pleased and satisfied, if they are."

"After determining their areas of need, we can then go to the agencies serving our people, determine what they do and how they endeavor to meet the needs."

A key objective is to match the needs against the services available toward obtaining a better understanding of the problems facing seniors.

Several areas are being viewed including health needs, Dial-a-Ride, housekeeping services, food preparation and a visiting nurse service, among others.

"We have some people in precarious situations, and we are trying to help them," added Mr. Francis.

## ULS Players Open Season

The University Liggett School's (ULS), dramatic society, ULS Players, has announced the productions for its 1979-1980 season.

They include "You Can't Take It with You" on November 9 through 11, "The Sound of Music" on February 1 through 3 and again on February 8 through 10 and "The Apple Tree" on May 2 through 4.

Tryouts for "You Can't Take It with You" have been completed and rehearsals are underway with the direction of Chuck Gifford. The cast for the first show will include Andrea Feeser, Jody Murray, Tom Stanczyk, Jack Scott, Julie Ryan, Chip Vaughn, Don Chamberlin and Becky Glowniak.

More are Laura LaPontney, Robert Lambrecht, Liz Endicott, Mike Paolucci, Jamie Elsey, Susan Anslow, Rob Swaney, Kevin Karson, Jill Walker, Robert Green, Bill Mackey and Mark Weitzel.

"You Can't Take It with You" is set in New York City at the home of Martin Vanderhof. He and his family and a few miscellaneous characters, all quite unique, reside there. The plot highlights the eccentricities of the Vanderhof menagerie and the complications created by family differences over a budding romance. The result is an absurd, thoroughly delightful comedy.

Patron tickets are available by calling ULS at 884-4444.

## GP Clown Corps Sets Activities

The Grosse Pointe Clown Corps, coming off a busy summer of activity, also has several events planned for this month.

In conjunction with the Grosse Pointe Jaycees, the group will participate in a fire prevention campaign and a pumpkin sale.

Then on Saturday, October 20, a bake sale to benefit Rey's Syndrome is scheduled at J. C. Penney, 19251 Mack avenue, during the morning and afternoon.

Arthur J. Kuehnel, corps chairman, said the group also needs clowns to replenish some "old timers" who have been lost. As a result, new membership drives have been scheduled for Wednesday, October 24, November 28 and December 19 at Woods public safety headquarters, 20025 Mack avenue.

Youths in the first through 12th grade are eligible to join, and Mr. Kuehnel may be contacted for further information at 881-8186.

Organizations or clubs such as the Brownies, Camp Fire Girls, Boy Scouts or Indian Guides who would like the corps to participate in their activities may contact Mr. Kuehnel. The group also is willing to take part in birthday parties.

## St. John Sets Yoga Course

The Patient Education Center of Saint John Hospital, 22101 Moross road, is offering to the general public a five-week course in Hatha Yoga.

It will be held on Friday afternoons October 12 through November 9 from 1:30 to 3 p.m.

The tuition is \$20, and class size will be limited. For reservations and further information, call Saint John Hospital's Patient Education Center at 343-3870.

# Manufacturers Bank introduces Neighborhood Interest.

Attention, Small Business Owners!  
We now offer a new Simplified Pension Plan where everyone wins—your employees and you.

It's our Simplified Pension Plan. It offers the benefits of other pension plans... without all the fuss, red tape, and liability under ERISA. It rewards your employees with a tax deferral now and a nest egg for the future. It rewards you, the employer, because it reduces your business income tax liability and gives you a low-cost means of providing an up-to-date pension plan for your employees. And it provides a pension plan for you personally. Our pension plan is different in its simplicity. There's less record keeping. So there's

less need to tie up your people. Reporting is simpler, requiring only an attachment to your business tax return. Not only that, but our plan is flexible. It allows participants to choose an 8% Statement Savings account or an investment package. Whichever suits best. And we'll handle the details. It's quicky and easily available to you now. Sound simple? It is. Our Simplified Pension Plan. It's another way we hope to hear you say: "Manufacturers. That's my bank."

Neighborhood Interest can help you make it in Grosse Pointe.

### South Makes Comeback In Swamping Mt. Clemens

**By Tom Kisskall**  
Touchdown! After scoring only six points in three games, South High School's suddenly potent offense dominated the Mount Clemens Bathers Saturday, September 30, in rolling to an astonishing 55-8 victory.

A combination of Bather turnovers and South's success in converting those turnovers into touchdowns gave the Blue Devils their first victory. South's defense held Mount Clemens in check the whole game. The Bathers' only score came on an 80-yard kickoff return early in the third quarter.

The Blue Devils' first score came about midway through the opening quarter when John DeBour caught a 35-yard pass from Glenn Piche. John Cammet, who converted on every extra point except one, gave South a 7-0 lead.

Later in the quarter, Joe Srebernak recovered a Mount Clemens fumble, which led to a five-yard touchdown run by Piche.

Rick Overbey then blocked a punt on the Mount Clemens four yard line. A few plays

later John Heidt ran the ball for a TD. At halftime South led 21-0.

The Blue Devils came out after intermission and continued their rout. Karl Tewes recovered a fumble on the Bather 35-yard line, with South converting the fumble into a touchdown.

Mount Clemens then scored before Piche threw 28-yard passes to DeBour and Ted Formanczyk to put the Blue Devils on Mount Clemens 18-yard line. A few plays later Piche hit DeBour in the end zone to give South a 35-8 lead.

After an onside kick by South, the Bathers fumbled on their own 30. John Cammet recovered and ran it 70 yards for the score. The extra point was blocked.

Going into the fourth quarter South had a 41-8 lead. Mike Allen scored, and a Mount Clemens fumble gave backup quarterback Dean Graham an eight-yard touchdown run.

South will try to make it two in a row on Saturday, October 6, at Roseville. Game time is 2 p.m.

### NH Swimmers Open Season

**By Wright Wilson**  
North High School's girls swimming team opened their season successfully as they won their first dual meet, and finished seventh out of 17 in the recent Battle Creek Relays.

The Battle Creek meet highlight came in the 200-yard breaststroke relay, as a North team consisting of Frances Shook, Cheryl Stoyka, Amy Rentschler and Jeannette Metes clocked 2:16.29, a new record for the pool.

Regular season action opened with a dual meet against Warren Tower on Thursday, September 20, which North won, 100-65. Individual winners from North were Jane Beck in the 50 freestyle, Jenny Elie in the 100 freestyle, 200 individual medley swimmer Shook and Stoyka in the 100-yard breaststroke.

Others performing well in the Warren Tower meet were freshmen Wendy Woods and Ann Mitchell, who turned in fine times in the 200 freestyle and 100 backstroke, respectively.

On Wednesday, September 26, North took on a tough Ann Arbor Pioneer team, and came out on the short end of a 106-70 score.

Bi-County League competition begins on Thursday, October 11, with a home meet against Lakeshore.

**ULS Kickers Win Tourney**  
The University Liggett School, (ULS), varsity soccer team won the trophy in the first Invitational Soccer Tournament on Saturday, September 22. ULS sponsored the matches and three other schools accepted the challenge including Roper, Bethany Christian and Southfield Christian.

The Knights first defeated traditional rival Roper, 4-0. Kris Robbins scored two goals and Timo Elo and Larry VanKirk, one goal each.

Southfield Christian succumbed to the ULS Knights, 3-2, in the second game of the tournament. Goals were scored for the Knights by Tony Alcantara, Rich Carron and Kris Robbins.

ULS soccer coach Luis Gomez reported, "It is a great accomplishment for our team. Assistant coach Peter Thayer and I are very pleased with their performance."

**ULS Opens JV Hockey**  
The University Liggett School, (ULS), junior varsity field hockey team is off to a successful start with one tie and one victory against two Ohio schools.

The opening game on Tuesday, September 25, against Maumee ended in a 1-1 deadlock with junior Anne Gravel scoring for ULS.

The second game at Ottawa Hills Thursday, September 27, showed marked improvement in teamwork. This time junior Chrissie Ford and sophomore Jean Hindle were responsible for the two goals that put ULS on top, 2-1.

## South Girl Netters Blank Opponents

**By Lara Measelle**  
A change of pace could be used to describe the series of four matches played by South's girls tennis team last week.

Although the Blue Devils won every match, 7-0, many of the girls had tougher tests against some of the state's top teams.

The series began with East Detroit, followed by North High School, Port Huron

Northern and finally University Liggett. All matches except Port Huron Northern were away.

Beating East Detroit, 7-0, was easy, as every girl on South's team won every game. But the team quickly found out that full concentration and excellent playing would have to be put forth as they played North, usually ranked among the state's top teams.

Outstanding performances

were executed by Liz Wachter, who won her sets, 6-4, 6-2. Megan McMahon took her first set, 6-0, then was pushed, winning the second set, 6-5. Paula Riechert gave a steady performance, winning 6-0, 6-1, and Lisa Micou took her matches, 6-3, 6-1.

South's doubles teams won their matches, but did lose some games to Norsemen players. The doubles team of Nancy Wright and Lee Robinson won, 6-3, 6-4.

Number two team of Tracy Echlin and Linda Murtagh lost a total of five games but beat North with scores of 6-2, 6-3. Laura Hackman and Sharon Ruwart also won their matches after going into a three-set match.

South went on to play Port Huron Northern Wednesday, September 26, winning every match and avenging the only match lost all year.

Wachter, who beat Northern's number one player, 6-1, 6-3, had lost to that girl in the beginning of the season.

The three other singles players, McMahon, Riechert and Micou won their matches, 6-0, 6-0. The doubles teams kept the pattern steady as Wright and Robinson won, 6-0, 6-0. Echlin and Murtagh won 6-1, 6-0, and Hackman and Ruwart won, 6-0, 6-0.

South beat University Liggett, 7-0, on Friday, September 28, but did lose some games to Liggett players. One and two singles players Wachter and McMahon took their matches, 6-0, 6-0.

Third and fourth singles won their matches, Riechert winning 6-0, 6-3 and Micou, 6-2, 6-0. Number one and three doubles teams won, 6-0, 6-0, and the number two team of Echlin and Murtagh lost a total of five games but beat Liggett, 6-3, 6-2.

## NH Netters Doing Well

**By Wright Wilson**  
A Bi-County League record of 5-0 is sufficient proof that North High School's girls tennis team is doing a tremendous job.

Twenty girls compose the team under first-year coach Beth Manojlovich. The top 12 make up the varsity, and the remainder compete at the JV level. The varsity squad is chosen "according to who can beat whom," says coach Manojlovich.

Co-captains for this year are Mary Jo Arpin and Cathy Carr, who are both returning senior letter-winners.

The varsity team has played in eight matches so far,

with a record of 6-2. Both losses have come out of North's three non-league contests.

North opened its season against Kingswood, losing 5-2. North's lone non-league victory came over Liggett, 6-1. The team's other loss was against South High School, which shut out North, 7-0. South is currently the state's top-rated team.

In the Bi-County League, however, North has dominated by outscoring its opponents, 38-2, in five matches, while playing undefeated.

Final tallies have been North 7-Lakeview 1, North 7 1/2-Fraser 1, North 7 1/2-Lakeshore 0, North 7 1/2-L'Anse Creuse 0, and most recently, North 8 1/2-South Lake 0.

"We should win the league this year," notes coach Manojlovich. "I am very pleased with the team's play so far."

She is unaware of North's state ranking, but points out as North finished third at the state tournament last year, she feels they have a stronger team due to a noticeable improvement in doubles.

North's varsity lineup is Renee Krickstein, Cathy Brown, Rachel Krickstein and Nancy Kohler at the four singles positions. The four doubles teams are Marilyn Biretta and Beth McMahon, Becky Keeney and Mia Bryce, Mary Jo Arpin and Sandy Jayakar and Chris Hayosh and Julie Stevens.

The most pleasing thing to coach Manojlovich, incidentally, is that there are five freshmen included in that lineup.

South High School's racquetball club bounced into action on Tuesday, October 2, (after press time), at Rose Shores East Racquetball Club.

This fast sport is fun, relaxing and doesn't cost much. A pair of shorts, a t-shirt, tennis shoes and a racquet, ranging in price from \$13 to \$42, are all one needs to play, according to Jay Nickerson, club member.

Singles, doubles and cut-throat are the three ways to play on a court that is approximately 24' by 12'.

South's Racquetfeers will join the Rose Shores East Racquetball Club for \$32 per person, which is about \$1.40 per hour. Without joining the club, that time could cost up to \$10 per person.

South cross country runners were credited with sixth place among 19 entrants Saturday, September 18, in the Lakeshore Invitational at Metro Beach in 16:41. South's record to 42, the Devils defeated L'Anse Creuse North on Friday, September 21, 18:43. (low score wins).

Bill Peattie paced the runners in the three-mile run at Metro Beach in 16:41, South's best time. Jeff Peterson turned in South's number two time of 16:56, while John Platt finished third in 17:01.

The L'Anse Creuse Crusaders were beaten by the Devils on their home course Tuesday, September 25. Juniors Peattie and Platt again led the team, as Peattie took first in 16:24, while Platt finished second in 16:33. Third place was captured by L'Anse Creuse, but South's George Reindel followed in fourth place at 17:17.

Chuck Gray, Ken Smith and Chris Pellerito earned varsity letters by recording three or more varsity times throughout the meets.

Co-captain Jason Fallas is out due to injuries, explained captain Bill Schneider. "That has affected the spirit of the team somewhat. However, the runners have each set goals and are determined to accomplish them."

**SH JV Loses; Stand at 0-4**  
**By Joe Srebernak**  
Despite five fumbles by South High School, the JV Blue Devils gave the Mount Clemens Bathers a battle last week before losing, 16-12.

Late in the first quarter, after a long drive to the Mount Clemens 10-yard line, South turned the ball over to the Bathers on downs.

Two plays later, a Mount Clemens halfback broke a run for 88 yards and a touchdown. The two-point conversion was good, making the score, 8-0. The Bathers ultimately scored again to make it 16-0, before halfback Mike Palazzolo scored to cut the lead to eight points.

Late in the third quarter, South got the ball, and, from midfield, quarterback Kip Saile completed a 39-yard pass to Joe Yott for a first down on the Mount Clemens 11. After the quarter change, South scored with Chris Bolger taking it in. The Devils missed their second two-point conversion of the game, ending the scoring.

South had two opportunities to score late in the fourth quarter, but failed to capitalize. The Devils' first came on an interception by Paul Martinelli at their own 25. They drove down the field, but subsequently turned the ball over on downs.

Their second opportunity came when Mount Clemens turned the ball over on downs, in its own territory. Despite good field position, South failed to capitalize, and again turned the ball over.

The Blue Devils, now winless in four starts, will host Roseville today, October 4, at 4 p.m.

## ULS Gridders Stand at 3-1

University Liggett School, (ULS), varsity football continued its winning ways Friday, September 28, with a 12-0 victory over Burr Oak. The victory gave Liggett a 3-1 mark for the year.

The defense for ULS was extremely strong in the first half, as Burr Oak could come up with only two first downs. The Liggett defenders gave up a total of 21 yards in the first half including an interception by Al Taber. John Hindle had two of his three sacks in the first half.

However, while the defense was doing such a fine job, the Liggett offense could not muster up only 41 yards itself while accumulating but three first downs. The half ended in a scoreless tie.

In the second half though, the game belonged to Lig-

gett. With junior Robert Green replacing the injured Jerry Parks, Liggett piled up over 140 yards. Green gained 73 yards on 15 carries and scored the first and winning touchdown in the third quarter.

Once Burr Oak began keying on Green, senior quarterback Taber began running at will. Taber gained 82 yards in the second half alone for a total of 97 yards on the day. Bill Seaver also had a solid performance of blocking from the upback position.

Coach Tom Taber said that he was pleased with the performance of the team in the second half and credits the blocking of the interior line for much of the success.

"Our two seniors, Bill Mackey and Kevin Karson, who both play on the left side of the line, had five games as did our center Jeff Peters and John Polizzi and Mike Kirkpatrick, who played right guard and tackle."

Defensively, tackle Seaver led the way with 16 tackles including six first hits. Next was Peters with 15 tackles. Parks also blocked a punt.

**Cheerleaders Initiated at ULS**  
If you happened to be out in the early hours of the morning Friday, September 21, in various areas of The Pointe, you probably saw the new ULS junior varsity cheerleaders.

That morning the varsity cheerleaders started their day-long process of initiating the newly chosen JV cheerleaders.

The day started at approximately 5 a.m. when the varsity members awoke the new cheerleaders and proceeded to dress them in assorted crazy costumes. The JV squad was forced to entertain several gas station attendants, police officers and store owners with their newly-learned cheers.

Breakfast at the Pancake House ended their early-morning activities.

This fall, the JV squad will be cheering for varsity soccer. The varsity squad continues to cheer for varsity football. The captain of the varsity team is Renee "Outland" and co-captain is Melanie Fahim.

Remaining squad members are Denise Holland, Amy Russell, Gwyn Treiber, Dawn Hogan, Cheryl Malloch and Jennifer Hays.

Members of the JV squad include Patrice Lauri, Kim Thomas, Sandy Noble, Helen Williams, Anne Borden, Gia Berges, captain Kim LaRose and co-captain Kay Wambley.

**Girl Cagers 3-2 at North**

By Wright Wilson  
After five games, North High School's varsity girls basketball team stands at 3-2, while the JV's have won four out of five.

Against Detroit Kettering, the varsity lost its first this season, 44-24. North trailed by just one point at half-time, but was outscored 30-11 in the final two quarters.

It took North's JV two overtime periods to defeat Kettering, 43-42. Theresa Domienik sank the winning free throw.

North's finest varsity performance this season came when it topped the highly-rated Bishop Gallagher team, 40-28. Coach Scott Burns

cited the whole team's outstanding defense as the key to the victory. The game was tied midway through the third quarter, but North's tight defense wore out the Lady Lancers in the final period.

Gallagher's JV defeated North's team, 33-23. This was the North JV team's only loss this season, while Gallagher was undefeated.

Rival South High School took a 4-0 record into the Thursday, September 27, game, and walloped North, 64-31. After the Norsemen took a 6-0 lead, South scored eight straight points in the final two minutes of the first quarter, and led from then on.

**North Gridders Win Big, 51-8**

Undefeated in Bi-County League action is North High School's varsity football team. With a 51-8 rout of Roseville Brablec on Saturday, September 29, North stands 2-0 and in first place in the league.

The Norsemen got two touchdowns from senior Bob Baker. Five others scored TDs for North including Bob Brown, Mike Eugenio, Dave McCarron, Vince Fazio and John Clem.

Jeff Roberts and Jerry Bockstanz kicked three extra points each and sophomore Bockstanz also added a 39-yard field goal.

Getting its first victory in four games was North's JV team with a 12-6 win over Brablec. The North JV defense held Roseville to just eight yards rushing, and Brablec's lone score came on a 58-yard touchdown pass.

Scoring TDs for North were Matt Lehmann and Jon Baker, on runs of six and seven yards, respectively.

North's frosh football squad received its first wins in three games, as L'Anse Creuse beat them, 8-0. L'Anse Creuse's only touchdown came on a long punt return, which was the first score against the freshmen this year.

The Friends of Bon Secours Hospital will offer training in two life saving skills at the War Memorial, 32 Lakeshore road, Tuesday and Wednesday, October 9 and 10, at 7:20 p.m.

Instructors from Bon Secours Hospital will demonstrate cardiopulmonary resuscitation, (CPR), and the Heimlich maneuver. CPR is a procedure that prevents needless deaths due to heart or respiratory failure. The Heimlich maneuver is a simple technique which often saves choking victims.

Admission is free but reservations are necessary. For free tickets, call 343-1520.

CPR and Heimlich maneuver training are offered by the Friends of Bon Secours as part of the community education series, "Town Hall for Health." The activity is presented under the chairmanship of Mrs. Kenneth Adler.

**Lochmoor Pro Sets Record**

When Lochmoor Club pro Jim Picard got together with three former teammates recently at Plum Brook for a round of golf, he probably had no idea how good a round it would be.

But what a round it was. He birdied three holes and eagled another to turn the nine in 30, then proceeded to birdie three holes on the back nine for a 33. That was sufficient to set a new course record of eight under par 63.

Playing with Picard were Russ Beaupre, (owner of Plum Brook), Buss Smith and H. Van Hollebeke. The group had won a local Pro-Am invitational a couple years ago.

Plum Brook has been in existence for 52 years. In years past it was a regular stop for the Michigan PGA Pro-Am. The previous record was 64. Some of the previous record holders were Jim Beaupre, Bill Beaupre, Chris Brinke and Paul Zosel.

Today the popular opinion seems to be that economy begins at somebody else's house.

In the second half, the Blue Devil defense frustrated North with a full court press, and outscored North 20-6 in the third quarter, and 18-9 in the fourth.

A defensive struggle was the plot of the JV game, and North prevailed over South, 22-18. North had a steady lead throughout the fourth quarter.

All five of North's contests have been non-league games. Its Bi-County League schedule began Monday, October 1, (after deadline), at home, with a game against Fraser.

**Woods Church Plans Classes**

Sunday morning Adult Education Classes start October 7 at the Grosse Pointe Woods Presbyterian Church, 19950 Mack avenue, at 9:30 a.m.

The classes include the following: "The Edge of Adventure"—An Experiment in Faith. The class is structured around small group discussions based on the text, the response manual and the authors' taped discussions as members attempt to grasp the meaning of living by faith.

"Living The Adventure"—Faith and Hidden Difficulties. A sequel to "The Edge of Adventure" which explores some hidden difficulties of the Christian life of faith.

"Vital Christianity"—A book study which asks, "Why do you want to be a Christian?" and then expands on what authentic Christianity means.

"Christian Foundations"—A topic Bible study which uses the Bible, a study guide and class discussion to investigate some basic elements of Christianity.

"What Is A Presbyterian?"—A Class for prospective members to learn more about the Presbyterian Church and, in particular, the direction of the congregation.

Classes run concurrently with Youth Sunday School. For further information, call the church at 886-4300.

**Woods Views Fishing Pier**

The on-going issue of a fishing pier in The Woods was referred back to the Citizens Recreation Commission by the council at its Monday, October 1, meeting.

The council was interested in learning more specifics about the cost estimates of the proposed \$450,000 combined pier/boat basin.

Councilman Robert E. Novitke, commission representative, said "the best solution to know the concerns of the council would be for the commission to meet with the council so that we have something concrete to present to the people."

The council also requested information on selection on an engineer to design the pier-basin and the method of financing.

**Thieves Hit GP Park Bar**

About \$400 was taken from Callaghan's Bar, 15412 Mack avenue, after the owner discovered that thieves forced their way through a rear door.

The thieves also ate in the kitchen and broke into coin-operated machines sometime early Tuesday morning, September 25, according to owner Dennis Brown.

Police said there are no suspects in the robbery.

**One View from the Capitol**  
By William R. Bryant Jr.

The Essential Insurance bill, SB 428, concerning auto and home owners insurance cost and availability, is in the State Senate with extensive negotiations taking place to determine the provisions of the complex and controversial bill.

The bill was returned to the Senate by the House earlier this year. I voted to send it back there to enable reasonable negotiations to take place on the entire bill.

We must pass, at least, a bill to provide anti-redlining provisions as to automobile insurance. The State Supreme Court has ordered that that be done this year.

What most concerns me, however, and what led me to oppose the bill last term, are proposals which have the potential of forcing suburban Wayne County residents to bear too much of a burden in the form of increased rates in order to provide lower rates for Detroit residents.

Specific dollar impact of language now under consideration cannot be determined and would vary from company to company, but the Senate and industry negotiators are now considering requiring no more than a 10 percent variance in comparable auto policies on insureds in adjacent rating territories when the insured people and cars are comparable except as to their place of residence.

Such a provision could well put too much cost impact on either all of the Pointes or on those areas of the Pointes closest to Detroit.

I have consistently argued that any burden of alleviation to present unfair cost for Detroiters be limited and spread widely to minimize its impact on suburban residents.

To this end my proposal has been and is that the highest territory rate not be more than 15 percent above the average for the country, not measured by any adjacent territory, but by the average in the country.

It is ridiculous to contend that there may not be two territories bordering on each other which justify far differing rates. Using the average and a variance from that average as the limit is sensible and fair.

There is now a danger, however, that those of us representing suburbs bordering Detroit may be run over by those outside legislators who don't want their constituents to carry any of the burden

teaming up with Detroit legislators who want to try to lower costs for Detroiters and don't care who else ends up paying for it, or why.

The companies have been saying the present bill is bad for the suburbs, but are now suddenly, threatening to do the suburbs dirt by making it clearly bad by agreeing to the immediate 10 percent variance limitation.

The companies basically care about their ability to compete with other companies and, in return for some concessions to them, may hurt the inner suburbs by cutting in half the House proposed allowable adjacent territory variance for 1980 from 20 percent to 10 percent, a limit the House felt could not be reasonably accommodated until after five years of experience.

I urge residents to write their State Senators opposing SB 428 if it provides that auto insurance territorial rating can vary by only 10 percent between adjacent territories.

We need a reasonable essential insurance bill. It will help maintain the still viable Detroit neighborhoods around the Pointes, but I resent action by the insurance industry or legislators which will unfairly impact on our citizens.

I have, with your concurrence, supported anti-redlining legislation as a way to protect our communities which border on Detroit by protecting Detroit neighborhoods from unfair discrimination in mortgage lending and loaning practices and in the availability and cost of home owners and auto insurance.

Now, in thanks to us for being responsible neighbors I hear such idiocy as "Oh, they can afford it." Baloney. We can't afford discrimination any more than Detroit can.

What hurts me perhaps more than anything is that it is one key company threatening to sell us out, one with whom I worked all last term to try to get a bill to their liking, with whose people I spent scores of hours and for whose positions I fought and on whose behalf I was instrumental in succeeding in stopping the bad bill of last term.

I suggest you also ask your state senator to support getting the uninsured drivers off the road and changes to let you get back your collision deductible amount when an accident is the fault of the other driver.

**Letters to The Editor of The NEWS**

To the Editor:  
No truer words were written than when Janet Mueller began her column on July 19, 1979, with "We Pointers are such lucky people ... not only do we have a super Summer Music Festival, right in our own backyard, (the Grosse Pointe War Memorial), but, come autumn, it's Art Festival time — and that too, is super."

I would like to embellish on Janet's statement for it also contains a major factor — the importance of community interest, cooperation and effort that brings about these wonderful civic "happenings."

Such was the case with the past Grosse Pointe Summer Music Festival which experienced new and continued support of so many, marking another successful season.

Many cultural activities offered to the Grosse Pointe community stem from the Grosse Pointe War Memorial Association. The Summer Music Festival is one of them.

The Memorial has maintained the festival sponsorship from its very beginning in 1958 when Pointer Alexander Sucek initiated the musical project with the cooperation of John W. Lake, Memorial executive director.

Memorial Association president John R. Nicholson and Mr. Lake join me in taking this opportunity to thank all our festival supporters, contributors, merchants, educational systems, the working committee, as well as the newspaper, radio and television media for their great assistance this past summer.

Among the many participants we are grateful to include the following sponsors of "Grosse Pointe News" ads promoting the concert: Edmund T. Ahee Jewelry Company; Detroitbank Corporation; Gabby's Restaurant; Grosse Pointe Florists, Inc.; The Little Store of Grosse Pointe; Jacobson's, a longtime supporter, which also devoted a store window designed in behalf of the festival; and Colonial Federal Savings, which also made a contribution for special photography.

More are the Grosse Pointe Public Library, (Central branch), which devoted its showcases to the festival, complimented by musical collections courtesy of Mrs. Walter J. Burczyk, Mrs. Alfred D. Moran, Philip Leon and Mr. and Mrs. Thomas V. LoCicero; and the Shorewood E. R. Brown Realty, another faithful supporter, for donating toward the art materials used in the library exhibit.

We also wish to thank Mr. and Mrs. Marshall E. Collins, Mr. and Mrs. Philip Cunningham and Mr. and Mrs. Pierre Hettler for housing performing members of the New England Conservatory Ragtime Ensemble, and the Grosse Pointe War Memorial Auxiliary, headed by Mrs. Bruce K. Bockstanz, chairman, whose members so graciously ushered at the concerts.

When Mother Nature decided to rain out the only art fresco concert which featured the Ragtime Ensemble, the Community Services of the Grosse Pointe Public Schools came to the rescue, making available the Parcels School Auditorium to accommodate the huge crowd.

Appreciated also that evening were the efforts of Ward E. Collins of Hazel Park, who supervised an added attraction of old-time models belonging to the Packard Automobile Classics. As it was, a few braved the weather and were admired in the Parcels parking lot.

Last, but not least, whatever would we do without our "Grosse Pointe News." Its

splendid coverage of the cultural world is one of our greatest benefits. We thank you.

Yes, indeed, we are fortunate. And, certainly, one could not ask for a more inspiring facility than that of the Memorial Center's Alger House, which the Russel Elder family so generously deeded to the Grosse Pointe community in 1949, and the Fries Auditorium, which was added to the complex in 1962.

Not only does the festival fill the void of good music during summertime, it also is a get-together time for

families and friends. Pre-concert picnicking in the beautiful Lake St. Clair setting of the Memorial grounds with its fountains and flowering gardens completes a full evening of enjoyment.

We also were delighted to have had the pleasure of sharing the music festival event with many guests arriving from outlying communities of metropolitan Detroit.

Next season's festival, its 23rd, is already being planned by the committee and promises to be equally exciting, offering concerts to please a variety of musical

tastes — something for everybody.

We sincerely invite new members to our committee. Those wishing to participate in the upcoming 1980 music festival, in any capacity, may do so by calling me at 881-1256 or the Memorial office at 881-7511.

Looking forward to another summer of music,  
Yours truly,  
Hixie Boykin Sanford,  
Of Hillcrest road,  
General Chairman,  
Grosse Pointe Summer Music Festival

To the Editor,  
The Grosse Pointe public schools would like to thank the Detroit East Suburban Alumnae Chapter of Alpha Phi for the generous gift of a Resusci Baby to the school system.

We both have the common objective of promoting an understanding of CPR techniques and assisting as many as possible to gain a certification of proficiency.

You will be pleased to know that we have extended our introductory middle school program to the high school where 10th graders are now going through a certification experience, thanks to the assistance of volunteer trainers from the Grosse Pointe Health Education Council.

Your gift of a Resusci Baby will be very useful to us since, as you know, experience on a baby is an essential part of the certification process, and the school system has not had a baby of its own to work with in the past.

Thank you again for your most generous contribution to our educational program.  
Sincerely,  
Robert D. Welch,  
Director of  
Secondary Education  
(Editor's Note: This letter was sent to Margaret Dietz of the Detroit East Suburban Alumnae Chapter of Alpha Phi International Fraternity, Inc. A copy also was sent to the NEWS.)

In the mid-1970's the long debates over the feasibility of using computers in public libraries were over and progressive libraries began to acquire computers.

Grosse Pointe Public Library was the third library in the Detroit area to acquire a minicomputer. Bloomfield Township Public Library has had a minicomputer for three years and Sterling Heights has had a computer in operation for almost one year. All three communities are using equipment supplied by Computer Library Services, Inc. (CLSI).

Our computer will be used as an on-line circulation system and will replace our present photographic charge system.

The CLSI LIBS 100 Circulation Control System is an inventory system with on-line access provided through a minicomputer dedicated to circulation operations. Transaction data are recorded by a hand-held light pen reader designed to read bar-coded book and borrower's labels.

The system also provides for keyed data input by means of a keyboard/display terminal that is equipped with a cathode-ray tube, (CRT), screen.

The CLSI system is a multiple-terminal system requiring the use of two terminals — a light pen terminal for capturing bar-coded data and a keyboard/display terminal for entering keyed data.

The keyboard-display terminal also is used to retrieve and display information from the library's inventory and patron files.

The LIBS 100 Circulation System is based on four on-line files including the following:

- Patron file, (including delinquency information).
- Inventory file, (library holdings).
- In-circulation file.
- Hold file, (title on which hold requests or reserves have been placed).

Of the four data files required for system operations, two, (the in-circulation file and the hold file), are created automatically by the LIBS 100 computer programs. The other two, (the inventory file and the patron file), must be created by the library.

For each item owned, (or circulated), by the library and for each library borrower, we must create a machine-readable record. We are now in the process of creating such a machine-readable record or data bank.

Before the full potential of our computer can be realized we must enter all of our books, recordings, tapes, cassettes and 8mm film as well as our 30,000 borrowers into the data bank.

In all, about 170,000 separate entries will have to be made.

Library users will not see the results of our efforts for a few months yet, but there is a computerized library in your future.

Our CLSI computer and terminals were purchased from funds received from a bequest made by the late John J. O'Brien in memory of his wife, Louise Webber O'Brien.

**League Views Yugoslavia**

The Grosse Pointe Cinema League will present "Around Yugoslavia," a 18mm movie by Dr. Walter Theurle, when it meets in the War Memorial's Fries Auditorium, 32 Lakeshore road, on Monday, October 8, at 8 p.m. The public is invited to attend the program without charge.

The tour begins in Belgrade, a capital rich in culture. There are views of Zagreb, Ljubljana, and lovely Lake Bled where Tito has a summer home.

A visit is made to Postojna, which has the most extraordinary caves in Europe, continuing for a distance of 12 miles.

Rijeka on the Italian border is reached to begin a 1,000 kilometer drive along the Adriatic Highway. Zadar, noted for its fine collections of church treasures, and the ancient city of Split are photographed. There are scenes in delightful, ancient Dubrovnik, founded in the 7th century, and a boat trip to historic Hvar Island is made.

Of special interest are the views of Sveti Stefan, on the Albanian border, which is the terminus point of the Adriatic Highway. This entire medieval village with its narrow streets, fortifications and picturesque houses has been restored and converted into a vast hotel compound, with restaurants and shops.

The league welcomes new members to its ranks, with \$6 annual dues. A social hour for members follows the presentation.

**Park Approves Kercheval Bid**

A bid of \$144,933 for the first phase of construction along Kercheval avenue was approved by the Park Council at its Monday, September 24, meeting.

Phase one of the project will cover construction west of the Wayburn and Maryland road intersections which is part of an overall effort to revitalize Kercheval. The plan is designed by John Stevens and Associates and will extend up to Beaconsfield avenue.

Angelo Iafrate Company submitted the approved bid. Total Wayne County Community Development Block Grant, (CDBG), monies earmarked for the project total \$149,380 for 1978 and 1979.

The council delayed approval of phase two and three of the project until it is known how much funding will be received from the CDBG program for 1980 and 1981.

**Police Issue Kids' Warning**

With the new school year started, the City Public Safety Department wants to remind children and their teachers and parents about the danger of going with strangers.

City School Safety Officer, Sgt. George Brackx, reminds children of several basic rules. Never go for a ride with a stranger — no matter how friendly he may seem. When walking to school, try to walk with a friend and take the route which has been approved by the school.

If a stranger bothers you, try to remember what he looks like and what he is wearing. If he is driving a car, remember what color it is and write down the license number if possible.

Most important, if you are approached by a stranger call a police officer right away or report it to your teacher as soon as you reach school, Sgt. Brackx says.

**Know Your Schools**  
By Dr. William Coats,  
Superintendent of Schools

In last week's column I briefly explained the collective bargaining process as it operates in the Grosse Pointe Public School System, using the contract talks with the teachers' Local 1 to summarize the type of agreement that is negotiated.

This week I want to explain how negotiations ultimately conclude with the ratification of a new contract.

As bargaining proceeds, the teams representing the Board of Education and the employees consider proposals and counter-proposals on negotiated items until tentative agreements on those items are reached.

Once tentative agreement on a new contract is reached, it has to be accepted by the Board of Education and the membership of the employee association, which in our situation includes Grosse Pointe teachers and a Local 1 Bargaining Committee comprised of representatives from the other 15 school districts in Local 1 as well as our own district.

If the tentative agreement isn't ratified, it's back to the bargaining table in an attempt to work out compromises that will be acceptable to both parties. Should the negotiation process not produce tentative agreement on all issues, the situation is described as reaching impasse.

When that happens negotiations can be broken off until a later date, or the services of a mediator can be requested. Mediators are assigned to geographical areas by the Michigan Employment Relations Commission and are "on call" to enter negotiations at any time.

We are now at the mediation stage in our negotiations with Local 1. Because of the differences in the Board and Local 1 positions on economic and a couple of other issues, the services of a mediator were requested, and the one assigned to our district met with both negotiating teams on Tuesday, October 2.

If mediation does not result in reaching a tentative agreement, the mediator may certify that the situation calls for fact-finding.

If both sides agree to enter fact-finding, that process results in a state-appointed official coming into the school system to act as an impartial third party taking testimony from both sides, collecting data relative to the situation and then issuing a report recommending terms of settlement based on his findings.

The fact-finders' report can be the basis of a settlement, or it can be partially or totally rejected by either side. Fact-finding is often viewed as a last resort since there is no "official" process beyond that stage.

As can be seen from this brief summary of negotiations, there are many possible routes to take in reaching a new contract. Collective bargaining is a complex activity but eventually, through one means or another, new contracts get settled.

## From Another Pointe of View

It's time again for the "Meet the Director" party that launches the Assistance League to the Northeast Guidance Center's Broadway Rhythm Follies.

The 1979 edition of the musical revue will be presented November 1, 2 and 3, Thursday through Saturday, at the Performing Arts Center at Grosse Pointe North High School.

So the casting call is out . . . and we're all invited to show up at the Grosse Pointe Hunt Club Tennis House at 7:30 o'clock next Tuesday evening, to find out just who New York City's Jerome H. Cargill Company is sending out to whip the show into shape, to hear the director's plans, to share in the fun of the coming three weeks' rehearsals.

You say you're Johnny One Note with two left feet? Forget it! According to talent chairmen Mrs. Gregory Oates and Mrs. Douglas Cooke, no special talents are required to take part in the show, on stage or behind the scenes.

If you really panic at the thought of appearing in public, help is needed with make-up, sets, sound, lighting and costumes.

And anyway, as far as next Tuesday night is concerned: what have you got to lose? It's a no-charge party, (Mrs. George Shammass is chairing the event), with a cash bar, snacks and entertainment.

Still hesitating, but interested? The number to call for further information is 824-8080.

## October Is Month For Tour of Homes

Six Houses, Ranging In Style from French to Italian to Farm Colonial, Will Be Featured This Year

Plans for the annual Grosse Pointe Garden Center Tour of Homes have been finalized, and the weatherman warned to make sure Saturday and Sunday, October 20 and 21, are especially bright and beautiful.

Those are the dates for this year's tour. Hours both days are 1 to 5 o'clock. Six homes will be featured and tickets, at \$6 each, may be obtained in advance at Garden Center headquarters in the Grosse Pointe War Memorial, either in person or by mail, (be sure to include a stamped, self-addressed envelope for ticket return).

In charge of it all are general chairmen Mrs. Eric Erikson, Mrs. Bill O. Brink and Mrs. Arthur Schmidt.

Printing has been under the direction of Mrs. David C. Lowe, ticket distribution under the direction of Mrs. Monte J. Edelen who provided the Garden Center's 25 member clubs with admission and prize tickets. The prizes, donated by Grosse Pointe merchants, are an added feature this year.

Mrs. J. Lane Donovan is supplying Garden Center board members with tickets to sell. Tickets also will be on sale at the Garden Center and the individual houses during the tour.

The six houses in the 1979 spotlight range from Mr. and Mrs. John P. Jagger's traditional Colonial in Buckingham road to Mr. and Mrs. R. Alexander Wrigley's French

style residence in a delightful garden setting in Irvine lane.

Treasures from around the world are displayed in Mr. and Mrs. Charles A. Bigelow's Farm Colonial in Bedford road. Look for beautiful Pewabic tiling at the home of Mr. and Mrs. Palmer T. **Questers Slate Corktown Tour**

Grosse Pointe Chapter of Questers #147 will launch its 1979-80 season Friday, October 12, with a tour of Detroit's oldest surviving neighborhood: historic Corktown.

The area was first settled by Irish immigrants in the 1830's. Its houses, many recently restored, are of varied architecture, ranging from fine Italianate cottages and Federal rowhouses to Carpenter Gothic, Queen Anne and typical workmen's cottages from the pre- and post-Civil War periods.

The Questers will use an 1894 house in Leverette street which now houses the Claes Rare Book Shop as focal point for a walking tour covering churches as well as homes. Most Holy Trinity for instance, built in 1856, and Saint Peter's Episcopal. That parish was started in 1858.

Following the tour, the group will return to The Pointe for luncheon at Lochmoor Club. Chapter members may mail \$5 reservation checks either to Mrs. Richard Mertz or Mrs. Robert Palmer, who are in charge of arrangements for the day.

## Judith Domzalski Wed in September

**Christmas Vacation in Hawaii Is Planned by Lance Keeton Olsons, Who Are Married in Saint Ambrose Church**

A garden reception at the Windmill Pointe drive home of her parents, Dr. and Mrs. Henry M. Domzalski, with Chinese food and music by Tommy Baldwin's 16-piece orchestra and The Alumni's four-piece group, followed the wedding of Judith Lynn Domzalski and Lance Keeton Olson.

Father Walter Ziembra, of the Orchard Lake Schools, officiated at the Saturday, September 8, rites in Saint Ambrose Church.

The bride's gown of white Thai silk featured a squared neckline, tucked bodice and lace sleeves. Matching lace accented her skirt, and her long, lace-trimmed silk illu-

sion veil fell from a cap covered with silk appliqued lace and fishscale sequins.

She carried an arrangement of white roses, stephanotis, baby's-breath and ivy.

In varying natural tones shades of Thai silk, Nippon designer patterned, were honor maid Candi Royer and bridesmaids Deborah Curl, of San Francisco, Calif., sister of the bride, Patricia Domzalski and Janet Cooper.

Their dresses featured tucked fronts and were tied at their waistlines. Each carried a single, white glamelia, with rosebuds and ivy.

Nels Olson was his brother's best man. They are the sons of Mr. and Mrs. Oscar L. Olson, of Renaud road. Ushers were Chris Olson, Henry M. Domzalski, II, who came from Bangkok, Thailand, for the wedding, and Alan Domzalski.

The mother of the bride wore a short dress of pale mauve charmeuse, styled with a yoked neckline and baby doll sleeves. The bridegroom's mother selected a short, emerald green silk dress by Reika, and wore matching silk flowers in her hair.

The newlreds will reside in Grosse Pointe. They plan a Christmas vacation in Hawaii.

Out-of-town guests includ-

ed the bridegroom's grandmother, Mrs. Walter S. Keeton, of Boca Raton, Fla., the bridegroom's great-uncle and aunt, Mr. and Mrs. William E. Keeton, also of Boca Raton, and the bride's grandparents, Mr. and Mrs. Bruce S. Moulton, of Jackson.

More were the bride's aunts and uncles, Mrs. Robert DeWitt, of Grand Rapids, Mr. and Mrs. John Smith, of Adrian, and Mr. and Mrs. George Moulton, of Boyne Falls.

Still others were Mr. and Mrs. Ross Vutherland, of West Lake Village, Calif., and Mr. and Mrs. Bernard Powell, of Belleaire, Fla.

### Open Theatre Arts 69th Year

Theatre Arts opened its 69th season in mid-September with its annual Eva Woodbridge Victor Scholarship Tea, held this year at the Edsel & Eleanor Ford House, one of the last great houses remaining in America.

Receiving in the Elizabethan-style entry hall were Mrs. Paul M. Koch, president of the all-woman drama group, Mrs. J. Ross Bush, vice-president, and Mrs. Leslie C. Putnam, chairman of the day.

Acting as hostesses in the many ground floor rooms were the Mesdames James B. Doll, Ruth Wrock, William S. Turner, Jr., Ellsworth Allison, W. Victor Benjamin, Albert M. Bertel, William J. Coyle, James B. Conti, How-

ard M. Mordue and R. Gerald Jordan, Theatre Arts board members.

The tea table, arranged by Mrs. Benjamin and Mrs. Rex L. Brophy, was covered with a Rosepointe ecru lace cloth and centered with an antique English silver epergne with

five branching arms holding crystal bowls filled with miniature pink and white blossoms, blue ageratum and trailing ivy. It was flanked by a pair of tall Georgian candelabra with ivory tapers.

Committee members planning the afternoon were Mrs. John W. Nelson, Mrs. Marvin E. Beaupre and Mrs. Alexander Blain, III, in charge of reservations. Mrs. Ellwyn A. Gilbert, mailing, Mrs. Milton W. Volken, photography, and Mrs. J. Ross Bush and Mrs. William H. Bundeson, name tags.

Past-presidents invited to put included the Mesdames Putnam, Doll and Benjamin, Mrs. Glendon H. Roberts, Mrs. Julian G. McIntosh, Mrs. Edmund R. Shurley, Mrs. Francis B. VanDeusen, Mrs. James B. Steep, Mrs. Frank W. Hausmann, Jr., Mrs. Kenneth P. Locke, Mrs. Bernard Whitley and Mrs. Diamond T. Phillips.

Special guests included three honorary members, past-presidents Mrs. Steep and Mrs. Richard Forsyth and former board member Mrs. Dean Coffin.

### Set Salvation Army Auxiliary's Meeting

The Salvation Army Auxiliary has scheduled a meeting for 11 o'clock Monday, October 8, at Salvation Army headquarters in North Main street, Royal Oak, to be followed at noon by a brown bag sandwich luncheon—dessert and beverage will be served—and a program of Armenian folk dances by Dorothy Attarian Nowacki.

Reservations may be made by calling Mrs. Enid Gee, 642-5145, or Mrs. Frank Voorheis, 646-2309.

### A New Junior League Focus

The State Council of Michigan Junior Leagues has established a State Appointments committee that will begin to actively seek appointments on state level boards, commissions and advisory committees for qualified Junior League members.

Gail Kaess, president of the State Council and a past president of the Junior League of Detroit, believes that encouraging service on state level boards will add a dimension to something Junior Leagues have always been doing locally.

"The purpose of the Junior League speaks directly to the importance of citizens participating in their communities and their governments."

"It especially speaks to the importance of Junior League members with their excellent training and records of voluntary service in local communities participating ac-

tively on boards and commissions on the state level."

The Appointments committee will serve as a central resource and clearing house of information for seven Junior Leagues in the state representing a membership of over 3,500 women. It is being chaired by Loraine Mottern, of the Junior League of Flint.

Ruth Anne Baker represents the Junior League of Detroit on the committee.

The Association of Junior Leagues, Inc., is dedicated to the promotion of voluntary participation in community affairs, developing the potential of its members for such participation and demonstrating the effectiveness of trained volunteers.

There are 236 Junior Leagues with more than 127,000 members in the United States, Canada and Mexico.

## Watts to Play Two Concerts

Music Director Antal Dorati will be joined by young, black pianist Andre Watts in performances at Ford Auditorium with the Detroit Symphony Orchestra tonight, Thursday, October 4, and Saturday, October 6, at 8:30 o'clock.

The program includes Tchaikovsky's Piano Concerto No. 1 and his Symphony No. 4.

At 33, Andre Watts has already earned a secure place among the keyboard giants of the day. He has been a top-rank star ever since he made an unexpected and spectacular debut with the New York Philharmonic 16 years ago.

Born in Nurnberg, Germany, he studied music in Philadelphia and at the Peabody Conservatory in Baltimore. Since his DSO debut in 1963 he has returned three times.

He will repeat his performance of the Tchaikovsky Concerto No. 1 with Maestro Dorati and the DSO in Carnegie Hall next May.

Tickets for the Thursday and Saturday performances are \$11, \$9, \$8, \$7 and \$5. A limited number of \$2 tickets for students and senior citizens will be available at the box office starting at 7:30 o'clock concert nights.

## Pointe Alliance Plans Soiree Dansante

Photo by David Kramer

"Une Soiree Dansante au Chateau"—literally, "A Dancing Evening at the Castle"—promises to be the most outstanding event in recent years for the Alliance Francaise de Grosse Pointe. The "castle" is the Edsel & Eleanor Ford House, and Alliance members will receive invitations with reservation cards for themselves and their guests, with details as to subscription price

and deadline, especially important as attendance is strictly limited to 150 people. Among those planning the festive evening are, (left to right), Pointe Alliance board members MRS. FREDERICK J. SCHROEDER, JR., MRS. NEAL NYLAND and MRS. SYDNEY NEWHOUSE, Vice-President MRS. RUSSELL H. AXSOM and President PATRICK CARRON.

Party date is Saturday, October 27. Hours are 6 to 9 o'clock. Cocktails and wine, cheese and an array of hot and cold hors d'oeuvres will be served, and the Trio Vieux Carre will provide the dancing music.

The soiree dansante is the annual fund raiser which makes summer study in France and Canada possible for students who win scholarships after taking written and oral examinations each spring under auspices of the Pointe Alliance. This spring will mark the seventh year the scholarships have been awarded.

The Ford House, designed by Albert Kahn and completed in 1928, is located on a 65-acre tract bordering

Lake St. Clair. Mr. and Mrs. Ford lived in the house until their deaths in 1943 and 1976 respectively, after which Mrs. Ford's will specified that the property be maintained "as an historical and cultural center which will be of service to the public."

At the soiree dansante, Pointe Alliance members will view the entrance hall staircase from England's Lyvedon Hall, the dining room's 18th century pine paneling and chimney piece from Clock House, also in England, and in the gallery, where the Ford family enjoyed holiday gatherings and where the dancing will take place October 27, the stained glass windows and Gothic linenfold paneling from Wolleston Hall, Worcestershire, England.

They may find themselves drawn to the study, with its Elizabethan paneling and chimney piece, its collection of photos and memorabilia. This, Edsel Ford's private room, has not been changed since his death.

They may examine the Jacobean architectural details of the library, a special place for Mrs. Ford, who was an avid reader, wander into the charming morning

Spring quarter Dean's List students at Wheaton College, Wheaton, Ill., included BETTE JUNE DOBBIE, of Clairview road, and RUTH-ANN SEARS, of Yorktown road.

CAREY A. FORD, daughter of MR. and MRS. HORACE C. FORD, of Fair Acres drive, achieved highest honors for the spring term at Skidmore College.

## Fall Luncheon Slated For Gamma Phi Beta

Mrs. Jack Mills will act as hostess for Gamma Phi Beta Alumnae's fall luncheon Saturday, October 13, at the Detroit Boat Club. The program, open to all Gamma Phi Betas who may call Mrs. Mills at 886-4368 for reservations, starts at 11 o'clock, when everyone will have an opportunity to meet the province alumnae director, Mrs. R. L. Howes, of Grand Rapids.

## Eric Eychenne Will Perform

The Alliance Francaise de Detroit and the Theatre Arts Department of the Detroit Institute of Arts will present Eric Eychenne, dramatic actor, producer and director from France, in a performance Saturday afternoon, October 6, at 2 o'clock in the museum's Lecture Hall.

Tickets will be available at the door. The performance is free to members of the Detroit Alliance upon presentation of a membership card, \$2 for Founders Society members, \$1 for students and

\$3 for the general public. This is the first time Mr. Eychenne has performed in the United States, but he has toured his production of "Les Characters de La Bruyere," a portrayal of historical persons and events from 1654 to 1696, throughout Europe, the Middle East and Africa.

His stage is furnished with five chairs. In the style of Theatre of the Imagination, he employs a mime technique, with the use of a piece of string and intensified light to create doors, windows and other stage settings.

## Church Women Make Date for Fall Frolic

Changing fall colors, crisp country air, azure skies, fresh apple cider, a visit with old friends and time to meet new ones... sounds like the Impossible Dream?

Not at all! Grosse Pointe Memorial Church Women's Association Fall Frolic next Tuesday, October 9, promises all of the above—and much more.

Following a brief business meeting at 9:30 in the morning in the women's lounge at the church, it will be all aboard a chartered bus for a pleasant "leave the driving to us" autumn color tour to Presbyterian Village East in New Baltimore.

The Village residents will be guests of the Women's Association for a box luncheon served by Mrs. Thomas Quilter and Mrs. Arthur O. A. Schmidt, plus cider and doughnuts fresh from the mill.

Mrs. Charles A. Parcels, Jr., program chairman, has arranged for William De-Turk, Memorial Church organist, and Mrs. David T. George, director of Christian Education, and her puppets

to present a joint entertainment.

Then Memorial Church members Mrs. Hamilton Butler and the Misses Agnes Crow and Lou Howard and other residents of the Village will host a mini-house tour

and answer questions about Village life.

The bus tour, under the direction of Mrs. Alfred Grow, will return to the church by 3 in the afternoon. Reservations may be made by calling 882-5330.

## Pregnancy Aid Seeks Helpers

Pregnancy Aid, a non-profit organization that offers emotional and practical support to women with unplanned or unwanted pregnancies, will sponsor a training session for volunteers in Meeting Room A at Saint

John Hospital next Wednesday, October 10, from 9 o'clock to noon.

Featured speakers will be Dr. John Tulloch, practicing gynecologist, who will discuss Fetal Development, Physiology of the Pregnant Woman and Medical Considerations of Abortion, and Gail Cycione, head social worker at Marillac Hall, who will detail positive, non-judgmental ways the volunteer can help a woman with a distressing pregnancy.

Other subjects to be discussed include Philosophy of Emergency Pregnancy Services, Qualifications of the Volunteer, Services to the Client, Legal and Social Considerations and Interviewing and Assisting Clients.

Volunteers are needed to staff the Pregnancy Aid office, located in Mack avenue. Further information may be obtained by calling Barbara D'Annibale, recently-elected vice-president of Pregnancy Aid, 881-6328, or Dolores Blohm, recently-elected president, 886-6056.

Other new officers are Carol Shipton, corresponding secretary, Ann Garska, treasurer, and Nancy Patek, recording secretary.

The Alternatives to Abortion organization is holding its monthly meeting at Saint John Hospital tonight, Thursday, October 4, at 8 o'clock in Meeting Room B.

Speaker is Joseph Zanglin, an attorney in the Pro-Life Movement, who will discuss the case he is appealing to the Michigan Supreme Court to stop Governor William Milliken from paying for elective Medicaid abortions with tax dollars.

Guests are welcome. Refreshments will be served before the meeting.

## Inside the Mothers Club

Ready to set Grosse Pointe South High School Mothers' Club activities in motion for the new school year were 38 executive board members who met Monday, September 10, at the home of their president, Mary Krueger.

Guests were Principal William Mogk and Assistant Principal Frances French, who presented an update on new instructional programs, new faculty and the progress of the new Industrial Arts Building construction.

Plans for Homecoming Saturday, October 13, were discussed by Lois MacLeod, chairman, who reported that float homes and pom-pom parties have been set. Nine floats will be featured this year: one from each class as well as Band and Orchestra, Foreign Exchange Club, German Club, SAE and Key Club and Pointe Players.

A 10th float will be submitted by Richard Elementary in commemoration of that school's 50th anniversary.

Festivities will include a pancake breakfast, the parade and ceremonies preceding the football game and the Homecoming Dance that evening.

Another date to remember is Friday, October 19, when the Mothers' Club fall benefit to raise money for scholarships will be a production of

Calif., brother of the bride. The mother of the bride wore a dress fashioned of two shades of pink chiffon. Pink rosebuds formed her wrist corsage. The bridegroom's mother selected a dress of aqua-green chiffon, and a wrist corsage of yellow rosebuds.

"Guys and Dolls" at the Alger Theater.

Peggy Fox, chairman, hopes parents, students and friends of Grosse Pointe South will fill the Alger that evening. Patron tickets are \$10, general admission \$7.50, student admission \$5.

Neighborhood Groups coordinators Norma Eschenburg and Sally Page reported that two discussion groups were ready to meet in October, one on the first Thursday, the other on the second Monday of the month. Mr. Mogk will speak at both meetings.

The board met last Monday, October 1, at 12:30 o'clock in South High's Auditorium. Membership in the Mothers' Club is open to anyone who sends \$3 to the Grosse Pointe Mothers' Club, Grosse Pointe South High School, 11 Grosse Pointe boulevard, Grosse Pointe Farms, Michigan 48236.

The dues cover operating expenses, a Newsletter and the Mothers' Club calendar and information packet distributed to every school family at registration.

The club provides many services to the school, and is an invaluable link between the school and the home.

## Pointe Symphony Women Are Busy

"Meet the Masters" Music Openings Monday; Luncheon Program Is Set for Thursday at Grosse Pointe Yacht Club

The Grosse Pointe Symphony Women's Association begins its new season next Thursday, October 11, with "Ms. America: The Music That Keeps Her Spirit Alive," a program by Kerry Price Gower.

Chairman of the day is Mrs. George Cotichio, who has scheduled a business meeting for 11 o'clock, the program at noon and luncheon at 1 o'clock, all at the Grosse Pointe Yacht Club.

Tickets are \$8.50 per person. Reservations may be made by calling 885-4846.

Hostesses will be the Mesdames Ellwyn Gilbert, Harold Lee, William Butler and Anthony Vermeulen, and new officers will be on hand to greet members and guests.

The Pointe Symphony Women are headed this year by Mrs. Michel Skaff as president and Mrs. Peter Tocco and Mrs. Carl Weideman as first and second vice-presidents, respectively.

Recording and corresponding secretaries, respectively, are Mrs. David Sutter and Mrs. Gerald Stoetzer. Mrs.

John Lazar serves as treasurer, Mrs. Ralph Urso as assistant treasurer.

Mrs. Tocco, as program chairman, arranged for Ms. Gower's appearance. She has been writing and performing one-woman programs for several years, appears in the new volume of "Blues Who's Who" and promises to be educational as well as entertaining. She welcomes a bit of audience participation, too.

This Monday, October 8, and for four succeeding Mondays from 1 to 3 o'clock in the Exhibition Room of the Grosse Pointe Central Library, Kercheval Avenue at Fisher road, Ruth Kaiser invites Pointers to "Meet the Masters" in her music appreciation course for beginning listeners.

Class chairman is Mrs. Elmo Joseph. Fee for the

five-session series, sponsored by the Grosse Pointe Public School System's Department of Continuing Education and the Grosse Pointe Symphony Women's Association, is \$12.50.

Mrs. Kaiser, the instructor, a graduate of the Eastman School of Music who has lectured for the Cleveland Symphony Orchestra Music Appreciation Courses and for the Detroit Symphony for many years, has written the

Grosse Pointe Symphony's program notes since 1966. Records, piano, theme sheets, lectures and discussions will be used to illustrate the lives, times, personalities and styles of the composers to be studied. Music from the Grosse Pointe Symphony's 1979-80 concert season will be reviewed. Further details and registration may be obtained by calling 343-2178.

## Gail Ureel Married In Early Autumn

Rites at Which She Is Wed to Volker H. E. Elste Are Followed by Reception at Grosse Pointe Hunt Club

Gail Evelyn Ureel spoke her marriage vows Saturday, September 8, in Grosse Pointe United Methodist Church to Volker H. E. Elste. The 5 o'clock rites at which Dr. Robert Ward presided were followed by a reception at the Grosse Pointe Hunt Club.

After vacationing in Hawaii, on the island of Maui, the newlyweds will be at home in Seattle, Wash., where both are with Boeing, she as a resource controller with Boeing Computer Service, he as a naval architect.

The bride, daughter of the Andrew Ureels, of Sunningdale drive, wore a gown of pure white satin, cinched at the waist, accented with pearl buttons and featuring bishop sleeves.

A white satin band, flowers and netting accented her Fedora style hat. She carried

of Pittsburgh, Pa., to act as best man.

Ushers were Mr. Mott, Russell Ureel, the bride's brother, and James Meyer, of Ann Arbor.

The bride's mother's mint green, shirtwaist style gown with a chiffon overlay featured a long, double-cuffed chiffon sleeves. The bridegroom's mother's gown of iced aqua Qiana was accented-pleated, belted at the waist and featured a Grecian style bodice.

Each mother wore a wrist corsage of silk flowers and baby's-breath.

Out-of-town guests included Mr. and Mrs. Dieter Koch, of Bremen, West Germany, Alyce McMahon, of Boston, Mass., Dr. and Mrs. Dieter Hoffman, of Joliet, Ill., the W. R. Mahons, of Lexington, Mass., Mrs. A. T. Lent, of Lexington, Mass., and Mr. and Mrs. John Torell, of Somerville, Mass.

## Group Formed to Air Mastectomy Problems

By Ann Wallace

Post-mastectomy patients experiencing depression, anger, or asking the question "Why me?" might be able to resolve some of their frustrations and probable sense of loneliness by enrolling in a therapy group where education and family counseling will be the focal points.

Coping with those feelings by a wife, mother, sister, aunt or grandmother who has had a breast removed, and other family members, particularly the husband and children, indeed can be a frustrating situation, according to Nita Mikos, a registered nurse who will be the counselor and organizer of the program.

A post-mastectomy patient herself, she has experienced the gamut of these feelings and is desirous of helping others.

"I want to stress that we will be a supportive group. Solutions to problems can sometimes be discovered by open and easy discussion," notes Ms. Mikos.

"A husband often feels responsible for his wife's disease. We hope to counsel him, or a brother or father, in perhaps a 'men only' group session. We are open to all suggestions as to the best way to help an individual cope with the disease."

Part of the program will involve education. Participants will be encouraged to have frequent check-ups by an oncologist, an internist specializing in care of cancer patients, following through with any advice for keeping the disease in check if possible.

"Family members tend to be overprotective of the mastectomy patient," notes Nita. "They are afraid to question her about the surgery."

"This is a mistake," Ms. Mikos continues, adding that the mother or wife should discuss her physical condition with her family so that they will know what to expect in the future.

Her group will be no larger than about eight to 10 people. All will be encouraged to share their problems with one another and with the counselor.

Every day, researchers discover new methods of cancer treatment, notes Nita, who adds that "it is essential that the patients keep up to date on all knowledge that applies to their particular physical condition."

Surgery has not slowed down or diminished the enthusiasm Nita feels for activities in her life, such as a love of the theater and the fine arts.

"I also love to sing and enjoy it immensely. I also

## Bartlett-Sprentall Nuptials Are Held

Traverse City Is Setting for Marriage Early in Summer; Newlyweds Vacation in Upper Peninsula

Roy Fraser Bartlett claimed Cynthia Sue Sprentall as his bride Saturday, June 2, at a noon ceremony in Traverse City's Immaculate Conception Church. She is the daughter of Mr. and Mrs. Gerald Sprentall, of Traverse City. He is the son of the William Bartletts, of Holiday road.

The ceremony at which Father Eugene Tuller presided was followed by a reception in the Nordic Room of Traverse City's Holiday Inn, after which the newlyweds left to vacation in Michigan's Upper Peninsula.

They are now at home in Detroit. They are both Ferris State College alumni. She holds an Associate of Applied Science degree in Architectural Drafting and a Bachelor of Science degree in Management. He holds an Associate of

Applied Science degree in Automobile Service and is currently employed by Wolverine Tractor and Equipment Company.

The former Miss Sprentall selected an organza gown accented with rosebuds on silk Venise lace for her marriage. It was fashioned with an Empire bodice, bishop sleeves, a high, lace neckline and an A-line, flounce-hemmed skirt extending into a chapel train.

Her lace-edged, fingertip length illusion veil was held by a Juliet cap. She carried a cascade of daisies and baby's-breath.

She was attended by Cynthia Cantwell, of Port Huron, her college roommate, in a

sleeveless, A-line, sunshine yellow knit with a floral print overlay. Yellow streamers accented her round bouquet of daisies and baby's-breath.

Bryan Bartlett was his brother's best man. Ushering were Chris Bartlett, another brother, John Bair, of Fenton, a college friend, and Anthony Flynn.

The mother of the bride wore an A-line, peach knit dress, styled with a gathered bodice and a sheer overlay gathered at her wrists. The bridegroom's mother chose floor length, hand-crocheted, eggshell white linen.

Daisies and baby's-breath formed each mother's corsage.

## The Richard Smiths

Photo by Collingwood Studio

Wedding vows were spoken in Saint Paul's-on-the-Lakeshore Saturday, June 30, by SUSAN MAREE D'HOOGHE and Mr. Smith, son of the Charles F. Smiths, of McHenry, Ill. The Parnell C. D'Hooghes, of St. Clair avenue, are the bride's parents.

## Susan D'Hooghe Wed in St. Paul's

Richard Walter Smiths Vacation in San Francisco Following Their Summer Marriage; Are at Home in Lansing

Saint Paul's-on-the-Lakeshore was the setting Saturday, June 30, for the wedding of Susan Marie D'Hooghe, daughter of Mr. and Mrs. Parnell C. D'Hooghe, of St. Clair avenue, and Richard Walter Smith.

The 2 o'clock, double ring ceremony at which Father Michael A. Donovan presided was followed by a reception at the Shores Club.

The newlyweds vacationed in San Francisco. They are at home in Lansing.

The bride's Empire-waisted gown of organza over satin featured a bodice of Alencon lace and triple-tiered organza butterfly sleeves. Her chapel length, illusion veil fell from a pearl-studded Alencon lace cap.

White roses, stephanotis, baby's-breath and ivy formed her Colonial bouquet.

In lemon yellow frocks styled with Empire waists and butterfly sleeves of chiffon were honor maid Mary L. Donnelly, of South Bend, Ind., and bridesmaids Mrs. James Gilhool, the bride's cousin, and Mrs. Scott Bright. They wore yellow straw

picture hats and carried baskets filled with ivy, yellow daisies and baby's-breath.

Flower girl Erin Smith, the bridegroom's niece, wore an Empire-waisted, floor length dress of white embroidered eyelet, styled with short, puffed sleeves and sashed in yellow ribbon, and carried a miniature of the senior attendants' basket bouquets.

Dennis Smith was his brother's best man. They are the sons of Mr. and Mrs. Charles F. Smith, of McHenry, Ill. Ushering were James Smith, another brother, and James Mitchell, of Grand Rapids.

The mother of the bride wore a coral Lycra gown featuring long, chiffon sleeves. She pinned cymbidium orchids to her purse. The bridegroom's mother chose a sleeveless dress of yellow chiffon, with a matching jacket. Her flowers, too, were cymbidium orchids.

## History Focus for Two Tours

The Detroit Historical Society has scheduled two special tours during October: a day-long visit to Owosso this Saturday, October 6, and an evening tour and organ concert at three of Detroit's historic churches next Thursday, October 11.

Reservations for both are being handled through the society's offices in the Detroit Historical Museum, 833-7934.

The trip to Owosso, first settled in 1830, leaves from the museum at 9 in the morning and is scheduled to return at approximately 5 o'clock. Transportation to and from the city of 19,000, located between Lansing and Flint, and luncheon are included in the \$18 per person tour fee, (\$15 for Historical Society members).

Owosso was a center of the woodworking industries which flourished during Michigan's brief reign as the nation's leading lumber producing state. It was home for many designers and skilled craftsmen whose homes, reflecting their talent and success, will be viewed, in their century-old, beautifully-preserved neighborhoods, by tour participants.

Tracker organs at Cass Avenue Methodist Church, Saint John-Saint Luke Evangelical Church and Saint Joseph's Roman Catholic Church will be spotlighted in next Thursday's tour, which starts from the Historical Museum at 5:15 o'clock.

Cost is \$8, including transportation and supper. Thomas M. Kuras will be the organizer.

## Short and to the Pointe

(Continued from Page 15)

Among Michigan State University students participating in recent field study programs was RUTH ANN DAVEY, a junior History major, daughter of MR. and MRS. W. EDMUND DAVEY, of Allard road, Ruth, a Grosse Pointe North High School, 1976 alumna, was a curatorial assistant at the Wilson House properties of the National Trust for Historic Properties, Washington, D.C. She is a member of Phi Alpha Theta history honorary and plans graduate work in Museum Studies. CHRISTINE GUASTELLA, a June 1979 graduate with a Bachelor of Arts degree in Personnel Administration, daughter of MR. and MRS. WILLIAM GUASTELLA, of Aline drive, compiled a report on training programs

for state employees at the state department of Civil Service, Lansing, where she also served on the training plan advisory committee.

JAMES G. MILLER, III, Grosse Pointe North High School National Honor Society member, received the Rotary Club Band Award for the outstanding senior during the school's awards assembly in May.

Grosse Pointe North High School student MARY E. HAUG joined 700 high school students from across the nation in the sixth annual Engineering/Science Seminar and Workshop at the United States Naval Academy during June.

SUSAN DANAHAR, daughter of the JOHN DANAHARS, of Cloverly road, received a Bachelor of Arts degree during spring commencement at Hamilton College, Clinton, N.Y.

## Fair for Scandinavian Symphony Is Slated

The Scandinavian Symphony Women's Organization will celebrate the symphony's Golden Anniversary season with a fall fair Wednesday, October 10, from 10 in the morning until 3 in the afternoon at the Finnish Cultural Center in Farmington Hills.

Imports, baked goods, handicrafts, gifts and attic treasures will be featured. There is no admission charge for this annual event, the women's main fund-raiser to support members and needs of the orchestra.

Open-face Scandinavian sandwiches will be available between 11 and 1 o'clock. Chaired by Marilyn Arnold and Avis Rupp.

Participating in the 42nd annual Senior High Music Division of the Midwestern Music and Art Camp at the University of Kansas were DUNCAN CONNELL, of Hawthorne road, tenor, and PETER JACOBUS, of Hawthorne road, bass.

United States Navy Seaman KURT M. FORRESTER, a Grosse Pointe North High School 1978 graduate, son of the EDWARD J. FORRESTER, of Saint Clair avenue, has completed the Navy's Basic Electricity/Electronics Course at the Naval Training Center, Orlando, Fla.

## Rummage Sale Opens Friday

Grosse Pointe Woods Presbyterian Church's 38th annual rummage sale opens tomorrow, Friday, October 5, and will continue through Saturday, October 6, at the church in Mack avenue.

This year, it will include a boutique as well as sections for men's, women's and children's wear, shoes, linens, hats, purses, scarves, toys, picture frames, Christmas decorations, books, electrical items, furniture, jewelry and household items — and, as always, there will be a doughnut, coffee and pop counter to refresh browsers and buyers.

The sale involves all members of the church: men, women and children. Among the families helping this year are the Aifred Goolsbys, the William Kamms, the Robert Goodhands, the Bud Gilbert, the Cecil Halberts and the Benjamin Thomases.

More are the Earl Bonahoms, the Earl Nelsons, the Ray Glens, the William Bakemans, the Richard Pipers, the Don Millages, the Ken Ryans, the Carl Asmuses, the Dan

Flemings, the Art Drummonds, the Hugh Larners, the Bernard Kirks, the Glen Himmelsbaughs, the Dan Schofields, the Frank Komerskas, the George MacDonalds, the William Elliotts and the Clarence Betzings.

## Luncheon Meeting Set For Inservice Council

This month's Southeastern Michigan Inservice Council luncheon meeting is set for tomorrow, Friday, October 5, at Georgian Inn, where registration begins at 11:30 o'clock and guest speaker Jane Gardner, R.N., B.S., director of the Department of Nursing Education at Saint Joseph's Mercy Hospital, Port Huron, will discuss Innovations in Inservice Education. Reservations, at \$6 for the luncheon and program, \$3 for the program only, were accepted through yesterday, Wednesday, October 2. Further information on the council, its purposes and activities, may be obtained by calling Angela Willis, 469-5322, or Joyce Masterson, 836-1700.

## The Roy F. Bartletts

CYNTHIA SUE SPRENTALL, daughter of the Gerald Sprentalls, of Traverse City, and Mr. Bartlett, son of Mr. and Mrs. William Bartlett, of Holiday road, were married Saturday, June 2, in Immaculate Conception Church, Traverse City.

## Detroit Medical Center Auxiliaries Look Ahead

Soaring gasoline prices and the increasing number of two-income households are beginning to have an impact on volunteer programs at hospitals in the Detroit Medical Center, and members of those hospitals' six auxiliary organizations met Tuesday, October 2, to consider ways of dealing with three areas related to the volunteer shortage.

Discussed were the need for better public transportation serving the DMC, especially from the eastern areas of Detroit and its suburbs, and the possibility for tax reform that will increase the present mileage allowance of seven cents per mile for volunteers, plus the possibility of a coordinated recruitment program — and, possibly, a restructuring to accommodate "non-traditional" volunteers.

This is the second time a joint meeting has been called by the DMC's member institution auxiliaries, according

to Mrs. Perry TeWalt, of Lincoln road, president of the Rehabilitation Institute Auxiliary and coordinator of the conference.

"The Medical Center is a large community, one that is important to the city, and we want people to know that we have some concerns," she noted.

The meeting at the Engineering Society of Detroit in the Rackham Building began with a noon luncheon. The program, which started at 1 o'clock, featured guest speakers Neal Shine, managing editor of the Detroit Free Press, and John M. Danielson, president of the Detroit Medical Center Corporation.

The administrators of each of the member institutions, Children's Hospital of Michigan, Detroit General Hospital, Harper-Grace Hospitals, Hutzel Hospital, the Rehabilitation Institute and Wayne State University, also were invited to participate.

Last year, the Medical Center's more than 1,000 volunteers spent a total of 28,000 hours working with staff, patients and visitors.

Three Pointers are presidents of DMC member institution auxiliary groups: Mrs. TeWalt, Mrs. Gerald A. Bell, (Harper Division of Harper-Grace Hospitals), and Mrs. Robert Nicolini, (Hutzel Hospital).

The other presidents are Mrs. Marvin Jewel, of Pontiac, (Children's Hospital of Michigan), Mrs. Richard May, of Birmingham, (Detroit General Hospital), and Mrs. Harriet Bernstein, also of Birmingham, (Wayne State University).

Pointers serving as officers in auxiliaries at the DMC include Mrs. Arthur Johnson, Mrs. James Gotham, Mrs. John Schneider, Mrs. Paul Ruble, Mrs. Frank Jacobell, Mrs. Robert P. Jarvis, Antoinette D'awood, Mrs. Frederick Keydel, Mrs. Richard Rabbideau, Mrs. Russell Peebles, Mrs. Charles Insley, Lou Couger, Audrey France, Mrs. Lee McKinley, Mrs. Mary Jean Harland and Mrs. Irene Weed.

Other officers are Mrs. Carol Fellows and Mrs. Donald Rue, of Dearborn, Mrs. Angelo Colasanti, of Mount Clemens, and Detroiters Mrs. Cora Thomas, Julie Petersmark, Avon Artz, Mary Benedetti and Jean Patenge.

## Workshop Day For Jenny Lind

Jenny Lind Club members gather next Tuesday, October 9, at the Lochmoor boulevard home of Mrs. Walter Wood for a workshop on making Swedish straw Christmas ornaments, conducted by Mrs. Olof Fornell.

The tea committee includes Mrs. Charles Brown, chairman, Mrs. Gordon Buehrig, Mrs. Ronald Woodhouse, Mrs. Charles Koebel and Mrs. Robert Peebles.

Newly-elected officers of the club include Pointers Mrs. Carl Johnson, president, Mrs. Ted Nichols and Mrs. Fred Flom, first and second vice-presidents, respectively, Mrs. Tore Franzen, historian, and Mrs. Edward Genberg, International Institute representative.

## Grand Marais Club to Meet

The Grand Marais Garden Club will gather at noon Monday, October 8, in the Lakecrest lane home of Mrs. Arthur Schmidt who will be assisted by co-hostesses Mrs. John Foley and Mrs. Carlisle Rueger, for luncheon and a business meeting followed by Alice Aldrich's program on Gardening Under Lights.

## From Another Pointe of View

(Continued from Page 15)  
Original Old World Market which opens today, Thursday, October 4, and will run through Sunday, October 7, at the International Institute in East Kirby street, in Detroit's Cultural Center.

Operating a gift booth for Friends of Polish Art, featuring art, handicrafts and dance costumes imported from Poland, are Mr. and Mrs. Robert Ramsey, of Grayton road.

The Herman Goliniks, of Balfour road, are presenting dough art dolls, based on a traditional handicraft of South America but adapted to American tastes, they have made themselves.

"We spent the summer receiving hundreds of dollars worth of merchandise mailed from Poland," Mr. Ramsey reports. "Among our most popular items are beautiful paper cutouts called Wycinanka. We also offer notecards with the cutouts, and we publish a book on how to make Wycinanka."

Mrs. Ramsey is of Polish descent. Her Scottish-descendant husband has embraced the Polish cultural heritage in their joint participation in Friends of Polish Art.

He imports ceramic and wood works of a noted Polish artist direct from his studio in Poland, as well as wooden toys, dolls and carved boxes. Much of the art is cottage crafts, purchased by Friends of Polish Art when they visit Poland and brought home or shipped later.

"Our dolls are little and plump and a favorite for Christmas ornaments," says Mr. Golinik. Among his most popular items is a little snowman holding a banner from the University of Michigan, Michigan State—or any school the customer would like.

Mrs. Golinik learned the technique of molding the dolls from regular dough after the dough has been vividly dyed with vegetable coloring, baking the figures in the oven, then polyurethane-glazing them, when she lived in South America.

The Goliniks' Dough Art Unlimited began as a personal pastime, to decorate their own tree. Now they also make Christmas wreaths and decorative wall plaques.

Four other Pointers have been active in the planning of this year's Old World Market. Dr. John Ehrlich is a member of the Market plan-

A FAMILY HOME ...  
AS BEAUTIFUL AS IT LOOKS!

**654 PEACH TREE**

Close to the Hunt Club, in one of the Woods most desirable areas, there's one very special four bedroom, 2 1/2 bath Colonial waiting for your review. There's an attractive family room with fireplace, an oversized 2 1/2 car garage, and a delicious mid \$150's price that's thousands under any other comparable home now offered ... and you can see why Sunday.

DON'T BE FOOLED BY THE APPEARANCE -  
THERE'S A SEPARATE APARTMENT FOR YOUR  
MOM, DAD OR LIVE-IN HELP!

**22425 VAN - ST. CLAIR SHORES**

(East Jefferson, just East of 11 Mile Road) If you need a very nice apartment for Mom or Dad, then this fine newer custom built Colonial is absolutely perfect! It's like two residences in one, and perfectly legal for an immediate relatives use. Talk about quality, when a skilled carpenter builds his own home it shows! Attached garage, large rooms, handsome family room with fireplace, and a beautiful landscaped yard with a patio are just some of the many exciting extras you're going to see ... and don't forget to bring Mom or Dad ... it's that nice ... \$92,500!

THE PICTURE IS DECEIVING:

**21838 VAN K**

Look as hard as you wish ... you aren't going to believe there's three bedrooms, one full and two half baths, a cheerful laundry room, two great big family rooms, and a paneled office, plus a modern kitchen in there ... but there is. There's immediate occupancy and the price is so low, we're embarrassed ...

IF YOU DARE TO BE  
DIFFERENT -

**THEN IT'S TIME YOU CONSIDER  
16921 E. JEFFERSON**

It isn't a residence for the "button down" collar group ... it wasn't meant to be. When you see the exciting master bedroom with it's own private elevated studio and the luxurious bath it's enough to cause the heart to beat a bit faster. Yet a home can be romantic and practical too, as you'll see by the first floor laundry, just off one of the finest kitchens now available in this price range. And there's so much more ... See for yourself if you're curious; make it yours if you dare!

SUPERB RANCH - SPECIAL PRICE!

**25950 MADISON CT.  
10 MILE & HARPER**

Executive ranch in St. Clair Shores ... How would you like a Land Contract at 10%, or to assume a \$40,700 existing mortgage at 8% on this fine "Thiel Built" Custom Ranch? The list of custom features will please you as much as the drastically reduced price! See you Sunday!

**AND BY APPOINTMENT, PLEASE**

THE ADDRESS - 1153 WHITTIER

**THE RESIDENCE - SPECIAL!**

If "postage stamp" lots depress you, rejoice. There's 27,225 sq. feet of well landscaped "estate" to set off this superb family Colonial. 3 generous bedrooms, 2 1/2 baths, two fireplaces, and lots of closets await, as does the generous family room and attached 2 1/2 car garage ... and a major price reduction just made it much easier to call yours!

A petticoat with a rounded tulip bottom is made so the slit can be moved from the front, side or back. It comes in the newer length, of course, and in nude or black. Speaking of lengths, an opaque Tricot slip and petticoat can be cut at the bottom to needed length with no hemming. The color choice is white, nude or black. Then there is the strapless slip in graduated cup sizes B and C. It comes in street length or formal length, both have detachable straps and the color is nude. Risque by Lily of France comes in sheer toffee or black and is available in three-quarter or full cup bra. Lilyette has a new minimizer bra perfect for the fuller figure. The one piece, light weight Body Briefer by John Kloss gives you a smooth line under any fashion. Stretch briefs come in several figure styles and lengths. For "at home" choose Halston IV. There's a black wrap that is both beguiling and comfortable. An entertaining Halston IV plunges at the neckline both front and back and comes in flattering turquoise. Beautiful gown and robe sets, nighties both long and short and cozy robes are waiting for you at Walton-Pierce.

GERALD L. STOETZER, OF LITTLESTONE ROAD

By Janet Mueller

The violin is 50 years old, "and I've been playing longer than that," says Gerald Stoetzer. Back at Southeastern High and during undergraduate days at Valparaiso University, it was school orchestras, (although in his senior year at Valparaiso, he did play in the Gary Philharmonic, a community orchestra), but after high school there was no more formal music study.

And after Valparaiso where, as editor of the yearbook in his junior year, he "knew the middle initial of every one of the 600 students," there was Law School at the University of Michigan, marriage to Muriel, World War II, then back to the law firm he'd joined in 1938. He's now a senior partner in that 40-lawyer firm: Clark, Klein and Beaumont.

And the violin lay in its case most of the time. Certainly during the war, when Gerald Stoetzer went from basic training in Texas to Paris, via Chicago and London, crossing the Channel on D-Day plus 90. He was with the Judge Advocates Office and, since London was under buzz bomb attack, it was deemed advisable to get to Normandy, "where it was safer."

Law in The Field So the army lawyers camped, did their legal work in tents and huts, followed Patton as he raced across France, arriving in Paris two weeks after liberation. There were still barricades in the streets, and burning tanks.

Gerald Stoetzer spent a year in Paris at the United States headquarters for law, assigned with eight other lawyers to the Military Justice section, reviewing cases for Eisenhower who, as a commander in the field, had presidential powers. "We reviewed all cases involving officers, all death sentences." They dubbed themselves "Ike's Nine Young Men," (it was irresistible), and had their picture taken in the traditional Supreme Court pose, with the Eiffel Tower in the background, (that, too, was irresistible).

Frankfurt, Germany, was the final stop before coming home. And, at home, the violin still stayed in its case most of the time. There was a career to resume, and a growing family.

They're grown now, and with the arrival of "twin granddaughters" this year — Anna Stoetzer in Seattle, Wash., on Valentine's Day; Barbara Joy Bockelman in

## Short and to The Pointe

(Continued from Page 23) MARGARET EDMONDSON, of Whitcomb drive, has been elected president of Alpha Lambda Delta national freshman and sophomore honor society at Kalamazoo College where she has completed her freshman year.

Missouri Military Academy Cadet MICHAEL MISZCAK, son of MR. and MRS. EUGENE J. MISZCAK, of Shoreham road, was cited for superior scholastic work for the last grading period, awarded a baseball letter, Glee Club certificate, Athletic Bars and Maroon Triangle and received his eighth grade diploma during MMA's 90th commencement May 27.

Pointer FRANK HENNESSEY, chairman of the board for New Detroit, received an award for outstanding volunteer service to the Metropolitan March of Dimes during a recent annual award luncheon and presentation.

Muriel belongs to Theatre Arts, the all-woman drama group that presents its productions at the all-male Play-ers' Playhouse in East Jefferson avenue. Fine Arts, open to men and women, also presents its productions there.

Now that she's stopped teaching for good and all, (a state she never thought she'd come to; she started in Wyandotte before she was married, substituted all the years the children were growing up, taught in St. Clair Shores after they were grown), Muriel is taking up piano study again. She is very active in the Grosse Pointe Symphony Women's Association and upholds the family honor at Grosse Pointe Rose Society meetings.

Gerald is a Rose Society member, too, but since the Rose Society meets on Wednesday evenings, and that's the night the symphony rehearses, it's been Muriel for the roses, Gerald for the music.

Off to The World They love to travel, and often take a musical approach to it. There was the University of Michigan tour which included a visit to Wagner's home, after which the Stoetzers took off on their own to Salzburg and a concert in Mozart's home.

There was the time they decided that Sue, still in college, (she'd interrupted her studies for a brief career as an international airlines stewardess; when she did get her degree it was as Mrs. Bockelman, and Brian went to his mother's graduation), needed a break.

The break was a music trip sponsored by the American Orchestra Association, Vienna for the Volksopera. Paris for the ballet. Other trips for others reasons . . . "The year the Bar Convention took us to Hawaii, and Jim and Sue developed a sudden interest in visiting their brother." Jerry was in the Navy, in Hawaii at the time. If he'd been stationed in Omaha, one wonders if his brother and sister would have been quite so determined to pay him a visit.

A sentimental journey in 1969, Gerald Stoetzer taking

For the rest . . . look him up in "Who's Who in the Midwest," and marvel that he ever found time to take his violin out of its case.

Muriel Suggests . . .

It was Muriel who did it. She'd joined the Grosse Pointe Woman's Club, and one of its projects was to provide refreshments for the Grosse Pointe Symphony, organized in 1953, the year the Stoetzers moved into their home in Littlestone road — "It was really The Woods then" — and she'd seen that violin come out on special occasions, family carol sings at Christmas, for instance, and she heard the Grosse Pointe Symphony play, and she thought, "This is something Jerry really would like."

And she told him so. So one night, in 1955, Gerald Stoetzer took his violin and took himself off to a Grosse Pointe Symphony rehearsal at Pierce School. "It was the longest musical evening of my life."

Actually, it was only two-and-a-half hours, 7:30 to 10 o'clock, but for an ex-dance band/school orchestra player, it was a different kind of music.

He liked it. He liked making it. He came back, and back . . . and now, in his 25th season with the orchestra, Gerald Stoetzer is president of the Grosse Pointe Symphony Society.

"We average five concerts a year, and I think I've only missed three or four at the most," he says. Not proudly, simply as a statement of fact. His pride is reserved for the orchestra. "We know quite a few of the Detroit Symphony players, because we've had most of the first chair people as our soloists," he says, and there's pride in that sentence. As there is in "The Michigan Council for the Arts gave us a mini-grant last year."

On to The Players

Gerald Stoetzer joined The Players right after he joined the Pointe Symphony. That meant more out-of-the-case time for the violin. He and Muriel have been members of Fine Arts since 1961, (currently, he's on the board and treasurer), and the violin has come out for Fine Arts musicals, too. Last season, in "Showboat," Gerald and Muriel Stoetzer came out — a rare occasion, as both tend toward administrative/detail work rather than in-front-of-the-footlights glory — as members of the singing chorus. They had a ball.

## Mastectomy Group

(Continued from Page 22) is "O.K." to feel angry about the disease and the changes that are apparent in her life.

"I have discovered so many answers to my problems and care by asking many questions and being aware of publications that detail new treatments," continues Ms. Mikos. Education will be a highlight of her planned sessions, as well as family counselling projects.

For information regarding

the sessions, mastectomy patients, before or after surgery, and their families are encouraged to call Nita at 886-8520 or 886-8511. The counseling programs, their fees covered by some medical insurance plans, will be held at the Grosse Pointe Psychiatric Clinic, located on the lower level of the Colonial Federal Savings Building, 63 Kercheval avenue, in the On-the-Hill shopping district.

ning committee as well as vice-president of the International Institute.

The Marvin Vinandes also served on the planning committee. Mr. Vinande is chairman of the International Institute's Members Council.

And Mary Baynert, president of the Friends of the International Institute and a Market planning committee member, is chairwoman of the gala reception and preview that opens the Market at 11 o'clock this morning.

## Questers Off to Muskegon

Mrs. Michael Brennan, of Three Mile drive, president of the Michigan State Questers, will be off to Muskegon next week to preside at the annual council meeting during Questers' state convention.

Many other Pointers, members of local chapters of the national organization pledged to educate by research and study of antiques and to donate funds to the preservation and restoration of memorials, historical buildings and landmarks, will join her Wednesday, October 10, at Walker Arena.

The day will be filled with interesting and exciting displays and events, from an exhibit on The International Year of the Child to a Harvest and Craft Sale to tours of Hackley House, where Questers funds are restoring five Tiffany-type windows.

The post-luncheon program will feature South Haven's Karen Lewis speaking on Native American Baskets. She has over 5,000 baskets in her own collection, and has exhibited at the Smithsonian in Washington, D.C., and both the Field and Art Museums in Chicago.

Muriel to Paris, his "second favorite home" — and a dash to Nice to visit the man who had so much to do with making Gerald's first stay in Paris such a memorable experience: a French judge who, with his wife, took the young United States Army lawyer under their wing.

No Time to Lose There'd been transatlantic correspondence through the years, Christmas cards, an exchange of family photos, pictures of the Stoetzer children growing up, promises to come back to France one of these days . . . and then the message from across the sea: "I am now 76 years, and you must come soon." Gerald and Muriel came.

Sydney, Tahiti, Monte Carlo. "I'm three trips behind in putting my movies together," Gerald Stoetzer says. "That's what I'm going to do in my spare time."

Not this month. This month, the Grosse Pointe Symphony, under the direction of Felix Resnick, moves into high gear, preparing for its first concert of the season Sunday afternoon, October 21, in Parcels School Auditorium. Pianist Janet Cross

sen is the featured soloist.

Guest artists for the remaining three concerts of the season will be saxophonist Donald Sinta, (January 20), pianist Ruth Burczyk, (March 9), and cellist Paul Olefsky, (April 27).

As always, each Sunday afternoon concert will be followed by a meet-the-artists reception: a chance for guest musicians, orchestra members and audience to get to know one another. You meet some nice people that way.

People like Gerald Stoetzer, attorney, who likes to play the violin. He's president of the Grosse Pointe Symphony Society this year, and he wouldn't mind having you as a member. Granted, it's not a very exclusive group — you buy a Grosse Pointe Symphony season ticket, and you automatically belong — but it's managed to attract some mighty fine people. You'd like them.

And you'd like the concerts. Those Grosse Pointe lawyers and doctors, businessmen and homemakers, retirees and college students who like to make symphonic music do a mighty fine job of it.

**Center Offers French Classes**

French language classes for children, adult beginners and advanced French students will begin in October at the War Memorial, 32 Lakeshore road, under the direction of Janet Bachrach Schroeder.

She is carrying on the teaching of French at the Center begun by her mother, a native of France who has returned to her homeland.

The children's French class for boys and girls ages seven to 11 is scheduled for Tuesdays, October 16 to December 18, from 4:15 to 5:15 p.m. after regular school. The young people will learn vocabulary and pronunciation through songs and games. The class is limited to 10 and the fee is \$28.

Adult Conversational French is offered on Tuesdays, October 16 to December 18, from 9 to 10:30 a.m. This course is suitable for the French enthusiast with recent intermediate knowledge. Students will engage in a broad recapitulation of basic French language structures. Discussions will follow based on readings in class. The fee is \$40.

An advanced adult French class will be held the same dates as the French conversation class October 16 to December 18 from 10:45 a.m. to 12:45 p.m. This class will bridge the gap between skills and usage, and the instruction and participation will

be entirely in French. French literary masterpieces will be used to stimulate class discussions. The fee is \$50.

Adults wishing to enroll in a beginning French class may do so on Wednesdays, October 17 to December 19, from 7 to 8:30 p.m. This is a primer course tailored for the beginner with emphasis on basic structures, idioms, conversation and pronunciation. The fee is \$40 for the 10-week term.

Registration for any of the French classes may be made either in person at the Center's office or by mail with check.

**Library Hosts Art Exhibit**

The Central Library, 10 Kercheval avenue, will display oil, water color and batik art work by Julie Strabel throughout this month.

Mrs. Strabel, a member of the board of the Grosse Pointe Artists Association, is a graduate of the University of Michigan College of Architecture and Design. She has exhibited in many local shows, including the Ann Arbor Art Fair and Arts and Apples in Rochester.

She was awarded third prize in last spring's Grosse Pointe Artists Show.

**Seniors Cited At South High**

By Lorri White  
Fifteen seniors from South High School were recently named commended students in the 25th annual National Merit Scholarship Program. This year's award winners are Virginia Berry, Nicole Bertram, Bennett Birgbauer, Craig Campbell, Cheryl English, Denise Guevara, Michael Lineweber, Margret Lindvet and Benjamin Liston.

More are Barry O'Keefe, Robert Pethic, Patti Pillsbury, Jeanne Ryan, Jeffrey Smudski and Louise Swan.

A spokesman for the National Merit Society, which conducts the merit program, stated, "The high performance that is required to be designated a commended student is an attainment deserving public recognition."

He further noted, "The nation, as well as each of these students, will be benefited by the continual educational and personal development of their talents."

Of more than one million students entering the competition, about 35,000 throughout the U.S. are being commended for test performances that placed them above the top five percent of participants.

Although commended students rank below the level required for scholarship competition, each has shown academic promise.

**Fisher Earns Big CPA Honor**

Pointer Charles T. Fisher III, president of the National Bank of Detroit, (NBD), and also president and a director of NBD's parent company, National Detroit Corporation, was recently honored at the annual meeting of the Michigan Association of Certified Public Accountants, (MACPA), with its Distinguished Achievement Award.

This award was established to honor CPAs who have distinguished themselves by outstanding achievement, leadership and service in such areas as commerce or industry, governmental or public service, education and civic or social endeavor.

Mr. Fisher is only the seventh person to be so honored by the MACPA since the inception of the award in 1968.

Previous recipients were former Chrysler chairman Lynn A. Townsend, William A. Paton, professor emeritus at the University of Michigan, former state Sen. Emil Lockwood, Michigan Secretary of State Richard H. Austin, Raymond C. Maihofer, a long time member of the Michigan State Board of Tax Appeals, and Gerald C. Schroeder, past chairman of the Michigan State Board of Accountancy and Shores Village resident.

After receiving his AB from Georgetown University

and his MBA from the Harvard Graduate School of Business Administration, Mr. Fisher was granted his Certified Public Accountant certificate in 1957 and joined Touche Ross and Co., an international public accounting firm, the same year.

Mr. Fisher joined the NBD in 1958 and, after serving as head of its National Division and holding the position of senior vice-president as well as a member of the board of directors, he became president of NBD in 1972.

He is a director of several major corporations including American Airlines, General Motors, Detroit Edison and Hiram Walker-Gooderham and Worts, Ltd. In addition to these corporate affiliations, he is chairman of the Mackinac Bridge Authority and a member of the American Institute of Certified Public Accountants as well as MACPA.

He also served as a member of the Michigan Economic Action Council, the Michigan Efficiency Task Force and chairman of Family Affairs Month.

Mr. Fisher also is a trustee, treasurer and a member of the executive committee of the American Enterprise Institute; a trustee and secretary of the Automotive Safety Foundation; and a director of the Highway Users Federation.

**Archaeology In State Eyed**

"Indian Mounds in Michigan And The Midwest" and "Prehistoric Projectile Points of Michigan," two new informational publications on Michigan archaeology, are now available from the History Division of the Michigan Department of State.

According to Secretary of State Richard H. Austin, the first publication, written by state archaeologist John R. Halsey, describes Indian burial mounds, both in Michigan and the Midwest.

The second, dealing with prehistoric chipped stone spear and arrow points in Michigan, was written by Dr. James E. Fitting, former state archaeologist, in cooperation with Stephen Claggett and Stephen Treichler of Commonwealth Associates, Incorporated.

These pamphlets are part of the "Great Lakes Informant" series describing various aspects of Michigan history and produced by the History Division.

Other archaeological "Informants" are "Pioneering The Past: Development of Archaeology in Michigan," "Archaeology in Michigan: Present Knowledge And Prospects," and "The Indian Rock Art Tradition in Michigan."

All are available at no cost by writing to Great Lakes Informant, Department of State, Michigan History Division, Lansing 48918.

**List Provides Consumer Info**

The Michigan Consumers Council recently released a comprehensive list of consumer groups located throughout the state.

"Many people have called our toll-free guideline service wondering about other consumer groups in the state," said the Council's deputy director, Kent Wilcox, in a news release.

"Some consumers wanted to know where to file a specific complaint on the local level, while others were interested in getting involved in a consumer issue. Because of this interest, we researched and compiled this list."

The publication lists more than 30 groups which mediate complaints or lobby for special consumer concerns on both the state and local levels.

"Consumers may now be able to pinpoint an agency or coalition near them which is sensitive to the concern they have," Mr. Wilcox explained. "We hope it will help reduce some of the frustration consumers experience when they're referred all over the state for the answer to a simple question."

The variety of groups lets consumers get involved in just about any consumer issue. For example, the list includes information about groups interested in health care, landlord/tenant issues and nuclear power.

"We feel consumers can have a direct impact on the laws and policies which affect their daily lives," Mr.

Wilcox added. "Finding a group which can use and appreciate their time and energy may give consumers the opportunity to do so."

For a free copy of the consumer groups list, write the Michigan Consumers Council, 414 Hollister Building, 108 West Allegan, Lansing 48933, or call the Consumers Council Guideline, toll-free 1-800-292-5680.

**Prowler Poses As Policeman**

When a 19-year-old Park man surprised a prowler in his basement Monday afternoon, September 24, the man progressed to be a police officer and later escaped.

James Kennedy of Maryland road told police that when he confronted the man with a shotgun, the man stated he was a police officer and was looking for someone.

Police said, at that point, Mr. Kennedy withdrew his gun and the prowler made his way outside of the house and escaped by jumping over a fence.

The prowler was described as white, about 20-years-old and between 6'3" to 6'5" tall with a goatee and sparse beard. He was wearing a brown tweed jacket and brown pants.

Police have no suspects in the case.
